

Little League Parade Tuesday To Herald Opening Of Season

Members of the four Little League baseball teams and of the league's farm system will parade through downtown Post at 4 o'clock Tuesday afternoon to herald the official opening of the season.

The youngsters, ranging in ages from 8 through 12 years, will be fully uniformed for the parade, according to Bill G. Humphrey, league president.

The first game is scheduled for 5 o'clock Tuesday with the Yankees meeting the Red Sox. Immediately following the first game there will be a tilt between the Dodgers and the Tigers.

League action will be resumed on Thursday with the Dodgers

squaring off against the Red Sox and the Yanks clashing with the Tigers.

"All Post is invited to watch Tuesday afternoon's parade and then come to the opening ball games," Humphrey said.

The Tigers, sponsored by the civic clubs, are managed by N. A. Lusby. Walter B. Holland is at the helm of the Red Sox team, which is sponsored by Brown Bros. Sponsor of the Yankees is Postex Cotton Mills, with J. P. Parnell as team manager. The Dodgers, sponsored by the First National Bank, are managed by Punk Peel. Jess Rogers is sponsor of the league's farm system, which will also play regularly scheduled

games, and from which players will be able to "go up" to the four loop teams.

Play will continue through the summer vacation with each team participating in 15 league games. Uniforms for the 60 boys comprising the four league teams were scheduled to arrive this week. The Dodgers will wear grey uniforms with royal blue trim; the Red Sox, grey with red trim; the Yankees, grey with navy blue trim, and the Tigers grey with green trim.

Practice sessions have been under way for the last several days with a number of other adults assisting the managers in rounding the boys into shape. A few practice

Decoration Day Service Is Held On Wednesday

Our war dead speak to us through the voices of memory, challenge, hope and assurance and sacrifice, the Rev. W. L. Porterfield, First Methodist Church pastor, said Wednesday morning in a Memorial Day address at Terrace Cemetery.

The speaker said their voices come back to us through the memories of their childhood, family life, leave-takings and other ties.

"Through the voice of challenge, we hear them in their devotion to duty; through the voices of hope and assurance that their lives have not been spent in vain, and through sacrifice that in the price they have paid they have won victory."

The Memorial Day observance was sponsored by the local Veterans of Foreign Wars and American Legion posts. Bob Poole, VFW post commander, presided.

The opening prayer was by the Rev. Shelby D. Bishop, pastor of the Calvary Baptist Church. Waggoner Johnson, American Legion post commander, read the roll of the county's war dead.

Following the program, members of the service units placed flags on the graves of soldiers buried in the cemetery.

Trustees Of Outlying Districts Considering Consolidation

Boards of trustees of the Graham, Garmolia, Close City, Southland and Grassland school districts are considering calling an election for consolidation of the five districts into one independent school district, County Supt. Dean A. Robinson informed The Post Dispatch.

The news came close on the heels of an announcement that the board of trustees of the Post Independent School District had lowered the fee they plan to charge transfers in 1956-57 from \$137.44 to \$92.40, which would pay the cost of instruction of each transfer without any provision for school plant maintenance or other expenses.

The Dispatch was told by the county superintendent that if the five districts decide to call a consolidation election and it is successful they then plan to call an election for a bond issue to provide funds for construction of a school, which would be built about five miles northwest of the present Close City school.

In order to call the consolidation election, it would be necessary for the trustees to petition commissioners' courts in three counties—Garza, Lynn and Lubbock. The Graham and Close City districts are the only ones lying entirely in Garza County.

Meanwhile, the Post school board has been notified that the Graham, Garmolia, Close City and Justiceburg districts will send their transfer pupils here next year under the terms of the \$92.40 per transfer fee. In the Garmolia district, where there are no school funds, it will be necessary for parents of the pupils to pay the tuition fee.

Neither the Garmolia nor Grassland schools were in operation during the school year just closed. The board in the Grassland district, which is northeast of Post, has indicated that it will consider

consolidating with the Post Independent School District, according to R. K. Green, superintendent of the Post schools.

The recent developments in the school transfer problem have followed meetings of Post trustees with those of outlying districts in the county, and at other joint and individual board meetings.

The tuition fee of \$137.44 for each white pupil transferred to the Post district was set at a meeting of the board here last April. At the same time, a tuition fee of \$71.19 was established for each Negro pupil transferred here from other school districts.

The Post board had announced that these tuition figures equaled the total cost per pupil above the foundation program paid by the state. The figures were based on the 1955-56 school budget and on average daily attendance for the first six months of the school year.

AS SUMMER VACATION BEGINS

8 Vacancies Exist On School Faculty

The beginning of the summer vacation period finds eight faculty vacancies existing in the Post public schools system, Supt. R. K. Green said Tuesday.

Faculty members to be hired by the board before the opening of the 1956-57 term include an elementary school principal, band director, music teacher, two junior high teachers, two elementary school teachers and a member of the coaching staff, Green said.

J. M. Alderson, elementary school principal during the 1955-56 term, and Miss Lynn Harrison, junior high and high school music teacher, asked prior to the board's election of teachers that they not be considered for re-election.

Resignations during the last few weeks of school included those of Roy Silvey, band director; Misses Bettye Travis and Katharine Stryker, junior high teachers; Mrs. Johnnie Hamilton and Miss El Wanda Davies, elementary school teachers; and Olin Reddell, a member of the coaching staff.

Miss Travis, language arts teacher in junior high school plans to teach in Abilene, and Miss Stryker, junior high arts teacher has accepted a similar position at Lamarque. Miss Davies, who taught the fifth grade during the past term, has accepted a teaching position in the Snyder public schools system.

Reddell, a member of the coaching staff for the last two terms, has accepted the position of head coach at Idalou High School.

Accident Victim's Funeral Is Conducted In O'Donnell

Funeral services for John J. Stokes, 62-year-old farmer of the Graham community, who was killed about 2:45 p. m. Sunday in an automobile accident southeast of the Lubbock city limits on U. S. Highway 84, were conducted at 3

p. m. Wednesday at the First Baptist Church in O'Donnell.

Mr. Stokes' wife remained in a critical condition in a Lubbock hospital Wednesday from injuries suffered in the accident, which occurred when the couple's automobile and a car driven by J. D. Marable, 24-year-old Lubbock Negro, collided.

Officers have filed complaints charging Marable and another Negro man with murder with a motor vehicle in connection with the accident in which Mr. Stokes was killed. The other man against whom charges were filed is Labon Paynes Perkins, 45, owner of the car driven by Marable.

The complaints against the two were filed by highway patrolmen and Assistant District Attorney Myron Garner of Lubbock County.

Officers said Mr. Stokes was killed when the car occupied by the Negroes collided with the Stokes vehicle and overturned both cars after Marable apparently made an unsuccessful attempt to pass the Stokes car. Both vehicles were being driven toward Lubbock.

Mr. Stokes had farmed in the Graham community since moving there from O'Donnell in 1939. He was born June 20, 1893, at Athens and was a World War I veteran and a member of the O'Donnell Masonic Lodge.

Besides his wife, Mr. Stokes is survived by three sons, John H. O'Donnell, Frank E. of Dallas and Joe B. Stokes of Hale-Center; a foster son, Melvin E. Moore, who is serving with the Army in Korea; three brothers, A. H. of Hale Center, Robert of Quemado, N. M., and N. W. Stokes of Westbrook; four sisters, Mmes. E. T. Nelson of Los Angeles, G. T. Childress of Snyder, R. L. Archer of Big Spring and W. P. Cozart of Seminole, and eight grandchildren.

NAMED DELEGATE — O. V. McMahon (above) of Post was named one of the laymen to attend the International General Assembly of the Church of the Nazarene in Kansas City, Mo., June 18-26 at the 47th Assembly of the Abilene District held recently in Lubbock. Other laymen chosen as delegates included M. K. Bingham of Lubbock, formerly of Post.

W. L. Porterfield Re-Assigned Here

The Rev. W. L. Porterfield was re-assigned as pastor of Post's First Methodist Church Sunday at concluding sessions of the Northwest Texas Conference in Big Spring.

The Rev. Mr. Porterfield is beginning his second year as pastor of the local church. He was assigned here last year to succeed the Rev. Charles R. Gates, now of Stratford.

During the Rev. Mr. Porterfield's pastorates, members of the church have voted an \$80,000 building program for construction of an educational annex and remodeling of the present church building.

Also at Sunday's session in Big Spring, J. E. Shewbert was re-assigned as district superintendent of the Lubbock District, and the Rev. E. L. Naugle was assigned to Southland's First Methodist Church.

More Interest Than Usual In County Races

Interest is running a little higher than usual in first primary voting scheduled for July 28, according to County Democratic Chairman T. R. Greenfield, who explained voters will have a choice of 18 candidates divided among six offices, in addition to the state races.

A full slate of candidates for precinct chairmen will appear on the ballot and include Homer McCrary, Sam Ellis, Julius Fumagalli, Mrs. Pearl Nance, L. H. Peel, J. W. McMahon, Robert Mock, Mrs. Lucille McBride and Floyd Hodges.

Also on the ballot will be Greenfield's name for re-election as Democratic chairman.

The tax assessor-collector's race, with seven candidates, is creating the most interest this year. Seeking election to the newly-created office are: Mrs. Eva Thomas, George N. Leggett, Percy Printz, Donald Windham, T. H. (Talmage) Tipton, Miss Jewel Parsons and Mrs. W. D. (Helen) Livingston.

The next most sought after post is that of Precinct 1 county commissioner with five candidates, including the present office-holder, B. F. (Boone) Evans. The other candidates are Truett Fry, L. P. Kennedy Jr., Racy Robinson and Clark Barton.

Three candidates, including Carl Rains, the incumbent, are in the race for county sheriff. The other two are Odean Cummings and Nathan Mears.

The only other county race in which there is competition is that for Precinct 1 constable, J. A. (Julius) Johnson, candidate for reelection, is opposed by L. E. Claiborn Sr.

Unopposed candidates for county offices are Carleton P. Webb for county attorney, and Ozell Williams for re-election as Precinct 3 commissioner.

Greenfield said all candidates paid their filing fees by the May 19 deadline.

Girl Is Critically Injured In Wreck

Miss Thelma Hodges, 16, who was critically injured about 5 p. m. last Friday when the automobile she was driving collided with a pickup truck, was reported improving Wednesday in Lubbock Methodist Hospital, but had not fully regained consciousness.

Emory Stevens, 26, driver of the pickup, was still in Garza Memorial Hospital Wednesday, where his condition was reported as satisfactory. Miss Charlene Baker, 16, who was riding with Miss Hodges at the time of the accident, was dismissed Tuesday from the hospital here.

Sheriff Carl Rains, who investigated the accident along with highway patrolmen, said the collision occurred after the Hodges automobile had passed another vehicle and then collided with the truck as both apparently swerved in an effort to avoid a collision.

The accident occurred about one and one-half miles west of Post on U. S. Highway 380, while the Hodges automobile was headed toward Post and the pickup was going in the opposite direction.

The sheriff said both girls were thrown from the automobile, which was spun around, but did not overturn. The pickup was turned over and badly wrecked. The front fenders and radiator of the automobile were knocked off and the motor driven back against the floorboards by the impact.

Miss Hodges is the daughter of Mr. and Mrs. Earl Hodges and Miss Baker is the daughter of Mr. and Mrs. Charlie Baker.

Construction Work At Mill Progresses

New construction is proceeding at a rapid pace at Postex Cotton Mill, where an expansion program costing more than one million dollars is in progress.

R. J. (Rube) Jennings, mill president, said Tuesday that all steel and brick work has been completed on the extension to the weaving building and that workmen are getting ready to put on the roof.

Steel is going up this week on the extension to the carding and spinning building, which is on the north side of the mill grounds.

General contractor is H. B. Zachry Construction Co. of San Antonio.

The mill president also said that all 20 of the new houses being built north of the mill have been "framed" and that completion is nearing on some of them. Higginbotham-Bartlett Lumber Co. is the contractor.

Recent Rains Boost 1956 Total Here To Unimpressive 2.47

Post's rainfall last week amounted to .69 of an inch, bringing the year's total here to 2.47 inches, according to County Agent Lewis C. Herron.

Most other sections of the county have fared much better than Post, however, with most of the May rainfall seeming to have been in the west and southwest parts of the county.

Friday night's rain in Post measured .55 of an inch, and followed one on Wednesday which deposited .14 of an inch of moisture on the city.

Last week's rains here were the first of any consequence since the first part of May when .60 of an inch fell on the morning of the 1st, and .47 of an inch on the morning of the 2nd.

In some sections of the county, last week's rains were enough to assure cotton planting, but dryland cotton farmers in most sectors need more moisture before they can seed their land.

200 Signatures Are On Water Petition

More than four times the number of signatures needed on a petition asking the State Board of Water Engineers to create a White River water district have been secured here this week.

With only 50 signatures required on the petitions being circulated in each of four cities, approximately 200 had been secured here up to Tuesday afternoon.

There has been no report on the success of the petitions in Crosbyton, Spur and Ralls, but none of them are expected to experience any trouble in obtaining the required number of signatures.

After all the petitions are in, they will be submitted to the State Board of Water Engineers along with maps and other data on the proposed project, which would create a municipal water supply for the four towns.

If the state board creates the water district, the next step will be to hold confirmation elections in each of the four cities.

Dr. Fred Beavers Will Locate Here

Dr. Fred Beavers, who will complete his internship at Scott & White Hospital in Temple on June 30, will move to Post early in July and open offices in the Medical & Professional Building. It was announced this week.

Dr. Beavers received his M. D. degree from the University of Alabama Medical School at Birmingham.

His family consists of a wife and two-year-old son, William.

City Cleanup Day To Be Wednesday

Post's annual clean-up campaign, in which every citizen is asked to cooperate, will be held all day Wednesday, June 6, Mayor James Minor announced this week.

The mayor said that since alleys and other areas are in better shape this year than they were last year, the clean-up drive is being limited to one day.

"That's all the time we'll need if everybody will pitch in and help," the mayor said.

City and county trucks will be used to haul trash accumulated in the clean-up campaign to the city dump grounds, where it will be burned. The mayor said some of the oil companies will also make their trucks available, as they did last year.

The mayor asks that both downtown and residential premises be thoroughly cleaned up and the accumulations placed on the alleys for convenient pickup by the trucks.

"Following the clean-up drive," the mayor said, "the City will blade all the alleys and will spray later in the year to eliminate fly and mosquito breeding places."

As during clean-up campaigns of past years, the City will be host at noon at a lunch for workers in the City Park, Mayor Minor said.

Tentative Plans For Post's 50th Anniversary Are Under Way

Tentative plans for a barbecue and celebration next year in observance of the 50th anniversary of the founding of the city of Post were made by Chamber of Commerce directors at a meeting Tuesday afternoon.

Mrs. Fritz Greenfield, secretary of the organization, said plans are to hold the barbecue at the site of the proposed White River lake, northeast of Post, near Kalgary.

"It all depends, of course, on how far along they are by that time with the lake project," the secretary said.

It was explained that the barbecue and celebration would be for all residents of Garza County, with other civic clubs and various organizations assisting the Chamber of Commerce in staging the event.

Also discussed at the directors' meeting was the city mail delivery project, on which the Chamber of Commerce is working.

Progress on the project thus far has been unsatisfactory, due mainly to disinterest on the part of the post office patrons, it was explained. Of 1,000 questionnaires mailed out several weeks ago to determine how many patrons wanted city mail delivery, only 420 have been returned. Postmaster Harold Voss told the directors. He said that of the 420 questionnaires returned, only about 3 percent were opposed to city mail delivery.

More of the questionnaires need to be returned before the Post Office Department will go any further on mail delivery project, it was explained.

The postmaster said those who did not receive questionnaires or who had misplaced them could indicate their choice on a slip of paper and turn it in at the post office. He said this type of request will carry just as much weight as one of the official questionnaires.

The Chamber of Commerce is planning to get other civic clubs interested in the project in order to get enough of the questionnaires back to give the Post Office Department something to go on.

HYBRID SORGHUM, LONG STAPLE COTTON BEING TRIED

Some grain sorghum test blocks planned for the county this crop year have been planted on irrigated land, but the dryland blocks are waiting on rain, County Agent Lewis C. Herron said Tuesday.

The demonstrations will also include cotton on both irrigated and dryland, the agent said.

With seed furnished by the Texas Experiment Station, 18 farmers plant hybrid grain sorghum test blocks with the following varieties:

Aubrey McNeely, 660; Earl Rogers, 620; Floy Richardson, 610; Richard Lewis, 620; Carl Rains, 620; Neil Crosby, 590; Will Wright, 610; Claude Spence, 610; Avery Moore, 610; Glenn Davis, 590; Elvyn Davis, 590; Homer Huddleston, 590; Ray McClellan, 610; Claude Williams, 601; Dillard Dunn, 611; Russell Wilks Jr., 620; J. Swimming Pool Is Drawing Crowds

Despite cool weather most of the time, the city swimming pool has proved a popular place since its opening last Friday afternoon, manager Jackie Hays announces.

Approximately 75 swimmers took dips in the pool on opening day, and attendance has been holding up good since that time, the manager said.

Pool hours are from 2 until 8 p. m. weekdays and from 1:30 to 6 p. m. Sundays.

Hays announced this week that Thursday afternoons and evenings from 4:30 until 8:30 o'clock have been reserved for adult swimmers.

He also announced that morning swimming classes will begin early in June under the instruction of Mrs. Zoe Kirkpatrick and Miss Frances Craig, who have completed Red Cross instructor courses.

Lifeguards at the pool are Gene Young, also a Red Cross swimming graduate, and Miss Craig.

Farmer Is Dismissed From Hospital Here

Adrian Cook, who suffered severe burns in a tractor gasoline explosion May 6, was dismissed last week from Garza Memorial Hospital.

Cook was knocked from the tractor and his clothing set afire by the explosion which occurred as he was working on his farm about 10 miles west of Post. He received severe burns on the arms, neck and about the face.

Cook was knocked from the tractor and his clothing set afire by the explosion which occurred as he was working on his farm about 10 miles west of Post. He received severe burns on the arms, neck and about the face.

City Cleanup Day To Be Wednesday

Post's annual clean-up campaign, in which every citizen is asked to cooperate, will be held all day Wednesday, June 6, Mayor James Minor announced this week.

The mayor said that since alleys and other areas are in better shape this year than they were last year, the clean-up drive is being limited to one day.

"That's all the time we'll need if everybody will pitch in and help," the mayor said.

City and county trucks will be used to haul trash accumulated in the clean-up campaign to the city dump grounds, where it will be burned. The mayor said some of the oil companies will also make their trucks available, as they did last year.

The mayor asks that both downtown and residential premises be thoroughly cleaned up and the accumulations placed on the alleys for convenient pickup by the trucks.

"Following the clean-up drive," the mayor said, "the City will blade all the alleys and will spray later in the year to eliminate fly and mosquito breeding places."

As during clean-up campaigns of past years, the City will be host at noon at a lunch for workers in the City Park, Mayor Minor said.

Dr. Fred Beavers Will Locate Here

Dr. Fred Beavers, who will complete his internship at Scott & White Hospital in Temple on June 30, will move to Post early in July and open offices in the Medical & Professional Building. It was announced this week.

Dr. Beavers received his M. D. degree from the University of Alabama Medical School at Birmingham.

His family consists of a wife and two-year-old son, William.

Tentative Plans For Post's 50th Anniversary Are Under Way

Tentative plans for a barbecue and celebration next year in observance of the 50th anniversary of the founding of the city of Post were made by Chamber of Commerce directors at a meeting Tuesday afternoon.

Mrs. Fritz Greenfield, secretary of the organization, said plans are to hold the barbecue at the site of the proposed White River lake, northeast of Post, near Kalgary.

"It all depends, of course, on how far along they are by that time with the lake project," the secretary said.

It was explained that the barbecue and celebration would be for all residents of Garza County, with other civic clubs and various organizations assisting the Chamber of Commerce in staging the event.

Also discussed at the directors' meeting was the city mail delivery project, on which the Chamber of Commerce is working.

Progress on the project thus far has been unsatisfactory, due mainly to disinterest on the part of the post office patrons, it was explained. Of 1,000 questionnaires mailed out several weeks ago to determine how many patrons wanted city mail delivery, only 420 have been returned. Postmaster Harold Voss told the directors. He said that of the 420 questionnaires returned, only about 3 percent were opposed to city mail delivery.

More of the questionnaires need to be returned before the Post Office Department will go any further on mail delivery project, it was explained.

The postmaster said those who did not receive questionnaires or who had misplaced them could indicate their choice on a slip of paper and turn it in at the post office. He said this type of request will carry just as much weight as one of the official questionnaires.

The Chamber of Commerce is planning to get other civic clubs interested in the project in order to get enough of the questionnaires back to give the Post Office Department something to go on.

By CHARLES DIDWAY
FRIDAY IS THE first day of June, a 30-day month that brings the first day of summer on the 21st, Father's Day on the 17th and Flag Day on the 14th. It gets off to a good start with Jeff Davis' birthday on the 3rd.

LOCALLY, WE'LL BE observing most of the above dates, also keeping an eye on the water situation, which promises to make headlines again this summer; helping the Little Leaguers get started, and not losing sight of the major league races.

LIKE OTHER SUMMER months, when school is out and many other activities are at a virtual standstill, June is going to find us hard-pressed for news with which to fill the front page columns. The weather could help us a lot if it just would . . . we know of nothing we'd like to write about better than a good rain each week of June.

THIS IS A quotation we came up with from somewhere during last week's rush of school-closing activities: "True education may be measured by what remains after the process by which it was acquired has been forgotten."

ONE OF THE VFW Auxiliary members told us Saturday that each dollar contributed to the Buddy Poppy campaign is divided as follows: post and auxiliary relief funds, 45 cents; department rehabilitation funds, 15 cents; National Orphans Home and Hospital, 10 cents; national rehabilitation fund, 10 cents; cost of materials, 10 cents; cost of literature and sales promotion, 7 1/2 cents; to disabled veterans for assembling poppies, 2 1/2 cents.

BESIDES A HANDFUL of poppies, that gal was carrying around quite a bit of information in her pretty little head.

DR. ELMER HESS, president of the American Medical Association, has urged doctors to "cooperate with newspapers." He called the American press "the greatest educational unit that is available today" and added: "Reporters should have your help—the facts for a story or your opinions—when they need it."

SOME GRAND JURIES have only routine matters to investigate. Others, like the Randall County grand jury being convened this week, have such things as the recent West Texas State College panty raid to look into.

A PESSIMIST IS a man who can look on the bright side and complain that the light hurts his eyes.

SUMMER ACTIVITIES got under way at the C. W. Post Memorial Scout Camp last weekend, with Cub-Dad camps being held on Saturday and Sunday. The first week of Scout Camping starts this Sunday and will continue through Saturday morning, June 3.

DURING THE SUMMER camp series, some of the finest youngsters and adult leaders on the South Plains will be camping out right at Post's "back door."

CAMP POST, WHICH is the basic training camp of the South Plains Council, Boy Scouts of America, has been in continuous operation since the fall of 1928 when the camp property was presented to the South

Roger W. Babson Writes This Week:

Honor Student May Possess Good Memory Still Lack Judgment, Loyalty, Integrity

BABSON PARK, Mass.—The practice now followed by the Personnel Departments of large corporations to secure the best graduates from high schools and colleges is absolutely wrong. They interview those graduates whose marks place them among the highest 10% or 20% of their class. This custom may disrupt the entire class and spoil some of the graduates. When a graduate, or any one else, gets the idea he is "indispensable," it is a dangerous situation. The marks which one receives in high school or college are largely due to memory. These marks are no index of industry, loyalty, or even common sense. Educators preparing examinations try to devise questions which determine "judgment," but the students learn the questions and answers in advance. This even results in judgment tests being determined largely by memory. Memory is very important; but it does not take the place of judgment, loyalty, integrity, or the fundamentals which make and break corporations.

104,000 Questions
Educators are greatly disturbed over the fabulous question tests which the radio and television chains are operating. To have a horse jockey become the leader for data on art; or to have a cobbler secure such a reputation for his knowledge of opera; or to hear of others of these "miracles," is very disturbing. Yet, they get far better results from these jockeys and cobblers than from many professors or experts on the subject. I forecast that these results will completely revolutionize educational methods, standards, and tests. Either the nation is missing the intellectual capacity of thousands of unknown and humble people, or else the professors and experts are standing on very thin ice.

What About The Quiz Kids?
Educational leaders are giving the "Quiz Kids" much thought and worry. The 16-year-old boy who answered questions on the stock market naturally interested the gentry, since I have given my entire life to stock market problems. The answers given by this kid could not be

An encouraging report from the county's 4-H Club building committee is that their building fund has been boosted to \$4,300 by an \$800 contribution from the Post Lions Club.

The Lions, who sponsor the annual Garza County Fair, know that their \$800 contribution will prove a good investment, since the 4-H building will be used for exhibits during the fair. It is to be constructed at the City Park, where the 1956 fair will be held.

Members of the 4-H building committee estimate that additional funds ranging from \$1,500 to \$2,500 will be needed before the new building can be constructed. Donations in any amount will be welcomed and may be made to members of the building committee.

Two local contractors, one masonry and the other electrical, have offered their services free of charge, and the 4-H Club members plan fundraising projects for the coming weeks. The building committee members point out that public donations alone will not be dependent upon, but that they will be welcome in the campaign to raise funds for this worthwhile community project.

Club leaders and members have long visualized such a building as the one planned. It is urgently needed in a county where approximately 275 youths and adult leaders are actively engaged in 4-H Club work.

The truth is that the right to work is as fundamental as religious freedom and the right of free speech, free assembly, and free press. Where the right to work does not exist, there is no real freedom.—Fallon, Nev., Standard.

The great foundation on which free representative government rests is free private enterprise. Government in business eats away at that foundation.—Terre Haute, Ind., Tribune Star.

It seems that warm months offer many new means for the fast buck guys to operate. The field of operations may include everything from fake roof and gutter cleaners to phony telephone quizzes. . . . Actually there is no need for this to happen. There is a cure: Let the fellows who are in business in local concerns do your work.—Tell City, Ind., News.

The change in newspaper production methods through the years have been extraordinary. Our ways are as different today from 40 years ago . . . as power farming compared with the days of horsepower.—Traer, Ia., Star-Clipper.

Plains Council by the heirs of the Post estate in memory of the late C. W. Post.

RESIDENTS OF THE Post area who have not visited the camp during the last year or two have a number of surprises in store if they can find time to go out now. Many improvements, not only in the buildings, but also in the camping system, have been made. Chief Frank A. Runkles, camp ranger, says the public is invited to visit the camp at any time while the summer camp series is in session.

YOU'RE AN OLD-TIMER if you can remember when the baby sitter was called "mama."

OUR CONSERVATIVE friend finally bought a television set. He said he had to because his whole family are opera lovers: he, grand; his wife, soap; his kid, horse.

matched by any member of the New York Stock Exchange. But how much will it amount to? My organization will spend considerable time and money watching this 16-year-old boy.

All I can say now is that I once employed the man who had been the youngest to graduate from Harvard College, up to that time. He could perform wonderful feats in mathematics. I felt he would be a great aid for Babson's Reports. We, however, could not keep him at work on the things for which he was best fitted. He had a hobby for collecting street car transfers. I have in my library a book which he wrote on the subject. Finally, he refused to do anything but run a lawn mower. Yet he received very high marks in college.

Newsboys Are Worthy Of Attention
If I were an employment manager, I would make a study of newsboys. A successful newsboy must have a fair memory. He must have courage, initiative, honesty, and industry. I have a friend, Harry B. Taplin of Wellesley, Mass., who is making a study of newsboys. Certain qualities must be possessed by all boys (and girls) who deliver newspapers to homes. I especially, however, have in mind those boys who hold the busy locations on downtown street corners of our big cities. I have never made a study of these boys, but my hunch is that they often become very successful in business, if given an opportunity. I wish every newspaper in which this column is published would make a study of its newsboys.

It is useless to discuss the great problem of education in a column such as this. I, however, wish to leave with readers two thoughts: (1) That there is something fundamentally wrong with our present educational system of marketing and promoting. These radio and television exhibits should make many college professors and trustees shame-faced. (2) If you have a boy or girl of good character and habits who graduates in the lowest 20% of his or her class, don't be discouraged. The chances of such graduates may be just as good as if graduating at the head of their high school or college class.

THAT'S GOING to be quite a stretch of highway from here to the top of the caprock, going northwest, once they get it completed. Even now, the casual observer can tell that the new four-lane road will eliminate what has been on of our biggest traffic bottlenecks.

Incidentally, I read the other day that Lamb County is going to vote on bonds with which to purchase right-of-way for widening U. S. Highway 84 from one end of the county to the other. I understand that Bailey County has already done so, and completion of those stretches will make it a four-lane route from Lubbock to Clovis, N. M.

Lubbock County is planning on widening the same highway to four lanes from there through Slaton and to the Garza County line. That probably means the Highway Department before long will come up with a project for continuing the widening from the Garza County line through Southland and to a connection with the four-lane widening now under way here.

Already, right-of-way bonds have been voted for widening of the road from here to the Scurry County line, which will result in U. S. 84 being a four-laner from there clear to Clovis, and no telling how far southwest, since Scurry and other counties have similar projects under way.

Last Wednesday, when the Boy Scouts started putting out the flags for the rodeo, I heard a local business woman say, "I'll never forget what happened the last time all the flags were out." Girl Scouts Are Presented Awards At Mrs. Malouf's

By RUBY MONTGOMERY

Girl Scout Troop 4 met at Mrs. M. J. Malouf's for a court of awards, Tuesday at 4 p. m.

The ceremony began with a flag ceremony. Linda Taylor carried the U. S. Flag and Danella Bateman carried the Troop flag, with Beverley Young, Jeanette Hutto, Ruthell Martin, and Judy Clary as color guards.

Jerilyn Davies lead the group in singing "America."
 Mrs. Alton Clary presented the following girls with their second class badges: Jeanette Hutto, Cheryl Billings, Jerilyn Davies, Linda Dulaney, Linda Taylor, Doris Copple, Beverly Young, Judy Clary, Ruthell Martin, and Danella Bateman.

Proficiency Badges were presented as follows:
 Beverley Young-cook, hospitality and good grooming.
 Danella Bateman-cook, hospitality and good grooming.
 Ruthell Martin-cook, hospitality and good grooming.
 Jeanette Hutto-cook and good grooming.
 Doris Copple-cook and good grooming.
 Linda Dulaney-cook and good grooming.
 Jerilyn Davies-cook and good grooming.
 Linda Taylor-cook, good grooming and hospitality.
 Judy Clary-cook, good grooming and hospitality.
 Cheryl Billings-cook, good grooming and hospitality.

Each girl gave a girl scout law and salute when she received her badges.
 Cheryl Billings lead the group with the Girl Scout promise and salute.

Mrs. Malouf then presented each girl with a membership star for another year in girl scouts.
 Mrs. Alton Clary then pinned a girl scout pin on Mrs. Malouf.
 Linda Dulaney lead the group in singing "Girl Scouts Together."
 Doris Copple presented Mrs. Malouf with a girl scout handbook as a gift from the troop.

After the ceremony, Mrs. Malouf served sandwiches, cake and punch to the group. Guests were Mrs. George Coury of Snyder and Scotty Malouf from Lubbock.

Burnes Home Is Scene Of HD Club Meeting

Pleasant Valley Home Demonstration Club met recently in the home of Mrs. R. V. Burnes. She read a poem as the opening devotional.
 Roll call was answered with "believe it or not." Mrs. Robert Mock made a report on the concession stand at Southland ball-games during the business session. The group also voted to sell all occasion greeting cards and to change the time of meeting to 2:30 p. m. beginning next month.
 Refreshments of ice cream, cake and punch were served to Mrs. T. L. Adams, Mrs. Sonny Hill, Judy and Debbie, Mrs. Billy Johnson, Mrs. Robert Mock, Mrs. Carl Payton, Mrs. Stanley Sims, Theresa and W. D., Mrs. Spence Bevers, Mrs. Jacky Meeks and Billy Joe, the hostess and daughter, Cindy.

PHS also lost three girls. Anne Osborne, Patsy Rountree, and Charlotte Cornett have moved.

Mrs. Weaver Moreman and family spent Wednesday visiting in Abernathy.

Among the many couples seen together the last week at various places were Larry Sanders and Barbara Stone, Ted Tatum and Patay Rountree, Gene Young and Bettye Sue Hunt, Denzel Laurence and Linda Lusby, Leon Miller and JoAnn Moreman, Darrell Norman and Anne Porterfield, Royce Josey and Sherry Taylor, Tommy Murray and Darlyene Hulsey, Donald Ammons and Alane Norris, Charles Chandler and Bettie Sue Norman, and V. A. Lobban and DeLores Dye.

Post High has lost several teachers this school year. They are: Bing Bingham, Vernon Ray, Miss Lynn Harrison. Several of the Junior High teachers also resigned.

ing-Carpenter Wedding Is Read Methodist Church Saturday

Miss Velta Fern Carpenter, daughter of Mr. and Mrs. G. F. Carpenter, became the bride of Gene Mayo King, son of Mrs. J. D. King and the late Mr. King, Saturday evening in the First Methodist Church.

David King, organist, offered a prelude of wedding music and accompanied Jack Lancaster as he sang "Tell Me Why," "Whither Thou Goest" and "The Lord's Prayer."

The Rev. Almon Martin, First Christian Church pastor, read the double ring ceremony at 8 o'clock, before an altar decorated with white gladioli arrangements, palm trees and white tapers in candelabra.

Given in marriage by her father, the bride wore an off-white, brocade tulle, waltz length gown, designed on princess lines with rounded neckline and cap sleeves. A band of pearls held her shoulder-length veil of illusion. She carried a white Bible topped with yellow roses. Her Bible was something old, she carried a new handkerchief, borrowed pearls earrings and choker from her sister-in-law and bridesmaid, Mrs. Wayne Carpenter, and she wore a blue garter given her by Miss Sue Stephens.

Mrs. A. F. White, matron of honor, wore a yellow polished cotton dress and carried a pink, rose bouquet. Mrs. Carpenter wore pink polished cotton and carried pink roses. Miss Stephens, candlelighter, wore yellow.

Rex King attended the bridegroom as best man. Jack Schmidt and Wayne Carpenter were ushers.

Mrs. Carpenter chose for her daughter's wedding a beige and avocado linen suit with beige accessories and a beige and brown corsage.

Mrs. King was attired in navy and she wore a white corsage.

The church parlor was the scene of a reception immediately following the vows. Mrs. White registered the 60 guests.

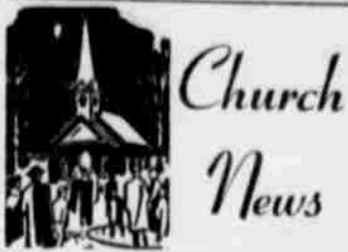

The refreshment table was laid with lace over yellow and featured pink roses. The white cake was decorated in yellow. Mrs. Carpenter and Miss Stephens presided at the table.

Mr. and Mrs. King will be at home in Canyon after tomorrow. He will attend West Texas State College. They are graduates of Post High School and the bride has been employed in the General Telephone office here.

For a trip to Amarillo, the bride wore a yellow and brown silk dress with yellow accessories.

Seventy-two students are enrolled in the Vacation Bible School at the First Methodist Church, according to general superintendent, Mrs. Edsel Cross. Eleven teachers and a committee of mothers, headed by Mrs. Powell Shytle, are assisting with classes and the recreation and refreshment hours each day. Plans for a fellowship supper and a sharing program are being completed for the closing night of the school. This program will be held in Fellowship Hall June 6 and all parents are reminded to bring a covered dish for the supper.

Saturday will be preparation day for the Calvary Baptist Vacation Bible School. The school will be held from 8:30 until 11 a. m., June 4-5.

Mrs. Kelly Sims gave a review of the book, "Stone Upon His Shoulder" at the Monday meeting of the Women's Missionary Union at the First Baptist Church. Since the group is studying the American Indian this season, the book held a significant meaning to all who have attended the mission lessons. Mrs. Howard Maddera, mission study chairman, introduced the speaker and gave a brief background on previous lessons. It was announced that the group would not meet next week due to the Vacation Bible School schedule.

Summer church camp dates are being released from the office of Miss Louella Eades, secretary of the First Baptist Church. Camp periods for this district will be held during July. Buildings and camp grounds with fine cabin facilities will make the Plains Baptist Assembly camp near Floydada a delightful outing for fun and study for all groups who attend. Intermediate boys will enroll on July 11-13; Junior boys on 11-13; Junior girls on 16-18; and Intermediate girls on 18-20. Young people of the district will register for July 2-3 and Family night will be held on July 4. All parents are reminded to make notes of these dates and plan vacations around the church camp dates.

Preparation Day for the First Baptist Church Vacation Bible school has been set for Saturday. Registration will begin Monday morning at 9:00 o'clock in the main auditorium. Classes will be held from 8:30 until 11:30 a. m. from June 4 through 13. Plans for the graduation program at the close of the school are not complete, but will be announced later. All children who are not attending other Vacation Bible Schools are invited to attend, Miss Eades said.

An interesting and informative program based on the publications of the Women's Society of Christian Service was presented by members of the WSCS Monday afternoon in regular session at the First Methodist Church. Mrs. J. E. Tanner was program leader.

Spiritual meditation stressing the goals for the next four years was given by Mrs. W. L. Porterfield. Mrs. T. L. Jones presented an interesting part discussing higher education for women of Korea. Methodist federation in Latin America was discussed by Mrs. J. R. Durrett.

To give emphasis to the program, a skit stressing the value of subscribing to church publications was presented by Mrs. Tanner, Mrs. R. H. Collier, Mrs. Jones, Mrs. J. D. Glass, Mrs. Connie Caylor, Mrs. T. R. Greenfield, Mrs. J. E. Stephens, Mrs. J. R. Durrett, Mrs. Bob Collier, Mrs. H. W. Schmidt, Mrs. S. C. Storie, Sr., Mrs. Carl Clark, Mrs. Lee Bowen, Mrs. George Samson and Mrs. Malouf.

Mrs. M. J. Malouf entertained the Needlecraft Club in her home Friday afternoon. Mrs. T. L. Jones directed the program. Each member told of a funny incident that had happened to her while she was sewing. Mrs. Jones also related some May Day incidents. Chicken salad, olives, hot loaf bread, butter, cake with whipped cream, nuts and coffee were served to Mrs. R. P. Tomlinson, Mrs. Katherine Trammell, Mrs. Malouf's sister-in-law, Mrs. George Coury, of Snyder and her grandson, Scotty Malouf, of Lubbock and the following members:

Mrs. Jones, Mrs. J. D. Glass, Mrs. Connie Caylor, Mrs. T. R. Greenfield, Mrs. J. E. Stephens, Mrs. J. R. Durrett, Mrs. Bob Collier, Mrs. H. W. Schmidt, Mrs. S. C. Storie, Sr., Mrs. Carl Clark, Mrs. Lee Bowen, Mrs. George Samson and Mrs. Malouf.

Mrs. H. J. Dietrich presented her music pupils in spring recital Monday evening at the First Methodist Church.

Those who played were Frances Dietrich, Annette McBride, Dixie Lucas, Brenda Haley, Tony Hutto, Emma Martinez, Lin Allyn Cox, Kathleen Smith, Shirley Lee, Linda Wilks, Donna Jo Robison and Wynana Windham.

Also Wayne Brincefield, Carolyn Matsler, Janith Short, Glenda Hutto, Gayla Johnson, Karen Haley, Marianne Jones, Pam McCrary, Boyd Dodson, Onesta Jones, Don Davies, Kay Jones, Beverly Young, Mary Louise McCrary and Gene Young.

Certificates and pins were presented to the group following the program.

Those present were Pat Crowley, Anne Harmon, Linda Bartlett, Lucy Trammell, Linda Livingston, Frances Dietrich, Marilyn Steel, Bettye Porterfield, Barbara Hargan, Mrs. Katherine Trammell, Mr. and Mrs. T. L. Jones, Mrs. L. A. Barrow, and Mrs. James Dietrich. The group presented Mary with gifts.

Mary has been a scout since December, 1949, when Troop 1 was organized. She is a senior scout and holds the highest awards. She has the Curved Bar, from the Intermediate Scouts, the Five Point Star Award for the Senior Scouts, and the Program Aid Bar.

Mrs. Oscar Smith had charge of the Home Mission program for the Presbyterian Ladies Aid group Monday when they met in regular session at the church. Those assisting with the program were Mrs. I. N. McCrary, Mrs. A. C. Surman, Mrs. D. C. Williams, and Mrs. Tom Hagood.

The next meeting will be held on June 10.

Mr. and Mrs. Bill DeWalt and children were complimented with a farewell party by members of the Presbyterian Church recently. An ice cream supper was held in the annex of the church. The couple and their children, who have been active in church affairs, will make their home in Hot Springs, Ark.

The Methodist Youth Fellowship had a party at Lubbock Sunday afternoon. Mrs. H. W. Schmidt sponsored the group. Those who enjoyed swimming, a picnic supper in Mackenzie Park and miniature golf were Gary Welch, Larry McCullough, Charles Cheshire, Bettye Porterfield, Sharon Jobe, Andy Schmidt, Frances Dietrich, Susie Schmidt and Mrs. Schmidt.

June 3 is homecoming day at the Assembly of God Church. Lunch will be served at the church. The Rev. J. R. Brincefield said that the public is invited to attend the all-day event. There will be singing from 2 until 4 p. m.

Mrs. Nita Ray Thompson and Lt. Joseph Aim were married Saturday evening in Bowman's Chapel in Lubbock, with the Rev. A. O. Graydon, Methodist minister, officiating for the double ring ceremony at 7 o'clock. The altar was decorated with white stock. Mr. and Mrs. Ray McClellan and Mrs. Helen M. Aim of Phoenix, Ariz. are parents of the couple.

Mrs. Mamie L. Neal, church organist, played "Because," "I Love You Truly" and the wedding marches.

Mr. McClellan gave his daughter in marriage. She wore a light blue pima silk, street length dress, trimmed in blue lace. It was fashioned with a scoop neckline. Her accessories were white and she carried feathered white carnations on a white Bible.

Miss Sue Allen, maid of honor, wore a pink polished cotton dress, white accessories and carried pink feathered carnations.

Lt. Jerry L. Songgins attended the bridegroom as best man. Ushers were Lt. Harry C. Armstrong and Lt. Larry Ruch.

Mrs. Britnie Bledsoe was hostess for a reception following the vows, in her home at 1801 13th. Blue and white decorations were used. The serving table was centered with a tiered cake, topped with a miniature bridal couple, and white roses.

Among the 50 guests present were Bill Bowling of Wichita Falls, Mr. and Mrs. Homer Joe Mason, Mr. and Mrs. Raymond Thane, Mr. and Mrs. Bill Stone and Mr. and Mrs. McClellan and Mason.

Lt. and Mrs. Aim are at home at 3809 23rd St., Lubbock, where he is an instructor at Reese Air Force Base. He was graduated from Gallop High School and attended New Mexico AAM. The bride, a graduate of Post High School, is an operator for Southwestern Bell Telephone Co.

Miss Farr To Wed Haskell Odom In Clovis Church On June 29th

Mr. and Mrs. A. J. Farr of Lubbock have announced the engagement and approaching marriage of their daughter, Ottoma Lynn, to Haskell Odom, son of Mrs. Harry Wood.

The couple will exchange vows in the First Christian Church in Clovis, N. M., on June 29th. They will be at home in Lubbock.

The bride-elect will be a senior at Tom S. Lubbock High School and the prospective bridegroom will be a junior education major at Texas Tech.

Priscillas Meet With Mrs. Hudman

Friday's Priscilla Club meeting was in the home of Mrs. Victor Hudman. Mrs. Almon Martin presided for the business session, during which the group voted to continue meeting at 3 o'clock in the afternoon during the summer months.

Refreshments of congealed salad, potato chips, cookies and iced tea were served to Mrs. Lucy Richardson, Mrs. T. R. Hibbs, Mrs. L. A. Barrow, Mrs. Jessie Voss, Mrs. R. H. Collier, Mrs. R. H. Tate, Mrs. Martin, Mrs. N. C. Outlaw, Mrs. Robert Cox and Mrs. Ellis Mills.

Miss Mary Nell Bowen and Thomas Vane Copeland will be married here Sunday at 8:30 a. m., in the First Baptist Church, the Rev. Roy Shahan, pastor, officiating.

Friends and relatives are being invited through the press. A reception for out-of-town guests and relatives will be held at the home of Mr. and Mrs. Lee Bowen.

Mrs. George Hester Is Named Honoree At Shower On Monday

Mrs. George Hester, the former Perry Short of Slaton, was the honoree at a tea-shower Monday morning in Mrs. Buddy Hays' home, 501 11th St. in Slaton. Guests were between the hours of 7:30 and 10 a. m.

Mrs. R. A. Thompson and Mrs. Hester's chosen colors of white and pink were emphasized throughout the entertaining. The table was covered with white lace cloth and had pink roses on the sides. Roses were used in a modernistic pattern on the table. Two pink candles terminated either end of the table.

Refreshments consisted of pineapple punch, assortment of mints, and individual cakes served by Mrs. C. Biggs. The cakes were decorated with pink roses.

Hostesses alternated in serving the gifts. Approximately 65 guests from Slaton and surrounding communities were present.

Miss Lott will be graduated Monday from Hockaday.

Miss Patricia Jean Lott, daughter of Mr. and Mrs. John Lott, will be graduated from the Hockaday School in Dallas at 5 p. m. Monday.

At the late afternoon graduation ceremony, 67 graduates will form a procession beneath arches of flowers, held by members of the undergraduate Honor Guard. Miss Lott's sister, Linda, will be a member of the Honor Guard. The graduates will wear identical full-length dresses of white organdy and pastel picture hats. They will carry baskets of spring flowers.

Graduation activities will begin Saturday morning, with the Upper School Swimming Meet, followed by the Honors Assembly. On Saturday evening, graduates and their parents will be entertained by Dr. and Mrs. Hobart F. Mossman at the president's dinner. Following the Music Festival will be presented by the Upper School Concert Choir under the direction of Thomas Merriman.

Speaker for Vespers Sunday evening will be Dr. Robert E. Goodrich, Jr., pastor of the First Methodist Church, Dallas. Dr. Willis Tate, president of Southern Methodist University, will be the commencement speaker.

Miss Lott has attended Hockaday four years, during which time she has been awarded the courtesy cap and boarder's pin and has served as president of her residence house and co-chairman of Vespers. She has been a member of the student council, glee club, typing club, green athletic team and varsity basketball team.

A member of the Second Form (10th grade), Linda Lott has attended the preparatory school two years. She has been secretary-treasurer of her residence hall and a member of the glee club and school service and inter-school relations committees of the student council.

WEST TEXAS Editorial Comment . . .

It Never Pays
It never pays to let down and give voice to how badly you feel. At least, not when children are around.

Mrs. Alton McClellan was explaining to her youngest son, Billy, the other day about wearing flowers on Mother's Day. "You wear a red flower if your mother is alive and a white flower if your mother is dead," she carefully explained.

"And you wear a pink flower if your mother is half dead," Billy quickly put in.—"Sights, Sounds and Scenes" in The Stamford American.

Could Be Worse
Times are not too tough. Couldn't help but be impressed by the fact that out of the eight new car registrations listed in our last issue, four were Cadillacs.—"Nearly News" in The Lamb County Leader.

Growing Pains
Brownfield's per capita during March of \$16.23 was 86th in the state of Texas, according to the Texas Business Review. Don't ever kid yourself, we darn sure are growing.—"News and Views" in The Brownfield News.

Who'll Lose Most?
Assuming that Mr. O'Daniel turns out to be the third man in the race, which candidate—Daniel or Yarborough—will he cost the most votes? There is logic on both sides of this question, but our guess is that he will take most Yarborough votes, and accordingly Yarborough should get more O'Daniel votes in a runoff than would Price Daniel. Should O'Daniel be in the runoff, he will do better than the old-line students of politics think he can do.—"Views and Comment" in The Floyd County Hesperian.

Way Back When
If you can remember when a "screwdriver" was a mechanic's tool, you don't have to worry about the draft.—"It Sez Here" in The Ralls Banner.

Being Fashionable
We've waited till after the wintry days to have our worst cold. But we're being fashionable, just like the women who wear their spring clothes in January and their winter clothes in August. Some wisacre has said that there are many things that can be done to relieve a cold, but up to the present it remains true that the untreated cold will last about seven days, while with careful treatment it can be cured in a week.—"Popvaive" in The Hamlin Herald.

Absent-Minded Stunt
A Hamilton woman who is addicted to absent-minded stunts, came up with a king-size caper this week. The woman, whose name will not be divulged, was preparing to report to her job as society editor for the Herald-News, and reached for a tube of hair dressing to put on her twining tresses. After a few moments of massage, she was horrified to discover she'd been vigorously rubbing toothpaste into her hair.—"Twilight Zone" in The Hamilton

Herald-News.

He Felt Lucky
The dentist told the millionaire Texas oil man that his teeth were in perfect condition. "But I feel lucky today," pleaded the Texan, "drill anyway."—"For Your Information" in The Gaines County News.

It's Your Holiday
Note to Merchants: Just in case you might have forgotten, you voted last fall to observe Memorial Day, May 30, as a holiday. There will be no checking beforehand, say the Chamber of Commerce directors. It's your holiday.—"Trends" in The Crosbyton Review.

Just Doesn't Satisfy
Every man to his own preferences, but to me smoking a filter-tip cigarette leaves something to be desired, like kissing a woman through a veil.—"Trail Dust" in Matador Tribune.

H-SU Rodeo Team Is Winner In District

Final statistics released by the Southwestern district of the National Intercollegiate Rodeo Association show that the Hardin-Simmons University Cowboys, coached by Sammy Baugh and Bill Ledbetter, are the champions.

The Cowboys will represent the district at the NIRA's championship show, which will be held in Colorado Springs, Colo., June 8-10. H-SU won the national title in 1953.

In this year's competition, Sul Ross placed second in the district and also won a right to compete in the national rodeo.

Weekend visitors in the Gilbert Blodgett home were Mr. and Mrs. J. W. Burnes and daughter of Houston and Mr. and Mrs. R. V. Burnes.

Social Security Man To Be In Post June 8

A representative of the Social Security Administration, Lubbock office, will be in Post at 1:00 p. m., June 8, in the district court room at the courthouse to discuss matters pertaining to social security with Garza folk.

A release from the office points out the importance to a woman, who has changed her name from a Miss to Mrs., to see that her new name has been correctly filed with the Social Security Administration.

It is pointed out that the bride should have her employer check with the Administration to see that the name is changed. Failure to take this action may result in delay and confusion when the time comes for her to claim benefits based on her social security account.

She will retain the same social security number she was assigned originally, but her card will show her married name.

What to WATCH for when selecting the most modern truck for your job!

If you're in the market for a new truck, you can start your "shopping tour" right on this page! The salesman shown here is pointing out modern features that increase efficiency on the job and give you more truck for your dollars.
So take a moment to follow him around in this on-paper demonstration. Then you'll know what to look for—and you'll find it right here, at your Chevrolet dealer's!

WATCH for modern cab design
Chevrolet truck cabs offer greater comfort, panoramic windshield for better vision and modern concealed Safety Steps.

WATCH for advanced Work Styling
The long, low, forward-sweeping lines of new Chevrolet trucks provide modern truck beauty that's good advertising for your business. Each weight class has its own distinctive styling.

WATCH for automatic transmissions
In 3000-4000 Series models there's famous HYDRA-MATIC. And for 5000 through 10000 Series models there's exclusive, revolutionary POWERMATIC! Both are extra-cost options.

WATCH for Ball-Gear steering
Modern Ball-Gear steering, featured in all Chevrolet Task-Force trucks, makes your job easier at every turn! In this precision steering gear, scores of polished steel balls minimize steering friction.

WATCH for modern short-stroke V8's
There's a new V8—either standard or optional at extra cost—for every model. They're compact, efficient engines, too—the leaders in their respective classes for horsepower-per-pound!

You'll find modern features everywhere! For example, there are famous Chevrolet high-compression 6's—the world's most popular truck engines! A great new 5-speed transmission, optional at extra cost, handles tough jobs with ease in a wide range of models. New Triple-Torque tandem options for heavy-duty trucks hike G.V.W.'s up to 32,000 lbs. . . . G.C.W.'s up to 50,000 lbs. Certainly, there are many things that point up Chevrolet truck modernity . . . many reasons why anything less than Chevy is an old-fashioned truck!

ask him:
"what's new on the Santa Fe?"
Your local Santa Fe agent has a wealth of answers to this question. Santa Fe is constantly adding the "new" to all its services and facilities to keep abreast of growing transportation needs in the many communities it serves.
Regardless of where on the system these improvements are made, the people and communities all along the line feel the benefits of a stronger, more efficient rail service.
New cars, new trains, new Diesels, new tracks, new freight services and many other new features help Santa Fe provide shippers and travelers the best possible transportation service.

THE WORLD AHEAD

Congratulations to all young people who are graduating this year! Receiving a diploma means you have fulfilled the academic requirements and met the standards of conduct of your schools. They, in turn, have given you a secure world for four years, with work and rules of conduct mapped out for you.

Now all this is changed in a day. The anchor has suddenly pulled up, and the world ahead looks insecure and uncertain. You now have to plan your own work, and set your own standards of behavior.

At this point, a church connection is a strong anchor to spiritual security. Let your Commencement mean a commencement of regular church attendance in the church you choose. Face the new world ahead armed with its firm hope and faith.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

PEEPING IN THE MARKET BASKET

June Is National Dairy Month, But No Price Change Seen In Products

June is National Dairy Month. And as the good month rolls up dairy products are more plentiful than at any time during the year, but prices don't show it. Milk and other dairy products have become so stable they almost never reflect seasonal change.

Ice cream sales have jumped

tremendously with hot weather. And the ice cream bin looks like a rainbow with flavors ranging from cherry pecan to fresh peach.

Watermelons and cantaloupe are coming in large quantities now, but not too many have reached Post stores. Prices have dropped (watermelons run about 7 cents a pound) but won't reach their lowest ebb for at least another month.

Mrs. Arnold Parrish Is Mystic Hostess

The Mystic Sewing Club met Friday afternoon in the home of Mrs. Arnold Parrish. After sewing and visiting, the hostess served refreshments of sandwiches, cold drinks and cookies.

Those present were Mrs. Frank Runkles, Mrs. Eva Bailey, Mrs. Ella West, Mrs. Marvin Hudman, Mrs. Lowell Short, Mrs. G. E. Fleming, Mrs. E. R. Moreland, Mrs. Everette Windham and children.

Service Station Here Burglarized Monday

The Triangle Service Station, 227 South Broadway, was broken into Monday night and six nickels taken from the cash register, the sheriff's office reports.

Sheriff Carl Rains entrance to the station was gained through a west window in which the burglar broke the glass. He evidently left by the same route, the officer said.

The burglary was reported by Ira (Dad) Greenfield, owner of the station.

Look Who's New

Mr. and Mrs. Truett H. Williams, Jr., of Waskom are announcing the arrival of a daughter on May 14. She weighed six pounds, one-fourth ounce and was named Katina K. The grandparents are Mr. and Mrs. Truett H. Williams of Florin, La., and Mr. and Mrs. T. J. Johnston of Post.

Through their representative in Post, Post Auto Supply, the Plymouth car folks are announcing a new \$100.00 prize contest. You can enter if you own any car. Read all about the wonderful prizes and how you can enter this fascinating Plymouth contest. See Noah today at POST AUTO SUPPLY.

This is National Dairy Month and in saluting this special month this reporter want to bob her bonnet to Louise and James Dietrich, owners and operators of the CAP-ROCK DAIRY. Not only does this couple give the guys and gals of Garza County wonderful dairy products and service, but this duo are most active in organizations for the youth of the town. We need more femmes and fellows like Louise and James.

Clint Herring of HERRING'S has assembled some real buys for you Garza folks for the weekend. In Clint's ad you will find such items as girl's dresses of no-iron fabrics in well known lines selling for as low as \$3.79; anklets for as low as 19 cents a pair or 6 for \$1.00; girl's shorty pajamas for as low as \$1.49; boy's sport shirts of knits, ginghams, nylons, plisse or terry cloth, for \$1.00 each. Be sure and go adventuring through HERRING'S ad in this issue of the paper for values galore in all departments of the store.

For a limited time you can save as much as 50% on Helena Rubinstein's Beauty Pairs. You pay for one item and get one free. Check into this offer at HAMILTON DRUG, headquarters for Helena's products.

TOM POWER-Ford has the only dust-proof paint booth in town, so why not take your car down to Tom's Ford House and have an expert workman give it a real face-lifting job. Free estimates. Tom also features a quick wrecker service.

Consolidation—

(Continued From Front Page) fers, who were in the Post schools during the 1956-57 school year, the difference between the \$137.44 which the board originally set and the \$92.40 they came down to is \$3,314.72, which taxpayers in the Post school district will have to pay next year for the education of pupils from outside the district.

The outlying districts' agreement to send transfer pupils here next year on the \$2.40 tuition fee basis applies only to those pupils in grades not taught in their districts, it was explained. Graham teaches through the 8th grade, Close City through the 7th grade and Justiceburg through the sixth grade.

SUFFERS HEART ATTACK

Mrs. Carl Clark, 78, longtime Post resident, was admitted to Garza Memorial Hospital at 7:10 a. m. today following a severe heart attack.

BITS-OF-NEWS

Mrs. Nita Workman, who has been employed at the First National Bank, left Wednesday to make her home in Lawton, Okla., where her husband is serving with the Army.

Mrs. W. C. Kiker, Alice Fay, Wayne, and Diane accompanied Alfred Payne to Fort Worth, Cleburne, and Wichita Falls to visit relatives over the weekend.

Those attending the Waters family reunion in Mackenzie State Park in Lubbock Sunday were: Mr. and Mrs. Dee Hodges and two children, Mrs. E. L. Gilmore, Mr. and Mrs. Arvel Watson and children, Mr. and Mrs. Roy Brown, Sr. and Mr. and Mrs. Roy Brown, Jr., and James Richard.

Swimming Classes Schedule Is Set

Registration for swimming classes at the city pool will be held Friday and Saturday, June 8 and 9, with classes getting under way on Monday, June 11, Jackie Hays, manager, has announced.

Classes for beginners six years of age and over will be held from 9 until 9:30 a. m. on Mondays, Tuesdays and Wednesdays.

Classes for intermediates, those who know how to swim but desire to perfect their strokes, will be conducted from 9:30 until 10 a. m. on Mondays, Tuesdays and Wednesdays.

Also on Mondays, Tuesdays and Wednesdays, junior or senior life-saving classes will be held from 10 until 11 a. m.

Women's Day at the pool, during which instructions will be given to adult women wishing to learn to swim, will be every Thursday from 9 until 11:30 a. m.

Registration for the swimming classes will get under way at 2 p. m. both days on June 8 and 9.

Mr. and Mrs. Roy Brown Sr. of Tulsa, Okla., who spent the weekend with relatives in Post, returned home Monday morning.

Mrs. J. R. Davis returned home Thursday from a week's visit with her daughter, Mrs. Ida Beauchamp in Roby.

Post Man Recovering From Auto Accident

Frank Smithey, who was seriously injured in an automobile accident at Glenrose about a month ago, was taken to his home here Tuesday from Garza Memorial Hospital, to where he had been transferred from Glenrose.

Smithey suffered three broken ribs, a punctured lung and a fractured leg in the accident. He had been receiving treatment in Glenrose sanitarium and was riding in an automobile with a friend when the accident occurred.

Large Crowds At Graduation Rites

Capacity crowds attended graduation exercises here last week for Post High School seniors and eighth graders.

Eighty-four eighth grade students received diplomas of graduation in a program last Thursday night in the elementary school auditorium. Glenn Whittenberg, high school principal, was the speaker.

Fifty seniors were graduated Friday night in exercises in the high school auditorium. The commencement program was presented by class members.

Weekend visitors in the T. R. Hibbs home were their son, T. R. Hibbs, Jr., and family of Andrews.

Little League—

(Continued From Front Page) games have already been played and attendance at these contests indicate that there will be plenty of spectators for this season's regularly scheduled games.

League officials have announced that the boys will wear protective helmets while batting and also while base-running.

A baseball diamond for league play is under construction across the highway from South Lake on land leased to the League by the Double U Co. Practice sessions and games during the last few days have been held on the junior high school diamond and on a diamond near the Leo M. Acker home in the northwest part of the city.

O. C. (Oscar) Garner, vice president of the league, will be in charge of an umpiring staff of nine members.

Other officials and directors of the league are Leo M. Acker, secretary-treasurer; Lee Ward, representing Postex Cotton Mills; E. R. (Buster) Moreland, Brown Bros.; Polly Duren, Chamber of Commerce; Bill Thomas and Edsel Cross, Junior Chamber of Commerce; Glen Whittenberg, Rotary Club; Al Norris and Martin Nichols, Lions Club, and the four team managers.

Mrs. Charles Gay of Abilene will be a guest of friends and relatives this week.

Range Feed Conditions In Texas Record Low In May, Acreage Is

Range feed conditions hit a record low in Texas the first of May, but the eastern two-thirds of the state may get some relief from late April and early May rains, the Santa Fe railroad said in its monthly crop report Friday.

The western part of the state is still hard-hit by drought conditions, forcing heavy livestock.

Winter wheat acreage given up because of extreme weather "is well over the acreage," and irrigated acreage in Texas will have to produce 17.5 million bushels of wheat.

With favorable weather the harvest, Oklahoma and Mexico has taken its toll, it is doubtful if 500,000 bushels will be harvested, Santa Fe cultural Agent R. L. Cross said.

Cotton planting is under way in southern Oklahoma, Texas High Plains, and eastern New Mexico on irrigated land.

BITS-OF-NEWS

Mr. and Mrs. Oscar Smith spent Tuesday night at their former home in Colorado City. Smith is drilling wells at Dermott and near Justiceburg.

Ralph Manis of Bay City arrived Tuesday to be with his father, B. C. Manis, who suffered a heart attack Monday.

Mr. and Mrs. Curtis Davies and El Wanda and Mr. and Mrs. Roy Stevens visited Mr. and Mrs. Charles Gay in Abilene over the weekend. They attended Charles' commencement at Hardin-Simmons University and also visited the Calvin Hancock.

Mrs. Ruby Wood, Kay Short, and Woody Short of Slaton visited in the Buck Gossett home last week.

Frank Smithey, who was hurt in an automobile accident several weeks ago, was taken to his home here from Garza Memorial Hospital Tuesday afternoon.

**Merchandising Methods Needed
to Inform Consumers About Eggs**

STATION, May 28—Methods for most have undergone a change within the past few years in the case of eggs. F. W. extension poultry specialist, says not approaches have been used to inform consumers about the retail level.

Weight is considered in grading eggs and is a definite factor in determining their value but quality cannot be determined by sight. Inferior quality can be measured only by seeing the egg before a candling light and all eggs stamped with the official U. S. Standards for shell eggs have been candled for quality and sorted for size by a qualified egg grader.

Producers, retailers and consumers could all profit, believes Beanblossom, by giving more consideration to the value of the food contained in a pound and a half or two pounds of eggs. They are a top buy.

**Rodeo Winners Are Named
On Final Night Of Show**

Winners in the 15th annual Post Stampede Rodeo, which attracted approximately 7,500 fans during its four-night run, were announced following Saturday night's concluding performance.

Threatening skies and conflicting events cut the size of the crowds for at least three nights of the event, but this year's show was generally considered a successful event, according to W. S. Duckworth, president of Post Stampede Rodeo, Inc.

In addition to the rodeo events, fans were treated to the antics of two clowns and to programs by the Serenaders from Lubbock on Thursday and Friday nights.

Top money in the bareback riding contest was pulled down by Bill Kellen. Delbert Hataway was second, P. L. Williams, third, Sam Garner, fourth; David Rushing, fifth, and Ed Workman and Cotton Barrington, tied for sixth.

Best average money of \$100 in the calf roping went to Jimmy Bird of Post, with Clifton Smith of Tell taking the second prize of \$50.

**Proper Use And
Stocking Of Range
Land Pays Off**

COLLEGE STATION, Special — "Proper use and stocking of range land has proven to be profitable from pounds of livestock produced as well as from conservation of soil and water to withstand droughts," says G. O. Hoffman, Extension Range Specialist, Texas A&M College.

In speaking of the practices, Hoffman referred to them as the tools of range management. Each individual should choose the range management tool that will best help him maintain a long lasting, profitable ranching business.

Hoffman says the rancher grazes only the number of livestock that he has grass for, with stocking rates figured on using half and leaving half of the current year's growth. Another good practice is deferred grazing. The deferred pastures can be mighty important as a feed reserved ring winter. Or, by rotating livestock, one pasture can be deferred while grazing others, says Hoffman.

"By controlling brush, water ordinarily sapped from the ground by trees is left for grass. Brush control should always be followed by deferred grazing," Hoffman cautions. Cross fencing should be planned where each area has the same grazing potential. This means that an acre of bottomland may graze as many livestock as 5 acres of upland.

"In marshlands," says Hoffman, "walkways similar to ranch roads, are an important range practice. They are built to get even grazing of the good marsh grasses." When it is not profitable to fence, then proper salt and water distribution can give the rancher a chance to use grasses in the ungrazed corner. Livestock do not need water and salt together as once thought. Livestock will find salt when it is moved into ungrazed areas if they need it.

**July Draft Call
Is For 641 Men**

The July draft call for Texas asks for 641 men, compared to 586 for June. Lt. Col. Marlin D. Lewis, deputy state Selective Service director, announced this week.

This is the state's share of a national call for 13,000 men, all for the Army.

At the same time, Colonel Lewis announced a July call on approximately half the state's draft boards for 1,099 men to take pre-induction physical and mental examinations for future calls.

He said that the boards not receiving a quota for these examinations in July already had been called upon to furnish men for examination in June.

Local board calls for July induction and pre-induction examination are scheduled to be mailed from state Selective Service headquarters on June 1.

The July quota will be filled with men who are 22 years of age or older on July 1, with the exception of delinquents, or volunteers, who may be younger.

The local Board, No. 88, has been called on to send 16 men. Six will be sent from Lubbock to Amarillo on June 5, five on June 12 and five on June 19.

Bird won the first go-round, with Don Mitchell of Lubbock second, Ralph Russell of Merkel third and Odell Blackwell of Spur fourth. In the second go-round, Jess Everett of Snyder was first, Bob Paladino of Levelland second, Clifton Smith third and Rufus Hart of Snyder fourth.

Becky Summerlin of Roby finished first in the girls' barrel race, with Mildred Farris of Iowa Park second and Sue Flennikin of Floydada third.

In the double mugging contest, best two-day average money of \$100 went to Bob Byrd of Clairemont, with Jack Kirkpatrick of Post the runner-up and winner of \$50.

First go-round winners were Ralph Russell of Merkel first, James Russell of Merkel second, Bob Byrd third and Red Whatley of Crosbyton fourth. Second go-round winners were O. C. Burton of Levelland first, Tommy Flennikin of Floydada second, Jack Kirkpatrick third and N. A. Pitcock of Aspermont fourth.

Best two-day average money of \$50 in the saddle bronc riding contest went to Ed Workman of Crosbyton. Second and third place money was split by Cotton Barrington and Joe Collier.

The first go-round in saddle bronc riding was won by Rusty Weich of Roby, with W. T. Hiffart of Breckenridge second, Judy Reed of Petrolia third and Ed Workman fourth. In the first go-round, Jimmy Moore of Post was first, John Farris of Iowa Park second, Joe Collier of Wichita Falls third and Cotton Barrington of Lubbock fourth.

In the wild steer riding contest, Judy Reed finished first. Billy Robinson of Snyder was second and Delbert Hataway of Snyder third, with Jimmy Moore and Bob- by Wedeking of Abilene splitting fourth and fifth place money, Sid Johnson of Snyder finished in sixth place.

POST WOMAN WAS SECOND OF FAMILY TO FINISH

Last Of Lubbock Couple's Seven Children Graduates From Tech

Kay Lynn Watson, sister of Mrs. Clint Herring of Post, received her B. A. degree from Texas Technological College Monday night as the last of the seven children of Mr. and Mrs. H. A. Watson Sr. of Lubbock to graduate from the college.

The Watsons, owners of a furniture business in the Hub City, moved to Lubbock in 1931 for the primary purpose of seeing that their children get college degrees from Tech.

In turn, Kay and her five sisters and one brother have presented their parents with a diploma in standard form, naming them "masters in education with a major in child psychology, by the order of the board of their children."

It was more than 20 years ago that the Watsons' eldest daughter, now Mrs. Oliver Thompson of Lubbock, got her B. A. degree in speech. That was in 1935.

From then on, the sequence has been as follows:
In 1936, now Mrs. Clint Herring of Post got her B. A. degree in English.
In 1940, H. A. Watson Jr., now of Lubbock, got his bachelor's of business administration degree.
In 1942, now Mrs. Vernon R. Turner of Savannah, Ga., got her B. A. degree in speech.
In 1945, Miss Joyce Watson, Lubbock, got her B. S. degree in English.
In 1949, Miss Jo Rae Watson, Lubbock, got her B. B. A. degree in marketing.

**Baccalaureate Talk
Delivered At TCU By
Former Post Pastor**

The Rev. William E. (Bill) Wright, former pastor of the First Christian Church here, delivered the baccalaureate sermon for Texas Christian University's 1956 graduating class Sunday evening.

The Rev. Mr. Wright served as student-pastor for the local church during his senior year at TCU in 1938.

He is now pastor of Kings Highway Christian Church of Shreveport, La. During the war years he served as a Navy chaplain.

By Scout Council**

New officers installed at the recent Annual Boy Scout banquet held in Lubbock, included Dr. J. Davis Armistead, as president and seven new vice presidents.

Dr. Armistead succeeds Joe T. Salem of Sudan, who has served as president for the past two years. The new vice presidents are: Harold LaFont, Plainview; Dr. Dale Rhodes, Crosbyton; C. W. Tartar, Lamesa; Rev. W. H. Vanderpool, Littlefield; Dr. Ernest Giesecke, C. H. Cummings, and Ralph S. Krebs, all of Lubbock.

Representatives on the National Scout Council are Salem, Dr. F. B. Malone of Lubbock; John F. Lott, Post; K. N. Ciapp, Lubbock; J. Ed McLaughlin, Ralls; J. M. Willson, Sr., Floydada.

Bryan J. Williams of Post was elected as a member of the governing board of the South Plains Council and Lott was also named chairman of council leadership training.

The first meeting of the Executive Board will be a dinner meeting held at Camp Post on Monday evening, July 23, at which time plans will be formulated for the year 1956 and 1957.

The South Plains Council at the present time has 230 registered Cub Packs, Scout Troops, and Explorer Post with the boy membership nearly 6,400 boys and 2,250 registered adult leaders. The Council covers a twenty-county area surrounding Lubbock and the South Plains.

POSTEX MILLS

We hope that the Landtroops are catching a lot of fish at Lake Whitney, at least enough to bring us all back a good mess to eat.

We are not going to make any predictions about the cloth situation this week, mainly because we honestly do not know at this time how much cloth we will have available by Friday. We have been informed that there is a good quantity of cloth on the road to us now, but it will probably not reach us in time to help our sewing room situation for this week. Eula Daniel hopes that it does not anyway. She likes to be off on Friday.

Charles Long left Sunday for his Navy base in San Diego. He has been visiting his wife, Annabelle and his parents, Mr. and Mrs. Lee Long.

Linda Wilks spent Saturday in the home of Lois Hodges.

Mrs. V. L. Cople and Doris visited Mrs. Hattie Blaylock in Eldorado Saturday and Sunday.

Jackie and Bobbie Beavers are visiting in Pampa with their grandparents, Mr. and Mrs. Cole.

Mr. and Mrs. Glenn Wheatley and children, Mrs. Martin and Mr. and Mrs. Winfred Wells attended funeral services for W. E. Williams in Brownwood last Friday.

Mr. and Mrs. Doyle Worley and children of Bakersfield, Calif. are visiting Mrs. Worley's mother, Mrs. Ruby Ripley, and the J. W. Gray family.

Ronnie Henderson of Tennesse, N. M. is visiting Mrs. Zora Jones and other relatives here.

Mr. and Mrs. Lloyd Anthony visited the J. C. Martin family in Lubbock Sunday. They attended the home show in the afternoon.

Mrs. Dorothy Herring of Pueblo, Colo. spent Saturday evening with Frances Buchanan. She is a former employee in the Postex Sewing Room.

Mr. and Mrs. J. M. Gordon, Ben and Novaline visited the W. F. Hens at Hobbs, N. M. Sunday. Junior Smith of Fort Chaffee, Ark. is visiting his wife, Norma, and his parents, the Milo Smiths.

Mrs. Ollie Cooper and Mrs. Wanda Williams were dinner guests of the John Nelson family recently.

Mr. and Mrs. Dan Mitchell are home from a vacation in California. They visited their children and their families, the Perry Porters and Ed Mitchells, and with the H. D. Wootens in Lancaster and the Dan R. Mitchells in San Francisco.

Mr. and Mrs. Jimmy Thomas and family of Hereford and Mr. and Mrs. Wayne Thomas and family of Lubbock were Sunday guests of Mrs. Tol Thomas.

TRADE SCHOOL OF CHOICE IS OFFERED Navy To Enlist All South Plains High School Company By June 29

The U. S. Navy is enlisting an all Texas South Plains high school company in June, according to information from the naval recruiter in Lubbock. All recruiting stations in the South Plains area are now accepting applications for this special company. This means, in effect, that each man in this special company will be a high school graduate and will attend a Navy trade school of his choice. This is guaranteed, in writing, prior to enlistment.

The Texas part of the name means that they will go through recruit training as a unit, go on leave together, and in some cases attend the Navy trade school together. This special South Plains company will receive their recruit training at San Diego, Calif. They will be completely processed, both mentally and physically, prior to enlistment date of June 29, and then will board a special train for the U. S. Navy training Center in San Diego. The length of recruit training for this special course will be nine weeks. The Texas South Plains High School Company will compete for honors with other all-state companies from all over the United States. Competition will be in military bearing, all phases of sports and recreational activities. This will be the first company of its type ever enlisted anywhere. High school graduates interested in serving with this special Texas company are asked to contact their local Navy recruiter immediately at any of the following places: Post Office Building, Lubbock; Court House Building, Plainview; Post Office Building, Lamesa; or Post Office Building, Big Spring.

Cotton Production Contest To Garza 4-H Boys, Girls

land and irrigated, offer equal cash awards to give the young farmers without water an equal shot at top honors.

"Through this contest we try to encourage an interest in better cotton farming practices among our young people," Jones explained. "By actually managing a plot of cotton these boys and girls learn by doing," he commented.

Contestants may plant more than five acres of cotton, but the five acres to be entered in the contest must be designated by July 1, the deadline for filing contest entry blanks. Entry blanks are available at county agents' offices.

County agents supervise the contest, giving advice on request about such problems as proper varieties, fertilization, insect control, and irrigation.

Names of county winners are sent to the district Extension Service office in Lubbock, where the top five places in both the irrigated and dryland divisions are selected.

Contest prize money in the district contest is donated by the Plains Cooperative Oil Mill in the interest of better Plains agriculture.

Cotton Classing Short Course Is Scheduled

Ginners, buyers, farmers and others in Garza County who are interested in the cotton industry are invited to attend the 17th annual Cotton Classing Short Course to be held in Lubbock June 4-15.

The course is sponsored by the Department of Textile Engineering at Texas Tech through the Extension Division. Instruction will be by USDA classers with L. O. Buchanan, Lubbock Cotton Classing office manager, in charge.

Classes will be held from 9 a. m. to 3:30 p. m. daily, Monday through Friday at the USDA Agricultural Marketing Service Cotton Branch, 25th St. and Ave. E.

Mrs. Max Ward, Marsha Claire and Greg, who have been visiting the Lee Bowen family for two weeks, left Monday for their home in Shreveport, La. Susie Bowen, Mrs. Ward's sister, returned to Louisiana with them for the summer.

REV. JOE BOYD Former Post Pastor Renamed To Office At Methodist Meet

The Rev. Joe Boyd of Lubbock, a former pastor of the First Methodist Church here, was re-elected treasurer of the Northwest Texas Methodist Conference Saturday at the meeting in Big Spring.

The Rev. Mr. Boyd was succeeded as pastor here three years ago by the Rev. Charles R. Gates. At that time, he was elected conference treasurer.

It was announced at Saturday's session that the San Jacinto Methodist Church at Amarillo will be the site for the 48th annual meeting next year.

A budget of \$143,772 was proposed for expenditures outside the conference for the coming year and one of \$100,614 for the conference.

Minister's minimum salary was raised from \$2,400 to \$2,500 a year. The district superintendent's pay was raised from \$8,400 to \$9,000 a year.

19th District To Be Well Represented

At least nine persons will represent the 19th Congressional District in the national Democratic convention at Chicago in mid-August as the result of the state Democratic convention in Austin on Tuesday of last week.

Besides the four district delegates and two alternates, the district also shared in the naming of the delegates at large and alternate delegates at large.

Cong. George Mahon was signally honored by Sen. Lyndon B. Johnson when the Lubbock solon was among the six Texas congressmen named as delegates at large.

N. C. Outlaw of Post was selected as a presidential elector.

BITS-OF-NEWS

Kenneth Rogers, who is attending Bethany College in Bethany, Okla., is spending the summer with his parents, Mr. and Mrs. Earl Rogers.

TEXAS OIL PIONEERS

Wynn Made More Money Than Bank President During Corsicana Boom

(Editor's Note: The following sketch, one of a series, was compiled from records of "Oral History of Texas Oil Pioneers," University of Texas.)

By WILLIAMS A. OWENS

During the first oil boom in Corsicana boys used to follow him along the street.

"See that man," they'd say. "That's Johnnie Wynn. He makes \$5 a day—more than the president of the bank."

At the time, Johnnie Wynn was about the highest-salaried man in the oil fields. He was also young, handsome, and as skilled as anybody in the technique of getting oil from the earth. He had all the necessary qualifications for an oil field hero. For many years he remained a familiar figure in Texas oil fields.

Coming from Mississippi in 1893, Wynn got a job on a water well being drilled for the state asylum at Terrell. For six years he drilled water wells all over the South.

In 1897, when the Corsicana oil field had come in, Wynn changed from water wells to oil wells, with remarkable success.

Four years later the Lucas Gusher blew in and Wynn was off to Spindletop, with Doc (M. P.) Cullinan and W. P. Sturm, who also had been successful at Corsicana.

Wynn got in touch with the newly-organized Higgins Oil Company and by February was drilling their Number One at Spindletop. In it he needed every skill he had. At about 200 feet they hit the quicksand that had spelled disaster for every well except the Lucas Gusher.

"We had to use heavy mud and stuff to wall up," Wynn recalls. "Line the sand to hold it up, keep it from caving in."

The well came in a gusher, flowing a stream 60 feet straight up. Johnnie Wynn was again a hero.

His next well was for the Columbia Oil Company at Spindletop—an eight-inch gusher this time, the first in the history of American oil fields.

This time they had a different kind of trouble. When they pulled the drill stem to clean the hole, oil and gas flowed over the crew. The man trying to close the gate valve was overcome with gas. Wynn went in for a try. He fell over on the derrick floor, knocked out by gas. The men dragged him out and revived him. Little by little they closed the gate, taking time each time to revive the men who fell out.

During 1901 and 1902 Wynn drilled 38 gushers at Spindletop, a kind of record in itself.

From there he went on to Sour Lake, where he drilled a number of gushers and also set up the J. Wynn Machine Shop. This was a significant move as in this shop Wynn invented a rock bit.

"The idea came to me very simple," he says. "I was sitting by a big lathe and on the floor was an eight-inch pipe setter, which we used to set our pipe in the earth, so I got to spinning that setter around on the floor, just passing time, and discovered that it turned in a circle. So it came to me why I couldn't place

those cones on a body to be attached to a drill stem to drill rock in the ground."

Though he had no engineering training, he worked out a model bit and patented it. Later he sold the patent rights to Howard Hughes.

When he talks to you, Wynn is likely to toy with a watch fob made in the shape of a rock bit and set with a diamond, a gift from Howard Hughes.

In recent years Wynn has maintained a shop in Beaumont for sharpening small tools.

Tax Refunds On Farm Fuels Are To Start June 30

Farmers in Garza County and elsewhere in Texas will begin getting back after June 30 the 2-cent federal excise tax they paid on gasoline used to operate farm equipment.

Elfs Campbell Jr. of the Dallas office of the Internal Revenue Service said the first refund payments under the new law will be made after June 30 on gasoline used during the first six months of this year.

Thereafter, he said, refunds will be made for a one-year period from July 1 to June 30. Farmers must file claims after June 30 and before Oct. 1 with the district director of internal revenue.

Forms will be available after June 1 at internal revenue offices, county agricultural agencies and some banks and post offices.

Refunds are limited to the federal tax on gasoline used by a farmer for farming purposes. No refunds are allowed on gasoline used off the farm or used in processing, packing, freezing or canning operations.

Farmers also are given special relief from the federal excise tax on diesel fuel and special motor fuels used on a farm for farming purposes.

Graham Is Stationed At Warren AFB, Wyo.

FIVE POINT PROGRAM POINTED OUT

New Leaflet Stresses Civil Defense Role Of Farmer And His Family

The civil defense role of the farmer and his family is described in a new leaflet being distributed by the Federal Civil Defense Administration.

The publication—"RFD—Rural Family Defense"—is being distributed throughout the nation to point up the importance of rural residents in forging national preparedness.

A five-point rural civil defense program is outlined in the pamphlet.

1. **Take Care of Your Family and Yourself**—"A mass enemy attack on America will disrupt much of the transportation, communications, business and conveniences on which rural families depend. You and your neighbors will need to 'live off the land.' There are two very real and direct dangers to rural areas. The first is fallout. A potato cellar, cyclone cellar or any storage cellar covered by earth is a good shelter (from radioactive fallout). The second danger is chemical and germ weapons. You should know something of the effect of such weapons

—the symptoms of the diseases or sickness they can cause in plants and animals. You should know what preliminary steps can be taken to counteract the effects of typical germ and chemical weapons."

2. **Keep Your Farm in Production**—"Estimates show that a successful attack on all U. S. critical target cities would make survivors totally dependent on food stored in rural areas within two weeks."

3. **Be Ready To Market Your Production**—"You should know what plans have been made by your county for marketing farm products — most important, WHERE they will be needed. You must be ready to haul your products to these markets. You will need to know county plans for gasoline priorities, and have a good knowledge of the highway system in your area."

4. **Be Ready To Take In Evacuees**—"You, your family and your neighbors should make plans now to shelter and feed evacuees if it becomes necessary. The Federal Civil Defense law provides that you will be paid for anything that is properly requisitioned."

5. **Plan To Help Others**—"Rural families may be asked to help the people in attacked areas." Your help will be most effective if you are trained to work on civil defense units such as rescue teams, first aid teams, wardens and auxiliary police. "If you are not in civil defense, ask your local or county civil defense agency how you may join a training class. If there is none in your area, help to get one started."

"The principles of civil defense are not new to rural people," the pamphlet emphasizes. "You have been taking care of your own, helping your neighbors, and ready to help others—in peacetime emergencies—for a long time. But the problems and dangers posed by possible enemy attack can be met and answered only by organization. Civil defense is that organization."

In addition to the distribution being made by FCDA, copies of the leaflet are available at five cents each from the Superintendent of Documents, U. S. Government Printing Office, Washington, 25, D. C.

Mrs. Otis Proffitt and children are visiting in Leonard and Dallas with members of her family. She will attend the graduation exercises of the University of Texas Medical School in Dallas as her nephew is a member of the graduating class.

Cotton Specialist Is On 17th Annual Cotton Congress Program In Lubbock

LAMAR FLEMING, JR.

"Just what is the world cotton situation today?" Participants in the 17th annual American Cotton Congress in Lubbock, Tex., on May 31, June 1-2 will find out from the man who probably knows more about cotton than anyone else.

He's Lamar Fleming, Jr., chairman of the board of Anderson, Clayton & Co., worldwide cotton merchants. His address will be one of the highlights of the opening session of the Congress on Thursday, May 31.

Marvin L. McLain, assistant secretary of agriculture, Washington, D. C., will speak at a dinner session the second day. His subject will be "The Challenge Facing Cotton."

Other speakers include: Dr. M.

K. Horne, National Cotton Council, Memphis, Tenn.; Don L. Jones, Texas Agricultural Experiment Station, Lubbock; Isaac Holmes, High Plains cotton grower; F. Marion Rhodes, USDA, Washington, D. C.; Carl Cox, U. S. Testing Laboratory, Dallas; Jack Towery, Cotton Research Research Committee of Texas; George Pfeiffer, National Cotton Council, Memphis; Dr. Earl E. Heard, West Point Mfg. Program Director Is Hired By PCG

Plains Cotton Growers, Inc., of which Garza County is a charter member, have hired George W. Pfeifferberger as executive vice president. W. O. Fortenberry, president, has announced.

Pfeifferberger, widely known in West Texas and throughout the nation for leadership in advancing the interests of cotton, will assume top-level staff responsibility for the new organization's program about July 1, Fortenberry said.

As executive vice president of the Plains Cotton Growers, Pfeifferberger will manage the organization dedicated to the promotion and protection of cotton producer interests in West Texas.

He will be concerned with activities aimed at solving cotton production problems in the South Plains, at improving and stabilizing fiber and seed quality, at improved merchandising and promotion of short-staple consumption, and at analysis of government policies affecting Plains cotton.

For the last few years, Pfeifferberger has been on the staff of the National Cotton Council.

JOINT FEDERAL-STATE CONTROL PROGRAM ON

Garza County Included In Project Aimed At Stemming 'Hopper' Threat

Garza County is included in a South Plains and Panhandle project which amounts to an all-out fight against a potential grasshopper threat to farmers and ranchers.

A joint federal-state control program got under way last week as state inspectors joined federal entomologists to spearhead a concentrated six-weeks spraying campaign.

Texas Agriculture Commissioner John C. White said an emergency \$25,000 state appropriation has been provided for the project which will involve spraying of range lands in areas of heavier, potential infestation. Additional funds will come from the federal government and landowners, White said.

At least eight million acres of Panhandle and South Plains range lands were found to be heavily infested in a recent hopper egg count survey, White explained. This is more than twice the rate of last year's grasshopper crop.

The present hopper threat is especially serious to West Texas cattle. Dry weather has created ideal hatching conditions which could produce as many as 24 to 32 grasshoppers per square yard. An even lesser density could strip the land of crops and grass.

Early spraying is expected to prevent a serious build-up, provided farmers take full precautions on crop and marginal lands, idle land, field margins, fence rows, ditch banks and roadsides

are good places to begin spraying. These are favorable habitats for the hopper to lay eggs. And female migratory hoppers lay 200 to 400 eggs a season.

White estimated that for every dollar spent in control, it may save ranchers and farmers some \$38 in crops and grazing later this summer.

Post Women Are Attending Market

Three Post business women, Mrs. Eleanor Webb of Dunlap Company, Mrs. Alice Parsons of Parsons Dress Shop, Mrs. Gladys Hyde of Stevens Style Shop, are attending the American Fashion Association's fall and back to school market in Dallas this week.

The American Fashion Association, comprised of nearly 400 salesmen, are displaying more than a thousand lines of women's and children's apparel to the 3,000 buyers in the market.

The featured event of the APA's Sales Merchandising Clinic fashion shows, "Fashion Hits A New Cycle," was presented on Monday and Tuesday nights in the Crystal Ballroom of the Baker Hotel.

The next market week to be held in Dallas will be August 19-24 and will feature holiday and midwinter fashions.

Roy Pate Of Lubbock Speaks Baptist Church On Wednesday

Mrs. T. J. Wardlow and W. R. Wardlow were here Thursday for their home visit here. Refreshments were served to Mrs. Robert Mock, Mrs. Carl Payton, Mrs. Roy Collins, Mrs. Buddy Hall, Mrs. Hitt, Mrs. Wesley Scott, Mrs. Jack Meeks, and Mrs. Burkett.

Carl Chilcoat returned Thursday from Phoenix, Ariz., where he attended his brother-in-law's funeral. Roddy Chilcoat, a nephew, returned home with him for a visit.

The Rev. Roy Pate of Lubbock spoke at the Wednesday night services last Wednesday night at the church.

BITS-OF-NEWS

Mr. and Mrs. A. A. Suits of Petersburg spent Friday night here with Mr. and Mrs. C. W. Terry.

Mr. and Mrs. Preston Mathis returned Sunday afternoon from a weekend visit with their daughter, Mrs. Tommy Leake, and her husband and baby, Tommy Preston.

JUSTICE WILL WILSON

Wilson Resigns From Supreme Court To Make Race For Attorney General

Supreme Court Justice Will Wilson has resigned his post on the State highest tribunal to launch a fighting campaign for Attorney General of Texas. His resignation was made effective June 1.

"The most compelling call to duty for me today is to serve the people of Texas as their Attorney General," Wilson said.

With a career as Dallas' racket-busting district attorney, followed by six years on the Supreme Court, Wilson said he left the court "with reluctance." However he surprised few Capitol observers in responding to the challenge to serve

Bluestone Clears Tanks Of Scum

Bluestone offers a remedy to green scum forming on troughs, reservoirs or ponds, according to a release from M. K. Thornton, extension agricultural chemist.

Bluestone will lose its effectiveness in a short time and scum may grow again from new seed falling in fresh water. If this occurs, treatment must be repeated, it is pointed out.

Safe dosage is 8 pounds of bluestone per million gallons; 1 ounce per 8,000 gallons; or 1 level teaspoonful per 1,500 gallons. No harmful effects on fish or livestock will result with correct precautions.

In small tanks, scum may be prevented from re-forming by placing pieces of copper sheets or shavings in the water, says the specialist.

Post Crew To Play Black Hubbers Here

The Post Wood Bees, after racking up three straight wins, two from a Reese Air Force crew and one from a Snyder team, will take on the powerful Lubbock Black Hubbers Sunday afternoon at 2:30 o'clock at Postex park.

The Wood Bees have a fine team this season, and although attendance at the local park has been par, it is expected that Sunday's game will draw a good gate.

Bringing the Lubbock delegation here is costing the local team heavily, and it is hoped by those responsible for promoting baseball here that Sunday's crowd will at least defray the expense.

The Black Hubbers have a fast ball club and have made an impressive record so far this season. The game promises to be one of the best of the season.

Miss Beverly Bland and Harold Moore of Slaton visited friends here Saturday evening and attended the rodeo.

Mr. and Mrs. J. A. Stallings spent the weekend in Dallas with their son and his family, James Stallings.

Floyd Hodges Family Attends Family Reunion At Graham During Weekend

Several visitors were among the 50 persons who attended church at the Baptist Church here Sunday.

Mr. and Mrs. Claude Pettigrew accompanied their son, Tommy, of Brownfield to Dallas last week, where his son had medical treatment.

The Douglas McWhirts are visiting his parents and other relatives in Oklahoma.

Mr. and Mrs. Floyd Hodges attended a family reunion of her relatives in Graham during the weekend. Her brother has just returned from Japan.

Mr. and Mrs. Chris Cornett and Joan were in Lubbock Saturday, where they visited the Bud Cornetts of New Mexico.

Tommy Murray of Post spent Thursday night with Jerry Key, Mrs. V. A. Lobban and Janyce and Mrs. Joe Callis of Post were among the visitors at church Sunday.

R. J. Key and Jerry were in Big Spring Friday. Mrs. Key accompanied them to Snyder, where she visited relatives.

Mr. and Mrs. Bobby Page of Friona visited her parents, the Henry Keys, Sunday.

Mr. and Mrs. Billy Cantrell of Lubbock spent Friday here with her mother, Mrs. John Reed, and other relatives.

The Timmons family of Andrews visited their daughter, Mrs. Bill Mize and family, recently.

New Farm Bill Goes In Effect

The new farm bill with its \$12 billion soil bank is being promptly put into effect by the Agricultural Department.

The "second choice" farm bill was signed Monday by President Eisenhower, ending a four-month election-year fight with the Democratic-controlled Congress. He called it "rich with promise," although he said he is "disappointed" that the bill does not permit soil bank payments one year in advance.

The soil bank—core of the bill—authorizes the government to pay farmers up to \$1.2 billion a year for taking surplus crops out of production. This is the first time the government has paid farmers on such a scale for not growing crops since the early days of the New Deal.

Delegation Named By Cotton Growers

A five-man delegation to represent the South Plains at the July 17 meeting of the Agricultural Stabilization Commission at College Station was named Tuesday by the Plains Cotton Growers, Inc.

At the meeting held at the Lubbock Hotel, the cotton growers voted to instruct the delegation to request the ASC to withhold only 2 per cent of the state cotton allotment for 1937. The Commission reserved 10 per cent of the 1936 allotment.

Members of the delegation selected to attend the Commission include Paul Lewis of Littlefield, W. H. Rose of Dickens, Ben Dopson of Lamesa and Al Hartzog of Bovina. W. O. Fortenberry of Lubbock, president of the organization, will head the group.

Alternates are Dal Muldrow of Brownfield, Marvin Sherbert of Petersburg, Bill Smith of Ralls, Gene Benham of Morton and Willis Hawkins of Dimmitt.

The Plains Cotton Growers organization includes members representing 23 South Plains counties, including Garza County.

Awards Offered In 4-H Livestock Work

A variety of awards are offered to 4-H Club members for their achievements in livestock projects and activities through two National 4-H award programs.

In the meat animal program, Thomas E. Wilson is providing two gold-filled medals of honor for winners in each county, a 19-jewel watch for the state winner, eight all-expense trips to the National 4-H Club Congress in Chicago for sectional winners, and \$300 scholarships for the six top-ranking winners in the nation. Any 4-H members enrolled in a 4-H meat animal project may participate in the program.

Three \$300 college scholarships are offered as awards in the 4-H Livestock Judging Contest at the International Live Stock Exposition by Armour and Company. The winners in each of the three divisions, beef cattle, sheep and swine, will each receive a scholarship.

Complete information on the programs may be obtained from County Agent Lewis E. Herron.

ELECT ODEAN CUMMINGS Sheriff

Enforcement of traffic laws fairly and impartially, with particular emphasis on eliminating the following:

- Reckless Driving
- Speeding
- Ignoring speed and school zones
- Open Mufflers
- Littering our streets with refuse

Enforcement of traffic laws must be by the observance of good manners and driving courtesies toward the consideration of the other driver. Driving like other types of behavior is largely a matter of habit. The driver who ignores the habits of others, develops this attitude to the point that it actually becomes a part of his driving.

When this abuse of traffic regulations continues, it then becomes the duty of the law enforcement officer to assist in the elimination of all violations.

Officer should point out a motorist's bad driving habits to him, and violators should then be dealt with before the traffic court.

Reckless driving is one of the things which contribute to bad driving manners, and since it is a willful discourtesy, must be strictly dealt with by the peace officer. If I am elected your sheriff, my deputies will be instructed to devote their utmost effort to the curbing of reckless driving in Post, and Garza County.

ELECT Odean Cummings Sheriff Of Garza County, Texas A Man With A Positive Program for Law Enforcement.

Point four of the above program will be discussed in next week's paper.

Prospects Doubtful Because Too Little, Too Much Rainfall

JOHN C. WHITE
Editor of Agriculture

Prospects are very much in some areas of Texas where farmers are with either too much or too little rain.

"Too much rain" is only a temporary condition, of course, but it is in some areas where excessive rainfall prevailed only a few days. It was in the "hard-pan" between San Antonio, Corpus Christi—a 17-mile strip—that has been submerged for nearly seven weeks.

Live Oak and McMullen are examples where the cotton has made the cotton out this year. Bee County cotton allotment of 15,000 bales, until a few days ago, had been seeded. These were planted on a 3,000 acre tract and about 3,000 may be up unless rain is resumed immediately.

In Live Oak County, only about 20,000 cotton acres had been planted the first of the year. The allotment was returned for redistribution to the state. McMullen has had less than one inch

of rain since January 1st. One 15.1 acre plot of the 1,500 allotment was sown by May 1st.

Around Nueces County with Corpus Christi as the county seat, much to the north and northeast had the same problem.

These counties are not typical of the state, but each area has its own problems. Moisture is badly needed in the dry-land farming sections of the Panhandle and West Texas where farmers soon will be planting.

Estimates of the cotton crop traditionally are released about the first week in August. A revised version of the 1955 crop was released this week which placed Texas production at 4,039,000 bales of 500 pounds gross weight. Value of the 1955 lint production amounted to \$611,000 based on the average price of 30.3 cents per pound for the season.

Cottonseed from the 1955 crop amounted to 1,687,000 tons or 2 per cent above the 1,647,000 tons of 1954. The increased production was more than offset however by lower prices with value of cottonseed last year amounting to \$77,433,000 or about three-fourths that of the year before.

Mr. and Mrs. Oscar Bowen and children, O. K. Jr., Mary, Jimmy and Helen, left Monday for their new home in Brownwood. The Bowsens who owned and operated the O. K. Food Store until it was sold recently, will operate a book and gift store in Brownwood. Jimmy, who finished Post High last week, will enter Howard-Payne University in September. O. K. Jr., will teach in Abilene this summer and in the fall will enter Southwestern Theological Seminary in Fort Worth.

DEEP IN THE HEART OF TEXAS—Texas Longhorn Cavern, the world's third largest cave, is one of the nation's most impressive natural wonders. Over eight miles of its labyrinthian splendor have been explored without an end being reached and the lowest point on the guided tour is an eerie 120 feet below the surface. The cavern is a popular attraction for tourists and sightseers, especially in the summertime, because it is a real cool cave. The temperature inside remains at comfortable 64 degrees even in the hottest summer weather. Longhorn Cavern is located off U. S. Highway 281 four miles south of Burnet.

Salk Vaccine Supply Will Be Sufficient

Enough Salk vaccine for at least two doses each for over 8,000,000 American children and expectant mothers will be produced this year by the five manufacturers licensed to make the vaccine under strict federal controls. It has been announced by the Health News Institute of New York.

Medical authorities recommend that two doses of one cc. each of the vaccine be given four to six weeks apart to be followed by a "booster" shot of one cc. at least seven to ten months later.

The process for manufacturing the Salk vaccine is still a lengthy one, but barring unforeseen mishaps or snags in the testing and release structure, they will produce more than enough vaccine this year for everyone in the top priority groups to have been vaccinated by the end of the season.

Mr. and Mrs. Marvin Hudman and Mr. and Mrs. Bob Thomas spent Sunday afternoon in Crosbyton with Mr. and Mrs. Charles Hudman who operate a furniture store there.

Bits Of News From Here And There

Mr. and Mrs. Raymond Redman of Petersburg spent a short time Sunday with Mrs. Redman's mother, Mrs. H. H. Foster, who has been ill.

Mrs. Lillie McRee, librarian of Post High School, is spending two weeks in San Antonio with her father, before making other plans for the summer vacation.

Mrs. Gladys Hyde spent the first of the week in Dallas where she attended the Dallas Merchandising Market.

Mr. and Mrs. Noah Reeves of Snyder spent Monday with Mrs. Reeves' mother, Mrs. B. K. Bowen, and other relatives.

Mr. and Mrs. H. A. Smith and family had as guests over the weekend Mrs. Roland Trout of Rotan and Gene Merrell of Clairemont.

Mrs. Eulas Brown spent Sunday visiting in Lubbock.

Mrs. B. K. Bowen and her sister-in-law, who is here from California for a visit with Texas relatives, returned Monday from Brownwood and Bangs after visiting there for two weeks.

Jon Adams, who taught history here the last semester, left Saturday morning to spend the summer in Hamlin with his parents.

Mrs. Post Pays For Symphonic Concerts For Young Visitors

Through the generosity of Mrs. Merriweather Post, thousands of youngsters visiting the nation's capital get a chance to hear a symphony orchestra. Most of the youngsters are high school seniors.

Mrs. Post, daughter of the late C. W. Post, has borne the expense of five weeks of symphonic music heard by more than 60,000 youngsters from 43 states on their class trips and other visits to Washington, D. C.

The idea of concerts for visiting students came from Dr. Howard Mitchell, director of the National Symphony.

Arthur Edson, Associated Press writer, in a nationally released story on the concerts, describes Mrs. Post as "so lively and handsome she would attract attention even if she hadn't inherited a breakfast food fortune."

"She has had so much fun out of it," Edson writes, "that she plans a similar graduation gift next year."

He quotes Mrs. Post as saying that she is especially anxious to see that youngsters get a chance to appreciate good music because this was missing in her own education.

Cotton Problems To Be Aired At Meeting

Critical problems which threaten the future of the cotton farmer will be discussed next week at a series of meetings sponsored by the Texas Farm Bureau.

A meeting is scheduled from May 30 at the Lubbock Hotel for members in this area. The meeting will begin at 9:30 a. m.

CARLOADINGS UPPED

Santa Fe carloadings for week ending May 19, 1956 were 23,950 compared with 22,964 for the same week in 1955.

Cars received from connections totaled 12,292 compared with 12,259 for the same week in 1955.

Total cars moved were 36,242 compared with 35,223 for the same week in 1955.

Bits Of News From Here And There

Mr. and Mrs. George Lemon of Lubbock were guests of the Ed Warrens on Sunday night. The Lubbock couple and their three children formerly lived in Post, George Simms, the older son, his wife and month-old son, are in Austin where he is studying law at the University of Texas; Cherrille, the daughter, is finishing her junior year's work at Texas Tech this week and Jon, the younger son, is a student in junior high at Lubbock. Lemon is owner-manager of the Pioneer Cookie Company which services food stores over a wide area of Texas and New Mexico. Mrs. Lemon, an active club woman, is a member of the State Board of the League of Women Voters and was recently elected second vice president of the National Board of the same organization when it convened in Chicago.

Mrs. G. E. Fleming, teacher in Post High School, will spend the summer in Sweetwater with her husband, children and grandchildren.

Bob Lewis of Midland, district manager of the Pioneer Natural Gas Company, and another company executive, transacted business and visited friends here Friday. Mr. and Mrs. Lewis and daughter, Katherine, formerly lived in Post. Their daughter and son-in-law and little granddaughter are now in Germany.

Mr. and Mrs. B. D. Litton and children moved this week to Tyler to make their home. Litton was with the B. S. & J. Drilling Company while in Post.

More Than She "Bargained" For

Dad Baker retired from active dairying—seven or eight years ago—but still keeps a half-dozen purebreds more or less as a hobby.

Dad goes all-out for these six. Temperature-controlled barn, expensive feed... the works. As a result his milk has a low bacteria count, a high butterfat content. And as a favor to neighbors, he sells it just two cents above the ordinary price.

Recently, a neighbor complained—asked if she couldn't get the milk "at cost." Dad agreed,

sent her a bill for exactly what the milk cost: 75¢ a quart.

From where I sit, it's easy to misunderstand if you don't get all the facts. That's why we ought to consider the other fellow's viewpoint before we talk out. For example, you have your reasons for liking particular beverages. I have mine. And whether we're talking about buttermilk or beer...let's try to respect each other's point of view.
