Wow! Founders Day Was Great!

by Lonnie Welborn

There is a deep-seated fear shared by a lot of people, I understand, that they'll give a big party and no one will show up. They'll plan and work and get all dressed up; then sit and wait and wait - and nobody will come.

Well, this didn't happen in Post this past weekend when the city celebrated what is rapidly becoming one of the biggest annual attractions in the area - the Founder's Day Celebration.

The people of Post did plan and work - and they did get all dressed up. But they didn't sit and wait for people to come. They got out and worked to bring people in and they worked right up to, and during, the celebration to make sure the event was a success.

And it was a big success, as evidenced by the 1,500 to 2,000 people who were in town Saturday for the biggest day of the Celebration - which featured events staged over several days prior to Saturday's early-morning to late-night schedule of events.

The Double U Hereford Ranch Production Sale, this year on Wednesday, October 12, is usually considered the kick-off for Founder's Day and this year's sale at the Post Ranch Headquarters on West 13th Street was well attended.

After an 11:30 a.m. lunch, the sale began at 12:30 p.m. and included 46 registered two-year old Hereford bulls, 60 pregnant Hereford three-year old heifers and 70 Hereford X grey Brahman F1 heifers.

Gym Roof Repairs Approved, Track Next

by Rodney Marshall

The Post ISD Board of Trustees heard from school architect Bill Stracener concerning the high school gym, track and roofing needs for the school buildings at their regular meeting Tuesday, October 11.

"The high school gym is now ready," commented Stracener.

The gym had been worked on since the beginning of school to take care of some support problems as well as some re-roofing.

The completion is just in time for the Lady Lopes basketball team to begin workout which was to start last Monday.

Concerning the track problem, the board at awarded a bid to re-surface the track but problems with the contract and the company getting around to it kept creeping up.

Stracener, with the consent of the board, will notify the bidder after Friday, October 14, if the contractor is non-performing.

He would then go to the next lowest bid and award the contract.

As was reported in the last meeting, the roofing bids all went to New Shield Roofing of Post, as they were the low bidders.

In other business the trustees recorded in the minutes concerning delinquent tax collections:

Attending the sale were representatives of the Post-Montgomery Estate and Dina Merrill, C.W. Post's actress grand-daughter.

Merrill also visited the Garza Theatre, while in Post, to discuss the local theatre scene with Will McCrary, and visited the Algerita Art Center for a Wednesday morning showing of Vicki Diggs' art exhibit for the out-of-town visitors.

The art exhibit, featuring a one-man show of the work of talented local artist Vicki Diggs, drew praise for both Diggs and the Post Art Guild, and large crowds for the Thursday night reception and the show, which continued through Sunday afternoon.

Saturday's schedule of events began very early when a large group of volunteers descended on downtown Post to blow up and hang balloons, hang streamers and put up posters to welcome visitors to Post and the downtown area.

Visitors began to arrive very early for the start of the day's activities, and for the Post Century Plus which began at 8:30 a.m. Sponsored by the Lubbock Bicycle Club, the Century Plus featured fully supported bicycle rides of 102 miles, 70 miles, 50 miles and 25 miles.

Eighty-five riders entered the race and finished with only one mishap, which occurred when one of the riders came down the Fluvanna Cap off his bicycle. He was, however, treated for his injuries and was reported doing well.

The first rider in, incidentally, in the 102 mile ride was a 49 year

old man who finished in five hours.

One of the most popular features of Founder's Day was the Saturday morning Sunrise Chuckwagon Breakfast at the Spining Ranch, attended by over 300 people. An extra-added attraction at the breakfast was the thrill of seeing nine hot-air balloons, from the Lubbock Hot-Air Balloon Association, rising in the early-morning sky. And even those who didn't attend the breakfast were able to stand outside and enjoy the balloons from their homes.

Following the breakfast, the trail drive began and 350 head of cattle were driven by volunteer cowboys and honorary trail drivers into Post to the Santa Fe Depot area where they were sold and loaded.

At 10 a.m. the Harvest Queen Contest got underway with 14 lovely young ladies from Post vying for the honor. Rene Craig was chosen this year's Harvest Queen, with Robin Dean, first runner-up, and Amber Crenshaw, second runner-up. (Continued on Page 12)

HARVEST QUEEN - Rene Craig (middle) was crowned as 1988 Harvest Queen during County Fair and Founders Day activities Saturday morning. Robin Dean (right) was named first runner-up and Amber Crenshaw as second runner-up.

Will McCrary (left to right), Tommy Loving and James Burnett rehearse a scene from "The Sunshine Boys", which will open at the Garza Theatre Thursday, October 27 and continues through Sunday October 30. Ticket sales for the performances have been brisk. Reservations may be obtained by calling the box office at 495-4005 Monday through Saturday from 10 a.m. to 4 p.m.

GMH Board Approves Staff

The Garza Memorial Hospital Board of Directors met in regular session Tuesday, October 11, to re-appoint the Medical Staff.

Re-appointed were:

Active:
Ricardo M. Rodriguez, M.D.
William C. Wilson, M.D.

Courtesy:
Harry A. Tubbs, M.D.
Emesto Mardia, M.D.

Consulting:
Karl T. Dockray, M.D. - Radiology
Alberto Gerds, M.D. - Pathology.

In other business the directors agreed to purchase a flexible sigmoidoscope at a cost of \$4,045.

The equipment was requested by the medical staff and includes a one year warranty with a personal guarantee of a back up in case of an emergency.

Applications from Gloria Hart and Candida B. Rodriguez for \$200 each for tuition for Emergency Medical Training classes was also approved.

The directors passed a resolution authorizing Maritta Reed, Garza Memorial Hospital Administrator, to contract with the Texas Department of Human Resources.

It was noted that this was a requirement if they wanted to give provider care through Home Health services.

The budget for the Home Health services was approved for the fiscal year before the board adjourned.

Present at the meeting were directors Jack Alexander, David Tyler, Ronny Ammons, David Nichols, Zoe Kirkpatrick along with administrator Reed.

County Fair Results

The Garza County Fair committee has extended special thanks to all the volunteers who worked in preparation and during this year's fair, which was held last Saturday in conjunction with Founders Day.

The committee especially thanked Danish Imports for its donation of the brass tray to the high point adult winner and to PHS athletic director Dwayne Osborne for his cooperation and support with football players who served as

escorts during the Harvest Queen competition.

High point winners were Faye Payton, adult; Angela Graves, senior youth and Lorrye Ledbetter, junior youth.

Rene Craig, sponsored by Garza Abstract Co., was named Harvest Queen; Robin Dean, sponsored by the First National Bank, was first runner-up and Amber Crenshaw, sponsored by La Posta, was second runner-up.

Two Houses Victimized by Burglars

Two residential burglaries in the county and a school lunchroom break-in in Post kept the Garza County Sheriff's Department busy over the weekend.

The burglaries occurred when the county homes of Jimmy Holleman and Natha Henderson were broken into on Friday and Saturday nights. Television sets, VCRs, microwaves and similar items were taken from the residences when the burglars gained entry by breaking a window in one of the homes.

The lunchroom break-in netted the thieves \$98.36 in cash and currency and a small amount of snack food.

Deputy Billy Timms advises all residents of Post and Garza County that this is the time of year when burglaries do increase, because of Christmas shopping and presents and weekend football games.

If you are going to be out of town, notify the sheriff's department and they will keep an eye on your house for the time you're gone.

In a much earlier happening, the Sheriff's Department also investigated and made an arrest in an unusual accident which occurred on Saturday morning, October 8 at 2:35.

A Brickland automobile, driven by Martin Craig Fleece, 28, of Fort Worth, was southbound on the curve of the Lubbock Highway just entering Post on North Broadway, traveling at a speed in excess of 100 mph.

When he attempted to make the curve, he lost control of the automobile; left the highway; hit a utility pole, cutting it in half; hit a dumpster, causing it to hit another vehicle; crashed into a house; and then skidded into another vehicle.

Both the home and automobile of Felipe Romero of N. Broadway were damaged in the accident.

The subject was taken into custody at the scene of the accident and DWI charges are now pending.

Investigating officers Sam Butler and Leon Saddler were assisted by the Garza Volunteer Fire Department.

Fall Festival

Xi Delta Rho Sorority will hold its annual Fall Festival, Halloween night, Monday, October 31 from 6 p.m. to 9 p.m. in the 4-H Barn.

For booth information call Karen Palmer at 495-2023 or Maggie Bohn at 495-2124.

Post Cares

Post Cares new hours, now in effect, are 1 p.m. to 3 p.m. Monday through Friday.

Located at 222 E. 8th, Post Cares would appreciate donations of canned goods and clothing of all types.

United Way Residential Campaign

The 1989 Garza County United Way residential campaign will be held tomorrow from 3 to 7 p.m.

Volunteers will canvass neighborhoods under the direction of residential campaign chairmen Lu Anne Terry and Maude Cade.

"When our volunteers knock on your door, please give what you can to help this year's campaign," Garza County United Way chairman Carol Peppers requests.

The residential campaign signals the opening of the 1989 local United Way drive.

The goal this year is \$14,000, which will be distributed to 11 agencies.

The participating United Way agencies are the Red Cross, Girl Scouts, Boy Scouts, Senior and Little League Baseball, Garza United Way, Salvation Army, Garza County Mental Health, Garza County Child Welfare, Post Satellite School and the Post Jr Girls Basketball program.

If you would like to mail in your contribution later instead of donating in the residential drive, you can mail them to P.O. Box 10, Post or 215 W. 10th, Post, or drop them off at the First National Bank with Margie Pennell.

Southwestern Public Service contract maintenance crews were busy at work last week replacing underground wiring in the downtown area. Although the work created minor inconveniences, the newly protected wiring will ensure uninterrupted service.

Another Reason Why YOU SHOULD BE A CHRISTIAN
CHRISTIAN LIVING IS THE BEST INVESTMENT YOU CAN MAKE
 ★ Matt. 6:20 "But lay up for yourself treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through and steal."
 Many people invest their time and money and lose both in poor investments. The only sure investment with high returns and no risk is in Christian living. Living the way Jesus taught brings big dividends of happiness, love, health and prosperity during a lifetime and ends with a perpetual retirement in heaven so wonderful that it exceeds the imagination of man. May God reward you richly.

Have You Had Enough of Big Government?

Then you need to know about former Congressman Ron Paul, the Libertarian Party's candidate for President. Ron Paul's message of liberty is the same one that inspired the Founding Fathers to fight for our independence, that galvanized mass movements in the 19th century for hard money and personal liberty, and that mobilized millions in the 20th century. In the tradition of the Founding Fathers, Ron Paul will:

Balance the Budget by Cutting Government Spending.
 Democrats and Republicans are all for balancing the budget when the other party is in power. But not when they can direct the cash to their interest groups. Only Ron Paul will balance the budget by eliminating \$500 billion in corporate welfare, social welfare and foreign military welfare. Big banks, corporations, and foreign countries should stand on their own feet. Not on the taxpayer's back. And churches and other private charities should be freed to care for the needy in a humane, non-governmental manner.

Abolish the Income Tax and the IRS.
 The latest tax reform, contrary to government disinformation, has brought us more complexity, more anxiety and more taxes. 10,000 ravening, machine-gun-toting IRS agents oppress the people and eat out their substance. They have the license to confiscate your wealth, seize your bank accounts, and force you to incriminate yourself without due process of law. The income tax extracts about 40% of the government's revenues, at the cost of our liberty. If we cut the budget 40%, we would be able to abolish the IRS. Ron Paul considers that a good first step towards responsible, Constitutional government.

Establish a Pro-American Foreign Policy.
 The job of the U.S. government is to defend the people, property, and liberty of the United States. Period. It is not to run the world. It is not to fund wealthy clients like Germany and Japan. It is not to install and overthrow dictators in Central America. It is not to intervene on the side of totalitarian socialist Iraq and Big Oil in the Persian Gulf. Ron Paul would enforce the Constitutional foreign policy of Washington and Jefferson: peace and commerce with all who want them, no entangling alliances, no foreign meddling, and a strong defense for our shores.

Restore the Gold Standard and Abolish the Fed.
 When the bankers and the politicians took control of the people's dollar, and established the Federal Reserve and abolished the gold standard, they set the stage for tremendous profits for themselves and untold suffering for the rest of us. Since the Fed was created, in 1913, the dollar has lost 96% of its purchasing power. Ron Paul knows that the Founding Fathers were right in rejecting paper money and central banking. He will protect the value of your money by restoring the gold standard and abolishing the Federal Reserve.

Protect Our Civil Liberties.
 Why should politicians be able to tell us how we can behave on our own property, or what we can consume? In the 1920s, the unbelievable violation of our liberties called Prohibition strengthened public and private criminals at the people's expense. The same is true of the "War on Drugs." Government tells cancer patients what medications they can take, parents how to raise and educate their children, and churches and church schools how to operate. Government spies on American citizens for opposing its unconstitutional policies and invades our financial privacy in the name of "money laundering." It wants to make us all serfs on its plantation. Only Ron Paul puts the people before the government, and upholds our privacy and other civil liberties as absolute rights.

Does a thoughtful American have any other choice?

PHS Listed Near Bottom of Class 3A

Enrollment in area schools for the 1988 school year places Post High School at the bottom of District 3AAA, with 283 students.

The PHS enrollment is comparable to last year, when the complex U.I.L. formula placed Post in the AAA classification.

Although the numbers change every two years, the current low end for class AAA is 300 and the top end 739.

In District 3AAA the highest enrollment goes to Lamesa with 722. (see detail list at end of this story).

Enrollment at the Post elementary school is 560 and the Middle School has 226 in its three grades.

Southland ISD reports a total of 168 students in all grades, also showing little change from last year.

In the Neighborhood

by Lonnie Welborn

"In the Neighborhood" is more than a little short this week - and it's all my fault. I've neglected it. I've neglected it while I've run around having a good time going to rehearsals for "The Sunshine Boys" (opening at the Garza Theatre October 27 and running through October 30, get your tickets now because there are full houses already for the first two performances - that "Sunshine Boys") and going to Founder's Day activities.

Both worthwhile activities, I think, and the Founder's Day activities were worth all the work that went into them.

What a really good time all that was!

Tournament

All you volleyball fans (and players) out there, it's time to get started rounding up your teams for the American Cancer Society's Volleyball Tournament in November.

The only information available right now is that the tournament will be in the Middle School Gym on Thursday, Friday and Saturday, November 17, 18 and 19.

We'll have more on the tournament later, but this will give all the teams who want to enter some advance notice.

PHS Band

The "Pride of Post Bold Gold" marching band will be in Lubbock today for a marching contest at Texas Tech.

We wish them the best of luck in the competition.

Theatre

Will McCrary announces that auditions will be held at the theatre Thursday, October 20 from 6:30 p.m. to 7 p.m. for Jean Kerr's "Mary, Mary" which is at the Garza December 15-18. Men and women are needed both on-stage and off as cast and crew.

Post School Menu

Monday, October 24

Breakfast - bacon, biscuits, gravy, orange.

Lunch - chili dogs, corn, mixed vegetables, sliced peaches, homemade buns, milk.

Tuesday, October 25

Breakfast - malt-o-meal, sausage, oat, orange juice.

Lunch - taco with sauce, lettuce, pinto beans, coconut cake with icing, cornbread, milk.

Wednesday, October 26

Breakfast - assorted cereal, toast, peanut butter, honey, fruit.

Lunch - ham, gravy, green beans, whipped potatoes, applesauce, cheese rolls, milk.

Thursday, October 27

Breakfast - oatmeal, bacon, toast, orange juice.

Lunch - green chili casserole, fried okra, buttered carrots, pears, hot rolls, milk.

Friday, October 28

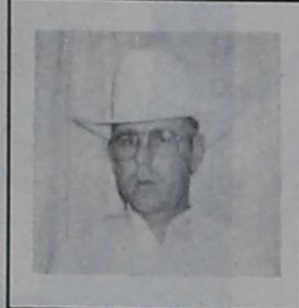

Breakfast - hot cakes, sausage, syrup, fruit.

Lunch - fish, mac and cheese, sweet peas, cabbage slaw, fudge cookies, cornbread, milk.

WHAT ABOUT US?

Japan is doing well.
Under 8 years of Republican rule, countless American jobs have been exported to Japan—and Japan has moved ever closer to controlling our economic future.

FACT: Japan now controls 17 of the world's 25 largest banks. The United States controls just one.

Saudi Arabia is doing well.
After 8 years of Republican rule, America still has no energy policy. The Saudi and other OPEC economies have boomed while the Texas economy has gone bust.

FACT: Texas has lost over 216,000 oil-related jobs in the last five years, while America's oil imports have jumped 20% in the past two years alone.

The international drug cartel is doing just great.
For 8 years the Republicans have talked tough about drugs but time and again have sought to slash funding for the war on drugs.

FACT: Under the Republicans cocaine smuggling has tripled, heroin trafficking increased 50% and the number of drug-related deaths doubled.

TEXAS AND AMERICA DESERVE BETTER

- Democrats helped save millions of American jobs by passing historic trade legislation this year.
- Democrats have adopted a Texas-proposed national energy policy that would significantly increase sales of Texas oil and natural gas and create tens of thousands of Texas jobs.
- Democrats are committed to standing up to drug kingpins like Panamanian strongman Manuel Noriega and to waging a real war on drugs on our streets here at home.

Locke, Greer Exchange Vows September 17

Wedding vows were exchanged by Monica Locke and Marlan Brad Greer on Saturday, September 17, 1988 in a 5:30 p.m. garden ceremony in the Post home of Mr. and Mrs. David Nichols, with Elder George Johnson officiating. The bride is the son of Ferris Locke of Portales, New Mexico and JoAnn Cotten of Shallowater. The groom is the son of Don and Joy Greer of Post. In a garden setting with a large variety of flowers and white bows, the bride, given in marriage by her father, wore a white, tea-length, all lace gown featuring a sweetheart neckline and puffed sleeves. Her bouquet was made of a variety of white silk flowers accented with a touch of teal roses. Attached to the bouquet was a double string of pearls which was used on Joy Greer's wedding bouquet 29 years ago. Deborah Locke of Shallowater, sister of the bride, was maid of honor and Carrie Kindle of Maple, cousin of the bride, was bridesmaid. Casey Greer of Post was flower girl. The attendants wore tea-length, teal colored taffeta dresses. Curt Greer and Mark Greer, of

Post served as their brother's best man and groomsmen. Ushers were Daryl Reece and Chris Locke. Instrumental music, including "There is Love," was played at the ceremony. Members of the house party at the reception, held at the Nichols home, were Crystal Greer, Metta Tyler and Laura Taylor. The rehearsal dinner was held

in the home of Don and Joy Greer. The bride is a 1987 graduate of Three Way High School and attended South Plains College. The groom graduated from Post High School and received a B.S. in Wildlife from Texas Tech University. He is employed by U.S. Fish and Wildlife. After a wedding trip to Colorado, the couple will live in Post temporarily.

• **Write-In BILLY TIMMS for Sheriff** •
 Billy Timms is our write-in candidate for Sheriff of Garza County. Don't let the term write-in confuse you. You can still vote a straight ticket, either Democrat or Republican and still write-in Billy Timms' name for Sheriff. Billy carried 40 percent of the vote in the Democratic Primary election and lost the run-off election by only 19 votes. Those of you who did not vote in the run-off election and felt that Billy Timms had won the Sheriff's race, we encourage each and everyone of you to go to the polls on November 8, and write-in Billy Timms as your Sheriff. Let's join together as citizens of Garza County and elect a Sheriff who has the qualifications to be our Sheriff.

WRITE-IN BILLY TIMMS FOR SHERIFF.

TEXAS Billy is born and bred to Texas values and traditions.
INTEGRITY Billy is fair, honest and impartial in law enforcement.
MATURITY Billy has served this country in the U.S. Army in Vietnam and in Texas law enforcement for 14 years.
METHODICAL Billy has a straight forward, dogged approach to law enforcement.

SHERIFF Billy doesn't represent any political party, Billy represents the people of Garza County.

That Abdominal Pain Or Bulge Under The Skin Could Be A Hernia!

A Hernia can be a serious - even life threatening problem. If you have abdominal pain with activity, notice a bulge under the skin or hurt when you try to lift something - you may have a Hernia. Don't postpone finding out!

The Southwest Center for Hernia Repair features the Shouldice - type Hernia Repair method. This allows for an affordable procedure, with a shorter hospital stay, quicker recovery and even less chance of recurrence. It all means less time away from work. Patients usually return to work within one week and within 4 weeks where heavy lifting is required.

Call today for more information about the Shouldice - type Hernia Repair method at the Southwest Center for Hernia Repair.

Eagles Lose First District Game to New Home 74-26

by Rodney Marshall
The Southland Eagles lost their first district game at New Home, 74-26, in a game played Friday night, October 14. Most of the Eagles' offense was propelled by the arm of D'Angelo Valderaz throwing the ball to Mike Langley. The Eagle offense passed for 254 yards with Langley accumulating 149 of those. The Eagles started the game out fast by scoring first on a pass connection from Valderaz to Jimmy Moreno. But the extra point was blocked and New Home ran the blocked kick back across their goal line for the two points making the score 6-2 in favor of the Eagles. But that was all Southland could muster in the first quarter while New Home put 14 more points on the board for a 16-6 first quarter lead. In fact, the Eagles scored one touchdown in each quarter but New Home scored more for the win. Southland's second score was a two yard pass from Valderaz to Langley. The third score for the Eagles was an-

other hook up between Valderaz and Langley for 18 yards and a TD. Jimmy Moreno kicked the extra point. The last score for Southland was a razzle-dazzle play when Valderaz handed off to David Martinez who handed back to Valderaz running around end for an 18 yard touchdown. "We were just out manned and out muscled," stated coach Dan Anders. "The big plays killed us," continued Anders recalling that all of New Home's touchdowns were 40, 50 and 60 yard runs or pass plays. The next opponent for the Eagles will be the Whitharrel Panthers. Whitharrel will bring in a strong passing game which hurt the Eagles in the New Home contest. The game will begin at 7:30 p.m. in Southland. At last week's pep rally the "Player of the Week" award went to the five players that finished the Three Way game. The players were Mike Langley, Kelly Edwards, David Martinez, James Parker and Fred Mendez.

Roosevelt Expected to Play Tough Against 'Lopes Friday

"They are very big, maybe the biggest linemen we've faced this year," Post Antelope football coach Dewayne Osborne comments about the Roosevelt Eagles who arrive here Friday for the Bold Gold homecoming contest. The Eagles have had a tough year, coming to Post winless in seven tries. "All that means is that they will probably play their best game of the year against us," Osborne adds. The Eagles opened the season with a 26-0 loss to Dimmitt, followed by 14-0 to Floydada, 46-22 to Abernathy, 35-0 to Seminole, 27-0 to Slaton, 51-6 to Denver City and last week were trounced by Lamesa 58-12. The Antelopes will take the field without the services of fullback Floyd Slay who broke his hand during action last Friday night and will not return to action this year. "I thought our defense played very well last week," Osborne comments, "with the exception of four big plays." "We will have to be consistent to win and we can't take Roosevelt too lightly, we have to play more consistently on offense," the coach emphasizes. The Eagle offensive line averages 211 pounds, anchored by 245 pound junior guard Mickey Elmore and 230 pound junior tackle Buddy Meadows. Sophomore Mike McClure leads the team at quarterback, with 140 pound senior fullback Jesse Martinez and 150 pound senior tailback Johnny Valderaz taking on the running chores.

GENERO MARTINEZ (31) rips through a hole for another 8th grade first down during the contest here last Thursday.

Post J.V. Drop 34-8 at D.C.

"We gave up 21 first quarter points and another seven in the second quarter," coach Fred Postell comments about last Thursday's 34-8 Junior Varsity loss at Denver City. "An interception was returned on our third play for a touchdown," he added. "Our youngsters played hard in the second half," the coach reported. Benji Vargas was sidelined with a knee injury during the contest. The junior varsity collected 273 yards, compared to Denver City's 231. The Post touchdown drive was an eight play, 77 yard drive with Jacob Bustoz getting 61 of the 77 yards. Jr Gonzales got 16, Bustoz had a 41 yard run and he carried the ball in the final four yards for the score. Matt McCook tossed a pass to Robbie Blair for the two point conversion. The Junior Varsity travel to Roosevelt tomorrow.

8th Graders Lose 28-8 to Denver City

"The yardage was almost even, but we did not play well when we had to," Post eighth grade football coach Darrell Radle comments about last Thursday's 28-8 loss to Denver City here. "We had several fumbles, with two of them on our end of the field which led to Denver City touchdowns," the coach adds. Highlights defensively included Mike Brisen's recovery of a Mustang fumble and a quarterback sack, as well as Marty Edwards' on another quarterback sack. The lone Post touchdown came on a 75 yard drive in four plays with Damon Curtis going the final 20 yards and Willie Barbosa getting the two point conversion. "Genero Martinez played well at fullback," Radle comments, "he had 54 yards on four carries. Curtis got 46 yards and one touchdown on three tries and Barbosa was credited with 97 yards on 12 carries and the two-point." The team hosts Roosevelt tomorrow afternoon with a 5 p.m. kickoff.

LEE WAYNE GREATHOUSE (74) crashes into Denver City quarterback Chad Sefcik during second half action here last Friday night.

BASKETBALL SEASON UNDERWAY - Angela Graves, a returning senior for the Lady Lopes basketball team, goes up to block a shot in Monday's first day of practice. 22 sophomores, juniors and seniors suited up the first day along with 15 freshmen. The Lopes will scrimmage in Idalou Tuesday November 1 and Borden County here on November 8. All three teams will be playing beginning around 5 p.m.

Southland Jr High Wins 41-18

The Southland Junior High football team beat New Home 41-18 in a game played last Thursday. Joel Basinger scored five touchdowns, four from runs starting at the line of scrimmage and another on a 55 yard kick off return. J.C. Conner scored on a reverse play while Scott Wheeler received his first start at quarterback completing eight passes and being on the receiving end of one from Conner for a touchdown. "We got to play a lot of the younger players," commented coach Steve Osborn. Osborn commented on sixth grader Justin Via, making his first start at center and doing a great job. The Southland Junior High will travel to Whitharrel Thursday for a 5 p.m. contest.

Post Notes

by Wes Burnett
Last Friday afternoon I went to Texas Tech University to hear another presidential candidate speak on the issues. You probably didn't know about the speech, because the Lubbock media gave no advance notice and I wouldn't have known had it not been for my son James bringing me a copy of the University Daily which had an it'sy bitsy notice on page inside something or other. The main message I got from this presidential candidate was his dedication to constitutional government. I am talking, of course, about former Congressman Ron Paul, who is the Libertarian Party candidate. "I left the Republican Party because I came to realize that there is little belief in the constitution and the limits of government," Paul said, "and even with the most conservative president elected in our time, the government is bigger and spends more than at any time in our history." "They pay lip service to cutting the budget, but in reality we have become the largest debtor nation in the world since Ronald Reagan took office," he added. Paul pointed out that a majority of American citizens eligible to vote will not cast a vote in this election. "They simply have lost faith in the system and by their not voting are sending a clear message that neither of the other two political parties are worth the effort," Paul emphasized. Interestingly, he pointed out, that before the presidential debate last week, 37 percent of the electorate polled were undecided, after the debate the polls show that 47 percent are undecided. "That has to say something about what is happening," Paul said. "Libertarians believe we need to do something else, and our concept is very American and very constitutional, although not conventional today," he added. Paul said that Libertarians believe the government should protect the liberty of the people, it should be precise and limited. "You should have the right to liberty and to keep what you earn," he said. "You have no right to demand from the government what you need, what we have now is a dictatorship of the minority," the presidential candidate continued. He pointed out that American taxpayers are subsidizing the Soviet Union and that both Republicans and Democrats have fostered the notion that the government should be used to bring about social and economic changes. "We want to change this," he said. "The poor are led to believe that the government is helping them, when in fact the real welfare recipients are the wealthy, big banks and those in poverty are relinquished to more and deeper poverty," Paul said. "The tragedy today is that our government is being used to advance socialism...but there is a crack developing, and we are on the verge of making a major decision as to what role government will play in our future," he added.

"It makes no difference whether a Republican or Democrat is elected, we will have more and more of the same, and the system is coming unglued with their failed social and economic policies," Paul said. For 10 years Paul was a member of the Republican party, serving in congress from the Houston area. "I believed Reagan when he said he would balance the budget, now we have more of a deficit than in all of our nation's history combined," he pointed out. Paul reminded the audience that Reagan has signed five tax increases in his presidency. "Our economic system is in danger of collapsing, the wealth has been consumed, there is no money in social security, and your contribution has doubled and you can expect it to double or triple or more in the next few years," Paul emphasized. "The only way the government can hope to pay the debt under current conditions is to print more paper money," he added. Six years ago the United States was a creditor nation, now we are \$600 billion in debt, and are the largest debtor nation in the world. Paul said the economic system of the past 30-50 years is dying. "We reject welfarism, and we realize that our constitutional argument is not being heard. But there is no other choice, there is not enough prosperity to pay for the government debt," he said. "Actually, we are going broke. "And we haven't heard the last of the market crash," Paul warned the audience. He said that Libertarians pledge not to use force against a person or allow the government to interfere, as long as another person is not being harmed. "We believe in the free market enterprise, using contracts and living up to promises," he added. "We believe the income tax is unconstitutional and unnecessary as well as harmful, without the income tax there will be more incentive to work...actually, the income tax is a form of involuntary servitude," Paul said. Americans spend 5.3 billion hours filling out forms for the IRS, then give those forms to the government to use against us, it is simply unconstitutional. "If the IRS doesn't believe the figures you give them, then they have the power to take your possessions without warning, and you are guilty until you prove yourself innocent," the former congressman said. "Our founding fathers would be aghast at what we put up with," he added. It was the very taxation and suffocating government interference which our ancestors rebelled against. Paul pointed out that the rebellion is already in high gear, with one-third of all money exchanged in the United States underground and unreported. "You know, in 1792 it was a capital offense to debasing the currency," Paul said, "yet now we have allowed the government to completely take away our money's value." Libertarians would abolish the Federal Reserve system and return to a gold or silver standard for monetary value. "The government should be out of the business of telling you how to live," Paul said.

"We believe in a strong defense, but not the kind that has needlessly killed our youth in Vietnam or Beirut. "Our government makes big noises about communism in Central America, but has cut a deal with the Soviet Union to allow Castro to continue unchecked. "Our foreign policy under Republicans and Democrats has been run by big money and secretly by the CIA. "Libertarians believe in the foreign policies of such famous Americans as Washington, Jefferson and Robert Taft. "We spend billions protecting Europe and Japan, while they take our money and out compete us on world markets...does this make sense? "The rich are getting richer, the poor are getting poorer and there are more of them, and middle class is shrinking," Paul continued. "Is it any wonder the economic system is in such a mess? I was impressed with Paul's speech, his delivery, his straight-forward approach and his honesty. He admitted under questioning that he personally does not support the party's stand on abortion, saying that as a doctor he has seen abortion and "living beings flushed down the toilet." But, no political party can totally represent the ideas of all its members, and Paul made a convincing argument for the Libertarian party and its constitutional stand. Boiled down, I'd say Paul is an excellent candidate for the party that emphasizes individual freedom and limited government. Anyway, you have to respect a fellow who will not take government matching funds for his campaign and operates his campaign on a balanced budget. He also wants to abolish the IRS and let the working people keep the money they earn. "Wouldn't that be nice? Paul's campaign aides said that the Public Broadcasting Service has tentatively scheduled a special on the Libertarian party on the October 25 McNeil/Lehrer Newshour, which will be broadcast locally on KTXI TV, Channel 5, at 6 p.m.

Freshmen Slammed by Denver City 45-8

"We had a let down, we just didn't play well, and Denver City is the best team we've played this year," Post freshmen football team coach Bart McMeans says about last Thursday's 45-8 loss here. Hiram Gutierrez returned the kickoff after Denver City's first score for 70 yards and a touchdown and Jay Mitchell threw a pass to Tommy Ammons for the two point conversion. The Post freshmen were limited to 104 yards offense, allowing Denver City 375. They will play Littlefield's freshmen team at Roosevelt tomorrow at 5 p.m. The freshmen close out the season with Seminole next week, and will play with the junior varsity at Slaton for the final game November 3.

Mustangs Overpower Antelopes

by Wes Burnett
Unable to stop Vincent Horton hurt the Post Antelopes last Friday night as the 217 pound Denver City fullback ran over defenders twice to the end zone, giving the Mustangs a 27-12 edge in the District 3AAA contest here.

And when Horton wasn't getting loose to paydirt, he was blasting through the line for two, three and five yard surges as his size was too much for the Antelope defensive line and backs.

It was Kenny Samaniego who scored first for the Mustangs on their first possession following a fourth down punt after the kickoff by the Antelopes.

The eight play drive featured Samaniego, Horton, quarterback Wade Roberts, Luis Urias and Chance McLeroy, with Samaniego blasting through two would-be tacklers for the 16 for the final yards with 7:09 left in the first quarter.

The Antelope offense sputtered, then the defense came to life to hold the Mustangs after 10 plays, with Tyge Payne, Jimmy Holleman, Keith Peel and Richard Hudman getting in the licks. A key defensive play came on third down with Hudman and Payne sacking quarterback Chad Sefcik for a loss at the Denver City 46.

The 'Lopes opportunity was lost on second down, early into the second quarter, when Jamie Perez couldn't hang onto the football and the Mustangs recovered at the Post 34.

Again the Post defensive team stood its ground, forcing a fumble on fourth down at the Post 32.

Another Antelope offensive stab died after a first down to the 45, as quarterback Rance Sappington was sacked twice in a row, back to the 39 and a draw play got nowhere on third down. Bill Rankin punted the ball to the Mustang 44.

Taking nothing away from the Antelope defense, the Mustangs were forced to punt after four downs and the Antelopes got one more offensive try.

Three plays later Rankin dropped back to punt from the Post 40, following a second down fumble out of bounds.

The first defensive miscue then struck the 'Lopes when Urias picked up the loose ball following a soaring Rankin punt.

Urias, just as he was being tackled, handed the ball off to Ed Hernandez, who surprised the 'Lopes kicking team and raced down his left sideline, finally being dragged down at the Post 35 by Rankin, saving a touchdown.

Four plays later Roberts scrambled into the end zone on third down from the six for the second Mustang touchdown.

The drive was sparked by Horton, who blasted over left tackle, breaking through two tacklers to the 11.

With 3:27 left in the first half, the visitors led 14-0.

The next Antelope offensive effort was cut short by a pass interception, when on first down at the Post 39, Sappington's pass was picked off by McLeroy at the 50 and returned to the Post 16.

Neal Gibbs caught the quarterback for a sack at the 19, Lupe Perez forced an incompletd pass, another pass went to the turf and on fourth down from the 19, Roberts faded back as if to punt, but Russell Hulse took the snap on the fake and was trapped by Peel at the 16, saving the 'Lopes from another setback.

With 41 seconds left in the first half, the 'Lopes picked up the momentum but after four plays ran out of time at the 30.

Second Half Action

Antelopes Score Early
The Post defense came out fired up and ready to play in the second half, shutting down Denver City on its first possession with Lee Wayne Greathouse stopping Samaniego on second down at the line of scrimmage and Jamie Perez picking off a Roberts pass at the 30 and returning it for the 'Lopes to the 12.

Perez then got the ball over right guard to the eight, took the handoff over left guard for no gain, then over left tackle to the three and on fourth down Sappington would not be denied as he skirted around left end, his eye on the end zone marker, breaking a tackle at the one and bouncing into the end zone corner for the touchdown.

The point after attempt by Matt Pennell sailed wide left, but the Post fans came to life as they could smell an upset in the air.

Trailing only 14-6, things were looking up for Post.

The 'Lopes defense sagged, but held steady on the Mustangs' next possession, with Rankin, Gibbs, Holleman and Victor Chapa forcing a fourth down. Samaniego suffered a dislocated elbow on third down at the Post 46, and after the Post EMT ambulance crew left the field with the injured player, Roberts punted the ball dead at the Post 26.

Four plays later disaster struck the Post defense following a punt to the Mustang 31 yard line.

On first down Roberts handed the ball to Horton, who had been bottled up through most of the first half, but this time the powerful fullback bounced off the line of scrimmage over left tackle, spun around and raced down the left sideline, pulling away from Lannie Lee's tackle attempt at the Post 20 yard line, hitting paydirt for Mustangs with 3:25 left in the third quarter...with the score reading 20-6. The point-after kick put the visitors out front 21-6.

The Antelope offense didn't roll over and die...they roared back after the ensuing kickoff to get within striking distance.

Bill Rankin fell on the squib kick at the 26, and Sappington opened up an 11 play drive to the end zone.

Lupe Perez picked up a first down on the trap over left guard to the Post 44, then Sappington ran the keeper around left end to the Denver City 44.

Jamie Perez blasted through a tackler over right tackle to the 36 and again over left guard to the 33 for another first down.

Sappington rolled to his left and found Rankin at the other end of the pass at the 20 and on first down Lupe Perez got the call again on the trap, this time for one yard.

Kevin Williams got the call on second down and went over left guard to the 17, Post called time out with 19 seconds on the third quarter clock.

Sappington then rolled to his right and found Jamie Perez on a pass play to the 11. The fourth quarter opened up with Post facing a fourth down, and running behind strong blocking by Hudman, Pennell and center Chad Davis, Jamie Perez got the first down at the eight.

On first down, Sappington rolled to his right looking for a receiver, finding none open, he took off for the right end zone marker and took advantage of great blocking by the right side of the line and running backs out in front.

With 11:33 left in the game, the 'Lopes appeared to have the momentum and lock in the race for a victory, trailing 21-12, as the two point conversion was snuffed.

Urias and Horton took the sweet smell of victory away from the home crowd on the next series, as the Mustangs took charge of the line of scrimmage and pounded the ball from the Post 45 following a squib kick.

A nine play drive, capped by a Sefcik pass to Ryan Simpson put the game away.

A pass from Sefcik to Urias from the 43 to the Post 25 set up the touchdown, followed by a Horton blast over left guard to the nine.

With 7:29 on the clock, Denver City led 27-12 with the extra point going wide.

Another Antelope fumble stopped a comeback as the 'Lopes had picked up a first down at the Post 47 before Jamie Perez lost the ball at the Post 43.

The Post defense held its ground, the offense had two more tries, but could not keep find the key to the end zone.

The team hosts Roosevelt this Friday for Homecoming with a 7:30 p.m. kickoff.

Balloons line West Main Street last Saturday morning, as members of the Lubbock Hot Air Balloon Association got set to lift off. The sight was a main attraction for Founders Day visitors Saturday morning.

Harvest Queen candidates (left to right) were Traci Bush, Tina Brumalow, Tamra Gerner, Wendy Davenport, Angela Graves, Irma Garza, Kim Wulffen, Dianne Ammons, Mary Ann Cooper, Rosalind Curtis, Megan Bush, Melanie Reece, Amber Crenshaw, Robin Dean and Renee Craig.

A newly painted sign on the Post Insurance Building on East Main Street was completed last week. The refurbishing of the west wall of the building was made possible by Post's Main Street Project.

(Continued from Page 1)

Melissa Cunningham certainly deserves a round of applause for her planning, organization and handling of Founder's Day. Lots of people helped, but someone had to spearhead the project and Melissa did a great job.

Representatives from Post Cereal in Lubbock, El Paso, Arizona, Connecticut and California were in attendance at most of the Founder's Day functions and were very generous with their support. In addition to the downtown banners, Post Cereals also provided buttons, posters and bandanas.

But one of the most outstanding things to come out of the Founder's Day Celebration is the college scholarship donated jointly by Post Cereals and Mayor Giles McCrary. This is a \$7,000 yearly scholarship which will be awarded to a PHS student.

To further show their interest in Post, Post Cereals is also donating \$5,000 to the Main Street Landscaping Project.

It is impossible to list all the people who worked on this project; there are so many who donated time and effort and energy.

Kathy Floyd and the Chamber of Commerce, the chairmen and coordinators for the different events all worked very hard, and they had a lot of help from hundreds of other volunteers.

Chairmen and coordinators were: Earl Chapman, cattle drive; Danielle Chapman, publicity; Mike and Wanda Mitchell and Giles and Nelda Dalby, celebration dance; Larry Mills and Margie Pennell, silent auction; Bryan Williams and Tommy Young, bicycle race; and Tana Pysson, raffle.

Coordinators were Don Glidewell/Jackson's Cafe, catering; Charles Hardin, hot-air balloons; Christy Morris,

Algeria Park; Dick Powell, 4th Cavalry Regiment; Will McCrary, melodrama; PAG/CCA, art show; Garza County Museum and Southwest Collection, museum exhibit; Garza County Extension Service, Harvest Festival; and Patty Kirkpatrick, Sammie Pollard and Wilma Yarbro, downtown decorations.

Contributors to the silent auction were Dick Powell, the Frame Shoppe, Stanley McNeely, Mark Kirkpatrick, Glenda Morrow, Ben Miller, Polly Cravy, Linda Bouchier, Herb Walls, Vada and J.D. McCampbell and Benny Jackson.

In addition to the Lubbock Hot-Air Balloon Association, sponsors for the hot-air balloons were Wallace Lumber, Hudman's, Palmer's, Bryan Williams, Southwestern Public Service, the Giles and Nelda Dalby, Handy Hardware, Danish Imports, First National Bank and Giles and Louise McCrary.

It is very easy to overlook someone important in a list this long. If we have, we apologize. It was not intentional and your work and effort were, of course, appreciated.

At the risk of repeating myself, I'll go ahead and say the same thing I said last year, "C.W. would've proud."

The Garza Theatre was the scene of three special performances Saturday afternoon of "Rip Van Garza and the Nine Dwarfs." Justice, Jennie Francis, Neal Francis, Joshua Hubble, Rodney Marshall, Robbie Francis, Jeffrey Redman, (front row, left to right) Nicki McCullough, Becky Hubble, Beverly Francis, Ashley Francis, Jenny Hubble, Macee Mills, Christin Marshall, Melanie Marshall and Jamie Glidewell.

One of the highlights of Founders Day was the trail drive from the Spining Ranch Saturday morning when trail boss Earl Chapman, with help from area cowboys, herded 350 cattle four and one half

miles north on U.S. Hwy 84 to town. Also assisting were Garza County Sheriff's deputies and the Texas Department of Public Safety.

Breakfast at the Spining Ranch Saturday morning was a popular event as hundreds of people waited in line to be served. Don and Michele Glidewell (left) prepared and served the breakfast.

Members of the 4th Cavalry (Memorial) delighted Founders Day visitors with a unique demonstration of riding skills common during the frontier days on the plains.

Dina Merrill (left) paid a special visit to the Garza Theatre when director Will McCrary provided a personal tour and explanation of the theatre. Ms Merrill is the granddaughter of C.W. Post and expressed her personal interest in Post's regional theatre.
