VOLUME XIX POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, NOV. 15, 1945 "THE GATEWAY TO THE PLAINS" NUMBER 48

## GARZA COUNTY Oil Development ACTIVITIES . . .

Garza county oil activity continued last week with the completion of two more producers and the maintaining of a 'two-a-week' average for the past four weeks in the central Garza field.

Latest producer to be brought in was that of Alex McCutchen's 197-barrel test which was a 24-hour pumping test. The well was treated with 6,000 gallons of acid from a pay-section of 26-3895 feet. The producer is located on section 1229, D&SE survey. The lease is the east half of the southwest quarter of the section, and is on the north side of the Garza central field.

Another producer also reported completion of No. 1-B Post section 7, block 5, K. Aycock survey. The test, after being treated with 4,000 gallons of acid, showed a daily pumping potential of 83 barrels of 35.7 gravity oil at 2,217 feet.

An application was filed with the Railroad Commission by M. J. Post, Wichita Falls, to drill a 2 Post estate, in the central field. The location is 330 feet from the west line of the south and west lines of the south part of an 80-acre lease in the block 5, block 5, K. Aycock survey. The lease is on the east side of the field. The project will drill around 3,000 feet.

Herbert and George R. Brown, Comanche Corporation, have made location for their No. 12 Post estate, to be 934 feet northeast of the No. 11, west half of southeast quarter of section 1229, D&SE survey. Last week the corporation completed their No. 8 producer which made a daily output of 192.58 barrels. The test is to go to 3,050 feet and to be started immediately.

Calson Oil company of California last week had drilled to 3,348 feet in their No. 1-C Post estate, in northeast Garza county, (near Reads community) and are running a string of 7-inch casing at that point. A showing of oil is reported at 3,220 feet but not sufficient quantity to justify completion of the well. Drilling is to be resumed when the casing is in place.

Shell Oil corporation No. 1 lease, northwest Garza county, is being drilled past 9,559 feet in time, said to be Ellenburg. No shows of oil or gas have been reported from the test which is in section 1255, T7 survey.

## Garza Next To Top Area's List In Meeting War Goal

Garza county rates second high percentage standing in the United Way Chest drive which closed here November 1, according to report No. 5 issued last week by J. O. Gillham, chairman of region 17.

Trailing Hockley county only, with percentage of 102.3, Garza led 1944 percent. Next in line is Yoakum county, 93.7, with 1944 percent, with 78.1. Hockley and Garza county not only are only counties of the region to reach the quota, but are only ones to reach their goals.

Garza's quota was \$2,700, with total contributions amounting to \$2,845.

## NEW ARRIVALS

Mr. and Mrs. Robert Miller are announcing the arrival of a baby girl on Thursday, November 8. The new baby was named David and weighed 8 1/2 pounds.

Mr. and Mrs. Jerry Hoover of Lubbock are announcing the arrival of a son weighing 7 pounds 13 ounces at 7:20 a. m. Saturday in Porter-Sistrand clinic. Mr. Hoover is a member of the Lubbock police force. Grandparents are Mr. and Mrs. G. Hoover of Garza community and Mrs. Virgil Pridley.

## Local Legion Post To Start Building Drive For Memorial

The James C. Cole American Legion post will open a memorial home fund drive within the next week for the purpose of erecting a \$15,000 to \$20,000 building which will be dedicated to the Garza County men who have died in World Wars, T. L. Jones, commander of the post announced.

"Garza county owes a debt to those who have paid the supreme sacrifice in the two World Wars. The building the Legion proposes to erect will be a fitting memorial to our heroes," Jones said.

The proposed building was discussed and planned at a meeting of more than one hundred and fifty veterans and ex-service men Saturday night at a Legion business meeting, preceding a barbecue for veterans of the county. Plans call for the offering for sale of the present building and real estate, which is much too small for the growing membership of the post, and the building of a structure to serve as a meeting place for the Legion. It will have a large auditorium, recreational facilities, kitchen and living quarters for a caretaker. A site for the memorial is being considered by a committee and a location is to be made in the residential section of west or southwest Post.

The drive is to be headed by a building and finance committee comprised of Dr. A. C. Surman, chairman, Ira L. Duckworth, Darwood Billings, James Minor, Ira Greenfield and Eddie Warren.

## School Children Of County Join Junior Red Cross Unit

The 28th annual enrollment of Garza County children in the Junior Red Cross will close today, November 15. The enrollment at this time entitles students to membership in the American Red Cross until January 1, 1947.

The Junior Red Cross is a unit in the schools and should not be confused with the adult drive for which membership is made in March each year. Mrs. Lillie McRea, county chairman, reported Wednesday morning that seven of the grade school rooms were enrolled 100%. Also that three rural schools had reported 100% enrollment.

Mrs. McRea was greatly pleased by the response to the appeal, saying "The funds are coming in nicely and the donations have been made freely. Very little persuasion is necessary."

Junior Red Cross members will pack overseas gift boxes again this year. The rural schools will have a part in this project. These boxes contain pencils, paper, crayons, erasers, balls, puzzles, games, needles, thread, and other small items which are a part of everyday living and are sent to children in destitute areas. Such gifts are a personal message of hope and encouragement and can be potent sources of international good will.

More information will be released later by Mrs. McRea concerning this project and possibly others which will be undertaken by the school children.

## LOCAL MEN HUNTING DEER IN NEW MEXICO

Three local sportsmen, Homer McCrary, Bill McMahon and Jess Barnes are hunting deer in the mountains of New Mexico this week. The trio left Post last Thursday and plan to return the latter part of the week. Barnes reported by telephone Tuesday that they had bagged one buck.

## RAYMOND JONES MOVES AUTO REPAIR SHOP

It has been announced that the Jones Auto and Tractor Repair Shop has been moved to the residence of the owner, Raymond Jones. The shop was, before being moved, located next door in Bellard's Tire Shop.

## Box Cars Moved In To Handle County's Grain Sorghum Crop

The urgent request made last week to railway officials for freight cars to move Garza county's grain crop, has been met this past week, as more than thirty box cars have been loaded out with grain at Santa Fe loading points in Post.

The cars began moving last week and are being loaded at an average of six per day, report local grain men. Most of the grain is being shipped to Fort Worth with a few cars being routed to Lubbock for further transfer.

## Resignation of Mrs. W. Keeney Becomes Effective December 1

Mrs. Wilma Keeney, county home demonstration agent of Garza county, has tendered her resignation to become effective December 1, 1945.

Mrs. Keeney is resigning as her husband who is in the Army Air Force is being discharged and returned to the states. She expects to be "just a housewife," she is quoted as saying following the conversation she had when she offered her resignation. Mrs. Keeney has served this county since last February.

Her husband called her from Rome, Italy, a few nights ago and said he was being discharged and was to fly to the states very soon. Their home is in Lubbock and they expect to return there.

## Rev. J. A. Smith Is Returned To Post By M. E. Conference

Post citizens are joining members of the Methodist church in rejoicing over the return of Rev. J. A. Smith to the Methodist church here for another year. The announcement came at one of the concluding sessions of the Northwest Texas Conference of the Methodist church held last week in Abilene. Rev. Smith is beginning his third year in Post.

Rev. J. E. Stevens of the Grassland church was also returned by the conference leaders to Grassland. Rev. R. B. Walden of the Lamesa circuit replaced Rev. Armstrong at Southland. Rev. Armstrong was sent to New Home.

A fine report was made at the conference concerning the Post church by T. R. Greenfield, delegate.

During the last day of the meeting John Loft, young people's director of the Post church, took a line report was made at the conference concerning the Post church by T. R. Greenfield, delegate.

## \$177 Netted In Annual Poppy Sale Saturday

Sales from the red paper poppies, made by the disabled veterans, netted \$177 in the Legion Auxiliary's annual poppy day sale last Saturday, reports the committee in charge of the sale. The funds are to be used to benefit wounded veterans of the two wars.

The Auxiliary requests the Post Dispatch to thank the following girls who sold the flowers: Lavonia Carpenter, Alma Outlaw, Billie Cowdrey, Jimmie Rains, Genell Babb, Tommie Chandler, Margie Edwards, Faye Ruth Hamilton and Jess Cook.

## ANTELOPES FACE TOUGH TASK IN SEMINOLE TILT

Another one of those tough assignments that have been weekly affairs with the Post Antelopes since they met Slaton Tigers here October 19, will be that of stopping the Seminole boys when they come here Saturday afternoon for the final game of the 1945 season.

Coach John Burn's Seminole team is rated as one of the best clubs of the district, and though the Seminole boys bowed to both Andrews and Denver City early in the season, they have taken all the other teams of the district and will offer stiff competition for the Antelopes.

The locals suffered casualties last Monday when they tangled with the powerful Mustangs of Denver City, and will go into Saturday's game as the underdogs. Two outstanding Antelopes, Billy Odum, tackle, and Lynn Ranson, end, will be out of the play due to injuries, reports Coach Lefty Solla.

An added attraction planned for Saturday's game will be the crowning of the Antelope football queen. The ceremony will take place during the half and promises to be a colorful event.

Starting whistle for the game will be blown at 2:30 sharp.

## J. N. Power Opens White Auto Store In Post This Week

Announcement of the opening of White Auto Store in Post is being made today by J. N. Power, owner-manager of the new firm. The store is located across the street from Pure Food Market on Broadway, in the building formerly occupied by Artercraft studio.

White Auto stores operate over a wide section of Texas and Oklahoma. The first White Auto store was opened in Clinton, Oklahoma, in 1930 by Tom C. White and W. A. White. The stores have extended to most all the cities and towns from Clarksville to El Paso and over most of western Oklahoma. The original stores sold only automotive parts and accessories, but in recent years, dozens of new lines have been added which include radios, refrigerators, washing machines, ranges, electrical appliances, hardware, toys and many other lines. During the last fourteen years, more than \$400,000 has been spent by the stores in advertising the merchandise they sell.

The building occupied by the new firm has been completely remodeled and fitted with standard White Auto store fixtures. A fine stock of merchandise is being displayed and an efficient sales force has been employed to serve the patrons.

Mr. Power is well known in Garza county, having been reared in Post. He was associated with his father, the late J. N. Power, in operating a retail grocery business in Post from 1935 until 1942. He moved to California in 1942 and became associated with Consolidated-Vultee Aircraft Corp., and later moved to Fort Worth to become associated with Cal-Aero Co. He moved back to Post in December of last year.

"The policy of our White Auto store will be to please at all times," said Mr. Power. "You will find our clerks willing to render courteous service . . . we invite you to visit us."

## LEGIONNAIRES ASKED TO BE AT MALL, SUNDAY

Members of the James C. Cole American Legion post are asked to be present at the hall at 4 o'clock Sunday afternoon to make preparations to conduct the military funeral for a buddy of long-standing, Bill Gowan, whose rites are to be conducted at 4:30 o'clock from the First Baptist church.

## Employed With Connell

Henry Caffey, recently discharged War II veteran, Monday accepted a position with the Connell Chevrolet Company in the auto mechanical department. Caffey is the eighth War II veteran to be employed by the firm.

Official U. S. Signal Corps Photo  
An Army medical corps officer treats a compression fracture of vertebrae by applying a body cast. This is one of the ways in which armed forces medical corpsmen are applying modern methods of treatment for wounded men. These methods together with the latest in equipment takes dollars, many of them. Your dollars, invested in Victory Loan bonds, are needed to speed this great work.

## Thanksgiving Day To Be Observed Next Thursday

Following the issuing of proclamations by both President Harry S. Truman and Governor Coke Stevenson in declaring November 22, fourth Thursday of the month, as Thanksgiving day, Post retail merchants have indicated they would close their places of business next Thursday in observance of a full-day holiday for employees.

## Funeral For Hellen Larue Grisham Held Friday Morning

Funeral services for Hellen Larue Grisham, daughter of Mr. and Mrs. Claude Grisham, were held Friday, November 9, 1945, at the First Baptist church.

The fifteen year old Junior High school student died on November 7 in the Mercy hospital in Slaton where she was taken after becoming quite ill. She was born on April 15, 1930. She had lived here three years.

Doyle Kelsey, minister of the Church of Christ, officiated at the service which was well attended by a host of friends and by classmates of the deceased.

## V. N. Stewart Will Face Trial December 3 On Assault Charge

Trial for V. N. Stewart, Garza county farmer, charged with assault with intent to murder his former wife, Mrs. Ida Stewart had been set for the first week in December, Monday 3, reports Sheriff Percy Printz. The case has been set in 106th district court by Judge Louis B. Reed of Lamesa.

Mrs. Stewart was critically wounded on the morning of September 1, by a man who entered the apartment where she and her three children were sleeping and fired three shots at her. One of the bullets struck her in the chest and left her in a critical condition for many weeks.

Stewart was surrendered to the local sheriff's department several days after the shooting by his son, and has been held in the county jail since that time.

## Sugar Rationing To Continue Through '46

There's little hope now that sugar rationing will end before 1947.

Rationing of butter, margarine, lard and shortening may have to continue into spring, and possibly summer of 1946, but most may go off the ration list early in 1946.

## Mrs. Jerry Hoover Is Showing Slight Improvement

Mrs. Jerry Hoover, the former Margie Rylant, daughter of Mrs. Virgil Pridley, is showing slight improvement, members of the family declared Wednesday. She is a patient in the Porter-Sistrand clinic in Lubbock. The eight pound baby, born on Saturday is doing fine, it was learned. Mrs. Hoover has been critically ill for several days.

## Victory Loan Drive Picks Up Momentum

TUESDAY'S SALES TOTAL  
\$35,600 AT LOCAL BANK

Post and Garza county citizens purchased \$35,600 in Victory Loan bonds Tuesday to pep-up the Eighth War bond campaign, which was launched October 29, according to reports from employees of the First National bank.

Garza County's quota in the current Victory Bond campaign has been set at \$235,000, lowest sum requested from the county in any of the previous seven War bond campaigns. The drive got off to a slow start with only \$3,400 subscribed up to last week and total sales following Tuesday's buying were not available, but it is understood the county-wide campaign is lagging far behind its goal as it enters its third week.

Reports from rural communities have not been made to the county finance committee, but it is believed that little buying has been done by people of rural areas, but many farmers have indicated they would purchase bonds when they sell their grain sorghum harvest.

In stressing the importance of this final war bond campaign, T. R. Greenfield, chairman of the County War Finance committee, said: "We must put this drive over the way we've put over all the others—and that will be by the simple process of every individual acting as a committee of one to buy and sell as many bonds as possible."

Another report is due to be made by the Chairman this week end, giving total sales on to that time, and will be published in next week's issue of the Post Dispatch.

## Funeral Rites For Bill Gowan To Be Held Here Sunday

Funeral rites for Bill Gowan, a Post resident until early in 1942, will be held at the First Baptist church Sunday, November 18, at 4:30 p. m., according to information received from his daughter, Miss Lorain Gowan who arrived here Wednesday accompanying the body from Los Angeles.

Mr. Gowan succumbed on Saturday, November 10, in the Veterans' hospital in Los Angeles following an operation. He had been a patient in the Los Angeles hospital for five weeks and prior to that time was in the William Beaumont Veterans' hospital in El Paso for several weeks.

A military funeral will be conducted with the James C. Cole American Legion Post in charge. The military ceremony will be under the direction of T. L. Jones, commander of the Legion post, with a large group of legionnaires taking part in the rites for their former "buddy."

Rev. A. C. Hardin of Tahoka, former pastor of the First Baptist church here, will give obituary remarks and assist in the funeral service.

Mr. Gowan, born April 6, 1889, was connected with the Santa Fe railroad and lived in Post from 1920 until 1942. He married while living here and his three children were born in Post. He was identified with churches, schools, civic development and the Legion post as a very active and dependable member. His friends are many and all were grieved and shocked at learning of his death.

After leaving Post the Gowan moved to Langworth where he served as Santa Fe agent. In August of this year they moved to El Paso where they bought a home. Mrs. Gowan has been a patient in a sanatorium for many months but was released when Mr. Gowan entered the William Beaumont hospital. Lorain who has been working for the Southern Pacific railway in Los Angeles returned to El Paso to be near her mother.

## Hudman Furniture Store To Open Soon

Mervin Hudman, owner-manager of one of Post's newest stores announced this week that he plans to open Hudman Furniture Company store within a week or ten days.

He expects to make formal announcement of opening in the week's Dispatch if present plans are carried out.

**Gems Of Thought**

I will study more how to give account of my little, than how to make it more. —Bishop A. C. Hall

A 24-page newspaper contains from 80,000 to 100,000 words, exclusive of advertisements, or as many as the average novel.

**GARZA IS PROSPEROUS**

It is gratifying to see the news this week that Garza County is financially benefitting from an increased production of oil, cattle and grain.

Along with this increased financial prosperity there is an increased activity along Main Street. More people and more cars have resulted in much more traffic. Most any time day or evening now the street is lined with cars.

The cafes are crowded and stores are reporting more sales. One clerk remarked "every day is Saturday" now.

Most sincerely we hope a combined prosperity and population rise will not affect our reputation as a friendly town in which to live. Many people have taken new residents in their homes. This will create neighbors and friends.

One new lady, wife of an oil man, remarked "Post people are very friendly" much more so than a certain other town in which she had resided.

Let us work to make that stand and convince new comers we are interested in them and hope they will be interested in our churches, schools, and civic clubs. A mutual interest in the development of our town would result in many good things.

**READING & WRITING**  
BY Edwin Seaver AND Robin McKoun

We wish James Truslow Adams' "Album of American History" had been around when we went to school. We might have learned something then, instead of a conglomeration of dates, names and battles, most of which we promptly forgot. Here is Volume Two of the Album series with 1500 authentic illustrations, engravings, reproductions and sketches made in the years 1783-1853. Together with captions and text, they give a picture of our country in those years. Here we see how people lived—their clothing, their furniture, their silver and pewter. We see the beginnings of manufactures and of shipping, whaling vessels scouring the Pacific and clippers which sailed the seven seas.

JAMES TRUSLOW ADAMS

We see a gay blade of 1819 going courting on a velocipede; a farewell party for a young lady headed for boarding school; a newspaper clipping offering a \$4 reward for an escaped slave; an advertisement for one of those fashionable men's beaver hats. We are shown the long caravans down the Santa Fe Trail and up the Oregon Trail; scenes depicting the Southwest annexed by a war with Mexico; and what it was like when gold was discovered in California, with the ensuing wild rush that finally settled our country from coast to coast.

One of the tall tales which Boyce House tells in "Texas—Proud and Loud" has to do with a hunter in the Hill Country who caught sight of a deer, but before he could fire the animal had darted around a hill. Around and around that hill the Texan chased him but could never get a chance to shoot until he stopped, bent the rifle barrel across his knee to allow for the curvature of the hill, and then fired—killing the creature, an eleven-point buck.

Bennett Cerf, whose "Try and Stop Me" was a Book-of-the-Month Club book-dividend, has a new book of jokes and anecdotes called "Laughing Stock." Here's one of them. Dr. Otis Moore watched a very little girl pull a very big weed from her Victory garden. "You must be pretty strong to pull out such a big weed," he remarked. "Yes," agreed the youngster. "Don't forget that the whole world was pulling on the other side."

**YOU CAN'T BEAT AMERICANS**

The following is a true experience told by a spectator who felt the incident should be passed on. It emphasizes again that "you can't beat Americans," he said.

She carried her happy news visibly as she came into the market. She told the man at the counter that she wanted a ham, not a large one, but the very best. Her soldier son was coming home. He had written that he wanted ham and eggs. In that far off land he had been dressing of the kind of food he used to get at home.

The marketman weighed the ham. "Ninety points," he said. Some of the light left her face. "I can't take it. I haven't enough points." She was a widow, and she had but one book.

"I can give you twenty points," said the woman behind in the line.

"I can spare thirty, now that cheese isn't rationed. I don't need so many," said another.

"You can have these ten points," said still another.

In a minute the whole ninety points were given by other women customers.

"But I have some," protested the soldier's mother.

"You keep yours to buy some extras," they said.

"I don't know how to thank you."

She looked about them as she took up her big parcel. She didn't know the name of one of them. Strangers? No, friends. Names didn't matter. They had come to her over the bridge of grace. She needed something, they were happy to give.

**ON THE HOME FRONT**

Now, from all we've heard, it isn't Garza County's habit to half do a job.

That isn't its reputation. It doesn't pride itself on making a fast start, running brilliantly down the stretch, and then falling flat on its face short of the goal.

But, from the looks of things, it may be falling flat on its face as far as the Victory Loan drive is concerned.

At this hour the county can not hold up its head with pride on the purchase of Victory Bonds. Wonder if its citizens are going to fall flat and let the county down?

'Tis a fine thing to have a good name.

The average board meeting keeps minutes and wastes hours.

**TRAVEL IS MORE COMFORTABLE**

Slowly and with due caution, yet increasing scope, travel within America is rapidly returning to normal. Most notable is the relaxation in rail travel. Pullman reservations now may be made two weeks in advance instead of only five days.

Airlines now are virtually free of all priorities. Passports to any point in North, South, or Central America are no longer required of United States citizens.

Steaks and chops are back on menus of railroad diners. Organized tours are permitted to function again. Congress is contemplating cutting the transportation tax.

America is fast recovering from the economic disturbance caused by the war. But will travelers ever forget some of the uncomfortable hours sitting on suitcases in aisles of trains crowded with servicemen, war workers, and their families? We hope not. Such memories should help in the future when we start to complain.

**STILL SOUR**

There is one thing the American people might as well face and that is that while responsible officials in our government give lip service to the idea that free enterprise should be encouraged in the United States in order to perpetuate liberty and independence, they seek to establish political programs which by their very nature will hamstring the successful functioning of private enterprise.

Both England and France had to be saved from Hitler's national socialism, and yet both of them are deliberately turning to his political philosophy under which the people become wards of the state—that is, they become dependent on the state for their jobs, their housing, and their medical treatment.

We cannot object to England and France adopting socialism if that is their desire, but when they ask us to help finance it, and when leaders in our own government try to lead the American people along similar lines by devious routes and ruses, American citizens have a right to object while they still have that privilege. It will be a pretty sick world, instead of a shining new one, when the international politicians get control of the means of production and jobs.

Let's keep America American until we see how one of the new socialistic dictatorships turns out. Just because they are not of German origin won't make them any sweeter in the long run than under Hitler.

A dispatch tells of an aged Zulu minister who hiked 100 miles just to get a few Bibles, and wept when he was told none was available. Something to think about when one is tempted to stay ahead on a Sunday morning. —Exchange

**What's Back of My Gas Burners?**

A thousand years ago, the Chinese used natural gas fuel for evaporating salt brine. They transported the gas in bamboo tubes. Thus, in those days, the gas business was simple. Now, however, it has become complicated and technical, utilizing many scientific devices and processes.

Since natural gas service so vitally affects your daily life, we believe you would enjoy knowing more about it. Therefore we plan to publish a series of four advertisements which will attempt to explain how natural gas is brought from its deep-underground reservoir to the burners of your gas appliances. Due to space limitations, the story must be brief and oversimplified. The drawing at the left will help you follow the gas on its travels.

Most of our gas comes from Hutchinson, Moore, Carson and Potter Counties in the Panhandle Gas Field, one of the largest in the world. We purchase some gas in Ector County for use in the southern portion of our system. In the Panhandle Field gas wells are generally drilled by the "rotary" methods, so named because of the rotating motion of the drill bit. A modern rotary drilling outfit costs from \$100,000 to \$200,000.

The hard steel drill bit is the cutting tool which drills down through successive strata of shale and rock. Screwed to the top of the bit is a string of hollow, round drill pipe which in turn is screwed into the bottom of a hollow, square pipe known as a "Kelly." The Kelly works through a square hole in the rotary turntable. Thus, when the engines spin the turntable, the Kelly, the drill pipe and the bit also spin, and the bit cuts its way downward. Heavy pumps force drilling mud down through the hollow Kelly and drill pipe, through perforations in the bit, then outside the pipe and back to the surface, carrying with it the cuttings from the bit. As the bit moves downward, additional joints of drill pipe are added below the Kelly.

When the gas producing horizon is reached, a string of steel pipe, known as casing, is inserted in the hole from the surface of the ground to the top of the producing horizon. After running the casing, cement is run thru the casing and forced out around the bottom in order to prevent the gas from escaping around the outside of the pipe. Then the well is drilled into the gas-producing horizon.

A steel derrick, capable of supporting weights of 200 tons or more, is used to support the drill pipe during drilling and the casing when casing is being installed. When the well is completed, the derrick is removed. In its place is installed a "Christmas Tree," an odd-looking assembly of valves and fittings necessary in producing, testing and maintaining the well.

**Two Post Boys Meet In Berlin**

A letter received this week by Mr. and Mrs. Jim Hays from their son, T-5 Eugene O. Hays, who is stationed at Berlin, Germany with the 913th Ordnance unit, telling of a recent enjoyable occasion when he met another Post boy, will be of interest to Dispatch readers. Excerpts from the letter:

"The funniest thing happened this morning ... I was down at the American Red Cross eating doughnuts and drinking coffee when who do you suppose I met, none other than Pete Dodson, I was seated at a table when in comes Dodson and he seated himself at a nearby table. He kept looking at me and then he got up and came over to my table. We hardly recognized each other and had to introduce ourselves to be sure. He told me that I had really grown up ... he looks good too. I am going up to his company tomorrow night so that we

Mrs. Floy King, Correspondent

Pvt. Frank Price and wife of California spent Saturday night with his aunt, Mrs. Everett Samples.

Homer Gilliland of Lubbock and Mrs. Dave Draper and children of Slaton visited their parents, Mr. and Mrs. W. W. Gilliland, last Wednesday night.

Mr. and Mrs. Sain had as a visitor their grandson from Slaton part of last week.

Pvt. Odell Donohoo and wife of Lubbock visited his parents, the Wesleys Donohoo Sunday.

Leon King arrived in Lubbock Wednesday with a discharge from the navy from Norman, Oklahoma. He and his brother, Babe King of Lubbock came home Thursday and were visited at their parents home by Cpl. James E. (Dickie) Martin and Roy S. Martin who are home on furloughs with their parents, the Edd Martins. Also Sgt. J. L. Taylor visited the Martins Friday night.

It has begun to seem like the war is over since so many of our boys are getting home. The August Eckers received a letter from their son, James, saying he was being sent to California for discharge and that means another Southland boy is coming home soon.

Another familiar face seen last week was S2-c Albert Fields formerly of Southland.

Mr. and Mrs. W. W. Gilliland received word that their grandson, Cpl. R. B. Whiteside, was now at his parent's home, the Homer Whitesides of San Antonio.

The Harry Knigs received word that their son, Bryce, who was recently discharged and his wife have bought them a home and moved to Phoenix.

Rev. and Mrs. E. C. Armstrong visited her parents Monday and Tuesday before going to conference at Abilene. They are moving to New Home and will be replaced by Rev. R. B. Waldon and wife of Lamesa. We are glad to receive Rev. Waldon but sorry to lose Rev. Armstrong.

Ralph Landers has been sick for a few days.

Mr. and Mrs. A. L. Tanner of Roswell, New Mexico visited his brother, A. M. Tanner and wife here, and five half brothers of Lubbock before going on to East Texas to visit her mother.

Mr. and Mrs. A. M. Tanner and Mrs. Flora Truelock and children attended the regular first Sunday singing in Lubbock Sunday.

R. O. Rankin, who has been sick for several days, was able to come to town recently.

Mr. and Mrs. J. C. Harris are now great grandparents because of the new arrival of their granddaughter, Mrs. Bernice Reynolds.

Mr. and Mrs. DeBusk and children visited in Post Sunday.

Congratulations to Mr. and Mrs. D. H. Mayfield on the birth of a son weighing 8 pounds, 4 ounces at 4:32 a. m. Tuesday November 7 in Lubbock Memorial hospital.

Visiting the J. L. Whitesides the can have a long talk about home and the folks we know.

"I do not know when I will leave Berlin, but I hope by November 1."

Pete Dodson is the son of Mrs. M. P. Dodson of this city.

**Sidelights**

FROM WASHINGTON, D. C.

By Congressman Geo. Mahon

On December 29th Texas will again get national recognition on a postage stamp. It will be a 3c stamp, commemorating the one hundred years of statehood since our entry into the Union in 1845. The design will soon be officially selected and announced.

This is a fast moving world, and most people do not take time to give attention to the designs, colors and printing on postage stamps—the usual thought being that a stamp is a stamp, not a thing of beauty, an object of curiosity, or a thumb-nail story or lesson. I have become somewhat interested in stamps because occasionally a young stamp collector from our district writes me and asks me to send him any unusual stamps that show up on my incoming mail. Occasionally someone will address a letter to me, using a new stamp on the first day of its issue, which is cancelled across the face: "First Day Cover." When Jim Farley was Postmaster General, he would frequently write a "First Day Cover" letter to Members of Congress as a gesture of good will. One of his jobs was making and keeping friends in Congress.

Since January, 1940, there have been issued 84 varieties of stamps, 27 of them in the 3c classification. Among the most interesting stamps issued in recent years from an educational standpoint was the series of 25 stamps issued in 1940, memorializing outstanding Americans in the different arts and sciences. The 3c Corrigidor stamp was one of the most expressive of the war.

The new 3c Army stamp is not quite so colorful as the Iwo Jima stamp, honoring the Marines. Very attractive in blue black background is the 3c Navy Stamp which is just now getting into wide circulation. The New Coast Guard stamp will put in its appearance this week. The stamp honoring the Merchant Marine, to come later, will complete the Armed Forces Series.

For some unknown reason, the image of President Coolidge, the man who was so devoted to economy, is on the 55 stamp, the highest denomination.

During 1941, while I was serving on the Appropriations Subcommittee that handled appropriations for the Post Office Department, we effected a saving of \$100,000 annually by changing the 8c signal stamps from a two-color stamp of red and blue to a single color of red, thereby eliminating one operation in the printing of the stamp. The American people will use approximately twenty billion postage stamps in 1945.

T-Sgt. and Mrs. Kenneth W. Hale are visiting Mrs. Hale's parents, Mr. and Mrs. E. C. Pettigrew, sr. of Justiceburg, Sgt. Hale recently returned from two years overseas service.

past week was her brother, Capt. Noel C. Briley of Camp Gruber and Muskogee, Okla. who came Friday night.

## Mustangs Smother Antelopes, 32-0 In Conference Tilt

The powerful Denver City Mustangs trounced the Post Antelopes, 32-0, in an Armistice game which attracted 1500 fans Monday afternoon. The winning placed the Mustangs within reach of District 6-A championship and leaves them only one game to go, that a Turkey Day classic with Sundown Roughnecks at Denver City. Andrews is the only school within striking distance of the powerful Mustangs, losing only one game this season, and that to Denver City. Monday's game was marred somewhat by injuries to two Post players, Billy Odum, tackle, who received a shoulder injury, and Lynn Ranson, end, who went out of the game with a fractured arm. The locals held the Mustangs scoreless through the first period, but began to weaken early in the second, when the Denver City boys scored on a pass play, a brilliant 40 yard punt returned by Dennis Harrison. The Mustangs then turned to hard driving football to overpower the lighter Antelopes. The visitors piled on 170 yards on ground plays and 60 yards through a series of 60 yard runs, while the locals accounted for 121 yards on ground play and 32 by passing. The Mustangs made 12 first downs to the Antelope's 6.

**SGT. LAWRENCE CARR VISITING IN CITY**  
Sergeant Lawrence Carr, former Post boy, is visiting in Post this week with Billy Wood. Carr, attached to the 304th Service Group of the Ninth Air Force, served overseas two and half years. He returned to the States October 16 and is now on 45-days convalescence leave. He reports back to Fort Sam Houston December 12 and expects to be discharged at that time. Carr, a former Antelope football star, graduated from Post High in 1939.

**CARD OF THANKS**  
The family of the late Mrs. D. M. McElroy is grateful for the honor shown her and the comfort given them in your lovely expressions of sympathy, for the beautiful floral offerings and for the many neighborly deeds.  
D. M. McElroy and family  
Pvt. Benjamin L. Owen was home November 11 on a week end pass. He plans to be back on a 30-day furlough around Christmas.

## CANYON VALLEY NEWS ITEMS

**Mrs. D. Haffner, Correspondent**  
Mr. and Mrs. Walter McGeehee and daughter from McNary, Arizona were visiting in Post this week with Mrs. McGeehee's two sisters.  
Also visiting in Post is Mrs. J. A. Smith, Mrs. G. F. Huffman, R. J. Daniel of Seattle, Washington, and Mr. and Mrs. George Scott of Sacramento, California.  
Eight brothers and sisters spent Friday with W. J. Daniel of Grasshopper community.  
Joe Daniel of Mineral Wells, Mrs. Crosby from Los Angeles, California, Mrs. Vada Chambers and children, Bettie Justice and children, and Mrs. Nellie Vassas spent Sunday evening and Sunday night with Mrs. J. A. Smith.  
Mr. and Mrs. J. E. Crone, had as their dinner guests Sunday Mr. and Mrs. Jerry Sperlin and family, Juanita and Margaret Smith and Zola Nickelson.  
Mrs. Lena Nickelson and Mrs. Aubrey had as their dinner guests Sunday Mrs. J. A. Smith, Mr. and Mrs. Hubert Nickelson and daughter of Mineral Wells, J. A. Smith and Billie and Ray Sperlin.  
Mr. and Mrs. J. E. Crone received word from their son, Pfc. Reece Crone who is now stationed in China, saying that he would be home soon.  
We are proud to have Mr. and Mrs. Ray Shoemaker back to live in Canyon Valley. They moved back from Lorenzo.

## Bits Of News:

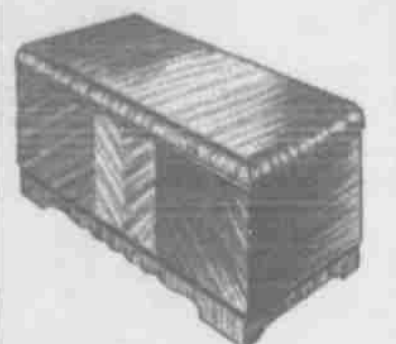

Rev. Ira A. Smith attended the Methodist conference in Abilene last week.  
Mrs. J. E. Schornick of Lubbock was a week end visitor in the home of Mrs. F. I. Bailey.  
Melba Faye Meeks arrived in Post Monday morning from Santa Fe, New Mexico where for three years she has been a telegraph operator. She plans to make her home with her parents, Mr. and Mrs. J. A. Meeks of near Southland.  
Mr. and Mrs. J. B. Stoker visited his brother, Kay Stoker, and family the first of the week en route to their home at Pomona, California.  
Among the many local people attending the Tech homecoming game with TCU Saturday afternoon were Mr. and Mrs. James Stallins, Mr. and Mrs. James Minor, Johnnie Cook, Pat Morrow and Melba Miller.  
O. L. Weakley recently received a broken arm when his horse fell with him. His condition is greatly improved and he is now back at work.  
Mrs. James Minor who was a patient in the West Texas hospital returned to her home here last Thursday.  
Mr. and Mrs. Raymond Redman and children spent the week end in Amarillo as guests of Mr. and Mrs. O. B. Redman and family.  
Mrs. Vallie Wall is visiting in Corpus Christi this week. Her sister, Elizabeth Porter is operating the American Cafe in her absence.  
Friends will be happy to know that Mr. and Mrs. Harvey Herd and children are now back at their former home in Midland. Harvey and son, Tevis, were visitors of Mr. and Mrs. John Herd Tuesday. Harvey was recently discharged from the service. Harriett and the children lived in Temple while he was overseas.  
Gradyline Osborne, daughter of Mr. and Mrs. Cecil Osborne, wrote of a recent trip she had to New York City with her uncle, Weldon Panter, who is now stationed in Washington, D. C., where Gradyline is employed. Weldon, who is a member of the U. S. Navy, will be in a special school there for four months. Gradyline is a stenographer in one of the government offices.  
Mrs. Tom Wilborn of Lubbock was a Post visitor on Wednesday.  
Valena Scobee of Los Angeles accompanied Lorain Gowan to Post from Los Angeles and will remain here until after the Gowan funeral on Sunday. The two young ladies were school mates in Roby and Longworth and later worked and roomed together in Los Angeles.  
Mr. and Mrs. Saemie Marsh and two daughters of Fort Worth spent Sunday night and Monday with the Marvin Hudman family.  
Mrs. I. A. Smith visited with a daughter in Albuquerque, New Mexico, last week while Rev. Smith attended the Methodist conference in Abilene.

## Post Sailor Serving On Escort Carrier

Claude W. Chapman, seaman first class, USNR, of route 3, Post, and other men of the escort aircraft carrier USS Kalinin Bay had helped take the vessel through some of the hottest action in the Pacific before she returned to the States in time to take part in the recent observance of Navy Day.  
The battle records of many of the men of the Kalinin Bay read almost like the history of the war with Japan—including operations in the Solomons, the Marianas, the western Carolines, the Gilberts, the Palaus, liberation of the Philippines and the battle for Leyte Gulf.

**Our Boys Have Defeated All Enemies . . .**

**Now Let Us Complete Our Task!**

Our Victory Bond Drive was supposed to start October 29th, but so far very few of our good people have purchased Bonds.

We are proud of the fact that our County has exceeded its quota in all preceding Bond Drives. Don't you desire our County to do the same in the Victory Loan Drive?

At the regular meeting of our Rotary Club Tuesday \$15,000.00 worth of Victory Bonds were subscribed. This is a good start so here is hoping every person will purchase a Victory Bond. We can reach our goal easily if our people will buy bonds. By so doing we will help our Government, our boys to get home as well as our own financial standing.

Won't you Please, Please buy a Victory Bond?

**T. R. Greenfield**

Mrs. Bonnie Cearley, Society Editor, Phone 187J

### Junior Culture Club Met November 13 With Martha Roach

Martha Rae Roach was hostess to the Junior Culture Club when it met on Tuesday, November 13. Jo Martin, vice-president, took charge in the absence of the president. A Federation program was presented with talks by Sue Cornell, who spoke on What is Federation, and Thelma Clark spoke on Federation and Our Club.

During the business meeting which followed, Skeeter Smith was voted in as a new member to fill the vacancy left by the resignation of June Sutton. Other business comprised voting to send off the war relief donations. Refreshments of fruit cake topped with whipped cream and coffee were served by the hostess to the twelve members who were present.

### Informative Talk On Child Problems Heard At P-TA

The regular meeting of the Parents-Teachers Association for November was held last Thursday at 4 p. m. at the Grade School.

With Mrs. Willard Kirkpatrick presiding the business of the meeting was conducted.

Rev. Joe Norton of the Nazarene church offered the prayer. For the musical portion of the program Mary Nell Bowen and Robert gave a clever duet arrangement of "Harvest Morn."

Mrs. B. E. Young was in charge of the program and spoke on "When and How to Say No." After her informational words an open discussion was held. Several parents and teachers offered very interesting observations on the subject.

The State Convention of the P-TA was held yesterday continuing through today. Mrs. Lee Davis, local finance chairman, and Mrs. B. J. Edwards, high school service chairman, are attending this meeting as delegates from the Post organization.

See the Antelopes tangle with Seminole Saturday afternoon

### Bridal Shower For Mrs. Shepherd Given Last Thursday

Mrs. Billy Mack Shepherd, whose marriage was recently announced, was honored last Thursday afternoon when four ladies were hostesses for a bridal shower.

The party was held in the I. A. Smith home with Meses. Smith, R. R. Hodge, B. E. Young, and J. E. Parker greeting guests as they arrived. Then guests were presented to the honoree and her mother, Mrs. B. J. Edwards.

About 50 guests called to congratulate the bride and view the lovely array of gifts.

A yellow and white color scheme was used in the tea arrangements. Yellow roses were used as centerpieces for the table which was covered with a beautiful lace cloth.

Mrs. Robert S. Johnson and Mrs. Bill Edwards, sister and sister-in-law of the bride, presided at the table where tea, iced cakes, and salted nuts were served. Misses Betty Kennedy and Peggy Sue Robinson assisted with the serving.

Miss Marian Hodge was in charge of the lovely bride's book where the guests registered. Misses Nora Jo Blacklock and Edna Mae Pierce greeted the visitors in the rooms where the gifts were on display. These fine young lady members of the house party are Sub-Deb club members as is Mrs. Shepherd. All wore becoming floor length dresses.

### Harold Lucas Honored With Community Dinner

A dinner was given Sunday, November 4 in the Lucas home honoring Harold Lucas who has just returned from overseas where he has been with the Medical Corps for the past 4 years. He was returned home from Guam.

Barbecued pork was served with various covered dishes which were brought by the sixty guests of the surrounding community.

See the Antelopes tangle with Seminole Saturday afternoon

### All-Day Social Held By Leaders S. S. Class Last Week

Members of the Leaders Class of the First Baptist church with a few friends enjoyed a social visit combined with a quilting Wednesday of last week.

Early that morning several started on the quilts. At noon a beautiful meal, a covered dish luncheon, was spread and much enjoyed. At the end of the day one quilt was finished and another almost completed for Mrs. Iven Clery.

Enjoying the day were Meses. W. L. Davis, Dan Cockrum, Iven Clery, Steve Luce, Wayne Pennington, Ralph Carpenter, Sterling Julian, Keith Kemp, Lester Nichols. During the afternoon Meses. R. E. Cox, A. W. Bouchier, Raymond Redman and J. A. Boyd helped with the quilting.

### Seventh Birthday Celebrated By Leslie Anita Nichols

Leslie Anita Nichols celebrated her seventh birthday Saturday, November 3, when her mother, Mrs. Lester Nichols, was hostess for a party from 2:30 till 4:30 p. m.

After playing many games the children gathered inside to watch Leslie Anita open her gifts.

The birthday cake was served with cherry ice cream to the little honoree and twelve of her friends. Several little friends sent gifts but could not attend the party.

### Child Study Group Hears Mrs. Duke of Texas Tech Faculty

Members of the P-TA who are attending the special course in Child Study heard Mrs. Mary Ann Duke speak on "Adolescence" last Thursday. Mrs. Duke has replaced Mrs. Holden in the Department of Home Economics Education at Texas Tech and will continue the study course here which was begun by Mrs. Holden.

This course will be held this afternoon from 2 to 4 p. m. and for two succeeding Thursdays. Those attending are very enthusiastic and are insisting that other members attend.

### Needlecraft Club Meets In Home of Mrs. V. J. Campbell

Mrs. V. J. Campbell was hostess last Friday afternoon to the Needle Craft club members. Despite the cold rain a good crowd enjoyed the visit with the hostess.

Using the hunting season as a theme, Mrs. Campbell conducted two clever contests. Members reported a very good time.

The hostess served a refreshment plate of delicious salads, cake and coffee to Meses. Tol Thomas, Bouchier, Malouf, T. L. Jones, Bingham, Stone, Sults, Faulkner, Evans, Samson, Durrett and Cox.

### Sale of Magazines by Seventh Graders To Benefit School

Students of the seventh grade have been enthusiastically canvassing the town to sell magazine subscriptions.

The purpose of the contest is to raise money toward the purchase of a picture projection machine for the school.

The goal is \$300 and teachers were quite proud of the youngsters who had made \$210 Wednesday morning. Popular magazines are offered at standard rates and the school receives a percentage.

The contest will last through next Monday and anyone wishing to subscribe to current magazines will help the school by ordering through some of the youngsters of the seventh grade.

### O. E. S. NOTICE

All members of Post chapter of the Eastern Star are reminded that Tuesday night, November 20, is regular meeting time. Friendship Night will be observed and visitors will be honored with supper at 6:30 p. m.

Members are urged to be present and all visitors are welcome.

### Member of Pre-Med Club At ACC

New member of the recently organized Pre-Med club at ACC in Abilene is Rex Everett, Jr., son of Mr. and Mrs. Rex Everett, sr. of this city. Rex is a 1945 graduate of Post High school.

### CARD OF THANKS

We wish to thank our friends and neighbors for their many deeds of kindness and the sympathy expressed to us during our recent bereavement. Your thoughtfulness was a great comfort to us in our sorrow. We also appreciate the beautiful flowers. May God bless each of you and spare you such tragedy.

Mr. and Mrs. Clyde Graham and Relatives

**Stevens Style Shop**

**Welcome Home  
Discharged  
War II Veterans**

This column is dedicated to the service men and women who wear this armed services discharge button. As the Dispatch has followed them from civilian life through their war experiences, it will record their lives from the time they receive their discharge papers until they become rehabilitated and re-established in civilian life.

Major Carl Eminger is expected in Post very soon with an honorable discharge.

Discharged from the Fort Sill Separation Point on November 2, 1945 was S-Sgt. William Locklear. He has been in the service 34 months.

Recently receiving his discharge was Clifford W. Williams who has been stationed in the Aleutians for the past year.

Glendon Presson, son of Mr. and Mrs. W. F. Presson, received his honorable discharge from the army recently. He has been with the 49th General Hospital and has spent most of his time in England and France.

An honorable discharge was given Edsel Cross recently. He has been overseas with the 76th Division and was in on the fight for the contested Seigfried Line.

Edward L. Neff has been given his honorable discharge from the army after spending about 3 years in the service, many months of which were spent overseas in England and France. He was with the 74th Air Service Squadron of the 9th Air Force.

Other Garza county men who received their honorable discharge last week were Harold W. Lucas, Harold H. Carley, Elwood E. Gradine, Comer Edward Liles, C. B. Bilberry, Wilburn Boyd Wade, William T. Wade and Lloyd S. Febworth.

Houston Hoover and family are in Post this week visiting his parents. Mr. and Mrs. O. H. Hoover. Houston received his honorable discharge from the Marine Corps November 9, after serving two years, 14 months of which were spent in San Francisco where he worked in the fleet post office. He plans to go back to his old job with the Littlefield post office after a visit with his parents.

**Nazarene Pastor Improving**

Rev. Joe Norton, pastor of the Church of the Nazarene, is showing some improvement. Soon after arriving in Post he suffered a broken knee-cap and has not been able to visit members of the church or townspeople. His likable wife is serving as errand girl in many matters that require his attention. It is hoped that the new pastor will be up and about soon.

A bee travels over 44,000 miles in gathering a pound of honey.

*Now Ready and Open For Business!*

It gives us a great deal of pleasure to announce to Garza County Folks that the White Auto Store is now open for business. Beginning this week end the store will observe regular opening and closing hours.

Our stock is not yet complete but we feel that we have many useful items and expect to have a complete stock within a few days. We invite the people of Post and Garza County to come in and get acquainted with White Auto Store policy.

**Nazarene Pastor**

Pictured above is the Rev. Joe Norton, who arrived in Post last month to take over the pastorate of the Church of the Nazarene. Rev. Norton came to Post from Brownfield and replaced Rev. Austin Moore, who accepted the pastorate of the Wellington church.

**Question And Answer Column**  
For The Benefit of Garza World War II Veterans

This space is devoted to questions and answers of interest to Garza County returning service men. It will be published for a while as a regular feature. For additional information contact Geo. Sessums office, 703-5, Lubbock National bank building, Lubbock.

- Q. What Veterans' Administration office is nearest to Post vicinity?
- A. The Veterans Administration, Contact Office, 703-5 Lubbock National Bank Bldg., Lubbock, Texas.
- Q. Is a serviceman required to take a special physical examination to qualify for National Service Life Insurance?
- A. During the first 120 days of service he may be insured without an examination; after that period an examination is required.
- Q. Do the loan provisions of the G. I. Bill apply to repairs and improvements of homes owned by veterans?
- A. Title III of the G. I. Bill provides that qualified veterans of this war may obtain loan guaranty for the purpose of making repairs or improvement on homes owned by the veteran.
- Q. Is the disability pension of World War II veteran subject to income tax?
- A. Pension received by a veteran for disability is not subject to income tax.
- Q. Is there any expense to the veteran when he applies for a loan guaranty to buy a home?
- A. There is no fee for the guaranty of a loan. However, any expense resulting from appraisal, title research, transfer, etc. which is usually borne by a borrower, may be charged against the veteran.
- Q. Does the widow of a World War I veteran lose her pension if she remarries?
- A. Yes, the pension of a widow of a World War I veteran is discontinued if she remarries.
- Q. Is it compulsory for a veteran to live on a farm if he buys it under a Government loan guaranty?
- A. The veteran is not compelled to live on the farm, but the law does require that he operate the property. Therefore, he must live close enough to actually supervise the farming.
- Q. After a soldier has been honorably discharged from the Army for medical reasons, is he entitled to free treatment at a Veterans Hospital?
- A. If a veteran should ever need hospital care for a disability incurred in line of duty in the service, it will be provided upon application to the Veterans Administration. If the illness is not due to service he may still get hospitalization if a bed is available and he meets other requirements.
- Q. Where should the widow of a veteran of the first World War apply for pension under the Act recently signed by the President?
- A. Application should be made with the nearest office of the Veterans' Administration. Assistance in filing may be with any Veterans Service Organization.
- Q. If a man is released from the army on a dependency discharge, does that bar him from compensation or other rights under the G. I. Bill?
- A. He would not be barred from such benefits.

**Former Post Boy, Prisoner Of Japs, Visits In Post**

H. G. Tyson, jr., a former Post boy, who has been in the armed service since 1939 and a prisoner of war in Japan for 3 1/2 years, arrived in San Francisco a few weeks ago. He was sent to San Antonio where he got a 90 day furlough after which he went to visit with his mother in El Paso. Those present to greet him were his sisters Johnnie Mae of San Francisco, Calif., Billie Sue of Las Cruces, New Mexico, Mrs. Lorene Metcalf of Tucuman, New Mexico and Mrs. Morene Short of Dora, New Mexico.

H. G. volunteered into the air corps before Pearl Harbor and was taken prisoner by the Japs soon after the fall of Corregidor. A few messages had been received from him by his mother, Mrs. H. G. Tyson, during that time.

H. G. has been visiting in New Mexico, Lubbock and Tahoka and

arrived in Post Monday, November 12 for a visit in the home of Jim L. Williams. He will return to El Paso this week to be with his mother. Niagara Falls recedes about two and a half feet a year.

For the utmost assurance of quality, purity and accuracy, have your prescriptions filled here.

BOB WARREN, OWNER

**Justiceburg News**

Mrs. J. R. Key, Correspondent

Mr. and Mrs. L. N. Periman of Snyder were week end guests of their daughter, Mrs. Pearl Nance.

Rev. D. W. Reed spent Sunday with Mr. and Mrs. L. W. McCombs and family.

Miss Skeeter Smith was in Lubbock Saturday.

Mrs. V. A. Lobban and children and Mrs. W. A. Eastman were in Snyder Saturday.

F. M. Coker of Hiwassa, Arkansas visited Mr. and Mrs. Sam Bevers and family.

Mr. and Mrs. J. S. Petty of Riverside, California and Miss Dorothy Dale Reed are visiting their parents, Mr. and Mrs. Jeff Reed.

Mr. and Mrs. George Evans and Mrs. Harry Evans and son were visitors in the home of Mrs. W. M. Henderson of Plainview, Sunday.

Miss Frances Henderson of Amarillo visited over the week end in the home of Mr. and Mrs. George Duckworth.

Mrs. H. W. Bass and family and Mrs. Juanita Heard and son of Snyder and Mrs. Roy Elkins of Dermott visited Mr. and Mrs. H. R. Sullinger Sunday.

Mrs. V. A. Lobban received word that her husband was to land in the States Wednesday, November 14.

Mr. and Mrs. W. A. Nix were in Snyder Tuesday.

Mrs. Callie Cash of Mineral Wells visited her son, Bandy Cash, wife and son, Norman.

Mrs. Hern Pettigrew and children of Slaton visited her mother, Mrs. Etta Clarkston and other relatives here.

Mrs. Edwin Reed of Dermott visited Mr. and Mrs. Jeff Reed Monday.

Mrs. Gladys Briggs is now employed with the Hamlin Supply Company. The firm is associated with the Santa Fe Line.

The Justiceburg Mother's club met last Thursday in a regular meeting. Mrs. Tidwell gave a talk on the children's viewpoint. This was followed by discussion by all members present.

The club will meet Wednesday, November 21 instead of the regular meeting day which falls on Thanksgiving Day.

There are more than 3,500 species of ants.

Post, Texas

There's still a LINE WAITING

You may have read that telephones are again being manufactured for civilians. That is true. But unfortunately their production is still far below the nationwide demand. In addition, there is still a shortage of trained men to install telephones and also to install central office equipment necessary for service. If you are still on our waiting list, we hope you will understand the delay. We will try to make your wait as short as possible.

They finished their job—let's finish ours!

**WHERE WOULD WE BE WITHOUT OUR PUBLIC SERVANTS?**

Your taxes and ours pay the salaries of these fine people. We couldn't get along without our public servants and they couldn't get along without us taxpayers. Their work is vitally necessary and their services are appreciated by all.

These are only four of many American privileges we enjoy and pay for under our democratic form of government. Your Public Service Company, as one large taxpayer, has always borne willingly its share of taxes to help build the communities we serve and the nation in which we live.

**Gowan Funeral—**

(Continued From Front Page) her father and mother. She is employed in the Southern-Pacific offices in El Paso. The two boys, Thomas and George, are in school. Mr. Gowan had an impressive military record, having served in the Mexican War, 1911-1917, and also in World War I. Among his awards are the Silver Star with clusters, the Purple Heart, the Victory medal, the French Croix de Guerre, the German Occupation bar, and five major battle stars won in World War I: the Arme-Marne, St. Mihiel, Meuse-Argonne and Defense Sector. He was attached to the First Division of the Fifth Field Artillery.

Survivors are Mrs. Gowan and three children, Lornin, Thomas John and George William; one brother, Frank M. Gowan of Phoenix, Arizona; and two sisters, Mrs. Crayton Rowlett of Great Bend, Kansas, and Mrs. J. C. Nash of Gila Bend, Arizona. He was preceded in death by his parents, Mr. and Mrs. William Gowan, who are buried in Terrace cemetery.

Funeral services will be held at 10 a. m. at the Davis-Mason funeral home, 1001 N. 10th St., with Rev. R. H. Smith officiating.

Interment will be in Terrace cemetery with Davis-Mason funeral directors in charge of burial.

**Rev. Smith Returns—**

(Continued From Front Page) and informative events were enjoyed during the youth rally.
