Vote Recount Puts Harper in Front, Timms' Recount Petition Denied

by Lonnie Welborn

Two contested races, the sheriff and Constable Precinct 2 and 4 in the Tuesday, November 8 election - an election with one of the largest voter turnouts in Garza County's history - were the main items on the agenda as the County Commissioners' Court met in regular session Monday, November 14, 1988.

Garza County Deputy Billy Timms, write-in candidate for the position of sheriff, filed a petition for a vote recount with County Clerk Sonny Gossett on Sunday, November 13, 1988, asking for a recount of votes from all precinct voting boxes and of all absentee ballots.

Timms filed the petition "in accordance with State Election Code" and "the request made to me by concerned citizens and registered voters of Garza County."

Timms also made the request on the "grounds of differences of votes being a little over 10 percent difference in tallies."

In a Monday morning meeting with Timms and the remaining two sheriff candidates, Republican Max Chaffin and Democrat Freddy Cockrell, County Judge Giles Dalby, recount coordinator for Garza County, rejected Timms' petition after reviewing section 212.022 of the Texas Election Code (Subchapter B. Initial Recount) specifies that a candidate for

office may obtain an initial recount if "the difference in the number of votes received by him and any candidate for the office who is shown by the election returns to be nominated, elected, or entitled to a place on a runoff ballot or tied for nomination, election, or entitlement to a place on a runoff ballot is less than 10 percent of that candidate's number of votes..."

The sheriff's candidate shown to be elected in the general election, Freddy Cockrell, received 933 votes.

Timms received 820 votes. The difference, 113 votes, is 12 percent, since the difference is more than 10 percent, the petition for recount was rejected.

The authority to reject the petition is spelled out in Section 212.031 (Final action on petition.)

The final count in the county sheriff's race was 415 votes for Max Chaffin; 933 votes for Freddy Cockrell; and 820 votes for Timms.

Both Judge Dalby and Deputy Timms signed the rejection notice.

In the second contested race, Mike Harper, candidate for Constable Precinct 2 and 4, requested a recount and was officially named the winner of the Constable's race on November 12, 1988, over opponents Charles Propst and Bruce Ledbetter.

The final certified vote count,

which the commissioners voted to accept, gave Harper a total of 182 votes; Propst 175 votes; and Ledbetter 120 votes.

In the constable race recount, Propst lost five votes when absentee ballots were recounted and it was discovered that a figure of 43 had been mistakenly read as 48 through an unintentional clerical error.

Three other votes were accounted for when Harper gained one vote in voting box 6 and two votes in voting box 7.

In other action, the commissioners heard from City Manager Bob Turner concerning work done by Parkhill, Smith and Cooper toward work on the City-County Airport.

The initial projected, and expected, bid for airport renovations were estimated at \$100,000 by PSC, but the one bid received totaled \$200,000. This offer was rejected, but PSC's bill for services

rendered totaled \$14,000, which was much more than either the city or county expected.

City Manager Turner reported that the city had discussed the bill among council members and had consulted the city attorney before paying their one-half share of the amount owed.

The county's share of \$7,000 of the engineering firm's fee was discussed and it was decided there was no recourse but to pay the submitted bill and to investigate more closely into costs of work done for the city and county by other companies.

Attending the session were Judge Dalby; Commissioners Tommy Young, Herbert Walls and Ted Aten; Sammy Ellis; John Valdez; Sandy Tomlinson and Syd Conner.

Tomlinson and Conner turned in their monthly reports and reported on recent activities of their department.

Confusion, Heavy Voter Turnout Creates Furor

by Rodney Marshall

Confusion and frustration were contributing causes of the major problem that occurred Tuesday evening, November 2, at the Garza County Courthouse in the County Clerk's office.

The following is an account of events as recalled by County Clerk Sonny Gossett.

When box 8 was brought in the ballots were tallied as usual.

After the tally then the election judge left the office.

Ten minutes after the election judge left Jeanette Ticer, Candace McConnell and Dwainna Wulfjen came into the office complaining to Gossett that there was a discrepancy with box 8 stating that Freddy Cockrell received 28 votes that should have been counted toward Billy Timms.

(Ticer was a poll watcher at box 8).

Soon after Ticer had come into the office, both sheriff candidates in question and other interested people had filled the clerk's office.

Gossett reminded Ticer that the absentee ballots were still out and the election still would hinge on them as to whether a recount would take place.

According to Gossett, a poll watcher is a person that watches a box to notice if there are any discrepancies taking place. If any are noticed then the problem is to be brought to the election judge at the sight.

Gossett said that he immediately called the Secretary of State office who informed him that if there was a discrepancy then the candidate could request a recount, of which he informed Ticer of.

With that Ticer and the group of people with her left the office.

After they left Cockrell asked what all the commotion was about

which Gossett explained to him.

After the explanation Cockrell and his friends left the office.

"After that I don't know exactly what happened because the ruckus that occurred was in the hall way, not in the office," Gossett explained.

He further said, "While the office was filled there was no abusive language and no shouting...everybody left in an orderly fashion."

The problem with the absentee counting was two-fold.

One, Gossett explained that he just did not have them start soon enough.

Second, there were six times as many ballots to count as usual.

We hope this clears up some of the confusion and rumors from that evening that, of course, will be remembered and talked about for some time.

Parents, Friends Meet Friday in Youth Support

by Lonnie Welborn

Concerned parents are urged to attend an organizational meeting Friday, November 18, 1988 at 7 p.m. in the Postex Plant Conference Room for the purpose of forming a positive approach program to help prevent adolescent, teen-age alcohol-drug addiction.

Other concerned parents and friends in the community ask for your support and participation in this program and ask you to give thought to these goals for consideration by the group.

1. To stand united as parents, teens, schools, ministers, youth leaders, counselors, law enforcement, city and county officials, doctors, nurses, merchants and all concerned citizens.

2. Community awareness.

3. Stop the sale of illicit drugs in Garza County.

4. Stop the sale of alcoholic beverages to minors.

5. Parent-Teen support system.

6. Alternative programs for alcohol-drug offenders.

7. Parent-Teen Hotline (Confidential).

8. Mini-seminars to identify signs of drug abuse and provide information on available help for treatment.

9. Volunteer parent-citizen-teen patrol.

10. Support and provide alternative programs for students recreations and entertainment needs.

You are urged to attend this meeting; to add your support and your ideas. These young people need your help - and we in Post need our young people. You can make a difference by attending this meeting and showing your concern.

There will be no issue Wednesday, November 23.

Deadlines for the Wednesday, November 30 issue will be Monday, November 28 at 5 p.m.

Graduation Dates Get ISD Review

by Rodney Marshall

The date for High School graduation is being considered to be changed to Thursday, June 1, by the Post ISD Board of Trustees at their regular meeting Tuesday, November 2.

The date change was requested by Ronald and Nancy Thuett due to a State Music competition which is to be held in Austin.

There was no opposition to the request but further information was wanting to be acquired from the graduating class members.

In other action, the trustees approved an audit conducted by Ken Robison, CPA.

Concerning the track, the trustees approved Southwest Track Builders to build the track for a sum of \$37,600.

Certificates of Deposits of \$3,658,876 were approved to be renewed.

Present at the meeting were trustees Royce Hart, Jack Kirkpatrick, Jerry Hays, Tom Middleton, Dan Hodges and Pru Basquez along with superintendent Bill Shiver.

School Student Struck in Auto Accident

A seven-year old Post school student was injured Thursday, November 10 at approximately 3:30 p.m. when she was struck by a vehicle driven by a 15 year old Post youth.

The accident occurred in the 400 block of W. 6th Street.

According to witnesses, the seven-year and several friends were crossing the street, visiting, and were not watching the traffic.

The 15 year-old youth, who was not traveling fast and was not exceeding the speed limit, was not able to stop in time to avoid hitting the girl.

An ambulance was called to the scene and the girl was transported to Lubbock General Hospital for observation of a head injury.

She was dismissed within two days and is now at home and reported doing well.

No charges were filed in the case which was investigated by Deputy Leon Saddler.

Child Care Center Plans Jan. Opening

A new child care center, "My Special Place," plans to open its doors for youngsters during the first week of January 1989, according to director Cathy Hill.

"We are offering the community a special place for children six weeks to four years old, where Christian care, love and learning can be a part of their lives," Mrs Hill comments.

The non-profit care center is to be operated under the direction of the First Presbyterian Church of Post.

The child care center is located at 206-208 S. Ave E and will be open Monday through Friday.

An open house to the public is tentatively scheduled in December.

"We will be staffed with a qualified teacher and classrooms with an environment to receive and nourish the child where he or she is," Mrs Hill adds.

"Our goal is provide a Christian atmosphere with guided activities, a balanced hot meal each day, regular rest time and limited classes," she continues.

The program is designed to aid children in discovering who they are, progress at their own rate of speed, develop intellectually in their most productive years, using art, music, nature study, geography, science, language and math as part of the learning experience.

Mrs Hill may be reached at 495-3446 for additional information.

Garza County News Briefs

The local band "Night Crew" will be sponsored by the Petersburg Community Center in a dance at the center in Petersburg, Saturday, November 19 for a Thanksgiving Dance from 9 p.m. to 1 a.m. All local friends of the band are invited.

Grassland Event

Lunch and a bake and craft sale at Grassland Community Center will be held Friday, November 18 starting at 11 a.m. Lunch will consist of red beans, corn bread, potato salad, onions, peppers and cobbler for \$3 a plate.

There will also be cakes and pies for sale.

Eye Glasses

The Post Lions Club is collecting old eye glasses to be recycled for use again. Anyone having old glasses, metal or plastic, may drop them off at the Post Library or City Hall.

Volleyball Tournament

The American Cancer Society Volleyball Tournament will be held November 17, 18 and 19, Thursday, Friday and Saturday at the Post Middle School Gym.

Everyone of any age is cordially invited to attend.

Chili Supper

The Rotary Club will have their annual chili supper at Jackson's Cafe on Monday, December 6 from 5 to 7:30 p.m.

Tickets are \$3 each and may be purchased from any Post Rotarian. Proceeds from the supper will be used to finance various local Rotary projects. Boy Scout Troop 316 will hold a bake sale in conjunction with the chili supper.

Bake Sale

The First Baptist Christian School will have a bake sale Saturday, November 19 at United Supermarket. All proceeds will go the First Baptist Church Christian School.

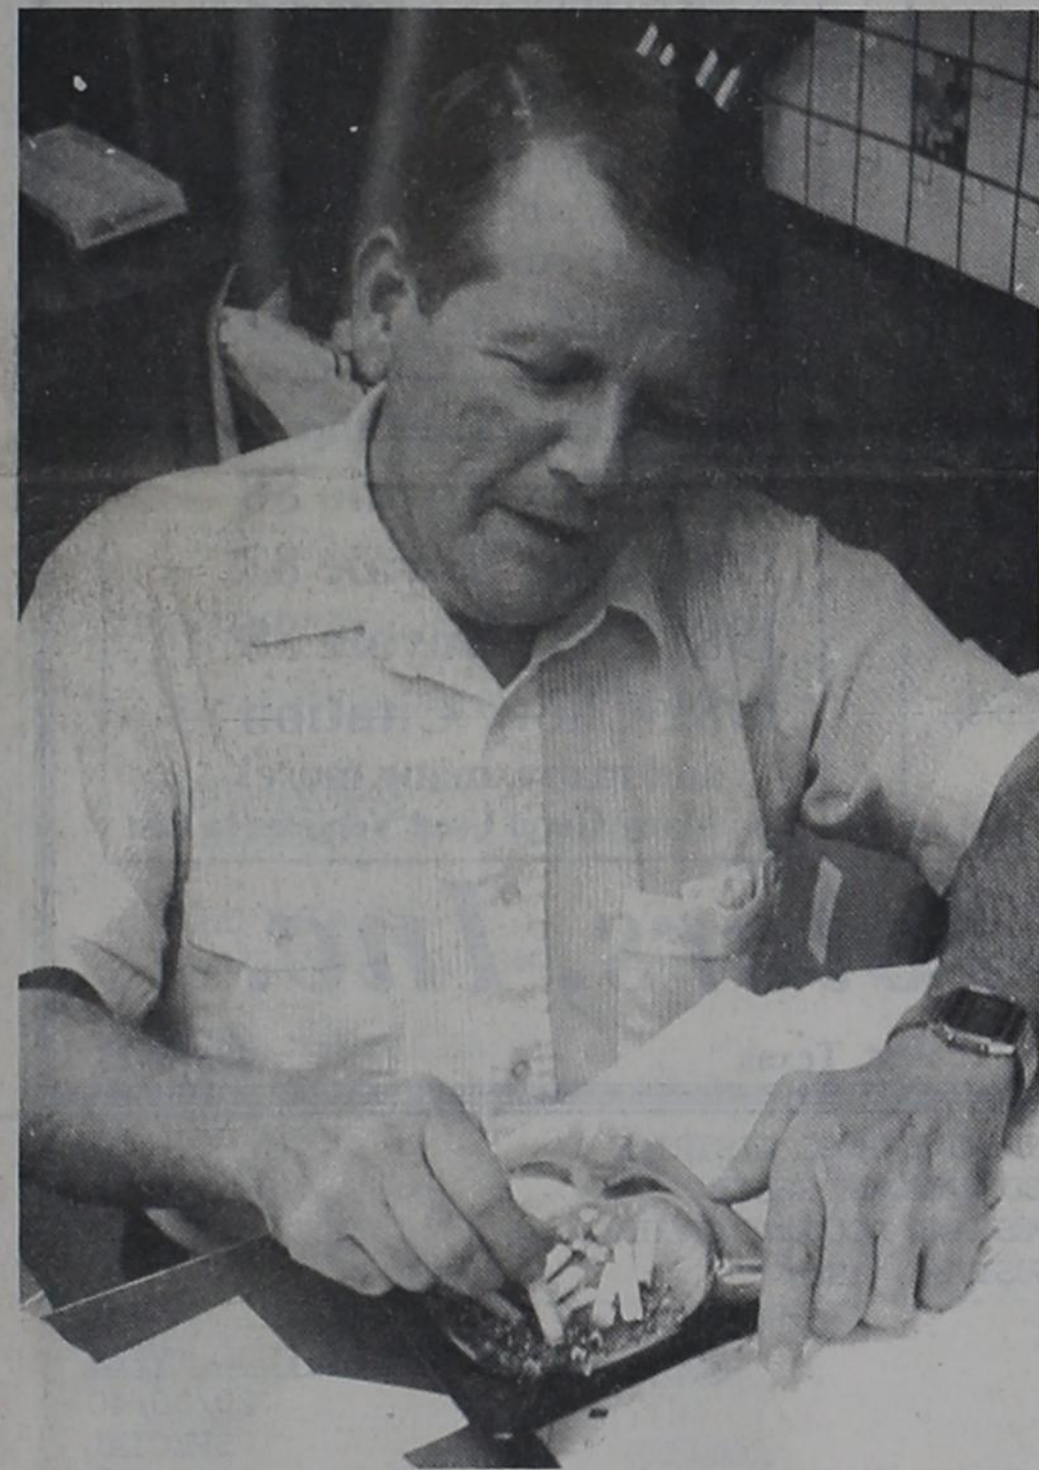

Local Band

Anyone interested in helping at the concession stand should call Chita Hataway at 495-2083 or Jackie Lester at 495-2043.

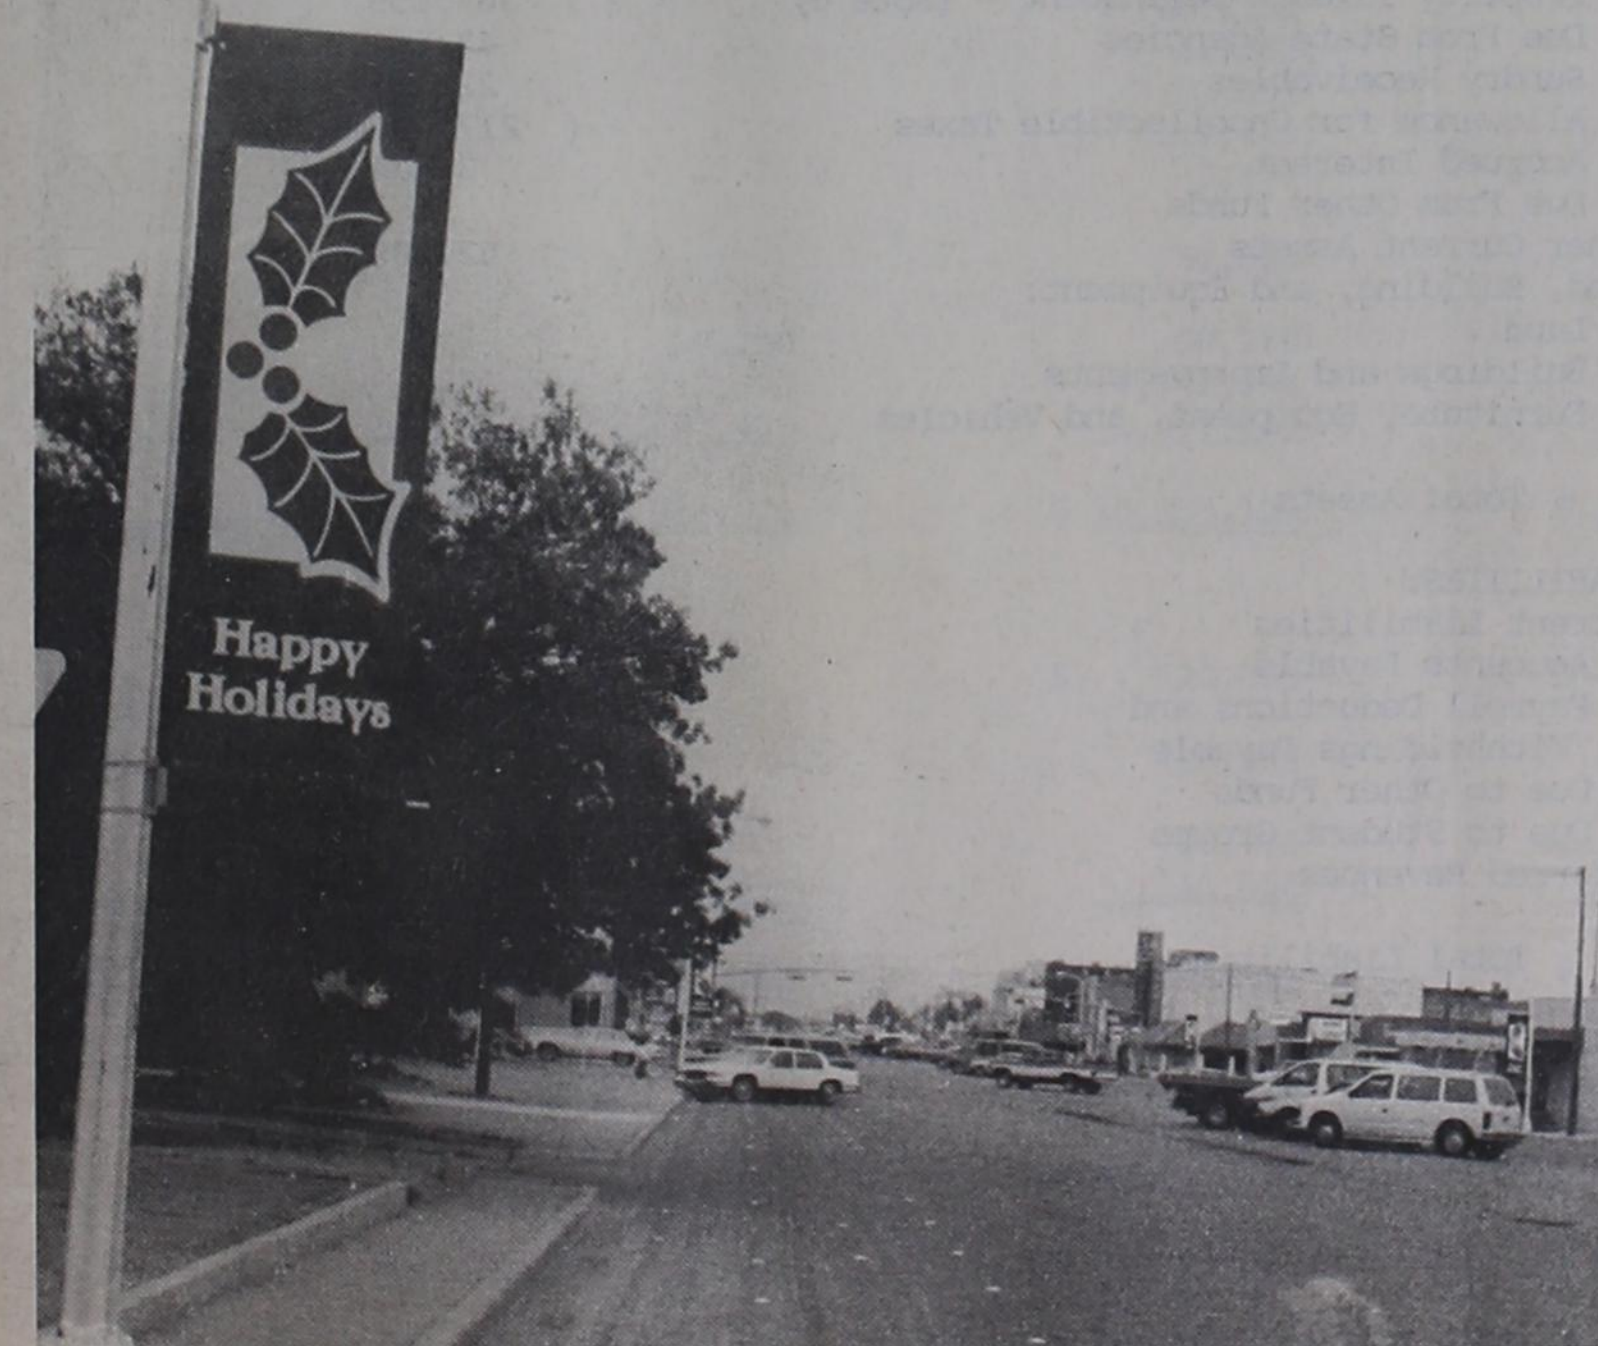

Main Street Architect Visit

Mary Alice Torres, Texas Main Street architect from Austin, will visit Post Monday, November 21 to meet with property owners interested in design assistance.

For more information or to set up an appointment, please contact Melissa Cunningham in the Main Street office at 495-4157.

THE GREAT AMERICAN SMOKE-OUT gets special attention from Garza County Clerk Sonny Gossett in preparation for tomorrow's nation-wide observance of no-smoking, sponsored by the American Cancer Society. "Several times I've stopped for at least 10 days," Gossett said, "surely I can go just one full day without a smoke." He and hundreds of others in Garza County will be joining in the campaign tomorrow.

The new Christmas decorations have been placed on utility poles on Main Street and U.S. Hwy 84 in Post...although the strong breezes Tuesday forced the removal of a few of the new banners temporarily.

FmHA Fall Farm Borrowers Urged to Check Insurance

Farmers who plan to put in winter crops with the Farmers Home Administration emergency loans based on this year's drought should take steps immediately to see if they need crop insurance for 1989 crops, according to J. Lynn Futch, FmHA state director for Texas.

The Disaster Assistance Act of 1988 requires any farmer with a production loss exceeding 65 percent of normal to agree to purchase insurance for 1989 crops, with some exceptions, as a condition for obtaining an FmHA emergency loan to help cover 1988 losses, Futch said.

The open season for obtaining multi-peril crop insurance for winter crops expired October 31, except in certain northwestern states where it is November 30, leaving farmers little insurance.

Although some extensions to the deadline may be granted on an individual basis, Futch said farmers should get in touch with their local insurance representative without delay.

Proof of insurance will be required before disaster loan applications can be processed.

Exceptions to the insurance requirement included cases where insurance is not available and where premium costs would impose an undue financial hardship as determined by the FmHA county committee.

Richardson Family Celebrates Christmas in October

The 50 Yard Line restaurant in Lubbock was the setting for a "Christmas in October" dinner, Saturday, October 29 following the Texas Tech-Texas University football game.

Mr and Mrs L.J. Richardson of

Brownfield hosted the steak dinner for the "Richardson family."

Twenty-nine family members were present, including the hosts, their children, Mr and Mrs Mike Richardson, Steven and Scott from Nashville, Tenn.

From Levelland were Mr and

Mrs Roger Hensley and their children Jimmy Morse of Denton and Caroline Morse of Lubbock.

Attending from Post were Mr and Mrs Preston Mathis; their daughter Mrs Anne Leake; their grandson and family, Mr and Mrs Preston Leake; and their great-grandsons Cody and Coy Leake.

Present at the dinner from Canyon were Bill Richardson and sons, Mr and Mrs Gilbert Richardson, Billy and Brandy, also

Mr and Mrs Ricky Richardson and sons, Robert and Keith.

Also attending were Mr and Mrs Don Richardson from Big Spring and Leroy McCrary from Post.

The evening was spent visiting and making first, second, third and fourth generation pictures.

Everyone had a good time and the hosts scheduled another party in two years, when the same teams will meet again in Lubbock.

Post Citizens Almost Ignore Seat Belts Use Survey Says

A recent seat belt utilization survey in Post was conducted by the Integrated College Traffic Safety Program at Texas Tech University.

The survey indicated a usage rate of 29 percent.

This can be compared with a 44.6 percent usage rate in 1987 and a 44.5 percent rate in 1986.

The Texas Transportation Institute found there to be a 54 percent usage around the state as of January 1988.

In a recent opinion poll conducted for Traffic Safety Now, Inc., it was found that most Americans believe that the usage of safety belts offer ample protection from death and serious injury.

Some other findings were:
* more than 90 percent said safety belts protect occupants from injury.

* 85 percent believe a safety belt will someday save their life.

* 8 out of 10 think safety belt use laws are saving a significant number of lives.

* 3 out of 4 who live in states with a safety belt law favor the law.

* nearly 70 percent of those who live in states without a law support safety belt use legislation.

* 74 percent favor strict enforcement of the belt law.

* 51 percent said they always wear their safety belt.

Statistics indicate that proper use of safety belts will reduce death and serious injuries 50 to 70 percent.

STATEMENT OF INTENT TO LOWER RATES

Brazos Electric Power Cooperative, Inc. ("Brazos") hereby publishes NOTICE that it has filed with the Public Utility Commission of Texas a Statement of Intent and Petition for Authority to Implement a Temporary Reduction in Rates pursuant to the provisions of Article 1446c, Vernon's Annotated Civil Statutes and the Commission's Substantive Rules. Brazos is seeking an interim order to implement the lower rates effective with Brazos' billing cycle for December 1988. If approved, the proposed temporary rate reduction would result in a reduction of anticipated revenues by \$10,000,000, or 5.58% for the twelve months ending September 30, 1988. All customers of Brazos, which serves only at wholesale, are affected.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the PUBLIC UTILITY COMMISSION OF TEXAS, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas, 78757. Further information may also be obtained by contacting Brazos at (817) 750-6500 or by calling the PUBLIC UTILITY COMMISSION CONSUMER AFFAIRS DIVISION at (512) 458-0223, or (512) 458-0227, or (512) 458-0221, TELETYPEWRITER FOR THE DEAF.

Woman's Culture Club Meets November 9

by Katharine Cathcart
The Woman's Culture Club met Wednesday, November 9 in the home of Isabelle Stelzer with Danielle Chapman as co-hostess. The home was beautifully decorated with Thanksgiving arrangements.

Maxine Earl, club president, presided over the business meeting and reminded members that the General Federation of Women's Clubs will be celebrating the centennial in 1990-1991 and that we should begin to make plans to participate in the event.

"Home Life of Post Pioneers" was the study given by Mrs. Earl. By the time Post was settled in 1907, the friction between ranchers and farmers had eased. The ranchers had retained their prestige by branching out into banking and other business ventures.

There was a camaraderie of families helping each other, lodges and clubs were being organized and old-fashioned quilting parties were being held.

ers, transportation, communication, "fuz buster", heating and air conditioning, schools and telephone.

The hostesses served delicious refreshments to members Iva Hudman, Joyce Strubhart, Buena Bouchier, Dorace Wilson, Peggy Ellis, Donna Craig, Doll Haire, Katharine Cathcart, Maxine Earl and Ruby Kirkpatrick.

HAPPY THANKSGIVING!

The Post Dispatch Wednesday, November 16, 1988 Page 3 In the Neighborhood

by Lonnie Welborn
There was no "In the Neighborhood" column last week and a few of you did notice it and mention it to me. For that I thank you - I value the people who read this column.

For those of you who don't know by now, my mother, Mary Welborn, (remember Movin' Mary, the Traveler?) was in M.D. Anderson Hospital in Houston and I was both there with her. That's the way things are supposed to be, right?

Mary Welborn is a very special person, so I hear from so many people and I did hear from many, many of you.

I guess I'm using this column, once again, for selfish purposes, but I do thank all of you for being so concerned and expressing that concern in so many ways. The people of Post rallied around and were there just when we needed you.

There are too many people to list singly who responded to Mary's stay in M.D. Anderson, but you know who you are - and you know, I hope, how much Margaret and I appreciate all you did.

Mary is home now and is doing well - and will continue to do so, I believe - but then my mother always did want me to become a doctor.

But to add to the trials and tribulations of the Welborns, I got sick as soon as I returned from Houston. (Maybe some of you who saw "The Sunshine Boys" realized that I had a small problem even then.) As a matter of fact I collapsed completely. (I like a rest now and then myself, deserved or not.)

And would you believe, the same people were there to help me who were there to help and encourage my mother? You are really an amazing, loving bunch of people.

For myself, I'd like to take a little space and thank some of the people who helped me when I returned from Houston feeling bad...really bad.

Thank you Dr. James Bell, Boo Olson, Inez Norris, Maxine Earl, Modena Farmer, all my neighborhood, Willie Mae Dye, Giles and Louise McCrary, Minnie Williams, Bryan Williams, Christy Morris (who took her own good time

about calling and will pay for that later), and all the gang here at the Dispatch who are really a part of my family and who were there and ready to do anything they could.

I appreciate all you people so much - you are treasures in my life and something nothing could ever replace. You make me even prouder I'm home in Post, where I belong.

And people wonder why I laugh at them when they ask me how I can take living in a small town.

Dispatch Schedule

Remember, folks, there won't be a Wednesday, November 23 edition, of the Post Dispatch.

We're publishing our special Thanksgiving issue on Sunday, November 20 and this special issue will be delivered to all homes in Garza County and to all subscribers outside the county.

Remember, there will be no Post Dispatch on Wednesday, November 23. Please don't call me and blame me for it - I like to hear from you, of course, but you've been warned not to expect your Wednesday the 23rd paper.

Will McCrary

Garza Theatre director Will McCrary participated at Levelland High School's career day November 10, conducting three sessions with students interested in dramatic arts.

McCrary was invited to the career day by the high school.

While there he met with drama teacher Emmalie John and several of her students, who were interested in becoming a part of the Garza Theatre program.

Just another example of the growing reputation of the Garza Theatre in West Texas.

A drug that dissolves gallstones is now available in the U.S.

Thank You

Post Art Guild Names Dan Fumagalli Artist of the Month

The Post Art Guild has selected Post photographer, Dan Fumagalli, as artist of the month. A collection of his works will be displayed at the First National Bank of Post.

Dan became interested in photography at the age of 12 when he received a Polaroid camera as a gift. Over the year he developed a love for the art as he progressed to

a 110; a 35 millimeter and on to a media format.

After many years of learning his craft, Dan began to participate in art and photography shows such as the P.A.G. Spring Show, Caprock Photography, Lubbock Art Association and the Crosbyton show.

In 1987 Dan was the recipient of the first ever "United Supermarket Award", with "Foggy Morning" which also received the People's Choice Award and now hangs in the Algerita Art Center as part of the P.A.G. Permanent Collection.

Again, in 1988, he received the "United Award: for 'Green Leaves and Granite' (Best of Show) and for 'Entrance to Moab, Utah', which hangs in the office of Main Street Manager Melissa Cunningham.

Not only does his work hang in are homes and businesses, his talents reach as far as California,

Washington and British Columbia.

Dan is a member of the Post Art Guild. When asked about how he feels about his success as a photographer, he replied, "It's just something I like to do."

Amity Study Club Gets Special SPS Demonstration

Amity Study club met for its regular meeting at 7:30 p.m. in the Reddy Room of Southwestern Public Service November 8.

Kay Davis, home economist for SPS, gave a demonstration and prepared several dishes using microwave ovens.

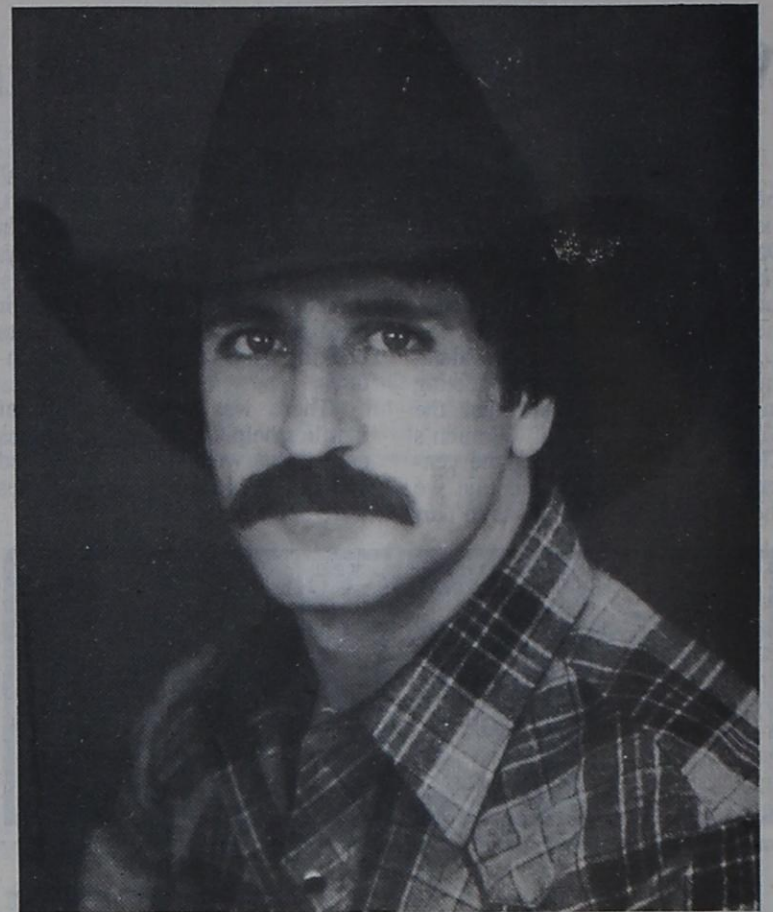

Cookbooks were passed out to members present.

Members were invited to eat the dishes prepared, which included glorious chicken casserole, mixed vegetables with olive nut sauce, cocktail sausages with zesty cranberry dip and lemon sour

cream pie.

Co-hostesses Barbara Babb and Janey Middleton served refreshments to Mrs Davis and members Marion Wheatley, Ginger Carlisle, Boo Olson, Margaret Bull, Louella Bilberry, Kathie Rankin, Joy Pool, Maury Shiver, Bernice Younger, Joyce Strubhart, Anne Leake, Mattie Collier, Jane Davis and Carolyn Sawyers.

The next meeting will be November 29 and members will bring white Christmas gifts for Big Spring state hospital.

Mr. Jack Kirkpatrick, President
Board of School Trustees
Post Independent School District
Post, Texas

We have examined the general purpose financial statements of the Post Independent School District, Post, Texas, as of and for the year ended August 31, 1988, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the general purpose financial statements referred to above present fairly the financial position of the Post Independent School District at August 31, 1988, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining individual fund statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Post Independent School District. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

Karen Clary and Mark Greenlaw Exchange Wedding Vows

Karen Taylor Clary and Mark Allan Greenlaw, both of Lubbock, were united in marriage November 5, 1988 at 2 p.m. in Hodges Chapel of Lubbock's First Christian Church with the Reverend Charlie Shaw of Post performing the ceremony.

The bride is the daughter of Mrs. Riley B. Taylor of Post; the groom's parents are Major and Mrs. James Greenlaw of Monroe, Louisiana.

The altar area of the church was beautifully decorated and softly lighted by brass candelabra adorned with mauve and ivory silk arrangements accented with sunburst baskets of white and ivory gladiolus and mauve lilies, with mauve fuchsia adding color to the nuptial area.

Given in marriage by her brother, Bryan Taylor, the bride was radiant in an elegant candlelight gown of satin and lace. The gown's bodice featured a wedding-

band neckline, puffed lace sleeves and a double lace peplum at the waist.

Mrs. Mark Allan Greenlaw

The tea-length sheath skirt was fashioned of slipper satin.

To complete her ensemble, the bride wore a soft floral cascading hair comb and carried a European bouquet of rubrum lilies, ivory roses and pearls.

To carry out the wedding traditions, the bride wore her wedding dress as something new; a 1961 penny in her shoe as something old; a diamond ring from a friend as something borrowed; and for something blue, the bride's garter.

Kim Broussard of Shreveport, Louisiana, sister of the groom served as matron of honor and L'Shea Lyn Clary of Lubbock, daughter of the bride, was bridesmaid.

They both wore dresses of teal satin and teal lace featuring modified sweetheart necklines and short puffed lace sleeves. The straight tea-length skirts were accented by lace peplums and matching cummerbunds and shoes.

Their bouquets were single mauve rubrum lilies accented with mauve satin bows.

The groom chose for the wed-

ding a black Pierre Cardin tuxedo with tails worn with an ivory shirt.

Best man, James Greenlaw, was similarly attired in a black Pierre Cardin tuxedo with teal bow tie and cummerbund and ivory shirt.

Ushers for the ceremony were Richard Broussard of Shreveport, brother-in-law of the groom, and Jimmy Tonore.

Wedding music was provided by Gene Lanham, Denise and Warren McNeill and Margie Pennell.

The wedding reception was held at the County Line Restaurant in Lubbock, where the tables were draped in ivory cloths and accented with fresh arrangements in mauve tones. Leather leaf fern and baby's breath encircled the wedding cake.

Members of the houseparty were Brenda Baker of Houston; Kim Day of Ralls; Brenda May of Gainesville; Terisa Taylor, sister-in-law of the bride, of Post; and Pat Spurgeon of Lubbock.

After a wedding trip to Las Vegas, Nevada, the couple will be at home in Lubbock.

The rehearsal dinner was given by Major and Mrs. James Greenlaw at the Officer's Club at Reese Air Force Base Officer's Club in Lubbock.

The bride is a 1979 honor graduate of Post High School and is employed by the First National Bank of Lubbock as an accounting assistant.

The groom graduated from Neville High School in Monroe, Louisiana in 1978 and attended Northeast Louisiana University where he received a BBA in accounting in 1982. While attending

Northeast Louisiana University he was president of Kappa Sigma Fraternity.

He is presently employed as manager of the Lubbock office of Fidelity and Deposit Company of Maryland.

Macy and Farris at National Finals Rodeo

Mike Macy of Post and Flynn Farris of Dalhart recently qualified for the National Finals Rodeo in Las Vegas, Nevada, December 3-11, by winning the Casper Wyoming Rodeo.

The pair have roped together all year, traveling over 100,000 miles and entering 110 rodeos. They go into the finals as the 12th team out of the top 15 with a chance to move higher after the final 10 performances for 1988.

Mike is a 1980 Post High School Graduate and attended Texas Tech. He worked on the Macy Ranch until January 1, 1988, when he and Flynn decided to devote their efforts full time to team roping.

Mike has been a member of PRCA since 1985 and won Team Roping Rookie of the Year for 1986 for the Texas Circuit. He was a Texas Circuit Finalist in 1987 and will be a finalist again in 1988. Flynn will receive the 1988 PRCA Team Roping Rookie of the Year.

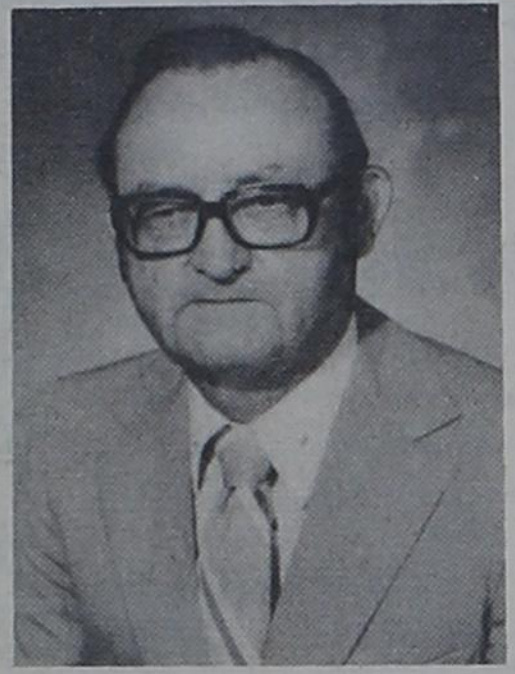

Flynn Farris (left) and Mike Macy are headed for the National Finals Rodeo in Las Vegas, Nev. where they will compete in the December 3-11 prestigious event. The two go to the finals as the 12th team of the top 15.

Cotton Talks USDA Fails to Offer Reduction Program

The U.S. Department of Agriculture October 31 confounded the whole cotton industry with its failure to offer a paid cotton acreage reduction program for 1989.

USDA instead announced only a 25 percent unpaid diversion as a

condition of program participation.

That's the maximum required reduction permitted under the farm act of 1985.

Also revealed for 1989 was a base loan level of 50 cents per pound, down from 51.8 cents this year, and USDA'S intent to use marketing loan plan "B" which allows producers to redeem cotton from the loan at the lower of the loan price or the adjusted world price.

Already established by the 1988 Budget Reconciliation Act was a 1989 target price of 73.4 cents, down from 75.9 cents this year.

The Department had the option to set the loan at the statutory minimum 50 cents or anywhere between there and the 51.79 cents justified by the U.S. spot market formula authorized by law.

Lubbock-based Plains Cotton Growers Inc in September and again October 27 recommended that the loan be at the higher level and that an optional paid land diversion program be offered, over and above a 25 percent required reduction, for up to 20 percent of base acres.

PCG's call for a paid land diversion program was duplicated by the National Cotton Council, which represents producers, textile manufacturers, merchants, ginners, warehousemen, seed crushers and cooperatives.

On its own, the American Cotton Shippers Association asked for a

"0-92" program, allowing producers to plant no cotton and still collect 92 percent of their deficiency payments.

So the entire industry recognized the need for an acreage reduction greater than that to be achieved by a simple 25 percent layout requirement.

However, USDA, if it saw the need, apparently found its own reason for ignoring it, but that reason was not included in its program announcement.

Given that USDA's figures reportedly project reduced government costs with the lower loan, says PCG executive vice president Donald Johnson, the 50 cent loan announcement, while a disappointment, came as no great surprise.

But in the face of USDA's October estimate of an 8.4 million bale 1988 U.S. carryover, he continues, the absence of a paid land diversion program to reduce 1989 plantings is hard to understand.

Johnson also points out that a USDA regulatory impact analysis released last June, when the 1988 carryover was expected to be only 6.1 million bales, projected that a 15 percent paid diversion, as opposed to no paid diversion, would cut the government's cost of the program by \$152 million, "which makes the Department's decision even more incredible," he says.

ASCS to Discuss 1988 Program

Agricultural producers and landowners of Garza County are invited to an ASCS meeting to discuss the provisions of the 1988 Disaster Program and the 1989 Payment Limitation rules.

The meeting will be held at the Post Community Center on Monday, November 21 at 7 p.m.

Congress has enacted legislation to assist agricultural producers who have suffered more than a 35 percent loss on their 1988 crops due to drought, hail, or excessive moisture. Applications for disaster assistance will be accepted until March 31, 1989.

New regulations on payment limitations require that ASCS make an "actively engaged" determination on all individuals or entities that will receive a government payment. All producers must complete new payment limit forms and the count committee make its determination before any 1989 payments are made.

All agricultural producers and landowners are urged to attend this

informational meeting next Monday, November 21, at the Post Community Center at 7 p.m.

Boys' Basketball Team Gets Ready to Test Skills in Contests This

The Post Antelope boys' basketball team has had one week and one day to work out and are ready to put their skills to the test in its basketball contests this week.

Along with the excitement comes the new head coach Mitchell Rasbury.

Rasbury came with coach Dewayne Osborne from San Saba. He has also had coaching positions at Wall, Ozona and San Angelo.

Rasbury says approximately 40 boys are out for basketball this season, from freshmen to seniors.

But with the numbers there is no height.

After junior Bill Rankin, listed at 6'4", the Antelopes shrink pretty fast.

Seniors Lee Wayne Greathouse, listed around 6'1", and Dustin Ammons, about 5'10", are about the only other height on the team.

The Antelope varsity consists of seniors Ammons and Greathouse along with juniors Rankin, Rance Sappington, Kevin Williams, Junior Armendariz, Matt Holly and Lannie Lee.

Sophomores Darren Brown, Floyd Slay, Bobby Curtis and Jay Whitehead round out the remaining varsity players.

The starting five will consist of Rankin, Ammons, Sappington, Williams and Brown.

Coach Rasbury plans on running a full court press defense and offense called the "Antelope Press."

"It still has a ways to go but the kids are doing a good job with it," Rasbury commented.

Rasbury is really impressed

J.V. Football Team Loses

The Post Junior Varsity football team closed out its season at Slaton, dropping a close contest 19-14.

The team finished the season with freshmen players on the squad. The young Lopes collected 309 yards offense, allowing the Tigers only 203, but the Antelopes lost five fumbles in the contest.

Darren Brown opened up the game with a quick touchdown as he returned the kickoff 82 yards down the right sideline. Matt McCook's pass to B.J. Funk gave the Lopes an 8-0 lead.

The only other score for the Lopes came with under two minutes to play on a 35 yard touchdown pass play from McCook to Jacob Bustoz.

Brown was credited with 97 yards rushing on 14 carries. Bustoz got

with all the players, "they are very competitive and will really get after you."

Fundamentals and defense have been stressed on the boys to this point.

For an entertaining evening come see the Antelopes play.

The Antelopes will play at home against Spur Friday night and at Coahoma Tuesday, November 22.

Coach Sees Positives with Lady Lopes

"I saw some real positive things last night," commented head girls basketball coach Billy Gordon.

He was commenting about the Lady Lopes scrimmage with the Borden County girls last Thursday, November 17, that was in the Antelope Gym.

Even though the points were not in the Lady Lopes favor coach

Gordon felt good. "It was a confidence builder," stated Gordon.

The Lady Lopes just needed to score more and that is only done by shooting more.

When you see them you will notice that the Lady Lopes are very quick, no matter what team is on the floor.

Lannie Lee Gets Top Rushing Honors

Lannie Lee was the leading rusher for the 1988 Post Antelope varsity football team with 583 yards on 109 carries, according to final season statistics compiled by the coaching staff.

The team had 1,855 yards total rushing on 442 tries for the 10 games, an average of 4.19 yards per carry.

In the passing department, Rance Sappington completed 55 of 112 for a 49.1 percent completion rate and 728 yards.

Another 36 yards passing by Bill Rankin gave the Lopes a total of 764 yards in the air.

The Antelopes gained 2,619 yards total offense on 552 plays for an average of 4.74 yards per try.

The team recorded 138 first downs and 33 punts.

Bill Rankin led all receivers with 24 receptions and 369 yards.

Defensively the Lopes allowed 1,562 yards rushing offense on 363 plays for an average of 4.30 yards per try.

Opponents were allowed 60 pass completions on 142 attempts, picked off 11 interceptions and a total of 882 yards.

Total offense allowed opponents totaled 2,444 yards on 508 attempts for an average of 4.81 yards per play and 131 first downs.

Other offensive players and their statistics include:

Player	Carries	Yards	Avg.
Lee	109	583	5.3
J. Perez	101	443	4.4
Sappington	92	294	3.2

Slay	28	98	3.5
L. Perez	12	74	6.2
Curtis	18	57	3.2
Others	32	77	2.4

"Everyone hustled," said Gordon emphasizing that everyone played an equal amount of time.

"I wanted everyone to get an equal amount of work in," he concluded.

The Lady Lopes will play Spur at Antelope Gym on Friday, November 18 and travel to Coahoma on Tuesday, November 22.

Legal Notices

NOTICE OF AN APPLICATION TO APPROPRIATE PUBLIC WATERS OF THE STATE OF TEXAS

Notice is given that City of Lubbock, P.O. Box 2000, Lubbock, Texas 79457

applicant, seeks an extension of time pursuant to Section 11.145, Texas Water Code, and Texas Water Commission Rules 31 TAC sub-section 295.1, et. seq. to commence and complete construction of a proposed dam and reservoir (Lake Alan Henry, formerly known as Justiceburg Reservoir) authorized by Permit No. 4146 (A-4155). The Permit, issued to City of Lubbock on September 24, 1984, authorizes the construction and maintenance of a dam creating a 115,937 acre-foot capacity reservoir on South Fork Double Mountain Fork Brazos River, tributary of the Brazos River, Brazos River Basin, in Garza and Kent Counties, approximately 21 miles southeast of Post, Texas for recreational use, the diversion and use of not to exceed 35,000 acre-feet of water per annum from the reservoir for municipal purposes and use of not exceed 21,000 acre-feet per annum of the sewage effluent created by the municipal use authorized to irrigate 10,000 acres of land in Lubbock and Lynn Counties.

The permit indicated a commencement date for the project of September 25, 1986 and a completion date of September 25, 1989. By Commission Order of October 8, 1986, the time limitation for commencement of construction of the dam was extended to September 25, 1988. The applicant is requesting to extend the commencement date of construction from September 25, 1988 to September 25, 1992 and to extend the completion date of construction from September 25, 1989 to September 25, 1995. The city anticipates that construction can commence and be completed on or before the above dates.

The applicant has requested the extension of time due to the fact that the city's request for a Section 404 permit from the U.S. Army Corps of Engineers for the project is still being processed. In accordance with a settlement agreement between the city and a party who had originally appealed the Commission Order granting Application No. 4155, land acquisition for the reservoir will not begin until the Corps permit is obtained by the city. It is anticipated that the Corps permit will be issued around the end of 1988 or early 1989. A tentative agreement has been reached by the city with the appropriate agencies concerning the suitability of a proposed mitigation site and an operating plan is being proposed. The city has estimated that final design and preparation of construction plans and specifications for the dam would begin in early 1989.

The city is in the process of negotiating a contract with the Brazos River Authority whereby the authority will construct, operate and maintain the project to supply water to Lubbock. The Application for Extension of Time was received on September 16, 1988, and accepted for filing on October 13, 1988. The Executive Director has reviewed this application and declares it to be administratively complete.

No public hearing will be held on this application unless an affected person requests a public hearing. Any such request must be in writing and contain (1) the name, mailing address and telephone number of the requester; (2) the application number or other recognizable reference to this application; (3) a brief explanation of how the requester, or persons represented by the requester would be adversely impacted by the granting of this application; and (4) a clear statement of the objections of the requester or represented persons.

This application will be presented to the Commission for final decision on January 16, 1989 at 10:00 a.m. in Room 118 of the Stephen F. Austin State Office Building, 1700 N. Congress Avenue, Austin, Texas unless a sufficient request for hearing is received within 30 days of the date of newspaper publication of this notice. If a hearing request is filed, and the Commission determines that the request sets out an issue relevant to the decision on the application, and/or that a public hearing would serve the public interest, the Commission will remand the application for public hearing. If this application is remanded for hearing, no further notice of the hearing or hearing date will be issued other than advising all interested persons of the time and place where the hearing is to convene. Therefore, all individuals who wish to be notified of the setting of a hearing must submit a written request for notification to the Texas Water Commission.

Requests for a public hearing and/or requests for further information concerning any aspect of the application should be submitted in writing to Claire P. Arenson, Assistant Chief Hearings Examiner, Texas Water Commission, P.O. Box 13087, Capitol Station, Austin, Texas 78711, Telephone (512)463-7875. Issued this 4th day of November, 1988 Karen A. Phillips, Chief Clerk Texas Water Commission

Card of Thanks

The family of Abb Ussery wishes to thank the family members, friends and neighbors for their prayers, visits, wonderful food and other acts of kindness given to us at the time of the loss of our loved one. Thanks to the nurses and staff at Golden Plains Nursing Home for their care and concern. A special thanks to the Reverend Shaw, Hudman Funeral Home, Dr. Wilson and Bill, Catherine and family. Flora Ussery Paul, Silas, Dessie and Buddy.

I would like to thank everyone for the prayers, flowers, visits and cards while I was in the hospital. I especially want to thank Cathy Bullard, Alton and Eunice Pope and my parents George and Johnnie Willson for taking care of our boys. May God bless you. Melodie Yarbrough.

Chemical Herbicides Still Needed

Chemical herbicides and advanced tillage systems notwithstanding, hand hoeing remains a necessary expense in High Plains cotton production. And that leaves producers with the formidable task of understanding a maze of ever-changing federal and state laws regulating farm labor, including hoe hands.

Dominating the many questions reaching Plains Cotton Growers, Inc., Lubbock, association officials note, are those related to minimum wage requirements, social security, unemployment compensation coverage and worker's compensation coverage. "We answer as best we can by telephone," says PCG Executive Vice President Donald Johnson, "then follow up by mail with an updated two-page written summary prepared last year by the Texas Cotton Ginners Association."

Also answering the demand for information on farm labor laws is the Texas Agricultural Extension Service, State Extension Economist Dr. Richard A. Edwards of College Station has just compiled a "Texas Farm Labor Handbook" spanning 52 pages. The TAEX publication offers expanded explanations of the above mentioned subjects plus 17 others, including housing, transportation, income tax withholding, requirements under the Immigration Reform and Control Act, and the new Texas "Right to Know" law concerning chemical usage.

Copies of Dr. Edwards' work are available to producers from PCG or through county extension agents, and PCG suggests that all producers review that publication before finalizing labor use decisions.

Meanwhile PCG proffers the following unofficial guidelines on the most salient issues.

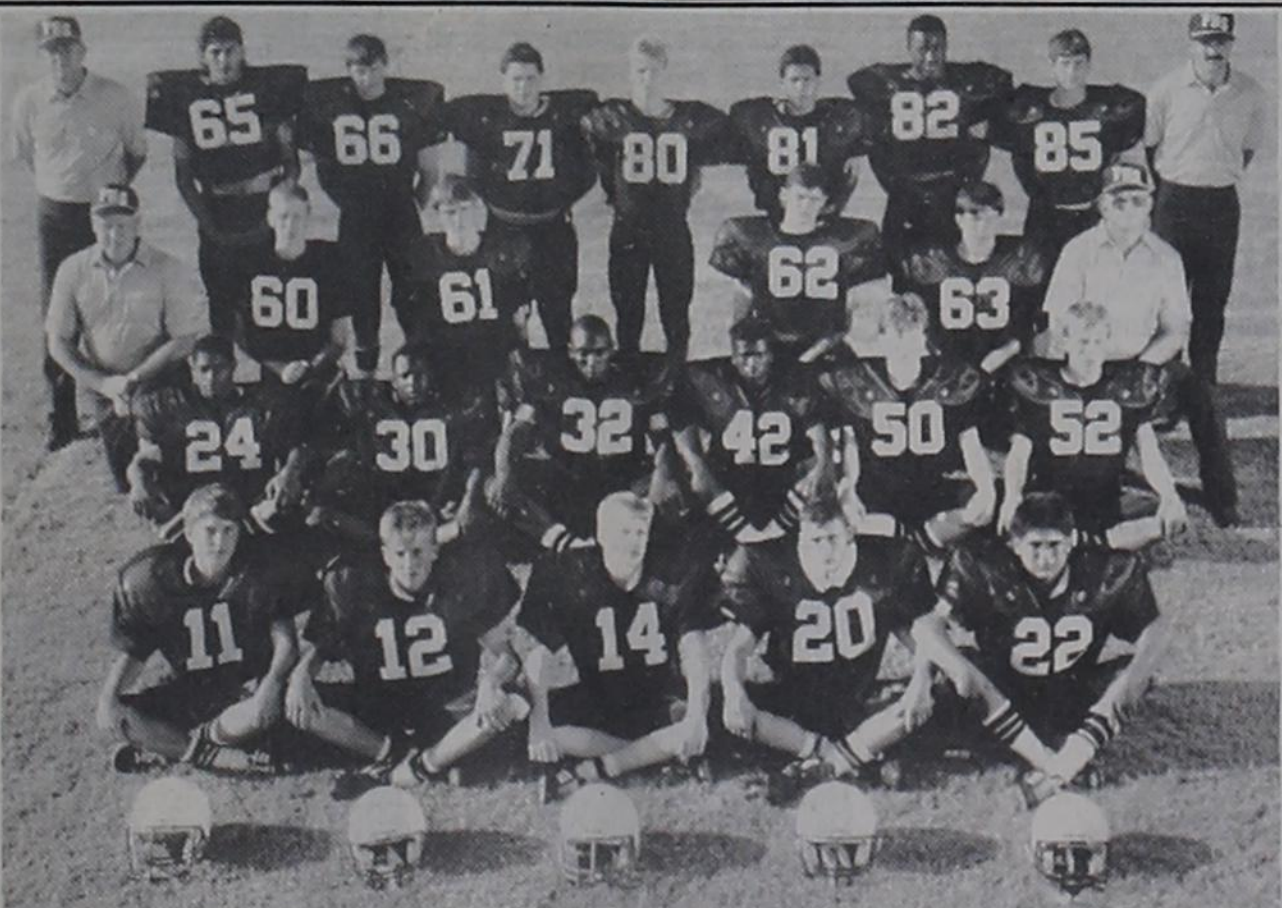

The minimum wage, \$3.35 per hour, is applicable to virtually all Texas employers of farm labor. Federal law exempts users of less than 500 man-days of labor during any quarter of the previous year. But a Texas law effective September 1 of 1987 provides no such exemption. Farm labor, however, is exempt from overtime under both federal and state statutes.

Producers are required to withhold and pay social security taxes (7.51 percent withholding, 7.51 percent employer) if (1) the employee is paid \$150 or more in cash during the year or (2) works for the employer on a time basis on 20 or more days during the calendar year.

Unemployment compensation insurance taxes must be paid by employers who either have in the current or had in the preceding calendar year (1) a payroll of at least \$6,250 in a calendar quarter, OR (2) three or more employees for some portion of a day in 20 or more weeks during the year, (3) employed migrant labor or (4) employed seasonal and migrant workers at the same time doing the same work at the same location.
