

The Post Dispatch

VOLUME XX POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, JULY 4, 1946 "THE GATEWAY TO THE PLAINS" NUMBER 28

July FOURTH

The spirit of '76 gives us courage in '46. On this Fourth of July—the anniversary of the fulfillment of this nation's independence—it is impossible for us to observe this Independence Day without realizing in full measure that without blood, sweat and tears we would not be in a position to celebrate.

Our flag's colors symbolize the courage, purity and love of freedom which served to found this nation. Our liberty bell was moulded to ring out victoriously when freedom was found. These things remain unchanged in the year of 1946 and are just as significant as they were in 1776.

Let us have courage and faith.

Former Army Chaplain To Lecture At Nazarene Church

A special program has been arranged for to-night (Wednesday) at the local Church of the Nazarene. It was announced this morning by Rev. Joe Norton, pastor. The program will include special selections by the Bethany-Peniel College Senior Quartet, and a lecture by former Army Chaplain Mark R. Moore. The program will begin at 8 o'clock.

Chaplain Mark R. Moore

Chaplain Moore, who served with the 106th Division Artillery, was captured in the Battle of the Bulge on December 19, 1944, and was imprisoned at Bab Orb, Hammelburg, and Moosburg. He was liberated on May 2, 1945 by the 86th Division in which his brother, Chaplain Major J. E. Moore, Jr., served. In the states he was stationed at McCloskey Hospital and Camp Hood, Texas before being released from service.

Before entering service, he was pastor of the First Church of the Nazarene at Waco. He received his AB and ThB degree from Bethany-Peniel College, Bethany, Oklahoma and his MA degree from Baylor University. This coming year he will teach Biblical Literature at Bethany-Peniel College.

His lecture promises to be interesting and he will also tell of some of his war experiences.

With Chaplain Moore will be the popular Bethany-Peniel College quartet, with special songs for the occasion. These men will be traveling in the interest of Bethany-Peniel College throughout the summer and will be spending this time in the states of Kansas, Oklahoma, Texas, Arkansas and Louisiana.

April-June Dairy Payment To Be Accepted To Aug. 31

Announcement has been made that dairy payments for the April, May and June period will be accepted from July 1, through August 31, and all producers are urged to submit their applications for payment at the earliest possible date. The payment rate for April will be 17c per pound for butterfat and 70c per hundredweight for whole milk, and the payment rate for May and June will be .5c per pound for butterfat and 55c per hundredweight for whole milk, said Bob Gibson, ACA secretary.

"These are the rates of pay for this period but you will present evidence of sales in the same manner as you have for previous payments," said Gibson. It will be necessary that all receipts are presented at the time of application as there will be only one application accepted and one draft issued to each applicant for this period.

PHILPOTT TEST COMPLETED FOR SMALL PRODUCER

Herman and George R. Brown and Comanche Corporation have completed their No. 1 Philpott estate test for a small producer. The well last week pumped 75.75 barrels of 28.8 gravity oil on a 24-hour test, from pay at 2,993-3,045 feet.

The well is a stepout from production on the south side of Garza's central field.

Wheat Procurement Program To Be Felt For Next 60 Days

Full effect of the wheat procurement program will be felt by civilians during the next 60 days but no one will go hungry because of these shipments to famine areas. Will Wright, chairman Garza county ACA, announced.

More than \$1,000,000 bushels have been acquired since May 1 for shipment as wheat or flour to famine areas. It is impossible, Wright said, to remove this much wheat from present supplies without creating shortages somewhere along consumer lines. But, he continued, there will be less distress and inconvenience if every person continues to cooperate wholeheartedly in the voluntary conservation campaign.

This includes shifting from the less plentiful to the more plentiful foods, especially fresh fruits and vegetables, eating one-third less wheat products than formerly and reducing greatly the consumption of pastries. By eating less pastry, each person can help channel limited supplies of flour into bread.

Vacation With Pay Plan In Operation At Mills This Week

Employees of the Post cotton mills with exception to a small repair crew engaged in emergency repair work, are enjoying a week's vacation with the mills closed this week.

All employees of the mills who were on the pay roll from June 1, 1945 to June 1, 1946 are taking their vacation with pay, announced Claude Bailey, superintendent. The pay is based on two percent of their annual earnings.

The mills have adopted the "vacation with pay" for their employees as a permanent plan of operation.

Financial Statement Published This Week By Post Stampede

Elsewhere in this issue of the Post Dispatch is published an itemized financial statement of the Post Stampede, Inc., which lists the gross receipts of the 1946 four-night rodeo and an itemized account of expenses as prepared by Homer McCarty, secretary of the Stampede.

The statement reveals a net profit on this season's rodeo of \$2,836.07, with gross receipts totaling \$11,105.21, as compared with \$8,269.14 expenses.

Directors of the Stampede wish to remind stockholders again this week that a stockholder's meeting will be held next Monday night at 8:30 o'clock at the city hall auditorium.

New directors are to be elected and other important business matters are to be discussed, said McCarty. One hundred and fifty cards notifying stockholders and rodeo boosters of the meeting were mailed from the secretary's office Tuesday.

NEW OFFICERS TO BE INSTALLED BY MASONS NEXT THURSDAY NIGHT

J. E. Mataler, prominent Garza county farmer, becomes worshipful master of the local Masonic lodge next Thursday night in installation services to be held in connection with the regular monthly meeting of the lodge.

Mr. Mataler succeeds J. A. Stallings, out-going worshipful master.

Other Masonic officers who will be installed during the services are: Trust Fry, senior warden; Ira L. Duckworth, treasurer; C. R. Everett, secretary; J. A. Stallings, W. W. and Lester Nichols, senior deacon; Appointive officers have not been announced to fill the places of junior deacon, senior and junior stewards and chaplain.

General Rains Fall In County Last Thursday

Hopes for feed crops in Garza county were given a strong boost by last Thursday night's rains, the first general rain to be received in the county since those of last July. The dashing fall, accompanied by turbulent wind, left varying moisture from one inch to as much as 14 inches in some sectors. Considerable damage was caused by the strong wind and growing crops in the northern part of the county were completely destroyed by the downpour.

The rainfall, which covered a strip 30 to 50 miles wide stretching from eastern New Mexico to this county, with Garza in the center of the strip, came shortly after midnight last Thursday and continued until near daybreak Friday morning.

Yellowhouse river, which extends from the northern tip of the county across the eastern sector, got on a rampage and washed out two highway bridges and damaged a third. Eastern tanks, many of which had gone dry, were filled and a number of tank dams gave way to the deluge. Sign boards, barns and other farm buildings on the Plains were damaged by the turbulent wind.

Precipitation in Post amounted to more than an inch, but the rain became lighter south of the townsite. Farmers residing north of Post reported from 10 to 14 inches of rain and considerable damage to growing crops.

A dustier led the way in for the precipitation.

Post Has 2 Teams Entered In Lubbock Softball Tourney

Post's two teams competing for a share of the 500 Lubbock Invitational Softball tournament at Webster field are scheduled to play Thursday and Friday night.

Two-springs night (Thursday) the Postes mill team will play at 9:30 o'clock and Friday night at 8:15 the Post Volunteers Fire Department has a game.

Twenty-four teams are entered in the tournament which opened Tuesday afternoon and is to run through Friday night. Last season Post won the tournament.

MOST POST BUSINESS MEN PLAN TO SELL AT ESTABLISHED PRICES

Many of Post's businessmen have already expressed their willingness to continue selling all their merchandise now on hand at present established prices, and if forced to raise them on new merchandise will do so according to their regular margin of profit.

The ending of OPA has brought much comment from local citizens concerning price increases, but up until this time few advances have been noted.

LOCAL VFW POST TO ELECT DELEGATE TO NATIONAL CONVENTION

A delegate to the National Convention will be elected when the John Miller Veterans of Foreign Wars post holds its bi-monthly meeting Monday night at the American Legion hut.

All VFW members are urged to attend the meeting, as other important business matters will be transacted.

CC STATEMENTS ARE MAILED TO FIRMS

Statements were sent this week to business firms and individuals who, to date, have made pledges to the Post Chamber of Commerce.

Payment of pledges may be made either on annual or monthly basis. The checks, addressed to the Post Chamber of Commerce, may be mailed or given to the chamber president, Joe S. Moom.

Individuals and business firms who have not made pledges, to date, may do so by contacting the chamber's full-time secretary, Sherrill Boyd, whose telephone number is 86W and home address is 18 Broadway.

Congressman Mahon Will Speak Here Tuesday Night

Kept in Washington by pressure of legislative business until last week, and George Mahon will be in Post Tuesday night to speak to the voters of Garza county in the interest of his campaign for

Representation to the United States Congress.

Mahon's itinerary will take him to most every city and town in the 25 counties of the 18th Congressional district between now and the election. He promised Tuesday when he stopped here en route to Lubbock where he has set up temporary headquarters.

Committees in charge of arrangements have selected the county court house lawn for the speaking, where friends of the Congressman will gather to hear him at 8:15 o'clock.

Congressman Mahon opened his campaign Monday night in his home town, Crockett, Tex., where a big rally was held. He also has made talks at Lossil, Rule and Redwater since returning to the district.

Through the war years he remained constantly on the job fulfilling assignments given him by his district. He expressed himself as being very anxious to meet and talk with his friends here in Garza county, and said that he was looking forward to greeting them Tuesday night.

Local Legion Ready To Entertain Garza Servicemen To-Night

Barbecue and all that goes to satisfy the G.I.'s appetite was ready to be served to Garza county ex-servicemen this evening when they gather at the post with the stock pens north of Post for the annual July 3 Legion supper.

"We've made arrangements to feed three hundred ex-servicemen," announced T. L. Jones, Legion commander just before the Dispatch looked as terms for press. "The affair this year will be the biggest we've ever had, and it is the hope of every Legionnaire that all Garza veterans will attend."

Following the supper, open house will be held at the Legion but where all ex-servicemen are invited for games and other entertainment.

EIGHT TESTS TO BE DRILLED FOR STOKER

Lynn Oil Company is reported to have filed application with the Texas Railroad Commission to drill eight tests in the K. S. lease, which is 380 acres northwest portion of Garza block 2, H&GN survey.

The location is on the north side of the Garza center, and each test will go to approximately 4000 feet and will be drilled with rotary equipment one at a time.

FLY TO DALLAS MONDAY TO PICK UP MEMBERSHIP

Jim and Jimmie Hundley flew to Dallas Monday to buy merchandise for their men's store and returned with a large shipment late Monday afternoon.

The store owners were trying out a four-engine Fairchild aircraft which they contemplate buying.

Garza's Voting Strength Will Exceed 1800

Expected Veterans Vote Will Add To Big Poll

Although seventy-four fewer poll tax receipts have been issued to Garza contains to participate in the coming elections than were issued for the 1944 elections, the county has a potential voting strength in excess of 1800.

Records of the county tax office reveal that 1521 poll taxes have been issued for the coming elections, as compared to 1,595 in 1944. The figures do not include exemptions on voters and unders, and it is estimated that there will be something over 1800 in this group, which includes those who became 21 years of age during 1945 and there are approximately 160 old-age pensioners in Garza county.

A large part in the current political campaign is being played by the servicemen's expected vote. Approximately 400 veterans will be qualified to vote in the July election.

Adding these potential ballots, an estimated 1850 votes may be cast in Garza county in the July primary. Allowance for errors in the county's over-all voting strength, and for poll tax payers who will not vote, the grand total of ballots actually cast in the first primary should be 1750 or more.

Comptroller George Sheppard of Texas said that Texas will have an estimated voting strength of 1,838,500 in the 1946 primaries and general election. This would be more than 25,000 in excess of 1944's voting strength.

Mr. Sheppard said his records reveal a total of 1,334,614 poll taxes paid and 103,982 exemptions claimed. The vote of the service men and servicewomen has been estimated to be at least 400,000.

The tabulation on voting precincts in the county, showing poll tax payments for 1944 and 1946 if added to your estimate on each box's exemptions will give you the possible voting strength of your voting box.

Post, precinct 1, 1946 poll taxes, 605; 1944 poll taxes, 573; voting in the 1944 election, 647.

Southland, prec. 2, 1946 poll taxes, 115; 1944 poll taxes, 124; voting in 1944 election, 93.

Verdena, prec. 3, 1946, 36; 1944, 46; voting, 45.

Justinburg, prec. 4, 1946, 74; 1944, 74; voting, 84.

Clare City, prec. 5, 1946, 94; 1944, 111; voting, 105.

Grubson, prec. 6, 1946, 98; 1944, 105; voting, 83.

Premont Valley, prec. 7, 1946, 87; 1944, 101; voting, 82.

Scott Post, prec. 8, 1946, 107; 1944, 115; voting, 143.

Two Draw, prec. 9, 1946, 96; 1944, 97; voting, 109.

Wright Biensel, prec. 10, 1946, 11; 1944, 19; voting, 11.

75 Percent Garza Insured Producers Report Crop Loss

The past two weeks have made a drastic change in the Garza county crop outlook for 1946. Will Wright, chairman of the Garza County ACA, reported that approximately 75 percent of the insured producers in this county have reported damage to their cotton crops due to heavy rains, high winds and heat.

The adjustment of the Federal Crop Insurance Corporation are as high as the conventional one and are being made on an approximate basis, Wright stated.

Wright reports for all insured producers have not as yet been received but it is expected that all reports will be made by August 1st, but later than July 1st, Mr. Wright further stated.

NEW ROTARY OFFICERS TOOK OVER DUTIES

New officers for the Rotary year beginning July 1st were installed in the regular weekly luncheon meeting on Tuesday.

Dean Robinson took over duties of the president. Others installed were Lee Bowen, vice-president; Robert Cox, secretary-treasurer; O. D. Cardwell, sergeant-at-arms. Directors are: Ike Robinson, Ted Hibbs, Glenn Kahler, Ollie Weakley and James Minor. Mrs. J. A. Stallings will serve as club sweetheart and pianist and Ted Hibbs as song leader.

W. F. Preece took over duties as editor of The Post Breeding Iron to replace Alfred Stallings.

LET'S HAVE A SAFE, SANE FOURTH

The case of an Independence Day observance without fireworks was made convincingly during the war years. By reason of the ban, there was no blindness, maiming or lockjaw among the children; the ill were allowed a day of quiet and hres from fireworks did not occur.

While Post does not have an anti-fireworks law which forbids the use or sale of fireworks, we are reminded that a wartime federal law, providing that possession of explosives is unlawful, is still in effect. Even tho the non-observance of the law has become custom of a few and resulted in fire loss to a local business concern, only a few weeks ago, there are other reasons why fireworks should not be a part of a July Fourth celebration. Noise and excitement among children are not patriotism nor do they lead to an understanding and appreciation of freedom... veterans who are at home for their first Fourth of July celebration in more than four years deserve the consideration of a quiet, safe, sane Fourth without the explosions of fireworks which are grim reminders of wartime. War experience of civilians has demonstrated the value of a safe, sane Fourth.

SOME RECORD

The oil industry has made a remarkable record, so remarkable in fact that the public does not realize it. Almost the day the war ended it switched to civilian production and the automobile owner could drive up and say "Fill her up," as in the past. It has had its troubles over equipment, prices, and labor, not to mention the OPA, but it has kept right on serving the public.

Oil production is a continuous, long-term operation involving geological and geophysical exploration, acquisition of leases, drilling of without wells—most of which would be dry—and development of proven fields.

About the only thing the public has to fear to interrupt its oil supplies is any important change in the national policy which would cause a disruption of this continuity, and above all which would cause a serious diminution in the exploratory effort. That would have most serious consequences for our security in the unhappy event of another emergency. It was the fact of our having in times of peace developed a strong, vigorous, healthy oil industry that enabled us to supply the oil needed for the last war. If, as a result of any unwise change in national policy, the oil industry should be allowed to languish and deteriorate, the consequences to our security would be serious indeed, not to mention our personal domestic life.

New oil fields cannot be delivered on short notice in case of emergency no matter how much money the country is willing to spend.

WHAT DOES THE RETURNED SOLDIER SEE?

For millions of Americans, this will be the first Independence Day they have spent at home in four years. As they attempt to resume a productive life in civilian society, the changes they face since their last "Fourth of July" are almost beyond believing.

A year ago the Army alone had some 10,000,000 men in uniform—now it is approaching 1,500,000. The country's resources were then devoted to pursuing the war against Japan. Most important of all, the majority of the people, regardless of other differences, were waiting in close cooperation to attain the all-important goal of victory in war.

Since the defeat of Japan, we have had a new and equally important job—production for peace, the reemployment of our people in pursuits that will contribute to the welfare of all, a fresh start after the economic ravages of war. That job requires the same devotion to purpose, the same massing of tools and skills, the same understanding of our problems, as did the job of achieving military victory which we performed so magnificently.

What does the returned soldier see on his first Independence Day at home in years?

He sees a country faced with shortages of food, housing, clothing and other necessities to an extent greater than at any time during the war.

He sees a country beleaguered by strikes, indefinite delays in production of vitally needed goods, the loss of billions of hours of work, the savage dislocation of the economy.

He sees a government which is vacillating in emergencies, which truckles to pressure groups, and which has refused to grapple decisively with the issues of the time.

He sees political control on business, largely imposed by bureaus which usurped the functions of the courts, which make it next to impossible to start a new business or expand an existing one—controls which prevent employment and production.

He hears talk of ruinous inflation on the one hand and disastrous deflation on the other—possibilities which are the direct result of the failure of government and labor to measure up to the responsibilities new before them.

The soldier who came home with high hopes in finding those hopes impossible to realize. The soldier who read of the "sacrifices" of the people at home is becoming cynical and embittered. This Fourth of July, like the first, was to have been for him the observance of a new birth of freedom, of opportunity, of human progress in a world at peace.

Actually the failures which the veteran sees are minor compared with the opportunities for development that remain in this country. The fact that these opportunities are temporarily strangled by pressure groups and politics and bureaucratic restrictions, is an invitation to the returned soldier to direct his energy to the job of reclaiming the United States as a land of opportunity where government is the servant and the individual is the master—the kind of a land that our first Fourth of July commemorated.

As a nation we have always been able to marshal our resources and fight for independence in an unselfish manner. It is impossible for us to follow this same course to preserve a sound and prosperous nation in peacetime?

No political philosophy yet advanced can compare with the dream of our forefathers who asked only for a land dedicated to life, liberty and the pursuit of happiness, the dearest possession of every American citizen.

MORE POWER to MORE PEOPLE

at a Lower Cost Than Ever Before

Our way of contributing to the prosperity of the territory we serve is through our vast expansion program. This was begun nearly two years ago. Now it includes new generating capacity at several locations, and miles of line to bring additional power to more people. And, of course, low rates so that you may enjoy more of the efficiencies and economies of electric service.

There's plenty of cheap power for better manufacturing, better business, better living.

Yes, we're helping to develop a better, more prosperous territory.

PHOEBE THRIVES ON AIR—Somerville, N. J.—4-H Clubber Buck La Fever and his radio famous Zinnia's Phoebe are the first to enter in the All American Jersey Show and Jersey Junior Exposition set for Columbus, Ohio in October. For six months Buck lifted "Phoebe" everyday and once a week on a coast to coast radio hook-up. She grew from 75 lbs. to 365 lbs. in that time. Buck gained 3 pounds. The All American Show will be dairyland's first National production feature since the war. It is planned along non-profit, educational lines and staged to demonstrate the feasibility of an All Breed All American in 1947 properly spotlighting the Junior Dairyman of the land.

NEWS NOTES FROM . . .

Duck Creek Soil— CONSERVATION DISTRICT OFFICE AT POST

Rains during the last half of June have broken the drought in most of Garza county. From June 18th to 30th the average of the five rain gauges which the Soil Conservation Service maintains in the western part of the district was 3.04 inches. S. M. Lewis of Pleasant Valley reported a total of 5.52 inches in three rains. Bud Stevens near Graham reported 3.48 inches. R. L. Cummings, two miles north of Post, reported 2.63 inches. C. P. Witt in the Calgary conservation group reported 2.32 inches. Lee Reed of Justiceburg reported 1.26 inches in four rains during the same period. No rain gauge was located near the center of last Thursday's "gully washer" that swept the area around Canyon Valley. Some reported a 16 inch rain in that area. It was not that excessive over the rest of the area.

J. H. Eubank of the Canyon Valley conservation group planted a few acres of weeping love grass recently. He plans to put several hundred acres back to grass and is looking for a grass that is well liked by livestock and can be readily reseeded. Weeping lovegrass is such a grass and is adapted to this country. Since the seed is high in price and hard to obtain Mr. Eubank plans to grow his own seed.

Roy James of the Cross Roads conservation group planted a very small amount of weeping lovegrass last year. He has already harvested one seed crop from the planting and plans to harvest another. He said it made very rapid growth after being put in harvesting the seed. Mr. James would like to plant more weeping lovegrass but cannot obtain the seed.

Volunteers Into Army
 Billy Mae Shepherd is now Pvt. Shepherd and is in Fort Sam Houston. Billy Mae volunteered into service and was inducted at San Angelo, Texas.

John H. Hudman, who just last week was released from the army visited his parents here Sunday.

Bits Of News:

Mrs. O. G. Hamilton who is a patient in the Baptist hospital at Dallas was in undergo another operation Tuesday. Mr. Hamilton left Monday night for Dallas to be with his wife.

Betty Travis went to Abilene Sunday to visit friends for several days. She visited on the train with her nephew Rex Everett who was on his way to Corpus Christi.

WAINWRIGHT TO RECEIVE GIFTS FROM TEXAS TECH
 A collection of Texas cotton products, including three dozen terry towels and three dozen cup towels, will be presented to General Jonathan Wainwright by Texas Technological College at "Wainwright in Floydada Day" July 4.

The towels were completely manufactured from Texas cotton in the textile engineering department at Texas Tech. Two wool and mohair blankets from the West Texas Woven Mills of Eldorado will also be given to Wainwright by Tech. Joe Christian who received his degree in textile engineering from Texas Tech in 1939 is manager of the mills.

The Texas Tech band will participate in the Floydada celebration honoring the hero of Conventador who will deliver the principal July 4 address.

AREA RODEOS WILL ATTRACT POSITIVES

The Texas Cowboy Reunion now in full swing at Stamford will attract its share of Post holiday visitors, as will the annual July 4 rodeo being staged at Levelland, as no observance of Independence Day has been planned here.

Quite a number of Garza county ropers have entered the Stamford show and Post sent Miss Billie June Kennedy to represent the city in the cowgirl sponsor's contest. Among the local ropers participating in the Reunion are Ed Kelly Sims, Sonny Nance, L. P. Kennedy and Jimmie Bird.

A number of local rodeo fans will see the Levelland show but no local contestants are reported to be entered in any of the contests.

Miss Patsy Mathis returned Sunday from a week's visit in Abilene with her aunt.

Mrs. Paul Duren is visiting friends and relatives in Pueblo, Colo. this week.

A LOCAL LADY SPIT UP ACID LIQUIDS FOR HOURS AFTER EATING

For hours after every meal, a local lady used to spit up a strong, acidulous liquid mixed with pieces of half-digested food. She says it was awful. At times she would nearly strangle. She had stomach bloat, daily headaches and constant irregular bowel action. Today, it is lady eats her meals and enjoys them. And she says the change is due to taking INNER-AID. Her food agrees with her.

No gas, bloating or spitting up after eating. She is also free of headaches now, and bowels are regular, thanks to this remarkable New Compound.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Garza County. —Adv.

FORMAL OPENING OF GORDON FLOWER SHOP HELD SATURDAY

The formal opening of Gordon Flower Shop, located in the building formerly occupied by White Auto Store, was observed Saturday afternoon from 3-5. Those calling were served lead punch and were given carnations. Approximately 150 people registered during the afternoon.

Each person calling was advised as to the care of their pot plants and ivy and was personally shown the various items that can be had through the new flower shop.

The owner, Mrs. H. L. Gordon, wishes to thank each one for his interest in the shop and to extend an invitation to those who could not call Saturday to visit the shop at his convenience.

Mrs. and Mrs. Preston Mathis accompanied by Mr. and Mrs. Irvin Scarborough of Lubbock have returned from Mountainair and Albuquerque, New Mexico.

Southland News

Mrs. Floy King, Correspondent

There was church and Sunday school at both the Baptist and Methodist churches.

Mrs. F. O. DeBusk and children left Friday for Strawn where they will stay during the Catholic Bible school. After the school closes they will then join Mr. DeBusk at Munday, Texas, and make their home.

Miss Bain of Slaton visited the Trumble girls Sunday.

Mrs. Ray Diehl is able to be up and out again. She was at church Sunday.

Mr. and Mrs. Taunton are visiting his parents in Arkansas at the present time.

Visiting at the Marsh home over the week end were Mr. and Mrs. John Marsh and two children, Mr. Marsh's mother, Mrs. Margaret Ann Marsh, and her granddaughter Marge Brinkley, who makes her home with her grandmother, and Mr. and Mrs. Charlie Marsh and children stopped over with the Marshes Saturday.

Mrs. Samples and Mr. and Mrs. Hansel Hallman visited relatives in Lubbock Saturday.

Mrs. W. S. Price of California has been visiting her sisters, Mrs. Everett Samples and Mrs. Bill Martin, and brothers Hansel Hallman and Rev. R. Hallman of Lubbock. Her granddaughter, Mary Helen, accompanied her to visit her grandparents in Levelland.

Congratulations to Mr. and Mrs. Lewis Donahoo on the birth of a son in a Lubbock hospital Friday. Also to Mr. and Mrs. Kenneth Davies on the birth of a son born Saturday night in the Slaton hospital.

Mrs. Hub Haire was in a Lubbock hospital part of last week.

Edd Cummings visited his mother and brother, Sarge, Sunday.

Carlton Davies of New Home has spent the past week with his grandparents, Mr. and Mrs. J. L. Winters, and Mr. and Mrs. A. F. Davies.

Janie Ruth Morris is now employed at Franklin's store in Lubbock.

Mr. and Mrs. Delbert Alcorn and baby daughter visited her parents, Mr. and Mrs. John Taylor, over the week end.

Tuesday night Glenda and Calvin Grantham gave a wicker roast and farewell party honoring Nancy Dolores and Paul Wayne DeBusk. After games outside, the "dogs" had to be roasted over the kitchen range because of the high wind and threatening cloud. Those attending besides the honorees and several mothers were: Emma Lou and Donald Basinger, Donetta Jantee and George Ellis, Stanley Wheeler, Billy Roy Williams, Margery Becker, Kay and Gene Anderson, Elaine and Mary Frances Kintz, Edward Lee Samples, Jack Don Gilliland, Tommy Leake, Christine Marsh, Billy Joe Boyd, Elton Truelock and Buford Duff.

Next Sunday the time and place for the Baptist Ice Cream Supper will be decided upon. Certificates were given those completing the Sunday school study course last month.

Mrs. Nellie Mathis spent Sunday with the Riley Woods, Mr. John Wood of Abilene, and also Willard Wood of California.

Mr. and Mrs. Will Basinger left

Rex Everett, Jr. Being Transferred To Corpus Christi Naval Base

Rex Everett, Jr. was through Post Sunday en route to the Corpus Christi Naval Station. His mother boarded the train and went as far as Sweetwater with him.

Rex who has just completed a course at the San Diego Naval base is now Hospital Apprentice Second class and will be stationed in the Texas city for several weeks. Accompanying him were fourteen classmates. The group was stopping off in Houston for a dinner with the family of one of the boys as they were to be there for five hours.

visited the Leakes part of last week.

TECH HAS RECORD SUMMER ENROLLMENT

With a 2,000 per cent increase in the number of veterans enrolled this summer over last year, Tech boasts a record summer enrollment of 2,364.

Last summer 57 veterans enrolled in summer school, as compared with 1,250 this summer. Enrollment of World War veterans at Tech has been constantly on the increase, rising from 254 during the first semester of the 1945-46 long term to 1,250 during the second semester. The climbing even higher during the current summer term.

An Open Letter

Dear Citizens:

I wish to take this opportunity to thank the citizens of Post and surrounding communities who have called, and looked over the various floral items and expressed their appreciation for Post's needs for a Flower Shop.

I will do my utmost to serve the people with the best flowers for the least money and give them service that they will appreciate in this business. Since I have moved to Post I have met many people and have enjoyed contacts that I have had with the people, therefore I wish to be a part of the town by offering you the Floral Shop. If you have made a selection of flowers that cannot be filled, and a substitute has to be made, a visit to the shop and suitable substitute can be made for your personal satisfaction.

Remember—day or night—I can serve you by calling 26W for wiring flowers or local use as I keep a wide selection of either pot plants or cut flowers. If you need flowers to carry out of town with you, they can be made up while you wait.

A reminder to all of you, the flowers for Parties and Weddings can be had at Gordon Flower Shop and corsages of your desires can be made to give you that uplifting spirit.

Plenty of chairs are available so come in and rest and visit after a tired shopping tour.

Shop where your patronage is always appreciated. Telephone 26W... We Deliver.

Gordon Flower Shop

Mrs. H. L. Gordon

DID YOU KNOW THAT - GEORGE MAHON WAS ON HISTORIC COMMITTEE OF 8 ENTRUSTED BY THE PRESIDENT, SEC'Y. OF WAR AND GENERAL MARSHALL WITH PROVIDING FUNDS FOR AND KEEPING SECRET OF ATOMIC BOMB.

1942 To 1945

- THAT HASTENED PEACE AND SAVED A MILLION AMERICAN LIVES

HON. GEORGE MAHON
19TH DISTRICT TEXAS

SMOKE RISING 40000 FEET ABOVE NAGASAKI FOLLOWING THE EXPLOSION OF THE BOMB ON 9 AUG. 1945

AND NOW THAT THE BOYS ARE BACK, HE IS IN THE FOREFRONT OF THE FIGHT FOR THE NATION'S FUTURE SECURITY

"I asked for your confidence which you never broke... I want to express my deep appreciation for the way in which this committee cooperated on that project, and I think you may have the satisfaction of realizing that you saved hundreds of thousands of lives of American soldiers," said Secretary of War Patterson.

"In providing the funds for and helping to maintain the secrecy of this vital undertaking all of you performed an outstanding public service," stated former Secretary of War Stimson.

"I was staking my military reputation on the success of the project, just as each one of you was staking your political reputation," said General Leslie R. Groves, manager of the Atom Bomb Project.

Church News

MELBA JO MILLER

"How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace, that bringeth good tidings of good, that publisheth salvation, that saith unto Zion, 'God reigneth!'"

"The voice of thy watchmen shall lift up the voice, together do they shall see eye to eye when Jehovah returneth to Zion."

(Isaiah 62:1-7)

Departments of the church are to be reorganized with a Fellowship supper scheduled soon.

A plan was adopted by the church to have the Sunday school class of the Sunday school to be responsible for the class.

The Bible school which was held at the Church of the Nazarenes progressed rapidly with an enrollment of 75 at the end of the year.

A special program was presented Tuesday night with exhibits of work which the students did during the school, presentations of songs and verses learned and the awarding of perfect attendance certificates. Following the service which was Wednesday morning, refreshments were served to the group.

Mr. Hiram Dolnic returned to his home this week to be with his wife who is a patient in the hospital. She is expected to be released this week, but will remain in Gorman for some time for occasional treatment.

The Polak will return to Post office and will deliver the message at the First Baptist church both morning and evening.

The Fifth Sunday offering at the First Baptist church last Sunday totaled \$971.00 at the church and \$2,500.00 at the Sunday school service. This offering will go into the special education-

MISS WYNONA SIMS, FORMER POST GIRL, IS MARRIED IN LUBBOCK

Miss Wynona Sims, daughter of Mr. and Mrs. Leroy Sims, formerly of this city and now residents of Lubbock, was married last Tuesday morning to Ensign H. Frank Taylor, Jr., son of H. F. Taylor, also of Lubbock.

The couple exchanged wedding vows at the home of the bride at nine o'clock in the morning with Dr. H. I. Robinson, pastor of the First Methodist church, officiating. The double ring ceremony was performed before an improvised altar in front of the fireplace. Greenery and tall tiered candelabra and an arrangement of white gladioli completed the setting.

The bride who was given in marriage by her father, wore a beautiful bride's dress made of imported white illusion and designed with an off shoulder neckline. She wore a two-tiered fingertip veil of matching material held in place by a heart shaped halo adorned with white sequins matching those of her dress. She carried a white prayer book topped by two white orchids.

Mrs. Taylor is a graduate of Lubbock High school and attended Texas Tech, where she was a member of DFD social club.

Ensign Taylor also is a graduate of Lubbock High school and attended Texas Tech and the University of Oklahoma, where he received his commission as ensign and a bachelor of science degree on electrical engineering June 22

at building fund. With the addition of last Sunday's offering, the fund has a present total of \$7,500.00.

The Intermediate department of the First Methodist church enjoyed a weiner roast Tuesday night. Eighteen were present including Mr. and Mrs. John Lott and Mrs. B. E. Young, teachers in the department.

Following the weiner roast, outdoor games were played by the group.

Mrs. Doyle Kelley wife of Minister Doyle Kelley, pastor of the local Church of Christ, is visiting this week with her parents, Mr. and Mrs. Price, of Seagraves.

"Men and nations can be no better than their concept of God and of the meaning of life."

Kathelene Price returned to Seagraves Sunday after spending an extended visit here with her sister, Mrs. Doyle Kelley.

Society - Clubs

Mrs. Bonnie Cearley, Society Editor, Res. Phone 187J

FLORAL ARRANGEMENTS ADD COLOR TO PARTY FOR RECENT BRIDE

Unusually attractive arrangements of summer flowers formed the decorative note to a lovely party in honor of a recent bride. Mrs. Odean Cummings, the former Miss Maxine Tucker, the bride's party was given last Friday from seven-thirty until nine o'clock in the home of Mrs. R. E. Cox. Hostesses were Mrs. Cox, J. P. Manly, W. L. Davis, Misses Mary Margaret Duckworth and Frances Terry.

Receiving guests were Mrs. Cox, the bride, Mrs. H. M. Tucker and Mrs. R. L. Cummings.

Shasta daisies and baby's breath were used to center the attractive lace-covered refreshment table. Crystal appointments were used on the table from which punch, cookies, open-faced cheese sandwiches, olives and nuts were served by Misses Duckworth and Terry. Bridal gifts were on display. Mrs. Davis and Mrs. Manly were in charge of the array of gifts.

Approximately sixty guests registered in the attractive bride's book.

FLORA ANN HAGOOD OBSERVES FIFTH BIRTHDAY WITH PARTY

A delightful birthday party was enjoyed by little Flora Ann Hagood when her grandmother, Mrs. Annie Collins, entertained for her last Wednesday on her fifth birthday. Flora Ann's aunt, Mrs. Weaver Moreman, assisted in entertaining.

Outdoor games were played. The gifts were opened and inspected after which a birthday cake and punch were served. The cake was decorated with birthday candles.

Those enjoying the party with Flora Ann were Betty Nelson, Jo Ann Moreman, Billy Clark, Jerry Clark, John Sweeney, Janice Moreman and Doris Dean Anderson.

Guests attending were Mrs. Surman Clark and Mrs. Norris.

Mr. and Mrs. M. C. Smith returned to Blackwell, Okla. early this week after visiting for some time in the home of Mr. and Mrs. Arthur Turner.

GIFT-TEA GIVEN THURSDAY TO HONOR BRIDE-ELECT DORIS KIRKENDOLL

Miss Doris Kirkendoll, bride-elect of Harold Lucas, was honored last Thursday afternoon with a gift tea at Jennie's Tea room.

Hostesses for the lovely party were Misses B. M. Robinson, Dan Altman, W. M. Scarborough, B. J. Edwards and Floyd Stanley.

Receiving the guests was Mrs. B. M. Robinson who presented the honoree, her mother, Mrs. Della Churchill and the groom-elect's mother, Mrs. H. A. Lucas, and Mrs. Dan Altman.

Piano selections were given throughout the calling hours by Miss Mary Margaret Duckworth. Gifts were under the supervision of Mrs. Edwards and Mrs. Scarborough.

The bride's chosen colors of yellow and white were used in the decorative theme throughout the entertaining rooms. Yellow and white shasta daisies formed the floral centerpiece for the lace covered tea table. The cloth was laid over yellow satin. White candles in crystal holders flanked the daisies. The same flower arrangement was repeated on the buffet.

Refreshments of punch and individual cake squares were served. During the first hour Mrs. Charlie Benson and Miss Margaret Luens presided and during the second hour Mrs. Marshall Reno and Mrs. Floyd Stanley presided.

Assisting in the dining room were Mrs. Hon. or McCarty, Misses Melba Jo Miller and Peggy Sue Robinson.

Mrs. Bake Robinson, Jr., sister of the bride, secured signatures of the host of friends who called.

The marriage will take place next Sunday in the home of Mr. and Mrs. Homer McCarty.

JO NANCY POWER CHRISTENED SUNDAY

Jo Nancy Power, 7-month old daughter of Mr. and Mrs. J. N. Power, was christened Sunday at the Power home by Rev. O. C. Doolley, Presbyterian minister, of Snyder.

Assisting the clergyman were the parents and the godparents, Mrs. Sherill Boyd, the baby's great aunt; Mrs. C. L. Dickinson of New York City, the baby's paternal grandmother, and Mr. Dickinson.

Jo Nancy wore a rosepoint lace dress jacket and was baptized with water from the River Jordan near Jerusalem. The costume, which was bought in Brussels, Belgium, and the water were obtained by the baby's great aunt, Mrs. Joy A. McCartney of San Antonio, during a pre-war trip abroad.

For the service, an improvised altar was covered with a rosepoint lace cloth and decorated with white carnations and ferns.

Guests included the baby's great grandmother, Mrs. J. H. Bobb; her maternal grandmother, Mrs. Vida Beant; Mrs. Dooler, Mr. and Mrs. McCartney and son, Alex, and Sherill Boyd.

After the ceremony, punch, sandwiches and cookies were served in the yard.

The McCartneys, who arrived here Saturday afternoon, left for San Antonio Sunday evening. Mr. and Mrs. Dickinson are returning to New York this week.

Dr. and Mrs. A. C. Surman left Tuesday for Galveston for several days vacation.

Bits Of News:

Mr. and Mrs. H. G. Howard, Sr. of Pleasanton arrived Sunday to visit this week with Mrs. I. L. Gollehon and Vera. Their son, H. G. Jr., and his wife and baby of Lubbock spent Saturday night and Sunday here.

Mr. and Mrs. Jess Cearley and daughter, Hester Sue, of Amarillo visited Mr. and Mrs. O. R. Cearley Saturday and Sunday. Hester Sue went on to Eastland for a few days visit with her maternal grandparents, Mrs. R. V. Gallows. Her parents returned to Amarillo.

Other guests in the Cearley home Sunday were Mr. and Mrs. Mike Murdoch and son and Mr. and Mrs. Gene Smith of Lubbock and Mr. and Mrs. John Cearley and children of Post.

Mr. and Mrs. M. C. Smith and Mr. and Mrs. Arthur Turner visited in Sylvester over the week end with Mr. Turner's brothers, J. W. and Frank and sister, Mrs. Dan Kidd and husband.

Mr. and Mrs. Lawrence Hall and children, Corzel, Larie, Mary Alice and Louise Hall were visitors in the home of Mr. and Mrs. H. E. Shifflett of Pollar, Texas over the week end.

Mrs. Della Justice accompanied by Mrs. W. V. Roy spent the week end in Fort Worth and Dallas.

Ann Wharton is a guest of her grandparents, Mr. and Mrs. Doug Morrell, this week while her parents, Mr. and Mrs. Winston Wharton and friends from Tahoka are spending the week at Possum Kingdom dam. She was a luncheon guest of Linda and Pat Lott on Tuesday as was Carolyn Hudman.

Mr. and Mrs. Robert Ray are transacting business in Dwan, Oklahoma. Their son, Butch, is visiting with his grandmother in Post and another son, Kenneth, is visiting with an aunt in Abilene.

Guests of Mr. and Mrs. W. W. Hyde on Saturday were Mr. Hyde's brother, Horace Hyde, and his wife of Houston. The Houston visitors were en route to Colorado for a vacation. They plan to visit here several days on the return trip.

Mrs. Mamie Lott left early this week for St. Louis where she joined her daughter and husband and will go on to North Port Point, Michigan for the summer.

Jeff Beant and son, Ray Jeff, arrived here last week from California. They will spend the summer here.

Visiting in Post the first of the week was Charles Louis Pickett of New Orleans. He flew from New Orleans to Lubbock where he was met by members of his family here. He visited Mrs. Glenn Kahler and family, Mrs. Bob Davis and family, Mr. and Mrs. W. W. Hyde and had a reunion with his brother, Arnold, and his family who were also guests here at the time. Arnold and his family returned to their home in Houston.

Guests in the home of Mr. and Mrs. E. E. Cass on Monday night were Captain and Mrs. Euel Harrison of Midland. The Harrisons and Mr. and Mrs. Keith Kemp and children were supper guests of Mr. and Mrs. Cass.

Capt. Harrison is being transferred to Pecos, Ariz., as the Midland base is being closed. Mr. and Mrs. Cass went to Midland Tuesday and brought household goods back to Post for their daughter. They will store it at Fort-on for them. The Harrisons expect to make their home in Taylor in December as Harrison will at that time be given a discharge from the Air Corps.

JULY MEETING ENJOYED BY NINE MEMBERS OF WSCS

Nine women enjoyed the July meeting of the Women's Society of Christian Service of the Methodist church when the group met in the parsonage Monday afternoon. Mrs. I. A. Smith and Mrs. C. M. Voss were joint hostesses.

Mrs. B. E. Young, vice president, had charge of the meeting in the absence of Mrs. Parker and she also served as leader for the program entitled "Women In the World, Yesterday, Today and Tomorrow."

Members who gave interesting photos on the selected subject were Miss Young, Emma Cash and F. C. McAnally. Devotional was presented by Mrs. Smith and Mrs. J. B. Durrett.

Following the program and business session, the business served a delicious refreshment plate.

JUNIOR G. A.'S HAVE MEETING MONDAY

The Junior G. A.'s had their regular meeting Monday afternoon at 3:00 o'clock. One new member was added to the roll making a total of eight present. Mrs. Charlie Bowen has been appointed as new teacher for the group. Preceding the study hour, a new reporter, Mary Jo Williams was elected.

It was voted to change the time of the meeting to 5:00 o'clock each Monday.

Mrs. J. W. Miller accompanied by her son, Ray Miller, his wife and daughter Brenda of Grandfield, Okla., are visiting Mrs. Miller's brother, L. J. Richardson. Mr. and Mrs. Richardson and the visitors attended the rodeo at Stamford on Tuesday.

Returns From Vacation

J. A. Stallings, local Santa Fe agent returned Sunday morning from a two week vacation in central and east Texas, Arkansas and Oklahoma. J. A. said he took the trip to get acquainted with his kin, and that he did not know that he had so many cousins as he found on the route he covered.

YOUR HOME TOWN

Almost half of all American families own their own homes. World War II cost over four times as much as World War I. Lamp shades with white linings reflect 50 percent more light. The population of the earth increases about 20,000,000 annually. The Children's Bureau reports that court cases involving girls rose 78 percent during the war. The boys' cases rose 65 percent. Of the 70,000 dentists in this country, only 1,000 are women. One slice of bread a week saved by each American family would add up to 100,000,000 loaves in one year. Patterns for ladies' dresses were first manufactured in 1863.

Mrs. George Doughty is showing some improvement after being seriously ill for many days.

SLAUGHTER TEST IS DRILLING BELOW 4,331

Drilling on the Plymouth Oil company No. 1 Slaughter, 10 miles south of Post had progressed below 4,331 feet over the week end, with no signs of possible oil production.

The wildcat, to go around 4,300 feet, is located in section 22, block 2, T&NO survey.

Northern Ordinance, Inc., No. 1 Walker in section 48, block 6, six miles east of the Slaughter wildcat was coring from 2,435 feet.

MAY FARM INCOME IS BELOW THAT OF 1945

The farm cash income in Texas for May 1946 was nearly 14 per cent below that reported May last year, according to a release from the Bureau of Business Research, Austin.

The first five months of 1946 showed a cash income for farm products of \$326,849,000 compared with \$381,435,000 for the same period last year.

Congressman George Mahon Offers His Formal Announcement To Voters

The Post Dispatch has been informed by Congressman George Mahon that he has returned to the District and will spend the brief time remaining between now and the July primary visiting among the people of the 19th District in the interest of his candidacy for reelection.

Mr. Mahon states it will be impossible for him to thoroughly cover the 28-county district and see all of the quarter-million people of the great area which he represents in Congress. He did indicate, however, that Post will be included in his itinerary and that he would spend as much time here as possible.

The Congressman has been at his post in Washington where Congress is still in session. Congress has been in session all or part of each month for 6 years with the exception of four months. The Congressman stated that during these anxious years desperately important events had transpired at home and all over the world. "The World has been on fire," he said, "and we have all had a job to do." Fear and insecurity still threaten from many quarters.

George Mahon is one of the top members of the powerful House Appropriations Committee. He advocates abundant expenditures to keep America strong and for the support of the program for Veterans, but rigid economy in the regular departments of Government.

Mr. Mahon is the ranking majority member on the War Department Appropriations Committee where he works for National Security, a greater program of research and development, R.O.T.C., the National Guard, superior Air Forces.

The members of this 8-man committee were accorded national recognition for their work in sponsoring the Atomic Bomb Project which saved untold American lives, enabling us to outstrip enemy nations that were seeking to perfect the bomb.

The Congressman is the number two man in the House of Representatives charged with handling all appropriations for Veterans and Public Roads. He was able in cooperation with Veterans' organizations to secure a regional office of the Veterans Administration at Lubbock to serve West Texas. The only other such offices in Texas are at Dallas, Waco, San Antonio and Houston.

The 19th District Congressman is chairman of the sub-committee which is charged with appropriating the money and approving the programs of the government in maintaining for the next two years support prices and loans on cot-

ton, wheat, and other basic crops so important to West Texas producers in the post war years.

The seniority system is the system under which Congress operates. By reason of seniority Mahon is slated to become Chairman of the Texas Congressional Delegation next year.

"The people of the 19th District by keeping George Mahon in Congress have enabled him to reach a position of power and influence for the good of West Texas."

Mr. Mahon, who is known as George to thousands of constituents, and prefers to be called George, takes pride in trying to serve the people in matters small and great.

"As your hired hand in Washington," Mahon said, "I have been confronted with many difficult problems, as has been the case with you folks at home. You have cooperated with me and placed your trust in me in matters of the greatest importance. Our beloved and powerful nation is confronted with its best opportunity for happiness and prosperity. We must remain strong and help guide the world in paths of peace, thereby saving civilization from utter destruction. That is our number one task."

"Our District is one of the great agricultural districts of the nation. I was born and reared on a farm and I know something about the benefits of soil conservation, the need for REA, full parity income—the need for the kind of government that will promote the well being of all our people."

There are 435 members of the House, all of whom are competing for power and influence in order to better serve their Districts. The 19th District Congressman outranks in point of service 317 members. George Mahon is serving his 6th term. He is 45 years of age.

HERE ON THIRTY DAY FURLOUGH FROM ARMY

Joe Herbert Duren, who has been stationed at Fort Belvoir, Virginia, arrived in Post early Monday morning on a thirty day furlough from the Army. Duren is with the Engineering corps and expects to be sent overseas when he is re-assigned at the completion of his furlough. He is visiting his mother, Mrs. Rebecca Duren.

Sundown Takes Locals, 13-8 In Sunday's Game

Post baseball fans witnessed another wild baseball game Sunday afternoon when the local team made fourteen errors to give the Sundown team a victory over Post by 13 to 8. Sundown made only four errors while winning the game.

Holland started the game for Post but left the mound in the second inning after giving up five hits, two walks and five scores. Ed Altman took over at this point but he also left the hill in the fifth inning after giving up six hits, four walks and seven scores. James Altman came into the game and gave up two hits, one walk, and only one score the rest of the way.

Ater pitched for Sundown and the local team nicked him for fifteen hits, one walk, and eight scores. He was given some good backing by his teammates who made several double plays during the game.

Carl Jones was the king at the plate for Post Sunday making three of their scores out of four hits in five tips to the plate. Second baseman McCristal of Sundown was the big man of the day. He received two hits, three walks during the game and also made four of the tallies for the visiting team.

Lineups were the following:

Sundown	AB	R	H	O	A	E
McCristal 2b	3	4	2	5	4	2

NEW COLOR ROAD MAP OF STATE IS PRINTED

The 1946 summer edition of Texas' official highway map, which was withheld during the war years, came off the color presses this week.

The map is illustrated with beauty spots and places of interest, as well as mileage charts, and a condensed national road map showing detailed traffic routes.

Mr. and Mrs. Joe Moore of Ralls visited their daughter, Mrs. Robert Cox, and family Friday.

U.S. ROYALS

Since the very first days of the automobile, famous U.S. Royals have set the pace in tire quality—set new standards, year after year, in tire performance.

And now, there's a new U.S. Royal—with rayon cord. It's lighter...it's stronger...it's safer!

It's backed by all the science and engineering skill of the United States Rubber Company. It has all the features you've found in the great U.S. Royals of the past—the famous Royal block tread, Safety Bonded Cords, stress shoulder construction—plus all the advantages of the new super-strength U.S. Royal rayon cord.

Thanks to this better cord, the new U.S. Royal Deluxe is a better tire. It runs longer on the road—cuts down the

destructive inner heat that steals tire mileage. It's a lighter, more flexible tire. Yes, it's a far stronger tire—a far safer tire. And it gives you dramatically greater protection against blowouts.

This newest U.S. Royal is making tire history. In the laboratory and on America's highways, it is proving its ability to deliver more safety, more mileage, more performance.

It is available now in many passenger car sizes. See the new U.S. Royal Deluxe today at your U.S. Tire Dealer's—find out how soon you can be riding on rayon-built U.S. Royals!

*Federal Government regulations require all rayon construction in sizes 6-50 and larger.

TEXAS TECH SCHOLASTIC LEVELS CHANGED TO BENEFIT WAR VETERANS

According to a news release reaching the Dispatch this week scholastic levels at Texas Technological College will be raised under recently adopted rules for admission.

The rules, it was pointed out, are intended to facilitate admission of Texas World War II veterans and all other qualified young men and women living in Texas seeking to enroll in Tech.

Approved by the Tech board of directors, the rules provide that all Texas students transferring from any other college shall have a C average in their grades; that students from outside the state, including veterans, shall be admitted if they have a B average or better in high school or college; and that a graduate of any Texas high school shall be admitted on presentation of a transcript of credits showing graduation.

The B average requirement, it was pointed out, tends to relieve pressure from states which refuse out-of-state students to their colleges and at the same time will elevate the grade quality on the Tech campus.

The new plan bars from registration any person who previously attended another college or university and is ineligible for re-admission to his or her former school.

Tech officials point out that the new rules should clear the way for admission of all scholastically qualified students who apply for admission to the state-supported school, scholastic averages over the campus will be raised, and only non-Texas with low averages in their classes will have difficulty enrolling.

Mr. and Mrs. Iven Chry and sons, Mr. and Mrs. Ralph Carpenter and children and Mr. and Mrs. Dan Coetzum and son enjoyed a picnic at Mackenzie Park in Lubbock Sunday afternoon.

For Lieutenant Governor

ALLAN SHIVERS
of Jefferson County

Senator Allan Shivers is basing his appeal for promotion to lieutenant governor on service to his state and his country. Dean of the Texas Senate, he is rated one of the ablest and most active members of the legislature and, on his record alone, is entitled to be promoted to the rank of presiding officer of the senate. He spent two years overseas as a soldier in World War II.

Pictured above is the Ethany-Peniel College Senior Quartet composed of Ramon Uruth of Denver, Colorado, high tenor; Norman Miller of Amarillo, second tenor; Carroll Harville, Vivian, La., baritone; and Edward Haddock of Russell, Kansas, bass. Accompanying the group is former Army Chaplain First Lieut. Mark R. Moore. These men are appearing in a program tonight at the Church of the Nazarene.

Growth And Improvement Indicated For Neighboring West Texas Towns

With the coming of the first peacetime July Fourth in four years, most surrounding counties are looking forward to and planning celebrations for that day.

Buffalo Lakes seemingly is to be the center of activity for Slaton with a big celebration being planned there.

Roaring Springs is to be the scene of the Old Settlers annual Fourth of July dance. It is to be at the Old Settlers Pavilion with a string band to furnish the music.

The Haskell Free Press has announced that Haskell's stores will be closed on July Fourth in observance of the holiday. It also states that not only will the business houses be closed by so will all offices in the court house and city hall.

Lamesa also announces that their entire business front will be closed on the Fourth of July. The only celebration yet announced for that city is a dance to be staged July Fourth at the city recreation hall.

A Lions club was organized in Spur last Saturday afternoon in a meeting held at the Brazell Lumber Company. K. L. Riggs of the Lubbock Lions club was present to assist in the organization of the club. Fifty-five charter members were obtained and the charter was presented Friday noon at the Spur Inn by District Governor, Charlie Dean of Plainview. Frank J. Gray was elected president of the newly organized club and D. J. Dyess was elected secretary-treasurer.

Slaton's city-wide clean-up proved to be a complete success, it was announced Friday in the Slaton Slatonite. A city-wide inspection will be made next week by Mayor Wooten, County Health Officer Dr. W. E. Payne and a sanitary engineer from Lubbock at which time suggestions as to the further needs along this line will be made.

First steps were taken last week in the organization of the Colorado River Municipal Water Association, a plan which is to bring to Snyder, Colorado City, Big Spring, Odessa and Midland an abundant water supply from a reservoir on the upper Colorado. Site of the big dam has already been surveyed by engineers and will be located a few miles south of Snyder. Impound from the shed area to the lake has been estimated to be about 110,000 acre feet. The Scurry County Times described the project as being one which is likely to become one of West Texas' greatest water projects.

It seems that something new is

Mrs. L. C. Carmichael's twin sister, Mrs. J. F. Drake, of Ft. Worth visited from Tuesday until Sunday in the Carmichael home.

Pot Plants

The perfect gift for the person who is sick is a beautiful Pot Plant.

Send your friends this token of your affection and thoughtfulness.

Call 197W

"We Deliver Everywhere"

Mrs. Esma Cash

being added in Lamesa every day with the order being placed for a 120 horse power Macs fire truck and pumper at a total cost of \$7,944.57. Also, the city's new water well on the Forrest park property indicates a potential of approximately 200 gallons per minute. A 160-gallon capacity pump has been installed over the well and the process of tying the well in with the city system was to begin last Thursday.

Action of the directors of the Hamlin Hospital association last week made the building of Hamlin Memorial Hospital a certainty. The hospital will be located two blocks north of the Hamlin-Rotan highway in West Hamlin and a contract was signed with M. T. Clements, architect of Wichita Falls to provide building blueprints and specific building instructions at once. The beginning of the actual construction work on the building is not as yet been estimated because of delay of essential items needed for its construction.

The Radio Banner stated in last week's issue that the Wallace Theatres are sponsoring a Bathing Beauty Review, judging of which is to be held on July 22 on the stage of the Crystal theatre. Winners will go to Levelland to compete for "Miss South Plains" title. Winners of the Levelland judging will be given a vacation, all expenses paid and will also receive a screen test with a possible trip to the finals in Galveston, according to J. R. Beeson, advertising manager of the theatre chain. Contestants are to be limited to Crosby county and the merchants of that county have the opportunity to sponsor an entry.

The Old Settlers reunion which was held in the City Park at Tahoma last Monday proved to be the largest crowd that ever attended an old settlers reunion there. The program opening at 10 o'clock consisted of a few speeches, a great barbecue feast at noon, music and square dancing, and remembrance of old friendships. Lyles county's softball program is now officially underway. Eight teams are entered in this year's tournament to be played in Tahoma. Tahoma has also made up an all-star team and has entered the all-star tournament from all over the north plains. These games will be played at Webster Ball Park at Lubbock every Sunday afternoon.

FUNERAL RITES FOR E. E. ROBINSON ARE CONDUCTED FRIDAY

Funeral rites for James Edward Robinson, a resident of this county for a quarter of a century, were conducted last Friday at 4 p. m. at the First Baptist church.

Robinson, prominent Garza farmer, died at the Lubbock Memorial hospital last Thursday after a long illness.

Rev. A. C. Hardin of Sundown, former Post pastor, officiated with the simple dignified service and said fitting words of comfort to the family and friends.

Robinson had been an active member of the Baptist church for fifty years. He lived a good life, one filled with many good deeds and one filled with Christian ideals.

He is survived by his wife, Mrs. Fannie Robinson, a son, Raymond L. Robinson of Greenville; and a daughter, Mrs. Lucile Morris of Post. One son, J. E., Jr., was a World War II casualty.

Brethren who survive are Dean of Post, Oscar of Trent, and C. S. of Sulphur. Sisters are: Mrs. Maude Moore of Breckenridge, Mrs. Bud Gordon of Walls, Okla., Mrs. Mae Elam of Pyrite, and Mrs. J. D. Brown of Roswell, N. M.

Pall bearers were Alvin Moore, W. J. Bryanti Jack Robinson, Owen Robinson, English Dooley, Hugh Gordon and Bethel Edland.

Night guards who were in charge at the funeral home were: N. C. Outlaw, W. L. Wood, Robert Cox, Oscar Garner, Marvin Dunlap and Lee Brown.

A beautiful floral offering was presented.

A host of relatives and friends from out-of-town joined those here in paying final tribute to one of Garza's best loved citizens.

Interment was made in Terrace cemetery by Mason & Company funeral directors.

Mrs. Ed Miller left Friday for Oklahoma where she will visit with relatives. She plans to return Sunday.

LOCAL HIGHWAY MEN GET GOLD BUTTONS FOR YEARS OF SERVICE

Jake Webb, maintenance foreman, and Homer L. Patty, skilled employee, of the local Highway Department, were among the nine veteran roadbuilders honored at Lubbock in recognition of more than 20 years of meritorious service with the department.

Representing the state highway commission, District Engineer S. C. McCarty presented a gold lapel pin and scroll to the old-timers. A special ceremony was held for the occasion during a special assemblage of district highway employees at Mackenzie park.

Commission chairman John S. Reddit announced from Austin that more than 200 employees over the state had qualified for awards. Sixty employees had previously been honored by the commission for more than 15 years of service with the department.

Webb is a native Texan, born in Clay county. He was engaged in farming and ranching in Crosby county prior to his employment with the highway department. He has been foreman at Post since 1934. Before that time he worked in Lubbock county under Special Foreman George McPherson. Webb belongs to the Masonic order.

Patty is a native of Hopkins county, Texas. He is also a Mason. For two years in the early 1920's Patty worked for Garza county on county roads. For the past 15 years he has been a dependable employee in maintenance of the federal and state highway road system in Garza and Lynn counties.

First Sunday Singing At Grassland Nazarene Church

The regular first Sunday singing will meet at Grassland Sunday, July 7 at the Nazarene church. Everyone is invited to attend the singing.

Mr. and Mrs. Giles Connell left Tuesday morning for Colorado for a summer vacation.

VOTERS WHO PLAN TO LEAVE TOWN SHOULD ARRANGE FOR BALLOTS

Voters of Garza county who are going to be out of town from July 7 through the Democratic primary of July 27 are advised by County Clerk Ray N. Smith to leave their out-of-town addresses at his office so absentee ballots can be mailed to them.

The same advice goes to relatives of overseas servicemen who wish to have ballots forwarded to the men in service.

First day of absentee voting is July 8. Under the Texas election laws such voting may be continued within three days of the primary. Men serving overseas will have to have their ballots air-mailed which will require air-mail postage.

Political Office Announcements

The Post Dispatch is authorized to announce the following candidates for office, election to be subject to action of the Democratic primary.

- For U. S. Congress, 19th District of Texas:
