908 STUDENTS CROWDING CITY'S TWO SCHOOLS

School Enrollment On Rise

Enrollment in the Post schools Tuesday showed slight increase in both high school and grade school over enrollment totals for the first two days of the 1953-54 term, according to figures released by Chant Lee, high school principal, and Ellis M. Mills, grade school principal.

THIRSTY GIRLS—The drinking fountains at Post Elementary School were popular places Friday as youngsters tried to beat the heat while waiting to be enrolled. Shown here are, left to right: Marie Ann Shaw, daughter of Mr. and Mrs. Eddie Shaw; Marilyn Sue Jones, daughter of Mr. and Mrs. Walter Jones, and Sandra Darlene Guthrie, daughter of Mr. and Mrs. Charlie Guthrie. — (Staff Photo)

Tuesday's total for the two schools was 908, an increase of 13 over last year's figure of 895.

Three hundred and forty-five students were enrolled in high school Tuesday, as compared with 342 a year ago, and 563 were enrolled in grade school, as compared with 553 a year ago.

This year's high school enrollment by classes Tuesday was: 12th grade, 60; 11th, 60; 10th, 84; 9th, 84, and 8th, 57. A year ago it was: 12th, 37; 11th, 67; 10th, 68; 9th, 89, and 8th, 81.

ed in this year's second grade class of 109 pupils, Mills pointed out.

Enrollment gains are expected weekly during the first few weeks of school, the principals said.

The over-crowded conditions of the past two years still exist in both schools, but will be eased. See **SCHOOL OPENS, Page 8**

Last Rites Are Conducted For Garza Pioneer

Funeral services were conducted at 3:30 p. m. Sunday in the First Methodist Church for Thomas E. "Uncle Tom" Parrish, a resident of Garza County since 1918, who died at 9:30 a. m. Saturday in Methodist Hospital, Lubbock.

Mr. Parrish, who lived with a daughter, Mrs. J. L. Cook of the Close City community, had been in the Lubbock hospital for 12 days. He suffered a broken hip in a fall in Seymour three weeks ago while he and Mr. and Mrs. Cook were en route to Spanish Fort to attend funeral services for a relative.

The Rev. Charles R. Gates, First Methodist pastor, conducted the services here Sunday. He was assisted by the Rev. Audy Wiley, pastor of the Close City Baptist Church, and the Rev. R. E. Bratton, retired Baptist minister of Post. Burial was in Terrace Cemetery under the direction of the Mason Funeral Home. Pallbearers were Gene Parrish, Lloyd Parrish, Thomas Lee Millap, Bill Molder, Surman Hill, Hoyt Hill, Charles Ray Nelson and R. H. Sappington.

Mr. Parrish was born Oct. 3, 1867, at Pope, Tenn., where he was married to Miss Emma Jane Tanner in 1887. The couple moved to Texas in 1903, settling in Montague County. In 1918, they moved to Garza County, where Mr. Parrish farmed in the Close City community until his retirement in 1940.

Since 1940, he had made his home with his daughter at Close City. His wife died in 1939.

Mr. Parrish had been a member of the Methodist Church for more than 50 years and was a member of the Masonic Lodge. See **PARRISH RITES, Page 8**

Picnic Supper Set For Post Cowboys

A picnic supper for Post Stamped Cowboys and members of their families will be held at 6:30 o'clock this evening at the rodeo grounds.

The riders will decide at the picnic whether or not they will accept an invitation to ride in a rodeo parade at Henrietta on Sept. 16.

The Henrietta event, it was explained, is the "home show" of Goat Mayo, who furnishes stock for the two rodeos held here each year.

Re-Elected Teacher Is Dropped From Faculty

L. H. Welch, who was re-elected last spring to teach another year in the Post Elementary School, told the Post Dispatch Tuesday that he agreed "about three weeks ago" not to teach this year after the board of trustees of the Post Independent School District assured him that his salary would be paid until the end of the current term.

Welch, a teacher here for the past six years, said the board agreed to pay his salary after he rejected their offer to purchase his contract. He said the board's offer to buy his contract was made twice—once by a member of the board in a telephone conversation and again at a special meeting of the board, which he attended.

Welch said one of the trustees told him at the board meeting that he had seen the heading of a petition which a group of school patrons planned to circulate asking his (Welch's) dismissal from the faculty. He said he was told by the board that they wished to buy his contract in order to "head off" the proposed petition.

Welch said the board agreed to pay his salary after he refused at the meeting to sell them his contract. He said his salary is \$3,933 a year.

During a special meeting Tuesday night, the board, through its president, Robert Cox, informed the Dispatch that it had no comment to make in regard to its action concerning Welch.

Welch was listed as one of the members of the 1954-55 faculty in a story which appeared in the Aug. 26 issue of the Post Dispatch. The list was not furnished by the board, but the Dispatch was told by the superintendent that, with the exception of resignations and new teachers, See **TEACHER DROPPED, Page 8**

Judge Is Stricken With Heart Attack

County Judge Oscar Graham suffered a heart attack Wednesday morning shortly after arriving at his office in the county courthouse. He was taken to Methodist Hospital in Lubbock.

L. W. Dalby Is Claimed; Rites This Afternoon

Last rites for Leonard Whitlen Dalby, a resident of this area for 38 years, will be conducted at the First Baptist Church this afternoon at 3 o'clock. The Rev. Roy Shahan, pastor, the Rev. George Dale and the Rev. C. J. McCarty, Baptist ministers of Lubbock, will officiate. Mason Funeral Home will direct burial in Terrace Cemetery following Masonic graveside rites.

Mr. Dalby died at his home at 8:50 a. m. yesterday after an illness of several months.

He was born in Red River County on July 23, 1876. He and Miss Ella Hamilton were married at Bula Church in Bell County Nov. 5, 1902. They resided in Taylor and Hunt Counties before moving to the Close City community in 1916.

The pioneer resident and retired farmer, was a deacon in the Baptist church, of which he had been a member for 57 years. He also had been a member of the Masonic Lodge more than 50 years.

Survivors are the widow; two sons, Delbert Dalby of Amarillo and Arno Dalby of Lubbock; a daughter, Mrs. Jewel Benton of Lubbock; three grandchildren, Dale Dalby of Amarillo, Giles Dalby and Lynn Benton of Lubbock; a half-brother, Richard Dalby of Albuquerque, N. M.; and a half-sister, Mrs. Mary Stockton of Commerce.

Members of Post Lodge No. 1058 will serve as pallbearers, and members of the Business Men's Bible Class of First Baptist Church will be honorary pallbearers.

September Term Of Court Nears

The September term of 106th Judicial District Court will open here Monday, Sept. 18, before District Judge Louis B. Reed, with the grand jury called to convene on that day.

There are no carry-over criminal cases from the last term, according to County Attorney Pat N. Walker. He said three or four cases, none of them capital offenses, are to be submitted to the grand jury. A few civil cases are on the docket.

Thirty-eight petit jurors have been summoned for appearance on the opening day of court. They are: E. S. Stewart, John E. Nelson, Clint Herring, B. B. Hodges, C. R. Thaxton, Neil Clary, D. C. See **DISTRICT COURT, Page 8**

Lions Completing Plans For County Fair On Sept. 17-18

Members of the Post Lions Club were completing plans this week for the annual Garza County Fair to be held Friday and Saturday, Sept. 17 and 18 on South Avenue H, two blocks south of Main Street.

Reports were heard from fair committees at Tuesday night's meeting of the club, and Wednesday and Thursday, two-man teams of Lions were visiting rural schools of the county boost-

ing the fair and leaving copies of the premium list.

This morning, J. N. Power and H. W. Schmidt visited the Southland and Close City schools, and John Perry and Almon Martin the Graham, Grassland and Garza schools. On Wednesday, Schmidt and Walter Crider visited the Justiceburg and Grassburg schools.

Joe DeArmon and Earl Westler, members of the grounds com-

mittee, reported at Tuesday night's meeting that the fairgrounds are "75 per cent ready" for the event.

In place of next Tuesday night's meetings, Lions will go to the fairgrounds to finish getting them in shape for the two-day exposition.

Other reports of progress on plans for the fair were heard Tuesday night from Perry and Phil Trammell of the lights committee; Schmidt, Oscar O'Neal and Paul Duren of the tents committee; Howard Maddera and Walter Lee Johnson of the entertainment and concession committee; Ernest Pierce, labor "boss"; Billy Powers and J. N. Power of the livestock committee; Weaver Moreman, water, watchman and public address committee; Will Scarborough and L. F. Presson, food concessions committee, and Crider and Martin of the advertising committee.

An added attraction Saturday night will be music by the Post High School stage band, directed by W. B. (Bill) Parks. It was announced by Victor Hudman, chairman of the fair committee. There is a possibility that other entertainment will be booked for the fair.

The Lone Star Amusement Co. carnival will be on the midway. For the first time in several years, the fair has an open day. See **COUNTY FAIR, Page 8**

FOR HIS WORK IN BUILDING POST

Barbecue Dinner To Honor Samson

George (Scotty) Samson, who, as a stone mason, has literally helped build Post during the 47 years he has lived here, will be honored at a barbecue dinner at 6:30 p. m. Thursday, Oct. 7, in C. W. Post Memorial Scout Hall.

The fact that all of Samson's "building" in Post and Garza County hasn't been confined to stone and brick work, but has spread out to agriculture, civic improvements, and other projects, is the reason for the barbecue in his honor, Ira L. Duckworth, general chairman for the event, said Tuesday.

T. R. Greenfield, pioneer Post merchant, will be principal speaker at the barbecue, with O. L. (Ollie) Weakley as master of ceremonies. Musical entertainment will be provided by the "Serenaders," who telecast daily from Station KCBD-TV in Lubbock.

The barbecue will be served by Jeton's Catering Service of Fort Worth, which served the dinner here in May, 1953, honoring two pioneer Post physicians—Dr. D. C. Williams and Dr. A. C. Surman.

Members of the general committee besides Duckworth are T. R. Greenfield, W. S. Duckworth, R. J. (Rubel) Jennings, Mayor T. L. Jones, Tom Bouchier and Marshall Mason.

S. E. Camp, chairman of the ticket committee, said friends and acquaintances of Samson will be given the opportunity to purchase tickets from the following:

R. J. Jennings, east of rail road; Earl Hodges, Garza Hotel block; James Minor, Mason & Co. block; Harold Voss, bank block; Lowell Short, Double U building block; Henry Tate, City Hall block; Tom Power, Tom

Power block; Paul Jones, *Piggly Wiggly block; Dove H. Mayfield, Mayfield block; Dean Robinson, courthouse; Bill DeWalt, Highway 84 north of red light; Ira Greenfield, Highway 84, south of red light; Victor Hudman, Hudman Furniture block.

T. L. Jones, other blocks: Lewis C. Herron, out-of-town Extension Service workers; J. W. McMahon, Graham; Lonnie Peel, Close City; Claud Thomas, Grassland; Bryan J. Williams, Garza; Henry Wheatley, Pleasant Valley; Bill Long, Barnum Springs; J. G. Siewert, Canyon Valley; Ozell Williams, Crossroads and Grassburg; Mrs. Sid Cross, Justiceburg; J. C. Fumagalli, Verbeno.

Other committees are as follows: Program—Bouchier, Weakley and Lewis C. Herron. See **BARBECUE DINNER, Page 8**

No Decision On Rate Increases

A hearing on General Telephone Company's rate increase request came to an abrupt halt at last Thursday night's City Commission meeting when representatives of the telephone company declined to give certain information until such a time as their attorney could be present.

The information which the company representatives declined to furnish the city group concerned the company's financial structure, according to Joe S. Moss, attorney for the city.

Mayor T. L. Jones then told the representatives that the discussion would be resumed at some future date when the company's attorney could be present.

The request for rate increases was formally presented the city by J. A. McCrum, Jr., of San Angelo, representing the company's revenue development department. Others present included Dusty Kemper of Brownfield, division manager; R. E. Saunders of Lamesa, district manager, and Paul Duren of Post, plant man.

Band Boosters Club Sets First Meeting

The first meeting of the year for the Band Boosters Club will be held at 7:30 p. m. Tuesday, Sept. 14, in the Band Hall, Mrs. R. B. Dodson, president of the Club, has announced.

Parents of members of both the senior and junior bands are urged to attend and help make plans for the school year.

Proposed County Budget \$367,844

The proposed 1955 budget for Garza County is almost \$120,000 less than the actual and estimated expenditures of 1954.

Expenditures for next year are estimated at \$367,844.94. Expenditures for this year, based on those already made and on estimates of those yet to be made, are \$487,491.00.

The actual decrease, however, amounts only to about \$12,000, according to County Attorney Pat N. Walker. He said the \$119,646.

12 decrease shown in this year's proposed budget was brought about by correcting of the budget to reflect the actual condition of the county.

The 1955 tax rate was set at 95 cents, same as last year.

The annual hearing on the county budget is set for 10 a. m. Monday at the courthouse. County Judge Oscar Graham and the commissioners have invited the general public to attend the hearing, ask questions and make

suggestions. The county fiscal year is from Jan. 1 to Jan. 1. The proposed budget is based on an estimated assessed valuation of \$11,157,825. The total amount of county taxes levied for the new budget is \$129,253, and the county estimates that 90 per cent of these taxes will be collected within the current tax year.

The 95-cent tax rate will be apportioned as follows: Jury

fund, 5 cents; road and bridge special fund, 15 cents; general fund, 35 cents; permanent improvements fund, 5 cents; hospital operating fund, 20 cents; and hospital sinking fund, 15 cents.

The county's outstanding bond and time warrant debts as of Jan. 1, 1954, totaled \$481,000, and the new budget estimates that this will be reduced to \$475,000 as of Jan. 1, 1955.

Getting Out On The Limb

SUDDEN THOUGHT: The news that travels around in whispers is the kind that needs to be watched.

The new income tax law covers 1,000 pages. Billed down in to six words it means, send the balance to Uncle Sam.

Nowadays a cowboy isn't an honest-to-goodness bad man unless he carries two guitars.

I'VE JUST FINISHED reading that Soviet scientists claim the invention of an "atomic clock," which measures time with an exactness of a millionth of a second in 24 hours.

That's sump'n, but if such a clock does exist (which I doubt, considering the source), it probably won't be any improvement over the old five-and-ten-cent store alarm clock for sheer power.

I'll never forget the time I fought one of those 98-cent alarm clocks all over a 10 by 16-foot bedroom trying to shut it off. I failed, but never let it be said that I didn't try.

I'd begun having my suspicions about the clock shortly after buying, setting and winding it. Every time it ticked, it would make a little jump, almost imperceptible, but a jump, nevertheless.

The clock's ticking and the little jumps it made every time it ticked fascinated me so much that I never thought of trying the alarm before I went to sleep.

THE MINIMUM STARTING salary in the Post schools for a beginning teacher with a bachelor's degree is \$3,000, which is \$195 more than the state minimum of \$2,805.

THEY 'MISSED THE BOAT'...

It looks as if the Humble Oil & Refining Company's television program, "Texas in Review," just plumb "missed the boat" in filming the so-called World's Championship Junior Rodeo at Snyder.

We saw the program on our TV set last week and, actually, the size of the crowd at the Snyder rodeo appeared even smaller than the one which attended the horse show here the afternoon of Aug. 14.

If the "Texas in Review" program included any close-up crowd shots at Snyder, we missed them, and the reason it didn't more than likely was because the size of the Snyder rodeo crowd on that particular night was pitiful.

The program showed a few scenes of the chutes, and around them it looked more like a rainy Sunday afternoon roping event than it did a rodeo.

We've been told that efforts were made to get "Texas in Review" to film the Post rodeo, but that they finally decided in favor of the one at Snyder.

NEARLY \$500 APIECE...

During the last fiscal year, the states collected \$10,500,000,000 from their citizens—which works out to \$68 for every man, woman and child in the country.

In the same year, the Federal government collected \$62,200,000,000 in taxes—or \$410 for each and every American.

This comes to a total of \$478.04 per capita, or close to \$2,000 a year for a family of four—and it doesn't include local taxes.

ACTIVE CITIZEN SUPPORT for expanded public supply systems is the only right answer to this problem—not only in Post, but elsewhere throughout the United States.

ONLY THREE MORE games remain on the most unattractive home football schedule the Post Antelopes have come up with in years.

LONG-RANGE WEATHER PREDICTION: Fair Sept. 17 and 18.

WHILE DISCUSSING THE proposed school budget last week with Supt. D. C. Arthur, we learned from him that the teacher salary minimum in the Post schools is considerably above that set by the state.

'Flexible Support Program Not The Answer'—Mahon

Cong. George Mahon has returned from Washington and opened his Lubbock office in the Post Office Building. He said that at present he had no special plans except to attend to official business and visit among the people. Congress adjourned Aug. 20 and is not scheduled to reconvene until next Jan. 5.

Mahon, in commenting on the Congressional session, stated, "The Republicans claim that a wonderful job was done. Democratic leaders take a dim view of accomplishments. It is, in my opinion, fair to say that Congress, on the whole, did a reasonably good job. Along with most Democrats, I voted for much of the program. But on many measures there were sharp differences of opinion."

"I strongly opposed the Administration's program to scuttle the 90 per cent of parity support program for agriculture and replace it with the sliding scale system. In my opinion, the new program is no answer whatever to our farm problem. Agriculture will sustain a terrific setback without corresponding benefits to the consumer and taxpayer. There is a farm problem, but the flexible support program is not the answer to it."

Cancer Control To Be Mapped

BROWNFIELD (Sp.)—American Cancer Society volunteers from 21 counties will meet here Sept. 29 to work out plans for an improved cancer control program in West Texas.

Delegates from each of the Cancer Society's county units in District Two of the Society's Texas Division will attend.

A tumor clinic teaching conference for all practicing physicians in the district will be held that evening at the South Plains Health Unit. The medical program will be conducted by a team of physicians from the University of Texas Medical Branch.

Mrs. Wayland Parker, chairman of the Terry County Cancer Unit, is in charge of arrangements for the lay meeting. Dr. Thomas L. Treadaway, a member of the Terry County Unit Executive Committee, is in charge of arrangements for the medical session.

Prime aim of the lay meeting will be to find better methods of fighting cancer in West Texas. The delegates hope to reduce the number of cancer deaths in the 21-county area by getting the cancer message across to more West Texans this year.

Included among those expected to attend the meeting are the Cancer Society's volunteer district directors for the area. They are Mrs. Paxton Howard of Midland, Dick Simpson of Vealmoor and Dr. Roscoe B. G. Cowper of Big Spring.

Counties in the district are Dickens, King, Gaines, Youkum, Lynn, Terry, Garza, Kent, Stonewall, Dawson, Berden, Scurry, Fisher, Andrews, Martin, Howard, Mitchell, Nolan, Ector, Midland and Glasscock.

'Killer Ape' To Show At Tower Tuesday

"Killer Ape," latest and one of the most entertaining of Columbia Pictures' popular "Jungle Jim" series, will show Tuesday at the Tower Theatre. There will also be an added feature, "Present for a Bride."

"Killer Ape" stars Johnny Weissmuller and features lovely Carol Thurston and Tamba, the talented chimp.

4-H Dress Revue To Be Saturday

The annual Garza County 4-H Club Dress Revue will be held Saturday at the county courthouse, with a public presentation scheduled for 8 o'clock Saturday night in the Post Elementary School auditorium.
 Miss Jessie Pearce, county home demonstration agent, said the dress revue is open to 4-H Club girls in three age groups. These age groups are: Junior, 9 and 10 years old; intermediate, 11, 12 and 13 years old, and senior, 14 years old and over.
 The girls will bring the dresses or suits they have made to the district courtroom at 9 a. m. Saturday for judging of construction, and will return at 2 p. m. to model the garments.
 Judges will be Home Demonstration Agents Edith Hughes of Borden County and Wanda Boach of Lynn County.
 Ribbons will be awarded winners, and the high point girl in the senior age group will represent the county at the District 2 Dress Revue in Lubbock. Achievement pins to be awarded in November, will go to the top 10 per cent of the girls taking part in the dress revue.

Fund Transfers Are Approved By County

County funds in the amount of \$1,717.79 have been transferred to the general fund for payment of proportional parts of the costs of assessment of mineral valuations in the county by valuation engineers.
 The amounts and the funds from which they were transferred to the general fund are as follows:
 Jury, \$102.25; Road & Bridge No. 1, \$98.16; Road & Bridge No. 2, \$79.75; Road & Bridge No. 3, \$73.62; Road & Bridge No. 4, \$55.22; Hospital Operating, \$408.99; Permanent Improvements, \$102.25; Road & Bridge Special No. 2, \$490.80; Hospital Sinking, \$306.75.
 The transfer of funds was approved at the September meeting of the commissioners' court.

Hattie Clarkson New Secretary At School

Mrs. Hattie Clarkson began her new duties this week as secretary of D. C. Arthur, superintendent of the Post schools.
 The new secretary, whose husband, Glenn Clarkson, is employed by Service Pipe Line Co. replaces Mrs. Neida Aduddell, who resigned to move to Dallas with her husband, Herbert F. Aduddell.
 The Clarksons lived in Levelland before moving to Post.

NEW WEAPON

NEW HAVEN, Conn.—The Connecticut Agricultural Experiment Station cheerfully agrees with complaining housewives that the fly population is bigger. Look Who's New

A son, Michael Tenn, was born Sept. 1 to Mr. and Mrs. Buster Adams of Big Spring, formerly of Post. He weighed nine pounds and two ounces. The Adams have twin daughters and another son. Grandparents are Mr. and Mrs. Troy Newborn of Big Spring and Mr. and Mrs. R. V. Blacklock.
 Mr. and Mrs. Robbie Gene King announce the arrival of Deana Gaynell, at 6:50 a. m., Sept. 2 in Garza Memorial Hospital. She weighed six pounds and five and three-fourths ounces.

Harold Lucas New Legion Post Head

Harold Lucas was elected commander of James C. Cole Post of the American Legion at a meeting Tuesday night. He succeeds Bobby Pierce.
 Other new officers are Odean Cummings, vice-commander, and Ralph Cockrell, adjutant. Outgoing officers are Morris Huff, vice-commander, and John Shedd, adjutant. Appointive officers will be announced later.
 The new officers took office immediately following their election.

Thefts Admitted By Two Teen-Age Boys

Two teen-age Post boys, questioned Tuesday afternoon by County Attorney Pat N. Walker and Sheriff Carl Rains, admitted the theft of hub caps and fender skirts from three automobiles, the officers report.
 Sheriff Rains said no action was taken against the youths upon their promise to return the stolen property and to tell their parents what they had done.
 The sheriff said six youths were called for questioning, but that the two who admitted the thefts absolved the other four.
 The hub caps and fender skirts were taken Monday night from two cars parked at residences and one parked at a church.

MOD Contributions Go Past \$400 Mark

Approximately \$400 had been reported up to noon Wednesday in the Emergency March of Dimes, according to Bob Poole, chairman.
 This amount, Poole said, is incomplete, since a few communities are yet to report, and the coin containers have not yet been collected.
 Recent contributions have included the following:
 Justiceburg, \$9; Barnum Springs, \$20.85; Calvary Baptist Church, \$17.69; Lions Club, \$19.68; Brown Bros., \$50; Garnolia, \$22; Southland, \$61; Pleasant Valley, \$8; Woodmen's Circle, \$5; Needlecraft Sewing Club, \$2.50; Graham, \$80.10.

Alaska Trip Topic Of Rotary Speaker

Clint Herring told of a recent trip to Alaska at Tuesday's Rotary Club luncheon.
 Preceding the talk, four members were "branded," a ceremony which, officials bring them into the club. They were Dick Woods, Marvin Hudman, Dr. John R. Rountree and Ray N. Smith. Dr. D. C. Williams presided over the branding ceremony.

SCHEDULE POST STOP

Miss Holly Weds Robert Martin Abilene Chapel Vows Friday

Daisy Nell Holly, daughter of Mr. and Mrs. William Holly, became the bride of Robert Martin, son of Mr. and Mrs. Leslie H. Martin of Falls, at 7:30 o'clock evening in Griswold Chapel.

Mr. H. Adams, dean at Abilene Christian College, read the ring ceremony before an assemblage with chapel candles and white gladioli. Dennis Manly, pianist, played the wedding march, "Well Tempered Clavier" (Bach); Adagia Canon movement from "Sonata Opus 10" (Beethoven); and additional wedding marches.

Holly gave his daughter a white tulle, over-length pleated tulle, full-length princess lines with a full-length train. Her shoulder length tulle was attached to a bandeau with a full-length train. She carried a bouquet of white gladioli and a diamond and sapphire bracelet which belonged to her mother.

Shirley Leach of Abilene, James F. Dell of Midland, and Mrs. J. E. Martin of Wichita were bridesmaids. The bride was escorted by her brother, Robert Martin, and her sister, Mrs. D. A. Callant.

The bride attended George Pepperdine College in Los Angeles, Calif., and was graduated from Texas Tech this summer. A speech major, she was a member of Kappa Kappa Gamma and president of the Speech Pathology Club.

The bridegroom attended Midwestern University at Wichita Falls and Massachusetts Institute of Technology. He was graduated from Tech in May, where he majored in mathematics.

4C's To Have Picnic At Park Tuesday

Linda Josey Has Birthday Party

Culture Club To Have Luncheon At Levi's Wednesday

The Woman's Culture Club will begin its club year with a luncheon at Levi's Ranch Cafe next Wednesday at 1 p. m. It is also guest day and each member is asked to bring one guest to the meeting.

The local unit is a part of the General Federation of Women's Clubs of which Mrs. Theodore S. Chapman is president. She has chosen as her theme "You Are the Light of the World." Emphasis will be placed on religion and youth conservation, responsibility of women in the home, development of intelligent public and individual responsibility in the community, nation and the world.

Theme of the General Federation is "From Strength to Strength."

Local officers are: Miss Maxine Durrett, president; Mrs. D. H. Mayfield, vice-president; Mrs. Harry Tubbs, second vice-president; Mrs. Lee Davis, recording secretary; Mrs. J. E. Parker, treasurer and corresponding secretary; Mrs. Cecil Thaxton, critic and parliamentarian; Mrs. D. C. Arthur, music director; Mrs. Tillman Jones, civic chairman, and Mrs. Charles Gates, publicity chairman.

Other officers are: Mrs. Kenny Cash, vice-president; Mrs. Thurman Francis, treasurer; Mrs. C. D. Lee, secretary, and Mrs. E. F. Schmedt, yearbook chairman.

Faculty members will be introduced; the Rev. Almon Martin will direct group singing; Mrs. Victor Hudman, president, will preside over a business session; yearbooks will be presented and the Post High School Orchestra, directed by W. B. Parks, will offer musical selections.

"We The People" is the P-TA theme for the year. Officers other than Mrs. Hudman are Mrs. Shelley Camp, vice-president; Mrs. Iven Clary, recording secretary, and Mrs. Al Norris, treasurer.

Linda Josey entertained Thursday evening in the city park with a birthday party honoring her daughter, Linda.

Birthday cake, iced in yellow with cowboys and ranch brand decorations, ice cream and Cokes were served.

Those present were Mrs. Buck Craft and children, Mrs. Perdue and daughter, Mrs. C. N. Chandler, Mrs. Hal Jones, Jr., and children, Mrs. Don Windham and children, Mrs. Bobby Pierce and children, Raynora and LaGayluah Young, Linda, Jaynie and Mrs. Josey.

Shelley Camp and the Rev. Gerald Blackburn attended the Abilene Presbytery at Lamesa yesterday and today. Camp reported on his recent trip to the General Assembly of the Presbyterian Church in Detroit, Mich. He was the Abilene Presbytery's lay delegate to the meeting. Rev. Blackburn spoke on "Stewardship Promotion."

The Rev. Roy Shahan, pastor of the First Baptist Church, reports: "Back to School Days" are here. We as parents should appreciate the privileges our children have today of mental development. As we observe "Back to School Days," we should also observe "BACK TO CHURCH TIME." During the summer months we sometimes become lax in our church attendance. Set your face toward the Lord's House each Lord's Day. Sermon subject for Sunday morning will be "Rest for the Wayworn Pilgrim" (Ex. 15:27—Matt. 11:28-29). The evening service theme will be "The Christian's Internal Warfare" (Ex. 17: 8-16—Romans 7: 15-25). If you are not enrolled in Bible School in some other church, we give you an invitation to come with us. A welcome awaits you.

Mrs. David Harpole of Levelland, the former Miss Johnnie Ruth Cato, was complimented at a miscellaneous shower last Thursday afternoon in the home of Mrs. Glenn Norman. Calling hours were from 3:30 until 5:30 o'clock.

Cohostesses were Mrs. Max Cawley of Abilene, Mrs. Dee Hodges, Mrs. Maggie Childress and Mrs. Ira Lee Duckworth. Out-of-town guests included the bride's aunt, Mrs. Floyd Pearson of Lorenzo and her mother-in-law, Mrs. Howell Harpole of Levelland.

Punch, cake squares and mints were served from a table laid in grey linen, centered with a floral arrangement.

Nancy Hart, three-year-old daughter of Mr. and Mrs. Boy Hart, was honored with a birthday party Tuesday afternoon at her home.

Balloon games were played and gifts were presented to the honoree.

Pink and blue cake, ice cream and lemonade were served to the following: Richard and David Hart, Debra and Larry Cummings, Lee and Nancy Norman, Virginia, Gary and Nina Young, Mrs. Ed Dye and Delores, Mrs. Glenn Norman, Mrs. Odlean Cummings and the hostess.

Those present were Mrs. Buck Craft and children, Mrs. Perdue and daughter, Mrs. C. N. Chandler, Mrs. Hal Jones, Jr., and children, Mrs. Don Windham and children, Mrs. Bobby Pierce and children, Raynora and LaGayluah Young, Linda, Jaynie and Mrs. Josey.

Mrs. S. C. Storie, Sr., will be hostess for a meeting of the Merry-makers Club in her home Tuesday, Sept. 14.

Miss Helen Thaxton Is Honored At Tea-Shower In Redman Home

Eleven hostesses entertained with a tea-shower in the home of Mrs. Raymond Redman Saturday afternoon, honoring Miss Helen Thaxton, bride-elect of Charles M. Prather of Austin. Mrs. Redman greeted guests

and presented them to the honoree; her mother, Mrs. Cecil R. Thaxton, and her aunts, Mrs. W. C. Wood of Lubbock and Mrs. Earle Thaxton. Miss Thaxton was attired in a green starched lace dress with matching satin shoes

and a white carnation corsage. Sweetheart figurines and flowers were arranged throughout the house.

In the houseparty were Mrs. Charles Hudman, Mrs. Sims Taylor, Mrs. Gene Tyer of Meadow and the following hostesses: Mrs. Walter Duckworth, Mrs. B. F. Evans, Mrs. N. W. Stone, Mrs. Lester Nichols, Mrs. Harold Voss, Mrs. Dee Coleman, Mrs. J. A. Stallings, Mrs. R. A. Moore, Mrs. E. A. Warren and Mrs. O. G. Hamilton. They wore white carnation corsages.

The serving table was laid with a linen cutwork cloth and had a revolving centerpiece of sweetheart figurines, with a floral background in dusty rose turquoise tapers.

Punch, cake squares decorated with roses, and nuts were served by Mrs. Taylor, Mrs. Tyer and Mrs. Hudman.

Mrs. Duckworth presided over the guest register and the other hostesses alternated in showing the miscellaneous gifts.

Carter-King Wedding Is Read In Bride's Home Saturday Evening

Miss Lou Ann King and Clayton Carter were married at 8 o'clock Saturday evening in the home of the bride's parents, Mr. and Mrs. C. B. King of Grassland. The Rev. Thomas Young read the double ring service before an archway of tropical foliage and white gladioli.

The bridegroom was graduated from Tahoka High School and attended Texas Tech for two years. The couple will reside in Tahoka, where he is employed by the Kenley Grocery.

The bridegroom's parents are Mr. and Mrs. Otto Carter of Tahoka.

Miss Jane Shepherd offered the traditional wedding marches and accompanied J. B. Ables who sang "I Love You Truly" as the pre-nuptial solo.

The bride, given in marriage by her father, wore a dress of white imported Cantilly lace and nylon net over taffeta fashioned with a fitted bodice, Peter Pan collar with pearl and rhinestone trim, and bouffant skirt. Her fingertip veil fell from a tiara of seed pearls, rhinestones and sequins. She carried gardenias and stephanotis on a white Bible. She also carried out the bridal tradition of something old, new, borrowed and blue. For something old she chose a pearl necklace belonging to her mother; something new was pearl, rhinestone and sequin earrings; something borrowed was the Bible, belonging to Mrs. Mittie Walker, and something blue was a garter, made by her sister-in-law, Mrs. W. A. King.

Miss Jerry Aldridge was maid of honor. She was attired in mist green nylon organdy over taffeta, fashioned with a snug bodice and sweetheart neckline.

Kenneth Carter of Henderson attended his brother as best man.

Mrs. W. A. King and Miss Joy Tomlinson assisted with hospitalities at the reception, which was held immediately following the wedding. The refreshment table was covered with lace over mint green and was centered with an arrangement of white gladioli.

For a trip to New Mexico Mrs. Carter chose a light beige suit with matching shoes and other tangerine accessories. Her corsage was of gardenias.

The bride is a 1954 graduate

VA Questions And Answers

Q. I am a "peacetime" veteran, and I want to get into a VA domiciliary home. One of the requirements, I understand is the lack of adequate means of support. I have an income of around \$100 a month. Is that considered inadequate?

A. No. Your \$100 a-month income would not bar you from VA domiciliary care so long as you meet all the other eligibility requirements. An income of \$125 or more a month, however, is considered adequate means, if the veteran uses it to support only himself.

Q. Recently I needed emergency medical treatment in a non-VA hospital for my service-connected disability, and there wasn't time to get VA's authorization in advance. Would it be possible for VA to reimburse me for the expenses?

A. Yes, it is possible, but only if all four of these conditions existed: (1) the treatment was for a service-connected disability or for some ailment that was aggravating a service disability; (2) treatment was given in a medical emergency; (3) Government facilities were not available; (4) delay would have been hazardous.

Q. I'm a disabled veteran taking Public Law 16 training. I received a serious injury during my training. Could I receive additional compensation for my training injury?

A. Yes, it is possible for you to receive additional compensation for your injury, providing you can show that your disability resulted directly from some essential training activity.

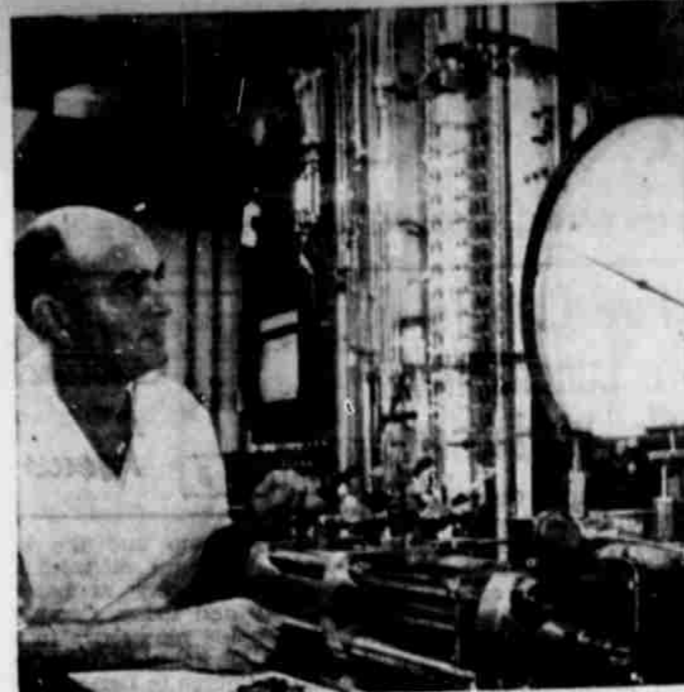

Q. A friend of mine has been receiving VA compensation because of two disabilities. One is permanent and the other isn't. VA asked him to report for a physical examination for his non-permanent disability, but without any good reason he failed to show up. Will VA stop his entire compensation?

A. No. VA will adjust his compensation so that he will be paid only for his permanent disability. He no longer will receive payment for his non-permanent disability.

The United States produced more than a million tons of stainless steel in 1953—the first year this figure has been reached.

TO PRODUCE MORE OIL—Scientific equipment like this is a common sight in Humble Oil & Refining Company's new Houston Research Center, being formally opened to provide better facilities for continuing research into problems of finding and producing oil. Above, Humble technician Henry H. Shepherd tests fluid from a producing oil sand as part of a study of how to recover more oil from known fields. Some 330 other scientists, technicians, and assistants who formerly worked in separate locations will now carry on research in the new Houston Center.

Locations Staked For Two Wildcats

Location on which to drill a shallow wildcat oil project in the southeastern portion of Garza County has been staked by a Lubbock operator.

Western Drilling Co., Inc., No. 1 J. S. Boren is projected to a depth of 3,100 feet for tests of production in the San Andres. Rotary drilling equipment will commence operations immediately.

Exact location is 2,310 feet from south and 330 feet from west lines of Section 104, Block 5, H&GN Survey, eight miles northeast of Justiceburg on a lease of 640 acres.

Another wildcat location is R. B. Harris and others No. 1 W. C. Williams Estate, 330 feet from south and west lines of the southwest quarter of the northeast quarter of Section 66, Block 5, H&GN Survey, eight and one-half miles east and two miles south of Justiceburg, rotary to 3,000 feet, at once.

A new completion in the Garza Field is Threeway Drilling Co. No. 2 J. E. Durrett, Section 4, Block A, SF-1442, which pumped 133.06 barrels of oil plus one per cent water daily. Gas-oil ratio was 350-1. Perforations from 3,306-3,440 feet were acidized with 3,000 gallons.

Fish in the Columbia River are tested periodically for possible radioactivity which might be derived from the Hanford Atomic operation.

Auto Inspection Dates Are Set

AUSTIN (Spl.)—Homer Garrison, Jr., director of the Texas Department of Public Safety, said today that the Public Safety Commission has officially set the dates for the new inspection period for autos under the provision of the State's Motor Vehicle Inspection Act.

Texas motorists must secure the annual inspection of their cars between Sept. 15, 1964, and April 15, 1965, according to the commission order.

At the same time George Busby, chief of the DPS Motor Vehicle Inspection Division, said that the inspectors from his office have filed 106 cases against car owners who failed to have their cars checked during the current inspection period. These, he said, are in addition to those cases filed by members of the Texas Highway Patrol and by various local police departments throughout the State.

Unable to give an estimation of the actual number of violations for which arrests have been made during the 1963-64 period, Busby said that he "believed the figure to be comparatively low" due to the fact that frequent spot checks indicate that Texans have conformed with the law "almost 100 per cent."

Game Commission Cautions Hunters

AUSTIN (Spl.)—With the dove hunting season under way, Executive Secretary Howard Dodgen of the Texas Game Commission today urged hunters to handle firearms carefully.

"It is urgent that everyone treat a loaded gun with the utmost care," said Dodgen. Dodgen said it was considered significant that 12 of the 19 persons killed by firearms in Texas as last year were not holding the guns that fired the fatal shots.

Leading causes for hunters accidentally killing themselves included: crawling under a fence;

Dedicated to
Man's Impelling Curiosity

Most of us interpret the value of research in terms of immediate benefits. Research means that we get a better automobile, an improved gasoline, or an outstanding motor oil.

At Baytown Refinery, the Humble Company maintains one of the finest laboratories in the petroleum industry for that kind of research.

But behind the study that goes into the improvement of the products it sells, Humble for years has fostered basic research related to the discovery and production of oil and natural gas.

The United States uses so much oil from day to day, and needs so much more to provide for the emergencies of national defense, that studies leading to the discovery of new supplies

- The new Houston Research Center will provide facilities for research in:
- Fluid Mechanics
 - Geophysics
 - Geology
 - Geochemistry
 - Drilling Muds
 - Well Log Interpretation
 - Subsurface Instruments
 - Reservoir Behavior
 - Well Stimulation
 - Well Cementing

and the more efficient management of existing reservoirs are more important than ever before. Consequently, Humble's expenditures on this sort of research are the heaviest in the Company's history and its staff of research scientists is larger than it has ever been.

To house the expansion of these research sections, Humble recently completed its new Research Center at Houston and will formally dedicate it this week end.

Here the scientists of the various departments involved in the discovery and production of oil will utilize common facilities, and here they will have the stimulation of close association with other scientists whose efforts are dedicated to a common end.

Livestock Departments At Fair For Club And Non-Club Members

This year's Garza County Fair to be held here Sept. 17 and 18 has two livestock departments, one for club boys and girls, and the other open to adults and non-club members.

Glenn Davis and Lawrence Epley are superintendents of the livestock department. Others are: Carol Davis, general superintendent 4-H boy's exhibits; Sue Stephens, general superintendent 4-H girls' exhibits; Auvy McBride, general superintendent FFA exhibits; Clarksy Cowdrey and Dwayne Davis, poultry superintendents, and Dean Huddleston and Rubin Jimenez, rabbit superintendents.

In the junior livestock department, there will be two divisions—beef steers and swine.

Class I, Division I, will be milk-fed steers, 825 pounds and under and 826 pounds and over. Class II will be light, medium and heavy dry-lot steers.

There are four classes in the swine division. They are: Breeding gilts (Sears), breeding gilts (junior class), heavy barrows and light barrows.

There is a beef breeding animal division and a swine division in the open livestock department. To be exhibited in the beef division are heifers two years old and under, cows over two years old, bulls two years old and under, and bulls over two years old.

In the open department's swine division, there are classes for breeding gilts and for heavy and light barrows.

There are also poultry and rabbit departments for both club

members and non-club members.

All livestock must be in place by 10 a. m. Friday, Sept. 17, and remain at the fairgrounds until 9 p. m. Saturday. All poultry and rabbit entries must be removed from the fairgrounds by 10 p. m. Saturday.

Two Injured In Auto Accident

Dialing a radio while driving can be dangerous, Miss Jeannotte Kerr, 16, of Portales, N. M., learned Saturday afternoon when the automobile she was driving went out of control and turned over twice, 25 miles east of Post on U. S. Highway 389.

Miss Kerr suffered severe abrasions in the accident, and her companion, Miss Betty Jean Alston, 18, received abrasions and an arm injury. They were dismissed from Garza Memorial Hospital Sunday morning.

The accident occurred about 1 o'clock Saturday afternoon while the two were en route to Portales from Fort Worth in a 1947 Studebaker they had purchased the day before. They had been working in Fort Worth for the past three months.

Miss Kerr said the car hit loose gravel at the edge of the road and overturned while she was "trying to get some music on the radio." Miss Alston, the more seriously injured, was thrown from the car as it rolled over. The girls were brought to Post by a passing motorist.

Phone Company Has A New Trademark

A search for a simpler, easier to understand and remember trademark for General Telephone System has successfully ended with the adoption of a new, trapezoid shaped trademark.

The new trademark, which bears a schematic drawing of a telephone handset centered between the words, "General System," will appear in this month's General Telephone advertisement in this newspaper.

The old General trademark was circular in shape with a telephone pole and crossarm inscribed on the circle and the lettering "General Telephone System" around the circle.

Not only will the new trademark be used in all General advertising, but eventually it will go on all stationery, forms, bulletins, annual reports, dividend enclosures to shareholders, building plaques, vehicles, and telephone booths throughout the system.

'Act Of Love' Is Tower Attraction

"Act of Love", Anatole Litvak's widely discussed filmization of the best-selling novel by Alfred Hayes, "The Girl on the Via Flaminia," co-starring Kirk Douglas and the lovely young French actress Dany Robin, will show at the Tower Theatre next Wednesday and Thursday.

The deeply moving story of a turbulent war-time love affair between a lonely American soldier and a homeless French girl has been hailed by critics as the "A Farewell to Arms" of World War II.

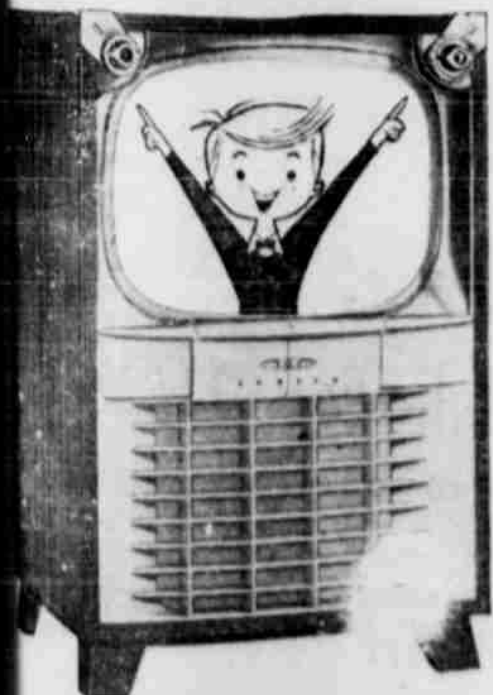

"Act of Love" was filmed entirely in France—principally in Paris, but with side excursions to the French Riviera and other locales.

CARLETON P. WEBB, attorney at law, announces the removal of his law office from the Mason Building to the CARDWELL BUILDING at 127 East Main Street.

Johnnie and Jean Hopkins, that popular duo who operate the TOWER and SUNSET theaters and who treat the boss and your roving reporter to a good show quite often, are really excited over the new wider screen to be installed at the TOWER. The new screen will enable them to bring cinemaScope productions to Post. We are excited, too, and feel that all movie fans will enjoy this type of production.

Mr. and Mrs. Walter Hays left Thursday for their home in Ojai, Calif., after a month's visit with relatives in Post and at other Texas points.

Barbecue Dinner—

(Continued From Front Page)
 Gifts and Plaque—Jennings, Jones and J. E. Parker.
 Tickets—Camp and Dean A. Robinson.
 Arrangements—W. S. Duckworth and R. H. (Henry) Tate.
 Publicity—E. A. Warren, Dr. Surman and Dr. Williams.
 History—Mrs. Sherrill Boyd, Mrs. A. C. Surman, Mrs. T. L. Jones and Warren.
 Samson, a stonecutter in his native Scotland, followed the trade after coming to the United States. After working in New York and Pennsylvania, he came to Texas, where he helped build Southwestern University at Georgetown and the post office building in Dallas.

He came to Post shortly after the town was founded by C. W. Post, and was well acquainted with the town's founder. Post often helped Samson, his brother, Charles, and Jimmy Napier as they laid stone and brick on the town's earliest buildings.
 Samson's interest in and knowledge of the various types of grasses and crops applicable to the area early became known to the people of Garza County, who have come to look upon him as a booster and unofficial press agent for the city and county.
 His interest in agriculture and fairs dates back to his boyhood in Scotland, where he helped his father assist at fairs and other exhibitions.

This year, Samson is serving as agricultural superintendent for the Panhandle-South Plains Fair in Lubbock, as well as for the Garza County Fair to be held here Sept. 17 and 18. With the exception of a few years, he has been officially connected with the Lubbock Fair ever since it was established more than forty years ago.

Samson has also helped arrange Garza County agricultural exhibits at the State Fair of Texas in Dallas and at other area fairs. He has been a constant worker in helping promote 4-H Club work in the county, and was instrumental several years ago in helping the county secure resident Extension Service agents.

He has served as president of the Post Chamber of Commerce, of which he is now a director, and has been especially active in Post Stampede Rodeo, Inc., and Post Junior Rodeo Association.

Samson has been called upon to judge agricultural and other products at dozens of fairs throughout West Texas, and has also judged rodeo parades here and elsewhere over the area.

As a member of the City Park Board, he has been active in promoting the park development project, including the new swimming pool.

"It'd be impossible to list or number the many worthwhile community projects Scotty has headed or in which he has assisted," said a member of the general committee this week. "The barbecue dinner we're holding in his honor will be a token of the high esteem in which he is held, not only in his home community and county, but throughout West Texas."

Barren Test Taken At Garza Wildcat

Electric logs were being taken by operators after they found no shows of oil or gas on a drill-stem test at the Atlantic Refining Co. No. 1 Swenson, deep wildcat venture in the northeastern part of Garza County.

The test was taken from 8,261-8,299 feet and was left open for one hour. Total recovery was 240 feet of sulphur water-cut drilling mud with no indications of oil or gas. Open bottom hole flowing pressure ranged from 95-220 pounds, and 15-minute shut-in pressure was 3,455 pounds.

The prospector is 660 feet from south and 1,980 feet from east lines of Section 60, Block 8, H&GN Survey, five miles south of Kalgary.

Vacant Houses Here Smashed By Vandals

Two vacant houses, both just outside the city limits, have been "beaten to pieces" by vandals, it was reported Wednesday by Sheriff Carl Rains.

Windows and doors have been smashed and other damage to the houses inflicted, the sheriff said. One of the houses is north of town and the other is east of town.

Rains reported that acts of vandalism have been on the increase here in recent weeks. He warns that those guilty will be prosecuted to the full extent of the law, if apprehended.

Mr. and Mrs. Wayne Brown and Teena are in Dallas this week. Their other children, Billie Babb and Betsy are visiting relatives in Lubbock while they are gone.

Small grain pastures being used for grazing can be given a new lease on life with an application of nitrogen fertilizer. The fertilizer is especially needed if the plants are yellow to a light green in color.

Lubbock Man Is District Chairman In Stepped-Up Savings Bond Campaign

Dr. D. M. Wiggins, vice-president of Citizens National Bank in Lubbock, has been named district chairman in a ten-county district in the new stepped-up campaign for U. S. Savings Bonds throughout Texas. Announcement of the appointment came from Chairman Nathan Adams and Co-Chairman Ed Gossett, Dallas, of the Savings Bond Advisory Committee for the state.

The new district chairman will help give leadership to all phases of the Savings Bond program in the district, which includes Cochran, Crosby, Dawson, Gaines, Garza, Hockley, Lubbock, Lynn, Terry and Yoakum counties.

"Times throughout the world now are, and for the next several years probably will be, as critical as any experienced during the past quarter of a century. Therefore, it is highly essential that everyone of us do everything we can to keep ourselves, our community, our state and our nation strong," the district chairman emphasized. "Purchasing Savings Bonds is a way that everyone can help insure financial and economic strength. The bonds afford every citizen

a definite means of helping himself and also the economic well-being of his community, state and country. Furthermore, their new features, such as increased interest rate of three per cent, compounded semi-annually, makes them a more desirable investment for everyone.

"Purchases of Savings Bonds must be substantially increased the remainder of the year in order to put the county quotas and the Texas goal over-the-top. The 1954 quota for the district is \$3,333,000 and for the state is \$199.3 million. The national goal calls for 'A Billion More in '54.' We are confident," the district chairman concluded, "that the citizens of the counties in our district will cooperate fully to help attain the 1954 goals.

Mrs. James Stone, Mrs. Glenn Davis and Mrs. Luther Bilberry attended the Home Demonstration Club picnic at Post Park Friday.

School opened last Thursday with approximately 60 children enrolled.

Visiting in the J. J. Wells home during the weekend were her brother, J. S. Varner, and wife of Abilene, Mr. and Mrs. Roy C. Wells and boys of Greenville, Mr. and Mrs. Johnny Wells, Mrs. Sterling Kelly and baby, Mrs. Wiley Johnson, Mr. and Mrs. O. W. Smith and children, Mrs. R. A. Smith and daughters.

Mr. and Mrs. T. H. Tipton have returned home after attending the funeral of Mrs. Tipton's mother, Mrs. Lena Stephens, near Gatesville.

Combined Efforts Of Three Groups Necessary In Child Traffic Safety

"Things get done when people do them together, and this is especially true in the field of child traffic safety."

Col. E. B. Tilley of Houston, president of the Texas Safety Association, and services advisor for the Gulf Oil Corporation, made that statement today in urging the cooperation of all the people in Texas in making a success of the child traffic safety program being sponsored locally this month by the Texas Safety Association, the Texas Department of Public Safety and the National Safety Council.

"If we are to keep our children safe in traffic," he said, "it's going to take the combined efforts of motorists, parents and the children themselves."

The role of parents in this three-way safety effort is very important, Col. Tilley pointed out, for parents can regulate to a large extent the activities of their children, keeping them away from dangerous traffic areas when they are not under the direct supervision of an adult. Parents also have many opportunities to teach children good safety habits.

"Of course," he said, "one of the best ways to do this is by example. If parents—and all adults—are careful always to follow safety rules, it will do much to instill in children respect for and obedience to these rules."

He pointed out that children don't have adult judgment, however, and that even when they have the very best training they sometimes are going to be unpredictable in traffic situations.

"This is where the motorist must do his part," Col. Tilley said. "It is up to the drivers to be especially alert near schools and playgrounds, in residential areas, and any place children might be expected to gather."

At the same time children themselves must do the best they

Calvary Baptists To Have Revival Meeting

The Rev. J. T. Campbell of Shallowater will conduct a revival meeting at the Calvary Baptist Church, beginning Sunday morning, the Rev. Shelby Bishop, pastor, announces.

Morning services will be at 10 o'clock, prayer meetings will be held at 7:30 p. m. and evening worship at 8 o'clock.

Jim Hays is song director; Mrs. Bishop, organist, and Mrs. Shockley is pianist.

Southland Church Holding Revival

Gifts were presented to the couple.

Mr. and Mrs. C. M. Darnell of Grand Saline visited the Will Teaffs Friday. They formerly taught school here.

Mr. and Mrs. Erven Popham and Dennis and Mrs. Miller of Abilene were Thursday guests of the Will Teaffs.

Mr. and Mrs. T. H. Tipton were recently called to Coryell County to attend funeral services for her mother, Mrs. Lena Stephens.

Southland Church Holding Revival

The Rev. Homer Salley, pastor of St. John's Methodist Church of Plainview, is conducting a revival meeting at the First Methodist Church in Southland, where the Rev. J. E. Peters is pastor.

The series of meetings began Friday and are to continue through Sunday. Services are being held twice daily, at 10:30 a. m. and 8 p. m.
