Oh, What a Wonderful Sight & Sound!

Most folks in Garza County appreciated the heavy, dark clouds which swooped over the area Thursday afternoon and evening, dropping more than an inch of rain in most

places. Although cotton farmers were caught in the fields defoliating, and the rain presents a problem for them at this time, not too much complaining was going on.

By Wes Burnett

A blessing for some, a problem for others, but the rain Thursday broke a three month or more dry spell in Garza County

Ranch watering tanks weren't filled, most ranchers reporting little or no run-off, but the parched ground seemed to sigh with relief as an average of one inch fell generally across the county

A quick striking thunderstorm blitzed through Post Thursday evening, dropping pea-sized hail, forcing junior high football

fans to scramble for cover. Riley Miller at Miller Brothers near Justiceburg reported .5 Thursday, but last Sunday measured one inch with other parts of the ranch reporting 1.3 inches of rain Thursday.

Other ranches reporting rain were:

Cross H — five miles east of Post — .5; Bird Ranch — 15 miles east of Post — .6; 0. S. -15 miles south of Post -1.;

Beggs Cattle Co. - 25 miles east of Post 1.1.

U Lazy S Ranch, south of Post received anywhere from a trace to .5 inch;

The Kirkpatrick ranch southeast of Post received 1.5 inches.

Garza County ranchers are encouraged to call The Dispatch after significant rains so that a general report may be provided.

On the negative side, county cotton farmers were caught in the fields, defoliating, and the timing of the rains has created problems.

Defense Saves 'Lopes in 21-7 Win

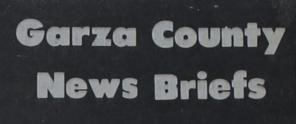

by Wes Burnett

Three goal-line stands by the Post Antelope defense in the third and fourth quarters gave the reigning District 3AAA champions a 21-7 edge over the visiting Childress Bobcats here Friday night in the opening district opener for both teams.

Leading 14-7 at the half, the 'Lopes came into the second half, kicking off to the Bobcats.

The visitors, who clearly had upset on their minds, marched in six plays to Post 44, and on fourth down pulled a fake punt, as John Lott took the short snap and raced through a gaping hole up the middle to the Post 30 yard line.

Then nine plays later, the Bobcats rammed to the two yard line, and on fourth down the entire Antelope right defensive side

stopped Kenneth Sims at the one-half yard line and the ball went over on downs.

Unable to move the ball, the 'Lopes punted and after a personal foul penalty on Post, the Bobcats started another move to paydirt from the 'Lope 19.

In four plays they made it to the 10, before a stiff Antelope defense gave the ball back to the offense after a fourth down try failed for the 'Cats.

Then, early in the fourth quarter, the Post defense stymied another Bobcat scoring attempt, which started at the Post 10 yard line after a blocked punt.

Four plays later, a pass in the end zone to Terry Smith was batted away by Rodney Hays and Keith Osborne ... which set up the final Antelope touchdown drive.

The defensive effort was sparked by linebackers Giles Dalby, Curt Greer, Felix Bustos and Daniel Gonzales, ends L.D. Harper, R.J. Greathouse, James Brown, David Shults, interior linemen Jay Valdez and Keith Osborne. Ind

'Lopes Win Again

(Continued from Page 1)

Williams took the handoff from Dale McVay on the 15 and behind excellent blocking, the speedster left Bobcat defenders sprawled on the ground along the way.

Chuck Morris' kick put the 'Lopes out front 7-0.

After forcing Childress to punt, Williams caught the ball at the Post 30 and repeated the kickoff return, racing down the left sidelines behind a wall of blockers, but was tripped up by a lone defender at the six yard line.

Two plays later Williams took the hand off over left tackle from the four and into the end zone. Another kick and the 'Lopes took the lead 14-0.

Late in the first quarter the Bobcats scored on a five play drive, using two passes and scoring on the second one as Boyd Johnston found Lott on a lobb pass around right end from the three yard line.

Another great defensive stand kept the 'Cats from scoring early in the second quarter from the Post 14, then later from as close as the seven.

A third down play from the 23 saw Johnston passing to Sims, who fumbled the ball at the 13 and Williams recovered for Post.

Then, after a brilliant 26 yard run, breaking three tackles and finally being ridden down by Chris Castleberry, Williams got hit on the next play and fumbled the ball.

From the Childress 44, the Bobcats picked up a first down to the Post 36, then Johnston fumbled the ball and the Antelopes got it back at their own 36.

They moved the ball consistently to the 'Cat three yard line, and then with 13 seconds left in the first half, quarterback Joel Kirkpatrick was caught for no gain and the teams went to the lockers.

After the strong defensive show in the fourth quarter, the 'Lopes started their final touchdown drive with 10:32 left in the game. Williams took the sweep around right end

to the Childress 35 from the Post six...then the play was nullified by a holding penalty, bringing the ball back to the five yard line.

Williams went over right tackle to the 15. Then Curt Greer sliced over right guard

Williams went to the 34, then to the 29 and on third down Dalby blasted over left end to the 29.

Daniel Gonzales took the ball over left tackle to the 14, then Williams went over right tackle to the six.

The Bobcats were beginning to show signs of wearing out, as the physically conditioned 'Lopes controlled the line of scrimmage.

Williams got the call again over left guard, and the ball squirted loose at the goal line, but was recovered by the Antelopes in the end zone for the touchdown.

Morris made it three-for-three ... 21-7.

With 6:36 remaining, the Bobcats tried to mount a drive, but were thwarted by a swarming 'Lope defense.

On second down from the Childress 46, Johnston's pass deep was intercepted by Michael Ollison on the 20 and returned to the Post 35.

After a penalty the 'Lopes started on their 24 and then a bad pitch out was recovered by the 'Cats on the 25,

Even the animals know this. The mother collie devotes patient hours to the training of her puppies. We know that, for their safety and welfare in life, it is important that our children receive the finest training possible — and that we are responsible for helping to provide such training. A part of the basic training of our children is, of course, moral and spiritual training. A good part of such training must come in the home and family — but we are fortunate in having in our community so many churches, all of which specialize in moral and spiritual training, especially for the young.
