## Garza County News Briefs

### Double U Sale

The ninth annual Double U Hereford Ranch Production Sale is scheduled to be held Wednesday, Oct. 19 with lunch beginning at 11:30 a. m. and the sale to start at 12:30.

The sale will be held at the Post Ranch Headquarters located on West 13th Street.

One hundred three year old commercial bred heifers and 60 registered two year old bulls will be sold.

Kenneth Marts is foreman of the Post ranch.

### Fall Fashion Clinic

A Fall Fashion Clinic will be held Thursday, Oct. 20 at the Post Community Center with Ada Lou Bird of La Posta and Lynne Wendell Griffith, Color I consultant of Lubbock doing the presentations.

The clinic will demonstrate the latest ways of coordinating fashion colors in accessories, wardrobes, and shoes and anything that affects your fall wardrobe.

There will be no admission charge for the fall clinic and is open to all interested persons.

### Boren Elected

Walter Boren of Post was recently reelected to the Garza board of directors Oct. 5. Boren represents zone number 5 of the district.

The purpose of the Garza SWCD, with headquarters in Post is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Boren will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

In Texas there are 201 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCDs do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the landowner or operator.

### Ragtown Reunion

There will be a meeting Thursday, October 20 at 7:30 p. m. in the Senior Citizens Center to discuss plans for another Close City (Ragtown) Reunion.

There was such a wonderful response this year to the reunion, that it needs to be decided how often it will be held as to years.

All interested persons are urged to attend this meeting.

### ASC Election

Persons eligible to vote in the ASC Community Committee election that will be held Dec. 5, may select nominees by petition for their community.

Petitions were mailed to persons in A, B, C, D and E communities on Oct. 6 and must be returned by October 31, 1983.

### Christmas Bazaar

Gamma Mu Sorority will hold its annual Christmas Bazaar November 12 from 9 til 5 in the Post Community Center.

More information may be had by calling 495-3125, 495-2344 or 495-2371.

### Grassland Reunion

The annual Grassland Reunion will be held Oct. 23, 1983 at the Grassland Community Center.

A noon meal will be catered at \$5.00 per plate and tickets may be purchased from C. W. Roberts, Box 937, Tahoka and tickets should be purchased by Oct. 5 and may be reserved by mail.

### Library Story Hour

Story Hour is held each Thursday morning at the Post Public Library from 10 to 11 a. m. announces Pee Wee Pierce, Librarian.

The Story Hour is for pre-school age children and Mrs. Virginia Babb is the Story Hour Director.

# Moore Wins Top Honor

Jerry R. Moore, Maintenance Construction Supervisor of the State Department of Highways and Public Transportation Maintenance Section in Post won the Lady Bird Johnson Award for beautification of roadways in Garza County.

He received a plaque and Lady Bird Johnson's personal check for \$1,000 in a presentation by Mrs. Johnson at the LBJ State Park near Stonewall.

Moore is one of six men over the State of Texas who were finalists in the contest this year.

This contest is the 14th annual contest hosted by Lady Bird Johnson.

Moore works closely with the mowing contractors in his portion of the Lubbock district to avoid mowing wild flowers stands before the seeds ripen.

The results are dramatic.

Along the Garza County highways are cut-leaf daisies, purple prairie verbenas, yucca, bright-yellow coreopsis and many other native wild flowers.

Grasses are left fairly tall so they will

grow to seed height.

This is accomplished by setting the mower blades at a high level and protects the young flowers as well and helps prevent wind erosion.

The rest areas come in for special attention.

In season, the arbors at the rest stop on US 84 are adrift in a sea of coreopsis. This rest area also has a cactus garden.

The arbors are painted in earth tones and careful attention is given to the upkeep of the grounds and garden.

The area contains a historical marker recalling the colorful Col. C. W. Post of Post Toasties fame, who founded the town of Post and who fired cannons off the Caprock at this location on the theory that the mock bombardment would cause rain.

Jerry Moore has contributed much time and effort to the beautification of rights of way in Garza County.

Jerry Moore, his wife, Terry and children, Ricky Ray and Terry Michael, reside on route 2, Box 335, Post.

Jerry Moore was selected for the prestigious Lady Bird Johnson award recently.

### Temporary Economic Move—

# Dispatch Drops Wednesday Edition

Economic conditions in Post and a continuing decline in advertising volume has forced the termination of the mid-week issue of The Post Dispatch, according to publisher Wesley W. Burnett.

"Beginning this week, we will publish once a week on Sundays only," Burnett announces, "and will continue this service until economic conditions improve enough to warrant the reinstatement of the Wednesday edition."

Recently, a major advertiser has changed its advertising plan to pre-print supplements, which has created a serious economic loss of revenue for the newspaper.

"Some advertisers are attracted to the mass production of pre-printed inserts," Burnett explains, "and we are unable to maintain the volume of pages to accommodate this change."

"When advertising volume increases," the publisher adds, "we will offer the Wednesday edition. This change, we hope, is temporary, and when economic conditions in Post improve, we will be ready to meet the demands of our advertisers."

Due to the intense interest and popularity of the Sunday edition, The Dispatch will continue with its home delivery and other

features which readers have expressed appreciation for.

Deadlines for the Sunday Dispatch will remain Thursday at 5 p. m. and the popular free classified service for private-party, non-commercial ads will continue.

"We ask our subscribers to help us through this critical period," Burnett adds,

"and to understand that this change is reflective of the over-all attitude of advertisers in Post, and we are prepared to add the Wednesday edition just as soon as advertising demands make it economically feasible."

Advertising and subscription rates will remain the same, Burnett concludes.

## Commissioners Discuss Expenses

County Judge Giles Dalby was appointed to the Garza County Appraisal District Board of Directors by county commissioners when they met for a regular meeting Monday, Oct. 10.

Justice of the Peace, Dee Justice, met with commissioners inquiring about travel money for out of town expenses. It was stated

that the money the county pays for out of town expenses was per night plus mileage.

In other business, commissioners approved the dedication deed for the Cross H Ranch Cemetery and the deed is to be made a permanent record in the commissioners court minutes.

(Continued on Page 9)

## 'Fall Carnival' Plans Youth Fun Events

Plans for the "Fall Carnival" at the Garza County Junior Livestock Association building now include booths from nine civic organizations.

Members of Xi Delta Rho are coordinating the special fun event and are encouraging all civic organizations to participate.

"We hope this will be an annual event, specially designed to provide our youth a chance for some old-fashioned fun on Halloween," Xi Delta Rho's Peggy Ashley comments.

"We are asking civic organizations to rent a booth for the small amount of \$15, then fix up a booth, provide something entertaining for young people, and then when the evening is over, take down the booth," Ashley adds.

Xi Delta Rho members will be dressed as clowns, and their booth will be a snack bar, fortune teller, clown face painting and a free costume contest with prizes.

Other organizations signed up for the "Fall Carnival" are the Antelope Band Boosters, cake walk; Fellowship of Christian Athletes, hammer and nails; Ladies Division of the Chamber of Commerce, balloon sale; high school student council, spook house;

Junior high student council, basket toss; cheerleaders, paint booth; Church of God of Prophecy, sponge toss and hot dog stand and the Post Rotary Club, popcorn sale.

Organizations interested in helping with the "Fall Carnival" should contact Susan Cardinal at 495-3734 or Jenny Francis at 495-2354.

GETTING READY FOR THE CARNIVAL — Betty Dennis (left) and Voda Beth Gradine

get into a little clowning in preparation for the October 31 "Fall Carnival" sponsored by Xi Delta Rho Sorority.

# Garza Folks Among Unclaimed Money Program

Texas Treasurer Ann Richards is looking for 320 Lubbock area residents who have a total of nearly \$70,000 coming to them from abandoned accounts held in the State Treasury's Un-

claimed Money Fund. Richards said the names are among 20,000 on this year's list which were reported to her by banks, insurance companies and other businesses as the owners of at

least \$50 each in accounts which have been unclaimed for the past seven years.

"We're working hard to reunite people with their lost or forgotten money," Richards said, noting that the Treasury is publishing a 24-page booklet on October 16 as part of the effort to locate missing owners. The booklet is being distributed to 35 Texas newspapers, she said, and it is also being sent to more than 600 public libraries and all of the county tax assessor-collector offices.

Under Texas law, the State Treasurer is responsible for holding accounts and other types of property which have been unclaimed or abandoned for seven years. Richards said she is

putting a high priority on returning these funds to the rightful owner.

"There is no time limit on filing a claim," the Treasurer stressed. "If we have the money, we'll give it back once we verify ownership, as the law requires."

Reports are submitted to the Treasurer each year by banks, savings and loan associations, credit unions, corporations, utility companies, department stores and other businesses. Types of property included in the report include checking and savings accounts, utility deposits, money orders and cashiers checks, corporate dividends, mineral royalties, credit balances on charge accounts, proceeds from

insurance policies and gift certificates — all of which have been unclaimed or abandoned for seven years.

"The purpose of the Unclaimed Money Program," Richards said, "is to reunite people with their lost or forgotten money. In the past 12 months, ending in August, we were successful in returning more than a million dollars, double the rate of last year and an all-time record for one year."

Richards said about \$9.4 million in abandoned accounts was collected this year. She pointed out that money collected that is never claimed by the owner goes to benefit all Texans by helping to pay for education, law enforcement and other state programs.

"The most important aspect," she said, "is that the more we collect, the more we'll be able to return."

Anyone who sees their name on the list, or who thinks they may have abandoned accounts from previous years, should write to State Treasurer Ann Richards,

P. O. Box 12608, County in the Unclaimed Money Program are Carl E. Adams, Eva Bailey, Bettie Fortune, Ella B. Murphy, Johnny Payne, and Madge G. Webb.

## Cinderella Girl Self-Improvement

### Xi Delta Discuss Carnival

Xi Delta Rho sorority met Monday, October 10 in the home of Joyce Teaff.

New members, Donna Stelzer and Diane Stelzer were welcomed by Teaff, Peggy Ashley, Susan Cardinal, Janice Smith, Christy Morris, Voda Beth Gradine, Jenny Francis, Sue Chun, Cheryl Blair, LaGayluah Feagin, Johnnie Francis and Trisha Cockrell.

Plans for the fall festival carnival were discussed with members deciding to dress as clowns for the event. Plans were made to open the livestock barn at 6 p. m. on Saturday, Oct. 29 for organizations to set up booths.

Festival times were set to run for 7 p. m. to 10 p. m. Oct. 31 with cleanup directly afterward.

Cheryl Blair led a group discussion on the topic "living a full life" and hostesses Joyce Teaff and Peggy Ashley served a meal of spaghetti, salad and garlic bread.

Next meeting is scheduled on Oct. 24 in the home of Martha Hart. Members are reminded of the meeting that will include the Pledge Ritual and Secret Sister name revealing.

The Cinderella Girl Scholarship program is sponsoring a free self-improvement and modeling seminar for young girls between the ages of 3-17 years old in the Lubbock area.

The seminar is being held in conjunction with the "Cinderella Day" activities scheduled for Saturday, November 12, at the Lubbock Civic Center Holiday Inn, 801 Avenue Q.

The seminar is designed to offer the young ladies of the area training in good grooming, poise, personality projection and self-confidence and will be taught by a staff of the nation's leading experts on modeling and self-improvement.

Girls attending the three hour seminar, which will be held from 9 a. m. to 12 noon will have a chance to meet the 1983 Texas State Cinderella Girl royalty along with some of Cinderella's favorite animal characters who will be on hand to add fun and laughter to the day's festivities.

Following the modeling seminar will be a spectacular Cinderella Girl extravaganza presenting the local

Cinderella Girl overall, beauty, talent and photogenic girl winners from Lubbock, Borger, Amarillo, Pampa, Childress and Plainview.

For more information about making reservations for this special event contact Betty Wall 799-5175. There will be a registration fee of five dollars.

## Births

Ricky and Joyce Brown announce the birth of a son, Ricky Cardell Jr., born Sept. 14 at 8:28 p. m. in Garza Memorial Hospital, weighing 5 lbs., 15 ozs.

Tano and Teresa Olvera announce the birth of a daughter, Lina, born Sept. 23 at 12:01 a. m. in Garza Memorial Hospital and weighing 9 lbs., 3 ozs. The Olveras reside at Rt. 3 Snyder.

Kasey Nicole and Kelley Renee, twin daughters of Mike and Frances Dixon Carrell were born October 6, each weighing less than 2½ pounds. Grandparents are Bill and Margaret Dixon, former residents of Post.

# Gamma Mu Plans Bazaar

Gamma Mu sorority held its business meeting in the home of Carol Williams Tuesday night, Oct. 11.

Several items were discussed with the main discussion centering on the Christ-

mas Bazaar which is to be held Nov. 12 in the community center. Several games were played involving the states of America. Prizes were won by Jana McCallister and Gail Asbill and

also the winner of the door prize. Following the program which was brought by Carol Williams, the following enjoyed a meal of hot dogs, chips, apple pie and tea; Sara Briley, Helen Gerner, Julie Hudman, Diane Josey, Debbie Mason, Jana McCallister, Sherry McNeely, Carol Williams, Dana Brown, Gail Asbill, Nancy McDonald, Brenda Conner, Brenda Murphy, Janet Justice,

Karla Schooler and Irene Fry. A night out is planned for Oct. 22 with the husbands being invited.

## Meets 'Opra' Star

Inez Capps, one of the faithful watchers of a daytime soap opera, got the surprise of her life Thursday night when she went on a simple errand.

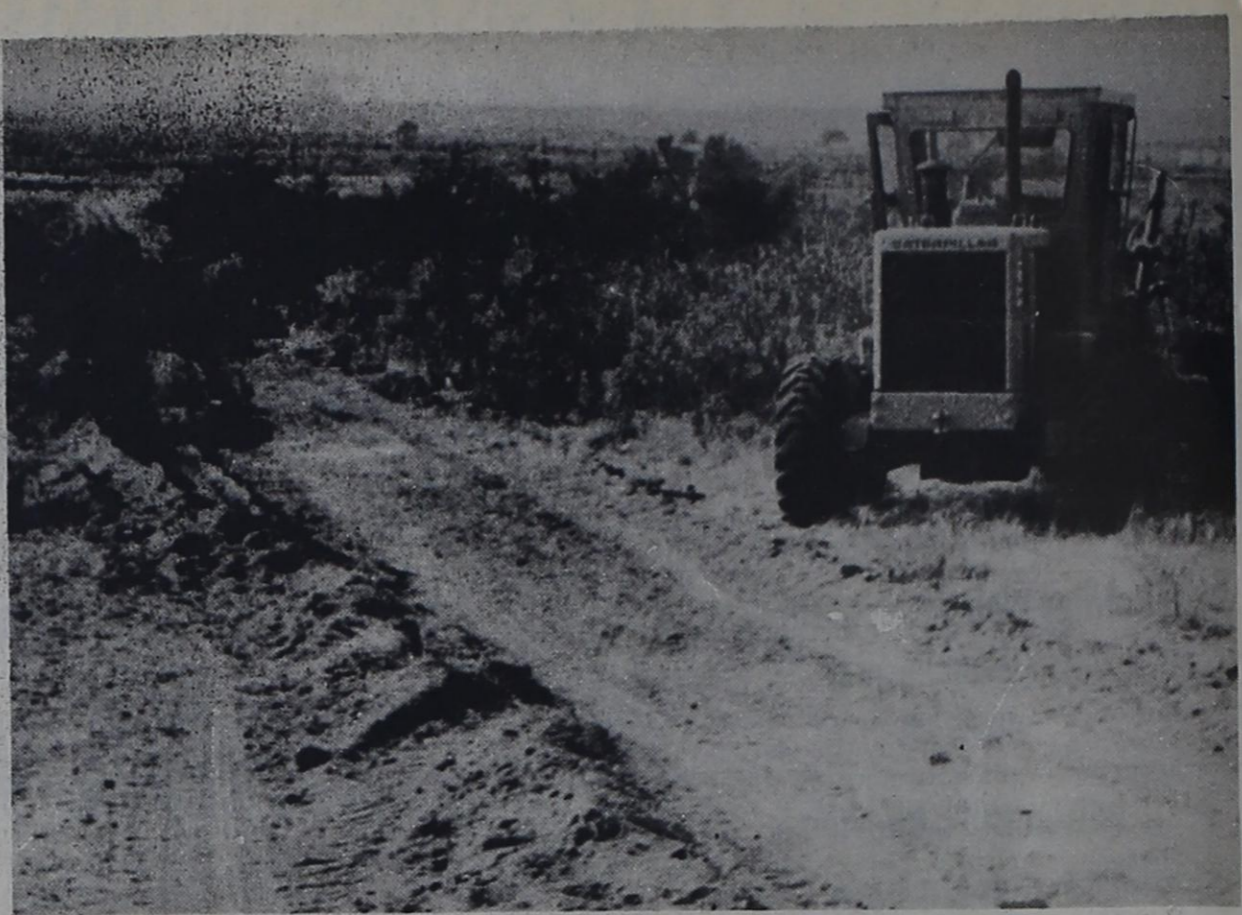

Inez had gone to the Allsup's Store on US 84 to make a small purchase when to her surprise a celebrity happened to walk in.

After looking at him for several minutes, she took the bull by the horns and went over to ask him if he watched "Days of Our Lives", "yes mam," was the reply. Inez continued with "are you?" The answer was "yes mam."

The man in question was none other than Jed Allen, better known as Don Craig. Inez had the privilege of shaking his hand.

## USDA Food Purchases

During the period June 15 to September 16, 1983, USDA purchased for distribution through the various food programs 43,418,000 pounds of beef at a cost of \$45,036,000. During the period of June 24 through September 16, 1983, USDA purchased for distribution in the various food programs 31,592,000 pounds of turkey at a cost of \$21,007,000.

**NEW PIPELINE** — The City is working on a new pipeline from Lake 3 of the reservoir in order to serve the cemetery with the water instead of having to use fresh water to keep it green. An available pump now owned by the city will be used to pump the water to the cemetery.

## Hance Introduces Legislation to Stop Phone Rate Increases

U. S. Rep. Kent Hance, D-Texas, has introduced legislation in the House of Representatives that would help stop massive telephone rate increases now expected to take effect in January. The Hance measure, entitled the "Telephone Equity Act of 1983" repeals a Federal Communications Commission ruling on long-distance access charges that would have added more than \$9 billion annually to telephone bills throughout the country by 1990. The charges would have translated into rate increases of nearly \$8 each month for the next several years for each American home with a telephone.

The access charge to use long distance lines would be placed on monthly bills, even if the customer did not make a long distance call.

In anticipation of the FCC ruling, telephone companies have requested rate increases of more than \$8 billion from state regulatory commissions throughout the nation.

In Texas, Southwestern Bell originally asked for more than \$2 billion in rate increases, but reduced that request in the past few weeks to \$1.2 billion.

"The concept of universal, affordable telephone service was seriously threatened by the actions of the FCC", Hance said. "We needed to take steps to make sure everyone would still have access to phone service at prices that didn't cut some people out of the system. My bill will help maintain reasonable rates as well as protect the

poor, the elderly and those in hard-to-reach rural areas from losing telephone service, either because of price or location."

In addition to dealing with the potential increase in consumer telephone bills, the Hance legislation creates a "lifeline Service" which would guarantee service to those families unable to afford telephones.

"Everyone should have access to a telephone for emergency reasons," Hance said. "The 'Lifeline Service' will give the elderly, ill and low-income people the assurance that they will be able to contact emergency fire, police and ambulance services when they need them."

Hance believes his legislation will find favorable review from other members of Congress and is hopeful for a quick resolution of problems now facing consumers because of telephone rate increases.

## Littlefield Plans Arts & Crafts

The Littlefield Arts and Crafts Festival is fast approaching and will host an exciting array of talented artists and craftsmen. These people will show their wares Saturday, Oct. 22 from 9:30 a. m. until 8:00 p. m. in the Lamb County Ag and Community Center on Highway 395 and 17th Street.

Almost every medium of painting will be represented: acrylic, watercolor, oil, toile, china and glass. There will also be calligraphy, stained glass, metal crafts and frames.

Excellent gift items can be found in jewelry, brass, wooden items, clocks, baskets, pillows and both children's and adult's clothing.

Christmas ornaments and decorations will be available along with toys, dolls and bread dough items.

Cross stitch pieces, afghans and other hand sewn items will be shown.

The Littlefield Young Homemakers are sponsoring this special event. The \$1 admission, which is tax deductible, will be used for charity in the Littlefield community through Young Homemakers projects. The admission fee also entitles you to a chance for beautiful door prizes from each of the 45 booths and you need not be present to win.

## Scholarships

More than 150 Texas Tech University students enrolled in the College of Agricultural Sciences have been awarded scholarships for the 1983-84 school year. These students will be recognized at the college's annual Pig Roast Nov. 17.

David Becker, a senior majoring in plant and soil science, received a Clayton Fund Scholarship. He is the son of Mr. and Mrs. William Becker, Rt. 2 Post.

David Farquhar, son of Jerry Farquhar, Post, received an O'Brien Agricultural Scholarship. He is a freshman.

## CHILDREN VISIT

Mrs. L. E. Claborn Sr., had over the weekend, six of her children at the home of her daughter, Irene Claborn of 701 West 5th. Other daughters present included Jocie Ferri and husband, Adam of Azle, Tex., Evelyn Hamilton of Odessa and sons present were Carl Claborn of Indio, California, John L. and wife, Mary Claborn of Monahans and T. W. Claborn of Temple City, Ca.

Daughter Nina Vee England of Grapevine was unable to attend at this time.

Other visitors included her daughter-in-law, Ruby Claborn and granddaughter Peggy Claborn of Lubbock.

The group enjoyed visiting with each other during the weekend.

The trip westward on a wagontrain was always dangerous and difficult.

One party of pioneers suffered greatly from a lack of water, scarce grass for the livestock, and broken wagons.

Morale was at an all-time low. The trail boss called a meeting one evening, so complaints could be aired.

Before the complaining began, however, one of the pioneers stood and said, "Before we do anything else, I think we should first thank God that we have come this far with no loss of life, no serious trouble from the Indians, and that we have enough strength left to finish our journey."

After the prayer, there was silence. All of the grievances seemed small in the light of God's blessings.

Travellers sometimes rest in the shade of the tree beside the Presbyterian Church in Post.

Every Sunday morning people come to worship, to find new strength and hope for the journey, and some come mainly to express thanksgiving to God for all His blessings.

There is a place for you. We encourage you to come.

# Cotton Talks

Thirty textile leaders representing nine Far Eastern countries which in 1980-81 bought about 3.5 million bales of U. S. cotton will be in Lubbock October 24, 25 and 26 to inspect High Plains cotton production, processing, merchandising and research facilities.

Officials of Plains Cotton Growers, Inc., Lubbock-based cotton producer organization, point out that in 1980-81 the nine countries accounted for about 62 percent of U. S. cotton exports.

"Over 90 percent of this cotton was in the short to medium staple categories produced here on the Plains," states Donald Johnson, PCG Executive Vice President, "and PCG's involvement with these people is an effort to put more of our cotton into their markets."

PCG is coordinating the foreigners' activities for the Lubbock visit, which is a part of the annual U. S. Cotton Orientation Tour sponsored by Cotton Council International, National Cotton Council, the U. S. department of Agriculture and local hosts. Joining PCG as hosts in Lubbock will be the Lubbock Cotton Exchange, Plains Cotton Cooperative Association and the Agricultural Chemicals Division of ICI Americas.

ICI Americas will host a reception and dinner honoring the foreign dignitaries on the evening of October 25.

Japan, Korea, Bangladesh, Malaysia, Hong Kong, Philippines, Thailand, Indonesia and Taiwan will be represented by from two to seven officials each.

"There is no doubt that these countries already are our best customers," says Johnson. "But the U. S. now supplies only about half their total imports, and our objective is to convince them we have the capacity and the desire to fill more of their fiber needs from this country."

While in the U. S. the group will also meet with USDA officials in Washington, Cotton Incorporated textile research, production and marketing specialists in Raleigh North Carolina, and visit in the cotton producing areas of the mid-south, southeast, Arizona and California.

On the Plains the foreign delegation will tour the Textile Research Center of Texas Tech University and the American Cotton Growers denim mill in Littlefield, see a stripper harvesting demonstration at the Texas A & M Research and Extension Center, and inspect the instrument classing line and merchandising facilities of Plains Cotton Cooperative Association.

The group will arrive in Lubbock on the

evening of Monday, October 24 and depart on the morning of Wednesday, October 26. Individual merchandisers of High Plains Cotton will have the opportunity to meet with the visiting textile and raw cotton purchasing executives during the evening hours on Monday and the early hours of Tuesday and Wednesday.

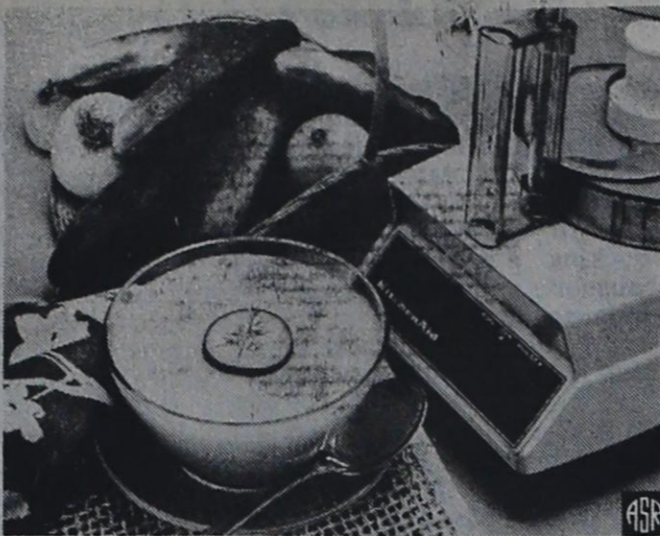

## Hospital Notes

Those admitted to Garza Memorial Hospital since September 9 to Oct. 12 include:

The earth's surface holds 324 million cubic miles of water.

While gardens continue to brim over with fresh vegetables and the warm days of summer linger on, it's still a good time to enjoy a cool summer soup.

This recipe for Cucumber Soup, developed by the home economists at KitchenAid using their large capacity food processor, is an ideal way to put garden fresh cucumbers to use. Light but satisfying, it can be quickly prepared, then served after being well chilled.

Because this refreshing soup is so easy to make, they suggest you take the time to serve it in an attractive bowl or clear goblet, garnished with a slice of cucumber and a sprig of fresh dill or other garden herb.

### Cucumber Soup

- 3 pounds cucumbers, peeled, seeded, and cut into 1-inch cubes
- 1 small onion, quartered
- 1 1/2 cups chicken broth
- 1 cup plain yogurt
- 2 tablespoons lemon juice
- 1/2 teaspoon dill weed
- 1/2 teaspoon salt
- 1/4 teaspoon white pepper

Position steel blade in work bowl. Add cucumbers and onion to bowl. Process 15 seconds. Stop and scrape bowl. Process 15 seconds longer to puree.

With machine running, add chicken broth through feed tube, about 15 seconds. Stop and scrape bowl.

Add yogurt, lemon juice, dill weed, salt, and white pepper; process 15 seconds to combine ingredients.

Refrigerate and chill well before serving.

Yield: 5 to 6 servings

## Hedrick on Senate

John Bill Hedrick of Post has been elected to serve as a sophomore class representative to the Western Texas College Student Senate for 1983-84. Hedrick also served as a freshmen representative. He will be chairman of the Student Welfare Committee this fall. A graduate of Post High School, he is the son of Mrs. Bill Hedrick. He is majoring in animal production at WTC and is a member of the WTC rodeo team.

Eternal Vigil...

EVERYONE IN THE CHURCH  
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Salt air, the beating of heavy waves, and rains... these are just a few of the elements that a ship must face constantly. With all of these things, it is little wonder that the crew must be alert, looking for rust and other damage. New paint to protect the ship must be applied regularly.

An individual faces many things in this world, that would rust and corrupt his life, therefore it is good to begin each week with a renewing of spirit, that can be obtained only through worship in the Lord's house.

# Speed, Hard Hitting Pay Off for 'Lopes

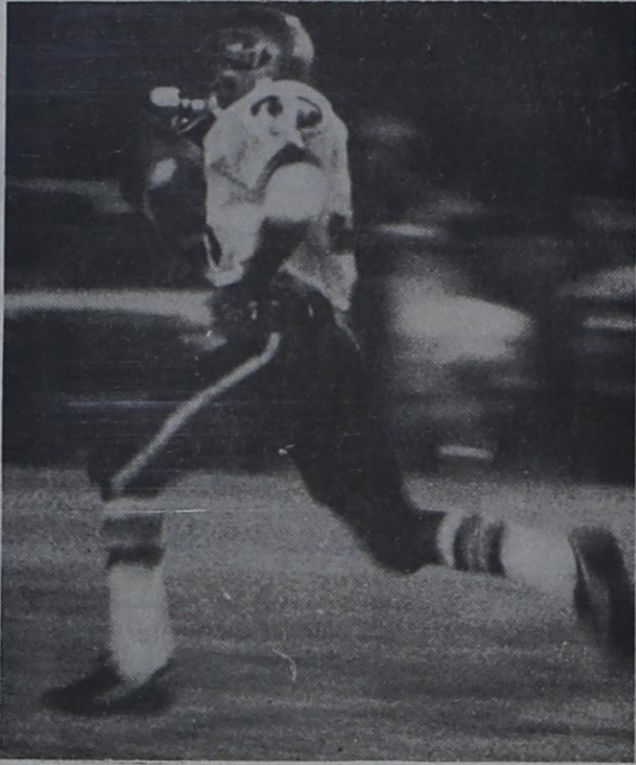

by Wes Burnett

When you're leading 41-0 at halftime, it's really difficult to be geared up with the same intensity in the second half, but the Post Antelopes did what it took to shut out the Slaton Tigers 48-0 Friday night in Slaton.

Creating their own opportunities, and taking advantage of one Tiger mishap after another, the Antelopes scored on all but two possessions in the first half.

Coughing up the football under heavy pressure from James Brown (88) and David Shults (51), Tiger quarterback Garrett Gamble turned the ball over the Antelopes on this play. (Photo by Tim Burnett)

Milton Williams shows his backside to Slaton Tiger defenders on his way to the first touchdown last Friday night in Slaton. (Photo by Norma Baumann)

## J. V. Defense Shines in Shut-Out

Two touchdowns was all the Post junior varsity Antelopes needed, as the defense strangled every Slaton Tiger effort in a 12-0 shut-out here last Thursday evening.

Scoring twice in the second quarter, the young Antelopes held Slaton to 99 yards rushing and put forth a goal line stand on fourth down, recovering a fumble on the play.

The defense created four Slaton turnovers. Coaches Ken Plumlee and Lane Tannehill praised Rodney Tidwell and Albert Nava as well as the entire defense for their efforts.

"Benny Hair did a good job of running the football," coach Plumlee observes, "and Keith Hart and Steve Gomez did well at running and blocking."

3306 4th St. 762-8782

Milton Williams demonstrated why he is one of the premier running backs in the state, streaking through a seam in the Tiger defense early in the game for a 54 yard touchdown run.

An equally powerful Antelope defense, looking stronger and better every week, absolutely dominated the Tigers' sputtering offense.

Giles Dalby, Gilbert Perez, James Brown, David Shults, Rodney Hays, Keith Osborne, Jay Valdez, L.D. Harper, Charles Johnson, R.J. Greathouse and other defensive players, held the Tigers to a total of 160 yards offense.

**Seven Touchdowns**  
1. After an exchange of punts in the first quarter, the Antelopes got the ball on their own 29, with a stiff southern breeze in their faces.

With 8:05 on the clock, Williams went over right guard to the 34, then Tracy Price took the ball to the 36 and Williams got the first down at the 46.

On the next play, quarterback Joel Kirkpatrick handed the ball to Williams, who went over right guard, found a little daylight and cut across to his left, leaving Tiger defenders grabbing for air as the speedster raced into the end zone untouched.

Chuck Morris kicked the first of seven extra points, making it 7-0, with 6:40 remaining in the first quarter.

2. Price's kickoff sailed high in the air, and by the time it came down, the Antelope kickoff team was right in the middle of the Tiger receivers, Johnson tipped the football up and Hays pounced on it at the Slaton 30 yard line.

The two-play touchdown drive started with 6:37 on the clock, opening with a handoff to Price over right guard to the 26 and then a rolling left Kirkpatrick pass to Johnson, who was wide open in the end zone...the extra point kick made it 14-0 with 5:56 left in the first quarter.

3. Fans were anxious to see what the heralded Gerald Lacy could do...the Antelope defense took control and after three tries Lacy and the Tigers were forced to punt from their own 29.

The snap went high over the punter's head and was recovered by Greathouse on the two yard line.

The one-play drive saw Williams crashing into the end zone from the two over right tackle.

The game was already out of reach for the Tigers as the 'Lopes led 21-0 with 3:58 still to play in the first quarter.

4. Times were tough for the Tigers as they fumbled the ball on the kickoff when James Brown slammed into Carl Denzer, causing a fumble at the Slaton 21, recovered by an alert David Shults.

Williams scored the touchdown again, on the fourth play of the drive from the three yard line, following a run by Felix Bustos and a screen pass to Daniel Gonzales.

A late hit penalty on the Tigers moved the ball to the seven and Williams inched it closer to the three.

Morris' kick went wide...the 'Lopes went out front 27-0 with 2:22 remaining in the first quarter.

5. Early in the second quarter the 'Lopes finished off a six-play drive which started at the Slaton 31, following a quarterback sack by Shults and Brown with Harper picking up the fumble.

A fourth down and two pass from Kirkpatrick to Harper set up the touchdown from the five yard line, from where Williams scored over left tackle.

The extra point widened the lead to 34-0 with 11:28 left in the first half.

6. Daniel Gonzales hit Devin Bednarz, popping the ball loose at the Slaton 21 and

The junior varsity team travels to Floydada Thursday.

The coaches also praised Donny Payne and Keith Craig for their work at the guard positions.

The junior varsity's first scoring drive was 68 yards in 16 plays with Simon Salinas getting the one-yard touchdown run.

Later in the same quarter the 'Lopes capped a seven play, 47 yard drive with Salinas again getting the final nine yards.

## Tannehill Injured

The Kilgore College Rangers, after posting a 4-0 record before playing Tyler last week, had moved into No. 1 position in the National Junior College football rankings.

Tim Tannehill who had earned the starting position as quarterback for the Rangers will be out of action for about eight weeks after breaking his hand in practice last week.

Osborne fell on it, giving the Antelopes another shot at the end zone.

Two plays later Kirkpatrick faked to Williams, rolled to his right and threw the perfect strike to Harper, who had slipped past the defenders into the end zone.

The 'Lopes took a 41-0 lead and later mounted another drive which ended in an unsuccessful field goal attempt from the Slaton 37 yard line.

**Second Half**  
Slaton picked up two first downs in the opening of the second half, before punting the ball on fourth down following a third down quarterback sack on the Post 43.

Driving the ball to the Slaton 37, Williams fumbled and gave the Tigers an opportunity.

7. On fourth down from the 37, another bad snap sailed over the punter's head, he picked it up and kicked it at Greathouse, whose blocked punt was recovered by the Antelopes at the Slaton 22.

A Williams touchdown run was called back because of an offsides penalty, and later on fourth down from the 20 yard line, Williams went through a quick-opener over left tackle to the nine, breaking two would-be tacklers on the way to a first down.

Giles Dalby got the call around right end, plastering a Tiger defender and landing on the three.

(Continued from Page 6)

The third quarter ended, the 'Lopes took the wind at their front again and Williams headed south over right tackle for the final Antelope touchdown.

The Tigers mounted a sustained drive to the Post seven, but were held by a determined defense twice...the second effort came after Post fumbled the ball at their own 17.

Then on second down from the seven, Lacy took the ball over left guard and was smacked by Osborne and Dalby, the ball popped loose and Osborne fell on it at the four.

Quarterback Dale McVay guided the reserves on a clock-killing seven play drive...icing the win for the District 3AAA reigning champions.

## Freshmen Whip Slaton 20-6

The Post freshmen football team whipped the visiting Tigers Thursday evening 20-6 with inspired defensive effort.

"The whole defense played a fantastic game," coach Jay Kennedy comments, "with Tony Angerer, Clay Cowdrey and Steve Pena all getting in for the final yard fumble recoveries."

The coach also praised Shon Overton, Angerer and Bart Mason for their quarterback sacks and Derek Dunn for an interception.

Robert Gill, Eddie Moat, Jay McCook, Marvin Lee, Tracy Price, Derek Dunn, Randy Lewis and Ron Graves were also singled out for recognition by coach Kennedy for their

offensive performance.

Other players getting special praise were Lupe Perez, Johnny Funk, Corby Windham, Jay Clayborn and Willie Rodriguez.

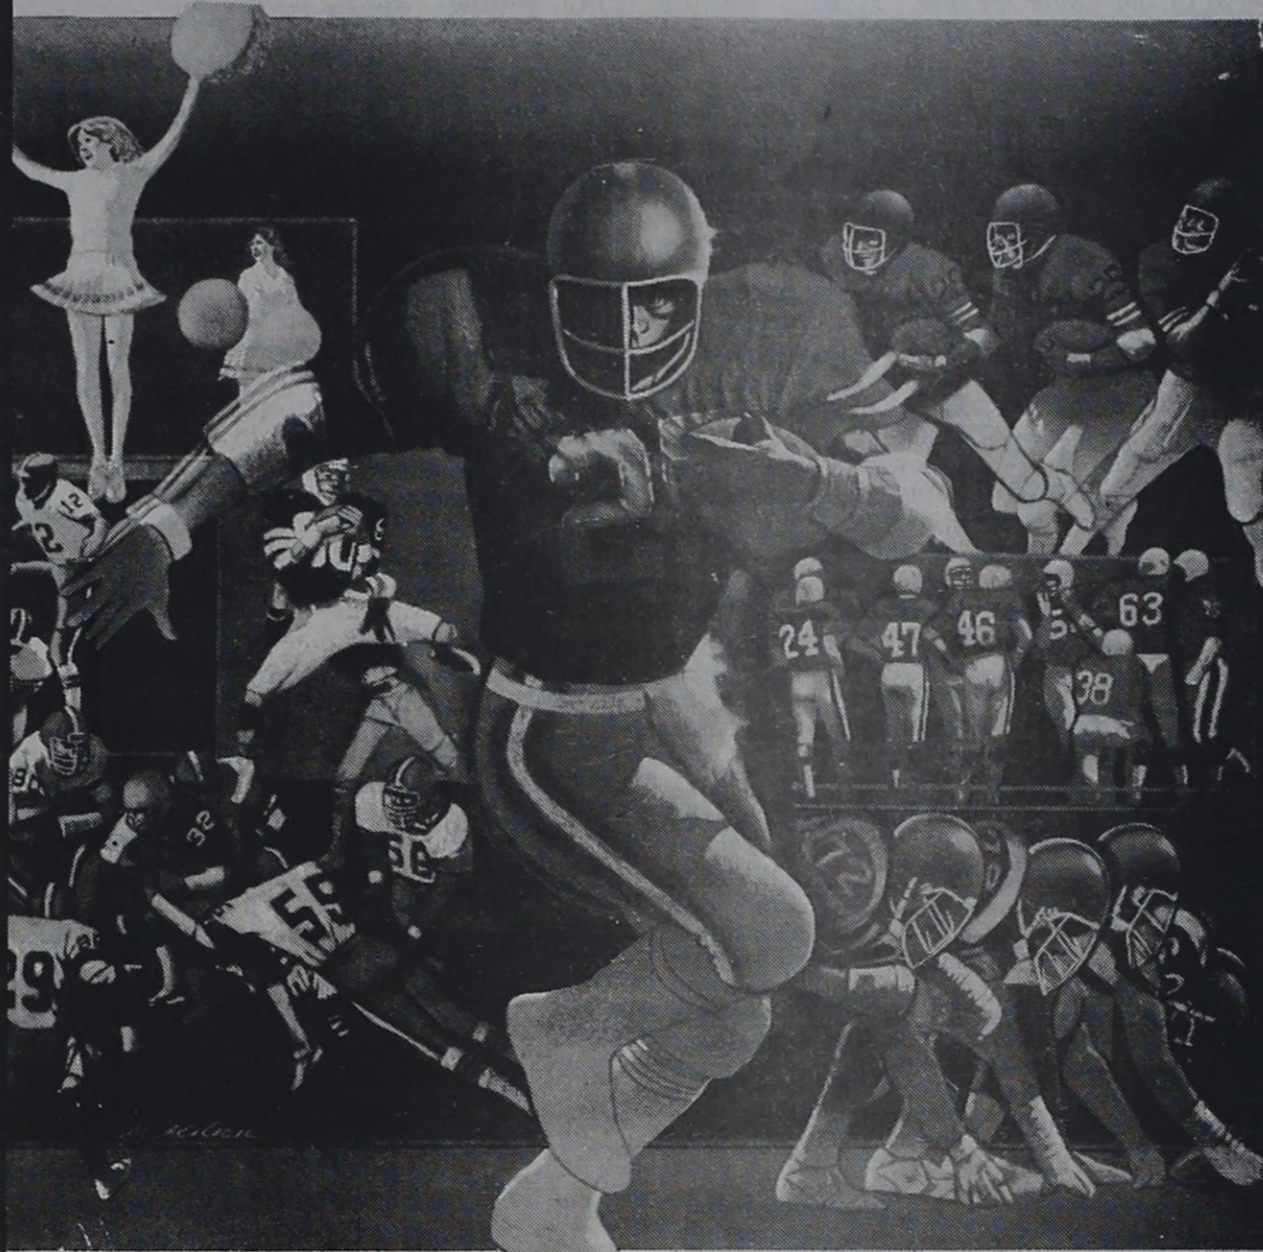

The first score came after a fumble recovery by Angerer, with Eddie Moat going in for the final yard following a 36 yard, six play drive.

The second half opened with Jay McCook returning the kickoff 85 yards and a touchdown, with Dunn getting the two point conversion.

Marvin Lee scored the final touchdown on a 15 yard run after Dunn had intercepted a Slaton pass late in the game.

The freshmen play at Floydada this Thursday.

# The Post Dispatch Football Contest!

All entries must be submitted to The Post Dispatch at 123 E. Main or postmarked no later than 5 p.m. Fridays in order to be considered as a contestant.

Contestants must print legibly their names, addresses and telephone numbers. There is no limit to the number of entries allowed per person.

Winners will be determined by the most number of correct selections of the games listed. Contestants should circle the team they think will win the game.

All entries must be on the printed form in The Post Dispatch, facimiles or

photo reproduced copies of the newspaper form are ineligible.

The tie-breaker score must be what the contestant thinks will be the actual score, and the tie-breaker will be determined on a point-spread basis.

The tie-breaker will only be used in case there is a tie between contestants on the total number of correct selections in the contest.

Dispatch Football Contest winners will be notified by telephone and the weekly winners' names will be published on the football contest page.

All decisions by the contest judges are final.

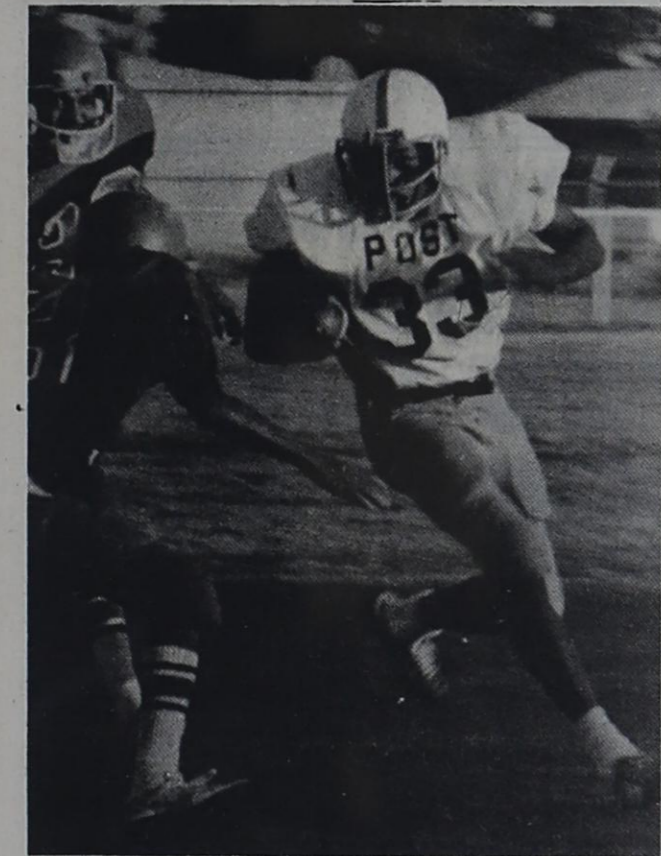

### Official Entry Form

Circle the team you think will win.

Eddie Moat slides around his left end during the freshmen Antelope 20-6 win over Slaton here last Thursday.

## 8th Grade Wins

Coming from behind twice, the 8th grade Post football team edged Slaton 14-12 Thursday evening in Tiger Stadium,

"showing a tremendous amount of determination and character," coach Darryl Radle reports.

Behind 6-0 in the second quarter, the young 'Lopes started a drive from their 33 yard line and in 15 plays Mike Bartlett hit outside for the four yard touchdown and then went off tackle for the two-point conversion.

In the fourth quarter the 'Lopes returned a kickoff to the Slaton 43 and on the second play, Bartlett went off tackle for a 40 yard touchdown run.

"The four secondary players made some very big plays to prevent touchdowns,"

the coach comments about Brent Jones, Blair Didway, Lex Dunn and Eddie Slay.

The coach also paid special recognition to the defensive play of Brian Gibbs, Daryl Foster, Michael Ayala and Mark Tyler.

"Linebackers Ben Kirkpatrick and Bobby Gonzales were exceptionally good," the coach says.

Kirkpatrick also played the quarterback position after only one day of practice.

Bartlett had 153 yards rushing on 19 carries.

"We had great line blocking by Gonzales, Greg Benham, Tyler and James Leverett," coach Radle adds.

The 8th grade team hosts Floydada this Thursday.

# Craft Takes Starting Position

Most football coaches might be tempted to cash it all in when faced with such a desperate situation. But McMurry College Coach Rodney Murphy barely batted an eye earlier this fall when he learned two days before the Indians' season opener that his starting middle linebacker was ineligible, and that he would be forced to start a freshman at the position.

Toby Craft, the former all-state performer from Post, was the reason why Murphy was able to remain so calm.

Even Murphy is smart enough to know that "very seldom can a freshman start at such a crucial position as middle linebacker," he says, "but Toby is the exception to that rule."

Murphy, who found Craft at the Greenbelt Bowl all-star game in August, now freely admits that he was having a tough time

during the pre-season workouts fighting off the temptation to move his prize freshman in front of the returning starter.

"They were so close that we were planning on giving them both a lot of playing time," the coach says. "I knew Toby would be able to perform."

Folks around Post have known this for several years. As a three year starter for the Antelopes championship teams, Craft had impressed everyone except the scouts from so-called "big time colleges." His size, 5-11, 175 — did not carry much weight with the scholarship schools.

## Commissioners

(Continued from Page 1)

Commissioners also approved the salaries and benefits for the county employees for the 1983-83 fiscal year.

Motion was made and seconded to approve the bond on Lloyd A. Osborn for \$5,000 to be bound to the Sheriff of Garza County.

The proclamation for the National 4-H Club Week, which was signed by Judge Dalby, is to be made a part of the commissioners court minutes.

Deputy Tommy Duncan met with commissioners to report on a session he attended concerning the jail standards.

The court approved the public officials bond for Donald Windham in the amount of \$10,000.

Before adjourning, commissioners approved the monthly invoices, monthly reports and approved the minutes of the last meeting, Sept. 27.

Craft was still trying to decide what to do about college when he was invited to play in the annual Greenbelt Bowl all-star game in Childress. Murphy and his staff had been chosen to coach in the game. It wasn't long before both Murphy and Craft were mutually impressed.

"Toby has a knack for finding the football, even in the middle," says his coach. "Traffic can get pretty heavy in there, but Toby doesn't get caught up in it. He uses good judgement on every play. It's obvious he was coached well."

Craft may feel like

he's lucky to just be in there, filling a void for the Indians. But in only the second week of the season, he was named the Texas Intercollegiate Athletic Association (TIAA) Defensive Player of the Week after a stellar performance against Austin College. He played a critical role in the Indians' 6-3 win, stopping two AC drives with a quarterback sack and a pass interception (which he got after wrestling the ball away from the receiver.)

As luck would have it, he played an even stronger game the following week against TIAA defending champion Sul Ross, and then again in a 7-3 defensive struggle against Tarleton. Based on these performances it's no small wonder McMurry is off to one of its fastest starts in years and is well within sight of a TIAA championship with a 3-0 conference record midway through the season.

Through the team's first four games, Craft is McMurry's leading tackler with 25 solo tackles and 11 assists. He has been credited with two quarterback sacks when he was blitzed, and has kept

opposing receivers from visiting his zone very often on passing routes.

Through it all, however, Craft remains modest. "I'm really surprised at the amount of playing time I'm getting as a freshman. I knew, when I came here, that McMurry already had a starting middle linebacker and that it might be some time before I got to play. It's unfortunate that he won't be able to play this year. I'm just glad I can fill in and take up the slack."

So is everyone else except perhaps the opposing running-backs and receivers who have had the misfortune of meeting Craft on the field.

## Spur Plans

### Art Show

The Spur Art Guild Homecoming Show, sponsored by the Spur Art Guild, will be held October 28 and 29 with purchase prizes totaling \$1,500.

Ribbons will be given for first, second and third and honorable mention and Best of Show to be chosen by the Judge.

Paul Wylie of Lubbock will judge the show with judging to be held Friday morning, Oct. 28 and will be open to the public at 1 p. m.

Entry fees have been set at \$4 with miniatures \$1 per entry and no limit.

J.R. Durrett came to Post from Tullia, Tx about 1915 to assist in the colonization of Post city by C. W. Post. Durrett had graduated from the business school at Paris, Tx., and became the accountant and general office manager for the Double U Co. Durrett had met and married a school teacher in Tullia; Mayme Ford. The Durrett family came to Texas from Kentucky and purchased a farm near Savoy, Tx., where the J.P. Durrett's lived until their death. Jim and Mayme Durrett had a daughter, Maxine, now Mrs Lewis Earl, who lives in Post. Durrett served two terms as mayor of Post and Maxine is now serving on the city council. (Photo courtesy of Maxine Earl)

A-1 Public Notices

**NOTICE OF INTENTION To Engage in Weather Modification Operations Within the State of Texas**  
NOTICE IS HEREBY GIVEN THAT the Colorado River Municipal Water District of P. O. Box 869, Big Spring, Texas 79720, holder of Weather Modification License No. 83-1 of the State of Texas, has applied for a permit to engage in an operation to change or attempt to change by artificial methods the natural development of appropriate atmospheric cloud forms or precipitation forms which occur in the troposphere. An application has been filed with the Texas Department of Water Resources for consideration to conduct a weather modification operation to increase precipitation within the area described and by the method stated below:

1. The equipment, materials and methods to be used to conduct this operation include: a weather radar set, meteorological analysis information, a twin-engine aircraft, air-to-ground radio communications and wing-mounted racks to hold silver iodide flares; a meteorologist directs the aircraft to a radar-selected cloud to begin cloud-seeding at cloud base to increase rainfall in the target area.

2. The area intended to be affected by the operation is the target area which is bounded by a line beginning at a point of origin at Big Spring, Texas and running along Highway 87 in a north-westerly direction to Lamesa, thence north-northeast on Highway 87 to the north border of Dawson County, thence east along the northern boundary lines of Dawson, Borden and Scurry Counties to Highway 84; thence southeast along Highway 84 to Roscoe, in Nolan County; thence south-southeast to Maryneal; thence southwest to Silver in Coke County; thence south-southwest to Highway 87 at a point approximately 13 miles northwest of Sterling City; thence northwesterly along Highway 87 to the point of origin at Big Spring, Texas.

3. The area in which the equipment is to be located includes the operational area and the target area. The operational area is the land-area between an outer boundary which is defined by a line that encompasses the block of counties of Lynn, Garza, Kent, Fisher, Nolan, Coke, Sterling, Glasscock, Martin and Dawson and an inner boundary which is that of

the target area.  
4. The persons approved by the Department to be in control and in charge of the operation are Ray Pat Jones and Owen H. Ivie, P. E.

5. The period of the operation is expected to be March 1 through November 30 during the years 1984, 1985, 1986 and 1987.

6. The initial Texas Weather Modification License was issued to the Colorado River Municipal Water District Dec. 18, 1974 and has been renewed each year.  
The Commission shall, if requested by at least 25 persons, hold a public hearing in the area where the operation is to be conducted prior to the issuance of the permit. No public hearing will be held on this application unless a request for a hearing is made within 20 days following the date of publication of the first of three consecutive weekly notices of intention to engage in weather modification operations.

Request for further information concerning any aspect of the application should be submitted in writing to the Weather and Climate Section, Texas Department of Water Resources, P. O. Box 13087, Capitol Station, Austin, Texas 78711. Telephone (512) 475-6318.

Requests for a public hearing should be submitted in writing to the General Counsel, Texas Department of Water Resources, P. O. Box 13087, Capitol Station, Austin, Texas 78711. Telephone (512) 475-7836.

**PUBLIC NOTICE**  
There will be a public hearing Nov. 7 at 8 p. m. in the City-County Library for the application of a drilling permit from SBO Drilling Co.

The desired location upon which applicant wishes to drill is 729.8 feet from the South Section line, and 434.8 feet from the East section line of Sec. 1225 in the City of Post, Texas.

Elevation 2597.5 feet above sea level.  
Nearest distance from proposed location to drilling block line is 330 feet.

**Pet Odors Can Be Tamed**

A decorative air freshener can intrigue pets as well as people when it doubles as an ornament.

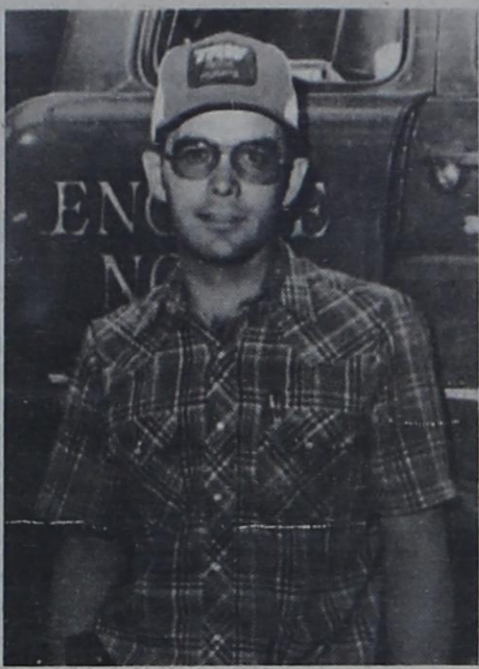

While almost everyone loves pets, our furry companions often bring lingering odors into otherwise clean, fresh-smelling homes. Even birds, hamsters, fish and other small pets that are not free to roam can add their own animal smells to your rooms.

An easy way to freshen the areas where your pet spends a lot of time is to place solid air fresheners where their continual fragrance will keep the rooms smelling nice. Most solid air fresheners will deliver a pleasant fragrance for as long as two months before needing to be replaced.

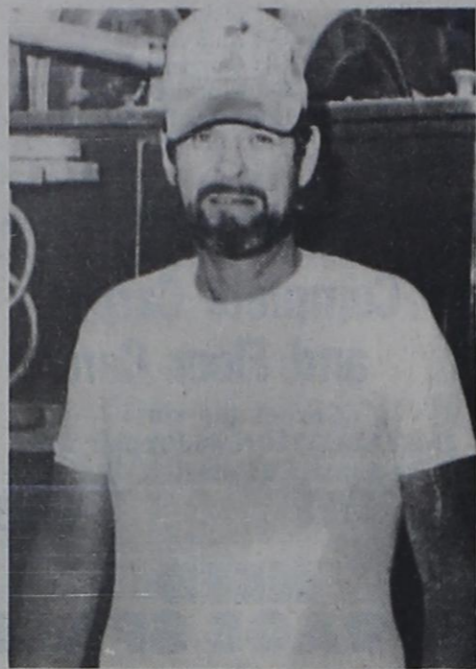

One effective air freshener, Mr. Culver's Sparklers, is "disguised" as a decorative item with the look of stained-glass, even though the colorful parts are made of soft plastic and are safe to use with pets because they are non-toxic. The newest designs are a dove, a daisy and a balloon cluster.

If, on occasion, solid air fresheners are not adequate to fight strong pet odors, an air freshener in a spray can will allow you to add extra fragrance.

# We Salute Our Volunteer Firemen!

Delbert Rudd  
Fire Chief

Larry Waldrip  
Assistant Chief

The Post Volunteer Fire Department serves Post and Garza County with 25 volunteers, who attend Texas A&M Fire School every July to help keep a low key rate in insurance, as well as keeping abreast on new training.

The volunteer firemen also attend and help instruct at the Lubbock Fire School every spring.

Volunteer firemen conduct practice sessions twice a month.

There have been 113 fires this year, 67 in the county and 46 in the city. May is the lowest fire month with three, and July the most, with 22.

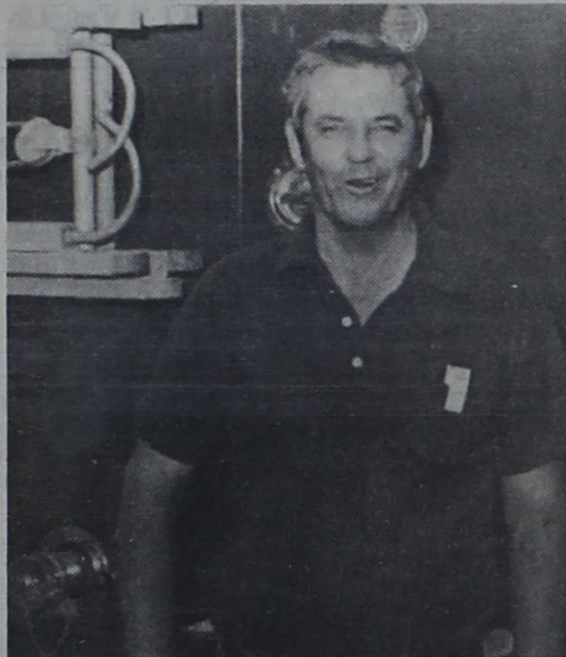

Fires this year have included an oil well "blow-out" with three fatalities, house fires, grass fires and an unusually high number of auto fires.

In addition to fire fighting, the volunteer firemen are responsible for the operation of the "Jaws of Life" rescue work.

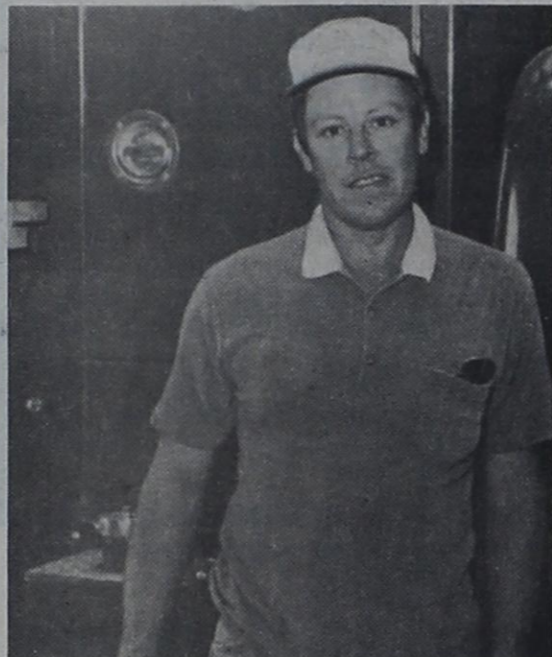

This equipment has been used for truck accidents, pickup truck wrecks and most recently on an airplane crash.
