**Ghosts, Goblins, Witches To Be Present At P-TA Hallowe'en Carnival Night Of Nov. 1**

Attention all spooks, goblins, witches and fun lovers! Parent-Teacher Association members are completing plans for a gala occasion on the night of November 1 when the annual Hallowe'en carnival will be held in the High School Gymnasium. The carnival is the big merry making event of the year and is also the occasion when P-TA members make money for carrying on school projects for the entire year.

**Half Of Proceeds Go To Classes**  
Half of the proceeds from the carnival will be returned to the high school classes and one fourth of the proceeds will be returned to the elementary school classes for their class activities throughout the year.

Date of the event was changed from October 29 to November 1, since the Post Antelopes have a game in Levelland that night and as October 31 falls on Sunday.

**Carnival Free To Public**  
The carnival will be free to the public and everyone is urged to make plans to attend. Food booths will be set up to sell sandwiches, pies, cakes, candies, drinks, etc.

There is fun in store for the entire family including grandpa, grandpa, mom, pop, sister, brother, and the tiny tots. Magic, mystery caves, wishing wells, fortune telling, house of horrors, are among the booths which will

be set up for those seeking lots of fun. Bingo games will also be featured again this year.

The carnival queen contest will get under way Friday when classes of both high school and grade school will make nominations. Rivalry is always keen in this event. A rule was passed at the recent P-TA meeting that girls can not serve two years in succession as queens. This rule also applies to escorts. Announcements as to winners will

be made at one o'clock on Monday, the day of the carnival.

Carnival entertainment program will include: First Grade—ice cream, Mrs. Joe Callis and Miss Bonnie McMahon in charge; Second Grade—grab bag, Mrs. L. L. Wright, Mrs. Krim, and Mrs. Reynolds; Third Grade—fish pond, Mrs. Maurine Lackey and Mrs. V. F. Bingham; Fourth Grade—darts and confetti, Mrs. Claire Dabney and Mrs. L. W. Kitchen; Fifth Grade

—pop corn, Mrs. Maxine Presson and Mrs. Bruce Legg; Sixth Grade—cake walk, Mrs. Noia Briater and E. E. Pierce; Seventh Grade—doll rack, Bette Travis and Mrs. W. F. Presson; Eighth Grade—basketball, L. H. Title; Freshman—cake and candy, Mrs. Lillie McRee; Sophomore—peanuts, Mrs. Pearl Storie and Mrs. Ray Smith; Junior—food booth, Mrs. G. E. **General Election Official Ballot Is Blanket Size**

The saddle-blanket-size ballots for the General Election November 2 are not as baffling as they will seem to the voter at first glance.

There are eight columns on the ballot — one for the candidates of each of six political parties, a column for Independent Party write-ins and a miscellaneous write-in column.

At the bottom of the ballot, which is more than a column wider than this newspaper page and about two inches longer, are the eight proposed amendments.

**Patterson Rites Are Conducted At Nazarene Church**

Funeral services for John A. Patterson, who died here last Thursday morning, were held at 2 o'clock Friday afternoon at the Church of the Nazarene with the pastor, the Rev. H. E. McClain, officiating. Burial was in Terrace Cemetery with Mason and Company in charge.

He was nearly 88 years old and a retired farmer. He had lived here 14 years. He died, after a long illness, at the home of his sister, Mrs. Mary E. Northcutt.

Pallbearers were John Windham, Henry Foreman, Earl Rogers, Garland Davies, Otis Chaffin and J. D. Chafin. Honorary pallbearers were D. M. McElroy, L. T. Askins, W. T. Cannon, A. K. Casey, S. D. Mitchell and J. G. Pate.

Survivors besides Mrs. Northcutt are a brother, Jim Dickery of Tuscola, and a sister, Mrs. J. H. Gibson of Abilene, and several relatives living here, including Mr. and Mrs. Wesley Northcutt, Mr. and Mrs. F. E. Light, Mr. and Mrs. T. D. Simpson and Mrs. Eula Mae Willingham.

Out-of-town relatives attending the funeral included Mr. and Mrs. J. H. Gibson and Mr. Dickery; Charles Price and family of Abilene and Mrs. Alice Jacobs of Snyder.

**Mrs. Holly's Damage Suit Is Postponed**

A suit asking damages of \$85,170, filed in the 51st District Court at San Angelo several weeks ago by Mrs. Lee Holly of this city, and set for trial Tuesday was postponed until Friday of this week.

The suit grew from results of an automobile accident in which Mrs. Holly's husband was killed.

A number of Post residents, including the Plaintiff, Thomas Ammons, Mr. and Mrs. Roy Holly, Bon Longshore, Mr. and Mrs. R. H. Sappington, of this city and Jack Bonham of Seagraves and Lewis Bonham of Lubbock, will attend the trial.

**Baptist Revival Is Drawing Crowds**

The revival meeting being held at the First Baptist Church this week is drawing larger crowds each day, the pastor, the Rev. D. A. Bryant said. The early morning prayer and worship service is proving to be one of the highlights of the meeting. One hundred and six persons attended Wednesday morning. The goal for Friday morning is 125.

Song services are an inspiration to the entire congregation. Those who are attending are really appreciating the fine singing of Steve Heather, educational director of the First Baptist Church of Mexia, who is in charge of the musical portion of the meeting.

The new pastor is bringing some fine spiritual messages. He and members of the church extend a cordial invitation to the public to attend every service.

The final service of the revival will be held Sunday night at 7:30 o'clock.

**Absentee Voting Gets Off To Slow Start**

Absentee voting in the General Election, November 2, has been moving at a snail's pace since the ballots were placed with County Clerk Ray N. Smith last week. A check-up at the office Wednesday morning revealed that only two persons had cast ballots and only four had been mailed from the office.

Absentee voting in General Elections are usually much lighter than in the summer Democratic primaries, as there are fewer persons on vacation.

Deadline for absentee voting ends October 25.

**Boy Scout Fund Drive To Be Staged Week Of Nov. 8**

The annual South Plains Boy Scout Council fund drive is scheduled to get under way the week of November 8. It was announced Tuesday morning by John Lott, who attended a special meeting of the Executive Committee in Lubbock Monday night. Sherrill Boyd, who will organize and promote the local drive, did not attend the meeting on account of being out of the city.

The drive this year will be simultaneously over the 22-county council, Lott said, and will be completed in one week's time. Committees soliciting the funds will be expected to contact 10 per cent of the area's population and average 30c per person from the 170,000 people of the area.

**400 Seats Are Being Made Available To Levelland Game**

Four hundred seats will be reserved for Post football fans in the Levelland stadium Friday night when the Post Antelopes play the Levelland Lobos. It was announced Tuesday morning by Superintendent G. R. Day, who received the information from Levelland school officials.

Tickets to the game will be placed on sale Monday and will remain on sale through Tuesday. Mr. Day advises that Post football followers who are planning on seeing the game purchase their tickets here, as only one section of the stadium will be reserved for Post, and there is likelihood of a sell-out at the Levelland gates. The tickets are offered at \$1.25 each.

The Booster Club is sponsoring a bus and will have tickets on sale at Hundley's Men's Store until Wednesday noon.

**Annual Poppy Sale To Be Held Nov. 6**

Saturday, November 6, will be Poppy Day in Post. Mrs. Walter Duckworth, chairman of the Poppy sale has announced. The sale is an annual observance sponsored by the Ladies Auxiliary of the American Legion. Funds from the sale will be used in aiding wounded veterans and their families and families of veterans who lost their lives. Every person in Garza County is urged to wear a poppy on this day to honor the dead and aid the living.

**Connell Chevrolet Company Observes 25th Anniversary**

Connell Chevrolet Company this week is observing its 25th anniversary and looking forward to another quarter century of continued and additional service to the automobile owners of Garza County.

Looking back on its first quarter of a century in Post, the owners can see a steady progress from the October day in 1923 when the late Clyde Connell bought the local Chevrolet agency from John Easley and C. V. O'Keefe.

They have seen the firm grow into a stock company which is made up of several local owners, have seen the personnel grow from one mechanic, one bookkeeper and one salesman to a regular corps of 15 or more fulltime employees, and they have seen the construction of one of the finest automobile agency buildings in West Texas and its equipment with the best of service tools and materials.

The most recent advance made by this 25-year-old firm was the addition of the Oldsmobile Agency, and the service that goes with the new automobile.

**Christian Pastor To Begin Work Here Next Sunday Oct. 31**

Roemer Hudler, newly elected pastor of the First Christian Church, will preach his first sermon here as pastor on Sunday. The public is cordially invited to attend the eleven o'clock worship hour and the night service which will be held at 7:30 o'clock.

The new pastor is a junior student of Texas Christian University and his home is in San Angelo. He has served as state officer in the Christian Youth Fellowship organization for a number of years and is vitally interested in young people's work. He hopes to be able to organize an active organization here in the local church and to work also with other young people's organizations of the town.

He will preach here on the second and fourth Sundays of each month. He is also serving the Mertson church one Sunday each month. Hudler plans to arrive here on Saturday preceding each Sunday here and to remain until after the night service on Sunday.

**Funeral Rites For Polio Victim Were Read Last Thursday**

Funeral services for Rose Marie Gindorf, 13 year old daughter of Mr. and Mrs. Timer Gindorf of Wilson, Route 2, were conducted at the Lutheran Church in Southland last Thursday, with the Rev. Carl Schulte officiating. Burial was in Southland cemetery under the direction of Rix Funeral Home of Lubbock.

Rose Marie was a victim of polio, she died in a Plainview Hospital Wednesday morning.

Survivors include her parents; three sisters, Evelyn Ruth, Betty Jean and Jeanette Joyce; and her grandparents, Mr. and Mrs. A. Wilke of Southland and Mr. and Mrs. Chris Gindorf of the Pleasant Valley community.

**Lubbock Minister To Preach Sunday**

The Rev. Ira Harrison, former pastor of the First Baptist Church at Snyder and now manager of the Baptist Book Store in Lubbock, will preach at the morning and evening services, at 11 a. m. and 7:30 p. m., at the Calvary Baptist Church Sunday.

The local pastor, the Rev. I. D. Walker, and family will be out-of-town, visiting relatives in Tuscaloosa, Ala.

The public is invited to hear the sermons by the Rev. Mr. Harrison.

**Over Three Hundred 1948 Bales Ginned**

A census report shows that 333 bales of cotton were ginned in Garza County from the crop of 1948, prior to October 1, 1948, as compared with 1,565 bales for the crop of 1947.

The above announcement was made last weekend by the Department of Commerce, Bureau of the Census, Washington, D. C.

**Many Readers Are Taking Advantage Of Bargain Rates**

Since announcing the annual fall bargain rates on the Post Dispatch, Fort Worth Star-Telegram and Abilene Reporter-News two weeks ago, the Post Dispatch's circulation department has been rushed with re-newals and new subscriptions. The special rates offered by these publications afford readers an opportunity to make substantial savings on their newspapers. Renewals to the Post Dispatch have been coming in daily, both by subscribers who have made personal calls at the office and through the mails. Many subscribers, who were too busy to visit the office, have mailed in their subscriptions and a number of Post rural correspondents have brought in subscriptions they received from people in their communities.

For a limited period, and for the first time in many years the Fort Worth Star-Telegram is taking new subscriptions. During the war years and since, no new names were added to the Star Telegram's circulation lists and it was necessary for a regular subscriber to supply the "pink label" which carried the name, address and a date of expiration, to be sent in with the renewal check. Renewals and new subscriptions, during the annual bargain days, are \$13.95 for the daily with Sunday. The Star-Telegram without the Sunday edition is \$12.60. Regular rate is \$18 a year.

The Abilene Reporter-News, regular rate of which is \$15.00 per year, is being offered during bargain days at \$9.95. This is a saving of \$5.05 per year. New subscriptions are also being received on the Reporter-News. As long as the daily papers' bargain rates are in force, the Post Dispatch will offer renewals and new subscriptions at a saving of 50 cents a year. The regular rates are \$3 a year for out of county and \$2.50 a year for subscriptions in the county. The bargain rates are \$2.50 for out of county and \$2 for Garza County.

Renewals will be dated to begin when the present subscription expires, on the Post Dispatch and also the daily papers. It is not necessary to subscribe to more than one paper in order to take advantage of the bargain rates.

**Connell Receives Oldsmobile's New Futuramic Model**

The 1948 Series "98" Futuramic Oldsmobile is now on display at the Connell Chevrolet Company, which recently became the local agent for the Oldsmobile, made by America's oldest car manufacturer.

The Futuramic line, while employing the good design and construction developed by Oldsmobile more than five decades ago, offers brand new styling from bumper to bumper, increased front and rear vision through curved glass, wider seats and more luxurious upholstery and interior trim.

The new Oldsmobile is powered by a 115 h.p. eight-cylinder engine equipped with a newly-designed, high-compression head.

The Series "98" or Futuramic Oldsmobile is the Golden Anniversary model of this division of the General Motors Corporation. Oldsmobile was founded in August, 1897.

Having pioneered many styling and mechanical changes in automobiles from the days of the gasoline driven buggy to the modern motor car, the manufacturers confidently look forward to the next 50 years and the new "golden era" of automobile travel. With the "Futuramic" model actually in production and with an eight-year start in the field of fully automatic transmissions, the Connell Chevrolet Company anticipates increasing public acceptance of the Oldsmobile in 1949 and the years to come.

John and Henrietta Nichols and Clay Ferguson were among the guests of Mr. and Mrs. Russell Wilks of the Grassburr Community when they entertained Sunday honoring Mr. and Mrs. Howard Campbell and son, Oran, of Watsonville, Calif. The Campbells formerly lived in the Grassburr Community. Others attending the affair were Mr. and Mrs. Junior Wilks and daughters, Linda Kay and Vickie; Mrs. Campbell's brother, R. L. Ritchie, and wife and daughter, Bessie, of Brady; and Mr. and Mrs. Ike Simmons and son, Gordon; Mr. and Mrs. Alton Estep and children; and Mr. and Mrs. Emmett Hagins and children, all of Spur; Mr. and Mrs. Julian Johns and children, Rita Kay, Grant and Carmen of Pampa; and Bennie Wilks.

Each family brought food to add to the lunch prepared by Mrs. Wilks. The meal was served buffet style.

Mr. and Mrs. Johns left soon after noon for their home in Pampa. The others remained for the day and enjoyed visiting in the lovely new home of Mr. and Mrs. Wilks.

**Soil Conservation Practices To Be Used By S Lazy S**

Another Garza County ranch, the S Lazy S through its manager, Hinton Fluit, this week completed a conservation plan with the Duck Creek Soil Conservation Service.

Directing the program will be Merle Britton, who came to the Post Work Unit in April 1947. He is a range school graduate of the University of Idaho. Before coming to Post Britton spent three months during the summer of 1947 at Snyder in training with range conservationists. In the District Britton has assisted in developing range conservation plans on the Paddle, O. S., Star and other area ranches.

One of the first conservation measures to be used on the S Lazy S will be to construct a fence to divide the pasture east of the highway. The fence will be located to separate the tabosa land which provides good winter and early spring grazing from the buffalo and blue grama upland which is best used during the summer months.

The S Lazy S ranch is located five miles southeast of Post and is owned by Mrs. P. G. Spining.

From where I sit ... by Joe Marsh

I'm Glad We're "Different!"

There's a lot of difference of opinion in our county on the best kind of pasture. Some say alfalfa mixed with brome grass—others say mixed with oats or hay. But all agree that a mixture's better than a single crop.

From where I sit, so long as we never become intolerant of one another's different tastes—so long as we live together with our differences, and even supplement them the way brome grass does alfalfa, then we're a mighty good crop!

I sometimes think people are the same way—and the strength of America is its mixture of so many different strains—some from one country, some from another—right down to little differences: like folks who have a taste for beer and those who prefer cider.

So neighbor—enjoy your cider while I enjoy my beer! Vote for your candidate—I'll stand by mine! But never let our differences divide us!

Joe Marsh

**Auction Of Farm Land Expected To Draw Huge Crowd**

Two thousand prospective buyers representing 20 states will gather today and Friday and Saturday, near Tulla, to bid on the 4,000-acre I. C. Little farms in Castro and Swisher Counties. Chief auctioneer will be Col. A. W. Thompson, Fort Worth, who will be assisted by Mason King of the Amarillo Globe-News.

The rich irrigated land has been divided into 160 acre units. Two thousand acres are in growing wheat and 180 acres have alfalfa in production. In addition to the land, complete machinery—including eight tractors, four truck balers and similar equipment—will be sold. Three large modern houses and one semi-modern house are included in the sale.

Sales will begin at 2 o'clock October 21 and will continue at 2 o'clock each afternoon until everything is sold. A barbecue prepared by Charles C. Love, Amarillo, will be served at one o'clock each sales day. Rip Ramsey and his Western Ramblers will furnish entertainment.

I. C. Little, owner of the farms, has large ranch interests at Childress and is selling his Castro and Swisher County farms to further develop his 43,000-acre ranch properties. Mr. Little is a pipeline contractor who during the war helped build the "Little Inch" and the "Big Inch" pipelines.

Many prospective buyers will attend the sale by plane, as landing facilities are available near the headquarter site where the auction will be held. The sale is estimated to bring over \$500,000 in sales.

**Texas Retailers Note Increase In September Sales**

September sales in Texas were estimated to reach \$459 million as dollar sales of Texas retailers rose 7 per cent from August, the University of Texas Bureau Research reported.

Compared to a year earlier, retail sales stepped up 8 per cent. As is seasonally expected, durable goods store sales fell 6 per cent from August, the first monthly setback since May. Only jewelry and furniture stores reported August-to-September increases, 9 and 4 per cent, respectively. Farm implement dealers turned in the greatest reduction over the month, 21 per cent, while sales of lumber and building materials declined 10 per cent from August.

On the other hand, sales of nondurable goods stores climbed 19 per cent from August to September. Except for declines in filling stations, 10 per cent; eating and drinking places, 4 per cent; and grocery stores (without meat), a fractional decrease, all stores in the nondurable group registered gains from 2 to 35 per cent.

In comparison with September 1947, durable goods sales rose 15 per cent, while sales of nondurable goods gained 4 per cent.

## If Names Mean Anything The Antelopes Are Sunk Pitted With The Snyder Tigers

If the Snyder Tigers live up to the names of the individual players, the Post Antelopes had better be jumping off their laurels, or at least thinking up a few tough nicknames for themselves.

The Juniors, Buddys, Ronnies, Maurices, Kays, and others of the mild-monikered Antelopes should expect some serious fight from Tigers with names like BEAR Hardin (wt. 201 lb.), COBB McCormick (wt. 163 lb.) and DUCK Boren, to say nothing of JUNK Bowers, SHACK Holmes and others. Read the Snyder roster on the football program Friday night, if you don't believe the above and, incidentally, take a look at the Tigers' individual weights.

A player named Keller (not Killer) weighs 188 lb., one named MiddleTON weighs 175 lb., and even the Tiger named SMITH weighs 163 lb.

Maybe it's some of these names that has Coach Bingham a bit worried, or maybe it is the improvement the mentor has noted in the Tiger delegation since the opening of the season, but at any rate Bingham is none too optimistic about Friday night's game. He says it will be a "toughie" and fans who have been boasting an easy win for the Antelopes had better scan the Tiger dope sheet. Bingham points out that, even though the Bengals got off to a bad start, they are now playing first-rate football, and basis his remarks on the Tiger's recent games. True, the Tigers went down to the Colorado City Wolves, the Wolves are the leading contenders for the district championship. Early in the season Roby gave Snyder a beating, but last week the Tigers all but devoured the Roby team. The Tigers have made progress in a big way the past few weeks, Bingham warns.

The Antelopes, too, have noted the more "serious" manner in which both Coach Bingham and Coach Ray are looking to the game. They are catching extra duty—an hour and a half more time has been added to each afternoon's practice session. This week's practice sessions have been devoted to defensive work and smoothing up on offensive plays.

The Antelopes are in good physical condition for the non-conference game, barring two injured men. Ronnie Bouchier will likely be on the bench with a leg injury and Carter White will be out of the play with a foot in-

jury. Bingham indicated Wednesday morning his probable starters would be Billy Lee Smith, center; Barry Ford and Boyd Bowen, guards; Billy Ramage and Giles Dalby, tackles; Roy Davis and Gordon Carey, ends; Jack Kirkpatrick, quarterback; Charles King, left halfback; Roy Wade, right halfback; and Roy Teaff, fullback.

Kickoff time 8 o'clock sharp—Place, Antelope field.

### Tahoka Coach Likes Two Post Players

Two Post Antelopes are not only getting the eyes of the area sport's writers, but are being praised by some of the coaches of the district.

Evidence of appreciating their ability was noted in Tuesday afternoon's Lubbock Journal, in which Coach Jim Faust of the Tahoka Bulldog team was quoted as saying "Post's Junior Malouf ranks with the best in the area, and Post Guard Calvin Storie is a stellar performer." Faust saw these two Antelopes perform against his Bulldogs last Friday night and they made a believer of him.

Malouf has been mentioned a number of times this season by various sports writers of the area.

### Athletic Department Reports Finances

Although the expenses were approximately \$930 more than the income, the Post High School Athletic Department had a very successful financial year from September 1, 1947 until August 31, 1948, it was announced this week by Supt. G. R. Day.

Income, including donations, gate receipts on boxing matches, football, basketball, and other sources of funds, totaled \$4,012.

## Girls Basketball Season Will Open In Post Tuesday

Tuesday night will mark the opening of the season for girls' basketball. Union Terry will come here for games with the A. and B. teams.

Coach N. R. King has announced his probable starters for the game between the A. teams will be Joy and Janet Stewart and Alice Ruth Carr as forwards and Frances Benson, Cletta Buster and Mary Nell Bowen as guards.

In the B. Game he plans to start Peggy Johnston, Lanell Brown and Verna Dell Long as forwards and Am Floyd, Barbara Lusby and Virginia Carey as guards.

King lost two outstanding players this season when Vada Holly dropped out because of illness in her home and Jeneice Fluit, who is on crutches. He hopes to have Jeneice back in the squad within the next few weeks.

New suits have been ordered for the teams and are expected to arrive in the near future.

## Antelope B Team Has Two Important Games On Schedule

Two important games, one away and the other at home, are on the Antelope B card this week and next. Tonight the team will journey to O'Donnell to mix with the Eagles and next Tuesday night the locals will face the Seagraves Eagles on the home grid.

The Juniors may find the going a bit rough tonight, but the chances are they will be victorious.—next Tuesday night's fracas may be of a different order.

The department spent \$4,615.96, most of which was used to purchase new athletic equipment. The demand for equipment was much heavier the past season than in past years, due largely to the increased number of boys participating in athletics.

## Post Antelopes Take Bulldogs In Conference Tilt

A capacity crowd packed the stands at the Antelope stadium last Friday night to watch the undefeated Post Antelopes romp over the Tahoka Bulldogs, 27-7. In what promised to be one of the most exciting conference games on the 1948 schedule.

The Antelope herd outlasted the Bulldog pack from the starting whistle until the final. The fireworks opened for the locals in the first period when Junior Malouf broke through the visitor's line and loped 30 yards for a touchdown. Halfback Jack Kirkpatrick kicked the extra point. In the second period Malouf again went through the line for 20 yards and a score. Kirkpatrick again kicked the extra point.

In the third period Kay Kirkpatrick, right half, ran 10 yards for Post's third counter. Malouf made a speedy jaunt of 55 yards to score the final touchdown for the Antelopes.

The Bulldog's single counter came in the last period when Quarterback Boyd's pass to End Carter was completed for the touchdown.

Veterinary authorities are not in favor of giving worm medicines to foals at weaning time, because the most dangerous species of internal parasites have not yet reached maturity and are not accessible to the action of drugs in the intestine.

Unlike cattle, horses rarely swallow metallic objects, as they chew their feed carefully and reject unfit materials.

Time and the local B's may draw the short end of the score. The local team has won one game over each team, several weeks ago they defeated O'Donnell, 25-0, and took a 14-0 decision over Seagraves.

## Two Antelopes Share Honors In Post Booster Club

The Antelope Booster Club Tuesday night with a crowd attending. Alex Webb showed a ball game that was played in the Cotton Bowl last year. Webb also showed other interesting highlights of the conference.

Junior Malouf was named the best man in the game for Friday night's game. Calvin Storie was picked best lineman, by the crowd. Malouf was named MVP of the game. Malouf and Storie were named MVP of the game. Malouf and Storie were named MVP of the game.

Coach Bingham reported he was well pleased with Antelopes in their game at Tahoka, and that he is expecting the same good work next night when the locals meet Snyder Tigers on the home grid.

## Post Juniors Easily Beat Lubbock Crew

It was rather wide 37-0 margin on the scoreboard that the Post Juniors defeated the Lubbock Ranchers in a football game here last Thursday night.

The local team started scoring early in the first quarter and added counters in each period to pile up the large one-sided score. The first touchdown came when F. M. Reep, left halfback, ran 26 yards to cross the pay stripe. Billy Jones, fullback, paced the Juniors by intercepting a Rancher's pass in the second period on the 37 yard line and running the distance for a counter and then followed up with three more touchdowns. Jones' second touchdown was marked up when he ran 46 yards around end and crossed the goal.

His third counter came early in the third period when he cleared the middle of the field for 20 yards. A few minutes later he galloped 34 yards for his fourth touchdown.

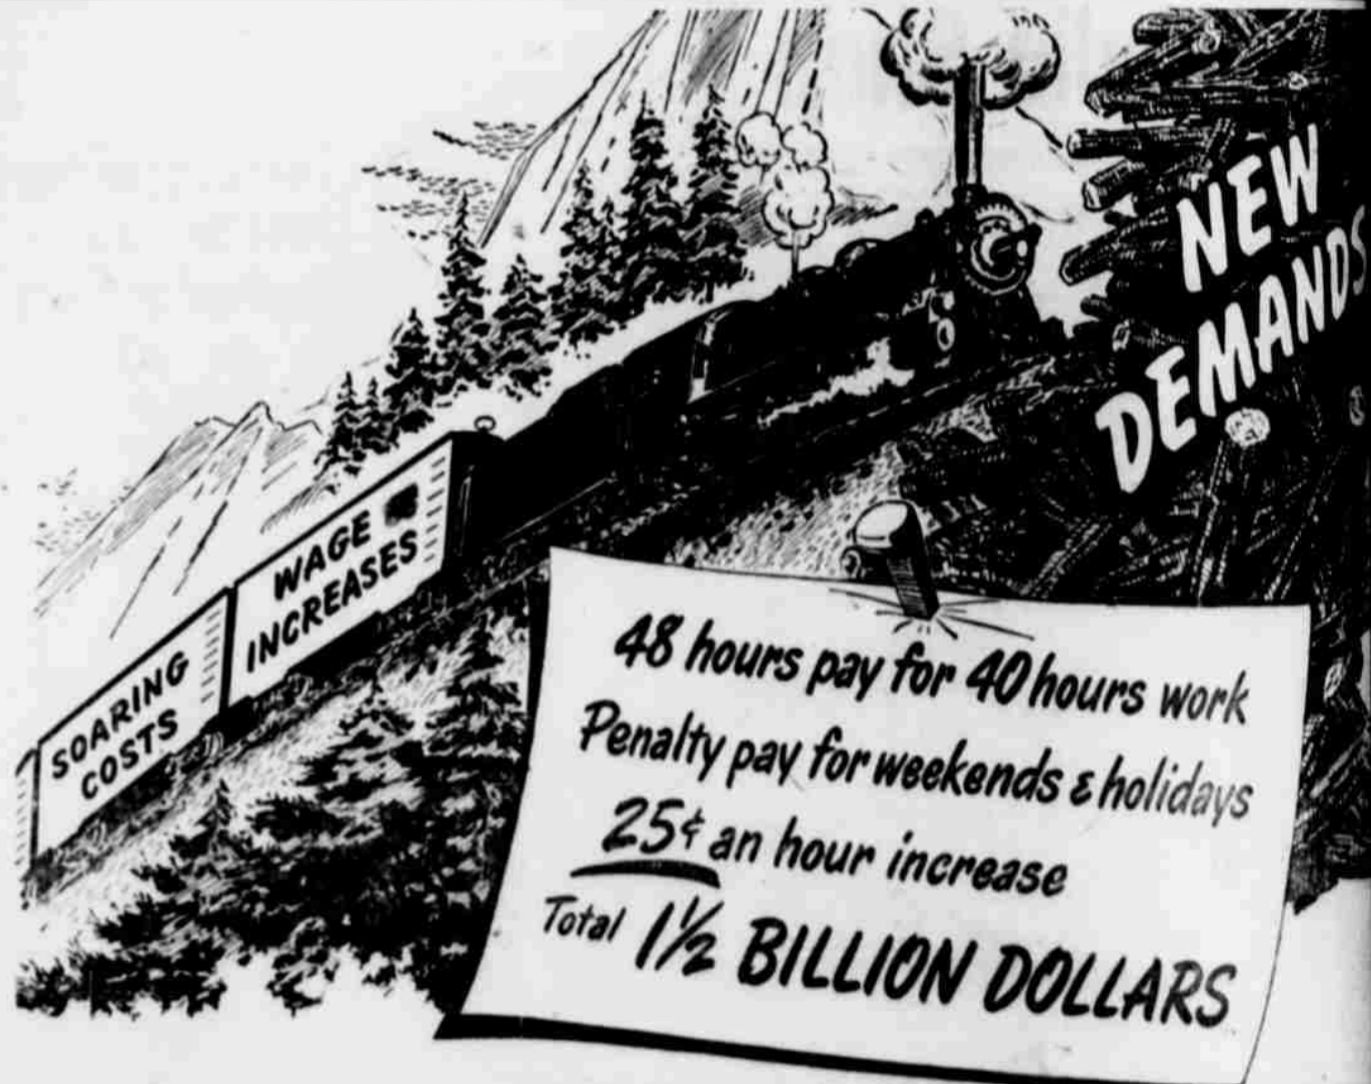

Norman Cash scored a touchdown in the fourth period when he ran 19 yards for the Junior's final counter. Cash kicked the only extra point.

# 1 1/2 Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock every day and night of the year.

Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employees.

They want 48 hours pay for 40 hours work—in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25c an hour for every employee!

### You'd Pay the Bill!

Summing up these demands, they mean that these union leaders seek to force the railroads to give one million employees an annual raise which would average \$1500 per employee!

The total cost of this would be no less than 1 1/2 billion dollars per year, which is more than twice the expected net income of the railroads this year.

You'd pay the bill, because if these increased costs are forced on the railroads,

they must have still further rate and fare increases.

### Demands Unreasonable

These employees have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 unions, which add up to the equivalent of 48c an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10c an hour.

### Railroads Run for Everybody—Not Employees Alone

The railroad industry must serve not only many groups—producers, businessmen, passengers, and the general public night and day, every day of the year. The unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants may shut down over weekends and holidays, freight, mail, express and passengers continue to move. Everybody who uses the road employment knows this.

Strike Threat On September 18, 1948, the leaders of the 16 unions began taking a strike vote. The threat of a strike will not alter the opposition of the railroads to such unreasonable demands.

### FAVORITE BIBLE PASSAGE OF:

**MRS. S. F. EVERETT**  
Let not your heart be troubled; ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go, and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. St. John 14:1-3.

**Minute Prayer**  
Dear God, give us strength to accept with serenity the things that cannot be changed. Give us the courage to change the things that can and should be changed. And give us wisdom to distinguish one from the other. Amen.

Religious Book Week (October 24-31) opens this year on the 348th anniversary of the birth of William Penn, an early advocate of religious tolerance. We are now in the middle of National Bible Week (October 18-24). With these two important weeks in mind we have compiled a list of religious books, chosen as valuable reading every week in the year.

The Bible, of course, is the most widely read book in the world and holds top place.

"Complete Sayings of Jesus," assembled and arranged in sequence by Arthur Hinds is a pocket sized edition which can be read in two short hours. Though Christ's recorded words total only 36,450, less than half the length of an average novel, they are scattered throughout the new Testament and in consequence relatively few people have read them all. In this small volume, laymen will find a means of getting at the very heart of the Bible.

Hurlbut's "Story of the Bible" is used widely for the family story hour. It contains a complete Bible story, running from Genesis to Revelation, and is told in the simple language for young and old. It contains 168 stories.

There are many such valuable books. If you want to add to your religious book library get in touch with your pastor. He can supply you a complete list. Others we recommend are: "How to Study the Bible" and "Pleasure and Profit in Bible Study" by D. L. Moody.

The Ruby Howse Circle of the W.M.U. of the First Baptist Church met Monday afternoon in the home of Mrs. E. W. Babb. Mrs. Dowe Mayfield began teaching a book on "Missions." Five members attended the meeting.

Mesdames Walter Boren, Thomas Haygood, W. E. Dent and Ben Williams are in Albany today attending the Presbyterian.

The Rev. and Mrs. A. B. Cockrell, accompanied by Mr. and Mrs. Boone Evans, left Tuesday for Waco to attend a statewide meeting of the Commissioners for the Methodist Home there. They stopped at Abilene on the way home yesterday to attend a reception and dinner at McMurry College in honor of Bishop W. C. Martin of Dallas, new bishop for this area.

The public is invited to hear the Rev. Ira Harrison, manager of the Baptist Book Store in Lubbock, preach Sunday morning and evening at the Calvary Baptist Church. He served as a successful minister for a number of years until a few years ago when he began devoting most of his time to promoting the work of the Baptist Book Stores in Texas. The services will be held at 11 a.m. and 7:30 p.m.

Members of the First Christian Church Council met Tuesday afternoon in the home of Mrs. C. F. Davis with eight members present. Mrs. B. C. Manis presided. The meeting was opened with a prayer led by Mrs. Davis after which Mrs. Ben Owen conducted the lesson.

It was voted to study for the next few weeks the first and second chapters of Matthew with each member of the council taking

## Post Women To Attend Lauritz Melchoir Concert

Music lovers of the South Plains will have a rare treat when Lauritz Melchoir, famed Metropolitan Opera tenor, who has been called by critics "the most fabulous figure in contemporary music," appears at Senior High school auditorium in Lubbock Thursday and Friday nights at 8 o'clock as guest artist with the Lubbock Smyphony orchestra.

Mrs. J. E. Parker, her daughter, Mrs. Tom Power, and Mrs. Lee Davis and possibly several other Post women will attend the concert.

## Interesting Film Is Shown Homemaking Classes Of P. H. S.

Homemaking classes at Post High School saw an interesting film during class periods Wednesday through courtesy of Homer McCrary, Frigidaire dealer.

The film "Frozen Freshness and How To Get the Most Out Of Your Frigidaire," depicted in a concise manner many interesting steps in the preservation of foods. Mrs. Lillie McLee operated the projection machine and Mrs. Lorna Miller, Homemaking teacher, made informative comments.

The next meeting will be held in the home of Mrs. G. R. Day on November 9.

The W.S.C.S. met Monday at the Church with 10 members present. The meeting was opened with group singing of "Bless Be The Tie That Binds" and a prayer led by Mrs. J. E. Parker. A new study, "On Our Own Doorstep" was begun, led by Mrs. T. L. Jones. Others on the program included Mrs. J. E. Parker and Mrs. A. B. Cockrell. Mrs. B. E. Young gave a special talk on "Hawaii."

Rev. D. A. Bryant was elected Sunday School Superintendent Supervisor of District 9 of the Lubbock Baptist Association for the coming year at the Worker's Conference held Tuesday in Shallowater. He will direct Sunday School activities for the association.

Members from the local church who attended the conference were Rev. and Mrs. Bryant, Mrs. Monta Moore, Mrs. Henry Bilberry, Mr. and Mrs. R. H. Tate, Steve Heather, Mr. and Mrs. L. W. Dalby, Mr. and Mrs. L. P. Baker, and Mrs. J. C. Caylor.

The local pastor delivered the conference sermon.

## Gossip About Garza Guys And Gals

—by gay nellie

Joy Smith of Lubbock spent the weekend here. She is planning to enter Draughon's Business College soon.

Paul Duren has been transferred by the Telephone Co. again! He says he thinks he will be in Brownfield for about 3 months.

Bettye Travis and Rex Everett will be among the exes of A.C.C. when their old Alma Mater football team clashes with McMurry in Abilene Saturday.

We're glad to see Herb Duren around town again. He has been in Colorado for several months.

Harold Childs of Santa Fe, N. M., was in town the first of the week.

LaNel Brown made a very pretty football sweetheart. We think the Antelopes made a smart decision when they chose "Tex."

Gaynell's brother, Truett, was home last night. He and several of his vocational ag boys from Meadow are going to the state fair tomorrow.

Bobby Graves and Bobby Maxcoy from W.T.S.T.C. in Canyon were home over the weekend.

It's nice to see Hubert Masters around town again.

A. C. Thomas who is wearing a "soldier suit" is home for a few days.

## Family Party To Be Staged Again By I-H Company Soon

Post Truck and Tractor personnel are making plans for the big Family Party to be held on November 16. The International Harvester Company stages these affairs each year. The party held in Post last year was a tremendous success and customers and friends of the Post Truck and Tractor Company are looking forward to the affair with a great deal of anticipation.

Dowe Mayfield will make announcement soon about the Family Party program.

## Texas Junior Clubs' Conference Planned

Representatives of 97 junior organizations of the Texas Federation of Women's Clubs will meet in Austin with senior clubs in November. This announcement was made by Mrs. John J. Perry of Sweetwater, president of the state federation. The Junior Culture Club of Post has not made definite plans yet in regard to sending a delegate to the convention.

ROGER W. BABSON WRITES THIS WEEK:

# U.S. May Not Fight With Russia For Several Reasons

Washington, D. C.—The Russia of Nicholas II and its police chief Joseph Stalin as a violent, totally uninhibited revolutionary—a saboteur, jail-breaker, bank robber, and killer of policemen. He led a life of habitual duplicity; although pretending to be a law-abiding citizen. He justified his actions by regarding them as sanctioned by Marxist principles and intended to lift the masses of the people.

We should not defend Czarism nor debate the right of any man to become revolutionary under such circumstances. I do think it is important, however, that we keep in mind that a revolutionist, although now in the position of dictator, will never react or respond in a manner to which we are accustomed. The ex-bandit and ex-outlaw is not going to become a frank and honest law-abiding citizen merely because he is absolute dictator of his country.

## No War Now

There are three reasons for no war now: (1) When forecasting the possibility of World War III we must decide how to interpret Stalin's current activities and should give proper weight to this gangster-like character of his party. In my opinion, the guerrilla and harassing tactics of the Stalinites in Berlin and elsewhere betray fear and a sense of military inferiority. They want certain political, territorial, and economic gains, but they don't dare start an all-out war for them. Hence, they pursue harassing tactics, like a dog nipping at a wildcat; but never intending really to close in, and always ready to back away when the cat turns in reprisal. This is the method by which they forged ahead during their early struggling days. It is logical to believe they will want to continue to follow this method now rather than fight.

(2) It seems logical that if Stalin were expecting to go to war with us, he would protest amity. In his preparations for war, first priority would be given to the building up of an atmosphere of apparent good will with the enemy eventually to be surprised with a sudden furious assault. This he is doing. Hence, we have a second reason for not expecting World War III now.

(3) Russia, on account of her climate would be handicapped greatly by war in winter, especially without being reinforced by trucks from the U.S.A., ordnance from England and other necessary equipment of Anglo-Saxon manufacture. This is my third reason for being optimistic for the present.

## Unless We Start It

Months ago I formally predicted no war in 1948. I am now coming to the viewpoint that there may be no war in 1949 unless we start it. Stalin will confront us again and again; he

will tread on our toes, and try to push us around, but will be at this time expose himself to a war he knows that he can't win? Vivid in his mind is the memory that the Germans, with half the population, defeated him thoroughly until we stopped them.

It was our support that rescued Russia from complete annihilation by the Nazis. How much weaker would that industrially backward country be today if pitted against all of Western Europe and America? I fear the time may come when our people will cease to ask—will Russia start a war with us? Instead they may ask—should not we start the war?

## Stalin And The Bomb

The Stalin Government is

showing itself unwilling amicably within the limits. Should the United States tolerate a bandit-dictator other nations to come greater taxes to meet of bigger military armaments and extravagant aid?

The atomic experts the Soviets will be able to produce atomic weapons in the middle 1950's. Contingent possibilities that if Stalin stays in power then (he is 60) is I insist that there will be a year (1949) in December.

**GETTING OUT On The LIMB**  
By EDDIE the EDITOR

I was out at Al Bird's to a barbecue not long ago and, while I didn't see Gertrude, I learned that she's getting to be quite a critter.

The reason I didn't see her, Al tells me, is that she is self-conscious because she is so large for her age and she always jumps back into the tank when she hears a car coming.

Yessir, that porpoise—which you remember used to be a salt water fish before Al converted her to the fresh water variety—is now becoming a landlubber.

Ever since the cold weather set in, Gertrude has been spending more and more time on the dam of the tank just basking in the beautiful sunshine. It's just as if she realized that our sunny days will become fewer and fewer as the winter wears on and on and she wants to make the most of this Indian summer sun.

Al says that if he can train started spending a good part of the day lolling around on the banks and the dam she has become quite gentle, and even playful. That is, she seems to like attention from Al and Katherine, but she is very shy of other people.

Al says that if he can train her out of this shyness, he is going to put her in the pickup some time and bring her to town. He honestly believes that she can now afford to stay out of the water long enough to come to town for an hour or so.

Here's something I bet you don't know: Sixty-five years ago Standard Time didn't exist. Every town had its own time, and so, even, did many business concerns. Railroad stations held a confusing series of clocks—each line used the time in effect where its home office was located. Matters went to such lengths, as an example, that in Pittsburgh there were six different times in use. Few people knew what time it really was. You couldn't be sure when an appointment was scheduled unless, by lucky chance, the person you were to meet used the same time you did.

The railroads realized that something had to be done to bring order out of this chaos. The hundreds of different times in effect throughout the country were a constant and growing headache. The movement to standardize time began in 1872.

And eleven years later, on November 18, 1883, every railroad clock was stopped at a given hour. When they started again, Standard Time, with its four time zones, was a going concern in the United States. It was gradually accepted by the people, and 35 years later Congress recognized Standard Time and made it official. The railroads had foreseen an important national need, and through voluntary agreements they furnished a workable solution.

THE WOMEN. God love 'em: They can't keep a secret for two reasons: It is not worth keeping, or it is too good to keep.

The Santa Fe Magazine says the wealth of experience is one possession that has not yet been taxed.

I disagree. We got a wealth of experience during World War II. It looks like the tax on it will be World War III.

There are lots of long faces around here this fall. Right now, there's lots of complaint with little suffering. I like times like these, however, much better than I did during the depression when there was so much suffering with little complaint.

## Garza and the World

By EVELYN BOYD

Last week, I discussed four of the eight proposed amendments to the State Constitution to be voted on by the people of Texas on November 2. Today's space is devoted to a continuation of the discussion, beginning with House Joint Resolution No. 30, which will be identified on the ballot as H.J.R. No. 30.

This proposes an amendment to Article III of the Constitution of the State of Texas by adding something to be designated as "Section 60" to authorize counties of this state to provide Workman's Compensation Insurance, including the right to provide its own insurance risk, for all county employees. The proposal further states that the Legislature shall provide suitable laws for the administration of such insurance in the counties and for the payment of the costs, charges and premiums on such policies of insurance and the benefits to be paid thereunder.

This is an excellent proposal. Let's vote for H.J.R. No. 30.

For some time there has been a law requiring firms employing as many as five adult persons to provide compensation

plaint. I'm in and out all the local places of business about as much as anybody in town, I guess—maybe moreso—and hear a lot of significant things in chance remarks from clerks and customers.

My most significant observation lately is that fewer and fewer people are maintaining a good credit rating. More checks are bouncing and more people are letting their bills run longer than from month to month.

I heard one merchant say: "Fewer people would be in debt if they didn't spend what their friends THINK they make."

All of which reminds me of something that has puzzled me for years, and over which I have expressed amazement before in this column:

Why is there such a stigma on bill collecting in this town?

I employ a bill collector, who collects for the Post Dispatch on the first day of every month. Every time she goes out on a job like this, she hears some merchant say: "I wish I had the courage to hire a bill collector. My customers are insulted if I indicate that I want their money."

What puzzles me more than anything is how these merchants stay in business year after year with as many unpaid bills as they claim to have on their books? I have to collect what's owed me every month to keep buying newsprint, paying salaries and, in general, keeping my doors open.

If I ever learn the answers to these questions, I will start making plans to relax and retire.

insurance. This doesn't mean that an injured workman will always be paid off, as the battle, if any, is between him and the insurance company. But it does give the injured workman grounds on which to collect compensation and it protects the employer from being held responsible for the injury.

The county, likewise, should be similarly protected and its employees are entitled to insurance.

H.J.R. No. 35 provides for exemption of \$3,000 of the assessed taxable value of all residence homesteads from all state taxes.

This resolution, the proposal reads, shall not be effective unless H.J.R. No. 24 is adopted and it will not go into effect before January 1, 1951.

H.J.R. No. 24 is the one recommending that no ad valorem tax shall be levied for state general revenue purposes after January 1, 1951, and authorizing the counties to levy additional ad valorem taxes, providing for a \$3,000 residential exemption, etc.

Last week I recommended voting for H.J.R. No. 24, and now I recommend voting for H.J.R. No. 35. I don't think this will reduce anybody's taxes in the long run, but it helps keep the money at home, where it belongs.

H.J.R. No. 36 is a dilly. Although it applies chiefly to towns of more than 20,000 population it has a clause that will remedy a bad situation in many small towns.

VOTE FOR H.J.R. 36.

It recommends that Section 61, Article XVI of the State Constitution be amended to read as follows:

"All district officers in the state of Texas and all county officers in counties having a population of 20,000 or more, according to the then last preceding Federal Census, shall be compensated on a salary basis. In all counties in this state, the Commissioners Courts shall be authorized to determine whether precinct officers shall be compensated on a fee basis or on a salary basis, with the exception that it shall be mandatory upon the Commissioners Courts to compensate all constables, deputy constables and precinct law enforcement officers on a salary basis beginning January 1, 1949; and in counties having a population of less than 20,000 according to the then last preceding Federal Census, the Commissioners Courts shall also have the authority to determine whether county officers shall be compensated on a fee basis or on a salary basis, with the exception that it shall be mandatory upon the Commissioners Courts to compensate all sheriffs, deputy sheriffs, county law enforcement officers including sheriffs who also perform the duties of assessor and collector of taxes, and their deputies, on a salary basis beginning January 1, 1949.

"All fees (this is the part I like) earned by district, county and precinct officers shall be paid into the county treasury where earned for the account for the proper fund, provided that fees incurred by the state, county and any municipality, or in case where a pauper's oath is filed, shall be paid into the county treasury when collected and provided that where any officer is compensated wholly on a fee basis such fees may be retained by such officer or paid into the treasury of the county as the Commissioners Court may direct. All notaries public, county surveyors and public weighers shall continue to be compensated on a fee basis."

This amendment, if adopt-

## What Our Contemporaries Are Saying:

DRIVING COURSE — Level-land should be a safer place in which to live at the completion of the Driving Experience Course being taught in the local high school this fall.

Fifty-two students have enrolled in the special course and that number is the class limit but the demand for enrollment has been great and at least fifty more would like to take the lessons, Mr. Clapp revealed.

The new Ford sedan used in the driving lessons is being furnished by the Burson Motor Company. The vehicle is not marked against the local dealer's quota by the factory, therefore no one is being deprived of a new car allotment. Otis Brunson explained.

To be eligible for this new-type course, a student must be 16 years of age, and must have the written permission of their parents. — Hockley County Herald.

TEST TUBERCULOSIS — Not as many Randall county citizens took the tuberculosis test in Canyon last week as was anticipated. Only 1100 persons had the X Ray pictures of their lungs taken by the Texas State Health Department.

Reports are being mailed to each individual who had the X-Ray taken.

Dr. Robert P. Jarret, city health officer, has received a tabulation of the results. All but 20 of those taking the test were clear, would cut out a lot of dirty, rotten politics over the state, make public office less attractive to some types of professional candidates and stabilize the fee collections. People who work for the county and district are entitled to a fixed salary the same as are people who work for the Post Dispatch and other firms in Post.

We'll always have skullduggery in politics until the national, state, district, county and city offices are operated like a well-managed business house.

If the Post Dispatch allowed me to pocket the "fees" collected by me from advertising, subscriptions and job printing, we wouldn't be able to keep our doors open for very long. It's good business to pay me a fixed salary, then require me to turn in all fees I collect into the Post Dispatch treasury.

The same applies to running a county, or a state or a nation.

More next week.

of tuberculosis. The State Department found that five were definitely afflicted with the disease; eight were classified as suspicious; six had other lung ailments, such as tumors; and one picture was unsatisfactory.

According to Dr. Jarrett, the family physician of each of the 20 persons has been notified by the State Department and they are urged to go to their physician for treatment.

The number of pictures taken here is below the number usually taken in a county seat town the size of Canyon. — Canyon News.

FIGURE THIS ONE — Just 12 years ago the national administration was spending a bit less than \$5,000,000,000 to stimulate business and make prices go zooming upward. Now the national administration is spending about eight times as much money as it did in 1936 and appealing all the time for the election of Truman and Barkley in order to "whip high prices."

We can't understand it at all. Can it be that somewhere along the line there is a point where excessive spending ceases to make prices go up and begins to make them go down? — San Angelo Standard-Times.

AGAINST FEDERAL SUBSIDY — We don't like federal subsidies to any economic or professional group. And we can't understand why any one class of wage-earners must be petted and pampered by the government and the rest left to shift for themselves.

We particularly dislike the federal government doling out over a half billion dollars to farmers last year, just to keep the price of milk so high that farmers can make money but mothers and kids can't purchase it for good health's sake.

We particularly dislike the federal government's discriminatory tax on oleomargarine, placed there for two purposes only: (1) to carry out the already ridiculous theory that a man with a cow is entitled to be supported by taxes paid a hundred million wage earners; and (2) to force hungry people to eat an inferior product at a higher price so the man with a cow can "milk" that hundred million wage-earners out of their savings.

We dislike the conduct of the Federal Crop Insurance Corporation, which lately received \$51,735,000 in premiums from farmers and paid them out for the

same period \$82,945,000 for losses and indemnities. This does not include an administrative expense of \$31,963,000 incurred in the process of carrying this job of money to the farmer's doorstep because he's too tired after a hard day at the nation's domino halls to go to town after it.

We harbor a major irritation for the kind of bookkeeping system imposed upon farmers, whereby they can even give checks every day for insignificant items like, for instance, a hoe handle. They may make out the check for \$200, mark it for repairs, collect \$199.02 in cash and charge the whole kaboodle off to farm expense. We contrast this system with the expensive accounting setup thrust upon business. The kind where if you buy a dollar's worth of postage stamps and two of them show

### More Phosphate Fertilizer Goes To Garza Farmers

Another load of phosphate fertilizer arrived this week at Fry Produce Company, Duck Creek Soil Conservation District co-operators are using phosphate to fertilize vetch and rye crop plantings.

Vetch and rye plantings are pretty well distributed this year and will give neighboring farmers an opportunity to watch the development of these cover crops. Bill Norman in Barnum Springs group planted 50 pounds of vetch seed mixed with 100 pounds of rye seed. This will plant 5 acres. He planted 800 pounds of rye alone.

E. O. Merrell about 5 miles east of Southland is planting 150 pounds of vetch and 4,000 pounds of rye. T. R. Greenfield planted 4 acres of vetch and rye in Canyon Valley. In the Verbeno group J. W. McQuien and Giles McCrary will have nearly 40 acres of rye and vetch.

C. P. Witt was planning to plant 6 acres of vetch and wheat he is growing with water. All of the seed in these vetch plantings were inoculated at planting time to get the soil building benefits from this legume.

Mr. and Mrs. Garland Cannon and daughter of Petersburg spent Sunday here visiting her parents, Mr. and Mrs. Ray N. Smith.

D. C. Roberts and Mr. and Mrs. D. C. Roberts, Jr., visited Mr. Roberts daughter and son, Mrs. Gene Gollehon and Eldon Roberts and their families in House, N. M., over the weekend.

# It Has Been A Pleasure To Serve You Since 1923

## 25 Years Your Chevrolet Dealer

It has been our pleasure for a quarter of a century to represent Chevrolet in Post, and the Post trade area . . . Chevrolet has come a long way in advancing automobile engineering and styling during the past 25 years . . . We've come a long way, too, from a small inadequate building in 1923 to a large spacious building with grounds and the most modern equipment available with experienced men in every department for handling your every automotive need . . . Post and this community have come a long way also, from a small populated community to a prosperous city in 1948 with an estimated population of 4,500, backed up by the textile and oil industries, and a farming community and ranch area populated with a people unequalled in the southwest.

### Connell Chevrolet Company History

On October 18, 1923, the local Chevrolet agency, operated under the name of Post Auto Company, was purchased by the late C. C. Connell from the owners, John Easley and C. V. O'Keefe.

The Connell Chevrolet Company, Incorporated, was formed with C. C. Connell, G. W. Connell, and Dayton O'Keefe as directors for the first year. G. W. Connell was elected president of the company and has served in that capacity since that time.

J. P. Manly, the present manager, became associated with the firm on November 15, 1926, as an automobile salesman. At that time, the business was operated by C. C. Connell, manager, and three employees: Dayton O'Keefe, bookkeeper; Bill Childress, mechanic, and Manly.

Several years later, Manly became manager of the firm and also a stockholder. He has operated the business since that time and at present has thirteen employees on the payroll. The annual payroll is approximately \$50,000.

The present stockholders in the company are proud of the progress which has been made in the past 25 years, and are justly proud of the fine building which was built in 1939 and equipped with the latest modern fixtures and shop equipment. This accomplishment is one of the highlights of the history of Connell Chevrolet Company. The formal opening was held in April, 1939, and was attended by a large host of friends.

By way of launching a new era of progress, the Connell Chevrolet Company proudly presents both Chevrolet and Oldsmobile, manufactured by General Motors, and is planning another 25 years of service to those who have been responsible for its great success, the many friends and customers.

### Chevrolet For 25 Years

Chevrolet has continued to improve during these 25 years. Chevrolet has pioneered many new automotive features and conveniences that are being enjoyed by the motoring public today. Chevrolet's progress will continue through this program of constant improvement.

### Thank You - - - - -

It doesn't seem like a quarter of a century since we became your Chevrolet dealer, does it? But that's exactly what it is—a quarter of a century this month.

So, this seems an appropriate time to tell you something we have been thinking for a long time. These two and a half decades of friendship with you is something we value very highly. Your patronage and loyalty as a customer we have tried hard to deserve; and we shall keep right on trying, so that the second quarter of a century of our association will be just as pleasant as the first.

We face the coming years with determination to better our services, and we shall endeavor to keep pace with the demanding and rapidly changing modern times, as is, the policy of Chevrolet.

We want to sincerely thank you for the pleasant relationship which this firm has enjoyed in serving you over a long period of years.

### New Trustees Are Named By Board

The county school board met with Dean A. Robinson, county school superintendent, at the court house Saturday and appointed new trustees for three Garza county schools.

The Mason school district was attached to the recently consolidated school district made up of the Justiceburg and Leforest communities. Seven new trustees were appointed for this district. They are: Cecil Smith, Raymond Key, R. A. McLaurin, E. A. Morgan, Henry Key, Leslie A. Davis and Elton Nance.

A new trustee, H. C. Drake, was appointed for the Grassburr school to replace Rex Welch who recently moved out of the community.

In the Hartford community, E. O. Merrill will replace Carl Rains who resigned. Tom Sims will continue to serve on the board and a third trustee, Avery Moore was appointed.

### Fisher County Rodeo Boosters Visit Here Wednesday P. M.

### Linda Jo Miller Rites Held Here Friday

Funeral services for Linda Jo Miller, 3 months old daughter of Mr. and Mrs. Robert Miller, were conducted at 3 o'clock Friday afternoon at the Calvary Baptist Church, with the Rev. I. D. Walker, pastor, officiating. Burial was in Terrace Cemetery with Hudson Funeral Home in charge.

The baby became ill Thursday morning and died while her parents were taking her to the Mercy Hospital in Slaton.

Survivors include her parents; one brother, David; her grandparents, Mrs. J. O. Miller and Mr. and Mrs. C. P. Jones.

Flower girls were Louise Ferguson, Joyce Short, Mozelle Edwards and Lorene Johnson.

Pallbearers were Danny Redman, Tommy Malouf, James Dye and Charles Shedd.

### ELECTION BALLOT—

(Continued From Front Page) ments to the Texas Constitution.

To vote, one selects the candidate he prefers for each office and does nothing to his name, scratching the names of all opponents. To vote for the Constitutional Amendments, the voter scratches out the Against statements and vice versa.

The seven political parties listed, are Democratic, Republican, States Rights, Prohibition, Progressive, Socialist and Independent.

Some of the candidates in the lesser-known parties will be listed in next week's issue of the Post Dispatch.

### Look Who's New

Mr. and Mrs. Donald Windham are announcing the arrival of a 7 lb., 4 oz., boy on October 18 at 9:45 a.m. in the Lubbock Memorial Hospital. Friends received cleverly styled announcements which followed the Indian Papoose theme. Giving Papoose name as Donald Ray, Jr. Its tribe was headed by Brave Donald and Squaw Billie. Maternal grandparents are Mr. and Mrs. Delmer Cowdrey and paternal grandfather is John Windham.

Mr. and Mrs. Ray McNabb of Harlingen, formerly of the Close City Community, are announcing the arrival of a daughter, born October 11. She weighed 7 lb., 15 oz., and was named Judy Kyle.

### BOY SCOUT DRIVE—

(Continued From Front Page) Last year 49 per cent of the funds were received from Lubbock, Plainview and Lamesa. Every major community of the area will be expected to participate in this year's fund raising campaign. Lott stated.

No goals are to be set up in any communities.

Mr. and Mrs. Raymond DeBusk of Coleman were weekend guests in the H. M. Snowden home. Mr. DeBusk went from here to his ranch at Springer, N. M.
