# Principal Spikes Rumors That Post High School Not Fully Accredited

Rumors that Post High School is not fully accredited were spiked Tuesday in a statement by Principal Glenn Whittenberg that the local high school is fully accredited, having affiliation in 30 high school credits.

"The high school in your community is making an attempt to offer to your child as good an education as our means and facilities will permit," Whittenberg said.

"Our accreditation," the principal continued, "is extended by the Texas Education Agency, the same agency that accredits any high school in the state. Students

leaving this high school are accepted in any college or university in the state on the same basis as students of any school."

Whittenberg pointed out that the University of Texas' entrance examination is required not only of students who have graduated from Post High School, but of those who have graduated from any high school in the state or nation.

"Many of our colleges," the principal said, "give English placement tests that may be construed to be entrance examinations. These are given to all en-

tering freshmen for the purpose of determining where they should be placed for the purpose of English instruction."

Twenty-five members of the Post High School 1956 graduating class of 32 are entering Texas colleges and universities and two will attend business schools, Whittenberg said.

"Ten students," he continued, "will be entering Texas Technological College; seven, West Texas State College; three, Hardin-Simmons University; two, Howard Payne; one, McMurry, and

one Texas Lutheran College.

"Of all the transcripts that have been sent on these students, not one has been questioned. None of these students have been required to take entrance examinations to gain admission."

"To operate efficiently and effectively in our times," Whittenberg said, "a school must have a philosophy of education. Here is the philosophy that the teachers in high school have worked out and adopted. We believe that it states clearly what your school is striving to accomplish. To do this we need the cooperation of

every parent and adult in the community.

"The purpose of education is to provide for the continual development and improvement of every individual to the extent of his abilities.

"The public school is an educational agency of the community established to maintain, strengthen, and improve our democratic way of life.

"The school's program should provide for each of its pupils, regardless of his ability or environment, the opportunity to develop and achieve to his capacity—

mentally, physically, socially, morally and spiritually.

"The school's efforts should be directed to the end that each individual will become an efficient member of our American democratic society, capable and desirous of making a definite and positive contribution to that society.

"Our philosophy of education implies that a good instructional program provides:

"A unified sequential program for progressive development of the child.

"A program which recognizes and makes provision for differ-

ences in ability, needs and interests.

"A program which promotes basic skills, attitudes, appreciations, knowledge and judgments.

"A program rich with situations for developing good character traits.

"A program including varied, challenging, functional subject matter from our present environmental and cultural heritage.

"A program necessitating development of critical thinking—an essential characteristic of a citizen desirous of making a positive contribution to democratic living."

Number 14

**TRIES OUT NEW PEN**—One of the new ball point pens in the post office here is being tried out by Mrs. Rosemary Sparks. The change from the old-type pen was made recently, according to Postmaster Harold Voss. The new pens were placed in every post office in the nation for the convenience of customers in writing money orders, addressing letters, and so forth.—(Staff Photo).

## Robinson Is New Leader Chest Group

Dean A. Robinson was elected president of the Garza County Community Chest at a meeting of the board of directors Tuesday night in the City Hall auditorium. He succeeds Powell Shytle, who served as president during the organization's first two years.

Other officers elected were: Mrs. Victor Hudman, vice president; Mrs. Harry A. Tubbs, secretary, and Ellis M. Mills, treasurer.

The group voted to complete payment of last year's funds on a pro rata basis to the participating agencies, and to clear up the books preparatory to the start of the new fiscal year.

Robinson appointed a budget and admissions committee of Harold Voss, Chant Lee, Mrs. Lee Davis, Mrs. John F. Lott and Clint Herring. He also named Miss Ganell Babb as publicity chairman.

Agencies wishing to participate in this year's fund are asked to turn in their requirements to the budget and admissions committee as soon as possible. The annual fund drive will begin after the budget is set.

Last year's budget was as follows: Garza County Youth Center, \$300; American Heart Fund, \$300; Boy Scouts of America, \$2,500; Salvation Army, \$1,000; USO, \$454; Girl Scouts, \$1,950; Gonzales Warm Springs Foundation, \$300; American Red Cross, \$1,750; Cancer Society, \$1,000; local fund, \$800.

Attending Tuesday night's meeting and the organizations they represent were:

The Rev. Cecil Stowe, Ministerial Alliance; Pat N. Walker, Lions Club; Mrs. Lee Davis, Woman's Culture Club; Mrs. Victor Hudman Parent-Teacher Association; Mrs. E. F. Schmidt, Amity Study Club; Ganell Babb, Beta Sigma Phi; Mrs. T. L. Jones, Cancer Society.

Mrs. John F. Lott, Gonzales Warm Springs Foundation; Bill Tarter of Lubbock, Boy Scouts; See ROBINSON IS, Page 8

## Calling Of Confirmation Elections On Water District Seen In Next Few Days

**MORE LOOMS AT MILL**—Shown inspecting some of the 107 looms being added at Postex Mills, Inc. is Dick Tanner, weave supervisor. With 252 looms already in operation, the 107 additional looms will make a total of 359 at the mill. The additions are part of the \$1 million-plus expansion program under way at Postex. Also being added are carding and spinning machines. R. J. Jennings, mill president, has announced that the expansion program is expected to be completed around Dec. 1.—(Staff Photo).

Calling of confirmation elections on the newly-created White River Water Control and Improvement District are awaiting the arrival of legal papers from the State Board of Water Engineers.

Ransom Galloway, bonding company attorney, told temporary directors of the district here Saturday that the confirmation elections can be called as soon as the papers arrive.

The papers are expected this week. If they arrive in time, a meeting of the temporary directors will be held Saturday at the community clubhouse in Ekalgary, at which time the elections are expected to be called.

Galloway told the group that there is a possibility the confirmation elections can be held before Nov. 1.

If the water district is confirmed by the member cities of Post, Spur, Crosbyton and Rails, the next step, he said, will be permanent organization of the five-member board of directors. Present temporary directors are R. J. Jennings, Post; M. A. McLaughlin, Rails; Lynn D. Buzbee, Spur; Robert Work, Crosbyton, and Tom W. Bouchier of Post, director-at-large.

The attorney outlined the other steps as follows:

1. Adopting plan of engineering.
2. Exclusion hearing.
3. Appointment and meeting of equalization board to approve tax rolls.
4. Bond election.
5. Fixing of water rates and operating procedure of the district.
6. Water contract elections.
7. Depository bids.
8. Adoption of plan of taxation, and final report to State Board of Water Engineers.
9. Approval of bonds.
10. Construction of dam.

The next meeting of the White River Municipal Authority will be held Thursday, Oct. 16, in Spur.

## Five Blocks In City Signed For Paving

With five complete blocks signed up for paving, engineers will be here Monday to start setting grade stakes, and the contractors are expected to move in the following day.

City Councilman Powell Shytle, who heads the city's paving department, said blocks to be paved are North Avenue P between 12th and 11th Streets; West 4th Street between South Avenues R and Q; West 5th Street between South Avenues Q and R; West 11th Street between North Avenues R and S, and South Avenue R between West 6th and 7th Streets.

Consulting engineers on the project are Roberts, Merriman & Bowden of Lubbock. The contractor is C. & C. Asphalt Paving Company of Colorado City.

Shytle said there is a possibility of eight additional blocks being signed up for the program. Any property owner interested in the street paving project is asked to get in touch with a city representative at the City Hall.

The new paving will be a three-course asphalt job with standard curb and 24-inch gutter. There will be a six-inch caliche base.

The contractors will also pave street intersections in return for the caliche to be furnished by the city. The county will assist the city in hauling the caliche, according to City Supt. R. H. Tate.

The new paving will be the first here since 1952.

## New Ball Point Pens Do Disappearing Act

The first two new ball point pens placed in the post office here have been stolen, Postmaster Harold Voss reports.

"Both pens were gone—jerked loose from their 'moorings'—when we came down Monday morning," Voss said.

The postmaster warns that the pens are government property and that their removal from the premises carries a heavy fine upon conviction.

The stolen pens have been replaced, and the postmaster says he hopes these two stay "hitched." "It's too bad," he said, "when you do something for the convenience of the public and then some culprit takes advantage of it."

Reports from over the nation indicate that the post office here is not the only one having trouble keeping the new pens on the premises.

"My guess is that they're such an improvement over the old-type conventional pens that some people just can't resist swiping them," the postmaster commented.

## Schools' Water Bills High, But Beneficial

The Post schools' water bills for the summer months totaled \$1,316.71, but resulted in the football and practice fields and campuses being put in the best condition ever, Supt. R. K. Green has announced.

The water bills by months were: June, \$208.57; July, \$563.17, and August, \$544.97.

The watering of the football and practice fields in July and August came after they were newly sodded.

## NEW WAGE RATES TO BE POSTED EVERY TWO WEEKS

**TEC Figures County Needs 3,145 Pullers This Season**

An estimated 440 Mexican nationals and 2,705 cotton pullers from other parts of Texas and other states will be used during the peak period of the cotton harvest in Garza County, according to figures released by the Texas Employment Commission.

The figures were announced this week at a meeting of B. T. O'Connell, manager of the TEC office with the Rev. James Erickson, serving as a county farm labor committeeman, and County Agent Lewis C. Herron and Glenn Davis, who sat in as observers in the absence of the other two committeemen.

The county's farm labor committee will function under Public Law 78 in obtaining facts relevant to the supply of domestic farm workers existing in Garza County and the shortage of workers, if any, which must be met by importation of Mexican nationals to harvest the cotton crop.

The TEC in turn must supply this information to the Secretary of Labor who will place a ceiling on the number of Mexican nationals to be used in this county.

The committee will consult with O'Connell to assist him in estimating the number of workers who will be needed.

When the U. S. Department of Labor sets the labor ceilings for Garza County, notices will be posted in post offices in Justiceburg, Post and Southland, in the county agent's office and in the courthouse.

Each two weeks throughout the cotton harvest, new surveys will be made and new wage rates posted.

"The TEC is required to gather the wage rate figures, but the U. S. Department of Labor sets the wages under Public Law 78," O'Connell said at the meeting here.

The estimated number of workers who will be needed in Garza County during the cotton harvest is based on figures from previous years and on current tabulations of the estimated size of this year's crop.

Prime steers were shown by 4-H Club members Carol Davis, Tommy Young, Donald Young and Jerry Thurst, and Future Farmers of America member Ambrose Gray.

Steers grading choice were shown by 4-H members John T. Brown and Lewis C. Herron III, and Noel Don Norman. Grading good was the steer shown by Bunny Smith, FFA member.

The steers were graded by Paul Marion, animal husbandryman at the Spur Experiment Station.

Lewis C. Herron, Garza County agent, judged agricultural exhibits at the fair.

## Garza Steers Grade High At Area Fair

Five Garza County youths showed steers grading "prime" at the Dawson County Fair in Lamesa last week. Four other steers from this county graded "choice" and one, "good."

Prime steers were shown by 4-H Club members Carol Davis, Tommy Young, Donald Young and Jerry Thurst, and Future Farmers of America member Ambrose Gray.

Steers grading choice were shown by 4-H members John T. Brown and Lewis C. Herron III, and Noel Don Norman. Grading good was the steer shown by Bunny Smith, FFA member.

The steers were graded by Paul Marion, animal husbandryman at the Spur Experiment Station.

Lewis C. Herron, Garza County agent, judged agricultural exhibits at the fair.

## Jaycees Take On Cushion Project

The Post Junior Chamber of Commerce has received from the school board concession rights to sell seat cushions at the remaining four home football games, A. Lee Ward, Jaycee president, said Wednesday.

The cushions will sell for 25 cents each. "Actually," Ward said, "we're not selling the cushions, but merely renting them for the game. Purchasers are asked to leave the cushions at the stadium, where they will be picked up by the Jaycees."

Proceeds from the project will go to the Little League baseball fund.

In charge of the cushion sales at Friday night's game will be Jess Michael and Bill G. Humphrey.

## Chairman Is Named For MOD Campaign

The Rev. Almon Martin, First Christian Church pastor, has been appointed chairman and Bob Poole, co-chairman for the 1957 March of Dimes, it was announced this week by J. Lee Bowen, chairman of the Garza County chapter of the National Foundation for Infantile Paralysis.

The Rev. Mr. Martin has tentatively set Thursday, Sept. 27, as the date of a dinner for chapter officers and campaign workers. He expects to be ready to announce community MOD chairman by that time.

Other chapter officers are Mrs. Jack Rutledge, secretary, and Julia Wilma Fierle, treasurer.

## DISCOVERY WELL IS 11 MILES NORTHEAST OF POST

**New Oil Field Designated**

Garza County's newest oil field, designated by the Railroad Commission, is the Cross-Glorieta, opened 11 miles northeast of Post by Ashmun and Hilliard's No. 1 Ralph Welch.

On a 80-acre lease, the discovery well is in Section 13, Block 4, K. Aycocok Survey. Production is from pay topped at 3,143 feet.

On potential, the well flowed 88 barrels of 36.2 gravity oil with gas-oil ratio of 380-1. Nearest comparable production, as well as production of any kind, is six and one-half miles west from Glorietta in the Sims pool Separation is by aycocok.

## International Film Is Shown At Luncheon

A film on international relationship was shown at Tuesday's Rotary Club luncheon, with Clint Herring in charge of the program.

Junior Rotarians at the luncheon were Ray Gary and Troy Cartmill, seniors in Post High School. Visitors included W. L. Woods, Jr. of Alaska, Trustett Smith of Yakok, V. A. Johnston of Rails and Avery Moore Jr. and Bob Garrison of Post.

Giles McCrary will be in charge of next Tuesday's program.

## County's Six Gins Report 980 Bales

Garza County's six cotton gins had turned out 980 bales up to Wednesday noon.

The figures by gins are as follows: Graham, 140; Planter's, 183; Basinger, Southland, 150; Close City, 247; Storie, 123 and Pleasant Valley, 137.

Ginnings are far ahead of the same time last year. It was reported at the Southland Gin that they had processed only one bale on this date last year as compared with 150 this year.

## Pony League Group Meets At Tahoka

Further steps for organization of a bi-city Pony Baseball League were made Monday night when eight members of Post's Pony League executive committee met at Tahoka with a group representing league interests in that city.

Those attending from here were Leo M. Acker, Phil Boushier, Jess Cornell, Pat N. Walker, E. Camp, S. C. Storie, Jr., Bryan J. Williams and R. W. Francke.

Plans call for organization of a four-team league with each city furnishing two teams.

# Thursday to Thursday

By CHARLES DIDWAY

WE REFRAIN THIS week from leading off with our usual quip about the dry weather, since it long ago ceased to be a joking matter. Up to now, we've had just a trace over four inches of moisture since Jan. 1. That's less than half the amount of rainfall received in 1952, which was the driest 12-month period on record here. And this year is more than two and a half months past the half-way mark.

THERE'S AN OLD saying that records were made to be broken, but doggedly if we don't hate to see the dry weather record busted!

ACCORDING TO A survey, the six sweetest sentences in the English language are these:

I love you. Dinner is served. All is forgiven. Sleep till noon. Keep the change. Here's that five.

To these, we would add six more to make an even dozen:

It won't cost you a cent. You're elected. We won. You wonderful man! You beautiful thing! You certainly don't look your age!

THE PICTURES OF four Postites made the front page of the Lubbock paper last week following the visit of the Panhandle South Plains Fair boosters. They were Mrs. Bob Collier and son, Don, and Mrs. Malcolm Bull and son, Timmons. Both youngsters are four years old.

POST'S JIMMY BIRD, one of the busiest amateur ropers in the nation, placed second at Big Lake Saturday in a four-calf roping contest before a crowd of 2,000. Jimmy, who usually finishes on top, wound up this time behind Earl Teague of Crane, whose winning time was 52.9 seconds.

THE H. B. ZACHRY Construction Company of San Antonio, which is winding up construction work in the Postex Cotton Mill's expansion program, recently completed construction of the Oso Sewage Treatment Plant in Corpus Christi. The construction contract on the huge plant amounted to \$831,802.

TOURISTS ARE PEOPLE who drive hundreds of miles to get photos of themselves standing by a car.

THE POPULARITY OF blue denim jeans among the teen-agers is nothing new, but who could have predicted their popularity a hundred years ago? Surely not the designer, a German immigrant, Levi Strauss, who followed the California gold rush over a century ago.

STRAUSS BROUGHT from New York to San Francisco a bundle of canvas for tents and covered wagons. When a miner asked him for material to make tough, lightweight pants, Strauss took him to a tailor and tried out the canvas. It was a big success.

IN 1853 THE Strauss family organized Levi Strauss & Company. Millions of their levis have been sold, even in Paris and Rome. The rivets were added, partly as a joke, when miners complained that the pockets ripped if they stuck ore samples in them; a patent was taken out for use of the rivets.

OUR OBSERVATION has been that levis are worn by boys throughout the year and by girls mostly on Fridays during the school year. Also,

Roger W. Babson Writes This Week:  
Egypt's Sovereignty Should Be Respected  
In Suez Canal Squabble, Eisenhower Says

BABSON PARK, Mass.—The Egyptian trouble did not result in any war. Sir Anthony Eden and Guy Mallet, Premier of France, who have been criticized as being "soft," may feel that this is a good opportunity to show their real strength.

At President Eisenhower's last press conference he stated clearly that all nations should respect "the sovereignty of Egypt as it applies to the Suez Canal." This insures that the United States will not get into the squabble. Since that is apparently all Nasser demanded, there is nothing to fight over except regulations and toll charges. President Eisenhower made clear that the International Treaty of 1888 gives many nations rights in and to the Canal in perpetuity; but that this does not mean that Egypt internationalized her sovereignty.

From a legal standpoint it is much like a city which gives a street railway or bus company a permanent franchise, but without relinquishing sovereignty or ownership of its streets. The city may make regulations and fares as it desires, so long as it does not "take property without due process of law."

## UP TO 'THE REST OF US'

The first meeting of the White River Municipal Authority Committee since the State Board of Water Engineers approved creation of the district was held here Saturday, and the remaining steps toward completion of the project were outlined by the bonding companies' attorney.

Four of the five newly-elected temporary directors were present at the meeting, and, along with the rest of the group, exuded enthusiasm in regard to the project, which would supply for years to come the water needs of Post, Crosbyton, Spur and Rails.

It was pointed out, however, by Tom W. Bouchier, chairman of the committee and director-at-large, that much remains to be done, including three elections, before the project is a reality. "We need the rest of you now more than ever," he told non-members attending Saturday's meeting.

Mr. Bouchier's expression, "the rest of you," was also meant to include every citizen in the four member cities. The temporary directors, who will become permanent directors if the water district is confirmed, have a big job ahead of them, and will succeed only with the support of the rest of us.

The White River Committee received high praise from the State Board of Water Engineers for seeking a solution to the area's water problem without calling for state and/or federal help. That praise was also meant to include all the rest of us who have supported the Committee in its work to date.

Our continued support will assure the success of the White River project. The Committee has done its work, and the district directors will continue doing theirs. But their efforts will have been wasted if the rest of us fail to go all out for the project. In other words, it's up to the "rest of us" now to put the White River project over.

We Americans eat an average of 65 million pounds of meat every day—enough to fill 2,500 railroad refrigerator cars.—Nogales, Ariz., Daily Herald.

Dr. Jonas Salk and other researchers, coupled with the tremendous production effort of the nation's pharmaceutical manufacturers, have at long last given mankind an inexpensive, plentiful vaccine that promises to end for all time the ravages of paralytic poliomyelitis. Whether mankind will take advantage of this golden opportunity remains to be seen... Of the 31 million American children most susceptible to polio... less than half have sought Salk protection.—Faulkton, S. D., Record.

Nothing indicates approval of a newspaper like a subscription check.—Sycamore, O., Leader.

that practically all levis worn by teen-agers are good fits.

FOLKS HERE WHO remember the visit of Edgar Bergen and Charlie McCarthy a few years ago might be interested to learn that Bergen has made his first trip without Charlie. He didn't take his famous dummy along this summer when he was a guest of Prince Rainier and Princess Grace in the palace at Monaco.

BUT, BERGEN SAYS, he played the palace after all. The prince came through with a Charlie McCarthy doll.

THINGS ARE LOOKING up for the Post Antelopes. If you haven't seen them in action yet this year, don't miss Friday night's game with Denver City. It should be a humdinger!

## Getting Out On The Limb

By EDDIE the editor

THE WOMEN, God love 'em; How does a woman ever live to be 100 when she stays in her thirties so long?

Thieves stole 18 coats from a boys' camp in Michigan. Looks as if the campers were grounded.

I WAS TALKING the other day to a Post couple who had just returned from a vacation and tour. When I asked them what they saw on their trip, the husband replied, "Nothing much. I had to watch the road and my wife had to watch the road map so we didn't get a chance to look around."

IT'S NO EASY task to boil down the hush to a nutshell constitutional amendments such as those to be voted on in the general election Nov. 6. So, when I happened apon these thumb-nail sketches of aforesaid constitutional amendments, I clipped them for the benefit of the readers of this newspaper. It's as good a job of boiling down as I've ever seen. Here they are, and remember—they're to be voted on Nov. 6:

No. 1. Permits the Legislature to grant compensation to those who have paid fines or served sentences for offenses of which they were not guilty.

No. 2. Gives a county commissioners' court discretion in apportioning tax funds but retains present 80c maximum.

No. 3. Provides for financing construction of buildings at state colleges and permits the University Permanent Fund to be invested in government insured first mortgages, bonds and stocks.

No. 4. Improves teachers retirement system.

No. 5. Increases Veterans' Land Fund by \$100,000,000.

No. 6. Provides relevant wording for oath of appointed officials.

No. 7. Permits waiver of jury trial for commitment to state mental hospital.

No. 8. Permits denial of bail to person twice before convicted of felonies with safeguard of prompt (within 60 days) trial.

No. 9. (To be voted upon Nov. 13). Includes totally disabled persons between ages of 18 and 65 in state welfare program and raises constitutional limit of all welfare funds to \$1,500,000 per year.

Missouri is way out in front in the raising of mules. We'd hate to be behind.

Then there was the politician who opened his speech by saying he was glad of the opportunity to talk to such a dense crowd.

AS POSTITES eagerly await completion of the expansion program at Postex Cotton Mill, we might do well to reflect for a moment on some of the things it might mean to us.

Here's what the U. S. Chamber of Commerce has found 100 new factory workers meant in a cross-section of communities surveyed recently:  
296 more people in town  
112 more households  
51 more school children  
\$590,000 more personal income per year  
\$270,000 more bank deposits  
107 more passenger cars registered  
4 more retail establishments  
\$360,000 more retail sales per year

Rube Jennings has informed us that the mill expansion will result in the employment of from 75 to 100 additional workers at the mill. So, while the above figures may not apply 100 per cent, they're a good barometer for estimating the benefits to the town.

You don't have to stay awake nights to become a success. Just stay awake days.

THE OPENING of the new school term already is replenishing our stock of teacher-pupil jokes. Frinstance:

One of our teachers reports that there was a near-riot in her first grade when a visiting photographer shouted across the room to a visiting reporter: "We can't get them all at once. Let's shoot them in two's and three's."

LETTERS LIKE the following one make you feel much better about donating to worthwhile causes:  
Post Dispatch  
Gentlemen:

At the Quarter Horse Show in your city recently, I was the winner of a Trophy Belt Buckle donated by your firm. I would like to say that I am very proud of the buckle, and think it was very nice of the business firms of Post to present such nice prizes.

I have attended several of your shows and am looking forward to the next one. Thanking you again, I am

Very truly yours  
Vernon Bradley  
Clovis, N. M.

American men, they say, never know what to do with themselves when they retire from business. As one of them put it, "I get up early, read the obituary column, and if my name isn't there I go back to bed."

## THE AMERICAN WAY

The Hocus - Pocus That Produces Cheap Public (Political) Power

### Our Contemporaries Are Saying . . .

#### Okay Parking Meters

A five-to-two majority for parking meters in Spur in the recent referendum election virtually cinched their continued existence, at least for the near future. A total of 620 ballots were cast in the election, by both rural and city residents. There were 445 votes to keep the meters and 175 against them. Broken down by city residents and rural residents, the results were as follows: City, 261 for and 107 against; rural, 184 for and 68 against.—The Texas Spur.

#### Harmony At Home

Economy wise, this area has had a good year in '56—a fact indicated in that bank deposits rose to an all-time high in August, usually a fairly low bank deposit month. If we can just manage to get along among ourselves, we have one of the best countries which exists today in the so-called civilized world—"Hereford Bull" in The Hereford Brand.

#### Slow Adjustment

Born in provincialism, I have been slow to adjust my nature to

modern inventions. Entering a room on a cold day, I always look for a stove which can be approached then turned around to for the most satisfying effects. —"Trail Dust" in Matador Tribune.

#### Water Up For Sale

Lamb County voters flatly turned down a proposed water control and improvement district Saturday, but they may have left themselves wide open for a pot-shot at their pocketbook. At least that was the thinking of real estate man V. T. Tanner of Springlake, who said Tuesday that water rights in Lamb County sandhills are up for sale to whoever comes along and happens to have the money.—Lamb County Leader.

#### Likes Slogan

Joseph Kaselow, a columnist in the New York Herald-Tribune, quoted The Tullia Herald in the Aug. 30 edition of that paper. He likes our slogan, "Covering Swisher County Like the Sunshine"—"Town Topics" in The Tullia Herald.

### HOME IMPROVEMENT LOANS

for  
GROWING FAMILIES...

Family outgrowing its present living quarters or facilities? Looks like it's time for expansion! Maybe an extra room or two finished off in the attic or an added wing... possibly a second bathroom. If your question is "What shall we use for money?"... we've got the answer in a Home Improvement Loan specially arranged to meet your needs and means. Come in and talk it over!

## First National BANK

"Small Enough To Be Friendly . . . Large Enough To Serve  
Your Every Banking Need"

Published Every Thursday at Dispatch Publishing Co.  
Building in Post, Garza County, Texas

CHARLES DIDWAY  
E. A. WARREN

Entered at the Post Office at Post, Texas, for transmission of the mails as second class matter, according to an Act of March 3, 1879.

Any erroneous reflection upon the character of any person appearing in these columns will be gladly and promptly upon being brought to the attention of the management.

### Remembering Yesteryear

Five Years Ago This Week

Mrs. Nan Dyer, from White Branch, has assumed duties as homemaker teacher at the Post High School; construction on a new drive-in theatre for Post began Monday morning, according to Manager John Hopkins; eight Post Future Farmers of America attended an area meeting at Lubbock Wednesday to hear a nutrition expert speak; the intermediates will assist in the Nazarene young peoples' program at 7 o'clock at the church Sunday evening; the Naomi Sunday School Class held a social meeting in the home of Olean Cummings Thursday; Garza County's FFA and Home Demonstration clubs Fair will get up at 9 a. m. Friday with of the women's division; home of Dr. and Mrs. B. D. for the regular bi-monthly meeting; Mrs. J. O. Hays weekend visiting friends; relatives in O'Donnell.

Ten Years Ago This Week

Garza County Vocational Schools for GI's will begin early in October if sufficient number of veterans qualify for the training by that time; the First Baptist Church will begin an eight-day revival Sunday; members of the Antelope Booster Club are urged to attend a meeting tonight at 8 o'clock at the high school; Mr. and Mrs. G. N. Hagood are announcing the approaching marriage of their daughter, Imogene,

Fifteen Years Ago This Week

to Hershel Beavers; District Court will meet here next Monday morning; o'clock by Judge Louis Stewart; funeral services held for Mrs. Sam Williams in the First Baptist Church; the Rev. J. A. Slaton; the Rev. I. A. Slaton of the First Methodist will attend a district meeting at the Garza Theatre.

the Crosbyton...  
the Antelope...  
the game at Crosbyton.

trouble. A line plunge for the extra point failed.  
The Antelopes lost little time in striking back. Halfback Ray Gary brought the kickoff from his 10 back to the 49. After a fumble resulted in a one-yard loss, quarterback James Williams hit Norman with a pass on the Chiefs' 35 and the receiver went for 12 more to the 23. Four plays later, fullback Ronnie Kennedy slashed through the right side of his line for 10 yards and the touchdown. He fumbled after crossing the goal line, but guard Arlon Ford pounced on the ball to save the TD for the Antelopes.

Coach Leroy Fenstemaker's charges went ahead in the second quarter after halfback Sammie Martin intercepted a pass on the Crosbyton 48 and got back to the 43. Two plays later, a 38-yard rollout by Williams put the ball on the Crosbyton one, from where he sneaked over on the second try.

The Antelopes marched 56 yards for another touchdown after receiving the second half kickoff. The payoff came when Gary took Williams' handoff and went over from 11 yards out.

Before the third quarter ended, the Antelopes scored again, halfback Jack Morris lugging the leather over from the 2-yard line. Early in the final quarter, Kennedy took a handoff from Norman and raced 20 yards for the Antelopes' final counter.

Coach Fenstemaker used reserves throughout much of the second half, playing every man he had in uniform. The final two Crosbyton touchdowns came against these replacements, although they acquitted themselves well, most of them seeing varsity action for the first time.

scription of the game:  
**FIRST QUARTER**  
Crosbyton receives, defending the north goal. Larry Ratheal gathers in Noel Don Norman's kick on the 10 and goes all the way for a touchdown after being momentarily stopped about the 30. A line plunge fails to make the extra point, and the Chiefs are ahead, 6-0.

Crosbyton kicks, Ray Gary taking on his 10 and making a driving 39-yard return to the Antelope 49.  
POST—Williams fumbles under center, but recovers for 1-yard loss. Norman snags Williams' pass on the Chiefs' 35 and gets roars through the right side of the line for 13 and a first down on the 10. Williams is stopped for a 2-yard loss, but Ronnie Kennedy gains it back. Kennedy slashes his way across the goal line, but fumbles, guard Arlon Ford covering the ball for a Post touchdown. The Antelopes are penalized 5 for delay of the game as they line up for the extra point try. Norman's place-kick is blocked, and the score is knotted at 6-6.

Leatherwood takes Norman's kickoff on his 15 and is stopped by Kennedy on the 20.  
CROSBYTON—A line play gains only a yard, and the next try is blocked by Leon Davis for no gain. Leatherwood goes for 8, Jackie Carpenter tackling a fourth-down quarterback sneak by Hill gives the Chiefs a first down on the 31. Noel White stops end run after 4-yard gain, and Leatherwood drives between left tackle and end for 3. Kennedy and Carpenter stop another line play after 2-yard pickup, and another fourth-down gamble pays off for a first down on the 43. Hill fumbles, but recovers for 2-yard loss. A line play gains 2, and Hill is chased out of bounds for 4-yard loss after failing to find open pass receiver. Williams takes ensuing punt on his 40 and gets back 6 yards to the 46. Kennedy is injured on the play, but stays in the game.

POST—Williams circles right end for 12 yards and a first down on the Chiefs' 42. Williams, back to pass, is trapped, but breaks loose for 7-yard gain. Kennedy batters right side of the line for 5 and a first down on the 30. Norman gets a yard at the right side of the line. Gary takes Williams' pass in the right flats, but fumbles the ball on the Crosbyton 15, where the Chiefs recover.  
CROSBYTON—A line play gains 5, but Crosbyton chooses to take 5-yard penalty against Post. Sammie Martin stacks attempted end run for 2-yard loss as first quarter ends.

## Game Statistics

**FOURTH QUARTER**  
CROSBYTON — Leatherwood on end sweep, is knocked out of bounds by Williams for no gain. Williams takes punt on his 25 and is stopped on the 26.  
POST—Charles Morris gains 2 at the line, and Kennedy gets into clear for 30 yards and a first down on Crosbyton 42. Two fumbles result in no gain, no loss. Williams is halted for 3-yard loss as he attempts pass, and Kennedy's punt rolls across goal line, giving Chiefs the ball on their 20.  
CROSBYTON—On the first play, Hill fumbles and Martin recovers for Post on the 20.  
POST—Kennedy takes handoff from Norman and streaks for touchdown. Gary, holding for Williams, fumbles snapback on try for point and Antelope quarterback is stopped on attempt to carry it across—30-6.  
Norman's kickoff is taken on 25 and Charles Kilpatrick nabs runner on 30.  
CROSBYTON—A line play gains one, and Ratheal breaks through middle of line for 12 and a first down on Chiefs' 43. Leatherwood plows line for 7, and Parker goes for 5 more and a first down on Post 45. Jerry McCampbell tackling, Leon Braddock stops Ratheal after 3-yard gain, but a quarterback sneak carries to Post 30 for a first down. Billy Williams recovers fumble for Post on Ante-

PROPOSED MEASURE CONCERNS MENTALLY ILL  
**Sheriffs' Association Of Texas Is For Constitutional Amendment No. 7**

SAN ANTONIO (Spl.)—The Sheriffs' Association of Texas, comprised of nearly 8,000 law enforcement officers, today asked fellow Texans to vote for Constitutional Amendment 7 in the November general elections.

Meeting in San Antonio for their 74th annual convention, the Sheriff's Association gave their unqualified approval to Amendment 7 which provides for a waiver of jury trial and requires competent medical testimony in commitment proceedings of the mentally ill. At present Texas is the only state in the nation which still requires a mentally ill person to endure a jury trial before he can obtain more than 90 days treatment at a state hospital.

Known as the oldest law enforcement organization in the United States, the Sheriffs' Association took action after hearing guest speaker John H. Lane, Jr., executive director of the Texas Society for Mental Health, declare Amendment 7 an essential first step toward adequate mental health legislation in Texas.

"There is a common misunderstanding," said Lane, "that the amendment abolishes the jury trial in commitment proceedings. This is not true," he emphasized. "If no criminal offense has been committed, Amendment 7 gives a person seeking treatment a humane choice as to whether or not he wishes a jury trial, just as in any other civil matter."

The passage of Amendment 7 was enthusiastically endorsed by the sheriffs in the following resolution: "This association endorses and supports proposed Constitutional Amendment 7 which will be submitted to the voters of this state at the November, 1936, general election and which provides and prescribes certain legal requirements for the handling of the mentally ill and further authorizes the Texas Legislature to enact specific laws providing for the trial and commitment of such mentally ill persons and pro-

vided further that this association recommends and encourages the ensuing state legislature to enact the proper measures which would implement this enabling amendment in the event it is adopted by the voters in the 1936 election."

**FHA Officers Meet At School Sept. 12**

Officers of the Post Chapter, Future Homemakers of America, met Sept. 12 at the school and discussed the forthcoming year's activities.

Setting up a booth for the Garza County Fair, attending the Lubbock Fair, yearbooks and National FHA Week were discussed by the group.

The officers are Marie Howard, president; Dixie Davis, vice-president; Rexene Welch, secretary; Orabeth Maxey, treasurer; Doris Ramsey, reporter; Oneita Jones, sergeant-at-arms; Arlene Barron, historian; Marilyn Steel, student council representative; Linda Livingston, parliamentarian; Barbara Stone, song leader; Linda Davis, pianist, and Mrs. Paty Umphries.

**OES Meets At Hall Tuesday Evening**

Mrs. Billy Johnson, worthy matron, and Bobby Pierce, worthy patron, presided for the regular meeting of Post Chapter 206, Order of the Eastern Star Tuesday evening in the Masonic Hall.

During the social hour following the close of chapter, Mrs. Johnson, Mrs. Henry Edwards and Mrs. Jack Burkett served refreshments of sandwiches, angel food cake and punch to 25 members.

X-rays were first discovered in 1895 by Wilhelm Konrad Roentgen, a German physicist.

## Post's First Catholic Church Dedicated In Monday Services

Holy Cross Church, the first Catholic church in Post's history, was dedicated Monday morning by the Most Rev. Laurence J. Fitzsimon, bishop of the Amarillo diocese, assisted by a number of other priests from over the area.

The ceremony of the dedication of a new church is an old and very colorful and inspiring ritual. It is partly an exorcism, or banishment, of the forces and spirits of evil and partly an invocation for divine help and guidance, and an invitation to God to enter in and take possession.

The dedication consists of various forms of prayers, such as ordinary orations, psalms, canticles, antiphons, verses and the complete Litany of the Saints.

The walls are sprinkled with holy water, both inside and out, the people being excluded until the completion of the rite. When the doors are thrown open, everybody enters and Holy Mass is celebrated.

Officers of the Mass were: the Rev. James Erickson, celebrant; the Very Rev. Peter Morsch, deacon; the Rev. Patrick O'Brien, subdeacon; and the Rev. Edward Christian, master of ceremonies.

The Rev. Anthony Rodriguez delivered the sermon in Spanish, and Bishop Fitzsimon spoke in English and Spanish at the end of the Mass. He commended Father Erickson, who is pastor of the church, and the Rt. Rev. Thomas D. O'Brien of Slaton on the successful completion of the work.

Altar boys were Marcial Salinas and Juan Villa.

Several of the priests sang the gradual and proper of the Solemn High Mass, directed by the Rev. James Comiskey of Lamesa, who accompanied on the organ.

At a dinner in the City Hall auditorium following the dedication, Father Erickson thanked the bishop and the Most Rev. John L. Markovsky, auxiliary bishop, and expressed his appreciation to the other fathers for attending the ceremonies.

A complete list of those taking part in the dedication follows:

The Most Rev. Laurence J. Fitzsimon, D. D., bishop of Amarillo; the Most Rev. John L. Markovsky, D. D., auxiliary bishop of Amarillo; the Rt. Rev. Thomas D. O'Brien, V. F., pastor of St. Joseph's Church, Slaton; the Rt. Rev. Bartholomew O'Brien, chaplain of St. Anthony's Hospital, Amarillo;

The Very Rev. Peter Morsch, V. F., pastor of Holy Family Church, Nazareth; the Rev. James Erickson, pastor of Our Lady of Guadalupe Church, Slaton, and Holy Cross Church, Post; the Rev. James Comiskey, pastor of St. Margaret's and Our Lady of Guadalupe Churches, Lamesa;

The Rev. Stanley Crocchiola, pastor of St. Joseph's Church, Rotan; the Rev. Hubert Halfmann, assistant pastor of St. Elizabeth's Church, Lubbock; the Rev. George Salloway, assistant pastor of St. Elizabeth's Church, Lubbock; the Rev. Frederick Hyland, pastor of St. Philip's Church, Pep;

The Rev. Richard MacLellan, pastor of St. Michael's Church, Levelland; the Rev. Louis Moeller, pastor of St. Joseph's Church, Stanton; the Rev. Antonio Rodriguez, pastor of Our Lady of Guadalupe Church, Amarillo; the Rev. William Luyten, O. M. I., assistant pastor of Sacred Heart Church, Big Spring; the Rev. Patrick O'Brien, S. A. C., and the Rev. Kevin Clark, S. A. C., assistant pastors of San Jose Church, Lubbock.

## FADS and FACTS

**By RUBY MONTGOMERY**

Congratulations Antelope! For the fine game played Friday evening against Crosbyton.

The senior rings arrived last week and are very pretty. They are something like last year's rings only some of them have red stones. If someone suddenly runs up and sticks a hand in your face—don't be alarmed—just look at their ring and they'll go away.

Walter Didway of Snyder spent Friday night here and attended the Post-Crosbyton game with Ernie Popham, who is spending a 14-day leave here visiting friends and relatives. Ernie is stationed in San Diego, Calif., where he is in the Navy.

The first edition of the Antelope Echo, the PHS newspaper, went on sale Sept. 13. Marie Howard and Orabeth Maxey are co-editors and if the first edition is any example—the papers will be very good this year.

We've noticed by the last two Fridays, the girls are again this year wearing lewis and boxer shorts each Friday. Looks real familiar to see all the girls dressed in "football" togs again after the summer session of shorts.

George Graham of Shreveport, La., is spending a few days here with friends and relatives.

Anne Osborne of Snyder spent the weekend here visiting friends.

Sandy Cross and Judy Gossett were guests of Peggy Butler last Thursday night.

The homemaking girls had a hayride and wiener roast Monday evening. Mrs. Patsy Umphries, homemaking teacher, her husband, and Burl McCoy and Frank Krhut chaperoned the group.

N. R. King and Mrs. G. E. Fleming have been elected as sophomore class sponsors. Mrs. Fleming was also elected pep squad sponsor at a recent meeting of the group.

Couples seen together at various places recently include: Graden Howell and Sherry Odum, Charles Chandler and Bettie Sue Norman, Sonny Parker and Dorothy Kuykendoll, Charles Morris and Alice Joy Nichols, and Maurice Jackson and Minnie Lee Mathis.

## Church News

The women of the First Methodist Church will sponsor a supper Friday in the church basement. Meals will be served from 5 until 8 p. m. Adult plates will be \$1 and \$1.15 with dessert; children's plates will be 65 cents and 80 cents with dessert. Proceeds from the supper will go into the church building fund. The group invites the public to attend the church supper. The menu will consist of ham, baked beans, potato salad, relishes, hot rolls, homemade pies, coffee and tea.

The Rev. and Mrs. Graden Howell, Mr. and Mrs. R. E. Shedd, Mrs. Jim Hays, Mrs. W. C. Kiker and Joycelyn attended the Lubbock Baptist Association meeting Monday and Tuesday in Lubbock.

WSCS met Monday afternoon and began a new program study. Mrs. Ted Hibbs was in charge of the program, "Southeast Asia". Mrs. W. L. Porterfield gave the devotional.

Arthur Alley, a teacher in Post Grade School, will speak at the First Baptist Church Sunday in the absence of the pastor, the Rev. Roy Shahan. Rev. Shahan is conducting a revival at Idalou this week, where the Rev. Joe Motesbocker is pastor.

Alice Fay Kiker and Joan Odum were hostesses for a party Thursday at the city park for members of the Primary Training Union of Calvary Baptist Church. Punch and cookies were served to Deborah Britton, Edith Johnson, Lois Gill, Richard Brown, Sandra and Timothy Howell and Sue Gilmore.

## Five Garza HD Club Members To Attend National Meet Sept. 23

Three Home Demonstration Club delegates and two other Garza women will be in San Antonio Sept. 23-29 for the annual meeting of the National Home Demonstration Council and the annual meeting of Texas Home Demonstration Association.

Going from this county will be Mrs. Jim Graves, Sunshine Club; Mrs. Rufus Gerner, 1956 Club; Mrs. Carl Payton, Pleasant Valley Club, and Mrs. Robert Mock and Mrs. Stanley Sims.

The Gunter Hotel will be headquarters for both meetings, but main program sessions will be held in the Municipal Auditorium.

Delegates from 29 states, Puerto Rico and Hawaii will be participating in the national meeting. They will represent the three million homemakers enrolled in home demonstration extension groups.

Mrs. John Golightly, president of the Texas association, says approximately 2,000 Texas club members are expected to take part.

The program is a full one, with special tours and activities planned for all—including visiting husbands. Many groups, arriving in special buses, are planning to tour various parts of the state and Mexico.

Homemakers at the meeting will hear, among others on the program, Frances Scudder, director of the Division of Home Economics, Federal Extension Service; Governor Allan Shivers of Texas, and Mrs. Ovetta Culp Hobby, former secretary of Health, Welfare and Education.

Every state will have an opportunity to report on an outstanding part of their program.

Highlights of the annual state meeting of Texas Home Demonstration Association, which opens Thursday, Sept. 28, will be election of officers, program planning and work shop sessions in the six main areas of activity: citizenship, education, health and safety, recreation, civil defense and 4-H Club work.

## Hospital Notes

Admitted to Garza Memorial Hospital since last Wednesday were:

Alice Faye Dawson, Post, surgery.

Yolanda Davila, Post, medical.

Mrs. Paul Bocengra, Post, obstetrical.

Mrs. Fred Bowers, Post, obstetrical.

Martin Garza, Post, medical.

Don Tatum, Post, surgical.

William Woods, Post, medical.

**Dismissed**

Crescenzo Espanosa (treated and released).

Simon Criggier (treated and released).

Eddie Brady (treated and released).

Mrs. Elfonaso Martinez and baby.

Yolanda Davila.

Clayton Pennington (treated and released).

Richard Cook (treated and released).

Barney Harrell (treated and released).

Rodney Wilks (treated and released).

Lou Brown (treated and released).

Evristo Valdez (treated and released).

Steven Smith (treated and released).

## Spring Grads Are Entering College

Twenty-three members of the spring graduating class of Post High School enrolled in college this week, two of the group have entered business school and one, beauty school. There were 52 in the class.

Going to Hardin-Simmons University, Abilene, are Sara Ray, Freda Kennedy and Mozelle Edwards, valedictorian; Howard Payne College, Brownwood, Jimmy Bowen.

Kenneth Gerner is a student in Texas Lutheran College.

Entering Texas Tech, Lubbock, are V. A. Dodson, Charles Hardy, Dee Hodges, Carolynn Hudman, Irvn Johnson, Loyce Josey, V. A. Lobban, Jr., Tommy Mayfield, Travis Polk and Lee Wayne Sulzenger.

Attending West Texas State College, Canyon, are Tommy Murray, Novis Pennell, Ted Tatum, Willa Faye Graves, Juanelee Nichols and David King, class salutatorian.

Enrolled in Howard County Junior College, Big Spring, are Dickey Beggs and Anne Porterfield.

Bobby Green and Darlyne Hulseley are attending business college and Joyce Josey is a student in beauty school.

## Miss Bettie Sue Norman To Wed Charles Chandler October 20th

Mr. and Mrs. Ray Norman are announcing the engagement and approaching marriage of their daughter, Bettie Sue, to Charles Chandler, son of Mr. and Mrs. I. L. Chandler.

The wedding will be read at 7 o'clock in the evening, Oct. 20, in the First Baptist Church.

Friends and relatives of the couple are being invited through the press to attend the wedding and reception, which will follow in the church parlor.

## Miss Dora Long Becomes Bride Of Wilburn Wade, Jr., Saturday

Miss Dora Mae Long, daughter of Mr. and Mrs. Floyd Long, and Wilburn Wade, Jr., son of Mrs. Eula Mae Willingham, were married Saturday in the Church of the Nazarene.

The Rev. Cecil Stowe, pastor, performed the single ring ceremony at 10 o'clock in the morning.

The bride wore a white satin dress, matching accessories and carried white carnations on a white Bible.

The bridegroom's mother was hostess for a reception, attended by 19 guests, in her home immediately after the wedding.

After a weekend trip to Carlisle, N. M., Mr. and Mrs. Wade are at home here, where both are employed by Postex Mills, Inc. The bride traveled in a turquoise suit with white accessories.

Mrs. Wade attended Post Schools and her husband was graduated from Post High School and attended Bethany College, Bethany, Okla., one year.

## School Cafeteria Menus For Week

School cafeteria menus for next week have been planned as follows:

Monday: Creamed chicken over rice, buttered green beans, celery sticks, bread, apricot upside-down cake, milk.

Tuesday: Pressed ham sandwiches, cheese squares, diced potato salad, bread, ice box cookies, milk.

Wednesday: Cheese meatloaf with tomato sauce, buttered whole grain corn, blackeyed peas, bread, canned plums, milk.

Thursday: Fish sticks with catsup, buttered English peas, cabbage slaw, cornbread muffins, peanut butter cookies, milk.

Friday: Frankfurters on bun with chili sauce, red beans, green pepper rings, bread, fruit jello, milk.

## Miss Dora Long Becomes Bride Of Wilburn Wade, Jr., Saturday

## Brownie Troop 9 Has First Meeting

Brownie Troop 9 had its first meeting of the school year Thursday afternoon.

Officers were elected for a month as follows: DeeAnn Walker, president; Paula Smith, vice-president; Sherry McAfee, secretary-treasurer and Cheryl Martin, hostess.

Other members of the troop are Elisabeth Tubbs, Judy Poole, Judy Ballentine, Gayle Tittle and Vickie Wilks.

Mrs. Pat Walker and Mrs. Jack Ballentine are the leader and assistant, respectively. Mrs. Frances McAfee served as assistant leader at Thursday's meeting in the absence of Mrs. Ballentine.

V. A. Lobban, Jr., and Travis Polk will enter Texas Tech this week as night students. They are spring graduates of Post High School.

## Mrs. Angie James Birthday Honoree

Mr. and Mrs. Carl Fluitt, Delwin and Jacky and Jerry Bush were in Slaton Sunday for a birthday dinner honoring Mrs. Fluitt's grandmother, Mrs. Angie James, on her 79th birthday. The celebration was in the James Brooks home.

Others present were Mr. and Mrs. Johnny Inman and girls of Muleshoe, Mr. and Mrs. Claude James and son of New Home, Mr. and Mrs. William Jones and baby of Slaton, Mrs. Mirel Wilkins, Mr. and Mrs. Charlie Mason and girls, Mr. and Mrs. Gilbert Gandy and girls, Mr. and Mrs. Jessie James and children of Tahoka, Mr. and Mrs. Avery Moore and the hosts.

## 1955 Club Meets At Mrs. Bilberry's

The 1955 Club met Thursday morning in the home of Mrs. Luther Bilberry. Miss Jessie Pearce, agent, gave a demonstration on "clothing trends". Roll call was answered with "hints for decorating a kitchen."

Refreshments were served to Mrs. Ben Owen, Mrs. Ben Brewer, Mrs. William Robinson, Mrs. Rufus Gerner, Mrs. Percy Parsons, Mrs. Stanley Butler, Mrs. Thurman Maddox, Mrs. Charlie Cooper, Mrs. Howard Rankin, Mrs. Ralph Dean, Miss Pearce and the hostess.

The next meeting will be at 9 a. m., Sept. 27, in the home of Mrs. Butler.

## Kathy Allison Is Feted At Shower

Kathy Allison, two-months-old daughter of the Rev. and Mrs. James Allison of Abilene, was named honor guest at a shower Friday night in the home of Mrs. Thurman Maddox. Mrs. Will Teaff and Mrs. Bernice Jones were cohostesses.

The serving table was laid with orchid and featured a centerpiece of orchid and white chrysanthemums. Refreshments of cake squares, decorated in orchid, and punch were served.

Those present were Mrs. C. G. Nowell, Mrs. Virgil Blacklock, Miss Hazel Shultz, Mrs. Boyd Coppie, Mrs. Robert Craig, Mrs. W. C. Kiker and the hostesses.

## Coke Party

Sue and Bowen Stephens entertained friends with a Coke party Thursday evening on the lawn at their home following the Post High School pep rally. Attending were Frank Krhut, Burl McCoy, Janyce Lobban, Margaret Welborn and the hosts.

## Mrs. Johnson Is Sorority Hostess

Xi Delta Rho Chapter, Beta Sigma Phi Sorority met Monday evening in the home of Mrs. Tol Thomas with Mrs. Wagoner Johnson as hostess.

Miss Maxine Durrett presided over the business session. Mrs. Jess Cornell presented the program for the evening, "Art in Our Homes."

Refreshments were served to Mrs. James Minor, Mrs. Jimmy Hundley, Mrs. Cornell, Mrs. Max Gordon, Mrs. Burney Francis, Miss Maxine Durrett and Mrs. Johnson.

## Pleasant Valley 4-H Girls Meet

Pleasant Valley 4-H Club met Sept. 11 in the home of Barbara Ann Mock, with Sharon McGehee presiding. Officers for the new year were elected.

Refreshments were served to Sharon, Karon and Patsy McGehee, Beatrice Kiesel, Linda Robinson, Lou Alice Edwards, Linda Adams, Judy Kiesel, Linda Camden, Sherry Bevers, Jessie Carolyn Ward, Linda Payton, Mrs. Weldon McGehee, Mrs. Jessie Ward, Mrs. Carl Payton, the hostess and Mrs. Robert Mock.

## Garden Club Has Meeting Recently

Mrs. Herman Raphael was hostess to members of the Green Thumb Garden Club in her home recently. Mrs. Bing Bingham had charge of the program, "Flower Arrangements."

Cake and coffee were served to Mrs. Robert Bocell, Bingham, Max Gordon, Walter Johnson, Lewis Herron, Hansford Hudman, N. R. King, Howard Maddera, E. F. Schmidt, F. E. Shannon, Earl Etkins, Jack Brown, Jack Burress and Manus Samples.

The next meeting will be Oct. 11 at Mrs. Bingham's and Mrs. Glenn Norman will have charge of the program.

### Five Winners Named in 'H-Day' Drawing

An even larger day crowd than the one on opening day was on hand last Thursday afternoon for the second Hospitality Days program sponsored by the Post Chamber of Commerce and 78 business firms.

Five merchandise certificates, each for \$20, were presented Mrs. J. T. Whitener, Mrs. H. H. Huntley, Mrs. J. R. Mathis, Sam Lee and Alton Taylor.

Mrs. Whitener's certificate was from McCrary Appliance Co.; Mrs. Huntley's, R. E. Cox Lum-

ber Co.; Mrs. Mathis', Hundley's Men's Wear; Lee's, Tom Power Ford, Inc., and Taylor's, R. J.'s Furniture.

Lee was a winner for the second consecutive time. The third in the series of drawings will be held at 4:15 o'clock this afternoon in front of the Chamber of Commerce office on North Avenue I.

# Farmers Home Administration Credit Services Are Expanded

Recent changes in the laws governing Farmers Home Administration will enable the agency to serve the credit needs of a larger number of farm families, Joe Box, supervisor for Garza and Scurry counties, has announced.

The expanded credit services are the best yet devised to help farmers and ranchers throughout the worst drought in Texas history, Box said.

The new law provided broader authority to assist family-type farmers with loans to improve and operate their farms. It also authorizes, as a part of the Rural Development program, loans for operating and developing farms where the farmer has part-time employment off the farm. Included in the broader authority are loans for refinancing existing debts and an increase in the maximum amount that can be advanced for operating loans.

All county office staffs of the agency have been brought up to date on these changes at meetings held throughout the state, and began operating under the new authorities and policies on Sept. 4.

Types of loans which can now be made include:

1. Operating loans to full-time farmers. Initial operating loans may be made in amounts up to \$10,000 to one borrower, with subsequent loans authorized as needed so long as the total amount of indebtedness does not exceed \$20,000. Operating loans are used for the purchase of equipment, livestock, or to refinance debts owed on equipment and livestock, and for fertilizer, seed and other farm and home operating expenses needed to carry out efficient farming operations on family-type farms. Interest is at the rate of 5 per cent, and these loans are repayable over periods up to seven years. The new law increased from \$7,000 to \$10,000 the amount of the initial loan; from \$10,000 to \$20,000 the limitation on the indebtedness; and increased from 7 years to 10 years the period during which additional credit can be extended in hardship cases when the inability of the borrower to repay his indebtedness within 7 years was due to causes beyond his control. Under the former law no new credit could be extended to borrowers who have been indebted continuously for 7 years.

2. Farm ownership loans. These loans are made for the purchase, enlargement, or development of family-type farms, and to refinance existing debts for farmers who have adequate real estate security but who are unable to meet present credit obligations and need credit on more favorable terms. Payments are scheduled, according to the ability of the borrower to repay, up to 40 years. Insured loans are made from funds provided by private lenders. The loans bear 3½ per cent interest, plus a 1 per cent insurance charge. In the past, the agency has only refinanced existing real estate debts, and then only when the refinancing was incidental to

the making of a real estate loan for purchase or improvement of family-type farms.

3. Farm housing loans. These are made for the construction and repair of farm houses and other farm buildings, including farmstead water supplies. Interest is 4 per cent on the outstanding principal, and repayments may be scheduled over periods up to 33 years, with the loan secured by a deed of trust on the borrower's farm. This loan program was reactivated in May of this year.

4. Soil and water conservation loans. Made to carry out measures for soil conservation, water development, conservation and use, and farm drainage. Individuals can borrow up to \$25,000 for these purposes. Interest and insurance charges are 4½ per cent with repayments scheduled, according to the borrower's ability to pay, up to 20 years.

5. Loans to part-time farmers. These are designed to help farmers in areas designated for the Rural Development program, who are unable to obtain enough land resources to develop full-time farms. Loans may be made for operating and developing less than family-like farms, if the applicants are established bona-fide farmers who have historically resided on farms and depend on farm income for their livelihood, and who are conducting substantial farming operations and spending a major portion of their time farming. Such operators must have dependable sources of outside income. When such loans are made for operating expense, they bear interest at 5 per cent and are repayable over periods up to seven years. Loans for real estate development bear interest of 4½ per cent and are repayable over periods of up to 40 years.

6. Special livestock loans. Initial loans of this type will be available until July 14, 1957, and loans to indebted borrowers can be made until July 14, 1959. Such loans are made to help established producers of cattle, sheep and goats maintain their normal operations. Loans are made for replacement livestock and for purchase and production of feed and

for other operating expense. Interest is 5 per cent and loans are repayable in one to three years. They are not made to pay existing debts.

7. Emergency loans. These are made to enable farmers to continue normal operations but not to refinance existing indebtedness. They bear interest at the rate of 3 per cent. Ordinarily loans secured by liens on chattel property are scheduled for repayment within one to five years. Loans for crop production are due when the crop is harvested.

8. Great Plains loans. These loans are available only in the 57 West Texas designated counties under the Great Plains Special Credit Program. They are made in the same manner and for all purposes authorized for the making of operating loans, except that under these loans the operator may be conducting farming operations on larger than family-type farms.

Eligibility for all types of loan assistance available is determined by a three-man county Farmers Home Administration Committee.

Farmers Home Administration credit supplements but does not replace other sources of credit. Loans are made only when the applicant is unable to obtain credit from private or cooperative sources of credit. While Farmers Home Administration requires less security than is usually required by other lenders, no loan is made unless it appears that the loan can be repaid.

#### VISITORS FROM HOUSTON

Harold Decker and J. E. Teddie Sr., both of Houston, were business visitors in Post recently. Decker is general manager of the oil and gas division for Herman and George R. Brown, who operate here as Brown Bros. et al. Teddie is general superintendent of drilling and construction. They were guests of E. R. (Buster) Moreland, manager, and Leo M. Acker, auditor for Brown Bros. et al, while here.

Mr. and Mrs. Ben Owen spent Monday in Lubbock.

### VA Questions And Answers

Q. I'm planning to sell the home I bought with a GI loan. If the buyer takes over my loan, do I remain liable in case he defaults and the loan is foreclosed?

A. Not necessarily. Under a new law, you may be relieved of liability if the buyer takes over your loan. He must assume full liability on the loan; VA must approve his credit; and the loan must be current.

Q. I understand that I have 120 days from discharge to get Korean GI term insurance. Will my 120-day deadline still apply, even though the law says no new policies may be issued after Dec. 31, 1956? My 120 days would carry me beyond that date.

A. You would not have the full 120 day period to obtain Korean GI term insurance. You would have to apply and pay your first premium before Dec. 31, 1956—even though that gives you less than 120 days to act.

Q. A young man I know is eligible for schooling under the War Orphans Education program. He's still in high school. Would he be allowed to finish his regular high school education under the War Orphans program?

A. No. The law prohibits regular high school training. Below-college-level schooling is allowed only when it is specialized vocational training that will fit a student for a vocational goal.

Q. When I went back on active duty, I surrendered my permanent plan of GI insurance for cash, so that I would be covered by the free \$10,000 death indemnity. Since indemnity coverage ends Dec. 31, 1956, I will lose my coverage. Is there any way I can get back my permanent GI policy?

A. Under the law, you may obtain a new permanent policy of the same kind and amount as your surrendered policy—but at premium at your present age. Or you may reinstate your surrendered policy by paying the required reserve and the current month's premiums. You may obtain this insurance while in service or within 120 days after your discharge. You could arrange for the insurance to take over when the free indemnity expires.

### Farmers Now To File SS Return Annually

Farmers are no longer required to file Social Security returns on a quarterly basis, according to H. O. Nichols, administrative officer of the Lubbock office.

During 1955 farmers were required to file a quarterly Social Security return with the district director of Internal Revenue. Due to a change in procedure, farmers now file one return in Janu-

spen... the homes... Pierce and sons and... ary covering all taxable... paid to farm employees... preceding calendar year... A farmer must file... Security return during... when he quits farming... end of the year and... taxable wages during the

## as Modern as...

## ★ AN ALL ELECTRIC HOME!

It used to be "the last word", or "modern as tomorrow", but today it's "Modern as an all-electric home" whenever folks want to impress their listeners with the modernity of something. And that's as it should be because an all-electric home is truly the last word in modernity. Under the forward march of electric progress, drudgery has disappeared, life is easier and better in the all-electric home. You can live better when you live the modern way, electrically.

To bring your home up-to-date, see your Reddy Kilowatt Electric Appliance Dealer, and add the modern electric appliances. They all promise new adventures in living... better living, electrically.

## POINT OF NO RETURN!

More intently than ever the pilot now watches his dials, cocking a sensitive ear to the motors' rhythm. He has reached the point of no return. He dare not turn back.

Years of research by scores of scientists have perfected his plane. Hours upon hours have been spent in readying it for the journey. If something goes wrong now, the pilot will know instinctively what to do, because of his long years of training.

Like the pilot, you try to prepare for emergencies. You realize that without training beforehand, it is impossible to meet a crisis wisely and adequately.

The spiritual knowledge you'll need for these times can be found in the Church. Through its guidance you will learn to meet everyday problems with serenity, and emergencies with confidence.

Begin right now to strengthen your spiritual reserves of courage, faith, and hope. TODAY is your point of no return.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## School To Dismiss Early On Monday

The board of trustees of the Post Independent School District voted Monday night to authorize administrators to dismiss school at 2 o'clock Monday afternoon, which is "Student Day" at the Panhandle South Plains Fair in Lubbock.

With classes in session from after the lunch period until 2 o'clock, it will not be counted as a half-day loss, according to Supt. R. K. Green.

The superintendent said fair officials have furnished tickets for local students to use at the fair on Monday.

In other action at its Monday night meeting, the board appointed Dr. Fred W. Beavers as school physician, and gave the Post Junior Chamber of Commerce concession rights to sell cushions at home football games.

## School Library Is Open To Public

The Post High School library is open to the public during the school year, the same as it was during the last few weeks of the summer vacation, Mrs. Lillie McRee, librarian, said this week.

The librarian said that some patrons are under the impression that the library is not open to the public during the school year. Mrs. McRee explained, however, that the public is invited to continue using the library and may check out books during school hours and at noon on each school day.

The school library was made available to the public several weeks ago through an arrangement worked out with the City of Post.

### REPORTS ON PROJECT

Members of the Post Lions Club heard a report from Mayor James Minor on the city's water situation at Tuesday night's meeting. The mayor told of the recent approval of the White River Water Control and Improvement District by the State Board of Water Engineers, and of other progress on the project.

## Public Is Invited To See Grid Game Film

The visual aids department of Post High School is making motion pictures of this season's Antelope football games with a new 16-mm camera purchased by the athletic department.

Films of Friday night's game between Post and Denver City will be shown at 8 o'clock Monday night in the high school auditorium, and the public is invited to attend, Supt. R. K. Green said.

The game films are being made by Guy Madison, head of the high school's visual aids department.

## BITS-OF-NEWS

G. E. Fleming of Sweetwater spent the weekend here with his wife, Mrs. Cora Fleming, who teaches in Post High School.

Mrs. Alice Parsons returned home Monday from a visit with her son and family, the Conner Parsons, in Barnett, Mo.

Mrs. C. K. Henderson is visiting her sister, Mrs. Roy Hill, in Spur this week. Mrs. Hill is in the hospital there.

Mr. and Mrs. Joe Ford returned home Friday after spending a few days visiting and transacting business in Dublin.

Mr. and Mrs. Joe Moore accompanied Mr. and Mrs. Mike McCrory of Lovington, N. M., to Ruidoso, N. M., for the weekend. Mr. and Mrs. W. N. Williams returned home Friday from a vacation trip to California and Nevada. They visited their daughter and her family, Mr. and Mrs. Gorman Odum and family in Bellflower, Calif.

H. C. (Chester) Stephens of Waco arrived Saturday to spend a week with his brother, W. W. Stephens, and family.

Mrs. E. L. Gilmore is visiting in Abertamy with her brother and sister-in-law, Mr. and Mrs. W. A. Waters.

Mr. and Mrs. Raymond Redman of Petersburg spent Sunday afternoon visiting friends. Their son, Jack, entered West Hall at Texas Tech Sunday and will be enrolled as a freshman student this year. Mrs. Redman's mother, Mrs. H. H. Foster, returned to Petersburg with her daughter and son-in-law for a visit.

## Rainfall Predictions Cannot Be Made On Basis 'Wet, Dry' Weather Cycles

Predictions of rainfall cannot be made on the basis of weather cycles of "wet and dry years."

Recent studies of 31 locations in the High and Rolling Plains of Texas show that cycles play little or no part in annual rainfall figures dating as far back as 89 years.

Drs. R. J. Hildreth and Gerald W. Thomas of the Texas Agricultural Experiment Station, who made the studies, state that an optimist can find traces of cycles at some locations, but no statistical significance of cycles is revealed in the records.

"Average or normal rainfall seldom occurs," Dr. Hildreth said. "The records indicate that farmers and ranchers in the High and Rolling Plains should figure that more years—52 to 69 per cent—will be below average in rainfall than years above average."

Prolonged drouths have occurred on the High and Rolling Plains at least two or three times during the period weather records are available. The famous drouth of the 1930's, which led to the dust bowl period, shows up in records at most locations. Another bad drouth period occurred around 1917. At most locations the recent drouth began in 1951 and is the longest and most severe on re-

cord. Records go back to 1866 at Abilene.

In most cases, it is not the first year of low rainfall that is disastrous, but the two, three or four years in a row of low rainfall. During the dust bowl period Amarillo had eight consecutive years of below average rainfall.

The study and publication of the results—"Farming and Ranching Risk as Influenced by Rainfall"—is the first of a planned series to include several other areas of Texas, the Edwards Plateau, Trans-Pecos and Rio Grande Plain, where drouth also has affected farm and ranch income.

### FFA BOYS ON PROGRAM

Five members of the Post chapter of Future Farmers of America were on a KPET radio program at Lamesa Saturday morning while attending the Dawson County Fair, where they exhibited steers. The boys on the program were Noel Don Norman, Butch Wilson, Ambrous Gray, Bunny Smith and Harry Smith.

## Post, Lockney Only 2-AA 11's With Perfect Marks

Post, Abernathy and Lockney won Friday, while Slaton, Floydada, Spur and Tahoka lost in games involving District 2-AA teams. Through the season's first two games, the Post Antelopes and Lockney Longhorns are the only undefeated district elevens. The Post eleven showed unexpected power in downing the Class A Crosbyton Chiefs, 30-20. Coach Leroy Fenstermaker's team had rolled up a 30-6 score before he started shooting in reserves. The Antelope scoring was evenly divided, with one touchdown apiece going to Ronnie Kennedy, Arlon Ford, James Williams, Jack Morris and Ray Gary. Ford, a guard, scored his touchdown by recovering Kennedy's fumble after the Post fullback had ripped 10 yards across the goal line. Lockney, fast shaping up as one of the district powerhouses, decisively defeated the Dimmitt Bobcats, 27 to 6. They scored three times in the first quarter then coasted to victory. Quarterback Gene Handley scored two of the Lockney touchdowns and added one of the extra points. Halfbacks Clifford Hardy and Jerry Williams scored the other two, with Hardy converting one of the extra points, and Bill Race the other. Defending champion Spur, tied by Class B Matador, 13-13, in their opening game, dropped a hard-fought 18-12 game to visiting Hamlin. Fullback Eddie Hagins, the district's high scorer last season, scored one of the Bulldogs' touchdowns on a 64-yard run, and quarterback Max Gabriel added the other on an eight-yard plunge. The Abernathy Antelopes, pre-

A COOL TREAT—Showing that glamour is as much a part of professional ice skating as the actual performance, a group of Glamour-Icers featured in "Holiday on Ice of 1956" pose for the cameraman. Featuring eight big production numbers, "Holiday on Ice of 1956" will open at 8 p. m. Sunday for a run of six days during the Panhandle South Plains Fair in Lubbock. Nine performances are scheduled at 8 o'clock each night from Sept. 23 through Sept. 28, and matinee performances at 2:30 o'clock on Monday, Tuesday and Friday.

## Denver City Mustangs Meet Post Here 8 p. m. Friday

The Denver City Mustangs, who defeated the Post Antelopes in 1944, 1945 and 1946, move in Friday night to try to extend their supremacy over the locals. The Antelopes, with a 6 to 0 victory over Ralls and a 30-20 win over Crosbyton, are expected to be at full strength for the game. Denver City, which has moved up to Class AA from Class A, opened its season by losing to the Sudan Hornets, 19-6, then bounced back last week to pin an 18-7 defeat on the Tahoka Bulldogs. The last-time Post and Denver City met on the gridiron was in 1946 when the Mustangs took a 26-13 victory. In 1945, they defeated the Antelopes, 32-0, and in 1944, 39-0. In winning over Tahoka last Friday, Denver City roared back from a 7-6 halftime deficit to register their triumph. Standouts on offense for the Mustangs are quarterback Bob Tinley, a 132-pound junior and an adept passer; Donnie Reed, 154 pound junior halfback, and John Johnson, 162-pound sophomore halfback. The Denver City line is anchored by Vernon Singleton, a 222-pound junior tackle, and Deich Duncan, 167-pound junior guard. The Mustang line yielded only 8 yards rushing to Tahoka in last Friday's contest. Head coach of the Mustangs is Wilson Head. His assistants are Buford Emler and D. W. Harkins. The Antelopes' probable starting line-up, as announced Tuesday by Coach Leroy Fenstermaker, is as follows: Ends, Jerry Hays and Noel White; tackles, Leon Davis and Gary Welch; guards, Sammy Martin and Andy Schmidt; center, Jackie Carpenter; quarterback, James Williams; halfbacks, Jack Morris and Ray Gary; fullback, Ronnie Kennedy. What The Antelopes' Opponents Are Doing Here's what the Post Antelopes' 1956 opponents, past and future, did in last Friday's games: RALLS 12, Silverton 13. DENVER CITY 18, TAHOKA 7. O'DONNELL 45, Cooper 7. SLATON 6, Seagraves 12. LOCKNEY 27, Dimmitt 7. SPUR 12, Hamlin 18. FLOYDADA 13, Otton 34. ABERNATHY 27, TULIA 7.

## Junior High Teams Win From Slaton

The Slaton Tigers, after winning their opener from Crosbyton, 19-13, lost to Class A Seagraves Friday, 12-6. The winning margin came in the fourth quarter after Seagraves recovered a fumble on the Slaton one-yard line. The Slaton eleven had tied up the contest with a fourth quarter touchdown made by halfback Dickie Thomas from one yard out at the end of a 40-yard drive. In games this week, Post takes on Denver City at home, Slaton journeys to Sudan and Spur to Anson. Tahoka stays home to take on the O'Donnell Eagles, Floydada plays host to Ralls, Lockney to Tullia and Abernathy to Sunday.

## Abernathy Back Is Leading Scorers

Through the first two games, fullback Kenneth Jordan of Abernathy has scored 25 points to take the scoring lead among District 2-AA teams. Jordan made two touchdowns and one extra point Friday in his team's 27-7 victory over Tullia. In the opening game, which Abernathy lost to Otton, 29-19, Jordan scored two touchdowns for 12 points. Second high scorer in 2-AA is quarterback Gene Handley of Lockney, with 20 points on three touchdowns and two conversions. The scoring totals are as follows:

Name	td	ep	ttl.
Jordan, Abernathy	4	1	25
Handley, Lockney	3	2	20

## Garza Boy's Gift Wins Fifth Place

Kenneth Howard, Garza County 4-H Club member, placed fifth Saturday with his gift at the annual district Sears Roebuck Foundation Pig Show at Texas Tech. Kenneth, the son of Mr. and Mrs. J. C. Howard of Post Route 2, received a \$30 prize for his fifth place. His gift was winner in the Garza County contest held recently. A total of \$780 in prizes was awarded the 25 South Plains 4-H Club boys who showed boars and gilts in the show. W. R. Kimbrough, agricultural agent in Lamb County, served as master of ceremonies. Stanley E. Anderson, associate professor of animal husbandry at Texas Tech, judged the show. W. C. O'Mara, manager of Sears Roebuck and Co., Lubbock, told the group this was the 18th annual Sears gift show held in Lubbock and in Texas. During that time 26,822 boys and girls have participated in the Sears program, he said. This year there were 1,276 boys in the program in Texas. The gilts farrowed a total of 6,832 pigs. In District 2, the area served by the Lubbock store, 93 boys received pigs. Forty-eight of the gilts farrowed a total of 374 pigs. Each of the boys who received pigs this year turned over a pig from his gilt to keep the program going for the next year.

## Ronnie Kennedy Gets 122 Yards, 14 Carries

Averaging almost 9 yards a carry on 14 tries, fullback Ronnie Kennedy, with a total of 122 yards, led the Post Antelope ball toters Friday night in their 30-20 win over Crosbyton. Quarterback James Williams carried the ball 15 times for a net gain of 96 yards—an average of 6.6 per carry. Jack Morris netted 15 yards on four carries; Noel Don Norman, 6 on four tries; Ray Gary, 27 yards on three carries, and Charles Morris, 2 yards on two tries. Mr. and Mrs. Frank Dennis of Pomona, Calif., spent last Thursday night with his sister, Mrs. H. F. Anderson, and Mr. Anderson. With the Dennises was Mrs. Grace Shaver of Wichita Falls, who had been visiting in California. Sgt. and Mrs. Cecil L. Hunt of Amarillo were weekend guests of Mrs. Little Beauchamp. The women are cousins. While here the visitors enjoyed a tour of Postex Mills, Inc.

## New Locations Are Staked In County

Recent oil activities in Garza County have included three new locations, according to Railroad Commission filings. They are: Dorward—Humble Oil & Refining Co. No. 24, M. A. Fuller at al. 760 feet from south and 620 feet from west lines of Section 313, Block 5, H&GN Survey, nine miles southeast of Justiceburg; rotary to 2,700 feet. Buenos—Cheyenne Oil Corp. No. 1 Nash, 330 feet from north and east lines of west half of Section 61, TRL Survey, six miles northwest of Post; rotary to 4,200 feet. Rocker "A" Glorieta—R. S. Anderson No. 1-A Walker, 2,310 feet from north and 330 feet from west lines of Section 45, Block 6, H&GN Survey, three and one-half miles north of Justiceburg; cable to 3,250 feet.

**LONE STAR AGRICULTURE**

**'Tar Spots' In Cotton Reported Resulting In Losses To Mills**

A little considered but increasing alarm among processors of cotton is the costly presence of "tar spots" which result in big losses to the mills.

These black blights, unnoticed in the ginning process, are collecting among freshly gathered cotton either through use of asphalt-coated pick sacks or by carrying cotton to market over freshly tarred roads.

When this happens and the cotton is subsequently ginned, all cotton in the bale is "contaminated" with tar spots which show up during cloth processing at the mills.

What's worse, when one bale of tar cotton is mixed with 39 other bales in the bleaching room at a mill, all material made from the entire 40-bale lot contains tar. This results in necessary price reductions of 10 to 20 per cent, and in some instances, total rejection.

Now, more than ever, mills are pin-point areas from which blighted cotton continues to come. This may result in general penalties by industrial price-cuts to innocent farmers who live in an area full of careless neighbors.

The wise thing would be for everyone to discard the old asphalt-covered pick sack and to keep his raw cotton as clean as possible as long as it is still in his hands.

**LATE REPORT ON MEDFLY**

An alien insect who evaded immigration officials is the cause of growing concern among fruit-growing states.

The Mediterranean Fruit Fly, black and yellow and about one-half to two-thirds the size of a housefly, was first seen about three months ago in a grove near Miami, Fla. Since that time the pest has spread into 20 Florida counties and a resultant concentrated campaign is under way to check infestation.

For, if the medfly should get a foothold in this country, the fruit industry, of which Texas is a major part, will be doomed to great losses.

The female of the species lays her eggs under the peel or skin of the fruit, and when they hatch, little white worms emerge and burrow into the fruit. Their wide appetite includes citrus, peaches, figs, peppers, tomatoes, cucumbers, squash and cantaloupe, to name a few.

**HEADQUARTERS AT SWPS AMARILLO OFFICE**

**Agricultural Development Manager Is Named By Public Service Firm**

Sam A. Thomas has been named manager of agricultural development for the Southwestern Public Service Company. Thomas will be headquartered at the company's Amarillo office, according to Ted R. Hibbs, local manager for the electric light and power company.

He will be responsible for coordinating the company's program for bringing more of the benefits and efficiency of electricity to farm production and rural homes with all interested agricultural agencies in the company's 45,000 square mile service area.

**Clinic For Crippled Children Of Garza Surrounding Counties To Be Held Monday**

Plans to conduct a clinic for all crippled children of Garza and surrounding counties have been announced by Dr. C. A. Pigford, director of the Lubbock City-County Health Unit. The clinic will be held on Monday, Sept. 24, at the Lubbock Cerebral Palsy Treatment Center, 3502 Avenue N, in Lubbock.

Registration for the clinic, sponsored by the Lubbock County Society for Crippled Children, Inc., the Lubbock-Crosby County Medical Society, the Lubbock City-County Health Unit, and the Crippled Children's Division of the Texas State Department of Health, will begin at 9 a. m. No charge will be made for examination.

It will be open to all children, under 21 years of age, who are crippled or who have conditions which might lead to crippling. Parents are requested to accompany the patient.

Among the doctors expected to take part in the clinic are: Dr. Arthur Jenkins, Dr. J. D. Donaldson, Jr., Dr. R. Q. Lewis, Dr. J. E. Loveless, and Dr. C. E. Ratcliff, all of Lubbock.

Others present will include Dr. Fred P. Helm, director of the Crippled Children's Division of the Texas State Department of Health; James Tenney, assistant director; Miss Imogene Smith, orthopedic nursing consultant; and Miss Alta Harrison, nursing consultant, all of Austin.

Arrangements for the clinic were made by the Lubbock County Society for Crippled Children, Inc., Dr. L. R. Upshaw, president. Services rendered by the Crippled Children's Division of the State Department of Health include the

**4.99**

# Texas Banks State's Principal Farm Lenders During Year 1955

Texas farmers and ranchers met their credit needs during 1955 chiefly through loans from their local banks, according to Irby G. Metcalf Jr., president of the First National Bank, who represents the Texas Bankers Association as Garza County Key Banker. During the year, the state's banks provided more financial aid to farmers and stockmen than any other lending agency, he pointed out.

Using figures from the fifteenth annual farm lending survey of the American Bankers Association, Metcalf noted that on Jan. 1, 1956, Texas banks had loans outstanding to farmers and ranchers totaling \$288,599,000 including both production and mortgage credit. This compares with \$255,374,000 held by insurance companies, second largest lender to Texas agriculture; \$184,810,000 held by Federal Land Banks; \$62,263,000 by Production Credit Associations; and \$30,408,000 by the Farmers Home Administration.

The total of farm credit outstanding in banks was made up of \$249,211,000 in production loans and \$39,379,000 in farm and ranch mortgages. In addition, banks in Texas held \$244,539,000 in C. C. C. paper not included in the above total.

"The efforts of the state's banks to meet the increased needs for intermediate-term (one to five or more years) loans are reflected in the figures for both real estate and production loans outstanding," Metcalf said. "It is estimated that about three-fourths of the farm real estate loans are for purposes normally associated with intermediate-length loans. This would include such projects as the purchase of new machinery, improvement of livestock herds, etc. Beyond that, a substantial portion of the production loans in banks at the beginning of 1956 carried a repayment period of longer than one year."

The banker gave several reasons for the increasing importance of intermediate-term credit in financing Texas agriculture. "First," he said, "farmers have their vehicles safety checked. George W. Busby, chief of the DPS Motor Vehicle Inspection Division, stated that the more than 4,200 licensed inspection stations in the State would have sufficient supplies of stickers on hand by the starting date and would be equipped to check vehicles without delay.

**BUILT FOR TEXANS**—Nestled in a picturesque setting near historic Gonzales, Texas' own Warm Springs Foundation—built by and for Texans—endeavors to create a pleasant, home-like atmosphere for its patients. Each year hundreds of victims of all types of handicapping diseases and accidents benefit from the comprehensive program of physical medicine and rehabilitation at this non-profit, non-sectarian hospital.

### MRS. EARL MORRIS OF GORDON WRITES

## Wayne Jackson Honored Sunday At Birthday Party Given By Mother

Mr. and Mrs. Ed Denton arrived home Sunday from California, where they have been for more than two months. While there for a visit with relatives, Mrs. Denton fell and broke her hip. She later suffered a heart attack and has been hospitalized most of the time she was in California. Their daughter, Mrs. Annie Lichey of Heywood, Okla., who has been with her mother since she suffered the heart attack, accompanied them home and will spend several weeks.

Mr. and Mrs. J. O. Reed visited his sister, Mrs. A. F. Jones, who is ill at her home in Littlefield.

Mr. Sneed of Idalou spoke at the Gordon Church of Christ Sunday in the absence of the regular minister.

Mr. and Mrs. M. M. Bruster and a sister-in-law, Mrs. Annie Bruster have returned home after a visit with Melton Bruster and family at Alamogordo, N. M. They visited the White Sands and also went trout fishing while they were gone.

O. R. Cearley spent Monday in Lubbock with his daughter, Mrs. Alma Murdock.

### GARZA COUNTY AGRICULTURAL AGENT REMINDS

## Farm Tractor Fatalities Are On Increase In Texas This Year

High on the list of subjects discussed by members of the Texas Farm and Ranch Safety Council in their fall meeting held at Waco on Sept. 11 was the problem of how to make rural Texans more safety conscious, Garza County Agent Lewis C. Herron said.

While the Council, composed of a group of men and women interested in making rural life safer and more pleasant, pondered on the question, death struck only a few miles away. A farm tractor was being towed by a pickup and driven by a farm worker. Apparently, because of excessive speed and a fast slow-down, the tractor jack-knifed and turned over several times killing the tractor driver. A terrible price to pay for the violation of a basic safety rule—that of moving farm equipment at a safe rate of speed regardless of whether equipment is being towed or is traveling under its own power.

Farm tractor fatalities, according to W. L. Ulich, extension agricultural engineer and secretary of the Council, have been on the increase in Texas this year. In July, two tractor operators on the South Plains were killed the same day in accidents. One was caused from excessive speed on a rural road and the other when the tractor was driven too close to an irrigation ditch which was being filled with soil. Both tractor operators turned over on the drivers.

Tractors can be killers, says Ulich, when they are operated in a careless manner. The specialist urges all farmers and others who operate tractors and other power driven farm machinery to always guard against practices which involve the element of chance. Don't try to make adjustments on machinery while the power is on or the machine is in operation. A hand, leg or life can be lost in an unguarded moment.

The Council is planning for more intensive work and requests the assistance of every interested group in carrying out their objective—that of preventing farm and home accidents in rural Texas.

### BITS-OF-NEWS

Mrs. Jack Dale and Mrs. C. F. Jones spent Saturday in Lubbock where Mrs. Dale transacted business.

Mr. and Mrs. Delmer Cowdrey and Clark were Sunday guests in the home of Mr. and Mrs. Gus Clark in Littlefield.

Mr. and Mrs. Harold Voss and Mrs. Roy Baker spent Sunday in Big Spring where they visited Roy Baker, who is hospitalized in the Veteran's Hospital.

Mrs. H. L. Smith underwent major surgery Monday morning at Methodist Hospital in Lubbock.

**By A. LEE WARD**  
Well, its Tuesday again and it has not rained.  
Mr. and Mrs. Glenn Wheatley and Mr. and Mrs. Bud Penis attended the football game in Crosbyton Friday night.

Mr. and Mrs. Jimmy Thomas and family of Hereford were weekend guests in the home of Mrs. Tol Thomas.  
We don't know how long it takes a cucumber to pickle but our Mrs. Lola "Pickie" Hays had a birthday this week, and as best we can tell, she is not pickled yet. In fact, some of us don't think she is as old as she claims to have been on her birthday this week. We sincerely hope that "Pickie" has many more happy birthdays down here at our Postex Sewing Room.

Mr. and Mrs. R. B. Perrin and Mr. and Mrs. Wade Terry spent the weekend in Pampa visiting Mr. and Mrs. O. F. Floyd.  
Mr. and Mrs. Erskine Hill and family of Bessemer, Ala., were visitors last weekend with Mr. and Mrs. Willie Stewart. The Hills are making their home in Carlsbad, N. M., now.  
Mr. and Mrs. E. A. King, Mrs. Charlie Lee, Karen and Danny visited Sunday afternoon in Lubbock with Mr. and Mrs. Charles

King and family.  
Frances Buchanan spent the weekend in Lubbock in the W. T. Jackson home.  
Linda Wilke spent the weekend with Lois Hodges.  
Mr. and Mrs. Dee Hodges and children visited Sunday in the Ray Hodges home.  
Mrs. Hugh Blevins and Debbie of Abilene visited Saturday and Sunday in the W. L. Crider home.  
Mrs. Lawrence Bilberry of Snyder spent Sunday night in the Hal Jones home.

Guests in the "Scotty" Samson home over the weekend were Mr. and Mrs. Jack Samson, Mrs. Jim Morris and children, Jean Samson, and Mrs. Jimmy Samson of Lubbock.  
Mr. and Mrs. J. Horton and Jerry of El Segundo, Calif., are visiting relatives and friends in Post.  
Mrs. Nona Smith visited Saturday and Sunday in Aspermont with her mother.  
Saturday week will wind up the third quarter for us and we are going to be delinquent on our contracts by large quantities on some goods. We hope to be able to catch these up in the near future.

Mr. and Mrs. Elmo Bush and Ricki visited in Lubbock Sunday with Mr. and Mrs. Paul Hedrick and girls.  
Mr. and Mrs. Bill McMahon and Linda and Mrs. Don Brown and Debra spent Saturday night with the Jimmy Campbells in Amarillo. Sunday they visited at Canyon in the home of Mrs. McMahon's parents, Mr. and Mrs. J. M. Steen.  
Mrs. O. H. Hoover was a guest of her son, Huston, and family at Littlefield last week. Saturday she attended the Varner-Stevens reunion at Childress.  
Mr. and Mrs. Grover Mason, Lewis and G. T. and Kenneth Thompson visited the Z. G. Sherrys at Brownfield Sunday.  
Mrs. Elva Peel, Mrs. Jimmy Byrd and Mrs. Chester Morris

**STUDENT TO LEAVE**  
Fred Mauhart, Austrian agriculture student, who spoke at a recent meeting of the Post Rotary Club, expects to leave Friday on his return trip home. He has been a guest of the Tahoka Rotary Club this summer. Mauhart will continue his studies in Vienna this fall and will complete his college education there this year.

**Mrs. Arville Ferguson and Jimmy visited during the weekend in Kermit with the Mitchell Maloufs, Jr., and in Andrews with Miss Lynn Harrison.**

# Garza Farm Exhibits Will Be On Display At Lubbock Fair

Garza County will be one of 14 counties with an agricultural exhibit on display at the 39th annual Panhandle South Plains Fair which opens in Lubbock Monday morning.  
Everything is in readiness for the fair, which is to get under way with the high-stepping "Parade of Bands" at 10 o'clock Monday morning, according to Fair President R. E. (Bob) Gee.  
The six-day exposition, which

this year again features the sparkling "Holiday On Ice of 1956", promises to be the "biggest and best" ever held in Lubbock. Farms will be crowded with this area's top livestock, fair buildings will be bulging with agricultural and commercial exhibits, and top entertainment is scheduled daily.  
Entries in the livestock division which are coming from West Texas, New Mexico, and Oklahoma,

promise to total more than any other fair in history. Added to these will be the 14 agricultural exhibits from South Plains counties, the attractive and tasteful exhibits in the Women's Building, and the multitude of modern commercial exhibits which will be displayed over the sprawling fairgrounds.

The judging schedule is as follows: Aberdeen-Angus, Monday at 1 p. m.; Herefords, Tuesday at 9 a. m.; Swine (Berkshires, Chester Whites, Durocs), Tuesday at 9 a. m.; Milking Shorthorns, Tuesday at 1 p. m.; Jersey Cattle, Wednesday at 9 a. m.; Swine (Hampshires, Poland Chinas, Spotted Poland Chinas), Wednesday at 9 a. m.; Holsteins, Wednesday at 1 p. m.; Guernseys, Thursday at 9 a. m.; and Rabbit Show, Friday at 8:30 a. m.

"Holiday on Ice" which thrilled more than 20,000 spectators last year, is returning with nine performances in Fair Park Coliseum, beginning Sunday, Sept. 23. Shows will be held nightly at 8 o'clock, Sunday through Friday, and matinees, to which children will be admitted at half price, are scheduled on Monday, Tuesday and Friday. There are plenty of tickets available at the Caprock Hotel box office before and during the fair, and at Fair Park Coliseum during Fair Week.

The fair opens Monday morning with the "Parade of Bands" which includes approximately 30 of the finest bands competing for \$600 in prizes.  
Scheduled daily are free acts featuring the daring French aerialists, the Kimris who whirl on a revolving superstructure high above the midway crowds. "The Sky Tones," one of America's foremost aerial acts will also perform, as will "The Great Cresso and his Rocket Car." Free acts can be seen twice daily, beginning at 3 p. m. and 9 p. m.

Bill Hames' merry midway will be open daily, providing thrilling sights and rides for the young at heart.  
On Saturday, the top features will be the West Texas Baton Twirling Festival and the Official State Championship Baton Twirling Contest to be held in Fair Park Coliseum. More than 800 twirlers in Texas have been invited to perform.  
A top wrestling card has been arranged for Saturday night at 8 o'clock in Fair Park Coliseum.  
The full week of activities is, as President Gee put it, "a perfect blend" of neighborliness, education, and entertainment.

## SRS. DILLARD THOMPSON OF GRAHAM WRITES

### Ben Stevens Of Lubbock Is Guest Speaker At Church Here Sunday

Mr. and Mrs. Billy Bob Hoover and baby of Lubbock were recent overnight guests in the home of his parents, Mr. and Mrs. O. H. Hoover.

## SMART BOYS AND GIRLS TAKE NO CHANCES

### Child Safety Program Also Depends On Child, County Sheriff Explains

"Boys and girls, you're playing with death when you play in the street!"  
That warning was given today by County Sheriff Carl Rains as he asked them to do their part in the child safety program the Texas Safety Association, the Department of Public Safety and the National Safety Council are conducting this month.  
"During this program we're doing everything we can to get drivers to watch out for you boys

and girls in traffic," the sheriff said. "We're also urging your parents to teach you safe traffic practices. But none of these efforts will keep you safe if you don't get on the ball yourselves."  
"Young people must learn that automobiles move fast and that anyone who happens to get in a car's path is likely to get hurt," he said.  
"Boys and girls often think that, because they can see a car coming, the driver of the car can also see them. Sometimes the driver doesn't see them, or if he does, he may not be able to stop his car in time to avoid hitting them. So smart boys and girls take no chances."  
"Playing in the street, running out into the street after a ball or other toy, crossing in mid-block or at intersections against the light are all things that place children in danger," the sheriff said.  
He advised boys and girls to strictly observe the following rules if they want to stay safe in traffic:

1. Obey all traffic officers, school patrol leaders, and traffic signs and signals.
  2. Obey the rules learned in school and at home about crossing streets and playing only in safe places.
  3. If there are no sidewalks, walk on the left side of the road facing traffic. Never use roller skates, tricycles, wagons or scooters in the street or road.
  4. When riding a bicycle in traffic, (a) ride with, not against traffic, and keep the car far right; (b) do not weave or stunt; (c) do not carry passengers; (d) never hitch on to a passing automobile or any other vehicle; (e) if you must ride at night, be sure your bicycle is equipped with a good light; (f) carry books and packages in a carrier—not in your hands.
- Mr. and Mrs. V. H. Anderson visited friends and relatives in Lubbock Sunday and attended the Cavalcade of Homes that afternoon.

**HARVEST IN FULL SWING**—Garza County's grain harvest is in full swing, with more than 20 carloads already shipped. Shown here weighing a load at Earl Rogers Feed Store is A. A. Ritchie (on the truck) and Rogers standing on the scales. Ritchie, who has 65 acres of dryland grain, said he had just started harvesting. Rogers said this year's grain crop is the earliest in several years. It is selling for between \$1.85 and \$2 a hundred.—(Staff Photo).

## Reports On Banded Doves Are Lagging

Garza County dove hunters are reminded that bands found on wild game provide a vital game management link.  
The reminder came this week from the director of wild life restoration for the Game and Fish Commission, who said that only two dove bands were reported during the first 10 days of the north zone mourning dove season, which opened Sept. 1.  
The director said the bands are used to trace nesting, feeding and migrating habits of doves and to apply the knowledge gained to determine season dates, bag limits and other facts for the annual harvest period.  
Bands on doves are found on their legs. Hunters bagging such a marked bird are expected to inform the Game and Fish Commission where they bagged the banded bird and when.  
If hunters want to keep the metal bands as souvenirs, they should so state in their reporting

# VETERANS ---

**Do You Plan To Use Your  
G. I. Loan Before It  
Expires, July 1957?**

If you are a veteran why not own your home and save the rent you are now paying? We are planning to build 10 new homes in southwest Post and invite your attention to some of the outstanding features these new homes will offer:

- 60' and 70' lots available on West 4th Street Ave. Q and Ave. R.
- Street will be paved, curbed and guttered.
- Houses on this street, in this block will face each other and will be more restricted.
- Our plans include 2 and 3 bedrooms. Some frame with brick trim and some brick veneer.
- Some plans feature central heating, others have wall furnaces.
- Tiled baths.
- Dressing tables in baths.
- You do your own color scheming.
- If our plans don't suit you then we will build according to your plans drawn to suit us. We have available at this time nine building sites.

**READY FOR OCCUPANCY . . . . .**  
We have a fine new two-bed room home, which we have just completed and is now ready for occupancy, which can be yours for only closing costs. We invite you to inspect it.

## Sophomores Freshmen Elect

Class elections at School were completed when the freshmen more classes chose of junior and senior elected earlier in the year.  
The new freshmen class are: Clinton Short, president; Herb vice-president; Ruth Letary; Patsy Rogers, Barbara Shytles, Kay Jones, Student Representative. Room mothers: Mrs. Al Norris and Mrs. Custer.

## August Usage Cotton Is Down

The Census Bureau in ton has reported cotton for August average bales each working day. This compares with an of 35,836 a year ago.  
Consumption of lint for month period ending July ended 9,147,363 bales and 1,784,645 bales. This compares with 8,841,458 and 1,473,778 a year ago.

Cotton on hand Aug. 25 in consuming establishments 238 bales of lint compared with 1,211,562 a year ago. In storage and at compresses 312,831 bales compared with 9,764,505 a year ago.

Friday night guests in C. Haragan home were Mrs. W. W. Ratliff of M.

### Honoring Allison Baby Is Given Friday At Mrs. Maddox's

Mrs. Tom Blacklock of Post, Mrs. Miller of Gatesville and the Jim Bob Porterfields of Grassland. Mr. and Mrs. Wayne Cearley and family of Levelland visited the Glen Cearleys last week. Chester Stevens of Waco is visiting his sister, Mrs. T. H. Tipton and other relatives and friends. Ernie Wayne Popham, who is in the Navy and stationed at San Diego, Calif., is home on leave. He will return to the base Sept. 23. He and his brother, Dennis, went to Abilene Sunday to visit their father, Erven Popham. Mr. and Mrs. Glen Cearley visited the Hub Strouds in the O. R. Cearley home Sunday night. Sunday guests in the Will Teaff home were Mr. and Mrs. Milton Hayer and children, Mrs. Harvey Stotts and boys and T-Sgt. and Mrs. N. B. Teaff of Lubbock, Mr. and Mrs. Eldon Roberts and girls of Abilene, Ernie Popham of San Diego, Calif., and Mr. and Mrs. Howard Teaff and Howard Lee. Mr. and Mrs. Joe Wishert entertained the young married people of the Baptist Church with an ice

cream supper at their home Thursday night. Those present were Mr. and Mrs. Carter White and girls, Mr. and Mrs. Boyd Copple and children, Mr. and Mrs. Thurman Maddox and daughters, Mr. and Mrs. Irvin Cross, Mrs. Marshall Tipton, Mrs. R. H. Sappington and baby and the teacher, Mrs. Will Teaff. Mr. and Mrs. Will Williams are home after an extended trip to California, where they visited relatives. O. R. Cearley spent Sunday in Lubbock with relatives. The Rev. and Mrs. James Allison and baby of Abilene visited Guy Shults and family Friday and Saturday. Hazel Shults entered Texas Tech day. Mrs. Thurman Maddox honored Kathy Allison, baby daughter of the Rev. and Mrs. Allison with a layette shower Friday. Games were played, gifts were opened and cake squares, punch and mints were served. Mrs. Bernie Jones and Mrs. Will Teaff were co-hostesses.

Mr. and Mrs. Jim Barron visited in the Thurman Maddox home in Post Sunday afternoon. M. K. Dunham of Roby has moved here to make his home with his daughter and family, the Sam Sanders. Mr. and Mrs. Clyde Cribbs of Fort Worth were guests in the Walter Brown home last week. The Rev. and Mrs. C. D. Nowell and Ellen and Mrs. Will Teaff attended the Baptist Associational meeting in Lubbock Monday night. The Nowells attended Tuesday and Tuesday night. Nine members of the W. M. U. attended Monday's meeting at the church. Mrs. Will Teaff directed the Bible study. Visitors in the Dick Woods home this week are Mr. and Mrs. W. L. Woods, Jr., and son, Mike, of Anchorage, Alaska, where he has been stationed with the Air Force. Woods will begin a special school in Cheyenne, Wyo., in October, after which he will be stationed at Colorado Springs, Colo.

### WINTER WHEAT SIGN-UP DATE EXTENDED TO OCT. 5

### Soil Bank Wheat Payments To Be Made In Cash Or Grain, ASC Says

Compensation to farmers for reducing their 1957-crop winter wheat acreage below their wheat allotment, designating such acreage for inclusion in the Soil Bank's acreage reserve program, will be in the form of negotiable certificates, R. G. Shrauner, chairman of the State Agricultural Stabilization and Conservation Committee, has announced. The certificates are redeemable in cash through regular banking channels, or they may be redeemed in grain by the producer to whom they are issued. The certificates will be issued after the county ASC committee can determine that the acreage-reduction requirements of the program have been met. Shrauner explained that the amount of compensation for wheat on the farm will be determined by multiplying the base unit rate per bushel for the county by the smaller of (1) the normal yield for the farm or (2) the normal

### Milk Program Costs Total Of \$1,415,000

The Agriculture Department in Washington estimates it spent \$1,415,000 on the school milk program in Texas during the last school year. The department said that 1,877 Texas schools took part in the program and were reimbursed

with federal funds for 38,050,000 half-pints of milk consumed by young Texans. Mr. and Mrs. Charles Nelson and Mike and Mr. and Mrs. J. B. Anderson visited during the weekend in the Weaver Moreman home. They were en route to their home in Abernathy after a vacation trip to the Rio Grande valley.

1915 - 1956.....41 YEARS SERVICE TO WEST TEXANS

**WILL INAUGURATE 'BRIGHT NEW ERA'**

**Ground-Breaking Ceremony Set For Two New State Health Buildings**

AUSTIN (Sp.)—Ground-breaking ceremonies signaling the beginning of the first two phases of construction on the new \$5 million State Health Department laboratory and administration buildings will be held here at 3 p. m. Sept. 26.

State Health Commissioner Henry A. Holle predicted the ceremonies would "inaugurate a bright new era of public health in Texas."

Eight complete buildings and one partially completed building are included in the first phase of construction. Contracts totaling \$3,006,653.95 were awarded Aug. 29. Included are building costs, architect fees, equipment and improvements. Of that amount, \$1,134,000 is federal funds; the balance represents state appropriations.

Completion of the second phase, construction of which will begin at an unspecified date, will call for state appropriations totaling \$2,000,000, Dr. Holle said.

J. M. Odum Construction Company of Austin is the general contractor. Plans were drawn by the Austin architectural and engineering firm of Page, Southern and Page.

Building improvements on the 31.11 acre site, located behind the State School for the Blind, will cover approximately 15 acres. Space will be provided for parking approximately 650 cars. The remaining ground will be devoted to sheep enclosures and animal houses, used for research and laboratory testing procedures.

Construction on the first phase is scheduled for completion by August, 1958. When finished, the health agency "will be housed in one of the most modern and best equipped facilities of its type in

the nation," Dr. Holle said. Housed within the first phase structures will be complete laboratory facilities, including areas devoted to biological productions, virus and rickettsial studies, medical bacteriology, sanitary bacteriology, chemistry, parasitology, serology, entomology, tetanus toxoid production, general services, shipping and receiving, animal quarters, and laboratory administration.

The present laboratory is one of less than a dozen state health department laboratories in the United States licensed by the National Institutes of Health to manufacture biological products.

The first construction phase will also include an auditorium, offices for the Merit System Council and the central administration portion of the health agency, a first aid station, public health museum, and offices of the Food and Drug, Bedding, and Dental Health Divisions, representing a total of 144,556 square feet.

**SCS Official Attends Meeting In Lubbock**

Guy Nutt, work unit conservationist for the Post Work Unit of the Duck Creek Soil Conservation District, was in Lubbock Tuesday and Wednesday attending a bi-district meeting of work unit conservationists from 25 counties.

The supervisory end of Soil Conservation Service work was stressed at the meeting, Nutt said.

The Post man had a part on the program, discussing a balanced information program.

Saturday afternoon guests in the A. V. McCowen home were Mr. and Mrs. L. E. Ball of Slaton.

**LOTS AFFECTED AREAS**—Weather man at Federal Civil Defense Administration headquarters at Battle Creek, Mich., plots areas affected by simulated fallout during Operation Alert 1956. Radiation fallout predictions, based on twice-daily, nationwide high-altitude wind observations by the Weather Bureau, are plotted daily by an assortment of government agencies at all levels as routine preparation for the day when these winds might be carrying real fallout.

**MRS. R. J. KEY OF JUSTICEBURG WRITES**

**Chris Cornetts, Gail Relatives Go To Hobbs, N. M. For Visit Sunday**

Thirty-two attended Sunday School at the Baptist Church Sunday.

Mr. and Mrs. Bobby Page of Knox City spent the weekend in the home of her parents, Mr. and Mrs. Henry Key.

Mrs. Roland Sullenger was in Lubbock during the weekend and she visited Mr. and Mrs. W. C. Caffey and Katy while there.

Mr. and Mrs. Elmer Nunley of Graham attended church here Sunday.

Mr. and Mrs. Sam Heintz and daughters of Post were Sunday evening guests of Mr. and Mrs. R. J. Key.

Mr. and Mrs. Chris Cornetts and Joan and the Bud Cornetts of Gail visited at Hobbs, N. M., Sunday with the Dick and Bill Cornetts.

Mr. and Mrs. Herman Messer and family spent Sunday in Lubbock with his mother and other relatives.

Mrs. Ott Nance and Mrs. Winnie Tuffing of Post spent several days last week in Ruidoso and other places of interest in New Mexico.

Mr. and Mrs. W. C. Caffey and daughter of Lubbock were Saturday visitors of Mrs. Maude Pettigrew.

Mr. and Mrs. R. J. Key were

in Snyder Friday. While there, they visited the Marvin Dorman family.

Sunday guests of Mr. and Mrs. Don Robison and family were Mr. and Mrs. Elmer Nunley and daughter of Graham.

Mr. and Mrs. Pete Johnson and Mr. and Mrs. Howard Price and family of Lubbock spent Sunday with Mr. and Mrs. Cameron Justice.

Mr. and Mrs. Gayle Moore and family of Clovis, N. M., visited Thursday with Mr. and Mrs. Clyde McAllister and daughters.

Mr. and Mrs. Billy Cantrell of Lubbock were weekend guests of Mr. and Mrs. Milton Woodard. The Bandy Cashes took them to their home Sunday night.

Mrs. Callie Cash and sons, Milburn and Wilburn, of Levelland spent Sunday with Mr. and Mrs. Bandy Cash and Clyde Allen.

**Auburg Rites Held In Lubbock Church**

Funeral services for Tom B. Auburg, 36, whose wife is the former Miss Joyce Kenley of Post, were conducted at 3 p. m. Sunday in Ford Memorial Chapel of the First Baptist Church in Lubbock. Burial was in Brownfield Cemetery.

Mr. Auburg died at 3 a. m. Friday at his home in San Antonio. He moved to San Antonio two months ago from Lubbock.

He was general manager of General Tank and Equipment Company at San Antonio. An ordained Baptist minister, he was a member of the First Baptist Church of San Antonio at the time of his death.

Besides his wife, he is survived by two daughters, Jan, 11, and Sherry, 9, all of San Antonio; his parents, Mr. and Mrs. J. T. Auburg of Brownfield; two brothers and one sister.

**BITS-OF-NEWS**

Mrs. Frank Casey and mother, Mrs. M. P. Auldridge, left last Thursday for their home in Bakersfield, Calif., after spending two weeks in the home of Mr. and Mrs. Sam Horton. Mrs. Horton and Mrs. Casey are sisters. Other visitors in the Horton home during Mrs. Casey's visit were their brother and family, Mr. and Mrs. Jim Auldridge of Clarendon, two daughters and their families, Mr. and Mrs. I. A. Turner, Pene, Pam and Lisa, of Midland and Mrs. Jerry Funderburg, Larry and Marsha of Rankin. The group spent the weekend visiting in the Jim Auldridge home in Clarendon.

Mr. and Mrs. Jack Lancaster were guests in the Bill Stevens home Friday evening in Lubbock. They also visited Mrs. Arnold Parrish and baby, Patti Ann, in the West Texas Hospital.

Weekend guests in the Curtis Davies home were Mrs. Davies' father, L. P. Hancock, and her brothers, L. A. Hancock and C. N. Hancock and wife of Midland. Mrs. Davies' mother returned home with them after spending several days visiting here.

Elbert Davies left Saturday for his home in Abilene after spending several days here.

Mr. and Mrs. Roy Stevens visited during the weekend with Mr. and Mrs. Charles Gay in Brownfield.

Miss El Wanda Davies, who is teaching in the Snyder schools, spent the weekend with her parents, Mr. and Mrs. Curtis Davies.

Mrs. Sidney Carter Falls is visiting in her son and his family, Mrs. Reese Carter.

**WE ARE STILL CONTINUING OUR "LONG TRADE-IN ALLOWANCES"** on good USED CARS... We Want To Fill Our Lots With Good, Clean Used Cars And Pick-Ups.

If you have a good used car now is the time to trade while our lots are almost bare and we are offering top trade-in allowances on new cars.

Your present car will more than take care of your down payment and if you are now driving a fairly late model car your trade-in should not only take care of a nice down payment, but will permit us to arrange low monthly payments. **SO REGARDLESS OF MAKE OR MODEL... bring your car in and we'll trade cars.**

**POLL SHOWS ALL-TIME HIGH THIS SUMMER**

**Beef-Eating Increasing In Texas, According To Texas Beef Council**

DALLAS (Sp.)—Texas beef eaters broke their own record and set an all-time high for summer beef consumption this year!

Results of a state-wide survey of food chains totalling 787 retail stores in all parts of the state were released this week by the Texas Beef Council. The Council is now entering its third year of a state-wide educational program designed to increase beef consumption.

720 stores reported that Texans ate 16 per cent more beef this year than last, and that more than half of the increase was in fore-quarter cuts, such as pot roasts, short ribs, brisket, etc., which the Beef Council's program emphasizes.

The food retailers were unanimous in crediting the Texas Beef Council with a large share in achieving the increase.

A similar survey a year ago indicated that the first year's activity produced a 17 per cent increase, or 12.41 pounds per person. This year's 16 per cent on top of the previous figure accounts for 13.67 pounds per person.

The survey, conducted among 1,061 chain food operations whose records permit accurate comparative studies, was answered by 79.2 per cent of the possible respondents, according to Leo J. Welder of Victoria, Beef Council president.

"These stores without exception attribute the consumption increase to our 'eat more beef' program and want to see it continued," he said.

"The Texas beef industry has the long, hot Texas summers and convert those conditions to favorable marketing for beef," Welder pointed out. "Our program, through recipe services and demonstrations, has promoted out-door cooking during the summer, with the result that broiling and barbecuing have reached an all-time peak."

Leading food chains have had a strong upsurge of demand for all cuts susceptible to out-door cooking. Chuck roasts and plate led among the economy cuts; rib and T-bone steaks among the hind-quarter cuts.

The survey also showed a slight increase in the acceptance of pre-packaged, frozen beef cuts.

"We still have a big job of consumer education to do in that area," Welder said.

Plans for the Council's third year of activity will be finalized during September, Welder said. They will include continued recipe and demonstration services to food editors and home economists, with special events sche-

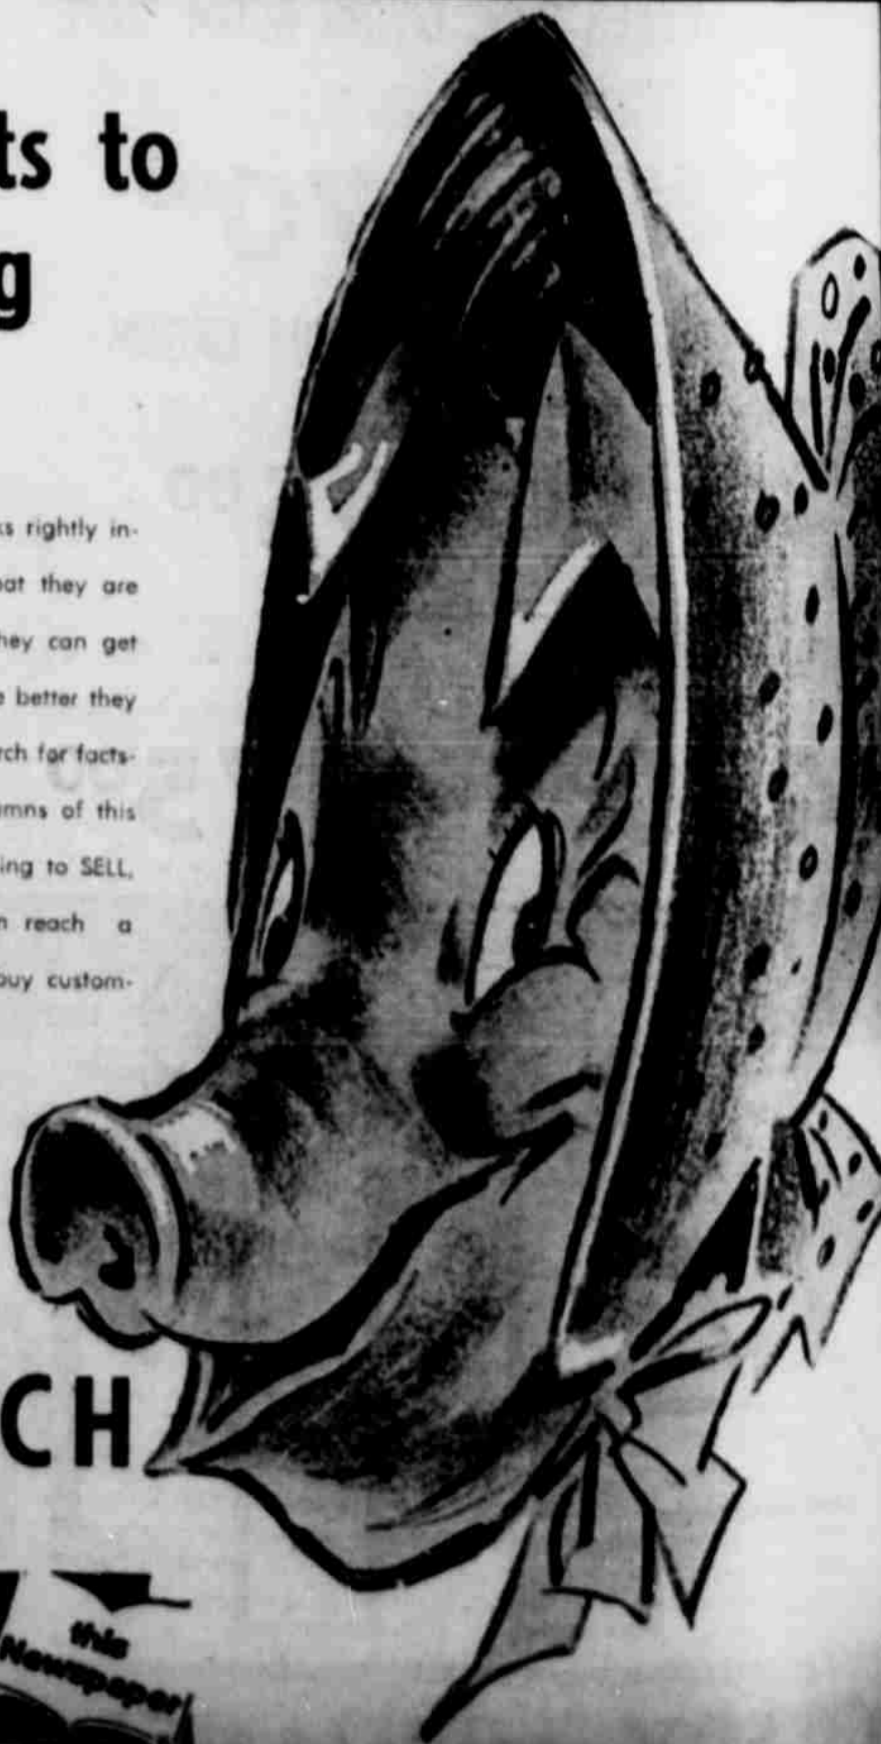

Mike French of Hale Center visited Mr. and Mrs. A. V. McCowen and family Monday evening.

**Who wants to buy a "pig in poke?"**

The answer is: nobody! Folks rightly insist on seeing and knowing what they are buying. The more information they can get about a prospective purchase, the better they like it. Usually they start their search for facts-to-buy-on in the advertising columns of this newspaper. If you've got something to SELL, this is the place where you can reach a ready-made market of ready-to-buy customers!

## Board Registration Over State Says Selective Service Head

Draft board registration in the state is lagging behind expectations, according to the state director, said the state director.

Registration at local boards was nearly 43,000 in 1955, registration in 1954, which was in registration for a like year.

The trend in the past several years, it should be noted, has been a decline over 1953. "Collected" by this time we had expected registration would be between a million and 1,200 above that of 1953.

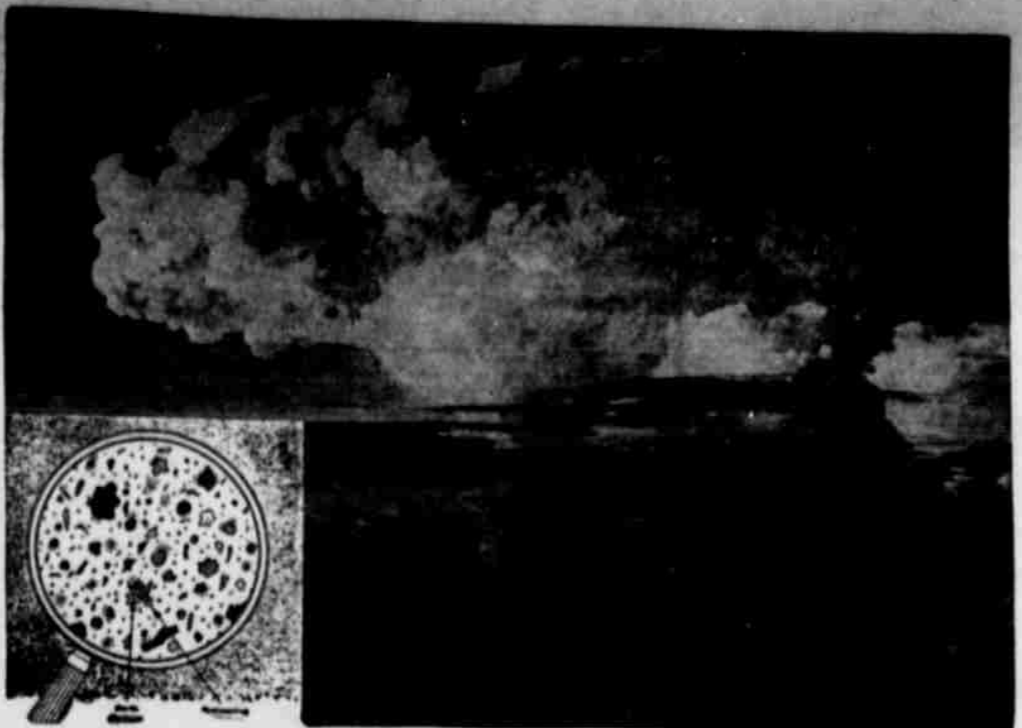

The expectation was that the number of registrations each year during the 1940s and early 1950s was about 18-year-olds leaving for the military, which was perhaps some 18-year-olds delaying to comply with the law requires young men with the nearest

## Pep Squad Chooses Officers For Year

Newly-elected president of the Post High School pep squad for 1956-57 is Miss Doris Ramsey, daughter of Mr. and Mrs. J. E. Ramsey.

Other officers are: Marie Howard, vice president; Orabeth Maxey, secretary; Barbara Stone, treasurer; Delores Dye, reporter; and Linda Livingston, Student Council representative.

Faculty sponsor of the 60-member pep squad is Mrs. G. E. Fleming, head cheerleader is Linda Davies and cheerleaders are Barbara

TESTS GIVE FACTS—Fallout cloud from the first H-bomb blast, towering 25 miles high, begins to drift off to the left after nuclear device, rated in millions of tons of TNT, was touched off in mid-Pacific in November 1952. If the cloud could have been magnified, it would have looked much like the inset, with microscopic radioactive particles clinging to larger earth particles which were blown skyward by the blast. From tests such as this, the Federal Civil Defense Administration learns the basic facts about fallout necessary to plan future defenses against it.

## Post Band Elects Year's Officers

Boyd Dodson, son of Mr. and Mrs. R. B. Dodson, has been elected as president of the Post Antelope Band for the 1956-57 school year.

Other new band officers are Ronnie Blacklock, vice president; Judy Gossett, secretary-treasurer; Kay Martin, reporter; and Sherry Odom, Student Council representative.

The band, directed this year by Bob Meisch, made its first public appearance on Sept. 6 when it marched in the parade opening the Ralls Jaycee Rodeo. Following the parade, the band members were guests at a barbecue.

The band performed at half-time of the Post-Ralls football game here Sept. 7, and made its first out-of-town trip Friday night to the game at Crosbyton.

Frances Dietrich is drum major, and majorettes are Judy Gossett,

## Important Dates On ACP Practices Are Outlined By Office

Dates of importance to operators in the 1956 Agricultural Conservation Program have been announced from the Garza County office of the ASC.

Operators who have carried out the practice of deferred grazing should report performance on this practice by Sept. 30.

Applications for approval on the practice of stubble mulching must be filed by Oct. 31.

The first tillage operation must be completed on grain sorghum stubble land by Dec. 1.

Operators who wish to install irrigation pipe or carry out other practices that will require a field inspection by the Soil Conservation Service should call at the county office at least a week before they plan to begin the practice.

The steps that must be taken before an approval for this type work can be issued are as follows:

1. An application must be filed in writing in the county office.
2. Each Monday the committee will review and approve these requests.
3. Each Tuesday the performance clerk will issue a tentative approval and deliver it to the SCS office.
4. The SCS representatives visit the farm and return to the ASC office a report determining the need for the practice.
5. An approval is issued and mailed to the applicant.

## ATTEND FUNERAL

Mr. and Mrs. Bob Florence were in Weatherford last Thursday to attend funeral services for her brother, W. J. Warren, who died Tuesday. The Florences recently moved from Jayton to Post, where Mrs. Florence is sixth grade language arts teacher.
