11 Children Make Mother's Day Great

With 11 children, every day in the year is Mother's Day for Mrs. Minnie Shepherd, but like millions of other mothers the nation over, she always looks forward to the second Sunday in May as a sort of a special Mother's Day.

Getting Out On The Limb

by EDDIE the editor

THE WOMEN, GOD LOVE 'EM. The reason the battle of the sexes will never be won is there's so much fraternizing with the enemy.

Nowadays if you don't have your own psychiatrist, people think you're crazy.

An Ohio inventor has devised a bell to be worn on the Adam's apple to wake up dozing drivers. St. Peter has been using a harp.

AS ONE WHO HAS seen the working press crowded out of press boxes by radio announcers, "spotters," public address system men and others, I'm glad to learn that in Albany, N. Y., newspapermen may look at the official "public" transcript of debates in the New York senate, but no one else.

The \$40,000 record filed in the legislative library is available to newspapermen, but not radio or TV reporters—nor the general public.

Senators may not check their own records.

The record was turned over to Dwight L. Goewey, librarian, at the close of the 1954 session in accordance with a Senate resolution that specified it was to be available for inspection by the press.

Mr. Goewey said the resolution did not mention anyone else. "Press it says and press it is," he declared. "I've got my instructions, and I intend to follow them."

This strict interpretation of the resolution came out when a Mrs. Florence Miller of McKownville, N. Y., asked to see the record. She was refused.

"You newsmen are in a class by yourselves, as far as the resolution is concerned," Mr. Goewey replied. "and that's the law."

I'd like to see similar stands taken on the use of press boxes at football games and other sports events. More often than not, a representative of the press cannot find a seat in the press box—yet that's what they call it.

If animals really do think, as an eminent scientist has solemnly assured us, then a rabbit no doubt wonders just which one of a hundred furs its skin is going to be after it is dead.

The Indians and wolves are gone, thank goodness, and now there is nothing to kill us but cars.

"Political economy" are two words that should be divorced on the grounds of incompatibility.

ELSEWHERE IN THIS issue of The Dispatch is a news story calling attention to "Mail Box Improvement Week," May 17-21.

Shortly after reading the article and while still wondering if rural patrons of this area would cooperate by sprucing up their mail receptacles, I came across another item which said that we soon may see red, white, and blue when we mail a letter.

If a new Post Office Department proposal is approved, the green boxes will be painted aluminum with trimmings of red, white and blue.

On nearly the same subject, the May issue of "Cheer," a bright little magazine published by E. C. Palmer & Co., has an article headed, "World's Largest Business," which reads as follows:

"Each year the U. S. Post Office Department handles some 45 billion pieces of mail, losing only one in every million. The Department regularly employs 65,000 mailmen, exclusive of the 35,000 RFD men. Typically, the Los Angeles Post Office employs 2,500 postmen, each of whom walks out a pair of shoes every three months, and collects dog bites at the rate of one for every 10,000 miles walked and delivers mail to about 1,500 persons."

Hundreds of letters are mailed daily with no writing on the envelope or with a name, but no address. At times it requires real detective work to get a letter through. One worker tabulated 192 different spellings for Chicago alone, including Zizago, Jagjago, Lujio, Hipaha, Hizago, Shebege, and Chague-chico. There are jokers, too, who address their mail in Morse code or in short-hand symbols. One chemically-minded correspondent used H2O, Town for Watertown.

"Each day brings a cargo of curiosities to the Dead Letter Office. Most parts of the human body have at some time found their way there. So have hand grenades, bombs, guns of all kinds, stiletos, and policeman's night sticks. Once a vicious snake leaped out of a package.

The great traditions of the Post Office Department may be summed up in one word—service. Without this vital service, trade and industry could not function effectively and life as we know it would be impossible.

I have a strange and sinking feeling that this week was some-

Misdirected Energy

Our Contemporaries Are Saying

Antique Automobiles

Weldon Johnson, agent for the Santa Fe Railway at Hamlin, has attained a questionable reputation for accumulating antique automobiles. After a recent car trade, in which he took a car of somewhat before-1954 vintage, his associates proceeded to add some decorations, including an "Antique—Handle With Care" sticker picked up around the depot. Johnson referred to his blue-shaded model as his "Blue Goose" and now he is known as "Blue Goose" Johnson.—The Hamlin Herald.

Risky Business

County Commissioner Jack Halbert doesn't mind sticking his neck out in an election year. . . . Sez he Monday morning, "It will rain again this week—by Friday morning for sure." That could lose or make a man a hundred votes—just like that.—Eldorado Success.

No Doubt About It

One fact for sure. You're not going to get more business by not advertising.—The Comanche Chief.

The Old And Young

Melancholy moonlight filters through young leaves of another spring and a pensive wind sobs in the arms of night. The broken promises of lovers are ghosts that hang their eerie bells between the stars, and time is an empty glass for which the last whispered vow has been emptied. The moon and night belong to youth; the old belong to sleep.—Matador Tribune.

About Dust Storms

The government keeps figures on dust storms in which visibility is reduced to a mile or less. We are still quoting in substance what Senator Johnson reports. In the "dust bowl" year of 1936 there were 68 such storms in Texas and Oklahoma; in 1937 there were 72 (the all-time high mark); in 1938 there were 61; in 1953 there were 41 dust storms in Oklahoma and the Texas Panhandle. Up to March 20 of 1954 there were 21 dust storms. If the rains fail to come and the storms continue it will be the worst year on record.—The Floyd County Hooperian.

Enigmatic Electricity

Over at Morton in Cochran County they had a spelling bee recently. One of the spellers was downhearted over missing the fairly easy word, "legal." To console the speller, a Lubbock newspaper reporter wrote of a contestant in the national spelling bee who missed out on such a simple word as "beer." If the meaning of the word hadn't been explained to me beforehand, naturally I would have misspelled it. I never knew there was but one way to spell "beer."—The Stanton Reporter.

Spelling Lesson

One of the things that a lot of people don't know anything about is electricity. There are lots of jokes about this subject but one of the best recent ones on the subject went like this: Lloyd Childers was wiring a house for a couple and the lady of the house came out to give him some tips on how she wanted it wired. When she finished she added, "And please put all long circuits in the house because we always have trouble with the short circuits."—The Canyon News.

MOTHER'S DAY—MAY 9

- How many buttons are missing today?
Nobody knows but Mother.
- How many playthings are strewn in her way?
Nobody knows but Mother.
- How many thimbles and spools has she missed?
Nobody knows but Mother.
- How many burns on each fat little flat?
How many bumps to be cuddled and kissed?
Nobody knows but Mother.
- How many hats has she hunted today?
Nobody knows but Mother.
- Carelessly hiding themselves in the hay—
Nobody knows but Mother.
- How many handkerchiefs willfully strayed?
How many ribbons for each little maid?
How for her care can a mother be paid?
Nobody knows but Mother.
- How many muddy shoes all in a row?
Nobody knows but Mother.
- How many stockings to darn, do you know?
Nobody knows but Mother.
- How many cares does a mother's heart know?
Nobody knows but Mother.
- How many joys from her mother love flow?
Nobody knows but Mother.
- How many prayers for each little white bed?
How many tears for her babes has she shed?
How many kisses for each curly head?
Nobody knows but Mother.

TEXAS TECH EXES of Post and vicinity are making plans to join thousands of other former students in holding a "Texas Tech Day" this week. The local observance will be in the form of a banquet Saturday night in the school cafeteria. MRS. TOM POWER is local chairman for the observance. . . . County Attorney PAT WALKER returned last week from Waco, where he attended the Attorney General's Conference on Law Enforcement. Pat reports that all the speeches he heard were outstanding. . . . Of the fair's zones nearest here recently for Ranges Disease, only one was a reactor, according to County Agent LEWIS C. HERRON, JR., who adds that that is a pretty good record.

MOST OF YOU probably already have, or soon will see a copy of the 1954 Post High School yearbook, "The Caprock," but for the benefit of those who don't get an opportunity to turn through a copy, we wish to express our opinion that it's a real credit to the annual staff, headed by STANLEY NIXON and co-sponsored by MRS. RAY N. SMITH and MALCOLM USEY. It was a nice gesture on the part of the staff to dedicate this year's edition to "The Business Men and Women of Post, Texas."

A NEW FEATURE of this year's "Caprock" is a full page of pictures showing members of the board of trustees at work in their respective places of business. The section on "Personalities" includes full page pictures of CHARLES CHANDLER and TOMMIE WILLIAMS, best all-around boy and girl, BOBBY COWDREY and Miss WILLIAMS as "Who's Who"; NOLAN WILLIAMS, pep squad sweet-

Roger W. Babson Writes This Week:

H-Bomb Will Result Ultimately In Moving Of Capitol Buildings To Center Of U. S.

BABSON PARK, Mass.—As an introduction to this week's column, let me say that I know nothing about A-Bombs or H-Bombs. My present thinking has been due to two things:

Two Important Developments

- (1) The Atomic Energy Commission has permitted one of its engineers to visit us in Central Florida and exhibit some of the uranium being produced from phosphate clays. The recovery is very small per ton of clay; but there are billions of tons. This makes our part of Florida an important source of uranium. This should add to the attractions of the stock of some of our established phosphate companies.
- (2) The President has made reference to bombs in a recent speech and at his news conferences. This also is significant. What is the reason for this exhibiting of our uranium resources and the constant references to the H-Bomb? Then we also have the pictures of the H-Bomb tests in the Pacific, and the various newspaper and magazine articles released thereon. These developments make me suspicious that important news is in the offing. Something perhaps is going on behind the scenes which none of us realize, and it may be announced before this column gets printed. It may be that the President is trying to prepare us for such an event.

Something More To Think About

The A-Bomb has been expensive to make. It is unofficially reported that such a bomb may cost \$50,000. On the other hand, the reverse may be true of the H-Bomb. After the new plant near Augusta is complete, it may be possible to make H-Bombs for \$100 each. I don't know, and am only reporting rumors. Another story going about is that the new H-Bomb will make obsolete a good portion of the famous Oak Ridge Plant in Tennessee. Very revolutionary events are pending. The H-Bomb, owing to its greater destructiveness at less cost, may be of much more importance than the A-Bomb, although the latter is needed to set off the H-Bomb. Furthermore, this

LET'S BOOST THE BAND . . .

Hopes for a more active Band Boosters Club here during the 1954-55 school year is being voiced in many quarters now that the band's 1953-54 activities are drawing to a close. No criticism for the inactivity of the club during the past year is due the handful of band parents who have kept the organization together and who realize the importance of such an organization to a school band.

On the basis of its many public appearances throughout the football season, at concerts and in the annual Interscholastic League contests, a good band probably does as much as any other organization to gain prestige for the school and the town it represents. The band deserves a well-organized group of boosters behind it just as much as does a football team or any other school group. But a band boosters club of no more than 10 or 12 members just isn't large enough to do justice to a band numbering more than 60 students.

Let us hope that under the leadership of the few who are working to keep the Band Boosters Club active in its efforts to assist the band and its director that other parents will affiliate themselves with the organization, attend meetings and boost the band. It might easily mean the difference between a 4-3-2 rating at this year's band contests and a 1-1-1 rating at next year's.

IT'S RODEO TIME AGAIN . . .

With the annual Post Stampede Rodeo only a little more than three weeks away, it's high time for residents of the Post area to start getting into the swing of rodeo promotion, both at home and away.

Since the crop and economic outlook in general usually have a bearing on the success of the annual rodeo, the April rains can be said to have brightened the outlook for this year's event. If more rain falls between now and the opening date, the success of the rodeo, from the standpoint of optimism, is practically assured.

We're six days deep in May, and that usually means you can start looking for announcements on wearing of western apparel, decoration of the streets and show windows, parade floats, etc. In other words, rodeo time is upon us and every day between now and the May 26 opening date can be put to good use in shaping plans for the best western event in the country's history.

TICKETS ARE ON SALE: by the girls of Sigma Chapter of Beta Sigma Phi society for 12 children's matinees beginning May 19 at the Tower Theater. The chapter benefits from each ticket sale and their part of the proceeds will go for benevolent projects. This special vacation series says JOHNNY HOPKINS, Tower manager, assures parents of at least one program a week suitable for children.

Pvt. Norman Johnson Stationed In Tokyo

TOKYO—Pvt. Norman O. Johnson, son of Mr. and Mrs. Thomas G. Johnson of Post, recently arrived in Tokyo for duty with the Far East Command Signal Service Battalion.

Largest unit of its kind in the Far East, the battalion furnishes communications linking the Tokyo area with major military installations around the world.

Pvt. Johnson, who entered the Army in August 1953, completed basic training at Camp Gordon, Ga. He is a 1953 graduate of Post High School.

Kirkpatrick Beats Baugh In Roping

Jack Kirkpatrick, Texas Tech's football quarterback from Post, won by an easy margin over Sammy Baugh of Hardin-Simmons University, in a featured matched calf roping contest during last weekend's National Intercollegiate Rodeo at Tech.

Kirkpatrick roped six calves in a total of 96.9 seconds, for an average of 16.1 seconds each. Baugh roped six calves in 167.6 seconds, averaging 27.9 seconds.

Hardin-Simmons University's rodeo team won the team trophy in the three-day affair, which was held in Jones Stadium. Runners-up were Sam Houston State College and Texas A. & M.

The best all-around cowboy award went to Gip Lovejoy of H-SU, and the best all-around cowgirl award to Beverly Thorn of Sul Ross.

The Post Stampede Cowboys rode Thursday afternoon in the parade opening the rodeo.

Merit System Tests Slated For May 15

AUSTIN (Spl.) — Competitive examinations will be given by the Merit System Council for the Texas State Department of Health on May 15 in as many centers throughout the State as the number of candidates may justify.

Special recruitment will be made for stenographers, secretaries, junior sanitarians, engineer assistants, and graduate nurses.

Application forms and information are available upon request from the Merit System Council, 814 Littlefield Building, Austin 15, Texas.

Ennis Man's Horse Winner At Vernon

A cutting horse named Skeeter Conway, owned by E. L. Glassby of Ennis, was named grand champion Saturday night at the Santa Rosa Roundup in Vernon. The winner scored a total of 444 points.

Other top cutting horses were Marion's Girl, owned by Marion Flynt of Abilene; Hollywood Snapper, owned by D. G. Strole of Abilene, and Short Cut, owned by Robert Q. Sutherland of Kansas City, Mo.

Southland Scouts Win At Camporall; Post Takes Fifth

Southland Boy Scout Troop 71 finished first and Post Boy Scout Troop 16 finished fifth Saturday in the South Plains Council Camporall demonstration contests at Plainview.

The Southland Scouts, who won first place in the Comanche Trail District Camporee held here recently, compiled 912 points out of a possible 1,000 to take Camporall honors.

Second place winner was Lubbock's Troop 5 with 869 points. Third place winner was Troop 60 of Matador with 849 points. Troop 22 of Lamesa was fourth, and finishing behind the Post Scouts were Troop 4, Lubbock; Troop 24, Levelland; Troop 74, Brownfield; Troop 101, Morton; Troop 68, Plainview, and Troop 81, Loop.

Members of the winning Southland troop were: Leroy Voight, scoutmaster; Dillard Dunn, assistant scoutmaster; Johnny Haliburton, junior assistant scoutmaster; Ronnie Dunn, senior patrol leader; Joe Hargrove, quartermaster and E. L. Dunn, scribe.

Scouts include: Dean Williams, George Ellis, Billy Williams, Joe Hargrove, Kenneth Callaway, Jerry Roberts, James Crawford, Delmar Wilkie, Scotty Brown, Clay Oats, Billy Weaver, Gilbert Becker, Laurence King, Fred Myers, Bondy Weaver and Harlo Donahoe.

The Camporall got under way Friday with 182 Scouts and more than a score of adult leaders participating in a camp fire program, following which the group pitched tents and prepared supper in the open.

The contests began early Saturday with tent pitching, first aid, compass reading, judging height, fire by friction, boiling water and use of knife and hatchet competition.

Judges were: H. C. Webber and F. F. Calhoun, both of Plainview; Rollin Sullenger, Bill Strain and Truman Quitt, all of Levelland; Bob Hoover, Littlefield, M. C. Burnett, Dr. C. C. Schmidt, Bob Schley, Warren Shropshire and Raymond Lupter, all of Lubbock.

Eighteen Post Scouts attended the Camporall. Adult leaders accompanying them were Paul Simpson, scoutmaster; Luther Herbert and Phil Trammell, assistant scoutmasters; Bryan J. Williams, Jr., troop committee chairman and Herbert E. Adair, deli, Explorer advisor.

Ex-Tech Students Are Invited To Local Banquet Saturday Night

"Texas Tech Day" will be observed in Post Saturday night when ex-students of the college and their families will meet at the school cafeteria for a banquet at 8 o'clock. It will be the first local observance of this day.

A local committee with Mrs. Tom Power as chairman is making plans for the banquet. The program will include organization of an ex-student chapter to bring exes together for common enjoyment of tradition and heritage of Texas Technological College.

Ex-students wishing to make reservations for the banquet are asked to call Mrs. Power, telephone 422, not later than Friday, or E. E. Pierce, cafeteria supervisor, telephone 312-W.

Hundreds of Tech's former students are expected to gather in centers over the United States for banquets, speeches, dances, picnics and parties in observance of the day.

At their annual homecoming meeting last November, members of the Ex Students Association voted to establish the special day. The executive board voted to hold the meeting each year on the Saturday following the first Monday in May.

The present membership of the Tech Ex Students Association is 14,900. The association is divided into 36 districts, 29 in Texas and seven outside the state. Membership in the organization is open to all former students of the college whose name and address is supplied to the association office at Tech.

Donald Woodin of Crosbyton is this district's representative to the Tech Ex-Student Council.

Miss Scott, William G. Pool, Jr. To Wed In First Baptist Church

Mr. and Mrs. Charlie Scott announce the approaching marriage of their daughter, Miss Joy Scott, to William G. Pool, Jr., son of Mr. and Mrs. W. G. Pool of Lovington, N. M.

The wedding will take place at 8:30 o'clock in the evening, May 22, in the First Baptist Church here. Relatives and friends of the couple are invited to attend.

The bride-elect, a 1952 graduate of Hardin-Simmons University in Abilene, has been a teacher in Post Elementary School since her college graduation.

For the past 26 months, the prospective bridegroom has served with the Army's First Cavalry Division in Japan. He attended Hardin-Simmons before entering the service and will resume his studies there as a senior student in the fall.

Mrs. Shumard Is Honored At Party

Mrs. Lennie Welborn's home was the scene of a lovely shower honoring Mrs. Buster Shumard Saturday evening.

Co-hostesses were Mrs. Bud Odum, Mrs. Lottie Carlton, Mrs. Jack Ballentine, Mrs. W. T. Kiker and Mrs. Pete Walls.

A stork brought a basket filled with gifts decorated the living room. The storking table was laid with iced and was centered with an arrangement of pink roses. Refreshments were served by Mrs. Ballentine.

Mary McCrary Will Give Solo Recital At Church May 18th

Mrs. Elmer Long will present Mrs. Mary Louise McCrary in solo piano recital at 8 o'clock in the evening, May 18, in the First Presbyterian Church.

Mrs. Louise, a seventh grade student in Post Grade School, is the 12-year-old daughter of Mr. and Mrs. Giles McCrary. She has been a student of Mrs. Long for about four years.

Setting as follows for the program will be Bill DeWalt, Susan Rountree and Pam McCrary.

The program is as follows: "Cavatina" (Allegro-Largo-Finale), Hayden; "Ritual Fire Dance," Manuel de Falla; "Little Malinche," Mainville; song by group of girls in music class, and "On a Violin" (duet), Martin, played by Pam McCrary and Mrs. Long.

Part two of the program will include "Bondo" by Beethoven; "Doll Dance," Brown; "Down Yonder," Gilbert and Comden, by the Rev. Gerald Blackburn.

Look Who's New

Mrs. and Mrs. Jake Sparlin of Lovington, N. M., are parents of a boy born at 10 a. m., April 29. He weighed eight pounds and 12% ounces. The Sparlins have two daughters and another son. Mr. and Mrs. Elmer Cowdrey and Mr. and Mrs. Albert Sparlin are the grandparents.

Post Group To Attend Convention Of Christian Churches In Fort Worth

Some 5,000 delegates from every section of the state will gather on the campus of Texas Christian University Saturday for the opening of the five-day 67th annual Texas Convention of Christian Churches.

Attending from Post will be the Rev. Almon Martin, First Christian Church minister, Mrs. Martin, Mr. and Mrs. K. Stoker and Mr. and Mrs. W. M. Kirkpatrick.

The meeting will include special workshops, board and committee meetings, dedication of TCU's new Religion Center, a mass rally in Will Rogers Memorial Coliseum and addresses by leading figures of the Disciples of Christ Brotherhood.

Official hosts will be TCU, University Christian Church and co-operating Christian churches of Tarrant County. Dr. W. A. Welsh, pastor of the East Dallas Christian Church, will be president of the convention.

The Disciples, the largest religious body of American origin and development, have played a part in Texas history since the first settlers came in the 1820's. Theme for their 67th State convention will be: "... For we have this treasure."

Starting on Saturday, the program calls for special sessions of the State men's, women's and youth groups Sunday afternoon at 2 o'clock, the delegates will gather on the lawn of TCU's new \$1,200,000 Religion Center for formal dedication services. The university will present honorary degrees to 13 leading churchmen from all over the country at that time. President M. E. Sadler will preside.

That evening at 7:30 o'clock, a mass Christian Church Rally will be held in Will Rogers Coliseum with Dr. Welsh giving the keynote address. The Coliseum will seat 8,000 and a near-capacity crowd is expected.

Convention sessions will move into TCU's Ed Landreth Auditorium on Monday. Full morning, afternoon and evening sessions are scheduled Monday through Wednesday.

Speakers will include Dr. G. Curtis Jones of Nashville, Tenn., a leading Disciples minister, Dr. Cleo W. Blackburn, president of Jarvis Christian College, Dr. Harlan L. Smith of Indianapolis, president of the Board of Higher Education, Disciples of Christ; Mrs. Russell C. Putnam of Cleveland, president of the International Christian Women's Fellowship; Edna Poole, missionary

Rules Adopted For Tobe-Strawn Field

Rules have been adopted by the Texas Railroad Commission for the Tobe-Strawn field of southeastern Garza County. They call for 330/933-foot spacing for wells to the same reservoir; 40-acre proration units with no more than one well, 20-acre tolerance and a limit of 2,100 feet between the farthestmost points; allocation based 75 per cent on acreage and 25 per cent on the well, and 60 feet of surface casing cemented to the surface.

The Railroad Commission has also announced approval of the field name Huntley-3400 for the recently discovered oil pool for the Head Drilling Co. and Alexander Associates No. 1 Huntley in Section 2, S.F. 8369, A-1168.

Seniors Home From Annual Class Trip

The 31 members of the Post High School senior class and their sponsors returned Sunday afternoon from a class trip which took them through the central and gulf regions of Texas and to Shreveport, La.

In Shreveport Saturday night, the seniors attended the KWKH studio broadcast of "Louisiana Hayride" and the names of the class members were announced on the program.

Their trip included visits in Austin, San Antonio and Galveston, in addition to the Louisiana city. Traveling by chartered bus, they returned by way of Dallas and Fort Worth.

Adults accompanying the group, which left Post at 6 p. m. Wednesday were N. R. King and Mrs. G. E. Fleming, class sponsors; Mrs. Raymond Redman and Mrs. George Carpenter, room mothers and Principal Chant D. Lee.

30-Year Service Star Awarded Mason At Scouter's Banquet

Marshall Mason, Post business man, who began Scouting in 1913 and is still active, was awarded a 30-year service star last Thursday night at the installation banquet of the Comanche Trail District, Boy Scouts of America.

The special presentation was made by Tommy D. Daniel of Lubbock, district Scout executive.

Dr. Robert Rouse, associate professor of economics at Texas Tech, was principal speaker at the banquet, which was held at C. W. Post Memorial Scout Camp.

"A young man has to make the three most important decisions of his life between the ages of 12 and 24," Dr. Rouse told the Scout leaders.

He listed the three decisions as choice of an occupation, a mate and an attitude toward God. With the theme of "Christian Ideas in the Development of Youth," he said training leading to the goal of the decisions should come from the home, church, school, community and youth organizations.

He told the Scout leaders that, with the national Scout program

H-SU Choir Books Three Concerts

ABLENE (Sp.)—The Hardin-Simmons University a cappella choir, of which El Wanda Davies of Post 13 a member, will present three concerts in the Dallas-Fort Worth area on Sunday, according to E. Edwin Young, dean of the H-SU School of Music.

The choir, under the direction of Euell Porter, professor of voice and church music at H-SU, will sing Sunday morning at the East Grand Baptist Church in Dallas. The afternoon performance will be in the Handley Baptist Church at Fort Worth. Sunday night they will sing in the Polytechnic Baptist Church of Fort Worth.

Porter and the H-SU singers recently completed a tour to the western border of Texas, climaxing the tour with an Easter sunrise service in the El Paso Sun Bowl.

Music at H-SU is taught for its impact on the individual. This carries over into concerts by the a cappella choir. School and church groups throughout the southland have heard the choral group, which is frequently called upon to serve as official choir for music educators and Baptist conventions.

Date For Release Cotton Allotments Is Extended Here

Date for release of cotton acreage has been extended to May 21, according to officials of the Garza County Agricultural Stabilization Committee.

Under certain conditions, farmers with 1954 allotments who do not intend to plant the acreage may release it without affecting their 1955 crop histories, it is explained.

If a producer planted cotton either in 1952 or 1953 or both years, he can release his 1954 allotments without affecting his 1955 allotment. However, if he planted cotton only in 1951 and none in the other two years, he would lose his 1955 allotment by releasing his 1954 acreage. Furthermore, he will have to plant his 1954 allotted acreage to get a 1955 allotment.

For example, Farmer A planted 11 acres of cotton in 1951 and none in 1952 and 1953. He has an eight-acre allotment for 1954. If he releases his 1954 allotment or fails to plant it, then he has no cotton crop history for the last three years, then no allotment for 1955.

However, Farmer B planted no cotton in 1951 or 1952, but had 26.5 acres in 1953. He has a 1954 allotment of 10.6 acres. He can release his 1954 allotment this year and still have a 10.6-acre quota for 1955. It would be the same if his 26.5 acres had been planted in 1952 and none in 1953.

The controlling factor is the planting of cotton in at least one of the three years of the base period.

The 1955 acreage will be based on plantings for 1952, 1953 and 1954, or any one of these three years. Thus the 1951 acreage is no longer figured in farmer's cotton crop history.

Post Band Gets 4-2 Rating In Annual Contest

If there had been one more contest to go Saturday, the Post High School band might have got a Division I rating in the Region 1 Interscholastic League Band Festival at Lubbock.

Improving its ratings with each contest, Director Bob Robbins' bandsters received a IV rating in concert and a III rating in sight reading Saturday afternoon, then came back Saturday evening to chalk up a II rating in the marching contest at Chapman Field.

The Post band was competing in Class AA, where sweepstakes honors were won by Brownfield with a 1-1-1 rating in the three contests.

In concert, Post tied with Muleshoe, Lockney and Floydada, but finished behind Slaton, which had a III rating, Littlefield with a II rating, and Brownfield with a I rating.

In sight reading, Post's rating was one notch lower than those of Slaton and Lockney, and two notches lower than the ratings won by Littlefield and Brownfield. Tying with Post in sight reading ratings were Muleshoe and Floydada.

In the marching contest, Brownfield, Slaton and Littlefield received first division ratings; Post and Floydada, second division; and Lockney, third division. Muleshoe did not compete in marching.

In solo contests, Freda Kennedy of the Post band received a Division I rating in twirling. Division II ratings were won by Jamie Gossett in twirling and Kenneth Mills in French horn, and Tommy Mayfield and Gene Young received Division III ratings in student conducting.

More than 1,300 students, representing 26 high school bands and six junior high school bands, took part in the festival.

RECIPE OF THE WEEK
By Mary Lee Taylor
Country Steak Dinner
 Broadcast: May 1, 1954

4 cube steaks (1 lb.)
 1/2 cup fine, dry bread crumbs
 2 teaspoons salt
 1/2 teaspoon pepper
 1/2 cup Fat Exposed Milk

1/2 cup fine, dry bread crumbs
 2 tablespoons flour
 1 lb. can whole kernel corn
 1/2 cup Fat Exposed Milk

Roll cube steaks in a mixture of bread crumbs, 1 teasp. salt and 1/2 teasp. pepper. Dip into milk. Roll again in hot of crumbs. Brown slowly on both sides in 1/2-inch hot fat, about 5 minutes on each side. Cover tightly and cook over very low heat 10 minutes, or until meat is tender. Remove meat to large warm platter and keep hot. Add onion to hot in skillet and cook slowly 2 minutes. Drain tomatoes and save juice. Blend flour, 1 teasp. salt and 1/2 teasp. pepper into mixture in skillet. Stir in 1/2 cup tomato juice. Cook and stir over low heat until thick, about 2 minutes. Stir in drained tomatoes and corn. Heat until steaming hot. Arrange on platter around the steaks. Makes 4 servings.

Records Unimpressive, But Antelope Teams Tried Hard, Resume Discloses

At the end of the 1953-54 year only a week away, the resume of sports activities by the local schools did not set the woods on fire but were in there trying to get the most out of the time and affording plenty of interest.

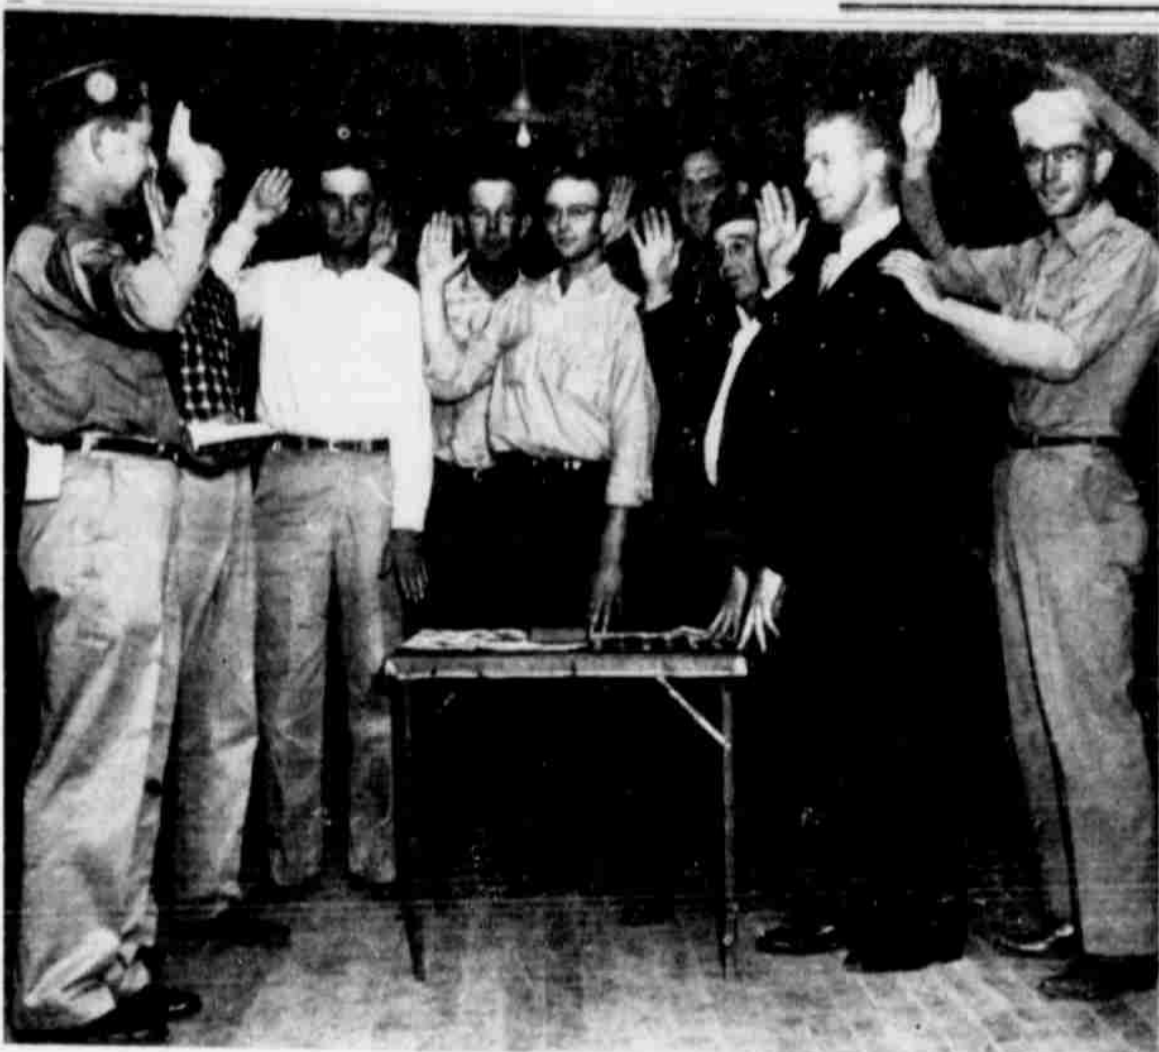

Bingham's Antelope football team finished the year with a 3-5 record, the point of the season being a homecoming victory over the Slaton Tigers. Other teams were scored over Ralls, Creston and Rotan, while not as strong as last year's sextet, which went as far as the Stearns League Tournament playoffs, compiled a better record than the boys and won a tournament at Dawson.

By far the best record chalk-

ed up by a Post basketball team was compiled by Coach Bingham's two ninth grade quintets, which shared championship honors in a junior high tournament played here, and gave good accounts of themselves in the Floydada tournament.

Also winning more games than they lost was Coach Bingham's grade school team, which captured second place trophies in tournaments at Southland and Graham, in addition to winning a majority of their matched games.

Coach King's girls' volleyball team won the south half district championship and finished second to Loveland in the district playoffs.

An unimpressive Antelope

track squad failed to cut much ice in area meets.

Coach Ray's baseball team has another game or two to go before finishing its season. In their first two starts, they lost to Slaton and Ralls.

The coaching staff generally agrees that prospects are bright for better showings in all fields of high school athletics during the 1954-55 school year.

Wood Bees Score 28 To 2 Victory

Backing three pitchers for a flock of base blows and scoring in every inning, the Post Wood Bees defeated the Tahoka Rangers, 28 to 2, Sunday afternoon on the Post-Tex Mill diamond.

Opening the scoring parade with a single run in the first inning, the Post nine racked up seven more in the second, two in the third, one in the fourth, six in the fifth, three in the sixth, five in the seventh and three in the eighth.

The visitors' two runs came in the third inning on two singles and two walks off Arlon Taylor, who started on the mound for the locals. Billy Ramage and Hugh Ingram touched the game for the Wood Bees, holding the Tahokans scoreless the rest of the way.

Oscar Garner, managing the team in the absence of Paul Duren, played every man on the Wood Bee squad.

The victory was the second of the season for Post in as many games. They defeated the Lubbock Black Hubbers, 4 to 3,

Close City Places Fourth In Contest

The Close City community has won fourth place in the district in the Rural Neighborhood Progress contest sponsored by the Farmer-Stockman magazine.

Judging of the community progress at Close City was conducted several days ago.

Two 10-Club Majors Predicted By Lane

General Manager Frank Lane of the White Sox insists there is no longer any doubt that expansion of the major leagues is just around the corner. The only question remaining in his opinion, is where the expansion of the two circuits will take place.

Lane, whose convictions carry considerable weight because he is chairman of Organized Ball's Reorganization Committee, differs emphatically with Art Ebers on some of the points Baltimore's general manager expressed in the April 28 issue of The Sporting News.

Ebers predicts there will be a sweeping change in the alignment of the majors. With four classes shuffled around, but with the two large remaining as eight club leagues.

"I believe the answer in most baseball prosperity is to expand each of the two big leagues into ten-club circuits," said Lane. "If we don't get into any earthquake-like war of a real den recession, it probably will happen within two years."

Spain And Trucks Wage Whirl Duel

Southpaw Warren Spahn of the Milwaukee Braves, and right hander Wally Trucks of the Chicago White Sox, two of the major league's strikeout kings, have been waging a farming duel for the past few seasons, says a story in The Sporting News.

It started in 1945 when Spahn, then of the Boston Braves, and Trucks, with Detroit, were the strikeout champions of the two major leagues. Spahn's total was 151 and Trucks 153.

By the end of the 1952 season, Spahn had an even 1,000 strikeouts in his National League career. But Trucks had 1,003 for his years in the junior circuit. In 1953 both were 20 game winners. Spahn fanned 148 batters, Trucks 145. Not much difference.

Both made their 1954 debuts on April 15. Spahn fanned three Cardinals and Trucks whiffed a like number of Orioles. In their next outings on April 20 and 21, respectively, Trucks set down three Tigers but Spahn appeared to pull away with an 11 strike out feat against the Cubs. However, on their third time out in the 1954 season on April 25, Trucks whiffed six Orioles, but Spahn could set down only two Cardinals. The net result on lifetime strikeouts at that stage was Spahn 1,164, Trucks 1,164.

Pat Monahan, the veteran scout, tells about a minor league fan who saw the home team lose, 20 to 2, and then kicked about the game to the business manager. "Do you want your money back?" asked the B. M. "Now," replied the fan, "Just the tax. I came in on a pass."

Mrs. Graeber's Sister-In-Law Dies In Germany

Mrs. W. R. Graeber has received word of the death of her sister-in-law, Deaconess Hedwig Graeber, sister of the late W. R. Graeber. She died of a heart attack April 26, in Osnabueck, Germany. She had recently celebrated her "Golden Jubilee," representing 50 years of service as a deaconess in the Evangelical Lutheran Church. At that time her church honored her with outstanding courtesies. During World War II, her home was bombed and she and a sister were fleeing for safety when they were overtaken and captured by the Russians and held prisoners for two years, during which time they were subjected to many cruelties. After their release and during the reconstruction period, many of Mr. Graeber's friends sent CARE packages to them. The deaconess' birthday was near Christmas and it has been a custom of the local Mary-Marta Sunday School Class of the Methodist Church to recognize it at their annual Christmas party and they always sang "Happy Birthday." Two years ago Mrs. Graeber and Mr. and Mrs. W. B. Little of Littlefield made a tour of Europe, and Deaconess Graeber accompanied them on their memorable cruise of the Rhine from Cologne to Weisbaden. She is survived by one sister in Osnabueck and one in Hamburg; three nephews, Walter in Hamburg, Gunter in the Russian Zone and Gerhardt in Osnabueck. Gerhardt will be remembered by many Post friends as he made a lengthy visit here several years ago.

I read where you were commending the good neighbors for being so good about letting folks use their storm cellars. I'll agree with you all the way, but it won't remain so if people don't stop imposing on them. I went to friends and there was standing room only. Still, two families had brought their birds in their cages and where the cages sat would have been room for a child to sit. And that's not the only case I heard of, but I know this is true, for I was there.
