**CLUB ROPERS TAKE 14-SECOND MARGIN FROM "OUT-SIDERS"**

Roping a total of forty-eight calves to the side, the Post Roping club edged-out the "out-siders", team by 14 seconds last Saturday night in the first matched-roping contest of the season sponsored by the club.

Although the combined total ran high for each team, and only 14 seconds margin was chalked up by the club, several ropers turned in good time on single calves only to run up a high score on the other three. Sonny Nance turned in the best time on his four calves, 25.4 seconds. George Harland took best time on single calf, chalking up 14.5 seconds.

Chas. Cavanaugh took Bobbie Bird in their three-calf special match.

Read the Classified Ads.

**Calf Roping Is Top Event Of Post Stampede**

The calf roping contest is again this season taking top spot in the rodeo, and has brought in the greatest number of contestants of any of the other five major events. Fifty-eight cowboys, including some of the top-notch ropers of the area, had paid entrance fees Wednesday noon for last night and tonight's performances.

Day prize money for the event amounts to \$200, and is distributed, \$80 for first money, \$60 for second, \$40 for third and \$20 for fourth.

The event calls for two time keepers, a tie or field judge, and a deadline referee. Arena conditions determine start and deadline rules. A ten-second fine is being imposed on ropers whose mount breaks the barrier.

The contest is a catch-as-catch-can event, but the calf's head must pass through the loop. If rider deliberately "busts" calf he is fined 10 seconds, but if calf runs on rope and busts himself, the roper is not fined. Contestants are required to use neck rope.

Two loops are permitted each roper and should he miss with both he must retire and no time is allowed. If horse drags calf the field judge may stop horse, and a penalty for dragging will be ten seconds.

Only the elephant works for peanuts nowadays.

**Growth And Improvement Indicated For Neighboring West Texas Towns**

Reading exchange papers this week we find most all towns are health conscious—nearly every place has had a general clean-up drive and many places have sprayed dump grounds with DDT. Citizens are urged to cooperate by keeping trash in covered containers.

Snyder has just had a real clean up and feels that their city is greatly improved along health lines. Memorial services were held at the cemetery on Sunday.

Colorado City business people made a tour of their trade area recently and visited five of the neighboring communities in interest of trade. Forty-five people made the trip. The Chamber of Commerce has been very active having several projects in motion at this time. The Round-Up Association met last week and elected officers and set tentative dates for the rodeo September 12, 13, and 14. The officers elected the rodeo officials.

Haskell voters were set Saturday for the citywide tax vote to raise money for an Amos hospital. Haskellites were definitely against the issue. The Neunda section all play is creating much interest. The new Caterpillar gravel mover is proving very satisfactory. It applies gravel for \$200 per mile as compared to the \$1200 cost of former methods.

Haskell reports that indicated pay on the second oil well spudded in that area has the news tonight. Lions club nominated officers for next year at last week's meeting. The Youth Recreation project announces that a series of swimming lessons will be taught by competent instructors at the park during the summer.

Crosbyton elevator men report that they are ready for the 1948 grain crop which is estimated as average. Carl Davies, secretary of the Rodeo Association, announces that 30 per cent of the shares have been sold during their membership drive. The cemetery organization is raising money for needed repairs.

Rails all-timers met, 160 strong last week for their reunion. During the morning they enjoyed their stories and visits and at noon a beautiful picnic lunch was spread. That afternoon the group went to Old Emma to have a memorial service at the cemetery.

At Slaton the Williams Funeral Home reported the theft of a lock-box containing more than \$400 in

Mrs. Ella Norrene Jordan spent the week end with her parents, Mr. and Mrs. H. D. Moreman. She is employed in the office of the Dean of Law in the University of Denver.

checks and money. The box was taken last Tuesday morning. The 5th Slaton unit of the State Guard and maneuvers last Sunday.

The Seagraves American Legion Post sponsored a carnival recently and raised \$1,200.00 which will be added to the fund for the erection of a new hut. Lions club members held a memorial service during their last regular meeting.

**Veterans Administration Opens Regional Office In Lubbock This Week**

The Veterans Administration Lubbock Regional Office officially opened for operation, Monday, June 3, Robert W. Sisson, Regional Manager has announced. The Regional Office will be located at the Lubbock Army Air Base until an office building can be constructed for VA occupancy in downtown Lubbock.

Organization is not complete in some of the Divisions; however, every effort is being made to have the Regional Office in full operation within the next few days. When de-centralization is complete, the Lubbock Regional Office will render every service, right in Lubbock, that is performed by any Regional Office.

The Lubbock Region will include eighty-one West Texas counties. Case files have already arrived from the Waco Regional office for 49 counties formerly served by that office. The twenty-six Panhandle counties being served by the Muskogee, Okla. Regional Office, and the six counties in the El Paso Area being served by the Albuquerque Regional Office will be activated by the Lubbock Office, July 1, Sisson said.

E. W. Williams, Jr. accompanied by a friend spent a few hours with his parents one night this week. He was en route to Rowell, N. M. from Dallas where he is a student at SMU.

Mr. and Mrs. Harold Davies and daughters of Cisco are visiting relatives here this week.

### Swing of Southwest Farm Markets

Prices were higher for cotton, lambs and cattle, steady for grain and hogs, and slightly weaker for poultry and eggs last week, reported USDA's Production and Marketing Administration today.

Prices for spot cotton advanced about \$1.75 per bale during the past week, but market activity decreased due to scarcity of offerings. Demand continued good for most of the better grades. Trading in the lower grades increased as this was the principal source of supply. Inquiries for new crop cotton increased and some substantial sales were reported. Sales in the 10 spot markets totaled 66,800 bales for the past week compared with 82,600 bales the previous week and 124,300 bales a year ago.

Tight supplies of grain and feed continued to bring ceiling prices. Little movement of new crop oats and wheat was reported.

Last week saw slightly weaker prices for eggs and poultry at most southwest terminals compared to closing prices of the previous week. Demand was slow to fair. Heavy rains tended to clog receipts at country points. Current receipt eggs brought 30 cents a dozen, Fort Worth; 21 cents, Dallas and Denver; and 32 cents, New Orleans. Heavy hens sold at 23 cents a pound, Dallas; 23 to 24 cents, Fort Worth; 25 to 26 cents, Denver; and 28 to 31 cents, New Orleans. Most markets quoted fryers at 30 to 33 cents.

Livestock receipts were light last week because of the rail strike and the holiday Thursday. Most southwest markets reported active cattle trading at steady to stronger prices. Houston quoted medium steers and yearlings at \$13 to \$14.50 per hundred pounds and medium cows at \$10.75 to \$12.25. Medium cows brought \$10.75 to \$12. San Antonio, Fort Worth moved medium beef steers and yearlings at \$14 to \$15.50 and common and medium cows at \$9 to \$12. Medium and good yearling steers and heifers ranged from \$13.50 to \$16. Oklahoma City Bulk medium and good slaughter steers and yearlings realized \$14 to \$16 at Wichita. Denver quoted common and medium cows at \$10.50 to \$12.75.

An ordinary "parlor" match is two and one-eighth inches long and burns 29 seconds.

HITLER YOUTH LEADER ON TRIAL AT NURNBERG—Washington, D. C. — U. S. Signal Corps Radiophoto.—Eduard Von Schirach, once head of the Hitler Youth Movement, photographed as he testified in his own defence before the International Military Tribunal at Nurnberg.

### NEW LOCKHEED P-80 TO BE SHOWN AT LUBBOCK AIR SHOW

South Plains residents will have the opportunity to get a close-up view of the Army Air Forces jet-propelled Lockheed P-80 "Shooting Star" June 23 at the Lubbock National Aeronautics Association air show which will be held at the Lubbock Municipal Airport commencing at 10 a. m.

Major Victor G. Modena, assistant recruiting officer at Goodfellow Field, San Angelo, has assured NAA officials that at least two of the 9-mile a minute P-80's will be at the field for the show. Other air force planes which will go through maneuvers during the show are an A-26, B-25, P-47, P-51, AT-6, and AT-7. There is a possibility that these models will be supplemented by others.

In addition to the Army Air Forces show, the program will feature a display of new models of private aircraft and a model

### GARZA COUNTY TO GET SOUTH-CENTRAL TEST

Application has been filed with the Railroad Commission to drill a 4,500-foot exploration in south-central Garza county. Drilling is slated to begin immediately.

The new test, to be drilled on the Slaughter ranch, is approximately eight miles south of closest production in the central field. The well is to be drilled by Plymouth Oil Company and will be 330 feet out of the northeast corner of section 32, block 2, T&NO survey.

Rotary equipment will be used to test through the lower Permian. The latter event carrying a \$25.00 cash prize.

The Army flying exhibition is scheduled for 2 p. m.

Surveys among newspaper readers indicate that not more than 11 per cent would like to have their newspapers without display advertising.

— R. D. TRAVIS —

**Sidelights . . .**

FROM WASHINGTON, D. C.  
By Congressman Geo. Mahon

My mail from our District indicates widespread approval of the quick action of the House of Representatives in passing legislation to stop the paralyzing railroad strike. Within two hours after the President addressed the joint session of Congress we had passed the bill requested by him.

The railroad unions are made up of the very highest type of American citizens. They did a great job during the war. The union organizations were 18 to 2 against the strike. It was principally the stubbornness of one man, Mr. A. F. Whitney, that produced the disastrous situation. A country that cannot protect itself against utter chaos is in a bad shape. I am convinced that the quick action of the House gave hope and encouragement to a great majority of the American people.

The American people have been kicked around by such tyrants as John L. Lewis until their patience is threadbare. People generally do not have time and opportunity to read the Congressional Record and they cannot understand why more effective action was not taken against racketeers in industry and labor months ago.

The fact is that before the war, during the war, and since the war, the House of Representatives passed legislation to meet the situation but the legislation has usually died in the Senate. However, the Senate has now passed the Case Bill which was approved months ago by the House, and the bill has gone to the White House.

Those of us who voted for the bill to stop Mr. Whitney's paralyzing railroad strike have been threatened by Mr. Whitney, and he has also insulted the American people. In commenting on those of us who voted for the bill, Mr. Whitney, according to the Associated Press, said:

"My Board of Directors already has authorized me to spend \$2,500,000 to defeat the members of Congress who have voted for the shackling labor legislation Mr. Truman has proposed. We mean to defeat every member of Congress who voted for that bill."

The C.I.O. continues to breathe out threats against those who have advocated and are advocating remedial legislation. What we desperately need in America today is government in the public interest—not government by pressure groups who threaten legislators and insult the intelligence and patriotism of the people. Minority groups are entitled to be heard in America and they are entitled to a fair deal and every legitimate right, but they are not entitled to run roughshod over the majority.

There is no perfect answer to all the problems which beset our Country. But one thing is sure—this Nation cannot safely go forward without the adoption of a more clear-cut and workable Labor-Industry policy—a policy which will safeguard the best interests of the American people.

The B. J. Edwards spent three weeks visiting in Ft. Worth, Dallas, Waco, Galveston and Houston.

**JESUIT MISSIONARIES RECEIVE BLESSING**—Aurlesville, New York—Reverend Demetrius Zema, S. J., of the Shrine of Our Lady of Martyrs at Aurlesville, imparting blessing to a group of Jesuit missionaries returning to the Philippines and Japan. Their return marks the beginning of the observance commemorating the 300th Anniversary of the martyrdom of St. Isaac Jogues, first saint to be martyred on American soil. The Jesuit Missionary was killed by the Mohawk Indians at approximately the spot pictured here, where his statue is part of a national shrine erected in honor of him and his companions. Father Zema was for many years Professor of History at Fordham University in New York.

**Cattle Brands Are Typical Symbols Of Great Race Of Adventurous Pioneers Who Built This Country**

The U-lazy S, the Double U, the Ber H, the 2R, the OS are all familiar symbols to people of this county. The Pitchfork, the LX, the Rocking Chair, the Diamond Tail, the Turkey Track, the Flying Z, the XIT, the Cury Comb, and many, many others are also typical brands that symbolize a great race of free adventurous pioneers who have taken a part in blazing the trails of this great section of the country.

The brand is a coat of arms of a noble western aristocracy. It is the living deed of big hearted men whose words are as good as their brands.

To have a brand recorded is the dream of every cowboy as he rides through the long miles into the distant purple hills. Young boys of the West carve brands before they carve their initials. He learns to make a brand that is easy to see, can be read while riding at top speed and which cannot be easily burned into another mark.

Simplicity is the keynote, speed the watchword and poetry in motion the aim of the brand which may be lazy, open, mashed, broken, boxed, dragged, flying, sleeping, crossed or have other distinguishing characteristics.

The brand is recorded just as land deeds are recorded. There are ranches in the cattle country that were established before our states were settled.

The first brand (HC) filed in this immediate section was dated as early as June 8, 1891 by H. C. Braden. Many others were filed before the town of Post was organized. Among a few are the AT connected, the brand used by the

Errol, Turkey, is said to be the oldest continuously inhabited city in the world. It was known as Arbia in the time of Alexander the Great.

late J. A. Bird and still in use by his son Al; the RJ brand used by "Doc" Kennedy, the LPK used by L. P. Kennedy, Sr. and many, many others that are familiar to people in this area.

A total number of 237 brands are now in use in this county.

The first brand on the Western continent was the Three Christian Crosses used by Cortez on the scrubby cows that were brought over from Spain to Mexico. The Spaniards and Mexicans have since used the more elaborate designs. Americans, however, are a bit more personal, using initials or some symbol that appeals to the cattleman.

Brands are not only used on cattle but on truck wagons, on bank house doors on cars and trucks of the owner. It has become fashionable in choice bits of jewelry, such as buckles, pins, clasps.

It has a significant place in range history. It symbolizes a great race of free spirits, big hearted, straight shooting men who live close to God, respect His commands and typify His Golden Rule in the code of the range.

**Bits Of News**

Picked Up Along The News Path

Pvt. George Lee Owen arrived here Sunday, May 26 on a 10-day furlough. He has been in service 3 months and is stationed at San Antonio. He is the son of Mr. and Mrs. G. W. Owen of this city.

Mary Ann Hundley left Wednesday for Memphis, Tenn. to spend an extended visit with her sister, Mrs. R. B. Young.

Mrs. Ida Reeves from South Texas visited Tuesday with her aunt, Mrs. R. J. Hundley, whom she had not seen in forty years. Mrs. Reeves was en route to Amarillo to visit with her son.

Mr. and Mrs. W. D. North of Chicago Ill., and their son, Pic-Bob North of Chanute Field, Ill., arrived in Post the first of the week to visit their daughter, Mrs. Allen Owen, and Mr. Owen. The Norths will observe their twenty-fifth wedding anniversary while here.

Mrs. Earl Cinton and her family, Patsy and Marilyn, from Abilene are spending a weekend visit with her parents and Mrs. R. M. Cash.

Mrs. C. B. Permenter of Marcos, Texas is spending a weekend visit with her brother, M. Cash and family. She is visiting Mrs. Emma Cash.

Mrs. G. W. Owen who is a patient in the Lubbock Memorial hospital will be permitted to come home this week. It is learned from members of the family.

Mrs. Walter Boren and her family, Mrs. John Coleman, Mr. and Mrs. Tom Wood were transacting business at their farm near Justinburg Sunday and visited relatives and friends here for a short time en route home.

**"You Can't Go to Town in a Bathub"**

How the automobile began to revolutionize American life fifty years ago is shown being re-enacted in preparation for the Automobile Golden Jubilee, which will be observed in communities throughout the country with the key national celebration staged at Detroit, May 29 through June 9. Says Lieut. General William S. Knudsen, chairman of the national industry committee for the Jubilee: "Typical of how the automobile put an entire nation on wheels is the answer of the farm wife who was asked by a Government investigator why the family owned an automobile, but not a bathtub. She exclaimed in surprise, 'Why you can't go to town in a bathtub!'"

**LEE SMITH ELECTED PRINCIPAL OF RALLS HIGH SCHOOL**

Lee Smith, who was principal of Post High school during the 1943-45 terms, was employed last week by the Ralls Independent schools as high school principal, according to an announcement made by Superintendent O. C. Thomas.

Mr. Smith was well known here even before he taught school as he married Mary Texas Travis, daughter of Mr. and Mrs. Duke Travis. They have one daughter, Janice.

The Smiths will move to Ralls as quickly as housing facilities can be secured. He formerly taught in Crosby county at the Webb and Smith ward schools and was high school principal at Crosbyton. He was high school principal at Winters last year.

**Political Office Announcements**

The Post Dispatch is authorized to announce the following candidates for office, election to be held in action of the Democratic primary.

  - LEE REED

**Garza Countians Asked To Conserve Food For Hungry**

The Government is attacking starvation through a far-reaching series of domestic food controls, announced Will Wright, County USDA Chairman. At the same time you, as an individual, can make a vital contribution to the campaign. First and most important, reduce your consumption of food, especially of wheat products, fats and oils. Second, if you wish, make a donation of food or money for food as a direct means of assisting, he said.

Conservation and donations are separate programs, handled by separate agencies. Make use of the proper agency and you will be increasing the effectiveness of the overall campaign, he stated.

Promotion of food conservation is the job of the President's Family Emergency Committee and of the local famine emergency committee. The committee asks you to reduce your consumption of all foods. Supplies will back up in the channels of trade and then will be available for shipment abroad. Be careful to use less wheat products—bread, pastries, and wheat cereals; use alternate foods, such as potatoes and oatmeal. Fats and oils are needed, but, too, use less of them in your cooking, re-use what you can and turn in to the fat salvage campaign what is no longer edible.

Many people, in addition to the conservation measures they already are practicing, wish to make personal contributions. This can be done in three ways: By making a donation of food or money for food to the Emergency Food Collection, 100 Madison Lane, New York 7, N. Y.; or by supporting a specialized program such as child feeding, through one of the member groups of the American Council of Voluntary Agencies for Foreign Service, 122 East 22nd St., New York 10, N. Y., Wright said.

**SOCIAL SECURITY BOARD REPRESENTATIVE VISITING POST TODAY**

Today, John Palmer, manager of the Social Security Board in Lubbock, was in Post for the purpose of assisting persons who had questions regarding social security or who wished to file a claim for Social Security benefits, or who needed Social Security account number cards.

Mr. Palmer traced survivors of deceased servicemen who worked in employment covered by the Social Security Act prior to their entrance into the armed forces to contact the nearest Social Security Board field office.

In addition to any benefits payable from War Risk Insurance, there may also be some payment from the Old-Age and Survivors Insurance system. These payments can be made if the worker (the serviceman or woman) was insured under the Social Security plan, particularly if the deceased is survived by minor children, since monthly payments continue until the youngest child reaches age 18.

Delay in filing the claim after notice of death is received may result in some loss of benefit by the survivor.

**PREVIEW OF THINGS TO COME**

Costume jewelry from steel is on its way, thanks to a new process called electropolishing. A thin layer of the metal is removed, leaving a permanent brilliant polish on the surface which defies rust, wear and corrosion.

Your aging old or new, will turn heat away if you paint them with a new aluminum paint for canvas which is due on the market this summer. It will protect them from mildew besides.

A much improved bobby pin is coming on the market this summer. Its makers say it is kind to hair polish and fingernails. To open it, you just press on the closed end.

An insulating material for houses which is both light and strong, has been developed out of corrugated paper, sealed together honeycomb fashion. It's resistant to both fire and water.

Ever hear of a salad dressing base? You will when current shortages of fats and sugar are over. You can make any dressing you like with it, simply by adding a flavor.

Non-scar tables—a thin sheet of aluminum in a new plastic table top prevents even a burning cigarette from marking the table.

Mrs. J. B. Simmons of San Angelo has been visiting her sister, Mrs. W. A. Cash.

Guests in the home of Mr. and Mrs. Odell Stanley are Rev. and Mrs. Guy Self.

Walter S. Goodland was 80 when he took over his gubernatorial duties in Wisconsin.

There are diamond deposits in many states, but only in Arkansas is there a working diamond mine.

**NOTICE OF BOARD OF EQUALIZATION MEETING**

In obedience to an order of the Board of Equalization, regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place in the courthouse in the town of Post, Garza County, Texas, at 10 o'clock P. M., beginning on the 18th day of June, 1948, and from day to day thereafter, for the purpose of auditing, fixing and equalizing the value of any and all taxable property situated in Garza County, Texas, until such values have finally been determined, for taxable purposes for the year 1948, and any and all persons in-

**VFW MEETING NOTICE**

Members of the Veterans of Foreign Wars post are reminded of the regular meeting next Monday night, June 10, at 8 p. m.

Mrs. Jane Clark of Crane came to Post with the Walter Boren family and has been enjoying parties and the rodeo last night with the younger crowd.

Invited or having business with said Board are hereby notified to be present.

Ray N. Smith  
(Seal) County Clerk,  
Garza County, Texas,  
Garza County Post,  
Texas, 24 days of May, 1948.

**WARREN'S DRUG WINS FIRST PLACE IN YESTERDAY'S PARADE**

Miss Zoe Sims riding for Warren's Drug was judged first place winner in the merchant's parade staged last evening as the kick-off to the three nights' rodeo being unveiled here this week end. The prize offered by the Stampede was \$10.

Second place winner was Wynona Gossett riding for White Auto Store and third prize winner was Theoda Kennedy riding for Pure Food Market.

Eighteen local business firms entered contestants in the parade and more than 200 riders, including contestants here for the four big performances, made up the mile long parade.

Riders and the firms represented in the contest included: Lillian Karpfandoll, riding for Southwestern Life Insurance Co.; Faye Ruth Hagaman for Billings Studio; Linda Lott for McCree's Appliances Co.; Patsy Holly for American Cafe; Martha Rose Rouch for First National bank; Zoe Sims for Warren's Drug; Wynona Gossett for White Auto Store; Betty Kennedy for Hamilton Drug; Mary Nell Sims for Council Chevrolet Co.; Theoda Kennedy for Pure Food Market; Mary Ruth Willingham for Elmer's Cafe; Jo Henderson for Outlaw Motor Co.; June Taylor for Collier Drug; Ruth Davis for Bryant-Link Co.; Melba Jo Miller, Post Dispatch; Billy Baker, Truxton Cleaners; Willie Ann Mathis for Haws Department store and Sherry Caster for the Gulf Service Station.

Another parade, preceding tonight's rodeo performance, will be staged at 7:30 o'clock, as will others for the remainder of the rodeo.

**MEMORIAL DAY SERVICE HELD BY LEGION POST**

Featuring the Memorial Day observance in Post last Thursday was an evening service at Post High school auditorium conducted by the James C. Cole American Legion post.

An impressive service honoring Garza's deceased veterans was conducted from the stage of the auditorium before an attentive audience. Judge Louis B. Reed, district judge of the 106th district and a veteran of both World Wars, delivered the address of the evening.

**VACATION BIBLE SCHOOL CLOSED TUESDAY NIGHT**

The vacation Bible school at the First Baptist church closed with appropriate exercises last Tuesday night. Rev. Polnac and all the teachers were very pleased with the attendance and the progress made during the school.

For the program each department prepared a special number, either musical or some type of religious reading. Afterward the audience was invited to inspect the displays of handwork done by the youngsters. Eighty-six children enrolled for the school.

Sweden has the best atmospheric conditions for radio reception.

Riding tonight in the Sponsor's contest will be Jessie Meyers of Hamlin, who has appeared here on several other occasions. Miss Meyers has been prominent in rodeo circles for a number of years and is an excellent rider and has collected many rodeo prizes.

Judy Mae Hayes, representing the ZT ranch of Scurry county, rode tonight in the cowgirls sponsor's contest. She is a daughter of Mrs. T. J. McDonald of Scurry county and the grand-daughter of the late J. Wright Moore, pioneer West Texan.

**Society--Club Reports:**

**MRS. ROBERT DAVIS AND OTHER GUESTS HONORED AT FRIDAY BRIDGE PARTY**

Mrs. Glenn Kohler was a very charming hostess last Friday afternoon to members of the Bridge club and several special guests. Mrs. Robert Davis was named guest of honor and other guests present were Misses Doyle Justice and Arno Dalby of Lubbock; Mrs. Marnie Lott and Mrs. Glenn Roof, who is visiting here with her mother, Mrs. Bass Tolungson.

After several games of bridge, Mrs. D. C. Williams was awarded high score for members. Mrs. Doyle Justice received the high point prize and Mrs. Davis was given an in honor prize.

Small clusters of seasonal flowers marked the places and a delicious refreshment course was served.

**MRS. GLENN ROOF NAMED HONOR GUEST AT PARTY THURSDAY AFTERNOON**

Mrs. Hub Haire was hostess for a cleverly planned party last Thursday afternoon at Jennie's Tea Room honoring her niece Mrs. Glenn Roof of Shaker Heights, Ohio.

Several games of bridge were played. High score was won by Mrs. Shelley Comp with the bingo prize going to Mrs. James Minor. Mrs. Roof was presented a lovely guest prize.

During the refreshment hour the group spent a pleasant time visiting. The three small tables were centered with miniature May poles. The red and white ribbons extending to mark the places were tied to little nosegay corsages of spring flowers. The color scheme was carried out most attractively on the refreshment plates.

Attending the party were Misses Shelley Comp, James Minor, J. D. McCampbell, Willard Kirkpatrick, Phil Boucher, John Lott, Sherrill Boyd, J. N. Power, Glenn Kahler, and Misses Maxine Durrett and Lucile Collier.

They shot a prisoner the other day, on the way to the penitentiary, because he tried to end a sentence with a dash.

Americans use 500 billion matches annually, which if struck one at a time would burn 497,587 years.

**AT MORROW AND MARIAN HODGE HONORED AT PARTY MONDAY**

A surprise party was given in the home of Mrs. Peggy Sue Robinson Monday afternoon honoring Pat Morrow and Marian Hodge who left Monday night for the summer term at North Texas State Teachers College in Denton.

An enjoyable afternoon was spent visiting followed by delicious refreshments served by the hostess.

Those present for the occasion other than the hostess and honorees included Norma Hudman, Iris Parker, Betty Williams, Gannell Ebb, Billie Kennedy, Wanda Thomas and Marian Shepherd.

Mr. and Mrs. Bob Thomas returned this week end from Denton. Their daughter, Wanda, returned with them to spend the summer. She has been attending TSCW since last September.

One good thing can be said for automobiles. They made mortgages respectable.

**LIVESTOCK IN TEXAS**

We are indebted to The Progressive Farmer for these figures on numbers of livestock in Texas:

"One and one-half billion pounds of cattle on the hoof—that's the annual production from Texas farms and ranches. Add to that 800 million pounds of hogs, 275 million pounds of sheep and lambs, 100 million pounds of wool and mohair, and you have some idea of the livestock enterprise of the Lone Star State.

As far as its agricultural production is concerned, Texas is best known for its cattle, sheep, and goats. She ranks second in production of cattle and calves, first in production of both wool and mohair. The Jan. 1, 1943, stock

Mrs. Clarence Woods and daughter, Marilyn, have been this week visiting Mrs. W. H. mother, Mrs. H. G. Smith.

Mrs. W. E. Dent and Mrs. Sart accompanied Mrs. Simon Lubbock Monday. Karen Sanders returned to Post with them to spend a week with grandmother, Mrs. Dent.

Some of the large variety butterflies migrate south for winter.

sheep inventory totaled 10 million, making up over one-third of the United States total. This was an all-time high. Texas around 85 per cent of the state goats.

## Public Installation Held For O.E.S. Officers June 1

The officers of the local chapter of the Eastern Star for the year 1944-45 were installed Saturday night in a public ceremony held at the Masonic Hall.

Berniece Shepherd, retiring Worthy Matron, presided and gave the address of welcome to forty guests and thirty members of the Post chapter. She presented Mrs. Imogene Burleson of Taboka, past district deputy of this district who presided as Installing Officer. Virginia Bird conducted the officers through the very impressive ceremony. Mrs. Addie Smith, retiring chaplain, offered the installing prayer.

The incoming officers who were installed are: Berniece Propst, Worthy Matron; Lester Nichols, Worthy Patron; Thelma Fry, Associate Matron; Truett Fry, Associate Patron; Minnie Wright, treasurer; Loree Thaxton, conductress; Opal Williams, associate conductress; Mae Smith, organist; Myrtle Hoover, chaplain; Esta Lee Nichols, marshal; Grace Thomas, Adah; Lucile Meador, Ruth; Faye Mathis, Esther; Reba Turner, Martha; Consuelo Thueft, Electa; Henrietta Nichols, warder; and Bonnie Cearley, sentinel.

A program featuring The End of a Perfect Day was given. The pro-tempore officers for the star points presented those officers with ribbon rosette corsages using very fitting speeches. Each star point then offered her tribute to the incoming worthy matron. Berniece Shepherd paid a tribute from the chapter in the form of a vocal solo.

An OES past matron's pin was presented to Mrs. Shepherd. An appreciation gift was given to Mrs. Burleson. The new Matron was presented an ivory gavel with an inscription on a silver band. Jesse Young, the retiring Worthy Patron, was unable to attend the meeting. Loree Thaxton made each of the presentation speeches.

Mrs. Burleson made a brief talk expressing her joy at being present, and her best wishes for the good of the chapter.

Mrs. Propst gave an appropriate message on Brotherly Love and stressed some of her aims for the ensuing year. Mrs. Emil Prohl spoke representing the Taboka chapter. A benediction was pronounced by Mrs. Ben Williams.

Baskets of gladioluses and bouquets of other seasonal flowers were used to decorate the hall. The refreshment table was laid with white linen and centered with an arrangement of larkspur and tall white tapers in crystal holders. Punch and cookies were served.

Out-of-town guests registering were Mmes. Burleson, Gussie Williams, Jewell Connolly, Ava Roddy, Clara Harris, Willie Thomas, Mittie Walker, Zuella Thomas, Onie Botkin and Mr. and Mrs. Emil Prohl all of Taboka; Mr. and Mrs. Jack Banks of New Harmony, Indiana; Mr. and Mrs. L. W. Dalby of Lubbock; Mrs. Leroy McCrary of Amarillo; and Mr. and Mrs. Cecil Propst of Mansfield.

Mr. Matterhorn is in the Alps near the Swiss-Italian border.

### Flower-Fresh

Summer white makes its bow this season in pique, crisp and fresh as a gardenia. Selected by Leah Ray, singing lady of Mutual's "Songs By Morton Downey," from the Miss America collection of evening fashions, the gown has a scalloped neckline, figure-molding bodice, bouffant skirt which falls naturally into many charming folds, and a tiny wing-sleeved bolero-type jacket.

### GOSPEL MEETING WILL BEGIN JUNE 12 AT CHURCH OF CHRIST

Doyle Keley, minister of the Church of Christ, this week announces the meeting which will begin on Wednesday night, June 12 to continue through June 23.

Brother Allen E. Johnson of Roswell, New Mexico, will do the preaching. Bro. Johnson conducted the services during the meeting last summer and everyone is cordially invited to hear his Gospel messages. Singing will be led by L. H. Ingram.

Bro. Keley is issuing on behalf of his congregation a most cordial invitation to the public to attend the services. The building has been air conditioned for your comfort so it is hoped many will take advantage of the services to hear a fine Gospel preacher.

### SONNY HUDMAN ENJOYED TUESDAY AS A SPECIAL DAY, HIS BIRTHDAY

Victor Eugene "Sonny" Hudman celebrated his birthday June 4 by doing most everything he wanted to do. He played to his heart's content and rode his tricycle as long as it was light enough to see.

For dinner at his special request his mother prepared corn on the cob, fresh green beans, cantaloupe and ice cream.

During the afternoon several friends enjoyed a dish of cream and piece of cake with the thrilled youngster.

### WEDDING DATE FOR MISS FERGUSON IS REVEALED AT TEA

The wedding date for Miss Mattie Myrl Ferguson and Mr. Ford Shropshire was announced last Friday afternoon when her mother, Mrs. J. A. Ferguson, and Mrs. John Cearley were hostesses at an informal tea at Jennie's Tea Room. They were assisted by Mrs. George Sartain of Slaton, sister of the honoree. Calling hours were from 2:30 until 5:30 o'clock.

Guests were greeted by Mrs. Cearley who presented them to Miss Ferguson, her mother, and Mrs. Sartain. Miss LaVonne Ferguson presided at the registry table. The white leather bride's book was a gift of the hostesses.

Mrs. Doyle Keley presided at a table laid with a hand crocheted flax cloth and appointed in crystal. The centerpieces were formed by seasonal flowers as a base for the yellow tapers in tall crystal holders.

The yellow and white color scheme was carried out in the refreshments, iced cookies and orange punch. Mrs. Guy Anderson assisted in serving.

A double wedding ring arrangement on the table carried the names of the betrothed couple and where the rings entwined was printed the date "June 20th." Favors were tiny books fashioned as white Bibles with the white ribbon markers at the family record page listing "Ford Shropshire and Mattie Ferguson, In Holy Matrimony."

Miss Ferguson has lived in Garza county for several years, moving here with her parents from Hillsboro. She graduated from Post High school. Until she and her father purchased the Northside Grocery more than a year ago, the family resided north of town in the Barnum Springs community.

Mr. Shropshire is the son of Mr. and Mrs. B. W. Shropshire of Robert Lee, Texas. He was minister for the Post Church of Christ for two years. At present he is in business in Austin and preaching for a congregation at Smithville.

Representing Seymour and riding tonight in the cowgirls sponsor's contest will be Carolyn Cox, pictured above on her pony. Miss Cox has played the Stampede on other occasions.

Miss Catherine Royalty of Lubbock arrived Wednesday to visit the Ed Warrens. The couple plan to be married here in a church ceremony with the family and intimate friends attending.

Mrs. Addison Jones of Justiceburg made her appearance in the Stampede last night when she came out as the second contestant in Cowgirl's sponsor contest. Mrs. Jones holds many rodeo prizes for years of riding in West Texas contests, and for a number of years Post's official sponsor.

## Church News

By BONNIE CEARLEY

Let brotherly love continue. We are forgetful to entertain strangers, for thereby have some entertained angels unawares. Let your conversation be without covetousness; and be content with such things as you have; for he hath said, I will never leave thee, nor forsake thee. So that we may boldly say, The Lord is my helper, and I will not fear what men shall do unto me.

Remember them which have the rule over you, who have spoken the word of God; whose faith follow, considering the end of their conversation. Make you perfect in every good work to do well, working in you that which ye well pleasing in his sight, through Jesus Christ, to whom be glory for ever and ever." Hebrews 13:1, 2, 5, 6, 7, 21.

This column seems to need some more help. We just could not find very much this week, or has there been a quiet time in religious activity?

A very nice report was sent in this week from Pleasant Valley Baptist church where they are working again with renewed vigor. We quote—

"We had a good attendance Sunday. There were 58 present. All of the teachers were present except Mrs. McCombs who was called away because of a relative's illness. Our church services were wonderful and one new member was added, C. E. Weisner."

"Bro. Bristol announced that on Polk's of the First church at Post will conduct our revival which begins July 19. We are happy to have him with us and know the church will be blessed."

"The R. A. and G. A. groups planned a picnic for Tuesday night at the home of our pastor. They hoped to get some work organized to interest more boys and girls in coming to church."

"The rain kept some away Sunday night but 42 people were present and we had out prayer

### MARTHA JEAN McANALLY HONORED WEDNESDAY WITH BIRTHDAY PARTY

Martha Jean McAnally was the excited young lady Wednesday when her mother entertained for her observing her sixth birthday. Out door games were enjoyed by a large group of youngsters and then they watched Martha Jean open her presents.

The birthday cake was angel food cake iced in white and decorated in pink. This was served with punch and ice cream cones.

Helping Martha Jean celebrate were Sherry Custer, Layne Norris, Donna Jean and Dian Stevens, Carolyn Moore, Marra Dean Holland, Bob Terry Bivens, Mike Easton, Ruby Montgomery, Barbara Stone, Leslie Anita Nichols, Marilyn Woods and Marthana Cearley. Mothers present were Mmes. Custer, Norris, Stevens, Moore, Holland and Bivens.

### MERRY MAKERS CLUB MEETS AT CLUB HOUSE

The Merry Makers club met Tuesday, May 28, at the club room. Six members and one visitor, Mrs. Ed Gossett, were present.

The afternoon was spent sewing for a needy family. Plates of delicious refreshments, tuna salad with wafers, brownies and punch, were served.

The next meeting will be with Mrs. Lola Peel on Tuesday, June 11. —Reporter

groups. The message was "No Room for Jesus." It was interesting and helped us. Visitors at our church Sunday were Mrs. Bill Wright and children of Dumas, Texas.

The WMS of the First Baptist church met Monday afternoon at the church for the regular first Monday Bible study. Mrs. Boucher brought the lesson. Eleven ladies were present.

We would like to give our thanks to those workers who helped with the Vacation Bible School. Much credit is due for such voluntary work simply for the reward of a job well done.

Gladness would to earth return Fair or foul the weather, If we folks would only learn How to live together.

### Costly Errors Give Refiners Edge Sunday.

**MARSHALL GIBSON**  
Club Reporter  
The Post baseball team made several costly errors Sunday afternoon and went down in defeat to the Levelland Refiners by a score of 6-4. Several hundred fans roared time after time as the local team tried hard to get back in lead after Levelland took it over in the fourth inning, but the Post team never could cash in on their scoring opportunities.  
Post started righthander James Altman on the mound Sunday and he did a fine job before his big brother Ed took over in the middle of the fourth inning when James began to weaken. The righthander gave up three hits, two walks, and five scores. Ed Altman gave up five hits, one score, no walks, and struck out nine batters. Haven, Levelland's manager, pitched for the visitors and the local team received nine hits off the tall righthander. He struck out five batters and gave no walks.

**PRESIDENT HONORS WAR DEAD AT ARLINGTON**— Washington, D. C. —Soundphoto— A general view of the scene at the Tomb of the Unknown Soldier at Arlington on Memorial Day. The President has just placed his wreath at the Tomb and stands with bowed head as a bugler sounds taps. The President's Military Aide, Brig. Harry H. Vaughn and Capt. Clark Clifford, Naval Aide, stand behind the President, while the shadows of the Guard of Honor fall across the foreground.

Post scored in the first inning when Walter Holland tripled on a hard long centerfield drive and later scored on an error by first baseman Levelland came back in the first of the third and made two scores to take the lead which they kept from there on. Estes walked, Newton reached second on an error by Peel who missed a high fly to rightfield, Estes scored on the play. Then Jarmon singled to centerfield to score Newton. Levelland had a big fourth inning rally and scored three men on an error, two singles and a sacrifice. Deamos Altman errored on Blair's ground ball to second, Haven hit to centerfield to single, Blair went to third on the play. Miller sacrificed and Blair was safe at home. Estes received a long single to centerfield and scored Haven and Miller to end their scoring this inning. Post made two scores in the last of the fifth on two singles and a double. Deamos Altman singled, Fritz Hester doubled to score Deamos and Dan Altman singled to score Fritz. Dale Hester scored for the locals in the sixth when he tripled and later scored on Carl Jones single to right field. This ended the scoring until in the first of the ninth inning when Estes singled for Levelland and later scored on a long double by Jarmon. This was the final score of the game with Levelland winning 6-4.

#### CLOSING DATE FOR SMITH-DOXEY COTTON CLASSING NEAR

Deadline dates for filing applications for Smith-Doxey service is August 15 for Garza county. While this is the deadline date, the USDA Production Marketing Administration, which provides the service, has set up a goal date of July 15.  
Applications cannot be filed until cotton is planted, but should be sent in as soon as acreage for a given cotton group can be determined.  
The Smith-Doxey Act, now in its ninth year of operation, provides free classing service so that farmers will know the actual grade and staple of their cotton as a guide to selling it. Samples from each bale of cotton raised by members of organized groups are sent to the PMA branch office at Lubbock by cooperating ginners for classing by government employees. A market news service gives the market price for the various grades and staples.  
In 1945 a total of 1422 gins or 62 percent of those in the State, signed up for the program as a service to their customers and 43 percent of the cotton grown in Texas was classed under the Smith-Doxey Act.  
Instructions and application blanks will be delivered to the 7 gins in the county this week by the county agent. These gins offered this service to 812 customers in 1945 in this county.

**A TRIBUTE TO THE WEST**

Now that rodeo-time is here again our thoughts turn to the West and its significance.

Branded into our hearts is a colorful past, a proud present and a fabulous future.

To define "the West" is to limit it and you cannot limit boundless spaces. Whoever heard of measuring a vast dome of eternity or a blanket of starlit skies? What engineer could stake the purple horizon that disappears into the wind and sun?

How can you measure spirit, big hearts, open minds, strong hand-clasps, lusty welcomes, new and broad traditions, into a general pattern of friendship and freedom and a kinship with God, the stars and great distances?

The West can't be measured in the narrow limits of landscape. It can't be narrowed down to hooves, cattle, weathered outdoor men, big hats, small towns. Neither can you limit neighborliness, loneliness or common thoughts. The West is not a religion or a philosophy though the atmosphere of it influences all. The West is as undefinable as love, as indescribable as spirit.

We cannot describe the West, it cannot be fenced in like a pasture. It is like a lover whom you may lose but cannot forget, so with open minds we take the West into our hearts and rejoice in its colorful past, its proud past and its fabulous future.

**WHERE A LITTLE IS A LOT**

Hard work is no stranger to the farmer. He knows that what you get out of a job is based generally upon what you put into it. Most farmers, knowing the amount of effort it takes to have a successful farm, buy insurance against rain, hail or tornado damage to their buildings and their crops.

But the farmer, like the city resident, cannot protect himself or his family by any known means against a disease, infantile paralysis, which again is on the march in the United States.

However, while no means of prevention or cure of polio have been discovered, much can be done in the way of treatment, the National Foundation for Infantile Paralysis points out.

Treatment of infantile paralysis is expensive. Should someone in your family be stricken, the cost of prolonged treatment might sweep away your life's savings were it not for the fact millions of farmers and city dwellers voluntarily support the annual March of Dimes—sole source of National Foundation funds.

Through such contributions multiple services await whenever polio may strike in any country of the nation, for National Foundation chapters stand ready to aid infantile paralysis victims regardless of age, race, creed or color.

There is no insurance against polio, but there is assurance that no infantile paralysis victim need go without aid because of lack of funds.

**RUSSIA CONDUCTS A GAME OF BLUFF**  
Erwin Hamlin Herald

Why does our government tremble and shiver whenever it hears the word "Russia"? Do a little figuring and you will find that the "Big Bear" has "shot his bolt" for a long time to come. No nation can take the terrible punishment which Russia did and still possess one-half the military power with which the world carelessly credits her.

Before World War I the Russian population was estimated at around 170,000,000. That war cost her 3,500,000 of her best. The Communist regime then supposedly got rid of 18,000,000 shopkeepers, farm owners and aristocrats.

Then World War II comes along and again the best of Russia's youth—the shock troops—are killed off. Probably 5,000,000 young men—the breeding stock which mankind must depend upon for physical excellence.

Add to all this terrible loss the ravages of the German advance across Western Russia. Millions of civilians killed by bombs, by starvation and for reasons known only to the gentle Nazis.

Steel and young manpower are the fundamental essentials of military strength. On February 9 Stalin announced that some time in the future Russia hoped to achieve an annual steel production of 80,000,000 tons. We—even—now produce 90,000,000.

Russia is in no position to fight a major war. She simply hasn't the wherewithal in either young, healthy manpower or material production.

**Marking 50 YEARS of FORD Progress 1896 - 1946**

Just fifty years ago, on a quiet, rainy day in June, the first practical Ford car chugged erratically along a Detroit street. It was powered by a small, two-cylinder engine, steered with a tiller and looked like a buggy with bicycle wheels. It was the forerunner of all the many millions of Ford cars that have contributed so greatly to the steady development of individual transportation and to the growth of a nation.

In these fifty years, the basic Ford policy has never varied — to build through constant research and refinement an even better product at the lowest possible price. The results of

this policy are even greater economy, comfort, reliability and value.

We are proud of our association with the creation of this great industry, and proud to join with the thousands of Ford people all over the world in celebrating this milestone of automotive history — the Golden Anniversary of the Ford car.

"Fifty Years of Ford Progress"—an illustrated history of automotive development—is yours for the asking. Get your free copy of this colorful story at our salesroom, with our compliments.

### Wild Cow Milking Providing Action For Spectators

The wild-cow milking, as usual, is providing action for spectators at the rodeo. Fifty-two contestants had registered Wednesday for last night's and tonight's shows. Next to calf-roping this event has drawn the greatest number of contestants of any of the other major events.

Day money totals \$200, and is distributed in four prizes, \$80 for first, \$60 second, \$40 third, and \$20 for fourth.

The event is a head-catch contest. The loop must go over the cow's head, and each must hold until roper gets off and gets his hands on cow. Cows are not to be thrown down or "busted." If cow falls or is down, she must be let back on her feet before being milked. Milking must be done in bottle and milker must run to field judge with bottle and milk. Bottle must contain enough milk to run out of bottle, and bottle must be handed to the judge with milk still in it. Roping cow without releasing loop from hand is not permitted. Rope may be dalled or tied hard and fast.

Cows are given deadline start and when cow crosses deadline she is roper's cow. Ten seconds fine for breaking barrier. Contestant throws first loop. If he misses, he may throw another loop or his helper may throw one loop. Either may milk the cow. If both loops miss, the contestant and his helper must retire and no time will be allowed.

The wild-cow milking contest, from the spectator's viewpoint at least, is one of the most popular events of the current rodeo. The roping and doctoring of cows on the range is one of the toughest jobs confronting a cowboy, and one that faces him from early spring until late fall. To duplicate as nearly as possible that feat, officials inaugurated the wild cow milking contest in which one cowboy ropes the cow and his partner milks her.

The wild-cow milking contest is one event which the regular ranch hand gets an even break with cowboys, who get more practice in calf roping.

After the cow is roped, one cowhand holds her by the head (called mugging in rodeo lingo), while his partner gets enough milk in a bottle to pour when passed on to the judge.

Above is pictured Miss Billie Lou Thompson, Snyder's official cowgirl sponsor, and daughter of Mr. and Mrs. Whit Thompson, prominent Scurry county ranch couple. Miss Thompson is a contestant of this season's Stampede and the winner of numerous rodeo prizes. She has lived on a ranch all her life in southwest Scurry and Borden counties.

### Garza Countains WHO RECEIVED COVETED "Ruptured Duck" DURING THE PAST WEEK

Garza county men who have been reported as receiving their honorable discharges this week include Lloyd Milton Shedd and Johnnie D. Windham.

E. L. Short, EM2-c of the Navy of route 3 Post, received his honorable discharge May 26 and is returning to Post this week. He served nine months in the Pacific area and in China and his last permanent duty was at the Treasure Island receiving station, California.

### Southland News

**Mrs. Flay King, Correspondent**

Good services were held at the Methodist church Sunday with 60 present for Sunday school. The Bible school is progressing nicely with around 35 and 36 children present daily. Although the Baptist Bible school meets from 9:30 to 11:30 each morning very few students attend both schools. The average attendance at the Baptist school was 41 last week. The faculty includes Mrs. Mayfield, principle, Bobby Trimble, assistant and playground supervisor, Laverne Brooks, secretary and Mrs. Clarence Terry, Juanita Taunton, I. J. Duff, C. W. Gary, C. A. Bloxon and Hubert Taylor, teachers and assistants. The commencement exercises will be held Friday night followed by a picnic supper which will begin at 8:00 o'clock. The offerings will be used by the classes to beautify classrooms.

Rev. E. Brooks and I. J. Duff left Monday for the pastor-layman convention in Fort Worth.

Mr. and Mrs. Arlie Downing and Mildred of Abilene visited in the Rev. E. Brooks home.

Misses Pauline and Margaret Duff are visiting their parents, Mr. and Mrs. I. J. Duff. Margaret will return to Lubbock Tuesday. Pauline who is working with the Consolidated Aircraft Company will remain here for two weeks.

Fern R. Harris arrived at his parent's home, Mr. and Mrs. J. C. Harris, Friday with a discharge from the U. S. Navy.

Fred Fletcher who has been employed with the Thatcher Printing Company of Plainview for the past 4 months will enroll at Tech this week. He and his brother, Shurty, visited Carlsbad Caverns last week. Both are mechanical engineering majors.

Billy, Edith and Sid Lytle of Plainview visited the E. E. Tribbles Sunday.

Delmer Trimble who is stationed at San Diego arrived home last Friday.

Mr. and Mrs. Clarence Terry visited Mr. and Mrs. Don Jackson and Mr. and Mrs. Bud Odem of Post Friday.

Mr. and Mrs. F. O. DeBuck and children visited his sister, Mrs. F. O. Boien, and family at McCorney part of last week.

Mrs. Arden Ruth Lawrence and Joy Faye Parker of Post are visiting Nancy DeBuck.

Mr. and Mrs. A. B. Morgan and son of Amarillo visited her parents, Rev. and Mrs. R. B. Walden, over the week end.

Uncle John Parnell visited the Dave Drapers Saturday. Mrs. Dave Draper and children, Mrs. Sammie Edwards and Anita Sokol accompanied him home and visited the W. W. Gillilands.

Mr. and Mrs. Lee Leflar and Bryce King, all of Phoenix, visited their parents, the Harry Kings, last week.

The Edt Kings have returned home after visiting relatives in Haskell county.

Mr. and Mrs. James Hamaker of Lubbock recently visited her parents, the Jess Moores.

A surprise birthday dinner was given Mrs. Alford Basinger last Tuesday at the Harlan Basingers.

Eddie Martin of Lubbock has been visiting his grandparents, Mr. and Mrs. Edt Martin.

Mr. and Mrs. Herman Whited brought Mrs. Ansoe Landers home from Odessa last week and also visited his parents, the J. L. Whiteds.

Mr. and Mrs. H. L. Howard and family and Miss Bertie Anderson all of Lubbock visited their parents, Mr. and Mrs. G. C. Anderson, Sunday.

Mr. and Mrs. J. I. Bartlett spent Sunday with their daughter, Mrs. E. E. Trimble and family.

Visiting Mrs. Nellie Mathis over the week end were Mr. and Mrs. Charlie Kasinger of Sweetwater and Mr. and Mrs. Dick Mathis and children of Brownfield.

Mr. and Mrs. J. R. King of Plainview spent the week end in Southland, who with Mr. and Mrs. Sam Ellis had dinner with Mr. and Mrs. Hub Haire Saturday then visited other friends.

Owen Thomas spent the week end at the Marsh and Carpenter homes.

Mrs. Arville Ferguson and Mrs. Hub Haire attended the tea at Jennie's Tea Room in Post Friday given in honor of Miss Mattie Myrl Ferguson.

Mr. and Mrs. Roy Tolison and children visited her parents, the Oscar Barksleys Sunday.

Dorothy Sue Smallwood of Midland visited her parents, the G. N. Smallwoods, over the week end.

There were about fifty persons present at the pounding for Rev. and Mrs. Brooks at the gym last Thursday night.

Wes Donohoo left last week for the wheat harvest.

Manual Reyes of Lubbock visited his parents, the Juan Reyes, over the week end.

Mr. and Mrs. Herbert Howe and family are visiting the August Beckers for a few days.

Post Wayne DeBuck visited Bandal and Denzil Lawrence in Post Saturday night.

### T. H. TIPTON, JR. RECEIVES DEGREE OF DOCTOR OF DENTAL SURGERY

Talmadge H. Tipton, Jr. received the degree of Doctor of Dental Surgery at the commencement exercises of Loyola University, New Orleans, which were held May 24.

His Excellency, Archbishop Rummel presented eighty-four degrees to seniors finishing the prescribed courses in Arts, Sciences, Philosophy, Laws, Music, and Dental Surgery, at the ceremony which was held in Holy Name Auditorium.

Dr. Tipton is the son of Mr. and Mrs. T. H. Tipton of Clovis City. He is a graduate of Post High school and a former student at Texas Tech.

Mrs. Tipton visited twelve days in New Orleans and attended her son's graduation. T. H. accompanied his mother home and will spend the summer here.

William B. Richardson, F-1-8, arrived here Monday night from 14 months overseas duty in the Philippine Islands. He is now on a 30-day leave and will report back to a base in New Orleans where he expects to receive his honorable discharge.

Mrs. Leroy McCrary and sons, Bill and Lanny, of Amarillo are here for an extended visit with Mr. and Mrs. Lucy Richardson and other relatives.

Mr. and Mrs. L. W. Dalby of Lubbock visited friends here Saturday afternoon and attended the OES officer installation that night.

**COWGIRLS SPONSOR'S CONTEST**

(Continued From Front Page) shirt and brown Stetson. There are at least thirty pretty sponsors here, many of them big-time rodeo prize winners, some just here for the fun and sixteen contesting for the ninety dollars in cash which will be distributed \$50 first, \$25 second, \$15 third and \$10 to the victors in the sponsor's contest. The girls, dressed in clothes ranging from blue denim to a d. de's riding habit, began arriving here as early as Monday and among the first arrivals were Frances Herbst of Abilene, and Faye Marburger of Fort Worth. These two young women came here from Midland, where they participated in last week's World Championship rodeo. Frances, besides being a contestant in the sponsor's event, is a member of the Abilene Mounted Square Dance Team. Another early arrival was Billie Lou Thompson. Snyder's official sponsor. Miss Thompson rates tops in rodeo circles and has played all the big shows of Texas, as well as made an appearance in Madison Square Garden, New York. She is winner of many rodeo prizes.

Other contestants who registered Wednesday morning for the contest were: Betty Smith, Abilene; Mrs. Add Jones, Justinburg; Mary Echeberry, Livingston, N. M.; Grace Hodge, Abilene; Doris Reid, Abilene; Carolyn Cox, Seymour; Jessie Meyers, Hamlin; Thems Mae Ferr, Seymour; Christine Dyons, Lovelland and Judy Mae Hayes of the 2T ranch.

Mr. and Mrs. G. G. Hamilton have in their guests her brothers, Messrs. William E. and Burl Lupton, from Escondido and San Diego, California. They are both ex-service men. William E. having served three years in the Hawaiian Islands, the Fiji Islands, Bougainville and Guadalcanal and Burl having served in several capacities in the States. They will remain with Mrs. Hamilton until she goes to Dallas Friday, June 7, where she is scheduled to enter Baylor hospital, then they will return to their respective homes where they are employed.

**LAST NIGHT'S RODEO PERFORMANCE**

(Continued From Front Page) (Continued From Front Page) testant in the Gar a cowboy calf roping event to catch his calf. His time was 33.8 seconds. Betty Smith, Abilene's official sponsor, scored low time in the cowgirls sponsor's contest. She rode her quarter-horse "Patsy Smith" and ran the takes in 11.2 seconds. Faye Marburger of Fort Worth came out with next best time, 12.4 seconds. Billie Kennedy, Post's sponsor set the pattern with 12.6 seconds.

Abilene's square dance team, six couples who like only one thing better than riding and dancing (that's dancing and riding at the same time), sauntered at a gallop in a real old breakdown and to the calling of Jack Morris. The popular feature will be presented in a bit different version each night, and if it proves as pleasing during the remainder of the rodeo as last night's performance, the act alone is worth the price of admission to the big show.

In an elimination contest held Wednesday afternoon to qualify fifteen of the twenty-two cutting horses brought here, Dewey Everett's horse, Warsaw, scored best. Novis Rodgers' horse, Pilgrim second, and Milton Bennett's Trusky third.

Last night's cutting horse contest drew loud ovation from the spectators. The five horses and riders who performed were Dewey Everett on Warsaw, Joe Boatwright on Sweet Pea, Woodrow Bland on Shurty, M. T. Ramsey on Flash, and Gary Hearrel on Old Blue. Each horse and rider performed with perfect coordination demonstrating speed and ease in working stock.

Riding in tonight's cutting horse contest will be Novis Rodgers, Jack Hart, Richmond Blue, Curley Maynard and Berry Hart. A down-town ticket booth is being held open all day at Thaxton's Cleaners to take care of advance ticket sales and to avoid the long line which assembled an hour before last night's show. Last night's crowd was estimated to be between 3,500 and 4,000 spectators. Read the Classified Ads.

**WINDOW SHOPPING**

(Continued From Front Page) shop are getting everything in readiness for the formal opening on Saturday. Coffee and doughnuts will be served.

Studes of 12 (which you can't buy in these parts)—but we saw Pink Elephants in the Bryant-Lick window this morning. These miniature animals along with beetles, butterflies and what have you are fashioned from beads by Mrs. Jessie Curry who lives on the plains. Mrs. Curry has placed these clever little beaded bugs on sale at a very nominal fee.

Attracting wide attention are the rodeo pictures taken by our boys and displayed in the Dispatch office window. One picture that is creating a bit of reminiscence by the old-timers who see it is the picture of four former cooks of the old Spur ranch, namely, C. C. Hole, Hamp Collett and the late Charlie Thompson and J. Bird. This group of four rough-riders cooked up many a sour-dough biscuit and stayed many a pot of son-of-a-gun, if all the stories we've heard are true. We don't know about the "chuck" these fellows could cook but we can recommend "vittles" by Haden Rogers who has been in charge of the chuck wagon on many occasions when we visited the U Lutz S and OS ranches. Comer Lyne and Blondie Harrington can barbecue a beet to a turn too.

Well, happy rodeo-time. Mr. and Mrs. W. R. Griener left Sunday for Carbondale, Ill., for an extended visit.

**FOR SALE—** I have listed with me for sale the R. H. Hanson residence in Post along with two or three other nice residences. If interested see J. Lee Bowen at Court House. 4tc

**COOKED A FINE DINNER; THEN THREW IT TO DOG**

One lady recently stated that she used to throw her own dinner to the dog most of the time. It made her sick just to look at anything to eat. She was swollen with gas, full of bloot, had headaches, felt worn out and as badly constipated. Finally she got INNER-AID and says she now eats anything in sight and digests it perfectly. Bowels are regular and normal. She is enjoying life once more and feels like "some other woman" since taking this New Compound. INNER-AID contains 12 Great Herbs, they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Garza County.

**SEAR'S GILT CONTEST—**

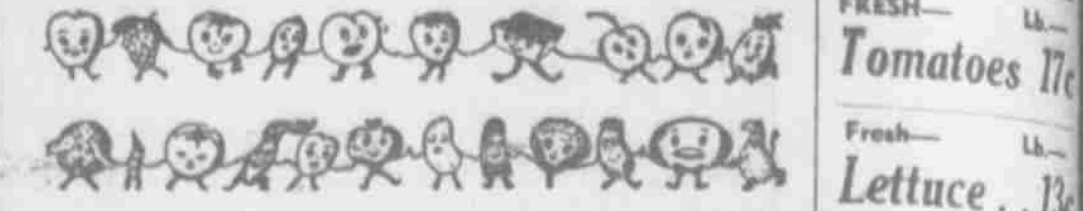

(Continued From Front Page) (Continued From Front Page) gilts will be judged as breeding stock. The prizes will be given in the form of purchase orders for materials and feed. Next spring the boys will be awarded prizes for the five heaviest litters when the pigs reach eight weeks of age. This program puts a lot of good breeding swine in the county and it shows the boys as well as their neighbors that it pays to have breeding swine of good blood as the returns will be greater for the amount of feed fed.

Mr. and Mrs. Truett Fry and family moved last Thursday to their farm home just north of Post on the Ralls road. Mr. and Mrs. Ted Hibbs then moved to the Fry house on West Eighth street which they recently purchased.

Mr. Everest is in the Himalayas between India and Tibet.
