

Garza County Is Included In Food For Peace Train Project For Europe

meeting of Garza County interested in as- clubs and civic South Plains in col- the Food for Peace held at 8 o'clock to- ning at the Garza

West Coast to New York, via the southern route. It will be longer, by at least one car, than Pearson's train.

It will make-up in Galveston, and Garza contributions will be loaded on at Lubbock between November 17 and 20. The exact date probably will be announced here next week, according to Ralph Welch, president of the Lions Club.

Transportation Is Free

The food will be taken to the points where the train stops, in its itinerary across the nation by various company vehicles through

the courtesy of their owners. The train's services will be donated by the Santa Fe Railroad Company, and a steamship company will transport the food to Europe free of charge. Welch has been informed by the South Plains Committee.

The food will be distributed to Europe's needy people free of charge by the Salvation Army, Friends Society and other American organizations of similar reputation operating in Europe.

The South Plains Committee for the train was organized November 3 in Lubbock with a mem-

bership from the Rotary, Exchange and Optimist Clubs, the Junior Chamber of Commerce, Twenty-Third Club, American Business Club, Kiwanis Club, Ministerial Alliance, Business and Professional Women's Club, Lions Club and the Negro Chamber of Commerce. Capt. V. Larsen of the Lubbock Salvation Army, Lions Club zone chairman, was elected to head the committee.

To Visit Here Friday

Either Captain Larsen or Elmer East, a member of the Lubbock Lions Club, will explain the plan at the meeting here tomorrow

morning. Advance information from the committee indicated that although food donations will be welcome, money donations can be used to an excellent advantage as arrangements have been made to buy the following types of food at a discount from wholesale companies: Flour, sugar, pinto beans, baby lima beans, milk and macaroni and spaghetti.

Participation in the Food for Peace Train is open to anyone interested, Ralph Welch said last night. The South Plains Committee hopes to raise two carloads of food for the project.

New Wildcats Started Here

Negotiation For Lake Is Progressing

Two New York representatives of the Post Estate have indicated they will arrive in Post next week to confer with Jim Hundley, chairman of the committee to redo Two Draw Lake, and Mayor John Herd in regard to leasing or selling the land on which the lake would be restored.

Hundley said yesterday that the committee will submit a written proposition requesting a long-term lease of the property or buying the property without mineral rights.

Important new wildcats in Garza County have noticeably pepped up oil activities here.

The Ohio Oil Company last week staked an Ellenburger wildcat in northeast Garza County on a block of approximately five sections which is acquired early in the year.

The location is the No. 1 Swenson Land and Cattle Company, 2,307 feet from north and 1,960 feet from west lines of section 24, block 2, H&GN survey.

The operation is one mile west and slightly south of Gulf Oil Corporation No. 1-B Swenson, drilled a decade ago which had flowed oil along with water from the Pennsylvanian after falling in the Ellenburger to 8,104 feet. The well flowed 150 barrels of oil and 150 barrels of water from the Pennsylvanian. It later was abandoned.

The operation is slated to drill to about 7,500 feet, and it might be carried below that depth. Rotary tools were moved in last weekend and actual hole making was slated to start this week.

Legion To Have Smoker Monday

The American Legion, in business session Tuesday night at the Legion Hall, planned a smoker which will be held Monday night at the Legion Hall for all ex-

service men. The affair, which will begin at 7:30 o'clock, will be a strictly social event held in observance of Armistice Day. It is being held an evening in advance of Armistice because some of the members plan to go to Lubbock on November 11 to attend a break-

fast and program sponsored by the Legion Post of that city.

The Monday night program will include a chili supper and forty-two, checkers and other games.

To raise funds to buy uniforms for military funerals and memorial services, the Legion planned Tuesday night to sponsor a home-

(Continued On Back Page, Col. 3)

W. E. EDWARDS' BODY HASN'T ARRIVED YET

Word had not been received here by press time as to when the body of Pvt. William E. Edwards, which was shipped to the states recently from Europe, will arrive in Post.

Mason and Company will be in charge of the burial in Terrace Cemetery, following a service at the First Baptist Church. It may be one to several weeks, however, before the body arrives here, James Minor of Mason's said yesterday.

Edwards is a son of Mr. and Mrs. Loyd S. Edwards.

GI Vocational School Loses Small Per Cent

Because of a federal ruling which became effective October 7, enrollment in the Garza County Vocational School has fallen off 20 per cent, but neither the faculty nor the school set-up has been effected and indications are that the new ruling might be changed for the better in 1948, Lewis Nance, coordinator, said yesterday.

The new ruling concerned the amount of income that a GI student could make without creating an overpayment on his subsis-

(Continued On Back Page, Col. 3)

Garza Receives School Payment

Garza County schools last week received \$7,230 as the 1947-48 school year's first per capita school aid apportionment. The payment represented a \$5-per-capita scholastic payment on a \$55 apportionment projected for the school year. The payment was apportioned as follows:

Post, \$4,300; Close City, \$335; Southland, \$1,160; Graham, \$335; Grassburr, \$130; Leforest, \$90; Cross Roads, \$95; Justiceburg \$105; Hartford, \$40; Barnum Springs, \$110; Verbena, \$155, and Garnolia, \$335.

In school districts where there are not schools in operation this year, the money will be applied on tuition of students elsewhere County Superintendent Dean A. Robinson said yesterday.

Armistice Day Holiday Here

Members of the American Legion Post are reminding merchants to fly their flags of the United States next Tuesday, November 11.

As announced in last week's issue of the Post Dispatch, next Tuesday, Armistice Day, will be a holiday and stores will be closed.

Armistice Day is one of the annual holidays decided on last year by the board of directors of the Post Chamber of Commerce. The next holiday will be Thanksgiving Day, November 27.

Merchants have indicated they will cooperate.

Pink Bollworm Quarantine Is Decreed Here

Garza County is being placed under emergency quarantine by the State of Texas in an effort to check the spread of pink bollworm. The quarantine is the result of one pink bollworm found in each of two gins by inspectors for the United States Department of Agriculture, County Agricultural Agent D. F. Eaton has been officially informed.

It is expected that the Federal Quarantine, which is in effect in several other West Texas Counties, will be extended to include Garza. The seed from the remainder of this year's cotton crop will move to either designated oil mills, which will be required to give seed the heat treatment upon arrival to kill the pink bollworm or keep it segregated and have it all crushed by the end of next March, and gins will be required to be kept in a sanitary

(Continued On Back Page, Col. 3)

Committees Are Appointed For Scout Program

At a meeting of Post Boy Scout leaders, in the American Legion Hall last night, the following committee to be in charge of all local Scout activities was appointed by James Minor, Liano District chairman:

John Lott, chairman; Robert Cox, advancement chairman; Ted Hibbs, organization and extension chairman; D. F. Eaton, leadership and training chairman; Dr. B. E. Young, camping activities, and Sherrill Boyd, finance.

Minor announced that the following nominating committee has been named to nominate district officers for 1948:

John Lott, chairman, Walter Anglin of Tahoka, Howard Cook of Wilson, Mr. Hagerman of Stanton and Tom Boughier. The committee will meet soon to decide on recommendations to be presented at the annual district meeting to be held here next month.

Jack Johnson of Lubbock, South Plains Area Council field executive, attended last night's meeting.

Cotton Harvest Is Financial Boom To County

Twelve thousand five hundred eighty-three bales, or approximately 60 per cent of the Garza County cotton crop, had been ginned by press time, according to information provided by Agricultural Agent D. F. Eaton.

The cotton has been selling at 28 to 30 cents, and netting the farmers an average profit of \$100 a bale. If the county's 70,000 acres of cotton average a third of a bale to the acre, as the present trend indicates they will, Garza's approximately 550 cotton farmers will clear \$2,300,000, Eaton believes.

At present, there are about 1,500 transient laborers working the Garza fields. This is an improvement over the labor situation in past weeks, the agent said.

As soon as the fields are favored with a killing frost, mechanical stripping will get under way and relieve the labor situation quite a bit. There have been one or two light frosts in various parts of the county, but not enough to rid the cotton of leaves, Eaton explained.

HALLOWEEN PRANKSTERS GET OUT-OF-HAND HERE

Many a Post merchant spent the chilly hours of last Saturday morning removing the Halloween pranksters' soap hieroglyphics from their plate glass windows.

Although unhappy and somewhat resigned to their fate, they were luckier than the resigned automobile owners. The soap cannot be removed from the cars without ruining the paint, some owners learned. Among those suffering this fate were John Lott with his new car and Arthur Talley, whose automobile had been repainted only a few months ago.

Some windows at the Max Gordon home were broken by hurled stones, and the statuary in the birdbaths at the Giles Connell residence was broken.

Bargain Rates Are Offered By Dispatch, Other Papers

Have you ever tried to get along without your favorite newspaper? If you have you are sure to take advantage of fall bargain rates. If you haven't don't delay—you may not be able to renew if you let your subscription to a daily paper expire.

Although the Post Dispatch recently raised its subscription rates because of the high cost of newsprint and production, the subscription rate will be cut back to the old price while the daily newspapers are running their bargain rates. Post Dispatch renewals, whether or not they are due, can be made within the next few weeks at \$2 a year for Garza County and \$2.50 for papers to be mailed outside of

Garza County.

Save Fifty Cents
A limited number of new subscriptions to the Post Dispatch also are available because of a slight increase in our newsprint allotment for 1948. The rate for new subscriptions is the same as for renewals, 50 cents cheaper than the regular rate.

The Post Dispatch staff members will take subscriptions at special bargain rates for the following daily papers:

Fort Worth Star-Telegram, daily and Sunday for \$11.95; daily without Sunday for \$10.60, at a saving of \$3.05 or \$1.40 a year.

The Lubbock Morning Avalanche, daily and Sunday for \$9;

daily without Sunday for \$8.00.

The Abilene Reporter-News, daily and Sunday, \$7.95.

The Lubbock and Abilene papers can take a few new subscribers, but because of its limited supply of newsprint, the Star-Telegram cannot take any new subscribers and a label must accompany each renewal order.

Serving Large Farm Area

Although the Post Dispatch management has not been encouraging out-of-county subscriptions because of the newsprint shortage, it is with pleasure that Publisher E. A. Warren announced this week that an increase in the 1948 newsprint allotment will permit a limited number of new (Continued On Back Page Col. 4)

NEWS NOTES FROM . . . Duck Creek Soil CONSERVATION DISTRICT . . . OFFICE AT POST

Fish Arrive Saturday
It was fisherman's luck last Saturday for 18 cooperators of the Duck Creek Soil Conservation District. The State Hatchery at Dundee notified these farmers to be at the Post Office at 12:30 o'clock with containers to receive the 12,147 fish, which they had ordered for stocking ponds. Two flats and motor trouble threw the truck, bringing the fish, off its schedule. It did arrive, however, at 4:30 o'clock with all the fish ready for their new home. Only seven of the cooperators waited for the truck and were there to get their fish.

Applications are available at the Soil Conservation Service office for other district cooperators to order fish to stock ponds.

Stocking farm ponds with fish is a step toward making every acre produce according to its capacity. A properly managed pond can produce as much as 150 pounds of fish for food and recreation per surface acre each year.

Under District Agreements
Conservation plans were developed on J. R. Wood and Lewis West farms this week. The Wood farm is located three miles south of Southland and West's farm is nine miles north of Post.

Wood plans to terrace around a lake. On nearly flat land, contour lines will be laid out and all farming operations will be on the contour. A crop rotation includes planting at least half of the land to feed crops each year. Stalks from the feed will be left on the land to prevent wind and water erosion. W. C. Wood, the operator, says "Land with a good cover of crop residue takes rainfall faster and the soil under stalks stays moist longer." He plans to try hairy vetch for a soil building crop.

West Wants Grass
West planted 100 pounds of vetch seed and 300 pounds of Austrian winter peas this fall. He plans to keep his sandy cultivated land covered with sown crops. On his deep sandy land he plans to establish permanent grass. Ten acres of African weeping lovegrass and ten acres of sand lovegrass will be planted in April of next spring.

The Week's News in Brief

Mr. and Mrs. O. B. Redman and daughters of Amarillo were guests of Mr. and Mrs. Raymond Redman Saturday and Sunday.

A. B. Haws transacted business in Dallas the first of the week.

Mr. and Mrs. Sheldon Land are moving this week into their new home on the Tahoka highway. They recently purchased the five room stucco house from George Sartain.

Mr. and Mrs. L. W. Dalby returned last week from a three weeks' vacation in Hot Springs, N. M. They will leave again on November 25 to attend a Masonic Grand Lodge and Grand Chapter meeting in Waco.

Mr. and Mrs. Luther Harper of Belton left early this week for their home after spending a week here on business.

Mrs. George Barker visited her sister, Mrs. W. B. Owens, in Longworth Sunday.

Mrs. Clara Hunton is in West Columbia, Tex., visiting in the home of her daughter, Mrs. Charles Lobban, and family.

Mrs. M. E. Kennedy left Monday to visit her brother, J. E. Robinson, and family of Houston.

Johnny Mickey went to Oklahoma City by plane Friday and returned Saturday in a new Chevrolet for Connell Chevrolet Co.

Mr. and Mrs. Paul Duren and Paul, Jr., are spending this week in Colorado and New Mexico with friends and relatives. They will return Sunday.

Mr. and Mrs. David Schultz and their house guests, Mr. and Mrs. G. W. Schultz of Elkland, Penn., spent the weekend in Carlsbad, N. M. The trip included a tour of the caverns. The visitors, David's parents left for their home Tuesday.

cotton yield; no conservation practices average 130 pounds lint per acre; terraces and contour farming average 185 lint per acre; a coordinated conservation farming program average 250 pounds of lint per acre.

A Halloween party was held at the school last Friday afternoon, with about 15 mothers present. The children, directed by the teacher, Mrs. Lobban, presented an hour's program, which was followed by a contest held in each class.

Cookies, potato chips, candies and beverages were served.

Room mothers assisting were Mrs. Jim Todwell, Mrs. Johnny Beggs and Mrs. R. J. Key. Mr. and Mrs. Perry of Snyder were guests.

Max Bardsley of Littlefield visited his uncles, R. J. and Henry Key, and families Sunday.

The Bible Study Class, met in the home of Mrs. George Duckworth Thursday.

Mrs. Ewell Morgan and family and Mrs. Allen Crowley and family of Slaton were Sunday guests of Mrs. Claude Pettigrew.

Mrs. W. H. Henderson of Plainview visited her son-in-law and daughter, Mr. and Mrs. George Evans, the past week.

Mrs. J. M. Bright of Carrizo Springs recently visited Mr. and Mrs. Elmer Pettigrew and other friends here.

Mr. and Mrs. R. L. Smith and family spent the weekend at Hollis and Gould, Okla., with relatives.

Miss Joanna Matthews of Lamesa spent last weekend with W. T. Parchman, Jr., and family.

Mr. and Mrs. W. A. McGinnis and family spent the weekend fishing at Possum Kingdom Dam.

Mrs. H. L. Henderson and daughter, Frances, of Amarillo recently visited the George Duckworth family.

A host of women friends gathered at the Sam Elkins home Wednesday of last week and papered and painted the interior of his house. They brought covered dishes for lunch at noon. Elkins is undergoing surgery this week.

Mrs. Irma Hendricks, new teacher in the Post Grade School, and her two children and their house guests, Emma Johns, and nephew, Bill Rushing and family, all of Crockett, went to Carlsbad Caverns last weekend.

Mrs. Nancy Latham of Lubbock, formerly of Post, visited relatives and friends here from Saturday until Tuesday.

Public Invited To Discuss Roads And Other Rural Problems Nov. 8

The Garza County Farm Bureau Federation will meet at 2 o'clock Saturday afternoon, November 8, in the District Court Room for a discussion of farm-to-market roads and other subjects of interest to both farmers and merchants, the secretary, Mrs. W. C. W. Morris, said yesterday.

The public is invited to attend, and this includes "the ladies," Mrs. Morris said.

Bill Shannon of Hale Center and W. R. Tilson of Meadow will be in charge of the meeting.

Influence of the Texas Farm Bureau in state legislation during the past several years will be explained, along with an outline of legislative hopes for 1948. One of the main accomplishments of the organization has been to offset the lobbying influence of special commercial interests. The bureau, in this respect, however has not always been successful. An example, as explained in a recent issue of Southern Agriculture, follows:

Purpose Is Nullified

"The Texas Farm Bureau was instrumental in getting a resolution presented to the legislature, which in its original form, referring to the funds now available from State and Federal Government for the construction of farm-to-market roads, had the following language:

"The highway commission shall construct the type of roads recommended by the county courts for farm-to-market roads." Due to the influence of the cement and asphalt interest, the resolution was amended to read: "The highway commission may construct the type of roads recommended by the county courts," which of course, nullified the purpose of the resolution.

Must Contest Lobbies

"At the present time, the highway commission may construct gravel and caliche roads. The Farm Bureau did muster enough strength to defeat measures labeled for farm-to-market roads which, in fact, were designed for the best interest of others, but failed to muster enough strength to secure legislation which would provide a constructive rural program.

"Special interests continuously maintain powerful lobbies in Austin. The only hope of the rural areas is to rally enough power in numbers to out-influence the cement and asphalt interests. Otherwise the highway commission will continue to build super four-lane highways to supplant highways already in existence, which are adequate to take care of the traffic."

More than 125,000 women are required to distribute American Legion Auxiliary memorial poppies on Poppy Day each year. All serve as unpaid volunteers.

Read the Classified Ads.

CONGO, "the Chimpanzee with a human mind" which thrilled the children at the Plunkett Show here last season, will return with the stage show this year, November 10, 11 and 12. The tent will be set up on Main Street, just west of the postoffice.

Pleasant Valley Small Talk

JACK CORLEY OPENS RED RAVEN DRIVE-IN FOR 24 HOURS OF DAILY SERVICE

Jack Corley, a pioneer restaurateur man here, this week opened Post's only drive-in, the Red Raven, on the Tahoka Highway near Post High School. He is giving 24-hour service and featuring courteous service and a spotless kitchen.

Corley operated the dining room in the Rogers Hotel about 25 years ago. He left here about 1924 and has been living since in Tahoka and Roswell, N. M.

For the Red Raven kitchen he has bought government-approved equipment which includes a metal canopy for the stove with skirts extending to the floor. He expects to keep up with government cleanliness standards and will welcome visitors to inspect the kitchen at any time, day or night, he said yesterday.

ALLEN JONES IS INJURED IN AUTOMOBILE MISHAP

Allen "Spec" Jones received leg injuries Sunday night when the 1941 car he was driving was in a head-on collision with a 1946 model automobile this side of Dermott. Jones and the driver of the other car, who suffered a broken leg, were treated at the hospital in Snyder.

Deputy Sheriff Fay Claborn, at whose home Jones has been convalescing since his return from Snyder, said the identity of the driver of the 1946 vehicle was not known here. The driver was accompanied by his family, none of whom were injured, although both automobiles were badly damaged.

Admiration's \$5000
FAVORITE GROCER CONTEST

"My Grocer has always been so helpful in seeing that I get the best of everything"
A STATEMENT LIKE THIS MAY WIN YOU \$1,000
 or one of many other valuable prizes!

It is the time to send in your entry for this grand new contest. You may win one of the valuable weekly prizes which are eligible for any of the Grand Prizes! Remember, the entry is judged best you win \$1,000, and the grocer who is as your favorite also wins \$500. Every winning entry will win a special prize for the grocer he or she chooses. "My Favorite Grocer." Among the wonderful prizes are Philco refrigerators, Westinghouse Electric and irons, Dormeyer electric mixers, Manning electric percolators, Dominion electric toasters—and many other prizes!

FOLLOW THESE SIMPLE RULES

1. Complete this statement in 50 or less words. (Your favorite grocer's name is my favorite.)

2. Write on one side of paper (or on a blank from your grocer) and mail to Admiration Contest, 285, Houston, Texas. Be sure to include your name and address of your home.

3. You may send as many entries as you wish but each entry must be accompanied by one of these: (a) A picture (or label) of your favorite grocer's pack or the strip that unrolls on an Admiration vacuum cleaner.

4. It is eligible to enter except employees of the Duncan Coffee Company, their advertising agency and their families.

5. All entries become the property of the Duncan Coffee Company—none can be returned—and the decision of the judges will be final.

6. The contest begins September 29th and ends midnight, November 16th. Weekly contest winners will be selected from entries received before midnight Saturday of each week. All entries postmarked later than midnight, November 16, will not be considered.

7. All winners will be notified. A list of the winners will be sent to all contestants requesting one and sending a self-addressed stamped envelope.

Your "Favorite Grocer" features Cup-Tested ADMIRATION Coffee—that delicious blend with the abundant flavor, aroma and richness. Get your favorite grind—Dripkut, Perk-Kut or Glass-drip.

GRAND PRIZES!

1ST PRIZE \$1,000
 2ND PRIZE Philco Refrigerator
 3RD PRIZE Crosley Radio-Phonograph

WEEKLY CONTESTS END MIDNIGHT OF EACH SATURDAY. CONTEST CLOSES MIDNIGHT, NOVEMBER 16TH

DUNCAN COFFEE COMPANY • HOUSTON, TEXAS

Terraces Used With Dam Can Increase Water

Will Wright, chairman of the Garza County ACA Committee, said this week that the Committee is encouraging the practice of constructing diversion terraces in combination with earthen dams. Where drainage area is insufficient for the capacity of the earthen dam, the use of diversion terraces will increase the water supply up to 100 per cent.

According to Wright, the committee made an inspection tour of these practices on October 28, and they think that excellent examples can be found on the following operator's farms:

Ray O. Hodges, T. R. Greenfield, Elton Nance and the Double U. Company. In the case of Dee Boren this practice serves a twofold purpose, the prevention of water erosion by diverting the water from a severe wash through the cropland to a tank constructed on range land.

Diversion terraces also are being used in combination with large ridge type terraces to reduce the water pressure on the terrace system caused by large water shed above the terrace system.

More Protein Use Advocated To Save Grain

United States Department of Agriculture authorities and other livestock leaders advocate increased use of protein in livestock rations this season to save scarce grain, make fast gains with less feed, increase production and reduce costs.

Protein, scarce during wartime, now is relatively abundant and cheap compared with grains; and amounts of protein used in livestock rations should be increased to levels that will take full advantage of its grain-giving qualities. A larger 1947 cotton crop has made increased amounts of cottonseed meal and cake available for this purpose.

"Feeds and Feeding," standard livestock text, quotes feeding experiments showing that 100 pounds of cottonseed meal, in a balanced ration, are worth 287 pounds of corn for fattening steers. Five hundred to 600 pounds of corn are saved by 100 pounds of protein supplement in feeding pigs. Dairy cows fed restricted amounts of protein produced 22 to 50 per cent less milk and fat than those fed protein liberally.

In balanced work stock rations, one pound of protein replaces two pounds of grain; and idle work stock and brood mares on pasture may be fed economically on one to two pounds of cottonseed meal, without grain.

Proteins save grain because they improve digestibility of all feed; stimulate milk and egg production; are necessary in growth, maintenance and body processes; and, when fed in excess of needs to balance rations, economically meet total energy and fattening

Abolition Of State Ad Valorem Tax For General Revenue Pushed

Proposed policies and work program for the West Texas Chamber of Commerce in 1948 are being debated by town groups in the area served by the regional organization as its 1947 convention season—sixth annual of the referendum type—nears the climax.

Policy planks in this year's ballot as presented and recommended for adoption by various WTCC commissions call for work for enhancement of Texas rural economy and life for parity in freight rates with the new comprehensive studies of commodity rates moving raw materials produced in volume; continuation of the West Texas industrialization campaign; security benefits for full-time workers in the area's local chambers of commerce; and promotion of better relations with Mexico.

All planks have been closely gone over at WTCC's eight district referendum meetings held from Oct. 14 through the 24th. Most extended discussion has been on Plan 2 advocated by the Agricultural and Livestock commission headed by W. R. Cusenbary of Sonora. This resolves that the regional chamber campaign for adoption of the state constitutional amendment submitted by the last Legislature

POST FEED MAN VISITS PURINA RESEARCH FARM

E. M. Bass of the Fry Feed and Hatchery was one of a group of 225 Texas feed dealers who traveled recently by special train to visit the 738-acre Research Farm of the Ralston Purina Company at Gray Summit, Mo.

One of the largest privately-owned livestock and poultry research projects in the world, more than 45,000 birds and 3,000 animals are studied each year.

Bass saw the grade-stock dairy herd which has doubled its production under the Purina program of careful sanitation, sound management, good breeding and good feeding.

requirements under today's conditions.

Disabled veterans of both world wars numbering 12,433 were employed by the American Legion Auxiliary to make memorial poppies last year.

which, if adopted at the November 1948 general election, will permanently abolish the state ad valorem tax for general revenue purposes, and second, authorize counties by popular vote to levy property taxes up to 30 cents per \$100 valuation for financing their own farm-to-market roads and flood control projects.

The WTCC commission contends that abolition of the ad valorem tax heretofore going into the state treasury could be diverted to provide the 132 counties of West Texas with not less than \$4 million annually for these purposes—all without establishing new political subdivisions and incurring added overhead administrative expense. Such a plan, says the commission, will provide faster, more effective and more economical methods for preserving and fully utilizing the county's soil and water resources.

If Plank 2 is adopted the West Texas chamber will study out and submit to the next Legislature a proposed enabling bill. Wiley Caffey, president of the West Texas County Judges and Commissioners Association, has joined WTCC's agricultural commission in sponsoring the plank.

From where I sit ... by Joe Marsh

Prissy's Got a Man! (Maybe)

Yesterday Sis Martin, our librarian, found an article cut from their file copy of the *Clarion*. When she compared it with another copy that I gave her she found it was my column on "How to Keep a Husband Happy."

Nothing unusual about that. Except the last person seen reading the paper was Prissy Hoskins (our town's proverbial Old Maid)!

Well, if Prissy has finally got a man, more power to her. And more tolerance to both of them ... because that's what my column was

about: Tolerance of a husband's taste for old hats, old pipes, old friends, and mellow beer. And tolerance on the husband's part of a wife's tastes and habits.

From where I sit, nobody begrudges Prissy taking that clipping from the *Clarion*. But I'd like to hint that if she'd just subscribe, she'd get my thoughts on tolerance firsthand. And in return I'll treat her to a glass of beer.

Joe Marsh

SPORTS

FROM A STRICTLY LOCAL ANGLE

Antelopes To Meet New Dealers On Local Gridiron Friday Night

After a weekend of rest, the reinvigorated Post Antelopes will meet the New Deal High School team on the local gridiron at 8 o'clock tomorrow night in a non-conference game.

While very little is known here about the New Dealers, it has been observed that the club has scouted the last four Antelope tilts and the club is said to have a 195-lb. fullback who is rated as a super powerhouse.

Roy Williams, scrappy Antelope end who suffered a broken leg before the season opened, is expected to play his first 1947 game tomorrow night. Coach Bingham said yesterday.

After this week, the Antelopes will have two more games, both at home. Next Friday night they will scrap it out with Petersburg, and on Thanksgiving afternoon they will meet their traditional enemy, the Slaton Tigers. The Thanksgiving game will begin at 2 p. m., November 27, which will be a holiday in Post.

As no Antelope game is scheduled for November 21, the B string will play Cooper that night here.

Bingham indicated that tomorrow night's starters will be:

Jimmy Smith, center; Calvin Storie and Billy Odom, guards; George Pierce and W. J. Goss, tackles; Hugh Ingram and Roy Williams, ends; Pleasant Hill, quarterback; Shorty Hester and Stanley Benge, halfbacks, and Ronnie Bouchier, fullback.

PLUNKETT'S TENT SHOW TO OPEN NOVEMBER 10

Plunkett's Variety Show, with 10 members of the family giving the show company its name, will set up on Main Street, west of the postoffice, for three nights, November 10, 11 and 12, under auspices of the Post Volunteer Fire Department.

The Plunkett family has operated a stage show on the road since 1929 and has had a tent show since 1934 in Texas. Twenty-five people are in the company of entertainers, who present a three act comedy play and 10 acts of vaudeville with a complete change of program each night.

A new flame-proof tent will house the show.

News Briefs:

Mrs. E. J. Robinson, who has been tripping around the country since early last summer, says she is going to stay home for awhile. Here are some of the places and people she has been visiting:

In Vale, Ore., she visited her sister, Mrs. L. F. Kelly, and was joined there by her brother, Vernon Douglas, of Portland, Ore., whom she had not seen in 32 years.

In Galesburg, Ill., she visited her daughter, Mrs. Bryan Moore.

In San Diego, Calif., she visited two daughters, Mrs. Mildred Peedy and Mrs. M. H. Hamilton. In Los Angeles, she visited another daughter, Mrs. Edward Lippner, Mr. Lippner and their four-month-old son, Gary, for about six weeks. Mrs. Lippner and the baby came home with her.

They arrived home in time to be visited by a son and brother, Capt. E. J. Robinson and wife, who left here Saturday for Santa Ana, Calif., where E. J. will be stationed with the U. S. Navy. They came here from their station in Florida and they planned to visit various scenic points of interest en route to the West Coast.

During the summer, Mrs. Robinson also visited Mr. and Mrs. T. F. Ashley who recently had sold their farm home on the plains and moved to a farm near Bentonville, Ark.

And she visited a sister, Mrs. Minnie Dillingham, and the latter's son-in-law and daughter, Mr. and Mrs. Olen Albright, in Oxnard, Calif.

Mr. and Mrs. Sloan Good of Texline visited in the homes of Jess and Jim Hays Saturday.

Mrs. W. W. Thompson of Lake Charles, La.; her brother, E. P. Ferguson, and wife of Natchitoches, La., and her sister, Mrs. Clarence Rutt of Beaumont, visit-

Red Roosters Clip Feathers Of Jr. Eagles

In the presence of exactly one spectator, Eulas Brown of Post, the Red Roosters, Post junior football team, beat O'Donnell's Junior Eagles by a score of 12 to 0 at O'Donnell Tuesday afternoon.

The first touchdown was made by F. M. Reep on an end sweep in the second quarter, and the second was made by Roy Teaff in the third period.

Every member of the junior team played a portion of the game. Starters were J. G. Cash, center; Johnny Matsler and Cleatus Graves, guards; James Barnes and Roy Davis, tackles; Jerry Odom and Reep, ends; Herman (Bo) James, quarterback; Leonard Smith and Jack Kirkpatrick, halfbacks and Billy Lee Smith, fullback.

The Red Roosters will play the Slaton junior team next week.

DAVIES FAMILY GOES TO PEACOCK FOR DITES FOR SEAMAN MCKENZIE

Mr. and Mrs. Garland Davies and son, Don, accompanied by P.M. Wheatley of Slaton, attended funeral services in Peacock last Friday afternoon for Seaman Carroll Ray McKinzie of Stonewall County, son of Mrs. Della Aldredge of San Antonio, a former Post resident.

Seaman McKinzie was killed December 13, 1942, in the Pacific Theater of Operations while aboard the USS Star King. His body was returned from its Pacific burial place recently and was met on arrival by train at Abilene by George Hauke, commander of the Harris Hertenberger American Legion Post of Aspermont and a guard of honor.

The funeral was held in the First Baptist Church.

ed Sunday with Mrs. Thompson's sister-in-law, Mrs. Bess Thompson. They were en route to Arizona.

Garner To Move Appliances To Large Building

Oscar Garner last week bought the large cotton storage warehouse which Jack Henderson owned on the Tahoka Highway, just outside Post's west city limits and is now adding to and remodeling the property with the hope of moving the Garner Butane Appliance headquarters there by December 1.

A 30 by 38-foot extension is being built on the front of the building. It will have a plate glass and stucco front, Garner said. The extension and the first 56 by 54 feet in the original building will be used as display space for the company's 1948 household and other appliances. The back 56 by 144 feet and an upstairs space of 40 by 200 feet will be used for storage.

The remodeling project provides for double doors opening into the upstairs room, above the new extension, and a stairway on the west side of the building.

Garner is also building a residence on the west side of the building. A 20-foot parking space on the front and another parking area on the east side of the building are being arranged.

The Garner Appliance Company will have a Grand Opening after the project is completed, Garner said.

Small Group Has Hilarious Time At Gaddis Show

A small crowd had a hilarious time with Gaddis, the Magician, in the Post High School Auditorium Tuesday night.

For an hour and forty minutes, the audience—of all ages—screamed with laughter as Harvey Gaddis of Amarillo, a nationally recognized magician, ran through the entire gamut of sleight-of-hand performances and provided comic dialogue and other entertainment at the same time.

Much of the fun was provided by the small boys and women whom he summoned from the audience to serve as "victims." He was assisted throughout the show by Donald Moore, Cub Pack member who sold the most tickets to the performance, and Mrs. Gaddis.

Johnson-Tucker Vows Exchanged Saturday Night

Miss Doris Johnson, daughter of Mr. and Mrs. Henry Johnson of Idalou, became the bride of Max Tucker, son of Mr. and Mrs. H. M. Tucker of Sundawn, formerly of Post, in a double ring ceremony read at 8 o'clock Saturday night in the home of the officiating minister, the Rev. Jeff Welch, pastor of the Central Baptist church in Lubbock.

The bride wore a blue-grey two piece suit with black accessories and carried a bridal bouquet of carnations and gardenias.

Miss Laverne Dickerson of Lubbock attended the bride as maid of honor. She wore a grey suit with black accessories and carried a bouquet of pink carnations.

Gerald Bowen attended the bridegroom as best man.

Immediately after the ceremony, the couple left on a wedding trip to New Mexico. They will be at home here in Mrs. R. B. Tucker's apartment.

Guests at the wedding were the bride's parents, and Miss Mary Lewis and Jim Hill of Lubbock.

Antelopes Are Supper Guests

Mr. and Mrs. Willard Kirkpatrick and Mr. and Mrs. Tom Bouchier entertained 28 Antelope football players with a chili and apple pie supper at the Bouchier home last Thursday night.

Places were set at a large dining room table and smaller four-some tables which were decorated with gold chrysanthemum centerpieces and Halloween place cards. The house was decorated in the Halloween motif.

The boys and the coach, V. F. Bingham, Mrs. Bingham, and the hosts enjoyed a group of contests after supper.

TAYLOR TWINS HONORED WITH HALLOWEEN PARTY

Mrs. Joe Taylor entertained at her home on Wednesday of last week with a Halloween party for her twin daughters, Helen Verne and Jo Ferne.

The house was decorated with skeletons, pumpkins, black cats and a life-size witch with illuminated face. Halloween games were played and fortunes were told. Sandwich plates were served with sodapops and candies.

Guests included Nita Ray and Katy Lou BeCiegan, Moody Graham, Darrell and Wayne Eckol, Butch Wilson, Jimmy Dale Peede, Sonny Mason, DeElva and Gloria Ann Lofton, Rose and Oletha Oden, Clara Faye Ferguson, Jennie Peel, Joy McMahon, Gloria Young, Lenona Stone, Katherine June and Judy Gossett, Wynonne Morris, Jackie Sue Mason, Larry Joe Dearmon, Charlotte Kay Taylor and the honorees.

Visiting in the home of Mr. and Mrs. Dick Wade and family is Mrs. Wade's brother, Johnny Sutton, of Dallas.

Church News

By GANELL BABB

O Lord, thou art my God; I will exalt thee, I will praise thy name; for thou hast done wonderful things; thy counsels of old are faithless and truth, Isaiah 25:1.

Minute Prayer

O God, help us that we shall know the truth which alone shall make us free. Thou art a God of truth. Thy son, our Saviour, has promised the Holy Spirit, who will guide us into all truth. Amen.

A masquerade tacky party was enjoyed by members of the "50-50" class of the First Methodist church last Thursday night in the church basement. Mr. and Mrs. Buddy Cason and Mr. and Mrs. Edsel Cross were hosts.

A series of merry making games created a lot of fun.

Mrs. Jess Barnes won the prize for having on the tackiest costume.

Refreshments of pumpkin pie and coffee were served to Rev. and Mrs. Cockrell, Messrs. and Mmes. Cason, Cross, Land, Barnes, Stone, McQueen, Holland, Pierce, Jr., and Brue.

Rev. and Mrs. Walter Deavers were guests of Post friends on Monday. Rev. Deavers is a former pastor of the Calvary Baptist church of Post. He will begin a new pastorate in Paint Rock next Sunday. He was pastor of the Silvertown church until Sunday.

The Rev. Joe Norton, pastor of the Nazarene Church, left Monday night for Kimberly, Idaho, where he opened a revival meeting on Wednesday. The meeting will last through November 16.

The Church of Christ pastor, Paul Mayr, has announced that the hour for the Sunday evening service has been changed from 7:30 until 7 o'clock. The hour for the midweek service will remain the same, 7:30 p. m.

Twenty-two members are now enrolled in the Church of Christ Ladies Bible Class which meets at 4 p. m. each Tuesday.

The recently organized Presbyterian Young Matrons' Bible Class, which meets at the church at 7:30 p. m. each Monday, began with Genesis and will progress through Revelation, covering as much as possible each week. Mrs. D. H. Templeton will teach the class next Monday night.

The Intermediate Girls' Auxiliary of the First Baptist Church had a monthly meeting at the church Monday afternoon. After the business discussion, the counselor, Mrs. Dunlap, served punch and cookies.

Attending were Ammie Lou Davis, Pearl Self, Geraldine Dunlap, Annie Mae Pierce, Helen Nita Carr, Charlotte Brown; a new member, Katherine Lee Bailey, and a guest, Billie Marie Williamson.

All girls between the ages of 13 and 16 years are urged to attend the next meeting, Monday night, at the church.

Biblical Personality

Practically nothing is known of the life of "the evangelical prophet," Isaiah, from whom the first and the greatest of the major prophetic books of the Old Testament derives its name.

An opponent of the policy of alliances with foreign powers, Isaiah preached in the 8th century, B. C. The Old Testament book ascribed to him is by many modern scholars now ascribed to at least two or three others. Parts are even attributed to a date as late as the second century, B. C. Chapters 1 to 39 are written by an Isaiah facing the invasion of the Assyrians, while chapters 40-66 reflect a post-exilic period.

The book has played a prominent part in the history of Christian doctrine and experience, as some of the noblest passages in the Bible are in this book. Isaiah stands before one small nation uttering universal truth, and when he says, "Thou wilt keep him in perfect peace, who mind is stayed on Thee," he speaks comfort to all nations. When he cries, "The everlasting God, the Lord, the creator of the ends of the earth, fainteth not, neither is weary; there is no searching of his understanding," he utters words which yet thrill and comfort the race.

Mr. Williams Is Married In Rockwell, Tex.

The wedding of Miss Ruth Wallace, daughter of Mr. and Mrs. Andrew Wallace of Caddo Mills, and Marvin Williams, son of Mr. and Mrs. Charley Williams, was solemnized at 3 o'clock last Saturday afternoon in Rockwell.

The bride's sister, Miss Viola Wallace of Caddo Mills, served as maid of honor, wearing a grey suit with black accessories and a corsage of white cornations. The bridegroom's cousin, Wilbur Williams, served as best man.

The bride wore a grey suit with black accessories and had white carnations as her chosen flowers.

Mr. and Mrs. Williams are building a small home here. He is employed by the Corner Grocery.

Ammons-Jackson Vows Announced

Mrs. Betty Justice announced this week that her daughter, Anna Murel Ammons, became the bride of Calvin A. Jackson of Los Angeles, Calif., on October 1 in a ceremony performed in Arizona.

Mrs. Jackson has been making her home, for the past year, with Mr. and Mrs. Efford McCrary, former Post residents, in Londale, near Los Angeles.

The couple is at home at 10,008 S. Dalerose Street, Inglewood, Calif.

Volunteers To Handle Drive For Boys Ranch

A permanent Boys Ranch Committee was organized last Thursday night at a meeting of volunteers in the home of Mrs. Carl Webb, and the following officers were named:

Chairman, Mrs. Webb; secretary-treasurer, Mrs. Sherrill Boyd; vice chairmen, Coach V. F. Bingham, Mrs. A. C. Surman and Mrs. L. N. Roberts, and assistant secretaries, Mrs. L. J. Richardson, Jr., and Mrs. A. R. Mills.

The committee organized a soliciting campaign which, by press time, had netted \$216.50 for the Boys Ranch Fund.

The money not used for paying tuition for Garza County boys at Boys Ranch at Tascosa, Texas, will be in a fund for the tuition of others boys who might go to the ranch at a future date.

If the fund grows to big enough proportions, by next summer, it is possible that a project for Garza County boys can be sponsored here.

"The quick response to this cause indicates that the people of Garza County desire to see a boys club project here and are willing to support such a cause if a sponsoring committee will arrange details. Our committee has pledged itself to fill this type of need in the county," Mrs. Webb said yesterday.

Pranksters Rob P-TA Of Joy Of Job Well Done

The Post High-Elementary Parent-Teacher Association announced this week that gross proceeds of the Halloween Carnival sponsored in the high school gymnasium last Friday night were \$1,415.17. The amount of expenses had not been tabulated by press time.

A large amount of the money was made by the high school and grade school classes in the two queen contests. The high school classes will retain, for their own projects, half of what they made and the grade school classes will keep a fourth of what they made, Mrs. Bill J. Davis, P-TA reporter, said yesterday. The remainder of the net proceeds will be used in P-TA projects.

The high school queen's contest was won by Twila Welch, senior and daughter of Mr. and Mrs. L. H. Welch. And the grade school contest was won by a seventh grader, Willie Ann Mathis, daughter of Mr. and Mrs. Preston Mathis. Kings crowned with the queens were, respectively, Gaylon Young, son of Mr. and Mrs. Ray Young of the Graham Community, and Donald Moore, son of Mr. and Mrs. R. A. Moore.

Mrs. Tom Bouchier, president of the parent-teacher association, expressed deep appreciation for the cooperation of parents and teachers who devoted many days of hard work to making the carnival a success and to the general public for unprecedented support.

Mrs. Bouchier expressed regret and deep disappointment over the vandalism that went on outside of the gymnasium during the carnival. Among the many parents, teachers and spectators whose cars were damaged by young pranksters were, for example, the new automobile of Mr. and Mrs. John Lott who, according to the president, had both worked for days on the carnival promotion and had stayed late to help clear up the gymnasium after the departure of the crowd. The damage to their automobile is estimated at \$250.

Speaking for the parent-teacher association, Mrs. Bouchier said: "We feel that the school carnival every Halloween night diverts the majority of pranksters from other parts of the city, but we are most discouraged over the advisability of carrying on the project if some of the children for whom we are working to make money show their lack of appreciation in this manner."

JO ANN MOREMAN ENJOYS PARTY ON HER BIRTHDAY

Jo Ann Moreman celebrated her 10th birthday with a party at the home of her parents, Mr. and Mrs. Weaver Moreman, the afternoon of October 30. After a series of games, the gifts were opened then the birthday cake was served with hot chocolate.

Guests included Myra Ann Osborne, Connie M. King, Barbara and Sue Stanley, Twana Lee Teague, John Sweeney, Janice Moreman, Loretta Johnson, Donnie Moore, Elvis Curb, Dee Hodges, Den Penn, Allene Norris, Mozelle Edwards and Jimmy Bowen.

HOWARD AND KAY JONES GIVE HALLOWEEN PARTY

Howard and Kay Jones entertained with a Halloween party last Thursday night at the home of their parents, Mr. and Mrs. Paul Jones.

Decorations included jack-o-lanterns, black cats and skeletons. Entertainment consisted of a house of horrors, a treasure hunt and bobbing for apples.

Orange sodapop and jack-o-lantern cookies were served as

JUNIOR CULTURE CLUB

The Junior Culture Club will meet next Thursday, November 13, instead of on the regular meeting night of November 11. Miss Martha Roach and Mrs. Juanita Burress will serve as hostesses at the home of Miss Roach.

Refreshments.

Guests were Katherine Kahley, Tommy Martin, Mary Louise McCrary, Frances Dietrich, Donald Gilmore, Delta Mae Rogers, Carolyn Hudman, Yale Cason and Jerry Don McCampbell.

ROGER W. BABSON WRITES THIS WEEK:

Fatten Pocketbook While Slimming Figure Is Advised

GETTING OUT

On The LIMB

By

EDDIE the EDITOR

The Halloween Carnival was the most successful one ever staged here. Everyone in the school and most of the parents had a big part in it and, of course, the hard work in advance of the festival is what put it over.

The school people deserve a great big hand. In addition to staging a well-managed, worthwhile, interesting show for the general public the parent-teacher association made a lot of money for the school—and what is even more important—it saved the townfolk a lot of money by keeping the youngsters occupied in wholesome activities and, thereby, out of mischief on Halloween.

Just to give you an idea of the amount of work that went into the carnival, I'll tell you that Mrs. Nola Brister—with her own hands and in her after-school hours—made every one of those 50 clever little paper dresses that the balloon girls wore.

It's unselfish cooperation like this that gives wholesome zest to our school affairs and makes Post a better city because of what it does for the kids.

THE WOMEN—God Love 'Em! Man can criticize women all he wants, the Ralls Banner says, but there are three things in her favor:

1. She never wastes two dollars worth of shotgun shells to get a 50-cent rabbit; 2. You never heard of one going into a restaurant and buying a 25-cent sandwich and giving the waitress a 25-cent tip because she smiled at her; and 3. You never heard of a woman yet who uses 20 gallons of gas and pays \$30 for boat hire to get out where the fish are not.

Beware of zombies, both female and male, who follow at fifty—right smack on your tail!

Since Post and the South Plains in general have more Baptists than anything else in the way of denominations, it might be interesting to pass along some results of a recent survey sponsored by the Oxford University press, over the United States:

"More than half of the families which own Bibles read them daily or several times a week. Baptists read their Bibles more often than any other denomination. Eighty and nine-tenths per cent of the Baptists polled read it daily or almost daily. Fifty per cent of the Episcopalians do likewise.

"Methodists lead the list in owning Bibles, comprising 23.4 per cent of the owners polled; over 15 per cent were Presbyterian, 11 per cent Baptist, 7 per cent Catholic, 1.9 per cent Hebrew and 5 per cent of 'no religion'.

"A greater number of small-town inhabitants own Bibles than do their metropolitan cousins. Of those families living in towns of less than 5,000, almost 94 out of 100 own Bibles.

"In a typical American family, the chances are 9 to 1 that there are one or more Bibles. Homes among the nine own not one, but two or three Bibles.

"Unless the Bible was handed down, the odds are 1 in 4 that it was received as a Christmas gift, 1 in 5 that it came from a church or a minister, and about 1 in 6 that it was received on the birthday of the owner.

"Among those who own Bibles (88.8 per cent of the families polled), Southerners own more Bibles per family than people of any other section.

Now is the time to prepare for

THE POST DISPATCH

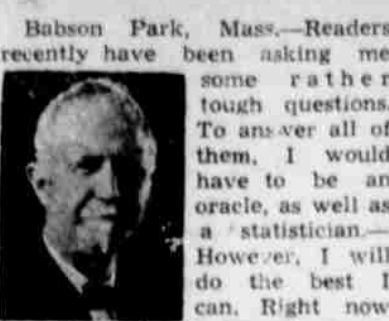

ESTABLISHED IN JUNE, 1926

Published Every Thursday at the Dispatch Publishing Company Building in Post, Garza County, Texas

E. A. WARREN, Publisher-Editor

Entered at the Post Office at Post, Texas, for transmission through the mails as second class matter, according to an Act of Congress, March 3, 1879.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

I am deluged with inquiries as to when the peak in wholesale commodity prices will be reached and whether there will be a further rise in the cost of living. Briefly, and with fingers crossed, the wholesale price peak should be seen by the early second quarter of 1948. As to retail prices and the cost of living, a further rise is inevitable.

To bring you up-to-date on

commodity price inflation, I shall risk boring you with a few statistics. The latter, as you know, are much maligned, but do serve a purpose. Since August, 1939, to recent date, the Bureau of Labor's all commodity wholesale price index has advanced 109.3 per cent. Building materials have skipped ahead to the tune of 103.5 per cent, other things have advanced 165.3 per cent. The real culprit, however, is farm products, with a gain of 207.4 per cent. Hence, the unprecedented prosperity in the farm belt, which seems destined to continue for a year or so at least. Merchandisers should keep that fact in mind. Farm areas are a seller's bonanza these days. Farmers should be very careful not to lose their profits by making questionable "investments."

Some Instances Quoted

To give you a better idea of what the current commodity price inflation means in terms of dollars and cents, I shall cite a few specific instances. Back in August, 1939, railroads and manufacturers could buy a ton of bituminous coal at the mines for \$2.50 to \$2.70; today they must pay \$4.85 to \$5.25 per ton. Southern pine lumber then was selling for \$22.35 per M; today it commands \$80. A pound of butter in August, 1939, would have cost your market man 24 1/2 cents; today the price is 68 1/2 cents. Whereas cocoa then was selling for about 5¢ a pound, the price now is 49¢. This fact bodes no good for the 5¢ chocolate bar.

Raw material prices have increased since August, 1939, about

160% and will go higher. Huge public purchasing power, plus continued high employment at good wages, points to heavy demand for finished goods for some time to come. Steel and certain other raw materials are already scarce. Nylon stockings may soon be scarce again. Rents will be higher. Production costs certainly will not move lower in the months ahead, and might well increase, especially if labor should strike for still higher wages to offset advancing living costs.

It is possible, however, that prices of certain imported raw materials may move lower in the not-too-distant future. Prices of cocoa, burlap, and shellac, are being artificially maintained at exorbitant levels by foreign governments. But it may well be that these governments of pro-

ducing countries are over-playing their hands.

Farm Price Trend
Farmers, under government tutelage, now know when to hold and when to sell. Under the "parity-price" program, they have little to lose by playing their cards close to their chest. The well-advertised program of foreign aid, with its indicated strain upon the domestic economy, is the farmer's cue for holding his wheat, or other products, for still higher prices.

Under the circumstances, I believe that farm prices will hold up during 1948. This year's short corn crop, plus heavy foreign demand for wheat and other food products, is the pivotal factor. While the food conservation program may tend to ease the overall strain, it will not radically al-

ter the light situation.

While I regret to say that average American incomes over the months ahead, will be higher than in 1939, food prices, by paying over double the 1939, food prices. My advice is to practice economy by following simple dietetic rules. Many good substitutes for meat, eggs, etc. A few moderate substitutes for the pocketbook while slimming the figure. The best way to push food away from the "Second-helping-itis" is the prevalent American disease.

Farmers spent about \$100 million for new farm machinery in 1946, not counting tractors.

Garza and the World

Editor's Note—Opinions expressed here are those of the author, and they do not necessarily reflect the opinions or policies of the Post Dispatch. The column is carried in the interest of applying world news to the situation here at home.

By EVELYN BOYD

Congressman George Mahon, in his speeches over West Texas since his return from Europe, emphasized the importance of our giving aid to Europe—not so much for humanitarian reasons as to save our own necks from the treacheries of a Russian-dominated world.

In his effort to impress all of us with this momentous truth, he underplayed the obstacles which are a frightening menace to the fulfillment of his wishful thinking. Mahon is an exceptionally alert, well-informed, sincere Congressman and I am sure there was a purpose behind his understatement. He is smart enough to know that if he tells too much he will defeat his purpose, the American public being of an extremely critical nature.

For his own protection, however, he hinted at these obstacles. He opened his speech here with the explanation that he and the 18 other members of his Congressional Committee to Study Europe's Needs could not agree on their recommendations and that, for this reason, he was having to rush back to Washington 12 days before the opening of the special session of Congress.

And he closed his speech here with the remark that "WE MUST KEEP PARTISAN POLITICS OUT OF OUR FOREIGN POLICY."

He is as right as can be, but is such a thing possible?

Here the Russia that we fear so rabidly has the great advantage over us. With our partisan politics, we will quibble over aid to Europe until it is too late for the program to be effective. When that time arrives, Russia—who doesn't have to consult her people—can give the harassed western European people the things they need (or think they need, which will serve even a better purpose) and move in amid much glory and appreciation.

I personally am glad that our constitution requires that the people MUST BE CONSULTED in matters of this sort. BUT, what we need—and Mahon also hinted at this—is an authentic information bureau operated by the government to give the press and general public the straight dope, without stupid propaganda angles, as to what the U. S. motives are and what the alternatives will be if we, the people, do not cooperate.

Both Republicans and Democrats would listen to reason, if they had authentic information. As it is, the Republicans spend all their time convincing themselves that

those all-important 1948 elections. Anyone who wishes to qualify himself to vote must arm himself with a poll tax receipt or exemption between now and January 1.

anything pushed by Democrats is taking us a step nearer to Socialism and the Democrats view with skepticism anything the Republicans have in mind for saving our economy. They are remembering the Herbert Hoover days, without recalling that the last depression was the climax of a cycle brought on by circumstances beyond the control of Republicans—just as our next depression will be, regardless of which party is in power.

Mahon indicated that the people in Europe are not so hard up for food as he expected to find them, and he had great praise for the hard-working determined British who are making great personal sacrifices so that "there will always be an England."

He also indicated that the countries he visited have plenty of money—just as we do here in the U. S.—but the hitch is that we won't accept their lire, francs, drachmas, etc., because the currency is too unstable. It seems we can only deal in American dollars and there aren't enough of them to finance the world as it would like to be financed.

I left Greece and Italy before we started sending western Europe all those dollars. Under UNRRA, Greece and Italy were making remarkable progress in their rehabilitation a year and a half ago. In both countries there was plenty of food for the rich. There was plenty for everybody, but only a few could afford to buy it.

For this reason, I can't see that our sending food for the European black markets and steel and ammunition for the communist war machines is the answer. The very Guerrillas who are helping with communist infiltration in Greece are using guns supplied by the Americans and the British for fighting the German invaders. Just as the corrupt European governments do not keep the food out of black markets, they will not keep our machinery from getting into the hands of the communists.

When I left Greece 18 months ago, I took one last look at the docks crowded with American food and other goods. The Greek laborers were on strike for higher wages, and refused to move the stuff; and what wasn't rotting or deteriorating in the salt-sea weather was being looted at night by young boys who thought stealing was all right, because they had to steal to eat while the Germans were there and now they were still hungry. The little boys were the helpless tools of an international ring of racketeers, some of us of the diplomatic service knew.

The American people should demand a tighter supervision of its materials sent overseas; should KNOW that it is going for the purpose in-

What Our Contemporaries Are Saying:

MATTER OF FACT—Some one, unbeknowing to us, has had "The Fact" a small four page magazine printed in New York, sent to the Herald dated up one year. Now this was mighty thoughtful of someone, but after reading some of the few numbers we have received, we have decided that while the small pulp magazine is not exactly red, it is a bit pinkish. It seems to be the burden of this magazine to show that anyone who accumulates more than a bare living during a life of hard work is a criminal. And we have no time to read piffle that criticizes the American Legion, members of which have twice fought for the preservation of our liberties.

In fact, do we not like "The Fact"?—Terry County Herald.

WHAT'S THIS, WHAT'S THIS?—An agricultural observer writes as follows:

"Prices of turkeys, hens and fresh eggs already are threatened and are close to parity now. Reduction of consumption will lower prices and under the law the government must begin buying to support prices again."

What an age, what an age!

People are howling because of the high prices. The farmers and ranchers holler when they come to town to buy equipment and supplies. And the town people go into the grocery stores and the meat markets. And all those running for office, including those now in office, are telling the voters that prices must come down.

But under the law if prices begin to drop the government will have to start buying to keep the prices high.—Amarillo News.

BOOM IN RALLS—Real estate men realized this week that most desirable building lots in Ralls are being held by owners who don't intend to build homes on them.

A. L. Winfrey has asked these owners to please list these lots for sale to people who are earnestly seeking a suitable site to build homes.

Winfrey said hardly a week passes that someone doesn't attempt to purchase lots here that are serving absolutely no good purpose.

Anyone having lots on the pavement, and who would like to sell to parties interested in building homes, is asked to contact Winfrey—Ralls Banner.

SIGN OF THE TIMES—It is hard to imagine but a number of Slaton merchants are wishing that business would slow down a little, one manager of a food store said that he had more customers than he could wait on last Saturday and that the crowd in the store was so great that it was impossible to wait on any one properly.—Slaton Slatonite.

CAN WE AFFORD IT?—Although prices have continued to advance since OPA controls were removed, we still think Free Enterprise is the best. However, (and most confidentially) we're beginning to wonder if we can afford the best!—Lubbock Journal.

tended. UNRRA, which did much for the rehabilitation of Europe, died before its job was finished because it had no such authority over corrupt governments.

LEGAL NOTICE
CITATION BY PUBLICATION
THE STATE OF TEXAS,
To: Charles Edward Hatfield;
GREETINGS:
You are commanded to appear
and answer the plaintiff's petition
at or before 10 o'clock A. M. of
the first Monday after the expira-
tion of 42 days from the date of
issuance of this Citation, the same
being Monday the 15th day of
December, A. D. 1947, at or be-
fore 10 o'clock A. M., before the
Honorable District Court of Garza
County, at the Court House in
Post, Garza County, Texas.

Said Plaintiff's petition was
filed on the 29 day of October,
1947. The file number of said
suit being No. 907.

The names of the parties in
said suit are: Hazel Baxter Hat-
field, as Plaintiff, and Charles
Edward Hatfield, as Defendant.

The nature of said suit being
substantially as follows, to-wit:
Plaintiff sues for divorce alleging
marriage of the parties on or
about the 16th day of February,
A. D. 1946, cruel treatment of
plaintiff by defendant, that no
child or children were born or
adopted to the parties, that the
parties have no community prop-
erty. Plaintiff prays for judg-
ment of divorce, restoration of
her maiden name, costs of suit
and general relief.

Issued this the 29th day of Oc-
tober, 1947.
Given under my hand and seal
of said Court, at office in Post,
Texas, this the 29th day of Oc-
tober, A. D. 1947.

A WORD TO THE WIVES
about
**Adequate
Wiring**

Maybe you feel that the wiring in your home is your
husband's affair. If you do, you're badly mistaken. For, with-
out adequate wiring you are unable to enjoy the many con-
veniences and luxuries that all
of the new modern appliances
and low cost electric service
have made available.

And, so, that's why we say a
"word to the wives" about ade-
quate wiring is important. Call
or write your nearest Public
Service Company office for
free survey.

Adequate Wiring MEANS:

1. ENOUGH CIRCUITS for serving
efficiently and safely all the ap-
pliances you have.
2. LARGE ENOUGH WIRE for serv-
ing your present and future
needs.
3. ENOUGH OUTLETS AND
SWITCHES for convenient living.

We have nothing to sell but good electric service.

The Post Parent-Teacher Association is to be commended on the carnival it sponsored for the children on Halloween.

Mr. and Pete Kennedy visited Mrs. Kennedy's parents, Mr. and Mrs. C. A. Richards, over the weekend. We were sorry to hear that Mr. Richards is ill.

Weekend guests in the home of Isabel Nichols were Mr. and Mrs. J. H. Miller and daughter, Peggy, Mr. and Mrs. J. E. Davidson and daughter, Linda Carol, Mr. and Mrs. O. L. Miller and daughter, Melody Lynn, all of Abilene, and N. V. Lester of Oklahoma City. Mr. and Mrs. Leslie Nichols and daughters, Billie and Leslie Anita of Post joined the group on Sunday. All were grandchildren, great grandchildren and great-great grandchildren of Mrs. Nichols. It was Melody Lynn's first visit with her great great grandmother.

Linda Carol Davidso, was among the guests who helped Leslie Anita Nichols celebrate her ninth birthday with a party at the home of her parents, the Lester Nichols, in Post Saturday.

Mrs. J. C. Fumagalli returned Friday from San Antonio where she attended the O.E.S. Grand Assembly.

The Rev. Edgar A. Irvine, representing the Methodist Camp at Ceta Canyon, accompanied the Rev. A. B. Cockrell here Sunday and delivered the church sermon. Mrs. C. A. Buchanan returned to her home in Spur Friday.

GARZA SCHOOL LEADERS HEAR SCHOOL AID TALK

Supt. G. R. Day of the Post Schools and Garza County Superintendent Dean Robinson, accompanied by C. S. Lindsey, Southland School superintendent, and Byron Howell of California, former Garza County teacher who is visiting here, attended a monthly district meeting of county school superintendents in Lubbock Tuesday night.

They heard an interesting address by Joe Beard of the Rural Aid Division of the State Department of Education.

In the audience were educators from the entire district which extends from Big Spring to Plainview and Garza County to the

Eight Fined In Justice Court

The justice of the peace had a busy weekend.

Three young men from Slaton, arrested for disturbing the peace at the Southland School Carnival last Friday night, were each fined \$50 and cost in justice of the peace court here Saturday morning.

On Saturday night four Mexican men were arrested at a Mexican dance in Southland on charges of drunkenness and fined by the justice of the peace here Sunday. One paid \$25 and costs and the others each paid \$1 and costs.

Also on Sunday a Post negro was fined \$5 and costs on an assault and battery charge in the same court, Jim King, justice of the peace, said yesterday.

Bits Of News:

Mr. and Mrs. Oscar Polk has as their guests Sunday and Monday of last week Mrs. Polk's brother, W. Edgar Smith, and his daughter, Mrs. Bill Clark, of Wortham. Mrs. Polk accompanied them back to Wortham and returned to Post by bus last Saturday.

Mr. and Mrs. Byron Howell of San Monica, Calif., are visiting their parents, Mr. and Mrs. A. C. Howell and Mrs. J. F. Brandon. The California visitors formerly lived in Post and taught school at Close City.

Sunday guests at the A. C. Howell home were several members of the Howell family and included Mr. and Mrs. Sol Davis, Mr. and Mrs. Lonnie Howell, Mr. and Mrs. Conner Howell, and Misses Lois and Lenis Howell.

Ruby Carpenter left Sunday for Temple where she will undergo a medical check-up. She was accompanied by Mr. and Mrs. George Carpenter and Floyd Carpenter.

A weekend guest in the home of Miss Nora Stevens and Mrs. Walter Hyde was Miss Kate Russ of Big Spring. Miss Russ formerly lived in Post taught in the grade school.

Mr. and Mrs. Bud Stevens and son will go to Ruidoso this weekend to visit Betty Jo Stevens who is teaching there and to enjoy a weekend of hunting in the mountains.

Mr. and Mrs. Allen Benton and daughter, Lynn, spent last weekend here with Mrs. Benton's parents, Mr. and Mrs. L. W. Dalby. They were driving a shiny new Cadillac.

Garnolia Notes

Please Send News Not Later Than MONDAY to MRS. L. C. WHITE Garnolia Correspondent

Mr. and Mrs. D. F. Summers and family of Lubbock were Sunday guests in the Walter Josey home.

Mr. and Mrs. Bug Taylor visited relatives in Clairmont Sunday. Mr. and Mrs. Luther Kenley and son, Lendale, visited Mr. and Mrs. Lewis Kenley in Lubbock Sunday.

Mr. and Mrs. W. F. Bartley and children were Sunday guests of Mr. Bartley's mother in Slaton.

Mr. and Mrs. Dick Franklin of O'Donnell were weekend visitors of Mr. and Mrs. J. W. Franklin and family.

Mr. and Mrs. L. C. White and sons, Carter and Noel Keith, visited relatives in Abernathy and Tulla Sunday.

Mrs. Birdie Jeffcoat and children, Owell and Marlene, attended the Halloween Carnival in the Welch community Friday night and remained there over the weekend with Mrs. Jeffcoat's parents.

Janice White, little daughter of Mr. and Mrs. Darian White, was taken to a Lubbock hospital last week for treatment. She is home now and her condition is improving.

Lunch Rooms To Receive Fruit From USDA Unit

Dried prunes, peaches and raisins will be added to the menus of community school lunchrooms and eligible institutions in Texas when the fruit is received in the latter part of November.

Seven carloads each of prunes and raisins and two and one-half carloads of peaches have been purchased by USDA's Production and Marketing Administration, according to the announcement received from the Dallas office. The peaches will be distributed only to school lunch rooms, because of the small quantity of the fruit, but the prunes and raisins will go to schools and institutions.

The Food Distribution Programs Branch of PMA figures that there will be a two months supply, providing one-fourth pound per child per month, and one-half pound per month for persons in institutions.

Honor Roll Is Announced At Grade School

Grade School Principal E. E. Pierce recently announced the honor roll of students who have made all A's during the first six weeks of school. The following students were listed:

Grade 2-1—Martha Burcham, Jo Ray Wade, Frances Dietrich, Barbara Horton, Sammy Martin, Kay Anthony, Linda Bilberry.

Grade 2-2—Sharon Brooks, Ray Davis, Bernice Dodson, Billy Wilson, Doris Howell.

Grade 3-1—Jerry Don Campbell, Jack Rains, Andy Lee Schmidt, Mickie Sue Morrow, Elizabeth Ann Norton, Myra Ann Osborne, Carolyn Sue Ottinger, Jerry Beth Rains, Joyce Pharris, Tommie Rogers, Julia Smith.

Grade 3-2—Yale Cason, Howard Jones, Sarah Cockrell, Janice Gordon, Connie Marie King, Rawnie Maxcey, Ruby Montomery, Mary Jo Smith, Linda Randolph.

Grade 4-2—David King, Mozelle Edwards, Patty Lott, Jo Ann Moreman.

Grade 7-2—Darrell Stone.

No grades were recorded for the three first grade rooms. Other rooms not represented had no students making all A's, Pierce said.
