

ONE CAR ROLLOVER

A family vacation from Austin to Colorado Springs, Colo. was interrupted last Friday afternoon on U.S. Hwy 84 approximately five miles south of Post when the vehicle driven by Christine Traylor veered out of control into the median. The car struck a large boulder in the middle of the median and the resulting rollover threw passenger Kristine Traylor out of the vehicle. She was treated and transferred to Lubbock's University Medical Center for an overnight observation. Christine Traylor was not seriously injured. Post Emergency Medical Technicians responded to the call as well as Garza County Sheriff's Deputies. Texas DPS officer Jerry Cannon investigated the accident.

Two injured in one-car accident

Two Austin, Texas women were treated for minor injuries following a one-car accident last Friday afternoon approximately five miles south of Post on U.S. Hwy 84.

Treated at Garza Memorial Hospital and later transferred to University Medical Center in Lubbock was 18 year old Kristine Traylor of Austin, a passenger in the vehicle which was being driven by her mother, Christine Traylor.

Christine Traylor was wearing a seat belt at the time of the accident, but her daughter had just taken her seat belt off to get better adjustment for taking a nap. Kristine was thrown from the vehicle and suffered a severe contusion on her head.

Christine's husband, Stephen, traveling ahead of his wife and daughter in another vehicle, looked in his rear view mirror and saw the car his wife was driving veer off the road to the west into the grassy median, where it hit a large boulder and flipped over, coming to rest upright.

Investigators speculate that the driver had dozed momentarily and overcorrected on the slight curve northbound, sending the vehicle into the median.

"If it hadn't been for that boulder," Garza County Sheriff's deputy Wes Cockrell commented, "she might not have rolled, I think the car hit that boulder and it tore off the wheel and flipped."

The family was on its way to Colorado Springs for a vacation. Emergency Medical Technicians Steve Perricone of Beaumont and Chris Teague of Lubbock were the first on the scene, who were also traveling northbound. They administered first aid until the Post EMT crew arrived within a few minutes.

Volunteers needed to help as ushers at the Garza Theatre

by Wes Burnett

Beginning a new and aggressive season at the Garza Theatre means a search is on for volunteers to serve as ushers.

Those wishing to volunteer should call 495-2816 (The Post Dispatch) or Anne Stelzer after 5 p.m. at 495-3645.

"We especially want to encourage civic or social organizations to sign up in teams," Garza Theatre board of directors president Nelda Dalby suggested, "and you know, it would make an excellent community service project and have fun at the same time."

"We'd like to have young people too," she added, "not only is it fun, but the little amount of time helping usher or hold the door open for our visitors is so important."

Volunteers will be offered instructions and assistance in their specific duties.

"We need happy, friendly people to greet our out-of-town visitors, show them to their seats and make them feel welcomed," Dalby emphasized. "And I just know there are plenty of folks in our town willing to give a little of their time for this important community service."

Call 495-2816 or after 5 p.m. to Anne Stelzer at 495-3645 to volunteer your time to help showcase the phenomenal success on Main Street in Post.

The Post Dispatch closes for holidays

The Post Dispatch office will be closed Wednesday, January 1 through Sunday, January 5.

The office will reopen Monday, January 6 to return to normal operating schedules, with a Monday at 5 p.m. deadline for all advertising and news.

New industry, lake development highlight economic news here

\$2 million state loan gets Cotton Unlimited into production

by Wes Burnett

The biggest news in Garza County during 1991, especially for the local economy, was the announcement in June by the Texas Agriculture Department's \$2 million loan to Cotton Unlimited Inc. Following with a close second was the ground breaking ceremonies at Lake Alan Henry near Justiceburg in April.

Cotton Unlimited began production of its world-acclaimed Instasorb cotton based oil absorbent materials and construction at the Justiceburg dam site brought an immediate economic impact to the area as construction crews swamped the already short supply of rental property.

In other economic news, 1991 saw a continued positive influence of the two major highway arteries here, as traffic counts on U.S. Hwy 84 and U.S. Hwy 380 bolstered businesses serving the traveling public.

Politics also took a front seat in the news, beginning with January's oath of office at the courthouse when Giles Dalby returned to serve as county judge. In May long-time Post Mayor Giles McCrary was unseated in the municipal election by challenger Jim Jackson.

Public intoxication, DWI lead arrests...

Garza County deputies arrested a 38 year old man December 17, charging him with public intoxication. He was released following the paying of his fine served in jail.

Deputies arrested a 37 year old man December 20 for aggravated assault under the family code. He pled guilty to assault, paying a \$320 bond and posting a \$5,000 bond for aggravated assault and was released.

December 21 was a busy day for law enforcement officers. Texas DPS officers arrested a 58 year old man for DWI and deputies arrested three men for public intoxication... a 45 year old, 44 year old and 38 year old.

On December 22 deputies arrested a 35 year old man charged with DWI. A 38 year old man and a 32 year old woman were arrested December 23 by Texas DPS and Garza County deputies on a municipal warrant. The two were released after paying their fine by time in jail.

A 30 year old man was arrested December 26 charged with contempt of court related to child support. He is still being held in the county jail.

December 29 Texas DPS officers arrested a 28 year old man, charging him with DWI. He was released following the posting of a \$2,500 bond.

'Driving Miss Daisy' set to open at Garza January 16

Jane Prince-Jones, Floyd Price and David Weaver are in rehearsal now for the January 16 opening of the very popular "Driving Miss Daisy", which will be performed at the Garza Theatre two weekends.

The play, written by Alfred Uhry, was a highly acclaimed box office hit in its movie version.

Theatre patrons will be offered the production here Thursday through Sunday, January 16-19 and again January 23-26.

Evening performances begin at 7:45 p.m. and Sunday matinees are at 2 p.m.

Reservations may be obtained by calling the box office at 495-4005 Monday through Saturday, 10 a.m. to 4 p.m. Tickets are \$7 for adults and \$4 for students ages six to 12.

OUTSTANDING GRADUATES - Ron Graves (second from right) was one of four Outstanding Graduates at Tarleton State University December 21. Graves was selected to offer the student response at both commencement exercises. Others getting recognition were (left to right) Cathy Haba, Teresa Mynarcik and Kim Kraatz. Graves has enrolled at Texas A&M University to work towards his doctorate.

Of course, there were lots of highlights during the year to talk about... so let's get started!

January

Alexandra Nicole Hart was crowned Garza County's first baby born in 1991 at Garza Memorial Hospital. She was born January 3. The late B.W. (Doc) Kennedy was inducted to the Garza County Cowboy Hall of Fame. The Post Dispatch founder and former owner Eddie Warren was named Citizen of the Year and Wells Pharmacy was recognized as Business of the Year at the Post Chamber of Commerce banquet.

February

A fire destroyed the home of Mr and Mrs Ricky Guerro, putting them and their two children out of the house at 501 N. Broadway. "The Diary of Anne Frank" was a big success at the Garza Theatre. The Post junior varsity girls' basketball team won the District 4AA championship. The D. Ray Altman family, serving as missionaries in Israel, survived Iraqi scud missile attacks during "Operation Desert Storm."

March

Ann Nobles began her duties here as Extension Agent Home Economics. Aaron Odom won second place with his 234 pound middle weight Hampshire at the Houston Livestock Show. Post High School choir members earned a Division I Concert rating at the U.I.L. contest. "Chief" Frank Runkles pointed his feather toward the northwest at the annual Ta'bana Yuan'e, indicating an average year for crops.

Emergency farm loans available for Garza County farmers

Applications for emergency farm loans for losses caused by excessive rainfall between April 1, 1991 and June 30, 1991 are being accepted at the Farmers Home Administration (FmHA) office in Tahoka, FmHA county supervisor Curtis Barlow has announced.

Garza County is one of 24 in Texas recently named by Secretary of Agriculture Clayton Yeutter as eligible for loans to cover part of actual production losses resulting from the excessive rainfall between April 1 and June 30, 1991.

Barlow said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business or \$500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 4.5 percent.

"As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FmHA emergency loan," Barlow said. Farmers participating in the PIK or Federal Crop Insurance program will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until August 10, 1992, but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possible over into the new farming season," Barlow added.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

The FmHA office in Tahoka is open from 8 a.m. to 5 p.m. Monday through Friday.

Ron Graves earns Outstanding Graduate honors at TSU

Ron Graves, son of Diane and Ronnie Graves of Post, was one of four Outstanding Graduates recognized during December commencement exercises held at Tarleton State University.

Graves, a 1987 graduate of Post High School, received the Bachelor of Science degree in Agricultural Services and Development and held a 3.75 grade point average at TSU. He was also the recipient of the Alpha Zeta National Scholarship and the Houston Incentive Scholarship.

He is enrolled in the spring at Texas A&M University where he will be working toward a doctorate in agriculture.

TSU's Outstanding Graduates represent each of the university's four colleges and are selected based upon nominations from the academic departments.

Graves represented the College of Agriculture and Technology. Others selected as Outstanding Graduates were Cathy Haba of Ennis, College of Business Administration; Kimberly Kraatz of Stephenville, College of Arts and Sciences and Teresa Mynarcik of West, College of Education and Fine Arts.

Graves is a member of the Alpha Chi and Phi Eta Sigma national scholastic honor societies, served on the Tarleton Agriculture Council and was listed in Who's Who Among Students in American Universities and Colleges. He is also a recipient of the T-Spirit Award.

At the commencement program TSU president Dr Dennis McCabe introduced the Outstanding Graduates, naming Graves as the student to present the response speech at both commencement exercises.

GIRL SCOUT COOKIE SALE - Sharla Cruse (left) and Laura Tobias (right) present Giles McCrary with Girl Scout cookies in preparation of this year's sale. Cruse and Tobias were last year's top cookie sellers and were at McCrary's office Monday in recognition of his long time support of the Girl Scout program.

Girl Scouts begin 'Cookie Sale' Jan. 11

The Girl Scout cookie sale will begin January 11, with girls taking orders for two new flavors this year: Golden Nut Clusters (caramel and pecan covered tender cookie bar with a lightly maple flavored coating) and Chalet Cremes (lemon and vanilla filled sandwich cookies). The Chalet Cremes are named for the Girl Scout International Center in Switzerland, "Our Chalet", and feature winter scenes on the vanilla cookies and a summer scene on the lemon cookies.

Cookies will sell for \$2.50 again this year.

The top cookie seller in the 18-county Caprock Council area will receive a \$500.00 college scholarship, with the runner-up receiving a VCR.

Other incentives available to girls include a baby harp seal stuffed animal. This follows a history of the council of featuring an endangered species in incentives.

This year, for every girl that sells enough cookies to receive the baby harp seal, the Board of Directors has voted to donate \$1 to the International Fund for Animal Welfare, the group that has worked so hard to stop the massive slaughter of these animals. Educational videotapes on the seals are being made available to troops, and each girl will receive an information pamphlet on the harp seals.

Additional incentives include collections of recycling items including newspaper collection box, aluminum can collection box and can crusher and a book of ways to help improve our earth's environment. Another collection, entitled "MY World", includes a child's U.S. road atlas, an inflatable globe, boxes of endangered species and environmental action game cards and a world map book cover.

The theme for this year's sale is "In Tune...With Myself, My World, My Future". Troop leaders have received a packet of games and activities geared to this theme which feature self-esteem and environmental action ideas.

Senior Companion program honors local volunteers

The South Plains Senior Companion program recently honored its volunteers at a recognition luncheon in Levelland, which included Post companions Emma Cervantez, Callie Harper, Mary Gunn, Consuelo Raymundo, Gonzalo Raymundo, Jesus Rodriguez and Mary Paiz.

Companions from the eight counties came together to celebrate the season and the 10th anniversary of the Companion Program in this area.

Special recognition for service to the program was given to those who have been with the program seven years or more.

Lamb County residents Mrs Henry Bill Brown, Carrie Solsebee, and Earl Williams and Hockley county resident Ferrell Echols celebrated 10 years with the program.

Nine years of service were celebrated by Cochran county resident

Jimmie Lee Hill and Lamb county's Bula Humphreys and Gracie Smith.

Hockley county residents Josie Guerro, Chamberlain and Charlotte Woollever, Lynn county's Trudy Scuknecht and Terry county's Lizzie Warren have all completed eight years with the program.

Della Hagin and Ben Juarez of Levelland and Paula Casteneda of Brownfield have all worked seven years on the program.

These people recognized have a total of 150,336 hours of service to adults in their home counties.

A total of 75 companions were recognized for their contribution of service ranging from a few months to ten years in the South Plains counties of Bailey, Cochran, Garza, Hockley, Lamb, Lynn, Terry and Yoakum.

Each companion works up to 20 hours a week with any adult that has a physical, mental or emotional need and yet wishes to retain independent living.

The Senior Companion Program is sponsored locally by South Plains Community Action.

The program is federally sponsored by ACTION which was established as an outcome of the Domestic Volunteer Act of 1973.

To help celebrate the tenth anniversary of the Program in this area, a cookbook was produced by the Companions.

The 100+ page cookbook is on sale thru the Companions for \$5. Proceeds will be used to benefit the companions.

The cookbook may be purchased from the companions from Post.

Chris Wyatt announces candidacy for county attorney

Chris A. Wyatt has announced his candidacy for county attorney of Garza County, filing in the Democratic Party primary election.

Chris is a 1975 graduate of Post High School. He attended Abilene Christian University before receiving his Bachelor of Arts degree from the University of Texas at Austin.

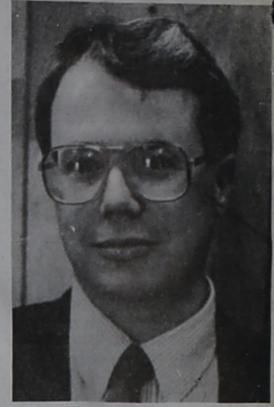

He received his law degree from Texas Tech University School of Law.

Prior to moving to Post, Chris was employed as an associate with the law firm of Cotton, Bledsoe, Tighe and Dawson in Midland, Texas.

Wyatt returned to Post last June with his family to open his own law practice here.

He is married to the former Nancy Reno and they have four children: Jason, 14; Scott, 12; Paden, four and Hillary, two.

In announcing his candidacy, Wyatt says, "Nancy and I are excited to be back home in Post to raise our family. I think Post and Garza County have a bright future and I would like to be a part of that future as your county attorney."

Robbin Isbell, Dale Lawrence exchange vows December 28

Robbin Elaine Isbell and Dale W. Lawrence exchanged double ring wedding vows on Saturday, December 28, 1991 at 7 p.m. in the First United Methodist Church in Iowa Park. Rev Karl Klaus officiated the ceremony.

The bride is the daughter of Mr and Mrs Michael Isbell of Iowa Park.

The groom is the son of Don Lawrence of Post and Dianna Lovett of Aspermont.

Church decorations included pew markers of white satin bows covered with white lace. There were two heart-shaped candle-labaras accented with white satin and lace bows in the center altar area. Greenery trimming the entire altar area was accented with candles.

Before the ceremony a selection of organ music was presented by Wanda Hall of Wichita Falls.

During the ceremony vocalist Holly Smith of Lubbock, cousin of the bride, sang "Only God Could Love You More." Also Rev Karl Klaus sang "The Lord's Prayer."

The bride, given in marriage by her father, wore a Sam Martin design gown of white satin schiffli embroidery chapel train length skirt. The Cinderella off shoulder completed with a basque bodice of schiffli embroidery decorated with sequins and pearls. The long sleeves with upper puffs accented with appliques. Schiffli hem lace, accented with pearls and sequins, around the entire skirt. Sequins and pearls covered the train and pearl trimmed fingertip veil.

The bride's bouquet was of white roses and stephanotis accented with pearls and backed by lace and was entwined with pearls and English ivy.

Matron of honor was Deanna Whitman of Iowa Park with Ginger Looney of Midland, cousin of the bride, serving as bridesmaid.

They were attired in teal taffeta which featured poufed sleeves, fitted bodices, V waistlines with ruffles down the back of the skirt with a bow at the waist.

They both carried white lace fans covered with teal and white roses that was accented with baby's breath and pearls with teal and white satin streamers.

Randi Rabb, cousin of the bride from Andrews, served as flower girl. She was dressed identical to the matron of honor.

Candlelighters were Rachel Rabb and Ashley Rabb, cousins of the bride, from Andrews. They were attired identical to the matron of honor also.

Darin Lawrence, brother of the groom from Post, served as best man. James Isbell, brother of the bride from North Richland Hills, served as groomsmen.

Guests were registered in the church foyer by Lorin Sanders. The table held a white satin covered book and white candle encircled by white roses, baby breath and lace placed next to the book.

The unity candle lit by the couple during the ceremony was designed and made by Linda Springer using the wedding invitation in the candle. Brother of the bride, James Isbell, and brother of the groom, Darin Lawrence, lit the side candles of the unity candle.

The bride carried two long stemmed roses - one she gave to her mother on her way to the altar and one to the groom's mother as she left the church.

The bride is a graduate of Iowa Park High School and Texas Tech University.

The groom is a graduate of Post High School and attended South Plains College.

A reception was held in the fellowship hall of the church. The bride's table featured a three-tiered wedding cake separated by white gerecian pillars and topped

with a Precious Moments bride and groom. The cake had white icing accented with mauve roses and teal leaves.

A chocolate groom's cake was accented with fresh strawberries. Silver appointments were used in serving coffee, punch and mints in the shape of doves, wedding bells and hearts.

After a wedding trip to New Orleans the couple will make their home in Odessa.

A rehearsal dinner was held in the fellowship hall hosted by Mr and Mrs Daniel Springer.

Sandra Matthies honored with shower

Miss Sandra Matthies, bride-elect of Russel Benham, was honored with a wedding shower recently at the Fellowship Hall of the First United Methodist Church.

The guests were greeted by the honoree, her mother, Mrs Janet Matthies, the mother of the prospective bridegroom, Mrs Jerry Benham and Mrs Lewis Mason.

The bride's chosen colors of pale pink and ice blue were used in a silk arrangement that centered the table over a blue cloth.

Cookies and frozen punch were served by Mrs Max Haney, Chrissy Joiner of Lubbock and Tammy Matthies, sister of the honoree.

The hostesses presented the couple with a vacuum cleaner.

Mrs Dale Lawrence

Michelle McGehee, Keith Craig exchange vows December 28, 1991

Libby Michelle McGehee and Keith Webb Craig exchanged wedding vows Saturday, December 28, 1991 at 5 p.m. at the First Baptist Church of Post.

The double ring ceremony was officiated by Rev Steve McMeans, relative of the bride and pastor of the Oak Street Baptist Church of Graham, Texas, and Troy Cartmill, uncle of the bride, of the Bethesda Church of Baytown, Texas.

The bride is the daughter of Dennis and Libby McGehee of Southland. The groom is the son of Harold and Francis Craig of Post.

Presented in marriage by her father the bride's dress was a romantic gown of white silk taffeta and alencon lace designed by Ilissa. The bodice, heavily beaded with sequins and pearls, featuring a jewel neckline, Renaissance sleeves and a deep basque waistline. The full ball gown skirt accented with beaded lace motifs, flowed to a cathedral train.

To complete her attire the bride chose a pearl braided headband accented with a sequin spray on the side and highlighted by a triple pouf and two-tiered fingertip veil.

The bride carried a cascading white glad bulblet bouquet with a touch of purple glads and status, accented with simlex and white net bow.

Michelle's something old, was borrowed and blue, a special garter worn previously by her mother and aunt. Something new, was the strand of pearls and earrings her father presented her with on her wedding day. Her father also placed a sixpence in her shoe.

As the parents and grandparents were being seated Benny Jackson sang the "Parent's Prayer". Lee Ann Hodges and Benny Jackson sang "Your Only Little Girl" as the candles were lit. Lee Ann sang "Only God Could Love You More" as the bride and groom lit the unity candle. They were accompanied by Mary Margaret Norman, organist, and Nancy Flannigan, pianist.

Serving as candlelighters were Bryan Waldrip of Pampa, Shonda Sossoman of Hereford and Angie Sanders of The Colony, cousins of the bride.

Matron of honor was Tanya Lamb of Abilene. Maid of honor was Cheryl Martin of Lubbock with Tammy Weaver and Susan Bice of Lubbock serving as bridesmaids.

The bride's attendants wore purple shantung silk fitted suits. They had princess fitted bodices, with pearl buttons, long sleeves, peplum and back bows. The skirts was straight fitted and tea length. The dresses were made by Lee Ann Hodges.

Kelci Craig of Irving, niece of the groom, served as flower girl. Serving as ring bearer was Cody Anders of Lubbock.

Best man was Kent Craig of Madrid, Spain, brother of the groom. Groomsmen were Kevin Craig of Irving, brother of the groom, Heath McGehee, Lubbock, brother of the bride, and Donny Payne of Lubbock. Ushers were Rod George, Jay Fluit and David McGehee, cousin of the bride, all from Lubbock.

The registry table was presented by Julie Jarrott and the table was decorated with the bride's throw away bouquet and a needlepoint of the wedding vows.

The bride's cake was in a staircase arrangement with a trim of large grape leaves and frosted clusters of purple grapes. The trim was lace icing with wedding bells. Also on the bride's table was a birthday cake honoring her grandmother, Eunice Sales. Serving at the bride's table was Kaye Edwards and Stacey Edwards, both of Slaton, and Tina Bednar of Lubbock.

The groom's cake was a rectangular chocolate cake with large grape leaves and clusters of purple frosted grapes and the scripture Joshua 24:15. The mints were white almond bark shaped of wedding bells. The mints were made by the groom's mother and the cake was made by Jimella Simpson. Serving at the groom's table was Donna Craig, sister-in-law of the groom from Irving, and Shonla Bailey, cousin-in-law of the groom from Lubbock.

A reception was held in the Chaparral Garden Room.

Following a wedding trip to San Antonio the couple will make their home in Lubbock.

The bride is a graduate of Southland High School and Texas Tech University. She is employed by the Slaton ISD as a speech pathologist.

The groom is a graduate of Post High School and is currently attending Texas Tech University. He is employed by the Texas Department of Transportation.

A rehearsal dinner was held at the Chaparral Garden Room and was hosted by the groom's parents, Harold and Francis Craig.

Card of Thanks

We want to say "Thanks" for all the prayers that were said, the phone calls, the cards and all who came by while Harry was in the hospital. We appreciated the extra special care that was given to him by Twin Cedars, the EMTs, Garza Memorial Hospital and Dr. Wilson. A special thanks to Mary and Theona and Lester for always being there when I needed you. We love you all.

Team effort leads 'Lopes to 57-38 win

by Allen Dolberry
The Post varsity boys' basketball team whipped the Aspermont Hornets on a total team effort last Friday 57-38.
Shane Horton scored the first five points for the 'Lopes and gave them a 5-2 lead early in the period. They never relinquished their lead.
Horton also finished the period on a last second shot that looked like another two points, but was waved off by the official, giving the 'Lopes a 13-9 edge.
The Hornets kept the game close in the second period, coming within two at the 7:07 mark.

David Heaton sank a three point shot to put Post up 16-12. Jay Mitchell and Tommy Ammons added several key plays that led to a 26-22 halftime score.
The third period started out a little sloppy for both teams as it was at the six minute mark before either team scored.

Post began to pull away after that with fast break points by Mitchell and Horton. A 12-5 run in the period gave the 'Lopes a 38-22 lead.

Good defense pushed the Post lead to 14 points and Aspermont could get no closer. Michael Harper and Horton led the surge with several blocked shots. Josh Bush sealed the win with three consecutive layups as the final buzzer sounded with a 57-38 Antelope victory.

Horton led the team with 11 points, Mitchell and Ammons added 10 each and Bush finished with eight.

Lady Lopes edge Aspermont

by Allen Dolberry
The Post Lady Lopes overcame a considerable height disadvantage last Friday night here, using a stiff press to defeat Aspermont 49-30.

Both teams came out to a slow start as the score was only 7-6 in favor of Post at the end of the first period.
The second period proved to be more up tempo as the teams traded baskets until a three pointer put the Lady Lopes up 21-16 at the 1:30 mark. The Lady Lopes led 21-18 at halftime.

The third period showed what the Post varsity girls could do with a solid press and spurred to a 6-0 run to put the home team out ahead 27-18. At the 4:52 mark the visitors finally got a score.

The Lady Lopes continued to pull away and led 35-24 at the opening of the fourth period.

An eight point scoring spree gave the Lady Lopes a decided advantage with 2:59 left to play. The defense held Aspermont until 1:30 left in the game.

Micro-Dome Recalled

Micro-Dome Food Preserver is immediately recalled according to the U.S. Consumer Product Safety Commission. The CPSC urges consumers to destroy all food that has been preserved using this device and to call 1-800-736-2330 for instructions on how to receive a \$50 rebate for returning the food preserver.

The Micro-Dome Food Preserver is used in microwave ovens to preserve fruits, vegetables and prepared dishes. The appliance is a plastic container that can process on standard metal lidded canning jar at a time. Generally priced at \$50, approximately 18,000 units were sold to customers.

Micro-Dome informed the Commission that the top of the plastic container may blow off in the microwave if the vent stem or safety release becomes plugged. The pressurized plastic container may also explode during or after removal from the microwave, or if the container is hit or dropped. Furthermore, the plastic container may also crack and/or develop lines that could increase the risk of explosion. Explosion of a pressurized Micro-Dome containing hot water and food could cause severe injuries such as blindness and burns from flying fragments and liquids.

Consumer Products Safety Commission is also concerned about possible food poisoning in certain foods prepared using the Micro-Dome. While CPSC is unaware of any incidents of food poisoning, it is concerned that the product and its accompanying recipe and instruction booklet do not adequately ensure the safety of certain canned foods. In addition to possible failure to kill bacteria while the food in the Micro-Dome is cooked in a microwave oven, food also can be contaminated after cooking. Eating improperly preserved food can cause botulism, the most potent natural poison in the world. Even one taste could be fatal.

Local student given opportunity to study abroad

"Qualified high school students are offered a unique opportunity to spend an academic year or summer holiday in Scandinavia, Germany, France, Italy, Switzerland, Britain, Holland, Spain, New Zealand or Canada (French or English speaking) as part of the ASSE International Student Exchange Program," announced Andrea Culbert, Southern Director of ASSE.

"Until a few years ago, only a fortunate few could afford to spend a school year or summer abroad. Now, ASSE has changed all that," continued Culbert.

Students, 15 to 18 years old, qualify on the basis of academic performance, character references and a genuine desire to experience life abroad with a volunteer host family from Europe, Canada, or New Zealand.

"ASSE families abroad are carefully screened to provide a caring environment in which students can learn the language and culture of their host country," explained Culbert. Summer exchange students live with a family abroad who usually speaks some English. Year students need not have learned a foreign language as they receive language and cultural instruction as part of the ASSE program. ASSE students attend regular high school classes along with their new teenage friends. "ASSE exchange students learn by living the language and culture of their new host country," added Culbert.

The non-profit, public benefit ASSE International Student Exchange Program is affiliated with the national Swedish and Finnish Departments of Education, and is approved by the New Zealand Department of Education.

ASSE also provides international opportunities for families to host students from Scandinavia, Germany, France, Switzerland, Britain, Italy, Holland, Spain, New Zealand, Canada and Japan. These select students are 15 to 18 years old and will attend the local school for an academic year.

Students or families interested in more information about the ASSE program should call 1-800-473-0696 or Shelia Butterfield at 806-794-9194.

Kenneth Ratke files as sheriff candidate

Former Garza County Sheriff's Department deputy Kenneth Ratke has announced his candidacy in the Democratic Party primary election for sheriff.

"My family and I have lived in Garza County since 1985 when I began my employment as a deputy with the Garza County Sheriff's Department," Ratke says.

"I came to Garza County as a stranger and the warm hospitality we were met with started us to consider this our permanent home.

"My wife Nora and I have raised our children Kenneth and Dianna here and all consider Post our home.

"I came here as a law enforcement officer, which would normally place us as outsiders in a small town, but as we became more involved with church and civic activities, it became immediately apparent that we were accepted completely as part of the community.

"From that point on I made it my goal to not only have a professional relationship with the citizens here, but a personal one as well.

"Earlier this year when I ceased being employed at the Garza County Sheriff's Department, I could have easily left the county and sought employment elsewhere, but Post is my home now and that's the reason why I am choosing to stay here and seek the office of sheriff.

"Although my years of experience and education qualify me for the position of sheriff, I feel that more importantly a sheriff should show a sincere care for the community and deal with problems in the community on a one-to-one basis.

"I feel another of my qualifications is my self-motivation and eagerness to serve the needs of the people 24 hours a day."

The end of one year and the beginning of another motivates many of us to look back on the past year and forward to the coming years. We like to look forward with hope and optimism for the future. We like to make long range plans for ourselves and our families.

We plan to provide the best we possibly can for our children in every way. But sometimes in planning to provide everything in the way of material possessions, we do not plan how we will provide them with some of the skills they need to make their adult lives better. One of the skills that we have to concentrate on providing is that of leadership life skills.

Leadership life skills are those skills which enable a person to work well and cooperatively with people in groups, to be a leader in groups and to have confidence in his/her abilities to perform well. Not everyone aspires to be a world leader, but almost every person wants to do as well as he/she possibly can in his/her job. Often that involves working with a group of people in an office or factory or other work place. Most workers can do a better job and secure raises and promotions by being better able to work with other people.

In a recent study of 4-H members and non-4-H members, 4-H members revealed that they perceived themselves as having developed better skills of working with people in groups, understanding themselves, communicating and making decisions in the area of leadership.

The study showed that 4-H members had significantly greater participation as active members in career related clubs, subject matter clubs, student government, music related groups, academic contests, journalism activities, junior livestock associations, and church youth groups that did non-4-H youth.

As the age of the 4-H member and number of years in 4-H increased so did the 4-H member's perception of his/her level of leadership life skill development.

I encourage every parent who plans to provide a son or daughter with opportunities to develop self-confidence and leadership life skills to get them involved in the 4-H program in Garza County now. There are many capable leaders who work with youth in all subject matter and project areas to provide the opportunities for growth that they need to acquire self-confidence and leadership life skills.

4-H Clubs are open to all youth age nine to 19 and each Garza County club would like to have new members. Contact the Extension Office (495-2050) for information about county clubs, their leaders, and meeting schedules.

Plan to help your child acquire leadership life skills which can help him/her have a brighter future. Start 1992 as a new 4-H family.

Changes to federal energy law could hurt oil industry

Ill-advised and overly restrictive changes that have been proposed to a key federal energy law could have a devastating effect on the Texas energy industry and the state's economy, according to Railroad Commissioner Robert Krueger.

Speaking to business and energy leaders in Dallas and San Antonio this week, Krueger warned, "Some people with little understanding of the need for secure energy supplies in America, and little understanding of the improved environmental track record of the oil and gas industry, are proposing

federal solutions to problems that do not exist."

The Railroad Commissioner said Congress is now considering proposals to revise the federal Resource Conservation and Recovery Act (RCRA), which currently provides exemptions from federal control for drilling wastes produced in searching for new oil supplies. One of the most extreme proposals to change that law would not allow saltwater that is produced along with oil to be returned underground, according to Krueger. Instead, saltwater would have to be hauled away as industrial waste, greatly increasing disposal costs. Krueger said according to one study, that change alone would require the shutting down of 74 percent of the oil wells and 56 percent of the gas wells in the state.
