Main Street is certainly a busy street this week and coffee cupping places, folks talking enthusiastically about the prize winning exhibit at the South about the Iron Lung supper scheduled for tonight on the court house which is being sponsored by boys; about the free that all ex-service men come Tuesday night; popular picture, "The Booked for the Garza" Saturday night Sunday and Monday; securing tickets on the buses to the Snyder game in Snyder.

POST CITIZENS EXPRESS VIEWS AS TO FURTHER SERVICE—

Newspaper Is Coordinating Agency For All Groups

Desiring to make the most of National Newspaper Week, which began yesterday, the Post Dispatch editor asked several representative citizens to express their views as to what the newspaper can mean to the community.

Mayor John Herd wrote from Chipita Park, Colo., that he knows from experience that the home town newspaper is of inestimable value to the person away from home, and he believes the Post Dispatch enlarged its scope of interest and influence immeasurably when it started publishing columns from the various communities in the county. Such a service brings the town folk and rural residents closer in their activities which effect the entire community.

Mayor Herd's letter said he believes the local paper is doing everything possible to be of service to the community. In its "Up and Down Main Street" column, the reader finds shortcuts in shopping; in the editor's column, he finds a fair presentation of local problems, and in other columns on the editorial page he finds authoritative analyses of world events effecting Garza County.

Best Advertising Medium

W. S. Land, a merchant and newcomer to Post, answered: "In my opinion a local newspaper to a community is an absolute 'must'. It is by far the best means of advertising any merchant can use. It is also a good coordinator between various organizations and the general pub-

lic. "It has a great influence on the people as a whole and can be used to increase trade to a very high per cent. According to the national advertising authorities, the newspaper ranks above everything else in the field as an advertising medium."

Jane Ann Turner, a high school student, found the Post Dispatch "falling short" in one respect. She wrote, in part: "It seems to me that in order for a paper . . . to exert a maximum of influence, it must reach out and be all-inclusive in reflecting the interests of all. "I, in these few words, plead the case of the local high school student. We are unable, through inadequate facilities, to publish a

student paper within the school. Heretofore, we have been privileged to have a column in the local paper, but this year we are unable to exercise this privilege. "Will you not agree that, although our publications might not always be in the channel of practical thinking, we, the students of this day, the leaders of tomorrow, deserve to be heard, to be recognized, and lastly to be looked upon as human beings who occasionally have ideas and inspirations as noteworthy as those older and far wiser than we . . . ?"

All News Is Welcome

Reflecting on Miss Turner's well-written plea, the editor recalled that the Addax, last year's column in the Post Dispatch, died before the end of the school year

from lack of interest on the part of the students. It was published at no cost to the school system. The time it took to edit the copy, set the type, read the proof, etc., also was contributed to the students last year, and in many previous years. This year, the increase in production cost, scarcity of newsprint, and other items make such a contribution impractical when considered in the light of last year's lack of student interest. The Post Dispatch staff realizes that there are school students, like Miss Turner, who feel cheated and hereby reissues a statement, which applies to all groups: Space will always be provided free of charge in the local newspaper for all news of school and

student activities, either individual or collective. Mrs. H. F. Giles, a business woman, gave an oral answer to this reporter on what the newspaper can do to increase its scope of interest and influence in the community. She deplored the fact that Post has no public gathering place where meals can be served to service clubs and other groups on special occasions and asked if the newspaper would not be the logical medium for crusading for such a cause. The Post Dispatch recognizes the need for such a headquarters and will give publicity to the sponsoring of such a project by the City Commission, Chamber of Commerce or other organization.

Boosters To Send Busses To Ball Game

Two chartered busses to the Post-Snyder football game in Snyder tomorrow night are being sponsored by the Antelope Booster Club. They will leave from the local bus station at 6:15 p. m., Marshall Gibson, club president, has announced. Each bus will take 37 passengers.

"We want as many private automobiles as possible to follow the busses to Snyder," Gibson said. The school girls' pep squad will go in school busses as a part of the cavalcade.

Tonight's regular meeting of the Booster Club will be held in the grade school auditorium, rather than the high school, because the movie projection equipment is there this week. Three pictures on modern techniques in football will be shown.

The public is invited to attend all of the club meetings, the president said.

Free Barbecue Is Announced

All ex-service men are invited to attend the free barbecue "with all the trimmings" which the James C. Cole Post, No. 270, of the American Legion is giving at 8 o'clock Tuesday night at the Legion Hut.

Guests will include Department Commander George Berry of Lubbock and post commanders from neighboring towns, the local commander, James Miner, has announced.

NEW ARRIVALS

A son, Jackie Lynn, was born Saturday to Mr. and Mrs. Jack Roland. He weighed 8 lb., 12 oz.

Mr. and Mrs. Leonard Morton of the Verbena Community are announcing the birth of a daughter, Retta Joyce, on September 28. She weighed 9 lb.

Additional 4-H Winners Named

The Post Chamber of Commerce has announced the following Garza County 4-H girls as winners of small cash prizes given for showmanship in the recent Products Show:

Lillian Bayer, LaVerne Furr and Mary Carmen Smith, \$1 each; Eva Lou Key and Melva Oden, 75 cents; DeElva Lofton, Gloria Young, Glenda Jane Askins, Clara Faye Ferguson, Reba Hays, Helen Verne Taylor, Jo Vern Taylor, Elsie Jean Peel, Tommie Williams, Mary Jo Williams and Anita Kennedy, 50c each, and Wynona Pennington, Maudie Fay Ray, Patsy Shults, Betty Roberts, Hazel Mae Shults and Joyce Lynn Kiker, 25 cents each.

Final cash and merchant prize winners in the various classes of the show were tabulated too late for inclusion in last week's Post Dispatch report of the show. They are herewith announced by Mrs. Jewell Hipp Strasser, Garza County home demonstration agent:

Girls exhibiting the most articles in the Clothing Division—Ten years and below, Norma Ritchie, \$3 in merchandise from Haws Department Store; second, Wynonne Morris, \$2 in groceries from the Corner Grocery; third, Darrene Howell, \$1 in gasoline from Conoco Service Station; 11-12 years, first, Doris Ritchie, sweater from Stevens Style Shop; second, Wynonne Etheridge, \$2 cash; third, (tie) Lenona Stone, \$1 in gasoline from Floyd's Service Station. (Continued On Back Page, Col. 3)

Despite keen competition, Garza County won second place in the county exhibits at the Panhandle-South Plains Fair this week in Lubbock. The booth, which was sponsored by the Post Chamber of Commerce and arranged by Sherrill Boyd, secretary; D. F. Eaton, county agricultural agent, and Bob Gibson and a group of his GI vocational students, is shown here. The prize was \$85.

Garza Is Second At South Plains Fair

The Garza County exhibit at the 30th annual Panhandle-South Plains Fair, which opened in Lubbock Sunday, misseged winning first place by only two points.

Parmer County, with 928 points out of a possible thousand, won first place and a prize of \$100. The Garza booth, a well-balanced display in the agriculture division, received 926 points and an \$85-prize. Floyd County, with 916 points won third place and a \$75-prize.

Several Garza County 4-H Club boys and girls took a number of prizes in several other divisions at the fair. An incomplete list follows:

General exhibit—Apples, E. P. Wicker, Jr., first; gallon of sweet sorghum, Gene Carpenter, first; gallon of hegari, Gene Carpenter, second; dozen sweet potatoes, Gene Carpenter, third.

Four-H Boys—10 heads of white maize, Gene Carpenter, first; 10 heads of feterita, E. P. Wicker, Jr., first; 10 heads of yellow milo, Gene Carpenter, first; E. P. Wicker, Jr., second; Carter Gene White, third; 10 bolls of cotton, Gene Carpenter, second; 10 heads of kaffir, Gene Carpenter, second.

Swine—Poland China yearling sow, Carter Gene White, first; Donald Carpenter, second; Poland China junior sow, Carter Gene White, third; milking shorthorns, senior heifer, Leslie King, first; junior heifer, Leslie King, first.

Art, 16 years and under—landscape from nature, Lois Ritchie, second; watercolor painting from still life, Lois Ritchie, second.

Girls Department—one pint pickled peaches, Lois Ritchie, third; tufted bedspread, Lois Ritchie, first; bedspread of print or chintz, Lois Ritchie, third; scarf, Lois Ritchie, third; apron, Lois Ritchie, third; bonnet or hat and gloves, first, Jeanene Kiker, and purse, Jeanene Kiker.

Lois Ritchie, a member of the Close City Girls' 4-H Club, and Jeanene Kiker, a member of the Post Senior Club, entered the \$100 scholarship contest sponsored by the Lubbock Junior Chamber of Commerce, which will give a \$100 Texas Technological College scholarship to the 4-H or FFA boy and to the girls having the best exhibit and best record of club work.

Exhibits in dresses, infant's wear and needlework were entered in the woman's division by Mesdames Lonnie Peel, W. H. Barton, Nora Kiker, J. D. McCampbell, Wilburn Morris and J. C. Fumagalli, all of Garza County. (Continued On Back Page, Col. 4)

Tragedy Strikes Thrice

Death came to the families of three Post Dispatch correspondents during the past week. They were Mrs. R. J. Key of Justiceburg, whose sister, Mrs. D. Basinger of Marietta, Okla., died last weekend; Mrs. Vera Chase of Pleasant Valley, whose brother, Deward Robinson, died Friday, and Mrs. Hettie Mae Robinson, whose niece, Mrs. Lila Mae Mickey, died Saturday.

Mickey Funeral Held Monday At Calvary Church

Friends and acquaintances of Mrs. Lila May Hays Mickey, who entered the West Texas Hospital in Lubbock Monday of last week, were shocked and grieved to learn of her death on Saturday afternoon.

A native of Post, an ardent worker in the Calvary Baptist Church and a member of a pioneer Post family, Mrs. Mickey was well-known here. She was born October 3, 1913.

At the time of her death, she was church clerk and Sunday School superintendent in the Calvary Baptist Church, in which she had held a number of other offices in past years.

The funeral was held Monday afternoon at the Calvary Church with the Rev. W. C. Devers of Sylvester, former pastor; the Rev. I. D. Walker, pastor, and the Rev. Joe Norton, pastor of the Church of the Nazarene, officiating.

Flower girls were Mesdames Kike Beauchamp, Tom Miller of Carlsbad, N. M., Orbie Miller, George Barker, Harold Voss, George Tillman, Weldon Swanger and Roy Brown.

Pallbearers were George Tillman, Tom Miller of Carlsbad, Kike Beauchamp, L. L. Wright, Jack Kennedy and Robert Miller.

Burial was in Terrace Cemetery under direction of the Plains Funeral Home of Lubbock and Victor Hudman.

Survivors include her husband, J. E. Mickey; her parents, Mr. and Mrs. J. O. Hays; her grandfather, D. M. McElroy; three (Continued On Back Page, Col. 4)

FATHER OF DR. KAHLER DIES SUDDENLY

E. H. Kahler, father of Dr. Glenn Kahler, died suddenly at his home in Buckholts at 7 o'clock Tuesday morning, the result of a heart ailment.

Dr. Kahler and his wife and daughter, Katherine, left immediately for Buckholts on hearing the news. It was believed that the funeral would be held on Wednesday, but no details were known by press time.

Mr. Kahler, who visited here in July, is survived by his wife and two sons.

DR. FRANK L. TURNER

Evangelist To Hold Methodist Meeting Here

The Rev. A. B. Cockrell, pastor of the First Methodist Church, announced today that his congregation would begin a revival meeting Friday evening October 10, with services each morning at 10 o'clock and evening at 7:30 o'clock. The meeting will run through Sunday, October 19, with Dr. Frank L. Turner, general evangelist of Fort Worth, bringing the messages and directing the work of personal evangelism.

Dr. Turner was for 15 years a pastor in the Central Texas Conference, holding pastorates at Hamilton, Cisco, Ballinger and Ft. Worth. In 1938, he was elected president of McMurry College in Abilene, a job he held for almost four years. During his presidency, the institution was entirely freed from indebtedness and more than \$50,000 worth of improvements were made to the plant and property.

In 1942, he resigned to enter the field of evangelism and was appointed a general evangelist at the next conference. Since entering this work, he has held 93 meetings in five states and nine annual conferences. The meetings have resulted in about 1,500 conversions and thousands of lives rededicated to Christ.

He comes to Post from Oklahoma where Sunday night he will conclude a revival.

Iron Lung Fund Is Far From Enough

Participation in the box supper on the court house lawn at 8 o'clock Saturday night will determine whether or not the community wants an iron lung for use in polio, respiratory diseases, gas poisoning, drowning, heart diseases and other ailments, Fire Chief Homer McCrary said yesterday.

"We need \$1,215 to purchase this artificial respirator which will be kept at the fire station for use whenever needed by people of any color or creed," McCrary explained, "and so far we have raised only \$115 from public contributions."

McCrary said the fire department, which is sponsoring the iron lung, is disappointed that the contributions have so small, even after public demonstrations of the respirator in downtown Post the past two Saturdays.

Everyone in Garza County is urged to have a part in buying the lung, because it will be available to everyone in event of tragedy. The Milliken Southwest Company of Dallas, maker of the respirator, will provide other iron lungs free of charge, in event of an epidemic or disaster, if the one respirator is purchased.

Women of the community are asked to prepare boxes of food to be sold at auction Saturday night, McCrary said.

J. D. Robinson Dies Of Burns From Explosion

John Deward Robinson, who spent most of his life in Garza County, died at the Hendricks Memorial Hospital in Abilene Friday afternoon from burns received in an oil field explosion on September 14 at Fort Stockton, where he was employed by the Oil Well Remedial Company.

The funeral was held Sunday afternoon at the Southland Baptist Church, with the Rev. M. O. Row of Abilene and the Rev. O. J. Harmonson of Southland officiating.

During the service, Mr. and Mrs. Hubert Taylor of Southland sang "God Will Take Care of You" and the church choir sang two selections.

Flower girls were Mrs. Wesley Scott, Alice Joy Scott, Helen Ruth Barton, Margie Bell Payton, Carolyn Edwards, Dian Haire. (Continued On Back Page, Col. 2)

Cash Prizes Offered For Fire Prevention Posters

The Post Voluntary Fire Department will give six cash prizes for the best Fire Prevention posters made by Post school children during Fire Prevention Week, October 5-11, the Post Chamber of Commerce announced yesterday.

Five, three and two-dollar prizes will be given in the high school for first, second and third places and similar prizes will be given in the grade school. The posters can be made in any medium, any size. A committee of firemen and an insurance representative will visit the various school rooms next week to judge the posters.

In making the announcement, the Post Chamber of Commerce is

urging all Post residents to help prevent fires by cleaning up the weeds and trash around their homes. Hazards at any time of the year, they are especially dangerous now during the dry season.

Sherrill Boyd, chamber of commerce secretary, said that most of the fire alarms during the past weeks have resulted from fires caused by weeds and trash. Cooperation in this respect will save money for homeowners and the city and conserve the energy of the volunteer firemen.

A prominent local fire hazard can be removed if all homeowners will make sure that their trash barrels are a safe distance from their back fences, Boyd ex-

plained. Fire Prevention Week in Texas was officially proclaimed by Governor Beauford Jester who, in urging active participation from every citizen of the state, stated:

"When there is a universal scarcity of nearly every commodity needed to feed, clothe and shelter not only our own people but the starving and war-torn world, the continued annual destruction of a half billion dollars in irreplaceable material resources not only become more tragic but wholly inexcusable and cannot continue without permanent impairment to the people of Texas and the United States, and of the World."

Bits Of News PICKED UP ALONG THE NEWS PATH

Mrs. P. B. Jones, who is recuperating satisfactorily from major surgery, returned to her home Monday from a 20-day stay in the West Texas Hospital in Lubbock. Mrs. Jones lives two miles east of Post.

Friends here have received word that the Wiley Johnsons have moved from Colorado City to Sundown, where they opened a grocery store Saturday. The Johnsons operated the Johnson Cash Grocery in Post before moving to Colorado City.

Kenneth Dwayne Riddle, who was born to Mr. and Mrs. Truman Riddle on September 17, was grossly misrepresented in last week's issue of the Post Dispatch. The newspaper's announcement of his birth said he was born on September 18 and committed the unpardonable blunder of calling him a girl.

The Post Voluntary Fire Department answered a call Sunday night to the Double U Company feeding pens, near Post, where a car belonging to Bernice Jones was destroyed by fire.

Cecil Hellums and Rob Strayhorn of Rotan made a quick trip through Post Monday en route to Hereford on business. On the way back Wednesday, they stopped to visit as many of their relatives as time would allow. Hellums is a brother of Mrs. L. N. Roberts. Strayhorn is a brother of Mrs. Phil Bouchier and a brother-in-law of Mrs. E. A. Warren.

This is another of those Weeks. National Newspaper Week opened yesterday. Nationally Advertised Brands Week starts tomorrow. On Sunday three more "weeks" begin: National Business Women's Week, Fire Prevention Week and Employ the Physically Handicapped Week.

Mrs. G. W. Owens, accompanied by her sons, Allen and Gene, were called to Chandler last Thursday because of the serious illness of their daughter and sister, Mrs. Rube Theford, who underwent surgery for acute appendicitis that day. Allen and Gene returned here Monday, but Mrs. Owens remained in Chandler for an indefinite period.

Recent weekend guests of Miss Mickey Peterson were Mrs. Jane

Madden and daughter, Carol Sue, of Long Beach, Calif.

With eggs as high as they are, Mrs. Andy King is being especially attentive to a Rhode Island red hen who the other day presented her with a 3-oz. egg, measuring 7 1-4 inches in length circumference and 6 inches in girth and having two yolks.

The Garza Theatre management regrets that it cannot get "The Egg and I" for a week's showing but it is proud to be able to show the very popular picture at such an early date: 11:30 p. m. Saturday night and Sunday and Monday, Manager John Hopkins said.

Mrs. Lola James, who spends her summers here on the Carl Rains farm, which she owns, is making preparations for her annual trek to Barstow, Calif., to spend the winter with her daughter, Mrs. Victoria James Hammett. Mrs. James was employed during the war years with the North American Aircraft Company in California. She will leave in November.

Mr. and Mrs. Sherrill Boyd have spent a few sleepless nights lately getting their five weeks old Cocker Spaniel orientated from his birthplace in Fort Worth. The puppy, who has been named General Nuisance, arrived here by train Sunday, having been dispatched by Mrs. Jay Askins, owner of his mother, who recently moved from the J. J. Ranch, near Clairmont, to Fort Worth. Part of the lack of sleep at the Boyd home is caused by the non-cooperative attitude of Tom Richey, a jealous-hearted Persian cat who quit J. N. Power's home, his birthplace, almost two years ago when Nancy Power was born. Tom Richey wandered about for eight months, before returning to the neighborhood to live with the Boyds. This time, he isn't going to leave. He prefers to stay around and "battle it out" with the pup "imposter."

Mrs. Betty Carmichael, who has spent the last year in Hollis, Okla., returned here this week to make her home.

Mr. and Mrs. C. I. Jackson of Fort Worth were guests last weekend in the home of Mr. and Mrs. Marshall Mason. Mrs. Jackson and Mrs. Mason were girlhood friends.

Mr. and Mrs. John Lasiter of Monahans visited Monday in the home of Mrs. Lasiter's sister, Mrs. W. A. Talley, and family. The visitors went from here to Big Spring, where Mrs. Lasiter, was to enter a hospital for treatment.

Dan Griffin, three-year-old son of Mr. and Mrs. Joe Griffin of Lubbock, arrived in Justiceburg Monday to spend the week with his grandparents, Mr. and Mrs. Jeff Justice.

W. T. Parchman, "mayor" of Justiceburg, says that his seven-month-old granddaughter, Alexie Dewain Parchman, is "pearl as a cricket." He calls her "Little Red," as she has red hair and, besides, Alexie is too difficult to remember.

JAILBREAKERS TAKE WHISKEY ON WAY TO TEMPORARY FREEDOM

Two men who escaped from the Garza County jail during the football game Friday night had been apprehended by the Sheriff's Department by 3 a. m. Saturday.

The prisoners, Lester Dial who had been sentenced to a two-year term at the Texas State Prison at Huntsville and a man charged with drunkenness, escaped through a hole which they knocked in the ceiling of the jail run-around. Sheriff Mears said. Missing from the court house simultaneously with the prisoners were some beer and whiskey from the sheriff's office. The intoxicants were found with the prisoners, Mears said.

Dial was found trying to hitchhike to Lubbock at the roadside park northwest of Post. The other prisoner was found at the home of a friend in south Post. The latter was charged with theft on his return to the jail, the sheriff said.

If you drive your youngster to school, the Texas Safety Association offers some suggestions for his safety: make sure all doors are securely closed before you start; see that your child is sitting—a sudden start may throw a standing child off balance; and when you leave your child at school or pick him up after school, always use the right side of your car, so that the child steps directly from the car to the curb and not in the path of approaching traffic. A little forethought may save a tragic afterthought.

IF WE COULD GO TO SUNDAY SCHOOL

FROM this corner it looks like sadness personified . . . a couple of broken hearted pooches, strained to the point of melancholy as little Willie and Kathleen leave them behind and go on their way to Sunday school. With a mind and understanding next to that of a human being these kind hearted little dogs seem to know well that their third and fourth legs render them unwelcome at Sunday school. Here they impatiently await the return of their little masters. The parents of little Willie and Kathleen didn't even go with them. Like many parents of today they sent them alone to Sunday school not even worrying about their safety or return.

IT is becoming more apparent every day that the phrase "Juvenile Delinquency," is being over worked, misused and misapplied. This Delinquent business has a very definite beginning. More often it begins with the parents. They are the ones who fail miserably in the performance of duty. Your children need your presence, your companionship . . . they need you to TAKE them to Sunday school and church--NOT SEND THEM. The very least you can do is to care as much for your youngsters as their little dogs do. The pooches would gladly go if they could. Why not decide now to swell the attendance of your church Sunday by taking your entire family.

YOU IN THE CHURCH
THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. State-men today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good.

Girls' Division Place Winners In Products Show Are Named

The Post Chamber of Commerce, which sponsored the recent Garza County Boys and Girls 4-H Products Show in the Post Truck and Tractor building, announced this week that the success of the show indicated definite possibilities of a countywide show, including entries of all types from adults as well as boys and girls in future years.

The possibility of greater adult participation in future years was indicated by the large number of interesting exhibits which were set up for the show in departments in which no prizes or ribbons were offered, Sherill Boyd, chamber of commerce secretary, explained.

There is no doubt that next year's show will be bigger than the one staged this year, the secretary said. More space may be needed for it next year and the Post Chamber of Commerce will be happy to receive any ideas or suggestions for the 1948 show as of necessity, plans will get under way in the near future. It was at this time last year, Boyd pointed out, that the chamber of commerce accepted Dove Mayfield's generous invitation to hold the 1947 show in the then unbuilt Post Truck and Tractor building.

Need Large Space
 Although cash and merchandise prize winners and place winners in the boys' division of the show were announced in last week's issue of the Post Dispatch, lack of space prevented the listing of the following place winners in the girls' division:

The biggest reward money the State of Missouri ever put on Jesse James' head was \$300. The rest of the \$50,000 handed to Robert Ford for shooting Jasse was paid out by grateful private individuals.

For removing rust from steel or iron, a combination of steel wool and kerosene is good, although considerable elbow grease certainly will be necessary.

The "Old Cotton Patch"

IS BIG TIME BUSINESS NOW

King Cotton has found the promised land! Here in the fertile Panhandle-Plains-Pecos Valley Area we market more than \$81,000,000 worth of cotton and cotton seed a year.

New uses are being found constantly for one of our number one crops. And today "the old cotton patch" is big time business for the folks in our area.

We have so much confidence in the cotton industry—and all other industries we serve—that we are investing 35 million dollars in a building program. This expansion program in our territory will bring more dependable electric service to industry and better living—electrically—to everyone!

Bingham Is Well Satisfied With Post Showing Against Abernathy

A near capacity crowd saw the Post Antelopes chase the invading Abernathy Antelopes completely off the home range Friday night to the tune of a 27-0 score. Co-Captain Shorty Hester had a field day; tossing for three touchdowns and scampering 55 yards for another. End Hugh Ingram batted a neat 750 on conversions by booting three out of four squarely through the uprights.

Post completely outclassed the visitors; scoring in every quarter, and holding the opposition to a total of only two first downs. Midway in the first period, Maurice Fluitt took Hester's 40-yard toss for the first counter; Ingram kicked the extra point.

In the second quarter, Post took an Abernathy punt and smashed downfield on a series of running and passing plays to the eight yard line, where Hester heaved to Ingram for a touchdown. Ingram missed the extra point.

In the third stanza, Hester broke through the Abernathy line and traveled fifty five yards behind nice blocking by left end Maurice Fluitt, who took out two Abernathy secondary men, to cross the pay stripe untouched. Ingram booted the extra point.

In the final period, Hester passed again for 30 yards to Ingram who took the ball across the goal line and then kicked the extra point.

"I was well satisfied," said

Antelopes To Meet Traditional Rival In Snyder Tigers Friday

The Post High Antelopes will meet a traditional no-conference rival tomorrow night in Snyder and Stanley Benge, halfbacks; Junior Malouf, fullback.

Although Snyder has lost the only two games played so far, to Winters, 20-7, and to Stamford, 13-0, the Tigers are reported to be a good team with all of last year's players save one letterman. Neither Winters nor the always strong Stamford team are in Snyder's conference. Last weekend was an open date for Snyder and it is reported the Tigers made the most of their holiday by toughening up for the Antelopes.

Two chartered busedowns of fans, two school buses loaded with students and a cavalcade of automobiles will go to Snyder to cheer for the Antelopes, indications were this morning they will see the medium-weight Post boys challenging a team which has a 145-lb. backfielder as its lightest man. The lightest lineman on the Tiger roster weighs 160 lb., according to information received this week by Coach Bing Bingham.

Although Bing has not been working the Antelopes through the lengthy overtime such as they put in last week, he has been concentrating on blocking and tackling since last Friday's successful encounter with the Abernathy Antelopes.

Two backfield men, Shorty Hester and Stanley Benge, have been out of uniform several days this week because of minor injuries, but will be ready to go against the Tigers.

Bingham indicated the probable starters will be:

Jimmy Smith, center; Calvin Storie and Billy Odum, guards; Maurice Steltzer and Mack McCullough, tackles; Hugh Ingram

Oscar Garner To Pilot Post Baseball Club

At a meeting of local baseball promoters at the Thaxton Cleaners Monday night, Oscar Garner was elected to pilot the Post Millers for the next five seasons. He will serve in the capacity of president, vice president, secretary and treasurer.

In naming the executive officer for such a long period, the Post athletic fans were following a practice widely used now in an effort to build-up successful ball clubs on a long-range plan.

George Sartre was named manager for the 1948 season, and Jim Hundley, Arch Hays and Alton Carr were named in a committee to receive players, place them in jobs, and in other ways promote a fast club for the 1948 season.

S. C. Storie was appointed as Garner's assistant in executive affairs.

Garner, who started a movement during the past season to raise funds for the fencing of the Postex Ball Park and installing lights for night baseball, informed the local fans that he will carry out the plans so that night league games can be played here next season.

It is believed that by getting such an early start on reorganizing the club, lining up players, etc., an exceptionally good club will represent Post next season.

Changes In Football Rules Are Explained For Garza Spectators

For the benefit of local football spectators who are puzzling over some of the changes in football that they have witnessed this season, here are a few explanations:

Under a change in the rules,

Coach Bingham. "Both line and backfield showed a lot of hustle and spirit. I was especially well pleased by the work of Kay Kirkpatrick, R. E. Josey, Calvin Storie, and Ronnie Boucherier.

The game at a glance:	
POST	ABERNATHY
14 First Downs	2
241 Yards Rushing	54
8 for 112 Yards Passing	1 for 0
1 for 40 Yards Punting	5 for 160
0 for 60 Penalties	5 for 25

the ball becomes dead when the kick for extra point is blocked or deflected. No man in the kicking team can run with the ball or pass it. Officials will whistle the ball dead as soon as it becomes apparent the kick has no chance to score.

Other changes bring liberalization of the substitution rule where each team may send in a player while the ball is dead although the time still is in, bar the so-called running shift, move the ball in from the sidelines after out-of-bounds plays to one-third the width of the field—instead of 15 yards as in the past.

This cuts the penalty on disqualification fouls from half the distance to the goal line to 15 yards, although the offending player will be removed, and makes penalties called on fouls committed while the ball is dead part of the succeeding play rather than the preceding play.

The coach, under such liberalization, can really run his team on the field if he so desires because, by putting in a substitution after each play, he can control every play.

This means that Coach Bing Bingham can send in a "specialist" to meet the need at hand, whether it be for a kick, pass, field goal or to plug a leak in the defense.

Careless Shots Bring Fines To Garza Nimrods

For the second time in several weeks, District Game Warden F. M. Stovall, whose headquarters are Lamesa, has filed charges against Garza County nimrods who paid fines in justice of the peace court.

A man paid a fine of \$150 and costs for shooting quail and a boy paid \$10 and costs for killing unprotected birds on Tuesday.

Stovall told a Post Dispatch reporter Tuesday that he could be reached by collect telephone call to 375-R Lamesa, by any sportsman or any landowner desiring his services in any manner. He also said letters to him should be addressed to postoffice box 446, Lamesa.

"Garza County is in my territory and I will come over here anytime I can help solve any problems whatsoever in regard to the hunting laws," he explained.

CUTTING HORSE MATCH SCHEDULED AT PLAINS

A \$2,000 purse will be offered in a matched cutting horse contest to be held at 2 o'clock Sunday afternoon at the rodeo grounds in Plains.

The contestants will be Phil Williams, who won the cutting horse contest at the Post Stampede and Roddy this past summer, and Bob Crosby of Roswell, N.M.

The program will include open halibut-calf roping.

U. S. production of motor vehicles in the first six months of 1947 totaled 2,357,476 units.

Jewell Hipp Is Married To Evelyn D. Strasner In Lubbock

Jewell Hipp, Garza County demonstration agent, became the bride of Stevens D. Strasner, principal of Post High School, in a ceremony at 7:30 o'clock last Saturday in the pastor's study of the Methodist Church.

The couple is at home here, having recently bought a house formerly owned by O. D. Cardwell, across the street from the Graeber Apartments. Mrs. Strasner will continue her work as home demonstration agent.

Both are graduates of Texas Technological College in Lubbock. Mrs. Strasner taught at Amherst, after receiving a B. S. degree in home economics, then later served as home demonstration agent in Fisher, Coleman, and Caldwell Counties before coming to Garza in December, 1946.

Mr. Strasner came to Post as principal in November, 1945, after having served in the finance department of the army air force for 37 months, 27 of which were spent in the European Theater of Operations. Before entering the service, he was Dawson High School principal at Welch. He is a son of Mrs. C. C. Strasner of O'Donnell.

MRS. MARVIN DORMAN IS HONORED AT PARTY

Mr. Marvin Dorman of Dermott, the former Miss Evelyn Bevers of Justiceburg, was honored at a luncheon given Monday afternoon in the home of Mrs. W. A. Nix at Justiceburg. The hostess was assisted by her daughter, Mrs. Clint Allen, of Lubbock.

Cake and cold beverages were served.

Attending were Mesdames W. T. Parchman, W. T. Parchman, Jr., W. A. McGinnis, Claude Pettigrew, R. J. Key, Albert Bevers, Hershell Bevers, Shorty Hagood, Jim Tidwell, John Reed, Sam Bevers, Melton Woodard, Elmer Pettigrew, M. A. Trice and Miss Pauline Knox.

MARCA DEAN HOLLAND IS HONORED ON BIRTHDAY

Marca Dean Holland was honored at a party given on her sixth birthday Sunday, September 21, at her home. After the guests arrived, they were seated around the honoree for the opening of the gifts, then the birthday candles were lighted and blown out by Marca Dean.

Refreshments were served in the backyard at a table covered with an attractive cloth and matching cups, plates and napkins on which "Happy Birthday" was lettered. The white, three-tiered cake was decorated with pink icing. Plate favors were balloons and noisemakers.

Guests were Tommy Lou Scott, Don Pierce, Sharon Brooks, Jan Paula Herring, Carolyn Moore, Gerry and Bill Clark, Boyd and V. A. Dodson, Nora Bruton, Sherry Custer, Allane Norris, Jerry Windham, Judy Gossett, Ann Sartain, W. A. Talley, Kathryn Kahler, Camelia Carr, Sarah Cockrell, Janie Francis, Judy Altman, Nelda McQueen, Beverly

Church News

By GANELL BABB

Search me, O'God, and know my heart; try me and know my thoughts:

And see if there be any wicked way in me, and lead me in the way everlasting. Psalm 139:23-24.

Minute Prayer

O God, I am being hemmed in to a faith in Thee. Life is closing in on me and forcing me to faith. Faith is becoming inescapable. And yet I would not escape, for escape would be escape from sanity, from the Open Door. Help me to enter. Amen.

It doesn't happen in many churches and it is the sincere hope that the last three weeks record at the Church of Christ will continue. The attendance at the evening services has been as large as at the morning services.

Dr. T. C. Gardner of Dallas, who is State Training Union Secretary, of the Baptist churches of the state, will be guest speaker at the First Baptist Church here Sunday at 11 o'clock.

The Wednesday night prayer services at the Nazarene church for the last year have had an average of 35 present each time. The Friday noon prayer meetings and the Saturday night services have been interesting and helpful to all who attended.

The First Presbyterian Church will hold its regular Quarterly Communion service at 11 o'clock, Sunday morning. All members and friends of the church are cordially invited.

The Methodist congregation enjoyed a monthly fellowship hour at the church Monday night. The Board of Education had a short meeting immediately after the close of the hour.

Several members of the local Church of Christ will attend the annual Parents and Teachers Training School which will begin October 5, and continue through the 10th. This school will be held at the Broadway Church of Christ in Lubbock. W. R. Smith will be the principal lecturer.

Sunday was promotion day at the First Baptist Church. Four members who were promoted to the Young Peoples Department from the Intermediate Department were honored guests at a recent party. They were Margie Beth Edwards, Lorraine Baker, Bud Short and Boyd Bowen. Fifteen were present at the party which was held at the church. Lowell Short and Mrs. Polnac are the intermediate teachers and Mrs. Preston Mathis is the intermediate superintendent.

Sunday morning at the church of the Nazarene, Mrs. Norton will begin a series of flannelgraph lessons on the life of Moses. These lessons are of interest to every age.

One of the main goals in the Methodist conferences this year is stewardship. Each member will receive a "Stewardship Covenant Card" and the pastor urges that these cards be properly filled out and returned by next Sunday.

The Church of Christ is offering an effective teacher program at this time. Bible study is being offered at both Sunday services and at the regular Wednesday night prayer meetings. Plans are being made to add a Ladies Bible Class to the regular program.

Next week, Miss Nella Casement who is a wonderful field worker in the Training Union Department of the Baptist churches will be here for five nights to teach a course in training union at the First Baptist Church. All ages are urged to attend. This is a Training Union Revival that this church is in great need of and those attending will be made to realize the importance of a good training union.

and Morris Bird, Don Davies, 11 mothers of the children and the honoree's grandmother, Mrs. Williamson of Shallowater, and mother, Mrs. Watter B. Holland.

Miss Frances Joy Shepherd And Glen Russell Day Are Wed Here

In a service read at 7:30 o'clock Saturday evening at the home of the bride's mother, Miss Frances Joy Shepherd, daughter of Mrs. W. J. Shepherd, became the bride of Glen Russell Day, son of Mr. and Mrs. G. R. Day. The Rev. A. B. Cockrell read the double ring ceremony in the presence of the immediate members of the two families and close friends.

Miss Ganell Babb played a prelude of piano music including "Always," "To Each His Own," "Because," and "Ah, Sweet Mystery of Life." She also played the traditional wedding marches and "I Love You Truly" during the exchanging of vows.

Tall baskets of pink gladioli and greenery stood on either side of the altar. Bouquets of pink roses were placed on the piano and the registry table. Mrs. Gertrude Ward of Lubbock, sister of the bride, presided at the guest book.

Wears Royal Blue

The bride, who was given in marriage by her brother, William Bruce Shepherd, wore a royal blue suit with white blouse and black accessories. Her corsage was of gardenias and pink carnations.

Miss Mary Eita Norman, maid of honor, wore a brown dress with brown accessories and a corsage of pink carnations and gardenias.

R. L. Lewis of Brownfield attended his brother-in-law as best man.

A reception followed the ceremony. The table was laid with a lace cloth and centered with a bouquet of pink roses surrounded by blue tapers burning in crystal holders. The three-tiered cake, cut by the couple was topped with a miniature bride and bridegroom under an archway of orange blossoms. The blue napkins were inscribed in silver with Joy and Glen. Miss Norman served the cake and Miss Dixie Shepherd of Lubbock, sister of the bride, presided at the punch bowl.

After a wedding trip to Colorado the couple will be at home here. The bride traveled in an aqua suit with brown accessories.

Mrs. Day is a graduate of Post High School and attended Texas Technological College in Lubbock.

Mr. Day is a graduate of the Union High School Brownfield, and he also attended Texas Tech. Out of town guests present for the wedding were Miss Dixie Shepherd and Mrs. Gertrude Ward and daughter, Linda, of Lubbock; Mrs. Weedon Gordon and daughter of Idalou; Mr. and Mrs. R. L. Lewis of Brownfield, and Miss Tommie Chandler, Messrs. Bill Wood and Wilton Payne of Tahoka.

Shower Is Given

A pre-nuptial lingerie shower in the form of a cake party was given for the former Miss Shepherd last Thursday night by Miss Ganell Babb and Mrs. Paul Davis in the home of Mrs. R. W. Babb.

The refreshment table was laid with a lace cloth and decorated with a rosewood pottery basket of yellow daisies and greenery tied with a big white satin bow on which "Joy and Glen, Sept. 27" was lettered in gold. The ar-

—by gay nellie

June Taylor who is a student at Tech this year probably will be a housewife next year. Punk gave her a snazzy engagement ring about a couple of weeks ago.

Harry Wood, who is stationed on Guam, will arrive home next month with his navy discharge.

Joseph LaRoche of Long Beach Calif. fiancee of Mickey Peterson left Monday after a two weeks visit in Post with Mickey and her father.

Iris Floyd who is a "Fish" at H.S.U. and a major in Business Ad., was here for the week end. Her parents took her to Abilene Sunday and while there they visited another Post gal, Betty Kennedy, who is also a student in H.S.U., majoring in interior decorating.

Rex Everett, Jr., not only got to see his mother, but was dismissed from his navy duties for a couple of hours while she was in Corpus Christi recently. A right generous officer he has. Rex expects to be home December 9 with a discharge.

I can imagine how Roy Bode looked and felt when he opened a package from a Lubbock Jewelry Store, thinking it was a beautiful set of fashional mounted rings which he had purchased a few days before, for Betty Sue, when much to his surprise he found a 5-dollar strand of pearls. It seems that more people than Gay Nellie make mistakes.

ALL-DAY QUILTING IS TO BE HELD BY CLOSE CITY WOMEN TUESDAY

Seven members of the Close City Women's Missionary Society and two visitors met in the home of Mrs. Curtis Butler Monday afternoon for a social. Mrs. A. M. Smith gave a devotional from Acts 8, then Bible games were played.

Coffee, hot chocolate and cake were served.

Attending were Mesdames Walter Brown, L. R. Mason, Ed L. Gossett, Jack Brandon, Will Teaff, E. W. Curry, Barney Jones, Smith and Butler.

The group will attend an all-day quilting meeting next Tuesday in the home of Mrs. Teaff. Everyone interested is invited.

Arrangement was surrounded by yellow and green candles in crystal holders. Sandwiches, Coca-Cola, mints and cookies were served.

Guests were Mesdames Don Windham, Bobby Pierce and Bruce Shepherd, Misses Vera Jean Branson, Dorrae and Jennie Propst, Ruth Noles, the honoree, the hostesses and Mrs. R. W. Babb.

Guests of the Ben Sargees and O. D. Cardwells are Mrs. Darwood Billings and two daughters of Santa Fe, N. M.

JERILYN DAVIES HONORED ON FOURTH BIRTHDAY

On Saturday, September 27, Mrs. Elbert Davies entertained her little daughter, Jerilyn, with a birthday party. Jerilyn observed her fourth birthday. Party hours were from 3:30 until 5:30 o'clock.

After playing outside games, the little guests were seated on the living room floor to watch Jerilyn open her gifts.

Refreshments of chocolate cake, ice cream and punch were served to Katherine Kahler, Roger Camp, James Tucker, Tommy Bouchier, Cheryl and Carolyn Moore, Gerry Clark, Ann Pennington, Judy Altman, Linda Johnson, Jan Herring and Jerilyn.

Gary Simpson, Beverly Young and Bobby Hudman were unable to attend.

Adults who attended were Mesdames Bouchier, Pennington, Johnson, Clark, Moore, Altman and Herring.

CROSS ROADS CLUB SEES COBBLER DEMONSTRATION

Miss Jewell Hipp, Garza County home demonstration agent, demonstrated the baking of a fruit cobbler at the last meeting of the Cross Roads Home Demonstration Club.

Attending were Mesdames Doyle Howell, C. L. Cooper, C. L. Cooper, Jr., H. G. Pippin, Grady Hunt, W. C. Graves, Wells and Miss Hipp.

The club is meeting today in

LUTHERAN AID MEETS IN HOME OF MRS. W. VOIGT

The Ladies Aid of the Southland Lutheran Church met in the home of Mrs. Walter Voigt the afternoon of Sept. 17 for a program on missions, which included the following talks:

"New Guinea Missions," Mrs. Herman Kiesel; "The Mission Ship Total," Mrs. Elmer Gindorf; "Precepts of an India Missionary's Diary," Mrs. Marcus Wilke.

After group singing of a mission song, the meeting was closed with "The Lord's Prayer."

Refreshments were served to 18 members and three visitors, Mrs. Edmund Wilke, Mrs. Leroy Voigt and Mrs. Oscar Neugebauer.

P. T. A. TO MEET

The Post Elementary-High Parent-Teacher Association will meet at 3:50 o'clock next Thursday afternoon in the Post High School auditorium for a program on "Bettering Human Relationships," led by Mrs. Lee Davis.

Mrs. R. D. Travis and daughter, Mrs. Rex Everett, returned Saturday from McAllen where they attended the funeral of Mrs. Charlie Travis there on Friday. Accompanying the two Post women to McAllen were Mr. and Mrs. R. D. Travis, Jr., of Abilene.

ROGER W. BABSON WRITES THIS WEEK:

Wheat & Corn Game Compares With 1929 Wall Street

GETTING OUT

On The LIMB
By ELDIE the EDITOR

The editor of the Ralls Banner is forgiven.

Sometimes he is gullible enough to fall for misinformation about football games, and the like, but he's a bright boy when it comes to the ever-interesting subject of women's fashions. Here's what he said last week:

Young girls, who are learning to walk all over again now that skirts are binding their ankles, are making some grave mistakes. They are altering their short dresses at the hem to conform to the new degree. This results in two errors: (1) it makes the dress look home made, and (2) it is taking unfair advantage of the manufacturer who sold the idea to force a complete turnover in feminine wardrobe. Mabel D. Erwin, head of the clothing and textiles department at Tech, warns girls that dresses should be altered beginning at the waist rather than at the hemline. She says that it would be better to wear an old dress as it rather than risk an unattractive amateur job of altering. From the looks of some of these long dresses, on the teenagers of Ralls, we suggest nothing more than an overdose of chloroform. The dresses look like king-size O'Daniel flour sacks, less the tailoring. Women have been divorced for going to bed in nightgowns that look far better.

THE WOMEN—God love 'em! The really successful after dinner speaker is the gal who can talk her husband into helping do the dishes.

I'm sort of like Monk Gibson: I just live from Friday until Friday on hopes of seeing a good football game.

And so far, I haven't been disappointed in the athletics that our fine Post Antelopes have been dishing out. It takes me back to the good old days of 1927 and 1928 when Coach Harry Taylor produced an Antelope team that couldn't be stopped by towns in Texas as large as Mineral Wells.

Football seems to be good not only here, but all over West Texas in the little towns this season and its what we needed after doing without the game during the war years and watching the schools build up teams from scratch in the past two years. It's like a shot in the arm. This football spirit will carry over into our business and into our home creating more prosperity and happiness.

I'm not the only one who feels this way. The big crowds at all the home games, and the big bunch of Post fans who go out of town to games prove the majority of the citizenry feels the same way. Much of the credit goes to the Booster Club, which is made up of people with Monk Gibson's effervescent enthusiasm.

If you don't have this spirit, and if you want it, sneak off up to the high school just any Thursday night and attend a Booster Club meeting. You will get it.

As I write this, the Booster Club members are canvassing everybody they see selling tickets for chartered buses to the Snyder game tomorrow night. Indications are they might get up as many as three busloads of from 30 to 35 fans to a bus. I like the kind of cooperation that permits this. It will look good to the people of Snyder.

But then, the people of Garza County have been on an unusually cooperative spree for several

Kansas City, Mo.—During the past 24 hours I have been flying over the great farming area of the Central West. I have not only seen things with my eyes, but also heard things with my ears.

Garza and the World

Editor's Note—Opinions expressed here are those of the author, and they do not necessarily reflect the opinions or policies of the Post Dispatch. The column is carried in the interest of applying world news to the situation here at home.

With the "firing" of radical, publicity-loving J. Frank Dobie, the University of Texas rises up a small notch in my opinion. If the powers that be would get rid of about a thousand more radicals, the world's richest state university might be edged out of its position of being the last place in the world where I would send an impressionable young man or woman to get a liberal (in the literal rather than the Rainey sense) education.

I am a great believer in freedom of education. A well-rounded state university should provide studies in communism, Mohammedanism, voodooism and in any other field of thought, either ancient or modern, including Christianity and plain old tried and true American democracy, for purposes of student research, and without attempting to influence or prejudice the seeker of knowledge.

It is all right for a Baptist College to influence its students in the theories of the Baptist Church, and it is all right for a Catholic college to influence its students in Catholicism, and its okay by me for any school set up for any purpose to influence its students along the lines intended by the founding fathers.

But unless I am badly mistaken, the state university is non-sectarian and non-political in original purpose, and it should be operated as such.

Yet it is almost impossible to spend three consecutive months in Austin and come away unaware of the deep political intrigue which constantly keeps many of the students, and faculty members, in a mental turmoil.

I don't profess to know what elements in Austin are the instigators of this unhealthy situation, now that Dr. Homer Rainey is running a girls' school up in Missouri. I just know that the city is running over with teen-age to 35-year-old students who are being instilled with undying loyalty to "the cause," a term which they identify with labor union political issues, the New Republic magazine and Henry Wallace, but which term they can't define.

I know that one of the university's top-ranking professors months now and the trend seems to be here to stay. I'm more amazed than ever—now that the motorists of Garza County are observing the parking lanes to the last mark without any efforts, on the part of the city, to force them to do so.

And isn't it a pleasure to drive through Post on a busy Saturday—compared to past years when cars were parked and double-parked any old way in the center of the street and you couldn't drive thru the Main stem without a dozen or more stops.

bank balance for the future. They also tell me that although farm prices rise gradually during boom time, yet when prices fall, they collapse all at once. This is because farmers get panic stricken when they see prices begin to fall and all farmers try to dump at once. They admit they are now playing the same game with wheat and corn as investors, in 1929, played with stocks and bonds.

Reason For High Prices

- (1) Exports to Europe. During 1946 more than 15,000,000 tons of food were shipped to Europe. Heavy movements of foodstuffs to Europe will continue.
- (2) Poor U. S. Weather Conditions. The American grain harvest will be 15,000,000 tons under normal, because of spring floods and unsatisfactory growing condi-

tions, with a constant increasing population. (3) Wasteful American Eating Habits. Americans have always been the most wasteful people in the world when it comes to food consumption. High consumer income has increased this wastefulness.

(4) Putting So Much Grain Into Liquor. The eight billion dollar liquor business consumes huge quantities of grain for brewing of alcoholic beverages. Despite starvation abroad, this "non-essential" industry continues uninterrupted in the production of liquor.

(5) Increase In The Currency. From \$7,000,000,000 to \$27,000,000,000. The tremendous increase in currency since before the war has greatly stimulated the power of the American public to purchase food products.

Awaiting 1948 Tax Bill
There is good reason to believe that large amounts of grain are held on the farm. This is not just a case when farmers are gambling that prices will continue to rise above present inflated levels. Grain farmers are fully aware that there is an excellent chance that personal income taxes may be reduced in 1948. The farmer asks himself the question:

Food Price Investigations
There is much talk in the newspapers about distributors and processors of food products taking advantage of the present squeeze in food prices and systematically gouging the poor consumer. Quite frankly, I think this is propaganda. The fact is that in most instances the farm-

ers' percentage profit margins today are no greater than normal. What has happened is that, because of a higher dollar volume of business, the normal profit margin produces more dollar profits. Hence, don't blame the farmers.

The real villain in the picture is unprecedented demand for farm products both at home, where consumer income has never been so high, and from Europe where famine conditions are so prevalent. We are eating more and wasting a greater volume of food, per capita, than ever before. Even a very small reduction in our consumption of food would prevent the serious squeeze on food prices which we now face. It is most desirable to be frugal at this time, not only to assist those who are less fortunate, but

to help avoid a drastic rise as a result of further price increases in the average family. This is the basic answer to the problem of food prices today.

What Our Contemporaries Are Saying:

UNDERSTAND THE STORE-KEEPER—A number of chain retail systems have periodically issued public statements showing what happens to each dollar spent with them. Every item of expense—the cost of goods, rents and leases, wages, taxes, etc., is detailed. Finally the profit retained by the stores is shown—and it is one of the smallest items in a long list.

What is true if the chains is true of practically all other kinds of retail business. Profit accounts for a remarkably modest part of each dollar which goes through the till. But, according to surveys, millions of consumers are completely unaware of this fact. Some of them actually believe that typical stores, even those dealing in staples which carry the lowest mark-up of all commodities, make a net profit of as much as 50 per cent on each sale. Gross misinformants such as this are obviously responsible for consumer denunciation of retailers as the agents responsible for price inflation, and for picketing of stores by consumer organizations.

A great many customers, in addition, seem to have no idea of the influence competition has on retail business. In sizeable communities, the business blocks are lined with stores, and each one is after the trade of the man next next door. Even in very small towns, competition is a living force. If local people don't like the prices, services or stocks of some crossroad emporium, they will go to the next community and do their shopping there.

The retailer has been unjustly criticized. It is time the public consider the facts—Gaines County News.

BAD CHECK ARTIST LOOSE—An extra-clever bad check artist who has collected more than \$30,000 during the past year is on the loose in Texas and state police today warned bank cashiers to be on the alert to help catch him.

Described as a stocky, sandy-haired man of about 40 or 45 with a calm and intelligent manner of talking the forger has his own pet method that has been known to work on as many as four different cashiers of the same bank in the same day.

The forger has been operating in Texas since 1940, and his checks have ranged in size from \$16 to \$1,275.—The Associated Press.

REMEDY FOR SELFISHNESS—Are you worried and upset about some trivial matter of everyday life? Is so, we can recommend a complete cure for such petty selfishness. We took it and it worked wonderfully. It is not pleasant. Just spend a few days around a large hospital and catch a vision of the human suffering that is so prevalent in this world. You will feel so ashamed of yourself for allowing some little worry to discourage you and you will become so sympathetic with others and their troubles, you will completely forget yourself. You will be so grateful that you will have health that you will cease to allow little things to bother you. Just how long this spirit will prevail, remains to be seen. But such an experience is a realization of the true values of life.—Hamlin, Herald.

THOUGHTS ON INFLATION—Nearly everyone seems to think a price is too high if he is buying and quite within reason if he is selling. That universal attitude explains a good deal of the debate over prices these days. The working man kicks like a steer when he has to pay \$3.50 for a shirt that cost \$2.00 before the war—

but he is all in favor of a wage rate that may be double or more what he earned in 1941. The farmer yells, "Robbery!" when he finds that the cost of a piece of agricultural machinery has gone way up—but he doesn't see anything wrong with record prices for meat and grain. And, finally, the real estate man regards his grocer as a lineal descendant of Jesse James when he sees how little food a five-dollar bill will buy—and then goes out to sell houses for \$20,000 that would have cost \$10,000 or less seven years ago. Government officials denounce industry for high prices—but say nothing about the inflationary influence of a \$260,000,000 national debt and prodigal government spending.—The Crosbyton Review.

One of the first demonstrations in America of the recently invented cotton chopping machine will be held in Memphis, Tex. Oct. 2-4 at the "Mardi Gras of West Texas." The Fort Worth and Denver Railroad Co. made arrangements for its Texas demonstration.

Chemurgy, alliance of chemistry and agriculture, will be on display in Memphis, Tex. Oct. 2 to 4 for the gala Cotton, Chemurgy & Ceramics Carnival.

Post Chamber of Commerce

*Fire Prevention Week...
 OCTOBER 5-11*

Emphasis is being placed on FIRE PREVENTION WEEK by the POST CHAMBER OF COMMERCE and VOLUNTEER FIRE DEPARTMENT.

In order that the Volunteer Fire Group can function more efficiently, citizens of Post are urged to check the hazards around their homes and business houses. Many fires can be prevented and many calls can be avoided if a few precautionary measures are observed.

DO YOU HAVE HAZARDS?

- Special emphasis is being placed at this time of the year on dead grass and weeds which have grown around your buildings—many fires start from this source.
- Dispose of oily dust rags as they are the cause of spontaneous combustion if stored in closets.
- Check your gas heater and hose connections.
- Examine electrical cords for breaks.
- Do not overload electrical circuits.
- Do not store paints, turpentine and other inflammables near fire.
- Clean rubbish from garages, attics, closets.
- Burn carefully trash which accumulates near trash barrels and back yard fences and alleys.

NEWS NOTES FROM . . . Duck Creek Soil— CONSERVATION DISTRICT OFFICE AT POST

Seed For Cooperators

One hundred pounds of African weeping lovegrass seed arrived at Rogers Feed Store this week for use by cooperators in revegetation of cropland. Included in those who bought seed and the amount is Jim Graves, 10 pounds; Tom Gilmore, five pounds; Ralph and Rex Welch, 10 pounds; T. R. Greenfield, 25 pounds; and Bud Williams, 10 pounds.

Nearly 1,100 pounds of hairy vetch seed is in the hands of cooperators ready for planting if rain comes in time.

New Staff Member

Mrs. Wylene Roberts, 1947 Post High school graduate, this week joined the Soil Conservation Service staff at the Post Work Unit. She takes the place of Mrs. Lorene Cash who served as clerk for three and half years. Mrs. Roberts' father, Grady Moss, is a well-known farmer in the counties covered by the Duck Creek Soil Conservation District. The Soil Conservation Service Work Unit in Post is located here to give information and technical assistance to farmers cooperating with the Duck Creek Soil Conservation District.

Farmers who want assistance in soil and water conservation first make application to the district governing body. Will Wright is supervisor for the area surrounding Post and C. P. Witt for the area east of Jayton.

Approve Applications

When the farmer's application is approved by the supervisors, they are turned to the Soil Conservation Service Work Unit at Post. Soil technicians go over the form with the farmer and assist him in developing a coordinated soil and water conservation plan for his place. It is a plan where every acre on the farm is treated according to its needs. Mrs. Roberts makes copies of this plan and they are turned over to the supervisors for their approval. Only after the Duck Creek Soil Conservation district supervisors have approved the farmers conservation plan can technicians of the Soil Conservation Service give assistance to the farmers in carrying out his conservation plan.

October 10 Is Deadline Given Peanut Farmers

Peanut producers have until October 10 to fill out questionnaires regarding acreages and production which has been sent the County Agricultural Conservation Program Office.

A questionnaire should be filled out for each farm on which peanuts have been picked and threshed since 1944. The information will be used in establishing eligibility to vote in the coming marketing quota referendum for 1948-crop peanuts. Therefore, it is highly important that peanut farmers call at their county ACA office and obtain questionnaires, Mike Custer has announced.

The facts furnished by the producers will be used in determining each farm's share of the state peanut allotment. Producers will be notified of their acreage allotments before the referendum on marketing quotas. The date of the referendum will be announced soon.

We All Need Fun!

Nobody in Our Town is exactly lazy (even though Pete Swanson's missus claims he sleeps till seven A.M.). But the hardest working man of all is Doc Hollister—on call, morning, noon and night.

Funny thing, Doc's favorite prescription to his patients is: You ought to have fun. The pace of modern living, even on the farm, demands some relaxation.

And as Doc says—fun is a personal thing. For the missus it may mean a movie or a good book; for Dad, a mellow and refreshing glass

of beer; and for the kids, parcheesi or the radio. Doesn't mean everybody has to like the same thing—so long as they relax, have fun, together, in the home.

Doc doesn't have much time himself. After a hard day, he'll relax before the fire with a glass of beer—and wait for the phone to ring again. And from where I sit, Doc deserves each well-earned minute of that relaxation.
