## County Commissioners Approve New Budget, Set 1988-89 Tax Rate at 17.5 Cents Per \$100

by Lonnie Welborn

Garza County's tax rate for fiscal year 1988-1989 was set at 17.5 cents per \$100 valuation when County Commissioners' Court met in regular session Monday, September 26.

The tax rate was established after changes affecting the Community Center, the sheriff's department, employee insurance and employee salaries were made in the county's budget before its final approval.

Representing the Post Community Center, Larry Mills met with the commissioners to present a 1988-89 budget request for the center of \$24,050.75 to \$24,750.75.

Mills presented an item by item explanation of the center's expenses for the current year and projected expenses for the coming year, but, in an effort to trim costs wherever possible and to provide some relief from the county's financial share of the center's operating expenses, the commissioners voted to cut the Community Center 1988-89 budget allocation to a flat \$15,000.

In another budget change, on the recommendation of the law enforcement commission, the position of chief deputy for Garza County is to be eliminated as of October 1 and the extra monthly salary paid for the position of chief deputy removed from the sheriff's department's budget.

In other business conducted, the commissioners heard from Tom Reynolds representing Tom Power Insurance with a bid on county employee insurance.

No action was taken, however, on this bid or other insurance bids submitted and the decision was made to write \$133,773.60 into the budget for insurance and to continue with the county's present carrier until the policy year was over.

The submitted bids will be held until that time for a possible insurance change.

Garza County employees were granted a pay raise amounting to \$36 per month per employee, based on a three percent increase in an average salary for a county employee.

The county will carry-over \$705,765.71 into fiscal year 1988-89.

In further business, Donald Windham gave a report to the commissioners on Title III of the Superfund Amendments and Reauthorization Act (SARA), also known as the "Emergency Planning and Community Right-to-Know Act of 1986." This Act gave cities and counties two years to develop "emergency plans" relating to hazardous materials.

On May 10, 1988, Robert A. Lansford, State Coordinator, Division of Emergency Management, Texas DPS, advised local emergency planning committees that any emergency management planning under Title III of SARA must be consistent with existing State laws. Such plans, according to Lansford, should be completed through "interjurisdictional emergency management plans already required by the Texas Disaster Act of 1975," in accordance with standards and requirements adopted by the Governor's Division of Emergency Management.

With an October 17 deadline in sight, E. Ray Hill of Lamesa has developed a county-wide, inter-

jurisdictional plan which incorporates both State and federal emergency planning requirements. In the process, he has put everything on computer - which will make it possible to develop similar plans for other counties.

Hill's fee for providing the plans for Garza County - "around \$2000, but less than \$2500 - was accepted by the court and a vote taken to use Hill's services.

There is a possibility that the county may be eligible for State reimbursements for costs incurred for emergency management planning.

Contracts were presented for the signatures of Nonnie Bright and Tommie Brewer for courthouse janitorial services.

Present at Monday's meeting were County Judge Giles Dalby; Commissioners Herbert Walls, Tommy Young, Ted Aten and Buck Craft; County Treasurer Voda Beth Gradine; County Clerk Sonny Gossett; Sammy Ellis; Dee Justice; Charla Miller; Nonnie Bright; Mills; Reynolds; Power; and Windham.

## Bike-A-Thon to Benefit St Jude Hospital

To benefit St. Jude Children's Research Hospital in Memphis, Tennessee, a Bike-A-Thon will be held in Post October 1, 1988 from 9 a.m. to 4 p.m. with bike riders gathering behind the courthouse on Saturday morning for the big event.

Paula Valdez, local coordinator for the Bike-A-Thon - who urges everyone to enter the fund-raiser - will be available at 495-3054 to supply details about the Bike-A-Thon or to provide any further information needed.

She announced recently that the Post Chamber of Commerce will give away a bicycle as part of the event.

St. Jude is the largest childhood cancer research-treatment-education center in America. It is non-sectarian, interracial and provides for over 3,200 active patients. Currently, over \$140,000, primarily from contributions, is needed each day to keep the doors open.

## Drug Expert to Meet With ISD Trustees

Leigh Mires, an expert in drug education for Region 17 Service Center, will meet with the Post I.S.D. Board of Trustees Tuesday, October 11 at 7:30 p.m. in the high school library to discuss what can be done concerning drug education in Post schools.

All city leaders and parents of Post school students are encouraged to attend the meeting.

If the meeting is well attended and more space is needed, the program will be moved to the school auditorium.

## Special Edition Delivered October 2

The Post Dispatch will publish a special edition Sunday, October 2 delivered to all homes in Garza County and to subscribers outside of the county.

Deadline for news and advertising is Thursday, September 29 at 5 p.m.

Merchants will want to take advantage of this opportunity to schedule advertising in this special edition, which will be delivered to every home in Garza County.

## PHS Offers

### Adult Education

English, reading, arithmetic, science, government and other courses are being offered in the free classes for adults at Post High School, beginning October 3.

The classes are designed to help adults with less than a high school diploma start their education, improve their educational level or secure a high school equivalency diploma (GED).

Classes will meet Monday and Wednesday evenings from 7-9:30 at the Middle School Learning Center.

Adults may enroll anytime that classes are in session. For additional information contact Lane Tannhill at 495-2494.

## Antelope Fans Plan Special Pre-Game Cheer

Post Antelope Bold Gold football fans will meet at approximately 6 p.m. at the new field house to demonstrate support to the varsity team as the players depart to the stadium.

All fans are urged to join in the special cheering event prior to the game Friday evening.

## Garza County News Briefs

### 4-H Club

Graham 4-H Club members and adult leaders will meet in front of the courthouse Saturday, October 1 at 11 a.m. for group pictures.

### United Way

The Garza County United Way board will be hearing budget requests the first week of October for any organizations interested in participating as a United Way Agency.

If you have been an agency in the past, you will be notified of an appointment time for budget requests.

If your non-profit organization would like to participate, please call 495-2057 or 495-3191 for a budget appointment.

### Adult Education

Adult education classes will begin Monday, October 3 and will meet each Monday and Wednesday night from 7 p.m. to 9:30 p.m. in the Middle School Learning Center.

Any adult interested in earning a GED or in furthering their education is eligible to enroll.

If you have any questions, or need further information, contact Lane Tannhill at 495-2770 or Debra Adams at 495-3013.

### Crime Line

With a low balance in the Crime Line account, supporters of the project are asking you for donations in order to continue Crime Line work.

If you would like to help support this worthwhile project, please make your donations to the Crime Line Account through the First National Bank of Post.

### Post Cares

Post Cares new hours, now in arc effect, are 1 p.m. to 3 p.m. Monday through Friday.

Located at 222 E. 8th, Post Cares would appreciate donations of canned goods and clothing of all types.

### Spaghetti Supper

The First Baptist Christian School parents, students and teachers are preparing for a spaghetti supper to be held Friday night, September 30 before the Post-Brownfield football game.

Serving will begin at 5:30 p.m. and continue until 8 p.m. to provide plenty of time to eat before the ball game.

The meal will include spaghetti, salad, garlic bread and iced tea for \$3 per adult and \$1.50 for children 10 years or younger. Optional desserts will be available for a small fee.

Tickets will be sold at the door. Tickets are currently being sold, see any Christian School student, parent or teacher. All proceeds will go to FBC Christian School.

### Child Care

The First Baptist Church Christian School parents will provide a child care service during the Post home football games, beginning September 30 from 6:30 p.m. to 10:30 p.m.

Child care will be available for infants through first grade only. Registration is available by calling the church office at 495-3554 or at the office. A \$2.50 deposit for each child is requested, which will be applied to the total fee of \$5 for the evening.

Planned activities include a snack.

Children will be separated into infant, toddler and older age groups to provide the best supervised care.

For further information come by 402 W. Main (West end). Children will be accepted on a first come-first served basis. A limited number of spaces are available and it is suggested that registration be made early. All proceeds will go to FBC Christian School.

### Harvest Queen

Applications are now available at Post and Southland high schools for young ladies interested in competing in the 1988 Harvest Queen Contest. The deadline for submitting applications is October 7. Applications must be accompanied with a \$15 entry fee to either Arleta Gary at the County Judge's Office in the courthouse or to Margie Pennell at the First National Bank.

Merchants are encouraged to support the young ladies by offering to sponsor one or more.

The contest will be held on Founder's Day, October 15 at 2 p.m.

### Joe Webb Benefit

There will be a benefit dinner for the Joe Webb family at the Grassland Nazarene Family Center, Saturday, October 8 from 5:30 to 8 p.m.

Enjoy delicious Mexican food for only \$3 for children and \$5 for adults.

## 1988 Founder's Day Opens with Art Show

by Lonnie Welborn

To celebrate the founding of the community in 1907 by cereal magnate Charles William Post and to celebrate the community's rich West Texas heritage, the citizens of Post and Garza County will once again honor this rich heritage and founding father during the Founder's Day Celebration and Harvest Festival scheduled for October 13-15.

This year's activities get underway on Thursday, October 13 with a one-man show at the Algerita Art Center, showcasing the talents of local western artist Vicki Diggs.

Also on the agenda at the Algerita Art Center on Thursday will be a reception and Heritage Fashion Show sponsored by the Caprock Cultural Association.

At the Garza County Museum, one block north of West Main Street on Avenue N, the museum's Founder's Day exhibit will open.

Prior to Thursday's activities, the 13th annual Double U bull sale will be held at the Double U Ranch.

The one-man art show and museum exhibit continue on Friday, October 14 and the Founder's Day Committee Party will be held at the Chapman Ranch at 7 p.m.

Special guests for the committee party will be representatives from General Foods, Post Cereals and Post-Montgomery Estate.

A day filled with activities begins at sunrise the morning of Saturday, October 15 with a 7 a.m. pre-Trail Drive chuckwagon breakfast at the Spining Ranch, located four and one-half miles south of Post on U.S. Highway 84, where you can begin your day by visiting and enjoying the chuckwagon breakfast with professional cowboys and honorary trail bosses.

The Trail Drive will move out at 9 a.m. from the Spining Ranch, when approximately 350 head of cattle from five area ranches will be driven from the ranch along Highway 84 north to FM 651 to the Santa Fe Depot where the cattle will be sold and loaded.

Earl Chapman has been named Chairman and Trail Boss of the Founder's Day Drive and Honorary Trail Bosses will include representatives of Post Cereals, General Foods, Texas Cattlemen's Association and the Lubbock

handwork, flowers, art, photography, culinary, clothing, canning and agriculture exhibits.

Joining in the festivities will be the cast and crew of the Garza Theatre's melodrama "Rip Van Garza and the Nine Dwarfs," to be

held at the Garza Theatre at 2 p.m.

Adding to the West Texas spirit will be a Saturday, 3 p.m. appearance by the 4th Cavalry Memorial Association with a demonstration in Algerita Park. The program includes visual demonstrations and stories of the Division's attempts to open West Texas for settlement.

At 4 p.m. a pet show will be held in the Youth Center parking lot and all-day activities will include hot air balloons, hay rides, sheep shearing demonstrations, Old-west gun fights, face painting, a petting zoo and special merchandise and sales by Post merchants.

Founder's Day will conclude with a Celebration Dance at the Dalby Ranch at 6:30 p.m. with music to dance by provided by Jody Nix, a Southwest buffet, bar, silent auction and raffle.

For further information on Founder's Day activities, contact Melissa Cunningham, Project Manager, or Danielle Chapman, Publicity Coordinator, at 105 East Main, Post, 79356, 806-495-4157.

## Forum Honors

### Judge Dalby With Award

Garza County Judge Giles Dalby will be honored along with other 1988 outstanding Texas leaders as the recipient of The Political Courage Award at a noon luncheon hosted by the John Ben Shepperd Leadership Forum Saturday, October 1 at the LBJ School Joe Thompson Center in Austin.

Dalby will also be honored at a reception that evening, hosted again by the Leadership Forum, in the Lieutenant Governor's Reception Room in the east wing of the State Capitol.

The honor is given to outstanding Texas leaders with the award's focus on qualities of public leadership.

## Morris Fund Helps Purchase New Computer Equipment

The family of Loucille Morris has closed and donated the 4-H Scholarship Fund to the Garza County 4-H Adult Leaders' Association.

The family requested that the funds be applied towards the purchase of computer software to benefit all Extension clientele in the county.

The 4-H Scholarship Fund was set up in 1984 in memory of Loucille, a 42 year member of the Graham Extension Homemakers Club.

Loucille had held all club and county offices and had served as county delegate to the Texas Extension Homemakers' Association conventions 10 years.

She had also served two years on the state Committee for Arts and

presented at 1, 3 and 5 p.m. at the Garza Theatre, 226 E. Main.

Food will be on hand at a "Festival Food Court" when local restaurants serve Southwest favorites from 11 a.m. to 2 p.m.

And there will be plenty of beauties around when Garza County young women compete for the honor to be Festival Queen when the Harvest Queen Contest is

Crafts and International Understanding.

Having been a 4-H'er, she guided her three children and grandchildren through 4-H serving as an adult leader for 20 years.

The Garza County 4-H Adult Leaders and Texas Agricultural Extension staff express their appreciation to the Morris family for the funding that covered a large portion of the computer software expense.

Other groups contributing include the Garza County Extension Homemakers Clubs and the 4-H Horse Project Groups.

Staff members also emphasized that all farmers, ranchers, homemakers, 4-H'ers and other organizations will benefit from the educational value of the computer and software.

HOMEcoming QUEEN - Southland High School 1988 Homecoming Queen Lisa Taylor is escorted by Keith Edwards during halftime ceremonies at last Friday's football game with Dawson. Lisa a senior at SHS, is the daughter of Mr and Mrs Jerry Taylor. (Photo by Jerry Taylor).

## Rehearsals In Full Swing for October 27-30 Theatre Production of Simon's "The Sunshine Boys"

by Wes Burnett

West Texas is still laughing following the four hilarious performances of the Garza Theatre's "The Seven Year Itch."

Will McCrary and the excellent supporting cast broke the young theatre's attendance records during the Labor Day holiday weekend.

Rehearsals have now begun on the October 27-30 production, one of Neil Simon's funniest comedies, "The Sunshine Boys."

Co-starring with Will will be one the Garza Theatre's finest performers, 1986 Willy Award winner Lonnie Welborn.

The show concerns two popular stage comedians who worked together in the final days of Vaudeville, but who years ago abandoned their act because of their complete dislike for each other.

After not having spoken to one another in 20 years, in the play they are brought together again for a laugh-filled confrontation.

The play opened on Broadway December 20, 1972 at the Broadhurst Theatre, directed by Alan Arkin and starred Jack Albertson and the late Sam Levine as the two old "Vaudeville" comics.

McCrary has done the part of 'Al Lewis' (movie goers will remember George Burns in the part) several times in dinner theaters around the country in the early 1980s.

Welborn will portray 'Willie Clark' the role Walter Matthau played in the film version.

Garza Theatre audiences will remember Welborn for his outstanding performances as 'Tom' in the "The Glass Menagerie", the "Director" in "Light Up The Sky", 'Christopher Wren' in "The

Mousetrap", 'Uncle Henri' in "My Three Angels" and his award winning role as 'Renfield' in "Dracula."

Also cast are James Burnett, who audiences will remember as the young blind man 'Don Baker' in last spring's "Butterflies Are Free"; Trina Moore, Mandy Swofford and Jerry Fogerson of Slaton and Tommy Loving of Brownfield.

Stage manager is Christy Morris with assistance from Becky Warren and A B Gutierrez.

Performances begin at 7:45 Thursday, Friday and Saturday evenings and at 2 p.m. on Sunday. Tickets are \$6 for adults and \$3 for children 12 years or younger.

Call the Garza Theatre box office at 495-4005 for information and reservations. The box office is open Monday through Saturday from 10 a.m. to 4 p.m.

# Obituaries

## Candelario Molina

Funeral services for Candelario Molina will be held at 10 a.m. Wednesday, September 28, 1988 at St Vincent Calotti Catholic Church in Abilene.

Molina died September 25, 1988 at Hendrick Medical Center in Abilene. He was 78 years old.

Father Steve Hicks will officiate the services. Burial will be at Cedar Hills Cemetery in Abilene under the direction of Elliott-Hamil Funeral Home. A wake was held Tuesday.

Molina is survived by his wife Frances of Abilene, sons Tony of Roscoe, Bert and Luis of Snyder; daughters Mary Trevino and Victoria Jimenez of Abilene; brother Eusebio and sister Cuca Sanchez of Laredo; 34 grandchildren and 21 great-grandchildren.

## James Edward Babb

Funeral services were held September 22 for James Edward Babb who died September 20, 1988 at Methodist Hospital in Lubbock.

Services were held at the First Baptist Church with Rev. Steve

McMeans officiating. Interment was at the Terrace Cemetery under the direction of Hudman Funeral Home.

Babb was born Sept. 13, 1927 in Garza County, the son of Fred Babb and Rebecca Shepherd.

He was a Methodist, a veteran of the Korean War and a farmer. Babb married Virginia Caylor Jan. 4, 1957.

He is survived by his wife, Virginia and his mother Rebecca Babb of Post; son Steve of Post, daughter Lea Ann Burnett of Blackwell, brother Ronald Joe Babb of Post and grandson Zane Burnett.

Pallbearers were Jody Mason, E.A. Howard, Harold Craig, Pete Walls, Ronnie Metzgar and E.C. Smallwood.

## Pauline Kilpatrick

Funeral services were held in Post September 27 for Pauline Kilpatrick, who died September 24, 1988 at Methodist Hospital in Lubbock.

Services were held at Hudman Funeral Home Chapel with Rev. Steve McMeans officiating.

Interment was at Terrace Cemetery under the direction of Hudman Funeral Home.

Mrs Kilpatrick was born Jan. 23, 1915 in Hood Co., Texas, the daughter of J.M. Bradley and Josie

Ann Perry, and had lived in Post since 1980.

She had been a resident at Twin Cedar Nursing Home.

She is survived by daughters Jean Engle of Midland and Nita Stubbs of Lubbock; son Charles Kilpatrick of Eagle Point, Or. and sister Catherine Samples of Post; 10 grandchildren and 14 great-grandchildren.

## Letter to the Editor

To Friends of Gary Lester:

I would like to take this opportunity to tell you what an outstanding job the people of Post did at the "Gary Lester Memorial Roping" last Saturday. It was an excellent roping, and you could tell by the attendance the feelings the people of the South Plains have Gary and his family.

I would also like to express my appreciation to the committee for the fine prizes that were donated. I was certainly honored to be lucky enough to win the saddle, breast collar and rope. It was even a greater honor after I saw the way the people of Post supported Gary's family at the auction.

Thanks again for a job well done for a very worthy cause.

Sincerely  
Gary Cobb

## \$500 Awards Offered To Young Wheat Farmers

Young Texas wheat farmers are eligible to enter an essay contest to compete for three \$500 leadership development awards for which 60 will be awarded nationally. The program of the Texas Wheat Producers Association and National Association of Wheat Growers is sponsored by Monsanto Agricultural Products Company. The awards are designed to acquaint young wheat farmers with the wheat association organizational structure, leadership development, policy development and the educational aspects of attending wheat organizational meetings.

The \$500 awards are to defray the cost for the winners to participate in their choice of either the National Association of Wheat Growers 1989 Annual Convention to be

held in Nashville, Tennessee in January, or the NAWG Summer Leadership Conference to be held in Couer d'Alene, Idaho next July.

Any Texas wheat farmer between the age of 20 and 35 years, who has not previously participated in either of the NAWG meetings mentioned above is eligible to enter. The winners are selected based upon the content of their brief 50-word essay, explaining why they would like to participate in a NAWG meeting.

Entry forms may be obtained by either writing or calling Rodney Mosier of the Texas Wheat Producers Association office (600 Texas Commerce Bank, 2201 Civic Circle, Amarillo, Texas 79109; Telephone 806-352-2192). The deadline for entering the contest is October 30, 1988.

## Soil Conservation District Directors At State Meeting

Sam Ellis and Ronald Thuett, directors from the Garza Soil and Water Conservation District, will be in Lubbock October 3-5 to attend the 48th Annual State Meeting of Texas Soil and Water Conservation District Directors.

The meeting will be held in the Lubbock Memorial Civic Center.

The purpose of the meeting is to review developments affecting Texas conservation programs.

An array of speakers will highlight the meeting, including State Senator John Montford of Lubbock; Frank Dunkle, director U.S. Fish and Wildlife Service; Robert Layton Jr., regional administrator Envi-

ronmental Protection Agency; Robert Wetherbee, vice president National Association of Conservation Districts and Harry W. "Wes" Oneth, state conservationist USDA Soil Conservation Service.

Approximately 1,200 SWCD directors and other conservation leaders are expected to attend the meeting.

Go  
Bold  
Gold!

## Another Reason Why YOU SHOULD BE A CHRISTIAN

### CHRISTIAN PEOPLE RECEIVE SPECIAL BLESSINGS FROM GOD

★ Eph. 1:3 "Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ."

All people receive natural blessings - a marvelously designed physical body, the abundant products of nature, and results of physical laws of science. These prove God's existence and show His love for mankind. Christian people, in addition, receive spiritual blessings - forgiveness of sin, opportunity for eternal life after death, and spiritual guidance and strength through prayer. Christians are the most blessed of all people.

### THE GOOD ROADS AMENDMENT

#### Proposition 1

WHEREAS, Texans pay a 9¢ a gallon federal fuel tax into the Federal Highway Trust Fund, a user fee which is then apportioned to the state to acquire, construct and maintain their highways;

WHEREAS, Texas receives approximately \$800 million a year from the Federal Highway Trust Fund;

WHEREAS, these federal funds pay for building over half our Texas highways;

WHEREAS, since 1917 when federal highway funds were first given to the states, Texas has used 100% of these funds exclusively for its roads and bridges;

WHEREAS, federal highway funds are returned to reimburse us for spending constitutionally dedicated Texas state highway user fees;

WHEREAS, it has recently been suggested the federal highway reimbursements would be diverted to other unspecified purposes;

WHEREAS, such a diversion of dedicated highway funds would cripple the state's highway maintenance program, end its long-term planning, and cancel critical new road projects including many in our area;

WHEREAS, using federal highway reimbursements for purposes other than our roads would violate the public trust by breaking the government's pledge that those who use the highways should pay for their construction and maintenance;

WHEREAS, protecting the substantial investment in our highways and improving them will help encourage economic growth and create jobs in Texas;

WHEREAS, Texas voters can guarantee this unnecessary raid on our dedicated highway funds never takes place by voting for Proposition 1, the GOOD ROADS AMENDMENT to the Texas Constitution, in this November's Presidential election;

WHEREAS, Proposition 1 appears at the end of the ballot as "The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights-of-way and constructing, maintaining and policing public roadways."

NOW, THEREFORE BE IT RESOLVED, we support Proposition 1 to insure dedicated federal highway funds received by Texas are spent only for their intended purpose of improving our highways, and BE IT FURTHER RESOLVED, we call on all Texans to join us and every statewide elected Texas official in approving Proposition 1 and we pledge our best efforts in encouraging all Texans to vote "FOR Proposition 1, the GOOD ROADS AMENDMENT."

Adopted this 19th day of September, 1988, by Garza County, Commissioner's Court.

## Needlecraft Members Hold Meeting in Plainview Home

by Katharine Cathcart  
Needlecraft Club members journeyed to Plainview Friday, September 23 for a luncheon meeting in the home of Linda Malouf.

Mrs. Malouf prepared and served a delightfully delicious luncheon from a beautiful table centered with a bouquet of marigolds.

The afternoon was spent visiting and enjoying the good company and gracious hospitality.

Mrs. Malouf took the members for a drive through the very attractive residential area of Plainview area and for a tour of the business district.

Louise Wright of Plainview

was a special guest at the luncheon, joining Post members attending: Lucy Callis, Flora Ussery, Esther Crider and Katharine Cathcart.

The next Needlecraft meeting will be Friday, October 21 at 3 p.m. in the home of Opal Williams.

## Garza County Ranch Holiday Planned Oct. 5

by Obie Kelley

The Garza County Extension Service, ASCS and Garza Soil and Water Conservation District will sponsor a field day Wednesday, October 5.

Those interested in participating should meet at the north parking lot at the Courthouse at 8 a.m.

We will look at two plots of chemical control of broom snake-weed on the Cross H Ranch.

Another stop will be made at the Tom Middleton ranch, to view control of mesquite, shinoak and

yucca through the use of chemicals.

We will also look at permanent wildlife habitat established through the Conservation Reserve Program.

Other stops may be made throughout the tour. We will return to the courthouse at approximately noon.

Refreshments will be furnished.

For further information, contact the Extension Service at 495-2050, Soil Conservation Service at 495-2056 or the ASCS office at 495-2801.

## Laughlin Assumes Command At Dyess

Newly promoted Maj. Val J. Laughlin, son of Margarette J. Laughlin of Overton, Texas has assumed the command of the 463rd Avionics Maintenance Squadron at Dyess AFB, Texas.

His wife, Barbara, is the daughter of Harold W. and Doris F. Lucas of Post.

Major Laughlin is a 1972 graduate of Overton High School and a 1977 graduate of Baylor University.

## Amity Study Club has Year's First Meeting

Amity Study Club met for the opening meeting of the new year at 10 a.m. Saturday, September 24 in the Fellowship Hall of First United Methodist Church.

Carolyn Sawyers, president, welcomed members. Brunch was served by the yearbook committee of Ginger Carlisle, vice president and chairperson, Kathie Rankin,

Louella Bilberry and Mattie Collier.

Joy Pool immediate past president, was presented with a gift of appreciation.

Tables were decorated with colored ribbon streamers curled down the tables with Barbie and Ken dolls dressed in fashionable attire.

Program of the day was a style show coordinated by Ada Lou Bird of LaPosta and Loveta Josey and Lometa Epley of Twin's Fashions.

Models were Marge Tannehill, Carol Payne and club members' daughters Jan Bartlett, Martha Baker and Tonya Rudd. Candace McConnell was the narrator.

Yearbooks were presented to members. Covers for the yearbooks were of felt and other fabric with designer costumes decorating the front.

Members present were Joyce Strubhart, Jancy Middleton, Anne Leake, Boo Olson, Marion Wheatley, Joy Dickson, Barbara Babb, Margaret Bull, Sue Shyles, Bernice Younger, Ida Mac Wilks, Joy Pool, Iva Hudman, Helen Miller, Janet Peel, Martha McLendon, Carolyn Sawyers, Jane Davis and the hostesses.

**FORMER SHS CHEERLEADERS** - Homecoming festivities at Southland High School last Friday evening featured recognition of former SHS cheerleaders. Joining in the event were (back row, left to right) Michelle McGehee, Marlana Adamek, Kaye Davenport, Tammy Weaver, Janyce (Ellis) Gravell, Terri (Hiracheta) Marquez, Esmeralda Mendez, Jettie (Crawford) Manor, Libby (Sales) McGehee, Marian (Eckert) Riney, (front row, left to right) Kelly Jo (Myers) Beatty, Debbie (Craddock) Siler, Monique (Adamek) Binford, Olga (Hiracheta) Salenz, Elaine (Buxkemper) Orr, Donica Basinger and Phyllis (Cisneros) Parras. ## Relief in Sight from Hot Weather

Most Texans, particularly farmers and ranchers, will be glad to see the last of the hot, dry weather that has plagued the state the past few months--and relief is actually in sight.

The National Weather Service's 90-day outlook calls for a break in "routine" before too long, as cool fronts should start moving through Texas with more regularity in the coming weeks.

That should bring some relief from the extremely high temperatures that have had a viselike grip on much of the state since mid-July, said Dr. Mickey Flynn, meteorologist in charge of the NWS Agricultural Service Center at Texas A&M University.

There is also some possibility that frosts will be earlier than nor-

mal in northern parts of the state, Flynn said. Records indicate that frosts tend to be earlier in the season after an extremely hot, dry summer.

While an early frost might be good news to some folks, cotton farmers in the Texas plains would have a different opinion. An early frost could be detrimental to cotton fiber development, particularly in the South Plains where more than half the state's cotton is grown.

The 90-day outlook calls for about average temperatures over most of Texas, with slightly above normal temperatures for northeastern and eastern areas.

As far as rainfall is concerned, the outlook is for below normal

precipitation in the High Plains and Trans-Pecos areas, regions that have received above normal rainfall so far this year.

Rainfall should be about normal for the remainder of the state over the next three months. If that holds true, parts of Texas should get much-needed rain.

"The projected lack of rainfall in the High Plains and Trans-Pecos regions is good news for cotton farmers who will be actively harvesting their crop over the next few months," Flynn said.

"However, the dry weather will definitely hamper the planting of small grains (wheat and oats) and other crops for fall and winter grazing. Right now soil moisture is extremely short over most of the state, and producers need rain to plant crops that will provide forage for their livestock later this fall and during the winter months."

Establishing some green forage for livestock is particularly important this fall because of the siege of dry weather this year that has limited grazing on pastures and ranges

and reduced hay production, Flynn said.

Because of short hay supplies in many counties, producers need rain immediately for a possible final cutting of hay. However, that possibility will diminish with each passing day of dry weather.

Fall vegetable growers as well as gardeners also are looking for some relief from the hot, dry weather, Flynn said. Fall vegetables are grown over much of central, eastern and southern Texas and would benefit from cooler weather and rains.

Rains also would give an immediate boost to the state's pecan crop and to late-planted peanuts and soybeans, said the meteorologist.

Of course, homeowners could all use some rain to green up their lawns for the fall months, and individuals in charge of maintaining public parks and grounds would certainly welcome some relief from summer-long irrigations, Flynn said.

Dear Mother,

We are sending our love and congratulations for a "VERY HAPPY 80TH BIRTHDAY" October 6, 1988.

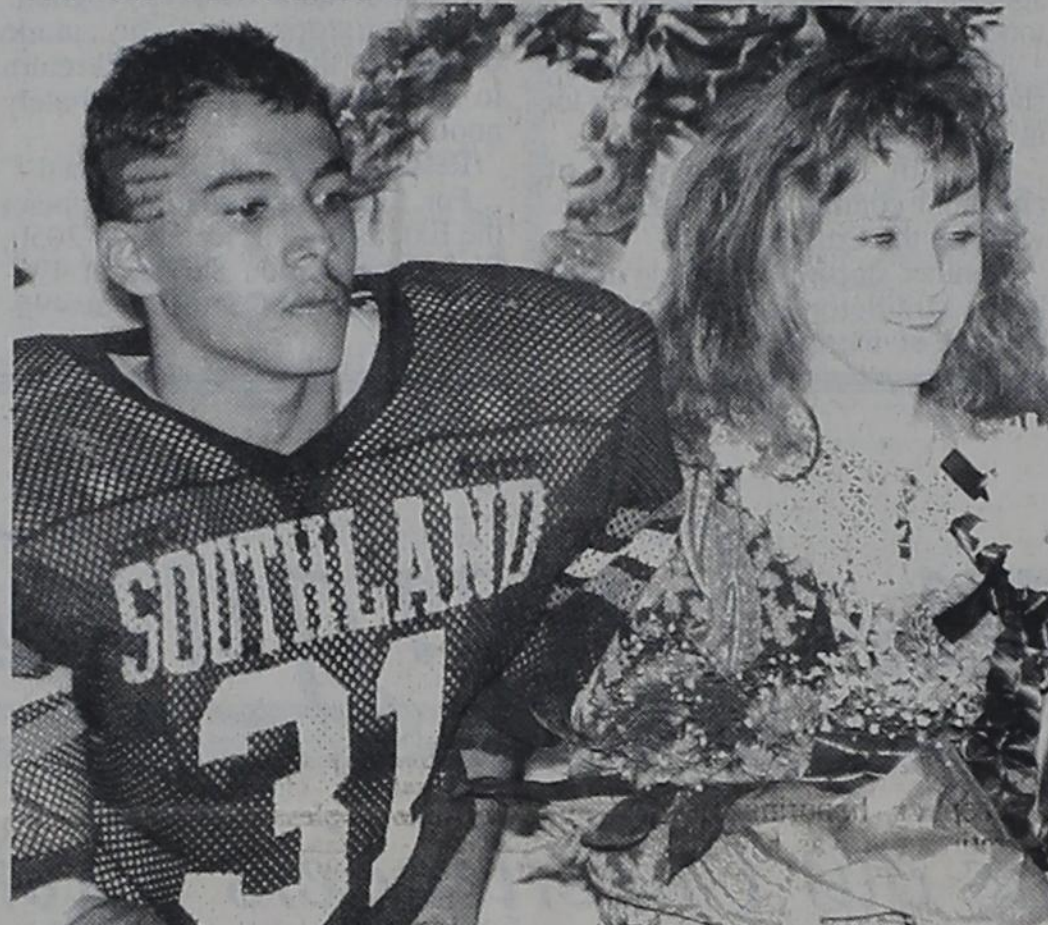

Your loving Son & Daughter-in-law,

J. E. & Carole  
Bakersfield, CA

# In the Neighborhood

by Lonnie Welborn  
Lorene McCrary of Amarillo, a former Post resident and a graduate of Post High School, retired recently from a position that started

out as volunteer work and ended up with Lorene being executive director of the program for 16 years.

She began her involvement with Amarillo's Meals on Wheels

when she joined a group of volunteers organizing the program in 1971 and became chairman of the interviewing committee in charge of making home visits to persons applying for the food service.

She was later hired as the executive coordinator and then promoted to executive director in 1974.

During her time with the program, it has grown from 50 meals per day to 260 meals per day and now has two full-time staff members and two part-time van drivers. The volunteer staff now totals 145 people who donate their time and car expense each week to deliver the meals.

To help other cities establish meal-delivery programs, Lorene developed a guide for organizing Meals on Wheels programs and her guidelines have gone to Montreal and Quebec, Canada; Hampton, Virginia; Guymon, Oklahoma; and Tucumcari, New Mexico - just to mention a few.

She was also responsible for developing projects to brighten the lives of the elderly, including a foster grandparent program.

And she did stay busy during her time as executive director. She is a member of the National Association of Meals on Wheels Programs and served as state representative for all the Meals on Wheels programs in Texas to the National Association for 1986 and 1987.

She served as membership chairman for Region VI, comprising programs in Texas, Oklahoma, Arkansas, Louisiana and New Mexico.

She has taught workshops at national conferences held in New Orleans and Washington, D.C. and will be one of the chairpersons of this year's national conference in October in St. Louis, Missouri.

In Amarillo, Lorene is a member of the Alliance of Community Service Executives, the Coalition for Senior Support and the Panhandle Advisory Council on Aging. She is a member of the Top O'Texas Chapter of the American Business Women's Association, and has held all offices in that chapter. She was voted "Woman of the Year" for ABWA in 1972.

She is looking forward to having more leisure time now that she's retired, but she'll miss all the day-to-day activity she's been involved with so long.

And she'll especially miss the contacts with the people who receive the Meals on Wheels services - many of them have become dear friends.

A reception honoring Lorene on her retirement was held in the parlor of the Polk Street Methodist Church in Amarillo and attended by 229 persons, with out of town guests attending from Dumas, Pampa, Hale Center, Lubbock, Justiceburg, Spur, Coleman and Arlington.

Attending from Post were Lorene's sister Mrs. Lala Pennington, Twana McCrary and Eva Lou Page.

### School Open House

The Post Middle School annual Open House was held Tuesday, September 20 from 6:30 p.m. to 7:30 p.m. and was attended by approximately 90 visitors.

All middle school teachers and coaches and Bud Davis, principal, greeted the visitors.

Refreshments were served by members of the National Junior Honor Society and NJHS sponsor, Mrs. Nancy McDonald.

**A Few Good Men**  
B.F. Cook of Rockdale, Texas is looking for a few good men and has asked for our help in locating them.

The few good men being sought are World War II veterans, about 5000 of them, who were assigned to the 351st Heavy Bombardment Group at Polebrook, England between 1943 and 1945.

The group has formed a 351st Association of flying and ground crews for annual reunions.

If you were a part of this group, please contact Ken Vaughn, 1 Shady Lane, Belleville, Illinois 62221.

### San Angelo Visitor

Dwayne Warren, a freshman at Angelo State University, was in Post over the weekend visiting with his parents, Chet and Becky Warren.

### Eagle Candidate

Lane Duncan, grandson of Mr. and Mrs. Robert Cox of Post and Mr. and Mrs. Floyd Duncan of Snyder, was in the news recently with an Eagle Scout project that raised \$320. Lane is an Eagle Scout candidate from Boy Scout Troop 820 in Cimarron.

To raise the funds, Lane planned and coordinated a car wash to benefit a local animal shelter. He also arranged a work day during which several scouts helped with animal care and cleaning at the facility.

The third portion of his project was to bring one patrol of his troop to the shelter where they learned about responsible pet ownership and reported on their visit to the troop.

The money from the car wash will be used by the animal shelter to purchase pet food.

### Post School Menu

**Monday, October 3**  
**Breakfast** - muffins, fruit cocktail, milk.  
**Lunch** - chili dogs, French fries, California mix, sliced peaches, homemade buns, milk.

**Tuesday, October 4**  
**Breakfast** - rice, sausage, toast, orange juice, milk.  
**Lunch** - Taco with sauce, lettuce, pinto beans, coconut cake with icing, corn bread, milk.

**Wednesday, October 5**  
**Breakfast** - cinnamon with apple crispito, applesauce, milk.  
**Lunch** - pizza, lettuce salad, buttered corn, fruit mixed, milk.

**Thursday, October 6**  
**Breakfast** - Oatmeal, bacon, toast, orange juice, milk.  
**Lunch** - fish, macaroni and cheese, cabbage slaw, potato rounds, peanut butter pudding, corn bread, milk.

**Friday, October 7**  
**Breakfast** - scrambled eggs, toast, sausage, fruit, milk.  
**Lunch** - meat loaf, sauce, green beans, whipped potatoes, chocolate pudding, cheese rolls, milk.

Joel Kirkpatrick, a sophomore from Post, is the starting quarterback this fall for the Kilgore College Rangers. The 6-0, 175 pounder is a transfer from West Texas State University. The Rangers are 1-2 on the young season following a 6-5 victory over neighboring rival Tyler Saturday. They open conference play October 1 in Kilgore against Navarro College.

**Notice of Application for Fluid Injection Well Permit**  
Graham Royalty Ltd. 5429 LBJ Fwy, Suite 550, Dallas, Texas 75240 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas. The applicant proposes to inject fluid into the San Andres (3400), North Huntley Unit, Well Number T-304W. The proposed injection well is located 4 1/2 miles NW of Post, Texas in the Huntley (3400) Field, in Garza County. Fluid will be injected into strata in the subsurface depth interval from 3270 ft to 3524 feet. LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.  
Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373).

**Notice of Application for Fluid Injection Well Permit**  
Graham Royalty Ltd. 5429 LBJ Fwy, Suite 550, Dallas, Texas 75240 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas. The applicant proposes to inject fluid into the San Andres (3400), North Huntley Unit, Well Number T-509W. The proposed injection well is located 4 1/2 miles NW of Post, Texas in the Huntley (3400) Field, in Garza County. Fluid will be injected into strata in the subsurface depth interval from 3300 ft to 3500 feet. LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.  
Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373).

Internal Revenue Service, Public Auction sale, to be held October 06, 1988; 540 acres in Lynn County, Texas minimum bid \$14,400. Contact Shirley Stroud, 806-743-7424 for additional details.

**Post Independent School District Compliance Statement**  
Post Independent School District provides a timely and orderly process for the resolution of employee complaints. The Board of Trustees intends that, whenever feasible, complaints be resolved at the lowest possible administrative level.  
An individual employee's wages, hours, or conditions of work may be the subject of a complaint. The definition of complaint shall also include specific allegations of unlawful discrimination in employment on the basis of sex, including sexual harassment, race, religion, national origin, or handicap, or on the basis of the

employee's exercise of constitutional rights. The complaint must establish the individual harm suffered. Complainants whose legal rights have been adversely affected such that they are entitled under the law to a due process hearing under another specific policy. If the board uses a designee, the designee shall make a recommendation to the board at the conclusion of the hearing, and the employee shall be given an opportunity to respond to the recommendation either orally or in writing. If the complaint involves complaints or charges about another employee, it will be heard in executive session unless that employee requests it to be public.  
General provisions for filing a complaint may be found in the Post I.S.D. policy manual.  
This policy was adopted by the Board of Trustees on December 16, 1986.

**Personals**

**Cotton Talks...**  
A USDA call for comment by September 12 on 1989 cotton program provisions has officials of Plains Cotton Growers, Inc., Lubbock, pondering figures on estimated 1988 cotton production, domestic consumption, exports and carryover.  
These are the numbers that, together with their effect on prices, government program costs and the retention of export markets, will determine the producer group's recommendations for 1988 acreage control measures.  
USDA is seeking industry advice on other program details, say PCG Executive Vice President Donald Johnson, "but as of now it appears the most pressing issue is the need to reduce production."  
How can you know how many U.S. acres should be devoted to cotton production in 1989 when 1988 production, consumption and carryover are still subject to change?  
"You can't," Johnson admits, recalling that when PCG made its 1987 program recommendations, the year-end carryover was expected to be 3.6 million bales, compared to actual ending stocks of 5.6 million. Nevertheless, USDA by law has to make the decision by November 1 and it isn't likely the September 12 deadline for industry comment will be extended.  
The last available 1988 supply-demand estimate on July 12 put production at 13.7 million bales, combined domestic and export off-take at 12 million, and the carry-over on August 1, 1989 at a burdensome 7.4 million bales. PCG and other interested parties will have the benefit of an August 11 update of those estimates before the comment deadline. But already there's talk among astute observers in the industry that the surplus picture will get worse, not better.

## Dawson Spoils Southland Homecoming

The Southland Eagles were cut short of an upset last Friday during homecoming as the visiting Dawson Dragons pulled out a 24-16 win.

Two Dawson scores came on long plays, one a punt return and the other an intercepted pass in their own end zone returned the 80 yard distance.

"I thought our team played really well," coach Ron Anders comments, "especially after John was injured mid-way through the second quarter."

Quarterback John Beatty and running back Bert Anaya will be out of action for at least two weeks, both suffering knee injuries during the Dawson contest.

"I thought D'Angelo did a great job of quarterbacking, filling in for John," Anders adds.

D'Angelo Valderaz also scored the first touchdown in the third quarter on a quarterback keeper around his right end for the 25 yard score.

Jimmy Moreno got the extra point kick. Late in the game David Martinez picked up the final Eagle touchdown on a four yard scamper around left end and Moreno put the ball through the uprights for the two points.

Martinez collected 162 yards rushing. The Eagles travel to Three Way Friday, "and it will be tough," Anders observes, "especially with us field only seven players."

Three Way uses a spread offense, "and our players are going to have to be in good physical condition to stay in the game, particularly now that we will only have one sub on the bench," Anders concludes.

Game time is at 7:30 p.m. The Eagles will be open October 7 and begin district competition October 14 at New Home.

## Big Spring Takes 20-8 Win Over J.V.

"I am really proud of our youngsters," coach Fred Postell says about the Post Junior Varsity football team following the 20-8 loss to visiting Big Spring last Thursday.

"The big play hurt us, Big Spring never did drive the ball consistently on us," Postell adds.

The Post J.V. touchdown came on a 10 play, 77 yard drive featuring Matt McCook on an option around right end, Jacob Bustoz off left tackle for 10, Tony Patterson on the middle for six, Bustoz for four over left tackle, Jr Gonzales hit left tackle for six, McCook got one on the option, Patterson picked up three over the middle, Bustoz went around right end for one and the big play was a McCook to Damian Hampton 33 yard touchdown pass.

"We drove down to the two yard line late in the game, but we were held out, Mike Radle directed that drive, the big play was a 19 yard pass to Hampton," the coach continues.

The Post J.V. collected 141 yards offense, giving up 224 to Big Spring.

## 'Lope Offense Improving...

"We did some good things, our offense did a better job moving and keeping the football," Post Antelope football coach Dewayne Osborne says about last Friday's district opener 14-14 game at Cooper.

"We're just suffering a lot from low numbers, having to use a lot of folks at different places...we played well enough to win at times, but losing our intensity in the second half after our quick touchdown really costs us the game," Osborne adds.

The coach praised Bill Rankin on his punting, averaging 38.5 yards on four punts, with one sailing and rolling 65 yards.

"We really need to play consistently with out making mistakes, the kind that set us back when we're moving, remember, these mistakes are the kind young players often make, and many of our juniors and seniors are playing varsity for the first time ever," Osborne emphasizes.

Jimmy Holleman, who suffered a sprained back during the Cooper game, is expected to be ready for action Friday against Brownfield. "Brownfield is setting on a 4-0 record, and they look like the best team in this area," the coach points out.

"But I believe if we'll play with enthusiasm, intensity and eliminate our mistakes, we can win this ball game," he continues.

"We really haven't played up to our potential yet, and I know that when our players set their mind to it, we're going to win," Osborne adds.

"Brownfield is tough and they are going to be really out to get us, we all know that," the coach says.

**Brownfield Cubs**  
The Cubs come to Post Friday off a 25-8 win over Lamesa in their district opener.

"They mostly take advantage of the big breaks," Osborne observes, "and they make a lot of the breaks for themselves."

The Cubs are led by senior 165 pound quarterback Bobby Lawrence, who is the best back, a good runner and two year starter.

Junior fullback David Hernandez, a 165 pound junior, is a good blocker and runs the trap well.

Very fast and quick is the way to describe 150 pound junior tailback Clarence Brown.

The wingback is 150 pound junior Kenneth Lawrence, noted for his good speed and hands.

Offensive linemen are good and stay with their blocks well, they average over 200 pounds.

Leading the charge are 215 pound senior center Inoe Valdez, 215 pound senior tackle Craig Jones, 220 pound senior guard Benito Gonzales, 228 pound senior tackle Brad Wilson and 150 pound junior guard Gerald Gonzales.

"They don't do anything real fancy," Osborne says, "they just play with pride and consistency."

"They live on the big play, and they have great skill people, they will try to utilize them and we must eliminate their opportunity for the big play," the coach emphasizes.

Leading the defense, which has a history of being strong and quick, are Wilson at tackle, 165 pound junior nose guard Brant McMeans, Jones at tackle and the secondary made up of 155 pound senior Bradley Little, 145 pound senior Tyler Travis, free safety Kenneth Lawrence and 160 pound junior strong safety Keil Gauger.

"The secondary has good speed, they react quick to the run and play good pass defense," Osborne says.

Game time at Antelope Stadium is 7:30 p.m.

## Post 8th Grade Whips Cooper

"Our defense played great, most of Cooper's yardage came in the fourth quarter," coach Darrell Radle comments about last Thursday's 8th Grade football team's 22-0 win at Cooper.

He praised defensive ends Josh Bush and Mike Brisen, linebackers Willie Barboza, Pat Sanchez and Anthony Cruse.

"Damon Curtis and Ricky Jefferson played well at the corners," the coach adds, "as did defensive tackles Rene Martinez and Marty Edwards."

The coach also praised the offensive unit, pointing to the efforts of guard Randy Britton and Brad McDonald.

"Darren Wood played well at center and Jason Martinez did a good job at end," Radle says.

The first touchdown came on a first quarter 54 yard, six play drive, with Sanchez going in from 11 yards out and Barboza getting the two-point.

Later in the same quarter the young 'Lopes mounted a seven play, 66 yard scoring drive, with Barboza getting the final seven yards and Sanchez running in for the two points.

The final points came in the fourth quarter as the 8th graders went 36 yards in eight plays with Sanchez going in from two yards out.

The team hosts Brownfield tomorrow afternoon.

## Cooper Edges 7th Graders

The Post 7th grade football returned from Cooper last Thursday evening behind an 18-12 loss.

The winning touchdown came in the final quarter.

The Post team scored in the first quarter on a Radley Nichols six yard run following a 33 yard dash by Lemuel McDonald and a 25 yard pass and run from Jim Riley Simpson to Lane Jones.

In the third quarter McDonald went in from seven yards out, a drive that was set up by strong running by Adrian Castillo and Tim Bell.

"Our defense played well in holding Cooper to 105 yards," coach Chili Black reports.

"Tim Bell had one interception and Nichols had a quarterback sack, McDonald and Reyna had good games at end and linebacker," the coach adds.

The team hosts Brownfield tomorrow afternoon.

## Cooper Upends PHS Freshmen

"Offensively we had our most productive game," Post freshmen football coach Bart McMeans says about last Thursday's meeting with Cooper, "but we shot ourselves in the foot several times that killed a couple of our drives."

"We played well, we just could not get the ball over the goal line," he adds.

The freshmen scored their lone touchdown following a fumble recovery by Edal Sanchez. The drive went 26 yards with a play action pass from Jay Mitchell to Tommy Ammons for 22 yards, Shane Horton going off tackle for three and a blast up the middle for the final yard by Hiram Gutierrez.

The Post freshmen collected 200 yards of offense.

The team travels to Brownfield tomorrow.

## 'Lopes Open District with 14-14 Tie

by Rodney Marshall  
Call it what you want, the Antelopes "kissing their sister" or what, but the fact remains that the Cooper Pirates came back from a 14-0 deficit to tie the Post Antelopes in the game played Friday night, September 23.

Jamie Perez and Floyd Slay were the starting backs for the Antelopes and did a marvelous job of toting the football behind the offensive line.

But when it really counted the Antelopes could not move the ball against the rejuvenated Pirate defense.

**First Half**  
Cooper kicked off to the Antelopes to start the game.

Victor Chapa received the kick off and returned the ball to the Post 24 yard line.

Two runs by Perez and a run by quarterback Rance Sappington only brought the ball to the Post 29 setting up a Bill Rankin punt.

Stephen Starch received the kick for the Pirates at the Cooper 35 and returned it to the 48.

On the first down for the Pirates Tyge Payne knocked down a Starch pass but two runs by Jimmy Martinez moved the ball to the Post 40 for a first down.

Another run by Martinez moved out to be another first down at the 28 yard line of Post.

Three more plays by the Pirates took the ball to the Post 19 leaving fourth down and six inches.

A quarterback sneak by Trace Bailey covered the needed yardage for the first down.

But the next three plays for the Pirates resulted to no yardage because of the stiff Antelope defense.

Cooper tried a field goal but was wide right as the Antelopes took control of the ball at the Post 20.

With the next five plays the Antelopes had four first downs at the Cooper 48 yard line.

An incomplete pass by Sappington and runs by Stephen Tidwell and Floyd Slay took the ball to the Cooper 40 yard line setting up fourth down and two yards to go.

Sappington handed off to Perez slanting off to the right side of the line, driving the ball down to the Cooper 26 for the first down.

A delay of game penalty set the ball back to the 31.

Two runs by Perez made it first down at the 14.

Slay got the call up the middle on the next play gaining nine yards to the 5 before the quarter ended.

The first play of the second period saw Slay spinning off a tackle at the four and slipping into the end zone for an apparent touchdown.

But the referees saw clipping wiping out the touchdown moving the ball back to the 14.

Four plays later Perez too the ball over for the real touchdown at 10:24 in the second quarter.

Matt Pennell kicked the PAT to make the score 7-0 Antelopes.

Pennell kicked off to the Pirates who returned the ball to the Cooper 38.

The Antelope defense only allowed seven yards in the next three plays making the Pirates kick from their own 35.

The Antelope offense took over control of the ball at the Post 32 driving the ball steadily down the field.

The offense seemed to have little trouble behind the blocking of the front line of the Antelopes and the running of Perez, Slay and Lannie Lee.

Three first downs in seven plays saw the Antelopes at the Cooper 34 yard line.

Runs by Lee, Slay, Perez, and Sappington put the ball 26 despite an illegal procedure penalty leaving fourth down and two yards with 3:12 left in the half.

Sappington calmly carried the ball to the 10 for an apparent first down but Post was called for holding, putting the ball back to the Cooper 29.

In an important down Sappington handed off to Perez slanting off the right side between linemen Richard Hudman, Matt Pennell and Bill Rankin, taking the ball down to the 19 yard line for the first down.

Three plays later saw the ball at the seven yard line with a first down but time running out, only :26 on the clock and no time out left.

Two runs by Perez had the ball at the three yard line but Sappington saw the clock running down, got the offense set, snapped the ball and threw it out of bounds.

A penalty was given to the Antelopes but it looked like they would have one last chance to score before half time.

The ball was down, the offense came up to the ball ready to run but the referees blew the whistle, picking up the ball and ruling it half time.

Head coach Dewayne Osborne and coach Layne Tannehill were obviously upset discussing the situation with the officials going into the locker room but to no change.

After the officials came out for the start of the second half I asked about the ruling. I was told "with less than 25 seconds in the second or fourth quarters the offending team has the option to start the clock (with :01) on ready or the snap. Cooper elected to start on ready with no time for the offense to run the play."

**Second Half**  
The Antelopes came out in the second half ready to play.

Pennell kicked off to the Pirates who returned the ball to the Cooper 26.

Jimmy Martinez gained two yards for the Pirates before Bailey went back to pass.

Bailey's pass was tipped at the line of scrimmage and a hustling Victor Chapa made a diving interception at the Cooper 35.

With that the Antelope offense took the field.

On first down Sappington faked a hand off to Perez, drifted back two steps and fired a strike to Bill Rankin who had

gotten behind the Pirate defenders. Rankin hauled the pass in at the Cooper 10, was hit at the five and dove into the end zone for the Antelope touchdown.

Pennell kicked the PAT making the score 14-0 in favor of the Antelopes with 11:07 left in the third quarter.

With the time being right for the Antelope defense to come on strong and put the stopper to the Pirates and knock the wind out of them, the opposite occurred.

The Antelope defense came out but a fired up Pirate offense came out also.

Behind the hard running of Jimmy Martinez the Pirates moved promptly down the field with Martinez scoring from one yard out.

The PAT kick was no good but at a time when the wind should have been knocked out of the Pirates, new life was given with the Pirates on the score board, 14-6, with 7:20 in the third quarter.

Post returned the Pirate kick off to the Post 30 but a clipping penalty put the ball back to the eight.

Three plays saw the ball at the Post 12 setting up a Rankin punt.

Cooper set up offense at their own 35. Moving the ball at will against the Antelope defense the Pirates took only nine plays to score when Bailey threw a pass to Todd Pitts, who had gotten behind Perez, for the touchdown.

The Pirates lined up for the two point conversion which was good when Bailey hit Cody Hatley with the extra point pass to tie the game at 14.

In that last series the Antelope fans hearts were stopped when Jimmy Holleman was carried off the field on a stretcher.

The Pirates kicked off to Post who found themselves deep in their own territory when the quarter ended.

Starting the fourth period the Antelopes had third down at their own 11 yard line.

Sappington's pass to Rankin was no good setting up Rankin's punt from the end zone.

Rankin got off a beautiful kick putting the Pirates at their own 35 yard line.

Two plays later saw the Pirates with a first down at the Post 44.

The Antelope defense played tough allowing only two yards the next two plays setting up a third and eight.

Bailey threw a pass intended for Martinez but Jamie Perez stepped in front for an easy interception, but the ball bounced out of his hands.

The Pirates still had to punt giving the ball to the Antelopes at their 21 yard line.

Perez earned 11 yards for a first down and then Chapa showed some tough running for another first.

The Antelopes were now at the Post 46 yard line threatening to score again.

Three plays saw the Antelopes at the Cooper 45 with fourth down and one yard to go.

With the way the offense was moving it seemed little trouble to get one yard but it was not to be.

Chapa got the ball up the middle but the Pirate defense stopped him six inches

JAMIE PEREZ rips off another long gainer during action at Cooper last Friday for the Post Antelopes as Richard Hudman (61) and Tyge Payne (66) provide the blocking. Quarterback Rance Sappington (14) follows the action after the hand-off to Perez. (Photo by Rodney Marshall)

short of the first down, ball going over to the Pirates.

The Antelope defense rose to the call holding the Pirates in three downs forcing them to punt.

The kick was in the end zone setting the Antelopes up at their own 20 with 6:05 in the game.

Lee lost a yard on first down but Slay busted through the middle to the Post 45 for a first down.

An incomplete Sappington pass and two runs by Lee saw the ball at the 50 and Rankin was called on the punt the ball.

Rankin's punt landed dead at the Cooper 24 yard line with 3:46 left in the game.

At this point the officials called the two head coaches to the middle of the field for a meeting. During this time the Post fans let the Antelopes know they were behind them with the thunderous chanting "Bold Gold".

When play was resumed the Pirates ran two plays for eight yards setting up a third and two at the 32.

But the defense held their ground and Lee Wayne Greathouse busted through the line to stop Martinez with a one yard loss setting up a Pirate punt.

The Antelopes set up offense at their own 37 yard line with 1:47 left.

Two runs by Sappington and a carry by Slay saw the Antelopes with a first down at the Post 47 with :57 left in the game.

On first down Sappington threw a pass that was intercepted by Chris Beene for Cooper who returned the ball to the Post 44.

But two flags were on the play, one being pass interference against the Pirates,

giving the ball back to us, and the other a personal foul on Post in the resulting tackle.

When it was all over with Post had the ball at their own 47 with :21 left on the clock.

Four more plays saw very little yardage

for the Antelopes resulting in a 14-14 tie and no time left on the clock.

The Antelopes will be at home this Friday night, September 30, as they take on the Brownfield Cubs at Antelope Stadium.

The contest is set for a 7:30 p.m. kick off.
