

PROGRAM TO BEGIN AT 8:30 O'CLOCK AT SCHOOL AUDITORIUM

# Baccalaureate Sermon For Seniors Sunday Night

The Senior Class of Post High School will hear the Baccalaureate sermon Sunday night, May 12 at 8:30 p. m. at the High School Auditorium.

Doyle Kely, minister of the local Church of Christ, will deliver the address. The invocation will be pronounced by Rev. I. A. Smith, pastor of the Methodist

church. The Scripture will be read by Rev. Joe Norton of the Church of the Nazarene. S. D. Stramer will give the benediction. Special music for the evening

will be rendered by the Junior Class choir, with the congregation singing "Jesus, Savior, Pilot Me." The processional and recessional music will be played by Mrs. T. L. Jones.

There are approximately thirty-nine in the class this year who will qualify to receive their diplomas.

VOLUME XX POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, MAY 9, 1946 "THE GATEWAY TO THE PLAINS" NUMBER 21

HONOR MOTHER . . . SHE IS A VETERAN TOO!

May 12 is Mother's Day—the day we extend our sincere love and appreciation to the Mothers of America.

This year let us pay special tribute to the gallant Mothers who so ably served during the war by giving their sons to the cause of freedom; expending their every effort on the home front; remaining cheerful and hopeful during the dark, bleak years of war.

Many sons are with their Mothers this Mother's Day. There are mothers, though, who are wearing gold stars. But all Mothers everywhere are joyful because Peace is here.

With love, honor and devotion, we remember Mother on her day—she's a veteran too!

## Public Memorial Planned By Legion Honoring War Dead

Members of the James C. Cole Post of the American Legion worked on plans for the observance of next Memorial Day at Monday night's regular meeting.

This observance will be a public meeting at the High School auditorium at 8:30 p. m. on Thursday, May 30, at which time honor will be paid to those soldiers of World Wars I and II who paid with their lives serving our country.

The American Legion men are preparing a worthwhile program, expending much time in the planning. Your respectful attendance is requested for this act of homage to those who are with us only in memory.

Names of these deceased defenders of our heritage will be used in the service and Legion officials desire that their available list be published in order that you may check and see if the names which brought your gold star is among them.

The list of War II men reads: John Miller, J. E. Robinson, Walter Thomas, Wright Hinson, John L. Jenkins, Douglas Carradine, Sammy Hawthorne, Oris Chesley Self, Eugene Herring, Sicket Edwards, Ray Smith, Jr., Paul Cook, Tom Cook, Bryan Mathis, Billy Jo Childers, Simon O'Keefe, Jim Krause, Gale Charles Clem, Clyde Peddy, Doll Jones, Jack Edwards, Milton Hester, Jr., Jim Henderson, Otis Haire, Delma Meeks, Clifton and Clifford Puckett.

Only the records of those Garza county boys who actually went into service from this county are available and the Legion feels their list is incomplete since many boys entered service while in school or working somewhere else. Will persons who have names of relatives or friends not on this list please furnish same to a Legion official as soon as possible. They wish their program to be a dutiful service to all who made the supreme sacrifice.

## Coleman Man Buys Radio Repair Shop From Dodson

Announcement was made Monday by R. B. Dodson, who for a number of years has operated a radio repair shop in connection with his jewelry store and watch repair, that he has sold the radio repair shop to G. W. Norris of Coleman.

Mr. Norris, a War II veteran, will move to Post within a short time and will operate the repair service in the building now occupied by Pure Food Market when J. N. and Tom Power move their White Auto Store to that location.

## EASTERN BUYERS WANT WEST TEXAS HORSES

### Cutting Horse Contest Here Will Be Followed By Buyers

When the cutting horse contest, which has been included as one of the major events of the rodeo, takes place here June 5-8 the top horses in the event will get the eyes of prospective eastern horse buyers, so believes Novis Rodgers, Post Stampede arena director.

Rodgers, who has been corresponding with eastern buyers, and who last week received a telephone call from W. L. Runzell of Norwood Park, Illinois, says that Runzell is looking for another good West Texas cutting horse,

and is planning on coming to this area this summer to buy horses. Rodgers last fall, after winning the cutting horse contest of the Snyder Rodeo, sold his horse, Arab, to Runzell for \$1,300. He said that the owner praises the horse highly and has won several other contests with him, and that he wants another good horse.

"The eastern buyers are really sold on West Texas horses," declares Rodgers. "I expect to see a number of them sold after they appear in the summer rodeo."

## Closing Date For Filing Applications For Contours May 15

The closing date for making application to the County AAA Committee for carrying out the practice of contour farming of row crops is May 15, 1946. Any farm operator who has not made application by this date should not expect payment for carrying out the practice, stated Will Wright, Chairman of the AAA Committee.

So far, about 75 per cent of the farm operators in the county have made application to the committee for assistance in carrying out the contour farming practice and approvals are in the hands of the producers. Those producers who have not received an approval should contact the local county office before May 15 because it is probable that they have not made application.

## CITY ALLEYS GET ATTENTION OF "DADS"

An improvement which greatly helps the general appearance of the town and which had been crying for accomplishment for some time is the recent clean-up of our alleys.

The city sanitation force not only hauled off trash but the maintainers were used to clear and level the alleyways, resulting in a much better kept look. Weeds and shrub obstructions were cleared out and citizens can now keep the grounds around their premises in better condition.

Housewives especially will appreciate the fact that a regular trash haul is to be made now and will cooperate with the city by having the cans and other refuse in available containers.

HOP HALSEY

## Hop Halsey, Lubbock Business Man, Enters Race For Congress

Hop Halsey, 31, former member of the State Legislature from the 119th district and a resident of Lubbock, was in Post Monday afternoon and authorized the Post Dispatch to enter his name in the political column as a candidate for Congress from the 19th Congressional district which is composed of: Antioches, Bailey, Borden, Cochran, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Haskell, Hockley, Howard, Kent, King, Lamb, Lubbock, Lynn, Martin, Mitchell, Scurry, Stonewall, Terry and Yuskum counties. The district had a population of 275,339 people in the 1940 census.

Halsey is a son of Mark Halsey, prominent Lubbock druggist. Hop Halsey was born in Bell County at Salado. He came to Lubbock with his father 20 years ago. He is 31. (Continued On Back Page, Col. 2)

# Anti-Fireworks Shooting Law Asked For City By Legion

Returned combat ex-servicemen of Garza county may have a little better chance to relax when in Post. If a resolution, which was adopted by the James C. Cole American Legion post last meeting night and presented to the city dads is given the consideration it rightfully deserves.

The resolution, as unanimously adopted by Legion members, requests that the City Commission immediately enact and rigidly enforce an ordinance prohibiting the explosion of fire-works of any description within the area comprising the business district of Post and that severe penalty be imposed for violation of such ordinance.

The resolution in part follows: "Whereas as a result of combat service many men have returned to civilian life in a highly nervous condition, and whereas these men

are entitled to every consideration to insure that their condition not be aggravated or impaired; and whereas as a further result of the recent war there are in our midst many fine women whose nervous systems are seriously impaired; and whereas many of the youth of our community are pursuing a course of inconsideration of such heroic persons by thoughtless, indiscriminate and useless explosion of fire works on the streets and sidewalks and in the alleys in the business section of our town."

Discussions brought out by the presenting of the resolution to the Legion by members cited that the noise of firecrackers or other explosives cannot add anything now, or at Christmas time, to the joys of those who did not fight, but can make all special occasions less happy for our men who did fight and who are now with us again.

Another resolution concerning low-flying and stunting of planes over the city when presented by the committee was given unanimous approval and adopted by the organization.

The resolution in part: "That stunting, "buzzing" and unnecessary flying of aeroplanes over the residential and business section of Post be, and the same is hereby, condemned as hazardous to life and property; and that the operators of such planes be, and they are hereby, enjoined to desist from such dangerous practices."

The resolution brought comment from several former Army pilots who suggested that numbers of low flying planes be taken and reported the Civil Aeronautics Authority at Amarillo. The CAA will ground pilots who practice low flying over cities.

A copy of the resolution was also handed the City Commission.

# Fast Game Is Promised For Home Opener

## Kermit Rated As One Of Top Teams Of The League, Here Sunday

Local baseball fans will have the opportunity Sunday afternoon, when Post's semi-pro team crosses bats with Kermit in the first home game of league play, to see what promises to be one of the fastest games on the Post card.

Kermit Bolters are rated by area sports writers to be the fastest team of the league. The Bolters have won both games of league play, while the locals have won one and lost one. Last Sunday the Kermit delegation took a hard one from the Jal, New Mexico team in a 12-inning affair, 6-5. The week before they cleaned Odessa, 7-3. The locals have played both Jal and Odessa. In the season's opener they dropped a 3-1 decision to Jal, but evened their league standing last Sunday when they journeyed to Odessa and dropped that team, 9-6.

Other Sunday results were as follows: Surtown romped over Seminole 14-2 to hang up their second win of the season. At the same time Seagraves won a slug-ging duel over Levelland, 16-13.

In percentage standing, Kermit, Sundown and Seagraves stand 100, by playing, and winning two each. Post and Jal have one win and one loss, for a 50 per cent credit. Levelland, Seminole and Odessa have lost both games.

Sunday's pairing finds Sundown going to Seagraves, Seminole to Levelland, Jal to Odessa and Kermit to Post.

Tickets for Sunday's game are being sold in advance to assure a good crowd for the home opener.

The game will get underway at 3:00 o'clock at the Postex park.

# Prospects Refreshed For Garza Farmers Following Rains

Garza county was again blanketed last night by rains ranging from one-quarter, to as much as an inch, in some sections to add to the moisture received from thunderstorms and scattered hard showers on Monday night. This week's precipitation has brought relief to local farmers who had begun to fear a repetition of last year's crop failure.

Practically no rainfall had been received in the county up until this week, and the small amount of moisture received in some communities was fast disappearing.

The official rain gauge at the Double U Company building this morning measured 26 inch. Tuesday morning's reading was 82 inch and earlier in the week .65 inch was recorded from Sunday afternoon's sprinkle. Reports reaching Post this morning were that the Plains area of the county had showers leaving moisture measuring from one-half to one inch last night. Monday night's precipitation in that area ranged from one-quarter to one inch, with the fall getting lighter as it extended west from Post. A report from the northern and eastern part of the county this morning revealed good rains last night, measuring three-quarter inch in most communities. Monday night's fall measured about the same.

Justiceburg and communities south and southeast of Post received scattered showers measuring up to one-quarter inch to add to moisture earlier in the week, which amounted to as much as two inches in some places.

Land preparation is completed, and farmers who have been awaiting sufficient moisture to seed their land, will likely begin early planting where enough moisture was received.

The rains will greatly benefit pasture land and will give grass a new start, but was not of sufficient amount to fill surface tanks which are low from the many months of drought.

## Older Mother To Be Given Courtesy Card By Theatre

As a special feature of Mother's Day, the Garza theatre is offering a month's free shows to the oldest mother to register on Sunday.

A registration booth will be placed in the lobby of the theatre. B. J. Edwards, manager, stated that all mothers who care to may register.

GEORGE MAHON

## Geo. Mahon Seeks Re-Election To Congress Post

Congressman George Mahon, who has previously indicated his candidacy for reelection, authorizes us to place his name in our announcement column this week.

Mahon is now in Washington where he is engaged in his Congressional duties. He did not make a formal statement but hopes to do so later.

## MOTHER'S DAY TO BE OBSERVED SUNDAY AT NAZARENE SERVICES

At the Church of the Nazarene the theme of Mother's Day will be carried out in the services next Sunday, according to information from the pastor, Joe S. Norton.

"In reality this will be family day in the church because we plan to present a gift to the mother who has the largest number of children present," further stated Bro. Norton.

There will be a number of special songs in honor of mother and the pastor will speak along that line.

In the evening, the groups will meet at 7 o'clock and afterwards attend the Baccalaureate service at the High school.

## KENT WELL COMPLETED FOR GOOD PRODUCER

Kent county's first commercial oil well, Humble's No. 1 L. A. Vick, located just over the Garza county line, has been officially completed and put on production.

The deep-well and most northerly West Texas Ellenburger, was finished for a 24-hour flow of 207.94 barrels of 38.5 gravity oil. The test was acidized several weeks ago with 2,000 gallons of acid through casing perforations at 7,775-7,810 feet. The well is located in section 45, N40N survey.

## COUNTY COURT MAKES QUICK SWEEP OF DOCKET, SEVERAL CASES SET

A Garza county motorist, who had been charged with a traffic law violation in County Court was acquitted by a jury Monday morning when court was convened for a brief session by County Judge J. Lee Bowen.

A civil action against a Post business man was continued indefinitely, and two liquor cases were set for trial May 15, and another traffic violation was set for the same date, to complete the session.

A jury will be called for May 15, said Judge Bowen.

## VFW "Feed" Planned Next Monday Night

Ex-service men of Garza county, who are qualified for membership in the Veterans of Foreign Wars organization by serving on the seas or on foreign soil, have a special invitation to the "big free chow" which has been planned for next Monday night by the local VFW post.

"We want all the overseas veterans to attend our feed and regular meeting of the post," declared Henry Aten, post commander.

"Too, we'll be happy to have every man in the county who can qualify for membership in the post to toss in with us. We are anxious to build up a large membership and feel that a good strong post will be able to accomplish much for the overseas veterans," he continued.

The post, which honors John Miller, Garza county's first War II casualty, was organized here several months ago and now has more than seventy-five members.

The "feed" and meeting will be held at the American Legion hut.

## STAMPEDE RULES AND PREMIUM LIST PRINTED

An eight page pamphlet giving the rules, contests and prizes for Post's four night rodeo June 5, 6, 7, and 8, has been printed by the Dispatch Publishing Company and is being mailed to contestants over a wide area of West Texas and New Mexico this week.

The booklet lists more than \$2,500 in cash prizes to be offered by the association on the six major events of the show, calf roping, wild cow milking, bronc and steer riding, cowgirl's sponsor contest and cutting horse contest.

## ASSEMBLY OF GOD REVIVAL MEETING POSTPONED

The revival meeting which was to be held at the Assembly of God church this week was called off until further notice due to the death of Rev. Robert Owen's sister, Mrs. Faye Owens of Seminole. The meeting was to begin Saturday night.

4-H'ERS ADD BEAUTY AND VALUE TO HOMES THROUGH LANDSCAPING

Four-H club members are learning that landscaping their home grounds makes the property more valuable. Exceptional landscaping achievements of these rural youth are also rewarded in the National 4-H Home Grounds Beautification program.

Participants learn how to correctly plant and care for grasses, flowers, shrubs and trees. They are encouraged to keep their lawn mowed, weeds cut and shrubbery trimmed. Also to remove unsightly objects from their yard, repair rickety fences and improve driveways. Their training serves to develop a happy relationship through working with other members of the family in beautifying their homestead.

Merit awards donated by Mrs. Charles R. Waigreen, Chicago horticultural enthusiast, comprise silver medals to county winners and a gold watch to the state champion. All-expense trips to the National 4-H Club Congress are awarded to eight selected state winners. The State Extension Service will provide information and suggestions to 4-H club members for carrying on this activity and for helping them in reaching its objectives.

Texas seedmen will plant 115,000 acres of certified seed crops in 1946.

Sidelights... FROM WASHINGTON, D. C. By Congressman Geo. Mahon

Our Subcommittee on Appropriations for Government-owned Corporations is now in the third week of hearings. It will be late in May before our bill will be ready for submission to the House for action.

We have concluded hearings on the seven corporations which operate in the interest of agriculture. The Commodity Credit Corporation is perhaps the most powerful Government Corporation which deals with agriculture. The CCC operates the price support and loan programs for cotton and grain and numerous other agricultural crops. Congress has guaranteed a support price, or loan, of 92 1/2 percent of parity on cotton for a two-year period following the year in which the official end of the war is declared. A support price of 90 percent of parity is similarly provided for other basic crops.

Loans and purchases through the years by the CCC on cotton, wheat, corn, peanuts, eggs, and other farm products run into the billions of dollars, but the CCC has sustained relatively few losses on crop loans and purchases. On cotton the CCC has made a net profit of \$147,000,000. Cotton farmers will rejoice over the fact that practically all Government-owned cotton will have been disposed of prior to August 1. This is particularly gratifying when it is recalled that at one time the CCC had on hand over 11,000,000 bales of surplus cotton.

Governor I. W. Duggan of the Farm Credit Administration has appeared in support of the four Government Corporations under his supervision all having a direct bearing on the year to year operations of millions of American farms.

Governor Duggan expressed alarm over the sky-rocketing of farm land prices. However, in contrasting the rise in farm real estate during World War I and War II, he pointed out the encouraging fact that while the mortgage debt of farmers rose sharply during World War I, the mortgage debt of farmers went down during World War II. The mortgage debt of farmers is now \$ 1-4 billion dollars, the lowest since 1916.

The remarkable war record of the farmers of America was made in spite of manpower and machinery shortages and often in the

CITY OFFICIALS CALL FOR YOUR HELP IN KEEPING CITY CLEAN

The City appeals to the civic pride of its citizens to help beautify Post and keep it clean and sanitary.

The City has gone to considerable expense in cleaning up the town and opening up all the alleys and has employed an extra man to continue this service, declares W. F. Presson, city secretary.

Everyone is requested to provide a barrel or some other receptacle and keep it at the edge of the alley for cans, etc. Please burn all of your papers.

"The city men will not have time to rake up trash or gather up cans. So please have these in barrels so the men can dump them in the truck and haul the trash to the dumping grounds," requests Presson.

"This is one of the services you are paying for with your tax money and we feel sure all of you will appreciate our efforts to keep Post clean by giving your whole-hearted cooperation."

face of inadequate prices. According to Governor Duggan, the total assets—real estate and otherwise—of farmers have increased from 53 billion dollars in 1940 to 90 billion dollars in 1946. He said that American farmers are now indebted for all purposes only to the extent of 10 per cent of their assets. It is estimated that in cash, Government bonds and bank deposits the farmers of the nation have a total of 15 billion dollars.

Of course, what we need in West Texas right now is not agricultural statistics but a good rain. Quite often these days members of Congress from agricultural areas can be seen standing in front of a weather map which hangs just outside the House of Representatives and which records weather conditions throughout the Nation as of one-thirty o'clock each morning, Washington time. The red arrow, indicating fair weather and no rain, is too often apparent over West Texas.

By order of the President, American flags are flying at half mast for thirty days on public buildings in the United States and on our embassies, legations and consulates in foreign countries out of respect to the memory of the late Chief Justice Harlan F. Stone.

**ALL HIGH SCHOOL STUDENTS ENJOY "FREE" DAY WITH PICNICS**

Wishing not to be completely out of touch by the proud Seniors, other class members enjoyed outings last Monday when classes were released at this High School at 11 a. m.

The Junior Class, accompanied by various mothers and the sponsors, went to Meckenzie Park in Lubbock and spread a picnic. After enjoying the beauty and amusements offered there, a group journeyed to the skating rink to display their accomplishments on the little wheels for two hours. Mr. and Mrs. Bangham, Miss Hogg and Mrs. Outlaw, Kennedy, Chandler, and Taylor enjoyed the occasion with the Juniors.

The Sophomore Class, with their sponsor Mr. King went out to a spot of trees on the Snyder highway and enjoyed a picnic lunch and explored the surrounding countryside.

The Freshman Class was escorted by Mrs. Karr, Mrs. Jones and Mr. Strasser out to the Stokes Ranch for an enjoyable meal in the open. Misses Kirkpatrick, Carter White, West, Long, and Thomas went along with the group. Mothers who did not attend but assisted in preparations were Misses Tom Bouchier, Boyd, Hodge and Malouf.

The Eighth Grade with the assistance of their sponsors, Mrs. Cash and Mrs. Storie, spread a picnic meal at the school and enjoyed games during the afternoon.

**LIONS CLUB TO ELECT NEW OFFICERS NEXT MEETING**

George Barker was the speaker at the Lions club last Tuesday night. He gave a classification talk on railroads. Included in his speech was a discussion of present trends in railroading and he related some of his experiences, humorous and otherwise during his years with the Santa Fe.

Next week new officers for the organization will be elected and all members are urged to attend as the voting may be as complete as possible.

The famed 36th Division will be returned to Texas as a National Guard unit.

**PRIVATE RECITAL GIVEN BY PIANO PUPILS OF MRS. LONG**

Mrs. Elmer Long presented six of her piano students in a private recital at her home on the evening of April 28th. Parents and friends of the students were guests.

Helen Thaxton, Kenneth Karr, Joyce Short, Barbara Norris, Tommie Lou Scott, Mohoto Allen performed a program of solos and duets in classic and light classic music.

Walter Crider presided as master of ceremonies. An honor medal in gold was presented to Helen Thaxton, Barbara Norris and Mohoto Allen were given medals for outstanding work during the year. Mrs. Long also gave bust figures of famous composers as personal gifts to each of her pupils.

The class presented Mrs. Long a beautiful table lamp as a token of appreciation. A social hour was enjoyed and refreshments were served.

**LOCAL CHURCH OBSERVING SECOND MOTHER'S DAY HOSPITAL FUND DRIVE**

The First Baptist church of Post is observing at this time their second annual Mother's Day Hospital Fund collected to provide charity care for the needy sick in the five Baptist hospitals of the state.

Sunday schools, church congregations and all church organizations will participate with every member invited to make a gift to the sick poor as a personal tribute in honor, or in memory, of his own mother.

The W.M.U. has charge of this work here and have received part of their offering. It will be open until after Mother's Day so that any member may contribute who so desires.

In the initial collection last year, Texas Baptists gave \$30,000. All gifts are used solely for giving free hospitalization to critically ill patients in need of hospital therapy but unable to pay for such treatment.

Bills are no more sensitive to red than they are to any other color.

The egg was 3 1/2 inches long, 2 1/2 inches across, weighed 1/2 pound and measured 7 1/2 inches around its girth.

**COWBOY BAND PRESENTS CONCERT AT POST HIGH SCHOOL WEDNESDAY**

A large crowd attended the Hardin-Simmons University Cowboy band concert Wednesday in the high school auditorium.

The 41-piece band dressed in their traditional orange and purple cowboy regalia gave a varied program. Special feature numbers were presented. As a special number on the program, a "special" mascot gift was presented to Billy Kennedy. The presentation was a complete surprise to Billy and her amazement as being selected from the school body to take charge of the "mascot" created a lot of fun.

Many town visitors and the seventh grade pupils as well as all the high school pupils attended the concert.

The organization is on a tour of West Texas towns.

**PHD FIELD TO GET NEW PROSPECTOR**

**MISS MARJORIE SMITH TO WED IN CHURCH CEREMONY SUNDAY**

Miss Marjorie Smith, daughter of Mrs. H. G. Smith, is to be married to Harrison Hostler of Philadelphia, Sunday morning at 9 o'clock in the Madison Square Presbyterian church in San Antonio.

Mr. Hostler received his discharge from the Army April 26 and is a bookkeeper with the Columbia Recording Company.

The wedding date was revealed Wednesday afternoon when a formal tea was given in the N. C. Outlaw home.

Guests were greeted by Mrs. Thurman Frances and presented to a receiving line of Mrs. H. G. Smith, Mrs. Clarence Wood of Lubbock, sister of the bride, and Mrs. Outlaw.

After registering in the bride's book, callers were served tea, frosted cakes, candies, and nuts from a table beautifully appointed in silver and crystal.

A white satin gowned figurine curtsied from the center of the table against a background of roses in a silver bowl.

Metallic paper streamers extended from this centerpiece and carried gold letters forming the words "Harry and Marjorie May 12." The same words were inscribed on the napkins. Along the streamers were placed baby pink roses and buds making a floral outline for the very attractive setting.

Mrs. Kendrick Cash and Mrs. Hartzel presided at the table. Mrs. C. R. Smiley, Misses Wilma Pirtle and Lucile Meador assisted in the receiving rooms.

Music was furnished during the afternoon by the pre-school group of songsters from Mrs. Stallings' music class. They were accompanied by their teacher and favored guests with popular music. Their renditions of "The Wedding of Jack and Jill" and "Hubba, Hubba, Hubba" were particularly cute.

The Melody Maids sang a group of popular songs during the latter part of the afternoon. All their songs were much enjoyed but the highlight of their rendition was the special arrangement of "Some Sunday Morning." The wording was changed for the occasion to "Next Sunday Morning."

Dr. Glenn Flinn of Dallas, general secretary of the Wesleyan Foundation of Texas, preached during the morning session.

Lunch was served at 12:30 by the host church.

During the afternoon reports and detail work of the conference were given. Rev. Smith gave the report for the local church and was very gratified at the showing made by his report. The same trend of progress was shown by all forty-four churches in the district.

The delegates declared this meeting to be the very best in many years.

Mr. Williams is the son of Mr. and Mrs. W. A. S. Williams of Tahoka and Mrs. Williams is the daughter of J. W. Elliott of the Spring Creek community near Spur. She has been teaching at Verbena the past several years.

The couple will make their home at their farm southwest of Spur after school is out May 17.

Friends from Tahoka, Lamesa, Lubbock, Aspermont, and Spur attended the celebration.

Mr. Williams has just received his discharge after three years of service, one of which was spent in France and Germany.

The maternal grandmother of Mr. Williams shared honors for the day as she was celebrating her 87th birthday.

The bridegroom is an ex-sevicerman having been a member of the Signal Corps. He served overseas twelve months while in the states. He and Bill Giles were with the same company.

A beautifully appointed wedding dinner was held following the ceremony at the home of Mr. and Mrs. Bill Giles.

The couple will make their home on Rockwood Drive in Ft. Worth.

The Merry Makers club met Tuesday, April 30 with Mrs. Opal Williams. Nine members were present and two visitors, Mrs. Sallie Cearley and Mrs. L. G. Thuet.

Quilting and sewing for a needy family was done during this meeting. Four dresses and panties were made and numerous garments were cut out, the sewing of which will be done when the club meets Tuesday, May 14 in the home of Mrs. Bratten.

At the close of the meeting, the hostess served delicious refreshments consisting of sandwiches, cake and pie.

**Miss Wanda Propst, Thomas Markham Married April 17**

Miss Wanda Propst, daughter of Mr. and Mrs. J. A. Propst, was married to Thomas L. Markham, son of Mr. and Mrs. T. K. Markham of Ropesville, on April 17 at 8 o'clock.

The candlelight ceremony was read at the home of the bride's parents by Rev. Martin of Tahoka. A profusion of spring flowers was used to decorate the home with the archway graced with baskets of calla lilies.

For pre-nuptial music Mrs. Ray Smith played "Because" and "I Love You Truly." She played the wedding march and for the ceremony she played an accompaniment of traditional music.

The bride wore an ice blue suit, an original Powers model. Her accessories were of white, with grey and white reptile shoes and bag. She carried a white Bible and wore a corsage of white orchids.

The old tradition of 'something old, something new, something borrowed and something blue' was carried out by the bride as she borrowed her mother's engagement ring, had an old penny in her shoe and her suit was both new and blue.

Mrs. E. L. McLaugh, Jr. was her sister's matron of honor, Dorrace Propst was maid of honor and Jeniece Propst and Ganell Babb were bridesmaids.

Glen Land of Lubbock served the groom as best man.

Guests were parents of the bride and groom, Mr. and Mrs. Ray Smith and Mrs. R. W. Babb of Post, Mr. R. Dilworth of San Antonio, Mr. and Mrs. Jarvis of Lubbock, Mr. Napier of Lubbock, and Miss Montgomery of Slaton.

**Reception Follows Ceremony**  
Mr. and Mrs. Propst were hosts to the wedding party and guests for a reception immediately following the ceremony.

The bride's table was covered with a Spanish hand-drawn linen cloth and centered with a bowl of bluebonnets.

The triple-tiered cake with its bridal decoration was the center of attraction. After the cake was cut by the bride and groom it was served with punch.

The couple left immediately for a honeymoon trip to Galveston and are now at home in the Grassland community.

**Shower Given At Grassland**  
Mrs. Tommy Markham was honored last week at a tea-shower given by Mmes L. S. Turner, Gus Porterfield, and Will Wright who were hostesses in the Turner home.

A host of friends called during the afternoon to view the beautiful gifts for the bride.

Tea was served with party confections from a beautifully appointed table.

**Ropesville Party Honors Couple**  
Mr. and Mrs. Tommy Markham who were married April 17, were named honor guests at a party in Ropesville on Friday night, May 3. Two hundred guests attended the party which was held at the community club house.

Music was furnished by a string orchestra. In presenting the gifts to the honored couple the music "Roll Out the Barrel" was played and a large decorated barrel was really rolled out and placed in front of them.

The gifts were opened by the couple and enjoyed by all present.

Mrs. T. D. Scott and Mrs. V. A. Pierce spent Thursday shopping in Lubbock.

**DAUGHTER OF MR. AND MRS. GILES MARRIED SUNDAY MORNING**

Mrs. Adylene Giles Anthony, daughter of Mr. and Mrs. H. F. Giles of this city, was married Sunday, May 5, to Mr. L. B. Jackson, Jr. of Fort Worth.

The wedding took place in the Baptist church of Ft. Worth at ten o'clock in the morning. Rev. Lloyd Mangum pastor, officiated with the impressive double ring ceremony before a flower bedecked altar.

Wedding music was furnished by the church organist and the wedding solo was presented by the church soloist. Traditional wedding marches were played by the organist for the processional and recessional and she played soft music during the exchange of the vows.

The bride, who is well known in Post, wore a beautiful blue crepe dress fashioned with cream lace yoke. Her hat was a small off-the-face model of white flowers and veiling. Her accessories were white and she wore a lovely shoulder corsage of white carnations.

Wedding guests were Gene Giles of Post, Mr. and Mrs. Bill Giles of Fort Worth and Mr. and Mrs. L. B. Jackson, Sr. of Fort Worth.

The bridegroom is an ex-sevicerman having been a member of the Signal Corps. He served overseas twelve months while in the states. He and Bill Giles were with the same company.

A beautifully appointed wedding dinner was held following the ceremony at the home of Mr. and Mrs. Bill Giles.

The couple will make their home on Rockwood Drive in Ft. Worth.

**DISTRICT CONFERENCE AT SLATON ATTENDED BY LOCAL METHODISTS**

Rev. and Mrs. I. A. Smith, Mr. and Mrs. Charlie Voss, Mrs. Jessie Voss, and T. R. Greenfield attended the District Conference of Methodist Churches held Tuesday in Slaton.

The all day meeting opened at 9 a. m. at the First Methodist church of which Rev. Luther Kirk is pastor. Dr. L. N. Lipscombe of Lubbock, district superintendent, led the devotion.

Dr. Glenn Flinn of Dallas, general secretary of the Wesleyan Foundation of Texas, preached during the morning session.

Lunch was served at 12:30 by the host church.

During the afternoon reports and detail work of the conference were given. Rev. Smith gave the report for the local church and was very gratified at the showing made by his report. The same trend of progress was shown by all forty-four churches in the district.

The delegates declared this meeting to be the very best in many years.

Mr. Williams is the son of Mr. and Mrs. W. A. S. Williams of Tahoka and Mrs. Williams is the daughter of J. W. Elliott of the Spring Creek community near Spur. She has been teaching at Verbena the past several years.

The couple will make their home at their farm southwest of Spur after school is out May 17.

Friends from Tahoka, Lamesa, Lubbock, Aspermont, and Spur attended the celebration.

Off to bed for fanciful and sweet dreams in this brief and beruffled night-shirt creation of pink silk. "No sheep-counting for me," is the contention of Gerry Larsen, cover girl, and songstress on Mutual's "Luncheon With Lopez," when she wears this Chevette-designed "nite-shirt" with its square yoke edged in ruffled lace. Commodious comfort, we say.

**TO OUR MOTHERS**

Openeth her mouth with wisdom and in her tongue is the law of kindness. She looketh to the ways of her household, that she may not slip; she watcheth not of the bread of idleness.

Her children rise up and call her blessed, her husband also, and saith her.

Give her of the fruit of her hands, and let her own works praise her in the gates. — Proverbs 31:26-28, 31.

Several churches in Post and surrounding communities are sponsoring programs honoring our mothers next Sunday morning.

The Nazarene church, a spectacle of the moving service will be the presentation of a Mother with the largest number of children present. This particularly fitting tribute, only as Mothers Day service, is a fitting climax to the observance of National Family Week, 5-12.

Wednesday night of last week a baptismal service was held at the First Baptist church. Many candidates who expressed their desire during the revival.

Poland and the Sunday school officials are especially glad that their attendance is going up very good.

Many members of the Methodist church attended the service in Slaton Tuesday. Mr. Field said "It was the best I have ever attended."

Intermediate youngsters of the First Baptist church enjoyed a picnic at roadside park on Sunday evening last week. Mrs. Mathis, assisted by others, was sponsor for the occasion.

A very nice gesture on the part of several business men was made during the Baptist revival. We did not mention it last week but their names here.

Those you ask us privately (tell you) closed their stores on Monday mornings and not only did services but brought such employees as desired to work. We thought this to be good of these men and deserving of public knowledge.

of the churches will dismiss their night services so their members may attend the Baccante Service at the High School.

Do you guess you are satisfied with your little heading to this issue? We certainly have been besieged with names for our little news assist . . . our news sure gets tired Wednesday every week. — see you in church.

## Post Semi-Pros Even League Play At Odessa

Locals Take Second  
Game, After Bowing  
To Jal In Opener

The Post baseball team brought defeat to the Odessa team Sunday afternoon, winning 9-6 in a game which saw the lead change four times. Post, behind 6-4 in the eighth, put on a game-winning splurge in the ninth, making five scores, to win the game.

The local team led by Wade Holland who crashed out three hits in four official trips, bagged five singles, five doubles, one triple and one walk from two Odessa pitchers and was charged with only one error. Seven strikeouts were made against Post batters.

Ed Altman started on the mound for the local team and had to his credit eight strike-outs, giving up only five hits and one walk before turning the mound over to Walter Holland at the beginning of the eighth inning, who gave two hits, two walks, and struck-out three.

Odessa took the lead in the first inning when Bostick, reaching base on a fielder choice, scored on Keen's two base hit. Post came back in the second inning and tied the score when Wade Holland, who had doubled, came home on Peel's two base hit. Third inning saw Post's only error of the day made when right-fielder Wade Holland dropped a high fly, letting Gleaton score and Odessa take the lead again. But Post came right back in the fourth to score R. M. Thomas who had singled to first, reached second on Carl Jones' sacrifice, and came home on Wade Holland's hit to center-field. Odessa, stubborn and determined to stay in the ball game, came right back and scored on a pass ball by catcher Altman.

Post took the lead in the fifth when Deamos and Dan Altman both scored on a sacrifice by Walter Holland and a triple by R. M. Thomas. This time the local team kept the lead until late in the seventh inning when Odessa scored a man on a triple to tie the ball game for the third time.

This was Altman's last inning and W. B. Holland took over. The Odessa batters were rough on Holland in this inning. Gleaton, singled to center-field, Wright took his 3-1 count and walked, Bostick singled to left-field scoring Gleaton and Wright. Terry bunted and Holland threw Bostick out at home. Next two men up were taken by Deamos Altman and Holland to bring this wild inning to an end.

Post went to bat in the ninth behind 6-4 but pinch-hitters were not long changing this score. Wade Holland doubled, pinch-hitter Gilmore reached first on an error, Peel doubled scoring Holland and Norman who was running for Gilmore, pinch-hitter Fritz Hester took his 3-1 count and walked. Duren laid one down scoring Peel and reaching first, Walter Holland went down at first, pinch-hitter Paul Davis doubled scoring Hester and Duren before being called out for not touching first base, and R. M. Thomas went down at first for the third out to stop the fun. Odessa fought back hard their last time to bat but Holland struck out three first batters. Final score was Post 9 and Odessa 6.

### TWO WAR VETS OPEN BUSINESS IN POST

Two more ex-service men entered Post's business circle, with the opening the first of the week of the Blacklock-Davis plumbing and electrical shop at Marvin's Service station on Broadway.

Both men, C. W. Blacklock, son of Mr. and Mrs. B. M. Blacklock of near Halls, and T. F. Davis, who came here from Scurry county, served with the Navy in the Pacific. Blacklock was overseas forty-three months doing time on one of the Navy's big dry docks and aboard the carrier Saginaw Bay. He received his discharge about three months ago. Davis before going overseas was with a ship repair unit at San Diego and later was transferred to the Saginaw Bay for sea duty.

The two men are experienced in all types of plumbing and electrical work.

## Growth And Improvement Indicated For Neighboring West Texas Towns

This week in regional news has been very quiet with headlines on the exchange papers commenting on the rain or lack of rain, actions of various civic organizations, items concerning people and their doings, erection of buildings and opening of new businesses, and graduation programs for high schools.

Brownfield is growing faster than ever before in its history. A check has recently been made and about 50 new residences have been built since January 1 or are under construction now, and 12 business firms are building new houses or adding to their present quarters.

Gen. Jonathan Wainwright will speak July 4 at Floydada at a general assembly of war veterans sponsored by the Floydada Legion Post. He will review a parade at 10 a. m. that morning and will speak at 2 p. m.

Crosbyton reports on .15 of an inch of rain and the wheat crop will be greatly damaged unless a two-inch rain falls in the next few days.

The Spur Experiment Station this year will complete 20 years of study on water and soil conservation studies. The Veterans of Foreign Wars post held a formal initiation last week and will meet regularly on second and fourth Thursdays of each month.

Hamlin's new elementary school building will be started in the next few days. Two inches of much needed rain fell last week in the Hamlin area. Hamlin's Rotary club attendance was so good last month that it rated in the top 10 of district 127.

Stanton's Mechanical Department of the Santa Fe Railway was recognized last week for having a perfect record for 1945. Not an injury was suffered during the year and this is a record that has never been equaled by any other department of the Santa Fe in any other railroad.

Leveland recently opened a Youth Center and plans call for playground facilities later.

### BRICK WORK NEARING COMPLETION ON STORIE BUILDING ON BROADWAY

Brick masons this morning were putting the finishing touches to the exterior of the new Dodge-Plymouth building being constructed on Broadway by S. C. Storie.

The building, construction of which was begun early in the year and was delayed because of the material shortages, will be modern and attractive and will be equipped to service automobiles and afford ample room for display and repair rooms.

Construction will be completed within a few weeks.

### FORMER POST MAN IS GUNSHOT VICTIM

Condition of Baxter (Pop) Bardwell, former Post man, and son of Sam B. Bardwell, who resides in Lubbock and divides time as manager of the Post and Leveland Post estate, was said to be improved Tuesday by Mr. Bardwell.

Baxter suffered a shotgun wound in the left side just below the ribs when the gun he was cleaning exploded. Young Bardwell was taken to a Lubbock hospital where he will remain a patient for some time.

His father said the wound was about as large as a man's hand and that the flesh was torn across his side.

### FOUR NEW CHEVROLETS DELIVERED TUESDAY BY LOCAL AGENCY

It is news nowadays to announce delivery of a new 1946 automobile, and it's big news to report the delivery of four new cars in one day . . . which is just what happened in Post Tuesday when the Connell Chevrolet Company made delivery of four vehicles to local citizens.

The sales included two five-passenger sedans, one to H. F. Anderson and the other to M. K. Bingham, both local rural mail carriers, and two two-ton heavy duty trucks, Higginbotham-Bartlett purchased one of the big trucks, equipped with special body, power-lift and wench, and W. S. Duckworth the other.

### POST PICTURE TAKERS TO ORGANIZE CLUB

Post citizens who are interested in photography are invited to enroll in a camera club which is being organized by Darius Billings, local photographer.

The club will take up the study of both black and white and color photography, theory, post criticism, practical work and other phases of picture making.

Persons interested in enrolling are urged to see Mr. Billings at an early date as membership is to be limited to thirty or thirty-five members.

### EXAMS FOR ENGINEERING AIDS TO BE HELD SOON

The Fourteenth U. S. Civil Service Region announces competitive examination for provisional appointments in the position of Engineering Aide in Federal establishments throughout the state of Texas. O. V. McMahon, local civil service secretary said today.

Applicants must have had experience in engineering or related work in government or industry. Ratings assigned to applicant's qualifications will be made on the basis of experience shown in the application and no written test will be required. The entrance salary range for this position is \$1572 to \$2880 per year.

## Swing of Southwest Farm Markets

Mixed price trends which developed on southwest farm products late in April continued the first few days of May, resulting in a very irregular situation at the close of the past week. USDA's Production and Marketing Administration reports.

Southwest poultry markets were steady to firm in contrast to New York's dull and weaker trend on sharply increased receipts. In most areas demand exceeds the available supply as consumers shift purchases to poultry instead of meat. Recent quotations on fryers were 24 cents a pound in New Orleans, 30 to 31 in Ft. Worth, and 28 to 30 1-2 in Denver. Fowl receipts generally are below expectations for this time of year partly because of the sustained firm level of egg prices at most country points. Egg receipts, however, vary from light in the New Orleans area to moderate at Ft. Worth and very liberal at Denver. Demand generally is unsatisfied and prices little changed from a week ago.

Hogs maintained the firm selling trend that has prevailed for several months. Top prices per hundred pounds were: Fort Worth and San Antonio \$14.65; Oklahoma City \$14.55; Wichita \$14.50; Denver \$14.80.

Cattle demand continued fairly broad and available killing classes moved readily at weak to lower prices. Canner and cutter cows closed the week in Fort Worth and Houston at \$6 to \$8.50, San Antonio \$6.75 to \$9, Oklahoma City \$6.50 to \$9, Wichita \$7 to \$9 per hundred pounds.

Most sheep and lamb prices received early in the week under heavy receipts, but some of the loss was regained later on. Markets closed irregular. Sells lambs down 25 to 50 cents in Oklahoma City while most other points had steady to slightly higher prices. Ft. Worth reported choice springers lower for the week, but short lambs were up 50 cents to \$1.00 and good sheep mostly 50 cents. Spring lambs still comprise only a small proportion of total arrivals. Springers 10¢ lower: Fort Worth \$14.25, San Antonio \$13.75, Oklahoma City \$14.75, Wichita \$15.25.

Cotton prices lost ground the last few days of April, then turned upward again but failed to regain all the loss before the week closed. Depressing factors included reports of good crop progress, developments on pending price control legislation, and concern over possible curtailment in mill consumption as a result of the coal strike. Sales in the 10 spot markets totaled \$1,600 bales compared with \$1,800 the preceding week and \$7,000 a year ago.

The 42nd Airborne Division, 1072 Texans, under Holland's leadership of Williams, an inmate here before being sent upon army-industry military organization.

**RED CROSS AND OVERSEAS EX-SERVICE MEN**

Now that the Red Cross drive in Garza county has reached the assigned quota, and the dozen or more good people of Post and its rural communities, who are called upon each year to assist in the campaign as volunteer solicitors, have been told for the last time—until next time—it might be well to check the records and find out why so many ex-service men who served overseas are down on the organization. So many of our returned overseas servicemen have stated: "I wouldn't give a cent to the blankety, blank Red Cross" ... there must be a reason, and the cause should be brought to light before this county is called upon to make further contributions to the organization.

We have heard no criticism of the work done by the organization here at home or within the United States. In fact there has been nothing but the highest praise... but from overseas comes a different story from the boys who experienced need from the organization. Occasionally we hear an overseas veteran praise the work done by the Red Cross, but more often the veterans decline to comment on the organization, and quite frequently the returned soldier says "to hell with the Red Cross."

There is enough criticism of the organization to demand a "know why" by the people who are called upon each year to support it. While the recent campaign called for a quota of about half that of war-time years, \$2,500 is still a lot of money for Garza county to contribute, and they are at least entitled to know for what the money is being spent... that's why we should check the records and see if we are being called upon to contribute more than is needed by the organization for the amount of good it is doing.

This winter, an overseas veteran with twenty-two months in the Pacific, came little by the Red Cross. We think the organization with all its surmise of high-paid executives and supercilious canteen girls, does nothing for military personnel, that the Army-Navy could not do as well or better with much less expense to the tax-payers who support both organizations.

To say that the Red Cross is worthless to the nation, and that it does nothing worthwhile for military personnel would be untrue. We feel that the Red Cross did a reasonable amount of good, but we do not think the organization did as much as its publicity writers would lead you to believe through the reams of publicity stories they are writing. We are among those who believe the Red Cross had only a minor part in bringing victory to the nation. We believe that if the Army-Navy operated the "blood banks" the people would have cooperated just as readily as they did to the Red Cross... we saw and found little use for the Red Cross canteens overseas... br-r-r-r to most of the women canteen workers who were sent overseas. If the Army-Navy had operated the canteens with their personnel there would have been as much, if not more patronage given them. Too, we saw no reason for Red Cross workers being given military officer's standings and privileges. To the enlisted men they were just a bunch of over-paid civilians contributing little to the cause.

These are our personal views... ask your son, if he is an overseas veteran, what he thinks of the organization. Most of us spent from three to four years fighting a war to preserve, among other things, the right of freedom of speech, and we are one who does not believe the Red Cross is above reproach.

Let's do a bit of checking up on the organization before they set another quota for this county... maybe they have cause to ask for such a large contribution. If the Red Cross is what it stands for it will be defended by those who saw it in operation overseas, and will not have to depend upon a front pull up by a swarm of publicity writers.

**MAY A MONTH OF MANY MOODS**

National observance of special occasions for the 'Merry Month of May' got off to a good start last week and is continuing with May 3 to 12 being designated as Music Week, Religious Book Week, Home Demonstration Club Week, and National Family Week.

National Restaurant Week is from May 6 to 12, the same dates are also designated as National Posture Week.

May 12th is National Hospital Day but will not be celebrated since May 12 is the second Sunday in May and as such is celebrated as Mother's Day.

**WHO WON THE AUTOMOBILE STRIKE?**

Who won the General Motors strike? Labor leaders claim a victory, having won an 11-1-2 cents per hour raise for their members. But statisticians figure that it will take the average GM worker over five years, with his extra pay, to replace the money lost during four months of striking.

General Motors stockholders probably feel that they won a victory to the extent that the settlement was made at a cost of approximately one-half of the union's original demand. But unless prices of cars are increased to take care of increased labor costs, the stockholders are due for a major reduction in profits.

Prices will be increased—but the bulge in the inflation line will not be nearly as great as it would have been if General Motors had settled the strike months ago by giving in to labor's demands.—The Hamlin Herald.

This territory is on the move—and it has everything it takes for more industry, more and better business, better and more modern farming and better living in the home. The aggressive people are here, the natural resources are here—and also plenty of low-cost electric power.

Our vast expansion program which includes a complete new power station, additions to others and miles and miles of new transmission lines, proves that we have faith in the future of this area. We'll continue to do everything within our power to help in its sound development for many years to come.

When you choose your new refrigerator, you—like Joan Bennett—will want to remember what America's 2,000,000 happy Servel owners discovered. It pays to pick the modern gas refrigerator—because of its big basic difference.

Servel freezes with no moving parts. A tiny gas flame does all the work. There's nothing in the freezing system that can wear or get noisy—ever. So a Servel Gas Refrigerator stays silent and lasts longer.

Those Garza county boys who have received their honorable discharges during the last week include: H. B. Parchman, W. T. Parchman, Jr., Julientino Lopez Castro, Albert H. Bevers and Ralph James Hutton.

### MRS. ESMA CASH IS AGENT FOR FLOWERS

Mrs. Esma Cash is announcing this week her service as purchasing agent for flowers for all occasions. Bouquets for parties and weddings, corsages for any occasion, and funeral sprays are among the types of flowers that can be ordered.

Mrs. Cash is offering this service as a prelude to her regular business as florist, which she hopes to have started by September 1.

She has purchased two lots northeast of the High school and will build a green house and shop. She will give complete floral service at that time. She also plans to carry a line of school supplies and sundries.

In addition to this shop which is to be built as soon as a permit and materials can be secured, Mrs. Cash will also build a residence at this site.

Anyone wishing to place an order for flowers may reach Mrs. Cash at her home, phone 197W, between the hours of 5 to 8 p. m.

### Garza's Central Field To Get Three New Tests

Three new prospectors are to be drilled on the south side of Garza's central oil field, according to reports the first of the week. The locations are along the north line of section 9, block 2, GH&H survey.

Locations are south of production in the field and are about a quarter of a mile apart. Drilling is scheduled during the next sixty days by Herman and George R. Brown and Comanche Corporation.

### Lt. Kent Presson Arrives In States

Word was received early this week that Lt. Kent Presson has arrived in the States and is now at San Antonio, Texas, awaiting his discharge papers. He is expected here sometime this week. Kent, son of Mr. and Mrs. W. F. Presson, of this city has been in service four years, spending eight

**NEW ORLEANS, LA.—**(Sound-photo)—Red haired John Collins, a Purple Heart veteran, stands ready with a shotgun to see that he and his 72 year old mother are not evicted from their home. Since a fire early this month burned out two bedrooms and a bathroom, the owner has been trying to persuade the Collinses to move out so the damage can be repaired. Collins, who attended Tulane University for three years, said he'd "shoot dead as Acornails" anybody who stepped across the threshold with eviction papers.

### Seniors Have Enjoyable Trip To Carlsbad Caverns

The High School Seniors returned to Post about 4 o'clock Monday afternoon from Carlsbad. Though they were a tired bunch of boys and girls they reported a very good time.

The group traveled in two motor coaches and were accompanied by Weldon Skinner, Mmes. B. M. Robinson, Sr., Tom Ashley and Elmer and Delmer Cozdrey, Ashley.

En route to Carlsbad they distributed window placards for the Post Stampede in each town. They distributed about two thousand of the circulars.

The Seniors were shown through the Caverns on Sunday. They attended a church service in Carlsbad that night. According to Mr. Skinner the entire trip was very successful.

### Across The Tracks

By H. H. H.

Although our service station is not located in downtown Post, we are not without our traffic problems—especially on Saturday and Sunday afternoons. At such times, when the joy-riding traffic is rather heavy, a lot of individuals, through haste, carelessness—or just sheer cussedness—forsake the roadway entirely and come zipping through our driveway as if its sole purpose was to provide a shortcut around the corner. Such a practice is dangerous and unlawful, and, while a good percentage of these trespassers seem to be juvenile in appearance, we are firmly convinced that everyone of them is somewhat less than juvenile in mentality.

As for ourselves—we're still agile enough to leap out of the way—but there are often children and old folks coming in and out of the station and rest rooms who might easily be struck by such careless drivers. In fact the heir to our own family debts is sometimes allowed to visit the station, and though he is constantly admonished to stay clear of the driveways (and such warnings do not weigh very heavily on a two-year-old mind), he would not stand a chance against a would-be speedster, coming through the driveway at forty miles per hour with no intention of applying his brakes.

We realize, of course, that a child shouldn't be allowed to visit around a service station—but ours is. We know, also, that children have no business getting out on the driveway—but they do. We realize further that, should any harm of that nature befall our son, it would be against the law for us to shoot the person responsible—but we're going to.

We contend that anyone old enough to drive an automobile should have enough sense to observe the rules governing its operation.

We shall henceforth regard any individual racing through our driveway as a direct menace to our safety and property, and we shall treat him accordingly.

Sincerely,  
HANS HUDMAN

### HOP HALSEY—

(Continued From Front Page) years of age, a graduate of Lubbock High school and an ex-student of Texas Technological College. He is now associated with his father in the operation of the Mark Halsey drug stores in Lubbock.

**Served In Texas Legislature**  
Hop Halsey served two terms in the Texas Legislature and during those two terms was a member of the Higher Education sub-committee and the Appropriations committee of the Texas House of Representatives.

While a member of the Legislature, he passed a bill through the House to re-district the state of Texas; this bill died in the Senate. This was the first time in 30 years that a bill of this kind had passed the House.

Halsey was elected to his first term in the Texas House over one opponent by a vote of four to one and ran for his second term unopposed, that being the first time that a man had sought a second term in the House from the 118th district without having opposition.

**Volunteered In Marines**  
At the end of his second term as Representative of the 118th district, Halsey volunteered in the Marines, and served 27 months overseas as an enlisted man, seeing action in the Gilberts, Marshalls and Marianas Islands.

Hop Halsey has always been active in civic affairs that have been beneficial to West Texas. He believes that there should be less bureaucracy control of affairs of the people and that the government should serve the people, and no form of government is good that demands the people to serve it. In other words, he says, he be-

### AD-VENTURING . . .

The comment concerning Two Draw Lake that Hans Hudman used in his "Across the Tracks" ad last week hit a responsive note with almost all Dispatch readers who grew up in this county. They all declare that that particular spot was the best necking park in these parts. 'Tis a shame that the recreational facilities such as boating, fishing, swimming, etc. are no longer available.

It Pays To Advertise—so says N. C. Outlaw, Ford dealer, who declared early this week that he is now a firm believer in advertising.

Last week Outlaw advertised in the Post Dispatch for "Rain and More Rain" and on Monday night the county was blessed with a fine rain.

Outlaw is truly grateful for the good fortune bestowed upon the county and is expressing that thought in his advertisement this week.

Believes in a government of the people, by the people, for the people and not a government of bureaucrats, by bureaucrats and for the bureaucrats.

### Not Machine Candidate

Halsey declares that he is not a candidate of any clique, clan or political machine, but as a West Texas citizen, he is asking for the vote and support of all of the people in the coming Democratic July election. Hop Halsey started out early in life with the ambition that you could render no finer service than to serve the people.

"Send a new man to Washington; elect Hop Halsey Congressman from the 19th District of Texas" is the slogan of his campaign. Halsey is married and has a small son and daughter. He owns his own home and resides at 3308 Twenty-first street in Lubbock.
