Garza County Cowboys Featured in Japanese Television Commercial

by Wes Burnett

Millions of Japanese television viewers will get a first-hand view of real cowboys when the Wrangler jeans commercial featuring Garza County's Cliff Kirkpatrick and Will Kirkpatrick is aired in Japan.

Filming for the commercial was on location at the Kirkpatrick ranch south of Post, and included the Kirkpatrick brothers' roping and Big Spring's Steve Fryar showing how to bulldog.

Some high-powered Japanese businessmen and film makers were in town for the filming, including Japanese Wrangler officials Katsutoshi Ogawa and Masaji Taknami.

Directing the filming was one of Japan's leading and most trendy movie director, Kazuo Komizu.

Leading the still photography effort was world-famous magazine and book photographer Osamu Nagahama, known for his enlightening photo essay of the motorcycle clan "The Hell's Angels".

How the group came to film the Wrangler commercial in Post is a story in itself.

"Well, they wanted to do a rodeo," Lubbock's television production consultant Scott Spaugh commented, "and the ABC Rodeo suited the occasion."

Production manager Hiro Ueno of Los Angeles contacted the Lubbock Chamber of Commerce, who in turn contacted R.D. Thomas Advertising Agency. They found Spaugh and ask him to help coordinate the visit to a local working ranch.

"First I called my friends Jeff and Jay Lott, couldn't find them, so I called Bob Macy...he told me to call Cliff, and here we are," Spaugh explained.

Two real fancy-looking motion picture cameras whirred away as Cliff and Will went through the routines of roping and Fryar pounced on the horns of a calf.

It all looked mighty impressive and the Japanese visitors expressed their enjoyment and pleasure. They were also quite taken in by the scenery of the caprock from the Kirkpatrick ranch house area.

Representing the Japanese advertising agency SanMaruSan of Tokyo was Ryusuke Inukai. Camera technicians were Masashi Endo and Toshi Sasho.

Steve Beimer, also from Los Angeles, coordinated the efforts along with production manager Ueno.

"I think the commercial will probably be about 15 seconds and it looks to me like this is what they'll be using," Beimer commented at the ranch.

Perhaps they'll be back...who knows, maybe Garza County could be the new site for Western style television commercials.

JAPANESE FILM CREW members study the arena at the Kirkpatrick ranch last Friday, preparing a commercial for Wrangler's to be aired in Japan. Production manager Hiro Ueno (left) eyes the situation.

Main Street Project Brings Post 'Back to the Future'

by Wes Burnett

After several years of planning and much "behind-the-scenes" effort by lots of people, construction finally got underway last week for the landscaping project on East Main Street.

When the work is finished in 30 to 45 days, Post residents will be able to point with pride to one of the best looking main streets in Texas and for sure in West Texas and visitors passing through on U.S. Hwy 84 are definitely going to be in for a real treat.

The project is all part of the Post Main Street Project, which includes building renovations and historical preservation programs in the central business district.

The landscaping on Main Street is an effort to return to the fundamentals

Theatre Youth Open 'Ario Da Capo' Saturday with Special One-Act Play

A group of young people are currently working at the Garza Theatre rehearsing a one-act play by Edna St. Vincent Millay, to be performed April 14 and 21 at 2 and 7:45 p.m., all tickets \$3, no reserved seating.

"Ario Da Capo", a play within a play, is a fast paced farce that will carry the audience from side-splitting laughter to the darker side of human behavior.

The Garza Youth now rehearsing include Michelle Smith, Jeffrey Redman, Danny Leach, Tyler Duncan, Troy Timms and Angela Melton. Assisting are parent sponsor Debbie Redman and Garza Theatre board of director sponsor Maxine Earl.

"The youth group hopes to draw more young people from the community into the theatre," Timms says. "By having a one-act play prepared, we will be available to perform for dinner theatre, birthday parties or other special occasions," he added.

"If you have a special event you would like us to provide entertainment for," Timms said, "please call us at 495-4005 or Linda Ellis at 996-5505."

Anyone between the ages of 12 to 20 years old are encouraged to participate in the youth theatre. Those interested should call Timms at the theatre or Debbie Redman at 495-2563.

Garza County Unemployment Rate at 6.6%

"The state's unemployment rate finally took the increase that we have been anticipating," Texas Employment Commission Mary Scott Nabers said following the release last week of a state-wide jobless rate of 7.0 percent.

"This is up considerably from the 5.8 percent recorded in January," she said, "but much of it represents a normal seasonal increase for this time of year."

The same time last year the unemployment rate stood at 7.4 percent state-wide.

In Garza County the report showed a total of 131 unemployed, with a total of 1,863 employed for a rate of 6.6 percent unemployed.

(Continued on Page 2)

C.W. Post established for his "dream" city, which he insisted should have streets lined with trees.

Trees are essential for West Texas, and our Main Street is going to be a shining example of what can be accomplished when people work together for an improvement in their community.

Although the idea was spearheaded by the Main Street Program, the coordinated effort includes the City of Post, Austin's Main Street staff, the State Department of Public Transportation and Highways and local citizens.

When finished the three blocks on East Main Street from Broadway to the Algeria Park will boast 19 trees, seven street lights, 10 park benches, trash receptacles and bollards (hitching posts).

Oh yes, there will be a total of 40 parking spaces in the three block median, which is one more space than we had when there were no trees.

Green Enterprises of Dallas is the contractor for the landscaping, which is being paid for primarily through state funding by virtue of East Main Street also being U.S. Hwy 380. Subcontractors in Post include H & M Dirt Contractors, VOR Concrete and Don Lawrence for welding.

The trees will be Texas red oak and honey locust. Post Main Street manager Wanda Mitchell says, "we know you're going to love it, and we ask for your support and patience during construction."

Now, with Main Street landscaping well on the way, how about we start planning for a similar effort on Broadway, right through the heart of our town? Imagine a tree-lined U.S. Hwy 84 from city limits to city limits...well, that's what C.W. Post imagined before there was a U.S. Hwy 84 and he proved it can be done. Imagine also the feeling of our traveling visitors when they come off the caprock and glide onto that five-lane avenue lined with trees on both sides...or as they come over the railroad overpass just past the city park with the same experience?

It would be a terrific way to welcome our visitors.

Post Art Guild Youth Build Easter Ads for April 11

The Kids 'N Art committee of the Post Art Guild, in cooperation with The Post Dispatch, is developing a special Easter advertising campaign.

A special discount has been arranged as well as a \$10 per ad donation to the Art Guild from the Dispatch.

The art work and lay-out of each ad will be personally designed by a select group of young people involved in the Post Art Guild Kids 'N Art program.

"The proceeds from this project will be used to support our project as matching funds for two grants," Linda Puckett explains, "one to the Texas Commission on the Arts and one to a private foundation."

The art guild will provide each of the youth a t-shirt bearing the Kids 'N Art logo in preparation for the first area Youth Art Show.

OTC Weight-Reduction Aids

There is continuing controversy as to the value of medicines and certain other over-the-counter (OTC) weight reduction aids in the treatment of obesity. Some health experts and product users find these products to be helpful, while others claim they are useless. There are numerous products advertised and sold. One of three ingredients is found in most of these weight-reduction products.

Benzocaine: This local anesthetic is found in many weight-reduction gums and candies. Benzocaine can "numb" the mouth, throat, and upper portion of the gastrointestinal tract. Although few studies have shown benzocaine to be effective in weight-reduction, a panel of the U.S. Food and Drug Administration (FDA) has described benzocaine as "probably effective."

Dietary Fiber: Various health experts believe dietary fiber can cause weight loss because it can (1) promote a sensation of being "full," thus reducing the desire to eat and (2) decrease the absorption of calories from foods eaten. Fiber-containing weight-reduction aids sold in pharmacies are often available as tablets or wafers.

Phenylpropanolamine: An advisory panel to the U.S. FDA has determined this mild stimulant to be "generally safe and effective" for short-term weight control.

Alert 'News Hounds'

My thanks to Gayla Leary and Bryan Williams for calling me Friday, alerting me of our Japanese and Los Angeles visitors in Post filming a commercial for Wrangler's. Gayla was at P.D.Q. having lunch when the film crew arrived and told Bryan, "this is something Wes should know about..." Bryan picked up the phone and tracked me down and that's what friends are all about. Thanks so much for your helping me get this story to our readers. (see related story on page 1).

Biggest Attendance Yet at Garza

You could tell by the parking on East Main Street the last two weekends that we had a lot of visitors from out-of-town for the Garza Theatre production of "Barefoot In The Park." Just how many? Well, according to director Will McCrary, more than 1,000 from out-of-town theatre fans visited Post during the seven run production and there were four "SRO" performances.

For those of you who need a reminder about theatre lingo, "SRO" means standing room only. The great review in the Lubbock Avalanche Journal by William Kerns surely was one of the main factors in the second weekend success.

McCrary reports that popular KLLL radio personality Jon Steel will return to the stage to star in "Happy Time", which runs April 26-29 and May 4-6. You probably noticed that a second Sunday performance has been added due to the popularity of the theatre.

Dee Justice on T.V.

An interview with Dee C. Justice of Post by Gene Valentini on KTX Channel 5 in Lubbock will be aired next Tuesday at 11:30 a.m. Valentini interviews for the program "Human Services Journal" and Justice describes his job as justice of the peace.

Diabetes Camp for Children Set June 10

Every summer, over 300 young people between the ages of six and eighteen attend a very exclusive camp near Gainesville. The entrance requirement are strict: the child must have diabetes.

Too often, regular summer camps turn away a child with diabetes because of their special diet and medical needs, but Camp Sweeney,

organized over 40 years ago, is a place for the child to learn while having fun. All of the activities of a regular summer camp are offered: horseback riding, swimming, boating, fishing, arts and crafts, riflery, archery, movies, dances, and carnivals.

At Camp Sweeney a 24 hour medical staff skilled in the knowledge of juvenile diabetes, gives campers supervision and attention. At daily medical lectures the campers learn the vital importance of balancing their insulin intake, and their diet in order to live longer, healthier, and happier lives.

Diets are formulated according to each individual's needs, giving the diabetic valuable examples of how to exchange foods to include an occasional "treat" so he won't feel left out around his friends at home.

Camp Sweeney is located ten miles northeast of Gainesville, Texas, near the Oklahoma border. Camp facilities include six air-conditioned cabins, lodge, hospital, and various staff cabins and a pavilion where arts

and crafts and rainy day activities such as country and western dancing are enjoyed. Camp Sweeney also has two tennis courts, basketball/volleyball courts, soccer and baseball fields, a swimming pool, horseback riding, archery, riflery, and a 34 acre lake where the children enjoy paddle-boating, canoeing, rowing, and fishing.

Camp Sweeney has never denied admission to any child with diabetes. The only requirement is to have diabetes and be between the ages of 6 and 18. Each year approximately 75% of all campers receive scholarship aid which is funded by donations from friends, Foundations, and United Way Agencies.

The first three-week Session will begin on June 10 and end on June 29; Session two will be held from July 1 to July 20; and the final Session is set for July 22 to August 10.

April Is Child Abuse Prevention Month

by Katie Wolf, County Extension Agent - Home Economics

Stop using words that hurt and start using words that help.

The next time everyday pressures build up to the point where you feel like lashing out - STOP!! And try any of these alternatives. You'll feel better...and so will your child.

1. Take a deep breath. And another. Then remember you are the adult.....
2. Close your eyes and imagine you're hearing what your child is about to hear.
3. Press your lips together and count to 10. Or better yet, to 20.
4. Put your child in a time-out chair. (Remember the rule: one time-out minute for each year of age.)
5. Put yourself in a time-out chair. Think about why you are angry: Is it your child, or is your child simply a convenient target for your anger?
6. Phone a friend.
7. If someone can watch the children, go outside and take a walk.
8. Take a hot bath or splash cold water on your face.
9. Hug a pillow.
10. Turn on some music. Maybe even sing along.
11. Pick up a pencil and write down as many helpful words as you can think of. Save the list.
12. Write for prevention information: National Committee for Prevention of Child Abuse, Box 2866L, Chicago, Ill., 60690.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

REMEMBER...
 on **APRIL 10**

Justiceburg News

by Jenny Miller Smith

There is life on the Brazos. Robin Must and daughter Vikki were visiting in Snyder. Their home is in London, England.

Dub and Lou Everett came by on their way to Lubbock.

We, along with many others, always enjoy Dub's piano playing and Lou's happy smile - what a pair! Dub brought us an autographed picture of Jody Nix to hang up with our other stars' pictures.

We have certainly enjoyed Tom Ragsdale with IP Petroleum from Midland. They have been working out east of Justiceburg on completion of a well.

Billy Wayne Williams and his grandchildren, Josh, Michelle and Erica, are in the "Burg" often. Erica is recovering from dental surgery. Thank goodness she feels much better. Michelle and Erica are playing basketball in Snyder, which keeps them very busy. Josh has also been busy trying to keep up with his granddad, Billy Wayne.

We were so glad to have Stanley and Geraldine Butler out. Also Boy and Elizabeth Hart dropped by a few weeks ago. Nancy and Johnny Kemp family and friends were out during spring break.

This past Friday visitors from Post included Jean Westfall, Barbe Bevers, Billie Windham, Becky Warren and Shirley Smith.

Sherry and Jay Pollard and Pat and Terri Riedel were also out this week.

Mary Gale and Alvin Young came out Saturday. Gosh, it's good to see all of you!

Elbert Thames of Lubbock and his brother stopped in. Dr. Teb Thames and his wife Candy, along with their children, visited here during spring break.

We've seen Doyle and Rosemary Justice often recently. Doyle says they have the nicest young man from Post helping them at their home in Lubbock.

Also got a chance to see James Blakey and nephew Clint.

Guess what? I got a letter from Tiana Shiver. She's doing fine. She is a doctor in Maryland. We got to visit a while back, boy did she have a lot of catching up to do. I always knew she'd be a doctor. She was just as sharp as a whip and loads of fun.

Kent Kirkpatrick also dropped by, along with his mother, Zoe. I was a tad bit startled to walk in and see Kent sitting there. They were in a hurry to get back to Post for the One-Act play. My fingers were crossed for you, Candace McConnell. I know your kids had a great time. Wish I could've seen the play.

Well, we have another addition to our picture gallery. Randell Laurence went to Lubbock to listen to the band from Post who played while Holly Dunn was there. Randell got us an autographed photo from Holly Dunn. We have had an old picture of Holly Dunn hanging that her manager gave us several years ago. Don't mind if I say, she's gotten much prettier. Randell told me the band sounded great and put on a wonderful show.

Little Jimmy Morgan had a birthday Saturday. He is the son of James and Melinda Morgan. Jimmy is one year old.

Some local folks extra busy with their careers include Doris Cornett, who is working on her nursing degree at WTC and Terri Sue Reed is attending cosmetology school in Snyder. Both really enjoy what they are doing. We're so proud of them. After all, I don't know that Justiceburg has ever had a nurse, and we haven't had a beautician since Eugenia Woods.

We are so happy to have Weldon and Maritta Reed back home.

Riley and Mary Miller and their grandson Clell Knight went to the ABC Rodeo in Lubbock Saturday.

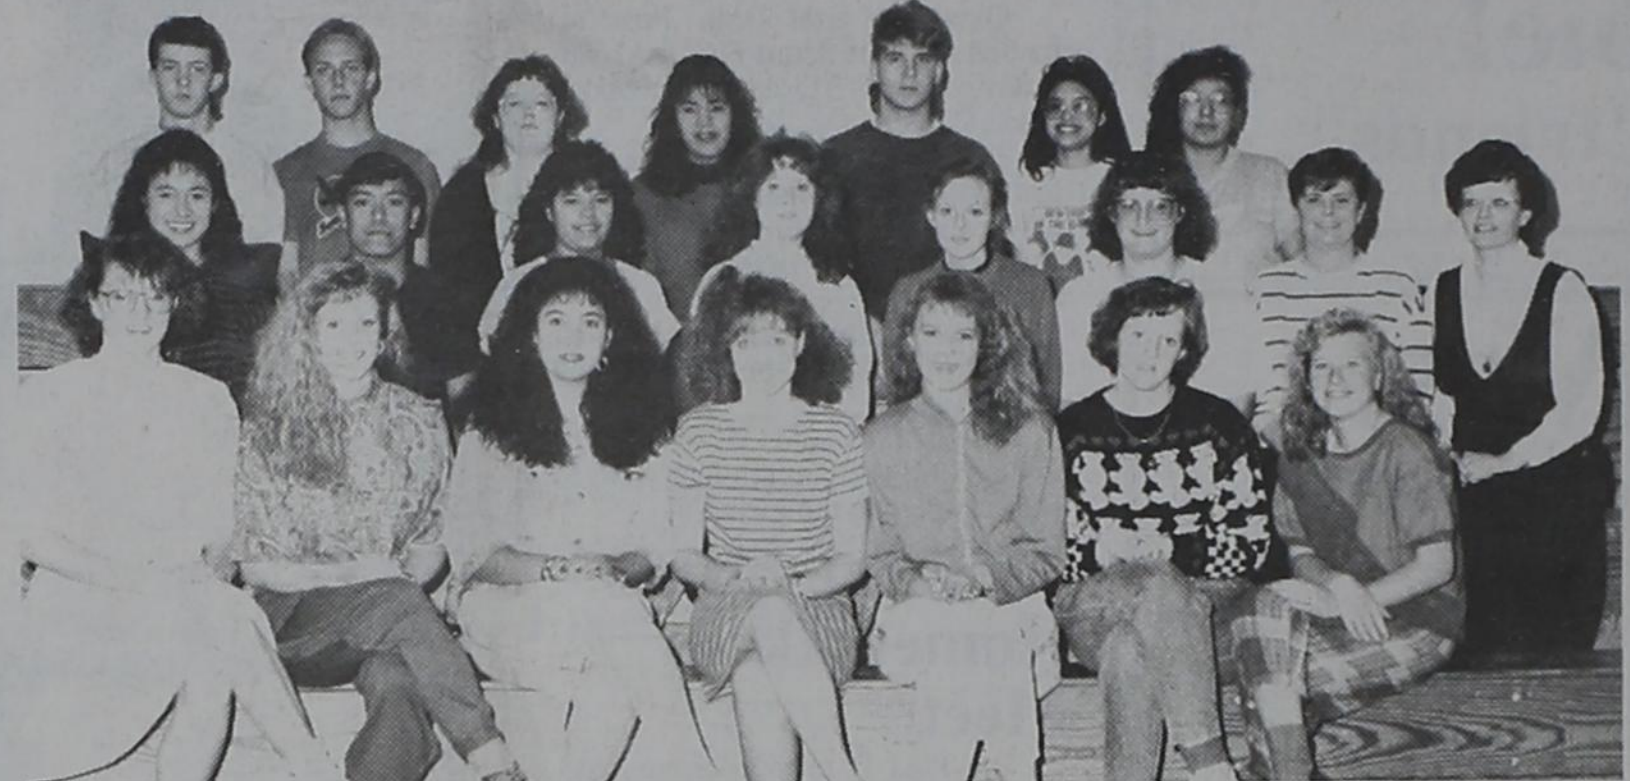

Joe Salinas dropped by on his way to Lubbock. We all enjoyed seeing him again.

Well, it's been another exciting week. We've seen lots of nice people.

Aren't we glad to be alive and living in the "Burg"!!

GETTING READY TO PLANT TREES - Construction crews from H & M Dirt Contractors removed the old asphalt and leveled three blocks on East Main Street in preparation for the landscaping project.

SOUTHLAND U.I.L. ONE-ACT PLAY CAST - Competing this year in the Southland One-Act play cast were (back, left to right) Dace Altman, Joel Basinger, Tonya Fields, Janie Anaya, Terry Silver, Mary Jane Amaya, Jessica Niño, (middle, left to right) Dora Anaya, Fred Mendez, Paula Amaya, Teresa Cofield, Tina McCarl, Sharla Allbright, coaches Janet Burnett and Tonay Dunn, (front, left to right) Tonya Purdy, Cori Weaver, Reyes Anaya, Wendy Davenport, Jennifer Smith, Jana Savell and Ladonna Childers. Cori Weaver was named to the All Star Cast and Honorable Mention went to Wendy Davenport and Angela New. Not in photo were Anita Martinez, Beth Parnell and Angela New.

Garza County SWCD Now Selling Drip Irrigation Systems

Drip irrigation is the slow, frequent application of very small amounts of water to the soil area directly surrounding plant roots.

It can be used at home and on the farm to efficiently water gardens, landscapes, and windbreaks. Drip irrigation provides an efficient, uniform application of water.

Evaporation is greatly reduced and runoff is eliminated. Since water is applied directly to the plant roots, less water is needed.

Drip irrigation can save up to 60% of the water required by other watering methods, according to the Texas Water Development Board. Since less soil area is wetted, weed growth is inhibited which reduces cultivation and herbicide costs.

With proper irrigation scheduling drip irrigation maintains a constant level of soil moisture, leading to healthier plants.

The Garza County Soil and Water Conservation District is now selling drip systems at a considerable savings. For assistance on designing a drip irrigation system to meet your individual needs contact the Garza County SWCD at the Soil Conservation Service, 210 W. Main in Post or call 495-2056.

Programs and services of the Soil Conservation Service are offered on a nondiscriminatory basis without regards for race, color, national origin, age, sex, religion, marital status or handicap.

Lynn and Garza County Farmers Invited to Run For County Committee

Eligible Farmers in Lynn and Garza counties are invited to become nominees for the Farmers Home Administration Lynn Area Committee, FmHA County Supervisor, Curtis Barlow announced today.

As a result of the 1985 farm bill, two of the three members of FmHA county committees must be elected. The third member is appointed by FmHA. The Lynn Area Committee assists the FmHA county office in reviewing applications for FmHA farm loans and on other farm credit matters.

Generally, farmers who are residents of the county but not FmHA borrowers are eligible to become nominees for the FmHA county committee.

"Farmers in this county, serving on the committee, can play an important role by assisting in the process of loan applications and reviews," said Mr Barlow.

All terms of service will be for three years each on a staggered basis. Nominating petitions must be returned to the FmHA Lynn county office by May 18, 1990.

Additional information and application forms for those who are interested in becoming nominees for the county committee are available at the FmHA county office, Box 389, Tahoka, Texas 79373, or by calling (806) 998-4569.

Garza County Long Range Extension Plan Is Off And Running

by Lee Howard, C.E.A. - Ag & Katie Wolf, C.E.A. - Home Economics

The Long Range Extension Program study groups met on March 27, 1990 at the Garza County Courthouse. These groups began major planning for the 1991-94 Long Range Extension Plan.

Wagoner Johnson, Garza County's Extension Program Council Chairman served as moderator for the evenings events. A panel of distinguished Garza County Professionals gave a brief report on the Economic, Environmental and Social aspects of the county. Those who served on the panel were Charles Hardin, Giles McCrary and Shelby Brake.

Following the panel's presentations the participants were dismissed into four groups for the issue identification process of the meeting. These groups were in the areas of Agriculture and Natural Resources, Home Economics, Youth and Community Development.

Persons that served as study group leaders and recorders for their areas were Obie Kelly and Billy Weaver for Agriculture, Jennie Cowdrey and Ken LeBlanc for Home Economics, Steve Cooper and Voda Beth Gradine for Youth and Bobby Cowdrey and Karen Pennell in Community Development.

Those attending the meeting were: Wagoner Johnson, Billy Weaver, Mildred Stewart, Obie Kelly, Jennie Cowdrey, Shelby Brake, Oneita Gunn, Kathy Hill, Thressa Harp, Ken LeBlanc, James Bell, Nelda Dalby, Steve Cooper, Larry Watson, Shirley LeBlanc, Donny Stelzer, Voda Beth Gradine, Ronnie Gradine, Charles Hardin, Wes Burnett, Linda Puckett, Greg Pollard, Bobby Cowdrey, JoAnn Mock, Karen Pennell, Giles McCrary, Diane Graves, Dr Bob Robinson, Katie Wolf and Lee Howard.

These people identified 33 issues in their areas. The Garza County Extension Program Council will now review these issues and will work to combine the similar issues into workable ones.

Lee Howard and Katie Wolf would like to take this opportunity to thank all who attended this meeting. Your input into these issues will have a positive impact on the programs that will come to improve Garza County in the next four years.

Call Control Options include six new services - Call Blocker, Call Cue, Call Return, Priority Call, Call Trace and Selective Call Forwarding. The features will be available to single-line residence and business customers.

Call Blocker - enables the customer to block incoming calls from a maximum of three specified telephone numbers and/or to block the last incoming call.

Call Return - enables the customer to automatically redial the telephone number of the most recent incoming call. If the number is busy, Call Return will continue to dial the number for up to 30 minutes, or until it completes the call.

Priority Call - provides the customer with a distinctive alerting signal, ring or Call Waiting Tone (if the customer has subscribed to Call Waiting), when the customer is called from a maximum of three preselected telephone numbers.*

Call Trace - enables the customer to initiate a trace of the last incoming call received. The number, date and time will be recorded by Southwestern Bell Telephone so that the call's origin can be identified.

Selective Call Forwarding - enables the customer to forward incoming calls from specified telephone numbers (maximum of three) to another telephone number.
