

Antelopes Surprise Canyon, Look for Regional Trophy

by Wes Burnett
"We really don't have a lot of time to think about last week," Post Antelope head coach Dewayne Osborne says about the Area Championship game at Plainview last Friday, "it's just that these guys don't want to get beat."
"I don't think we played as well as we have earlier this year, but some of that had to do with Canyon and the holidays," Osborne adds.
The Antelopes are preparing this week to meet District 6-3AAA champion Springtown for the Region I-AAA Regional Championship at Abilene's Shotwell Stadium for an 8 p.m. kickoff.
The Porcupines shut out District 7-AAA runner-up Clyde 42-0 for the Area Championship.
"Springtown is the best team we have played this year, no doubt about it," the coach observes, "and we're

going to have play exceptionally well to win."
"They are extremely quick and fast, it'll really be question of execution and making sure tackles at the line of scrimmage," Osborne emphasizes.
Although Victor Chapa, Kelly Crispin and Jimmy Holleman came out of the Area Championship with injuries, Osborne expects all players to be ready for the Regional game Friday.
Springtown plays great defense, spearheaded by 200 pound senior Lance Campbell at the end position and 175 pound junior safety Clint Hampton.
The offensive linemen are big and quick and get off the snap in a hurry. Quarterback Patrick Sherill, a 180 pound senior, has good speed and runs the offense well. The Porcupines don't pass often, but run the option well, with Campbell and Hampton using their

speed to get the big plays.
The offensive line averages approximately 190 pounds, with 225 pound junior tackle David Croyle leading the charge.
The Porcupines run 86 percent of the time, passing for only 14 percent.
"They take advantage of the big play," Osborne emphasizes, "and we've got to take that away from them to win."

All Antelope fans are invited to a special "Send-Off" Rally to be held Friday at 2:15 p.m. on the south side of Post High School building.

ON A COLLISION COURSE - Jimmy Holleman (51) and Kelly Crispin zero in on Eagle quarterback John Eller. The Antelope defensive effort shut down Canyon's offense in the second half, setting up a come-from-behind 29-24 win. (See more photos and stories on Page 8, 9 and 11).

Early Schedule for School Buses Friday, December 1

Post ISD Superintendent W.F. Shiver has announced that school buses will run at 2:30 p.m. Friday, December 1 after classes are dismissed in Post schools at 2:15 p.m.
The early schedule will allow the buses to make their routes and return in time for the trip to Abilene for the Post-Springtown game.

Tickets Now on Sale for Post-Springtown Game

Tickets are now on sale at the Post High School office for Friday night's Region 1, 3-AAA semi-final football game between Post and Springtown in Abilene.
Advance tickets are \$5 for adults and \$3 for students. All tickets will be \$6 at the gate in Abilene's Shotwell Stadium for the 8 p.m. kickoff.
Advance tickets are available at the high school office through Thursday 8 a.m. to 4 p.m. and Friday until noon.

Personal Signatures Show Support for Post Antelopes

Post Antelope football fans are signing their personal signatures for the Antelope Football page, published Wednesday in The Post Dispatch through the playoff season.
Personal signatures for the page are now being accepted at the Dispatch office at \$5 each, and the signatures will appear on the page every Wednesday through the playoffs. The Dispatch is contributing \$1 of every \$5 signature to the Antelope Booster Club.

Proposition 5 County Commissioners Exercise Local Option

by Lonnie Welborn
In a regular session Monday, November 27, Garza County Commissioners voted to exercise the local option clause in Proposition 5, one of the constitutional amendments approved by voters statewide in the November 7 election.

Proposition 5, on the November 7 ballot, was a constitutional amendment "promoting economic growth, job creation and fair tax treatment for Texans who export goods to other states and nations by restoring and allowing, on a local option basis, an ad valorem tax exemption for certain personal property that is in Texas only temporarily for the purpose of assembling, storing, manufacturing, processing or fabricating."

In exercising the local option, the commissioners issued the following resolution:

"WHEREAS, the voters of Texas approved proposition 5 (Senate Joint Resolution 11) which grants an exemption from taxes on goods, wares, merchandise and ores acquired in or imported into the state for the purpose of assembling, storing, or manufacturing and shipped out of state within 175 days;
WHEREAS, this amendment could cause a significant loss in ad valorem tax revenue for Garza County;
NOW THEREFORE, we the Garza County Commissioners

Court do hereby resolve to continue to tax the properties affected by the freeport exemption."

The commissioners also voted to advertise notice of a public hearing on Monday, December 11, 1989 at 9 a.m. in the Commissioners' Courtroom concerning the county's intent to continue to levy and collect ad valorem taxes on personal property not held for the production of income. This includes such non-agricultural vehicles such as airplanes, boats and recreational vehicles.

In other business conducted the court:

- Approved an administrative leave of absence for Kay Lamb;

- Accepted bids, originally filed on March 27, for two used vehicles in the sheriff's department: a 1987 Chevrolet Caprice, \$300, Jimmy Mathies; and a 1985 Chevrolet Impala, \$500, Arnold Fry.

- Approved the request of Dee Justice that volunteers from the county precincts begin work on the courthouse driveway.

- Approved the suggestion of County Judge E.A. Howard to change the wording of Mitchell County's sewer ordinance and adopt that ordinance for Garza County's use, subject to the approval of the commissioners.

Present at Monday's meeting were Judge Howard; Commissioners Herbert Walls, John Valdez, Ted Aten and Sammy Ellis; Voda Beth Gradine; and Sonny Gossett.

A SPECIAL THANKSGIVING lunch was shared at Post Elementary School last Wednesday when students gathered in the hallway to share the time together in fellowship in the tradition of the Thanksgiving spirit.

Garza County Youths Receive Top 4-H Awards at Lubbock Banquet

by Lee Howard
CEA-Agriculture, 4-H

Brandon Bird, son of Mr. and Mrs. Jay Bird of Post, and Shelia Haire, daughter of John Haire and Sherry Haire, both of Southland, were among the 36 outstanding members of 4-H Clubs across the South Plains who were honored Monday night, November 20, at the 32nd annual District Gold Star Banquet in Lubbock.

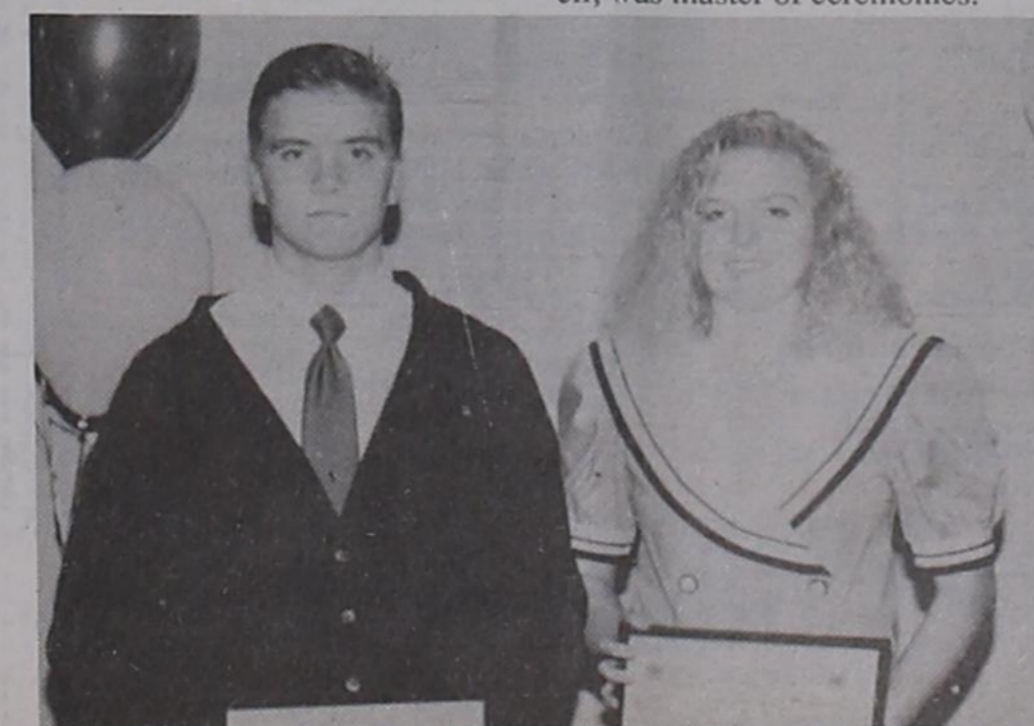

In addition to receiving the Gold Star Award, highest honor presented at the county level by the youth organization, the youths were challenged by Dr. Elizabeth Hailey, Dean of Home Economics at Texas Tech University, to make optimum use of the tools and rules they already have and build a sound future.

Joining the youths at the KoKo Palace were parents, government officials, leaders of the Texas Agricultural Extension Service, fellow 4-H'ers, educators and other community leaders. The event has been sponsored each year by 12 area electric cooperatives: Bailey

County, Caprock, Deaf Smith, Dickens, Lamb County, Lea County, Lighthouse, Lone Wolf, Lyntegar, Midwest, South Plains and Swisher.

At the banquet, the audience

was welcomed by Jim Roberts, general manager of South Plains Electric Cooperative. Patti Shepard, Hale County 4-H member, responded. Chance Brooks of Terry County, president of the 4-H Council, was master of ceremonies.

GOLD STAR AWARD WINNERS at a November 20 District Gold Star 4-H Banquet in Lubbock were Brandon Bird of Post and Shelia Haire of Southland.

Howard Conducts Clinic Saturday, December 9

Lee Howard, Garza County Extension Agent-Agriculture, will provide area 4-H Club members and other interested individuals with an opportunity to learn the finer points of showing livestock - simple show ring steps and general stockshow duties - in a Showmanship Clinic, Saturday, December 9, 1989 in the Garza County Junior Livestock Association Showbarn.

The schedule for the clinic includes:

9:30 a.m. - Be in showbarn with animals.

10 a.m. - Opening statements, general stockshow care, lamb shearing and fitting for the show, how to utilize a lamb table at show and at home, lamb showmanship demonstration, practice with lamb exhibitors.

12 noon - Stew and cornbread lunch - \$2. RSVP-495-2050.

Post Dispatch Sunday Edition

The Post Dispatch will publish a special edition this Sunday, December 3 complete with details and photos of the Region I-AAA Regional Championship game between the Post Antelopes and the Springtown Porcupines.
A special Sunday edition will also be published December 17.

The current cotton crop is one of the biggest ever and it is within the realm of possibility that the 1979 cotton harvest could enrich the county's economy by \$12,500,000, although conservative crop watchers will probably judge this Dispatch estimate "too high."

Jana Hudman was honored on her seventh birthday with a party in the home of her parents. Attending the party, which had a "Donnie and Marie" theme, were Tyra Hart, Hilary Williams, Nicole Jones, Tamra Gerner, Kristi Hodges, Marilyn Bell, Tyra and Sarah Alexander, Jana and her brother Richard.

Two Post women, Lil Conner and Sue Allison, hunting arrow heads recently discovered what is probably the most important late-stage historic Indian burial site on the South Plains.

The Dispatch called attention to, and apologized for, an item in the November 13 paper concerning the area cotton crop: "Estimates on the Garza County crop, spread over 35,000 acres, is between 18,000 and 20,000 bushels if nothing else goes wrong."

Letter to the Editor...

In response to Tim Menicutch's sports article in the Saturday, November 25 issue of the Lubbock Avalanche-Journal:

On a night when (Canyon) a howling wind, knocked (Post) around like a little twig, a funny thing happened. That howling wind turned out to be a gentle breeze, and that little twig turned out to be a pretty Big Stick. The Bold Gold Antelopes, in a high school with less than 250 students, compete with larger schools and bigger athletes every week, but you cannot find a team or coaching staff in West Texas with a bigger heart.

Post, the lone South Plains team still alive in the 3AAA play-offs, will show up Friday night in the Regional 1-3AAA semifinals in Abilene, again against a much larger school and much bigger athletes. It doesn't matter, our young players do what they have to do.

Roy and Sherry Sappington

Elected to the first parish council of the Holy Cross Catholic Church were Delfina Castillo, Mary Conolly, Gary Gilbert, Dennis Guichard, Herbert Pantoja and Cornelius Saldivar.

Lt. Roger Camp, who has been visiting in Post, left Sunday for Washington, D.C., where he is stationed with the Army.

Twenty-eight Cub Scouts received awards Tuesday night at the first meeting of the new pack year for Cub Scout Pack 314. Awards were presented by Cubmaster James Dye and Committeeman Bob Macy.

Garza County's cotton allotment for 1970 has been boosted six percent to a total of 40,754, Mrs. Emmarhe Hartel has announced.

30 Years Ago November 26, 1959

With the cotton harvest in Garza County variously estimated at being anywhere from 75 to 90 percent complete, ginnings here had reached 13,761 bales, creeping towards the 15,000 bale mark which some observers have predicted is as much as the county will make this season.

Mr. and Mrs. L.P. Kennedy, pioneer Garza County residents, celebrated their Golden Wedding Anniversary with a reception Sunday afternoon.

Mrs. Albert McBride and Mrs. Mary Lee Wristen, teachers in the Post school system, will attend the Texas State Teachers Convention in San Antonio during the Thanksgiving holiday.

Currently taking training classes to serve as Girl Scout adult leaders are Mrs. Howard Kolb, Mrs. Spencer Kuykendall, Mrs. Harley Turbyfill, Mrs. J.C. Stelzer and Mrs. A Lee Ward.

A son was born November 17 to Mr. and Mrs. Glen Bratcher in Garza Memorial Hospital. He weighed six pounds, five ounces and was named Ronald Edwin.

There were 500 people present in the grade school auditorium to see the Drama Club's production of "Cheaper by the Dozen."

40 Years Ago December 1, 1949

Mayor John Herd has urged the people of Post to burn the dead leaves and clean up the dry weed and other debris around their homes and on vacant property. Referring to the fire which badly damaged the business section two years ago when a fuel truck and a car collided, Herd said, "A similar fire could be caused by a trash fire on a windy night or day. If these dry weeds, leaves and papers aren't cleaned up, the city will be in real danger."

Sheriff E.M. Bass, in the interest of law and order, is offering a free escort service to merchants who make night deposits on Saturday nights until the cotton harvest season ends and the current crime wave in West Texas subsides.

Only 56 eligible Garza County voters have paid their poll taxes and the deadline is January 31.

Lenona Stone, judged the outstanding 4-H girl of 1949, received the county Gold Star pin, and Jackie Meyers received a similar Gold Star award for being the outstanding 1949 4-H boy at a county-wide 4-H Rally in the District Courtroom Monday night.

Funeral services for Charles E. Morrow were held in the First Methodist Church Friday. Morrow, accompanying his father, the late S.A. Morrow, moved here from Gail in 1907.

Jerry Odom, Calvin Storie and Billy Lee Smith were named to the first team of the District 4-A South All-Star teams.

Exchange Wedding Vows November 18

Donna Marie Weston and Curtis Delmer Cowdrey exchanged wedding vows in a four o'clock double-ring ceremony Saturday, November 18 in the South Plains Church of Christ in Lubbock.

Gary Evans, a professor at Lubbock Christian University and minister of the South Plains Church, performed the ceremony before brass candelabra entwined with greenery and iridescent bows.

The bride is the daughter of Mrs. Beverly Weston of Lubbock and the late Howard Weston. Parents of the bridegroom are Mr. and Mrs. Bobby Cowdrey. He is the grandson of Mr. and Mrs. Lonnie Peel and the late Clyde and Ethel Redman.

Given in marriage by her brother, Ed Weston of Lubbock, the bride wore a formal length gown of white satin featuring a v-neckline trimmed in Schiffler lace and adorned with seed pearls which highlighted the bodice. The leg-of-mutton sleeves were also accented with Schiffler lace, seed pearls and iridescent sequins. The natural waistline fell into a full skirt which was detailed with scalloped Schiffler lace adorned with seed pearls. The bottom of the gown was trimmed with Schiffler lace which continued into the cathedral-length train. Her fingertip veil was also accented with seed pearls and iridescent beads.

She carried a cascade bouquet of fresh flowers featuring gardenias, snapdragons, miniature carnations, freesia, roses and alstromeria.

Carrying out a wedding tradition the bride wore "something borrowed," a diamond and gold necklace belonging to the mother of the bridegroom; "something new," her dress; "something old" was a Bible belonging to her mother; and "something blue" was a garter made by Sue Maxey, a friend of the bridegroom's family.

Serving as matron of honor was Debbie Carpenter of Austin, sister of the bride. Bridesmaid was Peri Pitts of Lubbock.

The attendants wore dresses of hunter green windowpane taffeta featuring velvet bodices with short puffed sleeves and bows at the lower back. They carried semi-circles of rosebuds, stock and daisies.

Lem Bartley of Las Cruces, N.M., nephew of the bridegroom, served as candlelighter.

Attending his brother as best man was Clay Cowdrey of Stephenville. Ushers were Scott Carpenter of Austin, brother-in-law of the bride, and Bryan Kiser and Jim Rainbolt, both of Lubbock.

Wedding music was provided by The Meistersingers from LCU, under the direction of Dr. Wayne Hinds.

A reception was held in the church annex following the ceremony. Assisting with serving duties were Jana Middleton, Teenia Sporathin, Kelly Malone and Shawna Blackwood. Members of the houseparty included Jan Cockrell, Phylis Menendez, Sandra Blackwood, Calvette Haggard, Janey Middleton, Orabeth White, Judy Bush, Tommie Williams, Carol Williams, Jane Mason, Diane Graves, Sue Maxey and Delores Redman.

The bride's table was covered with a tulle over satin cloth enhanced with a lace and tulle swag edged with a ruffle. The bride's cake was a five-tiered free-form rolled fondant, baked and designed by the groom's sister, Lisa Bartley. Burgundy and white shaped mints, made by Amy Easterling, also a sister of the groom, were served with nuts and punch. Silver and crystal appointments were used on the bride's table.

The groom's table was covered with a burgundy cloth and centered with an antique brass car entwined with greenery. A German chocolate

cake, a meat and cheese tray, butter pecans and coffee were served. Brass and crystal appointments were used.

After a wedding trip to Northern New Mexico, the couple will be at home in Lubbock where both attend LCU. The bride is employed at the university and the groom at Payless Cashways.

The rehearsal dinner was hosted by the bridegroom's parents at the 50-Yard Line. Attending the dinner were the members of the wedding party and special guests, including Mr. and Mrs. Lonnie Peel, Mr. and Mrs. Donald Windham, Mr. and Mrs. Carl Bartley, Mrs. James Easterling, Mr. and Mrs. Dan Berry of Eunice, N.M., Mr. and Mrs. Hubert Cook of Levelland and Stacie McDonald.

Justiceburg Church to Hold Revival Dec 1-3

The First Baptist Church of Justiceburg will hold a revival December 1, 2 and 3 with Tim Pruitt of Fort Worth as evangelist and Riley Miller of Justiceburg, singer.

Services will be at 7 p.m. Friday and Saturday, and on Sunday, Sunday school will be at 10 a.m. with morning worship at 11 a.m.

At 12 noon Sunday, there will be a basket dinner at the church followed by singing at 1 p.m. and the closing message by the evangelist.

There will be four special musical numbers in each service, and Lori Pruitt, who sang in Europe in a sacred choral group, will also sing at each service.

Evangelist Tim Pruitt was reared in Togo, West Africa, where his parents were Baptist missionaries. He was pastor at Hitchland, Oklahoma, his last two years in high school and was a summer missionary in California in 1985. He was pastor for two years at First Baptist Church in Chelan, Washington and is now a student at Southwestern Baptist Theological Seminary in Fort Worth.

WATCH OUT, SPARKY! WATCH OUT!

LEARN WHAT CHRISTMAS SAFETY'S ABOUT!

A CHRISTMAS SAFETY CHECK

- Before hanging strings of lights, spread them on the floor and check for frayed or bare wires, cracked insulation, loose connections, and damaged plugs or light sockets.
- Check extension cords for wear or damage and don't run them across walking areas.
- Test lights before putting them on the tree. Unplug them before making repairs or replacing bulbs.
- Overloading circuits with too many lights can cause fire. Follow manufacturer's instructions about the number of lights allowed on one circuit.
- Never string lights on a metallic tree.
- Choose a fresh, green tree, trim its base and keep it in plenty of water. If the needles are brown and break off easily, it could be a fire risk.
- If you buy an artificial tree, make sure it has been tested for flammability by Underwriters Laboratories (UL).
- Always turn off lights before leaving home or going to bed. You'll save money and be safer, too.
- Do not use inside lights on the outside. All outside lighting equipment, including lights, cords and plugs, should be waterproof and made for outdoor use. Also, hang sockets downward and don't leave a socket empty.
- When hanging lights on the rooftop or in tall trees outdoors, stay clear of electrical lines.

In the Neighborhood

by Lonnie Welborn

How many of you remember what's special about March 2? I don't know about the rest of you, but it took me a while to come up with March 2, 1836 as Texas Independence Day.

But that isn't unusual, according to Frank Lively, editor of "Texas Highways" magazine. Frank says, "Not too many years ago, people in Texas celebrated March 2 with more zeal than they did the Fourth of July. Nowadays, most folks don't even know when Texas Independence Day is."

But that's about to change, thanks to "Texas Highways" and its "Toast to Texas," which is scheduled for Friday, March 2, 1990.

Planning ahead, the Texas magazine has come up with an idea which will provide a simple, heartfelt way for Texans worldwide to honor their state's history and the individuals who formed that history.

On March 2, 1990, several hundred Texans at a meeting in Austin will raise their glasses to toast the Lone Star State's independence - at the same time that thousands of other Texans around the world will make the same toast - using pure Texas spring water as their beverage.

The Utopia Spring Water Company will provide free bottles of Hill Country water for the toast.

Ray Bownds, president of the company, notes that the spring that produces the water has been in his family since 1885 - so there's a lot of history in the water itself.

You may remember that the Utopia Spring Water Company is the same firm that provided water to help save the famous Treaty Oak in Austin. Several months ago someone poisoned the historic tree, which is over 500 years old, and hundreds of thousands of gallons of Utopia water have been sprayed over the ailing oak in an attempt to save it.

But back to the toast - the central event of the worldwide toast will take place at Austin's Hyatt Regency Hotel when the Texas State Historical Association holds its annual meeting from March 1 through 3.

The Hyatt Regency is a long way from Washington-on-the-Brazos where the Texas declaration of independence was signed, but the "Toast to Texas" is a good way to remind all of us how important March 2 is.

Christmas Shopping

You still have an opportunity to do some of your Christmas shopping at two bazaars going on in Post.

The Post Art Guild will continue its annual Arts and Crafts Christmas sale through Friday, December 1. You can make your selections at the Algerita Art Center from 10 a.m. to 5 p.m. each day.

And on Saturday, December 2, Gamma Mu Sorority will hold its annual Christmas Bazaar from 9 a.m. to 4 p.m. at the Post Community Center.

You'll find all kinds of Christmas items at the bazaar, and also have a chance to have your picture made with Santa Claus.

Carol of Lights
The annual Carol of Lights, when more than 15,000 lights outline the Spanish architecture at Texas Tech to welcome the yuletide season, usually draws a good crowd from Post because it really is a great Christmas event.

But this year the Carol of Lights has been scheduled for Friday, December 1 and loses out to the Post-Springtown game in Abilene.

If for some reason you can't make it to the game to cheer on the Bold Gold Antelopes, you could take second-best and see the Carol of Lights which begins promptly at 7:30 p.m.

IRS Has Refunds for 5,500 Texans

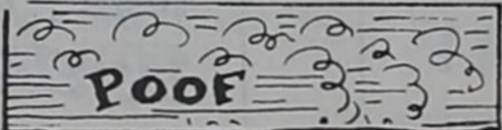

Over 5,500 Texans have Internal Revenue Service refund checks due them totaling almost 2.6 million dollars.

The IRS is looking for taxpayers whose refund checks were returned as undeliverable this year because of an incorrect address, a taxpayer moving and leaving a forwarding address, or an executor filing for a deceased taxpayer and using the last known address.

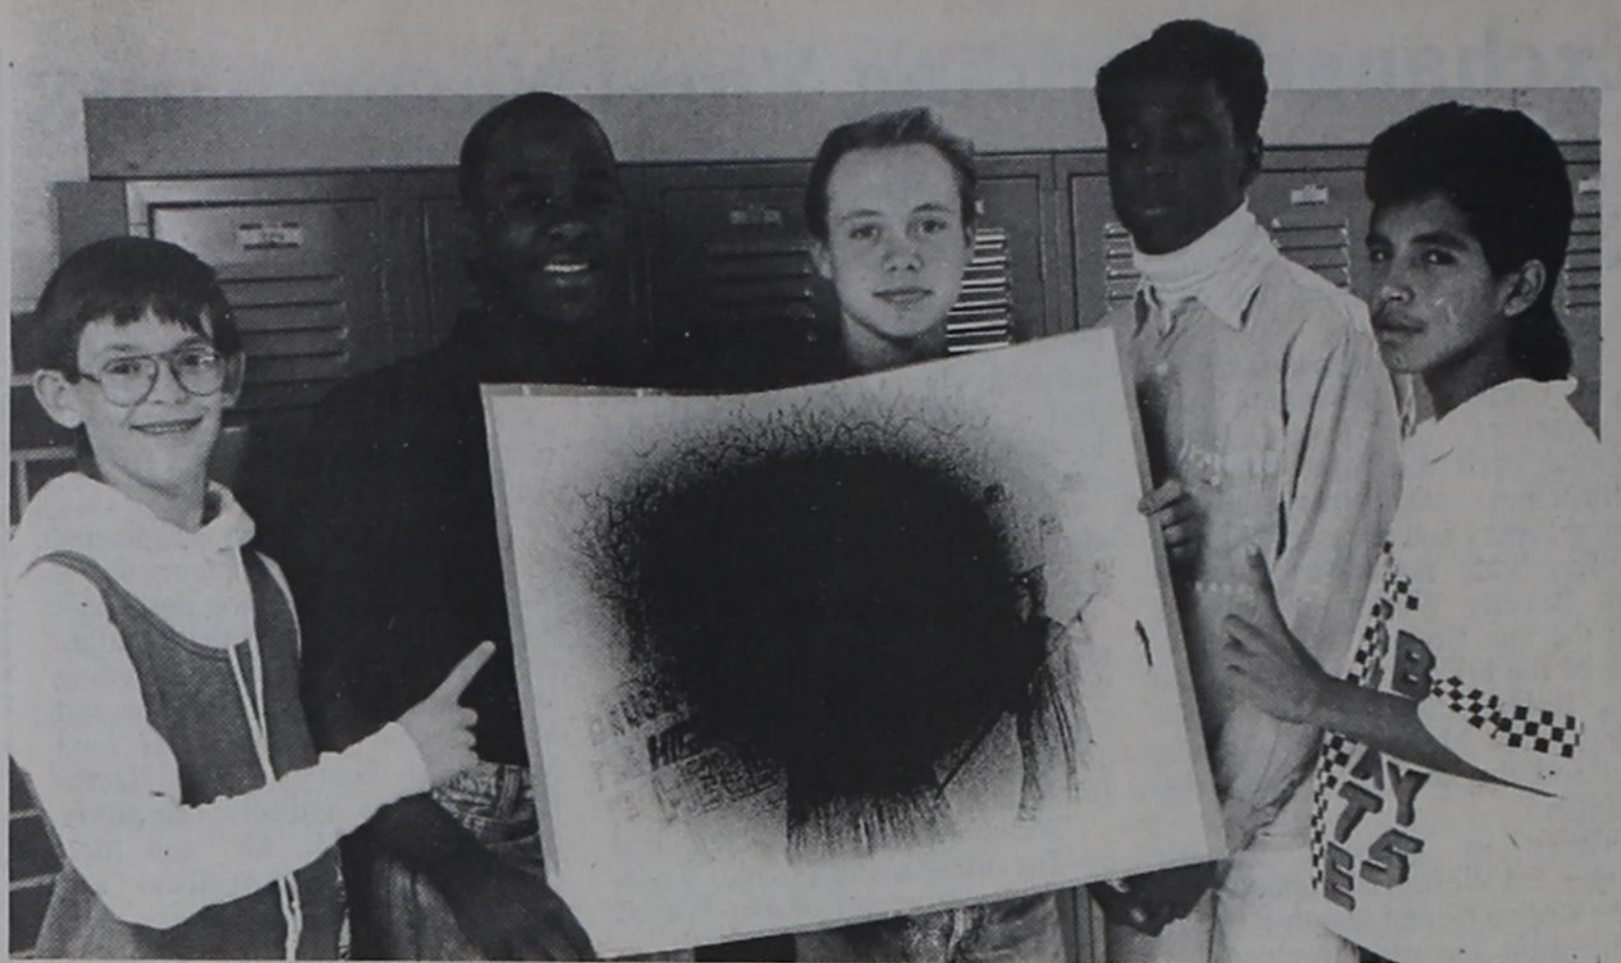

Taxpayers who believe they may be one of the taxpayers owed a check should call 1-800-424-1040 to claim their refund. A list of names, in zip code order, can be obtained by calling Nora Martinez at (214) 767-1424.

There are 1,678,815 Smiths in the United States.

A homing pigeon can fly at a speed of up to 60 miles an hour over a distance of 75 miles.

Greg Slaton Completes Marine Recruit Training

Marine Pfc. Gregory P. Slaton, son of Linda and stepson of C.W. Slone of Route 3, Post, has completed recruit training at Marine Corps Recruit Depot, San Diego.

During the 13-week training cycle, Slaton was taught the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1989 graduate of Lubbock Christian High School, he joined the Marine Corps in June 1989.

Two of Mankind's Greatest Inventions.

Benjamin Franklin made the first bifocals two hundred years ago. And to this day no one has envisioned a better way to keep us in sight. (Even some contact lenses are bifocal!)

Old Ben invented the Franklin stove, too. But today he would have a natural gas furnace to keep his home and family warm all winter.

Like all the great inventions, a gas furnace is simple, reliable, and has stood the test of time. It quietly and efficiently does the job it was designed to do ... year after comfortable year.

It's easy to see that for comfort and efficient home heating, the most effective invention ever made is a natural gas furnace. Period.

JAMIE PEREZ slams Eagle running back Derek Pirtle as teammates Jimmy Holleman (51), Darren Brown (11) and Kelly Crispin join in the action during the contest at Plainview last Friday night. (Photo by Jerry Taylor)

OFFENSIVE LINE IN ACTION - Post Antelope offensive linemen move off the snap in first half action at Plainview against the Canyon Eagles last Friday evening. Antelopes are (left to right) Robby Blair (60), Keith Holly, Jacob Bustoz (31), Bobby Blair (33), Rance Sappington (14) and Trey Jones (64).

'Lopes Only South Plains 3A Team in State Competition

by Wes Burnett
The Post Antelopes brought home the 1989 Region 1-AAA Area championship trophy in a nail-biting fourth quarter 29-24 come-from-behind finish over the Canyon Eagles in Plainview last Friday night.

"What a great bunch of winners these guys are!" exclaimed head coach Dewayne Osborne following the game. "They just came out and decided to win!" he added.

Trailing 24-15 at halftime, the Antelopes put together an inspired defensive stand on the Eagles' first possession in the third quarter, which, looking back, was one of the key turning

points in the game. Using the same power running and inside trap block, the Eagles pounded their way to the Post nine yard line, converting on fourth down from the 11.

On first down Darren Brown raced through on a blitz, throwing Eagle quarterback John Eller for a loss to the 23 yard line.

On second down Eller dropped back to pass and was hammered to the ground by a hard-charging Jimmy Holleman. The pass was almost intercepted by Jamie Perez at the five yard line. Eller went to the sideline holding his ribs. Deeter Prater came in at quarterback and on

third down threw a pass to fullback Derek Pirtle, who was tripped by Bobby Curtis at the 17, setting up a fourth down.

With the stiff breeze to their backs, Eller came to the field to kick what would be his second field goal of the night... a bad snap from center forced holder Jeff Perez to scramble, throwing a desperation pass which was picked off by Curtis at the 20 and returned to the 30.

Although the Post offense was unable to score on the turnover, a sustained drive of nine plays put the ball at the 48 and Bill Rankin's punt into the wind sailed low to the Canyon 22. Four plays later the Eagles were forced to punt from their own 21 following a defensive surge by Perez, Rankin, Chapa and another almost intercepted pass by Brown.

With 27 second left in the third quarter, the Antelopes began their march to paydirt from their own 46 after Brown returned the punt.

The eighth play of the series was one of the major highlights of the game. Jamie Perez, Rance Sappington and Lannie Lee took turns running behind great blocking up front by Rankin, Trey Jones, Robby Blair, Michael Brogden, Keith Holly, Jimmy Holleman and Bobby Blair, setting up a fourth down and two from the Canyon 34 yard line early in the fourth quarter.

Sappington pulled out from center, rolled to his left and pitched the ball wide to Brown, the ball went to the ground, Brown scooped it up, saw three Eagles aiming for him, cut back to his right and spotted Jacob Bustoz at the 30 waving his arms.

"I just had to do something...and when I saw Jake I just threw the ball as far as I could," Brown later explained.

Bustoz, who was five yards beyond any Eagle defender, raced toward the end zone, hauling in the ball in stride for the touchdown.

Call it luck or whatever, I call it "heads-up" football, made possible in large part by a patient and top-notch coaching staff.

The Eagles were unable to overcome the energy, enthusiasm and inspired play by the Antelopes, who cut the Eagle lead to 24-22 following Sappington's extra point kick with 8:13 left in the game.

Physical conditioning also began to show its value, as the 'Lopes simply wore the Eagles down in the final minutes.

Kelly Crispin, Holleman and Rankin shared three big defensive plays on Canyon's next possession, forcing a punt on fourth down from the Eagle 30 yard line.

Pirtle got the snap and kicked the ball low and Crispin got a hand on it. The ball squirted off to the right, Pirtle picked it up and tried to make something of the busted play, only to be slammed hard to the turf by Slay at the Canyon 29 yard line.

The opportunity was all the offense needed. With 7:00 minutes left in the game, Sappington went to work directing the offense on a four play scoring drive that was capped by a 14 yard scamper by Floyd Slay over right guard to the end zone and with 5:24 and Sappington's extra point, the 'Lopes took the lead 29-24 with 5:24 left on the game clock.

The drive featured great blocking up front by Brogden, Holly and Holleman and quick bursts by Lee and Slay.

The Eagles would get two more chances, but the Antelope defense would not be denied. On third down from the Eagle 25, Eller's pass was picked off by Brown at the 35. Four plays later the Eagles got one final opportunity when a fake punt play by Rankin turned the pass into an interception and return to the Canyon 49 yard line with 1:48 left in the game.

Eller ran the option to his right and pitched the ball low and wide to Pirtle, who was hit hard by Jay Whitehead and the loose pigskin was

covered for the Antelopes by Joe Garcia at the 47.

The 'Lopes picked up a first down with hard running by Lee and then ran out the clock...to the delight of Post fans who had been up and down all night.

First Half Action

The Eagles completely dominated the line of scrimmage during the first half, scoring two quick touchdowns in the first quarter.

The 'Lopes kept themselves in position by scoring twice, coming from behind 14-0.

The first Antelope touchdown came with 1:45 left in the first quarter at the end of an eight play drive, featuring Lee on six plays and Kevin Williams getting a crucial first down to the 19 yard line.

Lee took the pitchout around left end for the score and Sappington added the extra point.

The kick-off unit stopped Jon Shepard cold at the 13 yard line. Perez stopped Eller at the 16, Jeff Perez recovered his own fumble at the 13 following pressure by Chapa, Crispin forced Eller to drop the ball at the one, which Jeff Perez covered for the Eagles, setting up a fourth down punt into the wind from the end zone.

Brown got the ball at the 37 and returned it to the 27, giving the Antelopes a first down with 30 seconds left in the first quarter.

Sappington lost a yard on the keeper, the quarter ended and on second down the quarterback threw a pass intended for Bobby Blair that sailed too high. On third down Lee went to the (Continued on Page 11)

RANCE SAPPINGTON throws the football for one of 10 tries at Plainview last Friday during the 29-24 win over Canyon. Sappington was able to complete only one pass during the contest.

DARREN BROWN grabs Eagle quarterback John Eller for a 15 yard loss, stopping Canyon from a touchdown drive and setting up an Antelope come-from-behind win.

JAMIE PEREZ demonstrates his defensive techniques as he puts Canyon's Derek Pirtle to the ground during second half action at Plainview last Friday night.

TOUGH DEFENSE stops the Canyon Eagles as the Post Antelopes put together a hard-hitting second half surge. In the trenches are (left to right) Jay Whitehead (24), Victor Chapa (40), Jimmy Holleman (51), Jamie Perez (center) and Bill Rankin (84)

'Lopes Dominate Eagles in Second Half

COACH MITCH RASBERRY (second from left) consults with defensive players Darren Brown (left) and Roger Adams (80) during a second half time out on the field at Plainview. Manager Daniel Redman (back to camera) listens to the discussion.

(Continued from Page 9)

24 and on fourth down Sappington found Blair across the middle on a slant pattern at the 15 and the receiver pounded his way to the seven for a first and goal.
Lee went over left guard to the four and on second down ripped over left tackle to the end zone. A penalty on Canyon put the ball at the one and Lee got the call over right guard for the two point conversion...with 10:07 left in the half, the 'Lopes took a 15-14 lead.
Just as quickly, the Eagles recovered and got to the two yard line before a penalty set the ball back to the 10. Chapa stopped Eller at the 11 for a loss and on third down Curtis tipped a pass intended for Scotty Powers, setting up a fourth down field goal which Eller made good and the Eagles led 17-15.

Following the kick off, the Eagles got the ball back when a third down pass by Sappington intended for Rankin was picked off by Shepard and returned to the four yard line.

A clipping call on the Eagles put the ball down at the 29 and four plays later Canyon led 24-15 with 4:32 left in the first half.

Neither team could mount a drive and went to the dressing room, leaving Post fans just a little bit worried.

The 'Lopes travel to Abilene's Shotwell Stadium Friday for the 8 p.m. Regional match-up with District 6-AAA champion Springtown, who won its Area championship game last Friday 42-0 over Clyde.
