VOLUME XX POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, JULY 11, 1946 "THE GATEWAY TO THE PLAINS" NUMBER 30

WASHINGTON, D. C.—(Soundphoto)—Twelve U.S. editors and publishers leave Washington on a month's tour of Europe to study Military Government problems in occupied areas, as guest of Secretary of War Patterson. They plan to spend 20 days in Germany, 5 in Austria, 3 in Italy and 2 in France and England. Photo shows them before boarding ATC plane in Washington. L-R front row—Ludwell Denny, Scripps-Howard; Lee Hills, Miami Herald; Ed Kilman, Houston Post; Roy Howard, Scripps-Howard; Walter Christensen, Omaha World-Herald; John C. Oestreich, I.N.S.; Arthur Sulzberger, New York Times. Back row—Lyle Wilson, U.P.; Hugh Robertson, Macy Westchester Newspapers; W. S. Gilmore, Detroit Times; J. D. Ferguson, Milwaukee Journal; and Herbert Corn, Washington Evening Star.

## Unemployed Vets Outnumber Civilian Workers 3-1 In Post

Unemployed veterans outnumber unemployed civilian workers by 3 to one in Post, Mr. B. H. Thompson, District Supervisor for the Texas Unemployment Commission, reported today, comparing veteran unemployment with individuals receiving unemployment insurance. He said that the veterans were searching for jobs themselves and that the employment service was aiding but that churches, civic clubs, and merchants associations were needed to help solve this major conversion problem—the re-employment of war veterans.

In Post there are 9 unemployed civilian workers and 28 unemployed veterans. The latter are receiving readjustment allowances under the G. I. Bill of Rights, which is administered by the TUCC in Texas through agreement with the Veterans Administration. Payments under the G. I. Bill comes from monies supplied by the VA out of congressional appropriations for that purpose.

Our economy will be unbalanced until these veterans find jobs. Mr. Thompson declared, explaining that this was not only a local problem but nationwide. Everyone has got to help because our post-war economy is not absorbing them fast enough. These young veterans want the kind of jobs which they can build a future, get married, raise a family.

Mr. Thompson said that in the few instances where the veterans have retained suitable jobs, their allowances have been stopped as provided in the G. I. Bill.

## SLAUGHTER TEST IS BOTTOMED AT 4,506, MAY GO TO ELLENBURGER

Bottomed at 4,506 feet in lower Clear Fork-Permain lime, Plymouth Oil Company has temporarily abandoned their No. 1 Slaughter exploration.

## KENT EXPLORATION NEARING ELLENBURGER

Humble Oil & Refining Company No. 1 Moore, in section 45, block 5, H&GN survey, was making hole below 7,595 feet in lime and shale of the Pennsylvanian the latter part of last week.

## TERRACE CEMETERY ASSOCIATION PLANS BUILDING PROGRAM

Directors of Terrace Cemetery Association are now busy making plans to re-build the caretakers house which was destroyed by fire several weeks ago, and to make other improvements, it was announced Monday morning by T. R. Greenfield, chairman of the directorate.

"Mr. Gerner has been busy the past two weeks soliciting funds for the building. It will be impossible for him to see everyone, therefore, if you haven't been contacted, and you desire to make a contribution you may leave it at my store or the First National bank," said Greenfield. "Whatever amount you desire to give will be appreciated."

"Some historians once said: the stage of advancement of a civilization can be determined by the amount of soap we use and by the condition of our cemeteries," quoted the chairman. "We are making a special effort to improve the looks of our cemetery and you can assist us in a wonderful way by cleaning up your lots, or by paying the Association to have them cleaned for you. We wish to thank you in advance for your assistance in this good work."

## Farmers Warned On Deadline On Returning Forms

Garza county farmers are being warned that the prior approvals for the practice of contour farming of row crops expire July 31, 1946, states Robert H. Gibson, ACA Secretary. Producers should return their copy of the prior approval to the County ACA Office either by mail or bring it in by this time, he said.

The number of acres contoured, and the name, address and share of each person interested in the contoured acreage should be shown on the form before it is turned in to the office so that proper distribution of payment can be made, Gibson said.

It is essential that these forms be turned in to the county on or before the 31st of July because there will be no extension date and those farms on which no report has been received will not be eligible for payment for this practice. Any one who does not understand or is having trouble executing this form should bring them to the office, we will assist them in its execution, said Gibson, Monday ago.

## POST CAMERA CLUB MEETS TONIGHT

The Post Camera club which was organized here several weeks ago will meet tonight and present its first study program of a series arranged by Eastman club service.

## Post Will Journey To Levelland Next Sunday For Game

Post's baseball team will journey to Levelland Sunday to play the Refiners in a game originally scheduled for July 4, announced Manager Walter B. Holland, Tuesday. The locals hope to take revenge on the Refiners for the defeat they suffered here June 2 when the visitors moved-out a 6-4 win.

Levelland's win over Jul, 4-0 Sunday, June 30, placed them fourth in league play, while the locals fell back to fifth place after losing to Sundown, 8-13, Sunday's win over Post and Kermit's trim over Seagraves, 5-4, gave Sundown top spot on league standing.

All games originally scheduled for July 4 will be played next Sunday and all games will be moved back one week accordingly. The season will close August 4, instead of July 26, Doyle McAdoo of Seminole, league secretary said.

Next Sunday's schedule includes, besides Post going to Levelland, Sundown at Jul, Kermit at Seminole and Odessa at Seagraves.

League standing is as follows:

Team	Won	Lost	Pct.
Sundown	8	2	.800
Seagraves	7	3	.700
Kermit	7	3	.700
Levelland	6	4	.600
Post	5	5	.500
Odessa	4	6	.400
Jul	3	8	.300
Seminole	1	9	.100

## W. B. STANFIELD, WEST TEXAS PIONEER, BURIED IN SNYDER WEDNESDAY

Brevity and simplicity Wednesday afternoon marked the funeral services for W. B. (Bill) Stanfield, widely known retired West Texas cattleman of Snyder, Texas, Mr. Stanfield died Tuesday morning at his home after a long illness.

Behind the name of this pioneer is a vivid background of the great plains country around us. He saw the cow country develop from thinly populated ranchland to one of the nation's outstanding agricultural and cattle empires.

Mr. Stanfield's friends will treasure the memory of one who lived among us so well. He is survived by his widow, one daughter, Mrs. Gertrude Smith, and one son, Scott Stanfield. Two grandchildren and two great grandchildren also survive.

## VETERANS WILL BE CERTIFIED AT LUBBOCK FOR SURPLUS MATERIALS

World War II veterans can be certified for the purchase of surplus war materials in Lubbock instead of having to make a trip to Fort Worth, according to information received this week by the Post Dispatch.

Certification of veterans will be made on the following dates: July 11 and 12, July 25 and 26, and August 8 and 9. This schedule of every other week, on Thursday and Friday, will be maintained as long as veterans indicate a desire for the service.

Veterans desiring to be certified for this service may apply, with their discharges, at the Legion Hall, 910 Texas Avenue, Lubbock.

## Training School For 8 To 14 Year Old Boys Planned

A training school for boys between the ages of 8 and 14 years will begin here July 21 under the sponsorship of the Post Rotary club. It was announced the first of the week by Coach "Bing" Bingham, Post High school athletic director, who will conduct the school. The training course will run through August 30.

All Post boys in the age group are invited to attend the school. The fee will be one dollar per week, payable every Monday morning. Coach Bingham said he needed equipment and would appreciate any kind of old play suits, trunks and gym shoes.

He points out the following reasons why parents should enroll their boys in the class: so that they may learn how to play; how to be a good sportsman; how to associate with other boys; how to take care of their bodies; how to protect themselves; to learn the fundamentals of different games; give them something to do in the summer to keep them off the streets; how to consider the other person; teach them how to respect their parents.

Parents who wish to enroll their boys in the class are advised to contact Coach Bingham and give their son's name, age, and their own name and address.

## Complaints Of Rising Prices Are Heard Here

Complaints of rising prices for groceries and rent hikes are being heard this week as the nation operates its second week without price controls.

Topping the price increases are meats and butter, which seem to be drawing the loudest squawks from consumers, while some mention is being made to milk and bread prices, even though these two commodities have only advanced one and two cents.

The above OPA ceilings on bread and milk follow as a result of expiration of government subsidy payments on flour and milk on June 30. The slight increases, explain buyers and distributors, barely cover the advance prices on feed and flour and the loss of government subsidies. The flour subsidy, paid out of federal tax revenues, was \$1.05 per hundred pounds, and the milk subsidy was one and one half cents per quart. Bread increased one cent a loaf and is now selling at 13 cents a loaf. Milk has been boosted two cents per quart and is now retailing at 16 cents.

Meat and butter retail prices are said to vary. Butter has climbed from 17 to 20 cents per pound, and meats have advanced from 15 to 20 cents per pound at some markets.

Rent boosts are being reported, even though there has never been enforced controls here.

## SCHOOL TRANSFERS MUST BE MADE BY END OF THIS MONTH

Parents who have children they wish to transfer from one school district to another for the next school term are reminded by County School Superintendent Dean A. Robinson that transfers must be made before August 1.

Transfers can be obtained by calling at the office of the county superintendent at the county courthouse.

## NEW ARRIVALS

Mr. and Mrs. Jess Cornell of Roswell, New Mexico, but formerly of Post, are announcing the arrival of a baby boy on June 22. The new baby was named Lee Douglas and weighed seven pounds and twelve ounces. Maternal grandparents are Mr. and Mrs. Lee Davis.

Mr. and Mrs. Pete Crisp are announcing the arrival of a 9-1-3 pound baby girl on Monday, July 1.

## Garza Veterans Will Find Voting To Be Easy Matter

Garza county veterans will find voting in the July primary election to be as simple as existing with Uncle Sam, minus all the questioning and physicals, said T. R. Greenfield, county Democratic chairman Wednesday.

Veterans will not be questioned and will not be required to present their discharge papers when voting if they are known by the election judge, asserted Greenfield. "We want to do away with the red tape the servicemen have had to deal with the past few years, and we want all of them to vote. However, if you do not know the election judge of your home polling place, it is advisable that you have your discharge papers when appearing at the poll."

The only ex-service men required to have a poll tax to participate in the elections are those who were discharged eighteen months prior to the last primary, said Greenfield.

## John Lee Smith Will Speak Here Friday, 3 P.M.

Speaking here in the interest of his candidacy for governor Friday afternoon at 3:00 o'clock will be Lt. Governor John Lee Smith. Mr. Smith was born in Wise County, Texas in 1894. On a small farm he grew to manhood and taught school for several years. In World War I he served as a private soldier in both England and France.

He served as County Judge of Travis County from 1920 to 1926, and for a time was a school supervisor in the State Department of Education. He was admitted to the bar in 1927. In 1940 he was elected to the State Senate and in 1942 he was elected Lt. Governor and was re-elected in 1944.

Lt. Governor Smith says he believes the people of Texas are entitled to a frank statement of program and principles from those who serve in public office, and that the candidate who refuses to make such a statement, or who, by subterfuge, avoids an honest commitment of his position is either incompetent or dishonest, and in either instance is unworthy of public support. With these thoughts in mind he proposes to outline his platform to voters of the county when he appears here Friday.

## JASON JUSTICE, EX-SERVICEMAN, BUYS GROCERY STORE

Jason Justice, another ex-serviceman of this county, has gone into business for himself in Post. He purchased the Kester Grocery out on North Broadway this week and took over the store Wednesday morning.

Justice served in the U. S. Navy for more than a year and saw duty in the Pacific as a radioman. He received his honorable discharge in February and has been with the Santa Fe railroad until just recently.

He and his wife, the former Bonnie Marie Gannett, plan to live in Post as soon as they can find suitable living quarters.

Mr. Keeton plans to operate a fruit and vegetable truck from the valley, it was understood.

## HOP HALSEY TO SPEAK HERE SATURDAY 20

Hop Halsey, Lubbock druggist and candidate for Congress from the 19th district, has informed the Post Dispatch that he will speak in Post Saturday, July 20 at 7:30 o'clock.

Mr. Halsey will deliver a public address in the interest of his campaign somewhere on Main street. Accompanying him to Post will be his Drug Store Cowboys, popular radio entertainers, who will give a musical program.

## Post Stampede Plans Purchase Of Rodeo Plot

Directors And Officers Named For 1947 Rodeo

Purchase of sixteen acres of land as a permanent grounds for the annual Stampede and Rodeo is being contemplated by stockholders of the Post Stampede, Inc. It was announced Monday night following a meeting of stockholders.

The stockholders, approximately fifty in attendance, elected twelve new directors to serve the coming year, and following the meeting of stockholders the directors met and named new officers.

Five of the officers who served in 1946 were re-named to their places, and include: W. S. Duckworth, president; G. W. Connell, vice-president; O. L. Wendley, treasurer; E. W. Williams, manager; and Norris Rodgers, arena director. Sherman Boyd was named to replace Homer McCrary, retiring secretary.

Directors named included, besides Duckworth, Connell, Wendley, Williams and Rodgers, Sonny Nance, P. S. Bouchier, Johnnie Lane, Harold Voss, Buck Gossett, Doc Coleman and Nathan Means.

Stockholders favored purchasing land just outside the townsite on the Lubbock highway and contacts have been made with owners of the property. Equipment at the high school athletic field, including the seats, chutes and wire arena fence will be moved to the location some time in the near future and the gates to the new ground will be ready to open early next spring, it was announced.

The Stampede's capital stock is to be raised and additional stock is to be issued to help finance the new project.

## Extra \$4 Per Capita School Payment Is To Be Made To County

Garza county schools are now certain that an extra \$4 per capita will be forthcoming for the State, probably before the end of the scholastic year, August 31, according to a letter received several days ago by County School Superintendent Dean A. Robinson from the State Teachers Association.

This extra money, amounting to \$5,722 for Garza County, will be used by the schools to the best advantage. The amount each district will receive from the extra \$4 payment will be as follows: Close City independent district, \$238; Post independent district, \$2,149; Southland independent district, \$1,000; common school district, \$1,396.

Several weeks ago the county received \$4,296 state money as the final per capita apportionment on the regular \$30 allotment for the 1945-46 term. These checks were for \$3 for each scholastic in the county, according to the 1945-46 census as approved by the state department of education. The payment went as follows: Close City, \$238; Southland, \$756; Post, \$2,555; common schools, \$969.

In the recent county census of scholastics in Garza County, records reveal that the state approved 1,423. The break-down is as follows: Common school districts, 508 scholastics; Close City district, 81; Southland, 111; and Post 722.

## NO AUTO TAX STAMP WILL BE REQUIRED OF VEHICLE OWNERS

Tax-paying citizens have a slight relief in sight. They will not have to buy Federal auto stamps for their vehicles this year, reports Phil S. Bouchier, local postmaster.

Inspired as an extra money-raising tax several years ago, auto operators have been required to secure the \$5 federal stickers for their windshields at the postoffice by July 1, or face the consequences. The act has been killed for this year and all of the stamps at the local office have been returned to the postal department.

## VFW TO SPONSOR PUBLIC DANCE FRIDAY NIGHT

A public dance has been planned for Friday night at the American Legion hall by members of the John Miller Veterans of Foreign Wars post. Music for the entertainment will be furnished by a string band from Spur. Proceeds from the dance will be used by the post to send a delegate to the national convention.

**LOCAL AMERICAN LEGION POST TO NAME NEW OFFICERS**

Officers to serve the 1948-49 American Legion year will be elected at the next regular meeting of the James C. Cole post August 8. It was announced Wednesday morning by T. L. Jones, post commander.

"We hope to have a large number of members present at our next meeting, so we're making the election announcement early so that Legionnaires may begin to think about who they desire to serve as officers for the coming year," said Jones.

**ONE OF POST'S TEAMS STILL IN TOURNAMENT**

Post Volunteer Fire Department's team will play their second game of the Lubbock Invitation tournament tonight when they tangle with Texas Roofing team at 8:15 o'clock. The team-stretchers remain in the play by winning over Tansaka's VFW team 5-3.

The Postex Mill's entry was eliminated from play Monday afternoon by losing to Lubbock's Blue House Laundry.

Mr. and Mrs. Homer McCrary left Tuesday for several days visit in Dallas.

**VETS SPONSOR NEW SERVICE FLAG**—A new service flag designed to enlist the full weight of public opinion behind employment of veterans, will soon be officially adopted by the War Department if present plans of the American Veterans Committee are successful. According to Charles G. Bell, (right), national chairman of the AVC, the new flag "really stands for something—it shows the number of veterans that an organization is employing—not how many employees were in the armed forces." Designed by Robert L. Marx, (left), head of Marxman Paper, the new flag is somewhat similar in design to service flags already flown: large red border, white background, gold star for number of men killed and blue star for those who went into service. However, a blue "V" for veterans represents the number of veterans now employed. Thus, photograph of the flag above, the first of its kind, flown in the Marxman Paper plant, indicates that the company is now employing more veterans than left to join the service.

**FUNERAL FOR DUNCAN BABY HELD TUESDAY**

Funeral services for Louise Duncan, 2 year old daughter of Mr. and Mrs. Zeb Duncan of Post, were held Tuesday afternoon.

The little girl died at 7:35 a. m. Monday in the West Texas hospital. She underwent surgery twice last month. Immediate cause of death was meningitis.

Iowa leads the nation in egg production, with more than four billion a year.

Mr. and Mrs. Charles Luttrell and baby have moved from Post to Santa Fe, New Mexico. Charles who was an employee of the Connell Chevrolet Company is now associated with a large trucking concern.

**Swing of Southwest Farm Markets**

The first week of July marked a period of extreme unevenness on southwest farm products following the lapse of price control regulations, according to USDA's Production and Marketing Administration. Wide price fluctuations emphasized the uncertainty prevailing as to future trends. Some readjustments followed the sharp rise in grain, cotton, livestock and furs which took place early in the week, but most commodities retained a good part of the advance and all except fruits and vegetables closed fairly strong.

Early in the week cotton piled a sharp advance onto the steady gains already made during recent months, but later declines offset the increase and the close was about to five with prices in effect on June 30. Though inquiries were fairly numerous, offerings continued light and the short week's sales totaled only 43,200 bales compared with 61,200 the preceding week and 49,600 in the holiday week last year.

Grain market closed on a slightly less aggressive tone, but were still very unsettled and erratic. Buyers were not as active, offerings came out freer, and prices eased a little but retained most of the recent gain. Corn remained the scarcest item, but oats also were very short.

Elimination of price controls left feed markets in confusion. Some manufacturers prepared new price schedules reflecting higher costs of ingredients to cover immediate sales of formula feeds, but the general policy appears to be to await further developments before launching any large scale readjustments. Many items cling to the old OPA ceilings, with handlers of protein meals, packing house by-products, alfalfa meal and some grain by-products especially cautious. However, present indications point to prices above those reached during or immediately following World War I if controls are permanently abolished.

Livestock lost some of the earlier gains on Fridays, but closed irregularly higher than at the end of June. Net gains on cattle in Texas and Oklahoma varied anywhere from 25 cents to \$1 per hundred pounds, while Denver and some markets further north scored advances of \$2 to \$3 on steers and \$1 to \$2 on heifers and cows. Denver sold four cars of choice

**SOUTH-CENTRAL WELL PREPARING TO TEST**

Preparations were being made the first of the week by Northern Ordinance, Inc., to test their No. 1 Walker, six miles west of Jureeburg for possible production.

The tests are to be made of the section between 2,410 and 2,475 feet where good shows of oil had been drilled and core through in streaks. The formation showing the possibilities of petroleum production is the San Andrea horizon of the Permian.

The exploration is in section 45, blocks 8 H&GH survey.

steers at \$21. Other highs were \$17.75 for good grades in Ft. Worth and \$17.25 in Oklahoma City, while good yearlings brought \$17 in Houston and medium grass steers \$16 in San Antonio. Hogs moved sharply upward, then lost part of the gain, but closed with a gain around \$16 and \$17 per hundred pounds. Spring lambs held most of their gains, reaching a top of \$16 in Ft. Worth, \$17 in Denver, on extreme sales.

Only noticeable gain in poultry and egg markets was a sharp advance on fryers which were not available in sufficient quantity for the holiday trade. Some of the gain was lost as the week closed with very irregular prices. Shortage of meat stimulated demand for all poultry, while uncertainty as to future price trends apparently held some supplies off the market. Moderately heavy egg receipts were in good request.

The kangaroo and opossum carry their young in a pouch.

**JOHN LEE SMITH FOR GOVERNOR**

**VETERAN OF WORLD WAR I. FILED AS CANDIDATE BY VETERANS OF WORLD WAR II.**

**JOHN LEE SMITH**

1. Smith served in France with an artillery regiment as private soldier in World War I.
  2. Served as County Judge, State Senator, and Lieutenant Governor.
  3. Favors full payment of pensions to the needy aged; we have trifled about this too long.
  4. Denounced war-time strikes as treasonable to our fighting men.
  5. Has opposed the G.I.O.-P.A.C. as a threat to American principles.
  6. Advocates labor claims court to settle disputes and prevent costly strikes.
  7. Opposes "Closed Shop" as being unfair to returning veteran.
  8. Advocates preference to veterans on all jobs, both public and private.
- He says:  
"We gave the soldier an A-1 card to fight. Let's give him an A-1 card to work."  
Smith's name was filed for Governor by 25 World War II veterans of Harris County.

This ad paid for by Garza County friends of John Lee Smith.

**ALLAN SHIVERS Cites Platform**

Senator Allan Shivers' platform for lieutenant governor briefly includes: Real assistance to Texas war veterans, increased salaries for teachers, a first-class university for the colored, better highways and farm-to-market roads, redistricting, full payment of old-age pensions, reorganization of the legislature with 80-day sessions each year, an expanded public health program, reorganization of the pardon and parole system, equal responsibility from both labor and management, economy in state government. **JUNIOR HEAVYWEIGHT WRESTLING CONTEST SPONSORED BY SHRINER**  
 Rex Everett, Potentate's Aide in Garza County, said, one of the most unselfish, kind, and generous offers has just been received by Khiva Temple, Noble Dory Detton, a member of Khiva Temple, is sponsoring a Junior Heavyweight World Championship Wrestling match on August 15 in Amarillo, Texas. The elimination bouts have already started, and the winner of the eight wrestling tournaments will wrestle Noble LeRoy McGulrk, the title holder, member of India Temple.  
 Everett said, Noble Dory Detton will make an outright gift of the greater part of the net derived from this championship match to Khiva Temple. Such gifts as this will help materially in securing a hospital within the jurisdiction of Khiva Temple.  
 Everyone interested should support and patronize this championship match, said Mr. Everett.

**TEN THOUSAND ACRES OF COTTON BLOWN OUT IN CROSBY COUNTY**  
 Crosby county lost 10,000 acres of cotton in two wind storms last week, according to a news story in the Crosbyton Review, released by W. R. Kimbrough, County Agent. The damage occurred from storms on Wednesday and Sunday night.  
 In addition to the cotton crop loss, Kimbrough estimated 3,000 acres of feed were destroyed by the wind and said. Most of the damage occurred in Canyon Valley community, just over Garza's north county line.

### Garza Countains WHO RECEIVED COVETED "Ruptured Duck" DURING THE PAST WEEK

R. Q. Lusk, AETMlic of the Navy, was discharged July 2 at the Naval Personnel Separation Center, Jacksonville, Florida. He resides on route 3, Post.  
 Other Garza county men who have been reported as having received their honorable discharges from the armed forces include: D. N. Poole, Fort W. Stewart, and Lois E. Saunders.

### Bits Of News:

Homer E. Thompson, former county agent of Garza county, is now out of the army and is at home at 2723 South Main St., in Vernon, Texas. Thompson has been serving in Japan.  
 Mr. and Mrs. J. A. Stallings returned last week from a visit in Menard, Eden, San Antonio and other Texas cities.  
 Mr. and Mrs. Charles Smiley and children are spending several days with Mr. and Mrs. Pat O'Connor of Albuquerque, N. M.  
 Mr. and Mrs. Roy Hoffman, daughter Gwendolyn and a friend, of Muleshoe, were Fourth of July visitors in Post.  
 Mrs. John H. Ramsay has a guest, her son L. I. Ramsay and family of Liberty Hill, Texas. Mrs. Dave Ramsay of Gorman, Schmieck Ramsay of Eldorado, Ark., and Lura Bell Ramsay of Houston.  
 Mrs. Winnie Tuffing and Mrs. Jack Burruss attended the funeral of W. F. Ramsay in Breckenridge July 3.  
 Mrs. Glenn E. Roof and daughter, Ramsay Jo, who has been visiting her mother, Mrs. Bess Ramsay Thompson, in the home of Mrs. J. H. Ramsay for several weeks, returned to her home in Shaker Heights, Ohio, July 4.  
 Guests in the home of Mr. and Mrs. Elmer Long over the week end were Mrs. Long's son, Pat Carlson and her parents, Mr. and Mrs. C. W. Dubbs.  
 Mr. and Mrs. L. D. Stevens arrived Sunday from San Diego. L. D. was given his honorable discharge from the Marine Corps last week after being in the service three years. He plans to attend Texas Tech this fall.  
 Mr. and Mrs. Martin Reynolds and children have returned from a trip to Yellowstone National Park and other points of interest in that section of the United States.  
 Guests in the home of Mrs. Irene Rodgers for the week end were Mr. and Mrs. Dan Roberts of Lubbock and Mr. and Mrs. Enoch Griffith of Colorado City. Mrs. Griffith had been in Post several days, returning here with her mother who spent the first of last week in Colorado City. Griffith who has been assisting Congressman George Mason with his campaign joined her here for the week end. Dan will complete his work in Texas Tech next week and will go to Big Spring where he will be associated with Hemphill-Wells store in that city.

### SCHOOL LUNCH ROOMS TO BE OPERATED BY DEPARTMENT EDUCATION

Governor Stevenson has appointed the State Department of Education to manage the U. S. Department of Agriculture's community school lunch program in Texas for the next fiscal year.  
 Joint formal agreement covering program operation requirements have been signed by Dr. L. A. Woods, State Department of Education and Mr. B. F. Vance, State Director, Production and Marketing Administration, for the Department of Agriculture.  
 Two-fold purpose of the program is to provide growing children with nourishing food for maximum health and growth and to create larger day-to-day markets for farm products.  
 The school lunch program has operated for several years on a year-to-year basis. Recently, the National School Lunch Act became public law. It provides assistance to states in operating community school lunchrooms for children attending non-profit public or private schools. States and the federal government will contribute funds to its support. For the fiscal years 1947 to 1950, inclusive, federal funds must be matched dollar for dollar by States. From 1951 to 1955, a state must contribute \$1.50 for each federal dollar, and after that \$3.  
 While the School Lunch Act does not carry an appropriation, the agricultural appropriations bill provides \$75,000,000 for its operation the next fiscal year. Pro rata share for Texas is about \$2,800,000, the PMA director explained. During the fiscal year just ended, the school lunch program was in operation in approximately 2300 Texas schools, in which an average of 250,000 children were served well-balanced lunches daily. Latest reports indicate participation will be even higher for the next school term, Vance said.  
 He asked that all applications from local sponsors be filed with the State Department of Education, Austin, Texas, instead of the State PMA office.  
 The E. A. Warrens were guests of Mr. and Mrs. Bob Lewis last Thursday night in Littlefield.

**SHARP RISE IN SUGAR PRICES IS INDICATED**

A sharp rise in sugar prices was indicated by Secretary of Agriculture Clinton Anderson following a conference with Cuban officials recently.

The Cuban Commerce Minister indicated the new sugar contract could have to provide increases of 15 and 20 cents a pound. This increase will be made necessary by removal of OPA ceiling in the United States and subsequent increases in prices of American imports.

Anderson is in Havana, Cuba.

**SHOW HOURS CHANGED TO ACCOMMODATE OIL MEN**

The hours for the afternoon shows at the Guiza theatre have been changed from two o'clock to one o'clock according to an announcement from B. J. Edwards, manager.

This change in hours was made in order that oil men who begin their day's work at 3:30 p. m. could have an opportunity to see the show.

This is a fine gesture on the part of the management.

W. F. and L. A. Pesson returned Saturday from Carbondale, Ill.

**COTTON ACREAGE HIKE IS REPORTED**

On July 1 there were 18,316,000 acres of cotton in cultivation. This information was released by the Department of Agriculture. This is a 3.2 per cent increase over a year ago.

No forecast on production was given. If the yield per acre equals last year's 231 pounds, however, and the full July acreage is harvested, production this year would be about 9,158,000 bales.

The department said this is the first upturn in cotton acreage since 1942.

The acreage in cultivation July 1 and the percentage of the 1945 acreage, respectively, by states included:

Arkansas, 1,800,000 and 107; Louisiana, 9,000,000 and 104; Oklahoma, 1,120,000 and 95; Texas, 6,350,000 and 104; New Mexico, 116,000 and 90; Arizona, 145,000 and 84; California, 359,000 and 113.

Mr. and Mrs. R. P. Cowdrey returned recently from a visit in Arkansas and Louisiana. Two granddaughters, June Mercer and Betty Charles Bankston, from Ft. Worth returned home with them for a visit.

Ed Warren attended the funeral of W. B. Stanfield in Snyder on Wednesday afternoon.

Mr. and Mrs. James Stallings spent the July 4th week end with Mr. and Mrs. J. A. Stallings.

**WONDER UNDERGROUND**

Blue Mounds, Wis.—Five-year-old Aleta Nelson, of Madison, Wis., looks with wonder at stalactites in Cave of the Mounds near here. These limestone formations grow at the rate of an inch every 200 years. Sealed to the light of day for centuries, the cave was discovered only seven years ago. Since then nearly 400,000 tourists have been attracted by the colorful unusual subterranean formations. Geologists claim the cavern contains samples of practically every type of limestone formation found in caves throughout the world. Cave of the Mounds is located 25 miles west of Madison.

**CONTROL ON CLOTHING ENDED TUESDAY**

Snipping the last price control threat on clothing, the government Wednesday pinned its expensive garment hopes on its industry competition.

Authorities expressed the belief that rivalry among clothing manufacturers will serve to hold their prices in line.

The only clothing price curb after OPA died on July 1 was snipped out Tuesday night when it was announced by Civilian Production Administration that the CPA will continue to allocate a big supply of cloth for garments that should sell at low or moderate prices—but the agency will no longer see that they do.

Under the new CPA regulations manufacturers may use priority fabric only in types of expensive clothing which previously sold at specified OPA ceilings. Thus they have to make the same kind of clothing they did before, but there are no strings on prices.

**Lightning Kills Two Bailey County Farmers While Working in Field**

A young Bailey county farmer, James Love, and his 14-year-old nephew, Wayne Millar, were killed instantly by lightning Tuesday afternoon while driving tractors in a field northwest of Goodling community.

Love's tractor continued to circle the field, running over his body several times. Millar's machine turned at right angle to the left and continued for some distance before being stopped by a neighbor.

The two men were driving about 100 feet apart, both going in the same direction. The bolt struck between the tractors. No rain fell during the electrical storm.

**SNYDER'S NEW RODEO GROUNDS TO BE READY FOR NEXT WEEK'S SHOW**

Snyder's new rodeo plant, which affords new lighting arrangement and a large steel and concrete grand stand, will be completed early next week and be ready for the annual rodeo which gets underway there next Wednesday.

The new plant is located near the old grounds in northeast Snyder.

**COTTON AND CATTLE PRICES ARE HIKED**

Cotton scored another 100-point advance Wednesday, to reach the limit allowed under exchange rules, while beef cattle sold at the highest price in the 81 years of union stockyards' existence.

Final quotations Wednesday on cotton were \$4.70 to \$5.00 a bale higher. Since June 1 prices have risen \$24.00 to \$28.00 a bale.

Cattle sold at \$23.00 a hundred pounds, but prices are expected to go to \$30.

Mr. and Mrs. L. C. Carmichael returned Monday from Abilene where they had been with their daughter who underwent major surgery in the Hendricks Memorial hospital on Saturday. They plan to visit her again this week end.

Judge Leo Bowen received a call from his son, Carroll, on Wednesday night. Carroll will be released from the service in about ten days. He is now on the West Coast.

**NEWS NOTES FROM... Duck Creek Soil—CONSERVATION DISTRICT OFFICE AT POST**

Various farmers cooperating with the Duck Creek Soil Conservation District are planning on putting some of their more erode and less productive land back to grass. E. F. Parker of the southland conservation group, who is farming the Shelby County School Land, plans to put about 30 acres back to native grass. Wright Hinson of the Calgary observation group plans to reseed seven acres of land on which the soil is shallow.

The recent heavy rains have demonstrated the value of having spillways of stock tanks protected with rock or sod. Ray Hodge slipped the spillway of his tank with rock. Although it ran around for thirty hours, no damage was done to the spillway. However, slight damage was done in the waterway some distance downstream from the tank dam. Mr. Hodge has asked the assistance of the District in remedying the damage. Several other tank dams that had well shaped, natural spillways of which were bare or sparsely vegetated due to concentration of livestock, were damaged.

Several lakes on the plains that would normally have water in them are dry as a result of being encircled by well constructed terraces. The lakes on the Charlie Brown and Woodrow Furr farms and the lake on the corner between the T. L. Jones, Earl Gregg and Bud Stevens farms had no water run into them. The water was held on the surrounding uplands by terraces, some of which can across as many as four farms. Other lakes in the same area which were not surrounded by terraces were filled with water and are still flooded.

**GOOD RAINS FALL AT JUSTICEBURG**

Farmers and ranchers of Justiceburg community were jubilant this morning over moisture received Wednesday afternoon. Although the rain was spotted and did not cover a wide territory, some ranchers reported sufficient fall to refill earthen tanks.

Double Mountain river, which has been dry many long months, was carrying off excess water from the fall which extended west of Justiceburg.

Varying amounts were reported, ranging from one-half inch to one and one-half inches.

**'FLYING EYE' Pittsburgh, Pa.**

This bomb-like "flying eye," which helped win the battle of the Atlantic, will usher in a new era of air exploration from the skies. Originated as a magnetic detector for aircraft, it can "see" submarines hidden underwater—or "look through" the earth's crust to chart the underground magnetic structure. As the first practical airborne prospecting device, it opens to oil exploration hitherto inaccessible jungle, mountain and ocean regions; and will tremendously speed-up discovery of the world's remaining oil resources. The young lady perched on a pontoon of the exploration plane bears from E. W. Westrick, engineer who assisted in its development, how the "flying eye" trails from a cable in flight.

**DID YOU KNOW THAT?**

Neither the working hours nor the vacation time of the President of the United States has ever been set by law.

People in the High Alps, Central Europe, and Alaska depend upon the dog as a pack animal.

The boiling point of salt water is much higher than that of plain water.

In a strong wind a big smokestack will sway from eight to ten inches.

New York and California have more federal employees within their borders than the District of Columbia.

**Think This Over**

A dog is loved  
By old and young;  
He wags his tail  
And not his tongue.

Read the Classified Ads.

**HANDY SURPLUS GOODS GUIDE IS PUBLISHED**

"How, what, and where" to buy surplus property is graphically explained in a 32-page illustrated booklet issued today by the War Assets Administration.

The booklet is a handy guide for prospective buyers of surplus property of all kinds in the United States and its territories and possessions and is available at the Fort Worth WAA regional office, P. O. box 1407, Fort Worth and postoffices throughout the country.

The priorities accorded veterans and other groups are explained and priority holders are told what they must do to take advantage of the opportunities offered in surplus disposal. The booklet tells where to get information on sales and list sales offices of WAA and other domestic disposal agencies with addresses and telephone numbers. Also listed are veterans and small business certification offices. The booklet is being widely distributed in conjunction with surplus property advertising.

In an introduction to the guide Lt. Gen. E. B. Gregory, War Assets administrator, states:

"The War Assets Administration wants to sell surplus property as rapidly as possible. If you do not find the answer to your question here, write, telephone or visit your nearest WAA Regional branch office."

**SUGAR RATIONING IS STILL IN EFFECT**

Sugar rationing did not end with the Office of Price Administration June 30, but is still in effect, reminds the district office of Price Control.

Sugar rationing falls under separate act from the OPA and stamps will continue to be required for purchase of sugar, at least for some time.

Sugar rationing comes under second war powers act, while OPA is provided for by the emergency price control act.

## ROYAL SERVICE PROGRAM GIVEN MONDAY AT FIRST BAPTIST CHURCH

The Union of Women's Organizations met Monday afternoon at 3:00 o'clock at the First Baptist church and held a special Royal Service program. Mrs. Iven Clary was in charge of the program which was presented and arranged in the form of a peace conference.

The program was opened with a prayer by Mrs. A. A. Suits followed by the devotional given by Mrs. Sybil Cochrum. The following topics were given: "Calling All Youth" by Mrs. Clea Anderson; "Organization For Missionary Education" by Miss Barbara Cox; "Material" by O. K. Bowen; "Stewardship" by Winifred Anderson; "Curses" by Mary Nell Bowen and El Wanda Davies and "Sunbeams" by Miss Margaret Duckworth. Jeff Justice gave the main address.

Following the program, delicious refreshments of cake, which was decorated and presented in honor of the 60th Anniversary of the Sunbeams, and punch were served to the 28 members present by Miss Mary Margaret Duckworth and Mrs. Iven Clary.

## WOMENS COUNCIL MET WITH MRS. RAMSAY TUESDAY

The Womens Council of the First Christian church met Tuesday afternoon at 3:00 o'clock in the home of Mrs. John H. Ramsay. The meeting was called to order by the president, Mrs. B. C. Manis after which the program was opened with a song, "Close To Thee," and a prayer.

Mrs. Bess Thompson gave the devotional and spoke to the group on the 17th Chapter of John, followed by an article in unity with the devotional given by Mrs. Wilford Kirkpatrick taken from the National Magazine "World Call."

A short business session was held and afterwards dismissed by a prayer. Following the meeting, two of the ladies, Mrs. K. Stoker and Mrs. Bess Thompson, were honored on their birthdays with the serving of a lovely cake decorated with pink and orchid icing and punch served from a beautifully decorated table.

The adult department of the church presented a special program Sunday night. A large luncheon was served at the service.

Crowds have been unusually large for summer attendance reports at the Church of Christ.

## MISSIONARY EDUCATION IS TOPIC FOR STUDY BY FRIENDSHIP WMU

The WMU of Friendship Baptist church of Close City met Monday, July 8. The following program from the Royal Service Magazine was presented:

Topic: "Missionary Education, A Christian Imperative"; Devotional—Mrs. Van Martin gave a very interesting talk on "Christ, the Great Teacher"; "Calling All Youth"; Mrs. Bayer; "Wisdom or Weapons"; Mrs. Jones; "Organized for Missionary Education," Mrs. Teaf; "New Plans for Young People," Rev. Van Martin; "Shining For Sixty Years," Mrs. Curry; "Training World Missionaries," Mrs. Smith.

The next meeting will be a Bible study. Women of the Close City community are invited to attend these meetings. Mr. Van Martin is Bible Study chairman and is preparing some interesting programs.

church enjoyed a social Monday night at the church. The group sang songs and enjoyed delicious servings of ice cream and cake. Twenty-four were present including several visitors, Rev. and Mrs. L. A. Smith, Mr. and Mrs. Asa Casey, and Misses Ira Farmer, Al Norris, and F. C. McAnally.

"In times of trial," said the preacher, "what brings us the greatest comfort?" And from the back row an answering voice: "Acquittal!"

The children's Sunday School classes go through the Junior Department of the First Methodist

## Miss Doris Kirkendoll And Harold Lucas Exchange Wedding Vows Sunday

Miss Doris Faye Kirkendoll, daughter of Mrs. A. F. Churchill of Post and Raymond E. Kirkendoll of Gallup, New Mexico, became the bride of Harold W. Lucas, son of Mr. and Mrs. A. M. Lucas of Post, in a double ring ceremony at the home of Mr. and Mrs. Homer McCrary on Sunday July 7, at seven o'clock.

Rev. A. O. Graydon of Lubbock officiated. The bride was given in marriage by her uncle, Homer McCrary.

Mrs. Bess Robinson, Jr., sister of the bride, was matron of honor. James Lucas, brother of the bridegroom, was best man. Sonny McCrary and Bess Robinson, Jr. served as ushers. Candles were lighted by Mrs. Homer McCrary. The bride wore a yellow-gold dressmaker suit and black hat with black accessories. Her corsage was a orchid. She carried out the old tradition of something old, new, borrowed and blue.

The matron of honor wore a white dressmaker suit with black accessories. Her corsage was of yellow gladioluses and white baby's breath.

The ceremony was performed before an improvised altar centered in front of a large gold framed mirror. White tapers in crystal candle holders burned on the altar, flanked by large floor vases filled with gladioluses, fern and baby's breath.

The wedding march was played by V. A. Hartman on the accordion.

A reception followed the ceremony. The table was laid with a white net cloth over crueted and yellow satin. The centerpiece was yellow gladioluses and yellow tapers. The bride's cake was a large white two-tiered wedding cake decorated with a miniature bride and groom under silver bells and surrounded by fern and baby's breath. Table appointments were crystal and silver.

Mrs. Marshall Reno, sister of the groom, presided at the punch bowl and Mrs. Dan Altman presided over the cake, after the first piece was cut and served by the bride and groom.

The couple left for an extended trip through Colorado, Yellowstone National Park and New Mexico. They will be at home after July 21 in the Marable apartment.

The bride is a graduate of Post High school and attended Hardin-Simmons University and has recently been employed by Hamilton Drug.

The bridegroom is a graduate of Post High school and served in the army about four years. He is now employed at Connell Chevrolet Company.

Seventy guests were registered for the wedding and reception. Out of town guests were Mr. and Mrs. Otis Spears of Big Spring, Texas.

## EARL GREGG HOME SCENE OF FAMILY REUNION

A family reunion was held in the Ralph Gregg home, three miles west of Graham, on July 7. Outdoor and indoor games were played by the group followed by a picnic style lunch at noon served to 67 relatives and guests with a total of 95 registering at the end of the day.

Those relatives present for the occasion include: Ralph Gregg, San Luis Obispo, Calif., Mr. and Mrs. Ralph "Maxie" Johnson and son, Mr. and Mrs. W. A. Campbell, Mr. and Mrs. Robert Gregg and family, Mr. and Mrs. Herbert Gregg and family, Mr. and Mrs. Morris Gregg and family, all of Charlotte, N. C., Mr. and Mrs. Frank Gregg and family of Lubbock, Mr. and Mrs. Jesse Gregg of Vernon, Mr. and Mrs. Auvie Johnson, Mrs. Roy Loke and son of Plains, Mr. and Mrs. Martin Rowland and Mrs. A. W. Crisp of Vernon, Mr. and Mrs. H. N. Crisp and Mr. and Mrs. Floy Richardson and son of Post, Mr. and Mrs. Elwood Grady of Lubbock, Mr. and Mrs. Payne Noel and son and Mr. and Mrs. Bruce Buchanan of Plainview. Two brothers, Roy Gregg of Thomasville, N. C. and Claude Gregg of Wilmington, N. C. were unable to be present.

## O. E. S. NOTICE

Members of Post chapter, O.E.S. are reminded that Tuesday night, July 16, is the next regular meeting. The hour is 8 p. m.

Mr. and Mrs. Kerney Young and son spent the July 4th week end in Lamesa with Mr. Young's parents.

## MRS. IDA WHEATLEY IS HOSTESS TO CLUB ON JUNE 25

Mrs. Ida Wheatley was hostess on June 25 to ten members of the Macey Makers club and one visitor.

The afternoon was spent in quilting a quilt which was finished.

It was gift day and many useful and beautiful gifts were exchanged. Some heard from their club pals. It was decided to have the next gift day on August 27th at which time all the remaining birthdays and anniversaries of the members are to be remembered.

Delicious refreshments consisting of bluish bottom pie and iced tea were served.

Mrs. L. P. Baker was the visitor.

Mrs. Pearl Storie was hostess on July 9.

## MRS. ELLA PENNELL HONORED WITH BIRTHDAY PARTY

Mrs. Ella Pennell was honored with a birthday dinner Sunday, July 7 at the home of her son, Donald Pennell, and family. Relatives present for the occasion were Mr. and Mrs. Marvin Jones and sons, Mr. and Mrs. Jerry Emery, all of Houston, Mr. and Mrs. Homer Freeman of Dallas, Mr. and Mrs. John Simpson and children of Philadelphia, Pa., Sgt. and Mrs. Chester Pennell of Lawton, Okla. and Mr. and Mrs. Robert Pennell and children of Post. A daughter, Mrs. Lee Fredrickson of Leesville, La., was unable to attend.

Other guests present were Mr. and Mrs. B. W. Pennell and family, Mr. and Mrs. Pete Pennell and family, Mr. and Mrs. Arda Long and family of Post and Mr. and Mrs. Grady King and family of Southland.

## SUMMER HOMEMAKING COURSES COMPLETED BY POST HIGH GIRLS

Of the thirty-eight Post High school students who enrolled in the Summer Homemaking classes, thirty-four will complete the work and will be entitled to one-half credit for 100 hours of work.

Students who are entitled to the credit are Theana Beauchamp, Joy Mason, Loraine Baker, Lorene Teal, Carol Long, Fleta Maddox, Wylene Moss, Joyce Evans, Helen Williams, Elsie West, Minnie Jo Dye, Alma Jean Floyd, Betty Kennedy, Bessie Bowen, Bessie Mae Smith, Betty Jo Smith, Dorothy Curry, Naomi Watson, Winifred Anderson, Jeneese Probst, Billie Sue Quisenberry, Laquita Brown, Bobby Chandler, Lucile Morris, Joyce Lofton, Bernice Rogers, Dorothy Masun, Martha Jean Thomas, Margie Edwards, Nita Muriel, Marilyn Curry, Billie Louise Nichols, Jane Ann Turner and Helen Thaxton.

Group projects were refinishing the kitchen of the Homemaking department and redecorating the clothing department.

Home projects were Family Meal Planning and Table Service, Personal Wardrobe Improvement, Canning, Yardwork, Handwork and Interior Decoration.

Mrs. Raymond Irons, the former Rachel Hogg, has had charge of the class.

Mrs. F. I. Bailey has been in Snyder for over a week with the W. B. Stanfield family. She was accompanied by Mrs. Pierre.

## PRISCILLA CLUB NOTICE

Mrs. John Cearley will be hostess to Priscilla club members Friday afternoon, 9:30 o'clock, at her home.

Mrs. O. D. Cardwell returned Thursday night from a trip to Dallas to see her sister, Mrs. Sam Coleman.

## JUNIOR G. A.'S TO HAVE PICNIC ON FRIDAY AT 6:30 P. M.

The Girl's Auxiliary of the Baptist church plans to have a picnic on Friday night at 6:30 o'clock.

Ten members attended the meeting on Monday afternoon at the church. The program committee had arranged a series of interesting questions for the study hour.

Mrs. Charlie Bowen, leader, dismissed the group with a prayer.

## MRS. PAUL MOORE HOSTESS TO SUNDAY SCHOOL SOCIAL TUESDAY

The Berwan Sunday school class of the First Methodist church enjoyed a social Tuesday afternoon in the home of Mrs. Paul Moore with Misses Jesse Barnes and Mrs. Jack Kennedy as assisting hostesses.

An afternoon of fun was enjoyed playing games and visiting. Following the social, a short business meeting was held after which delicious refreshments of ice cream and cake were served to approximately 15 members.

## NEEDLECRAFT CLUB NOTICE

The Needlecraft club will meet Friday, July 12 at 4 o'clock at the Methodist parsonage. Mrs. I. A. Smith and Mrs. T. L. Jones will serve as hostesses.

Mr. and Mrs. Ford Shropshire were here last week end with her parents, the J. A. Fergusons, and visited friends. Mr. and Mrs. Shropshire had just returned from a honeymoon trip to Monterey, Mexico and a visit with his parents at Robert Lee.

## DORIS FAYE KIRKENDOLL HONORED WITH SHOWER

Miss Doris Faye Kirkendoll was recently named honor guest when Mrs. Charles Benson entertained. Miss Agnes Windham served as co-hostess.

Clever literary games were the diversion of the evening. Miss Kirkendoll was declared winner in all contests and was presented the "grand prize," a lovely assortment of lingerie, from the guests.

Delicious ice cream and angel food cake were served.

Twenty-nine names were registered in the bride's book.

Lt. Robert Johnson, husband of Faydell Edwards Johnson, arrived in New York last Wednesday. He informed his wife that he would be discharged from San Antonio this week. Johnson has been in Germany since last October.

Miss Belle Duncan of California was a guest in the home of Mrs. L. A. Pirtle last week.

**What Goes In The Rural Communities**

AS REPORTED BY OUR RURAL CORRESPONDENTS

**Justiceburg News**

Mrs. R. J. Key, Correspondent

Sunday school and church services were held here Sunday, conducted by Rev. D. W. Reed of Close City.

Mr. and Mrs. Buster Burr of Roswell, New Mexico and Mr. and Mrs. Leonard Reed and family of Slaton visited A. J. Gordon here Saturday. He returned to Slaton with them for a week end visit.

Garland Dorman of Snyder, who has just returned from overseas duty in the Navy, was a week end visitor of his brother, Marvin Dorman.

Mrs. HAYSON Brown returned to Los Angeles, Calif. with her daughter, Mrs. Clide Odum and family, for an extended visit.

Mr. and Mrs. C. Trice and sons, Jerry and Bob, visited her parents and other relatives at Glen Rose.

A. J. Gordon visited Thursday with his parents, Mr. and Mrs. H. L. Gordon of Ranger.

Mr. and Mrs. Lawrence Evans and son of Lubbock and Mr. and Mrs. R. F. Swafford of Slaton were visitors in the home of Mr. and Mrs. George Evans.

The Bible Study class met in the home of Mrs. Cameron Justice. A very enjoyable afternoon was spent and refreshments were served to the group.

Mr. and Mrs. Jimmie Bunker and Mr. and Mrs. Bonner Lytle of Lubbock were week end guests of Mr. and Mrs. George Evans.

**Post's Sponsor Placed Fifth In Stamford Rodeo**

Miss Billie June Kennedy, daughter of Mr. and Mrs. L. P. Kennedy, and Post's official rodeo sponsor, placed fifth in the cowboy's sponsor contest at the Stamford Cowboy Reunion last week.

Miss Kennedy made her debut in rodeo circles here when she appeared in the Stampede by setting the pattern in the local contest for visiting sponsors. The Stamford rodeo was her first competitive event.

She will represent Post in the Snyder rodeo which opens Wednesday of next week.

Lt. and Mrs. Max Minor arrived last Tuesday for a visit with Mr. and Mrs. James Minor of Post. Mr. and Mrs. J. W. Minor of Tahoka, Lt. Minor reports back to Enid, Okla., Air Field on July 20. The visitors will visit relatives in Hobbs and Albuquerque, New Mexico this week.

**Southland News**

Mrs. Floy King, Correspondent

A revival meeting will begin at the Church of Christ on July 19 with O. D. Dial of Nolan in charge of the preaching services and his brother, Oran, will be in charge of the song services. The Methodist revival begins August 2 and the Baptist revival begins the second Sunday in August. Everyone is invited to attend these revivals.

The local Lutheran church is expecting to have Rev. Sager of Posey to deliver the message here Sunday. The church called a Rev. Harise but he declined to come as he had only been of Harlingen a year. The pulpit committee are Messrs. Elmer Gindorf, Joe Noughtbauer and Herman Kiesel.

Visiting Mrs. Clyde King over the week end were Mrs. Tom Yates of Odessa and Miss Mary Floyd of Midland. Both are former classmates of Mrs. King at Hardin Simmons college.

Rev. Emmett Brooks will begin a revival at Valley View, near Dallas, Friday night, July 12. This church was his first pastorate where he was pastor for two years.

The Baptist Sunday School will enjoy an ice cream supper in the yard behind the church following prayer meeting Wednesday night.

Visiting the J. L. Whitteids last week were her mother, Mrs. Briley, and her sister, Mrs. R. E. Pharr and husband of Bonham.

Mrs. T. L. Weaver was removed to Slaton hospital last week where she is undergoing treatment.

Mrs. J. I. Bartlett became suddenly ill Tuesday evening and was rushed to the Slaton hospital. Latest reports have it that she is slightly improved.

Mr. and Mrs. A. M. Tanner and son, Harrell, are visiting friends in Southland. They expect their other son to be home soon with a discharge.

Mrs. Annie Landers, who has been in California visiting her children, returned home last Wednesday. While there she attended the wedding of her son, Ralph Landers and Miss Margie Hilgrud.

**EX-SERVICE MEN ATTEND ANNUAL JULY 3 SUPPER**

More than one hundred and fifty Garza county ex-service men attended the annual barbecue sponsored by the James C. Cole American Legion post last Wednesday night.

The annual affair has been under sponsorship by the post for many years and is always looked forward to by the former servicemen.

**ABSENTEE VOTING GETS UNDERWAY HERE**

Absentee voting in the Democratic primary is to be held on July 27 got off to a slow start here the first of the week with only two persons voting up to Wednesday noon. Requests for twenty more ballots have been made to County Clerk Ray N. Smith and his office has mailed ballots filling all of the requests.

Absentee voting will continue through July 28.

DRUG  
Prescription Druggist

on June 27 at the First Presbyterian church of San Diego. The bride's brother, Willis, served as best man and her twin sister, Mrs. Mollie Sloan, served as matron of honor. Only relatives and close friends were present. The groom, a former Southland boy, served two years in the European theatre of operations as a radio technician. The couple will be at home in San Diego.

Mr. Hewlett and son, John, have returned from their trip to South Texas.

Diane Gilliland, Harlie Martin, Lehman Barkley and Wilmuth Hewlett were among the Southland boys of the Texas State Guard that went to Floydada on July 4 as Honor Guards to Gen. Jonathan Wainwright, who spoke there that day.

The Hallmans of this community enjoyed a reunion held at Mackenzie Park on July 4. Those present were Rev. R. C. Hallman and family, Mr. and Mrs. Bill Martin and family all of Lubbock, Mr. and Mrs. H. C. Hallman and daughter, Mr. and Mrs. O. E. Hallman of Abilene, Mr. and Mrs. F. L. Hallman, Cleveland, Texas, Mrs. Onita Price of Los Angeles, Calif., Mr. and Mrs. H. D. Hallman and family, Mrs. Rena Mae Samples and family of Southland and L. C. Hallman of Eden, A. V. Hallman, another member of the family was unable to attend.

Miss Lois Howell, former Southland girl and daughter of Mr. and Mrs. C. R. Howell of Lubbock, and Carl Thurman, jr. of Ropesville were married on June 19 with Rev. G. A. Elrod officiating. The groom, son of Mr. and Mrs. Carl Thurman of Ropesville, was recently discharged from the Navy after serving 19 months overseas. The couple took a short wedding trip to Carlsbad, N. M.

Mr. and Mrs. Lewis Williams and family and Bobbie and Ramon Lewis all of Drasco spent the week end with the Rev. Emmett Brooks family.

Mrs. Nellie Mathis and Carolyn Sue attended the annual Mathis reunion at Mackenzie park Sunday. The reunion is held each year on the first Sunday following the Fourth of July.

Mr. and Mrs. Fred Cokerel spent the week end with her parents, the R. O. Rankins.

Mrs. C. W. Gary and children and her brother, A. J. Whittington, returned from New Mexico Monday where they visited another brother.

Mr. and Mrs. Curley Taunton and baby returned from visiting his parents in Alabama. Mr. Taunton's cousin, Clayton Dean, accompanied them home.

Mr. and Mrs. Roy Williams and son, Billie, went to Trent and Ft. Worth last week.

Jack Estes of Delhi, Oklahoma, is here visiting with his brother, Wilmeth Hewlett.

Duane Gilliland left Monday for Hereford where he will visit his aunt.

Mr. and Mrs. C. G. Spurlock and Mark have returned from San Saba where they attended a family reunion.

The Kenneth Davies have named their new son, Bill Hardy.

Mr. and Mrs. Faye Collins visited in Wolforth Sunday.

Billy Van Leuke has returned home from the wheat harvest.

Jimmy Ferguson is back home after visiting his aunt in Amarillo.

Mr. and Mrs. Dick Craft were visiting friends in Southland Sunday.

Mr. and Mrs. Edd Day of Muleshoe spent the week end with their daughter, Mrs. Herbert Dunn, and family. E. L. accompanied them home.

Billy Roy Williams is spending this week with Mr. and Mrs. Walter Williams of Shallowater.

Mrs. Jiggs Hampton of Clovis, N. M. spent the week end with her parents, the Harvey Stotts.

Jack Pate and wife of Trent spent Monday with the Roy Williams.

Mr. and Mrs. Eld King and family visited the Ferns of Levelland Sunday.

Mr. and Mrs. W. W. Davies and son of New Home and Mr. and Mrs. Verne Johnson and children of Owens visited the J. L. Whitteids Sunday.

Mr. and Mrs. Ford Shropshire of Austin visited the Arvil Fergusons Monday.

C. W. Gury and family visited the Garys of Hackberry Sunday.

Mr. and Mrs. H. D. Hallman and Mr. and Mrs. Wayne Hallman have moved to Lafayette, Louisiana, where H. D. will attend school.

LaVonne Ferguson has returned home from Post where she spent three weeks.

Elbert Carey is now employed in Lubbock.

Jackie Lancaster is home for the summer from Tech.

Billy Lancaster is home from the wheat harvest.

Those you can get  
with an **OIL-PLATED** engine

Breathes there an American who isn't checking on cars? Chief question is, "What's different for '46?" An OIL-PLATED engine brings you this new difference: it will escape lots of carbon and sludge by escaping lots of wear. That special type of wear-defense—internal OIL-PLATING—will likewise favor your oil and gasoline mileage.

You can have an OIL-PLATED engine in any car—in the newest or oldest—just simply by making sure to use Conoco Nth motor oil; that's all.

The difference in Conoco Nth oil—patented—is its added ingredient that OIL-PLATES. This is done in a magnet-like manner—by making metals attract and hold lubricant. And that's what puts inner engine surfaces under cover of OIL-PLATING. It stands in wear's way; acts to prolong that new car feeling. . . . And it will act to prolong any older car's usefulness. So if that's your particular problem, change now to Conoco Nth oil—at Your Mileage Merchant's Conoco station. Continental Oil Company

**Growth And Improvement Indicated For Neighboring West Texas Towns**

Politics are taking the highlight in most of the surrounding counties with such politicians as Geo. Mahon, John Lee Smith, Dr. Homer P. Rainey, Hop Halsey, and Beauford H. Jester delivering campaign speeches at scattered points over the area.

In checking the newspapers of the various counties, we found that most cities and counties are urging all vacationers to vote their ballots prior to their trips and also warning the citizens that ballots for overseas voting must be mailed immediately.

Sweetwater will be one of the important maintenance points on the cable route of the new telephone cable which is being installed by the West Texas Telephone and Telegraph company. The cable is being laid about three feet underground and upon completion of the installation, it is to produce a coast-to-coast route of cable network capable of transmitting television broadcasts as well as hundreds of telephone conversations. The construction program involves the laying of from 6,000 to 7,000 miles of cable and the new line will pass about three miles north of Sweetwater. The "telephone train," complicated mechanism responsible for the laying of the cable, will plow its way across Texas to El Paso and on to the coast. It is scheduled to reach Los Angeles in the spring of 1947, with the cable being put in service sometime next summer.

Sweetwater also announces in The Nolan County News that it is contemplating the use of parallel parking with time limits in the business district to solve the traffic problem. The time limit on the use of parking space has been prescribed as being liberal with the use of parking meters being an open question in accordance with the desires of the people.

Liberty, Texas, has also facilitated a better flow of traffic from the junction of Highway 90 and Highway 148 to the courthouse square, with the use of parallel parking, which was begun last Friday.

The West Texas Old Settlers Reunion will be held this year for the first time since the war. The reunion will be held at the Hank Smith Memorial park north of Crosbyton on August 15 and 16. Bill Ezell, chairman of the planning committee has announced that there will be entertainment for both young and old, including old time dances and modern dances, a carnival, a barbecue, speeches, an get-togethers.

A series of sales courses for sales people and store managers is being sponsored by the Chamber of Commerce of Colorado City. Miss Thelma Boone, of the division of Extension of the University of Texas began the courses last Monday. Certificates will be granted to those who satisfactorily complete the course.

Colorado City is also sponsoring an advanced course for automotive mechanics which is being held at Mills Chevrolet Company. The first meeting was held last Wednesday night and will continue for a period of ten days.

Snyder's attention is now being fully focused on the Scurry county's tenth annual rodeo which will

be held on July 17, 18, 19 and 20. Special merchant prizes for the annual affair has been boosted to \$3000.

A free roping exhibition of what is to come was held Friday night at the rodeo grounds. No premiums were given and no admittance charges, with the show being only a forerunner of the rodeo.

The Palace theatre in Slaton has been promised a remodeling as soon as the new fixtures arrive. Hershel Crawford, owner and manager of the theatre, has reported that a new screen has already been installed and that he will thoroughly remodel and redecorate the building and will install new projecting equipment within a very short time.

**A GLORIOUS FOURTH WAS ENJOYED BY GARZA COUNTY EX-SERVICEMEN**

A glorious fourth — without benefit of guns, foxholes, ships, planes and what have you that has been their lot the last several years was enjoyed by a group of Garza county ex-servicemen.

The trip was planned while all were overseas serving in the various theatres of war. "When we all get home, we'll all go fishing," they promised one another.

The group left Tuesday for Coleman where they fished until late Friday afternoon.

Those enjoying the outing were Gayle and Jerald Bowen, Bill J. Davis, Roy Smith, Max and Clovis Tucker, Charles Wood and Lee Wayne Hardin who now lives in Sundown.

Going along as general roustabout was Boyd Bowen, young brother of Gayle and Jerald.

**LOOK FORWARD TO FALL SAYS THE SCOTCHMAN**

In order that you may have an attractive yard or garden in the fall you must start planning now, says the Scotchman, the authority on anything that grows.

For flowers which bloom in the fall, plant now amaranthus, cockscomb, cosmos, four-o'clocks, marigolds, periwinkles, petunias, portulacas, sunflowers, tithonia and zinnias.

Bulbs and tubers which may be planted in July are dahlias, gladiolus, oxalis, water hyacinth, waterlilies, and waterpoppies. Texas bluebonnet seed may be sowed now, but these will not come up until fall, so plant where they are to remain, the Scotchman says.

Where fall blooming plants are forming long awkward branches, these may be cut or pinched back. Among those which may require this attention are dahlias and chrysanthemums. Tall growing plants may need to be staked. Cuttings made of shrubs, trees, and many flowers (such as petunias and carnations) will root immediately now if given half shade and plenty of moisture.

**Post Office Tightening Rules For Parcel Post**

No parcel post packages destined for foreign countries will be handled by the post office in the future unless each package conforms to packing requirements for both inner and outer container, Postmaster Paul Bouchier announced the first of the week.

"Many complaints are being received from foreign countries concerning the damaged condition of packages received by servicemen. Many are in such condition that the contents are rendered useless, due mainly to inadequate packing," said Bouchier.

"Be sure to have your packages properly wrapped when presented for mailing."

**Auto Drivers In 25-44 Age Bracket Taking More Lives**

With traffic regulations almost ignored, the selfishness and lack of consideration of automobile drivers in Post will sooner or later be the cause of a fatal accident here.

Too many automobile owners act as children when they climb behind the wheel of a car. Educating the public to drive safely will take years. The immediate need is more drastic action on the part of our law enforcement agencies. State patrolmen must crack down, and if their numbers are insufficient, city and state governments should build their forces as rapidly as possible.

Statistical facts compiled by the Texas Department of Public Safety should make us all stop and think. Below are a few:

"If you are 25 to 44 years of age and if you have had eleven or more years of driving experience, watch out... you may be the next driver to kill someone in Texas."

Yes, drivers in the 25-to-44 age bracket—which includes the greatest percentage of Texas drivers—were involved in far more fatal accidents than was any other age group.

And drivers with more than eleven years experience behind the steering wheel are participants in a greater number of fatal accidents than persons in the brackets of less experience.

However these statistics should not ease the consciences of automobile operators with less experience, for younger automobile operators with less experience accounted for nearly half the traffic fatalities of 1945.

Blame for our increasing death rate on the highways and in the cities cannot be placed on the highways.

Nor can automobile manslaughter be stopped by citing statistics on types of accidents which have brought death to thousands of Texans in the past five years.

Traffic fatalities will diminish only when each driver feels his own personal responsibility.

Personal responsibility is seldom felt until the individual is made aware of the consequences he will suffer if he commits a wrong act.

Stiffer judgements should be passed on violators of traffic laws, and more prominent attention should be given to their wrong doings.

Only when a child is made to respect his parents does he begin to act in proper manner.

**Tech Summer Session Closes On July 16th**

Lubbock, July 11—The first term of the Texas Technological College summer session closes July 16 with final exams on the 16th and 18th. The second term opens with registration July 18 and closes August 28. Graduation exercises for the summer session will be held August 28.

Bob Warren was a recent visitor in Snyder with his mother, Mrs. J. W. Warren. His brother, Dale Warren, of Colorado City joined him there for the day.

**A NATION IS BORN . . .**

The following graphic description by Al Valencia, a Filipino, is a masterpiece of thought and sentiment and is worthy of a reprint:

"They lowered the United States flag Thursday, Ariend has said goodby. A part of me is gone.

The Filipino flag stands alone. It is one of the proudest moments of my life.

But I can't help feeling a sadness in seeing that American flag go down. I was born under that flag. Millions of Filipinos, and thousands who fought and died on Bataan and Corregidor to preserve that flag, were born under it.

I have mixed and confused feelings. What does the future hold? What does the lowering of the American flag mean?

I saw that flag come down once before. That was a dark day in January 1942, I saw the flag of the Japanese invader fluttering in the bright sunshine in almost the same spot where we Filipinos and Americans assembled Thursday.

There followed three of the blackest years within memory of Filipinos now living.

The American flag has meant every good thing I have ever known. And now this jubilation . . . the gun salute . . . the applause.

And High Commissioner McNutt saying: "A nation is born! Long live the Republic of the Philippines! May God bless and prosper the Filipino people and keep them safe and free!"

If I could speak for the 18,000,000 Filipinos I would say to you good people across the Pacific, "God bless you. We shall never forget."

**LESSON IN DISTRIBUTION CAN BE TAUGHT**

Sale of surplus war property is a sad lesson in distribution that the nation will long remember. Politics, mismanagement, cumbersome rules and general confusion have nearly blocked the sale of billions of dollars worth of material which the country desperately needs. Everything from blankets to tractors is rotting away in supply dumps, in spite of the fact that everyone wants it moved quickly, including the officials in charge of the surplus disposal program.

The lesson is that an efficient retail distribution system cannot be set up overnight. Moreover, it cannot be set up at all if it is burdened with red tape. The government could probably learn a few things from the retail distribution industry. This industry has been working for years to develop the most efficient methods of moving goods from producer to consumer. Of course, unlike the government, private distributors are compelled to seek efficiency or sacrifice a slim margin of profit. Some of the larger chains have developed distribution to such a fine art that they are able to operate on profit margins of less than one per cent of sales. They do it because they have learned to handle mountainous volumes of goods with a minimum of waste motion. And they try to have what consumers want at the right place and at the right time.

The job of distributors is doubly different at the present time, partly because they must fight an uphill battle to convince government regulators such as the OPA that excessive red tape and unnecessary rules are anathema to efficient distribution, a fact that has nearly wrecked the government's distribution of surplus property. —Exchange.

**YES, WE HAVE LUMBER?**

While thousands of veterans and civilians have been unable to build because of lumber shortages, the exportation of lumber to foreign countries has been going full blast—so reliable sources from Washington reveal.

Nothing seems to be done to correct the situation despite the protests to the State department.

During the first three months of 1946 the Department of Commerce shows exportation of 168,899,000 board feet of lumber. This amount is in addition to Army, Navy, UNRRA and foreign countries under lend-lease agreement. Lumber exported from the United States increased to 38 per cent while total production increased 24 per cent.

This is a ridiculous situation and is so unjust that it is hard to understand why the State Department has permitted it to exist.

**QUESTIONNAIRE**

We quote a Washington note: "According to the best authorities the American dollar is not in as bad shape as many people think. The production by United States industry is counted upon to stop price inflation 'at some point'."

We were just wondering—who are the best authorities? What do they mean by shape? What production? And how far could you stretch "at some point?"

**CITY VACATION**

To save us, we can't fathom the makeup of people who wish to spend their vacation in a huge crowded, noisy, smelly and hot city with teeming millions of people, many displaced and seeking food and shelter. But if all of us had wanted Sal for a wife, the world would be in a pretty pickle. We have always associated a vacation with some spot far removed from conditions as they are in a large city. —The Terry County Herald.

"Now, really, Private, in civilian life, would you come to me with a trivial complaint like this?"

"No, captain, I'd send for you."

Every time we go to a restaurant and see a fellow tuck a napkin under his chin, we wonder whether he came in for a meal or a sham-poo.

Son: "How did you and Mom first get acquainted?"  
 Dad: "None of your business—but it sure cured me of whistling."

Apparently he shorts the dress the higher the price. But it just goes to prove that sight-seeing costs money.

A husband is either a bull, a bear, or a deer

**FAITH IN THE FUTURE**

We have faith in the future, too—faith in the future of the territory we serve.

This profound faith of ours is shown in the huge expansion program now under way by your Public Service Company.

New transmission lines, begun even before V-J Day, are now bringing electric services to hundreds of homes. More lines will help to serve the new homes now going up with the joy and convenience of electric cooking, electric refrigeration, good lighting and the many other efficiencies of low-cost electricity. The future looks good for everybody—electrically!

No. 26 of a series of advertisements designed to help build this fast growing territory in which we serve.

**ERRY COUNTY VOTES AGAINST BEER SALES**  
 Erry county voted Saturday against the sale of alcoholic beverages.  
 Excepting one rural box which was not reported, the vote was against and 440 for the sale. Brownfield's four boxes attracted 1,600 of the votes cast showed 1,264 against to 366 the proposal.

**NEW PHD TEST IS BEING DRILLED**  
 Honolulu Oil Corporation and Devonian Oil Company No. 4 Payton was slated to begin drilling in the PHD field yesterday. Location is 2,350 feet from the south and 440 feet from the west lines of section 1421, T&P survey. The test is to be one-half mile northwest of the PHD pool in northwest Garza county.  
 Eskimos eat blubber from whales and other sea animals.

**Texans Urged To Practice Strict Personal Hygiene**

In addition to the general instructions for community sanitation which are important in preventing poliomyelitis, Dr. Geo. W. Cox, State Health Officer, today issued an urgent warning to every individual in Texas to practice strict personal hygiene to protect his own health and that of those about him.

"Of course, cleanliness and personal hygiene are ordinarily taken for granted," Dr. Cox said, "but at this time with the incidence of poliomyelitis having reached a total of 292 cases, I would like to re-emphasize some personal sanitary measures which may help in preventing the spread of this crippling and often fatal disease."

The State Health officer stressed the importance of scrupulous cleanliness of the person. Frequent bathing and immaculately clean clothing are vitally necessary. Oral hygiene with thorough brushing of the teeth and the use of a mild antiseptic are recommended. The nasal passages should be kept clean and dental defects corrected immediately.

Sanitation and thorough cleanliness in the home are instinctive with the average housewife, but at this time their importance to health must be re-emphasized. Home sanitation includes those taken-for-granted measures such as washing the dishes in hot soapy water and rinsing them in hot clear water; keeping sinks, bathtubs and fixtures scoured clean and rinsed with a mild antiseptic solution; sunning and airing bed clothes, ridding the home of flies, rats and roaches which, since poliomyelitis is believed to be a filth-borne disease, are suspected as being responsible for transmission.

"If good personal hygiene is combined with good community sanitation and hygiene, it is hard for any disease to get a foothold," Dr. Cox said. "With such a dread disease as poliomyelitis prevalent in the state, no precaution should be overlooked and no bars should be left down for its entrance."

Friends of Mrs. O. G. Hamilton will be glad to know that she is "doing nicely" after her second operation in recent weeks at the Baylor hospital in Dallas. Mr. Hamilton returned Saturday from Dallas where he had been for several days.

**SACRAMENTO, CALIF.—** (Soundphoto) — Adolph Bufe, aided by his dog, cat and club, counted 820 rats killed after a day and night battle that began when he sighted the droves coming through his hayfield headed for his chicken house. Hastily emptying feed hoppers and substituting a quick-acting rat poison, the rancher saw the rats dive into the poisoned food and arming himself with a club, went to work on them while his dog and cat chewed them. Bufe believes the rats, starved by the current feed shortage, sent out scouts that picked his ranch as a promising spot for food.

**MAHON MAKES BID FOR RE-ELECTION HERE TUESDAY NIGHT**

Congressman George Mahon of the 19th district made his bid for re-nomination of office which he has held since the district was created in 1934 when he spoke here Tuesday night to a crowd of 300 or more voters.

He made his report of the eleven and half years he has served the district and said that Congress has been in session all or part of every month save four. For this reason the Congressman has had little time to visit in the district and he said: "I welcome this opportunity to come and report to my employers."

By reason of his length of service in the House Mahon has attained the rank of eighth on the house appropriations committee, the most important single committee of the congress; is a key member on the appropriations sub-committee on military affairs and as such had a vital part in handling the highly secret work on the atomic bomb project.

Should Mahon be reelected for another two-year term he will become chairman of the Texas delegation next year.

**HEAT WAVE IS FORECAST FOR STATE**

If you think it's hot now, "just wait," advises the weather bureau men.

These specially trained men say that the heat will not be reflected in the thermometer but in personal reaction for they are forecasting a notable increase in humidity. It will come from a high barometer reading now building up in the Gulf of Mexico and is expected to reach Texas in about two weeks.

With the humidity will come rain they predicted.

Temperatures from points over the state were as follows:

Post, 97; Quanah, 101; Clarendon, 100; Big Spring, 97; Fort Worth, 97; El Paso, 95; Galveston, 98.

After two extremely hot sultry days, Post on Wednesday was enjoying a respite with overcast skies and a cool gentle breeze.

**CARD OF THANKS**

We want to thank every one who had any part in helping us bear the passing of our dear husband and daddy.

Every act of kindness in every thing has been and will be always deeply appreciated. We pray God bless each of you.

Mrs. J. E. Robinson  
 Raymond and family  
 Lucille and family

Mr. and Mrs. Ivan Stoker of San Antonio have been guests of relatives and friends here for several days.

**SISTER OF GEORGE SAMSON DIES IN SCOTLAND**

George Samson received a cablegram on Tuesday notifying him of the death of his oldest sister, Mrs. Joan McKenzie, of Farfar, Scotland.

Recently Mrs. McKenzie's death was sudden as "Scotchman" had received letters from her quite recently and too his brother, James and wife, who have just returned from a visit in the "old country" reported that all the folks were doing alright.

Mr. Samson is anxiously awaiting further details of his sister's death.

Mr. H. F. Giles has returned from a trip to Socorro and other parts of New Mexico. Gene returned to Post with his father.

**CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION**

Sealed proposals for constructing 8.875 miles of Grd., Strs., Flex., Base and Double Asphalt Treatment from Post to 8 miles north on Highway No. FM. 122, covered by S 308 (2), in Garza County, will be received at the Highway Department, Austin, until 9:00 A. M., July 23, 1946, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with provisions of said House Bills, the State Highway Commission has authorized the wage rates prevailing in the locality in which this work is to be done. The Contractor shall pay not less than the prevailing wage rates shown in the proposal for Group 3 for each craft or type of "Laborer," "Workman," or "Mechanic" employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of F. C. Stanley, Resident Engineer Lubbock, Texas, and Texas Highway Department, Austin. Usual rights reserved. 11-18

Guests of Mr. and Mrs. Kelly Sims last week were Mrs. Sim's sister, Mrs. Marvin McKinley, of Mountaineer, New Mexico, Mr. and Mrs. Irvin Scarborough and daughter, Ann, of Lubbock visited in the Sims home on Wednesday. They also visited in the home of Mrs. L. A. Fortis.

Miss Jean Callahan of Memphis, Tenn., is a guest of Jimmie Hundley this week.

**LADY'S STOMACH WAS LIKE A GAS FACTORY: MEALS TURNED TO GAS**

One lady said recently that her stomach used to be like a "gas factory!" That is, when she ate a meal it seemed to turn right into gas. She was always bloated, had awful stomach gas pains, daily headaches and constant irregular bowel action. Now, however, this lady says she is FREE of STOMACH GAS and she says the change is due to taking INNER-AID. Her meals agree with her. No gas or bloating after eating. Headaches and constipation are gone. "Oh! what relief!" states this lady. "Why don't other gas and constipation sufferers get INNER-AID?"

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Garza County. —Adv.
