BUTTON With A Meaning

This column is dedicated to the brave men and women who wear the armed services discharge button. As the Discharge button has followed the civilian through their experiences, it records their lives from the time they receive their discharge until they become rehabilitated and re-established in civilian life. Contributions by mail or person will be welcomed from veterans and their relatives and friends. We all join in welcoming our service men and women back to our community.

Samuel D. Windham, who for a number of years has been in the Sam's Army, has been given an honorable discharge and is wearing the gold discharge button. His re-classification card has been prepared by the local Service office.

Billie L. Lester, son of Mr. and Mrs. William P. Lester, of Post, has been honorably discharged from the Army. He is a patient at DeWitt Hospital, Auburn, Calif., as of March 14.

Three Amendments Given Approval By Voters Saturday

Texans Saturday approved three of the four proposed amendments when they turned out to the polls, slightly more than ten per cent strong, to vote in the special election. Garza voters, polling 243 votes, favored re-allocation of county levies, 186 to 62. Re-allocation of levies gives local taxpayers a slight reduction, 7 cents per \$100 valuation, on county taxes. The present rate is 87c and will drop to 80c. County levies will be as follows: general fund 35c, jury 3c, court house and jail 10c, road and bridge (operative) 7c, and court house and jail (sinking) 10c. Amendments approved were: An amendment permitting service people to vote without payment of poll tax under certain wartime conditions. An amendment increasing the membership of the State Supreme court from three elected members to nine, and An amendment liberalizing social security in Texas, but placing a \$35,000,000 annual ceiling on such expenditures. The amendment proposing to pay members of the legislature \$10 daily throughout their terms of office was defeated.

Garza contains favored only two of the amendments, Nos. 1 and 4. The proposal to give service people the right to vote without poll tax in wartime carried by a favorable count of 185 for, and 45 against. Local citizens also favored the fourth amendment on the ballot, placing a ceiling on old age assistance in the state, by 180 for to 96 against.

No. 2 proposed amendment on the ballot, to increase the pay of members of the legislature was voted down by Garza contains, 191 against to only 42 favoring the pay hike. No. 3, increasing the State Supreme court membership, also lost locally, 93 for, to 150 against.

Garza 4-H Club Boys Spend Day Visiting Lubbock Air Field

One day recently three Garza County 4-H club boys, Alvin Davis, Eugene Ashley and D. G. Porterfield, were honored with an educational tour along with other boys of Extension district 2, thru the Lubbock Army Air Field. These boys were thus honored for having produced enough food to feed at least one fighting man on the far flung battle fronts, and of equal importance they produced records proving the fruits of their toil. Two other boys, Joe Stokes and Gene Carpenter were eligible to make the tour, but did not accept the honor.

Along with the 122 4-H club boys were 30 County Agents, adult sponsors, and W. N. Williamson, district agent for Extension district 2.

The group was given a demonstration by the Chemical Warfare Department of L.A.A.F. of the smoke bombs used for signaling aircraft by ground crews, phosphorus incendiary, or fire-bombs used for strategic bombing and an illustration of a booby trap, which was composed of (Continued On Back Page, Col. 2)

Lt. David Williams Here For 30-Days

Lieut. David "Buddy" Williams, son of Dr. and Mrs. D. C. Williams, arrived home from seventeen months overseas duty the first of the week. Lt. Williams is with the Ninth Airforce and is a photo-intelligence officer. He saw service in England, France, Belgium and Germany. He went over on the Queen Mary and returned on the same ship. After 30 days leave he reports to San Antonio and then will go to Tampa, Florida. He has more than enough points for discharge but "that is something we have to wait about," said the young officer.

Buddy, his mother, sister, Miss Betty, and Mrs. Cecil Matthews left today for Denver, Colorado where they will visit with Mrs. James Archaux Jr.

The United States Navy's mighty 45,000-ton battleship, the USS Missouri, will end her World War II career in a blaze of glory, August 31, 1945, in Tokyo Bay, when she serves as the scene of the historic unconditional surrender of Japan to the United Nations. Proudly bearing the name of the home state of President Harry S. Truman, the fighting USS Missouri has been named by General of the Army Douglas MacArthur, Supreme Allied Commander, as the locale of the formal ending of the war in the Pacific. Fleet Admiral Chester W. Nimitz, Commander-in-Chief of the United States Pacific Fleet and Pacific Ocean Areas, will sign for the United States. General of the Army MacArthur, for the Allied forces which fought in the Pacific. The USS Missouri was launched Jan. 29, 1944. Construction was ordered June 12, 1940. Her keel was laid on Jan. 6, 1941, at the New York Navy Yard. (U. S. Navy Photo)

Funeral Services For Mrs. Ferguson Held Here Monday

Funeral services were conducted Monday afternoon, August 27, for Mrs. Luna Ferguson, a long-time resident of the Graham community, having moved here about 28 years ago.

Bro. Doyle Kelley, minister of the Church of Christ, spoke the consoling words to the family and friends who assembled at the First Methodist church. S. D. Lofton assisted with the service. A large crowd of friends paid their final respect to their neighbor and friend.

Mrs. Ferguson had been in failing health for several years, but had not been entirely confined to her bed. She had enjoyed getting out and visiting and receiving friends in her home. Death came sometime early Sunday morning. When her son, Cleo, found her at the usual awakening time and summoned aid she apparently had passed away several hours previously. She was 69 years, 6 months and seven days of age.

Three sisters survive: Mmes. Bird Smith of O'Donnell, Ella Stroud of Hubbard City and Agnes Reed of Hillsboro. Her brother is Joe Aldrich of Abilene. A brother-in-law, J. A. Ferguson, of Post and his family attended the last rites.

The beloved mother leaves twelve children, eight of whom were here for the service: Otto, (Continued On Back Page, Col. 3)

Homer McCrary To Attend Area USO Meeting In Lubbock

Homer McCrary, United War Chest chairman of this county, will attend the regional meeting of the Chest conference in Lubbock Friday morning at 10 o'clock in the post-theatre at the Lubbock Army Air field.

Plans will be made at the session for the regional War Chest campaign which will get under way on the South Plains October 1 and will continue through the month to raise funds for the USO and various other agencies which aid the men in uniform over the world as well as giving relief to war torn nations and peoples all over the world.

APPLICATION FILED TO DRILL NEW TEST IN GARZA
Application to drill No. 1 K Stoker, as a 3,000 foot exploration in central Garza county, has been filed by Barron Kidd and A. W. Cherry, Dallas operators, according to information received by the Dispatch.

The test will be 330 feet from the north and east lines of the northeast quarter of section 8, block 2, GH&H survey. The new test is located one mile east of the closest production on the southeast side of the Garza field where production is from around 3,000 feet in Permian time.

County Schools To Open September 3

According to Dean A. Robinson, County Superintendent, all county schools will open September 3. Southland schools will also open on this date.

A full corps of teachers to date, (Wednesday) will be on hand to open the fall term. The outlook for a smooth running school year is encouraging, Robinson said.

W.S.C.S. Zone Meeting Held In City Tuesday

Ladies of the W. S. C. S. of the Methodist church held their regular zone meeting at the First Methodist church in Post last Tuesday. About forty attended the all day session and enjoyed the covered dish luncheon provided by the ladies of the local church.

During the morning a devotional and musical program was presented. The afternoon session was devoted to business which included reports of the work done by each group.

Interest Good In Revival At Central Baptist Church

Members of the Central Baptist church cordially invite your attendance at their revival which is in progress this week.

Rev. Thomas Young of Abilene is conducting the services which began last Sunday. Miss Shelby Patterson of Redwine is directing the singing.

The meeting will close next Sunday, September 2.

Local Airman Vet Of Victory In Europe Is On Way Home

Staff Sergeant Marvin E. Porter, 23, of Post, flight chief with the 15th Army Air Force in Italy, arrived at Charleston, South Carolina last week by transport plane en route home for 30 days.

Brigadier General James T. Duke, Commander of this Transportation Corps post, stated he will be on his way by train to a reception center near his home within 24 hours. He will be issued his leave papers there.

Special Benefits To Service People To Be Discussed

War veterans of Garza county will be given an opportunity Tuesday to learn more about the G. I. bill or rights, how to file claims and other pertinent information pertaining to benefits, if they contact George A. Sessums, representative of the Veterans Administration, who will be in Post to assist returning service people.

Mr. Sessums plans to arrive here before noon Tuesday to attend the noon luncheon of the Post Rotary club, and during the afternoon will be at Dean Robinson's office in the court house to assist veterans in filing and developing their claims.

Tuesday evening at a meeting for all ex-service men and service men who are here visiting, as well as all local citizens who are interested in helping returning veterans to get "squared-away" on their government benefits, will be held at the James C. Cole American Legion post. Mr. Sessums will at that time discuss the G. I. bill or rights and answer questions pertaining to any and all benefits.

The Veterans Administration representative is being brought to Post by the local Veterans Service Committee, comprised of Dr. A. C. Surman, Marshall Mason, O. L. Weakley, Tom Bouchier, Dean A. Robinson and Carlton Webb and T. L. Jones, co-chairmen.

NEW ARRIVALS

Mr. and Mrs. Alton Meeks are announcing the birth of a daughter on August 23. She has been named Margaret. The mother is the former, Miss Helen Wheatley.

Lt. and Mrs. D. D. Brestup announce the arrival of a baby boy, born August 17, 1945, at the Williams Beaumont General hospital, El Paso, Texas. The baby weighed 7 pounds, 7 ounces and was named Craig Dwight. Lt. Brestup is somewhere in the South Pacific. Mrs. Brestup is the former Johnnie Henderson.

Mr. and Mrs. James H. Ewins are announcing the arrival of a baby girl on Saturday, August 25 at the Post's hospital. The new baby weighed 7 pounds, 4 ounces and was named Barbara Jeane. Mrs. Ewins is making her home with Mr. and Mrs. J. J. Ewins with Uncle Sam.

The interior of the Cafe is being given a thorough cleaning and paint job and will be quite attractive when all work is completed.

Mrs. Valee Wall extends a cordial invitation to everyone to visit the American.

Antelopes Limber Up For Grid Work, Workouts Saturday

Between twenty and twenty-five Post Antelopes have been limbering up at the high school gymnasium this week, under the watchful eyes of Superintendent R. H. Ranson who is working with the boys until the newly elected coach, "Lefty" Sollis arrives Saturday to take over his charges. Superintendent Ranson is elated over employing the former Tech halfback to pilot the team. "Sollis is still in the Army but he expects to be released within the next fifteen days," he said. Sgt. Sollis is stationed at Lubbock with the Air Force in physical fitness work, but will be here Saturday on a 15-day furlough to begin training. He expects to be discharged when his furlough expires.

Coach And More Teachers Added To Faculty

Registration of High School students is in progress, having begun yesterday morning at 9 when Senior class members began arranging schedules. Junior class members registered yesterday afternoon.

Today, Sophomore, Freshmen and Eighth grade students are registering. Classes will begin Monday, September 3. Enrollment at this time is expected to be 300 in the high school grades.

Students who did not register at this time will not be listed on the roll for classes Monday. After school hours on that date they will be registered and may attend classes on Tuesday, said Superintendent Ranson. Word from the school this morning was that only about forty of the fifty or more Seniors had registered.

Grade School Lunch Room To Open Sept. 3

School patrons will be interested to know that the lunch room at the Grade school will be open for the beginning of school on Monday, September 3.

Help has been secured, according to information from the superintendent's office this week. Mmes. Wesley Stephens, Tom Blacklock and Ike Brown will be in charge of the preparing and serving of wholesome and nourishing lunches for the children.

Gems Of Thought

City Fat Saving Record Falls Under Town and Farm Push

Ever since our government asked town and farm women to save used fats, the record previously set by city women has lagged a beating.
We must keep up the good work! This country is facing a shortage of 1 billion, 500 million pounds of fats in domestic supplies, alone. Tons of vital war and home-front supplies requiring fats are still needed. We in towns and rural districts are in a better position to save fats than most city folks, so the government is depending on us.
Save every drop, every scrap. Melt down solid fats. There's never too little to save! Butchers will give you up to 4¢ and 2 red points a pound. If you have any difficulty, call your Home Demonstration or County Agent.

PASTE THIS IN YOUR HAT

Writing in *Newsweek*, Ralph Robey slates a few facts that every private citizen should paste in his hat, and this goes double for every public official having authority to spend tax dollars. Almost every day some new plan is proposed for spending a hundred million, 500 million, or a billion tax dollars of the people's money. Mr. Robey suggests that we stop and think where this money is coming from—certainly not from the men in the legislative bodies who propose spending it. He points to twelve years of depression after 1929 and asks the question, "Are those the years in which we accumulated the great riches we now propose to deal out so lavishly? ... For the nation as a whole those years when we had drawn down, not increased our backlog of wealth."
"We have produced an incredible amount of goods. But it has been largely destroyed. A nation does not become wealthy by destroying wealth. Wherein, then, do we get the idea that we are now so rich that we no longer need to think a second time about spending a few billions here and there? The answer really is quite simple. It is to be found in the fact that we have not paid for the war as we went along."
In other words, we are in debt up to our eyes.
The billions of dollars of bonds and deposits are paper money we now have for the most part represent goods which no longer exist. If they are worth anything in the future, said Mr. Robey, it will be only because they are validated by new production. That's what the politicians and the people must remember, when they talk about spending more billions for peacetime public projects which are not absolutely necessary. We are coming out of this war a much poorer nation and we can afford much less today than we could ten years ago. Government should offer every possible

encouragement to individuals and industry to produce and save and create new wealth, and cut its own expenses to the bone.
Paste this in your hat, for you will need it.

WE HAVE NO CHOICE

The reason the citizens of every nation should insist that world peace be established on a sound foundation this time, is made evident by the casualty figures released by the British Commonwealth and Empire. And it is well to remember that the atomic bomb had not added its toll to the figures recorded. If Germany had been able to use it, London would have been a barren waste and New York a city of skyscraper skeletons.
As it was, the total British casualties were 1,427,643 killed, wounded, missing or prisoner of war. These figures included 532,233 dead or missing. Civilian casualties were 60,565 killed and 86,175 wounded.

It is no worse for a civilian to be killed or wounded in war than for a soldier—death is as final for either. But it brings war closer home to the people and impresses on them the fact that they are responsible for government, its officials and its policies. They must take more interest in seeing that small cliques and groups of men are not permitted to endanger life and property to gratify personal greed and ambition.
The agencies of destruction perfected in World War II, to turn loose upon the world, indicate that if another war is permitted, it will be the civilian populations that are wiped out. Therefore, it is up to the people themselves to prevent such a catastrophe.

Never regard a man as a failure until he flops at something he likes.
Nylon, vitamins, sulfa drugs and perfumes are among the many products obtained from coal in the coking process.
Responsibility makes some people grow; and others swell.
Idaho and Maine vie for the honor of producing the largest and finest potatoes in the United States.

It really takes a smart man these days to tell on which side his bread is buttered—that is in a restaurant.

AIR LINE SCHEDULES RISE
 New York—The domestic airlines of the United States are now scheduling more than 800 flights daily compared with 470 in May 1942 when sharply reduced schedules went into effect because of the large number of planes turned over to the Army and Navy. The average airline transport is now in the air 11.39 hours daily as compared with 6.35 hours in 1941 before the Army and Navy requisitioned airline planes.

Good News In Clothing For Children

The children's low-cost clothing situation is looking up.
 An Associated Press survey shows that a great number of essential garments should begin appearing in stores next month despite a continuing general shortage of cotton clothing.

In fact, mothers from now on should be able to find a few necessary articles of clothing for their youngsters.
 But Government and trade experts cautioned against any notion of stocking up on the garments because the program that is turning them out is aimed at meeting only minimum needs throughout the country.

More than 43,000,000 essential garments are scheduled for manufacture by the end of September under the War Production Board's infants' and children's clothing program.

Output is planned on a per child basis, with particularly large increases in garments for infants and small children to meet the war's larger birth rate.

Recognizing also some women shoppers' complaints about quality and cut of children's clothing, WPB said it has set up standards of yardage and workmanship.

To arrive at the number of garments needed, WPB drew up this list of minimum average needs for each American child in families with incomes of \$2,000 a year or less:

Creepers and rompers, about two and one half.

Overalls, coveralls, and crawlers, a little over one.

Cotton dresses, ranging from nearly four for children under three years to barely three dresses for girls 7 to 14.

Nightwear, ranging from an average of only half a garment to less than two, depending on age.

Slips, about one.

Undershorts, one and one half.

Wash suits, about one.

Boys' shirts, a little over two.

In anticipation of winter, the children's clothing program also calls for these woolen items to be turned out during the quarter ending September 30: 3,227,000 snow suits, 2,500,000 leggins, and 420,000 snow and ski pants.

Local Housewives Urged To Serve Potatoes Often

With farmers harvesting more potatoes than the markets can handle, local housewives are asked to help move current supplies by buying generously and serving them often.

According to E. C. Munro, Acting District Director, Commodity Credit Corporation's office of supply, the potatoes now being harvested, while excellent food, will not store for a length of time. For that reason, they must be consumed immediately, he explained.

In this area, farmers are sending more potatoes to market than can be absorbed, Munro said, adding most of them must be consumed locally if food waste is to be prevented.

The United States Department of Agriculture, to support prices to growers began buying potatoes several days ago. While this is a definite relief for farmers, housewives also can help provide additional outlets by buying and serving lots of potatoes while they are seasonally plentiful, he said.

China grows more rice than any other country, but must import rice to satisfy the demand.

Asbestos As Old As Earth, Found On Every Continent.

Electrical equipment is labeled "a twentieth-century product" insofar as modern devices are concerned—but certain types of insulation for electrical wiring depend on asbestos, as old as the earth itself.

Asbestos is a natural formation in the earth and is found on every continent, usually in commercial quantities. It was formed when the planet was new, and terrific pressures finally combined water, silica and magnesia to make the rock-like asbestos strata. When fiberized, asbestos is soft

PARENTS OF N. C. OUTLAW IN PATH OF STORM

The tropical storm which lashed the coast of Texas was of much concern to N. C. Outlaw of this city, as his parents, a brother and sister live in the area.

His parents reside near Port Lavaca.

Just before going to press this morning a report had been received stating everyone was okay, but considerable property damage was reported.

Mrs. B. K. McCoy and two sons visited her parents at Wallfordsburg from Monday until Wednesday.

Mrs. Dan Altman and daughter, Judy, and Mrs. Homer McCrary and Sonny, returned last week from San Antonio where they took Dan Altman.

Bits Of News:

Mrs. Ed Robertson and daughter, Mary, moved this week to Lubbock where they will join Mr. Robertson and make their home. He has been employed in Lubbock for more than two years.

Mary will enroll in Texas Tech next week and plans to stay in one of the girl's dormitories.

Post friends regret to lose these fine folks, but wish for them happiness and success in their new home.

Mr. and Mrs. Winston Wharton and daughter, Ann, of Taboka were visiting Mrs. Wharton's parents, Mr. and Mrs. C. D. Morrel Sunday. They attended the Slaughter-Welborn wedding Sunday evening.

Mr. and Mrs. L. N. Lock and son, and Mrs. and Mrs. Vaughn, attended the Lemon family reunion in Lubbock Sunday. This is an annual affair and was attended by more than 200 persons from various parts of the state.

Miss Betty Tuggey of San Diego, California, is a houseguest in the home of Mr. and Mrs. B. L. Searge.

Mr. and Mrs. Raymond Young are vacationing in Comanche county with Mrs. Young's parents. Mrs. J. H. Bibb is a guest in the home of her daughter, Mrs. Joy McCartney, and Mr. McCartney in San Antonio. The McCartneys came for her last Sunday and visited until Tuesday with Mr. and Mrs. J. N. Power.

Mr. and Mrs. Gus Gatzki and Mr. and Mrs. Will Wright went through the caverns at Carlsbad one day last week.

Mrs. R. G. Davis and children, Brenda and Judy, of Wink, Texas, are visiting her parents, Mr. and Mrs. I. A. King, for several days. Herbert Duren has returned from a visit with his father in Pueblo, Colo.

Bryan Williams III Celebrates Fifth Birthday August 24

Bryan Williams III celebrated his fifth birthday Friday, August 24, with a party at the ranch home of his parents.

Guests were greeted and served lemonade by Mrs. Williams. Bryan opened and enjoyed his gifts and joined his visitors in play in the shady yard. Swings, a car, rokey-horse, and a saw provided entertainment for the youngsters.

The birthday cake was iced in white with blue rosebuds and pale green leaves. The five white candles were lit and then blown out in the traditional ceremony. Ice cream cones were served with the cake. Whistles and stick candy were distributed as favors.

Guests helping Bryan celebrate the day were his little brother, Lee, Janis Thomas, Suzanne Neill, Johnny Kemp, Jimmy Minor, Marthans and John Allen Cearley, Katherine Kahler and Shelly Davis and Linda Lou Lott sent gifts.

Grown-ups enjoying the party were Bryan's grandmothers, Mrs. Wooten of Slaton and Mrs. Bryan Williams of Post, and Mrs. Neill of Slaton, Blanche Dalby, James Minor, Keith Kemp and John Cearley.

Second Birthday Observed By Jerry Lee Williams

Jerry Lee Williamson celebrated his second birthday Sunday, August 20th, at the home of his grandparents, Mr. and Mrs. R. T. McLelland. Attending the occasion were his father, Pfc. Deward L. Williamson of Panama City, Florida, who is now home on furlough; his grandmother, Mrs. B. C. Elders of Slaton; and his great-grandmother, Mrs. Nan Perry of Post.

Miss Mary Margaret Duckworth had as her guest recently her college roommate, Miss Ann Kruse of near Waco.

Family Night Is Enjoyed by Leaders Sunday School Class

Thursday evening, August 23, was annual family night for the Leaders Sunday School class of the Baptist church. This is the occasion in which fellowship is at its height. Fathers, mothers and children enjoy the association of one another while families intermingle.

The cool of the early fall and the abundant moonlight made the setting perfect. The mirth and shouts of the children as they romped about the church lawn, caused each parent to recall their own happy days of childhood, as they engaged in pleasant conversation with one another. An abundant spread was enjoyed by everyone present.

Last, but not least was the beautiful talk, "The Eastern Window" given by the pastor, Rev. Huron A. Polnac.

Each one will be looking forward, with pleasant anticipation, to the repetition of this yearly event.

Jerry Hadderton Honored On Fifth Birthday Aug. 17

Jerry Davis Hadderton was honored on his fifth birthday at his home August 17. Games were played and many nice gifts were received by the honor guest.

Birthday cake, cookies and coolade were served. US flags were presented and were carried as the children marched around the house.

Children attending were Boe and Dorothy Gauney, Tom Fennell, Sedora and Deryle York, Barbara Kay and Juathata Elder, Jemmie and Bennie Wygal.

Mothers attending were Mrs. Kirk Slater, J. A. Smith, M. E. Norris, Temple Lee, Clyfton York, Richard Elder, Wilbur Minter, Olive Dunn and Davis Hadderton.

Mrs. Skeeter Slaughter, Mr. Tom Welborn Marry In Connell Home Sunday

The traditional nuptial music and decorations which effectively combined ivy and white gladioli and white candelas were used to provide a suitable setting for the recitation of the wedding vows for one of Post's most popular young women, Mrs. J. B. Slaughter, Jr. to Mr. Tom J. Welborn of Lubbock, on Sunday, August 26.

The ceremony was performed at six o'clock in the evening in the home of Mr. and Mrs. Giles W. Connell. The Rev. I. A. Smith, pastor of the First Methodist church, officiated with the impressive ring ceremony as the couple stood in front of the improvised altar at the massive fireplace in the Connell home. The floral arrangement of the chosen decorations formed a most beautiful background.

The service was preceded by a concert of nuptial music. Miss Parker, pianist, contributed "The Old Refrain" and provided accompaniment for Miss Mary Robertson who sang "Ah, Sweet Mystery of Life". Miss Parker also gave the traditional processional and recessional wedding marches.

The bride was given in marriage by C. D. Morrill. She wore her wedding a powder gabardine suit fashioned on feminine lines. It was an original by Walter of Beverly Hills. With it she wore black accessories and she carried her mother's white Bible embellished by orchids.

Mrs. John F. Lott, the bride's aunt, served as matron of honor. She wore a becoming two piece suit of black velvet with pink hat and black accessories. Mrs. Lott was escorted by Giles Connell.

Patricia and Linda Lou Lott, her girls, wore pink frocks with bouffant lines. Bryan Williams III was the ring bearer and Jackie Lott was can-

dle lighter. James Welborn of Lubbock served his brother as best man.

Mrs. Welborn is the daughter of the late Rev. and Mrs. J. W. Cowan of Fort Worth and Post.

She has been prominently identified with all civic, social and church activities and has created one of the best church choirs in all of West Texas.

Mr. Welborn, son of the late Mr. and Mrs. T. W. Welborn of Alvarado, Texas, is an independent oil operator with headquarters in Midland and Lubbock. He formerly had offices in Ft. Worth.

After a trip to Denver, Colorado, the couple will be at home at the Hilton hotel in Lubbock. They expect to live a portion of each year in Post also.

The bride's traveling suit was a three piece watermelon pink wool with muskrat trim. She wore harmonizing accessories.

Out-of-town guests were Mrs. Rem Rhome of Austin, Mr. and Mrs. James Welborn and Mr. and Mrs. Sam Campbell of Lubbock.

Wedding Supper At Connell Home Honors Couple

Mr. and Mrs. Welborn, the wedding party and out-of-town guests were entertained with a wedding supper following the ceremony. Hosts and hostesses were Mr. and Mrs. Connell, Mr. and Mrs. Bryan Williams, Mrs. Arno Dalby, Mrs. J. B. Slaughter Jr., and Mrs. Irene Redgers.

A white and silver theme was stressed on the table which was laid with a handsome cut work cloth. White gladioli arranged in a fan shape in a silver basket formed the central note of decorations. Tall candle holders with candles added illumination to the table which featured silver serving dishes.

Mathis-Riddle Wedding Vows Said August 25

Miss Doris Mathis, daughter of Mr. and Mrs. Ben Mathis, and Truman Riddle, son of Mrs. A. R. Robinson, were united in marriage on Saturday night, August 25, in Hermleigh, Texas, at the home of Mrs. J. A. Adams.

The single ring ceremony was performed by a former Post pastor, Rev. Cone Merritt, at nine o'clock in the evening.

The bride was attired in a blue gabardine suit with brown accessories. She wore a shoulder corsage of gardenias.

Miss Martha Rae Roach served as the bride's attendant. She wore a dark rose suit with black accessories. Her corsage was of harmonizing Arynillia lilies.

Attending the groom as best man was Marshall Gibson. The bride's parents and her sister, Rita Faye, attended the wedding.

Mrs. Riddle, a 1941 graduate of Post High school, is now employed in the office at the Postex mills. Mr. Riddle, who attended school in Southland and Post, is associated with an oil firm located in Post.

F. L. Wards Observe 25th Wedding Anniversary Sat.

Mr. and Mrs. F. L. Ward of Pleasant Valley celebrated their twenty-fifth wedding anniversary Saturday evening, August 25. Many friends attended.

The group enjoyed a number of old fashioned games on the lawn. After the lovely gifts were unwrapped and viewed, chicken salad, sandwiches, punch and cookies were served to the following:

The host and hostess, Mr. and Mrs. Bland and Alawane, Mr. and Mrs. Randel Cook and son, Mr. and Mrs. Elmer Hill, Mr. and Mrs. Jesse Ward and daughter, A. R. Livingston, Mr. and Mrs. Dellard Dunn and sons, Mr. and Mrs. Clovis Robinson and son, Mr. and Mrs. J. A. Lane, Mrs. B. D. Robinson, Mr. and Mrs. J. B. Robinson and children, Mr. and Mrs. Buford Jones, Mr. and Mrs. Douglas Livingston, Mrs. Virginia Lee Mack, Mrs. Verna Chase and Race Robinson.

Miss Alawane Bland, Mrs. Robert Mack and Mrs. Verna Chase were in charge of refreshments. Everyone enjoyed the evening.

Mrs. H. C. Bristow Is Honored With Party On Birthday Monday

Mrs. H. C. Bristow was the honor guest on Monday night when women of the Calvary Baptist church complimented her with a birthday party. The affair was a complete surprise to Mrs. Bristow who was making preparations to leave that day to go to visit her relatives in Seagraves. By various means Rev. Bristow delayed the trip as he knew the group of church women were planning the surprise party. Upon returning from a visit to a sick friend she found her home filled with guests.

The party was a delightful occasion. The group presented Mrs. Bristow with a lovely dress, a beautiful picture, and two large cakes.

Those registering were Rev. and Mrs. Huron Poinac and children, Mr. and Mrs. Jas. M. Hays, Mr. and Mrs. Ray Smith, and Mrs. Lela Miller, G. N. Northcutt, Davis, J. O. Miller, Hodges, Hattie Mae Robinson, Lola Hay, Paul Duren, Williams, Sallie Swanger, Mattie Caylor, Fae Burkett, C. P. Jones, M. Malouf and Misses Barbara Northcutt, Ethel Maye and Bonnie Faye Williams, Wilma Johnston, and Messrs. Garth Smith, Robert Smith and Tommy Miller.

The chapter is very proud of this roll, a bronze plaque topped with an eagle, on which are inscribed the names of relatives who served in any branch of the nation's forces, and which will be a lasting record of their heroic contribution.

The Chapter is proud of every name and its significance and grieves for the name with the gold star.

A social meeting was enjoyed after Chapter was closed and Mrs. Clark, Thelma Clark Rex and Lyda Myrtle Everett served a delicious iced fruit juice with cookies.

Visiting in the home of Mr. and Mrs. Jim Hundley this week is Miss Jean Callahan of Memphis, Tenn. Miss Callahan is en route to visit her brother in Colorado and is visiting here while Captain Jimmie Hundley is here on a 30-day leave.

Mrs. Bess Thompson has as her guest her daughter, Mrs. Roff of Lake Charles, La. Mrs. Roff is the former Joan Thompson.

Texas Contribution To War Covers 20 Different Fields

A resume of Texas' part in the war has been made by Byron C. Utecht, staff writer of the Star Telegram and gives an interesting summary of the situation.

The contribution made by Texas in World War II has been of such magnitude that few citizens realize it. The state achieved outstanding results in 20 or more fields.

In the first place Texas placed 700,000 in the armed services. Its percentage was higher than that of any other state. More than 50 training centers prepared youth for service in the Army, Air Force and Navy. The 36th, 43d, 86th and 95th Divisions were trained in Texas. What these divisions accomplished is history.

The operations of some Texas units began in North Africa, carrying them through Sicily, Italy, France, Austria and Germany. Operations of Texas troops, naval and air forces in the Pacific were equally significant. Even when the first atomic bomb was dropped over Japan, a Texas boy from Taylor was one of the select crew.

Pat Carlson, Son Of Elmer Longs, Now On Heavy Cruiser

Aboard A Heavy Cruiser in the Pacific—Ivan Pat Carlson, 19, radar, third class, USNR, son of Mr. and Mrs. Elmer Long, of this city, recently was received aboard this cruiser with other enlisted men who are attached to an Admiral's staff.

During the 18 months he has been in the Pacific, Carlson took part in eight major naval engagements. They took him from the Marshalls to the home waters of Japan. These actions include the liberation of the Philippines, and fleet attacks against New Guinea, Wake, Guam, Rota, Iwo Jima, Palau, Tokyo, Okinawa and the coastal areas of French Indo China and China.

Before entering the service in September, 1943, Carlson worked in Parker's Bakery in Post.

General Page Gives His Views On Future Drafting Of Men

Commenting upon the continued induction of men for the armed forces and the consequent resignation of some Texas local boards, General J. Watt Page, State Selective Service Director, said Friday that "as a matter of fact, the number of local boards who have asked that their resignations be accepted is so small as to be almost negligible—only four out of 251 boards."

"Naturally," Page said, "they are all tired after five years of arduous service. As board members they have done one of the most patriotic jobs in the annals of our country. In addition to being non-compensated, they have neglected their own business. In many cases they have lost money and friends of long standing, and have been subjected to all manner of abuse, these men without decorations. They can never fully be repaid for their contribution to the winning of World War II.

"Millions of our boys are overseas and have been there and in combat for several years. Certainly, they should now be allowed to come home to their families. The government is strenuously trying to return these men. In fact, right here in Texas the official reports of discharges which we are receiving at Selective Service Headquarters now total close to 1,000 notices per day. The Army, Navy, Marine Corps and Coast Guard cannot keep this up unless we can send able-bodied men overseas to replace those who should now be sent home.

All Allied military forces depended to a large extent upon the production of Texas crude oil. Texas crude was used in many ways during the war—for fuel, for the manufacture of high octane gasoline, and for manufacture of synthetic rubber.

Located in Texas were at least 200 plants turning out war products—from Bomber planes to mattresses. Texas plants have provided Army cots, uniforms, shoes, shells, ships, steel armament, blankets, magnesium, carbon black, sulphur, lumber, woolen and cotton hosiery, jeeps, processed meat and other foods.

Texas scientists and students gave valuable assistance in the experiments that preceded the atomic bomb.

Texas blast furnaces, using iron ore from East Texas, made large quantities of steel and until the war necessity arose Texas was not in the steel picture.

In November 1944 newspaper writers and radio commentators from Eastern states visited Texas and got a first hand view of what Texas was doing in the war work, and they wrote columns regarding their impressions.

Texans have made good in a big way in the Army and Navy during this war, having at least four top generals, Lt. Gen. William Hood Simpson, Weatherford; Lt. Gen. Walter Krueger, San Antonio; Lt. Gen. Walton Walker, Belton; and Lt. Gen. Ira Eaker, San Angelo. Besides, there is Adm. Chester W. Nimitz of Fredericksburg, in command of the Pacific Fleet. While General Eisenhower is a native Texan, he moved to Kansas when a child.

Time Element To Play Big Part In New Equipment

Housewives who are planning for an immediate trip to the stores to buy needed household equipment are reminded that the time element in releasing enough equipment to go around must be considered. The following release from an International News Service gives a very clear picture of what to expect and when.

Washing Machines—WPB told housewives to expect some electric washing machines on the market by January but warned that only about 550,000 will be available by that time against a demand for 6,000,000.

Stanley B. Adams, director of WPB's consumer shared goods bureau, announced that almost all of the agency's controls over such items as washing machines and electric ranges, now have been abolished.

In the following "timetable," Adams told civilians when to expect other war-scarce items now in the process of being returned to peacetime production:

Electric Ranges—These should appear on the market in "fair quantities" by December. An estimated 45,000 are expected to be made in the third quarter and some 100,000 in the fourth quarter.

Fans—Only about 25,000 electric fans will be made in the third quarter, but probably 100,000 in the fourth. Fairly adequate supplies should be on sale by December. Production expected to rise sharply in the spring of 1946.

Refrigerators—About 850,000 will be produced during the last six months of 1945, many of them to be channeled to essential users such as military services, hospitals, laboratories and blood banks.

The agency said it hopes that by mid-October the supply will be such that distribution controls can be removed.

Film and Photographic Paper—More will be available to the public, but it may not be possible for everyone immediately to obtain the kind he wants.

Mr. and Mrs. Willard Kirkpatrick and sons, Kay and Jack, have returned from San Antonio where they visited in the home of Mr. and Mrs. Ivan Stoker. While there they attended the twenty-fifth wedding anniversary of the former Post couple.

Tips For Fruit Pies That Are Easy On Sugar

One of the most delightful ways to serve the fresh fruits that are abundant at this season is in pies and tarts. With care and ingenuity, these favorite summer desserts may be made, even with rationing and sugar restricted.

JOSEPH'S PLACE IN GOD'S PLAN

LESSON TEXT—Genesis 39:20-23; 41:14-15, 23, 41-42.

Does it pay to trust God? Does He know about the sorrows and the troubles of His people? Does He have anything to do with the affairs of the world? Men are asking such questions in our day, and we have the answer in God's dealings with men in the past.

The story of Joseph is fascinating from almost any angle, but it holds no more important truth than that the man who honors God in his life will be honored by God. (I Sam. 2:30), even in the hardest place, yes, and in the highest position.

Joseph appears before us in our lesson as

I. A Prisoner Prospered by God (39:20-23)

It is surprising how often one finds God's men in the Scriptures in prison. Their determination to live upright and honorable lives ran so counter to the plans of the world that in the inevitable clash there came persecution.

The story of how Joseph became the object of his brother's jealousy and was sold as a slave into Egypt; how he prospered there only to be disgraced and imprisoned because of the lying accusation of an angry woman—all these are in the background of our lesson.

Now that he was in prison, presumably his influence was gone and his usefulness at an end. Not so, for God can be with a man in the prison as well as in the palace.

He soon became the head man of the jail. Imagine a prisoner taking over the keeper's work! Then, too, he there met the king's chief butler who, though forgetting for a time, did eventually say the word which brought Joseph back into power (see Gen. 40:14-23; 41:9-13).

The obvious lesson and blessed truth here is that when one of God's people finds himself in a difficult place, he can rest assured that God is there working out His own blessed purpose. Why not trust Him, and look for His deliverance?

II. A Prophet Prepared by God (41:14-15, 23)

The hour had come when a man was needed who had a word from God. In preparation for the awful years of famine the Lord wanted to use the land of Egypt as His great granary. He wanted thus to preserve the chosen nation of Israel, as well as to meet the needs of others.

The vision of the king, plain as it seemed when interpreted, was unintelligible without the key from God, and He had His man prepared. Joseph was ready to be called from prison to speak the right word at the right time.

How important it is that the Lord's messengers be prepared and ready to respond in the hour of His blessing and opportunity! Many eager Christians look forward to the months and years just ahead of us as the greatest opportunity the Church has had to spread the gospel.

Notice that Joseph gave God the glory (vv. 18-23). The one who really knows what is going on in the world is quick to recognize that only the wisdom and the grace of God are sufficient for man's need. Let the voices of boasting mankind be silenced and let the voice of God speak!

Joseph's prophetic word marked him as God's man to carry out God's plan, so we see him now as

III. A Promiser Promoted by God (41:41-43)

"I have set thee over all the land," said Pharaoh, and so he had, but in reality it was God who had planned the whole matter. He wanted Joseph there at this time, and there he was.

It may be well to stress the fact that God is interested in government and in the men who hold public office. In fact, the only true foundation for government is found in God. We are told to "be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God" (Rom. 13:1).

The Bible clearly teaches that every governmental agency and every public servant, from the policeman on the corner to the President in the White House, is permitted to exercise authority over his fellow-men only because God has ordained that there should be such government.

Clear it is that every right-thinking official of state and nation should be humble, teachable, discreet, and wise in the exercise of his power, and God-fearing in the discharge of his responsibility.

He who reads may apply the truth of God's Word to himself and find personal blessing. It is a rich and powerful and stimulating Word. Let us use it for God's glory!

Soil Conservation District News

It is time to make plans for planting small grain for winter pasture. Last year much valuable forage was produced by small grain pastures. Johnny Ray says that he got as much grazing from his wheat during the fall, winter and spring months as he did from an equal acreage of sodan during the summer months.

H. B. Ford of the Kalgary Conservation group grew some rye last year. He says that on sandy land where it is best suited rye will produce a third more grazing than will wheat or oats, which are better adapted to tighter soils. He was unable to get rye seed this year, but is planting 60 acres of barley for hog pasture.

Many farmers and ranchers are planting small grain on land where they had intended to plant sodan but didn't due to lateness of the season. They have summer followed the areas in preparation for planting small grain.

Johnson grass, when not in a crop, can be a very valuable pasture plant. C. P. Witt of the Kalgary Conservation Group reports that he has grazed 35 cows on 85 acres of Johnson grass since February. During two weeks of that time Mr. Witt also kept six horses on this area. He believes that in ordinary years the pasture could have supported twice as many stock as he has kept on it this year. Mr. Witt only received 4.10 inches of rain from January to July, which is less than one half the average for that period.

Sugar Rationing Will Continue

The current ration of five pounds of sugar every four months will be continued for the remainder of the year.

OPA, announcing this formally several days ago, said sugar stamp 38 in ration book 4, good for five pounds will be validated September 1 and remain good through December 31. The current stamp, 36, will not be good after August 31.

Stamp 37 is not being validated, OPA said, because many persons by mistake last year mailed 37 to local boards to obtain special rationing allowances.

Price Administrator Bowles described sugar supplies as "very tight" with no prospect for improvement this year.

ARMY DECLARES THAT 254,987 TIRES ARE SURPLUS

The Army Saturday declared surplus 254,987 tires, primarily truck and trailer sizes, and 60,000 heavy duty tubes.

The tubes are 6.00 by 16, a passenger car size.

The tires and tubes will be sold by regional offices of the commerce department, government disposal agency for consumer goods.

KATE ROSSETT SERIOUSLY HURT IN AUTO ACCIDENT

Late word concerning Miss Kate Rossett, formerly of this city but now residing in Hobbs, New Mexico, who was seriously hurt in an auto accident Saturday night at Hobbs, indicates that she is doing much better than was expected due to the seriousness of her injuries.

She received head injuries, a fractured cheek bone and a critical eye injury. It is not known at this time whether or not her eye can be saved.

Other occupants of the car were also injured. Miss Rossett's companion is suffering a broken neck and is in a serious condition.

Mrs. Ira Greenfield, sister of the injured woman, went to Hobbs as soon as she received word of the accident, but is now at home.

4-H CLUB BOYS—

(Continued From Front Page) apparently harmless clothes line which explodes on contact, proved interesting to the boys. The group was allowed to closely inspect a B-25 and B-17 bomber. After lunch the group inspected the equipment and supplies used by long range bombing crews, then were shown a combat picture. The boys were given a demonstration in the correct procedure of making a parachute jump and landing.

The tour ended with an automobile tour of S.P.A.A.F. where several thousand B-17 bombers are located.

CARD OF THANKS

We wish to express our deep gratitude to our many friends and relatives, the churches, business people, telephone girls and cotton mill people for their kindness, sympathy and floral gifts in our recent bereavement in death of our dear sweet mother, Mrs. Luna Ferguson. May God Bless you all.
