Special Art Exhibit at Algerita Sunday

Six prominent artists, representing Thornhill's Gallery of Fine Art in Snyder, will be featured in an art exhibit hosted by the Post Art Guild Sunday, September 18 through Friday, September 23.

The show will open with a reception Sunday afternoon from 1 p.m. to 4 p.m., with the artists present to visit with patrons and guests.

Following the reception, at 4:15 p.m., a watercolor demonstration will be conducted by noted watercolorist David Band.

David Band, working as a full-time artist, has devoted the majority of his life living and breathing art - as a student, practicing artist, teacher and collector.

A native of Portland, Maine, Band has had a love of art as long as he can remember. Influenced by his artist grandfather, he received encouragement from teachers to develop his artistic abilities and upon graduation was awarded a full art scholarship to the University of Maine.

With watercolor as his medium of choice, Band also works in oils and acrylics from large abstracts to miniature landscapes rich in detail. His watercolor paintings have been described by some critics, as well as ardent collectors, as readily in the class of well-known artists.

Band has taught at the Wichita Falls Museum and Art Center and serves on the teaching staff and board of directors of the North Texas Artist's Guild.

His paintings can be found in galleries and corporate and private collections throughout the country, including The United States Air Force collection and in many foreign lands.

Other artists exhibited in the main gallery of the Algerita Art Center, 131 E. Main, will be Steve Gray of Wichita Falls; Kaye Franklin of Olney; Norman Olsen of Henrietta; Dr. Robert Taylor of Snyder; and Nancy Thornhill of

Seymour.

Steve Gray is "a realistic impressionist who specializes in portraiture and imagery involving the figure..."

He has received degrees from Chataqua Institute; Tarrant County Junior College; and North Texas State University. He studied in Cortona, Italy as part of the University of Georgia Studies Abroad and with the Art Student's League in New York City.

He has worked as a fashion illustrator and an instructor at Vernon Regional Junior College. He established the "Artist's Guild" in 1983 as an art studio for professional artists and also served as an art school for talented young people.

Gray also painted the cover of the 1984 Republican National Convention poster and has won awards from the Louisiana Watercolor Society, Southwest Watercolor Society and the Pastel Society of the Southwest.

Kaye Franklin has studied with some of the top art instructors in the United States and teaches adult and children classes.

Her mediums are oil and pastel and her subjects, landscapes, still life, figures, portraits and animals, have won awards from the Pastel Society of America in their New York show; the Pastel Society of the Southwest; the Artists and Craftsman of Dallas-Annual Show; and the Texas Fine Arts Association-Annual State Show.

Norman Olsen, 75, has always loved drawing and painting, but his years as owner and operator of the Olsen-Stelzer Boot Company in Henrietta left him little time for the art he loved. Now as a full time artist he has devoted the last several years to the development of his craft.

While studying under a number of well-known instructors, he attended workshops all over the world. Now as a teacher he works

with both children and adults, but prefers helping with the development of young minds.

"It is going beyond the obvious, catching all the myriad of colors that the camera would never see, and the expression of the most beautiful form. It is feeling the mood of a landscape or the inner quality of the subject in ways that are foreign to the lens. A very symphonic and ultimate form of expression."

His interest in subject matter is wide but he is fond of doing portraits.

For Dr. Robert Taylor, appreciation of animals and years of working with them evolved into a professional career in art.

During his teen and college years, he was a collegiate and professional rodeo cowboy, gaining national recognition. He attended

(Continued on Page 2)

Gary Lester Memorial Roping this Saturday

Books will open at 10 a.m. on Saturday, September 17 for the Gary Lester Memorial Roping which will begin at 11 a.m. in Post Stampede Arena.

The roping, with 70 head of good cattle, is limited to C-B ropers, three for \$20 progressive after one. No A ropers will be entered. Books will remain open until the first round is over and if time permits, two ropings will be held.

Prizes for the event include an Ammerman Saddle to the high point winner, Skyline Buckles to the average winner and Breast Collars to second in average.

A barbecue, prepared by some of West Texas' finest cooks will be served starting at 6 p.m. and to round out the day, a dance begins at 8:30 p.m. on the covered dance slab at the rodeo grounds.

You can dance to the music of Weldon Reed and Solid Country for \$5 per person, and enjoy the auction during a break in the dancing.

All proceeds from the day's activities go to the Gary Lester Memorial Fund. For further information, call Fred Humble at 806-263-4325 or V.O. Rasbury at 806-495-3800.

Delinquent Water Bills Get Council's Attention

by Lonnie Welborn

Water accounts and liability insurance were the main topics on the agenda for a regular meeting of the Post City Council, Monday, September 12 at 7:30 p.m.

A list of delinquent water accounts, totaling \$1,509.16, was presented to council members to approve for write-off.

Mayor Giles McCrary explained that the write-offs are transferred to a bad-debt account and collected whenever possible, but are not removed from the city's books.

At the mayor's suggestion, the council members approved a plan for Jack Alexander and Bob Turner to study the delinquent accounts, with the counsel of Harvey Morton, to determine which accounts are collectible.

Another problem water bill was brought to the council's attention through a letter received at City Hall from a customer whose water was apparently turned on accidentally and ran for approximately a month, resulting in a water usage of 782,300 gallons of water and a bill totaling \$976.13 for the one month period.

After establishing that the sizeable bill was an accident and that neither the city nor the customer was at fault, the decision was made by council members to charge the customer one-half of the total bill.

However, both the mayor and city manager pointed out that this decision was reached because this was an unprecedented amount for a bill on a building that is seldom used and that the customer was not aware of the problem.

The council also discussed the matter of small water bills that are in question and agreed that the city manager and his staff should be able to make adjustments in these small bills at their discretion.

A bid for liability insurance was awarded to Post Insurance Agency for \$14,643 to renew the city's policy in September for a period of one year.

Post Insurance was the only local agency submitting a bid.

Melissa Cunningham, Main Street Project Manager, was unable to attend the meeting due to a conflicting schedule and submitted a written Main Street report to the council.

In the general reports, City Manager Bob Turner reported on the recent joint meeting between the city and county to discuss shared budget items and informed the council that cropdusters, working through Plains Cotton Growers, would arrive in Post next week to begin work and would be using Post's Municipal Airport.

Anticipating any problems that might arise from use of the airport, guided by past experience with other dusting operations, council members discussed the possibility of requesting a bond or deposit from the cropdusters.

As the project was so far along, it was agreed that the city would advise the dusters that daily inspections would be made while they are using the local facility.

Present at the meeting were Mayor McCrary; Council members Irene Fry, Larry Waldrip, Jan Crawford, Jack Alexander and Larry Mills; Bob Turner; Wanda Wilkerson; and Harvey Morton.

Commissioners Hold Short Session on Budget

by Lonnie Welborn

Faced with a county budget that cannot be approved until bids are received and a decision made on medical insurance coverage for county employees, Garza County Commissioners' Court met in a short, regular session Monday, September 12.

The commissioners quickly cleared an abbreviated agenda and recessed, to reconvene Monday morning September 19, at which time bids will be opened and a decision made on new health insurance coverage for county employees.

When the insurance figure is agreed on, it can be added to the already completed budget and a Garza County tax rate set for 1988-89.

In other business conducted by the court, fees for Garza County court costs were presented to the commissioners by County Clerk Sonny Gossett.

The Texas Legislature ruled under Senate Bill 715 that commissioners must set court fees before October 1, effective January 1 of the following year, and that counties must provide written notice to commissioners' courts of each Texas county, the State Bar of Texas and any statewide association of counties or officers of counties that request to be informed.

The court fees presented to the commissioners were accepted and approved with no changes.

Commissioner Herbert Walls asked that voting box number seven, which has been located in the old Postex Mill office, be moved back to its location in the high school library.

The request was made after numerous complaints were re-

ceived by Walls from voters in his precinct about the location of the voting box.

The change in location will be in effect for the November election.

The commissioners also approved a request made by qualified voters in Precinct Three to close a south-bound county road, near White Top Liquor on the Ralls Highway, defined as "The section-line road dividing section 63 and 62, Block 8, H. & G.N. RR Company Survey. Abstracts 1227 and 883, respectively, Garza County, Texas, which has for many years been abandoned by the county.

County Judge Giles Dalby recessed the court, to reconvene at 10 a.m. September 19.

Attending the meeting were Judge Dalby; Commissioners Herbert Walls, Tommy Young, Ted Aten and Buck Craft; Gossett; County Treasurer Voda Beth Gradine; and incoming commissioner Sammy Ellis.

Photography Club Sets Show

Caprock Photographers of Post will have their fourth annual juried show at the Algerita Art Center, October 27 through 30, with Chuck DeHaan of Graford, Texas.

Entries from the public are encouraged and will be taken from 8 a.m. to 8 p.m. Thursday, October 27 and until noon on Friday, October 28. Entry fee will be \$4 per photograph.

The show will be open for free viewing on Saturday, October 29 from 9 a.m. to 6 p.m. and on Sunday, October 30 from 1 p.m. to 6 p.m.

For more information call (806) 495-3834 or 495-3207.

PMA Prepares for Founder's Day

The Post Merchants Association is preparing to make Founder's Day in a Post a beautiful affair with fixing up the town and asking the merchants and their employees to help.

On Saturday, October 15, many activities will be happening with the Founder's Day Trail Drive and the arrival of the 1st Calvary Division of Ft. Hood being present.

To help get people in the atmosphere the Post merchants and their employees will be asked to dress in

frontier or Texas attire. The windows of the stores will also be decorated to accompany the theme of the day.

The Planter Boxes in front of the stores will be dressed up in balloons and Founder's Day flags along with bright colorful flags that will be in front of each store.

The Post merchants will also sponsor some hot air balloons that will be brought down from Lubbock and fly off from Post.

All in all the day will be an exciting and colorful one.

PMA To Have Sidewalk Sale Saturday, Sept. 17

The Post Merchants Association will be sponsoring a Sidewalk Sale this Saturday, September 17, in downtown Post.

Merchants will be having special items on sale in front of their stores and inside them.

Everyone is encouraged to come and find the things that you want at the right price.

Merchants participating in the event are Jan's, Neff Western Auto, Handy Hardware and Gifts, Danish Imports, Twins Fashion, Prairie Flowers, Happiness Is and Bird's Nest.

GMH, EMT's to Sponsor Blood Drive

Garza Memorial Hospital and Post EMT's, in conjunction with United Blood Services of Lubbock, are sponsoring a blood drive Monday, September 26, from 3 p.m. to 8 p.m. at Garza Memorial Hospital. United Blood Services serves 30 hospitals, covering a 3,500 square mile area, bordered by Snyder in the east, the eastern counties of New Mexico in the west, Lamesa in the south and Plainview in the north.

506,000 area people depend on United Blood Services daily. 100 units of blood must be collected everyday for daily patient needs. This is not just for the blood banks - this is the actual daily hospital patient need for the area.

Garza Memorial Hospital is one of the units supplied with blood by United Blood Services and your donation will eventually benefit the local hospital and its patients.

For further information on the September 26 blood drive, contact Marita Reed at Garza Memorial Hospital, 495-2828.

United Way Board to Hear Requests

The Garza County United Way board reminds everyone that it's almost time for the start of the annual United Way drive.

Organizations who benefit from the drive need to be preparing annual budget requests to present to board members Carol Peppers, Wes Burnett, Debbie Macy, Glenda Shobe and new board member Jacky Harp, who is welcomed by his fellow members.

Longtime board members Jack Alexander and Janie Davis have resigned this year and the United Way expresses its thanks to them for the years of service and devotion they have given to the board.

If you have been a United Way agency in the past, you will be notified of an appointment time to make your budget requests.

If your non-profit organization would like to participate this year, please call 495-2057 or 495-3191 for an appointment.

Budget requests will be heard the first week of October.

Lynn County Sponsors Rape Crisis Seminar

The Lynn County Sheriff's office is sponsoring a seminar on "Rape Crisis Prevention and Intervention," Tuesday, September 20 at 7:30 p.m. in the Lyntegar Room, 1807 Main in Tahoka.

The seminar, which is open to the public at no charge, will be conducted by Garza County Chief Deputy Billy Timms in conjunction with the Lynn County Sheriff's Department.

Buy A Banner For Post

That is the plea given for the citizens and merchants of Post by the Post Merchant Association.

The "Buy A Banner For Post" campaign started in an effort to raise money to purchase the new seasonal greeting banners to decorate Main Street and Highway 84 during the Christmas holiday season.

The banners would not only be new and attractive but very versatile.

The brackets that support the banners would be left on the poles and could be used for other festive occasions.

So what does this great idea cost - \$110 could purchase one banner, support and all.

If you could help in this project please call Kathryn Floyd at the Chamber of Commerce office (495-3461) or Melissa Cunningham at

BAZE BOOKBINDING

County News Briefs

Crime Line

The balance in the Crime Line account is getting low and your donations at this time would be appreciated. If you are a victim who has benefited from Crime Line's help, or you would like to see this worthwhile program continue, please make your donations to the Crime Line Account through the First National Bank of Post.

Commodities

Commodity distribution for Garza County will be Tuesday, September 20 from 9:30 a.m. to 12 noon and 1 p.m. to 3:30 p.m. at the 4-H Building on the Lubbock Highway.

Fellowship

The Spanish Church of God of Prophecy at 508 N. Ave. G. invites everyone to come join the church's congregation at 12 noon Sunday, September 18 for gospel music, games for the youth and a concession stand with "carnitas" and other refreshments.

Immunizations

An immunization clinic will be open Friday, September 16 from 9 a.m. to 4 p.m. at the Human Services Building on the Snyder Highway, sponsored by the Texas Department of Health.

Your child's social security number is needed for the immunization records. For more information, call 495-3996 or 495-2329.

V.F.W.

The V.F.W., Department of Texas, Mobile Information Service Center will be in Post Wednesday, September 14 from 9 a.m. to 3 p.m.; located in the Harold Lucas Motors lot at 122 E. Main Street, next to Post Insurance.

Don Brewer, an accredited Claims Representative with the V.F.W., as well as members of the local VFW and the Ladies' Auxiliary will be available to provide information to any veteran, widow, or dependent concerning benefits which may be available through the Veterans Administration or the State of Texas.

V.F.W. Meetings

Meeting dates for V.F.W. Post 6797 and V.F.W. Ladies' Auxiliary have been changed and both the V.F.W. and Auxiliary will now meet on the second and fourth Monday nights of each month.

Post Cares

Post Cares new hours, now in effect, are 1 p.m. to 3 p.m. Monday through Friday.

Located at 222 E. 8th, Post Cares would appreciate donations of canned goods and clothing of all types.

Post Merchants Begin Planning Christmas Promotions

The Post Merchants' Association has been busy planning to make shopping in Post this Christmas a pleasure and a joy with many activities being scheduled.

On Friday, November 25, the merchants will turn on their Christmas lights to begin the festive activities.

Along with the turning on the lights the merchants will be observing their Christmas hours of staying open till 7 p.m. Monday through Friday, open their regular hours on Saturday and closed on Sundays.

Sunday is of individual choice. Along with the light decorations the merchants will have their windows decorated and have "Open House" at varying times through out the end of November and December.

Plans are being made to have school and church groups entertain downtown which will be pleasing to all.

A special day has been planned for the Chamber of Commerce business employees to enjoy a day of discount shopping in Post.

The Senior Citizens will also have a day which they will be able to participate in a day of shopping provided by Post merchants.

The Garza County citizen does not need to worry that they will be left out as the merchants have already planned to have new and exciting gift ideas for everyone.

And what kind of season would it be without Santa Claus. The PMA is planning to have Santa in town each Saturday throughout December and you might even be able to have your picture made with him.

Main Street Manager Melissa Cunningham is putting together a community calendar for this busy time of the year so that all activities will be coordinated and not everything will be at one time.

So if you have an "Open House" or some other activity please give her a call at 495-4157 to put on the calendar.

ACS AWARD - The Post Dispatch editor Lonnie Welborn (right) receives an American Cancer Society District 3 Excellence in Public Information award during the annual meeting in Lubbock last Saturday. Sherry Rooker (left) makes the presentation. The Avalanche Journal and the Lamb County Leader were also recognized with the award.

Art Exhibit

Texas A&M College of Veterinary Medicine and, upon receiving his degree, established practice in Snyder.

It was early in his years of veterinary practice that sculpting began as a hobby. Though he had not formal art training, his anatomical knowledge and experience with animals contributed to the exceptional realism and movement depicted in his works.

Since being encouraged to market some of his early pieces, Dr. Taylor's bronzes have been enthusiastically received. His work has been selected as "Best of Show" at the Minneapolis Art and Wildlife Exhibition, and Buffalo Gap Arts Festival in Abilene, Texas. He has received several first place awards in area art show, and was honored among those chosen by "Who's Who in Texas."

Nancy Thornhill, a native of

(Continued from Page 1)

Seymour, is interested in all forms of art and had her own Interior Design Studio for eight years.

However, her greatest love is fine art. Working in oil and pastel, she enjoys doing portraits, especially children, and animals and flowers.

She says, "I love being able to express a thought or a feeling in color. The intense reds and oranges of strong feelings, the serenity of blues and greens in nature, the beautiful shimmering yellow of sunlight, the soft pinks of young children. Every hue to me has mood and I find much happiness in being able to express the joy of life in my painting."

This prestigious exhibit will continue at the Algerita Art Center through Friday, September 23.

For further information or details, call Linda Puckett, Art Guild president, at 495-4000.

Texas Oil Production Rate Continued At 100 Percent Of Market Demand

The Railroad Commission has continued the Texas oil production rate for September 1988 at 100 percent of market demand.

Chairman James E. (Jim) Nugent and Commissioner John Sharp continued the top production allowable after reviewing oil companies' nominations to buy a total of 2,003,199 barrels of Texas oil per day. The September nomination total, a decrease of 16,383 barrels daily when compared to August purchaser nominations, indicates market demand. September 1987 nominations totaled 2,028,744 barrels daily.

\$47 Million Collected by State in Unclaimed Property

State Treasurer Ann W. Richards recently reported that the state collected more than \$47 million this fiscal year in unclaimed property such as abandoned checking accounts, safe deposit boxes, securities and utility deposits.

At the same time, the Treasurer transferred \$25 million in non-tax revenue to state coffers that accrued as interest earnings of \$1.25 billion in cash management notes issued one year ago.

The notes, issued last year to meet cash flow needs of the state, were also paid of on Wednesday, the last day of the state's fiscal year.

"The interest earned on the cash management notes is a real bonus for a program that solves our periodic cash flow problems," Treasurer Richards said. "In Louisiana, it's called lagniappe, something extra, in this case, the something extra could pay the Treasury's budget for three years."

The \$47 million was collected under the state's abandoned property law. That law provides that checking and savings accounts are turned over to the state if they are abandoned or left dormant for a minimum of five years. Other types of property (such as oil royalties and uncashed drafts) have to be left dormant for three years.

"While we are collecting these abandoned or dormant accounts, we are also looking for the rightful

owners for this money," Treasurer Richards said. "Last year we returned \$9.8 million to 14,251 people."

All money collected under the unclaimed property law remains the property of the original owners or their heirs and can be claimed at any time. During the time the state has the money, however, it can be used by the state as non-tax revenue for such state services as schools and highways.

This year, the Treasury turned over \$30 million in unclaimed property to the General Revenue Fund and Foundation School Fund for these state services.

In the 26 years the unclaimed property law has been on the books a total of \$253.5 million has been collected. Of that total, 82.7 percent, or \$209.6 million, has been collected in the six years Richards has been Treasurer. Total amount of money returned to owners since the law was passed is \$29.9 million.

The Richards' administration of the Treasury is responsible for 89.4 percent of all returned money, or \$26.8 million.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION
NOVEMBER 8, 1988

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment providing that when the federal government reimburses the state for expenditures of state funds dedicated to acquiring rights-of-way and for constructing, maintaining, and policing public roadways, such federal funds must also be used for those purposes.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights-of-way and constructing, maintaining, and policing public roadways."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 2 proposes a constitutional amendment to establish an economic stabilization fund in the state treasury. The fund would consist of one half of the unencumbered balance of general revenues at the end of a biennium and three fourths of the difference between the net oil and gas production taxes received in a fiscal year and the net oil and gas production taxes received in the 1987 fiscal year. During any fiscal biennium, the amount in the economic stabilization fund could not exceed 10% of the total deposited in general revenue in the preceding biennium.

The state comptroller and the state treasurer could decide to trans-

fer monies from the fund into the general revenue fund to alleviate a temporary cash shortage in general revenue. The legislature could make appropriations from the fund on approval by a three fifths vote of each house to make up the difference between anticipated general revenue and appropriations. On approval of two thirds of the members of each house of the legislature, the legislature could appropriate monies from the fund for any purpose.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment establishing an economic stabilization fund in the state treasury to be used to offset unforeseen shortfalls in revenue."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 5 proposes a constitutional amendment that establishes the Texas growth fund. All investments of the Texas growth fund must be directly related to furthering economic growth and employment opportunities in Texas. At least 50 percent of the fund must be invested in equity and/or debt security for the initial construction, expansion, or modernization of business or industrial facilities in Texas. Not more than ten percent of the fund may be invested in venture capital investments. Of the funds available for venture capital investments, not more than 25 percent may be invested unilaterally, and the remaining investments must be matched at least equally by funds from other sources. The Texas

growth fund will be managed by a board of trustees consisting of four members appointed by the Governor and one member from and elected by the membership of each of the following: The Board of Regents of the University of Texas System; The Board of Regents of the Texas A&M System; The Board of Trustees of the Teacher's Retirement System of Texas; The Board of Trustees of the Employee's Retirement System of Texas; and the State Board of Education. The trustees may set the investment policy of the fund, enter into investment contracts, and take any action necessary for the creation, administration, and protection of the fund. The amendment authorizes the Board of Regents of the University of Texas System and the State Board of Education, in managing the permanent university fund and the permanent school fund, to acquire, exchange, sell, supervise, manage, or retain any kind of investment, including investments in the Texas growth fund. The fund will be phased out after the tenth anniversary of its creation, but the Legislature may create a second growth fund by a two thirds vote of each house.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the investment of the permanent university fund, the permanent school fund, and public employee retirement systems in the Texas growth fund created by the amendment, which will directly create, retain, and expand job opportunity and economic growth in Texas."

Estos son los informes explicativos sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el dia 8 de noviembre de 1988. Si usted no ha recibido una copia de los informes en español, podra obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.

Debbie Tyler, Mike Jones Wed in Sunset Garden Ceremony

Debbie Sue Tyler and John Michael Jones exchanged wedding vows Sunday, August 14, 1988 in a double-ring ceremony which took place in the backyard of the Post home of Bo and Marita Jackson.

Reverend Jim Good win and Reverend Steve Traw officiated at the sunset ceremony.

Parents of the couple are Mr. and Mrs. David Tyler of Post and Mr. and Mrs. Arthur Jones of Guthrie, Oklahoma.

In the backyard, the gazebo and wooden bridge were decorated with yellow creative twist and the swimming pool was filled with floating candle rings decorated with yellow and white flowers and greenery. The yard's own beautiful evergreen trees, plants and flowers added to the beauty of the setting.

Given in marriage by her father, the bride wore a tea-length gown of white embossed satin. The gown, handmade by the bride, was fitted to a v-shaped waistline and had a sweetheart neckline and puffed sleeves.

Pearl sprays woven in her hair served as the bride's headpiece.

Her bouquet was made of white hibiscus and stephanotis with magnolia leaves, other greenery and pearl sprays.

Matron of honor, Jody Butler of Post, and flower girl Jerica Tyler, niece of the bride, wore identical dresses of yellow embossed cotton. The dresses were tea-length and fitted to a low waistline, with low scoop backs accented with bows and puffed sleeves.

The matron of honor carried a nosegay of a yellow and white orchid accented with tiny yellow flowers and greenery. The flower girl carried a yellow basket, hand-made by the bride, decorated with white flowers and ribbons.

The groom wore a dark blue suit and his boutonniere from the bride's bouquet was of white stephanotis and greenery.

Matron of honor, Jody Butler of Post, and flower girl, Jerica Tyler, niece of the bride, wore identical dresses of yellow embossed cotton. The tea-length dresses were fitted to a low waistline and had low scoop backs, accented with a bow, and puffed sleeves.

The matron of honor carried a nosegay of a yellow and white orchid with tiny yellow flowers and greenery.

The flower girl carried a yellow basket, hand-made by the bride, decorated with white flowers and ribbons.

The groom wore a dark blue suit, and his boutonniere of white stephanotis and greenery was from the bride's bouquet.

Best man, Kenton Stout, and ring bearer, Zachary Stout, both of Guthrie, Oklahoma, wore suits and had boutonnieres of baby yellow roses and greenery.

The ring-bearer's pillow was made by Wanda Blacklock of Justiceburg.

Wedding music included "Turnaround," sung by Marita Jackson and "The Wedding Song," sung by Eric Reece. Both were accompanied on piano by Sue Traw. A recording of "I'll Still be Loving You," by the groom, was played during the lighting of the Unity Candle.

After the couple was presented as Mr. and Mrs. John Michael Jones, the mothers were both presented roses by their children.

A patio reception was held after the ceremony, with Mona Jones, sister of the groom, and Juanelle Hays as servers.

The bride's table was covered in a yellow cloth, overlaid with white lace. The bride's cake was a two-tier white cake with yellow

roses down the front. The cake was topped by a music box of two lovebirds.

The groom's cake was a chocolate layer cake, baked by Nellie Tyler, mother of the bride. The bride's bouquet served as the table's centerpiece.

Guests were registered by Marinette Tyler, sister-in-law of the bride.

Prior to the wedding rehearsal, a rehearsal dinner was held at Chaparral Steak House on August 13 at 6:30 p.m. Hosts for the occasion were Mr. and Mrs. Art Jones, parents of the groom.

After a wedding trip through New Mexico and the mountains of Colorado, the couple is now residing in Post.

The bride is a 1979 graduate of Post High School and a 1983 graduate of Texas Tech. She is currently employed at First National Bank of Post.

The groom is a 1978 graduate of Guthrie High School in Guthrie, Oklahoma, and a 1985 graduate of Southwestern Oklahoma State University. He is employed with Post ISD, where he is the choir director.

Mr and Mrs Mike Jones

Marsalyn King, James Motley Wed in Dallas Ceremony

In an intimate family wedding, Marsalyn King and James Alan Motley exchanged vows in the Sudie Gordon Chapel of the First Presbyterian Church in Dallas, Saturday, September 10, 1988 at 4:30 p.m.

The bride is the daughter of Mr. and Mrs. Gene M. King of Hereford; the groom is the son of Mrs. Barbara Ottman of Longview and the late Jesse Motley.

The chapel was decorated with two 15th century candelabra from Vienna; a Unity Candle was accented with baby's breath and

greenery and ivory bows marked the chapel's front pews.

Given in marriage by her father, the bride wore a delustered ivory satin gown featuring a gathered tea-length skirt bordered in Alencon lace.

The lowered scalloped bodice of beaded Alencon lace featured a Sabrina neckline cut to a low vee in the back.

A triangle of lace held the gathers of the very full puffed sleeves, designed in elbow length.

The bride carried two red roses, greenery and ivory streamers, and a lace handkerchief belonging to her grandmother, Mrs. Ruby Carpenter of Post.

The bride also wore pearl earrings belonging to her mother, Velta Carpenter King.

Linda Graham, pianist, provided the prelude and postlude.

A dinner and reception following the ceremony were held at the Doubletree Inn, Dallas.

Table decorations for the dinner-reception were mirrored tiles holding hurricane lamps, votive candles and red roses with ivory ribbons.

The bridal table held an Italian cream wedding cake with ivory icing accented with red roses.

After a wedding trip to Nuevo Vallarta, Mexico, the couple will be at home in Arlington, Texas.

The bride is a 1982 graduate of Hereford High School and a 1986 graduate of Texas Tech University with a BBA in accounting. She is a C.P.A. employed by Price Waterhouse in Dallas.

Graduated from Longview High School in 1982, the groom received his BBA in accounting from Texas A&M University in 1986 and is a C.P.A. with Price Waterhouse in Fort Worth.

Richard Hair Reports for Georgia Duty

Marine Pfc. Richard S. Hair, son of Jackie G. and Janet A. Cheshire of Post, recently reported for duty with Marine Corps Security Force Company, Naval Submarine Base Kings Bay, Georgia.

The company is a new unit with a mission to provide security for the Strategic Weapons Facility, Atlantic.

A 1987 graduate of Post High School, he joined the Marine Corps in August 1987. His wife, Lisa, is the daughter of Kent and Sandra Pearson, also of Post.

Hobby Club Meets in Grassland

by Syble Workman
The Hobby Club met September 9 at Grassland Community Center with Johnnie Francis and Syble Workman as hostesses.

Nine members and one guest, Ruby Claborne, were present. The door prize was won by Faye Ramsey.

The meeting was opened with a prayer by Johnnie Francis.

Sweat shirts with pretty punch, Bible covers and decorated barrel lids were the works shown for the day.

The club voted to have a bake sale and lunch with beans, corn bread and all the trimmings in November. They also voted to make a cook book to sell, but will decide more on that project at a later date.

Southland Overpowers Hermleigh in 28-14 Stomping in Aerial Show

by Rodney Marshall
The Southland Eagles recorded their first win for new head coach Ron Anders by running past Hermleigh, 28-14, at Hermleigh Friday night, September 9.
D'Angelo Valderaz, taking the place of injured David Martinez, rushed for 65 yards and quarterback John Beatty threw for 80 yards including three touchdowns in the game.
Southland struck first in the game when Beatty connected with Valderaz for a seven yard touchdown

pass. The PAT kick was no good as the Eagles led 6-0.
Later in the first quarter the Eagles' defense blocked a Hermleigh punt, knocking it back in the end zone and out of bounds for a two point safety.
Southland's lead of 8-0 stayed for the remainder of the first quarter.
In the second period Southland scored again when Beatty found Freddy Mendez for seven yards and the second Eagle touchdown.
The extra point failed making the score 14-0.

Hermleigh came back when Andrew Sanchez executed a 37 yard touchdown run through the Eagle defense.
The PAT kick was good with Southland still leading 14-8.
Hermleigh continued their comeback by getting the ball back and Sanchez again scoring with an 18 yard run.
The PAT kick failed leaving the score 14-14.
Hermleigh again held the Eagles and regained control of the ball, but the Eagles showed that they were not going to give up when Valderaz stepped in front of a Hermleigh receiver, picking the ball off and returning it 44 yards for a touchdown.

Alberto Anaya kicked the extra point to put Southland back into the lead 22-14.
Beatty connected with Jimmy Moreno for a 15 yard TD in the fourth quarter to make the score 28-14.

The PAT was no good and the game ended with the Eagles' first victory of the season.
"Our kids did a great job and deserved to win this game," commented coach Anders.

Anders pointed out the excellent performance of Valderaz replacing Martinez in the line up.
The Eagles will host Cotton Center in a 7:30 p.m. match up Friday night.

Cotton Center will bring a small number of boys and the size of the two teams should be pretty well matched.
At the pep rally last week David Martinez was named "Player of the Week".

Freshmen Drop 22-6 Decision

The Post freshmen football team suffered from a number of mistakes in its game with Abernathy, losing 22-6, September 1.

The lone touchdown came on a 60 yard kick off return in the third quarter by Brandon Bird.

"We played hard, we hurt ourselves offensively with turnovers and penalties," coach Bart McMeans comments.

"Defensively we played well, they broke two long runs that really hurt us," the coach adds.

Southland Eagle D'Angelo Valderaz (26) scoots around his right end behind the block of an unidentified Eagle as Alberto Anaya (24) joins in the action last Friday at Hermleigh. (Photo by Jerry Taylor)

Post J.V. Swamp Idalou 26-6 Here

The Post Junior Varsity football team swamped the visiting Idalou Wildcats 26-6 last Thursday.

The Antelopes racked up 269 total yards offense, limiting the visitors to 84.

The first score came on a three play, 11 yard effort with Bobby Blair blasting over the end zone for the final four yards.

The second score was a seven play, 41 yard drive with Jacob Bustoz, B. Blair, Robby Blair and Jr Gonzales running the ball. Bustoz got the call for the two yard plunge over right tackle behind the blocking of Benji Vargas and B.J. Funk.

In the second half a five play, 59 yard drive was capped by Bobby Curtis going in from one yard out.

The drive featured a 52 yard dash by Curtis to the one yard line. Others on the drive included B. Blair and Bustoz.

Trying to run out the clock, the young Antelopes scored the final touchdown on a one play, 33 yard strike as B. Blair broke through a trap play for the distance and Bustoz got the extra two points.

"It was a terrific effort and great defense," coach Fred Postell comments about the team.

He praised the offensive line per-

formance of Damian Hampton, Chad Kirkland, Chris Redman, Lance Bagby, Lance Bland, Benji Vargas, B.J. Funk and Robert Lopez.

"We averaged over four yards per carry," Postell adds, "and our defense held Idalou to 84 yards on 31 plays."

The team hosts Littlefield tomorrow afternoon.

Bobby Curtis (42) turns the corner with Chris Redman looking for a block during the Post J.V. win over Idalou here last Thursday.

Coach Praises Players for Second Half Adjustments

"Our kids showed a lot of character in the second half by coming back the way they did," commented coach Dewayne Osborne about Friday's nights 28-8 loss to the Idalou Wildcats.

After falling 21-0 to Idalou by halftime the Post Antelopes came out and played pretty even ball with the Wildcats in the second half.

"I don't know exactly what our problem was," stated Osborne.

Penalties and fumbles again caused concern for Osborne.

Osborne commented that after reviewing the films the offensive line had opened up some holes but the backs just were not quick enough to make it through before Idalou closed them.

He also commented that open field tackling would have to improve.

Injuries plagued the Antelopes from this game.

Roger Adams is out for three to four weeks with a hyper extended knee.

Kevin Williams took five stitches to sew a cut on his left hand and Victor Chapa came home with a chipped bone in his hand.

Both should be ready to play Friday at Littlefield.

Osborne also stated that Lannie Lee, who didn't play in the Idalou game because of an ankle injury, should be ready.

Snyder Humbles Post Freshmen

The Post freshmen football team bowed to a much bigger Snyder team 30-0 in a game played here last Thursday.

"We played tough and aggressive, but we were simply outmanned," coach Bart McMeans observes.

"Our kids all gave us a great effort and did the best they could," the coach adds.

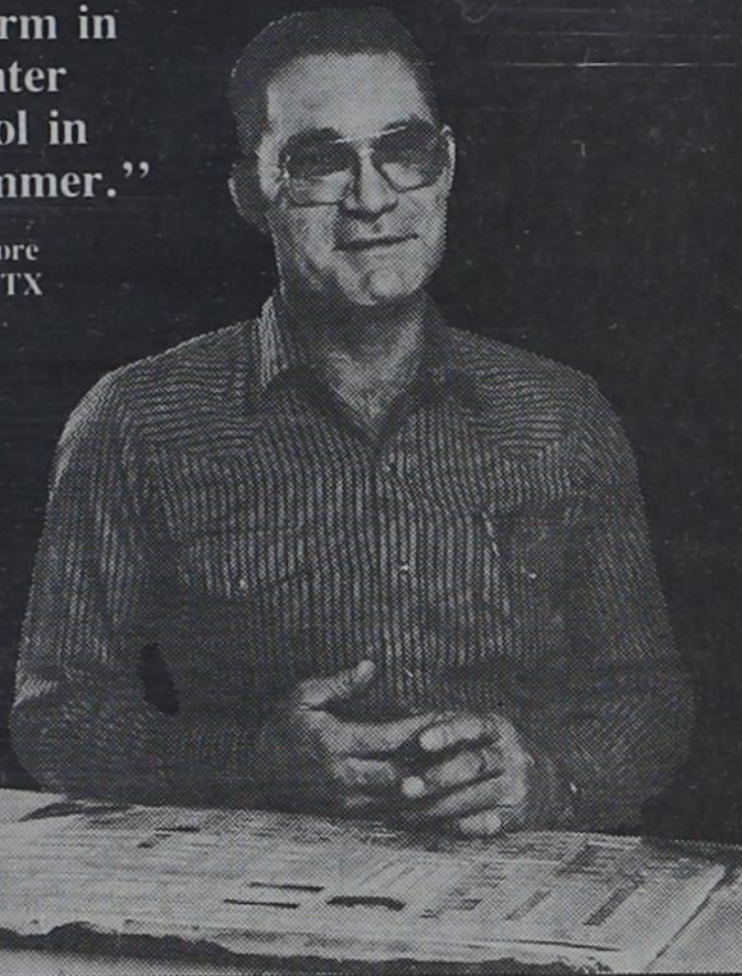

"Snyder was much larger than us and had more players, they finally wore us down," McMeans said.

The team travels to Littlefield tomorrow.

Idalou Offense Overwhelms Antelopes

by Wes Burnett

A strong Idalou Wildcat offensive line surge coupled with Post Antelope critical fumbles and penalties, set the tone for a 28-8 Wildcat win there last Friday night. From the opening kickoff throughout the first half, Idalou controlled the line of scrimmage effectively against what looked like

a confused and frustrated Antelope defensive unit.

Early in the second quarter the Wildcats led 21-0, and the only bright spot for Antelope fans was the improved second half defensive effort.

The Post offense lacked its punch, although fumbles and crucial penalties added to the problems.

The Wildcats ripped off their first touchdown drive from the kickoff in 10 plays, with Jeff Russell, John Paul Jones and Ricky Westbrook sharing the running honors.

The final plunge from the two yard line on second down came on a quarterback option over right tackle by Tracy Saul.

With 6:06 left in the first quarter, the point-after put Idalou ahead 7-0.

Two plays later the Wildcats got a gift on the first of two first half fumbles by the 'Lopes.

After a great kickoff return by Jamie Perez to the Idalou 46, Victor Chapa surged to the 41 over right guard and then lunged over left guard to the 35, and as he hit the ground, stretching for just one more yard, the ball popped loose and a Wildcat jumped on it.

In two quick plays Idalou led 14-0, as Saul found Cliff Alexander on a deep pass downfield at the Post 29 and then Jones skirted around right end to the end zone.

With 4:55 left in the first quarter, the 'Lopes tried to get untracked, but after a fourth down at their own 40, they were forced to punt.

Going into the second quarter, the Antelope defense held, and Post fans got a short breather as Saul drifted back to punt.

Jamie Perez scooped up the ball at the Post 18 and then disaster struck as the ball bounced to the ground...you guessed it, Idalou got the pigskin back.

Three plays later the Wildcats led 21-0 as on third down Westbrook took a screen pass, broke tackles and cut back to his right to the end zone.

The clock showed 10:27 left in the first half.

The good news is that the Antelope defense held its own throughout the remainder of the first half, but the offense was unable to get any closer than the Idalou 23 yard line before being turned back.

The Wildcat offense controlled the ball until punting on fourth down and with 1:16 left Post was unable to go the 81 yard distance.

Second Half Action

The Antelopes got the second half kickoff, picked up a first down on the tough running of Mark

Solis, Victor Chapa and Tony Patterson, with a big break at the Post 41 yard line as the officials ruled Patterson's fumble recovered by Post.

After Patterson got the call over left guard to the 43, a holding penalty put the Antelopes back to the 33, from which they were unable to recover and were forced to punt on fourth down.

In dismay Post fans watched as Saul directed his team to a quick three play touchdown drive, helped along by a defensive holding call on Post, setting up a first down at the Post 44.

The clincher was a standard off tackle slant by Jones, who broke through two would-be Post tacklers on the way to a 34 yard touchdown run.

With 6:55 left in the third quarter, hopes for a comeback by the Antelopes faded fast as they trailed 28-0.

A stronger Post defensive effort set up one more opportunity, as Saul was sacked on fourth down at the Post 31, with 2:51 left in the third quarter.

The drive was snuffed out after five plays when Jamie Perez lost the handle on the football on a dive

'Lopes Look at Tough Opponent

According to coach Dewayne Osborne, Littlefield is the best football team that Post will face this year.

"They don't beat themselves," Osborne explained. "If you are going to beat them, you are going to have to beat them."

The Antelope defense will have to watch not one but three good Wildcats.

Terry Davis is their senior running back and will carry the ball the majority of the time.

The wingback, Michael Smith, is also a good runner.

Quarterback Gilbert Gonzalez is 6'3" and can throw the ball well.

In front of them is a strong line "that does a great job of blocking," says Osborne.

Defensively Littlefield will run a 5-2.

"They're front seven folks are as good as there is around this area," Osborne noted.

The linebackers, Ricky Duran and Jamie Goodman, are probably the best ball players on the defensive squad.

The game will take place at Littlefield Friday, September 16, beginning at 8 p.m.

The Post Dispatch Wednesday, September 14, 1988 Page 7

over right tackle on third down at the Idalou 33.

Chapa had powered the ball into Idalou territory on the second down of the drive.

The next defensive effort was highlighted by Tyge Payne, Jamie Perez and Lee Wayne Greathouse, as they forced a punt on fourth down with the fourth quarter just underway.

With 11:54 remaining in the game, the Antelopes put on a masterful offensive surge.

Starting at their own 47 yard line, the 'Lopes mounted a three play strike opened with a Jamie Perez lunge to the Idalou 49.

Quarterback Rance Sappington scrambled around his right side to the 39, setting up a first down.

Sappington then rolled to his left, and behind excellent protection, threw the "picture-perfect" pass to Bill Rankin, who had gotten behind the defender at the

five yard line...Rankin hauled in the pass on the dead-run and rolled into the end zone.

Floyd Slay got the call for the two point conversion, going in over left tackle, and the 'Lopes narrowed the score to 28-8.

Idalou's offense took charge and ate up six minutes before Saul's apparent touchdown run on a keeper around left end was called back on a holding penalty.

The Post defense held, and with 3:52 the offense got one final chance, which was too little too late as Sappington was intercepted on third down at the Idalou 12 yard line.

Five plays later the buzzer ended with the Wildcats holding onto a 28-8 win.

The Antelopes travel to Littlefield this Friday, where they face another set of Wildcats.

Littlefield defeated Abernathy last Friday, 21-0.

Antelope quarterback Rance Sappington sets up to throw a long touchdown pass to Bill Rankin during last Friday's game at Idalou.

Notice of Application for Fluid Injection Well Permit

Wheeler Oil Company 500 Throckmorton Street, Suite 2010, Fort Worth, Texas 76102 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas. The applicant proposes to inject fluid into the Glorieta, W.V. Roy (Mobil), Well Number 1W. The proposed injection well is located 4 miles East from Justiceburg in the Dorward Field, in Garza County. Fluid will be injected into strata in the subsurface depth interval from 2462 to 2510 feet. LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas. Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373).

Card of Thanks

We have so many wonderful friends and you have all been there when we needed you. The many acts of kindness you have shown to our family are too numerous to mention so all we know to say is "Thank You" and we love each of you. Love, Betty Jo, Jimmy, Brad, Jeff & Cathy

Thank you to our many friends for the acts of kindness you have shown to us during the loss of our loved one. The prayers, memorial gifts, visits, food, cards, flowers and phone calls are very much appreciated. May God Bless You, Warren & Billie Lou Thomas Kirt, Lisa, Crystal & Patricia Robison

The Bishop Mathis family wishes to thank each and everyone for their thoughts, prayers & visits during his hospital stay. Johnnie & Bishop

The family of Shirley Turbyfill would like to thank each and everyone for their concern in our time of sorrow. Thanks for all the prayers,

food, donations, flowers, cards and all the visits. Many thanks to the nurses and staff at Golden Plains for their concern and good care they gave Shirley. Also thanks to Bro Shaw for his wonderful service and for the comforting words that helped us go on in the loss of our loved one. All of the family of Shirley Turbyfill.

I would like to thank everyone for the kindness shown to me during my recent hospital stay. For the flowers, visits, phone calls and food that was deeply appreciated. Also thanks to Jim Goodwin, Charlie Shaw and Steve McMeans for their special visits. God Bless You All, Liberty Anthony

Baker New Manager at United Supermarket

by Rodney Marshall
Will Baker is the new manager for the Post United Supermarkets store. Baker took over the store Monday, September 5.
A 1980 graduate of Slaton High School Baker started working with United as a junior.
After graduation he went to work with the Sante Fe Railroad.
After two years with the railroad Baker came back to United at the Slaton location.
In 1985 he was made assistant manager at Slaton where he stayed until 1986.

He was then transferred to the 82nd and Quaker United store in Lubbock where he worked as an assistant manager until February of this year.
For four months, starting in February 1988, Baker worked with Steve Paul in the United Supermarket main office as assistant to Scanning Coordinator.
He went back to the United on 82nd and Quaker in Lubbock in June until his transfer to Post this month.
This is his first manager position with United.
Baker is single, but has plans to

marry Lubbockite Lori Hulett on November 5 in Lubbock.
He enjoys bird hunting and traveling when he has the opportunity.
Baker looks at the Post job as a big challenge and one that he is excited about.
He enjoys meeting the people of Post and says that they have been very friendly to him.
Baker wants the people of Post to know that he is here to please them and is trying all that he can to get the items they want in the store.
But most of all, Baker likes coming back to a small town.

Will Baker

Green Thumb Club has Year's First Meeting

Talk about a salad bar! That's what happened Thursday, September 8, at the home of Gladys Hendrix when the Green Thumb Garden Club had its first meeting of the New Year, a salad supper. Everything was just scrumptious.
Those who prepared the year book did not plan a program for this particular night, knowing full well, I suppose, that the way we enjoy our food, we would be unable to appreciate or participate in a program. Wise people.
Please don't mention to any of the following that they look like

they may have gained a little - they were there and just couldn't help themselves: Carlene Kyle, Gladys Blair, Irene Mitchell, Thelma Epley, Ida Jones, Shorty King, Georgia Slough, Margaret Barley, Alma Williams, Sybil Cockrum and our most gracious hostess, Gladys Hendrix, who makes the most wonderful blueberry dessert.
Next month we are really going to get down to serious business, though. Iris plants to be exact. Since we can't eat them, we should learn a lot.

National Farm Safety Week September 18-24

Farming and ranching continue to rank as one of the most hazardous occupations in the nation, so it's appropriate that a special week be set aside to focus on farm and ranch safety, said a safety engineer at Texas A&M University.
National Farm Safety week is September 18-24, and that week also has been declared Texas Farm and Ranch Safety Week by Governor Bill Clements, said Thomas D. Valco, with the Texas Agricultural Extension Service.
Theme of the weeklong observance is "Ensure Your Future with Farm Safety."

"Through a continuing educational effort in safe farming and ranching operations and improved safety design in machinery and equipment, rural fatalities have been reduced by 50 percent in the past 10 years," Valco said.
"That's why it's so important to continue to focus on safety awareness in farming and ranching," he said. "Simply following safe work procedures and keeping equipment and machinery in good repair can make a big difference."
"Giving attention to safety can reduce needless suffering or rural accident victims and prevent the financial burden of agricultural accidents on productivity and family income," Valco said.

"This theme stresses the hazards involved in agricultural production and the prevention of injury and illness on the farm, especially during times of economic stress," Valco said.
The engineer said that each year there are about 100 Texas fatalities from farm and ranch related accidents. Also, an estimated 10,000 disabling injuries and 100,000 injuries requiring medical attention occur annually in the state.
According to National Safety Council figures, some 1,600 deaths resulted from farm accidents in 1987, with most fatalities caused by (in descending order) tractors, firearms, drowning, burns, falls, electrical shock and machinery.

Thompson OK After Suffering Devastating Sack

Big Spring quarterback Rance Thompson suffered a sprained neck in their 30-18 loss to Lubbock Estacado last Friday night in Big Spring.
Thompson was taken from the field by ambulance with 10 seconds remaining in the game after a tremendous quarterback sack.
Thompson passed for 212 yards in the contest which included three touchdowns.
He is expected to suit up for the Steers' game Friday night in Plainview.

In the Neighborhood

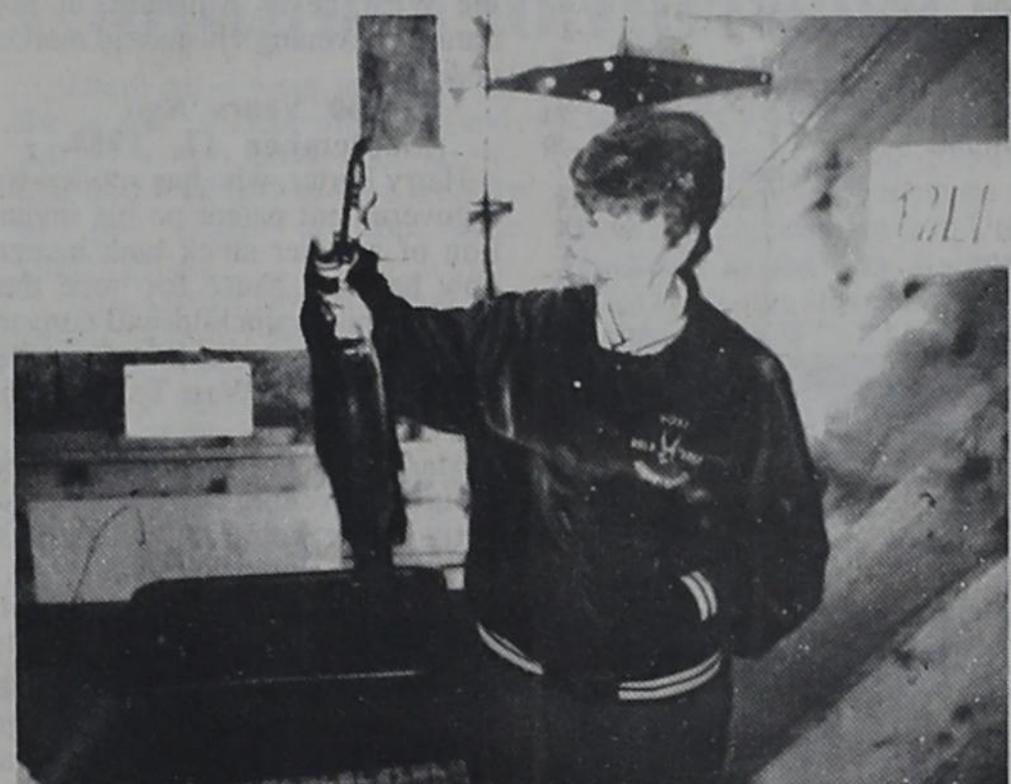

by Lonnie Welborn
Jack and Zoe Kirkpatrick recently hosted a dinner in their home, the evening of August 28, in honor of newly-weds Jayta and Eric Cravy.
Guests included Derrick and Vickie Walls; Jim and Nettie Ticer; and parents of the couple, Jeanette Ticer and Dale and Polly Cravy.
Guthrie-Oden
Tracy Lea Guthrie and Derrick L. Oden will exchange wedding vows on Saturday, September 17 at 7 p.m. in the First United Methodist Church of Post.
Friends of the couple are invited to attend the evening ceremony and the reception following the ceremony.

can help you run down those family members.
The museum will host a workshop for area genealogists on October 4 - "Family Tree Climbing Can Be Fun."
Cost of the workshop will be \$20 and persons wishing to attend should pre-register by September 25 by writing the museum at P.O. Box 696, Snyder 79549. A \$5 deposit should accompany each reservation.
Registration will open at 8 a.m. on October 4 and the first session will begin at 9 a.m. and continue until 12 noon. Classes will resume at 1:30.
Call the museum at 915-573-6107 if you're interested.
Visit in Greenville
Wes and Pat Burnett attended the installation service last Sunday evening in Greenville at First Presbyterian Church where Reverend Thomas E. Pass, formerly of Post,

was installed by a commission of the Grace Presbytery.
Melodrama
Will McCrary and the Garza Theatre are issuing a call for volunteers - boys and girls, men and women - of all ages to work on-stage and off-stage for a melodrama to be performed during Founder's Day on Saturday, October 15.
Performances will be at 1 p.m.,

3 p.m. and 5 p.m. on the afternoon of October 15. Rehearsals will be the two Saturdays before the performances.
If you're interested in helping with the Founder's Day Melodrama, a meeting will be held at the theatre Monday, September 19 at 7 p.m.
Home from College
Dwayne Warren, a freshman at San Angelo State University, returned home this past weekend for a visit with his parents Becky and Chet Warren.

Genealogy
Finding out who your relatives were and where they came from seems to be a very popular pastime these days and the museum at Western Texas College in Snyder

CATCH OF THE DAY - Ingrid Boteler of Post proudly displays her winning "Catch of the Day," a 21 inch, three and one-half pound bass caught during a recent trip to Fun Valley, Colorado.

Alcohol and Drug Abuse News

Texas looks to receive a tremendous influx of federal substance abuse treatment and prevention dollars under a new funding reallocation bill sponsored by U.S. Congressman Mickey Leland of Houston. Leland's bill, HR 4907, the Comprehensive Alcohol Abuse, Drug Abuse and Mental Health Amendments Act of 1988, has passed out of committee to be considered on the House floor, culminating seven years of effort by the Texas delegation, led by Speaker of the House Jim Wright.
"The passage of HR 4907 would mean that Texas' taxpayers, for the first time since the inception of the federal block grant program, will receive fair return on their tax dollars," said Congressman Leland. "This increased return will provide for much-needed substance abuse services for Texas citizens," added Speaker Wright.
The funding formula under HR 4907 would increase Texas' substance abuse appropriation from \$20.5 million in 1988 to \$29 million for the 1989 Fiscal Year which begins in October. In addition, HR 4907 creates a new appropriation for treatment of intravenous drug users to prevent the transmission of the AIDS virus.
This new block grant, which like the substance abuse block will be administered in Texas by the Texas Commission on Alcohol and Drug Abuse, will provide \$17 million in Fiscal Year 1989 for treatment of the population judged to be the major point of entry of the AIDS virus into the heterosexual population. Together, these two block grants will more than double the federal funding available to address the substance abuse problem in Texas.

HR 4907's reallocation language closely parallels that recently proposed by California Congressman Henry Waxman in his reauthorization bill, HR 3187. Waxman stated that the passage of HR 4907 by the Energy and Commerce Committee nearly assures the inclusion of the new formula in the Omnibus Anti-Drug Bill currently before Congress.

Among those most influential in the progress of HR 4907, besides Leland, Wright and Waxman, are

Texas Congressmen Joe Barton of Ennis, John Bryant of Dallas, Jack Fields of Humble, and Ralph Hall of Rockwall.

Yesteryears...

As gleaned from the pages of the Post Dispatch. Microfilm copies are available at the Post Public Library.

by Becky Warren

10 Years Ago
September 14, 1978

Garza Memorial Hospital directors at a called meeting Monday morning voted unanimously to extend the contract of Dr Ricardo Rodriguez for another year without change.

Mr and Mrs Malachi Mitchell, Sr., 511 Pine Street, were recent hosts for a reunion of four generations of the Mitchell family.

A strong Lockney eleven, led by tailback Curtis Ford and fullback Earlee Mathis, handed the Post Antelopes a bigger "country licking" than their winning 10-0 score indicated in the 1978 opener for both clubs at Lockney Friday night.

20 Years Ago
September 12, 1968

The city council voted three-to-two for the city to proceed with its plans to purchase the Tang Bowl building to use as a community auditorium at a special meeting at 5 p.m. Tuesday.

Mr and Mrs Tim Pettyjohn are the parents of a daughter, Alicia Gail, born September 8 at 9:15 a.m. in Mercy Hospital, Slaton, weighing seven pounds and three ounces.

The stories behind the pioneers' well and the infant's grave on the site of the old Llano Ranch at the Boy Scout camp here were told by Dr. W.C. Holden, a past director of the West Texas Museum, at last Saturday evening's historical marker dedication.

30 Years Ago
September 11, 1958

Harry Porter, who has applied for a government patent on his invention of a water stock tank heater, now has real cause for hope that one day his brainchild will convert plentiful salt water into drinking water for thirsty West Texas towns and cities.

Martha Jo Walls was entertained Saturday evening with a surprise party at the home of her parents, Mr and Mrs Herbert Walls.

Having come through the grueling Ralls game in surprisingly good physical condition, the Post Antelopes were scheduled to go through only a fairly light workout this afternoon in preparation for their game at Crosbyton Friday night against the Class A Chiefs tains.

Miss Theona Beauchamp, daughter of Mr and Mrs Kike Beauchamp, became the bride of Lester Josey, son fo Mr and Mrs Walter Josey, at 10 o'clock last thursday morning in the Beauchamp home.

Mrs S.C. Storie was hostess to the Merrymakers club the afternoon of August 24. Visiting and handwork provided the entertainment. Freezer ice cream and punch were served.

With Jimmy Bird's loss to Jim Bob Altizer in the frontier Round-Up matched roping contest at Colorado City Monday, interest has sharpened in regard to his forthcoming match with the state high school champion, Scooter Fries of Bandera.

The Post Antelope Marching Band provided a spirited half time for the fans at Idalou last Friday.

Jamie Perez (21) picks up big yardage on a punt return for the Antelopes at Idalou last Friday.

Training Explains State Laws on Pesticide Use

by Syd Conner
Extension Agent

Educational programs to acquaint agricultural employers and laborers with provisions of the state's new Agricultural Hazard Communication Act are being conducted by the Texas Agricultural Extension Service.

Commonly referred to as the "Right-to-Know Act," the measure was enacted by the legislature in 1987 to promote the safe use of pesticides and protect the health of farm workers, farmers and farming communities, explained Bob Robinson, South Plains District Extension director.

Proposed regulations of the provision have been drafted by the Texas Department Agriculture. The law requires the TDA to develop and conduct training programs in selected counties, based on population, and the Extension Service to conduct training in all other counties.

TDA has designated 21 counties in which it will conduct training. Among these are: Castro, Dawson, Floyd, Gaines, Hale, Hockley, Lamb, Lubbock and Terry.

In other counties of the High Plains, Rolling Plains and Panhandle, the Extension Service is conducting programs to inform employers of their responsibilities, and

to emphasize to workers safety and health aspects of working in fields and areas where pesticides are used to produce agricultural commodities.

The law applies to agricultural employers who:

*Hire migrant or seasonal workers with a gross annual payroll of \$15,000 or more, and who annually use or store 55 gallons or 500 pounds of any pesticide; or

*Hire permanent agricultural workers with a gross annual payroll of \$50,000 or more, and who annually use or store 55 gallons or 500 pounds of any pesticide.

Employers in these categories must provide relevant crop sheets for the commodity being grown, and ensure that these are read aloud to each farm laborer, in the most understood language, at least once each growing season.

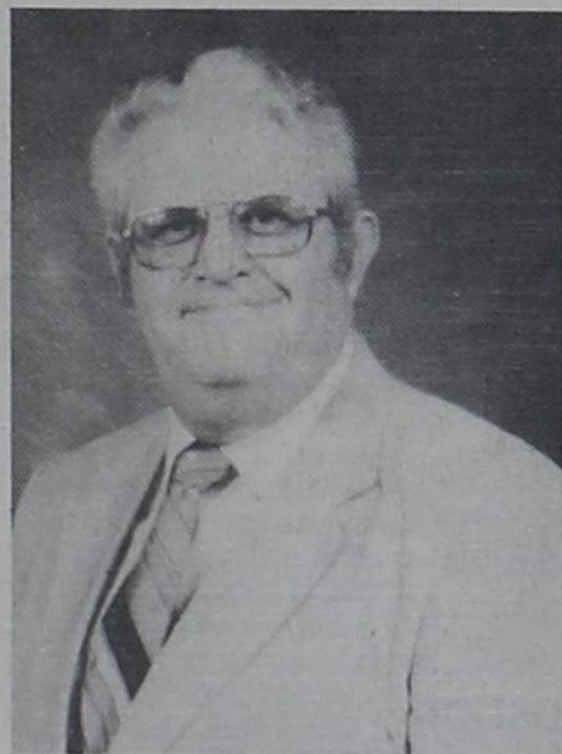

Crop sheets are regional documents which list the pesticides used on that crop in that region; the time of year in which they are used; re-entry intervals, or the time which must elapse following pesticide application before workers can re-enter a field; and health effects and precautions which should be exercised by the worker.

In addition, employers covered by the law must maintain a workplace chemical list which records information about pesticides used or stored in the workplace, and a material safety data sheet (MSDS) for each pesticide purchased. These documents are to be made available to workers, or their representatives, on request.

School Menus

- Post**
September 19 - 23
Monday, Sept. 19
