# 16 ACP Practices Approved For Garza County Farmers, Ranchers

Sixteen practices have been approved for Garza County's 1957 Agricultural Conservation Program, it was announced this week by Mrs. Emmarhe I. Hartel, office manager for the county Agricultural Stabilization and Conservation Service.

The practices and the rate of payment for each are as follows: Control of mesquite by aerial

spraying; \$1 per acre. Control of mesquite by root-plowing; 50 per cent of the cost, not to exceed \$8 per acre. Pitting non-crop grazing land to prevent soil loss and retard runoff; \$1.25 per acre. Construction of earthen dams, pits or ponds for livestock water; 11 cents per cubic yard. Construction, replacement or en-

largement of terraces; 70 per cent of cost, not to exceed 2.4 cents per foot. Construction of diversion terraces; 50 per cent of the cost, not to exceed 8 cents per cubic yard. Construction of erosion control dams (earthen); 11 cents per cubic yard; (net wire diversions); 60 cents per cubic yard.

Reorganization of farm irrigation systems: Installation of concrete, metal plastic or Bermico pipe (four inches or larger); 50 per cent of the cost of the pipe installed, not to exceed 45 cents per linear foot. Levelling land for more efficient use of irrigation water; 50 per cent of the cost of levelling, not to exceed \$15 per acre.

Construction of spreader terraces; 50 per cent of the cost of construction, not to exceed 6 cents per cubic yard. Stubble mulching to protect soil from wind and water erosion; \$1 per acre. Deep plowing sandy cropland; 12 to 15 inches, \$2.50 per acre; 15 to 18 inches, \$4 per acre; 18 inches or deeper, \$5 per acre.

Contour listing, contour chiseling, cross-slope chiseling, pit cultivation, or listing or chiseling on the contour; 50 cents per acre. Control of bindweed; Sodium chlorate, \$7.50 cwt.; polyborch- lorate, \$7.50 cwt.; concentrated Borascu, \$4 cwt.; CMU (Karmex W. or Telvar), \$2 per pound, or \$7.50 per acre for continuous cul- tivation at intervals not to exceed

14 days during the entire grow- ing season. Application of cotton burs to cropland; \$1.25 per ton, not to ex- ceed \$2.50 per acre. Improvement of vegetative cov- er on range or pasture land by deferred grazing; 20 cents per acre for the period May 1, 1957, through Sept. 30, 1957.

## 200 Expected At C. Of C. Banquet

Approximately 200 members and guests are expected to attend the annual banquet of the Post Chamber of Commerce at 7:30 p. m. today in the school lunchroom.

John Ben Shepperd, who has just completed two terms as attorney general of Texas, is to be the principal speaker. He will be introduced by C. E. Fulghum of Lubbock, a former secretary of state.

Also on the program will be the presentation of community service awards to Post's outstanding man and woman of the past year. The presentation is to be made by Chant Lee, a newly-elected director of the Chamber of Commerce.

Invocation will be by the Rev. Clinton Edwards, pastor of the First Presbyterian Church, after which guests will be introduced by Irby G. Metcalf Jr., who is to serve as master of ceremonies.

The president's report is to be made by outgoing president E. R. (Buster) Moreland, after which the speaker will be introduced by Fulghum.

The community service awards will follow Shepperd's address. Annual business, which will include voting on closing holidays for 1957, will be conducted by Bryan J. Williams, new president of the organization. Dinner music will be by Georgie M. Willson, head of the music department at Post High School.

The banquet will be prepared and served by Mrs. Lowe White, Mrs. Winnie Henderson and the lunchroom staff.

## COUNTY'S FIRST WOLFCAMP FIND? 2 Oil Discoveries Loom In County

An apparent Wolfcamp discovery in the South Rocker "A" Strawn area of southeastern Garza County has reported new oil on swab gauge. It is the Neville G. Penrose and R. S. Anderson No. 1-S Nance, a west outpost to Strawn production in the Justiceburg area.

Meanwhile, Paul C. Teas No. 1-A J. B. Slaughter Estate, apparent Strawn discovery in the

west-central part of the county, was waiting on cement after setting five and one-half inch casing at total depth of 8,502 feet.

At the No. 1-S Nance, hole was bottomed at 8,058 feet in Strawn prior to plug back to 5,567 feet. Perforations were affected opposite the Wolfcamp from 5,422-34 feet and exposed section washed with 500 gallons of mud acid.

After cleaning to pits, the well swabbed 126.9 barrels of new oil to tanks in four hours. Operator was preparing to install pump and potential.

At the No. 1-A J. B. Slaughter Estate, operator ran a final test from 8,409-440 feet after recovery of oil on a series of tests. Production was first indicated with the recovery of 1,320 feet of free oil on a drillstem test between 8,150-87 feet. Another test, between 8,359-79 feet, unloaded oil as pipe was being pulled and netted final recovery of 7,550 feet of oil. A third investigation, from 8,379-94 feet, yielded 7,125 feet of free oil. No formation water was reported on any of the tests.

The wellsite is four miles south of Garza-Glorieta production and about 11 miles northwest of Strawn in the South Rocker "A" field. Exact location spots 330 feet from west and 3,576 feet from south lines of Section 31, Block 1, Jasper Hays Survey, six miles south of Post.

## Ministers Endorse Hungarian Relief

The Post Ministerial Alliance voted Friday to approve and give endorsement to recognized agencies for Hungarian relief and is urging citizens of Post and Garza County to cooperate with these agencies.

In a report to local ministers, the Rev. Clinton Edwards, pastor of the First Presbyterian Church, pointed out that at least 60,000 Hungarians — including fatherless families, some single men and women, and lone children—have escaped the Russian attempt to re-establish Soviet rule in Hungary. Most of these persons are living in temporary camps around Vienna. They are in need of medicines, food, blankets and winter clothing.

Many volunteer agencies are helping, including all of Austria's churches, the World Council of Churches, Church World Service and other church groups.

The Rev. Mr. Edwards said Post and Garza County people wishing to aid the Hungarians can make contributions through their churches, who will see that they reach the proper channels for shipment to Hungary.

The following information is for those wishing to contribute directly to the relief agencies.

Clothing: Winter clothing, including blankets, baby things, and funds for processing should be sent to Church World Service, care of the nearest clothing center, the nearest to this section being located at 4165 Duncan Ave., St. Louis 3, Mo.

Blankets, medicines, and foods: Funds for these items may be sent to "One Great Hour of Sharing," Roger H. Johnson, treasurer, 156 Fifth Ave., New York 10, N. Y., designated for "Hungarian" or "Refugee" Relief.

Family assurance: Congregations interested in providing assurances for Hungarian families or single adults may apply to See POLL TAXES, Page 5 See HUNGARIAN, Page 5

## Former Resident Is Killed In Accident

Travis Loyd, 43, son of Mr. and Mrs. T. A. Loyd of Post, was killed in an automobile accident Monday at Cocoa Beach, Fla., where he was employed at the Pan-American air base.

Loyd's wife, who called his parents Tuesday morning to inform them of his death, said the accident occurred while Travis was driving home from work. Other details were not immediately available.

He was a 1932 graduate of Post High School and attended college for one year before joining the U. S. Navy. He was retired in 1954 after 20 years' service and had been employed at Cocoa Beach since that time.

Besides his wife and parents, Loyd is survived by one brother, Guinn Loyd of Whittier, Calif., and four sisters, Mmes. Maxine Fair of Ontario, Calif., Nova Clary of Dallas, Joyce Stanley of Carlsbad, N. M., and Katherine Caffey of Breckinridge.

## 1956's 4.99 Inches Lowest On Record

With rainfall below normal for every month of the year, 1956 has gone on record as the driest year since records have been kept here and for no telling how long before that.

The year's total in Post was 4.99 inches, which is 3.83 inches below the previous low mark of 8.82 recorded in 1951.

Rainfall records have been kept here since 1908, one year after the city was founded. The Double U Company kept records until the office was moved to Levelland in 1952 and since that time they have been kept by County Agent Lewis C. Herron.

Following is the 1956 moisture by months and the normal for each month:

- January—62; normal, 55.
  - February—55; normal, 1.00
  - March—None; normal, .78
  - April—09.; normal, 2.03.
  - May—2.33; normal, 2.47.
  - June—44; normal, 2.49.
  - July—68; normal, 1.98.
  - August—None; normal, 2.25.
  - September—01.; normal, 2.25.
  - October—46; normal, 2.34.
  - November—None; normal, .81.
  - December—41.; normal, 1.01.
- The 1956 total of 4.99 inches was 15.44 inches below the yearly normal of 20.43 inches.

## Poll Tax Payment Deadline Nearing

Less than three weeks remain for Garza County residents to pay their poll taxes and qualify for voting in 1957 elections.

Jan. 31 is the last date for paying the poll tax which is a prerequisite for voting in Texas.

There were more than 1,600 qualified voters in Garza County in 1956.

The poll tax is \$1.75 per person. Persons who were 60 years of age before Jan. 1, 1956, however, are exempt from the tax payment.

Mrs. Juanita Lancaster deputy collector T. H. Tipton said Tuesday that 434 poll taxes have been paid in Garza County since payments first began Oct. 1.

Persons becoming 21 years of age are entitled to an exemption for their first poll tax.

They may obtain the exemption and "free votes" at any time during the year.

## Auto Inspections Few, Far Between

Up to Jan. 1, only about 10 per cent of Garza County's 3,097 registered motor vehicles bore new inspection stickers, according to Tom Barnes of the Motor Vehicle Inspection Division of the Texas Department of Public Safety.

Barnes, who was here Wednesday, said only 308 vehicles had been inspected up to the first of the year and that the trend hasn't picked up much since that time.

The current inspection period began last Sept. 15 and is to continue through April 15. Barnes said strict enforcement of the law providing for inspection stickers would begin the morning of April 16.

Inspection stations in Garza County are Tom Power, Inc., Ford Dealer; Caprock Chevrolet, Inc., Dowe H. Mayfield Co., Inc., Wilson Bros., and Service Welding & Garage, all of Post, and Southland Hardware at Southland.

## Takes 2 Searches To Find 'Lost' Girl

A 12-year-old Enid, Okla., girl who ran away from home and hitchhiked to Post, then made another jaunt to Lampasas after being located here has been returned to her home, it was learned Wednesday from the girl's grandmother, Mrs. E. C. Herren of Post.

Karen Davis, daughter of Mrs. Lois Dotson of Enid, was located here Sunday after being reported missing Saturday from her home in Enid. Found at the home of a friend here, the girl told Sheriff Carl Rains and Texas Ranger W. E. (Razz) Renfro that she didn't go to her grand mother's house after arriving in Post because she was afraid she'd get spanked for leaving home.

Later, the Davis girl and her friend here decided to hitchhike to Lampasas, where they were located Monday afternoon.

Mrs. Herren said she didn't as much as see her granddaughter during the girl's brief stay in Post.

"It was the first time she'd ever run away from home," Mrs. Herren said. "She and her 10-year-old sister attended school here from September until Dec. 16, when I took them to their mother in Enid, and I suppose Karen liked it so well in Post that she just wanted to come back."

## Funerals Held Tuesday For Victims Of Accident

Funeral services were held at Grassland and Tahoka Tuesday for two men who were killed in a car-pickup collision Sunday afternoon near the Graham community.

Last rites for Bryant C. Childs, 67, who had lived in the Graham and Grassland communities for 29 years, were conducted at 2:30 p. m. at the Grassland Methodist Church. Services for Richard H. McNeely, 22, of Tahoka were held at 3:30 p. m. in Tahoka's First Baptist Church.

Jimmy McMillan, 18, also of Tahoka, was injured in the collision. He was still in Garza Memorial Hospital Wednesday suffering from facial lacerations.

The Rev. A. T. Nixon, Baptist minister, and S. M. Bean, pastor of the Grassland church, officiated at the Childs funeral. Burial, under direction of Hudman Funeral Home, was in Grassland Cemetery. Pallbearers were W. C.

Bush, Elmo Bush, Marshall Tipton, Claude Chapman, Mike Custer, Irvin Scarbrough, Odann Cummings and Ed Sims.

Mr. Childs had been a Baptist since childhood and was a member of the Post Masonic Lodge. He is survived by his wife, Eva; two sons, W. H. Childs of Post and Harold Childs of Ringling, Okla.; one sister, Mrs. Tom Mahan of Center; three brothers, Louis, Jim and John Childs, all of Center, and six grandchildren.

Mr. McNeely is survived by his wife; two sons, Kirk, 3, and Todd, 3 months; his parents, Mr. and Mrs. Bill McNeely of Wilson, and four brothers.

The collision occurred about 1:45 o'clock Sunday afternoon at the intersection of FM Road 1313 and a county road, just west of the Jess Probst home.

Sheriff Carl Rains, who investigated, said Childs was traveling north on the county road in a 1955 pickup when it was in collision with a 1953 sedan driven eastward on the farm-to-market road by McMillan.

Mr. Childs was driving alone and McNeely was riding with McMillan.

The sheriff said both vehicles overturned several times and rolled.

## Auto Tag Shipment Is Received Here

The new 1957 Texas motor vehicle license plates have been received at the tax assessor-collector's office here and will go on sale Feb. 1.

This year's tags are entirely new in color and design. They are white with black letter prefixes and numerals.

"BK" is the Garza County letter prefix this year instead of "BE", which was the prefix in 1956.

In addition to the new color scheme, the tags bear a Lone Star between the prefix and numerals.

Of the tag shipment received here, 1,600 are passenger car tags.

## CITY COUNCIL DECIDES ON MEASURE AT MEETING MONDAY

# Fireworks Ordinance Seen

The Post city council voted Monday night to have drawn up for early passage an ordinance making it unlawful to sell or set off fireworks within the city limits.

Mayor James Minor said such an ordinance had been under consideration for some time and that several incidents which occurred during the holidays in connection with the shooting of fireworks hastened the council's action on the matter.

The council also voted to join Garza County and the Community Chest in setting up a welfare fund for the coming year. The city's share in the program will amount to \$900.

In other action, the council voted to install a telephone bell

system for individual members of the Post Volunteer Fire Department and to sponsor attendance of three firemen at the annual firemen's school held at College Station.

It was explained that the city can get 4 per cent credit on its key fire insurance rate by sending the firemen to the training school. Fire Chief Robert Cato and Fire Marshal Ralph Cockrell were at the council meeting and told of a training course which began here Wednesday night of last week for members of the fire department. Mayor Minor said this course in itself will result in a percentage reduction in the city's fire insurance rate.

It was announced at the meet-

ing that the city has received the deed on ten additional cemetery acres sold it by the Double U Company, which donated an additional three blocks, making 13 in all for future expansion of Terrace Cemetery.

A report on the current paving project disclosed that 24½ blocks have been signed up in the program. Of this number, 16½ have been caliche and are ready for asphalt shooting, and the caliche base will soon be completed on the other eight blocks. All blocks will be ready for the asphalt topping as soon as warm weather arrives, the mayor said.

The council also discussed, but took no action on, the purchase of a new all-purpose truck.

## Lions, 'Phone Workers Devise Ways To Assist Garza March Of Dimes

Garza County's 1957 March of Dimes gained momentum this week with announcements from General Telephone Co. of the Southwest and the Post Lions Club of their plans to assist in the drive.

Paul Duren Jr. has announced that on Monday, Jan. 14, every employee of the telephone company here will donate 10 cents to the March of Dimes for each long distance call completed between midnight Sunday and midnight Monday.

The Lions have announced that they will hold their March of Dimes "radio-thon" again this year on Jan. 25 and 26 through the facilities of station KRWS. Items donated to the Lions for this purpose will be auctioned in the radio-thon, with all proceeds going to the MOD. Those wishing to donate items for the auction are asked to contact Don Butler at the Continental Supply Co.

Coin collectors will be placed in business houses this weekend, according to Pat N. Walker, chairman of this phase of the campaign. Cards will be mailed to residents of the city under the direction of Bill Thonass. The cards contain slots for money and may be used in sending contributions to the March of Dimes.

## Hays Infant Is Buried In Graveside Services

The infant son of Mr. and Mrs. Jacke Hays was buried in Terrace Cemetery following graveside rites at 2 p. m. Monday. Hudman Funeral Home was in charge of arrangements.

The baby was stillborn about 8 p. m. Sunday in Garza Memorial Hospital.

Mr. and Mrs. Hays have two other children, a son, Mike, and a daughter, Anita. The grandparents are Mr. and Mrs. Jim Hays of Post and Mr. and Mrs. Ogal Harris of Jasper.

**BANK DEPOSITS UP**

Deposits at the First National Bank at the close of business Dec. 31 totaled \$5,498,863.16, a gain of \$414,806.32 over deposits for the same time last year. Loans and discounts at the time of the current call totaled \$2,482,498.29 as compared with loans and discounts of \$2,948,540.71 for the same time last year. Irby G. Metcalf Jr., bank president, attributes much of the increase in deposits to new business.

# Thursday To Thursday

By CHARLES DIDWAY

THIS WEEK'S BIG event will be tonight's Chamber of Commerce banquet, which gives every indication of being the most entertaining and successful of any ever held by the organization.

TWO FORMER STATE officials will be on hand, and a number of other out-of-town guests are expected. Those who have heard John Ben Sheppard speak know they are in for an interesting address, whether or not they agree with everything the former attorney general has to say. We've never seen eye-to-eye with him on a number of issues, but we are looking forward to hearing him tonight. He's an interesting speaker.

THE OTHER EX-STATE official is C. E. (Everett) Fulghum of Lubbock, who will introduce the speaker. Suspense, which helps make most anything more enjoyable, will be provided by the mystery of which man and woman among us will receive the Outstanding Community Service awards.

SINCE 1957 MARKS the fiftieth anniversary of the City of Post, president-elect Bryan J. Williams has come up with the bright idea of dubbing tonight's affair the "50th Anniversary Banquet." If things work out as the Chamber of Commerce is planning, the banquet will be only a prelude to a much bigger birthday celebration later in the year.

ALSO LOOMING LARGE on the local scene is the annual March of Dimes, which started rolling last week and will continue throughout the month. Last year, Garza County went over the top in big league style in its March of Dimes and this year's drive gives promise of being a repeat performance, according to chairman Almon Martin.

TIED IN WITH this year's MOD is a campaign to get everyone who hasn't already done so to take the Salk vaccine shots. That's the main purpose behind the organization at Post High School of a "Teens Against Polio" chapter.

WE'VE JUST READ that it is possible to seat five people at a table in 120 different combinations. So, if you ever find yourself sitting next to someone you'd rather not be, just remember that there are 119 ways to improve the situation.

POST'S CIVIC CLUBS got back in the groove with meetings this week after having missed a couple because of the holidays. Year in and year out, these organizations do are for their community than they sometimes get credit for. They deserve the wholehearted support of everyone, including non-members.

ONE TROUBLE WITH the world is there are too many people in it who talk too much—and too many people who listen to them.

THERE'S NEVER A dull moment in the vicinity of the scorer's table at home basketball games—not even when the action dies down on the court. There is a group of youngsters ranging in age from six to 12 or 13 who see to it that no one becomes bored.

THESE YOUNGSTERS congregate at the west end of the north stands, where the scoring table and time clock are located, and do everything but watch the game. At the same time,

## THAT IMPORTANT POLL TAX

Although 1957 is nominally referred to as an "off year" in Texas politics, January nevertheless remains as the last month to pay poll taxes. On the local level, there'll be a bond election on the proposed White River dam project and then a water contract election if the bond issue carries. There'll also be a city election for a mayor and two councilmen.

Statewide, it is entirely possible, with the Legislature in session, that some important constitutional amendments will be submitted to the voters for decision during the year.

Failure to pay a poll tax before the deadline at midnight, Jan. 31, means disfranchisement of the right to vote. That's something no progressive-minded citizen wants to happen to him.

Only about three weeks remain in which to pay that poll tax. Let's not all put it off until the last minute.

We in America firmly believe we have found that better way of life. Certainly we are not overly endowed of a proper spirit with which to receive and enjoy that better life, but most of us are cognizant from today's news headlines that we are indeed a blessed people.—Bennington, Vt., Evening Banner.

After a reign of terror, murder, starvation and torture imposed by Soviet armed forces, just imagine what a wonderful Thanksgiving it was for Hungarian survivors who landed on America soil . . . And yet there are people in this country, far too many of them, who give unfavorable comparison of our country with other nations. We must never forget the infamies perpetrated by Communism nor must we ever lose our love for freedom.—Onida, S. D., Watchman.

We have always felt that the present pressure to force the federal government into public school systems of the nation by the subterfuge of "financial aid" would be the beginning of the end to our traditionally free system of education.—Birmingham, Ala., Industrial Press.

"The Government Has No Money Except What It Takes From The People." That reads like a sage bit of wisdom which we might hope to find over the entrances of some of our government buildings in Washington, and which could be repeated on placards in every office of every federal government bureau.—Newport Beach, Calif., News Press.

they usually succeed in keeping anyone else from watching it. From one seat to another it's about 18 inches and these kids delight in jumping back and forth, landing flat-footed with a disconcerting noise that drowns out most everything else.

THEY CAME UP with something new at last Friday night's game. After they tired of jumping from one seat to another, they pulled pocket knives and spent the rest of the game flinging the knives so the points of the blades would stick in the wooden seats. The fact that there were scorekeepers and timekeepers dangerously near and trying to keep their minds on their business and on the flying steel at the same time didn't seem to bother the kids a bit.

PERSONALLY, IF THEY'RE not going to watch the ball game, we'd just as soon they'd go to the picture show or stay home.

Roger W. Babson Writes This Week:

## Electronics Use May Develop Machine Which Would Eliminate Services Of Stenographers

BABSON PARK, Mass.—The greatest efforts will be made to develop a small safe reactor which will enable homes to use uranium for fuel instead of oil, or gas, or coal. Next there will be more use of electronics to take the place of workers in factories. This is known as automation.

Stenographers Beware! The use of electronics which interests me most is to have a machine into which I can talk and have writing come out the other end! There are now several successful dictaphone machines which transfer the voice onto "receivers" such as blank flat phonograph records, or the standard wax cylinders, or electronic magnetic tape. I am told that the Soundcriber Company is perhaps the most progressive, but all are doing good work as far as they go.

All dictating machines, however, now need a pretty girl to take the material from the wax cylinder, or the flat record, or the electronic tape, and transfer it into written words on a sheet of paper by use of a typewriter. Great efforts, however, are being made to eliminate the need for this typist so that a person can dictate directly into a machine and have something come out which anyone can read. This would not require a typist.

Returning to Phonetic Spelling Some years ago there was a fine hotel at Lake Placid, New York, which promoted the Dewey Phonetic Spelling. Mr. Dewey wrote all his advertisements, circulars, letters, and even menus with phonetic spelling. Whether he did it to amuse the guests or to promote the phonetic idea, I do not know. One thing certain is that for any of these revolutionary dictating machines to succeed, all children must be taught phonetic spelling. At the present time, three large corporations are trying to develop these new machines. Let me explain their three different methods of approach.

The International Business Machines Corporation is hoping to have its machine use the same alphabet we now use in letters. The Eastman

Kodak Company may bring out a photograph method. Of course, the photography of still images was really a wonderful invention; then followed the photography of moving pictures. It is possible that these can be developed so that the spoken word will be photographed like a moving object. This is almost approached now by showing in television the expressions on people's faces; in fact, many listeners have the ability to read the lips of speakers. Photography experts will not be satisfied until they can photograph thoughts, as well as words.

The Electronic Method Of Writing "Shorthand" Of the different systems, the electronic system interests me most although it requires forgetting the present alphabet and returning to the use of script writing. First came the telegraph with the dash and dot system; then came the telephone and TelAutograph; then followed the electronic-phonograph and the magnetic tape. Few persons realize the wonderful electronic machine that is in their latest phonograph. When Thomas Edison invented the original phonographs, they were purely mechanical. Every spoken word made a wavy indentation on a wax cylinder, after which these wavy movements were exaggerated by levers which, at the other end, moved a thin metal diaphragm and faintly reproduced these spoken words. With a large horn the sound increased so that anyone, nearby, could hear them.

The modern phonographs, however, turn the waving motions which have been produced by the spoken words into electric waves which, through the use of tubes, are greatly magnified. Radio Corporation of America is already transferring these words into wavy lines which some experts can read. This would be the ideal system; but it would require the use of almost a new written script something like "shorthand" which could be taught to every child. Even this, however, is not so revolutionary when you think that the "score" of music is an entirely different "alphabet" which millions of young people of all nations have learned to read and enjoy.

## Getting Out On The Limb

By EDDIE the editor

SUDDEN THOUGHT: Jan. 2 is when most people find out that it's easier to break a resolution than a habit.

This newspaper never has made the claim that we print all the news. If we did some faces in the community would glow like Christmas trees.

TODAY'S SPELLING lesson: "A keeter bit the human bean on the shoulder of his buddy, drawing blud, and he called a docter and nerser before he divilped brane fever."

If you fail to spot the errors in the above paragraph, you can still go to college, says Dr. Kenneth B. M. Crooks, zoology professor of Fort Valley State College in Georgia.

He says he has seen from 100 to 500 college students make these same misspellings, and more. Words like ginnny pig, brane, bobby, blud, nerser, colur, curcle, somthing, punkin, worf (for wharf), anamal. Many college students can't spell common words, some do not know the alphabet, and something should be done about it, he told the American Assn. for the Advancement of Science.

"It is well known that college students do not read, write, nor comprehend as well as they should. This study (over a 25-year period) proves that they cannot spell either."

Dr. Crooks cited these among the probable reasons: Children don't get enough drill in writing and spelling. We are addicted to slogans, incorrect public signs and notices. Most school teachers seem to feel that teaching spelling is beneath their dignity.

HUNTING ACCIDENTS are by no means amusing, but I find some of the headlines that way. For example, "Gun Discharges While Climbing Fence, Killing Hunter." My comment on that one is that it is advisable to stand well out of the way when a gun is climbing a fence.

Another one, "Hunter Shot By Mistake For A Moose." All I can say is that anyone who resembles a moose shouldn't go moose-hunting without first disguising himself.

Another headline reads, "Late Husband Shoots Wife." Evidently words were transposed in the headline and it should have read, "Husband Shoots Late Wife," in which case he was no doubt justified in doing so. More wives should be shot for being late.

Canada's Prime Minister probably played as good a game of golf as he could against President Eisenhower some days ago, as Canada isn't trying to borrow any money from the U. S.

WITHOUT FANFARE, the so-called law passed by the school board some two years ago that students marrying while attending school would not be allowed to finish their education has gone by the boards. It should have been rescinded the day after it was adopted.

Since the measure was adopted by the school board, there have been at least a half-dozen high school students who have dropped out of school here after marrying. Any one or all of these students could have gone on and finished their education if they had wanted to buck the board's decision. More than likely, the reason they didn't is because they didn't relish the thoughts of the publicity that might have been connected with it.

Not long after the measure was adopted by the board, this newspaper requested and received a ruling from the Attorney General's office to the effect that any law prohibiting married students from attending high school wasn't worth the paper it was written on.

I wish to congratulate the couple who finally decided to see if the board's two-year-old decision on married students held water. They found out it didn't.

THE WOMEN, bless 'em: "If the shoe fits wear it," is advice no woman ever follows. If it fits, she thinks it's too large.

A government is never better than its people, and in many a case it's a great deal worse.

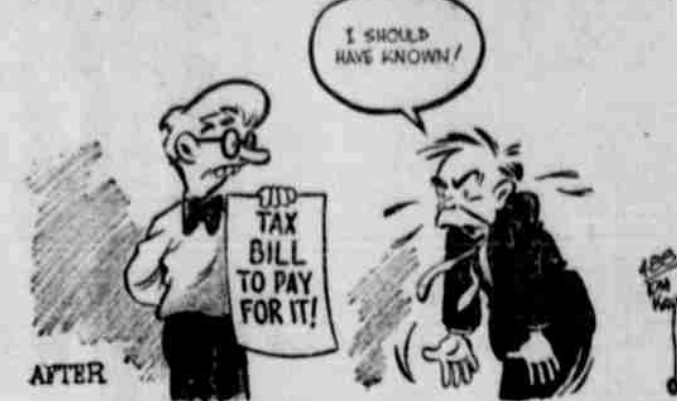

It doesn't take many liberal helpings of something for nothing to destroy the average person's taste for work.

A glove manufacturer whose supplies of pigskin bore many scars, wrote a letter of complaint to his supplier and was told in reply that this was due to hogs fighting each other.

He wrote back, "But why must you always send me the skins of the ones that lose?"

Too many people miss the silver lining because they're expecting gold.

Seek Junior College Petitions being circulated throughout Cochran County calling for an election to designate a Hockley-Cochran County Junior College District will be presented to the county school board. The petitions, being circulated by the Morton Jaycees, ask the County Board of Education to call an election to determine whether or not the majority of property-owning, tax-paying citizens of Cochran would want to see such a junior college district established.—Morton Tribune.

One Day At A Time The present only belongs to us. Of all the vast eternities, only the moment we presently enjoy is assured to us. The past is an accomplished history that cannot be altered; the future is a prospective record that cannot be presaged.

The influence of today's activity may touch the very shores of eternity; but it is to the individual only a momentary opportunity. The burdens that rest heavily on tired shoulders may be entirely removed by tomorrow's dawn. It is only the duties of the day that demand performance and the evils of the hour that need to be borne.

The attempts to bear tomorrow's load results in failure, both for the present and the future.—The Hamlin Herald.

Dry There, Too "Driest year on record," a remark which has been made many times in the past six years, seems to be a fact for 1956. Total rainfall for the year in Stamford was 7.91 inches. Dry West Texas

has seen that amount of rain in a single month in occasional years.—Stamford American.

New Year's Thought Forget the past. No man ever backed into prosperity.—"Around Journal Square" in The La Grange Journal.

Better Than Expected County Agent Roy Pede found business better than expected when he visited Wink last Friday to vaccinate dogs and cats against rabies. He vaccinated 42 dogs and 15 cats in about two hours, then ran out of serum. He returned Saturday and continued his work, but did not get a report on the number of these. Thirty dogs were also tagged.—Wink Bulletin.

Accident Eliminator The admonition to expect the other fellow to violate the law should become a philosophy of life, not merely a slogan to go in one ear and out the other. Such an attitude on the part of a driver would eliminate many, many traffic accidents.

They Pay Anyhow As we were saying, if we don't hire a city marshal, we're going to pay his salary anyhow, so we might as well have his services. While we were debating such an extravagance, burglars knocked off Mac's Food Store for \$263. They'll be back, if they have any sense at all. ## Texas Timber Industry Has Made Big Comeback in Past 20 Years

By JOHN C. WHITE  
Commissioner of Agriculture

Anybody want to build about 865,000 average five-room houses this year? Enough lumber will be cut in Texas in 1957 to do it!

If a 10-foot wide wooden belt were needed around the equator to hold the earth together, Texas could furnish the material and still have some left over. Or laid end to end, Texas' yearly lumber would form a continuous span to the moon.

The piney woods section of East Texas has made a real comeback in the past 20 years. Almost one million acres more forest land exists today than in 1935 due to once cleared land reverting to woods.

Forests now cover 11,655,800 acres in the commercial timber belt of East Texas. Annual income exceeds \$100 million from cut lumber, furnishing employ-

ment to over 50,000 persons. The volume in sawtimber trees totals 26 billion board feet. Softwood sawtimber volume, mainly southern yellow pine with some cypress and red cedar, has risen 28 per cent since 1935 in southeast Texas. This big increase in growth reflects the great progress made in protection and improved forest practice during the past 20 years.

Fire, insects, disease, and other natural disasters annually kill about 50 million cubic feet of timber in East Texas. Special attention is being given this problem for if the existing timber supply were exhausted, the economy of 36 counties would be severely hurt.

About 92 per cent of Tyler County is in forest land, and in Newton, Polk and Angelina counties, more than 80 per cent of the total area is wooded. From these and other counties come over 1 1/2 billion board feet of lumber handled by 70 large sawmills and several hundred portable mills.

Three pulp mills in Texas are now using about half as much pine annually as all of the more than 500 sawmills together.

The towering pine is still big business in Texas, and will be for many years to come.

## Spring Meeting Of Area Teachers Is To Be In Lubbock

Almost 100 per cent attendance by members of the Post faculty is expected at the annual spring meeting of the West Texas State Teachers Association in Lubbock on March 7 and 8.

Announcement of the meeting was made Saturday by O. R. Douglas, president of District IV Texas State Teachers Association and superintendent of schools at Brownfield.

Members of the House of Delegates are scheduled to meet at 7:30 p. m. Thursday, March 7, at the Caprock Hotel.

The first general session will be held in the Municipal Coliseum at 10 o'clock Friday morning, March 8. At least three luncheon meetings are scheduled, including the Administrators Luncheon at the Lubbock Hotel, the Classroom Teachers at Monterey cafeteria, and school business officials at the Plainsman Hotel. Sectional meetings will be held in the junior and senior high school buildings of the city from 2:15 to 4 o'clock.

The second and final general session will be held in the Municipal Auditorium at 4:30 p. m. Dr. Andy Holt, vice-president, University of Tennessee, will speak at the first general session and Pearl A. Wanamacker, Superintendent of Public Instruction, State of Washington, will address the second general session.

District 4 includes 24 counties of the South Plains. Approximately 5,500 West Texas teachers are expected to attend the spring meeting.

Mr. and Mrs. Otis Goode and daughter spent Sunday in Lubbock visiting friends and relatives.

## TCU Acquires File 'Christian Baptist'

FORT WORTH (Spl.)—A complete file of the original printings of the "Christian Baptist", one of five in the U. S., is now available to students of the early American church at Texas Christian University.

The set of periodicals, published 1823-1830, has been acquired by Dr. A. T. DeGroot, distinguished professor of church history in TCU's Brite College of the Bible, whose library of historical material on the Christian Church (Disciples of Christ) is the largest in private hands.

The "Christian Baptist" was edited and published by Alexander Campbell, principal figure in the early group which brought together the movement resulting in the body now known as the Christian Church. It was published on the press in his home in Bethany, Va. (now West Virginia.)

The magazine provides the best source of original material for study of the early Disciples movement. Only other complete files are located in Bethany, Lexington, Ky., Nashville, Tenn., and Indianapolis, Ind.

Dr. DeGroot has also secured one volume of the paper which was once the property of Alexander Campbell, Jr., and which bears his signature. The younger Campbell was a leading political worker, and at one time was chairman of the Democratic National Committee.

Funeral services for I. J. Duff, 62, former Southland school teacher, who died Jan. 1 in Yoakum County Hospital after a long illness, were conducted last Thursday at Plains. Burial was in Tech Memorial Park, Lubbock. Mr. Duff is survived by his wife; three daughters, Mmes. H. G. Chilton Jr. of Fort Worth, H. W. Taunton of Plains and Clay Mims of Midland, and three sons, I. J. Duff Jr. of Leveland and Rod and Buford Duff, both of Plains. Mr. Duff had been a resident of Plains since 1951.

Mr. and Mrs. Paul Jones and family and Auvy Lee McBride spent Sunday in Lubbock, where they attended services at the Broadway Church of Christ and were afternoon guests of Mr. and Mrs. Gene Jones and family.

Mrs. J. I. Northcutt is spending several days visiting relatives in Abilene. Miss Sharon Brooks of Big Spring was a guest in the Odean Cummings home last week. She returned home with her mother, Mrs. Guy Gearhart, Sunday.

## FIVE NEW FORD 'glamour wagons long, low and loaded with Go!

Leave it to the station wagon leader to make the big news for '57! And what news! Wagons so big, so full of fine-car prestige that you'll wonder how it can be done at low Ford prices.

If your choice is the Country Squire, you'll be proud to pull up at the finest places in this new glamour wagon with its wood-like trim.

If your needs call for a 6-passenger wagon with four doors, you'll love the new Country Sedan. It has almost nine feet of loadspace—nearly a foot more than ever before.

There's still another 4-door Country Sedan. It has the extra third seat for 9-passenger room. And, as in all Ford wagons for '57, you have the new single-control handle

which opens both the wrap-around liftgate and tailgate with one motion. And they can't be opened from inside!

There's good news, too, about Ford's popular Ranch Wagon. This 6-passenger, 2-door model features Ford's new subdued tones, and smart interiors which defy muddy little shoes and drippy chocolate cones.

In the wonderful way that Ford can take a fine thing and make it even finer, the Del Rio Ranch Wagon goes beyond the Ranch Wagon in style, fabrics and trim.

Better take a Ford wagon for a spin. You'll agree that for styling it's a sweetheart . . . for work and power, it's an obedient slave!

New '57 Fords have toughest shakedown cruise in history!

The '57 Ford broke 438 national and international records from 1 kilometer to 50,000 miles at Bonneville, Utah. For 50,000 miles, two '57 Fords averaged over 157 and 158 mph respectively. This time included all pit stops . . . the greatest endurance test of all time!

**News From Around**

**POSTEX MILLS**

By A. LEE WARD

Well, its Tuesday again and "raining". This is the first news we have had since the week before Christmas and we certainly have missed out on what everyone did over the Christmas holidays. We do want to take this opportunity to express our appreciation to all the folks that supply news for this column and to those that have the patience to read it.

The management also wishes to express their appreciation to all the folks that work here at the Postex Mills for the wonderful jobs and fine cooperation that have been shown the past year. The past 12 months have brought many changes and improvements, and the going has been pretty rough in most of the departments. The management expects everyone's job to be easier when all the new equipment has been adjusted better and appreciates the patience everyone has shown in getting the new machinery going.

Mr. and Mrs. Fred Taylor, Ann and Mrs. Ethel King visited Mr. and Mrs. Robert Coleman and baby, and Mr. and Mrs. Bill McKamie in Odessa and Billy McKamie in Andrews Saturday and Sunday.

Mr. and Mrs. Charlie Copeland and family of Arvin, Calif., are visiting Mr. and Mrs. Fred Taylor. Pfc. Dwain Lee returned to Brize Norton, England, after spending a 30-day leave with his wife and son, Gladys and Roger. Sunday guests in the Spencer Bevens home were Mr. and Mrs. D. B. Hodges, Geraldine Hodges of Plainview, Mrs. Elmer Pettigrew, and Mr. and Mrs. Floyd Hodges and family of Justiceburg, and Bro. Reeves and children of Lubbock.

Raymond and Veva Martin of Lubbock visited Frances Buchanan Sunday.

Guests in the Gene Martin home Sunday were Mr. and Mrs. Leroy Bilberry and children, Beth Kemp, Mr. and Mrs. Winston James and Billy Wayne Williams and Paula Smith.

Mary Alice Alley was a Friday night guest of Rosemary Crispin. Mrs. Estelle Williams, Mr. and Mrs. Ben Howell, and Vera Tyler attended funeral services in Spur Wednesday for F. O. Taylor.

Mr. and Mrs. R. R. Page and Jack of Dallas spent Saturday night in the home of Mr. and Mrs. J. M. Gordon.

Mr. and Mrs. J. W. Lawson and Ralph of Chico and Mrs. F. W. Lawson and Ruth, Jeanne and Sharon Lawson of LeRoy, Minn., are visiting Mr. and Mrs. W. L. Crider.

**BITS-OF-NEWS**

Dickey Beggs, freshman student at Howard County Junior College, and two friends spent Tuesday evening here with his parents, Mr. and Mrs. J. W. Beggs.

Guests in the Curtis Davies home over the weekend were her parents Mr. and Mrs. L. P. Hancock of Midland. Mrs. Hancock was accompanied here last Wednesday by a grandson, Charles Hancock. Her husband joined her Saturday.

**Card of Thanks**

To my many friends and neighbors, I and all the children want to thank you all for the good help you gave us during the illness of our father and husband, who passed away. May the Lord bless each of you.

Mrs. A. H. Moyers, children and families

We wish to express our appreciation to our friends and neighbors for the many kindnesses extended to us during our recent bereavement.

# Miss Cockrell Weds James Boren Snyder Home Ceremony Dec. 31

Mrs. C. R. Cockrell of the double ring, candlelight ceremony was read by the Rev. Lennox Hester, pastor of Snyder First Methodist Church, in the home of the bride's parents. White flower arrangements, greenery and candelabra formed the background in the Cockrell living room, where vows were exchanged.

Mrs. Novis Rodgers, organist, played "Through the Years," "O Promise Me," "At Dawning," "I Love Thee," "Perfect Love" and the wedding marches. The bride was given in marriage by her father. She wore an original model gown of satin and lace with an overskirt of illusion. White petal point lace medallions outlined the low neckline. The fitted, lace bodice had long sleeves ending in points over the hands. Appliqued lace medallions were featured on the voluminous skirt. An scalloped headdress embroidered in tiny seed pearls held the bride's illusion veil. She carried a bouquet of gardenias and split carnations on a white Bible. Miss Joan Cockrell was her sister's maid of honor. She wore a yellow and gold chiffon, ballerina length dress and carried yellow roses. Mrs. Warren Lucas of Austin, matron of honor, wore a ballerina length dress in two shades of blue. Her bouquet was fashioned from yellow rosebuds. Miss Cecile Hayes of Midland and Miss Susan Cockrell, sister of the bride, were bridesmaids. They wore dresses like the matron of honor. John Coleman Boren served his twin brother as best man. Gene Young, Charles Bird, Jr., and Bill Phinizy of Lamesa were groomsmen and ushers. A reception was held immediately following the ceremony. The serving table was laid with a white organdy cloth, embroidered in green, with a full organdy flounce, and was centered with the attendants' bouquets. Miss Kay Lynn Walker and Clint Blackard served a tiered cake and punch, from a silver service. After a trip to Big Bend National Park, Mr. and Mrs. Boren are at home at 2518 Cedar Street, Abilene, where he is attending Hardin-Simmons University. For traveling the bride selected a black suit with white fur collar and white accessories. Her corsage was gardenias. The bride is a graduate of Snyder High School and attended Southern Methodist University, Dallas, where she was a Delta Gamma pledge. The bridegroom, a graduate of Post High School, attended Texas Tech in Lubbock before entering Hardin-Simmons. Wedding guests were from Post, Abilene, Lamesa and Baird.

Please Send or Telephone News to GANELL BABB, Women's Editor, Telephone 11, Not Later Than Wednesday Morning.

The Rev. Clinton Edwards, First Presbyterian pastor, has announced his sermon subjects for Sunday's services. Title of the morning sermon will be "Andrew" (John 1-42). At the evening service at 7 o'clock, the sermon title will be "Fountain or Cisterns?" (Jeremiah 2:13). "A Golden Anniversary" was the theme of the missionary program presented by Mrs. Almon Martin, when members of the Christian Women's Fellowship of the First Christian Church met Monday afternoon in the home of Mrs. Ella West. In presenting the topic, Mrs. Martin used many interesting points to illustrate the program topic. Mrs. K. Stoker gave an inspirational devotional, after which the group gave in unison the Missionary Prayer from the yearbook. Following matters of business, the hostess served refreshments of ham salad sandwiches, potato chips, fruit cake and coffee to Mes. Martin, Stoker, Emmett Dent, Ida Robinson, Hub Hair, Bess Thompson, Bob Madison, Victor Hudman, Mason Justice, Eva Bailey, Willard Kirkpatrick and Ed Warren. The next meeting will be held Jan. 21 in the church annex, with Mrs. Lee Davis as leader.

## Miss Caylor Weds James Babb In Double Ring Ceremony On Friday

Miss Virginia Caylor and James Babb exchanged wedding vows Friday evening in the home of the bride's parents, Mr. and Mrs. J. C. Caylor. Mr. and Mrs. Fred Babb are parents of the bridegroom. The Rev. Roy Shahan, First Baptist pastor, read the double ring ceremony at 7 o'clock, before an improvised altar decorated with pink and white gladioli. Mrs. Ronald Joe Babb, sister-in-law of the bridegroom, played piano selections including "Wonderful One" and "Because." Given in marriage by her father, the bride wore a pink silk and cotton dress, fashioned with a fitted bodice trimmed in white lace, lace trimmed three-quarter length sleeves and full skirt. Her accessories were pink and she carried a bouquet of pink roses. Miss Sue Stephens, maid of honor, wore a blue wool dress, corresponding accessories, and pink rosebud corsage. E. C. Smallwood of Southland attended the bridegroom as best man. Mrs. Caylor chose for her daughter's wedding a navy shantung suit and pink rose corsage. Mrs. Babb wore a wine suit with white carnation corsage. At the reception which followed the vows, Mrs. Ronald Joe Babb served punch and Miss Stephens, the tiered cake, from a table laid in grey damask. After a trip to Ruidoso, N. M., the couple will be at home here. Both are graduates of Post High School. Mrs. Babb is employed as assistant cashier for General Telephone Co., and the bridegroom farms.

Guests for the wedding and reception were the couple's grandmothers, Mrs. Mattie Caylor and Mrs. Minnie Shepherd, and Mrs. Shahan. The Priscilla Club met recently at Mrs. C. W. ## Murray-Hemmeline Vows Read At New Home Saturday Evening

New Home Baptist Church was the scene of the marriage of Miss Peggy Jeniece Hemmeline to Billy Howard Murray Saturday evening. Altar decorations were white stock, multiple candelabra, baskets of white stock and fern trees. C. L. Newcomb, minister of the Slaton Church of Christ read the vows. Parents of the couple are Mr. and Mrs. Henry Charles Hemmeline and Mrs. G. C. Murray of Canyon, and formerly of Post. Miss Don Evelyn Joines sang "Through the Years," "O Promise Me" and "The Wedding Prayer." Mrs. E. W. Patterson was accompanist. Before the bride entered the church, she sang "Always."

Mr. and Mrs. R. D. Hinson are parents of a daughter born at 5:48 p. m., Jan. 5, in Garza Memorial Hospital. She weighed seven pounds, five ounces and was named Debbie Donnic. A son was born to Mr. and Mrs. B. H. Powers of 3413 48th Street, Lubbock, and formerly of Post, at 10:43 a. m., Monday in Methodist Hospital. He weighed six pounds, 15 ounces. Mr. and Mrs. Jess Rogers are the grandparents. Mr. and Mrs. Gene Giles of Duncan, Okla., are announcing the birth of John Terry, Jan. 4. He weighed six pounds. Giles, a former Post resident is manager of a service station in Duncan. Mrs. H. F. Giles is John Terry's paternal grandmother.

Look Who's New

The Rev. Roy Shahan reports: "We have 37 enrolled in the Bible Study Class this week. The Book of Romans is being studied. The class will meet through Friday evening from 7:00 p. m. to 8:30 p. m. Good attendance was noted in the services of the first Sunday in the New Year. We hope that the attendance increases as the time progresses. The pastor will speak on the following subjects next Lord's Day: At the morning service, 'Thy Will Be Done' (Matt. 6:10.) At the evening service, 'Knowledge and Wisdom' (Hosea 4:1-11, Rom. 1:18-24; Psalm 111:10. A welcome awaits you in these services."

**Post Girls Win, Boys Lose In Loop Openers With Lockney**

The Post Antelopes had one of their "coldest" nights of the season here Friday night in losing to the Lockney Longhorns, 63-53, in the District 2-AA opener for both teams.

The Antelopes, who had defeated Lockney, 53-44, in the Crosbyton tournament, got more shots at the basket than did the Longhorns,

but came up with a much lower shooting percentage.

Coach Burl McCoy's team outscored the visitors 34-23 in the second half, but the damage had been done in the first two quarters. The Longhorns led 16-11 at the end of the first period, 43-19 at halftime and 50-34 at the end of the third period.

The game's high scorer was Morse Merriwether of Lockney with 17 points. Noel White paced Post with 10 points on five field goals, all in the first half.

Lockney was held to only one field goal in the last quarter, but scored 11 points from the free throw line. In outscoring the visitors 19-13 in the final frame, the Antelopes scored four from the field, two of them by Kenneth Martin, and 11 from the free throw line. Jerry Hays was responsible for seven of the charity tosses.

The box score follows:

POST (54)	fg	ft	pf	tp
Mitchell	4	2	0	10
Norman	2	1	1	5
Morris	3	2	1	8
Ray	1	2	1	4
Brown	1	0	0	2

**'B' Cagers Defeat Freshmen, 54 to 24**

The Post Antelopes' undefeated "B" team rolled over the freshmen, 54 to 24, Friday evening in a preliminary to the contests between the Post and Lockney boys' and girls' teams.

The Antelope reserves had too much height, speed and experience for Coach Frank Krhut's freshman team.

The winners led 8-4 at the end of the first quarter, 23-6 at halftime and 44-20 at the end of the third period.

The box score follows:

**Tahoka Outlasts Spur In Conference Opener**

Tahoka defeated Spur, 52 to 41, at Tahoka last Friday night in the District 2-AA opener for both teams.

After trailing, 8-10, at the end of the first quarter, the Spur five hit for 14 in the second to pull up to a 22-22 halftime deadlock.

But Tahoka won going away in the third period, scoring 15 points to Spur's six.

Jerry Brown led Tahoka's attack with 22 points. For Spur, Ronnie Cloude got 12 points.

**Abernathy Cagers Win Ropesville Meet**

The Abernathy Antelopes, generally looked upon as "the team to beat" in the District 2-AA race, won the Ropesville Invitational Basketball Tournament Saturday night by knocking the host team from the unbeaten ranks, 48 to 46.

Abernathy had advanced to the finals with a first round win over the Lubbock Monterey "B" team, 70-51, and a second round triumph over Plains, 68-61.

The Ropesville girls repeated as champions in their class by downing another Abernathy team, 66-47.

Ray Baumgart scored 12 points and Bob Heath, 10, to pace the Antelopes in their championship win. Marge Guinn scored 16 and Phillips 15 for Abernathy in the girls' game.

**LOVE ME TENDER**

**Slaton Wins Title In Dimmitt Meet**

The Slaton Tigers defeated Vega, 53-53, in overtime Saturday night to win the championship of the annual Dimmitt Invitational Basketball Tournament.

Slaton got to the finals by whipping Bula, 53-30, after having won a first round game over Nazareth, 62-44.

The Slaton girls were eliminated from championship contention by losing their opener to Nazareth, 57 to 46, and then to Bula, 75-57, in a consolation round game.

Two Slaton players, Doug Corley and Larry White, were named to the boys' all-tournament team. The girls' all-star team included Linda Smith of Slaton.

**Post Girls Chalk Up 59-46 Victory Friday In Conference Game**

The Post High School girls' basketball team opened their District 2-AA season with a 59 to 46 victory over Lockney here Friday night in a game that was close in every quarter except the third.

After leading 16-13 at the end of the first period and 30-26 at halftime, Coach Jiggs King's team outscored the visitors 17-10 in the third quarter to take a commanding 47-36 lead.

Both Marie Howard and Louise Gerner enjoyed one of their best nights of the season in scoring 27 and 19 points, respectively. Kay Martin chipped in with eight, Janet Stephens, three, and Barbara Gary, one. Also seeing brief action at a forward position was Glenda Whittenderg.

The Post guards did a good enough job on Nelda Whitener, Katie Rucker and Betty Foster to assure the Post victory. Widener scored 21 points, Rucker, 15, and Foster, 10.

Seeing action at the guard spots for Post were Linda Luby, Doris Ramsey, Barbara Wheatley, Patsy Ethridge, Linda Bilberry and Linda Livingston.

**Applications Being Taken For Patrol**  
Capt. E. L. Posey, commanding officer of the Lubbock District of the Texas Highway Patrol, announces that applications are being accepted for Texas highway patrolmen and an examination will be given possibly the latter part of January.  
Capt. Posey urges that men between the ages of 21 and 35, who are otherwise qualified, check into this opportunity. Other qualifications are high school education or better, at least five feet eight inches in height, weigh at least two pounds per inch of height, a resident of Texas one year prior to application, be in good physical condition and of good moral character.  
It is a good opportunity for young men who desire future security, Capt. Posey said, offering retirement, paid vacations, sick leave and other benefits.  
Application forms may be obtained at the district patrol office in Lubbock or directly from W. J. Elliott, Chief, Texas Highway Patrol, Box 4087, North Austin Station, Austin, Texas.

**Floydada Drops Three Cage Tilts To McAdoo**  
The McAdoo basketball teams, which are compiling outstanding records, defeated the District 2-AA Floydada boys and girls Friday night in games on the Floydada court.  
Score of the boys' game was 64-63, with James Teague and Ronnie Downing scoring 18 and 14 points, respectively, for the Whirlwinds.  
The Floydada girls were defeated by a score of 40 to 27. Sonja Wilson had 13 points for the losers.  
McAdoo also won the "B" boys' game, 78-70.

**BEST TO PRACTICE SMOOTH DRIVING YEAR 'ROUND**  
**Winterize Your Driving Habits Along With Your Car, County Sheriff Warns**  
"Your driving habits must be winterized along with your car!" Motorists were given this warning today by County Sheriff Carl Rains as the Texas Safety Association's Safe Winter Driving Program was launched.  
"The winter season with its rain, sleet, snow and ice has always increased traffic hazards," the sheriff said. "But the driver's knowledge of how to drive in winter can mean the difference between a low or a high traffic toll."  
The officer pointed out that in addition to winterizing his car, a driver should heed these recommendations made by the National Safety Council's Committee on Winter Driving Hazards: Accept your responsibility. Adapt your driving to road conditions. Slippery streets call for skilled handling of the car. They cut stopping distances by about half, and increase traction to seven times. Always follow other vehicles at a safe distance.  
Keep your windshield and windows clear. Clean snow and ice off your windshield and other windows on the side and back of your car. Be sure your windshield wipers, heater and defroster are working properly.  
Get the "feel of the road." Try your brakes occasionally while driving slowly and away from traffic. Pump your brakes with a fast up and down motion to slow down or stop. Jamming on your brakes is almost certain to lock your wheels and throw your car into a skid.  
Drivers of new cars with automatic transmissions, power brakes and power steering were given a special word of caution. "In such cars," the sheriff said, "the accelerator is the control. Steering and braking should be done smoothly and with care, and the driver should ease up on the gas pedal at the slightest sign of a skid."  
Rains advised motorists to practice smooth driving the year 'round if they hope to have the habit of driving smoothly when the roads are slippery with snow or ice.  
"A good slogan for motorists this month," he said, "would be, 'To survive, winterize before you drive!'"

**HER WINDOW**  
The Bennetts live here. That's Grandmother Bennett's Bible on the window sill, and the whole family goes to the church across the snow covered field.  
John Bennett works in the local bank. Martha, his wife, is president of the PTA, and they have three lovely children. Grandmother Bennett has been living with them for the past couple of years, since she broke her hip. She can't always get to church in wintertime and that's why she calls this *her window*. When she can't be in church, it helps to be able to see it.  
To her, the church steeple represents a great many things, and brings back many memories. Her son was married in that church. Her husband was buried from it. Her grandchildren were christened in it.  
The Church has helped her to bear grief, in hours of sorrow; and it has seemed to put a benediction upon her happiness, in times of joy. Most important of all, whatever the occasion, whatever the crisis... the Church has always been there.  
To Grandmother Bennett, the most comforting thing in the world is knowing that it always *will* be there.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**Publication Lists Irrigation Facts**

"Thinking of Irrigation" is the title of a publication just released by the Texas Agricultural Extension Service and available without cost from the office of Garza County Agent Lewis C. Herron.  
Extension Irrigation Specialist R. V. Thurmond, the author, has listed in concise form the most important considerations for those contemplating an irrigation program for their farm. Illustrations are used to emphasize and clarify the facts listed.  
Such items as water supply, soils, crops, methods of applying water, equipment and planning and designing the system are covered in the publication. The final test comes, says Thurmond, when these cost factors are all added together—water cost, extra equipment, taxes, maintenance, fertilizer, depreciation, interest on investment and labor—and compared with the expected increased income derived from irrigation.  
To be profitable, the engineer emphasizes that income must be increased enough through the use of irrigation to offset the additional costs. Installing an irrigation system should not be looked upon as a short time proposition, but as a change in farm management and operation which will affect farm production and income for a long period of time, says Thurmond.

**Rev. Almon Martin Will Attend TCU's Ministers' Week**

The Rev. Almon Martin will be in Fort Worth Jan. 14-17 for Ministers' Week at Texas Christian University. Three prominent theologians—an Episcopalian, a Disciple and a Methodist—will be the principal speakers.

They will be sponsored through three endowed lectureships—the Wells, McFadin and Oreon E. Scott Lectureships.

Ministers' Week, an annual event at TCU, will be attended by more than 500 ministers and their wives from Texas, Louisiana and New Mexico.

The first of three Wells lectures will be delivered by Dean James A. Pike of the Cathedral of St. John the Divine, New York City, at the opening service of Ministers' Week on Monday night, Jan. 14.

Dean Pike, a distinguished Episcopalian and noted author, will deliver other Wells lectures on Tuesday and Wednesday nights, Jan. 15 and 16.

Dr. T. Hassell Bowen, professor of Christian doctrine at The College of the Bible, Lexington, Ky., will give the McFadin lectures at 9 a. m. on Tuesday, Wednesday and Thursday mornings.

The Oreon E. Scott lectures will be delivered by Dr. Albert C. Outler, professor of theology, at Perkins School of Theology at SMU, at 11 a. m. on Tuesday, Wednesday and Thursday.

Morning worship services will be conducted in TCU's Robert Carr Chapel at 8:20 a. m. each day.

Dean Pike, who in addition to his duties as cathedral dean is adjunct professor of religion at Columbia University, is the author of such books as "If You Marry Outside Your Faith," "Beyond Anxiety" and "Doing the Truth" and co-author of other books.

In the McFadin lectures, Dr. Bowen will discuss "Neo-Orthodoxy and the Modern Minister," "Existentialism and the Modern Minister" and "Christian Realism and the Modern Minister."

Dr. Outler, a Methodist minister and author of numerous books and articles has been a member of the SMU faculty since 1951. A mid-morning coffee and refreshment break will be provided by the University with University Christian Church serving as host.

Between lectures, visiting ministers and their wives, can visit a book display that will be provided by the Christian Board of Publication, Disciples publishing house in St. Louis, Mo.

**Post Boy Is Finalist In Scholarship Test**

Kenneth Mills, son of Mr. and Mrs. Ellis M. Mills, has been named as a finalist in the National Merit Scholarship competition, according to Glenn Whittenberg, Post High School principal.

Kenneth, who is a senior student, is among the 7,500 highest scorers on a nation wide college aptitude examination given to 162,000 seniors in 12,500 high schools on Oct. 24.

The finalists now face a stiff three-hour College Board examination on Saturday, plus intensive screening of their leadership and extra-curricular records by a selection board.

At stake are more than 700 four-year college scholarships, many of them sponsored by business and industrial corporations. About April 25, a fortunate 700 will become the Merit Scholars of 1957.

The Merit Scholarship Program is now in its second year. It was established in 1955 through basic grants of \$20,500,000 from the Ford Foundation and the Carnegie Corporation of New York. In the first year, 556 Merit Scholars were named. They are now freshmen at 160 different colleges.

**First 1957 Rainfall Is Scant, But Not So Dust**

Last weekend's brief shower was too light to measure, according to County Agent Lewis C. Herron, but the dust storms hitting this area Tuesday and Wednesday were a different story. Some housewives reported measurements of powdery dust up to one inch in depth in nooks and crannies of their homes following the "dusters."

At times Tuesday, visibility was reduced to a few hundred feet as red, powdery dust blew in on strong winds. Early Wednesday afternoon, that day's duster was giving promise of equaling or surpassing the one of Tuesday.

### Aspermont 'Hot' On Free Tosses To Beat Post Cagers, 50-47

Aspermont sank 18 of 25 free  
throws in defeating the Post Antelopes,  
50-47, Saturday, in a first  
round game of the Jayton In-  
vitational Basketball Tournament.

Coach McCoy's Antelopes out-  
shot their opponents from the  
field, ringing up 19 buckets to 16,  
but lost the game at the free  
throw line.

Post led, 15-13, at the end of  
the first quarter, but were behind,  
22-27, at halftime after a cold  
second quarter. The score was  
knotted at 39-all at the end of  
the third period.

Kenneth Martin, with 13 points,  
was high scorer for Post, while  
Springer hit for 17 to pace the  
Aspermont attack.

The box score follows:

### Post Wins Over Spur, 55-54; Meet Floydada Here Friday

The Post Antelopes, who defeated  
the Spur Bulldogs, 55 to 54,  
Tuesday night at Spur, play the  
Floydada Whirwinds here Friday  
night, then go to Abernathy next  
Tuesday night.

Coach McCoy's team won their  
first conference game in two  
starts by edging Spur Tuesday

night, but they had to hold off a  
desperate last-quarter rally by the  
Bulldogs to come up with the  
win.

In the boys' game at Spur, the  
score was tied, 11-11, at the end  
of the first period, but Post led,  
31-29, when the teams left the  
court at halftime. In the third  
quarter, the Antelopes scored 14  
points to 8 for Spur to take a  
45-37 lead at the end of that  
period.

Damon Ethridge and Jimmy  
Short, each with 12 points, paced  
the Post scoring. Ronnie Cloude  
had 17 for Spur.

Against Floydada here Friday  
night, the Antelopes will be meet-

ing a team which defeated them,  
47-45 in the Crosbyton tourna-  
ment late last month. Tuesday  
night, Floydada swamped Tahoka  
in a game on the Tahoka court.

Following is the box score of  
the Spur game:

### Girls Win One, Lose One In Tournament

The Post High School girls lost  
to Ira, 76-65, Saturday afternoon  
in the semi-finals of the  
Hermleigh Invitational Basketball  
Tournament.

After defeating Post, Ira went  
on to win the championship by  
downing Hermleigh, 71 to 64.

Post defeated Coahoma, 55 to  
50, in a first round game.

In Saturday afternoon's semi-  
finals loss to Ira, Marie Howard  
scored 37 points for Post, but that  
was four less than the 41 racked  
up by Eubanks of Ira. Louise  
Gerner had 16 points for Post  
and Kay Martin and Janet Step-  
hens, six each.

Playing at the guard positions  
for Post were Barbara Wheatley,  
who made the all-tournament  
team; Doris Ramsey, Linda Lus-  
by, Patsy Ethridge and Linda  
Livingston.

In the first round victory over  
Coahoma, Howard led the Post  
scoring with 28 points, followed  
by Gerner with 17 and Martin  
with 10. Seeing action at guard  
positions were Wheatley, Ram-  
sey, Ethridge, Livingston and  
Linda Bilberry.

### Ethridge Regains Scoring Total Lead

Damon Ethridge scored nine  
points in the Jayton tournament  
game against Aspermont Saturday  
to increase his season point total  
to 126 and go back into the lead  
among Post "A" team scorers.

Jimmy Short, the previous  
week's leader, didn't get an op-  
portunity to improve on his 120-  
point total, since he was playing  
for the "B" team in the Herm-  
leigh tournament.

Following are "A" and "B"  
squad scoring totals through Sat-  
urday:

### Marie Howard Leads Girls Team Scoring

Marie Howard, senior forward,  
is well out in front with 221 points  
in 12 of the Post High School girls  
team's 13 games. Her point total  
has been made on 83 field goals  
and 55 free throws.

In second place with 121 points  
in 11 games is Louise Gerner.

In winning five and losing eight,  
the Post team has scored 519  
points to the opposition's 566—an  
average of 39.12 points a game to  
an average of 43.7 for their op-  
ponents.

Following are the scoring totals:

### WIN OVER COAHOMA IN FIRST ROUND GAME Post 'B' Team Loses To Roby Cagers In Semi-Finals Of Hermleigh Meet

The Post Antelope "B" team  
lost to Roby, 63-53, Saturday  
afternoon in the semi-finals of  
the Hermleigh Basketball Tourna-  
ment after having defeated Coa-  
homa, 61-40, in a first round  
game.

Roby, which went on to win  
the tournament championship with  
a 50-48 victory over Fluvanna,  
got to a flying start against Post  
by scoring 25 points in the first  
quarter. Post managed only 10  
points in the opening period and  
trailed, 10-25, when the buzzer  
sounded.

The Antelope reserves, with  
Bunny Smith scoring 10 points on  
five field goals, outscored Roby,  
14-5, in the second quarter, mak-  
ing the score at halftime 30-34.

Post continued to creep up in the  
third quarter, scoring 17 points to  
16 for Roby, but the winners had  
a big 17-point fourth period to put  
the game on ice.

Smith and Jimmy Short each  
scored 15 points to pace the Post  
attack.

In the opening round Coahoma  
game, Post led all the way, with  
Short taking scoring honors with  
27.

## School Assembly Speakers Are Named By Ministerial Group

Speakers for elementary school assemblies were assigned Friday at a regular meeting of the Post Ministerial Alliance at the First Presbyterian Church.

The speaking assignments were made after Roy Shahan, chairman of the school assembly committee, reported that Jack Lancaster, principal of the Post Elementary School, would like an assembly program the first Wednesday in each month for the remainder of the school year.

The programs are to begin at 9 a. m. and close 30 minutes later, with the speaker having from 15 to 20 minutes for his message to the students and faculty. The pupils will be from the first through the fifth grades.

Graydon Howell, pastor of Calvary Baptist Church, was assigned to the first assembly on Wednesday of this week. Others are as follows: Roy Shahan, First Baptist pastor, Feb. 6; W. L. Porterfield, First Methodist pastor, March 6; S. M. Bean, April 3; J. R. Brincefield, Assembly of God pastor, May 1.

In other business at the ministerial alliance meeting, the following committees were appointed:

Publicity for the Simultaneous Easter Revival—Almon Martin, chairman; J. R. Brincefield.

Easter Sunrise Service—Graydon Howell, chairman; Cecil Stowe, A. W. West.

Porterfield reported that radio

station KRWS had offered devotional time on each Sunday at the same hour, 5:15 p. m. to 5:30 p. m., as was being used each week day. The group voted that this time be accepted and the devotional periods would in the future be for seven days. The weeks will run from Monday through Sunday for each speaker.

Clinton Edwards made a report on the Hungarian relief effort, and the alliance voted to approve and give endorsement to recognized agencies for Hungarian relief and urge people to cooperate with these agencies.

Shahan reported for the sign committee that no location had been found for the ministerial alliance sign.

Opening prayer at Friday's meeting was by Raul Solis and the closing prayer by C. D. Nowell. The next regular meeting will be at the Calvary Baptist Church at 1 p. m. Friday, Feb. 1.

This sweet, smooth and sassy new Chevy has its own built-in "dollar-saver"—America's favorite six!

Hard to believe it, but this big beauty is a bottom-priced Chevrolet "One-Fifty." It's got Body by Fisher quality written all over it. And it has a peppery, sweet-running "Blue-Flame" six under the hood to make your gas stops few and far between.

Like all new Chevies, it brings you a very special sureness of control. This is a quality that just can't be measured in dollars and cents. Lots of cars that cost lots more just don't have it. Come in and see how much pleasure we're passing out these days at Chevrolet prices!

The "One-Fifty" 2-Door Sedan with Body by Fisher—one of 20 beautiful new Chevies for '57! AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. LET US DEMONSTRATE!

Only franchised Chevrolet dealers display this famous trademark

#### FHA Loans Spur Home Improvement

## Standards Of Living Going Up

With U. S. national income at an all-time peak, employment figures steadily maintained at the highest level in the history of this country, and savings deposits swelling, economic experts anticipate that 1957 will see a dramatic acceleration in the current strong upward trend of American standards of living.

The increased leisure made available by the shorter working hours now prevalent in most parts of the industry and business acts as a further spur to families to lift the level of their planning with a view to giving new shape and pace to their lives.

The trend toward better living standards continues in every phase of their living, from housing to apparel and from automobiles to sports and hobby equipment. In the sweep of the movement, many of the actual standards of yesterday are fast fading on the glow of new ones for the average.

Today's increase on family life, seen as "upgrades" the home improvement projects will give new view living.

Homeowners are adding the extra room to their homes, either to keep more with their growing needs for sleeping quarters or, more often, to add a new dimension to home living as recreation rooms or

# Giant Strides to BETTER LIVING

Better living for most families begins in the home! Many are giving Operation Home Improvement top place in their progress plans for 1957. Adding extra rooms, installing new conveniences and comforts, modernizing kitchen or bathroom... all these projects can add much to the scope and enjoyment of home life. And all can readily be financed with one of our Home Improvement Loans, repayable out of current income. See us soon.
