NEWS NOTES FROM... Duck Creek Soil—CONSERVATION DISTRICT OFFICE AT POST

The Board of Supervisors of the Duck Creek Soil Conservation District met in Spur last Thursday and approved the following agreements: W. P. Lester, M. C. Edwards and J. H. Eubank. In addition to this the Supervisors approved applications for assistance on farms belonging to O. G. Hamilton, W. W. Sims, Mrs. J. D. Saunders, S. C. Storie and George Samson.

Approximately 1 1/4 miles of terraces have been built with county equipment on the J. G. Stewert farm this week and have been checked for completion.

Terrace construction is being completed this week on farms belonging to T. E. Greenfield and O. G. Hamilton. Both farms are in the Canyon Valley conservation group.

Mr. Greenfield also made applications this week for assistance in planning, establishing, and maintaining soil and water conservation practices on his farm which is located 3 1/2 miles north of Post in conservation group 21.

Terrace lines are being checked for construction this week on the Woodrow Furr farm in the Close City conservation group.

Applications for assistance on farms belonging to Otho Jones and J. C. Henderson in conservation group 21 were received this week.

Both boys left Sunday to report to San Diego to receive their assignment.

Kindness in ourselves is the honey that blunts the sting of unkindness in another.

Across The Tracks
By H. H. H.

After sticking our neck out and predicting rain some two weeks ago, we decided that it would be a good policy to lie low for awhile—hence our absence from the annals of last week's Dispatch. We shall henceforth stick to servicing automobiles, and the Indians can take their wet moons, et cetera, and go jump in the creek.

Stop-me-if-y-o-u-have-heard-this-one dept.

Two ghosts—playing poker in an old, haunted house—were interrupted by a knock on the door.

"Who is it?" called one of the ghosts.

"Rigor Mortis," came the reply. "May I set in?"

Planning a trip folks? Drop by and let us take care of a lot of details that will help to make your trip a pleasant one.

A clogged or leaky radiator, a tire that won't hold air; corroded battery cables; a bad fan belt—these, and many other things can sometimes spoil a trip, so drive in and let us make a free-charge check-up that may save you time and expense.

Incidentally, road maps—which have been as extinct as dodo birds—are available again, so let us supply you with one before you leave.

Sincerely,
HANS HUDMAN

Local USDA Asks Garza Residents To Conserve Food

The Garza County USDA Council has been assigned the task of getting the food conservation message to all people in this county. This is not just a program for farm people. Everybody—town, city and rural must cooperate.

The program is voluntary and is not one that necessarily means to save as "saving fats and turning it in to the butcher," but is one of conservation. Don't buy and misuse food, buy and use only that which is adequate for a balanced diet, said the chairman.

Those savings which seem to be small and of no significance are the ones of most importance, said Mr. Wright.

Two examples are listed below showing the volume a small individual conservation practice will build into:

1. What two slices of bread will do. If the average American would save two slices of bread each day the total saving would provide a day's bread ration for 20 million hungry people abroad. Two slices of bread weigh 1 1/2 ounces. The population of the United States is estimated at 140 million persons and two slices per person would total 224 million ounces of bread saved daily. The average minimum bread ration for many European countries is 11 ounces daily. The 224 million ounces saved by Americans would feed 20 million of these people for one day.

Of course it is not possible for a child in Europe to eat the two slices you don't take from your bread box. So what actually happens?

You and your family eat less bread. So you buy less from the store. The store doesn't have to order so much from the baker. The baker cuts down his flour order to the miller, and the miller uses less wheat. The wheat saved by the mill is thus available to be shipped abroad.

2. What one tablespoon of fat will do. If each family would save one tablespoon of fat each day by using and reusing grease they wouldn't be using that spoonful from fat brought from the store. Therefore they buy less cooking fat. One tablespoon per day adds up to one pound per month. One pound less from the store multiplied by the number of families in the United States means the storekeepers don't have to buy several million pounds of fats and oils. The wholesalers don't have to buy so much and back at the source these millions of pounds of fats and oils per month could be shipped to the famine stricken countries of the world. So even a tablespoon a day becomes a big item.

Be conservative but adequate and help relieve the famine stricken countries of the world, said the chairman.

DRILLING STARTED ON GARZA'S NEW WILDCAT

Drilling was started several days ago on a new 3,500-foot wildcat about 17 miles northeast of Post by Joe Cannon of this city, who has the contract to drill the exploration with rotary rig for Paul G. Schaefer and H. T. Brady of Midland. It is contracted to test the Clear Fork, lower Permian.

The exploration is being drilled on S. F. Everett's land. The location is 330 feet from south and west lines of southwest quarter of section 14, block 2, H&GN survey.

Schaefer and Brady have a solid block of 4,560 acres surrounding the site, and it is understood that several major companies are supporting the project.

Mr. and Mrs. Max Gordon are announcing the arrival of a son, Billy Max, weighing 5 lbs., 12 oz., born Friday, April 19, in Tregdway-Daniel hospital in Brownfield.

World wheat production in 1945 was 8 per cent below pre-war levels.

CRIPPLED CHILDREN DAY WILL BE OBSERVED BY SHRINERS ON SUNDAY

Crippled children throughout North America will dramatically receive assurance of all possible aid for resuscitation on National Observance of Crippled Children's Day, Sunday, April 28, it was announced last night by H. H. Loewenstern, potentate of Khiva Temple in Amarillo.

"Throughout the United States, Canada, and Honolulu," said Potentate Aide Rex Everett of Post, "the 139 Shrine Temples, with a membership of 500,000, will stage special activities in behalf of crippled children, to assure them, especially those whose families cannot afford top medical attention, that there is a chance for many of them to walk again."

There are 15 cities in North America that have Shrine Hospitals and the temples in each of those cities will stage a show for the hospital inmates. In towns where there is a temple but no hospital the cripple children of the town will be treated to an outing.

"In each Shriner's heart," declared Mr. Everett, "there is a special spot reserved for the crippled child. Twenty-four years ago the Shrine pioneered in a field which had been sadly neglected orthopedics."

"Since then, more than 100,000 children who have been carried into the 15 hospitals have walked out into the world to lead normal lives. Each child was of parents who could not afford to pay, and each was admitted without regard to race, color, or creed."

FAMILY REUNION

A pleasant day was spent Easter in the E. C. Hill home. Mr. and Mrs. Hill had all their children at home for the day. They were Hoyt Hill, Misses Loyce and Jaunice Hill of Oklahoma City, Mrs. Letha Browning and daughters, Mr. and Mrs. Melvin Hill and son, Mr. and Mrs. Junior Morris and family, Mr. and Mrs. Wiley Hill and daughter, Surman, Pleasant, Dolores and Dean Hill and Mr. J. H. Parrish.

Henry Williams of Mullin, Texas, was a guest of his brother, Ben Williams and Mrs. Williams, during the Easter holidays.

MR. FARMER . . .

Make Your Cotton Planting Seed Go Farther

HERE IS HOW—

Let us delint your seed by the Kemgas Process then you can plant half as many seed and secure a better stand.

WHY IS THIS TRUE?—

The Kemgas Process removes ALL the lint, then recleans, grades and treats the delinted seed with cerasan. Seed processed in this manner will germinate 3 to 5 days quicker than fuzzy seed. Tractors plant 25% more seed land in a day because there is absolutely no lint to choke planter boxes and one filling of the planter box will run 3 to 4 hours.

PLANTING ATTACHMENTS—

No special planting attachments are required—just an ordinary corn plate will plant these seed.

PLANTING SEED SCARCE—

Good planting seed is scarce this year. Get the most out of your seed by letting us process them. We are equipped to do a first class job.

We are able to supply a limited amount of Kemgas Delinted Seed in the following varieties:

- Hi-Bred
- Northern Star
- Macha (Storm Proof)
- Western Prolific
- D and P. L.

All these seed are first year originator and are \$10.50 per hundred

What Goes In The Rural Communities

AS REPORTED BY OUR RURAL CORRESPONDENTS

Southland News

Mrs. Floy King, Correspondent

The Methodist revival closed Sunday night with four conversions and eight additions to the church. There will be prayer meeting each Wednesday night, beginning this week at the Methodist church.

The summer revivals for Southland have been announced as follows: Methodist to begin theirs the last week in July, the Baptists the second Sunday in August.

The Easter service at the Methodist church last Sunday was a real success. There was no church services held at the Baptist church last Sunday, as that denomination gave way to the Methodist revival, as is a custom of the churches here to co-operate fully in revival work.

The Grade school program put on by the little folks at the school Friday night was well rendered.

The C. W. Grays had the misfortune of losing their home and household belongings by fire Saturday morning.

S. W. Potter celebrated his 87th birthday Sunday by attending church and Sunday school.

Visitors in the R. R. Jones home Sunday were Mr. and Mrs. T. H. Basinger and children, Mr. and Mrs. J. C. Leake and sons, Billy and Tommie, Mr. and Mrs. Sam Hendrix and baby, Mr. and Mrs. B. H. Jones, Mr. and Mrs. Bale Jones, Betty Sue Basinger and Jimmy Lynch.

Visitors of Mr. and Mrs. Riley Wood Sunday were Mr. and Mrs. Ben Wood, and Mr. and Mrs. George McMahon of Lubbock.

Attending church here Sunday night from Slaton were Mr. and Mrs. John Harrell and Mrs. W. L. Holloman and daughters.

Congratulations to Mr. and Mrs. Frank Rache on the birth of a son, April 14, weighing 11 pounds, and Mr. and Mrs. Victor Vasa on the birth of a son, April 21, weighing 7 pounds and 7 ounces, at the Lubbock General Hospital.

Mrs. Stella Coplinger of Lubbock spent the week end with the Alvin Morrises, and Sunday visitors in the home were Mr. and Mrs. Marshall Cone and daughter, who are associated with the Lubbock Packing Company of Lubbock.

Mr. and Mrs. Dave Draper and children spent the Easter holidays with his parents, Mr. and Mrs. John Draper of Hereford.

Arville Ferguson and family were dinner guests of the George Sartains of Slaton, Sunday.

Mr. and Mrs. E. L. King and daughter, Mrs. Helen Young, were dinner guests of Mr. and Mrs. W. M. Weaver Sunday.

Those visiting the J. L. Whited family during Easter were Mr. and Mrs. Vern Johnson and family of Ralls and Mr. and Mrs. W. W. Davies and family of New Home.

A large crowd attended the bridal shower given at the lunch room Thursday evening for Mrs. Clarence Terry. Mrs. Terry is the former Miss Eva Faye Truelock.

The community gave "Mother" Cummings a sunshine box of useful and beautiful gifts Sunday afternoon. Those present at the Cummings home were Mr. and Mrs. Livingston, Mr. and Mrs. Ed Cummings, Mrs. O. J. Harmon and Mrs. W. W. Gilliland.

Mrs. Henry King accompanied Mrs. Ed King, Grady King and Mrs. Young to Plainview Thursday and visited her sister, Mrs. Caddell and family, and brother B. I. Furrh and wife.

Norman Bedford and J. M. Carley, both former Southland boys, are now civilians again and wearing the happy smiles. Another Southland boy back in civvies is Odell Donohoo.

The ball game at Post Sunday between Southland and Post resulted in a 3-3 tie.

Sgt. R. L. Strawbridge and his friend, Mr. Hensley of Lubbock, visited the Harry Kings Sunday

CANYON VALLEY NEWS ITEMS

Mrs. L. A. Wygol, Correspondent

Mr. and Mrs. Jim Shoemaker and Roy and Mr. and Mrs. J. P. Beck, left for a fishing trip last week at Possum Kingdom and Lake Kemp.

Mr. and Mrs. Richard Elder had as guests Sunday, Mr. and Mrs. I. E. Crane, Roger Crane, Jimmie Shoemaker and Mr. and Mrs. Guy Crane.

Mr. and Mrs. Jack Ammons of Farmer visited in the Canyon Valley community last Sunday.

I. E. Cane suffered a broken finger and bruised hand last week when he got his hand caught in a well drilling machine.

Mr. and Mrs. Earl Coker and family of Welaco, are visiting friends and relatives here this week.

Mr. and Mrs. L. A. Wygol and sons, Jimmie and Bennie, spent last week in Perryton and Amarillo visiting Mrs. Wygol's sisters.

Mr. and Mrs. Cox have as their guest their granddaughter, Ann Headstream, of Lubbock.

An Easter program was presented in the Canyon Valley school house Friday night, April 19 by the teachers, Mr. and Mrs. Cox and the students. The program was begun by an Easter Parade with children dressed as trumpeters, spring showers, Easter chicks, spring flowers, blue sky elves,

afternoon. Others at the Kings were Mr. and Mrs. Henry King and baby, Elaine, of Lubbock and the E. L. King family.

Roderic Duff of the Coast Guard spent last week with his parents, Mr. and Mrs. I. J. Duff. He left Sunday for Maryland.

Harold and Leroy Voight were in Ropes Tuesday where Mrs. Voight has been with her brother, who is seriously ill.

Mrs. Annie Sanders, who is staying with Mr. and Mrs. John Baker of Slaton, visited in Southland Sunday afternoon.

Mr. and Mrs. A. B. Morgan and son, Wayne, spent from Friday to Sunday afternoon with her parents, Rev. and Mrs. R. B. Walden. Other children of the family who were present Sunday included Mr. and Mrs. Frank Mallock and children of Plainview, and Mrs. Eldon Jones and daughter of Lubbock.

Mr. and Mrs. Sampson Gilliland and children visited her sister, Mrs. Elna Harris and family of Plainview Sunday.

Mr. and Mrs. S. B. Dean and daughter, Mrs. Thelma Best of Levelland spent Sunday with Mrs. Nellie Mathis.

Wilma Fern Wheeler spent the Easter holidays with her parents, Mr. and Mrs. Horace Wheeler.

Margaret Duff also spent the holidays with her parents, Mr. and Mrs. I. J. Duff.

Jimmy Lynch and brother returned from Oregon Wednesday via Southland. Betty Sue Basinger accompanied them to Sweetwater for a couple of days visit.

Grade school honor roll for this six weeks includes: 8th grade: Joyce Sanders, Deanne Haire, Margery Becker, LaVonne Ferguson, Burt Carey, Donald Edmunds, Junior Jackson, Horace Hitt and Loy Trumble; 7th grade: Carolyn Edwards and Billy Bullard; 6th grade: Paul Debusk and Nancy DeBuck; 5th grade: Lamarr Clark, Lonnie Mason and Jimmy Ferguson; 4th grade: Vernon Scott, 3rd grade: Wanda Pruitt and Gerald Dabbs; 2nd grade: Burdine Becker, Melba Ruth Shelton, Betty Gary, Sherry Taylor, Sue Lancaster, George Ellis, Lou Ella Gary, Tommy Mayfield, Betty Sue Norman and Anita Stone; 1st grade: Dale Edmunds, Fred Meyers, Richard Holmes, Pattie Cooper, Carolyn Kaysinger.

Visiting Mr. and Mrs. Paul Winterrowd Sunday was her sister, Mrs. Gresham of Lamesa.

Mr. and Mrs. Lightfoot spent the week end at Southland.

Justiceburg News

Mrs. R. J. Key, Correspondent

Mr. and Mrs. V. A. Lobban and family spent the week end with relatives at Colorado City.

Lee Reed was in Snyder Monday.

Mrs. Dorothy Dale Reed was a week end guest of relatives at Slaton.

Mr. and Mrs. R. J. Key and son, Jerry, and Marvin Dorman spent Sunday with the latter's parents, Mr. and Mrs. Chester Dorman and family of Snyder.

Mrs. Joyce Clayborne of Littlefield visited her mother, Mrs. Rita Clarkston, last week end.

Mr. and Mrs. Joe Griffin and son, Dan, of Lubbock were week end guests of her parents, Mr. and Mrs. Jeff Justice.

Mr. and Mrs. Edwin Reed of Dermott visited his parents, Mr. and Mrs. Jeff Reed.

Mr. and Mrs. Harry Evans and son of Amarillo and Mr. and Mrs. Jimmie Hunger of Lubbock were Sunday guests of their parents, Mr. and Mrs. George Evans.

Dermott school baseball team visited Justiceburg last week in a return game.

Misses Frances and Jo Henderson of Amarillo were week end guests of Mr. and Mrs. George Duckworth and other relatives.

Spring and Easter rabbits. Music was furnished by Mary Bledsoe of Ralls. A reading, "Maggie and Jiggs," was also given by Mary Bledsoe. The program was concluded by a short play, "Wonderful Message" given by the school children.

A pink and blue shower was given honoring Mrs. Richard Elder in the home of Mrs. Lena Nicholson Tuesday, April 16. Games of 42 were played followed by servings of hot chocolate and cake. A lovely array of gifts were received.

Those present were Mrs. Davis Hatterton, Gene Gann, Geo. Huffman, Jesse Smith, L. A. Wygol, Elmer Norris, J. A. Shoemaker, Guy Crane, I. E. Crane, C. C. Kyzer, R. W. Minter, G. F. Kyzer, Sam Leslie, Mrs. Leonard Armstead, of Caprock, and Mrs. Mattie Minter of Sulphur Springs.

The Canyon Valley club women met in the home of Mrs. C. C. Kyzer Friday, April 19. Sewing was done for the hostess and a covered dish luncheon was enjoyed.

A GOOD JOB FOR YOU!

Here's a real opportunity for the young man who wants a good job with a future. An Army job is a steady job offering good pay, the highest security, every opportunity for promotion and a chance to see the world. You get valuable training in technical skills, good food, clothing, quarters and medical care free. If you go overseas, you get 20% extra pay. You can retire at half pay after 20 years or retire at three-quarters pay after 30 years. And you get a 30-day vacation quarters pay every year! Many other advantages not offered elsewhere. If you are 18 to 34 and physically fit (or 17 with parents' consent), you can enlist now and qualify for one of these fine jobs in the peacetime Regular Army. You owe it to yourself to get all the facts NOW! Apply at

JACK KENNEDY EMPLOYED AT PURE FOOD MARKET

Announcement was made the first of the week by Bake Robinson, one of the owners of the Pure Food Market, that Jack Kennedy has been employed in the market department of the store.

Mr. Kennedy started to work Monday for the firm.

SUFFERS INJURIES IN FALL FROM HORSE

L. J. Richardson, Sr. is suffering from a broken collar bone and bruises as a result of a fall from his horse late Sunday afternoon. Mr. Richardson said he didn't remember anything about the accident as he had just mounted his horse and the next thing he knew he was on the ground.

JUNIOR-SENIOR BANQUET ATTENDED BY LARGE CROWD FRIDAY NIGHT

A program with the theme "Memories" was presented last Friday night at the annual Junior-Senior Banquet at the Methodist church. About 150 class members, faculty members, board of education members, and other guests were in attendance for the very colorful affair.

Rufus Gerner was master of ceremonies. Rev. I. A. Smith gave the invocation. Sonny McCrary gave the welcome address to which Senior class president Wayne Hundley responded.

The Senior class prophecy as read by Louella Gilmore caused much merriment. Some of her prophetic utterings seemed particularly appropriate. The class will read by Tommie Chandler listed the disposition of various talents and belongings of said class.

The musical portion of the program was very well rendered and received much applause. Robert Smith was guest soloist for a rendition of "Marqueta" with "Easter Parade" as an encore. Mrs. Stallings played the piano accompaniment.

Clonnie Mae Gribble sang "Sioux City Sue" with Charles Casey and David Buster playing the guitar accompaniment. David Buster sang "Oh What it Seemed to Be." The program was concluded with the audience singing the school song "High O'er the Fields of Battle."

An attractive dinner plate featuring an Easter menu of baked ham, potato salad, green peas, tomatoes, and hot rolls was served after the potato juice cocktail. The dessert course was ice cream and angel food cake. Ladies of the Methodist church prepared the meal and table service was done by the girls from the Sophomore class.

Spring flowers were used as centerpieces on each table. Red and white carnations were on the speaker's table with roses used on other tables. A trail of English Ivy was laid the length of each table flanked by the miniature copies of covered wagons used as place cards.

Both invitations and programs carried clever frontpieces in caricature of the old fashioned tin-type photo. The days of yesterday were further emphasized by the small scale log cabins used on the table and the lanterns in the windows.

with a member of his family talking to him.

He is reported improved today.

NEW OFFICERS OF ROTARY TO ATTEND CONVENTION

Dean Robinson and Robert Cox, the newly elected president and secretary respectively, of the Rotary club will attend a District Convention of the organization early next week in Amarillo.

The two men will leave at an early hour Monday for the meeting which will convene at the Amarillo Hotel Sunday afternoon.

Post Semi-Pros Wallop Ropesville Two Straights

MARSHALL GIBSON Club Reporter

Wednesday's Game

Post baseball diamond was the sight of the second game of the Post-Ropesville series Wednesday afternoon which turned out to be nothing more than a workout for the batteries of the local team. Both teams played heads-up baseball in the first inning of the game but the second inning turned out to be a nerve-wrecking for three of the visitor's pitchers. It was in this inning that every player scored and five of them scoring twice for the local team. Total scores were 18-3 for Post.

Walter B. Holland started on the mound for the Post team, making his first appearance at that position this year and did a fine job before turning the mound over to big left-hander Ed Altman to limber up his arm and practice awhile.

Line up for Wednesday afternoon's game saw Thomas, Altman, Jones, and Peel on the infield and Hester, Simpson and Davis taking care of the outfield. Glen Norman did the catching for Holland.

Line up for the Ropesville team was Barnard, Bradshaw, Birdville, and Harris working the infield with Rice, Chambers, and McKee handling the outfield. Wartus did the catching.

Sunday's Game

A four-run outburst in the first inning gave the Post baseball team a well earned 11-3 victory in the first of the two-game series at Ropesville Sunday afternoon. Walter Jones, making his first appearance on the mound for the local team this year, hurled a complete shutout against the Ropesville nine before being relieved by "Screwball" James Altman in the fifth, who allowed only three scores the rest of the way.

It was the heavy artillery of the local team that drove two fine pitchers from the mound. Punk Peel proved the king of the day by driving a home run over left field.

LOCAL PEOPLE ARE HOSPITAL PATIENTS

As we go to press the condition of S. R. (Ned) Rector is said to be grave. He was removed to his home here several days ago from a Lubbock hospital.

Mrs. Maggie Childress is a major surgery patient at the Plains hospital in Lubbock. She is reported to be doing as well as can be expected following her operation Tuesday.

Walter W. Hyde underwent surgery Saturday at Mineral Wells and is reported as somewhat improved though confined to his bed.

Monday and Tuesday.

ERECTS BUILDING AND IS NOW OPEN FOR WORK

Unable to secure construction workers when he came here several months ago to make his home, R. W. Hambien, who this week announced the opening of his machine shop, turned to the task of laying tile, running concrete, and carpentry, and after weeks of delay in finding materials last week completed his building and is now open for business.

"It has been pretty rough going these past few weeks, for I have had to do all the work from clearing the lot to nailing down the roof, but now I can boast one of the best arranged and equipped machine shops in West Texas," said the energetic owner. His new equipment includes a large lathe, drill press, welding equipment and other items of machinery which enables him to do most any kind of machine and repair work.

Location of the business is on the corner of Highway 380 and Jefferson Avenue, two blocks east of the high school. The shop was opened for business Monday.

LOCAL DEALER SHOWING NEW 1946 DESOTO CAR

On display this week at the show-rooms of the Post Auto Supply Company is the new 1946 four-door DeSoto sedan. The new automobile is being shown with the new Plymouth.

N. W. Stone, owner of the local DeSoto-Plymouth agency, invites the people of the trade territory to see the new cars.

Mr. and Mrs. F. B. Cearley had two of their sons at home recently. Vernon of Houston visited last week, leaving Sunday for his home, Orville of Tulsa arrived Saturday night and remained until Tuesday night.

Rollin' 'em faster on the Santa Fe

Santa Fe serves the Southwest with two main lines.

The northern route runs across the plains of Kansas, southeastern Colorado, and goes over the mountains at Raton Pass.

The southern route leans south in eastern Kansas, runs through Oklahoma, the Texas Panhandle (where it is joined by other Santa Fe lines serving Texas), crosses central New Mexico, and joins the northern route again near Albuquerque.

Along these main lines Santa Fe has increased its yard facilities, straightened out curves and lengthened sidings to handle more freight trains.

Centralized Traffic Control systems have been installed, virtually adding another "main line" to important parts of the Santa Fe.

A great new double-track steel bridge across the Colorado River removes the "bottleneck" created by the old single track bridge it replaces.

80 giant 5400-horsepower Diesel locomotives—the most powerful freight Diesels in the world—are pulling heavy freights over our steepest mountain grades.

These increased facilities on the Santa Fe are ready to "roll 'em faster" for shippers even more efficiently than before.

MISS GILMORE WED TO LAWRENCE BILBERRY IN MORNING CEREMONY

Mr. and Mrs. Tom Gilmore of the Grassburg community are announcing the marriage of their daughter, Theda Jo, to Lawrence Bilberry, son of Mrs. Delia Bilberry of this city.

The marriage vows were exchanged in a simple double-ring ceremony at the home of Rev. Polnac with Rev. Polnac officiating. Attending the couple were Miss Louella Gilmore, sister of the bride who acted as maid of honor and My. Luther Bilberry, brother of the groom, served as best man. Also attending were relatives of the bride, Miss Jean McQueen of this city and Cpl. Walton McQueen on leave from Fort Ord, California.

Mrs. Bilberry wore for the ceremony a black and white flannel suit with accessories of black and white and a corsage of white iris. Miss Gilmore wore a white suit dress with accessories of black and white and a corsage of purple iris. Miss McQueen wore a gray chalk striped suit with black accessories and a corsage of pink iris.

Following the ceremony the bridal party was honored with a breakfast by Mrs. Jessie Voss in her home.

Immediately after the breakfast, the couple left for a short trip to Carlbad, New Mexico.

Mrs. Bilberry is a graduate of Post High school and was formerly employed by the Southwestern Associated Telephone Co.

Mr. Bilberry was in the Marine Corps for three years and saw action in the Southwest Pacific. He is now employed by Scurlock Oil Company.

MISS MURLENE BULLOCK AND HUGH SLAGLE WED

Miss Murlene Bullock, daughter of Mrs. M. F. Bullock of Lubbock and Hugh Jack Slagle, son of Mr. and Mrs. Hugh Slagle of Lubbock were united in marriage Friday morning at 8:00 o'clock. The wedding took place in the home of Rev. C. A. Bickley, with Rev. Bickley officiating.

The bride wore a deep rose suit with black accessories and a corsage of gardenias. Miss Geraldine Bullock, twin sister of the bride and Kenneth Pharr were attendants.

The bride lived in the city several years and attended school here. She is a graduate of Lubbock High school. The groom also graduated from Lubbock High school and was recently given an honorable discharge after serving three years in the Army Air Corps.

After a wedding trip to New Mexico, the couple will be at home in Lubbock.

Mrs. Lizzie Northcutt of Post visited recently with Mrs. Alice Jacobs of Snyder.

BRIDAL SHOWER GIVEN IN MATSLER HOME IN HONOR OF MRS. BILBERRY

Mrs. L. W. Marlar was hostess on Thursday afternoon, April 18, for a bridal shower honoring Mrs. Lawrence Bilberry, who was Miss Theda Jo Gilmore. Mrs. Marlar was assisted by Meses, J. W. McQueen, A. M. Lucas, and J. B. Matisler in giving the party which was held in the home of their mother, Mrs. J. M. Matisler in the Grassburg community.

The honoree received a "wagon load" of gifts, drawn in by her little cousin, Kay Marlar. Mrs. Bilberry opened the daintily wrapped gifts and they were passed for inspection.

A lovely refreshment course was served to Meses, Della H. Merriman, Billie Powell, Ralph Parsons, Nettie Havens, Elmer Havens, Homer Bobbitt, T. A. Gilmore, Maud Buster, Russell Wilks, Sr., Russell Wilks, Jr., E. W. Cross, W. C. Quisenberry, Misses Ethel Summerland and Ruth Billingsley, all of the Grassburg community; Mrs. Lee Latham of Spur; Miss Eunice Parsons of Calgary; Misses Marguerite Lucas, Henrietta Nichols, and Jean McQueen of Verbenia community; Meses Marshall Reno, and Alpha Bilberry and the honoree from Post.

A lovely refreshment course was served to Meses, Della H. Merriman, Billie Powell, Ralph Parsons, Nettie Havens, Elmer Havens, Homer Bobbitt, T. A. Gilmore, Maud Buster, Russell Wilks, Sr., Russell Wilks, Jr., E. W. Cross, W. C. Quisenberry, Misses Ethel Summerland and Ruth Billingsley, all of the Grassburg community; Mrs. Lee Latham of Spur; Miss Eunice Parsons of Calgary; Misses Marguerite Lucas, Henrietta Nichols, and Jean McQueen of Verbenia community; Meses Marshall Reno, and Alpha Bilberry and the honoree from Post.

MISS ALAWANE BLAND AND J. W. HODGES UNITED IN MARRIAGE

Miss Alawane Bland, daughter of Mr. and Mrs. J. M. Bland of Pleasant Valley and Mr. J. W. Hodges, son of Mr. and Mrs. B. B. Hodges of Post were united in marriage on March 22 at 9:00 p. m. Rev. Hutton A. Polnac, pastor of the First Baptist church, read the double ring ceremony.

Mr. Floyd Hodges, uncle of the groom served as best man.

The bride chose a powder blue wool suit with white accessories and wore a white corsage. Her attendant, Miss Hodges, chose a blue suit with black accessories.

The bride was a graduate of the class of '44 of Southland high school.

The groom was recently discharged from the Navy after spending 22 months overseas.

The couple left immediately following the ceremony for a two weeks honeymoon in Young county.

FAMILY REUNION HELD IN MRS. HALL'S HOME

Mrs. Sarah F. Hall has been enjoying a visit with all her children for the past week. Those here were Raymond Hall, CM 3-c who is just home from Guam; Mrs. Ada Billingsley of San Diego, Calif.; Mrs. E. E. Sanders and son, Wesley, and Mr. and Mrs. James Briles of Abilene; Mr. and Mrs. Lawrence Hall, Mr. and Mrs. Bob Ray and boys and Miss Estell Hall, all of Post.

Mrs. Hall was hostess for a picnic lunch and Easter egg hunt at the roadside park on Saturday.

DR. GLENN KAHLER IS GUEST SPEAKER FOR P-TA MEETING FOR APRIL

The April meeting for the P-TA was held at the High School and was an open night meeting.

Mrs. B. E. Young called the meeting to order in the absence of the president, Mrs. Kirkpatrick.

The hospitality committee was Mr. and Mrs. Marvin Hudman.

Rev. Smith gave the invocation. A group of Mrs. Stallings' pupils, El Wanda Davies, La Rue Kennedy, Mary Nell Bowen, Mary Ann Hundley, and Robert Smith, rendered the musical portion of the program.

Miss Johnnie Cook introduced the guest speaker for the evening, Dr. Glenn Kahler, who spoke on "Health As An Important Factor." His talk was on three topics: disease we meet with each day, new drugs and sanitation.

The common disease, measles, causes more deaths in the U. S. than the dreaded disease of scarlet fever. The big danger of measles is pneumonia. The common signs of measles are colds and sore eyes.

The child should be taken from school at the start of symptoms as the most communicable time is at the beginning of the disease. A serum can be given for measles a few days after exposure. German measles are not so severe. After the rash is gone the infection danger is over.

Children should be vaccinated for small pox. The vaccination is good for immunity for 3 to 7 years.

Diphtheria is a serious disease of the throat. The child is immune up to six months of age but should be inoculated with serum and then given the Schick test before entering school.

Pneumonia is a disease that responds to penicillin. A number of germs respond to penicillin and it has greatly reduced mastoid operations.

Sanitation is an important factor. A single fly can carry a million germs. Garbage is a big breeding place for flies. Use covered garbage cans or burn the garbage. Proper drainage is necessary to prevent mosquitoes.

The class awards went to Miss McMahon's Second grade, Mrs. McRee's Seventh grade and the Eighth grade.

CPL. D. N. POOLE MARRIES ENGLISH GIRL MARCH 19

A wedding of interest to friends here was performed in England on March nineteenth.

Cpl. D. N. Poole, son of Mr. and Mrs. I. D. Poole of this city, was married to Freda Ryland, daughter of Mrs. Teresa Ryland of London, England. The ceremony was performed by the justice of the peace at Euston Town Hall in London.

The bride wore a white embossed velvet dress with brown accessories. Her corsage was of pink carnations. Her attendants were dressed in blue.

A reception was held at the Koh-In-Nor in Leicester Square. The couple left for Brighton, Sussex for a week. The bride chose a green tweed suit for traveling.

Cpl. and Mrs. Poole expect to arrive in the States some time in July.

FAMILY REUNION HELD SUNDAY IN YARBRO HOME

Mr. and Mrs. J. D. Yarbrow of Canyon Valley were hosts Easter Sunday for a family reunion, in which all of their ten children participated. This was the first time in eighteen years that all of the family had been together.

A dinner was enjoyed by the group and reminiscing of old times was the order of the afternoon.

Here for the occasion were Mr. and Mrs. H. B. Yarbrow of Phoenix, Arizona; Frances Yarbrow of Ponca City, Oklahoma; Mrs. Roy Kinnel of Bishop, Texas; Mrs. Viola Morgan and Mrs. Winnie Kubank of Mineral Wells; Mrs. Eunice Pope of Houston; Dennis Yarbrow, just home from Army service in the Aleutians with his discharge; Hubert Yarbrow and C. P. Yarbrow of Post and Willard "Billy" Yarbrow of the Canyon Valley community.

YOUNG PEOPLE OF BAPTIST CHURCH ENJOY SOCIAL

The Young People's class of the First Baptist church training union held a social at the church recently.

Games of truth and consequence were played with the feature entertainment of the evening proving to be Madame Lulu played by Mrs. Clairborne Firtle.

Following the games, delicious refreshment plates were served to the group.

Sponsors of the affair were Meses, Morris Neff and W. L. Davis. Leader of the group is Rev. Hutton Polnac.

Mr. and Mrs. S. C. Caldwell attended the funeral of Mrs. Caldwell's uncle, C. C. Richards in Levelland Monday, April 15. While there they visited in the Tilden Brown home.

RECENT BRIDE HONORED WITH TEA-SHOWER TUESDAY AFTERNOON

A tea and miscellaneous shower was given Tuesday afternoon in honor of Mrs. Oscar Outlaw, jr., the former Miss Kathryn Baker.

Friends of the bride were hostesses for the party in the home of Mrs. Duke Travis.

Guests were greeted by Mrs. R. D. Travis and Mrs. John Baker. Mrs. Baker, mother of the bride, stood in her place as Mrs. Outlaw has gone to South Carolina to make her home.

Lovely arrangements of spring flowers in Franciscan pottery vases and pot plants decorated the receiving rooms. An especially lovely display of yellow iris in an orchid vase was reflected on a round mirror to form the center piece of the lace laid tea table.

Spiced punch, iced tea cakes, wafers and mints were served. Favors were miniature fan-shaped in honor cards tied with blue ribbon.

Guests registered in a lovely white embossed leather bride's book. Many beautiful and practical gifts were on display.

Assisting the Meses, Travis as hostesses for the lovely affair were L. H. Ingram, C. R. Thaxton, Geo. Tillman, Doyle Keely, Miss Mattie Ferguson, Mrs. Maggie Childress, Mrs. W. W. Hyde, Miss Nora Stevens, and Mrs. Nolan Clary.

MRS. GEORGE SAMSON IS HOSTESS TO MEMBERS OF T. E. L. CLASS

The T. E. L. class of the First Baptist church met on Wednesday, April 17, with Mrs. George Samson with Mrs. A. B. Stewart as co-hostess.

Mrs. Bouchier called the meeting to order. Mrs. Tomlinson read the minutes. The devotional was given by Mrs. Bouchier.

During the business session two new officers were elected. Mrs. Snowden was elected first vice-president and Mrs. Faulkner was elected reporter.

Several appropriate contests were enjoyed. The hostesses served orange bread, angel food cake, fruit salad, and iced tea to thirteen members of the class and one visitor, Mrs. Ben Williams.

The next meeting will be with Mrs. W. F. Pierce on May 15 with Mrs. C. W. Terry as co-hostess.

BREAKFAST HONORS MISSES IRIS PARKER AND ROBERTA HAMPTON

Mrs. J. E. Parker was hostess with a beautifully appointed breakfast Saturday morning when she honored her daughter, Miss Iris Parker, and her house guest, Miss Roberta Hampton of Ft. Worth. Both young ladies are students in TSCW in Denton and were spending the Easter holidays in the Parker home.

Spring flowers were used throughout the entertaining rooms and an especially attractive arrangement of roses was used on the attractive breakfast table. Place cards for the guests were held by novel floral plastic easels.

A delicious three course menu was served.

Games of bridge were enjoyed following the breakfast.

Guests present besides the honorees included: Meses Norma Hudman, Hazel Cash, Marian Hodge, Mary Robertson, Peggy Sue Robinson, Pat Morrow, Melba Miller, Billie Kennedy and Wanda Thomas.

MRS. J. W. HODGES HONORED AT BRIDAL SHOWER RECENTLY

Mrs. Lee Ward was hostess in a bridal shower on April 16 honoring Mrs. Alwane Hodges. Mrs. Ward was assisted by Mrs. Verria Chase, Mrs. J. M. Bland and Mrs. Robert Mock.

Refreshments were served to Meses, Hardy Smith, J. A. Meskes, O. E. Dickinson, L. L. Barnes, Dillard Dunn, B. B. Hodges, M. E. Edwards, J. M. Bland, B. D. Robinson, Verria Chase, Robert Mock, Lawrence Burkett, Elmer Hitt and J. B. Robinson.

The honoree received many lovely and useful gifts.

MRS. LONG TO PRESENT PRIVATE RECITAL

Mrs. Elmer Long is to present six of her piano students in a private recital in her home at 8 o'clock next Friday night.

Joyce Short, Tommie Lou Scott, Barbara Norris, Helen Thaxton, Mohoto Allen, and Kenneth Karr will be featured in a program of musical selections in solo and duet form.

CLUB MEMBERS HANG CURTAINS IN CLUB ROOMS

Home Demonstration club members of the Close City club met in the club room and put up the curtains last April 16. All members are urged to be present on April 30 as the club plans to meet in the home of Opal Williams and finish piecing the quilt at that time.

World rice production in 1945 was 15 per cent below pre-war levels.

FIRST CHRISTIAN YOUTH FELLOWSHIP GROUP PRESENTS PROGRAM

Members of the Christian Youth Fellowship presented a special program at the First Christian church last Sunday morning during the Sunday school hour.

Calvin Hill, president of the group, presided. A piano solo was given by Kenneth Karr. "The Old Rugged Cross" was sung by the congregation before a reading of The Lord's Prayer in unison.

The choir of the young people sang two of their favorite songs "In the Garden" and "Jesus Keep me Near the Cross."

Alarah Pierce gave the Scripture reading from Matt. 28:1-8. The Easter message was presented by Mrs. Willard Kirkpatrick.

"Olive's Brow" was given as a communion hymn with George Pierce and Kay Kirkpatrick serving as junior deacons. A unison prayer was recited for the offering and Misspah was given as a benediction.

MRS. BARTLETT HONORED AT BRIDAL SHOWER

Mrs. Henry Bartlett, the former Miss Charlotte McKinley, was honored at a bridal shower in Lubbock given in the home of Mrs. H. L. Brooks. Amisting hostess was Mrs. Steve Clay.

Kitchen utensils were presented as game prizes and were in turn given the honoree.

JUNIOR G. A. GIRLS MEET IN REGULAR SESSION MONDAY

The Junior G. A. girls met Monday afternoon, April 22, at the church. There were twelve present. One visitor, Barbara Lewis, was there.

The watchword and pledge of allegiance was given. Several songs were sung. The regular program was then given.

The group was adjourned until the next meeting on April 29.

PRISCILLA NOTICE

There will be no meeting of the Priscilla club this week because of the Baptist revival.

Bits Of News:

Mrs. Euel Harrison of Midland visited Saturday and Sunday with her parents, Mr. and Mrs. E. E. Cass, and friends.

Mrs. Madge Mathis has returned from a trip to Dallas, Ft. Worth and Wichita Falls. While in Dallas she was a guest of Mrs. Jack Edwards and Mrs. L. H. Arnold.

Hoy Hill is spending a few days in Oklahoma City visiting his two sisters, Joyce and Jaunie Hill.

Mr. and Mrs. H. G. Howard, Jr. and baby, Sandra, of Lubbock visited Sunday with Mrs. I. L. Gollehon and Vera.

Miss Roberta Hampton of Ft. Worth visited in the J. E. Parker home over the Easter holidays. She is a freshman student attending TSCW in Denton.

BILL THOMAS PLANS TO CONTINUE ART WORK UNDER GI EDUCATIONAL PROGRAM

Bill L. Thomas, cartoonist-artist, grandson of Mrs. John Lamond and son of Mr. and Mrs. Mike Thomas of Albany, formerly of this city, was discharged from the Army last month. Bill served three and half years as cartoonist for the Air Flox Army paper at Williams Field, Arizona, and one year in the occupation of Germany.

Bill will be remembered in Post as art director of the Garza theatre during his high school days of 1934-35. Prior to his enlistment in the Army he was working for an art studio in Hollywood. He also took a two months art course in Biarritz, France. He plans to take advantage of the GI Bill of Rights educational program and to continue his study in commercial art. On his way to California he visited his grandmother and relatives here.

convene on April 30.

At the request of the Chairman of the House Appropriations Committee, Mahon spent last Saturday at the Atomic Bomb project at Los Alamos near Santa Fe, New Mexico. Mahon is a member of the committee which provided the funds for the project. GARZA-DICKENS GROUP ASK DESIGNATION OF POST-SPUR HIGHWAY

A delegation of fifteen rural residents of northwestern Garza county and a group of farmers from Dickens county accompanied County Judge J. Lee Bowen and Commissioner Wren Cross to Lubbock the first of last week to attend a highway meeting.

The group made request to the State Highway Commission, meeting in special session, and to Rep. Sterling Williams and Senator Sterling Parrish, for designation of a highway between Post and Spur.

The request is to be considered by the Commission and notification on its action will be expected within a few weeks.

Growth And Improvement Indicated For Neighboring West Texas Towns

In a check on news from towns over the region no outstanding action was taking place in any of the towns. Last week seemed to be a very quiet time. Most of the papers gave space to Easter services of their various churches.

Halls was announcing the organization of a Rodeo Association. The preliminary plans had been made. A site was to be purchased and buildings erected to house a permanent organization.

Crosbyton was mourning the passing of long time resident Percy Lamar, who died April 14 after a short illness. The temperature of the Easter "spell" was recorded as 34 degrees.

Spur's third Annual Fat Stock Show drew large crowds and netted \$16,326.48 in sales for the exhibitors. Of interest to musicians and budding musicians was the

news the Spur band had carried off second division honors in concert and sight reading work. Spur was host on April 10 to a meeting of the Five County Bar Association.

Slaton reports over three miles of city paving done since January 1. The formation of a Girl Scout Troop was in process this week by interested girls and parents.

Wilson reports their road to New Home was being paved.

Taboka reports that farmers cooperating with the Soil Conservation Service have had 768 miles of terraces built since the service was started in 1942. Of this amount 300 miles have been built since January 1 of this year. The Chamber of Commerce had a dinner meeting at which various aspects of their work was discussed.

Seagraves will be on the proposed feeder airline from Wink to Lubbock. The Gaines County news announces the addition to their staff of Wayne Watson as advertising manager and general news man.

Denver City's school system is being greatly assisted by the new high school workshop which is nearing completion. The building has been erected at a cost of \$55,000 and will house about \$25,000 worth of equipment. Plans have been drawn for a \$300,000 elementary school building which will extend over a portion of two blocks.

At Snyder the Von Roeder Seed Farms received a request for 200 tons of Western Prolific cotton seed. This came through the Venmar Trading Corporation—export, import dealers and international dealers—from a client in Syria.

At Hamlin, crews had moved in to begin highway construction work.

Haskell is to have 20 to 30 apartment units to help the Veterans housing situation. The Junior C of C sponsored a meeting to plan for the provision of summer recreational facilities, especially for the youngsters.

Brownfield has a detachment of the Marine Corps League which was organized April 18. It will be named for David Hanks and Irbie Cargill, killed on Iwo Jima.

Levelland was host to FFA youngsters last week in the fifth annual show sponsored by the Lions club.

OUTLOOK FOR TEXAS GRAIN CROPS REPORTED GOOD AT THIS TIME

Unless conditions grow worse, Texas farmers in 1946 should produce the third largest wheat crop in the state's history. Based upon April 1 conditions, the Crop Reporting Board of the U. S. Department of agriculture forecast a yield of 59,940,000 bushels, according to a statement released by the Bureau of Agricultural Economics at Austin. If this yield is realized it will come from the largest acreage ever seeded in Texas.

The BAE statement points out, however, that final wheat harvest is dependent largely upon the state of the weather during April and May. In the important north-west wheat area, timely rains and snow provided sufficient surface moisture to bring the crop through the winter and early spring months with light losses of acreage. Notwithstanding, total rainfall for the season is below normal and subsoil moisture is deficient. Meanwhile, good general rains are needed to prevent further loss in acreage and yield.

In other wheat areas, however, rainfall generally has been adequate and the crop to April 1 had made good progress. Infestation of greenbugs have been reported in many areas, but the damage from this insect had not been excessive.

Assuming that current growing conditions continue, or improve, the yield forecast would be exceeded only by the record crop of 1944 and that of 1931.

The BAE statement said that the prospective yield per seeded acre at 10 bushels is 1.9 bushels above the seeded yield from the 1945 crop and 1.8 bushels above the 10 year (1935-44) average of 8.2 bushels.

Continuing, the statement said that for the state as a whole, the reported condition of other winter grain crops are average or better than average, but these crops in the northwest area also needed additional moisture to prevent losses in yield and acreage. An eight per cent reduction in corn acreage compared with 1945 is indicated by prospective planting reports on March 1. Most of the corn acreage in the important north central areas had been seeded under favorable conditions and the crop is up to a good stand in the southern areas. Much of the sorghum acreage in the earlier areas also is up to a good stand.

ANTELOPES TO COMPLETE SPRING TRAINING FRIDAY

Thirty-four Antelopes who have been undergoing four weeks of spring football training will turn back their uniforms Friday to Coach "Bing" Bingham and await early fall training and the mentor's placement on the team.

Coach Bingham said prospects are fairly bright for next season's team, and was pleased with the showing made by the boys Saturday night when they tangled with the graduating Antelopes of the 1945 squad. The game resulted in a 7-0 victory for the grads.

Beavers, the only one within 800 miles, have built a dam on Big Mineral Bay, Lake Texoma.

LYNN COUNTY FARMER HEADS FLYING FARMERS

Clayton Beard of Tahoka will act as temporary chairman of the first meeting of Texas Flying Farmers at Texas A and M College April 29-30. Dr. Ide P. Trotter, director of the Texas Extension Service, has announced. Beard is president of the Lynn County Flying Farmers.

H. A. Graham, executive secretary of the National Flying Farmers' Association and Forest Watson, president of the Oklahoma Flying Farmers, have accepted invitations to appear on the program.

Henry Bombhoff, Caumont, Oklahoma, will speak at the April 30 luncheon. Bombhoff, "dean" of the Flying Farmers, has more than 4000 hours of flying to his credit. He has made a specialty of hunting coyotes from the air and has killed more than 900 by this method.

Lemon Juice Recipe Checks Rheumatic Pain Quickly

If you suffer from rheumatic, arthritic or neuritic pain, try this simple, inexpensive home recipe that thousands are using. Get a package of Ru-Ea Compound, a 2 weeks supply today. Mix it with a quart of water, add the juice of 4 lemons. It's easy, pleasant and no trouble at all. You need only 3 tablespoons two times a day. Often, within 48 hours — sometimes overnight — splendid results are obtained. The pain does not quickly leave and if you do not feel better, Ru-Ea will cost you nothing as you can return it by your druggist under an absolute money-back guarantee. Ru-Ea Compound is for sale and recommended by

IN LUBBOCK

What is your GUESS? on our profits...

SOMETIMES, although an idea is wrong, it does no harm. Like the idea that a square jaw is the sign of will power. That winters aren't as severe as they used to be, or that red hair denotes quick temper.

But there are other wrong ideas, which are definitely harmful to public confidence in and understanding of industry. One such idea is the current "guessing" about profits made by large business organizations.

Many people are apt to grossly exaggerate the money made by business. So Opinion Research Corporation (an independent organization) made a survey to learn just what the public thinks about profits. Compare these guesses and yours with the International Harvester profit figures given below.

Public guess on war profits . . . 30.0¢
If four war year average profit . . . 4.9¢

In this survey, the average of the guesses by the public of the wartime profits made by industry was . . . thirty per cent (30%).

But in the four war years of 1942, 1943, 1944, and 1945, the profits of International Harvester Company averaged only . . . 4.9% on sales. Less than one sixth of what the general public "guessed" for all industry.

For this period, the year by year per cent of profits on sales was: 1942—7.34, 1943—5.59, 1944—5.95, 1945—3.81.

Public guess on peace profits 18.0¢
If four pre-war year average profit . . . 7.17¢

In the four peace years of 1938, 1939, 1940, and 1941, the profits of International Harvester Company averaged . . . 7.17%. This is well under half of what the public "guessed" for all industry.

Public guess on current I H profits 10¢
If four pre-war year average profit . . . 7.17¢

The survey indicates the public knows that in our economy profits are indispensable. And the majority would 10% as a fair

rate of profit in normal times. Many large businesses, including ourselves, would consider it a banner year if we could reach this figure. Our average profit for the last ten years—four war and six peace—was 8.43%—more than a third less than what the public considers fair.

All these figures show that our profits are not high. As a matter of fact, the entire farm machinery industry is a low profit industry. In 1944, the Federal Trade Commission published a list of 76 industries ranked in order of their ratio of profits to sales. The farm machinery industry was 57th on the list.

What About Current I H Prices?

When the War ended and we planned our post-war production, we had hoped to be able to serve our farmer customers at the same level which has held since 1942, regardless of war-time increases in costs of wages and ma-

terials up in that time. But recent developments have forced a change in our plans.

Wages and materials consume nearly all of every dollar Harvester takes in from sales. A Government board has recommended and the Company has agreed to pay a general wage increase of 18 cents per hour for Harvester factory employees. The Government has also allowed price increases on raw materials which we purchase in large quantities. Steel has had an average increase of 8.2%.

1946 OUTGO
1942 INCOME
There has been no general increase in our prices since they were frozen by the Government early in 1942.

So our situation today is that what we BUY costs us 1946 prices. We will be paying average hourly wages 56% above 1941. For what we SELL, we get only 1942 prices. This condition cannot long be met out of our present low rate of profit.

Future Prices on I H Products

It is plain that price relief will be needed to meet the increased wage and material costs which we must carry.

We regret this necessity. We prefer to lower prices, when possible, rather than raise them and we know our customers prefer to have us do that. We had hoped to be able to "hold the line," at least. But we do not see how we can avoid operating at a loss if our prices continue to remain at their present frozen levels. We will NOT "cut corners" on any of our products, because QUALITY IS THE FOUNDATION OF OUR BUSINESS.

Our customers can be certain that we will seek no more than a moderate profit, both because of our policies and because we have approximately 300 competitors fighting us vigorously for your business. Our request for price relief will be no more than is necessary to insure continued service to our customers, continued work for our employees, and a reasonable return for our stockholders.

LACK OF INTEREST - - - AS USUAL

A meeting was announced for last Friday night to discuss the formation of a Cub Scout pack here. It seems several different parents had expressed wishes for such an organization for their young sons.

Two scout officials from Lubbock were contacted and agreed to come down and preside at the meeting. They were met by Rev. Polnace at the Baptist church and the three visited some thirty minutes past the appointed hours.

Probably in disgust, the scout men bid Bro. Polnace a farewell and departed from the city, leaving him, to say the least, somewhat embarrassed. On Saturday morning several persons called the preacher, inquiring "What did you do at the meeting?"

We have very little comment to make; just thought the public should be informed as to the reason Post's younger boys will not have a Cub pack.

Whether these boys are fully occupied at something worthwhile during their after school hours or the parents just couldn't make the effort to attend the meeting we do not know.

AN ANTIDOTE TO CRIME AND DELINQUENCY

The most effective antidote to crime is religion, pure and undefiled—practiced every day in the week by Mother and Daddy, Aunt Mary and Uncle Joe. That religion that causes people to respect the rights and property of others and in general "do unto others as you would have them do unto you" is the crying need of today over the entire land.

The next most effective antidote to crime is probably sports. Boys and girls, young men and women, love games and other activities in which they use their bodies and minds in competitive action.

Many communities have found that a well organized sports program eliminates juvenile delinquency. Among these is Amarillo. Through its Boys and Girls, Inc., a non-profit organization sponsored by various adult groups, the youngsters have a constant opportunity to take part in mild or strenuous sports, as their fancies dictate.

Our nation pays an extremely large bill for crime and punishment. One writer has stated that "an expenditure of 3 per cent of our present annual crime bill would be more than adequate to furnish athletic instruction and organization and most of the playing equipment."

Post, fortunately, has not suffered from a tremendous amount of crime that can be laid at the doorstep of youth. But the prevalent disregard for property and personal rights, public liberties taken by various ones, and an unwise lethargy on the part of some parents and other adults—all these factors might be minimized if Post were to organize effectively this summer in order to give her youngsters something worthwhile to do.

A swimming pool is one step in the right direction, and a long step. With proper organization, contests and tournaments could be held there that would benefit hundreds of youngsters in Post and surrounding territory.

Dozens of the teen-age group would like a summer-long musical program if it were energetically handled.

The organization of the Boy Scouts' softball team is a fine step and should be followed by other teams among the boys of the town.

The time is here to prove to the youngsters of Post that we care what happens to them this summer.

WHAT DO WE WANT?

The surest way to destroy representative government in this country is to tie its future to our economic fortunes. Even now the American form of government is being distorted in an effort to control "inflation," to protect the people from possible economic hardships resulting from the war, and excessive government borrowing.

The truth is that there is no sure way to avoid a postwar upheaval. Material values will continue to undergo change. A people of strong will can live through the hardship of this change, and if necessary start from scratch, economically speaking. However, continue the present trend of trying to soften the blow of what we are pleased to call inflation, by sacrificing institutions of government that alone stand between the people and the ruthless political oppression of past ages, and there will never be an opportunity to build anew. The sacredness of the individual inherent in the American political structure is the foundation of our civilization. Nothing should be permitted to weaken this structure. That is why the present controversy over the extension of OPA goes so much deeper than the question of prices. OPA is a form of government. It rules by decree. It can spread through every strata of American life. It is beyond the courts of our land. The question—and the only question—is, Do the people want this kind of government?

LOCAL GOVERNMENT OUR SAFEGUARD AND OUR RESPONSIBILITY

We may well ponder the prophetic warning voiced by Thomas Jefferson, long ago, when he said: "When all government, domestic and foreign, in little or great things, shall be drawn to Washington as the center of all power, it will render powerless the checks provided of one government on another. And will become as vernal and oppressive as the government from which we separated."

The war has made women so independent that the GI's new home will need two master bedrooms.

John Deere Sights Were Set High In Designing New Farm Equipment

ALL during the war, the experimental departments in John Deere factories continued, without interruption, their development of new and improved machines.

Sights were set high... designers aimed at new and practical ways of making farm life easier, more profitable. And shortly, the farmers of America will see a parade of great equipment that will prove their aim was true... equipment matched to the 109-year-old John Deere tradition of quality manufacture—more value for the dollar invested.

Revolution is the new hydraulic power-control on John Deere tractors. A touch of the hand actuates a rock-shaft for integral equipment or a cylinder on draw and power-driven machines—lifting, lowering, and maintaining them in any desired working position. It truly introduces the lever-less age in implement design.

Outstanding are new one-man Quik-Tatch devices for cultivators, bedders, plows, and other integral equipment... time-savers that mean more hours in the field, less knuckle-scraping in the change-overs—one man does the trick.

There will be a new tractor for the small farm with outstanding new features that put it far ahead of the field. An important new machine is the John Deere Automatic Hay Baler, destined to get baling costs to rock bottom. One man, instead of three or four, does the job. It's the only baler of its type that feeds the windrow directly into the

baling chamber and ties with wire.

New and improved harvesting machines include a new self-propelled 12-foot combine and many new features on the famous John Deere No. 12-A. Lighter-weight, faster-working corn pickers will shorten and lighten the corn harvesting job. A new, really portable elevator not only handles corn, but baled hay as well. A simple new grain mover that will replace

old-style small grain elevators. Best growers are enthusiastic about the new John Deere balers and loaders already in the field in small quantity. Potato growers will welcome the new double level-bed digger—a new, more practical two-row machine. The new combine harvester is a major contribution toward cost-reduction in the growing of cotton.

New integral one- and two-bottom plows... a new two-bottom truss-front plow... a new disk plow... a new load-leveler... a six-inch hammermill for small power... low-cost, front-end manure loader... a plow-sole fertilizing attachment... new low-down rubber-tired grain drills... an integral field cultivator—these and many other new and improved John Deere machines will be on their way to American farms.

Manpower and materials will be the only limiting factors in production during the coming months, so keep in touch with your John Deere dealer—be ready for the new day in farming with new equipment from the John Deere Full Line.

SUGGESTIONS OFFERED IN PREPARING VEGETABLES BY EXTENSION SPECIALIST

A good way to help save food for shipment overseas is to eat more of the foods now in abundance. Edith Lawrence, specialist in food preparation for the A. and M. College Extension Service, offers a few suggestions on preparation of the many vegetables on the market.

One of the vegetables in good supply is spinach—that greener noted for its vitamin A. For spinach preparation Miss Lawrence advises cutting off the root before washing. Then using two pans of clear water, lift the spinach from one to the other until the leaves are free of all grit. Cook the spinach in very little boiling water and in a covered pan over a low fire for 5 to 10 minutes until the leaves are tender. Some of the more tender leaves may be used raw in a salad.

Cauliflower, also on the plentiful vegetable list, is noted for its vitamin C content—especially if eaten raw. The flowerlets add a color contrast to green salads or served with carrot strips and radishes, make a good relish dish. As to cooking cauliflower, 10 to 15 minutes is sufficient. The shorter the cooking time the whiter the vegetable will be and the more food value saved.

Still another vegetable plentiful at present is celery. Two varieties now on the market, are Golden Heart, the blanched type, and Pascal which is green in color. Pascal has gained popularity of late because it is more tender and less stringy.

The inner branches of the stalk are good for out of hand eating or salads. The slightly coarser outer branches are excellent in soup or in bread dressings with meat, or in combination with other cooked vegetables.

Some root vegetables in good supply are beets, turnips and rutabagas.

PRECAUTIONS GIVEN FOR PREVENTION OF FARM AND HOME ACCIDENTS

Spring is clean-up time and time to clean out the hazards around the farmstead which might cause injury. With farm labor shortages and continued demands for high food production, the farmer cannot afford to lose the services of farm workers through accidents. The National Safety Council has listed several wise precautions for prevention of accidents.

Other than the personal factor of poor judgment, the largest single cause of injuries was disorder, according to a study made by the Council a few years ago. A place for everything and everything in its place is a prime safety rule.

Broken steps can be responsible for accidents of serious consequences. Floors should be solid, smooth and in good repair. They should be free from obstructions which would cause inconvenience or falls.

At this season of the year many barns have become cluttered with the accumulation of items used during the winter. Suitable places should be found for locating or storing such items. Avoid stiring loose materials overhead on rafters or between floor joists, and make sure that forks, scrapers, brooms, and rakes are kept in racks or places where they will not fall and injure people.

A well-arranged and well equipped farm repair shop brings tools and work together in a suitable location and reduces loss and damage. It is a wise precaution to check the handles of hammers and axes to see that they are secure and in good condition. Ample

Swing of Southwest Farm Markets

Last week saw steady prices and fair demand for most southwest vegetables, stronger prices for cattle, but weaker for sheep and lambs, hogs and grain at ceiling, and fair Easter demand for poultry and eggs at steady prices, according to USDA's Production and Marketing Administration.

Cotton prices fluctuated over a wide range during the week but later gained some ground.

Scarcity of all grains continued to hold prices at ceiling. Feed markets were near stagnation with the demand for poultry feed rising. Remaining supplies of rice were in active demand. Local wholesalers in Texas and Louisiana were reported seeking leftover lots of seed rice for custom milling to take care of summer consumer needs.

Easter demand kept heavy receipts of eggs at about steady prices last week. Current receipts brought 30 to 30 1-2 cents per dozen, Fort Worth; 30 to 31 cents Dallas; 29 to 30 cents, Denver; and 31 to 32 cents, New Orleans.

Despite light movement of southwest poultry and fair holiday demand, prices remained about steady with heavy hens quoted at 22 to 24 cents per pound at Dallas and Ft. Worth; 22 to 25, Denver and around 29 cents, New Orleans. Fryers were short of demand and brought about 30 to 31 cents a pound at most markets.

Cattle prices were up 25 to 50 cents per hundred at most southwest markets last week. Houston sold medium yearlings at \$13 to \$14.50 per hundred pounds and medium cows at \$10.25 to \$11.75. At San Antonio medium and good shorted yearlings brought \$14 to \$15.50, and common and medium cows \$8.50 to \$12.50. Fort Worth moved good beef steers and yearlings at \$16 to \$17, medium and good cows \$11 to \$13.75. Oklahoma City and Denver quoted top steers at \$17, medium and good cows \$11 to \$13.75. Oklahoma City and Denver quoted top steers at \$17 and beef cows to \$13. Wichita offered good light stock steers and yearlings at \$14 to \$15.50.

Broad demand ruled southwest hog markets last week and kept prices at ceiling.

R. P. Cowdreys Visit With Lubbock Relatives

Mr. and Mrs. R. P. Cowdrey visited Easter Sunday in Lubbock with relatives and friends. Others in the group were Mr. and Mrs. Nobel Cowdrey who are visiting here from Long Beach, Calif.; Mr. and Mrs. James Hayes of Petty, Texas; and Mr. and Mrs. J. B. Cowdrey of Lubbock.

Mr. and Mrs. Dale Cowdrey were hosts for dinner. Kodak pictures were made and the group enjoyed a picture show.

Arriving here recently was F1-c Spencer Kuykendall who was here on a 20-day leave. He has been in the Navy for 15 months, serving overseas 6 months on the Marshall Islands, Carlines, Philippines, Japan, Midway and Pearl Harbor. Spencer left Tuesday to report back to a base in Charleston, S. C. He hopes to receive his discharge within 4 or 5 months.

light and a place for keeping tools are important in a good shop.

Proper lighting and suitable receptacles for knives and other sharp kitchen tools are other important safety considerations.

Garza Countains WHO RECEIVED COVETED "Raptured Duck" DURING THE PAST WEEK

Other men who were registered in Garza county and have received honorable discharges recently include: Raymond Hall, Henry L. Hester, Robert L. Thummerson, Robert N. West, Virgil W. Justice, Willie S. Johnson, Jr., Hollis W. Branson and Simeon R. Kemp.

Robert H. Collier, Jr., son of Mr. and Mrs. R. H. Collier of this city, has been discharged from the Army after serving thirty-eight months with the medical department. Before entering the service he was a student at the University of Texas.

LEGAL NOTICES

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: Jesse Loyd
GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 27th day of May, A. D. 1946, at or before 10 o'clock A. M., before the Honorable District Court of Garza County, at the Court House in Post, Texas.

Said Plaintiff's petition was filed on the 2 day of November, 1945. The file number of said suit being No. 814. The names of the parties in said suit are: Lillie Mae Loyd as Plaintiff, and Jesse Loyd as Defendant. The nature of said suit being substantially as follows, to-wit: For Decree of Divorce on the grounds of cruel and harsh treatment, through non-support, cursing and abuse and threats of violence toward plaintiff and her family.

Issued this 9th day of April, 1946.

Given under my hand and seal of said Court, at office in Post, Texas, this 9th day of April, A. D. 1946.

RAY N. SMITH, Clerk
District Court, Garza County, Texas

BIRTHS OUTNUMBER DEATHS THREE TO ONE IN COUNTY IN 1945

Records maintained at the county court house by Mrs. Eama Cash for the Bureau of Vital Statistics reveal that for every death which occurred in the county last year, three births are recorded.

The figures released by Mrs. Cash show that 28 deaths occurred and 78 births were recorded for the year of 1945.

Mrs. Darwood Billings and new baby daughter were brought home from the hospital early this week.

POST RODEO ADVERTISING READY FOR DISTRIBUTION

Circulars and large window cards advertising the four-night rodeo to be staged here June 5, 6, 7 and 8, have been printed and will soon be seen in store windows over a wide area of West Texas.

Since the advertising material has been prepared many Post citizens have called at the Dispatch office for circulars to mail to friends. Persons who care to use the circulars for mailing purposes, or who plan to visit neighboring towns and care to "pass-out" some of the material are invited to call at either the Dispatch Publishing Company or McCrary's Appliance Company for same.

During the latter part of May the advertising will be carried by advertising boosters in neighboring towns and be distributed.
