SOIL CONSERVATION DISTRICT NEWS

Makes Conservation Plan
 Bruce Montgomery, three miles southwest of Aspermont this week, with the assistance of Soil Conservation Service technicians, developed a coordinated soil conservation plan on his section farm.

Montgomery plans on establishing 104 acres of land, no longer profitable for cultivation, to African weeping lovegrass. A cover crop for 15 acres of red top cane will be drilled this spring to provide a dead stubble cover for next spring's grass planting. The remaining 89 acres will be planted this fall to a mixture of rye and vetch. The rye and vetch will be used for two purposes in the coordinated conservation program. First it will furnish pasture during the spring growing season while grazing is being deferred on 473 acres of native pasture. Montgomery said, "I don't know what I would have done without my rye pasture this spring." The rye and vetch will serve as a soil building crop to condition the land for future permanent grass plantings.

Large amounts of crop residue will be left on the 45 acres that will be used for cultivation. This land will be terraced and farmed on the contour.

To improve the native shinnery pasture, Montgomery plans besides deferring grazing during the spring growing season, to use the pasture during July and August and then a second deferral during September and October to allow the native grasses to seed. Rye at Aspermont is proving itself superior to wheat as a cover crop and for pasture.

The first factor in establishing grass is a good seed bed. Then the proper distribution of the right amount of grass seed. It must be covered not too deep nor too shallow. An old two row sod planter with special seed attachments did the trick at the Post Work Unit this spring. Last week's slow rains and cloudy days with some sunshine, were ideal for grass plantings.

J. T. Simmonds' 72 acres grass planting east of Southland actually has seedlings too thick in the rows. Simmonds planted a little less than 1/2 pound of lovegrass seed per acre. Other district cooperators who planted grass this spring include: Trull Fry, 8 acres; Jim L. Williams, 6 acres; J. C. Eubanks, 20 acres;

Junior Wilks, 9 acres; Tom Gilmore, 9 acres; Mrs. B. K. Rogers, 8 acres; T. R. Greenfield, 44 acres, and Bud Williams, 10 acres.

District Supervisors Meet
 The Board of Supervisors of the Duck Creek Soil Conservation District held a monthly meeting at Spur on May 20.

The board decided to sell the district's tractor and grader, which for the past several years has been used in terrace construction.

Five district conservation plans were approved. Three plans were approved from the Post Work Unit. These included those of A. R. Robinson, C. R. Baldwin, and a 44,804 acre range conservation plan on the Paddle Ranch.

Pete Ottinger, in charge of the Post Soil Conservation Service Work Unit, said "I couldn't have ordered better weather to get grass seedlings up than what the weather man handed out last week."

Rain

The following men are cooperators of the Soil Conservation Service who keep a report on all rainfall.

C. P. Witt, Calgary, reported 2.39 inches of rain from May 19 to May 26.

S. M. Lewis, Pleasant Valley, reported 1.11 inches from May 24 to May 26.

Lee Reed, Justiceburg, reported 1.11 inches from May 24 to May 26.

P. E. Stevens, Graham, reported 1.90 inches from May 23 to May 26.

BITS OF NEWS

Mrs. R. D. Travis accompanied Mr. and Mrs. Lee Smith and daughter, Janice, of Falls, to Abilene Sunday where they attended the Baccalaureate service of the graduation class of Abilene Christian College, of which Bettye Travis is a member. Mr. Travis, accompanied by his daughter, Mrs. Rex Everett, went to Abilene Monday and joined the group where they attended the commencement program and a reception for the graduates which was held in the college president's home.

Mr. and Mrs. Valdean Justice and children of Muleshoe and W. L. Woods of Austin spent the weekend here in the home of Mr. and Mrs. Dick Woods.

Mr. and Mrs. James Donaldson and daughter, Janice, of Slaton spent Sunday here visiting Mr. and Mrs. James Hill, and daughter, Linda.

Mrs. Gladys Hyde returned Saturday from Dallas and Ft. Worth where she bought merchandise for her dress shop. While in Ft. Worth, her niece, Mrs. Elmer Hill of Waco, joined her for a visit.

Sunday guests in the home of Mr. and Mrs. J. A. Stallings were Mrs. James Stallings and son, Jimmy, of Lubbock, Mrs. L. C. Riddle of Orlando, Fla., and Mrs. Royce Durham of Lubbock.

FOR FINER ONE COAT ENAMELING
Low Brothers PLAX
 THE UNIVERSAL FINISH

The great one-coat hiding power of Low Brothers PLAX, the universal enamel, eliminates the delays usually encountered in a painting job. Now you can refinish quickly and easily—almost without your rooms being out of service! Plax colors are STYLE TESTED for beauty—and they're tough, too, able to resist many stains and acids. It's the perfect enamel for chairs, toys, woodwork and many other surfaces.

RESISTS ACIDS! RESISTS GREASES!

PLAINS LUMBER CO.

We can hardly wait to show you the '49 Ford!

We're itching to show you the revolutionary, NEW '49 Ford! It's The Car of the Year—and you're going to love it! We can't let you see it quite yet, but here's a hint of some of the features you'll find in the NEW Ford in your future!

Seats wide enough for 3 BIG people!

They rival the finest sofa for comfort and room—57" front, and 60" rear seat! Plenty of hip and shoulder room for 3 BIG people on each one!

You'll love the new "Mid Ship" Ride!

You'll travel in a "Mid Ship" Ride... the level center section of Ford's "Lounge Car" interior where the going's smoothest!

The Car of the Year!

The Car of the Year has plenty of other features, too: a "Deep Deck" Luggage Locker with 19 cubic feet of usable space... new "Hydra-Coil" Front Springs... extra strong, extra long "Para-Flex" Rear Springs... new, larger, 35% easier-to-apply "Magic Action" King-Size Brakes. It won't be long before you can see for yourself!

Your Ford Dealer invites you to listen to the Ford All-Show, Sunday Evenings—NBC network. Listen to the Ford Theater, Sunday Afternoons—NBC network. See your newspaper for time and address.

Tom Power "Your Friendly Ford Dealer"

Oysters are at their best in all months which contain the letter "r." Derbys are often used by jazz bands to mute the brass instruments. "Riding the rods" refers to riding on the rods under railway cars.

WITH A FARMALL TRACTOR

You BUILD for the Future as You Farm at a PROFIT!

With the appearance of the new Farmall C (above) and the Super-A, every farmer now has the opportunity to select the correct size of tractor for his farm from five basic Farmalls.

These tractors, with their matched equipment, really point the way to complete mechanization... and an adequate return from an equipment investment without farming more acres or working long hours in the field.

What's more, when you use a Farmall Tractor, you're actually working with one eye on the future. It's easier to practice diversification of crops for good

land usage or place fertilizer correctly with matched equipment. As a Farmall operator, you can readily adopt soil conservation methods without securing special machines.

That's why farmers who plan for the future prefer Farmall Tractors and Farmall Equipment!

Verbena Bits
 Please Send News Not Later Than MONDAY to HENRIETTA NICHOLS Verbena Correspondent

The Verbena Community extends sympathy to both the Callis and Windham families in the recent bevestigments. Both the late Mrs. Callis and the late Mrs. Windham once lived in this community. A large number of Verbena residents attended both funerals.

Mr. and Mrs. Pete Kennedy and children spent Sunday in the home of Mrs. Kennedy's parents, Mr. and Mrs. C. A. Richards. Mrs. Richards returned home with them for a short visit.

Visiting in the home of the Charlie Birds are Mrs. Bird's parents, Mr. and Mrs. Jarvis, and sister, Miss Nina Jarvis, of St. Johns, Ariz. They accompanied a number of Verbena residents to the public installation of Order of the Eastern Star offices Monday night in Post.

Donald McLendon and Mrs. A. M. Lucas are both ill at their homes this week.

Verbena farmers have been extremely busy since the rains. The entire community received plenty of moisture for planting. Some small crops in the north area were injured by sand Sunday. Hail fell on the Nichols and S. F. Everett farms. Mr. Nichols believes it was the heaviest hailfall in the 48 years he has lived there. The ground was covered with hailstones as large as hen eggs. A three-inch rain followed, accompanied by a freak wind which turned Nichols' tractor shed upside down, laid a tool trough, which was nailed to the north side of the shed, across the rafter and set a 5-gal. can of oil on top of it. The shed, except for the galvanized iron which can be salvaged, is a total loss. Nothing else was damaged by the wind.

The hail broke out a window at the Nichols home, stripped the trees of leaves and stripped the north side of a pasture of grass and weeds.

Rain fell over the community Monday afternoon, ranging from 1 to 2 inches.

Mr. and Mrs. B. W. (Doc) Kennedy were Sunday guests in the home of their daughter, Mrs. Edsel Cross, and family in Post.

Mr. and Mrs. J. C. Fumagalli left Friday to attend the graduation exercises at New Mexico Military Institute where their son, Bill, received a junior college diploma.

Weekend visitors in the V. B. Reding home were Mr. and Mrs. Woodrow Reding and sons, Dale and Dean, of Amarillo.

Jim Cunningham recently returned from San Angelo where he visited his mother who is convalescing from major surgery.

Southland News
 Please Send News Not Later Than MONDAY to MRS. FLOY KING Southland Correspondent

The Rev. and Mrs. T. E. Rutledge attended the Northwest Texas Methodist Conference in Lubbock from Thursday through Sunday. He was one of eight deacons ordained at Friday night's service.

There was no service at the Methodist Church Sunday.

Mrs. Ed Jackson is convalescing satisfactorily from surgery in the Mercy Hospital in Slaton. Mrs. Thelma Winterrowd was with her during the operation Friday.

Mr. and Mrs. Billie Winterrowd have moved to Lubbock, where he is employed by the Coca Cola Bottling Company.

Southland now has four softball teams: The Big State Garage, Southland Hardware, Ferguson Grocery and the Boy Scouts. They have played practice games almost every night since the teams were organized.

Mr. and Mrs. Bunch Fullingim of Petersburg recently visited the Sam Ellis family.

Mr. and Mrs. J. R. Wood have returned from Amarillo where they visited Mr. and Mrs. J. T. Pierson.

Duane Gilliland has returned from a week's vacation in East Texas.

Jack Don Gilliland visited Mr. and Mrs. Fred Cockrell in Gorman last week.

Mr. and Mrs. Ed Martin have returned from Hot Springs, N. M., where they spent two weeks.

Visit In Lubbock
 Mrs. J. L. Whited spent part of last week in Lubbock visiting in the home of her niece, Mrs. J. D. Hord, Jr., and family.

Mr. and Mrs. G. D. Ellis have returned from Dallas where they visited relatives.

Mr. and Mrs. W. W. Gilliland spent the weekend in Slaton visiting their daughters, Mrs. Dave Draper and Mrs. Joe Childress, and families.

Mr. and Mrs. Jack Hargrove entertained the Junior Adults Class of the Baptist Church with a forty-two party Friday evening. Sandwiches and punch were served to about 30 guests.

Visiting Mr. and Mrs. J. C. Harris Sunday were Mr. and Mrs. Ennis Harris and children, Bonita, Patsy and E. A. of Sudan; Mr. and Mrs. Glenn Allen and son, Kenneth, of Plainview; Mr. and Mrs. Fern Harris of Albuquerque, N. M.; Mr. and Mrs. Joe Shuttlesworth of Wolforth; Mr. and Mrs. Wayne Harris and children, Wanda Joyce and Larry Wayne, of Ralls; Mr. and Mrs. Weldon Reynolds, Mr. and Mrs. Billy Reynolds and Mr. and Mrs. Bland Malcik and son, Mike, of Lubbock; Miss Colene Gilliland of Southland, and Mr. and Mrs. Mack Reynolds and daughter, Roberta, of McCaulley. All of their children and grandchildren, except one, were present.

Weekend guests of Mr. and Mrs. Jack Meyers were her mother, Mrs. O. M. Hart, and sisters, Mrs. Cliffy Leddey and Mrs. J. J. Hahn, all of Spur.

BITS OF NEWS

Mr. and Mrs. Harold Davies and family of Cisco visited relatives here over the weekend.

Maud Alice Zorns accompanied her brother, Tommy Zorns, and family of Brownfield to Abilene for the weekend where they visited relatives.

Tuberculosis Tests To Be Made At Tech

Preparations for Texas Technological College participation in the tuberculosis control program are complete with arrangements for mass chest X-ray tests on the campus next fall, Sept. 20-25, Dr. E. R. Rose of Lubbock, director of student health at the college, announces.

All students, faculty and employees on the campus will be requested to have the chest X-ray while the State and United States Public Health Service TB unit is on the campus.

Philip W. Gauss, from the Texas State Department of Health, who made arrangements with Dr. Rose for the campus TB survey, said that had the same program been instituted 10 years ago TB could be completely eliminated this year.

The first two aircraft ever ordered by the U. S. Navy were Curtiss "Triads." The planes, one a landplane and the other a hydroplane, were ordered by the Navy so May 8, 1911.

Health Engineer Positions Open

Competitive examinations for positions in public health engineering with the Texas State Department of Health and affiliated local units has just been announced by the Merit System for the Texas State Department of Health. Examinations are for public health engineering positions in the Engineering Division of the State Department of Health and local affiliated units, and will consist of an evaluation of training and experience and an oral examination. Veterans preference will be allowed applications who have been honorably discharged from the United States armed forces, and who make a passing score on the examination.

Applications will be received continuously until further notice. Positions for which examinations will be conducted are: Junior Sanitary Engineer and public health engineer. Qualifications required include graduation from an accredited school of engineering, professional license in Texas, and experience in public health. Preference will be given those candidates who have college training in sanitary engineering and public health engineering experience. Entrance salaries range from \$2700 to \$4200 according to classification.

Application blanks may be obtained from Russell E. Shrader, Merit System Supervisor, Littlefield Building, Austin.

Fuses are safety valves for the electric system. It is dangerous to replace a blown fuse with a coin or a wrong size fuse.

Softball Games To Be Played Friday Evening

Tomorrow night at Postex field, beginning at 8:15 o'clock, the Postex softball team will meet Garnolia and Storie Motor will play the Garza Theatre. On Monday night, the opener for the evening will be between the American Legion and Garnolia teams and Storie Motor will play Postex Mills in the second game. Wednesday night, American Legion and Storie Motor go to bat first, followed by the Garza Theatre and Postex Mills.

Friday night, the American Legionnaires won over the Theatre 10-9. In the last of the seventh inning, the Legion boys made a couple of scores to win the game.

Storie Motor won an easy victory over Garnolia and the game ended after five innings of play with a score of 10-0.

Monday night, the American Legion team took its first defeat in the League play. The Postex Mill boys walked over them by a score of 20-6. Garnolia took the light and won their first game from the Theatre by three points, the final score being 15-12.

Millers Nosed Out In Eleventh Inning By Slaton Sunday

The Oil Belt leading Slaton Tigers hauled out their heavy artillery last Sunday afternoon against the local Millers and laid down three hits to score four men in the first of the eleventh inning to break a 1-1 deadlock which began early in the game.

The Tigers were sparked by the capable nine-hit pitching of Lefty Faulkner, who went the full eleven innings. Clarence Tillery, Slaton's football coach, led the hitting for the visitors by slamming out one single, a double and a triple. Joe Locke bagged three of the nine hits, garnered by the locals.

Greer gave up nine hits in the ten innings he pitched for the Millers. He was replaced in the eleventh by Tommy Winters.

Next Sunday the Millers go to Littlefield and the following Sunday they have a game here with the Denver City crew.

Box score of last Sunday's game follows:

C. I. (STONEY) WALL

West Texas Gas Company Promotes Three Employees

R. F. Hinchey, Lubbock, president of West Texas Gas Company, has announced two important promotions which have been made to handle the increasing volume of work incident to the rapid growth of cities served by the company.

C. I. (Stoney) Wall of Lubbock, widely known throughout West Texas, has been named vice-president in charge of operations. He will have general supervision over the company's distributing plants, pipe lines and compressor stations. Formerly vice-president and assistant general manager, he also has served since 1939 as superintendent of city plants.

Herman F. Heath of Midland, heretofore manager of the company's Midland District, has been promoted to be superintendent of city plants, with headquarters at Lubbock. The addition of Heath to the general office staff will relieve Wall of the multitudinous details connected with operating 44 distributing plants in 11 company districts.

Wall brings to his new assignment a wealth of experience in the natural gas business, having worked his way through the ranks. He entered the employ of West Texas Gas Company in June, 1927, and served successively as bookkeeper, clerk in purchasing department, purchasing agent, manager of Plainview District, new business manager, and vice-president and assistant general manager.

Heath likewise is a long-time employee, having entered the service of the company in October, 1928. He started as a clerk in the Lubbock office and in April, 1930, was promoted to be manager of the Brownfield District. He handled his responsibilities there to the complete satisfaction of the company and the company's customers. In September, 1945, he was promoted again to be manager of the Midland District comprising Midland, Odessa and Stanton.

Bob Lewis, who for a number of years served as manager of the West Texas Gas Company's Post Office, replaced Heath at Midland. Mr. and Mrs. Lewis and daughter, Kathryn moved to Midland last week from Littlefield where Mr. Lewis has served as district manager the past ten years.

Assistant Secretary of the Navy John Nicholas Brown has described Naval Aviation as "the heart of the Navy, and upon the Air Arm rests the burden of maintaining the seapower we now have. The Navy, as a combat organization, is as strong as its aviation."

A light year is the distance a ray of light can travel in one year or nearly six trillion miles.

Mr. and Mrs. Charles Lewis Pickett and sons, Charles Lewis, Jr. and David, will arrive here Friday evening to spend the weekend with Mr. Pickett's sister, Mrs. Glenn Kahler, and family. They are en route from Craig, Colo., where they have made their home the past year to New Orleans where Mr. Pickett has been transferred to work as assistant to the vice president of Standard Oil Company.

Oscar Bowen went to tonio after Mrs. Bowen's children who will spend summer here in the home. They will return this afternoon.

Miss Geneva Voss left for Berger where she will have a dress shop in the near future.

Oscar Bowen and sons returned Sunday night from California.

Gold Star Buttons To Be Ready Soon

The Nation's Memorial to World War II dead—the Gold Star Lapel Button—will be ready for distribution this month to the next of kin of men and women of all the Armed Services who died for their country at home and abroad.

The authority for the reception came in Public Law No. 306, enacted by both the 80th Congress, which set up an appropriate designation of widows, parents, and certain other members of the families of those who died in the service of their country between December 7, 1941, and August 1, 1947, the period established by the legislation.

The Gold Star Button consists of a Gold Star on a purple circular background, bordered in gold and surrounded by gold laurel leaves. On the reverse is the inscription, "United States of America, Act of Congress, 1947" with space for the engraving of the initials of the recipient.

One Gold Star Button is to be furnished, without cost, to the widow or widower and to each of the parents of a member of the Armed Forces who lost his life while on active military service between December 7, 1941, and July 25, 1947, both dates inclusive. The term "parents" includes mother, father, stepmother, stepfather, mother through adoption and father through adoption. One Gold Star Button will be furnished at cost price to each child, stepchild, brother sister, half brother, and half sister of a deceased member of the armed forces if the death fell within the dates fixed.

There are six feet in a fathom.

SAVE USED FATS!

HELP YOUR COUNTRY... HELP YOURSELF!

MONDAY to
MRS. R. J. KEY
Justiceburg Correspondent

The Rev. D. W. Reed conducted church and Sunday School services here Sunday. He was a guest of Mr. and Mrs. W. A. McGinnis and family.

Mr. and Mrs. C. W. Dorman and family of Snyder visited their son, Marvin Dorman, and family.

Eva Lou Key and Weldon Reed are recuperating from the mumps.

Mrs. Kelly McCombs was a patient in the Mercy Hospital in Slaton a few days last week.

Mrs. Cecil Smith and Mrs. Mason Justice visited in Snyder last Thursday.

Mr. and Mrs. Roland Sullinger and family visited relatives in Dermott Sunday.

Mr. and Mrs. Minor Trice and son, James, of Barnhart spent the weekend with the C. B. Trice family.

Mrs. Edwin Reed and son of Dermott recently visited Mr. and Mrs. Jeff Reed.

Bill McCombs spent last Thursday in Slaton.

Mr. and Mrs. Howard Price and moved to Ropeville Monday.

Mr. and Mrs. Howard Price and son of Lubbock visited Mr. and Mrs. Cameron Justice last week.

Mr. and Mrs. Tom Keene of Slaton visited Mr. and Mrs. Cecil Smith Friday.

Mr. and Mrs. George Evans visited their children in Lubbock Friday. Guests in the Evans home Monday were Mr. and Mrs. H. J. Kendrick of Lubbock.

October 16 Is Rural Youth Day At Dallas

October 16, the second Saturday of the 1948 State Fair of Texas, has been designated as 4-H Club, Future Farmer and Future Homemaker Day by the State Fair's Rural Youth Committee.

Attendance goal set by the committee for this day is 60,000 members of these three organizations.

Honor award medals will again be awarded to approximately 50 boys and girls for outstanding achievements in their respective fields at a special luncheon on this day, the committee decided.

Plains of Russia and Siberia are called steppes.

Cooling
COMFORT
ELECTRICALLY

There are lots of places in your home where an electric fan will bring cooling comfort, but none more important than the sick room.

There, during the hot summer days, a quiet electric fan will bring immeasurable comfort to the ill. You'll want to move the same electric fan to other rooms too, for there's nothing to stir up a cooling breeze on a hot summer day like an electric fan. Get yours NOW... and let cheap electricity bring more cooling comfort to you and your family this summer.

We have nothing to sell but good electric service. You'll find a wide variety of electric fans on display at your favorite appliance dealer.

BITS OF NEWS

Mrs. Lillie McRee has as her guests her brother, Tom Bernard, and his daughter, Doris, and her sister, Mrs. Owen Walden, all of San Antonio. When they return home, they will go by way of Abilene and take Mrs. Walden's daughter, who is a student in A.C.C., home with them.

Mr. and Mrs. M. W. Staniforth have been in Rochester, Minn., the past month and will remain there throughout the summer and, perhaps longer, while Mr. Staniforth receives treatment for an ailment in his legs. Most of his body is in a cast, and he is undergoing a series of operations. Mrs. Staniforth wrote friends and relatives here last week. The Staniforths live in Lubbock.

Merle Richards, thirteen year old son of Mr. and Mrs. M. L. Richards of 2124 Pembroke Drive, Fort Worth, was killed instantly in a car-motor bike accident early Wednesday. The youth was riding his motor bike near his home when the accident occurred. The Richards family formerly lived in Post. Mrs. Richards is the former Nora Smith. Funeral arrangements were not known at press time, according to Mrs. J. E. Parker who received word of the tragedy by telephone from Mrs. Cecil Mathews of Ft. Worth.

Mr. and Mrs. R. D. Travis, accompanied by Mr. and Mrs. R. D. Travis, Jr., and Miss Bettye Travis, left this morning for a vacation in Colorado.

Mr. and Mrs. George Barker returned Sunday night from a month's trip through several states. They visited friends and relatives in Saint Jo, Mo., Topeka and Kansas City, Kan., Carlsbad, N. M., and Galveston, Texas.

Mr. and Mrs. C. D. Morrell left Sunday with Mr. and Mrs. Winston Wharton and daughter, Ann, on a month's vacation trip to St. Louis, Washington, D.C., and other points east. En route home they planned to visit a niece of the Morrells in Asheville, N. C.

BITES FOR MRS. CALLIS—

(Continued From Front Page)

She was born in Gollad on September 27, 1861, and moved a few years later with her family to Snyder. There she grew to young womanhood and was married to Henry Callis, who preceded her in death on August 13, 1915. One of the six children born to the union, Mrs. Al Sullivan, preceded her mother in death in 1926 and left four children who were reared by Mrs. Callis.

Her parents were Mr. and Mrs. C. P. Miles, early day residents of Snyder. She was one of three Miles sisters who, as pioneers of this area, reared their children in what is now Garza County. One sister, the late Mrs. R. L. Willoughby, moved with her family to Fort Davis in 1925. The other sister was the late Mrs. J. M. Mason, mother of Marshall Mason, Mrs. Cameron Justice and Mrs. Celia Mae Stacy.

She is survived by her children, Charles Callis of Dalhart, Joe Callis of Post, and Bob, Annie and Boley Callis of Portales; seven grandchildren, 10 great grandchildren, and two step children, Mrs. Fronie Bingham of Spur and Mrs. F. E. Marable.

Active pallbearers at the funeral Sunday were Dick Woods, Jack Burress, Dan Cockrum, Al Bird, Morris Neff and Walter Duckworth. Honorary pallbearers were John Nichols, Giles Connell, O. L. Weakley, George Duckworth, Ed Scott, Al Bingham, Harry Ellis, Buck Taylor, C. D. Morrell, Walter Roy, W. B. Kennedy, C. R. Bowen, Will Cravy, Dr. C. Williams, Cameron Justice and Marshall Mason.

Flower girls were Mrs. Dick Woods, Mrs. C. R. Bowen, Mrs. Nettie Barrow, Mrs. E. L. Kirkendoll, Mrs. Morris Neff, Mrs. H. K. Kennedy, Mrs. W. B. Kennedy, Mrs. O. D. Cardwell, Mrs. Roy Stevens and Miss Henrietta Nichols.

Among those attending the funeral from out-of-town were Mr. and Mrs. Ross Smith and two sons, Bill Ross and Robert, of Tahoka; Mr. and Mrs. Buck Taylor of Calgary; Mr. and Mrs. Al Bingham and Harry Ellis of Spur; Mr. and Mrs. Cameron Justice, Mr. and Mrs. Jeff Justice, Mr. and Mrs. George Duckworth, Miss Pauline Knox and Ed Scott of Justiceburg; Mr. and Mrs. E. D. Sullivan, Mr. and Mrs. Phil Trammell and three children of Portales, Albert Sullivan of Honolulu, Hawaiian Islands, and his wife of Portales; James Sullivan of Fresno, Calif.; Mrs. Jack

Everybody Seems To Be Moving

Everybody is doing it! Moving that is!

Mr. and Mrs. Harold Voss moved into the Roy Baker apartment house last week; the Red Karpes moved into the Voss house; the Arthur Talley moved into a house owned by Mr. and Mrs. B. C. Manis; the Walter B. Hollands moved into their new studio home across the street from the Clint Herrings; the Alex Webbs moved into their new home on West Main Street; Mrs. W. J. Shepherd moved into her new home located in the same block as the Edsel Cross home; the J. P. Manlys moved into the home Mrs. Shepherd vacated; Mrs. H. H. Foster moved into a little new house across the street from the F. L. Baileys; and Mr. and Mrs. Jesse Barnes moved into a new house just north of Mrs. Maggie Kennedy.

The Jess Wrights plan to move next week into a new home just east of the grade school building; Mr. and Mrs. Malcolm Bull plan to move into the Jesse Barnes home which they bought recently; and Mr. and Mrs. Pete Kennedy plan to move into the new home on the Tahoka highway they bought from Mr. and W. E. Pierce.

The Victor Hudman family moved into their new apartment on the second floor of the original C. W. Post home Monday.

Other new houses are nearing completion and more Post families will be moving any day. Yes, it seems everybody is in the moving mood.

Mr. and Mrs. Gene Smith and daughter, Fleeta, of Lubbock spent last weekend visiting Mr. and Mrs. O. R. Cearley and Mr. and Mrs. John Cearley and family. Guests in the John Cearley home Tuesday evening were Mrs. Cearley's grandmother, Mrs. Mattie Bradley, and her uncle, Don Bradley, of Tahoka and her cousin, Joe Don Meroney of Ranger.

Mrs. Giles Connell and Mrs. Irene Rodgers will leave Sunday to spend the summer at Chipta Park, Colo. They spent Wednesday in Lubbock.

Moore of Roy, N. M.; Mrs. Fronie Bingham of Spur; Mr. and Mrs. Boley Callis and Bob and Annie Callis of Portales, and Mr. and Mrs. Charles Callis of Dalhart.

Popes of the Catholic church are elected by the College of Cardinals.

The Navy has developed a sea-plane dock which can be carried to advanced bases by the planes that are due to use it.

dollars to doughnuts it's done by telephone

More business is being done today by telephone than ever before in history. Progressive business men everywhere have found the telephone to be a real time and money saver. The tremendous increase in business calls is one of the main reasons for today's huge local and long distance telephone traffic. Realizing the importance of telephone service to our national prosperity, the telephone industry is working constantly to maintain telephone service at peak efficiency. Our local expansion program ties in directly with the national effort.

Unemployment Pay Not Legal With G.I. Subsistence

Veterans claiming G.I. unemployment allowances between terms of school may be expected to take any reasonable work within their physical abilities, C. Raymond Jones of Lamesa, local office manager of the Texas Employment Commission, advised student veterans today.

He cautioned them against claiming unemployment pay for periods covered by G.I. subsistence allowances. This is a violation of federal law.

The TEC administers Title V of the G.I. Bill of Rights. Service men's readjustment allowances, the \$20 a week unemployment payments, go to eligible jobless veterans seeking employment through offices of the Commission. The law requires they be available for suitable work. Payments stop when they have found jobs, refuse suitable employment, or are not actively seeking work.

Veterans seeking temporary work are eligible for G.I. unemployment pay if they are not receiving subsistence allowances.

Mr. Jones said the veteran who had finished school and wanted permanent work would be given every opportunity and assistance in getting the kind of employment he desired. While unemployed, he would be eligible for readjustment allowances.

However, the fact that a veteran is seeking temporary work between school terms sharply limits his choice of jobs. This means when he claims allowances he may be expected to accept any reasonable job within his physical ability. Naturally, such a veteran will not be sent out on any work where wages, hours and working conditions are sub-standard, Mr. Jones explained.

G.I. unemployment allowances are not intended as vacation pay, he said. Veterans are not eligible for readjustment allowances while receiving subsistence al-

LEGAL NOTICES

THE STATE OF TEXAS TO: JUANITA ODOM, GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 28th day of June, A. D., 1948, at or before 10 o'clock A. M., before the Honorable District Court of Garza County, at the Court House in Post, Texas.

Said Plaintiff's petition was filed on the 11th day of May, 1948. The file number of said suit being No. 926.

The names of the parties in said suit are: J. D. ODOM, as Plaintiff, and JUANITA ODOM, as Defendant.

The nature of said suit being substantially as follows, to-wit: Plaintiff sues for divorce and custody of minor child of the parties, alleging marriage on or about August 3, 1945, cruel treatment of plaintiff by defendant, birth of JANICE DEE ODOM (a girl) now one year of age who resides with plaintiff, being only child born to the marriage, and that the parties have no community property. Plaintiff prays for judgment of divorce, that custody of said minor child be awarded to plaintiff, for costs of suit and general relief.

Issued this the 11th day of May, 1948, Given under my hand and seal of said Court, at office in Post, Texas, this the 11th day of May, A. D., 1948.

Ray N. Smith, Clerk, District Court, Garza County, Texas.

Go Gulf on Gulf!

The Great New Gulf Tire Is Here!

Go farther on Gulf! The paramount consideration in designing Gulf Tires was long mileage. Enthusiastic users confirm Gulfs give thousands of extra miles!

Go safer on Gulf! Seven saw-toothed ribs fight skids, on this great new tire. The wider, flatter tread distributes load more evenly, prevents rapid smoothing.

Go longer on Gulf! It has more and stronger cords, stronger sidewalls, stronger shoulders—hence a tougher carcass that resists all types of carcass failure.

Go cooler on Gulf! The improved tread design and a special ingredient used in the rubber keep Gulf Tires cooler (and safer) at high speeds.

Go quieter on Gulf! Road-hum is minimized because the zigzag ribs are offset from each other. Even at high speeds, this keeps Gulf Tires quieter!

Go reassured on Gulf! Every Gulf Tire sold for passenger use is accompanied by a Warranty. Every Gulf Tire dealer is authorized to make adjustments promptly!

We have the New Gulf Tube, too! Tests show that this tube cuts air seepage by 90%

Everyone is happy about the good rains and is busy planting. There is much work to be done, and the tractors make quite a tune from early morning until late in the evening.

Tommie Head of Post has been learning how to be a country boy, driving a tractor while planting cotton and talking about moving back to the soil.

Embry Williams is often seen here seeing about his property. He moved most of his cows west to grass since the rains came.

Billie Sue and Herman Jinkins visited the W. C. Quisenberry's Saturday evening.

Mr. and Mrs. Joe Marshall Tipton visited in the Cross home Monday evening.

Avery Moore, Jr., has been restless during the wet weather. To pass the time away, he has been driving that two-tone tractor up and down the highway.

Truett Babb Named Outstanding V.A. Teacher Of Area

Truett Babb, son of Mrs. R. W. Babb and vocational agriculture teacher in the Meadow High School, was named the outstanding V.A. teacher on the South Plains recently by the State Department of Education.

The honor was based on his success as a teacher of vocational agriculture, leadership in community activities and his spirit of cooperation in the school, E. H. Boulter, deputy state school superintendent, said.

Equipment Demonstrated

A Chevrolet fire truck, carrying the latest fire fighting equipment, was demonstrated to the Post Volunteer Fire Department in front of the City Hall last Friday morning.

The truck is on a tour for a Glendale, Ariz., Chevrolet dealer who specializes in modern fire equipment. Fire Chief Homer McCrary said.

The Jack Pierick family of Richland Center, Wis., is shown enjoying the millionth telephone installed by the General Telephone System of which the Southwestern Associated Telephone Company is a part.

Millionth Phone Is Installed By General System

Its millionth telephone was installed May 20, by the General Telephone System of which Southwestern Associated Telephone Company is a part. The System, headed by General Telephone Corporation, comprises the largest group of operating telephone companies in the United States outside the Bell System.

Mill Roberts of Hobbs, N. M., district manager of the Post Exchange, announced that the millionth installation had been made in Wisconsin by Commonwealth Telephone Company, also a part of General Telephone System. The instrument was installed in the home of Jack Pierick, living in the farming community of Richland Center which is the same area where the General Telephone System started.

Mr. Pierick served with the U. S. Army in the European theatre during the last war.

General Telephone System traces its history back to 1920 when there were about 1,554 telephones in service in five small Wisconsin communities. Today General Telephone Company operates 1,022 exchanges in 19 states. Southwestern Associated Telephone Company operates 191 exchanges, serving 64,053 customers. It became part of the General Telephone System in 1926.

The System's five-hundred-thousandth telephone was installed late in December 1939. During the intervening eight years and four months the number of system-owned telephones in service has doubled and total assets have increased from \$108,755,000 to \$195,000,000. This growth can be accounted for in part by acquisitions but more particularly by additions of telephones to existing exchanges.

In all there are about 6,000 non-Bell System telephone companies in the United States, serving 6,293,000 telephones through more than 11,000 exchanges. The Bell System serves 28,507,000 telephones through more than 6,000 exchanges.

Garnolia Notes

Please Send News Not Later Than MONDAY to **MRS. L. C. WHITE** Garnolia Correspondent

Mr. and Mrs. Zearl Robinson and son of Levelland were guests of the O. R. Cook family last Thursday.

Mr. and Mrs. S. A. Turner of the Rio Grand Valley spent Saturday night with Mr. and Mrs. Darlean White.

Alvin Davis and Carter White spent last Thursday in Lubbock. Weekend visitors in the J. W. Brown home were Mrs. Brown's sister, Mrs. Mae Edds of Bronte, and Mr. and Mrs. Albert Adress of Brownfield.

The Garnolia softball players are wearing new shirts with Garnolia Wild Cats on the front.

Noel White is attending a vacation Bible school at Close City this week.

Darlean White spent Sunday in Lamesa.

Mr. and Mrs. Otis Shepard are building a new home on their farm in the Garnolia Community.

BITS OF NEWS

Mr. and Mrs. Charlie Bird are remodeling and rock veneering the home which they bought recently from Mr. and Mrs. J. P. Manly.

Mr. and Mrs. B. P. Vardiman had as guests last week her brother and wife, Mr. and Mrs. W. R. Whitford, and family of Fort Worth and his brother and wife, Mr. and Mrs. John A. Vardiman of Jayton.

Mrs. Lottie Johnson left Saturday for a two weeks' visit with her father at Cayuga.

SICK!

STOMACH AILMENTS, WEAK KIDNEYS, RHEUMATIC PAINS, ARTHRITIS, NEURITIS

and such complaints as Headaches, Nervousness, Acids, Toxins, Bloating, Lack of Vitality, Energy, Poor Appetite, Underweight, Dizzy Spells.

Drugless Health

IF YOU ARE a sufferer of these ailments, try GEO-MINERAL. You may be astounded at the results. GEO-MINERAL comes from the earth—Nature's Laboratory. Contains NO alcohol, NO preservatives, NO oil, NO harmful drugs, NO dope—is NOT habit forming. Contains ONLY Nature's minerals, the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments—highly recommended by the medical profession.

GEO-MINERAL will enrich your blood, help to make you strong, full of pep, life and energy. Lack of minerals in the blood causes anemia, headaches, nervousness. Minerals generate mental brilliancy, give sparkling eyes, red cheeks, fight disease, build up health.

Rich Red Blood

MEDICAL records show 68% of men and women over 35 suffer from nutritional iron anemia. When you feel nervous, dull, lazy, have dizzy spells, no ambition to work or play, a poor appetite, feel blue, when your eyes lack that bright spark, and your mind brilliance, when headaches get the best of you, and you feel old before your time, and life seems not worth living, with worry wearing you down—it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

Wonder Minerals

RHEUMATISM, arthritis are dreadful diseases. Acid condition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain and suffering of these ills. People, on the advice of doctors, go to mineral springs to find cure, or relief. The most important of our people, including doctors and millionaires, go to mineral springs. They would not patronize regularly these springs without any benefit.

YEAR after year, people rush to mineral springs and spas, to drink and bathe in their miraculous water. We have all heard of the wonderful springs of Lourdes, France, and famous Thronion in ancient Greece where, according to legend Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

Amazing Results

GEO-MINERAL contains minerals found in the world's best springs. Watch the results a day or two after using it. The housecleaning it will do in your body, the poisons it will bring out. When you see this, do not get alarmed—thank Nature who created Geo-Mineral as a sign that the medicine is working on you, and realize its priceless value.

GEO-MINERAL Retail Price 1 Bottle \$1.10 6 Bottles \$6.00

100% Guaranteed!

WE URGE everyone to try GEO-MINERAL. Do not hesitate one moment. Go to your drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money.

REGARDLESS of how long you have been suffering, and how many medicines you have tried before, GEO-MINERAL may be the remedy you need!

TRY it today! It may do wonders for you—and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better.

BITS OF NEWS

A. H. Graham of Long Beach, Calif., visited his brother, Oscar Graham, and family here last week. They all went to Stephenville for a few days visit in the home of another brother, Perry, returning to Post Friday.

G. T. Pierce, wearing his 10-gallon hat and western clothes, was the talk of Eldorado, Ark., while spending a week there visiting his daughter, Mrs. Laura Carruthers, and family. His grandchildren's friends, he said, gathered up everyone they could think of to "come over and see Grandpa's clothes." He returned Sunday.

Bennie Sargee left Sunday to visit Mr. and Mrs. Darwood Billings and daughters, Cheryl and Carol, in Albuquerque, N. M. Mrs. Billings and the children were to return here with him this week for a visit. They will attend the Texas Technological College Commencement exercises in Lubbock Monday night to see Mrs. Billings' brother, L. D. Stevens, Jr., receive a degree. L. D. will be an assistant instructor at Texas A. and M. College this fall, while working toward a master's degree in engineering.

Mrs. Vaughn Owens has returned to her home in Seymour after spending a week with her parents, Mr. and Mrs. J. I. Bartlett, in Southland.

Health Habits Of People Determine Adequate Living

"Although we may not be sick, we may be far from being well. There is a great and vital difference between high and buoyant health and the health of the average person, or of one who is only well enough to be out of bed," Dr. George W. Cox, of Austin, state health officer has announced.

"Unless we have the essentials of health in our daily habits of living, we are sure to pay the penalty of impaired health, sickness and early death as we are of cause and effect in other situations," Dr. Cox continued. "We should ask ourselves, 'How long do I expect to live?' 'How long can I retain my efficiency, both in work and play?' 'Do I want to become incapacitated soon after middle life?'"

The alternative, according to Dr. Cox's statement, is to adjust one's program of living to insure the fundamentals of health and thus, barring accidents, keep young and retain active efficiency to an age of 70 to 80, or more.

The essentials of health are simple: Sufficient fresh air and sunlight, good food and food habits, regular exercise and adequate rest. Yet, in checking the health of thousands of individuals who considered their health good, it has been rare indeed to find a single person who did not habitually disregard one or more of these essentials. Therefore, no matter how good or poor our health, we should check our daily program of living for health habits are essentially faulty but of which we may be unaware.

Merit Awards To Be Given In 4-H Dairy Foods Demonstration

New awards of merit are being offered for superior records in the 1948 National 4-H Dairy Foods Demonstration program, which is being continued in Texas for the ninth consecutive year.

Winners on both county and state levels are divided into two classes, individual and two-member team demonstrators. Each of the three county winners will receive a gold medal of honor.

From among the various winners, the state extension office will select the individual and two-member team state champions. Each will receive a standard American make, 17-jewel gold watch. All awards are now provided by the Carnation Company.

For their demonstrations, participants may select any subject relating to the preparation, manufacture or use of dairy products which may include fresh milk, evaporated milk, malted milk and ice cream. They may demonstrate the use of dairy products in milk drinks, soups, creamed dishes, casseroles, custards, puddings, pie fillings, infant feeding formulas and special diets.

Last year's state winners in Texas were: (team) Dorothy Fry-singer, Weatherford; and Buna Jo Collins, Dennis.

The demonstrations were conducted under the direction of the Extension Service.

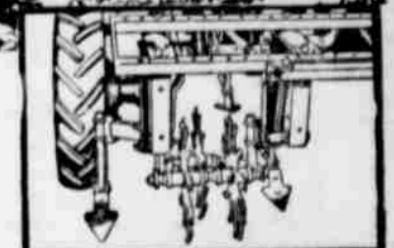

Samuel Jones Tilden was disallowed his election to the presidency of the U. S. in 1867 because of irregularities in the Louisiana ballot.

Kansas had an anti-cigarette law until 1927.

FRONT-MOUNTED CULTIVATOR FOR ALLIS-CHALMERS MODEL "C" TRACTOR

- ★ **Quick-hitch** — can be attached or detached in ten minutes by one man.
- ★ **Up Front** — you can watch shovels or sweeps without turning or twisting.
- ★ **Uniform Depth Control** — parallellinkage holds gangs level, regardless of position — eliminates jumpy, uneven action.
- ★ **Hydraulic or hand lift.**

ROTARY HOE ATTACHMENT
 Cultivate up to 7 m.p.h. Rotary hoe works right over young plants in the row — kills weeds and stirs the soil into a fine mulch. Ideal for first cultivation—saves time, reduces covering. Model "C" Tractor owners, place your order today for your "80" Series Cultivator and Rotary hoe attachment.

Hear the NATIONAL FARM AND HOME HOUR with Everett Mitchell every Saturday, NBC.
