

The Post Dispatch

VOLUME XX POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, OCTOBER 17, 1946 "THE GATEWAY TO THE PLAINS" NUMBER 44

Up And Down Main Street

Business Girls all over America are observing their 19th birthday week. While beating the bushes for business for the Dispatch early Monday morning we took special notice of the girls and women who are employed by business firms in Post. We have no idea how many are employed in Post but by just counting the number in one block on Main we are amazed.

This group is playing an important role in our way of life and we want to give them an armful of compliments for their part in business. They're a grand bunch of business girls.

Three Happy People are Drs. E. J. Williams and Kahler. An X-ray machine was uncrated early last week and is now the pride of the medical clinic. The machine has been ordered several months but is just now being delivered. By next week the doctors expect to have the new machine ready for use and can take a picture of you from tip to toe.

They Go to Your Head... the head-liner hats just unpacked at Haws'. Quills of feathers, genuine bows and metallic "do-dos" are featured in the new collection.

Mexican made boots are on display at Hundley's Men's Wear store. These handmade boots are made in every Westerner's wardrobe.

The court house lawn, that is the front portion of it, is going to be redecorated. The "Scotchman" who this week announced opening of a nursery yard, was around there early this week and studying just the new shrubs and trees and show up to the best advantage. He plans to use along with green shrubs and trees a few of the ornamental types to add color and contrast to the scene.

A ten-year daughter of a prominent P-TA'er was heard to say, "I'm an age-old controversial argument we listened in on Monday in front of Warren's."

"You must have kept company in Columbus."

The P-TA mama answered, "I hope your boy friend has his way around as well as Columbus."

A safe and sane toy and one that will give Junior or Jane many a good time is the four-wheel toy for sale at Lowell Short's. The new toy type is made of pre-war material and is sturdy constructed. It has an adjustable seat so it would be of use for any time no matter how fast the wheels grow.

While wheel toys, as well as other toys, are still not being produced in full-scale quantity, the toy reporter is getting toy stores by visits to a number of stores.

From things we've seen the kids really going to have a jolly time come Christmas.

Delicious are going to frolic on a moonlight night or so it was when plans for the P-TA November Carnival were announced.

Already 500 groups of boys and girls from six to sixteen are working like beavers for the right to "Our candidate is Queen."

The driving reporter was intercepted in every street corner Tuesday morning by groups of kids who cried eagerly "Vote for us" ... so folks keep your pockets full of pennies and let the kids happy.

Something Special in the Way Food is being planned by the men of the First Christian church. This energetic group will have a Chicken Dinner at Giles Dining Room on Sunday, October 14, and Mrs. Giles are donating the use of their dining hall kitchen facilities to the church in order that money may be raised to add to the parsonage.

Small children will be taken care of by a group of young ladies at the church.

Fair weather or foul, FOWL will be the "piece de resistance" Sunday, October 20, from 11 to 12 at Giles Dining room.

Wipe up your family and go to the First Christian church.

Home is the best place to be. Home is the part of the family unit that they get back with.

Interesting Talks Heard At Open Meeting Of P-TA

The P-TA October meeting was held last Thursday night at the High school auditorium in an open session. Mrs. Willard Kirkpatrick presided.

Invocation was offered by Mrs. J. E. Parker after which reports on business conducted in the executive board early in the afternoon were given.

Plans for the Halloween carnival to be held on Thursday night, October 31, were given by Mrs. Tommy Anderson, finance chairman.

Dr. B. E. Young, local dentist, gave a few very interesting facts on the proposed dental project which is now under consideration for this county. The United States Health Department would like to make tests in this community to determine the flourine content of the water, Dr. Young said. Flourine is the chemical that discolors teeth and many Garza countians are victims. The Health Department will furnish the chemicals for the experiment but the community must furnish the plant. Several methods are being studied by which the flourine content can be removed from water.

Preceding the talk by Dr. Doyle Jackson of the faculty of Texas Technological college, pupils from Mrs. Lillie McRee's seventh grade gave the following numbers: Song, "Sue City Sue" by Margaret Bingham, Marilyn Light, Barbara Norris, Wynona Bronson and Nelda Floyd; duet, "Is You Is Or Is You Ain't," Don Tatum and Mary Jo Williams; and a tap dance by Viola Wilson.

The class awards went to Mrs. Nola Brister's third grade, Mrs. Lillie McRee's seventh grade and the Junior class.

Dr. Jackson, head of the Education Department of the college, was introduced by Mrs. B. E. Young. He spoke on "Laying the Corner Stone." Quoting from his talk, Mrs. Nola Brister, P-TA reporter, gave the following excerpts:

"The Corner Stone represents a purpose. It is an emblem of an objective that the particular object represents. It represents community integration or upward march of that community."

"The breaking ground represents training that should begin twenty years before a child is born."

(Continued On Back Page, Col. 2)

New Officers Are Named To Serve Youth Canteen

Officers for the Youth Canteen were elected at the canteen for a new year Saturday night. Those elected were as follows: Adult president, Mrs. Arnold Mills; youth president, Shorty Hester; vice president, Sonny McCrary; secretary-treasurer, Tol Thomas; reporter, June Taylor; program chairman, Iris Floyd; chairman of the advisory board, Mrs. Anderson; membership chairman, Mrs. Boone Evans; clean-up committee for one month, Betty Mills, Betty Kennedy, and Iris Floyd. Hugh Ingram will be responsible for the cold drinks.

Everyone between the ages of thirteen and nineteen are urged to attend and all parents are cordially invited to visit the canteen and share in the fun and are asked to volunteer as chaperones to these teen-agers. The canteen is open every Saturday and Monday night.

All members of the canteen want to thank Mason & Co. for being so generous in letting them use their record player.

DUDLEY SHOWS BOOKED BY LOCAL LIONS CLUB

Booked by the Post Lions club for a week's engagement in Post, the Dudley Shows and Carnival, will move into the city October 28 with the largest arrangement of rides ever assembled here.

This season's carnival, according to an advance agent, will carry six rides, 40 concessions and five shows. The Dudley Shows have been playing here for a number of seasons under sponsorship of the Lions club.

The shows rate as the largest to be playing this area this season.

Garza Citizens Are Asked To Study Good Roads Amendment

In carrying out his duties as county chairman of the Good Roads Committee, T. R. Greenfield urges Garza residents to give careful consideration to House Bill No. 49 which is to be voted upon by the people of the State on November 5.

An important step has been taken toward establishing a sound financial policy to provide for farm-to-market roads and primary highway needs of the State, pointed out Greenfield. "It is not my purpose now and will not be in the future to attempt to advise the people how to cast their ballots, but I do suggest that each of you secure a copy of this bill and study it carefully before the November 5 election," asserted the chairman.

"From my study of the proposal, the Good Roads Amendment will establish a sound financial policy upon which our road planning agencies may base their plans, and it is my belief that Texas can not realize the greatest value from its road funds until revenues are stabilized and agencies can effectively plan more than a year ahead," said Greenfield.

The amendment guarantees: The use of motor vehicle registration fees and gasoline taxes for school and road purposes.

Constitutional allotment of one-fourth of the gasoline taxes to the schools.

Funds for securing the rights-of-way, construction, maintenance and policing of all public roadways.

Retirement of county and road district bonds.

Continuation of legal refunds on non-highway gasoline.

Present share of motor vehicle registration fees to counties.

The ultimate construction of an adequate system of state and farm roads to meet the needs of the people of Texas.

"May I further urge that you secure a copy of the amendment and study it thoroughly. Copies may be secured at my place of business, or at the county judge's office."

JACKETS AWARDED POST FOOTBALL BASKETBALL PLAYERS WEDNESDAY

Football boys and basketball boys and girls of the 1945-46 school year were presented their football and basketball jackets by Supt. G. R. Day in a special assembly Wednesday morning.

Jackets were awarded to the following boys, who received only one jacket either for football or basketball whether or not they lettered in both: Bud Everett, Shorty Hester, Sonny McCrary, Junior Malouf, Roy Lee Williams, Eugene Ashley, Jimmy Bird, Foy Bostic, Paul Duren, Bill Furnagall, Louis Mills, A. C. Thomas, Hubert Masters, David Buster, Edgar Parr, Charles Propst, Lynn Ramson, Joe Stokes, Wayne Handley, Hugh Ingram, and Manager Rufus Gerner. Basketball coach N. R. King was also presented with a jacket.

Girls receiving basketball jackets were Billie Cowdrey, Alma Outlaw, Joy Shepherd, Marietta Norman, Jimmie Chandler, Bobbie Chandler, Ganell Babb, Peggy Sue Robinson, Betty Kennedy, Claudia Ticer, Jo Ella Cowdrey, Joah Cook and girls coach, Supt. G. R. Day.

GARZA CLUB BOYS GIVEN RADIO SPOTS

E. P. Wicker, jr., of Southland, who won first place with his registered Jersey heifer, and placed well with a number of other entries at the Panhandle-South Plains fair last week, was chosen as a typical junior showman, and given two spots on radio station KFYO last week.

The Garza clubber spoke over the radio last Thursday afternoon when he was spotted at the fair grounds, and again Friday morning on the Farm-Home hour presented by the station.

A number of local residents heard the broadcast.

Post Business Men Urged To Attend CC Session Friday

Post Chamber of Commerce members, as well as all business and professional men who have not yet affiliated with the organization, are reminded of the meeting to be held tomorrow, Friday morning at the Garza Theatre at 10 o'clock.

Several important propositions are to be discussed, including a city-wide clean-up campaign, declares Sherrill Boyd, secretary. Every local citizen should be interested in the activities of the Chamber of Commerce and this meeting will give everyone an opportunity to have part in formulating a work program.

Doughnuts and coffee will be served. Don't forget the time 10 o'clock sharp.

Program For 3-Day Welding School Is Announced By Eaton

The program of work to be covered in the three-day welding training school for Garza county farmers and veterans of the vocational training school was announced Tuesday by County Agent Frank Eaton. The school will be held at the Earl Hodges Tractor plant on north Broadway.

When the school opens Monday, Eaton, and other Extension Service representatives, will explain the aims of the welding school, and introduce all men present. The welding instructor, Earl Howard, who will be here with the mobile shop truck, will show and explain the equipment, explain the different kinds of welding rods to be used, and demonstrate how materials are prepared for welding. The class will then practice running beads.

Tuesday instructions will include, welding cast iron, malleable iron, steel, and other materials. A demonstration on how to weld different metals together, and how to cut metal with torch, will be given by Howard. Highlighting the day's program will be the demonstration on how to handle welding problems brought to school by the farmers. Two other demonstrations are to be offered by the instructor, hard-facing with arc, and hard facing with oxyacetylene.

Wednesday's program will include two practical demonstrations: Job layouts, measuring off and marking out materials for the construction of pieces of equipment; and, constructing equipment farmers wish to build. Those attending the school may bring in materials for cattle-guards, lowers, etc., and participate in making them as projects. A number of projects will be carried out as final phase of the work.

The school is to be divided into two classes, said Eaton. A day class will be for farmers, and night class for veterans who are now enrolled in vocational training work.

Twenty students are to be in each class, one of which is already filled, and the day class has vacancies for three more farmers.

"SCOTCHMAN" TO OPEN NURSERY YARD NEXT WEEK AT HIS HOME

George "Scotchman" Samson is announcing the opening of a Nursery Yard next week. The yard will be opened for the time being at his home but he plans later on to use a business lot on Main street to show his stock of quality nursery stock.

The "Scotchman" has a wide reputation for his knowledge of shrubs. He has made a wide study of plants that are suitable for this particular area.

In the announcement advertisement printed in this issue of the Dispatch Samson calls attention to two special services - free landscaping advice and cemetery plotting. Advice on how and what to plant, as well as when, will be welcomed by those who are in the market for shrubs, trees, etc.

Landscaping of the court house by Samson is one of the first projects he will undertake.

Antelopes Primed To Break Jinx Of 18-Years' Standing

An encouraged, somewhat rejuvenated Antelope football team which won another conference game last Friday night, by defeating the O'Donnell Eagles, 19-12, will travel to Slaton Friday night with determination to break a jinx which has been hanging over their heads the past eighteen years.

It was way back in 1928 when the Antelopes rolled the Tigers, 13-6, in their last victory over the black and red. Each season since that date the locals have emerged with the short end of the score, and there have been some closely contested events during the years.

Last season, after whipping the Tigers all over the home grid, the locals dropped a 2-0 count when they fumbled on a quick-kick in the second quarter when they had their backs to their goal posts. The close score results of the games have built up rivalry between the two teams that is equalled only by several college teams.

Post and Slaton have never entered a game more evenly matched from a weight standpoint, than will be Friday night's fracas. The weights are even distributed equally in lines and backfields, as there is hardly a pound difference between the two teams. The Antelopes have a better season's record than the Tigers, having won three out of five games, while the Tigers have yet their first game to win.

TICKETS STILL BEING SOLD FOR SPECIAL TO FRIDAY NIGHT'S GAME

Tickets for the special train which has been chartered by the Antelope Booster club for the Post-Slaton game tomorrow night at Slaton are being offered for sale until train time, according to N. C. Outlaw, president of the club.

Sales the first part of the week have moved slowly, which necessitated underwriting the train by the club in the amount of one hundred dollars, but minute sales are expected to take up the loss and fill the coaches.

The tickets are offered at \$1.15 for adults and 58 cents for children under 12, and can be purchased at Piggly Wiggly, Outlaw Motor Company and Garza Theatre.

The special will depart from Post at 6:30 o'clock and will leave Slaton shortly after the game. Slaton citizens will provide transportation to and from the game to the Santa Fe station.

GIRLS HIGH SCHOOL BASKETBALL TEAM BEING ORGANIZED THIS WEEK

Superintendent G. R. Day was busy early this week organizing the high school girls Junior and Senior basketball teams for their first practice game of the season. The game will be played with Jayton at Jayton Tuesday, Oct. 22.

Possible players on the team for the game are forwards, Betty Kennedy, Alma Outlaw, Janet Stewart, Jimmie Rains, Jess Joyce Barnes, Billie Louise Nichols and Janice Fluitt and guards, Bobbie Chandler, Claudia Ticer, Helen Williams, Helen Thaxton, Ruby Pierce, June Taylor and Wynne Moss.

A schedule is being made up for other games of the season and a return game with Jayton will be played in the near future.

WTCC TO CONDUCT DISTRICT MEETINGS

Eight district meetings have been scheduled by the West Texas Chamber of Commerce for the remainder of this month, including one at Lubbock on Friday, October 25, according to an announcement received from George Stallworth, district 2 director, by Sherrill Boyd, secretary of the local chamber.

Stallworth urges that Post be represented at the meeting and that as many of the chamber's directors as possible attend. A number of important propositions are to be discussed.

Antelopes Primed To Break Jinx Of 18-Years' Standing

The dope-sheet offers only two teams for comparison. Both teams have played Tahoka, and both suffered defeat at the hands of the Bulldog, the Antelopes lost, 13-2, while the Tigers were rolled 34 to 6. Each have faced Seagrave's Eagles, the Antelopes won 13-6, while the Tigers lost 21-8. The Tigers have taken kick-ins from Monohans and Denver City, but these two games are out, insofar as comparison may be made. Denver City cleaned Tahoka 33-6, after Tahoka walkoped the Antelopes, and Monohans has a team that can whip most of the 2AA teams of the area.

Cochin Ring Bingham will rely on the same eleven which has competed so well against most of this season's opponents. The team is in tip-top shape for the fracas, the best ever, said Ring Wednesday. Only one man on the squad has a slight injury, and he will be ready to go, asserted the coach.

Of interest to the Booster club and merchants of Post is the fact that the Antelope Tuesday requested of their coach that tomorrow night's game be dedicated to their supporters. "If the boys play the brand of ball that was played against Ralls when they dedicated the game to me," said Bingham, "the jinx will be in the bag with all strings tied."

The team will be accompanied to the game by the pep-squad and a large fan delegation. Kickoff to be at 8 o'clock sharp.

Staton Game Brings On First Pep Rally Of Football Season

"Post high will shine tonight" at 7:30 when all the Antelopes, pep squad, boosters and fans meet near the school building for the first pep rally of the year. The most outstanding personage present will be the Slaton tiger which will be burned in the Antelope bon fire.

Yell leaders, Alma Outlaw, June Taylor, Betty Mills, Juanita Mitchell and Alma Floyd and mascot Shirley Wallace will be on hand to lead the group as spirited yells and songs. Following the rally the group will march through town giving yells and songs, and giving the Antelopes a big send-off for their game with Slaton Friday night.

The bon fire will be on the lot two blocks west of the high school building.

COUNTY TEACHERS ELECT OFFICERS FOR 1946-47 YEAR

The Garza County Post at the State Teachers Association met Tuesday night, October 15, in Post High school.

Officers that were elected for the present school year include: President, G. R. Day, superintendent of Post schools; vice president, J. P. Hewlett, superintendent of Southland schools; secretary, Bessie McMahon, Post; treasurer, Johnnie Cook, Post.

The group elected County Superintendent Dean A. Robinson and Superintendent Day as delegates to represent the local association at the West Texas Convention.

Announcement was made that Supt. Day would attend the State meeting of the House of Delegates in Houston during Thanksgiving holidays as a district delegate.

The group decided to sponsor a County Intercollegiate League meet this year. The following directors were elected: Director General, County Supt. Dean A. Robinson; Director of Athletics, V. F. Bingham; Director of Declamation, Mrs. Louise Thaxton; Director of Debate, J. J. Duff; Director of Ready Writers, Mrs. L. H. Welch; and Director of Spelling, J. L. Miller.

V.F.W. TO SPONSOR DANCE FRIDAY NIGHT

A public dance is to be sponsored Friday night by the John Miller V.F.W. post for the purpose of raising money for the organization. It was announced Tuesday by the dance committee.

No Damage Expected To Result From Last Week's Heavy Frost

From reports of Garza county farmers Friday night's frost, which left rooftops gleaming in sparkling silver, did little if any damage to crops.

The frost, according to most farmers, was not a killing one, as no vegetation was killed as fields were soggy after last week's heavy rains. The frost may prove beneficial, believe some growers, in that it will speed up cotton harvest.

Concerned more over the heavy rains, than over frost damage, some farmers point out that slight damage to mature grain sorghum has resulted from last week's prolonged rain. Late feed which has made rapid progress since September rains, will need delayed killing frost to have time to mature. Rain and cloudy weather have also been detrimental to cotton, which needs dry warm weather now in order to open.

Pioneer Resident Of City Succumbs To Brief Illness

Post and Garza county has lost another pioneer citizen in the passing Saturday night of John Thomas Harper, 66, who died at the home of his niece, Mrs. Ross Sullivan, following a stroke earlier in the afternoon.

Rites for the beloved "Uncle John," as he was affectionately known here, were conducted Monday morning at 10 o'clock from the Church of the Nazarene, with Rev. Joe Norton, pastor officiating. Burial was in Terrace cemetery.

Mr. Harper, a native of the State, having been born in Waco in 1880, came to this county in 1893 as a cowboy and a freighter. In the early days before the town was founded, Harper with his widowed mother, settled on land adjoining the Post townsite which was later sold to the late C. W. Post. They lived for many years a half-dugout which in those days was typical of West Texas homes. He worked as a cowboy for the Double U, Spur and OS Ranches. He was once a freighter transporting goods by wagon into Post from Big Spring, Colorado City and other points. Later, he operated a hotel here, then a trucking business.

His death came suddenly, having suffered a stroke at 1:30 o'clock Saturday afternoon and passed away at 8:30 o'clock Saturday night.

Survivors, besides his niece, Mrs. Sullivan, include a sister, Mrs. Mollie Randall of California; a brother, A. E. Harper of Houston.

IF SUGAR STAMP NO. 51 TURNS UP TO BE NO. 5, YOU CAN TRADE IN BOOK

Garza county housewives who have run into difficulty when seeking to trade in sugar stamp 51, many of which bear only the numeral 5, can secure a new stamp by trading in their ration book to OPA.

The books, which have the misprinted stamp, were distributed in West Texas before OPA officials realized the mistake. Hitherto the present stamp is that OPA cannot allow stores to honor the faulty No. 5 because there is another No. 5 regular stamp in the book which will not be utilized if his stamp, but which would leave a loophole for misrepresentation.

Any ration book holder whose spare stamp No. 51 turned out to be non-valid, should send the book, together with the faulty stamp to Office of Price Administration, Fort Worth Club building, Ft. Worth 2, Texas, for a new book.

NEW ARRIVALS

Mr. and Mrs. Deanna Allman are announcing the arrival of a son, Don Edward, on October 11, at Mercy hospital at Slaton. He weighed 6 lbs. 13 oz.

Congratulations to Mr. and Mrs. Stabish of Southland on the birth of a son, Lonnie Albert, on Thursday, Oct. 10, at Slaton Mercy hospital. Mrs. Stabish is the former Myrtle Wilkie.

Mr. and Mrs. C. L. Howard of this city are announcing the arrival of a daughter weighing 7 pounds, 13 ounces at 8:50 a. m., Oct. 12 in Lubbock Memorial hospital.

Born to Mr. and Mrs. Leo Stolle was a daughter, Beverly Kay, on Oct. 5 in the West Texas hospital. The young lady weighed 6 lbs. 12 oz. Mrs. Stolle was formerly Faye Whetley.

We Quote The Following Prices Subject to Change:

Greenfield Hardware COMPANY

Growth And Improvement Indicated For Neighboring West Texas Towns

Heavy rains in the surrounding area seems to have taken the headlines of surrounding regional papers last week. The slow rain which lasted most of the week is said to have done some damage to cotton in surrounding counties but was a boon to wheat and other small grains as well as grass land.

Running a close second for top interest last week was the fair being held in Lubbock and Dallas and the various awards being received. Scurry county's exhibit of agricultural products on display at the South Plains fair in Lubbock, won third place with a cash prize of \$75, it was announced in the Scurry County Times. Floyd county placed first with an award of \$100, Palmer county second with \$80, Hale county, fourth with \$60 and Garza county, fifth with \$40.

Colorado Cily was very pleased and proud of a local boy, Ronny Fee, 15-year old 4-H club member who took top honors at the State Fair of Texas' junior steer show last week. His entries won both grand champion and reserve champion honors. Other Mitchell county boys placed well in the show copping third and fourth places on some entries.

A giant parade of floats, bands and pep squads, clowns, horse back riders and cars officially opened the Central West Texas Fair in Haskell last Thursday night. Various exhibits are being shown by women's clubs, boys and girl's 4-H, FFA clubs, schools, individuals and businesses. Club calves and cows, fine horses and other livestock promises to be better than ever before. Judging of contested events will be done throughout the exposition and one of the best carnivals has been secured.

A projected new high-line has been started by the Southwestern Public Service Company. The new high-line is to be built from Brownfield through Tahoka and on to Post. The first shipment of material has been received in Tahoka and construction will begin as soon as the materials can be assembled. The line is expected to be in operation in eight or nine months. A new automatic substation will also be built in Tahoka to insure against interruption in electric service.

"Rats and fleas, Beware" is the motto of Seagraves this week with the start of an all-out rat and flea poisoning there as a preventive measure of plague control. Robert L. Roberts of the State Department will start the poisoning and dusting campaign. Enough poison and DDT will be furnished by the state health department for the entire county.

Sewerage extensions were being planned in Brownfield last week. As soon as materials can be obtained, the main will be run along the draw to accommodate the south side and extreme west side, thence through the north side and reach all those in the Cordill addition in the vicinity of the football field. The cost of the project is expected to reach near one hundred thousand dollars.

People of Lamesa have already begun to plan on Christmas. The Dawson County Courier announced last week that a Christmas window shopping night and treasure hunt with approximately \$500 in merchandise to be given away as prizes is being planned by the Chamber of Commerce. Trade tickets with serial numbers will be given each patron with each

dollar purchase for about two weeks prior to the treasure hunt. On the night of the event, winning numbers will be placed in each merchant's window by the corresponding prize. The shoppers with the lucky tickets would have to match their ticket numbers with the corresponding prize numbers in the window. A parade and band concert will possibly be held on the night following the treasure hunt.

Swing of Southwest Farm Markets

Cotton turned downward from its peak, but grains climbed higher and livestock, poultry, eggs and other farm products remained steady to stronger at most southwest markets last week. USDA's Production Administration reported today.

Strong cotton prices last week almost reached 30-cents, but later receded, and the close was irregular. Most southwest farmers continued to sell their cotton as soon as it was ginned, but the lower basis caused a slight holding tendency after mid-week. Demand appeared a little less aggressive, but absorbed all offerings. About 27 percent of the estimated production of 8,274,000 bales was ginned through September, with quality above a year ago. However, rains in Texas, Oklahoma and New Mexico damaged open cotton and retarded harvest operations.

Sorghums gained 30 cents a cwt., corn 5 cents a bu., oats 4c, wheat 3c and barley 2c. Scant offerings of feed coupled with urgent demand kept prices firm. Farmers in many instances traded their cottonseed for meal. Hay held steady with demand active for good quality alfalfa.

Demand remained good for light egg and poultry supplies and prices firm. Dealers reported higher prices were discouraging some buyers. Current receipt eggs ranged from 40 to 46 cents a dozen. Heavy hens generally brought 27 to 33 cents a pound except at New Orleans where they ranged from 37 to 41 cents.

Southwest hog markets received 5057 head this past week compared to 4810 of the previous week. All offerings held steady at ceiling.

Mostly stockers and feeders showed up at southwest cattle markets last week. Scant supplies of slaughter cattle held steady, but other classes tended weak. Common and medium steers and yearlings brought \$11.50 to \$14.50. Houston: \$13.50 to \$16. San Antonio and \$12 to \$17. Ft. Worth. Stocker and feeder steers realized \$14.50 to \$16.75. Oklahoma City: \$14 to \$16. Wichita and \$13 to \$17.50, Denver.

PHD TEST ABANDONED AS DRY HOLE LAST WEEK

Payton No. 4, drilled by Honolulu and Devonian Oil Company, was plugged and abandoned as a dry hole last week after sulphur water was encountered at 3,673 foot bottom. The test had made slight shows of oil before reaching the water.

It's location was in section 1421, TT survey, on the Garza Lynn line, on the west side of the PHD field.

Our thorough overhauling, plus genuine IH parts, will put your tractor in tip-top shape for work next season. But please don't wait 'til the last minute. It takes time to get certain parts from the factory. Drop in or call up for a date, and we'll put your name on our advance service schedule.

TAKE A DEMONSTRATION RIDE ON TOMORROW'S GREAT NEW PREMIUM TIRE

If you drive a car, you should discover what it means to ride on the new U. S. Royal Air Ride Tire. And you can do just that—today! Although the Air Ride has not yet been released for sale, your U. S. Tire Dealer is waiting now to take you for a demonstration ride in an Air Ride-equipped car . . . waiting to let you experience an entirely new and thrilling kind of tire performance! You're riding on more air—a substantially bigger, noticeably softer air cushion. But that's only the beginning. The Air Ride is a magnificently balanced tire—swift, nimble, "light on its feet"—responsive to your slightest touch on the steering wheel.

Try a sudden stop. The Air Ride stops just for it has the exclusive U. S. Royal Brake Action Tread—with literally thousands of sure-gripping, swift-acting tread surfaces to wipe away road film and bring you to a safe, straight-line stop. There never has been a tire like this before. Building the Air Ride requires new molds, new machinery, new methods—but we hope it won't be too long before the Air Ride is offered for regular sale. See your U. S. Tire Dealer today—actually ride on this dramatically different premium tire—prove for yourself that the Air Ride is the tire you'll want to ride on for keeps!

POLAR EXPLORATION IS TAKING DRILLSTEM TEST

A drillstem test was to be taken the first part of the week on the No. 1 Edkins, being drilled by Humble Oil & Refining Company, in the Polar field.

Reports were that only slight shows of oil and gas have been developed by the wildcat since it entered the Ellenburger. The test last week end had reached a depth of 7,890 feet.

Location is section 36, block 5, H&G survey.

LETTERS WE RECEIVE

In The MAIL

Editor's Note: Opinions expressed in this column are not necessarily those of The Post Dispatch publishers. All articles for the column must be signed by those submitting them, but under most circumstances the writer's name will not appear in the printed article. The publishers reserve the right to edit letters sent in, or to return them to owners unpublished.

City Admits Slowdown In Its Garbage Collection Schedule

We can readily understand that during these times of material and labor shortages, the OPA and other restrictions to which we are forced to submit, and the inconveniences resulting therefrom, that it is difficult for us to keep the even tenor of our way.

It is therefore only natural for us to become peeved when we fail to get the services to which we feel we are entitled, whether it be from the City or from our merchants.

We think we should explain to our Reader critic and to all other citizens that the big flood we had compelled the City to stop the trash hauling temporarily.

It was necessary for all hands to stop and help build and repair culverts and make the streets passable. The more recent wet spell also kept our garbage truck away from the dump grounds. It is hoped we will be able to catch up soon and get back on our regular schedule.

Like our Reader's bridge club members, our garbage disposal is not much of a problem. Being compelled to live economically, we have very little leftovers at our table. After all of the papers and trash are burned there remains only tin cans and glass jars.

Our anonymous friend's paragraph about getting a hog sounds interesting. This may or may not solve the problem. Of course, if one lives outside of the city limits, keeping hogs would be okay. But in that instance the City's free garbage collection would not apply. Assuming that our friend lives within the city limits, it might bring on complications.

However, if she can keep a hog and get along with her neighbors and get by the Health Authorities, we promise to wink at any violation of the sanitary laws in connection therewith, provided that when the hog is fattened and kill-

ed she brings us in a nice mess of backbone and spareribs.
W. F. Preston
City Secretary

**NEWS NOTES FROM . . .
Duck Creek Soil—
CONSERVATION DISTRICT
OFFICE AT POST**

Quannah Maxey, District co-operator in the Graham Chapel conservation group, whose farm is located four miles southwest of Graham Chapel school house, has planted a mixture of vetch and oats as a winter cover crop. He drilled 100 pounds of oats and 50 pounds of vetch on a little more than two acres. Maxey thinks it could have been seeded a little thinner but he wanted to be sure of a good stand. He is doing this on a trial basis and hopes to improve the fertility of the soil as well as reduce wind and water erosion.

Red Kuykendall whose farm is just below the Caprock on the Lubbock Highway, had his old terraces checked by Soil Conservation Service technicians recently. They were found to be too low to be effective and closures and outlets were not shaped correctly. He has purchased a two-disc plow which he is going to use in building up his old terraces as soon as the soil is dry enough to plow.

C. P. Witt, cooperator in the Calgary conservation group of the Duck Creek Soil Conservation District, has about eight acres of rye established on his home place. Witt planted his rye at the rate of one-half bushel per acre and thinks he will get coverage as the rye suckers and spreads. The rye, together with some wheat, was planted as a cover crop which will in time furnish grazing and perhaps a seed crop.

Mr. Witt is well pleased with the results and favors rye over wheat for sandy land.

84,214 PERSONS PASS THROUGH GATES OF PANHANDLE-PLAINS FAIR

Despite the wet-cold weather of last week, which sharply cut what is believed would have been a new high attendance record, the 29th annual Panhandle-South Plains fair drew 84,214 people through its gates.

The successful fair closed Saturday night after a total of 12,916 persons were counted during that day and night by gate checkers. Quite a number of Garza county folks attended the fair and have declared it one of the best in many respects, ever held.

The Railbird . . .

Jane Ann Turner

The Post Antelopes applied their special brand of acid to the O'Donnell eleven in a breath-taking game October 11 to hang up a 19-12 win in the presence of hundreds of shivering fans. The Eagles scored early in the game, but the Antelopes didn't waste any time in making a favorable showing. It was really nip and tuck all the time and nerves were drawn tense until they called it a game.

The Eagles scored first in a wide sweep to the right as Lorron Davis outran the Post secondary for 47 yards.

The Post defense started clicking and after holding the Eagles on their own 23 yard line forced them to kick. But Post wanted that ball so the Antelopes ganged up, overlanded the left side of the line, and blocked the attempted kick for 17 yards. Malouf pounced on it for 6 points for Post. Hugh Ingram, tail right end, dropped back and placed the ball squarely between the uprights to make the score 7-6 in favor of Post.

Post wasn't through, though, and after kicking off to the Eagles, held them once more and forced them to kick. Post gained possession of the ball after five plays. Co-capt. Shorty Hester took the ball on what started out like a wide sweep to the right. Then, without warning, he stopped and fired a beautiful 47 yard bullet pass to Hugh Ingram, who had slipped in behind the Eagles secondary and carried it over standing up. The ball was wet, and on the try for extra point, the ball slipped out of the holders hand and the try was blocked. This ended the scoring for the first half.

The Eagles started the scoring in the second half with Lorron Davis, big Eagle fullback, delivering the mail on a well executed play good for 80 yards and 6 points. But again the Antelopes blocked the extra point.

Soon after Post gained possession of the ball, Co-capt. Hester faded back and once more threw another beautiful pass good for 43 yards. Then big Hugh Ingram jumped high in the air and fought his way across making the score 19-12.

It was to our opinion one of the best and most exciting games we have witnessed this year and the folks who saw it expressed their opinion to this fact saying it was a thriller from beginning to end and well worth seeing.

I would like to add that there will be a pep rally complete with bon fire Thursday night at 7:30 as a prelude to the Slaton game. The annual Post-Slaton game is crusted with tradition and is expected to be attended by a large crowd.

GARZA 4-H CLUB BOY PRESENTED AWARD BY LUBBOCK KIWANIS

E. P. Wicker, jr. of this county was presented with an award of \$1 for third place in the exhibits of grains at the Panhandle-South Plains fair last week.

The award was presented at the weekly meeting of the Kiwanis club at Hotel Lubbock last Friday. The boys presented awards other than Wicker were first, C. L. (Doc) Cowan, jr. of Lubbock, \$5 and second, Walt Rogers of Lubbock county, \$2.

The local boy was recently selected to attend the annual 4-H Round-Up at College Station for his outstanding club work in swine breeding and grain sorghum demonstration. He also won several awards at the local 4-H club show two weeks ago.

Duke Travis, manager of Bryant-Link Company, accompanied by Hugh Blevins, attended a district meeting of the Perfection Stove company held in Stamford last week. Area business as concerns the handling of the product in this section was discussed by a large group of dealers from this area.

Bits Of News:

Mr. and Mrs. Preston Mathis, L. J. Richardson, jr. and Nora Jo Blunklock visited relatives in Grandfield, Okla., last week end.

J. T. Richardson and Mr. and Mrs. Johnny Lee Richardson visited in the home of L. J. Richardson and family over the week end. Other guests of the Richardsons were Mr. and Mrs. Leroy McCrary and family of Amarillo.

Miss Geneva Voss of Abilene and Mr. and Mrs. Joe Anderson of Seminole spent the week end here with their mother, Mrs. Jennie Voss and brother, Harold Voss and wife.

Want a Vacation from Marriage?

Alvin Blake went south on his vacation, for some fishing, and left his Missus to enjoy a vacation from the corn-cob pipe, clothes in a heap, and solos on the harmonica.

First few days, Martha enjoyed it—house neat and quiet, top back on the toothpaste, no morning mess from Alvin's midnight snacks (Al's partial to a bit of cheese and beer at bedtime).

Come the end of the week, she began to fidget; couldn't even read the Clarion, it looked so unamused; didn't have any appetite with no-

body to cook for. She was about to wire Al, when he barges home a week ahead of time, and she almost cries for gratitude. "Felt the same way myself," says Al.

From where I sit, those differences of habit and opinion—whether they have to do with corn-cob pipes, a glass of beer, or playing the harmonica, seem mighty trivial when you're separated. And they are, too!

Joe Marsh

It's Goodbye to Lifting Levers with the NEW JOHN DEERE POWR-TROL

Think of raising and lowering plows . . . grain drills . . . cultivators . . . mowers . . . combines . . . corn pickers—of angling and straightening disk harrows—of instantly changing working angle, depth or height without stopping or slowing down—all at a touch on a convenient lever!

The new John Deere Powr-Trol provides safe, smooth, positive, hydraulic power to operate your integral and draw equipment easier, faster, better, than ever before.

Exclusive for "A", "B" and "GM" Tractors and companion John Deere equipment, Powr-Trols are being made in increasing quantities as fast as possible. Stop in and let us tell you all about this great forward step in farming.

LOCAL NAZARENES PLAN TO ATTEND LUBBOCK MEETING

Delegates from the First Church of the Nazarene of Post are making plans to attend the annual convention of the Abilene District Assembly which will convene in Lubbock on October 21 through the 25. Sessions will be held in the Nazarene church at 14 and Avenue Q in that city.

Among the delegates who have already made plans to attend are Rev. Joe Norton; NYPS president, Edwin Perkins; WFMS president, Mrs. H. J. Dietrich; Sunday School superintendent, Earl Rogers; and Mr. and Mrs. M. K. Bingham. Other members of the church will also attend some sessions of the convention.

The Abilene District includes 66 churches and it is expected that about 400 delegates and visitors will attend the sessions.

Dr. Hardy C. Powers of Kansas City, Mo., will serve as presiding general superintendent. Rev. W. B. Walker of Abilene is the District Superintendent and O. V. McMahon is secretary-treasurer.

The Young Peoples Society will hold their meeting on Tuesday morning at the First Church with Rev. Odell Brown, presiding. The WFMS meeting will begin on Tuesday morning at nine o'clock and will be held in the First Presbyterian church with Mrs. W. R. McClure, district president, presiding.

REGULAR SESSION OF POST EASTERN STAR HELD TUESDAY NIGHT

The Post chapter of the Eastern Star met Tuesday night for the regular meeting this month. Worthy Matron Bernice Propat and Worthy Patron Lester Nichols presided.

During the business session several letters were read, including a notice of the demise of Walter Baldwin who was Worthy Grand Patron of the Order in Texas three years ago.

Two visitors were present, Mrs. Harriette Matsler of Palo Alto, California, and Mrs. Zuelia Thomas of Tahoka. Both ladies spoke briefly.

After the close of chapter, refreshments of pumpkin pie, colored candies, and coffee were served by Wanda Cox, Sybil Cockrum and Lyda Myrtle Everett.

CARD OF THANKS

We wish to express our heartfelt thanks to every one who so lovingly helped during the illness and death of our beloved brother and uncle, May God's richest blessings abide with you. Our hearts were comforted by your kindness and sympathy.

EXECUTIVE COMMITTEE MEETING OF P-TA IS HELD THURSDAY

The executive committee of the P-TA was held last Thursday afternoon at 3:30 o'clock at the school.

Plans for the Hallowe'en carnivals to be held on October 31 were discussed. Committee chairmen were selected and will be in charge of general arrangements. Day expressed the desire that the P-TA could assist in buying library books for both schools. Report at this meeting was given on the lunch room. Membership chairman reported that the association now has a membership of 140. Plans for securing more grade school parents were discussed. A contest with \$100 prize is to be given to the club that secures the largest number of members.

School of instruction for all members was announced. The school will be held in room 3 at high school Thursday, Oct. 17, at 8 o'clock. Mrs. Lee Davis, district vice president, will conduct school.

HAROLD VOSS IS HONORED WITH TEA-TOWER SATURDAY

Harold Voss was honored with a tea-shower given in the home of Mrs. J. E. Parker, Saturday afternoon, October 12, from 2 to 5:30. Mmes. J. E. Parker, Smith, J. R. Durrett, R. H. Stone, Noah Stone, B. E. Young, Boone Evans served as hostesses. Guests were greeted at the door by Mmes. Carl Clark, Jessie J. E. Parker and Harold

Delicious spiced tea, individual nuts were served from a beautifully decorated table, the centerpiece of which was orchid plants attractively arranged in a plastic container.

Emphasis the bridal motif, miniature bride and groom figures centered the crystal cake surrounded by the individual. Dainty Dresden butterflies decorated the table decorations. Surman Clark and Misses Thelma Clark and Geneva Voss served the tea from a silver tea set.

Mrs. J. A. Stallings, T. L. Stone and R. M. Thomas furnished music during the calling of lovely gifts were received from the many callers who registered in the bride's book by Miss Doris Clark.

Mrs. J. A. Ferguson left Tuesday morning for Hillsboro where she will visit her mother and other relatives. She is to return home

Nation Observing Business And Professional Women's Week Oct. 14-19

By MELBA JO MILLER

Business and Professional women's clubs all over the nation are joining this week in observance of the 19th anniversary of National Business Women's week, October 14 through 19.

President Truman together with Governor Coke Stevenson proclaimed this week for state and national observance of this organization. In doing so, President Truman stated, "After all our nation is made up of a myriad of communities, great and small. To be effective, our community effort must carry with it a full realization of today's opportunities and problems. The business and professional women of America are the logical vanguard of any program which deals with housing, public education, public health and full employment."

The national Federation of Business and Professional Women's clubs now reaches a total enrollment of 102,000 members striving to fulfill the club's motto, "Better Business Women in a Better Business World."

Though the local club has not been active for several years employees and employers in the city and even on the farms and ranches are mainly constituted of women.

The first organization of a B & PW club in this city was in 1930 when a group of business women, who upon organization were the POF, boasted of a membership of 12 women. Officers of this club were Geneva Voss, president; Bobbie Bethea Brant, secretary - reporter, and members included Thelma Clark, employee of the Gulf Company; Hazel Evans, of the bank; Vada Satterwhite McCampbell, Southwestern Public Service; Doll Ramsey Haire, sheriff's office; Nita Ramsey Burress, Steven's Dry Goods; Bobbie Bethea Brant, Connell Chevrolet Co.; Geneva Voss, school teacher; Miriam Scarborough Crump, beauty operator in Cardwell Beauty shop; Celia Marie Stacy, Lloyd Dry Goods; Katherine Custis Payne, Post Feed and Fuel; Myrtle Holly, Stoker Motor Co.; and Jeanne Samson, chamber of commerce secretary. Meetings

of the club were on the first and fifteenth of every month at which time the club had lectures and various cultural study courses.

Opportunities for business women is greater now than at any other time in the history of our country. Immediately upon the beginning of World War II, thousands of women entered the business world replacing men who were serving in the armed forces. Jobs of all types were plentiful and were mainly filled by ambitious women, ranging in ages from 14 to 60. Women proved that they were completely capable of handling important business positions and left behind them a record of excellent achievement in business and in community activities.

Women went to work in factories, in mills, in offices, driving buses, street cars and taxis, and as executives for large and important firms. You might say they kept things rolling at a nice pace on the home front while the men were on the battle front and are now just as enthusiastic to help put the world on a peace time basis.

Our hats are off to you business women and we hope that all will join with us in paying tribute to this intelligent and efficient group with whose help this nation is still a free and independent place to live.

REGULAR SINGING TO BE HELD AT GRASSLAND SUNDAY, OCTOBER 20

The regular singing will be held at Grassland Nazarene church next Sunday, October 20 at 2:30 p. m. Attention is being called to the fact that the meeting date has been changed from the first Sunday in each month to the third in order to accommodate more of the out-of-town singers.

Several good singers will be present for this meeting such as the Camel quartet, the Spears quartet, Phillip Gillispie and many other singers from Levelland.

Everyone is invited to attend these singings.

Queen Elizabeth, in 1572 received the first wrist watch ever made.

Church News

MELBA JO MILLER

Finally, brethren, be strong in the Lord, and in the power of His might. Put on the whole armor of God, that ye may be able to stand against the rulers of the darkness of this world, against spiritual wickedness in high places. Ephes. 6:10-12

Minute Prayer

Our Heavenly Father, we thank Thee for food and raiment and for other blessings which Thou hast provided for our need and comfort. Give us strength for our every duty and grant that we might not sin against Thee or our fellow men.

Post can well be proud of one of its citizens, O. V. McMahon, who has not only been a successful business man in our community, but has established a very fine record for himself as a church worker.

In November 1939 Mr. McMahon was elected to serve the Abilene District Nazarene church as the Secretary and Treasurer. He has served so efficiently that each year since then he has been unanimously elected to succeed himself in this important office.

He handles funds for district expense, home missions, retired ministers, foreign missions and Bethany-Peniel College which now has an enrollment of over 900 students.

He regularly corresponds with 66 churches besides his many other duties. Not only has he served the district with much distinction but he is a lay member of the advisory committee. Also he has for the past three quadrenniums been elected a delegate to the General Assembly.

Mr. McMahon came to Garza county in 1903 and has many friends in this community.

Church services will be held at the 11 o'clock hour Sunday morning and Sunday school at 10 o'clock at the Presbyterian church.

The Methodist WSCS met Monday, October 14, in the home of Mrs. I. A. Smith with 14 members present. Mrs. B. E. Young was chairman of the program which was opened by Mrs. Jesse Barnes giving the devotional. During the meeting, Rebecca Moreau, and a group from the negro church presented a lovely gift to Mrs. B. E. Young and Mrs. J. E. Parker for their efforts and interest in that church. The program which followed was a literature and publications program.

The Methodist Youth Fellowship was organized last Sunday by Mr. and Mrs. H. L. Gordon and much interest and good attendance is being shown in the group. The entire group plans to attend a district meeting in Lubbock next Saturday.

A Junior League was also begun last Sunday by Mrs. Arlie Gilmore and reports a good attendance. Both the Youth Fellowship and the Junior League meets at 8:45 to 7:30 each Sunday night.

Mrs. B. E. Young announced that the new Sunday school class for men will be served coffee and doughnuts preceding the class Sunday morning and urges that everyone who possibly can be present.

Mrs. Clarence Morton, State WMU worker of Lamesa, taught the book "Things We Should Know" at the First Baptist WMU meeting Tuesday. An all day meeting was enjoyed by the group with a covered dish luncheon being served at the noon hour. Several guests attended this meeting from the Calvary and Friendship Baptist church.

A new circle of the Baptist WMU will hold its first meeting and organize Wednesday night in the home of Mrs. Iven Clary following prayer meeting. The new circle will be made up of business and professional women of the town.

The Training Union Study course which started Monday is progressing satisfactorily. Three classes are being taught, Adults and Young People taught by Rev. Huron Poinac, Intermediates taught by Mrs. Poinac and the Juniors by Mrs. Ira Lee Duckworth. The last meeting of the group will be held Thursday.

The First Baptist WMU had its Royal Service program Monday with Mrs. A. A. Suits in charge of the program. The meeting was begun with the devotion given by Mrs. Jim Williams followed by Mrs. Suits who gave a short talk on Investments. Mrs. A. W. Bouchier discussed the topic "Whence The Money?" followed by a very clever skit given by Mrs. W. L. Davis and Mrs. A. A. Suits on the Cooperative program. Several members engaged in the topic "They Ray" after

MISS BOBBIE JUNE BRANT AND LEON O'NEAL MARRIED OCTOBER 12

Announcement of the marriage of Miss Bobbie June Brant, daughter of Mr. and Mrs. A. G. Brant, of Canyon, formerly of this city, to Leon O'Neal, was received early this week by Miss Brant's grandparents, Mr. and Mrs. Will Cravy. The couple were married Saturday, Oct. 12, at 5:00 o'clock.

Further details on the wedding will be published as soon as more information is received.

THELMA CLARK HOSTESS TO JUNIOR CULTURE CLUB

The Junior Culture club members were entertained last Tuesday evening in the home of Thelma Clark with Elizabeth Clark as co-hostess.

During the business hour roll call was held, followed by the reading of the minutes by secretary Carolyn Ross. Martha Roach gave the treasurer's report and a list of projects for Federated clubs was studied. Fern Jones was elected as a new member to fill the vacancy created by the resignation of Ahlene Bivens.

Jo Martin, club president, discussed the years work and parliamentary procedure. A delicious refreshment plate was served by the hostesses to the following: Wilma Pirtle, Doris Eaton, Virginia Carter, Carolyn Ross, Jo Tracy, Wynona Gossett, Martha Roach, Skeeter Smith, Jo Martin, Wanda Norton and Lorene Cash.

The next meeting will be with Lorene Cash on October 29.

Wedding In Burleson Attended By Post Relatives

A wedding of interest to many Post friends was that on October 6 of Miss Mary Ruth Haynes to H. Carlton Gordon, jr. both of Burleson. The bridegroom is the son of the late Rev. H. C. Gordon and Mrs. Gordon and formerly lived in Post when his father served as pastor of the local Methodist church. His sister, Mrs. Surman Clark, reside here.

The two Clark children, Bill and Flower, served as trainbearer and flower girl in their uncle's wedding which was held in the First Methodist church of Burleson. The Rev. W. L. Porterfield of Big Spring, brother-in-law of the groom, read the double ring ceremony. Organ music was presented by the groom's mother and a brother. Gene served as best man. Rev. A. W. Gordon, uncle of the groom, assisted in the wedding which was attended by Mr. and Mrs. Surman Clark and Miss Thelma Clark of Post.

which another short skit was given entitled "Test of the Tithe," led by Mrs. V. J. Campbell. Others in the skit include Mmes. R. E. Cox, W. F. Pierce, John Faulkner, J. P. Manly and L. A. Barrow. Mrs. Duckworth discussed the topic "Honest and Dishonest." The closing part on the program was a short talk and song given by Rebecca Moreau from the local negro church.

A fellowship supper was enjoyed by a host of Methodist men and women Monday night at the church. Delicious barbecued beef was provided by the men and salads and desserts were brought by the ladies. Following the feast, a musical program was enjoyed. Ralph Welch introduced the numbers on the program. Mr. and Mrs. Jack Kennedy and Mr. and Mrs. Jesse Barnes presented a quartet number followed by a duet by T. R. Hibbs and W. F. Presson. Walter Crider joined Mr. Hibbs and Mr. Presson in a trio number. T. R. Greenfield gave a short talk on fellowship followed by a group singing led by Jack Kennedy.

The nursery at the Methodist church will now be open each Sunday morning from 11 o'clock to 12 during the preaching service. Mothers and fathers are urged to come and bring their children as they will be assured of the best care for their children in the nursery. The nursery will also be open during the Missionary Society each Monday.

Mettie Lee Caldwell of Long Beach, Calif. spent an extended visit here with her parents and friends.

THURSDAY, OCTOBER 17, 1946

THE POST DISPATCH

MAUDIE SUE HUGHES HONORED ON SIXTH BIRTHDAY SATURDAY

Mrs. Bill Hughes entertained her daughter, Maudie Sue, Saturday afternoon on her 6th birthday with a party. The little guests enjoyed games and comic books after which they gathered around a gift laden table while the honoree opened her gifts.

After blowing out the candles on the pink and white birthday cake, the children enjoyed refreshments.

Those present were Sherry, Carolyn, and D'Wayne Odom, Janice, Randy, Jerry, Joe and Judy Jones, Glenda Rose Pierce, Gwen Joyce Smith, Jerry and Herby Hayes, Billie Ruth Hill, Drura Ann Hughes, Irving Johnson, Carolyn Sue Daniels, Hoyt Adcock, Harvey, Charles and Maudie Sue Hughes, Mrs. Wiley Hill and Mrs. Stanley Mathis.

MERRY MAKERS MEET IN THE HOME OF MRS. PEEL

Four members of the Merry Makers club met Tuesday, October 15. Three visitors were present, Mrs. Dovie Young, Mrs. Boozer and Mettie Lee Caldwell.

The afternoon was spent in fancy work and visiting, after which delicious refreshments consisting of punch, sandwiches, potato chips, olives, cookies and muffins.

The club adjourned to meet Tuesday, October 22, at the home of Mrs. Bratten.

FIFTH GRADE STUDENTS PRESENTED WORLD GLOBE BY ROOMMOTHERS

Pupils of the fifth grade room of the Post Grade school are the proud owners of a table-model world globe. The globe was a gift from the roommothers of that grade, Mmes. Wesley Northcutt, Lowell Short, Abb Caylor and Preston Mathis and was presented during a class meeting of the group.

The globe has long been needed in that room and is proving very useful to the students.

Guam is the largest of the Mariana islands.

A CONSTANT MEDIA FOR CONTINUOUS AUDIENCE

Regardless of how extravagant the claims of radio, movie, billboards and other such advertising, there is nothing that can match newspaper advertising. The proof is in newspaper circulation and the constancy it maintains in any season of the year.

Nor is any other advertising media likely to alter that position by any advancement in other fields of advertising.

Newspapers are no longer a novelty. They are as much a commodity in the home as food. The newspaper is a family need rather than a source of entertainment. Circulation records prove this. There is practically no season variation in the circulation of weekly day papers. The number of people who buy and sell and read newspapers remain pretty much the same month after month, year after year. Statistics show there is an increase in the number of papers being bought by subscription, especially in sections where weekly papers flourish. The Post Dispatch now has the largest circulation in its history. Most all all West Texas weeklies have increased their lists also.

This means that the advertiser can reach a large percent of the homes in the county, fifty-two weeks out of the year, with a new advertising layout each week. Most other advertising remains the same for weeks without change for obvious reasons.

The record speaks for itself, winter and summer, spring and fall, the newspaper audience is constant and readers and advertisers both profit by advertising used in newspapers.

PUBLIC DEMAND TO FORCE ACTION

People, like the army, still march on their stomachs.

Today, we are on the verge of a very embarrassing position—that of having raised the greatest crops in history, while our table fare is at the lowest level within our memory.

Bins, elevators, cribs and corrals are bulging as never before—but the housewife can tell you that much of our plentiful stock of food-stuffs is not reaching the table.

Washington has been called upon not only to make an explanation but to also remedy the situation. Politicians in Washington realize that explanations will not win elections yet they feel that the time is not yet ripe for action—not until after November elections. But growing public demands may well force intervention. And if the housewives of America who are responsible for feeding men in civilian pursuits demand it long and loud enough, we feel that some sort of helpful intervention will be forthcoming.

WHAT OUR CONTEMPORARIES ARE SAYING:

"I'D LIKE TO KNOW WHAT OTHER FOLKS are eating for breakfast since bacon has gotten into the same class with the Dodo," muses Editor Jackson of the Slaton Slatonite. "All I have been able to think of to take the place of two slices of bacon I used to eat for breakfast is a couple of eggs and I'm already so tired of them that I get sore every time I hear a hen cackle. Any breakfast suggestions will be appreciated."

If you think the labor situation has created a state of chaos in the United States, the latest theory advanced packs a real wallop . . . A 10 per cent wage increase early next year is extremely likely to partially offset increased costs of living . . . Labor is asking for a 17 per cent increase in pay to care for such costs, and labor leaders declare they will call another round of strikes rather than accept a 10 per cent wage increase. —Scurry County Times.

SEVEN GRASSBURR PUPILS MAKE HONOR ROLL FOR FIRST SIX WEEKS

The Grassburr community school has now completed their first 6-weeks work. The school has an enrollment of 20 pupils and of that number seven made the honor roll for that six weeks. They are as follows: Grade 1, Kay Morlar and Betty Jean Eubank; grade 2, Rexene Welch; grade 3, Sedora York; grade 5, J. W. Eubank; grade 6, Tommy Puckett; grade 7, Leonard Smith.
The fourth and fifth grades have finished a unit of study on Fire Prevention and have made several interesting posters on that subject. Other such projects and studies are being planned by the various grades for the ensuing year.

Mr. and Mrs. Troy Akins and little son, Don, of San Angelo, were visiting in the A. B. Haws home and with other friends here last week end.

Southland News

Mrs. Floy King, Correspondent

Southland's six-man football team, unhampered by a cold wind which swept the field, roared to a 46 to 12 decision over the Cooper six-man team on Slaton grounds Thursday night. Bobby Trimble and Duane Gilliland, both with 13 points, led the Southland attack. Valton Wheeler garnered 12 and Billy Leake 6 points for the winners. Billy Leake, star Southland fullback, was injured early in the game after a 40-yard run and was forced from the game.

Rev. R. B. Walden is still in a Lubbock hospital and Rev. Mathews of Lubbock delivered services in Rev. Walden's place Sunday. O. Klaus and son Werner and family spent the last ten days visiting relatives and friends in Southeast Texas.

Mrs. Henry (Babe) King was returned home from Mercy hospital Wednesday afternoon and is reported as doing nicely.

Visiting the Harry Kings Sunday were Mr. and Mrs. Edd King and son, Leslie and daughter, Mrs. Helen Young and Mrs. Edd King's sister, Mrs. Lola Massie of Haskell.

Mr. and Mrs. Faye Collins and family and the Roy Williams family spent Sunday visiting in the Lola Mullins home in Lubbock.

Lois Ann Collins was honored with a birthday party Friday evening. Among those present were Mr. and Mrs. Earnest Whately and Mrs. Hubert Whately and families of Cooper.

Mrs. Buck Loveless and sons of Cooper visited Mrs. Roy Williams Tuesday.

Arthur (Big) Smallwood is in Abilene receiving medical treatment on his arm.

The Dowe Mayfields moved to Post Saturday.

Mr. and Mrs. J. R. King are moving in the former Mayfield home and Mr. King will be employed in the Southland Hardware.

Mrs. John Leake now has charge of the Southland Drug Store. The Dowell Brothers and families have rented the lower part of the hotel and are serving family meals and short orders.

The Buddy Carpenter family has moved to the highway in one of the former Dunn buildings.

Roy Williams and brother, W. N. Williams, of Close City were in Anton Friday and Saturday on business.

Mrs. Mary J. Gray of Spur and daughter, Doris Maye, and baby of San Antonio, visited the J. L. Whited's the first of the week.

Mrs. W. J. Pappson of Ovalo returned to her home last week after visiting her daughter, Mrs. Ray Dick. The Dicks visited her sister, Mrs. H. P. Arvfill and family of Ropes Sunday.

Mrs. E. Brooks' sister, Mrs. Burnett Scott, husband and children, Wayland and Shirley, visited here recently. Laverne Brooks returned home with them to Winters Saturday. Tuesday, the remainder of the Brooks family went to their former home, returning home Wednesday.

Thirty Baptists went to Pleasant Valley last week to present a BTU program. The program was as follows: "Song and praise service," J. L. Gary; "The Artist and the Gypsy Girl," Mary Lou Punkony; "What the Training Union has Meant to Me," I. J. Duff; special song, Lena Mae Samples and Laverne Brooks; "The Message of the Training Union," Juanita Wright; and "The Church's Responsibility in Training Its Members," Rev. Emmett Brooks.

Walter Brian, pastor of Sudan Baptist church will teach the study course book in BTU Training.

The WMU met Monday for an all-day camping for Buckners Orphans home at the home of their president, Mrs. C. A. Bloxon.

The Baptist parsonage received its first coat of stucco last week

and Sunday morning 15 members pledged to donate one gallon of roof paint each.

The new attendance race in the Sunbeam Band applies to only Mondays when school will be conducted. Last Monday, seven children came in the rain.

THURSDAY, OCTOBER 17, 1946 (THE POST DISPATCH)

Mr. and Mrs. W. H. Fletcher of Plainview visited their daughter, Mrs. Marvin Truelock, and family Sunday and Monday.

W. T. (Bill) Martin, new 7th and 8th grade teacher is a gradu-

ate of the high school at Pecos, Texas in 1941. He then attended Texas Tech, where he received the B. A. degree in June 1946, having majored in history and minor in government.

"There is no finer art than that to learn to live happily, smoothly and successfully with others. Any one can be an artist of living with others. The only way people can live this way is to buy the corner stone properly.
"There is nothing so important as the proper beginning. Our educational triangle is the home, school and church.
"To give good study habits we should learn to recognize, make preparation, attack the problem, then check for accuracy. The scholarly attitude is the problem solving attitude.
"The basic psychological points in teaching school are (1) Get attention, (2) Get the child's interest, (3) Create a desire to learn, and (4) Get a conviction. Teachers are salesmen. They sell habits and knowledge. Children must be taught to respect authority.
"Personality is your ability to interest and influence others. Personality is a big slice of your character. Your character and reputation should be the same. Your character is what you are. Your reputation is what others think you are."
