VOLUME XIX POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, FEB. 23, 1945 "THE GATEWAY TO THE PLAINS" NUMBER 10

Mahon Will Make Tour to See How War Money Is Spent

It has fallen the lot of West Texas Congressman George Mahon to check up on how much money the army needs to keep the war going.

Mahon, the tall, unassuming representative, is a member of the House appropriations subcommittee which passes on bills raising money for the War Department. What the subcommittee decides is seldom questioned by the full committee, and the recommendation of the full committee, which accompanies introduction of legislation, is almost invariably accepted by the House.

In order that he can better visualize how the money is being spent and better estimate how much will be needed to carry on the varied activities and operations of the Army, Mahon plans to make a series of inspection trips between now and May. He probably will go to numerous places in this country and possibly to the battlefronts.

Because he is the youngest of the top-ranking members of the subcommittee—he is 44—Mahon has been requested by Chairman Snyder of Pennsylvania to make the inspections on behalf of the group.

One of the most serious and vexatious members of the House, Mahon won't agree that the proposed trips come under the heading of junkets, if you're inclined to think that. The committee feels that, as the only group which can question the army's desire of the War Department for taxpayers' dollars, should have some first-hand knowledge of the way the money is being spent, he says.

Sometime in May General Marshall and several subordinate generals will appear before the House military appropriations subcommittee asking for the biggest appropriation of the year, about 40 billion of dollars.

There will be a breakdown, showing the cost of various types of planes and the number of each type. The committee meets in closed session and some of the data is highly secret. Officers in charge of munitions will show how much money is needed to turn out so many shells. Air Transport Command officers may ask for so many cargo versions of B-29s, the Medical Corps needs supplies, uniforms and food have to be bought, and so on.

When the huge appropriation bill comes on the floor, and members of the House rise to question the responsibility largely to supply the answers.

Distinguished Service Cross Won By James L. Minor

With the 7th Army in Alsace—On Feb. 6 in a ceremony in Alsace the Distinguished Service Cross, second highest award given by the army, was awarded to Lt.-Col. James L. Minor for valor above and beyond the call of duty. His citation follows:

"James L. Minor, Lieutenant Colonel, (then Major), Infantry, 142nd Infantry Regiment, for extraordinary heroism in action on 24 September 1944, in the vicinity of Tendon, France. Assigned the mission of severing a strategically important highway, Colonel Minor had almost attained his objective when he was informed that a strong enemy force had attacked across the road behind him, cutting the unit's supply and communication lines. In the face of heavy machine gun fire, Colonel Minor immediately called for an 81 millimeter mortar and personally observed and directed the fire of the mortar from an exposed position, successfully neutralizing the enemy machine gun emplacements. Although under heavy automatic and rifle fire from prepared positions to his front, and with the hostile forces delivering fire from the rear, Colonel Minor, executing a brilliant maneuver, withdrew his battalion under a hail of hand grenades and attacked the rear force, regaining contact with the remainder of the regiment."

Minor has been overseas two years in March and has been in combat most of that time. His wife, the former Marian Lee Mason, and son, Jimmy, live in Post with her parents, Mr. and Mrs. Marshall Mason.

Oil Developments Continue To Hold Spotlight In County

Oil development projects in Garza and other South Plains counties were still holding the spotlight in oil circles this week. A new lower Permian exploration was reported in northwest Gaines and a northeast Garza county development was indicated that it would be finally completed for a commercial oil well.

Honolulu Oil corporation and Devonian Oil company No. 1 Hitt, section 2, block 1, HF&WT survey, in northwest Garza county, and about two miles east of the discovery well for the Permian production in the PHD field, had been swabbed and testing from a depth of 3,573 feet, in lime.

The pay section between 3,310 feet and the bottom had been treated with about 1,000 gallons of acid, and reliable sources indicate that the project had swabbed at the rate of about 200 barrels of fluid per day.

On the last shakeout reported the recovery tested about one percent water and about 20 per cent basic sediment. Testing to further cleanout, before putting on production, was continuing.

March of Dimes Drive Brings In \$310.77 for County

The contribution to the March of Dimes from Garza county amounted this year to \$310.77. of this fund \$102.15 came from the dime banks, \$62.52 from the school entertainment, \$86.59 from churches and private gifts, and \$59.52 from the fines collected by the Boy Scouts.

Fifty per cent of this money is sent to the National Foundation for Infantile Paralysis for work in research and aftertherapy.

The remainder of this amount is kept by the county for local use, minus a small expenditure made for circulars advertising the program held at the school. This local fund, added to last year's fund, amounts to \$378.80.

Judge Lee Bowen, chairman of the drive, commended the response made to the call.

Rev. Huron Polnac, pastor of the First Baptist church and Mrs. F. A. Pite, member of the Southern Baptist Convention as extension worker who is conducting a training course here this week, visited the Worker's Conference at Acuff on Tuesday. Others who attended were Misses Jim Williams and A. A. Butts.

It is 146 years since George Washington died. Time has not displaced our reverence for his vigorous and true democratic spirit. As a statesman and a military leader, he shouldered discouragement and triumphed always with an unyielding loyalty to the democratic ideals which Americans hold dear.

Washington devoted his life to building our nation into what he described as "an indissoluble union of the states" . . . living with a regard to public justice . . . unbroken by malicious attack or tyranny. Now, when we are again fighting so desperately to maintain America's freedoms, we must do honor to Washington's great leadership. Let us all help our soldiers, sailors, marines and other fighting men through victory, by putting every possible dollar we can into War Bonds. Go buy that extra bond today in memory of the man who embodies the true Democratic spirit and for those Garza county men who are fighting for that Democracy.

Plan Being Set For Annual Red Cross Drive Mar. 1

Plans are being completed for the annual Red Cross membership drive which opens over the nation on March 1st. Dean A. Robinson, Garza county roll call chairman, and T. L. Jones, county chairman, announced early in the week that workers were being contacted over the county and that as soon as workers accepted the job of assisting in the drive further plans would get underway.

A school of instruction is being planned for Monday night, Feb. 26, at the Algeria Hotel at 8 p. m. In this meeting workers will be given credentials and instructions on conducting the most important drive. Quota for Garza county was set recently at \$5,100; last year's quota was \$4,300.

The special gifts committee has been busy all week making contacts and it has been announced that they are meeting with good success. Ira Lee Duckworth is chairman of the Special Gifts committee. Others on the committee are: Tom Bouchier, J. A. Stallings, C. D. Morrel, T. L. Jones, T. R. Greenfield, Ted Hibbs, Clint Herring and Ollie Weakley.

Wendell Landtroop Now Prisoner of War In Germany

Mrs. Imogene Landtroop received a letter on Valentine Day from her husband, Pvt. Wendell C. Landtroop who is a German prisoner of war. He was reported missing on October 8, 1944.

Wendell went overseas in July of 1944. He landed in England and from there went into France, Belgium and Holland. He had been in Germany about six weeks before his capture. Landtroop is the son of Mrs. Jessie Landtroop of this city.

In his letter he said he was well and doing OK. He is a member of Hodges' First Army and is attached to the 117th Infantry Division.

W. A. Gray transacted business in Lubbock on Monday.

S. S. Training School Now In Progress At Baptist Church

The training school being conducted for seven Baptist churches of the county got under way Monday night with 83 persons in attendance. The goal was set for 200 but inclement weather was given credit for the low attendance record on opening night.

Four persons registered from the Friendship church of Clouse City, 19 from the Calvary Baptist; two from visiting churches and 60 from the First Baptist.

The school is under the direction of Mrs. F. A. Pite of Dallas. She is being assisted by a corps of efficient teachers from the various churches.

Highlighting each night's lesson is the fifteen minute intermission which is devoted to demonstration work in various fields of the Sunday School program.

The school will close Friday night with a review of the week's work and winners of certificates will be announced at that time.

Mist and Fog Grip South Plains Area

A heavy mist and fog enveloped the South Plains early in the week as temperatures hovered just above and just below the 30 mark on thermometers.

Coming on the heels of 32 degree weather of last week end, the damp, cold spell had all Garza counties getting out their heavy coats again.

The same type of weather prevailed over the neighboring counties, and is forecast for this week with probable rain in some sections.

Sunday's low temperature registered 28 degrees and the high of last week was 33.

NOTICE

The Dispatch would like to have the names of all Garza county boys who are known to be Prisoners of War or who are reported missing. Please turn in these names by Monday of next week.

Thank you.

Bryant-Link Co. Open Hardware Store For Business

Duke Travis, manager of Bryant-Link Hardware Store, is announcing that the store is now open for business.

Repairs and a general remodeling of the building have been made, new shelving and hardware counters rearranged in the front of the building which formerly was occupied by the dry good department.

The Hardware department has been located for the past five years in the back of the building with the machine shop in the basement. The machine shop has been moved from the basement to the rear of the building. This rearrangement, together with the additional room in the front will be much more convenient not only for the customers but for the handling of merchandise by the personnel.

The hardware stock is as complete as war-time restrictions will permit. As equipment becomes available it will be added, Mr. Travis said. The machine shop is equipped to give patrons expert repair service and you are invited to consult Ralph Carpenter and Reece Hodges about your tractor and other farm equipment repair needs.

Mr. Travis said, "It has been a pleasure to serve the people of this county and a continuation of this patronage is invited."

Sgt. James McNally Takes Rest After 16 European Missions

An Air Service Command Station, Somewhere In England—Sgt. James C. McNally, the son of J. M. McNally of Post, recently enjoyed a "recess" from aerial warfare at an Air Service Command Rest Center—an English Seaside Resort Hotel where America's airmen who provide aerial cover for the advancing Allied Armies in Germany may relax between missions.

Here, Sgt. McNally lounged in the restful atmosphere of this vacationland hostelry and was provided with every type of recreational facility. American atmosphere, and all the touches of "home" are provided by the American Red Cross, co-partners with the Air Service Command in the operation of the Rest Center.

After seven days he went back to his combat station ready to play his part once again in the air battle supporting the Allied march across Germany.

Sgt. McNally has completed sixteen missions over Nazi-dominated Europe. Before entering the Army he was employed as a mechanic by the Consolidated Aircraft Company in San Diego.

Migratory Labor Reception Center Meeting Held 19th

On Monday night, February 19, the Advisory Labor Committee called in the committees recently appointed from the adjoining communities for an action meeting concerning the establishment of a Migratory Labor Reception Center.

J. B. Kidd, Farm Labor Field Assistant, opened the meeting by explaining the State Farm Labor set-up, and the part that the Extension Service has in the farm labor program. He very clearly brought out the need for a center for the reception of these migratory workers during the peak season of the cotton harvest.

After Mr. Kidd's talk, questions, answers and discussions followed, then a motion was made "That the group present go on record as favoring the establishment of a Migratory Labor Reception Center in Post." The motion was seconded and received an unanimous favorable vote. A plans committee was then set up. It will be the duty of this committee to meet immediately, locate a favorable site, and draw up plans for financing and construction of the center.

Marvin Hudson was expected to return today from Dallas where he has been transacting business for Magn and Compa store since Monday.

SOLDIER OF THE WEEK

Pvt. J. D. McCampbell was recently sent to Kingman, Arizona. He entered the army several months ago and took his basic training in the infantry in Fort Sill, Oklahoma, going from there to Fort McClellan in Alabama. After a furlough with his wife, the former Vada Satterwhite, and their son Don, he was sent to Camp McCoy in Wisconsin where he was given training in the Medical Corps. After that training he was transferred to the Air Corps and went to Keeler Field, Miss., then was sent to Luke Field, Arizona, and from there to Kingman Field.

J. D. is the son of Mr. and Mrs. J. H. McCampbell. His wife who has been visiting her parents, Mr. and Mrs. J. W. Satterwhite of the U lary S ranch, is now at her home in Lubbock. She has been with her husband a part of this past year and expects to join him later.

Club Women Urged To Save Waste Fats; Need Urgent

Home Demonstration club women and 4-H members are asked to out-do themselves in the fat salvage emergency. Check yourselves and remind your friends to turn in all waste fat to the local frozen food locker, Mrs. Keeney, new Home Demonstration agent said.

The fat salvage program has been going on two years, but right now the need for fat is more urgent than ever before. Dr. Ide P. Trotter of the Texas A. and M. College Extension Service says the next 45 days will be critical ones for many wartime industries unless there is some decided change for the better, and soon.

Just now the amount of fats coming from cities is on the downgrade, and one reason is that smaller supplies of meats and fats are available to civilians. So the increase that's needed will have to come from the farms and the small towns.

Here is something the farm families can do, "Mrs. Keeney, continued. "During the home butchering season, they can salvage fat trimmings. All fat which isn't edible should be rendered and sold to butchers for four cents and two red points per pound."

Wayne Beauchamp Given Medical Discharge From U. S. Navy

Wayne Beauchamp has been given a medical discharge from the United States Navy and is now in Post at the home of his mother, Mrs. Lillie Beauchamp. He expects to enter a government school in the very near future.

Wayne who was a Seaman 2c, entered the Navy on February 7, 1944 and went soon after "boot" training to the South Pacific going first to New Caledonia. He saw duty also on Guadalcanal, Tulagi, Russell Islands and New Georgia.

He was hospitalized in Mindo and Guadalcanal before being sent back to a hospital in the states where he has been since July 23rd. He spent from May 23rd to Dec. 15th in the hospital and was given his medical discharge in Charleston, S. C. on January 27th.

James E. Farr, F 2-c, who was a recent visitor of his mother, Mrs. H. Farr of Grassland wrote that he was hospitalized at Kingman, Arizona after his visit here, then was sent to San Diego. He was to have been transferred from there to Newport, R. I.

Important Farm Bureau Meeting Is Planned For Feb. 24

An important Farm Bureau meeting is to be held on Saturday, February 24, at 2:00 o'clock in the district court room. Eighteen counties will be represented in this district farm meeting which will be of vital importance to the farmers, according to an announcement from Garza county secretary, Mrs. W. C. W. Morris.

Such subjects as the gas tax problem that is being imposed on the farmer, if it is passed; the expansion of rural electrification; extension of price control legislation and the continuation of the Commodity Credit Corporation; annual agricultural appropriations; development of recommendations made from studies made on marketing of agricultural commodities and on post-war readjustment in agriculture; and the permanent school lunch room program will be among the topics discussed.

W. R. Tilson, district director of the Farm Bureau Federation, will be in charge of the meeting. Other speakers will furnish valuable information and will help to clarify many of the problems for those who attend.

All farm folks of Garza county are urged to attend the meeting.

Public Invited To Attend Open House Tonight At Canteen

The Officers and Advisory Board of the Youth Canteen are inviting everyone to attend the formal opening of the Canteen tonight, February 23, at 8 p. m. Canteen members have sent written invitations to their parents and the Board is asking all other people to visit and enjoy the program which will be presented at 8:30. Whether you have a teenage youngster or not you are invited to see just what the Canteen is.

Much progress has been made in making the center a pleasant place. Almost every week some addition is made to the furnishings. A piano was purchased last week and will be ready for use tonight.

The program as planned will feature the High School Boy's Quartette and Chorus, tap dances and Virginia Reel performed by club members. As a special attraction, Skeeter Slaughter will do a comedy skit.

Official hosts and hostesses for the open house tonight at the Youth Canteen will be the newly elected officers of the organization. They are: Ben L. Thomas, president; Gene Giles, vice-president; Peggy Sue Robinson, secretary-treasurer; Carroll Bowen, finance chairman; Marion Hodge, membership chairman; Edna Ruth Swanger, entertainment chairman; Marion Edwards, music chairman; Jimmy Bird, cleanup and repair chairman; Edna Mae Pierce, refreshment; Almeta Pierce, library; Joe Duren, reporter.

The Advisory Board is composed of these parents, Messrs. and Mrs. Julius Fungisall, Homer McCrory, B. M. Robinson, B. J. Edwards, Tol Thomas and Mr. Clyde Hundley.

Remember tonight—The place to be seen is the Youth Canteen!

Deadline On Dairy Program Payments Is February 28

The closing date for accepting applications on the Dairy Production Program for the payment period of November and December will be February 28, 1945," so stated Will Wright, Chairman Garza County AAA Committee.

"The production for the months of January, February and March will be paid in one payment and the opening date will be April 1, 1945 and the closing date for receiving applications for this period will be May 31, 1945," further stated Mr. Wright.

Cpl. J. D. Chaffin, accompanied by his wife and child, is spending a 17-day furlough here with homefolks. J. D. is stationed at Camp Blount in Florida and is serving as cook in the Field Artillery Division. He has been in service 81 months, entering January 4, 1940.

Hoover - Rylant Wedding Rites Said Feb. 17th

Saturday night, February 17, at 10:00 o'clock in the home of Mr. and Mrs. O. H. Hoover, Margie Rylant, daughter of Mrs. Naomi Priddy of Post, and Jerry Hoovers were united in marriage with Rev. D. W. Reed reading the vows. The bride was attended by Mrs. Nina Belle Chapman and Mrs. Daurene Hoover; the groom by Lt. Jack Hoover and Lt. Donald Houck of the Lubbock Army Air Field.

The bride wore a white dress, with black accessories and a shoulder corsage of gardenias. She also wore a gold bracelet belonging to the groom's mother, Mrs. O. H. Hoover, and carried a white Bible.

Margie and Jerry are both graduates of Post High school and will leave a host of friends in Post to make their home in Lubbock where Jerry is employed.

After the wedding vows, a reception was held for the bridal party and guests. The table was laid with a beautiful white drawn-work cloth. Gold candlesticks with their lighted candles added charm to the table service.

After the bride and groom cut the first piece of the lovely three-tiered cake, Mrs. Daurene Hoover served tea to Mr. and Mrs. Allen Oden, Mr. and Mrs. J. A. Propst, Wanda and Janice Propst, Mrs. Nellie Babb and Ganell Babb, Rev. D. W. Reed, Mr. and Mrs. J. R. Chapman, Miss Melba Adamson of Brownfield, Lt. Jack Hoover and Lt. Donald Houck.

Margie and Jerry have many friends who wish them the minimum of sorrow and the maximum of happiness.

Series of Parties Given In Honor of California Women

Miss Pat Evans and Mrs. Fred Legario of Stockton, California, house guests of Mrs. Madge Mathis, have been honored with a series of parties. The visitors arrived in Post Tuesday, February 13. To introduce her guests, Mrs. Mathis entertained Wednesday afternoon, February 14, at Jennie's Tea Room.

Using Valentine Day as a motif, the foursome tables were decorated with pink hearts outlined with fresh violets. A delicious salad plate was served.

At the conclusion of the bridge games Mrs. E. M. Robinson won high score prize with Mrs. Shelley Camp winning bingo.

Stationery was presented as honor guest prizes.

Meeting the honor guests were Mmes. D. C. Williams, J. E. Parker, Eyan Williams, J. A. Stallings, Bob Warren, Belle Fairbanks, Skeeter Slaughter, Blanche Dalby, Irene Rodgers, B. J. Edwards, B. M. Robinson, A. B. Haws, R. R. Hodge, Glen Kahler, James Minor, Shelley Camp, and Weldon Jobe.

Mrs. Surman Luncheon Hostess

Mrs. Mathis and her friends, Mrs. Legario and Miss Evans were guests for a family luncheon with Mrs. A. C. Surman on Thursday. The group enjoyed a very nice informal visit during the afternoon.

Bridge Party Given by Mmes. Robinson and Edwards

Miss Evans and Mrs. Legario were named honor guests Friday night when Mmes. Robinson and Edwards entertained at Jennie's Tea Room with six tables of bridge.

A patriotic theme emphasizing Washington's Birthday was used in tattles, score cards, and gift wrappings. High score was won by Mrs. D. C. Williams with Mrs. A. B. Haws winning the traveling prize. Honor guests were presented gifts of lingerie.

The tables were centered with miniature cherry trees and red hatchets. The plate favors—red, white and blue ration book holders—were useful as well as original.

The traditional Washington's Birthday dessert, cherry pie topped with whipped cream was served to twenty-two guests.

Dinner Party in Parker Home

Mrs. J. E. Parker and Mrs. A. B. Haws were hostesses Saturday night for a dinner party in honor of Miss Evans and Mrs. Legario.

Spring flowers were used most effectively for a centerpiece on the dining table where the buffet supper was served. Small tables were centered with vases of yellow flowers. The tattles and score cards further carried out the floral theme.

Mrs. Ollie Weakley won high score prize and Mrs. Legario won bingo. The honor guests were also presented gifts.

Places were marked for the honor guests and Mmes. Mathis.

Lorene Cash Is Hostess To Junior Culture Club Tues.

The Junior Culture club members were entertained on Tuesday evening of last week in the home of Lorene Cash.

Margaret Stone, vice-president of the club, presided in the absence of the president. Roll call was held followed by the reading of the minutes by secretary Inez Hartel. Committee reports were given and a report was made on the sponsoring of the Lubbock USO for which the club served as hostesses on Feb. 10.

The program for the evening was centered on the Texas theme. Nedra Jo Evans gave the history of Music in Texas which was followed by a discussion of Texas Art by Sue Cornell.

Yellow jasmín decorated the entertaining rooms. Refreshments carrying out the Valentine motif were served to 16 club members and one guest, Mrs. Wilma Keeney.

The next meeting of the club will be February 26 with Margaret Weaver. —Reporter

Triphibious War Principles Seen Aid to Lasting Peace

Out of the laboratory of World War II has come something new—triphibious warfare—which may prove to be the basis for an effective world organization to preserve peace.

With the principles of triphibious warfare applied to the purpose of preserving the peace of the world, a World Police Force of 1,000,000 men, backed by a 2,000,000-man reserve force, might well discourage initial aggressions which would have world-wide repercussions, such as the Italian invasion of Ethiopia or the Japanese venture into Manchuria.

In an ingenious discussion of a World Police Force in the February issue of Cosmopolitan magazine, Paul Schubert, noted student of world affairs, suggests that, for global police purposes, the world be divided into four areas: (1) the Americas; (2) Europe and Africa; (3) Asia; (4) the Far East.

The police contingent assigned to each area would be sub-divided into two equal groups, one group assigned by the area's major power, the remainder by the lesser states.

Under such a plan, the United States, instead of maintaining a huge peacetime army, would have only 125,000 members in the active pool and would have some 250,000 trained men in reserve. In the Americas, Canada, Central and South America, between them, would provide an equal number of men.

On a similar proportionate basis the United States, England, Russia and China as the four great powers, and their satellites would provide 20,000 aircraft and a reserve force double that on active duty, and also a comprehensive Navy and Merchant Marine.

In case of aggressions that might lead to war, the Active Po-

Unrecognized by most of us, there is a gold lapel button being worn by those men who have achieved the honor it signifies. It is a badge of courage... possessed only by those veterans who have received their honorable discharge from some branch of the service. Over 1,000,000 officers and enlisted men have been released from the army alone, and many more are returning to civilian status as each month passes. Readjustment to civil life out of uniform is difficult at its best... and recognition for the sacrifices made by these men is the least we can do in our effort to help.

Remember... any man who wears the gold badge of honor has offered his life for his country.

POST SOLDIER AIDS IN RECEPTION OF CASUALTIES

67th General Hospital, England—Aiding in the reception of casualties from continental Europe supplements the work of Staff Sergeant Glendon F. Presson, 25, of Post, non-commissioned officer in charge of medical records at this United States Army general hospital in England.

When a trainload of patients arrives at the hospital, Sgt. Presson leaves his work in the medical office and goes to the admitting office. Sgt. Presson is concerned with the disposition of the records of patients being discharged from the hospital.

A former student at Texas Tech college, Lubbock, Sgt. Presson entered the Army May 15, 1942. His brother, Lieut. Kent Presson, 27, who entered the Army the same day, is stationed at Fort Bragg, N. C.

The Presson brothers are the sons of Mr. and Mrs. W. F. Presson of Post.

Woodrow W. Stewart just recently was made AMM 3-C. He was inducted into the Navy Feb. 21, 1944. Woodrow took his boot training in San Diego, Calif. Later he was transferred to Bouncer Ream Field in San Ysidro, Calif.

BABY BORN EVERY THREE MINUTES LAST YEAR IN TEXAS; DEATHS FEWER

There was a baby born in Texas every three minutes last year, records of the state division of vital statistics showed. Someone died every eight minutes.

There were 167,182 birth and 64,473 death certificates filed during 1944, so that on Jan. 1, 1945 there was a natural increase of 102,709 in the state's population.

Head of the vital statistics division said that war conditions have affected the birth rate materially but that the inflow of families is such that it has been impossible to compute either a birth rate or a death rate with accuracy since the war began.

In the past five years birth registrations totaled 748,598 and deaths 319,571.

Including filing of certificates for preceding years and the filing of corrected certificates, the division handled a total of 437,068 certificates for 1944.

Visiting in the homes of Mrs. Jim Hays and Bob Lee, is a sister, Mrs. Emmett Rhodes of Edgemont, Calif., and a brother, Sam Lee, and wife of Salem, Oregon.

Symbolic Red Cross Emblem To Appear In Windows Again

WASHINGTON, D. C.—Once again, next month, the scarlet emblem of the American Red Cross will appear in the windows of American homes, symbolizing the financial support of the nation in supporting the manifold services of that organization to American fighting men overseas.
 In every nation of the world, this red cross has long been the symbol of universal humanitarianism, both in peace and in time of war. Today it is worn by medical corpsmen of all armies and navies serving the wounded. It protects hospital tents, ships, planes and trains. Painted on each of the International Red Cross ships bearing food parcels to prisoners of war and exchanged prisoners homeward, it is a guarantee of safety from acts of war.
 To the giver doing his part to fulfill the \$200,000,000 goal of the American Red Cross in 1945, it represents his personal part in supplying the material things which add to the morale of the American servicemen, whether hospitalized or able-bodied.
 "The window sticker means more than dollars contributed to the Red Cross," Chairman Basil O'Connor declared. "It means service clubs, canteens, recreation rooms and club-mobilities for the men in war theatres."
 To the American Red Cross, each window sticker is a family's request to the Red Cross to continue its responsibilities on behalf of the son in Italy, the neighbor's boy half a turn around the globe in the Philippines, and the brother fighting on the Western Front. It is the expression of faith of the American people

Once again this year, in March, the world-known scarlet symbol of mercy will appear in windows throughout the nation, indicating that Mr. and Mrs. America are solidly behind the 1945 American Red Cross War Fund campaign.

Last Red Cross will maintain the supplies of surgical dressings, blood plasma and whole blood, kit bags and comfort articles to the battle fronts. It is a rote of gratitude for the millions of food parcels reaching American men in enemy prison camps.
 Opening March 1, the third American Red Cross War Fund campaign for \$200,000,000—the same as last year—will continue throughout the entire month. More than 2,000,000 volunteers will distribute the familiar window emblems, conducting a house-to-house canvass to fulfill the 1945 quota. Along with the window emblem, each contributor will receive a lapel tab fashioned after the Red Cross flag—the flag known to all as a sign of aid and comfort.

Pfc. Robert Owens Writes To Dispatch
 The Dispatch has received a letter from Pfc. Robert J. Owens of the 460th Bombardment Squadron of the 333rd Bombardment Group, Army Air Field of Great Bend, Kansas. Pfc. Owens says: I wish to inform you that I am now getting my Post Dispatch every week and I surely do enjoy it. When one is away from home the paper really means more than it ever did before. I got back to camp on time and was glad to get here even though I enjoyed my visit home. We are getting ready to go overseas soon. I have been in a year and a half now and am in the ordnance department. There are quite a few Texas boys up here and all are swell fellows. Say "hello" to all the folks in the great little city of Post for me. Best wishes, always . . .

Interesting Life Led By Brother Of Post School Teacher
 Miss Ameen, teacher in the Post High school spent several days last week visiting her brother, S-Sgt. Ernest P. Ameen, who is at the home of their parents, Mr. and Mrs. E. A. Ameen of 2701 twenty-first street in Lubbock. Her brother has been overseas 29 months and has been in North Africa, Italy, Corsica and France. Ameen, who speaks four languages, serves with the Army Intelligence department and acted as interpreter while in North Africa. He has written a book, "It Happened To Me," which will be submitted for publication after the war.
 Miss Ameen has two other brothers in service. They are M-Sgt. Bill Ameen who is with the AAF in the CBI theatre and Dr. Ray Ameen, lieutenant. (jg) USNR, who is taking his internship at Des Moines, Iowa.

CEILING PRICES ON UNDERWEAR CUT
 The Office of Price administration, in another move to put more low priced clothing on the market, has issued a regulation which will reduce ceiling prices of manufacturers of fall and winter utility underwear about eight per cent. The regulation lowers manufacturer's gross margins 20 per cent below their 1943 gross margins, an action which OPA said would still give the industry earnings comparing favorably with 1936-39 profits. The agency said the price saving will be passed on to consumers when the garments made under the new rule reach the markets in the late spring.
Correction
 The Dispatch wishes to make the following corrections. In the card of thanks sent in by the family of Mrs. J. C. Wheeler, the name Elias should have read Ella Mae Freeman and Lettie King should have been Lettie King.
 Cpl. Franklin Jones of the 84th Infantry Division who was "awarded the Bronze Star for meritorious service during military operations against the enemy in Belgium" is the son-in-law of Mr. and Mrs. B. M. Robinson, sr. The Corporal was given recognition in last week's issue of the Dispatch. At that time we were not aware that he was a member of the Robinson family. Information concerning the member of the Railplitter Division was sent to our office from the Personnel Office of the 84th Division overseas.

Grade School News

Vynemma Clark, Reporter

Everyone at Grade School seemed to have a happy time on Valentine's Day. Several of the mothers came and brought refreshments for the different rooms. There were some very pretty Valentine boxes.

Mrs. Wright and mothers from her room are sponsoring a winter coat Friday afternoon as a treat for the sixth grade. Miss Haggard and the permanent room mother, Mrs. Roy Stevens are to be guests.

Miss Cromer's third grade gave a Valentine program in assembly Friday afternoon. Junelle Ticer, Carrell Gann and Jackie Sue Dale gave readings. Norma Jean Horton gave the origin of St. Valentine's Day. A short play "St. Valentine's Day" was presented by Willie Ann Mathis, Leola Dodson, Wayne Walls, Naomi Wright, Lorine Johnson and Rogene Wall.

Henry Earl Hays from Mrs. Brister's room and Tony Raye from Miss McMahon's room are moving to San Angelo this week. We regret losing these two boys.

Expansion Program Is Being Started By Electric Company

T. R. Hibbs, manager here of the Southwestern Public Service Company, has released very interesting information on the two and one-half million dollar expansion program now underway by the company. The program is one of the largest ever built at one time and will be of untold benefit to this region's expanding agricultural and industry. An outline of the program as released by Mr. Hibbs is as follows:

"To assure the South Plains and Eastern New Mexico an adequate supply of electric power ahead of the region's rapidly expanding agriculture, industry and REA systems on the South Plains, the Southwestern Public Service Company has well underway one of the largest power plant and transmission line construction programs ever built at one time in this territory."

To assist the Company in securing critical materials and to keep the expansion program on schedule, the War Production Board has recently increased priority ratings from AA-3 to a AA-2X rating for purchase and installation of the necessary generating equipment. In outlining the Company's program Mr. Hibbs, manager here, stated that work already started and work approved would cost in excess of two and one-half million dollars for the South Plains, an equal amount will also be spent in other parts of the Company's system.

A new steam turbo-generator of 10,000 kilowatts (13,400 H. P.) capacity is to be installed at the Company's Denver City Plant along with auxiliaries consisting of a 150,000 pound per hour capacity steam boiler and a cooling tower of 20,000 gallons of cooling water per minute. Additional electric equipment will also be installed in the plant substation for delivery of power into the Company's transmission system. Total capacity of the Denver City plant when the new turbine is installed will be 17,500 kilowatts (23,450 H. P.).

The Denver City plant is connected by transmission lines with the Company's Tuco, Clovis, and other plants in the area. A new 5,000 kilowatt (6,700 H. P.) turbo-generator is also being installed in the Clovis generating plant and has previously been announced. Work is nearing completion on a new 68,000 volt transmission line, increasing the capacity of the connections between the Denver City, Clovis, and Tuco plants.
