

Antelopes Set For Friday Night's Conference Tilt With Bulldogs

The Post Dispatch

VOLUME XX POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, SEPT. 19, 1946 "THE GATEWAY TO THE PLAINS" NUMBER 40

WINDOW SHOPPING
Up And Down
Main Street

Team!
That is the pep squad theme for Friday night's football game scheduled at Antelope field. Outlaw, cute "blonde" daughter of N. C. and Mildred, is being assisted by a corps of peppy youngsters and Mrs. "Bing" Bingham.

learned that yellow material for the pep squad blouses is on hand at Herring's Dry Goods and that material for the skirts is on hand at LaVelle Shop.

The roving reporter hopes the pep squad will hold a pep rally complete with confetti, snake dances, etc., preceding the game.

As though Post merchants are getting the football fever too, a big majority of the ads in this week's issue of the Dispatch are football chattering.

Controlling Symphony of design is demonstrated in the beautiful hurricane type lamps on display at Humdan Furniture store. Lamps are fashioned from metal with red glass mantles and are geared for electricity. Nothing Select for the Smart class, we'd say.

Temper your cows and watch Fry Profits soar, says Truett Fry Fry Feed and Hatchery out South Broadway. Everyday ads are fixed by experts who know just what "Bossy" likes and what carries a big stock for your convenience.

Ballad for Motorists is being sung by the boys at Triangle Service Station on South Broadway. They tell us:

If your jalopy has no pep, hot or cold it cannot stand, fill-up with gas and oils made by the Conoco man."

at Magic is cleverly demonstrated in a window display at King's this week. "like" Webb recently created a lot of clever ads in advertising men's haberdashery. That boy is really getting it at that kind of fixin'.

harmonious and restful colors are used to decorate the bank. The face lifting job just completed at that great institution is very neat.

Watch Your Figures Gal—officials declare, unobtrusively but realistically, that the errors in checking accounts are made by women clerks.

New counters, new display cases and lots of new merchandise are found at Haws Dry Goods. Little Able, Bill, Faye, Nita and Claudine were busy as busy Monday getting things all set for the busy days ahead.

Featured especially this week are items for feminine footwear—that is Sweaters and hats. An array of colors and styles to suit all sizes and shapes on display.

Pocketful of Praise is what'll get when you don one of the new sports dresses on display at Stevens Style Shop. They are plentiful in nearly all styles for college cuties.

Little Jack Horner Set in a corner Eating a Parlor's Pie. What we see lots of doing these days. Honestly, these fine creamy pieces of pie are baked to perfection. Just to be complimented on turning such delicious food at the Bakery. The all-time pie is chocolate but the lemon fruit "species" run close.

Clay and his crew of helpers will be in a line next week to take care of wash and grease jobs efficiently. A new wash and grease room, 24x38, is now under construction. The new addition will be finished in material to coincide with the filling station.

All folks, we'll see you to the Antelope Booster meeting for we know all citizens will want to go to see the Antelopes. Meeting will be at 8 o'clock at the High school auditorium. We'll save you

Garza County GI Schools Will Open Early In October

Garza county vocational schools for G.I.'s, will begin early in October if sufficient number of veterans qualify for the training by that time, according to Lewis (Sonny) Nance, who has been selected as teacher-co-ordinator.

Plans have been completed to begin a school of vocational agriculture at that time, as a number of returned veterans are signing up for the course, and there may be a number of other vocational classes formed at later dates. Organization of the county was completed last Thursday when a board of directors was named to administer the program. The board is comprised of O. L. Weakley, chairman; I. J. Duff, vice-chairman; Oscar Graham, Cecil Smith, and E. W. Curry, members.

Nance at this time is signing up veterans and will teach the first of these schools. He has set up office with County Superintendent Dean A. Robinson at the county court house.

The schools are divided into three groups, declares Nance, agricultural education, distributive education, and trade and industrial training. As this county is principally an agricultural county, the chief interest shown by veterans already contacted has been in the field of vocational agriculture and agricultural education, said Nance. Any veteran who is actively engaged in farming and ranch operation is eligible for this.

Rafters Ring When Rotarians Entertain Teachers And Anns

To say the rafters really sang is putting it mildly when describing the Rotary-Teacher banquet held at the Methodist church on Tuesday night. Cheers and tears flowed freely during one of the cleverest programs ever to be held in the club's history.

Mirthful repercussions are still being felt as groups of Rotarians, teachers, school board members and guests are heard discussing the gridiron type banquet which was planned as a gag "take-off" on a number of guests and club members.

To say a few of these fellows were relieved when Toastmaster James Minor said, "That's All, Folks," is a matter of understatement. Programs were purposely not distributed until after the banquet was well underway. The program committee said, "we didn't want some of those fellows to remember suddenly that they had some unfinished business and leave hurriedly."

Greenfield), Carving the Curriculum (Charlie Smiley), Modern Curricula Technique (Homer McCrary), The Two-Way Stretch of Teaching—the Long and Short (Supt. Day), Why I Prefer Coaching Girls' Softball (Turn to Back Page, Col. 2 Please)

MRS. SAM WILKS BURIED IN TULIA MONDAY

Friends here were saddened over the death in Tulia on Sunday of Mrs. Sam Wilks, a former Post resident. Mrs. Wilks had been seriously ill for four months.

Funeral services were held in Tulia at the First Baptist church on Monday. Among the friends from here who attended the funeral were: Ira Lee and Walter Duckworth, Noah Stone, Phil Boucher, Mr. and Mrs. Tom Boucher, Mr. and Mrs. Boone Evans, Mrs. Irene Rodgers, Mrs. and Mrs. George Duckworth.

Surviving are the husband and one daughter, Irin Wilks Sadler. One child who died when a year old is buried in Terrace cemetery.

Mr. and Mrs. Wilks were married in 1910. They moved about thirteen years ago to Tulia. The Wilks family moved to this section at the turn of the century.

Superintendents And Judges Selected For Garza Club Show

Superintendents and judges for the various departments of the annual Garza County 4-H club show to be staged here next Thursday have been selected, reports County Agent Frank Eaton.

General superintendent of the show will be Gene Carpenter, 4-H club boy. The general show committee is comprised of Donald Carpenter, superintendent of swine; Carter Gene White, superintendent of beef calves; Jimmy Moore, superintendent of field crops; and E. P. Wicker, jr., superintendent of dairy calves.

Judges selected include: Robert Gibson, field crops; Jason Gordon, county agent and Bill Griffin, assistant county agent of Lubbock county, livestock and poultry; Fred Hale, Texas Experiment Station, College Station, swine; and Sonny Nance and O. D. Cardwell, horses.

Entries have already been made by a number of Garza county club boys in dairy heifers, beef calves, cotton, maize, breeding gilts, breeding sows, sows with litters, and horses.

First Baptist Church To Begin Eight Day Revival Sunday

The First Baptist church will begin an eight-day revival on Sunday, September 22. The local pastor, Rev. Huron Polnac, will be in charge of the preaching services and Rev. J. B. Forrester of the Midway Baptist church in Lamesa will conduct the singing.

Both morning and evening services will be held during the week with the morning services beginning at 10 o'clock and evening services at 7:30. Prayer services will be held each evening at 7 o'clock.

Everyone is given a cordial invitation to attend and take part in these inspirational services.

LITTLEFIELD RODEO BOOSTERS VISIT CITY

Twenty-five or more Littlefield rodeo boosters, riding in a chartered bus, spent a short while in Post Monday about noon advertising their three day rodeo which is to be staged this week end.

The advertisers were dressed in rodeo regalia, and after staging a brief entertainment, boarded their bus for Snyder.

Littlefield has joined the Texas Rodeo Cities this year, entering the field with a brand new arena constructed with funds raised by the local Junior Chamber of Commerce, Jack Pope, Jaycee prexy, stated the arena and all the other necessary paraphanelia cost a total of about \$8,000.

Jack Hixon, of Ft. Sumner, N. M., has contracted to furnish the stock.

Released From Hospital

Mrs. Ira Greenfield returned home Wednesday from Lubbock Memorial hospital where she underwent surgery two weeks ago. She is reported as improving satisfactorily.

NEW ARRIVALS

Mr. and Mrs. Gomer Custer of Medford, Oregon, are announcing the arrival of a 8 pound, 12 ounce baby boy, Dennis Dean, on Sept. 5. Gomer is a former resident of this city where he was an employee of the First National bank.

Mr. and Mrs. Owen Eckols are announcing the arrival of a son on Sept. 11. The young man weighed 7 pounds and 4 ounces and was named Tommy Lee.

Mr. and Mrs. Wilburn Jackson are announcing the arrival of a daughter born Sept. 11 at 7:30 a. m. in the West Texas hospital at Lubbock. The young lady weighed 7 pounds and 14 ounces and was named Sandra.

Quarterback Club Is Organized To Support School

Post has its Quarterback Club—the organization was perfected Friday morning when men and women football enthusiasts of the town held a "kick-off" session at the Garza theatre. Following the business session, election of officers and naming of committees, a membership drive was launched which had brought in 65 members.

N. C. Outlaw was elected president of the booster club, succeeding James L. Minor who piloted the organization last season. Minor was elected secretary and Lynn Ingram was elected vice-president.

Committees named included membership, headed by Rev. Huron Polnac, Paul Jones, and Ingram. Publicity, E. A. Warren, Homer McCrary, Dick Allen; program advertising, Darwood Billings, B. J. Edwards and Marshall Gibson.

The purpose of the club is to assist the football squad in every possible way, and to promote a well developed athletic program throughout the school year.

Every football fan in Post is urged to become a member of the organization. If you have not already subscribed your dollar membership dues and want to back the league with your support, contact the membership committee at your earliest convenience.

South Plains Fair Boosters To Visit Post Tuesday A. M.

A large group of Lubbock businessmen accompanied by good speakers and entertainers, will bring the latest available information about the 29th annual Panhandle South Plains Fair to Post at 8:35 o'clock, Tuesday morning, September 24, 1946. They will give a short program at the school, giving the highlights of the first renewal of the "Show Window of the South Plains" since 1941.

Their stay, a yearly pre-Fair feature, also includes a brief period for visiting and renewing old acquaintances on the downtown streets.

The delegation will travel by chartered bus and will have all the latest information on what will be doing at this year's Fair. Judging by the interest shown by South Plains residents the past two weeks, Fair officials said they expected attendance and exhibits to be greater than ever before in the history of the event.

Recent rains have greatly improved the outlook for good agricultural and livestock displays. In several divisions, notably the Milking Shorthorn cattle and the Chester White swine, considerable increase in premiums have been made. Total premiums to exhibitors amount to nearly \$7000 with extra prize money being awarded participants in the rodeo and midget auto race.

The two buses for the week beginning September 22 include stops at Slator, Southland, Post, Taboka, O'Donnell, Lamesa, Seney, Brownfield, Meadow, Ropesville, Shallowater, Anton, Littlefield, Amberst, Sudan, Muleshoe, Farswell, Clovis and Portales.

Two more trips will be made the following week.

HOMER THOMPSON PLANS TO RETURN TO POST

Homer E. Thompson, who recently was discharged from the Army after returning from Japan, and who before entering the service about five years ago served as county agricultural agent here, was in Post last Thursday "shootin' the breeze" with cronies.

Mr. Thompson said that he planned to return to Post in about a month and if "everything works out satisfactorily," as he had not discussed the matter of returning to his old post with Garza County Commissioner's court, or his Extension Service bosses, he would be back in the county agent's office.

Probable Starting Line-Ups

Starting line-ups for both the Antelopes and Bulldogs for Friday night's conference tilt at Antelope field were announced early this week by Coach Bing Bingham and Coach Jim Foust of Tahoka. Bingham indicated there might be one or two changes in his starters if some of the boys on the "banged up" list were able to be in the play.

POST			TAHOKA		
Players	Wt.	Position	Players	Wt.	Position
Roy Williams	152	Left End	B. D. Dorman	140	Right End
George Pierce	170	Left Tackle	H. Crutwell	156	Right Tackle
Billy Joe Lofton	146	Left Guard	Bob McMillan	135	Right Guard
Bud Everett	145	Center	K. Weaver	155	Center
Neal Clay	152	Right Guard	Don Akms	160	Right Tackle
Jimmy Smith	163	Right Tackle	Randa Hinkle	155	Right End
Hugh Ingram	153	Right End	Kenneth Reed	153	Quarterback
Sonny McCrary	141	Quarterback	Joe Minor	155	Left Halfback
Stanley Benge	135	Left Halfback	Sargent Munn	150	Right Halfback
R. E. Josey	135	Right Halfback	H. R. Tankersley	140	Fullback
Junior Malouf	146	Fullback	J. Barrington	140	Fullback

See First Game!

It's football time again! Tomorrow night you can see the 1946 string of Antelopes, destined to be the best in several years, take the field against the strong Tahoka Bulldogs in a conference game.

This season's Antelopes have entered the play with a determination to win, as evidenced in last Friday night's game with the Ralls Jackrabbits, and the only need now is strong backing of an enthusiastic Post citizenship.

So be on hand tomorrow night to root for the Antelopes.

The starting whistle will blow at 8:00 o'clock.

Firemen To Convene Here October 3 For Full Day Session

A one day convention of the Mid-West Texas Firemen's Association will be held in Post, Thursday, October 3, according to an announcement made Wednesday by Walter Crider, second vice-president of the association.

Plans for the all-day convention were completed recently when a group from the local fire department attended a meeting of executives in Sweetwater. Crider said that a number of prominent speakers would appear on the program, names of whom will be given in next week's Dispatch, and that an entertainment program is being planned.

The business session is to be held in the morning and completed early in the afternoon, and will be followed by pumper races staged by the different teams of the departments in the 11-county area.

The day's program will be climaxed with a barbecue and dance that night.

LECTURE AND CULLING DEMONSTRATION TO BE GIVEN FOR POULTRYMEN

Garza county poultry raisers are invited to a lecture and demonstration to be held Saturday afternoon at 2 o'clock at Fry Feed & Hatchery.

G. W. Sharp, graduate of Emory Institute of Poultry Technology will give the lecture and culling. The Fry Feed & Hatchery will give away to persons attending the demonstration 300 pounds of feed.

ANTELOPE BOOSTER CLUB MEETS TONIGHT

Members of the Antelope Booster club, as well as all other football enthusiasts, are urged to attend a meeting tonight at 8 o'clock at the High school.

The purpose of the meeting was not explained by Darwood Billings who requested that the announcement be made.

Attend Style Show
James Minor, accompanied by J. G. Stacy of Levelland attended a furniture style show, sponsored by Ellison Furniture Company of Ft. Worth, last week. Attendance at this affair was by invitation only.

Triple-A Officials Explain Insurance Premium Notes

Federal Crop Insurance premium notes for all 1946 cotton crop insurance matured on August 31. The amount due on all unpaid premium notes will be based on the price of middling 15-16 inch cotton on August 31, 1946, which was 36.05 cents per pound, announced Robert H. Gibson, Garza County AAA secretary.

The total amount due on the note may be determined by multiplying the premium in pounds by 36.05 cents. All insured producers have been notified what their premiums will be in pounds of lint cotton, therefore it is only a matter of multiplication to determine the total amount due, Gibson further stated.

Premium notes will not bear interest if they are paid before October 31, 1946, however, if they are not paid by October 31, 1946 they will bear interest at the rate of 6 per cent from August 31, 1946 until they are paid. In other words there is a grace period of two calendar months in which the note may be paid without any interest, providing the premium is paid within this period. Every producer should take advantage of this saving in interest by paying their premium before October 31, Gibson said.

Premium payments will be made at the County AAA Office.

25 4-H Club Boys To Represent County At Short Course

Twenty-five 4-H club boys will represent Garza County Saturday at the leaders short course at Texas Tech, reports County Agent Frank Eaton. Each boy from the county attending the session will receive certificates of attendance.

A well-rounded program, including five interest groups centering around feeding and proper care of livestock and poultry, has been arranged. Registration will get underway Saturday morning at 9:30 o'clock at the livestock pavilion, followed by general assembly.

The morning session includes a welcome address, introduction of instructors and visitors, and two discussions on disease and parasite control, and a talk on use of DDT in controlling livestock and poultry parasites.

Several hundred club boys from the 20 counties of this extension district are expected to attend the gathering.

TWO POST MEN OPEN REAL ESTATE OFFICE

A real estate firm, styled Hund & Maxcey, was opened Monday morning in the Double U building by two Post men, C. W. Hunt and L. E. Maxcey.

The firm will carry city property and farm and ranch listings. The office is in room 4 on the second floor of the Double U building.

Game Rated As Toughest On Season's Card

Friday, tomorrow night, the Post Antelopes mix with Tahoka Bulldogs in what promises to be one of the toughest games on the Antelopes' 1946 card. The Antelopes and Bulldogs are conference foes of many years, and this season's battle is expected to be an atomic type of warfare.

When the Antelopes trot out on the field tomorrow night they will be trying for a repeat performance against the Bulldogs. The Tahoka aggregation will be out for revenge, for they have not forgotten the short end of the score they drew last season when the locals closed them out 6-0 on their home grid.

Coach Bing Bingham frankly admits that he is a bit worried about the game. He recalls that while his string of Antelopes were taking the Ralls Jackrabbits, 21-0, last Friday night, the Bulldogs were walloping the Crosbyton Chiefs, winner of district 4 last season and top contender for the title again this season, to the same tune, 21-0. The Post mentor goes far enough to admit that his Antelopes are the underdogs.

Bingham has reason to be a bit in the dumps this week . . . he was not too well satisfied with his charges' showing last Friday, even though he did chalk up a victory over the Jackrabbits. "The Antelopes looked good in tackling, but the rest of the play was shaky," said the coach. The squad Monday was whittled down to twenty-seven men, and the coach has devoted most of the week's practice sessions to ironing out last Friday night's mistakes. Eight new players were dished out to the Antelopes the first of the week along with punting and passing practice.

When the Antelopes are pitted against the Bulldogs tomorrow night the starting string will be minus three regulars. Shorty Heister, left halfback and one of the best passers of the group, will be on the bench. Heister has been ill this week and has not been in uniform. Gayland Young, a promising new comer, will be on the bench with an arm injury. Pleasant Hill, who was the only casualty of last week's fracas, has been cut off week with his foot and knee injuries.

To the left, in two-column box, will be found the probable starters for both teams. In addition to the Bulldogs listed as starters, Coach Jim Foust is bringing along a fine string of reserves.

The Post pep-squad, headed by Alma Outlaw, will be on hand to give cheerleading and plenty of backing to the Antelopes. The Quarterback club is expected to be out one hundred per cent and it is hoped by school officials that both stands will be filled with local students.

The starting whistle will be sounded at 8 o'clock sharp.

CATTLE SPRAYING DEMONSTRATION TO BE HELD TUESDAY

Garza county ranchers, stockmen and farmers will be interested in a cattle spraying demonstration held Tuesday afternoon at 2 o'clock at the OS Ranch, 12 miles east of Post.

The demonstration will be sponsored by White Auto Store, with Lester Haines, Transit Grain representative, conducting the demonstration with the use of a model 30 spray and a Cushman engine with 2 horsepower rotary pump.

A herd of 200 to 300 head of cattle will be sprayed during the demonstration which will start at 2 p. m. and continue until the herd has been run through the chutes.

Panhandle Refining Co. Products To Be Offered By New Service Station

Announcement is being made in this issue of the Post Dispatch by Max Gordon and Thurman Francis that a new service station is to be opened in the near future to be known as the Panhandle Service Station.

The location is to be in the building now occupied by the Garza Tire Shop on Main, and the service station is to be operated in connection with the tire repair service.

The station will distribute Panhandle Refining Company products and will offer delivery service to all parts of the county.

BUILDING PERMITS FALL OFF 17.5 PER CENT

Statistics reveal that the value of building permits issued in 49 Texas cities fell back 17.5 per cent in July from June; however, the July amount was more than twice the size of the July 1945 figure for permits issued.

Dallas led the state, with total permits of \$2,899,377, followed by Austin, Fort Worth, San Antonio, and Houston—all of which issued permits in excess of \$1,000,000 during July.

The longer-time phase of the famine emergency is expected to continue at least until 1947 crops are harvested.

Farm prices of cotton August 19 advanced to a new high—133 per cent of parity—reflecting higher prices paid by farmers.

Bits Of News.

Pfc. Weldon Lee Crider, of the U. S. Marine Corps, and his fiancée, Miss Jeanne Witoska, of Washington, D. C., are visiting this week in the home of his parents, Mr. and Mrs. W. L. Crider, and his sister, Mrs. Hugh Blevins. W. L. is stationed on the Aircraft Carrier USS Midway, anchored in Norfolk, Va.

A. C. Thomas, Wayne Hundley and Jimmy Bird left last Sunday for Abilene where they will enroll in McMurry college as freshmen. All three are 1946 graduates of Post High school.

Mr. and Mrs. Keturay Young and small son spent the week end in Lamesa with Mr. Young's parents. Sunday was his mother's birthday and several members of the family were present for the occasion.

New York honored the Duke of York when it selected its name.

R. H. COLLIER DRUG

SOCIAL SECURITY REPRESENTATIVE TO BE HERE OCTOBER 2

Elliott Adams, manager of the field office of the Social Security Administration of Lubbock, will be in Post at the U. S. Post Office at 2 p. m., Wednesday, October 2, for the purpose of assisting persons who have questions regarding Social Security.

Old-Age and Survivors Insurance is a Government insurance system for wage earners in business or industry. As the name implies, it protects both the aged worker and the survivors of young as well as old workers who die. It provides benefits for workers after they reach age of 65 and stop work, and benefits for widows and children (in some cases parents) of insured workers, both young and old—who die. This plan makes it possible for a worker through his social security tax to lay away, every pay-day a little bit of his earnings to make provision for the time when he is too old to work for the support of his dependents in case of his death. Under this plan the money paid to the retired worker or to his survivors is theirs by right, just as any other insurance money would be.

For further information contact the Social Security Administration representative.

Among the foods that are expected to be plentiful in October are potatoes, onions, lemons, canned citrus juices, fall apples, pears and celery.

NEW YORK, N. Y.—(Soundphoto)—First evidence of the nation wide ship strike that has tied up America's major ports was this picket line in front of the freighter "Cape Race" on New York's North river. The CIO unions are supporting the AFL's seamen, and some dock workers are refusing to cross lines. The issue is refusal of the Wage Stabilization Board to approve an increase in pay won by the seamen in collective bargaining with the ship owners.

DISPATCH TO CARRY ADMIRATION COFFEE ADS FOR THREE MONTHS

The Post Dispatch is pleased to announce that it has been chosen among the few weekly newspapers of West Texas to carry the fall schedule of Duncan Coffee Company.

For a number of years the Houston, Texas, coffee company has been advertising Admiralty coffee during the fall and spring months through daily and a few weekly papers over the state, but this fall they have placed their schedules with several more of the leading weekly publications and have included the Dispatch on their list.

The advertisements are thirty inches in size and run consecutively for nine weeks, giving the finer qualities of Admiralty coffee. We invite you to follow their campaign and assure you that if you are not already a coffee drinker, you will want to be after reading their ads.

U. S. Department of Agriculture has announced a grain export goal for 1946-47—400 million bushels of all grains and grain products.

School News

Class meetings were held at the High school this week for the purpose of organizing the classes for the school term. Officers, sponsors and room mothers were elected by each class and are as follows:

Senior Class— President, Rufus Gerner; vice president, Sonny McCrary; secretary-treasurer, Alma Outlaw; reporter, Betty Kennedy; sponsor, Mrs. H. T. Carr; co-sponsor, Mr. V. F. Bingham; room mothers, Mrs. N. C. Outlaw, Mrs. L. P. Kennedy, Mrs. O. E. Fleming, Mrs. A. B. Casey.

Junior Class— President, Jane Ann Turner; vice president, Billie Nichols, secretary-treasurer, Billy Bob Hoover, reporter, Stanley Benge; sponsor, Miss Maude Alice Zorns; co-sponsor, Mrs. V. F. Bingham; room mothers, Mrs. Tommie Anderson, Mrs. Boone Evans, Mrs. Lester Nichols, Mrs. Lee Bowen.

Sophomore Class— President, George Hester, vice president, Carter Gene White; secretary-treasurer, Elsie West; reporter, Jane Wiley; sponsor, Mr. N. R. King; co-sponsor, Miss Johnnie Cook; room mothers, Mrs. Willard Kirkpatrick, Mrs. M. J. Malouf, Mrs. Lewis West, Mrs. Guy Floyd.

Freshman Class— President, Raymond Gary; vice president, Charles Bowen; secretary, Betty Mills; treasurer, Wayne Thomas; sponsor, Miss Mabel Harris; co-sponsor, Mrs. T. L. Jones; room mothers, Mrs. C. R. Bowen, Mrs. Curtis Davies, Mrs. Tol Thomas, Mrs. W. A. Long.

Eighth Grade Class— President, O. K. Bowen, vice president, Peggy Johnston, secretary, Barbara Lewis; treasurer, Mary Nell Bowen; reporter, Leon Miller; sponsor, Mrs. Esma Cash; co-sponsor, Mrs. C. R. Thaxton; room mothers, Mrs. C. R. Bowen, Mrs. H. T. Carr, Mrs. Ulna Brown, Mrs. Ray N. Smith.

The Texas Safety Association warns drivers that the right-of-way is the right of way only so long as it is safe. If the other fellow needs it through necessity or because he is a road-hog, give it to him! A good driver knows that a right of way on this earth is of little value to him after death.

The Force that Holds Up the Rainbow Natural Bridge... OIL PLATES Your Engine!

ONE of America's wonders is the tremendous Rainbow Natural Bridge in Utah. Weighing millions of tons, it's held up by the mighty forces of attraction that exist between molecules of stone.

By ceaseless study of the molecular attraction between liquids and solids, Conoco engineers are able to bring motorists new and better oils. For example, under laws of molecular attraction, a special ingredient in Conoco Nth motor oil is attracted to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.

Because molecular attraction holds Conoco OIL-PLATING up where it belongs

... prevents it from all draining down to the crankcase, even overnight . . . you get these benefits:

- added protection when your engine starts up
- added protection from corrosive action
- added protection from wear that leads to fouling sludge and carbon
- added smooth, silent miles

That's why to OIL-PLATE NOW . . . at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Co.

The Better Way to Care for Radiators

THREE ways to get better service from your radiator this summer—

Clean it out with Mobil Radiator Flush . . . safe, thorough. It gets rid of corrosion and scale.

Then, Mobil Hydrotone, added to the water helps to protect against rust and corrosion. One treatment lasts a season.

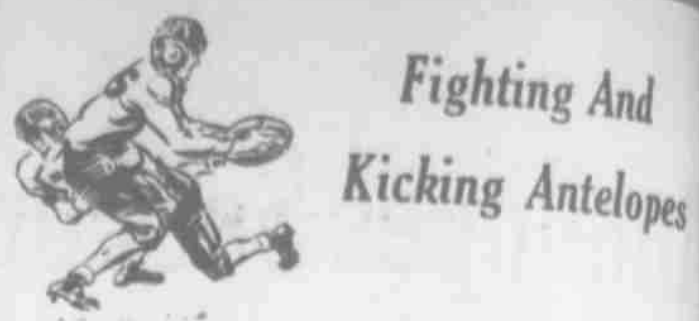

Add Mobil Stop-Leak to the water as directed—it stops minor leaks.

Avoid serious radiator trouble that may follow a clogged or leaking radiator, by using all three of these Mobil Products. See us today for better radiator service.

SAN FRANCISCO, CALIF. — (Soundphoto) — Army Ground Force equipment is being inspected here by Col. Paul A. Reiche of York, Pa., Commander of Task Force "Frigid." Members of Task Force "Frigid," composed of 1,700 officers and men, three of whom are shown here paraded in "deep snow and cold" paraphernalia, will sail from Oakland, Calif. The Army's largest Arctic weather test unit is en route to Ladd Field, Fairbanks, Alaska.

BUG BUSTER

Livestock Spray

With DDT Plus a Quick Killing Agent

SEASONAL TREND IN POLIO IS REVEALED

Austin—A graph of polio cases in Texas from May to September demonstrates that the disease has seasonal trend, the Texas Health department announced. The graph was exhibited as proof.

The peak incidence was during the week ended July 20 when 61 cases were reported. Since that time there has been gradual decrease.

"No further rise is expected" the department report said. "But cases will continue to occur during the fall months."

The report shows there have been 712 cases reported in Texas this year.

Capt. and Mrs. Bob Burch of Newark, Ohio, attended the big air show which was held in Cleveland, Ohio on Labor Day which featured the P-60 Shooting Star. Mrs. Burch is the former Zelma Stephens, daughter of Mr. and Mrs. Wesley Stephens of this city.

EXTREME CARE SHOULD BE TAKEN IN USING DDT

It is little wonder the news of DDT excited housewives although it will not kill all kinds of insects. Since it is effective on flies, fleas, mosquitoes, bedbugs, cockroaches, some species of ants and brown dog ticks, homemakers have a right to cheer. It is hoped that tests now being conducted will prove that DDT will be effective on clothes moths, carpet beetles, silverfish, wood ticks, and other household pests.

In case you do not know it, DDT stands for dichloro-diphenyl-trichloroethane, a slow but sure killer, acting as a stomach and a contact insecticide. In its original form, a white crystalline solid that is practically colorless and very stable, DDT is not effective against insects. Either it must be ground with talc, clay or other material to form a powder or it must be dissolved to a solution. Almost insoluble in water, it dissolves readily in petroleum oils, xylene and other solvents.

Housewives are obligated to their families, their possessions, and themselves to read the labels on insecticides containing DDT and to follow the directions without deviation. Government tests show that DDT powders and water suspensions in concentrations effective for insect control (1-10 of 1 per cent to 10 per cent) do not harm the skin of man or the coats of animals only if ingested or absorbed by the body. Keep it out reach of children, keep it stored by itself, keep it labeled plainly! Never use it as an experiment on anything! Use it where the label tells you and no other place!

NATIONAL DEBT TO BE REDUCED TWO BILLION

Washington, Sept. 16— Secretary of Treasury John W. Snyder announced today that the national debt will be reduced by \$2,000,000,000 on Oct. 1.

The reduction will be effected by paying cash to retire \$2,000,000,000 in maturing short-term securities.

This transaction will bring the national debt down to approximately \$263,706,000,000.

NEW SUBSCRIPTIONS TO BE TAKEN DURING BARGAIN DAY RATES

The Post Dispatch has been authorized to accept new subscriptions, as well as renewals, on the Fort Worth Star Telegram during yearly reduced Bargain Day Rates.

The offer is the first in a number of years in which new subscriptions have been offered by the Star Telegram. It will no longer be necessary for present subscribers to bring in their old date slips in order to renew their subscriptions.

The Bargain Rate on the Star Telegram, daily and Sunday is **\$10.95**

And on the Star Telegram, daily without Sunday . . . **\$9.60**

The Star Telegram, as you know, has not made a change in subscription rates since January 1942. Throughout the war years, most every periodical did, and now with increases in newsprint paper, wages, materials, services, in fact everything that goes into making a newspaper, a slight increase in price has been added.

The Post Dispatch will continue to hold its TWO DOLLAR rate through the remainder of this year, but will not offer reduced combination rates with any of the daily publications. You can subscribe for the two papers at our office, Star Telegram at \$10.95, plus \$2.00 for the Post Dispatch, making both papers cost you . . . **\$12.95**

Do You Know Right From Wrong?

Do you know when right is wrong? It's when you are walking on the highway, says the Texas Safety Association. If you are doing any hiking, remember that you should walk on the left-hand side of the road, so you can watch the approaching cars on your side. In the catechism of safety, there is only one answer, walk with caution, courtesy and common sense!

Attends Birthday Celebration

Attending a birthday celebration on Sunday in Hezmeigh for 98-year-old Alex Parker were Mrs. B. A. Cross and daughter, Mrs. Foy Winn and son, Jimmy, and Mrs. W. E. Dent. The celebration was an all-day affair and was attended by two or three hundred relatives and friends. Mr. Parker is an uncle of the late Mr. Cross.

MEEK VOWS
CHANGED FRIDAY
LUBBOCK

Wedding vows were exchanged between Miss Lois Nance, daughter of Mr. and Mrs. Ott Nance, a Lubbock ranching couple of this city, and Fred Meek, son of Mr. and Mrs. J. I. Meek of Amarillo, Friday, Sept. 13.

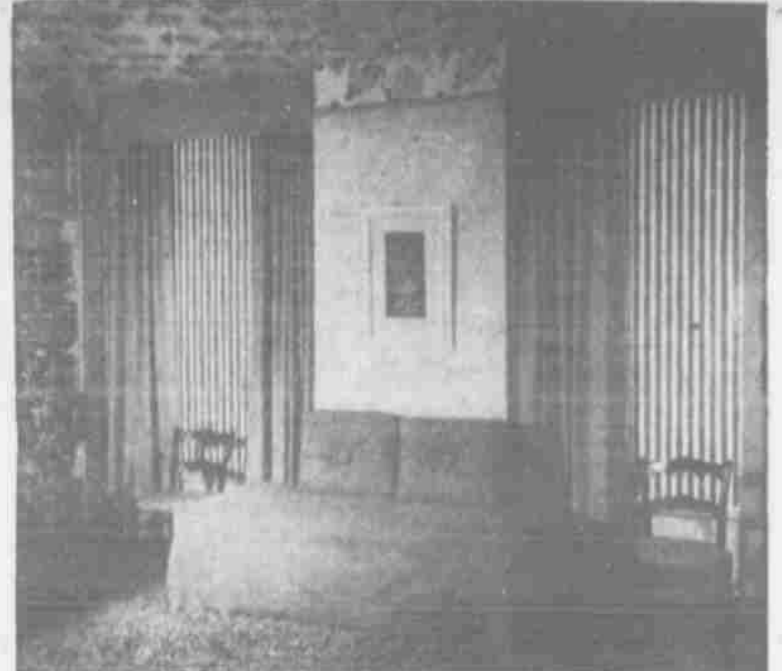

The double ring ceremony was officiated by Dr. H. G. Gantz in the chapel of the First Christian church of Lubbock. The chapel was beautifully decorated with flowers and organ music played during the ceremony. Branched candelabra were placed on each side of the altar and Ed Kelly Sims and Ed Kelly Sims were the tapers just preceding the ceremony.

Miss Jo Don Meek of Amarillo, sister of the bridegroom, served as maid of honor and Ed Kelly Sims of this city was best man. Miss Meek chose a jaunty yellow suit and white accessories. She wore a shoulder corsage of white carnations.

The bride wore an aqua gabardine dressmaker suit with black accents. Her corsage was of red and white. She followed the tradition of wearing something new, something borrowed and something blue. The bride is a graduate of Post school and of Texas Technological college where she was a leader for two years and president of the Women's Recreation association. She has represented this city as cowgirl sponsor at the Fat Stock show in Ft. Worth and at rodeos in this area. Fred Meek is a graduate of Post High school and served in World War II. He is in the electrical business in Springfield, Colo.

The couple left immediately following the reception for a short

Society - Clubs

Smart interior decorating often consists of turning a debit into an asset. Here is a bit of interior decorating which shows what can be done with windows which are unattractive in themselves and also front on an unattractive view. Behind these candy-striped shades is the blank, brick wall of the neighboring apartment building... certainly not a view to inspire or charm. Moreover, the windows themselves are awkward—long, narrow, and off-center. By using draperies and window shades in attractively colored stripes, the decorator has achieved not only a sense of harmony but has made provision for a necessity... keeping the window shades lowered full-length most of the time.

The stripe in the window shade and the studio couch cover are in turquoise. The draperies are of a mustard-yellow felt.

P-TA TEA GIVEN AT HIGH SCHOOL THURSDAY

The Post Parent-Teacher Association entertained the Post faculty with a tea at the first meeting which was held September 12 in the homemaking department of the high school.

Parents were greeted at the door by the teachers. The rooms were beautifully decorated with cut flowers and a bouquet of flowers with greetings to the teachers of 1946 served as centerpiece for the tea table. Miss Clonnie Mae Gribble furnished accordion music during the program.

Mrs. John Lott, vice president, presided at the business meeting which followed. Mrs. B. a review of the year's program followed by Mrs. Lee Davis, who made an announcement of the

wedding trip. They will make their home in Springfield, Colo.

MRS. R. S. JAMES OBSERVES BIRTHDAY WITH FAMILY REUNION

Mrs. R. S. James celebrated her sixty-ninth birthday on September 15 when a birthday dinner and family reunion was held at her home.

All ten children of Mrs. James were present along with a host of close friends.

Those registering for the day were: Mr. and Mrs. L. W. Gandy and sons, Mr. and Mrs. Pete Ethridge and son, Mr. and Mrs. M. O. Jones and family, all of Plains; Mr. and Mrs. James Brook and children of Slaton, Mr. and Mrs. Claude James and children of New Home, Mr. and Mrs. Aaron Bean and son of Mullin, Mr. J. M. James and children of Post, Mr. and Mrs. Johnny Inman and girls, Mrs. Myrl Wilkins of Tahoka, Mr. and Mrs. Carl Fluitt and sons of Post, Mr. and Mrs. Clifford Gandy and children of Grassland, Mr. and Mrs. Gilbert Gandy of Tahoka, Mr. and Mrs. Dorman Gandy and children of Redwine, Mr. Arden James of Plains, Mr. and Mrs. Buddy Williams of Seagraves, Mrs. Rudolph Snowden of Long Beach, Calif., Mr. Short Pafford of Brownwood, Mr. and Mrs. J. W. Hinkle and children of Tahoka, Mr. Buck Autry of Redwine, Mr. and Mrs. Roy Ethridge and children of Post.

The dinner was served picnic style. The honored guest received many useful gifts.

JIM HAYS FAMILY IN REUNION SUNDAY

A reunion was held Sunday by the Jim Hays family. This was the first such occasion in many years. Two of the boys, James and Gene, had not seen each other in four years as both had been in the army.

After a bountiful dinner, pictures were taken which included a family group.

Those present were: Mr. and Mrs. Hubert Anthony, Royce and Karen Kay; Mr. and Mrs. James Hays, Jr. and Jimmy of Artesia, California; Mr. and Mrs. Billy Hays, Mr. and Mrs. Roy Gilmore.

Parliamentary Procedure course which will begin September 19 at 7:30 at the grade school.

FRANCES TERRY AND CLAUDE WEATHERS MARRY LAST THURSDAY

Miss Frances Terry, daughter of Mr. and Mrs. C. W. Terry, and Claude Weathersbee, son of Mrs. E. E. Weathersbee of Snyder, were married Thursday evening at the First Baptist church.

Rev. Huron Polnac read the double ring ceremony before an altar of palm leaves, fern, and white gladioluses. White tapers in branched candelabra lighted the altar and marked the aisle.

Miss Mary Margaret Duckworth, pianist, and Bill J. Davis, violinist, played favorite selections including Ah, Sweet Mystery of Life and I Love You Truly. They accompanied Miss Hazel Cash as she sang Day by Day and Because. The Chorus from Wagner's Lohengrin was played as the bridal party entered.

Mrs. Durward Brown attended her sister as matron-of-honor. Her dress was of orchid satin and chiffon. Her shoulder corsage was made of white carnations. Jack Terry of Snyder, cousin of the bride was best man.

Miss Mary Belle Weathersbee, sister of the groom, and Mrs. W. H. Childs lighted the candles. Little Miss Sherry Custer entered just before the bride and dropped rose petals along the aisle. Ushers were Durward Brown of Canyon and Reese Bivens.

The bride, given in marriage by her father, wore a white satin dress with a full skirt fitted onto a basque waist which was fashioned with a sweet heart neck and long pointed sleeves. Her fingertip veil of bridal illusion fell from a halo arrangement.

For her bouquet she carried an orchid on a white Bible with four gardenias on the white satin steamers. Her handkerchief was of imported white lace, a special gift from Mrs. R. D. English of Snyder.

She carried out the tradition of 'something old, something new, something borrowed, and something blue.' Her 'something new' was a three strand necklace of pearls, a gift from the bridegroom.

Mrs. Terry wore a black two piece dress, trimmed with ecru lace, and a shoulder corsage of pink carnations. Mrs. Weathersbee wore a black crepe dress ornamented with a cut work yoke. Her corsage was of gardenias.

Reception At Jennie's Tea Room

A reception was held after the ceremony at Jennie's tea room for the wedding party and intimate friends of the families.

The table was laid with a lace cloth with a white and green floral arrangement. Miss Weathersbee served the cake and Mrs. Reese Bivens presided at the punch bowl.

The couple left for a wedding trip to points in New Mexico. The bride chose for her going away suit an original model in white wool accented with Dolman sleeves. Her accessories were brown.

They will be at home in Littlefield.

Out of town guests were Mrs. Collie Fish and daughter, Ann, Mrs. J. M. Newton, Mrs. Virgie Harris, Mrs. H. C. Moore, Mrs. Lawrence Jones, Mr. and Mrs. Edgar Taylor, Mrs. Joe Canton, Mrs. Ola B. Leath and daughters Ola Margaret and Frances, Dr. and Mrs. R. D. English, Mrs. L. L. Terry and sons, Jack and Billy Bob, Mrs. Bob Mills and son, all of Snyder, Mr. and Mrs. O. D. Weathersbee and sons, Mack and Doug, Mr. and Mrs. M. F. Byerly and daughter, Carol, Mrs. T. J. Weathersbee, all of Rotan, Mrs. Lon Adams of Roby, Miss Gradyline Osborne of Muleshoe, Mrs. Emma Hill of Abilene, Mrs. Ernest Brown of Canyon and Mrs. O. K. Higgins of Hereford.

IMOGENE HAGOOD AND HERSHELL BEAVERS TO WED NEXT SATURDAY

Mr. and Mrs. G. N. Hagood are announcing the approaching marriage of their daughter, Imogene, to Hershell Beavers, son of Mr. and Mrs. Sam Beavers. The wedding will take place on Saturday, September 28.

MRS. LEE DAVIS TO TEACH PARLIAMENTARY PROCEDURE COURSE

The P-TA will sponsor a parliamentary procedure course this week. The course will be held on Thursday, Sept. 19, and the following Thursday, Sept. 26, at the Grade school at 7:30 p. m. Mrs. Lee Davis will teach the course and she wishes to announce that it is not only for one particular group, but anyone interested in knowing more about parliamentary procedure is not only invited but urged to attend.

BIRTHDAY PARTY HONORS JANET STEWART

Janet Stewart was complimented with a birthday party September 12 in the home of her mother, Mrs. Ida Stewart Palay Holly and her sister, Mrs. Stewart.

Thirty-five guests were entertained by games and other diversions.

The honoree enjoyed opening the many lovely gifts after which refreshments of punch and cakes were served.

Her guests, Jackie, Pete, Roy, Jerry, Buddy, and Dennis.

Church News

MELBA JO MILLER

"Let the word of Christ dwell in you richly in all wisdom, teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord."

Minute Prayer:

Our gracious Lord, we thank Thee for those who have helped us to know Thee, and for the knowledge of Thy law in persuasive suggestion and stern command, to which we give obedience. We magnify Thee for lives shining with glory of rectitude and winemess; for shoulders divinely strengthened to bear another's burden; for hands beckoning to the blessedness of sacrificial service. Grant that it may be ours to bless others as we have been so greatly blessed.

"The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church on Sunday."

Sunday morning at the Church of the Nazarene, Mrs. Norton will again bring a flame-graph lesson on the subject of "Learning to Pray the Bible Way." This is one which the boys and girls will really enjoy.

The local pastor of the Church of the Nazarene wishes to announce that the schedule for the evening service is now as follows:

Group meeting 7:00, preaching service, 7:30. He will choose for his Sunday morning subject, "Christ, the same yesterday, today and forever."

Rev. I. A. Smith, pastor of the First Methodist church, will attend a district meeting of pastors at Lubbock on Friday.

The WSCS of the First Methodist church held their regular meeting Monday in the home of Mrs. J. E. Parker. Mrs. R. H. Collier was in charge of the program with Mmes. T. R. Greenfield, J. R. Durrett and B. E. Young discussing the various topics. Some business was transacted followed by delicious servings of punch and individual cakes.

Mrs. B. E. Young attended a WSCS zone meeting at Meadow Tuesday. A regular business session was held with reports being given for each group. The year's work was planned and discussed followed by a delicious chicken dinner served by the Meadow ladies. At the close of the meeting a collection was taken up and enough money was raised to buy a life membership for one member at Meadow.

Another such meeting is being held today in Shallowater. District officers of the organization will deliver the speeches.

The meeting at Wilson on Friday will be for this zone and will be attended by Mmes. Young, Parker, Hibbs and I. A. Smith. Rebecca Moresau will accompany the group and give a report on the study course for negro women which she took in Amarillo early in the summer sponsored by the local WSCS.

The Methodist ladies served the Rotary banquet which was held at the First Methodist church Tuesday night.

A Baptist association meeting was held Tuesday and Wednesday at the Calvary Baptist church at Lubbock. Rev. Huron Polnac, Mr. and Mrs. L. J. Richardson, Mmes. Taylor Cook, L. P. Baker, Henry Bilberry, R. P. Tomlinson, Iven Clary, Jim Williams, Charles Pierce and Caylor attended the meeting from the local church. A business session was held in which an election of officers for the new year was held. L. J. Richardson was elected as moderator, Huron Polnac as vice-moderator, Dr. J. V. McCarty as treasurer and J. G. Leverett as clerk. Reports from all the churches were given followed by addresses from various State leaders. Approximately 350 or 400 people attended the meeting.

Rev. Huron Polnac will begin an 8-day revival meeting at the First Baptist church Sunday. Rev. J. B. Forrester of Midway Baptist church of Lamesa will conduct the same services. Everyone

MRS. A. A. SUITS IS HOSTESS TO NEEDLE CLUB

The Needlecraft club was entertained in the home of Mrs. A. A. Suits Friday.

Handwork and pleasant conversation was the order of the day. Some clever contests were enjoyed.

Refreshments of pressed chicken, potato chips, pickles, olives, cookies and iced tea were served to the following: Mmes. Carl Clark, Surman Clark, M. K. Bingham, A. W. Bouchier, T. L. Jones, Maggie Keunedy, Boone Evans, B. P. Tomlinson, J. B. Faulkner, V. J. Campbell and C. W. Terry.

MERRYMAKERS TO MEET SEPT. 24 WITH MRS. CRISP

Mrs. Crisp will be hostess to the Merry Makers club next Tuesday, September 24, according to announcement made at the last meeting of the club at the home of Mrs. Helen Livingston.

One visitor, Mrs. Velma Barton, attended the last meeting along with a large group of club members.

A quilt was put up and quilted out during the meeting.

Delicious refreshments of tuna fish salad, potato chips, cake and cookies were served.

Senior Culture Club Notice

The Senior Culture club will meet on Sept. 23 at 7:30 p. m. in the home of Mrs. Tom Bouchier. Mrs. T. L. Jones will be co-hostess. The program will consist of a parliamentary rules and procedure course to be conducted by Mrs. Lee Davis.

NOAH STONE JESS BARNES DALE STONE

Olle Weakley, Ray Smith and Oscar Bowen spent several days last week at Lake Cisco where they fished.

Mr. and Mrs. Burnon Haws have moved back to Post from Lubbock. Haws will enroll again in Tech in February. In the meantime he will be employed at Haws Dry Goods.

Attention, Ex-Servicemen!

The Army Air Forces Recruiting office has been informed that ex navy, marine and coast guard personnel may now enlist in the United States Army in a grade commensurate with their training and experience. See your Air Forces recruiter and find out if you have a critical military occu-

TEXAS FARM PRICES DROP SLIGHTLY

Prices received by Texas farmers and ranchers for a number of products dropped during the month ending August 15.

According to a report from the Bureau of Agricultural Economics in Austin, received by the Texas A and M College Extension Service, this decline in prices offset to some extent the general farm price advances recorded in July. The report showed slight to sharp drops in prices received for grains, peanuts, milk cows, chickens and all meat animals except hogs. The most significant declines were in prices of corn, grain sorghum, beef cattle, calves, sheep and lambs.

Sharp advances continued on cotton, cotton seed, and hogs. Cotton at 33.6 cents per pound was the highest since July 1920, but was still 2.6 cents per pound below the peak of 36.2 cents reached in March, 1920. During the month, hog prices were at a record high of \$20.30 per hundred pounds. The previous record was \$18.60 in

patation specially needed by the army. The Air Force recruiter is located in room 200, Post Office Bldg., Lubbock, Texas.

POINTERS GIVEN ON PLANTING GARDENS

Since germination in the fall is usually poor, fall gardeners should plant about one-fourth more seed now than in the spring in order to obtain a good stand of vegetables.

This is the opinion of J. F. Rosborough and C. R. Heaton, horticulturists of the Texas A and M College Extension Service, who also point out that seed with a hard coat, such as spinach, beets, and swiss chard, should be soaked in warm water over night before planting. These soaked seed should not be planted in dry soil. Gardeners should irrigate before planting or plant immediately following a rain. To bring the seed in direct contact with soil moisture so that growth will start at once, the soil may be pressed around the seed by tamping with a hoe. Walking along the row and pressing the dirt down will also help start germination quickly.

Due to high temperatures during the late summer and early fall, soil moisture is quickly lost through evaporation. It is important to stir the soil frequently to conserve moisture and prevent packing. Generally, say the horticulturists, it is safe to stir the soil about two inches deep. Deeper cultivation damages the roots of growing vegetables.

In irrigation, a shallow furrow between the rows should be made, so the water may run slowly and penetrate to the plant roots. This system is better than a rapid irrigation or sprinkling on the surface of the soil.

Only slightly higher prices were received by farmers during the month for turkeys, dairy products and alfalfa hay. Other farm prices did not change significantly during the period.

George L. Landroop was reported by the local Selective Service Board as having volunteered into the army last week. He was inducted September 11.

Mr. and Mrs. Glenn Cearley of Levelland visited Sunday with Mr. and Mrs. O. R. Cearley.

The Railbird..

Jane Ann Turner

My, what a glorious victory over Ralls, Antelopes... we are extremely proud of you. Although this was a non-conference game you're really off to a grand start. It seems to me there is good reason to believe this will be a season of success that will go down in history for the Post Antelopes for we know that you will play the most ambitious football schedule Post has ever attempted under the able direction of Coach Bingham.

Truly I believe a certain portion of our success should be attributed to the girls in the Pep Squad who gave the boys a solid backing throughout the game.

And how could we have gotten along without the staunch support of the town as well as those from the rural communities. We hope you will keep your eye focused on these players and be on hand for future grid wars.

Ideal football weather prevailed at the game Friday night, as cool weather caused fans to wrap up in light jackets. Rain bespeckled the players and spectators all during the game and many rain coats were seen worn by the more cautious people who were prepared for a downpour at any moment. However, it fortunately did not come until after the game as everyone was beginning the journey home.

The line plunging of Junior Malouf and the bullet passing of Shorty Hester stopped the Ralls Jackrabbits to the tune of 21-0.

Ralls kicked off to the five yard line to Malouf who returned it to the seventeen yard line on the first play. Young carried the ball to the thirty-four to make a first down. In the next-play Young was thrown for a five yard loss. Malouf then made a quick kick, catching Ralls napping. The ball sailed over the safety's head down to the thirty-four yard line.

Ralls in possession of the ball fumbled and Post took over. With a wide sweep to the left, Post picked up eighteen yards with Young carrying the ball. With the very next play, spectators were brought to their feet when Captain Shorty Hester fired a 35 yd. pass, to Co-captain Roy Williams who stepped into the end zone for the first touchdown. Then Hugh Ingram stepped back and kicked the ball squarely between the uprights to end the scoring for the first half.

Starting the second half was Post kicking off to Ralls. Arthur returned from the 9 yard line to the 21 yard line. After trying two plays without success, Ralls fumbled and Everett recovered for Post. Post then drove the ball 39 yards with Malouf going over from the 4 yard line for the second touchdown and Ingram again dropped back to add another extra point.

The fourth and final quarter was climaxed by the hard charging and tackling of the Post Antelopes. With one minute to play, McCrary made a perfect fake pass to Malouf who took the ball, hid from the Jackrabbits and ran a beautiful bootleg play good for the third and final touchdown—and Ingram once more placed the ball through the uprights to make the score 21-0.

At the half, the Ralls band, in maroon and white uniforms, paraded around the field bearing a Texas and United States flag. Their first formation was a large "A" in courteousness to us; then they formed a huge "R". Provid-

CONSTRUCTION OF NEW INTERNATIONAL BUILDING SLOWED BY WALKOUT
Construction work on the new International Harvester building, which is being erected on Main by the Post Truck & Tractor Company, is still at a standstill because of a work stoppage of the Lubbock Steel Works, where workmen walked out a week ago last Saturday over wage difficulties.

Steel beams for the building was nearing a stage of completion when the workmen went on strike and construction will be delayed until the workmen return to their jobs.

The concrete foundation was run for the building several weeks ago.

ing chuckles for many were two small youngsters dressed in whites parading with the band. They seemed quite at home amid marching feet and beating of drums, though they had a rather hard time keeping up with the high stepping majorettes.

Coaching the Ralls team this year is S. L. Smith who is remembered by many Post students when he was high school principal here three years ago.

Last week at a meeting, the Pep Squad chose as its mascot, lovely little Shirley Ann Wallace. Shirley Ann is the daughter of Mr. and Mrs. Harley Wallace and is the niece of the football captain, Shorty Hester.

The weed-killer, 2,4-D, can cause trouble if users don't follow instructions. Most common trouble is killing flowers and plants bordering lawns sprayed with the chemical, caused by the wind blowing mist on the plants. The spray should be used on a calm day.

Swing of Southwest Farm Markets

Southwest farm products brought mostly steady to higher prices last week with only sorghums and onions dull and weak, according to USDA's Production and Marketing Administration.

Spot cotton prices rallied Friday after mid-week declines. Demand was strong for increased offerings. Sorghums dropped about 25¢ a cwt. last week under dull demand. Yellow corn gained about five cents a bushel while barley, wheat and oats held steady. Hay and some mixed feeds were slightly weaker due to improved pastures.

Southwest egg and poultry markets were active last week with most prices higher than they were the week before. The increasing shortage of meat called some eggs out of storage.

Small receipts of hogs cleared quickly at ceiling prices of \$16.05 a cwt. San Antonio and Fort Worth; \$15.95, Oklahoma City; \$15.90, Wichita and \$16.20, Denver.

Last week's cattle receipts were above the previous week, but still short of a year ago. Finished cattle and slaughter steers were largely absent. Cows made up most of the runs and brought steady to higher prices. Common and medium cows were quoted \$8.25 to \$11 a cwt., Houston; \$9 to \$11.50, San Antonio; \$9 to \$11.25, Wichita, and medium and good cows \$10.50 to \$13, Ft. Worth. Oklahoma City sold good beef cows \$13.50 and above. Denver moved common to good cows at \$10 to \$13.

Milk and butter prices were firm to strong at both southwest and northern markets.

Wisconsin is Sak for "wild rushing channel."

Growth And Improvement Indicated For Neighboring West Texas Towns

School activities and football yells seem to be in full swing this week according to headlines and editorials of the surrounding county newspapers. We find in checking our regional exchange newspapers almost every surrounding town is announcing its football schedule for the year and from the turnouts at all the first games which have been played, there is no doubt in our minds that football will be the news for some time.

GARZA'S ILL TO BE PROVIDED HOSPITAL EQUIPMENT FREE

The James C. Cole American Legion post is sponsoring a project to secure wheel chairs and crutches for the treatment of

Pictured above is one of the models of wheel chairs which will be available to the citizens of this county free of charge under the current community service project.

patients in their own homes. The hospital equipment will be issued for temporary use free of charge, except for cost of transportation.

The wheel chairs are portable and will provide the comfort of any ill patient's need and desires. They will be described to you and the plan of securing them will be explained by representatives of the American Legion, each bringing a letter of introduction.

Extra hospital equipment is often much needed in Garza county and the service the Legion is rendering will be appreciated by the public.

The plan is community-wide and is not a request for donations.

COTTONSEED ON INCREASE AT TEXAS MILLS

Cottonseed received at mills in Texas during July 1946 was more than 40 times as much as the June 1946 figure, statistics reveal. This figure was 25 per cent more than the corresponding figure for July 1945.

Stocks at the end of July 1946 were 392.9 per cent above the June 1946 figure; however they were 31.9 per cent less than in July 1945.

9,000 AT A. & M.

College Station—Registrar H. L. Heaton has announced that 9,000 students registered Sept. 9 for the fall semester at Texas A. & M. college, the largest enrollment in the 70-year history of the college.

Mr. and Mrs. Elmo Jarvis and Mr. and Mrs. Earl Jarvis of St. Johns, Arizona, visited the first of the week with Mr. and Mrs. Charlie Bird and family. The Messrs. Jarvis are brothers of Mrs. Bird.

If world production prospects continue favorable, an increased total output this year should more than make up for the reduction in food reserves.

sponsored an athletic field day on Sept. 9 for the purpose of putting the high school athletic stadium in shape. Several donated their service and the field was put into good shape. The fence around the field was repaired, new steps and boards were added to the bleachers and the entrance gates and ticket boxes were repaired for the first football game for Snyder team which will be played on Sept. 30 with Stamford. The turf on the playing field is also in good condition with a good growth of grass covering most of the field.

The Fisher County Fair committee has announced the opening dates of the fair which will be Oct. 24, 25, and 26 at Roby. Events for the occasion will consist of the Fisher County Herford show, the judging of farm products and exhibits and the boy's rodeo. A carnival will provide afternoon and evening entertainment for the three days.

The Slaton Chamber of Commerce has a new way of finding the city's wishes and desires. It was announced last week in the Slatonite that the organization, in order to canvass the town, has mailed 250 letters to business men and women listing questions to be answered concerning the needs of the city. The Chamber of Commerce is asking for any and all suggestions from the citizens of Slaton for ways and means of helping the community, the business and the people of that city.

Dawson county cotton farmers faced a sudden crisis last week when their search for cotton pickers was almost in vain. About 350 workers had reported in to the county during the week, but did not offset the new demand for hands much less relieve the 1,000 picker shortage held over from the previous week. Advertisements were sent to the San Antonio Express and La Prensa, Mexican newspaper in San Antonio, in an effort to attract workers for the early cotton, some of which is already seeding out on damp ground. A better supply of laborers was expected this week.

Ralls announced last week in the Ralls Banner, the wild west rodeo will be staged there on Sept. 19, 20, and 21. The arena and grandstand is now ready for the event and Jack Hinson of Fort Sumner, N. M., has been contracted to furnish the stock. Monte Reger and his troupe of special event trick and fancy riders, Dixie and Virginia Reger, have agreed to put on performances. Prizes of \$1500 have already been posted, to which will be added money taken from entrance fees.

Crosbyton's newest enterprise, the Northwest Materials Company, was ready to start operation last Monday. An expenditure of approximately \$100,000 is represented in the machinery, trucks and other equipment of the giant rock crushing plant with approximately 25 men to be employed at the start of operations with others to be added later when needed. An office and warehouse is now under construction near the crusher and will be completed in a short time.

Congressman Gene Wirley has authorized the construction of \$183,000 worth of new lines in the area served by the Swisher County REA. The construction will affect Armstrong, Hale, Swisher, Castro, Briscoe and Randall counties. However, due to the scarcity of materials, work equipment will have to be used a little longer, but will continue connecting new consumers as rapidly as line construction is available.

THE FIGHTING SPIRIT IS WITH US

Now that the war clouds have drifted by, there are other clouds that are forming to bring on the fighting spirit... the clouds of the fall season which bring on the cooler days and nights, the same clouds which arouse our fighting spirit... it's football time.

There's something about the rah-rah-rah, fight, fight, fight 'em Antelopes that puts a spirit of community and school loyalty, of sportsmanship and of confidence in youth that makes life more worthwhile. It is an unexplainable disease that is contagious... football season is a pepper-upper for both young and old. Our dealings with our fellow man in every day transactions are more pleasant. We take on a faster sprint in our daily strides, our weeks turn into days, for we are looking forward from one game to the next.

This fighting spirit that is born out of bitterness toward our fellowman, but because of loyalty to principles and things that are right, is that spirit we all love... so this Friday night lets be on hand to fight, fight for the Antelopes... refresh yourself to a big dose of football tonic, then hope like heck that the disease swoops you up.

UPWARD, EVER UPWARD

There are reports that labor leaders are planning on a drive for widespread additional wage increases. The reports say further that many senators and representatives, who must run for reelection in November, will back them.

Here is the one sure road to ruinous inflation, and the destruction of the dollar. When will labor learn that wage increases without any comparable increase in worker productivity will simply result in more price increases—and a decline in "take home" pay? When will our lawmakers realize that the playing of politics at the expense of the very financial structure of the country will bring distress and ruin to us all?

WHAT OUR CONTEMPORARIES ARE SAYING:

Jimmy, who had been climbing trees, came in for the second time within a week with his trousers torn. "This time you can go upstairs and mend them yourself!" ordered the harrassed mother.

Sometime later she went upstairs to see how he was getting along. She found the trousers there, but no Jimmy. Puzzled, she came downstairs, still looking for Jimmy. She noticed, as she passed, that the cellar door, usually shut, was open. She went to the door and called down sharply. "Are you running around down there without your trousers on?"

The reply came in a stern and heavy masculine voice: "No, madam, I'm reading the gas meter."—The Slaton Slatonite.

IT'S A DANDY RECORD!—Completed postwar farm-to-market road projects built by the Texas Highway department passed the million-dollar mark last week.

A tabulation released by the department shows that 20 contracts totaling \$1,006,011 for 151 miles of farm-to-market roads had been completed up till then. Total farm-to-market contracts awarded since Jan. 1 stood at \$11,422,982 calling for 1,230 miles on 150 projects in 121 counties.

Considering the scarcity of roadbuilding materials and equipment, the total mileage built since the end of the war is remarkable. And the contracts awarded in the same period indicate that the counties of the state, in conjunction with the highway department, are losing no time in getting to work on one of their biggest and most necessary jobs—that of furnishing more of the state's farmers with roads on which they can readily and inexpensively move agricultural products to market. —Lubbock Avalanche.

Those boxes up at Washington loaded out another ship this week for the Yugoslavians, despite the fact that Herbert Hoover and some of the army men in that section warned the "good Samaritans" at Washington that the Jugo army, and among them those that practice shooting down American fliers, were getting the food. People out in this section of the hinterland are beginning to believe that somebody at Washington is getting a rakeoff on food sent to such countries as that. Could be.—The Terry County Herald.

World War I was fought to make the world safe for democracy. World War II was fought to destroy the power of the most wicked and ruthless autocracies the world has ever known and to make the world a safe place in which to live. But autocracy is now raising its ugly head in other quarters of the globe in defiance of democratic principles and rather than yield is again wickedly threatening the peace of the world. Peace will never be secure as long as autocracy is still rampant.—The Lynn County News.

A slightly off-center private in an army chapel was seen to bow his head every time the name of Satan was mentioned. Finally the Chaplain's curiosity got the best of him and he asked the doggie to explain. "Well," was the reply, "politeness costs nothing and, after all, we never know."

A farmer, after imbibing a prodigious quantity of moonshine whiskey, attempted to blow out a candle, whereupon his alcohol-saturated breath burst into flame. Shaken by the experience, the man begged his wife to bring him the family Bible, muttering, "I gotta swear off." "Facing his hand upon it, the farmer intoned: "Before heaven, I swear hat never again will I blow on a lighted candle."

"Elizabeth Ann, said the teacher quietly to a small girl in the class please write this sentence on the board: 'The president of the board says the teacher is misinformed.' Now," she continued, "put a comma after 'board' and another after 'teacher.'"—Baptist Student.

Some people are as bad as an old vacuum cleaner when it comes to collecting dirt.

Many a man didn't have a rag on his back when he got married, but does now.

You can still buy a beefsteak for a song, if you happen to be a Lily Puns or a Bing Crosby.

Most every man is a loud dresser when a button pops off his shirt.

BREAKING TRAIL.....

WE'VE BEEN AT IT FOR 22 YEARS

Twenty-two years ago your Public Service Company started breaking trail—trails of progress.

A pioneer in building ahead for the future, the Southwestern Public Service Company has anticipated future demands for electric service by spreading its network of lines and building new power plants.

Today, in a 12 million dollar expansion program, new power lines are going up throughout our area; there'll be more reliable, low cost electricity for homes, farms and factories.

Now you too, can plan on building ahead for the future—a future of better living, better farming, better working conditions—electrically.

A PIONEER IN BUILDING AHEAD FOR THE FUTURE

POLAR TEST PLUGGED AND ABANDONED AS DRY

American Liberty Oil company No. 1 Connell-Young, Ellenburger exploration in southwest Kent county, and about one mile northwest of the initial producer in the Polar field, last week was plugged and abandoned on total depth of 7,925 feet, as a dry hole.

The test had been watched closely by oil men of the area as an extension of the Ellenburger field.

Former tenants, laborers and sharecroppers who are buying farms with Farm Security Administration loans are 89 per cent ahead of schedule in their payments.

Southland News

Mrs. Floy King, Correspondent

The four county league of softball ended Saturday night with Southland winning first place. Southland and Wilson were in the play-off, playing a double header with the final score to the first game 15-3 and the second game 13-8.

Southland's six man footballers romped over the Pettit team 21-5 at Pettit Friday in their first game of the season. Billy Stone, Bobby Trimble and Harley Martin each scored a touchdown to put the Southland team in the lead.

E. L. King brought in the first 1945 bale of cotton to Southland last Thursday but it has not as yet been ginned.

Mrs. Clyde Haire has been in Wichita Falls for several days at the bedside of her father, Mr. Jordan, who is still in Mercy hospital.

Fourteen people went to the B. R. Arthur home Sunday afternoon to put on a devotional and song program for Mrs. Arthur who has been bedfast for some time. Mrs. D. H. Mayfield and Rev. Emmett Brooks had charge of the program.

Mrs. Mary J. Gray who has spent the summer with her daughter, Mrs. Doris May, of San Angelo, spent a few days this week with the J. L. Whited's. She will go from here to her mother in Spur where she plans to remain indefinitely.

Congratulations to Pfc. and Mrs. Joe Childress on the birth of a daughter born September 10 at San Antonio. Mrs. Childress' parents, Mr. and Mrs. W. W. Gilliland, are with her. Joe is now stationed in Germany.

Othel Carey who is stationed at Denver, Colo., was home on leave over the week end. Also home over the week end was Jimmy Morris of Ft. Sill, Okla.

Billy Roy Williams spent the week end with his uncle and aunt, the Walter Williams, of Shallowater.

Mr. and Mrs. Henry (Babe) King and little daughter, Elaine, spent Saturday night with the C. M. Kings of Lubbock.

Mrs. O. Klaus and son, Calvin, and their uncle of Bay City returned home Tuesday from a three weeks trip to the Pacific Northwest where they visited a brother of Mrs. Klaus in Seattle. While there the group toured to Vancouver, B. C., Canada and Mount Rainier. On the way, they stopped at Ft. Lyon, Colo., to visit another brother of Mrs. Klaus.

The lunch room ladies want to thank the ladies from the Lutheran church for the donation of 24 nice cup towels presented by them. They were greatly appreciated.

Visiting Mr. and Mrs. Ray Dick over the week end was her mother, Mrs. W. F. Papan and Mr. and Mrs. Loy Strother and daughter, Janie, all of Avado, Texas.

Mr. and Mrs. Lewis Thomas and children of Shallowater spent the week end with her parents, Mr. and Mrs. Usery.

Mrs. Tom Walker of Slaton spent part of last week with her daughter, Mrs. Sampson Gilliland and family.

Monday morning, the C. W. Deans are leaving to spend a week or two with their daughter, Mrs. A. L. McKnight, who is ill.

Joy Trimble visited Luna Lee Bain at Slaton Saturday night and her sister, Loy, spent the night with Marge Becker, who returned with her Sunday.

The guests last week of Mr. and Mrs. R. C. Green were Mrs. A. L. Brown and daughter, Mary Joyce of Burlington, Iowa.

Carl Raines and mother, Mrs. James, visited Mr. and Mrs. B. R. Arthur Sunday.

Sunday afternoon, a sunshine box which was donated by her many friends, was taken to Mrs. J. I. Bartlett. It is reported that Mrs. Bartlett is still improving. Mr. and Mrs. Harlan Dean and children of the Stokes community visited his parents, the C. W. Deans Sunday. Wednesday visitors of the Deans were his nephew and bride who were en route home to Lake Charles, La., after spending their honeymoon in Colorado.

Mrs. Allen McArthur is coming this week to visit her husband's parents, the C. A. McArthurs of Slaton, former local residents. Allen is now credit manager for a creamery packer in Dallas.

Clyde Pankoney of Tahoka visited his parents, Mr. and Mrs. W. L. Pankoney near Wilson Sunday.

Mrs. John Draper visited here Thursday night. She was a resident here for many years.

There were 69 present at the Methodist Sunday School Sunday. They plan to elect teachers, and officers soon and have their annual report ready.

The Kirkway Machine shop was a.k.d last week by the Veterans Rehabilitation inspector. They now have one veteran in training for a machinist and as soon as a mechanic is available, the shop will resume auto and tractor work. Recently they installed a test stand for generators, starters and electric motors.

A Greyhound bus and two more cars of boosters for the Littlefield rodeo were here Monday morning.

Mrs. I. J. Duff and sister who lives in Lubbock went to Dallas Friday night to take her son, Roderick, to SMU. The women re-

NEWS NOTES FROM

Duck Creek Soil— CONSERVATION DISTRICT OFFICE AT POST

Some cooperators with the Duck Creek Soil Conservation District are planning on planting wheat, rye, or some other kind of small grain in contour strips this fall as part of their coordinated conservation plan. "This practice is designed to reduce wind as well as water erosion. When combined with other related practices such as proper management of crop residue, contour planting, and proper tillage practices, it is an effective and important part of a coordinated soil conservation system," said Will Wright, Supervisor of the Duck Creek Soil Conservation District.

Soil Conservation technicians recently assisted P. Hughs, O. G. Shepherd and Carl Rains develop conservation plans for their respective farms. The plans will be submitted to the District Supervisors for their approval at their next meeting, September 19.

"The early fall rains have helped revive the grass. This is especially true where there was a good cover of grass to hold most of the rain that fell," said Jack Martin, Soil Conservation Service technician assisting the Soil Conservation district. "Where the grass was thick the water was held back and gradually went into the soil. Where there was little or no grass the water ran off rapidly carrying part of the soil with it."

Leaders of the high school pep squad were elected last week end and are as follows: Senior, Lena Mae Samples; Junior, Juanita Wright; Sophomore, Joyce Steele; and Freshman, Joy Trimble. Mr. and Mrs. Thomas Brooks and children attended her mother's birthday, dinner at Tahoka Sunday.

Mr. and Mrs. Paul Hedrick returned Monday night from a visit with relatives in Stephenville, Dallas and Ft. Worth. They also attended the Dublin rodeo.

Oklahoma is Chocotaw for "red people."

S. I. SCHOOLS—

(Continued From Front Page)
 school and will draw the same amount of financial aid as if he were going off to college. Single men draw \$45 monthly, and vets with dependents earn \$90 per month. In addition to this, there is a sum of \$152 per year set aside for students to buy necessary equipment with which to carry on their farm projects. Veterans may qualify for thirty-six months of training, on the basis of one year for three months of military service record, and one year of training for each additional year of service record.
 The program calls for 10 1/2 hours of group instruction per week with the larger portion of this being held at night. This will be divided in class instruction and field and farm shop work. In addition to this the instructor will spend two hours per week on the farm with the individual student helping him with problems concerning the farming operation.
 G.I.'s who desire to sign up for the training, or would be interested in learning more about the program, should contact Mr. Nance at his office at an early date. Veterans planning on taking the course should carry a copy of their discharge, and if married, a copy of marriage license, to the office when making application for eligibility.
 Veterans, other than farmers and ranchers who might be interested in the distributive education, or trades and industries schools should also discuss these with Mr. Nance. These two fields, declares Nance, offer a wide and varied training and veterans can study to be anything from a bank cashier to a carburetor mechanic, under this program.
 The first school will be limited to twenty students, so those interested should sign up as soon as possible.

SEASON TICKET SALE NETS \$250 FOR CLUB
 Adult activity ticket sales last Friday, sponsored by the athletic department of Post High school, and conducted by young ladies of the pep-squad, netted \$250 for the football club.
 Another sales campaign is to be conducted this Friday, and it is hoped by officials of the athletic department that another \$250 in tickets will be sold before Friday night's first home game.
 Season tickets may also be purchased at the gate Friday night.

PREMIUM NOTES—

(Continued From Front Page)
 by cash, check, money order, post-office note or bank draft made payable to the order of the Treasurer of the United States, said Gibson.
ROTARY BANQUET—
 (Continued From Front Page)
 Instead of Football (Coach Bingham), The Waiting Game (Harold Voss), The Borrowing Policy (Ira Lee Duckworth) and How to Interview the Teacher (School Board President Willard Kirkpatrick), were discussed "sans" preparation to the chagrin of the toastmaster and to the embarrassment of program members and listeners.
 Following a period of much stumbling and stalling over the speeches, Minor, supposedly in desperation, called on a visiting Rotarian who in modern slang "slayed 'em." The visitor was "Stuttering Sam" Hunter, a professional entertainer from Amarillo. His act was perfect. He played the part of a person who, upon being urged to say a few words, said them in the funniest possible manner—in a spitting, stammering confusing way to the complete embarrassment of his listeners and himself. After he had talked a short time the audience realized he was putting on an act and they relaxed and roared and reeled with glee over his play on words.
 Interspersed in the confusingly clever dialogue were imitations of famous people such as Kate Smith, Bob Burns, Jessica Dragonette and others.
 Mr. Hunter has radio shows several times a week, stages performances for clubs over Oklahoma, New Mexico and Texas and on the side operates a flying school in Amarillo.
 Sherry Custer and Larue Stevens, vocalists, entertained the guests with specialty numbers and Bill J. Davis, violinist, presented several selections. Mrs. J. A. Stallings served as accompanist.
 Impromptu opening remarks were made by host president, Dean Robinson, and a response on behalf of the teachers was made by Supt. Day.
 Steering committee for the unusual program was made up of Ollie Weakley, J. A. Stallings, Eddie Warren and Minor.
 One hundred and eleven persons attended the annual banquet.
 Tommye Lou Scott spent last week end in Seminole visiting Mr. and Mrs. S. E. Nail.

LEGAL NOTICE:
 Citation By Publication
 THE STATE OF TEXAS
 TO: R. H. DAVIS,
 GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 21st day of October, A. D., 1946, at or before 10 o'clock A. M., before the Honorable District Court of Garza County, at the Court House in Post, Garza County, Texas. Said Plaintiff's petition was filed on the 19th day of August, 1946. The file number of said suit being No. 854. The names of the parties in said suit are: Mrs. Kate Davis, as Plaintiff, and R. H. Davis, as Defendant. The nature of said suit being substantially as follows, to-wit: A suit for divorce alleging marriage of the parties on September 9th, 1909, abandonment of plaintiff by defendant on April 2nd, 1923, and that all children of the marriage are now over twenty-one years of age, and that there are no property rights to be determined. Plaintiff prays for judgment of divorce, costs of suit and general relief.
 Issued this 6th day of September, A. D., 1946.
 Given under my hand and seal of said Court, at office in Post, Texas, this 6th day of September, A. D., 1946.
 (Seal) Ray N. Smith,
 Clerk District Court,
 Garza County, Texas

PINK AND BLUE SHOWER GIVEN FOR MRS. E. CROSS

A pink and blue shower was given last Friday in the A. T. McCampbell home for Mrs. Edsel Cross. Misses Howard McCampbell and W. E. Dent were hostesses for the delightful party.
 Fall flowers in harmonious colors were used to add a pleasing color note to the entertaining rooms. Refreshments of salad, punch and cake were served to twenty guests. Plate favors were miniature starlets.
 LaRue Stevens and Anita Kennedy sang "Lullaby Moon" with Mrs. J. A. Stallings serving as accompanist.
 Many lovely and dainty gifts were presented to Mrs. Cross.
 Mr. T. D. Scott returned Wednesday from a hospital in Lamona where he underwent an appendectomy last week. He is reported as improving satisfactorily.
 Dairymen should plant at least one acre of small grain pasture for each cow for the coming winter, say dairy specialists of the Texas A and M College Extension Service.
 Prospects are still good for a record-sized corn crop, estimated at 3,442,202,600 bushels, U. S. Department of Agriculture reports.
