Questions On Bond Issues Are Answered

Polls To Be Open All Day Saturday

After two weeks of "sounding out the public" on the revenue bond election Saturday, the City Commission has compiled the various questions that interested persons have been asking and answered them in a full page advertisement elsewhere in this issue.

In placing the advertisement in this week's paper, city officials said they would be glad to try to answer any other questions that might have been overlooked.

Voting will take place Saturday, July 3, at the City Hall from 8 a. m. until 7 p. m.

Accomplishments Of ACA In Garza County Revealed

Mike C. Custer, secretary of the Garza County ACA, has advised that Garza County farm and ranch operators have carried out the following practices in 1947 with assistance through the ACA Program:

Thirty six earthen dams and damless tanks were constructed for livestock water. These tanks not only prevent soil erosion and flood damage but they will furnish approximately 14,400 acres of pastureland with adequate livestock water.

There were 794,204 feet or 150 1/2 miles of large ridge type terraces constructed on 57 farms and the secretary estimated that this amount of terraces would protect approximately 3,379.5 acres of cropland from erosion.

Six thousand nine hundred and twenty-two cubic yards of diversion terraces were constructed by nine operators, diverting water from 294.5 acres of land.

Eight hundred ninety-seven feet of water wells were drilled on range land for livestock (Continued On Back Page Col. 3)

Inhospitable Cat Objects To Snake

C. E. Nickens, who lives on Third Street in south Post, was sitting comfortably in the shade of a tree in front of his house the other hot afternoon.

Everything was quiet and peaceful, and his cat was curled up and resting on the edge of the trough that encircles the tree.

A rattlesnake crawled up and joined the party, choosing a cool spot at the edge of the trough on the opposite side of the tree from the cat.

The cat objected and hissed. The snake rattled back, and Nickens tore out to the back yard to get the hoe.

Look Who's New

Mr. and Mrs. G. W. Hale of Lubbock are announcing the arrival of a daughter born June 19. She was named Nita Kay. Mrs. Hale is the former Miss Lucille Peel of Post.

A daughter, weighing 7 lb., 6 oz., was born at 6:40 p.m. Friday in the West Texas Hospital at Lubbock to Mr. and Mrs. Lee Roy Voigt of Southland.

A daughter, weighing 5 lb., 19 oz., was born to Mr. and Mrs. Wesley G. Northcutt in the Mercy Hospital in Slaton at 6:05 p. m. last Thursday. She was named Judy Elizabeth.

Mrs. Crider's parents, Mr. and Mrs. John W. Lawson and family.

Mrs. Alton Carr and daughter, Camalia, left Wednesday morning for Amarillo where they will join Mrs. Carr's sister before going on to Chillicothe and Athens for a visit with their mother and other relatives. They will spend the July 4 weekend with Mrs. Carr's brother in Menden, La.

Mrs. Jessie Voss will leave Saturday for Ruidoso, where she will spend the rest of the summer. She will be accompanied by her son and wife, Mr. and Mrs. Harold Voss, who with Cliff Clark, will spend the holiday weekend there.

Post Commended For Anti-Polio Campaign

All the outhouses, cowpens, pig lots, alleys and garbage cans accessible from the alleys in the city were sprayed Tuesday with DDT as a precaution against polio.

The machine was lent to the city of Post by Rowland-Gordon and Company of Lubbock. It was arranged for and brought to Post by the Garza County 4-H boys and operated Tuesday by Alvin Davis, 4-H president.

City officials, who sponsored the project, said that the spraying will be repeated later in the season if the number of flies and insects increases or fails to decrease.

Citizens of Post are urged to supplement the city's spraying with their own spraying of porches, screens, garbage pails and other spots that attract insects with 5 per cent DDT which can be purchased at drug, grocery and many other stores. The city's spraying cannot be entirely effective unless the residents supplement it with their own spraying, the Lubbock City Health Department advised.

The DDT used by the city was brought to Post Sunday by V. A. Cross, a representative of the Lubbock City Health Department who showed the 4-H boys how the spraying should be done.

Cross quoted the State Health Department in saying that while all the causes of polio are not (Continued On Back Page Col. 2)

Grasshoppers Are Invading County; Poison Available

Grasshopper have been doing some damage on a few Garza County farms, and the farmers have begun to poison them with a mixture obtained from County Agricultural Agent Robert Gibson.

There is no charge for the poison nor the bran which is used with it, the agent said this week, but there is a fee of 25 cents per 100 pounds for mixing the poison.

Anyone wishing to obtain the poison mixture is invited to come to the court house, bringing with him 50 lb. of finely ground bundles of sawdust, 10 lb. of sugar and two gunny (Continued On Back Page Col. 2)

Lady Luck Smiled On Nance; Frowned On Bird Sunday

The Garza County Roping Club added another decisive victory to its undefeated record for the season Sunday in a match with Kent County at Clairemont. Five local ropers, working four calves each, defeated five Kent ropers by a comfortable margin of 120 seconds. The locals were Jimmy Bird, Nathan Mears, Dub Gray, David Reed and Lewis Nance.

The contest was followed by a match between Bobby Byrd of Clairemont and Lewis Nance. The latter won by 26 seconds on four calves.

It was Nance's day. In the jackpot roping contest which concluded the program, he won with a time of 14.2 seconds. The runner-up, a Clairemont hopeful, had a time of 11 seconds. Jimmy Bird, who had made an excellent showing in the first contest, broke his rope in the final workout and clocked up no time.

Negotiations are under way for a match with Spur. Announcement as to the time and place probably will be announced next week.

Alex Webb, Clint Herring's man Friday, is shown painting one of several display counters which he built recently for Herring's store. One of Webb's hobbies is exhibiting and judging field crops described.

Twenty-Four Boys Are Shaping Up For Boxing

An even dozen boxing matches have been scheduled for the Post Boys Club Fun Night in the rodeo arena Saturday night, beginning at 8 o'clock. The boys have been paired, as follows, according to their size and boxing experience:

- Jimmy Minor, 5 years old, vs. Donnie Hays, also 5; Jimmy Short, 7, vs. Herbert Hays, 7; Donald Clary, 9, vs. Ray Charles Garner, 8; Jack Lott, 11, vs. Tommy Malouf, 11; Mack Kemp, 10, vs. Jackie Odom, 10; Gerald Howard, 11, vs. Allen Kemp, 12; Jerry Windham, 7, vs. Donald Gilmore, 7; Jerry Hays, 8, vs. Ross Anthony, 9; J. C. Shedd, 13, vs. Leonard Short, 10; James Williams, 7, vs. Gary Welch, 8; Nolan Williams, 13, vs. John Norton, 13; Dee Hodges, 9, vs. James Gibson, 9.

Coach Bingham said that only one more Fun Night probably will be held by the boys after Saturday night.

Tickets are being sold by the boys for \$1, ringside; 75 cents for grandstand, and 35 cents for school students.

Two teams from the Post Boys Club, the juniors and seniors, will play the junior and senior softball teams of the Slaton Boys Club Tuesday night in the Post-ex Park. There will be no admission charge, Bingham said, and the public is invited. The first game will begin at 7 o'clock.

On Wednesday night of last week, the junior locals lost to the Slaton juniors, but the senior locals defeated their opponents.

Exhibiting And Judging Field Crops Described

A pamphlet entitled "Suggestions on Selection, Preparation, Exhibiting, and Points in Judging Field Crops, Fruits and Vegetables" has been prepared by Cecil Ayers, professor in the Department of Animal Husbandry at Texas Technological College, for vocational agriculture teachers, county agricultural agents, home demonstration agents and individual exhibitors.

A copy of the manuscript was sent by the author to George Samson this week with the request that he criticize it and make any suggestions for changes. Samson said it was an excellent piece of work and it would be the only concrete information available to fair exhibitors and that it will be a great benefit to (Continued On Back Page Col. 2)

VFW And Auxiliary Name State Leaders

S. A. Childress of Waco was elected unanimously June 27 as Texas commander of the Veterans of Foreign Wars at the state convention in Corpus Christi. He succeeds Roger Q. Evans of Denison, who resigned to become a candidate for the governorship of Texas.

Mrs. Violet Kinney of Borger was elected state president of the V.F.W. Auxiliary.

THERE'S LOTS TO DO HERE, EVERYWHERE— "Whatcha Doin' Over The Fourth?" Many Answers Given

Garza residents, like people everywhere in the nation, will enjoy a long weekend in celebration of American Independence, the greatest of all holidays observed in the United States.

The celebration will get under way here Saturday night with a dance, sponsored by the Post Stampede and Rodeo Association and a Fun Night, sponsored by the Post Boys Club, at the rodeo grounds.

The fun night, featuring boxing, will begin at 8 o'clock. A portable ring will be set up in the rodeo arena.

The next most exciting event on the local schedule will be a doubleheader baseball game be-

tween the Post Millers and Brownfield in the Postex Park, beginning at 2 p. m. Sunday, July 4. A between games program, sponsored by the Veterans of Foreign Wars, will be held at approximately 5 o'clock at the park.

Stores To Close

Most Post stores will be closed on Monday. Dollar Day, which is usually the first Monday in the month, has been postponed until Tuesday.

The American Legion's Annual July, Third supper will be held Saturday night at 7:30 p. m. 2 miles north of Post. All ex-servicemen are invited.

Many Garza residents are planning to take advantage of the long weekend and take a trip to visit relatives, attend the Cowboy Reunion at Stamford, the Amarillo rodeo, or the rodeo at Levelland, go to the special fireworks celebration at Buffalo Lakes, near Lubbock, go fishing or begin a vacation.

W. A. (Bubber) Talley and his mother, Mrs. Arthur Talley, will have more fun than almost anybody on July Fourth attending a "bullsite" in Mexico. They left last week for a visit in Uvalde with Mrs. Talley's brother-in-law and sister, Mr. and Mrs. John Lasiter. Worried about the high flood waters in Del Rio, Mr. Talley telephoned them the other

night to learn that, although the water was high in Uvalde, nobody was in danger and that Bubber was excited about Uncle John's plans to take the family to the "bullsite."

Good Luck, Sonny

Lewis (Sonny) Nance is planning to take his registered quarter horse to Stamford over the Fourth to compete with some of the nation's most famous horses in the quarter horse show of the Annual Cowboy Reunion. Lewis' horse is registered in both the National and American Quarter Horse Associations.

Lucille Collier doesn't know yet where she is going over the Fourth, but she will go in her new Plymouth club coupe. She is glad that she no longer has to go to Tahoka to borrow Brother Wynne's car whenever she wants to make a trip.

Mr. and Mrs. Buster Shumard will leave Friday for Plainsville, Kans., to spend the holidays with his father.

Mrs. Fred Meek of Amarillo, the former Lois Nance, will arrive here today for a short visit, then she and Melba Miller will go up to the Panhandle and attend the Amarillo rodeo during the holidays.

Mr. and Mrs. Hugh Blevins and Mr. and Mrs. Walter Crider will spend the holidays at Post-oak, near Wichita Falls, visiting

Questions and Answers

ABOUT THE REVENUE BONDS...

- 1. QUESTION**
What is the purpose of the Waterworks and Sewer Revenue Bond Election?

ANSWER
IN ORDER TO EXTEND AND IMPROVE THE SANITARY SEWER FACILITIES AND TO PURCHASE THE PRESENT WATERWORKS AND SEWER SYSTEMS.
- 2. QUESTION**
How will the the funds from the Sewer Revenue Bonds be spent?

ANSWER
OF THE \$200,000 SEWER REVENUE BONDS \$15,000 IS FOR THE PURCHASE OF THE EXISTING SYSTEM AND \$110,000 WILL BE TO MAKE AVAILABLE SANITARY SEWER FACILITIES TO SERVE THE INHABITED AREA WITHIN THE CITY LIMITS WHICH WOULD BE FEASIBLE FROM AN ENGINEERING OR ECONOMIC STANDPOINT, AND TO ENLARGE THE DISPOSAL PLANT TO TAKE CARE OF THE NEW CONNECTIONS, LEAVING \$75,000 UNISSUED.
- 3. QUESTION**
How will the funds from the Waterworks Revenue Bonds be spent?

ANSWER
OF THE \$400,000 WATERWORKS REVENUE BONDS, \$300,000 IS FOR THE PURCHASE OF THE SYSTEM, AND \$25,000 WILL BE TO IMPROVE AND EXTEND THE PRESENT SYSTEM, LEAVING \$75,000 UNISSUED BONDS.
- 4. QUESTION**
If we are paying \$300,000 for the Waterworks System and \$15,000 for the Sewer System, what is the value of these properties?

ANSWER
THE NET APPRAISED VALUE OF THE TWO SYSTEMS IS \$540,000, OUR COST IS SLIGHTLY LESS THAN 60% OF IT'S VALUE.
- 5. QUESTION**
What is the reason for authorizing more bonds than we actually need?

ANSWER
WHEN YOU AUTHORIZE REVENUE BONDS, IT MEANS THAT ADDITIONAL REVENUE BONDS CANNOT BE AUTHORIZED AS LONG AS ANY EXISTING REVENUE BONDS ARE OUTSTANDING, THEREFORE, THE UNISSUED BONDS WILL NOT BE SOLD UNLESS THE CITY CONTINUES TO GROW AND ADDITIONAL FUNDS ARE NEEDED FOR NEW CONNECTIONS AND ENLARGING THE SYSTEMS, AND GUARDS AGAINST TAX BONDS HAVING TO BE AUTHORIZED.
- 6. QUESTION**
How will the bonds be paid?

ANSWER
AS STATED IN THE NOTICE OF ELECTION, THE BONDS WILL BE PAID FROM THE OPERATION OF THE SYSTEMS, AND EACH BOND TO BE CONDITIONED THAT THE HOLDER THEREOF SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT OF SAID OBLIGATION OUT OF FUNDS RAISED OR TO BE RAISED BY TAXATION.
- 7. QUESTION**
How will the bonds mature?

ANSWER
THE BONDS WILL MATURE SERIALLY IN EACH YEAR BEGINNING IN 1949 THROUGH 1983, BUT THE CITY HAS THE RIGHT TO REDEEM AND PAY OFF ALL OF THE BONDS AFTER TEN YEARS.
- 8. QUESTION**
What is the reason for owning the Waterworks and Sewer Systems?

ANSWER
THE CITY OF POST IS ONE OF THE VERY FEW CITIES WITHIN THE STATE THAT DOES NOT OWN IT'S OWN WATERWORKS AND SEWER SYSTEMS. BY SO OWNING THEIR OWN SYSTEMS, IT PROVIDES ADDITIONAL REVENUES FOR THE OPERATION OF THE CITY GOVERNMENT, WHICH REVENUES ARE NOW PROFIT TO THE UTILITY COMPANY, ALSO, TO PAY FOR THE NEW SEWER EXTENSIONS, IT IS NECESSARY THAT THE CITY OWN THE WATERWORKS SYSTEM IN ORDER TO HAVE SUFFICIENT REVENUE TO PAY THE SEWER BONDS.
- 9. QUESTION**
Who will manage the water and sewer systems in the event the city of Post purchases the systems?

ANSWER
A COMPETENT WATER ENGINEER THAT HAS HAD EXPERIENCE IN OPERATING WATER SYSTEMS, ALSO, THE COMMISSION DOES NOT CONTEMPLATE MAKING ANY CHANGES IN THE PRESENT PERSONNEL OF THE LOCAL COMMUNITY PUBLIC SERVICE COMPANY EMPLOYEES.
- 10. QUESTION**
Will we lose tax revenue by owning these systems?

ANSWER
THE CITY'S REVENUES WILL BE INCREASED, AS THE CITY IS NOW PAYING TO THE UTILITY COMPANY MORE MONEY IN FIRE HYDRANT RENTALS THAN THEY ARE RECEIVING IN TAXES.
- 11. QUESTION**
Can the revenue bonds be sold?

ANSWER
YES. THE CITY HAS A PURCHASER FOR THE BONDS WHO HAS DEPOSITED A GOOD FAITH CHECK IN THE AMOUNT OF \$5,000 FOR INSURING PERFORMANCE OF IT'S OBLIGATIONS TO PURCHASE THE REVENUE BONDS.
- 12. QUESTION**
Who can vote in the bond election July 3?

ANSWER
ANY AND ALL PROPERTY-OWNING TAX PAYERS RESIDING WITHIN THE CITY LIMITS OF THE CITY OF POST WHO HAVE RENDERED THEIR PROPERTY FOR TAXATION AND WHOSE NAMES APPEAR IN THE ROLLS OF THE TAX COLLECTORS AND WHO HAVE PAID POLL TAXES FOR THE YEAR 1948, BEING POLL TAX RECEIPT DATED 1947, ARE QUALIFIED TO VOTE IN THE ELECTION. BY PROPERTY-OWNING, THIS MEANS REAL PROPERTY AND / OR PERSONAL PROPERTY, SUCH AS AUTOMOBILE OR OTHER PERSONAL PROPERTY.
- 13. QUESTION**
Will the proposed revenue bond issues increase Post's bonded indebtedness?

ANSWER
THE VOTING OF THESE BONDS WILL IN NO WAY EFFECT POST'S BONDED INDEBTEDNESS, AS SUCH BONDS WILL BE ISSUED AGAINST THE TWO PROPERTIES RATHER THAN THE TAXPAYERS' POCKETBOOKS. THIS INDEBTEDNESS CANNOT BE CONSIDERED WHEN, AT SOME LATER DATE, THE PEOPLE OF POST SHOULD DESIRE TO VOTE TAX BONDS FOR PAVING OR OTHER CIVIC IMPROVEMENTS.

BITS OF NEWS

Donald Lee and Roy Dell Nickens of Lubbock are visiting this week with their grandparents, Mr. and Mrs. C. E. Nickens.

Roy Smith of Brownwood, son of Ray N. Smith, is seriously ill in McCloskey Veterans Hospital in Temple. Mr. and Mrs. Ray N. Smith went to Brownwood last Friday and took Roy and his wife to Temple. At last report, Roy's condition could not be diagnosed until he had finished going through the clinic.

Mr. and Mrs. Al Norris went to Wichita Falls last weekend after their daughters, Barbara and Aylene, who have been visiting in the home of their grandparents for two weeks.

Mr. and Mrs. Ed Gossett are spending two weeks in Glen Rose where they are undergoing medical treatment. Their son, Ralph, drove them to the health center on Saturday returning to his home in Lubbock on Sunday.

Large Crowd Sees New Funeral Home Sunday Afternoon

Several hundred guests registered Sunday afternoon during the Hudman Funeral Home open house. The following were from out of town:

Mr. and Mrs. Pryor Hammons of Littlefield, formerly of Post, Mrs. E. B. Morgan of Slaton, Anita Oliver of Lamesa, Mr. and Mrs. H. T. Wiley and children, Sarah Ann and James, of Lubbock, Phillip Morgan of Slaton, Mr. and Mrs. Blanton of Lubbock, Mr. and Mrs. R. H. Odom of Snyder, Weldon Dunavant of Lubbock, Joe W. Seay of Lubbock, Bertie Brown of Lubbock, Mr. and Mrs. Elmer Lewis of Lubbock, Mr. and Mrs. H. H. Edmondson, Jr. of Slaton, H. M. England of Slaton, Mrs. Wilbur Williams of Slaton, Mrs. D. M. Summers of Lubbock, Mrs. E. V. Bartlett of Ralls, Jessie Julian of Plainview, Almeta King of Plainview, Mr. and Mrs. Lloyd Sanders of Lubbock, Essie Overfelt of Lubbock, Mrs. Paul Jasselet of Weinert, Mrs. J. H. Claiborne and son of Littlefield, Sylvia and Jacqueline Evans of Amarillo, Mrs. H. C. Gordon of Burleson.

Numerous bouquets of lowers sent by Post business firms and individuals, a number of Texas funeral homes and the Dallas Coffin Company and Neff Floral Company of Dallas sent flowers which were beautifully arranged by Bill DeWalt, local florist, as decorations throughout the spacious rooms of the funeral home. Among the flowers used were some giant gladioli raised by George Samson.

Funeral homes sending either flowers or representatives or both included Hammons Funeral Home of Littlefield, Farley Funeral Home of Brownfield, Odom Funeral Home of Snyder, Williams Funeral Home of Slaton, Sanders Funeral Home of Lubbock and the Bowden Funeral Home of Texarkana.

The Hudman Funeral Home staff asked the Post Dispatch to announce that anyone, who was unable to visit the home Sunday, is invited to visit the home at any time in the future. Rural people, who could not attend Sunday because of threatening weather, are especially invited to call at the home Saturday of this week.

Biggest Cowboy Organization To Meet July 2, 3, 5

When Texas Cowboy Reunion Association members meet at the 18th annual Texas Cowboy Reunion in Stamford, July 2, 3, and 5, there will be many distinguished guests and members on its roster. Ernest O. Thompson, Bill Murray and Olin Culbertson, Texas Railroad Commissioners, will be among the guests at the annual affair.

The Texas Cowboy Reunion Association was first organized at the original Texas Cowboy Reunion June 28, 1930, and is now incorporated. It is the largest cowboy organization in the world.

The membership is made up of cowboys required to be 50 years of age or over, and to have been actual cowboys 35 years prior to registration. Its roll at one time listed 1,500, but time has reduced the ranks to a regular membership of 650. Widows of deceased members have the right to succeed to the membership of their husbands, and many take advantage of that privilege. Several of them have served on the Board of Directors. Many distinguished ranchers, colorful trail drivers, authors, artists and professional men who rode the range for years, have graced the Texas Cowboy Reunion rolls.

Tex Moore, official Texas cowboy artist, now a resident of Wichita, Kans., will return for this year's reunion. From Los Angeles, Calif., will come Frank King cowhand author, California rancher, will accompany Mr. King.

The organization was among the first to revive the square dance, schottische, heel and toe polka, new shoes, and other old time dances, and holds its own dances July 1, 2, 3 and 5 at its Round-Up Hall.

The over-wintering boll weevil population in Texas is small, reports Texas extension entomologist, but rainy weather during the next two months could increase the boll weevils enough for considerable cotton damage.

Money Spent For Factory Products Is Made On Farm

Will Wright, chairman of the Garza County ACA Committee, states that "when we buy automobiles, refrigerators, washing machines, farm machinery and, in fact, most anything through our local merchants, the money we pay goes out of the county to the manufacturer. We cannot constantly send money out of the county without some way of getting money back into the county." Now the question arises, "How are we to get money back into the county?"

In most Texas communities there are very few manufactured products made that are sold to the outside world, therefore, we depend almost entirely on agricultural products produced in the community and sold throughout the world to bring money into the county. Naturally, the more agricultural products that we can ship out at fair prices the more money we bring into the community, increasing the business of the local merchants. For this reason the business men of Texas should be concerned about agriculture, they should commend government aid to the farmer who conserves soil and water, enabling him to produce a better quality and a larger quantity of farm products and livestock, and they should endorse a government price support program that will assure the farmer his share of the national income.

Those who have shown no interest in an increased production by the farmer and rancher should wake up to the fact that there cannot be a depression on the farms and prosperity in town. "As agriculture goes, so goes the rest of the nation," states the chairman.

Six Hundred Eighty Bills Are Passed By Congress; Mahon Did Not Miss One Vote

By Congressman GEORGE MAHON

Whether or not the recently adjourned Congress did a good job will be one of the hottest issues in the National Political Campaign which is just beginning to shape up.

The Congress adjourned after an all-night scramble to get final House and Senate action on important pending legislation. The job was far from completed when Congress quit. But the Republican leaders felt that it would be bad political strategy for Congress to continue in ses-

sion after the Republican Convention.

Congress was in session for 5½ months and from my viewpoint, the session was the most strenuous one that I have attended. My special work here is on the House Appropriations Committee, and this Committee was in the midst of the battle over spending from the day we met on January 6 until the final adjournment bell rang on Sunday morning, June 20. We met daily, except Sunday, for the purpose of considering the requests of the President, hearing testimony and debating the pros and cons of all bills which provided for the spending of the tax-payer's money. The demands were so heavy I gave up trying to write a weekly column for the newspapers.

Since Congress has adjourned, I have checked the voting records of Congress and I was rather proud to be able to report that I did not miss a single vote during the session. I stayed on the job but it could well be that I may have voted wrong upon occasion. On some of the questions which arose, it was hard to know with certainty just how to vote.

One of the difficult problems was what to do about appropriating billions of dollars for foreign aid, in a program designed to help Western Europe and stop Russia. After months of controversy Congress provided the money, but everybody realizes that the plan is a gamble and that it may not succeed.

Far-reaching plans were made and funds were approved for the expansion of our National Defense Program, especially the Air Force.

In Agriculture, a price support program similar to the one now in operation was approved for 1949 but the long range program which was rushed through in the final hours of the session was regarded as unacceptable by Democratic members.

Appropriations for the farm program and Soil Conservation Service were more liberal than last year. REA got the best treatment it has ever received. One-half billion dollars in loans was provided for the expansion of the REA in the rural areas of our country. The Highway and the Farm-to-Market road programs were continued.

Congress passed 680 bills, reduced taxes, and appropriated more than 35-billion dollars, including contract authorizations. The American people will hear much of the details of the legislation passed during this session from the press, radio, and speak-

Mrs. Paul Beach and children, Paul Allen and Diane Kay, of Ingleswood, Calif., arrived in Lubbock Tuesday by plane where they were met by Mrs. Al Bird. They will spend several days here in the home of her father, Al Bird. They reported that, while near Arizona, one motor went out on the plane, but it arrived in El Paso o.k.

Mr. and Mrs. Norman Nichols and children, Gary and Norma, surprised Norman's grandmother, Isabel Nichols, Saturday when they arrived here for a visit. Their home is in Seattle, Wash. This is the first trip to Texas for Mrs. Nichols and the children and they are enjoying a three weeks vacation. Norman is the son of the Rev. N. R. (Ray) Nichols. The Lester Nichols family of Post visited in the Nichols home here Sunday.

Mrs. Al Bird entertained her Sunday School Class with a wiener roast and swimming party at a tank near her home on Friday night. Special guests were Perry Spears of Tahoka and Paul Allen Beach of Ingleswood, Calif. Jimmy Bird, who spent last week working at the Wilson Ranch near Spur, joined the Garza county ropers when they were matched against the Kent County Cowboys at Clairemont Sunday. The Garza boys won, but Jim had a streak of bad luck. He was making excellent time on the last calf when the rope broke, and he lost out on the individual contest.

Mr. and Mrs. Julius Fumagalli and son, Bill, spent the weekend visiting in Levelland with the R. H. Ranson family. Mr. Ranson is a former superintendent of Post schools.

Perry Spears of Tahoka spent the week visiting in the home of Mr. and Mrs. Jack Taylor. His parents, Mr. and Mrs. Otis Spears came for him Saturday.

Mr. and Mrs. Johnny Mooney and children of Lubbock spent the weekend in the Jack Taylor home.

Mr. and Mrs. Jarvis and Mr. and Mrs. Elvis Wilhelm of St. Johns, Ariz., visited in the Charlie Bird home last week. Keith Bird returned home with them.

Mr. and Mrs. Norman Nichols and children and Henrietta Nichols were dinner guests in the Lester Nichols home in Post Monday.

Mr. and Mrs. Frank Wilson of Snyder spent Sunday in the George Evans home.

Mrs. George Evans spent Wednesday through Friday of last week in Amarillo visiting her son, Harry Evans, and family. Mr. and Mrs. Elmer Pettigrew were in Snyder Monday. Their grandson, Gary Hill, returned home with them for a visit.

Market Show Slated At Amarillo Hotels

The Panhandle Market Show will be held in Amarillo, July 11 and 12, with headquarters in the Amarillo and Herring Hotels.

New fall merchandise will be on display in various classifications, including ladies' ready-to-wear and accessories, men's clothing and furnishings, and infants' and children's wear. Complete showing of gifts, toys, games, electrical appliances, and holiday decorations will enable retail merchants to order merchandise for Christmas stock. Three hundred lines will be displayed by 110 Exhibitors at the Herring and Amarillo Hotels.

The buyers attending the show will be feted with a barbecue and dance at the Nat on the night of July 11. Those planning to attend this entertainment should notify the Panhandle Market Show, care Chamber of Commerce, Amarillo.

The Audubon Nature Camp of Texas will be held at Kerrville in five two-week summer sessions beginning June 19 and lasting until August 27.

Post Millers Drop Last Sunday's Game To Seagraves Oilers

Manager George Sartain tried out his new southpaw, Lefty Faulkner, who started the season with the Slaton Tigers and moved to Post several weeks ago to work at the Postex Mills Inc., when he carried his Millers to Seagraves last Sunday to drop an Oil Belt game, 11-7 to the Oilers.

Faulkner did a fine job on the mound during the first seven innings, but being relieved in the eighth by Greer who finished the game.

The Millers garnered 11 hits off of three Oiler twirlers while the Oilers counted 12.

The box score follows:

Garza Teams Are Eligible To Enter Softball Tourney

All softball teams of Garza County are invited to enter the Fourth Annual Softball Tournament which the Lubbock Junior Chamber of Commerce is sponsoring, beginning Monday, July 12, and continuing until a winner has been determined. All games will be played at night, the first game beginning at 7:15 o'clock. Teams traveling the greatest distance will be played on Saturday or Sunday, the Jaycees announced.

The winner will receive a beautiful trophy, plus \$200 which must be used as expense money to the state A.S.A. meet in Wichita Falls, August 12, 13 and 14. The winner of the state meet will win a trip to the World's Tournament in Portland, Ore. In addition, there will be gold awards for the all-tournament team, and individual medals for the winners and runners-up.

The entry fee is \$20 a team. The entries must be made with Barney Stagner, in care of Pup Thomas, 1011 Main Street, in Lubbock not later than Friday, July 9, at 6 p.m. Stagner is the tournament director.

Mr. and Mrs. W. L. Bowen and daughter of Nevada, Texas, arrived Monday to visit until today in the homes of a daughter and sister, Mrs. Travis Porter, and family and Mr. Bowen's parents, Mr. and Mrs. B. K. Bowen.

Storie Motor Goes Into First Place In City Softball

Storie Motor, hard-slugging softball team, stepped into first place in the City Softball League last week after beating the Postex Mill team and Garnolia in last week's play. Postex Mill forfeited two games and lost two games in play last week which put them down to second place with the fast improving Theatre team close behind.

Friday night play calls for a game between Storie Motor and Theatre which should be a thriller, and Postex meets Garnolia in the opener.

Monday night's card calls for the game of the week between the leading two teams, Storie Motor and Postex Mill. This should prove to be a top-notch game and again an invitation is extended to everyone to be present to see this game. The opening game should also be a thriller between the two teams in the cellar, the American Legion and the Garnolia teams. There should be lots of fun in this game.

Church News

By GANELL BABB

After church services at the First Baptist Church, Sunday night, a reception was given in honor of the Rev. and Mrs. Polnac and family. The Polnacs moved this week to Munday. A program of sacred music by Mary Margaret Duckworth, pianist, was given. The Rev. Polnac and family were presented with a table and a lamp after which he gave a short talk and thanked the members for the gift. Blue frosted punch, cakes, mints and nuts were served to a large crowd. Mrs. Bill J. Davis and Agnes Windham presided at the refreshment table. Decorations for the table featured a beautiful Bible-shaped cake, which Mohoto Allen made and gave to the Rev. and Mrs. Polnac.

The Rev. and Mrs. Joe Norton and children, Elizabeth, Bobby and Johnny, and Wanda Rogers and Pauline Perkins returned last weekend from the General N.Y.P.S. Convention in St. Louis June 17-19. Before starting home, they attended a few sessions of the worldwide assembly of the Churches of the Nazarene which immediately followed the NYPS convention. There were 10,000 people there, including Oliver McMahon, delegate from here, and his family.

The Rev. Mr. Norton was a delegate to the NYPS convention. Among the outstanding features of the program were reports from a missionary project started in Australia during the past four years, given by one of the native workers. About 30 missionaries and natives from different parts of the world attended the convention.

The local delegates especially enjoyed the beautiful music by the choirs from several well-known Nazarene Colleges over the nation and a negro school in Institute, W. Va.

Dr. Paul Elliott, who is a scientist and a member of the faculty in the Physics Department of Texas Technological College, Lubbock, spoke at the First Christian Church Sunday.

The monthly fellowship supper was enjoyed by members of the Methodist Church last night in the church dining room. The program was presented by the young people under the direction of Mr. and Mrs. Bob Collier.

Sunday morning at the Church of the Nazarene, the Rev. W. B. Walker, superintendent of the Abilene District will be present and bring the message. He is an excellent speaker and everyone is given a cordial invitation to attend.

The three circles of the W.M.U. of the First Baptist Church met at the church Monday afternoon for a business meeting. The Edith Chaney circle had charge of the royal service program.

There will be a revival meeting at the Church of the Nazarene beginning July 21 and continuing through August 1. The Rev. George Gardner will be the evangelist. The Rev. and Mrs. Paul Smith will have charge of the song service.

N. W. Stone, James Barnes, Shirley Schmidt and J. G. Cash took charge of the evening service Sunday at the Methodist church and gave a very interesting report of their week's stay at McMurry college recently. James, who also led the songs, told of the humorous events that took place on the trip. J. G. outlined the schedule which was followed each day and gave a description of "dorm life" as he saw it. N. W. told of the many inspirational worship services enjoyed by the group. In concluding, Shirley summarized the events told by the others and of the influence the week at assembly had on the Post youth.

The Berean Sunday School Class of the Methodist Church entertained their husbands with a fried chicken supper and 42 party in the church basement Friday night. The invocation was given by the Rev. J. E. Stephens. Approximately 50 persons attended. Mrs. J. R. Durrett is teacher of the class.

The W.S.C.S. met Monday afternoon in the home of Mrs. Don Groves. Mrs. A. B. Cockrell and Mrs. A. B. Cason were program leaders. Mrs. Esma Cash gave the devotional. Vocal numbers were given by Misses Joyce Evans, Shirley Schmidt and

Daphne Mahon Is Married Monday To D. W. Holt, Jr.

Miss Daphne Mahon, only daughter of Congressman and Mrs. George Mahon of Washington, D.C., and Colorado City, became the bride of Duncan Waldo Holt, Jr., son of Dr. and Mrs. D. W. Holt of Greensboro, N. C., at 8 o'clock Monday night in the Metropolitan Methodist Church in Washington. Dr. Edward G. Latch of that city officiated.

Bryan Mahon, cousin of the bride, sang "Because" as a nuptial solo.

The bride, who was given in marriage by her father, was attended by Miss Betsy Holt of New York City, the bridegroom's sister who served as maid of honor, and Miss Jeanne Palmer of Albemarle, N. C., Miss Martha Abernathy of Charlotte, N. C., and Mrs. Charles F. Benbow of Winston-Salem, N. C., bridesmaids.

Carl B. Dowe of Norfolk, Va., served as best man and ushers were Martin Edward Jenkins of Philadelphia, Frank Jones of Washington, and Robert Holt of Greensboro, N. C., a cousin of the bridegroom.

After a wedding trip to Virginia Beach, Va., the couple will be at home in September in Durham, N. C., where Mr. Holt will complete his requirements for a degree in law at Duke University. Mrs. Holt was graduated from Duke this spring.

Miss Halliburton Marries At Wilson

Announcement is being made of the marriage of Miss Delia Nell Halliburton of Slaton to Harold Voigt, son of Mr. and Mrs. Walter Voigt of Wilson, formerly of Southland. The wedding took place in Wilson, May 25. The Rev. Q. C. Poehlmann officiated.

Mr. and Mrs. Lee Roy Voigt of Southland attended the couple. After the ceremony, Mr. and Mrs. Voigt left for a trip to South Texas. They are at home, near Wilson, where the bridegroom is engaged in farming.

Three Candidates Initiated By OES

The local chapter of the Order of the Eastern Star chapter had a called meeting Tuesday night for the purpose of initiating four candidates. The new members are Edna Peede and Dick and Mohoto Allen.

Loree Thaxton presided as worthy matron and Lester Nichols presided as worthy patron.

Official best wishes from the chapter were extended to Bonnie Ceasley who moved to Fabens yesterday and Jo Polnac who are moving to Munday this week.

Ethel Butler and Sybil Cockrum served as hostesses.

Lin Alyn Cox Has Party On Birthday

Lin Alyn Cox was honored on her third birthday Monday afternoon at a party given by her mother, Mrs. Robert Cox, in the back yard at their home. Favors of red celluloid windmills were presented to the children.

Refreshments included cake, orange sodapop, jelly beans and suckers. The birthday cake was white with pink rosebuds and pink "little girl" candles and a net ruffle.

Guests were Janet Moore, Phyllis Moore, Jan Herring, Johnny Mayfield, Dickie Price, Beth Price, Marcine Curb, Margo Bird, Beverly Bird, Morris Bird, Susie Jo Schmidt, Jerry Thuet, Beverly Young, Marianne Jones and nine mothers.

Mrs. Kelly McCombs Honored At Shower

A layette shower was given in the home of Mrs. R. J. Key recently in honor of Mrs. Kelly McCombs. Mrs. Marvin Dorman was co-hostess.

After the gifts were presented, refreshments were served to Mesdames Add Jones, Sam Bevers, George Evans, Ted Ray, Spence Bevers, Jeff Justice, W. T. Parchman, W. A. McGinn's, Cameron Justice, Elmer Pettigrew, Hershell Bevers, V. A. Lobban, Jim Tidwell and Mrs. Bandy Cash.

ores Moore. Refreshment were served to Misses Evans, Schmidt and Moore guests, and Mesdames R. H. Colier, T. R. Greenfield, Tol Thomas, J. E. Parker, B. E. Young, A. B. Cason, Noah Stone, Esma Cash, A. B. Cockrell, Jim Hundley and the hostess.

Mr. and Mrs. Garland Cannon and daughter, Elaine, of Petersburg visited Mrs. Cannon's father, Ray N. Smith, and family Monday afternoon.

W. L. Crider, son of Mr. and Mrs. Walter Crider, was scheduled to arrive in the United States Monday of this week from a Mediterranean cruise aboard the USS Rochester. He left in February, and will be discharged from the Marines in February of next year. His parents this week received a picture of his wife and seven-month-old daughter, Sharon, who are living in Washington, D.C.

The Bob Warrens had a house full of company Friday and Saturday. Dick Merrell, brother of Mrs. Warren, and his wife and son, Warren, of El Paso were visiting here Friday before going on to Crane and Amherst. Joining them for the day were Mrs. Tom Gates and daughter, Ann, of Lubbock. On Saturday Mrs. Viola Warren of Snyder was a guest and Mrs. Warren's sister, Mrs. Maud Gross of Sweetwater.

ROGER W. BABSON WRITES THIS WEEK

Decentralization Is Fundamental To Good Living

Babson Park, Mass. — During the month of June many important forecasts have been made by scientists in connection with the graduating exercises of the 169 engineering schools of the United States. Some of these seem fantastic; but if we look back 50 years and compare the things which we have today with what we had 50 years ago, these forecasts will not seem strange.

Thus far we have been able to insulate against heat, cold, sound, light and even atomic waves. We, however, have been

unable to insulate against gravity. Someday this secret will be discovered. It can be applied to hundreds of things from stair treads to airplanes. It naturally will be rather dear upon the stocks of certain companies and bullish on others.

We are hearing all kinds of practical uses for atomic energy; but the one that seems most revolutionary is its use in blowing off mountain tops and in redirecting ocean currents. This would open the way for vast changes in weather conditions making the arid parts of this country and, in fact, the world blossom like a rose. This might make new irrigation projects unnecessary.

What We Eat
In the years ahead we certainly will have "no world" or One

World. Believing that we then will have One World, we must assume that there will be no tariffs nor further talk about nationalism. Then our food will be raised where God intended it to be raised which is the only way that world peace can be established and maintained. If such a system were adopted at once, it could reduce the cost of agricultural products 50 per cent. Furthermore, if the homes, schools and food advertisers would cooperate to get the American people to eat what and as we should, we all would live to be 100 years old.

Scientists tell us that with every rainfall vitamins and minerals are being washed from the soil. These flow down the streams into the ocean. Hence, while the land and its products

are constantly getting poorer, the ocean and its products are constantly getting richer. Today the ocean is controlled only within three miles of the different countries which it borders. When we have One World, this control will apply to the entire ocean. With the same attention given to the fisheries as is now given to agriculture, the products of the ocean could supply sufficient proteins to every man, woman and child on the earth.

Clothing And Shelter
The weaving of cloth will in all probability be eliminated in the not too distant future. All of our clothing, rugs and upholstery will be made the same as paper is made today. Raincoat manufacturers are already using such material. Our new houses will sometime be prefabricated

and would be today were it not for the crazy rules of labor unions and the antiquated building code. Then there will be a reduction in the cost of living from which wageworkers will get a real benefit far exceeding anything which the union labor leaders have thus far given them.

Before too many years a start will have been made towards using water and soil as fuel. Wireless and television will have been developed so as to enable—for all practical purposes—the instantaneous transmission or transportation of us as individuals. We will no longer need to take a train, automobile or airplane for a conference a thousand miles away. We can get the same result by sitting in a television booth at or near our home. Another very important development

will come with decentralization. In fact, I have decided to devote the rest of my life to aiding the reconstruction of cities, industries, large educational institutions. Not only is decentralization only defense against atomic, bacteriological attacks, but fundamental to efficient, democratic living. With these certain developments but make certain progress spiritually as the greatest need now is for mental motivation.

GETTING OUT On The LIMB

By EDDIE the EDITOR

From the deluge of "promises" coming to our desk each week in form of publicity from the headquarters of Beauford Jester, we gather that if the governor is re-elected it won't be long before the old narrow roads, where two cars can barely pass without colliding, will be replaced by splendid highways on which six or eight cars can collide at the same time.

THE WOMEN, God love 'em: A woman's promise to be on time carries a lot of wait.

Saturday is the day that some 6 per cent of the qualified voters, if history repeats itself, will go to the polls and vote their preference in regard to the waterworks and sewer issues.

Regardless of the outcome of the election, we will never know for sure what the people really wanted unless the people go up there and vote.

If the people don't want the sewer system, I'd be happy about it if they went up there and voted against it. If they want it, I'd be happier still if they went up there and voted for it.

It would be nice to know exactly WHAT the people want. If the people don't vote at all, the city dads have no way of knowing what they want in the way of progress and, therefore, they are at a loss to serve the city efficiently.

The present administration, on taking office, heard so many squawks about the inadequate sewer system, they thought it was their duty to get in there and do something about it. They have worked for a solid year on the project and, finally, they were able to present it to the public.

If they have been wasting their time, go up there and tell them so by voting against the revenue bond issues. If they have been doing something that will be of general benefit to the city, go up to the City Hall and vote for it. But vote. Every person interested in Post, every person who has children who will inherit the city tomorrow should go up there and vote for what he thinks is right.

But will the people vote? The majority of qualified voters has never yet voted in a city election here.

The editor feels philosophical today:

A naturalist says that alligators are harmless so long as you can keep their mouths closed. For that matter, so are gossips. Recipe for forming an opinion: Add to a small measure of information a dash of imagination and a large quantity of prejudice. Shake well with emotion.

One of the easiest things in the world to meet is expenses. You run into them every place you go. The best way to forget the high cost of living is to live so that it's worth it.

Some people are fenced off from success by their own railing.

Side-stepping only gets you farther away from where you hope you are going.

What has become of all the disaster that was to befall this country when the national debt got three-quarters of its present size?

Eyes set too close together may seem a mean disposition, but lips set too far apart are sure to get you into trouble.

A chip on the shoulder indicates there is wood higher up.

An obstinate man does not hold opinions; the opinions hold him.

A good deed gets about as much attention these days as a homely face.

By EVELYN BOYD
My trouble is that I don't get off of Main Street often enough. Some of the merchants on south Broadway, such as Connell Chevrolet and McCrary Appliance Company, flew their flags on June 14. Jude Manly tells me that he borrowed a ladder from the fire boys and climbed on top of the Chevrolet building and put his flag up, and he said it looked plumb pretty.

Post has outgrown Main Street. Back when our population was so small that we needed only a handful of stores along a single street, there was no urgent reason for obtaining a city sewer system. But we've outgrown Main Street, and we ought to realize it and keep up with the progress that our town is making.

The little man who looks like the miniature bridegroom on top of a wedding cake will be our next President. Somehow, I feel secure over this fact. The worst thing I've ever heard about Thomas Edmund Dewey is that somebody or other doesn't like his looks. Dewey doesn't like 'em either, but that's neither here nor there. I imagine there were people who objected to Lincoln because he was the opposite of handsome.

The millions of people in New York state regard Dewey as the man who will be our next President. There is a narrow margin between keeping your chin up and sticking your neck out. Don't spend your time wondering why a black hen lays a white egg—get the egg.

To most of us, our memory is the thing we forget with. Silence isn't always golden. Sometimes it's just plain yellow. Some people are just like taxi drivers. They go through life just missing everything.

The day is never too long to the man who has work to do and enjoys doing it. The head always starts swelling about the time the mind stops growing.

Life is full of ups and downs. But the most difficult of all is keeping appearances up and expenses down.

Imagination was given to man to compensate him for what he is not, and a sense of humor was provided to console him for what he is.

Our faith in straw polls will not be renewed until we are convinced that public opinion can stand still long enough to be counted accurately.

Let's get an ACCURATE opinion of what people want in regard to the sewer system and waterworks Saturday. Let's ALL go up there Saturday and vote for or against those bond issues.

What Our Contemporaries Are Saying:

IT SEZ HERE—A pitiful handful of businessmen turned out for the special Chamber of Commerce meeting Monday night. It was obvious the idea of sponsoring a Boy's Club and recreational night for Ralls youth is considered as radical as a Henry Wallace rally in the editorial rooms of the Chicago Tribune. A check showed that men who should have been present were at a movie featuring some hillbillies on the stage in person, betting quarters at a softball game, home napping after an hour's over-eating at the dinner.

tain stable payrolls. He has reduced the state debt approximately 27%.

"Dewey believes in encouragement rather than the crack-down. His policy is a maximum of peaceful negotiation, a minimum of compulsion. An exception is strikes by government employees; Governor Dewey will not tolerate 'striking against the government.' In 1946, such strikes in several New York cities threatened the public services. Dewey refused to play safe for the so-called labor vote. Instead, he backed a bill which made such strikes illegal—with drastic penalties attached.

"In 1948, at the age of 46, Dewey is still a young man—and an exceedingly vigorous one. In 1937 Dewey was drafted to run and was elected district attorney of New York County. In 1938 he ran for governor of New York (and lost to Herbert Lehman). But the next time up he won, thus becoming New York's first Republican governor in 20 years. In 1940, he campaigned for his party's Presidential nomination. He lost on the sixth ballot. In 1944, he came back and won on the first ballot, practically by acclamation. He lost the election—but, even with a war on, won a larger share of popular and electoral votes against Roosevelt than any previous Republican contender.

"The U.S. people have now studied Dewey closely for 11 years; they have watched him grow. They know what he stands for; there is no uncertainty about his view or mystery about his methods. He has earned the nation's confidence."

I like Dewey because he is wholesome. The pictures I have seen of him with his mother and his attractive wife and their two fine looking sons reveal them as the kind of folks they need up in Washington.

I like him because the first thing he did in New York politics was to break up all the rackets and keep them broken up. I have a feeling, he will eliminate racketeering from our own government and this will include goldbricking.

He's my man, unless the Democrats surprise me by coming up with a nominee who is potentially as good.

I like Dewey because he is

**SOIL CONSERVATION
DISTRICT NEWS**

Mows Weeds

Russell Wilks, Jr., and Tom Gilmore, district cooperators, 18 miles northeast of Post, this week mowed weeds from their grass plantings. Wilks has a mixture of sand lovegrass and blue grama. Gilmore has a thin stand of African weeping lovegrass. A few weeping lovegrass plants are making seed. Both of these plantings will probably have to be overseeded this fall or next spring to get a satisfactory cover of grass.

Two Develop Plans

W. E. Haven's 20 miles northeast of Post, and T. J. Head, 2 miles west of Grassburr, with assistance from the Soil Conservation Service technicians, this week developed conservation plans on their farms.

Tommy Head operates his father's farm. The Head's conservation plan includes changing the land's present use. About 60 acres of nearly level, deep fertile medium texture soil that is now in native pasture will be put in cultivation. Nearly 285 acres of deep sandy coarse texture soil that has been damaged by wind erosion and leaching of plant foods will be used primarily for pasture.

Small acreages of land will be sown each year to cane for a seedbed for African Weeping lovegrass. This will be continued until 50 acres of weeping lovegrass is established. The other 235 acres of deep sandy land will be used in a four-year rotation of Johnson grass, a mixture of rye and vetch and feed crops.

Vetch will be used to improve the soil fertility, and rye to increase the organic matter in the soil to help control wind erosion. The land will be used for Johnson grass and rye—vetch mixture for three years and the fourth year it will be planted to feed crops.

Range Conservation

Come what may, the O.S. ranch will not be completely out of grass this winter. Giles McCrary is deterring grazing on his pastures north of highway, No. 380, near the Verbena road. Keeping livestock off of a pasture during the spring growing season allows the grass to make a good top growth and send down a deep root system to make use of deep moisture.

The vigor of the grass plants will increase, and they will thicken up to crowd out weeds in the pasture. McCrary will use the grass in these pastures during winter months.

**District And Local Candidates Assist
With Successful Rally For 4-H Groups**

One hundred seventy-four dollars and ten cents was raised for the Garza County 4-H boys and girls at the box supper and candidates rally sponsored by the county home demonstration council Saturday night on the court house lawn. The money will be used toward sending the boys and girls to the various annual meetings in the district and state this summer and fall.

Alvin Davis, master of ceremonies, introduced the candidates, several of whom spoke. Candidates present were Judge Kilmer B. Corbin of Lamesa, candidate for senator from the 30th district; R. Stansell Clement of Lamesa and H. B. (Virgil) Crawford of Brownfield, candidates for district attorney; Judge J. Lee Bowen and J. E. Stephens, who are seeking the county judges' office; Leonard Anderson of Southland and L. E. (Fay) Claborn, Jr., who are running for sheriff, tax assessor-collector; Sid Cross and W. T. Parchman, candidates for commissioner from Precinct 4, and Boone F. Evans, candidate for commissioner from Precinct 2.

Donations to the 4-H cause were received from Miss Vera Goliehon, candidate for county treasurer who was unable to attend because of her mother's illness, and from Dean A. Robinson, county school superintendent who has two more years to serve on his term of office. Ray N. Smith, candidate of county and district clerk, sent word that he was unable to attend because of the serious illness of his son, Roy, who lives at Brownwood.

Anderson served as auctioneer for the boxes, with assistance from County Agricultural Agent Robert Gibson and Davis. Mrs. Wilburn Morris and Mrs. R. A. McLaurin served as clerks.

After the auction, Joy McMahon received the cake for "the prettiest 4-H girl," with Jeanne Kiker and Marie Claborn placing second and third respectively. Davis received a cake for "the most popular 4-H boy," with Jimmy Puckett and Bowen Stephens placing second and third respectively. The cake for "the ugliest candidate" went to Claborn in a heated contest in which second and third places went respectively to Stephens and Bowen.

Cakes for the rally were baked by Mrs. O. H. Hoover, Mrs. L. H. Peel and Mrs. W. H. Barton, and the boxes were prepared by Charlotte Brown, Eva Joyce Powers, Lois Ritchie and Jeanne Kiker with the help and cooperation of a number of other girls.

Mrs. Jewell H. Strasner, home demonstration agent, yesterday asked the Post Dispatch to express the appreciation of the

boys and girls for the efforts of the above candidates and others and for the following who, in other ways, contributed to the success of the affair:

Marvin Dunlap, who put up the lights; Short Hardware for special cooperation; the Post Chamber of Commerce, for providing a loud speaker; the First Methodist Church, for chairs and tables; Charlotte Brown, for the record player which provided the music, and Jimmy Puckett, for the platform truck.

Mrs. Strasner served tea during the supper.

**Cancer Deaths In
State Increase By
Over 18 Per Cent**

An increase of more than 18 per cent in Texas cancer deaths during the five years between 1943 and 1947 has been announced by Dr. George W. Cox of Austin, state health officer.

Texas mortality tables compiled by the Texas State Department of Health show 1943 cancer deaths at 5,557, as compared to 6,773 for 1947.

"The greater part of this tremendous increase in cancer deaths is attributed to needless delay in seeking treatment, once a person has reason to suspect he has a cancerous growth," Dr. Cox said. He added his belief that advertising of patent medicines and so-called cancer quacks puts dangerous and misleading information before the public, thereby adding to the cancer mortality rate. This is because people are lulled by such propaganda and do not receive proper diagnosis and treatment until too late.

Dr. Cox said that almost two-thirds of all cancer cases rely on surgery to remove the cancerous tissue, while the other third may respond to X-ray or radium treatment.

"These three methods are the only means by which the disease can be treated," he said. "Self-medication, serums, colored lights, pastes, and diets are absolutely useless."

The health officer pointed out that the greatest defense against cancer is an early diagnosis and competent treatment by a reputable physician. He urged especial attention to any unnatural bleeding from any body opening, lumps in the breast, and skin sores which fail to heal normally.

**Social Security Man
Will Be Here July 7**

Gerald L. Schantz, Social Security Administration representative, will be in Post at the post office, at 2 p.m., July 7, for the purpose of answering questions on social security; discussing possible benefits and taking claims from persons who seem to be entitled to benefits; and taking applications for social security account number cards.

**Ernest Thompson To
Address Radio Public**

Ernest O. Thompson, candidate for re-election to succeed himself to the regular full term on the Railroad Commission of Texas, will speak from 7 until 7:15 o'clock tonight over the following radio stations:

KRLD, Dallas; KABC, San Antonio; KTRH, Houston; KFDA, Amarillo, and KWFT, Wichita Falls.

Mr. and Mrs. Melvin Hill and son, John Everett, recently visited Mr. and Mrs. O. W. Smith and son, Joe, in Levelland.

Mr. and Mrs. Robert Owen and daughter, Judy, of Levelland visited his parents, Mr. and Mrs. Shorty Owen, last week.

Mr. and Mrs. Allen Owen and children moved to Lubbock Sunday.

Mrs. Lillie Burgh of Denver, Colo., is visiting this week in the homes of Mrs. Lonnie Carlton and Bud Odum.

EXHIBITING DESCRIBED—

(Continued From Front Page) vocational agriculture teachers and county agents for years to come.

In the introduction, the author said: "A number of exhibitors have expressed a desire for concrete information on how to select and prepare field crops, fruits and vegetables for exhibition, and how to exhibit them. Others have desired information on the basis on which the exhibits are judged. Actually exhibiting and exhibits should be prepared so that they will meet the standards by which they can be judged."

In acknowledging the suggestions and constructive criticisms of various persons assisting with the pamphlet, the author said in the introduction: "Many helpful ideas have been obtained by acting as a judge with Mr. George Samson of Post, Texas."

ANTI-POLIO CAMPAIGN—

(Continued From Front Page) known, it is known that polio is an intestinal virus which is carried by flies and other insects and that one of the sources of this virus is human excreta.

Cross said it is also known that the polio virus can be excreted from the bodies of persons who never develop the disease because they have a natural resistance to it. The people without this resistance are the ones who are susceptible.

"Post is to be commended," Cross told the City Secretary, Sherrill Eoyd, "for its efforts to rid the city of the insects which carry the dangerous polio virus."

GRASSHOPPERS INVADE—

(Continued From Front Page) sacks for each 100 lb. of mixture desired.

The agent said that he and his helpers gave out about 800 lb. of poison mixture last week. The supply of bran and poison is adequate for Garza farmers' needs, he believes.

A cash donation to the 4-H club boys and girls from Will Cravy, who was unable to attend the candidates' rally and box supper Saturday night brought the proceeds of the affair to \$179.20. Mrs. Jewell H. Strasser, home demonstration agent, announced after an article about the rally, elsewhere in this issue, had gone to press. Cravy is a candidate for sheriff, tax assessor-collector.

(Continued From Front Page) water, by 10 operators.

One hundred eighty acres of strip cropping non-contoured land was carried out.

One thousand eight hundred thirty-four and one-tenth acres of sandy cropland was plowed 10 or more inches deep by 19 operators.

Twenty seven acres of land were summer fallowed.

Forty eight thousand six hundred fifty-one and seven-tenths acres of row crops were listed on the contour 30 days prior to seeding by 305 operators.

Sixty eight thousand six hundred thirty-four and nine tenths acres of row crops were farmed on the contour by 415 operators.

Mesquite was eliminated from 220.3 acres of range land.

Deferred grazing was practiced on 18,998.6 acres of range land.

Sixty acres of pasture land were re-seeded to adapted grasses.

One million five hundred thirty-seven thousand eight hundred and fifty feet of fireguards were plowed on range land, protecting 46,521 acres of grass.

Bindweed was eliminated from five acres of cropland.

Garza County operators earned ACP checks including increases for small payment and payments issued under the purchase order program in the amount of \$86,376.96 in 1947.

BITS OF NEWS

Mr. and Mrs. Buck Gossett spent a few days last week visiting in Earth and Hereford. Their daughter, Janie, remained for a longer visit with her aunt, Mrs. Elmer Gollehon, and Mr. and Mrs. Gerald Gollehon.

Mr. and Mrs. R. B. Dodson and sons, V. A. and Boyd, accompanied by Mrs. Lee Dodson, spent Sunday in Levelland visiting in the home of the Weldon Dodsons. They were caught in the electric and hail storm between Lubbock and Slaton on the return trip and had to take refuge at a service station in Slaton for about an hour before coming on to Post.

Mrs. John Herd, accompanied by her nephew, Jackie Henry, of Floydada, left yesterday morning for Floydada where Mrs. Herd planned to visit several days. Jackie arrived here Wednesday morning from San Angelo, where he had been visiting relatives for two weeks.
