PHS Gym Roof Repairs Reviewed

by Rodney Marshall

Bill Stracener, school engineer, reported to the Post ISD board of trustees at their regular meeting Tuesday, September 13, that the problem with the High School gym roof was fixed but could not be released until other details were taken care of, probably in a couple of weeks.

Stracener was commenting on the problem found at the north and south corners of the gym, not being secured and being able to "flap in the wind."

The cost of the project by Lee Lewis General Contractor, Inc. was \$51,875, lower than the \$61,500 estimated at the beginning.

In other business the trustees were told that the Hartford inspection report was made by phone recommending that the asbestos that was in the Middle School tunnel needed to be removed as soon as possible.

Roy Nickens, of Young Insulation out of Amarillo, was contacted to look at the situation.

Nickens reported that there was "a lot of material in the tunnel" and estimated the price for removal of asbestos from the tunnel and replacing the tile in the ceiling of the rest rooms at \$29,399.

He said he would use the "wet"

method and since the job would be quite noisy he would do the work after school.

The trustees gave approval for the work.

Bids were opened for the roofing jobs and the contract was awarded to New Shield Roofing of Post.

New Shield had the lowest total bid for all of the work.

Stracener recommended, which the trustees approved, that the roof of the Middle School gym be changed from rock and gravel to timberline shingles.

The change would be just as good and would not be as messy as the rock surface is after the tar dries and the rocks are blown around.

Stracener also reported that the radiator pipes in the Elementary School needed to be replaced.

The trustees approved for Quality Mechanical, out of Lubbock, do the job for \$2,995.

Before Stracener left the trustees paid him \$23,547.50 for his work in the summer renovation program.

The trustees approved Certificates of Deposits for the total amount of \$3,187,261 to be continued.

The following policies guide lines were approved by the trustees for accreditation purposes:

Library Media Center,
School Health Plan,

Science Laboratory Handbook, Guidance and Counseling Plan. Bus drivers for the 1988-1989 school year were also approved.

Superintendent Bill Shiver told the board of Leigh Mires, Drug Free Schools Specialist with the Region XVII Education Service Center, being at the next board meeting, October 11, to discuss what can be done here at the Post schools in regard to education.

The trustees will have an abbreviated regular meeting and then open the floor to Mires.

The public is invited to this meeting, particularly civic leaders and parents of school children.

If the public attendance is larger than the high school library can hold the auditorium has been reserved.

Local Sales Tax Rebate Continues to Increase

Local sales were up again for the month of September, as evidenced by the latest sales tax rebate check mailed to Post recently by the office of the State Comptroller.

Post's check for the period was \$12,024.58, compared to \$10,000.21 for the same period in 1987 - a 20.24 percent increase between 1987 and 1988.

The total tax rebate payments to Post to date total \$130,598.14, a 27.31 percent increase over 1987's payment for the same period of \$102,582.68.

Area towns also showed a steady climb in sales with their rebate checks:

Crosbyton collected \$7,504.63, a 199.25 percent increase over 1987's \$2,507.83. Crosbyton's total 1988 payments to date are

\$43,318.11, 37.50 percent over 1987's \$31,505.06.

Ralls' payment of \$4,080.60 was a 37.32 percent increase over \$2,971.67 collected in 1987. 1988 payments to date for Ralls total \$42,179.59, an increase of 28.20 percent over 1987's \$32,901.55.

Slaton's check for \$18,997.13 was an increase of 84.82 percent over the payment for 1987, \$10,278.84. To date, Slaton has collected \$160,541.70, an increase of 34.34 percent over 1987's \$119,504.77.

Tahoka collected \$4,031.83, a 20.60 percent increase over \$3,342.21 for 1987. The Tahoka total to date is \$48,912.31, a 13.85 percent increase over 1987's \$42,961.42.

State Comptroller Bob Bullock said recently, "Once again, as in the last several months, the state's rebates to cities and counties have shown a marked increase, demonstrating that the Texas economy continues to expand."

Bullock's office sent checks totaling \$67.8 million to 895 cities that collect sales tax at either one or one-and-one-half percent.

Statewide, year-to-date payments to cities are up an impressive 12.1 percent, Bullock said.

September's checks represent taxes collected by monthly filers in July and reported to the Comptroller's office by August 22.

Present at the meeting were directors Jack Alexander, David Tyler and David Nichols along with hospital administrator Maritta Reed.

Nineteenth century actor Joseph Jefferson played the part when he was 23 and was still playing it when he was 70 years old.

Joining McCrary in the cast will be Pat Bilbo, Alison Crawford, John and Becky McCullough, Rodney Marshall, James Burnett, Todd Glidewell, Jeffrey Redman and Mildred Stewart.

Also appearing will be a group of local young people, most of whom were in last summer's "A Midsummer Night's Dream."

Diane Josey is clerk at the

The center also offers psychosocial programs for its clients which help them learn social skills and offer the opportunity to socialize with people who have similar problems.

ASCS Reports Extension in Haying Deadline

Victor Ashley of the Garza County ASCS office reports that the deadline to hay CRP acres has been extended to September 30.

Interested producers must sign a register to request approval to hay CRP acres and only 90 percent of each field may be hayed.

It is considered harvested when the crop is swathed or windrowed. A 25 percent reduction in the annual rental rate will apply to the acres actually harvested unless you receive prior approval to donate the hay.

Contact the county extension agent if you are interested in donating your CRP hay.

The ASCS office also reports that the 1989 wheat program has been announced and includes a ten percent acreage reduction, a national loan rate of \$2.06 per bushel, and a target price of \$4.10 per bushel.

The grain sorghum and cotton programs will be announced at a later date.

Another Reason Why
YOU SHOULD BE A CHRISTIAN
THE CHRISTIAN FAMILY IS THE HAPPIEST FAMILY
★ Prov. 15:17 "Better is a dinner of herbs where love is, than a stalled ox and hatred therewith."
The basic cause of decaying family life today is the lack of Christian love. Christian love is the basic mental attitude developed early from loving Christian parents or acquired by Christian influence. Love is expressed in kindness, affection, forgiveness, tolerance, helpfulness, and self-sacrifice. Jesus tells us in the Bible that these are the fundamentals of happiness. Apply these to your family life and you will be richly blessed. Let God bring happiness into your life now -- and forever.

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS OF PROPOSED
CONSTITUTIONAL AMENDMENTS
GENERAL ELECTION
NOVEMBER 8, 1988

PROPOSITION NO. 1 ON THE BALLOT
Senate Joint Resolution 8 proposes a constitutional amendment providing that when the federal government reimburses the state for expenditures of state funds dedicated to acquiring rights-of-way and for constructing, maintaining, and policing public roadways, such federal funds must also be used for those purposes.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights-of-way and constructing, maintaining, and policing public roadways."

PROPOSITION NO. 2 ON THE BALLOT
House Joint Resolution 2 proposes a constitutional amendment to establish an economic stabilization fund in the state treasury. The fund would consist of one half of the unencumbered balance of general revenues at the end of a biennium and three fourths of the difference between the net oil and gas production taxes received in a fiscal year and the net oil and gas production taxes received in the 1987 fiscal year. During any fiscal biennium, the amount in the economic stabilization fund could not exceed 10% of the total deposited in general revenue in the preceding biennium.
The state comptroller and the state treasurer could decide to trans-

fer monies from the fund into the general revenue fund to alleviate a temporary cash shortage in general revenue. The legislature could make appropriations from the fund on approval by a three fifths vote of each house to make up the difference between anticipated general revenue and appropriations. On approval of two thirds of the members of each house of the legislature, the legislature could appropriate monies from the fund for any purpose.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment establishing an economic stabilization fund in the state treasury to be used to offset unforeseen shortfalls in revenue."

PROPOSITION NO. 3 ON THE BALLOT
House Joint Resolution 5 proposes a constitutional amendment that establishes the Texas growth fund. All investments of the Texas growth fund must be directly related to furthering economic growth and employment opportunities in Texas. At least 50 percent of the fund must be invested in equity and/or debt security for the initial construction, expansion, or modernization of business or industrial facilities in Texas. Not more than ten percent of the fund may be invested in venture capital investments. Of the funds available for venture capital investments, not more than 25 percent may be invested unilaterally, and the remaining investments must be matched at least equally by funds from other sources. The Texas

growth fund will be managed by a board of trustees consisting of four members appointed by the Governor and one member from and elected by the membership of each of the following: The Board of Regents of the University of Texas System; The Board of Regents of the Texas A&M System; The Board of Trustees of the Teacher's Retirement System of Texas; The Board of Trustees of the Employee's Retirement System of Texas; and the State Board of Education. The trustees may set the investment policy of the fund, enter into investment contracts, and take any action necessary for the creation, administration, and protection of the fund. The amendment authorizes the Board of Regents of the University of Texas System and the State Board of Education, in managing the permanent university fund and the permanent school fund, to acquire, exchange, sell, supervise, manage, or retain any kind of investment, including investments in the Texas growth fund. The fund will be phased out after the tenth anniversary of its creation, but the Legislature may create a second growth fund by a two thirds vote of each house.
The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to provide for the investment of the permanent university fund, the permanent school fund, and public employee retirement systems in the Texas growth fund created by the amendment, which will directly create, retain, and expand job opportunity and economic growth in Texas."

Double Ring Ceremony Unites Nichols, Runkles

Joanna Lucille Nichols and Douglas Livingston Runkles exchanged wedding vows in a double-ring ceremony on Saturday, July 30, 1988 at 2 p.m. in Fairmont United Methodist Church in Abilene.

Reverend Michael O'Connor performed the ceremony before an altar decorated with an arch candelabra and two baskets of white and brandy gladiolus.

Pews were marked with white bows accented with brandy dried flowers.

The bride is the daughter of Mr. and Mrs. John D. Nichols of Anson; the groom is the son of Mr. and Mrs. Wayne Runkles of Midland and the grandson of Mr. and Mrs. Frank Runkles and Mrs. Helen Livingston, all of Post.

Given in marriage by her father, the bride chose a gown of white taffeta. The bodice, encrusted with pearls and sequins, featured a v-neckline and off-the-shoulder sleeves accented with silk

flowers, a deep Basque waistline, and a plunging back.

The simple skirt was highlighted with a bustle and two small bows, and flowed into a chapel train.

The bride's headpiece was a silk bow accented with pearls and silk flowers attached to a fingertip veil of illusion tulle.

The bride carried a small cascading silk bouquet of white roses and stephanotis attached to an heirloom Bible her mother had carried in her wedding. The bouquet was accented with green English ivy and white ribbon lace.

Keeping with the tradition of something old, something new, something borrowed, something blue, an antique handkerchief was tucked under her mother's blue garter. Her ensemble was completed with a penny placed in her shoe by her father.

Serving her sister as matron of honor was Dea Dea Ice. Maid of honor was the bride's sister, Holly

Nichols. Bridesmaids were Dawn Graydon of Abilene, Beth Parkman of Las Cruces, New Mexico and Jan Tucker of Keller.

The attendants wore ankle length dresses of brandy taffeta overlaid with white illusion tulle. The dresses were strapless and had a dropped waistline. They carried nosegays of brandy and white dried flowers.

Todd Crawford of Midland served as best man, with Michael Hutchison of Abilene, Kevin Bass of Spur, Bill Baker of El Paso, and Troy Wallace of Midland as groomsmen.

They were attired in black tuxedos with black ties and cummerbunds.

Serving as ushers were David Pomerinke of El Paso, Sam Walters of Hermleigh, and Jimmy Roberts of New Brunswick, Canada.

Candlelighters were D'Lane

Runkles, sister of the groom, and Sharon Nichols, sister of the bride. They wore tea-length dresses of brandy taffeta which featured off-the-shoulder sleeves and dropped waistlines.

Wedding music was provided by Mildred Balch, organist; soloist Beth Parkman; and contemporary Christian artist Dirk Hedges. Songs included "Somewhere in the World," "Daddy's Girl," "Doubly Good to You," and "More Like Jesus."

The bride's cake featured three tiers surrounding her grandmother's antique cake top. Brandy and white frosting petunias and roses decorated each tier. Baby's breath and a silver candelabra completed the decorations.

The groom's table featured hors d'oeuvres and was decorated with a wooden country church.

Members of the houseparty included D'Lane Runkles, Tina

McCauley, Mrs. Gene Moore, Debbie Reeve, Lynn Glaze and Kadra Deike.

Following a wedding trip to Los Angeles, California, the couple will be at home in Fort Worth.

The rehearsal dinner was hosted by the groom's parents at Zentner's Daughter Steakhouse in Abilene.

The bride is a 1984 graduate of

Abilene High School and graduated from McMurry College in Abilene in 1988 with a B.S. in Education.

The groom is a 1983 graduate of Midland High School and graduated from McMurry College in 1987 with a B.A. in Christian Education. He is currently attending Southwestern Baptist Theological Seminary in Fort Worth.

THANK YOU!

It does not seem enough to say to everyone who worked so hard and faithful for Gary's Memorial Roping, Concession Stand, Auction and Dance. We appreciate everything you have done.

Thanks, again.

Farewell Coffee Honors Ada Buchanan

Ada Buchanan was honored with a farewell coffee Friday, August 26, at 10:30 a.m., in the Reddy Room. The Woman's Culture Club sponsored the event, with Maxine Earl and Katharine Cathcart acting as hostesses.

Mrs Buchanan was presented with a farewell gift and honored for the

her 12th birthday last week with a party at The Sandwich Shoppe for Melanie and a group of her friends.

I'm still wondering how they did it, but they got all the arrangements made and the party on its way without Melanie knowing anything about it until her little sister, Christin, and her dad tricked her into going to the Sandwich Shoppe. It really was a "Surprise Party."

Enjoying the fun, games and refreshments were Christie Oden, Melissa Mathies, Tammy Mathies, Lorry Ledbetter, Amy Wallace, Shayla Wallace, Holly Hardin, Dee Dee Medlin, Salli Bush and Christin Marshall.

"Coyote Opry"
The Borden County Junior Livestock Association is sponsoring a country music concert of local and area talent - a "Coyote Opry" - on Saturday, October 1 at 7 p.m. in the Borden County Show Barn.

And to start the evening off, you can get there at 6 p.m. for a spaghetti supper or a cornbread and beans supper. For dessert, you can bid on cakes, pies and cobblers which will be auctioned off at intermission.

There's no admission for the evening's activities, but donations will be accepted.

Little Known Facts
I like little known facts and I'm always looking for them - they interest me. Of course, not everyone appreciates this interest. A cousin of mine commented recently, "If they're such little known facts, how do you know them? Do you make them up?"

Well, here's a really good "lkf" and I didn't make it up.

The all-American treat, the ice-cream cone is 85 years old this week. On September 22, 1903, Italo Marchiony, an Italian immigrant, applied for a patent for his new invention, the ice cream cone, and was issued a patent on December 15, 1903.

Marchiony invented the cone to hold the lemon ice he sold from a fleet of pushcarts in New York.

His first cones were made of paper, but he switched to using rolled waffles.

Now that's a little known fact.

Card of Thanks

The longer we live in Post the more we realize what a blessing it is. During the recent illness and death of my mother, Vera Humphreys, I was made to realize once again how fortunate we are to have the hospital. All the personnel were so caring and helped us in any way that they could. We have called on the EMT group a number of times - they are just great. There are no words to express our gratitude for the loving care given to mamma and to our family while she was in Golden Plains Care Center. They are a dedicated group that do their best to take care of our older people. I want to thank Dr Wilson for taking care of mamma all these years. Janet and Dee Justice were so helpful at a most difficult time. I appreciate the prayers, flowers, cards, food and visits from so many of our dear friends. Thank you, Paul Jones and Jack Gordon, for your comforting words.

The family of Vera Humphreys

To Our Friends

We would like to show our appreciation to everyone who shared in the loss of our loved one and who sent food, flowers and cards. It helps to know there are friends like you. May God Bless You All.

Southland Eagles Smash Cotton Center 20-7

by Rodney Marshall
 The Southland Eagles won their second game of the season with a 20-7 thumping of Cotton Center in Southland Friday, September 16.
 The first quarter was a defensive battle with neither team getting on the score board.
 Southland struck first in the second quarter driving down to the one foot line of Cotton Center before fumbling the ball away to them.
 But on the very next play four Eagles swamped the Cotton Center ball carrier for a safety to lead 2-0.
 Later the Cotton Center Elks put on a drive that ended with an Elk running 52 yards for a touch down.
 Cotton Center ran for the extra point to put them in the lead, 7-2, with 2:19 to play in the half.
 But the Eagles refused to give up and put together a nice drive ending with a 42 yard run by quarterback John Beatty for the touchdown with 1:03 left in the second quarter.
 The extra point was missed but Southland went into the locker room at halftime with an 8-7 edge over the Elks.
 The second half the Eagle defense went to work and did not allow the Elks to cross

the goal line in any fashion as Southland added two more scores.
 The first was a two yard plunge by Beatty after a nice drive in the third quarter. The extra point was missed leaving the score 14-7.
 In the fourth quarter Eagle running back David Martinez rambled 37 yards for a touchdown.
 The extra point was again missed but the Eagles held a demanding 20-7 lead which held till the end of the game.
 "Our defense is starting to catch on," commented head coach Ron Anders.
 Anders heralded the defensive effort of Kelly Edwards (15 solo tackles & 6 assists), Albert Anaya (6 solo tackles & 14 assists) and D'Angelo Valderaz (4 solo tackles & 7 assists).
 The Eagle defense held Cotton Center to 132 yards of total offense while the Eagle offense powered out 265 total yards.
 David Martinez, after missing a game due to injury, rushed for 132 yards.
 "We are improving with every game," says Anders of his young Eagles.
 At the pep rally last Friday D'Angelo Valderaz was named "Player of the Week"

for his efforts in the Hermleigh game. **HOMECOMING**
 The Eagles now prepare to entertain Dawson Friday night, September 23, at home for their homecoming game.
 The game will begin at 7:30 p.m.
 Dawson is about the same size as the Southland Eagles and will "basically line up and run at you," according to coach Anders.
 The Eagles are now 2-1 for the season.

EMS Week Observed Through September 24

Gov. William P. Clements, Jr. has proclaimed Sept. 18-24 "Emergency Medical Services Week in Texas." The event honors the specially trained persons whose timely actions often make the difference between life and death. The Texas Department of Health (TDH) and local EMS groups will sponsor activities throughout the week to educate Texans about EMS.
 "Knowing how to call EMS, and what to do in the first few minutes of an emergency are sometimes crucial to a victim's survival," said Gene Weatherall, chief of the TDH Bureau of Emergency Management.
 "When you call EMS," Weatherall said, "stay on the line until the dispatcher tells you to hang up the phone. In many cases, EMS is on the way while you are

still talking to the EMS dispatcher."
 "If possible, you should also turn on your porch light, and have someone wait by the road to direct the EMS crew," Weatherall added.
 More than 40,000 EMS persons are certified in Texas. TDH and its regional offices closely monitor the training, certification, and field work of all EMS personnel.
 Texas ambulances respond to more than a million calls each year. State law requires that each vehicle be licensed by TDH, and that each be staffed by at least two persons certified in EMS.
 For more information on EMS training and responses, contact TDH at (512) 458-7550.

Post J.V. Trip L'fld 30-10

The Post Junior Varsity football team ripped visiting Littlefield 30-10 here last Thursday.
 "It was another great defensive game," coach Fred Postell reports, "we gave up 124 yards on 52 plays."
 He pointed to the pass interceptions by Jacob Bustoz (2) and Mike Radle (1) as highlights.
 "One of Bustoz' interceptions was a diving grab after Jay Whitehead made a great defensive play by hitting the receiver just as he touched the ball," the coach explains.
 "Radle's interception came after Bobby Curtis and Jr Gonzales tipped the ball, Radle was in great position and returned it 30 yards," Postell adds.
 Bustoz also returned one interception 30 yards.
 The first Antelope scoring came on a five play, 24 yard effort with running by Bustoz and Curtis, as Bustoz went in from the 11 over left tackle. The two point conversion was also good.
 The second touchdown was a four play, 38 yard drive with Curtis going over left tackle for 32 yards, capped by Bustoz getting the final four yards over right tackle. Matt McCook took the ball in for the two pointer.
 The next touchdown was short, two play 22 yard drive with Jr Gonzales getting the call, crossing the end zone from 20 yards out over left tackle. Bustoz went around right end for the two-pointer.
 The final touchdown drive went 51 yards of 12 plays, featuring running by Bustoz, Curtis, Gonzales and Robbie Blair. The score came at the end of a three yard pass from quarterback Radle to Whitehead.
 The junior varsity collected 261 yards offense.
 They host the Big Spring junior varsity here tomorrow.

Southland Jr. H. Wins First Game

The Southland Junior High had to travel to New Home for their first game of the season but they returned home with a 13-12 win Thursday, September 15.
 Two touchdowns by Joel Basinger sealed the victory for the young Southland team.
 Southland fell behind 6-0 after New Home scored first but the defense of Southland quickly turned things around when Basinger intercepted a New Home pass and returned it 15 yards for the touchdown.
 Basinger scored the extra point and the score was 7-6 in favor of the visiting Southland team.
 After the half New Home again came out ready to show the home folks they were not going to lie down by scoring a touchdown and taking the lead back from Southland making it 12-7.
 New Home missed both of their PAT scores.
 The struggle continued until two minutes remained in the game when Basinger was given the ball and he rambled 15 yards for the winning touchdown.
 The PAT was not good but Southland had a 13-12 lead which they held on to for the win.
 The Southland Junior High team will host Wilson Thursday, September 22, at 5 p.m.

Littlefield Defense Stifles Antelopes in 33-0 Shut-Out

by Wes Burnett

The Post Antelope varsity defense kept Bold Gold fans' hopes alive for two and one half quarters last Friday night at Littlefield while the chances faded with every offensive series for the visitors, who returned to Post behind a 33-0 shellacking by the Wildcats.

A spirited Antelope defensive unit held Littlefield to 10 points at halftime, but as the Post offense stumbled its way through three fumbles and a fourth down failed option pass in the second half, the Wildcat offense took advantage of the situations, scoring 23 points in the second stanza.

One first down was all the 'Lopes could muster in the contest, leaving the defense on the field most of the evening.

With several players performing double duty on offense and defense, the lack of any offensive drives finally took its toll on the defenders.

From the first series, the game developed as a no-win situation for the 'Lopes.

The kickoff return got the ball only to the Post 13. Two plays picked up four yards and on third down quarterback Rance Sappington was sacked for a loss to the 14.

Bill Rankin dropped back to punt, picked up the low snap off the ground and as he kicked the ball three Wildcats converged at the spot, blocking the punt.

Jamie Perez picked it up and returned it to the 17.

The 'Lope defense went to work, holding the Wildcats on three downs at the 11 yard line, then strong-legged Stephen Hernandez booted a field goal to put the Wildcats out front for good.

The game see-sawed back and fourth through the first quarter, with neither offense getting the edge, although Post started its possessions deep inside Antelope territory.

The Wildcats scored their first touchdown with 5:20 remaining in the first half, using the passing of quarterback Gilbert Gonzales and receiving by Mark King, Stephen Hernandez and Junior Hernandez.

The eight play drive was capped by Terry Davis spurting over the final 11 yards off right tackle.

The 'Lopes took their third kickoff return to what looked like decent field position at their own 27 as Lannie Lee brought the ball from the 15 yard line.

On fourth down at the 34 after one pass completion for two yards, a sweep around right tackle for two yards and a quarterback keeper for three yards, Rankin punted again.

One of the highlights of the ball game for Post fans was the punting demonstration Rankin performed. Unfortunately, his long, high punts were too often nullified as Stephen Hernandez out-manuevered the downfield tackling attempts by the 'Lope punt team.

Time ran out in the first half with the 'Lopes in control at their own 12 yard line, following another strong defensive effort.

Second Half Action

Any hope for an Antelope comeback after intermission was put to bed early when on second down from the Post 24 yard line Sappington's hand-off to Tony Patterson hit the sophomore fullback's hip, fell to the ground and a Wildcat fell on the loose pigskin.

The first play of the series looked good, as Patterson scooted through a hole over right guard for a four yard gain.

Littlefield quickly took advantage of the miscue and in three plays led 16-0 as Gonzales rifled the ball to Michael Smith at the end zone.

Rance Sappington blocked the extra point attempt.

A decision to bring the kickoff out of the end zone put the 'Lopes at the 11 yard line and three plays later Rankin punted once more, this time with the line of scrimmage at the 14.

Stephen Hernandez called a fair catch at the Post 41.

The 'Lope defense came alive, after Davis got to the 33, Stephen Tidwell slammed him to the ground at 31, then the right defensive side ganged up on Davis on third down for no gain and on fourth down and less than two yards for a first down.

Matt Pennell stopped Davis short of the first down marker.

An official measurement put the ball eight inches short.

A little fire was flaming for Post as the offense sprinted to the field.

A bad snap from center Chad Davis to Sappington caught the breath of Post fans as the ball fell to the ground and Littlefield picked it up.

Four plays later, Hernandez kicked the ball and it sailed through the goal posts for another field goal, following a strong individual effort by Jimmy Holleman, Sappington, Lupe Perez and Keith Peel.

Leading 19-0, the Wildcats sat back to take control as the Post offense one more time lost another chance to get untracked. Lee went over left guard for no gain, a pass to Holleman was incomplete, a Jamie Perez draw up the middle was snuffed out and Rankin punted.

The Wildcats got good field position as Stephen Hernandez took the punt at the Littlefield 45 and returned it to the Post 36.

On second down a pass interference call gave the Wildcats first down at the Post 26.

Three plays later Davis scored from four yards out, as two 'Lope defenders fell down trying to get a handle on the running back.

The big play was a quick pass to King from the 25 to the four.

With 39 seconds left in the third quarter Littlefield led 26-0.

The final Wildcat score followed a fourth down option pass play by the Antelopes at their own 34 yard line. Sappington's pass fell to the ground short of the receiver.

Eight plays later, on Gonzales' passing and receiving by John Hall and runs by Michael Willard, Johnny Dancer and Monty Lackey went into the end zone from the one yard line.

The touchdown was set up by a pass from Gonzales to Hall from the 10 to the one.

With 6:52 remaining in the game, Littlefield led 33-0 and the only thing left for Post fans was to watch another fumble as Sappington's pitchout option to Patterson bounced to the ground at the same time as Littlefield's defensive end Julian Sierra hit the Post fullback.

Another stout Post defensive effort stifled the Wildcats, and on first down from the four yard line, Lackey was stung by a host of Antelope tacklers, the ball fell to the ground and Matt Pennell got credit for the recovery for Post.

On second down Sappington rolled to his left and lofted a pass deep to Rankin who had slipped behind the defender, but the ball popped out of his hands and a pass to Matt Holly out of bounds on third down set up another Rankin punt.

Time ran out as Littlefield continued to control the football.

The Antelopes travel to Cooper this Friday for the first district contest with a 7:30 p.m. kickoff time.

Wildcats Dominate Antelopes

by Wes Burnett

"We knew we needed to run straight at them, because of their outside defensive quickness," coach Dewayne Osborne comments about last Friday's contest at Littlefield, "but we were surprised that their defensive line was so dominant."

"What we need to do now is to make a decision to rise up and play to our potential," Osborne adds, "and we know that our players have the talent to win."

One of the problems facing the team is the negative talk many of the players hear around town.

"It's really difficult for them and us to feel good about ourselves when a lot of negative is being spread," the coach adds.

"You know, Littlefield played one heck of a good defense against us, much of our offensive problems last week were due to the competition," he comments.

"I'd much rather have people blame me for the loss, than to hear negatives about our youngsters," the coach adds.

"I thought our defense played extremely well, especially considering how much time we spent with the defense on the field," Osborne observes.

Going into Friday's opening district contest at Cooper, the Antelopes continue without the help of Roger Adams and Mario Ayala, both suffering from knee injuries and expected to be out of action for another three to four weeks.

The Cooper Pirates, with a record of two wins and one tie, use a balanced offensive attack, running 55 percent and passing 45 percent.

The Pirates outscored Morton 35-7, tied Tahoka 13-13 and last week trounced Crosbyton 41-0.

They are led by 165 pound senior quarterback Trace Baily (11) who is listed as a great passer.

He uses the talents of 160 pound junior tailback Jimmy Martinez (17) who is a tough runner and 145 pound senior fullback Nathan King (21), a good blocker.

The offensive line is anchored by 220 pound junior strong tackle Brian Reed (76), 215 pound junior strong guard Kenny Ward (61), 160 pound junior center Jay Don McCann (60), 170 pound senior quick tackle James Kubacak and 185 pound senior quick guard Glenn Fiddler (51).

The Pirate offensive line block both for the pass and run well.

Defensively 190 pound sophomore tackle Lindsey Farmer (44) and 175 pound senior Cale Bilbrey (50) are the ones to watch in the middle of the line.

Linebackers Shane Medlock, 165 pound junior and Fiddler are good and react well to the ball.

Safeties Chris Beene (98), a 170 pound senior and Martinez are good ball players who are quick and react to the ball well.

"It really comes down to our attitude," coach Osborne concludes, "we can win if we believe we can win."

Kickoff at Cooper is at 7:30 p.m.

ANTELOPE DEFENSE IN ACTION - Lupe Perez (24) and Bill Ranking (84) grab Littlefield's Michael Smith (41) during action there last Friday.
