### LOCAL YOUTH FINISHED BASIC TRAINING

Word has been received by the Post Dispatch that Hubert C. Masters, stationed at Fort McClellan, Alabama, has completed basic training. Private Masters enlisted at Lubbock July 3, 1945 for regular assignment.

He graduated from Post High last year and was a member of the Antelope football team.

Mr. and Mrs. Arno Dalby of Lubbock took their son, Giles, to San Antonio where he enrolled for a second year in Peacock Military Institute. They visited a short time with the G. W. Connelly before going on to San Antonio.

### 1946 COTTON CROP SET AT 9,171,000

Based upon conditions prevailing September 1 the United States will produce a cotton crop of 9,171,000 bales of cotton during the 1946 season, forecasts the Agriculture Department.

This estimate compares with 9,290,000 bales forecast a month ago and with last year's crop of 9,015,000 bales. Production for the 1935-44 period averaged 12,553,000 bales.

The condition of the crop on September 1 averaged 67 percent compared with 72 percent a month ago and with 73 per cent a year ago.

The yield per acre was estimated at 17,776,000 acres compared with 17,241,000 last year.

### FORMER POST MAN GETS COMMISSION

M-Sgt. Joseph W. Stephens, Jr., of Lubbock, and son of Mr. and Mrs. Walter Stephens of this county, received and accepted, on August 28, a commission as second lieutenant in the Regular Army.

Sgt. Stephens, who was reared and attended school in Post, some time ago reenlisted in the Army, after being discharged at the close of the war with rank of first lieutenant pilot in the Army Air forces. As a B-24 pilot he flew 40 combat missions during a year overseas in the Pacific. He was decorated with the Distinguished Flying Cross, the Air Medal with six Oak Leaf clusters and the Asiatic Southwest Pacific campaign ribbon with 3 battle stars.

Since reenlisting Sgt. Stephens has been serving as ground approach operator of the 103rd Air Communications service squadron detachment, located at the Air Materiel Command's all weather flying division Clinton County Army Air field.

Sgt. Stephens will be discharged from the service again in the near future so that he may be sworn in as a Regular army second lieutenant.

Mrs. Ira Lee Duckworth, Bob Warren and Mrs. F. I. Bailey spent last Tuesday in Snyder with relatives. Mrs. Bailey stayed over for a longer visit returning home Thursday night.

# ANNOUNCING NEW DODGE-PLYMOUTH DEALERSHIP

S. C. STORIE  
And Son,  
S. C. STORIE, JR.

OWNERS  
and  
OPERATORS

We are extremely proud and happy to announce our association with two of the greatest names in the automotive industry — DODGE and PLYMOUTH.

It is our purpose to render a service to present and future owners of Dodge and Plymouth Motor Cars, and Dodge Job-Rated Trucks, in

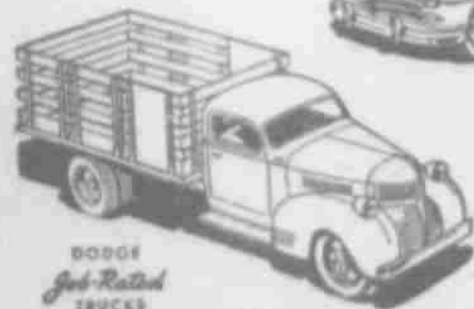

keeping with the quality, dependability and good reputation of Dodge and Plymouth products.

We cordially invite you to visit our headquarters soon. We want to "get acquainted" with you—have you see our facilities—meet our personnel—and come to regard us as your automotive headquarters!

DODGE

PLYMOUTH

DODGE Job-Rated TRUCKS

Come In!  
See These Great  
New Cars and  
Trucks — Soon!

Now on display in our showrooms. Come in... see them... and place your order now to insure earliest possible delivery.

You'll like our  
FRIENDLY,  
DEPENDABLE  
SERVICE,  
too!

You'll always get good service work in our shop. It will be the work of experienced men who take pride in doing a job right. And the cost will always be fair and reasonable.

You will be sure, too, of always getting reliable, factory-engineered Dodge and Plymouth parts. We can keep your car or truck running better and longer. Yes—we believe it will pay you to let us be your "automotive headquarters!"

### Southland News

Mrs. Floy King, Correspondent

Some of the local students are leaving this week for college. Hoderick Duff, one of Southland's ex-service men, will be a first-term Freshman at SMU at Dallas, majoring in journalism. His sister, Margaret, will be a second term Freshman commercial student at Tech. They are the children of the I. J. Duffs. Helen Faye Dick is a second term Junior at TSCW in Denton majoring in journalism. She is the daughter of Mr. and Mrs. Ray Dick. Wilma, the daughter of the H. V. Wheelers, will return to Tech as a Sophomore, majoring in Home Economics. Another ex-service man, Wayne Whited, left Tuesday for Tech where he will be a first term Freshman in Pharmacy. He is the son of Mr. and Mrs. J. L. Whited. Joe Gayle Fleming and Billy George Kelley also will enter Tech as first term Freshmen.

Ford Shropshire of Post preached at the Church of Christ Sunday. He and Mrs. Shropshire had dinner with the Arville Fergusons.

Rev. F. T. Sager of Posey preached here at the Lutheran church at the morning hour.

Four cars of ball players left for Pumphrey last Tuesday morning. This team, from the former home of the Baptist pastor here, defeated the Southland boys in both the afternoon and night games. However, all of the team came home with tales of the victor's friendliness and of the good dinner served them at the high school lunch room. Those making the trip were Manager Leonard Anderson, Dickie Martin, J. L. Taylor, Lewis Donohoo, Billy Lancaster, Joe Gale Fleming, Billy Lester, Bobby Jack Trimble, Rev. Emmett Brooks, Mr. and Mrs. Curly Wright and Sunshine Wright. They returned home Tuesday night.

The Pumphrey team planned to play a return game here last Friday afternoon but the game was postponed until a later date.

Wednesday and Thursday Mrs. W. D. Overman of Wilmett visited her former neighbors, the E. Brooks family, after visiting her son at Happy.

Those visiting the Harry Kings Sunday afternoon were Mr. and Mrs. E. L. King and son, Leslie, Mrs. Helen Young, Mr. and Mrs. Clyde King and child.

Friday night, yes—the thirteenth—the local OES is giving a three-act play entitled "The Mystery of Canyon Ranch," at 8:00 o'clock at the school auditorium.

Mr. and Mrs. W. W. Moon of San Diego and Mrs. Ken Jackson of Bonham arrived Sunday night to visit several days with their cousin, Mrs. J. L. Whited. The Whited's grandson, Max Johnson of near Rails spent the week end here.

Rev. and Mrs. Walden went to Plainview to visit their daughter until Wednesday.

Mr. and Mrs. George Bahlman and little daughter returned from Winters this week where they visited Mrs. Bahlman's mother, Mrs. Frye.

Visiting the J. B. Robinsons and Troy Moore is their brother and family from Greenville.

Mrs. Jess Moore left Friday morning for East Texas to visit relatives.

Mrs. James Hamaker and family of Lubbock and Mrs. Peyton Crawford and family spent the week end with their father, Jess Moore.

Mrs. Tom Walker and daughter of Slaton spent several days with another daughter, Mrs. Sampson Gilliland and family last week.

Guests of the Sampson Gillilands Sunday night were their former neighbors, Mr. and Mrs. Avon Bedford and children of Lubbock.

A young people's choir was started Sunday night at the Baptist church under the leadership of choirster John Leake. About 30 or more of the two Sunday school classes almost filled the choir seats.

## Growth And Improvement Indicated For Neighboring West Texas Towns

"All out for school—and football" seemed to be the fact that everyone was most interested in last week. According to our regional newspapers, schools in most of the surrounding area were opened last week and a football schedule announced for the coming season. First games to be played in the surrounding towns include Tahoka vs. Crosbyton at Tahoka, Sept. 13, Snyder vs. Stamford at Snyder, Sept. 20, Slaton vs. Seagraves at Slaton, Sept. 20, Seagraves vs. Lubbock at Seagraves, Sept. 12, Ralls vs. Post at Ralls, Sept. 13, Colorado City vs. Kermit at Kermit, Sept. 14.

A training school in recreation will be held at the Youth center in Sweetwater, Sept. 16-20 under the sponsorship of the Nolan County Home Demonstration council. The

morning, afternoon and evening sessions will be open to all service clubs, civic and youth organizations, P-TA units and other interested groups in that county. The school will be under the direction of Jean Farrell of Washington, D. C., a representative of the National Recreation Association.

The Nolan County News also announced that veteran's vocational classes may Open Oct. 1 in Sweetwater. Upon opening of the school, classes will be offered in agriculture, distributive education and in trade and industrial training.

The Hermleigh Athletic council announced last week in the Scurry County Times the construction of a new athletic field. The new field, a combination football and softball field, will be located on the lot one block west of Hermleigh school house. Plans are that the field will be completed in time for the first football games. Plans are also being made to purchase equipment for the athletic department and build bleachers on the north side of the field.

Slaton is now the proud owner of a new 1946 Buick "Flexible" Premier Combination Ambulance and Funeral car. The vehicle which was put into use by the Williams Funeral Home last week has the very newest improvements for emergencies of all kinds and also has a heating and air-conditioning system.

Liberty, Texas announced last week that they would be host to the Lucius Pryor Concert Opera group, Mon. Oct. 28 day phooer group, Monday, Oct. 28. The opera which will be presented is Von Flotow's "Martha" and will be presented in the Grammar school auditorium. The cast will consist of Emile Renan, famous American baritone of opera, radio and concert, Lois Marcus, soprano, Coral Jones, mezzo-soprano and Henry Cordy, tenor. The opera is being sponsored in Liberty by the Lions club.

The Trinity Valley Exposition rodeo to be held Saturday afternoon, Oct. 27 will be furnished stock and managed by Melvin Harper and Ernest Reiman of Bay City. It was announced last week. Major events for the rodeo will be bulldogging, saddle and bareback bronc riding, steer riding and calf roping. The rodeo arena and grounds are being worked on and put into shape this week.

Lamesa was continuing its program last week of fighting the fly and mosquito to prevent polio. The city is spraying law places and other areas and cleaning up and collecting trash and garbage. Chamber of Commerce officials, the ABC, Lions and Rotary clubs, are stressing the urgency of a complete cleanup of the city to rid it of the breeding houses of polio.

Lamesa also announced plans for building a new Texas Public Utilities Company building with construction work to begin in the near future. The new plant will be located at North Second and Houston streets and will furnish Lamesa with an additional 30 tons of ice daily.

### Former Citizen Visits In Post Monday Afternoon

Visiting the grave-side of his wife in Teresco cemetery Monday afternoon was R. O. Smith of Slaton. Mr. Smith for several years farmed in the Close City community and after leaving this county in 1922 retired from farming Monday was his first visit to Post in a number of years.

### WELL-ROUNDED PROGRAM PLANNED FOR 4-H SHORT COURSE AT TEXAS TECH

A well-rounded program, featuring live interest groups centering around feeding and proper care of livestock and poultry, has been announced for the 4-H livestock and poultry feeders short course to be held at Texas Tech on September 21. Several hundred club boys from the 20 counties of this extension district are expected to attend the gathering. Registration is to be held from 9:30 to 10:30 a. m. at the livestock pavilion at the college, followed by general assembly, with Buddy Gene Bragg of Tahoka, district 4-H club president, in charge.

Morning session includes welcome address by W. L. Stangel, dean of the agriculture division at the college; introduction of instructors and visitors by W. N. Williamson, district agent of the extension service, and two discussions on disease and parasite control. Dr. F. G. Harbaugh, veterinarian at Texas Tech, will discuss livestock diseases and parasites, and Paul Gregg, assistant entomologist of the Texas Extension service, is to talk on use of DDT in controlling livestock and poultry parasites.

Assignment of club boys to interest groups, and appointment of section leaders for each group for the afternoon instruction work, will conclude the morning session.

Lunch from 12 to 1 will be on individual basis, and at 1 o'clock the entire party is to gather at the pavilion before separating into interest groups for the afternoon. Boys are asked to bring lunch.

Instruction by specialists and demonstration of various activities by the boys themselves will run from 1 to 4 p. m. in five divisions—beef cattle, poultry, dairy cattle, swine and sheep.

### Audit Reveals \$15,982.156 Given To March Of Dimes

Dispatch readers and contributors to the national infantile paralysis fund, will be interested in knowing that the 1946 March of Dimes shows \$6,184,595.80 was realized by the National Foundation for Infantile Paralysis to carry on its program in research, education and emergency epidemic aid, and \$7,797,554.86 by chapters for care and treatment of patients, making a total of \$15,982,150.66.

The information was contained in the audit made by the National Foundation for Infantile Paralysis which was received by this paper the first of the week.

Garza counts contributed \$320.62 to the 1946 March of Dimes.

### Farm Real Estate On Rise

College Station— Farm real estate prices climbed another four per cent during March, April, May and June, the U. S. Department of Agriculture reports. This recent increase brings the real estate prices to a 13 per cent rise since July of last year. Prices now are 77 per cent above the 1935-38 average and only 14 per cent below the 1920 inflationary peak.

### TEXAS FOOD LOCKER PLANTS

There are now 420 frozen food locker plants doing business in Texas. A survey by the Farm Credit Administration showed that Texas was among the seven states in the nation that have as many as 400 locker plants in operation. A nation-wide count showed 8,025 food locker plants in the United States. There were only 2,870 in 1940.

Rural Electrification Administration has approved loans totaling \$4,266,000 to 14 borrowers in nine states.

In a turkey improvement plan during 1945, Texas led the 23 states participating in breeding improvement work. There were 1,091 U. S. approved turkey flocks reported in the state, Minnesota was second with 411 approved flocks reported.

**Bits Of News:**

Mrs. Will Scarborough returned home Sunday from Lubbock Memorial hospital where she had been for several days receiving medical treatment.

Former Post resident, Mrs. F. W. Hoffman of Corpus Christi, is a guest of Mrs. W. R. Graeber this week. She was met here on Wednesday by her son, Norman, who is assisting his mother transact some business. Norman is enrolled in Texas Tech under the GI Education program. His wife and two children are with him at Lubbock. Mrs. Hoffman's daughter, Virginia, now Mrs. Hachel, is living in Corpus Christi. Mrs. Hoffman operated a variety store in Post many years ago. She is now doing clerical work for the city of Corpus Christi.

Mrs. Wilburn Wade and children, Pat, Joe Ray and Jerrald Mart, and Mr. and Mrs. Hazen Rucker and son, Allen David, spent Sunday afternoon visiting in Lubbock with grandparents. They all attended a picnic at Mackenzie park. Lucille Cass and daughter, Sonja Sue, accompanied them to Lubbock.

J. C. Claborn, who has been employed at Mason & Co. for the past several months under the GI on-the-job training plan, left last week for Shreveport, La., to attend embalmer's school. J. C. served five years in the army and received several combat awards for his two and a half years' service overseas with the Army Medical Corps. He entered the employ of Mason & Co. immediately after his discharge from the army.

Mrs. Marvin McKinley and son of Mountainair, New Mexico, were guests of Mrs. McKinley's mother, Mrs. L. A. Pirtle during the week end. Mrs. McKinley took her son on to Wayland College Monday.

Mr. and Mrs. Lee Smith and little daughter visited the Duke Travis family here last week. The Smiths were en route to Ralls from Winters. Mr. Smith took over duties as principal of the Ralls High school there last week.

Miss Inogene Preston who is an employee of the Commercial Interstate Trust Company in Lubbock spent the week end with her parents.

**The Railbird..**

Jane Ann Turner

Excitement is running high in the halls of PHS this week as 300 high school students are eagerly anticipating the outcome of the first football game of the season when the Post Antelopes take the Ralls Jackrabbits for a chase.

The football boys are dedicating the first game to Coach V. F. Bingham in appreciation of his patience, enthusiasm and careful instruction.

The boys are undergoing strenuous exercises and have been doing some scrimmaging among themselves this week. Practically every player has some bruise or skinned place for proof.

Probable starters in the game Friday night will be Hugh Ingram, right end; Roy Williams, left end; Jimmy Smith, right tackle; Chas. Hudman, left tackle; Pleasant Hill, right guard; Billy Joe Lofton, left guard; Bud Everett, center. Holding positions in the backfield will be Sonny McCrary, quarterback; Gaylon Young, right half; Shorty Hester, left half and Junior Malouf, fullback. Of around 40 football boys, due to inadequate transportation, only 28 are assured ways to the Ralls game. Cooperation of the town is asked in providing transportation for the rest of the hard working Antelopes.

The 1946-47 string had their first pictures made Monday. Individual pictures were made of the backfield; then pictures of the starters and finally a group picture. Also posing Monday were the pep leaders, though not in the pep squad uniform. We would like to express our sincere thanks to Mack Turner of the Avalanche-Journal staff for taking these pictures.

To cheer the Antelopes on to victory this season stands the ever ready pep squad. This pep squad is composed of fan representatives of every class in high school from humble eight graders to dignified Seniors. To lead the group in cheering are five competent girls, Alma Outlaw, head cheer leader; June Taylor from the Senior class; Juanita Mitchell, Junior; Alma Floyd, Sophomore and Betty Mills, Freshman. School colors are to be carried out this year in black skirts and gold blouses. Mrs. V. F. Bingham is the pep squad sponsor.

These 1946-47 Antelopes are going to work hard to defeat Ralls Friday night. They have the backing of the school, but they need more than that—they need the support of the town. Every game may not be won but you can be sure that good sportsmanship will be displayed whatever the outcome. We feel you will certainly get your money's worth—so let's see lots of Postites crowding the bleachers at Ralls.

Persons planning to attend the games this year are urged to buy season tickets. These tickets will be on sale until the first home game and are selling at \$3.10 each. They are good for all home football and basketball games. Admission prices at the gates will be 30c for grade school and high school students and 75c for adults.

**HELPFUL HINTS ON REMOVING STAINS.**

Asphalt, tar, wax and paraffin stains can be removed from both white and colored cottons with carbon tetrachloride.

Fresh fruit stains on white cottons can be removed with javelle water. For colored cottons, sponge with warm water. Then apply lemon juice after testing a piece of the material.

For grass and green vegetable stains, use javelle water on white cottons and alcohol on colored clothes.

A prepared ink remover is best on white cottons. But ink should be removed from colored cottons with alcohol then lemon juice.

Rust can be removed from both white and colored cottons with oxalic acid or lemon juice. Paint stains in both white and colored cotton goods can be removed with turpentine or carbon tetrachloride.

Carbon tetrachloride will remove lipstick in both white and colored cottons, but cold cream should be worked into colored material before application.

For treatment of mildew in white cottons, use hot soda, rinse, and alternate javelle water and oxalic acid. For colored things, use soap and water.

Mr. and Mrs. James Hays, Jr., and son, Jimmy, of Arleta, Calif., are visiting his parents, Mr. and Mrs. Jim Hays. This is James' first trip home since he was discharged from the Army last January. He served with the Medical Corps.

Mr. and Mrs. Malcolm Bull of Albuquerque, New Mexico, spent from Saturday through Monday with Mr. and Mrs. Noah Stone and family.

Read the Classified Ads.

**NEWS NOTES FROM... Duck Creek Soil—CONSERVATION DISTRICT OFFICE AT POST**

"The early fall rains have provided a good condition for seeding cool season grasses," Will Wright, Soil Conservation District Supervisor, observed recently. A number of cooperators with the Duck Creek Soil Conservation District have been making fall plantings as part of their coordinated plan of soil conservation. Soil Conservation Service technicians have recently assisted Quannah Maxey, Allen Cash, Henry Edwards, Roy James and Horace Eubank in planting a total of about 20 acres in weeping lovegrass on land to be retired from cultivation.

"Weeping lovegrass is a perennial grass which greens up early in the spring and remains green late in the fall. It is a 'cool season' grass which provides forage when much of the native grass is dry," states Jack Martin, Soil Conservation Service technician.

**PERMANENT LUNCH ROOM WILL OFFER NEW FARM MARKETS**

Congress has been authorized to appropriate funds for a permanent school lunch program by the U. S. Department of Agriculture. For the past 11 years, the Department has administered a similar program on a year-to-year basis.

The funds will be used to assist States in "the establishment, maintenance, operation and expansion of non-profit school lunch program." In Texas, the funds have been allocated to the State Department of Education and will be disbursed by that Department to schools approved to participate in the program.

All of the nine states in the Production & Marketing Administration's Southern division have signed school lunch room agreements with the USDA. They are Texas, Oklahoma, Arkansas, Mississippi, Louisiana, Alabama, Georgia, South Carolina and Florida.

During the 1944-45 school year, school lunch rooms used more than one billion pounds of food to feed two and half million students with complete noon meals and another two and half million students with some protective foods such as milk. Since Congress in the School Lunch Act made the school lunch program permanent, more students will get mid-day meals this year. This also means greatly expanded and new markets for many farm products.

Miss Gradyline Osborne, daughter of Mr. and Mrs. Cecil Osborne of Muleshoe, is visiting here a few days with Miss Jo Panter and with former Post friends.

OUR MOTTO: "QUICK SALES - SMALL PROFITS"  
J. N. POWER PHONE 243 TOM POWER

"I was glad when they said unto me, let us go into the house of the Lord." Our feet shall stand within Thy gates, O Jerusalem.

Minute Prayer: Hear the prayers, O Lord, of all that are offered in public and in private, for themselves and for their brethren. Grant that all who can may attend the public worship of Thy church, and approach Thee with reverence and confidence.

The young people of the Church of the Nazarene have organized a Gospel Team and will have a service Saturday night at 7:30. Edwin Perkins will be in charge.

Doyle Kealy, pastor of the local Church of Christ and wife are on vacation this week in neighboring towns visiting friends and relatives. No services were held at the church Sunday morning but minister Ford Shropshire delivered the message there Sunday evening.

Rev. Wolfe of Hamlin, Texas, was in charge of both Sunday morning and evening services at the Assembly of God church. He was substituting for the local pastor, Rev. Robert Owens, who was guest pastor at the Snyder church.

The Teachers and officers of the First Baptist church met Wednesday to complete recommendations for the new year's work and to complete the church calendar for the new year which begins October 1.

New members will be received Sunday morning at the Church of the Nazarene. A baptismal service is being arranged for the near future.

Information was received here Wednesday by friends of Mrs. Odie Lee Jones and J. C. Claiborn announcing their marriage on Monday, Sept. 9, at 3:30 p. m. in Houston, Texas.

Engagement Of Lois Nance-Fred Meek Is Announced; Wedding To Be Friday

Of interest to Garza county and South Plains friends is the announcement and approaching marriage of Miss Lois Nance and Fred Meek which was revealed when a beautifully appointed tea was held Saturday afternoon with the bride-elect's mother, Mrs. Ott Nance, and her aunt, Mrs. Kelly Sima, as hostesses at the home of the latter.

The wedding will be held on Friday, September 13, at 11 o'clock in the morning in the chapel of the First Christian church of Lubbock. Rev. H. G. Gantz will perform the double ring ceremony in the presence of immediate members of the families and a few close friends.

Brilliant hues of late summer flowers added lovely color notes to the Sims home during the calling hours and an especially attractive floral arrangement decorated the tea table.

In the houseparty were Mrs. J. D. Mitchell of Seminole, Mrs. Irvin Scarborough of Lubbock, Miss Jo Don Meek of Amarillo, sister of the groom-elect, Miss Skeeter Smith and Miss Maxine Durrott.

An especially clever arrangement of achalaes was used to circle a large mirror reflector on which was placed a handsome lamp. Inscribed on the lamp shade were the names "Lois - Fred" in dainty blue lettering.

Five year old Ann Scarborough of Lubbock, granddaughter of Mrs. Sims, presided graciously over the Bride's Book.

Courtesies Being Continued During The Week. Courtesies are being continued for Miss Nance during the week by her many friends.

Miscellaneous Shower Given In Smith Home At Justiceburg. Miss Nance was again honored Wednesday afternoon with a miscellaneous shower given by Mrs. Cecil Smith, Cameron Justice, Add Jones and Miss Skeeter Smith in the Smith home at Justiceburg.

Seasonal flowers were attractively arranged throughout the house and delicious hot punch and fudge squares were served the guests from an attractively arranged table.

REV. P. D. O'BRIEN IS GUEST SPEAKER FOR CLASS BARBECUE

The Business Men's Bible Class of the First Baptist church, along with special guests, enjoyed a barbecue supper and religious program last Friday night.

After the meal the group assembled in the auditorium to hear the arranged program. Rev. P. D. O'Brien, pastor of the First Baptist church in Big Spring, is no stranger here.

Music selected for the occasion was presented by Mrs. Ray Smith and Bill J. Davis. Odie Weakley, class teacher served as master of ceremonies.

FIRST GRADERS ARE ENTERTAINED WITH PARTY ON TUESDAY

Mrs. James Dietrich, September Room Mother for Mrs. Thomas' first grade, entertained the group Tuesday afternoon in the grade school auditorium with a very original party.

The first graders are quite proud of their room mother as they have the honor of being the first room to be honored by their room mother this school year.

WMU MET MONDAY FOR ROYAL SERVICE PROGRAM

Both circles of the First Baptist WMU met Monday for the Royal service program. A very interesting program was given concerning the relationships of the American nations, carrying an urge to all Christians to support the good neighbor policy.

At the close of the program, appointments for Buckners Orphans home box were given to the members. Attention was called to the fact that these boxes must be sent in this month.

JUNIOR CULTURE CLUB MET TUESDAY NIGHT WITH RYLA LOTT

The Junior Culture club met Tuesday night, Sept. 10, in the home of Ryla Lott with fourteen members and two guests present.

There will be an all day quilting the fifth Monday in this month at the home of Mrs. R. E. Bratton. You are invited to be there. The

CLARK CHILDREN ARE HONORED WITH PARTY FOR THEIR BIRTHDAYS

Mrs. Surman Clark honored her two children with a birthday party last Saturday afternoon from 4 until 6 o'clock. Bill was celebrating his fifth birthday and Gerry her second birthday.

Games were played outside, the youngest children "ringing around the rosy" and the larger children dropping the handkerchief and singing London bridge.

In a circle of admiring youngsters on the living room floor the little honorees opened their gifts. After admiring the present one young fellow discovered the table set on the lawn and in no time at all the children were gazing fondly at the big chocolate cake with its five pink candles and green flowers.

PLEASANT VALLEY SUNDAY SCHOOL CLASS IS RE-ORGANIZED

Mrs. Pearl Robinson was elected president of the Senior Sunday School class of the Pleasant Valley church when the class met recently and reorganized.

SCALP TROUBLE YOU MUST FIND DURHAM'S RESORCIN

Officers elected were: Bro. Teeters, president; Wesley Scott, treasurer and Mary Nell Sims, secretary and reporter.

**FIRE GAINS ON THE NATION**

The National Board of Fire Underwriters reports an alarming increase in fire losses. During June, for example, the nation's loss totalled more than \$44,000,000, an increase of 29 per cent over June, 1945. And the total for the first six months of this year reached the record-breaking figure of \$297,306,000. That is greater than the aggregate fire loss for any single full year from 1933 through 1940.

Another indication of the trend is that, normally, fire losses show substantial decline during the summer months. This June the seasonal decline was extremely small, the loss being only 4 per cent under that of May.

The responsibility for controlling fire rests upon everyone who owns or rents property, everyone who operates and works in a business. For fire prevention, so far as the average individual is concerned, consists of easy, simple things. The renewal of a worn electric cord may prevent a disaster that would destroy a home. Proper storage of inflammable materials may prevent a conflagration that would destroy a factory. A simple repair to a heating plant may prevent a blaze that would destroy lives.

The figures the National Board has issued should be of concern to us all. To put them in words, they mean that we are losing the war against fire. They mean that valuable materials, many of them virtually irreplaceable at this time, are being needlessly destroyed. They mean ruin and death and desolation. All our efforts are needed to reverse this ominous trend.

**WHAT OUR CONTEMPORARIES ARE SAYING:**

**THE BIG RAINS PUT LIFE INTO CITIZENRY**—There is an altogether different aspect on life from what existed while the skies were as brass and the sun beat down hard and hot, writing everything but grasshoppers, Johnson grass and rag weeds. We often thought if some Burbank could cross or graft maize and cotton stalks into Johnson grass or rag weeds, all future droughts would be whipped to a standstill.

Anyway, there is now buoyancy in the people where a little more than a week ago, pessimism reigned supreme. They had heard that the old south plains always stages a comeback, but some had begun to doubt. It looked as if there was not a drop of water in a ear load of clouds. The clouds would come up, thunder and lightning like nobody's business, but a sprinkle or light shower—maybe a dust storm—would result. —The Terry County Herald.

**WOULD YOU GO BACK TO THE GOOD OLD DAYS?**—Many still talk about "those good old days" but few would go back to them if they could. Farming was a simple vocation then; it is a highly complex business now. Even so, it seems to us, farm folks have gained both relatively and absolutely.

A decent living is easier for common folks now than it was then, and even with all its complexities, farm life today offers more security, more opportunities and more satisfactions than it did 45 years ago. We've learned how to build back our mined-out soils, and we're about to learn that we've got to work together. Science offers us better plans and animals, better equipment, better markets.

The effects of science when used for destruction are slowly bringing us all to realize that "man does not live by bread alone," that social progress must catch up with and keep step with material progress. —The Hamlin Herald.

**HARLEY SADLER COULD DO IT**—When the next session of the Texas Legislature convenes in January one of the first items of important business will be the election of a Speaker of the House. Harley Sadler, Sweetwater business man and civic leader who has completed two terms in the Legislature and was re-elected for a third term without opposition, has agreed to allow his name to stand for the position.

Following the turmoil of a heated election and the many uncertainties that have developed in the wake of the last war, Texas will need one of its strongest men for the speaker's job. Those who have observed Harley Sadler's operations over a period of years and know something about his sound judgment are firm in the belief that his leadership would prove highly beneficial during the forthcoming session.

Next to the governor the Speaker of the House probably wields a bigger influence than any other individual in our system of government. The man who is named to fill the place should be experienced in administrative affairs, have a background of sound judgment and above all be fair and equitable in all his dealings with those who come under the mantle of his administrative authority.

Harley Sadler has all these qualifications and the Empire-Tribune believes his election as speaker would be wise from every standpoint. If the matter was left up to those who know Mr. Sadler it might not be too much to say that his election would be unanimous. —The Stephenville Empire-Tribune.

Most every one thought that all kinds of supplies would begin to get plentiful by now but it seems that we are getting shorter and shorter of more and more. It is my prediction that this condition will continue and that it will stay that way until a new generation of business men and workers can get into the saddle. There is a shortage of help and will be until 6 or 7 million men finish their schooling or make up their minds that they do not need more instructions and the heads of manufacturing concerns will have to have the desire and faith to go back into mass production. The big interests have things tied hand and foot in this country and there is no real competition because most every line is controlled by a trust regardless of our anti trust laws. It's a boom or bust say the experts. —The Klaton Slatonite.

**SHORT-TORIALS . . .**

We've observed that it's the soft appealing-looking women who get their own way in life—hard as nails most of them are too, but they're wise enough to know that a curl of two hair and there softens the hard line like moss on a stone.

Wonder how much of the "take-home" pay that the strikers struck for ever reached home?

We were a firm believer in signs until we read one that said "Drink Canada Dry." That's impossible!

The word "planet," which means "wanderer" was given to the earth by the Greeks to distinguish our globe from other astral bodies which they viewed as "fixed stars."

"Your Credit Is Good"

If you raise poultry for pin-money, or as a business, you'll find electricity a big help. For incubators, brooders, and all around healthy and profitable poultry, there's nothing like electricity to help you.

Here in the Panhandle Plains Pecos Valley area there's plenty of low cost reliable electricity for poultry growers.

Your Public Service Company, a pioneer in building ahead for the future, has been furnishing electric power for 22 years, and is now in its biggest expansion program in history.

There'll be abundant electric power soon for more and more people, at a lower cost than ever before. Discuss the uses of electricity with your nearest Public Service or R.E.A. representative.
