County Area Grub Cleanup

By County Agent Wallace
Kimbrough

The following letter was received from the National Livestock Loss Prevention Board:

"Right now, there is a National effort for concerted action in cleaning up cattle grubs on a county-by-county basis. As you well know, a year 35 percent of all hides are peppered with grub holes. We are short 24 percent of sound leather. Approximately 12,000,000 pounds of beef were trimmed from loins and ribs and condemned because of grubs. There was an average devaluation of \$1.25 on all cattle slaughtered and the grubby carcasses the devaluation averaged \$3.50. On our tests at winter, cattle on feed treated for grubs at the proper time gain an average of 1-4 pound per day more than similar untreated cattle in the same lots, during the first 60 days after treatment. Derris and Cube will kill lice as well as grubs."

To stimulate this program this Board has secured the cooperation of Sears Roebuck and Co. to offer to the county that first treats all of its cattle for grubs by either the dust, spray, dip or other methods approved by the U. S. Bureau of Entomology this season a pressure spray which is worth about \$150.00.

Cattle grubs take a big cut in both leather, beer and milk production from farmers and ranchers each year. The treatment is simple and rather inexpensive. There are a number of ways to treat cattle for grubs, the following are some of the methods used:

Dusting—1 part of Derris containing 5 percent rotenone; 2 parts tripoli earth or 1 part of derris; 1 part of wettable sulphur. Sift on the infested area of the back.

Spraying—5 lbs. derris containing 5 percent rotenone; 10 lbs. wettable sulphur; 100 gallons water. The sprayer should have a pressure of for about 50 ft. of hose and should deliver about 2 gallons per minute. It requires about 7-8 seconds for each side of the animal.

Dipping—Charge the vat with 1 lb. derris; 10 lbs. wettable sulphur per 100 gallons of water. Dipping is probably the best method of controlling cattle grubs. It has the further advantage of controlling cattle lice. The dip should be used then wait 20 days and use again, then skip 30 days and use again. Three dippings should control both lice and grubs.

Roosevelt Signs Big Highway Bill

President Roosevelt signed Wednesday a bill authorizing a \$1,673,350,000 federal contribution toward a \$3,173,350,000 three-year postwar highway program.

And, in an accompanying statement, he praised Congress for having made possible advance planning of "needed facilities on a sound basis." Roosevelt added:

"Now it becomes a challenge to the states, counties and cities which must originate the specific projects and get the program ready for construction after the war ends."

"It is likewise a notice to the 44 legislatures which convene in 1945 that the highway program will require their prompt and vigorous attention."

Hugh Blivens Is Now Market Manager At Piggly Wiggly Store

Hugh Blivens took over management of the Piggly Wiggly Market early this week, according to an announcement made by Raymond Young, manager of the store. Blivens, who has been a clerk in the store for some time has been in a Lubbock Piggly Wiggly store for two weeks taking a special course in the market technique as practiced in Piggly Wiggly stores.

T-Sgt. Elvin W. Cullers returned to the States last week after serving seven months overseas. He completed his 50th mission over enemy territory recently. He will return to Fort San Houston reassignment center to be assigned to a combat unit in a combat zone.

Memorial Service Held For Sgt. John L. Jinkins on Monday

An impressive memorial service for Sgt. John L. Jinkins, son of John Q. Jinkins, was held in the Calvary Baptist church on Christmas Day at 4:00 in the afternoon. Sgt. Jinkins was killed in action on October 29th on Leyte in the Philippines. He was with the famous fighting Company A of the 17th Infantry of the Seventh Division. This division has taken part in many rugged battles and the names of its heroes who gave their lives for their country will be recorded in the pages of the history of this country.

Chaplain Long of the Lubbock Army Air Field had charge of the military service. He was assisted by the James C. Cole American Legion Post of this city in presenting the flags and in carrying out military honors for a fallen hero, Charlie Walden, commander of the post, was assisted by a corps of American Legion members.

A special reading was given by Dorothy Neil Jones and appropriate music was given by Miss Mary Margaret Duckworth. The choir of mixed voices was under the direction of Mrs. L. V. Presson.

Rev. Cone Merritt of Idalou, and former pastor of the Calvary church here and pastor to Sgt. Jinkins, made fitting obituary remarks on the life of the soldier bringing the service to a close with impressive solemnity that touched all friends and family members who attended.

Card of Thanks

John Q. Jinkins wishes to take this method of expressing a sincere "thank you" to all friends and acquaintances for the many kind words and thoughtful expressions of sympathy and said, "The sorrow of losing our boy on the field of battle was made more bearable by the honor you dear friends accorded him in your expressions of sympathy. The members of my family and I deeply appreciate your thoughtfulness."

Interesting Letter Arrives From Murrie Crowley

"The third anniversary of the 'workingest, fightingest bunch of men' in the nation's armed forces, the Navy Seabees, will be observed on December 28 by 340,000 officers and men of the United States Naval Construction battalions.

"Born just three weeks after the Pearl Harbor disaster, with an authorized strength of 3000, the Seabees won their spurs at Guadalcanal and have been with the assault troops in every major American amphibious operation. They can now boast that they built the network of air travel bases in the Pacific that pushed the Japs back 3000 miles; that they developed amphibious equipment and techniques that helped carry the day on the African, Sicilian, Italian and Normandy beachheads.

"Every commissioned Construction Battalion in either currently overseas or has completed a tour of duty; many battalions are on their second tour. Seventy-six per cent of the Seabees are now outside the continental limits of the United States; only 9000 essential men have never seen foreign service.

"As General MacArthur wrote in a letter to Seabee chief Vice-Admiral Ben Morell, 'The only trouble with your Seabees is that you don't have enough of them.'"

Murrie has recently been promoted to the Master of Arms Company and says, "It is about the same thing as a deputy constable or something and a job not to be sought after and one sorely displaced by many. We do what we are ordered. So far I've gotten along fine but it is one more headache looking after the likes and dislikes of the boys and keeping them in line according to commanders orders." Murrie is a regular reader of the Dispatch and keeps up with the old home town through its columns.

Sgt. H. M. Ford, Jr. is visiting his parents, Mr. and Mrs. H. M. Ford, after serving overseas 20 months in the Pacific. Needless to say the reunion was a happy one and other visitors in Ford home were Mr. and Mrs. P. F. Brown and Mr. and Mrs. Harry Ford.

Business And Financial Outlook For 1945

BY ROGER W. HARBON
General Business

1. A year ago the United States Babsonchart Index of the Physical Volume of Business registered 148.6; today it registers 138, justifying my forecast of a year ago. The Canadian Babsonchart Index of the Physical Volume of Business registered 206.5 a year ago; today it registers 197. 1945 will show a reduction of more than 10% both in United States and Canadian business. Furthermore, most of the following comments apply to both countries.

2. War production is already being cut back and this reduction will rapidly continue through 1945. Even those railroads and industries which expect to benefit from a long war with Japan will be disappointed.

3. The re-conversion of industry from war to peace business will increase during every month of 1945. Furthermore, time required for re-conversion will not be as great as most people believe.

4. Inventories quoted at their price values, rather than volumes, will continue, as a whole, during 1945 about as during 1944. Raw material piles will be larger, but manufactured goods will be smaller.

5. Population increases in the United States during 1945 will be about 700,000, but the birth of new babies will fall off somewhat.

Retail Commodity Prices

6. Rationing will continue through the most of next year. During the early part of the year, I expect to see further restrictions especially in connection with meats, canned goods, etc.

7. The retail prices of most necessities and some luxuries will be higher during 1945 than at present. The prices of some of the luxuries, such as furs, have already collapsed.

8. Steel prices of goods needed for peacetime manufacture should be a little higher, but prices of the heavy war goods will decline. This applies also to the heavy chemicals.

9. The wholesale prices of raw materials in general may decline during 1945, but most consumer goods will hold firm or sell at higher prices. For both gasoline and bituminous coal, there may be price concessions.

10. The great question mark of 1945 will be how, to whom and at what price the government will dispose of its billions of dollars worth of unneeded supplies.

Farm Outlook

11. The weather will be the greatest factor in farm production and prices during 1945. The weather has been exceptionally good so far for the past few years; but sooner or later we will have a severe drought or an early freeze.

12. Pending a weather upset, more bushels of corn and wheat and more bales of cotton will be raised in 1945 than ever before in our history. Although some prices may slide off, total farm incomes for the first half of 1945 should hold up.

13. There should be a 15% decline in hog slaughter and a 5% increase in cattle slaughter.

14. Dairy products will continue to increase both in volume and in price. I am forecasting at least a 3% rise in volume.

15. Farmers will start in 1945 to work again for legislation on their parity program, due to fear of a collapse in all farm prices after the war.

Taxes

16. Taxes will not be increased during 1945 and some will be reduced; in fact, some nuisance taxes will be eliminated altogether.

17. The Federal debt will continue to increase during 1945.

18. Whatever is done about taxes, the cost of living will continue to rise during 1945.

19. Providing jobs for returning soldiers will be the big political football of 1945. I am not now prepared to forecast what will happen in this connection.

20. Through a coalition of Republicans and Conservative Democrats, we should have a "do nothing" Congress during 1945.

Retail Sales

21. The volume retail sales will show a decline during 1945. Prices of ladies' apparel and general luxuries will suffer, while grocery sales should be higher.

22. The total dollar retail sales should be about equal to 1944 with an increased demand for woolen and cotton textiles for civilian use.

23. The best cities for 1945 business should be: Altoona, Pa.; New York, N. Y.; Cleveland, Ohio; Davenport, Iowa; San Jose, Calif.; Wichita, Kansas.

24. There will be a great stampede in 1945 to get rid of the make shift ersatz goods which have been made to take the place of good merchandise. Thus, 1945 will witness many "mark-down sales" of unrationed merchandise.

25. Wise will be those manufacturers, merchants and consumers who realize that postwar competition will be terrific and, therefore, withhold purchases until 1946.

Stock Market

41. The rails will show the greatest decline during 1945, because the airplane and shipbuilding stocks are already pretty much deflated.

42. The heavy chemicals, steels and motors may hold their own during 1945; but consumer goods will do much better.

43. The safest stocks to buy—considering value, income and safety—will be the merchandising stocks, especially the chain store stocks.

44. 1944 saw a large increase in the demand for peace stocks with a decline in war stocks; but 1945 will witness them both moving more or less together. Switching has been over-done in most cases.

45. 1945 will continue to witness creeping inflation, although the big movement toward inflation will not take place until the next business depression which will follow the postwar prosperity.

Bonds

46. Though bank loan rates should continue to have an upward tendency, interest rates in general will remain low through 1945, since the money supply is now 70% above normal and government controls will continue.

47. Anticipating the expected decline in Federal taxes, 1945 should surely see a falling off in the price of most municipal and probably other tax-exempt bonds.

Foreign Trade

26. The United States will own 50% of the world's ships in 1945.

27. There will be an increase in free exports with the "Freeze Counters," but Lend-Lease exports will decline.

28. We will make England and Russia large postwar loans provided they spend the money in the United States.

29. Both the British Empire and Russia will go into the competitive foreign trade market during 1945; many cartels and government monopolies will be in operation. I, therefore, forecast higher prices for coffee, cocoa, sugar and many other articles for which we are absolutely dependent upon foreign countries.

30. No Central Bank will be organized nor will the stabilization of foreign currencies be attempted in 1945.

Labor

31. The Little Steel Formula will be amended during 1945.

32. Industrial employment during 1945 will be off 7% in hours and off 10% in pay rolls.

33. The building of a few new autos and new houses will be resumed during 1945.

34. Many industries, now operating on a 48 hour week, will return to a 40 hour week during 1945.

35. Wage rates will not decline but "take-home" income will be less.

War Outlook

36. The greater part of Germany's army will collapse before the German planting season opens in the spring of 1945. Before surrendering, Germany will try poison gas.

37. Japan will not hold out as long as most people think. Japan will collapse within six or twelve months after Germany collapses.

38. If Stalin's health continues, he will be the world's most powerful man in 1945 and may dictate the peace terms, especially for the Pacific.

39. Sometime after April, 1945, Russia will join (or threaten to) the Allies against Japan but only after the promise of territory privileges and a huge loan.

40. The markets may witness a "communistic scare" during 1945; but they should soon recover thereafter.

MAY YOUR NEW YEAR BE RICH IN ALL GOOD THINGS

As Old Father Time looks to the future, it is the hope of The Post Dispatch that he determines on 1945 as the year which will see an end to world strife and the beginning of a peaceful life spent in true harmony by all mankind. May your New Year be rich in all good things.

Youth Panel Is Held Dec. 14th By High School P-TA

The High School Parent-Teacher group met in regular session on December 14, with Mrs. J. E. Parker, president, in charge. Mrs. Willard Kirkpatrick, program chairman, led the group in the Lord's Prayer as the opening number on the day's program. Following this Mrs. Kirkpatrick conducted a youth panel on the subject of "Modern Youth and Their Religion." Six High school girls were chosen from the classes and represented the churches of the town. All present enjoyed the responses given concerning questions of religious training in the church, home and school for the Post High school youth. Mrs. Mullins' pupils very charmingly entertained the group by singing three well known Christmas hymns accompanied by Mrs. Alfred Stallings at the piano.

During the business meeting the association voted to furnish candy and fruit to the Teen Age Canteen Christmas party. Mrs. B. J. Edwards and Mrs. D. C. Williams were chosen as a committee to purchase a gift for Mrs. Mary Stinnett, January P-TA visitor. Mrs. T. L. Jones, local music chairman, was authorized by popular vote to order copies needed for the Mother Singers of the songs to be sung in Slalon at a meeting to be held in the spring.

Next P-TA meeting will be held January 11, in the High school auditorium and a representative crowd of interested parents is expected to hear Mrs. Stinnett give her report.

Vernon Giles With Cited Bombardment Group In Italy

15th AAF In Italy—Pfc. Vernon W. Giles, son of Mr. and Mrs. Hiram F. Giles, of Post, is serving with the motor transport section of the (censored) Bombardment Group, which recently was awarded its second War Department citation for outstanding performance in the Mediterranean Theatre of Operations.

He is now authorized to wear an oak leaf cluster in his Distinguished Unit Badge. This second citation was for the (censored) during an successful attack on the Concordia Vega Oil Refinery at Ploesti, Rumania. The first was for an attack on the railyards at Bucharest, Rumania, during which 40 enemy aircraft were destroyed.

At Ploesti, despite an unusually heavy smoke screen which had caused other units of the attacking force to seek alternative targets, the (censored) stayed on its course and dropped its bombs on the refinery with exceptional, devastating accuracy. Three bombers of the group were lost to the heavy anti-aircraft fire of the enemy.

The twice-cited group is commanded by Lt. Col. Jack L. Randolph of Fort Worth, Texas. It has made more than 175 attacks against widespread targets in the crumbling Nazi empire.

Real winter weather hit Garza county Tuesday morning with temperatures falling to a new low for the year. Snow and sleet and a fine mist of rain fell throughout the day on Tuesday giving the streets of Post a slush that was disagreeable to the pedestrians and making the driving of cars on pavements a hazardous mode of travel.

Colder weather is being predicted for the remainder of the week with the peak striking here about Thursday if weather men can be relied upon for accurate information on such matters. Warnings to stockmen were issued Monday.

Holiday visitors in the Will Wright home were Jack Wright of Sheppard Field, Mrs. Nita Eichberger and Mrs. Margeline Ingram of Lubbock, Mr. and Mrs. E. M. Wright and daughter and Miss Jo Bullock of Abilene and Mr. and Mrs. A. F. Pierce of Elston.

Sgt. Jinkins Killed, Sgt. J. B. Jones Wounded On Leyte

Sgt. John L. Jinkins, 25, of Cross Roads and Post, was killed in action on Leyte in the Philippines on Oct. 29, according to a telegram from the War Department received by his wife, Mrs. Olga Mae Jinkins, who, with their one-year-old daughter, Diane, live with her parents, Mr. and Mrs. Buford Jones in the Gordon community.

Only recently, Mr. and Mrs. Jones had been informed that their son, S-Sgt. J. B. Jones, had been wounded on Oct. 26, three days before Sgt. Jinkins was killed, in the same area of Leyte, and had been flown to a hospital in the Marianas, where he is recuperating.

Sgt. Jinkins and Sgt. Jones, brothers-in-law, were in the same Army infantry company and had gone through the Alcatraz, Marshall and Philippine campaigns together. Both were with the famous fighting Co. A, 17th Infantry, of the Seventh Division, which has been through many tough battles with the Japs.

Sgt. Jinkins was born March 27, 1919, and lived in Garza county for several years. He entered the service Dec. 9, 1941, and the following year, Oct. 26, was married to Miss Olga Mae Jones.

Besides the wife and daughter he is survived by his father, J. Q. Jinkins of Plains, formerly of Post, one sister, Mrs. Pete Graves, and two brothers, Vernon, who is in the Army, and James Alex, who left Tuesday for the Army.

Sgt. Jones was wounded in the right hip, and shot through the left leg, his wife reports, however he is reported nearly well again and says he is ready to join his old outfit. She received a letter from him last week stating that he was evacuated by air to Stimson hospital. The War Department informed her she could send him a 5 word radiogram. He has not received any mail since the invasion of the Philippines.

Post loses Trio Of Games With Dawson Here Friday Night

The Post basketball teams were defeated in a trio of games with Dawson Friday night. In the opening game the Dawson Juniors had little trouble in downing the Post Juniors by a 19-8 margin.

In the second game the Dawson girls rolled over the Post girls 16-10. The Dawson team took an early lead which was never headed off by Post.

In the feature game of the night, the Post Senior team was downed by a group of Dawson outsiders 19-16. The game was close all the way and the half ended with the score deadlocked at 9-9. After taking a late lead the Dawson cagers froze the ball until the final whistle.

Post Wins 2-1 Over Southland In Close Games Thursday

The Post basketball teams won two out of three games with Southland Thursday night. In the opening game the Southland Juniors downed the Post Junior team 14-9. The second game was a thriller with the Post girls nosing out the Southland girls 18-15. The lead changed hands several times, but a 1:41 minute rally by Post spelled the difference. In the feature game of the night the Post Senior team eked out a close 24-20 victory over the Southland cagers. Southland held an 8-10 lead at the half, but the Post quintet finished strong in the last half and chalked up the victory.

SNAFU!

Following the resignation of a
high official in the dairy products
section of OPA, high sources
state that his pricing policies and
regulations will be scrutinized to
see if they are designed to favor
big cheese processors. An effort
also will be made to determine
whether butter has been detrimen-
tally priced to favor other dairy
products.

It is very wonder that farmer-
near government domination of
their business? They can cope
with natural laws. But in a bur-
socracy where natural laws are
manipulated by men constantly
subjected to human temptations,
near 100 is a normal condition.
This state of affairs can best be
described by the armed forces
new word, SNAFU, abbreviating,
"Situation normal; all fouled up."

Senior Play Cast Entertained

On Sunday evening, December
17, the cast of the Senior play was
honored by a rehearsal tea given
by Miss Maxine Durrett and her
mother, Mrs. J. R. Durrett, at six
o'clock.

The room mothers led the Sen-
iors into the dining room where
they found a beautifully appointed
tea table which carried out the
Christmas theme and was laid
with crystal and silver.

Mrs. Jones presided at the tea
table.

After a delicious service, the
cast indulged in the singing of
Christmas carols and other songs,
the Seniors departed, loud in their
praise of Miss Durrett and her
mother for their courtesy.

After the Senior play Dec. 19,
Mrs. B. J. Edwards and Mrs. J.
E. Parker entertained the cast and
their guests with a spaghetti din-
ner at the Edwards home.

Various informal games, and
conversations were enjoyed, both
before and after the supper.

The delicious menu proved to
be the "pepper-upper" that the
tired cast needed.

SUNDAY SCHOOL LESSON

Council of Religious Education; used by

THE BASIS OF COURAGE FOR THE FUTURE

LESSON TEXT—Matthew 12:12-20; II
Peter 2:14-15; I John 3:1-3.
GOLDEN TEXT—Wherefore, my beloved
brethren, be ye steadfast, unmovable,
always abounding in the work of the
Lord, inasmuch as ye know that your
labor is not vain in the Lord.—I Corin-
thians 13:58.

A significant year—1944. But now it
is gone. We look into the future and
ask ourselves, what next? Shall we
enter the new year with fear and
trembling, or may we face it with
courage?

If man's knowledge and dependa-
bility are all we have to stand on,
we had better be afraid, but there is
a real basis for courage and assur-
ance if we look to God, and to His
Word. We have:

I. An Unfailing Christ (Matt. 16:13-20).

It is not enough that men recog-
nize Christ as a teacher, a moral
leader, or a man willing to die for
His convictions. He must be more if
He is to deliver mankind, and, thank
God, He is more.

Peter, speaking by the guidance
of God, declared Jesus to be "the
Christ, the Son of the living God."
"Is this what Christ is to you? There
are so many shabby, inadequate, in-
accurate, limiting views of Christ to-
day. Men will give Him praise, but
refuse to give Him the honor due
to Him alone. The only Christ that
ever really lived is the Christ of the
New Testament, and that Christ is
the omnipotent and eternal Son of
God. Any Christ less than that is a
false Christ, a Christ of man's im-
agination. The Christ of the New
Testament can save, but no other
Christ is the saviour of men" (Pel-
oubet's Notes).

This Christ, the unfailing One,
established a victorious Church,
built on the acceptance of Him as
God. That Church marches on into
1945, as it has entered every other
year, assured that as it follows
Christ, and preaches God's Word,
there is reason for encouragement
and joy even in this awful day.

II. An Uplifting Faith (II Pet. 2:14-15).

Christianity is not just a set of
rules and regulations. It is a life.
It must grow, and it does grow. The
really born-again believer cannot
stand still in his spiritual experi-
ence. He has a faith which must
move him forward and upward for
the glory of God.

This experience is called growing
in grace, which means that each day
of this new year we as believers are
to become more like our Lord. We
are to have stronger convictions,
and at the same time we are to be
kinder and more loving. We are
to be more forgiving, tenderer,
more eager to serve Christ.

Christian, have you made any
spiritual progress in the year 1944?
If not it is because you have failed
to take God's provision for your life.
You have let the enemies of your
soul mislead you (v. 17). You have
not been diligent in your Christian
life (v. 16).

God does not want any believer to
live a defeated life, not growing in
grace and in knowledge. And there
is the secret—study God's Word in
1945. Learn more about God, and
you will grow. That's something to
look forward to.

Then note that this is to be in
the light of the promised return of
Christ (v. 14). He may come in 1945.

III. An Inspiring Hope (I John 3:1-3).

We have already touched on the
great hope of the Church—the com-
ing again of our Lord Jesus, and
here it is presented as the inspira-
tion to holy living.

Sometimes the world points a finger
of scorn at Christians, ex-
posing their weaknesses and fail-
ures. It makes us ashamed and
we resolve to do better, but we are
not discouraged. The world doesn't
understand spiritual truth or Chris-
tian experience. We believers are
"the children of God," born again
through faith in Jesus Christ.

All that is involved in this new
life does not yet appear. It is hid-
den under the imperfections and the
failures of our lives. But it is there,
and one day when Jesus comes
again it shall be made known. "We
shall be like him." Ah, that makes
one square his shoulders and lift
up his head to meet 1945 with as-
surance.

Observe that this hope of Christ's
return is not just a theological doc-
trine to discuss, or a religious slo-
gan to proclaim. It has a tre-
mendously practical application.
The one who expects Christ to come
back seeks that holiness of life
which is spoken of in verse 2.

He is coming. I must be ready to
meet Him with joy. So my life—yes,
the details of my daily life—must be
right. What an incentive to real holy
living!

Well, here is 1945 courage with
which to meet the new year. May it
be a blessed one in your life, no
matter what the experiences and cir-
cumstances may be. God is in the
new year. Let us move forward
with Him.

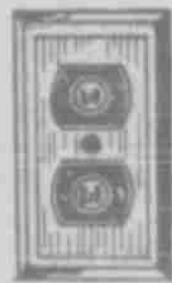

In Appreciation

We'd like to be of service to you all through
the year ahead, and we can promise the best
in our power! Looking back over the difficul-
ties of the past year, we must say you have
been wonderfully cooperative, and we have
appreciated it!

Thelma Propst, Pvt. Everett McGaugh Marry On Dec. 18

In an impressive and beautiful double ring ceremony, Miss Thelma Propst, daughter of Mr. and Mrs. J. A. Propst of Post, and Pvt. Everett McGaugh of Petersburg were married at 9:30 p. m. Monday, Dec. 18. The vows were exchanged under a beautifully decorated Christmas tree. Rev. J. E. Stephens of Grassland performing the ceremony, Miss Billie McGaugh, sister of the groom, and Miss Belle Kirkendall were bridesmaids. J. A. Propst, father of the bride, and Mr. Harvey Hall were best men.

The bride wore a tailored suit of white wool with accessories of brown. Her corsage was of red roses. She carried a white Bible.

Mrs. McGaugh is a 1942 graduate of Post High school and for the past eighteen months has worked in the telephone office at Lubbock.

Following the wedding a reception was held for the entire party.

After a short session of chatter the girls exchanged gifts from a beautifully decorated tree. Following the inspection of their packages, frosted drinks and cake were served to the following members: Marian Hodge, Peggy Robinson, Billie Kennedy, Wanda Thomas, Edna Pierce, Edna Ruth Swanger, Mary Robertson, Norma Joy Huffman, Marian Edwards and the hostess.

Rotarians Enjoy Christmas Party Given By Anns

Rules were reversed when the Rotarians and their Anns met in the annual Christmas party last week as the Rotary Anns made all the arrangements for the party and honored the Rotarians. Mrs. Homer McCrary was general chairman, Mrs. Phil Boucher was in charge of refreshments, Mrs. B. J. Edwards in charge of decorations and Mrs. D. C. Williams was in charge of the program.

The party was held in Jennie's Tea room which was very beautifully decorated for the occasion with appropriate yuletide decorations. The Christmas tree laden with gifts for each Rotarian from a Rotary Ann who had drawn his name and with gifts to each Rotary Ann from the Rotary club was the center of attraction. As a special feature of this portion of the program the sweetheart of the club, Mrs. J. A. Stallings, was presented a lovely gift of crystal. Frances Lee Duckworth acted as Santa Claus.

A tribute to Men in Service was the special number on the program. Mary Ann Hundley sang very beautifully two numbers, "A Prayer for the Boys Over There" and "When the Lights Go On Again." Mrs. Clint Herring, violinist, and Mrs. Stallings, pianist, furnished the music throughout the party hours.

Games of bingo were enjoyed. Prizes were white elephant gifts and these created quite a lot of amusement for those who were not the lucky winners.

A lovely centerpiece combining holly and pyracantha berries and white candles were used to decorate the buffet table from which delicious chicken salad, wafers, cookies, candies, nuts and coffee and tea were served. Candles were used throughout the entertaining rooms.

About seventy guests attended.

Pvt. A. L. Warren Likes News From Home

Pvt. A. L. Warren is getting pretty tired and lonesome after nearly four years of war. He wrote the editor this week telling him about the joy he gets out of reading The Dispatch and especially the "Soldier of the Week." In a foreign country where people, customs, etc. are strange "The Post Dispatch" is just like meeting an old friend, is the sentiment Alton expressed in his recent letter. The V-mail letter was written on November 15 but didn't arrive in Post until December 22nd. He said the last issue of the paper he received was dated August 24.

Mrs. Joe Callis went to the West Texas hospital in Lubbock on Christmas day and will undergo major surgery there. She was accompanied to Lubbock by her husband and her daughter.

Games of bingo were enjoyed with Mrs. Carl Hughes winning the prize.

The arrival of Santa a few minutes before schedule created much excitement and the ceremony around the beautifully decorated tree was the highlight of the evening's entertainment.

The buffet table from which delicious refreshments were served was effectively decorated with yuletide decorations and other Christmas decorations were used throughout the house to give added charm to the season's best party for the club.

Twenty couples attended and Marvin Hudman was toastmaster.

War Wives Enjoy Party Given By Mrs. R. S. Davis

A delightfully informal party was thoroughly enjoyed by the War Wives club last week when Mrs. R. S. Davis was hostess to the group. Decorations throughout the house gave the occasion the proper atmosphere for the exchanging of gifts around the gaily lighted and decorated tree.

As a parting gesture the club gave Mrs. Charles Lewis Pickett a lovely gift as she left Wednesday to make her home in Atlanta, Ga. Table games provided diversion for the evening's entertainment.
