Twenty-Seventh Year Post, Texas "The Gateway To The Plains" Thursday, March 4, 1936 Number 30

Post Couple's Son Perishes In Sea Crash

The body of Lt. Commander Joe Edwin Pierce, 33, son of Mr. and Mrs. E. E. Pierce of Post, has been recovered, following the crash of his plane in the East China Sea shortly before midnight Tuesday while on a "night recovery mission."

The lieutenant commander's wife, Mrs. Virginia Pierce of San Diego, Calif., told the Post couple in a telephone message this morning that the Navy Department had notified her the body had been recovered along with those of two other occupants of the plane.

The Pierces had been notified by the Navy Department Wednesday afternoon that their son was missing following the night flight.

Lt. Cmdr. Pierce, a graduate of Levelland High School, was a senior student in Texas Technological College when he enlisted in the Navy early in 1942, a short time after Pearl Harbor. He served two years in the South Pacific during the war.

Following his discharge from the service, he established a weekly newspaper at Collee City, Wash. He was editor and owner of the paper when he reentered the Navy as a reservist in October, 1952. He was stationed at San Diego and was given sea duty in September, 1953. He was scheduled to return to the states in May of this year.

He was employed in the Lubbock Avalanche-Journal sports department. See POST COUPLE'S Page 8

Costly Fire Hits Feed Store Here

Post Feed & Seed Store reopened for business Monday afternoon following a fire Saturday night in which more than 1,400 baby chicks suffocated and extensive damage was done to the interior of the building.

Paul Hedrick, who operates the Gateway Motel, near the feed store on South Broadway, discovered the fire and turned in the alarm shortly after 10 o'clock, firemen reported.

Both fire trucks went to the blaze and firemen brought the flames under control before they swept through the entire building. Practically all of the damage was confined to the rear of the structure.

Highway Department Calls For Bids On Road Projects

Bids on completion of Farm-to-Market Road 651 and improvements to U. S. Highway 380 have been called for by the Texas Highway Department in Austin. The sealed proposals will be received until 9 a. m. March 17, and then publicly opened and read.

A \$30,000 bond issue for purchase of right-of-way needed on the two road projects was approved Jan. 23 by voters of Road District No. 3 of Garza County. Money for sale of the bonds was received by the county Monday from First Southwest Company, Investment Bankers.

Construction on the farm-to-market road will be for a distance of 11.114 miles from a point seven and one-half miles northeast of Post to the Crosby County line, 19 miles south of Crosbyton. The road will connect with a Crosby County farm-to-market road to provide an all-weather route from Post to Spur.

Grading, structures, base and surface are specified in the highway department's call for bids. The project will include construction of concrete bridges across Salt Fork of the Brazos and McDonald Creek to replace the present wooden structures.

The U. S. 380 project, which is for 11.269 miles, will include widening of the present highway, including extension of structures, base reconditioning and surface treatment. Cost of this project is estimated at \$214,845.70.

Estimated cost for completion of the farm-to-market road is \$269,587, the construction of the two bridges accounting for the bulk of the expense. The road has been improved to the point seven and one-half miles northeast for some time, but completion has been stalled because of difficulty in acquiring right-of-way.

Plans and specifications on the two road jobs are available at the office of F. C. Stanley, resident engineer, Lubbock, and at the Texas Highway Department in Austin.

J. E. BIRDWELL NAMED PRESIDENT

Rodeo Directors' Board Expanded

Twelve directors were elected and four more were appointed Monday night at a meeting of stockholders of Post Stampede Rodeo, Inc., at the City Hall.

Appointment of the four new directors increased the size of the board from 12 to 16. The action came after the group approved a motion by Phil S. Bouchier that Article II of the by-laws be amended in order for the number of directors to be increased.

In an election of officers which followed balloting for the 12 directors, J. E. Birdwell was elected president to succeed G. W. (Giles) Connell. E. A. Warren was elected vice president to succeed W. S. Duckworth, and Jack Meeks was elected to fill the post of assistant manager, a new office.

Re-elected to office were Bouchier, manager; Homer McCrary, secretary and treasurer, and Novis Rodgers, arena director.

New directors elected were Birdwell, H. H. (Boy) Hart and Jack Burgess. Those re-elected were Lee Byrd, Harold Voss, Bouchier, Meeks, Rodgers, McCrary, Ira Greenfield, Warren and Duckworth.

The four new directors appointed by the board are Bryan J. Williams, Jr., S. E. Camp, Mike Custer and Powell Shytle.

In the future, all 16 directors will be elective, it was decided. Outgoing directors were Bill Long, Earl Hodges and Connell. A total of 19 nominations were submitted for the 12 board places voted on.

Other business at the meeting included discussion of plans for the annual Post Stampede Rodeo set for May 26, 27, 28 and 29.

City Is Accepting Bath House Bids

General contract bids for construction of a bath house and improvements at the swimming pool under construction here will be accepted by the City of Post until 3 p. m. March 19.

Tom W. Bouchier is architect on the building, which is a part of the city's pool project at the city park site.

'Scotty' Identified As 'Mystery Guest'

George "Scotty" Samson, one of Post's most widely known citizens, was identified by a four-man panel as the "mystery guest" Tuesday night on KDBU-TV's "Personality Puzzle" studio show.

The 30-minute program was another in a series honoring South Plains towns. Two of the panel members—Dr. Harry A. Tubbs and the Rev. Roy Shahan—were from Post. The other two, regular panel members, were Roy Bass and Harold Chapman, both of Lubbock.

Scotty's native land, his hobbies of grass classification, fairs and golfing, and other characteristics were used as clues in helping the panel identify the mystery guest.

In the studio audience were a number of Post people, including W. S. Duckworth and Mrs. Ira Greenfield, president and secretary of the Chamber of Commerce; Mayor T. L. Jones and City Supt. R. H. Tate.

Following the show, the mystery guest was presented a certificate for a watch and each of the panel members received a set of cuff links.

Ministers' Group Elects President

The Rev. Roy Shahan, First Baptist Church pastor, was named president of the Post Ministerial Alliance Monday morning to replace the Rev. A. F. Duke, Church of the Nazarene pastor, who moved this week to Hillsboro. Rev. Shahan has been serving as vice president.

The change was made at a meeting of the ministerial alliance held at 10 o'clock at the First Methodist Church.

The city-wide simultaneous revival, April 11-18, was discussed and additional plans made for the campaign. The Post Chamber of Commerce recently voted to sanction closing of business firms during the hour and a half each day the revival is in progress.

Also discussed at the meeting were plans for a community. See MINISTERS, Page 8

Full List Of Entrants Seen For County Spelling Bee

Grade school students from every school in the county are expected here Wednesday afternoon for the second annual Garza County Spelling Bee, to be held at 2:30 o'clock in Room 119 at Post Grade School Building.

Dean A. Robinson, Bee director, announced this week that the words will be pronounced by Mrs. T. L. Jones and that judges will be O. C. Strickland, high school teacher, and Mrs. Neida Aduddell, high school secretary. Winner of the Bee here will

qualify for the regional Spelling Bee in Lubbock later in the month. The winner there will represent the region at the national contest in Washington, D. C.

Cash prizes totaling \$30 will be awarded to the county's top three spellers by the Post Chamber of Commerce. First place winner will receive \$15; second place, \$10, and third place, \$5. The Chamber of Commerce awarded the same prizes to winners in last year's contest.

Last year's Garza County winner was Howard Jones of Post, who won third in the regional contest. Second place winner here was Butch Wilson, also of Post. Third place went to Onetta Jones of Close City, and fourth place to Janet Stephens of Graham.

The Bee is sponsored by the Lubbock Avalanche-Journal.

Interest Light In School Week Here

The number of patrons visiting the schools Wednesday in connection with Public Schools Week was disappointingly small, school officials reported today.

Throughout the day Wednesday, which was designated for visitations, about 30 patrons visited the grade school, and a lesser number the high school. Many of the grade school visitors, however, fell in line with the spirit of the occasion by sitting through full periods in some of the rooms. Most of these visitors were in the lower grades.

There were a number of visitors at the grade school's 11 o'clock assembly program, at which the school's choir, directed by Miss Wanda Rogers, sang several numbers.

Following the program, about 30 patrons ate lunch in the school cafeteria. E. E. Pierce, supervisor, reported.

Visitors are welcome again today and tomorrow at the schools, officials said. There are a number of attractive and interesting displays in rooms at both schools.

March 25 Is Date Of Final Concert

The Garza Town Hall and Concert Association's final concert of the 1935-34 season will be held Thursday night, March 25, instead of Monday night, March 8, as previously announced. Mrs. Carl Webb, president, said today.

A mix-up in dates in the offices of Southern Town Hall Association in Dallas is responsible for the erroneous announcement of the earlier date, it was reported.

Joseph Callaway, actor, critic, director and lecturer, will be presented in the season's closing concert.

Educator Tells Post Seniors Of World Changes

The challenge of a changing world to its youth was the general subject of a talk by Dr. Orville Yeager of Wayland College at Friday night's senior class banquet sponsored by the Woman's Missionary Union of the First Baptist Church.

Dr. Yeager, who is professor of history and economics at the Plainview college, reviewed world changes of the past few decades up to the atomic age.

In pointing out that modern conveniences have brought responsibilities as well as opportunities, Dr. Yeager said it is up to the young people to rightfully use these conveniences. "If not used right, they will be to our detriment instead of to our progress," he said.

Dr. Yeager was accompanied by his wife, who is professor of voice and music theory at Wayland College.

The Rev. Roy Shahan, First Baptist pastor, was master of ceremonies. Invocation was by D. C. Arthur, superintendent of the Post schools; welcome by Anna Mae Pierce, and response by Bobby Cowdrey. The benediction was by Rev. Shahan.

"Ready" was the theme of the banquet, arrangements for which were in charge of Mrs. Iven Clary, WMU president.

TO ELECT TEACHERS

Election of teachers for the 1954-55 school year will be on the agenda of business at Monday night's meeting of the board of trustees of the Post Independent School District.

FOLLOWS FORGERY INDICTMENT

Guilty Plea Draws 4-Year Sentence

H. H. Free was sentenced to four years in prison after pleading guilty in district court Monday to a forgery charge. He had been indicted on the charge by a grand jury earlier in the day.

Free was charged with passing a forged check in the amount of \$68 to A. B. Haws, Post merchant, on Jan. 27.

After being sentenced here by Judge Louisa B. Reed, Free was turned over to Stonewall County officers and taken to Aspermont to face a criminal charge. He recently received a three-year

sentence in Jones County for car theft. The forgery indictment was the only one returned by the new March grand jury, which was in session only about an hour. No-bills were brought on two other forgery complaints, and a third one was passed.

Post To Join In 'World Day Of Prayer'

Members of Post churches will join Friday in World Day of Prayer, an annual observance to be celebrated by 113 nations around the entire world. At sunrise the Fiji Islands will begin the prayer day services and the cold Arctic Circle will close this day of prayer at their sunrise 24 hours later.

The observance here will be held at 3 p. m. at the First Presbyterian Church, with the program lasting about an hour and a half. Host pastor, the Rev. Gerald N. Blackburn, will welcome

those attending and will pronounce the benediction at the conclusion of the service.

The committee in charge of arrangements is composed of Mrs. Gerald N. Blackburn, Mrs. J. A. Stallings and Mrs. Tom Power. Prayer leaders will be Mrs. C. I. Dickinson, Mrs. Victor Hudman, Mrs. Willard Kirkpatrick, Mrs. K. Stoker, Mrs. H. H. Bledsoe, Mrs. C. C. Ramsey and Mrs. J. P. Manly.

The program will also include vocal solos by Miss Maxine Durrett and Mrs. Power, with Mrs.

Stallings as organist. A special offering will be taken at the service.

This day is sponsored by the United Church Women of the World who represent the Protestant groups. The United Council of Women chooses a woman each year to write the prayer service for all of its churches to use.

This year the service was made up by the late Sarah Chakko, professor of Isabella Thoburn College for Women in India. Miss Chakko died in January this year.

TRYING TO DECIDE—These three Post High School seniors are looking over a collection of college bulletins while waiting for the start of the annual senior banquet given Friday night by the First Baptist WMU. Left to right are H. V. Williams, Jerry Schrimsher and Donald Moore.—(Staff Photo).

Refuse Disposal Is Health Problem In Most Places

COLLEGE STATION (SpL.)—President Eisenhower and Gov. Allan Shivers have issued statements regarding the work of 4-H clubs. The greetings were made in recognition of the rural youth organization as its members observe another year of progress during National 4-H Week, Mar. 6-14.

President Eisenhower said, "I am delighted to learn that your national theme for 1954 is Working Together for World Understanding. Working together has long been an important feature of 4-H Club work. As you learn new skills, as you test new ideas and as you find better ways of applying science to agriculture and home economics, you are sharing exciting and valuable experiences."

"To all 4-H members," he continued, "I send my very best wishes for another year of stimulating, enjoyable work in the 4-H Clubs of America."

Governor Shivers in a special proclamation recognized the 122,000 Texas 4-H club members. He said, "Among these young people are many of our State's future leaders, not only in agriculture but also in religion, business, government and citizenship." "In our state," he continued, "the 4-H program is directed by the Agricultural Extension Service of the Texas Agricultural and Mechanical College System. County extension agents are key people in the organization and work of the 4-H clubs. They receive invaluable cooperation from thousands of parents, volunteer leaders, and other interested citizens, as well as from the young people themselves."

Both leaders urge all citizens to participate in the National 4-H Club Week observance and become more familiar with the work of the organization which has a national membership of more than two million. Local meetings or special activities have been planned, largely by the members themselves, for community and county participation and to these the public is invited.

WINS HIGHEST HONORS

AUSTIN (SpL.)—Ross Edward Morrow, University of Texas student from Post, has won highest honors in the College of Engineering by being listed in the top bracket of the fall semester honor roll. A freshman majoring in electrical engineering, he is the son of Mrs. Nadyne Morrow of Post.

Co-op Stockholders To Meet Tuesday

A meeting of the common stockholders of the Garza Co-operative Association will be held at the City Hall at 2:30 p. m. Tuesday for the election or re-election of two directors, and other business.

Directors whose terms are expiring are D. C. Morrell and Charlie Bird. Other members of the board are John L. Lawlis, L. W. Dalby and T. L. Jones.

BITS-OF-NEWS

Mr. and Mrs. Ira Greenfield spent Saturday night in Petersburg with Mrs. Greenfield's brother and his two daughters. Sunday they visited in Tulla with Greenfield's sister, Mrs. Dan Altman, and family.

Mrs. J. D. Ratliff and daughters, Rebecca Sue and Deborah Kay, of San Jose, Costa Rica, are visiting their parents and grandparents, the E. C. Haragans. The Haragans son-in-law, the Rev. Ratliff, will begin duties this month as a missionary in Honduras. His family will join him there.

220,000 Farmers Aided By FHA

The Farmers Home Administration aided about 220,000 farm families with credit or technical assistance for better farming in the fiscal year 1953, USDA said in releasing the agency's annual report. Assistance was given only to farmers whose needs could not be met by local banks or other credit sources in their communities.

Farmers used the loans to adjust and improve their livestock and crop programs and earn better incomes; to develop their land; to buy or enlarge farms; to build or repair houses and farm buildings; and to develop water supplies.

The counties where agricultural production was curtailed by drought, flood, or other natural disaster, emergency loans also were made to tide farmers over the months when their incomes were reduced and to enable them to keep land in production.

About half the farmers served are war veterans and other young farmers who need credit and advisory assistance to become soundly established. Veterans continued to receive preference in all the regular loan programs.

There are about 920,000 employees in the U. S. auto industry.

RESERVES' WEEK SET
 AUSTIN (SpL.)—Gov. Allan Shivers Saturday designated the week of March 1-8 as Marine Reserve Week in Texas and urged Texas to pay tribute to those who have become members of the U. S. Marine Corps Reserve.

Card of Thanks

We want to thank all of you who were so nice to us during the fire Saturday night and since our misfortune. We especially wish to express our appreciation to the fire boys for their efforts.

Mr. and Mrs. Arda Long

We are sincerely grateful to friends and neighbors for their many kind acts of sympathy during our sad bereavement. Our appreciation cannot be adequately expressed.

Mrs. D. G. Stalle and family

We wish to express our sincere thanks and appreciation to our friends and neighbors who were so wonderful during the illness and death of our husband and father. For the food, floral offering and every expression of sympathy we thank you. May God bless each and every one.

The Carlton Family

We wish to express our sincere thanks and appreciation to our friends and neighbors for the many kind deeds shown us in our hour of sorrow. To the ladies who prepared food and for the beautiful flowers we are grateful. To Dr. Williams who has served mother all these years and to Mason Funeral Home personnel we offer our gratitude. May God's richest blessings be upon each of you in our prayer.

Area Income Taxpayers Cautioned To Send Forms And Payments To Dallas

Taxpayers in the Dallas District were cautioned today by Ellis Campbell, Jr., director of the Internal Revenue Service, to send their income tax forms and payments to his office at 2101 Pacific Avenue, Dallas, and not to Washington, D. C.

Hundreds of returns are being received daily in Washington. Campbell said, from persons who should have mailed them to their district offices. In the instances in which this has been done the office in Washington is compelled to send the return to the district to which it should have gone in the first place. The volume of such misdirections has slowed down much of the regular work of the headquarters offices in Washington, Campbell said.

Campbell also reminded taxpayers of the approaching return deadline and urged all who will owe income taxes or who are entitled to refunds to take immediate action in the matter. Early filing and payment will greatly expedite the work of his office, he said, and for those taxpayers entitled to refund will make possible early receipt of the money owed them by the government.

Members of the armed forces who do not maintain a permanent station and members of the diplomatic corps, state department, or other federal agencies who do not maintain regular residence addresses in this country, should send their returns to the district office of Internal Revenue at Baltimore, Md. This office processes all returns by

taxpayers who do not claim a specific American residence. Army personnel, however, who are temporarily on duty at regular stations and who have a residence address for normal civilian purposes should continue to file their returns with the district office serving their area of residence.

March Red Cross Month In Texas

AUSTIN (Sp.)—March was designated as Red Cross Month in Texas Saturday by Gov. Allan Shivers.

In Texas, said the Governor in an official memorandum, "we are continually conscious of Red Cross and its significance and importance in time of need."

Due to the size of Texas, he noted, each year it has more natural disasters than any other state.

"During the last Red Cross year," he said, "10,860 of our people were assisted during 29 disasters, occurring in 37 counties of the state. These disasters destroyed or damaged 4,654 buildings; killed or injured 1,699 persons, and resulted in Red Cross expenditures of \$821,386."

Mr. and Mrs. B. C. Manis have returned from a two-weeks fishing trip to Lake Brownwood. They plan to leave Friday for San Antonio where they will visit with Mrs. Manis' brother who will observe his 74th birthday Sunday.

Students From Post On Tech Honor Roll

Two students from Post, Betty J. Mills and Jimmie W. Wygal, are among the 270 Texas Technological students who made the "Dean's list," or honor roll for the fall semester.

Miss Mills, an Arts and Science student, had a 2.50 grade average for the semester. Wygal, a sophomore agriculture student, had a 2.96 average.

The 270 students, or upper five per cent of Tech's 5,418 students in the fall, made at least a 2.47 grade-point average, and 28 students made a perfect mark. John L. Vernor, a senior engineer from Houston, has maintained his perfect average through three and a half years at Tech.

National 4-H Week Plans Discussed

Plans for National 4-H Week, March 6-13, were discussed last Thursday at a meeting of the Post Senior 4-H Club in the home of Beverly Bartlett.

The group also discussed the signs the 4-H Clubs plan to erect. Jennie Redman gave a demonstration on making cheese roll.

Eight members and two leaders attended the meeting, which was called to order by Naomi Nichols.

Area Riders To Gather In Spur

The Post Stampede Cowboys plan to attend the first conclave of the West Texas Association of Sheriff's Poses and Riding Clubs, to be held at Spur April 9, 10 and 11.

There are 23 riding organizations in the association and all have accepted invitations to participate in the Spur event.

President of the association is Crate Snider of Ropesville. He said the conclave would become an annual event and would be moved from town to town among the clubs.

Three trophies will be awarded at Spur, following a big parade on April 10. The association will present a trophy to the first place winner. The Spur Chamber of Commerce will award a second place trophy, and the Dickens County Sheriff's Posse will furnish the third prize trophy.

Mrs. Carlos Alexander and Dan Berry of Livingston, N. M., and Mrs. Hubert Cook of Levelland spent the weekend here in the Ethel Redman home.

86 In Attendance At Cubs' Banquet

Eighty-six Cub Scouts, members of their families and Scout leaders attended the annual Blue and Gold banquet held last Thursday night in the school cafeteria.

Wayne Brown, former leadership training chairman, for the Yellow House District, was principal speaker. He told the Cubs what they are to expect when they graduate to Boy Scout rank. S. E. Camp, master of ceremonies, introduced Pack Committee Chairman Joe J. De Armon and committeemen Victor Hudman, Sr., Max Gordon and Hansford Hudman. Also recognized were Mrs. Victor Hudman, president of the Parent-Teacher Association, which sponsors the Cub Pack; Phil Trammell and Chant D. Lee, Cubmaster and assistant Cubmaster, respectively; Dr. John R. Rountree, institutional representative, and Mrs. Phil Trammell, den mother, who was introduced by the master of ceremonies as "the Cubmaster's right-hand lady."

Mrs. Trammell was presented a corsage by the pack.

The invocation was by the Rev. Almon Martin, First Christian Church pastor.

Former Post Pastor Being Transferred

A former Post pastor, the Rev. T. M. Gillham, general missionary of the Southern Baptist Church in Pinal and Pima counties, Arizona, for the past 32 months, soon will be transferred to Phoenix, it has been learned here.

While missionary for the Gila Valley and Catalina associations, Rev. Gillham participated in the organizing of five new churches.

There are 28 churches in the association to which Rev. Gillham is being transferred.

He is a former pastor of the First Baptist Church here.

Sunday guests of Mr. and Mrs. R. E. Cox were their son-in-law and daughter, Mr. and Mrs. Jess Hendrix and family of Lubbock.

The Rev. and Mrs. Almon Martin had as guests Sunday his parents, Mr. and Mrs. W. A. Martin, and wife and daughter, Martin, and his brother, W. B. Martin, and wife and daughter, Margie, of Big Spring.

(Isn't this why more people want—and buy—Chevrolets than any other car?)

What you want most Chevrolet gives you first

See how Chevrolet stays ahead of other low-priced cars in all the things that mean the most to you. See how much less Chevrolet costs you—it's the lowest-priced line of them all. Come on in and let us show you how you can have the things you want and be a good many dollars ahead with a new Chevrolet. That's promising a lot, but we welcome the chance to prove it!

OUT AHEAD with that bigger, lower look. Only Chevrolet and leading higher-priced cars have Body by Fisher with that big, smooth, low-slung look.

OUT AHEAD with the highest-compression overhead valve engines. Chevrolet's great engines have the highest compression ratio of any leading low-priced car.

OUT AHEAD with that smooth and solid big-car ride. Chevrolet's the only low-priced car with Unitized Knee-Action—one reason for its finer road-smoothing, road-hugging ride.

OUT AHEAD with zippy, thrifty Powerglide. It's the first and most advanced automatic transmission in the low-price field. Acceleration is instantly responsive and as smooth as silk. Optional on all models at extra cost.

OUT AHEAD with bigger brakes. Chevrolet brakes are largest in the low-price field for smoother, safer stops!

OUT AHEAD with automatic power controls. Chevrolet is the first low-priced car to bring you all the latest automatic power features and controls as extra-cost options.

Mrs. Jack Hankla
GUYMON, OKLAHOMA

says...
My ELECTRIC dryer's so gentle—the life of my clothes has increased!

"What's more, my electric clothes dryer gives me 'all weather' drying any season of the year. My time's my own when it comes to picking a drying day."

"By just opening my dryer door, and putting in the clothes, I save an hour and a half every washday. My trips to the clothesline are over, which saves one hour, and I no longer have to sprinkle the clothes for ironing, and that frees me from a half-hour of work."

"Because washing and drying is no longer back-breaking work, I wash more often. This saves money for me, because I can buy fewer clothes for the children. The dryer passes all the tests of true economy—it saves time, money, work, effort, and the clothes."

"You can't neglect your children just because it's washday. But it was hard not to neglect them before I had a dryer. Now I have much more time for the children and my other household duties."

TRY BEFORE YOU BUY

For 15 days, in your own home, you can try an electric clothes dryer without obligation. Tell your Reddy Kilowatt Dealer you want to TRY BEFORE YOU BUY and see for yourself, as Mrs. Hankla has, how much a dryer will do for you.

Guests of the R. H. Tate and Fritz Brownlee families during the weekend were Mr. and Mrs. J. L. Larewell and daughter, Katherine, and Miss Sandra McDonald of Jacksboro. The visitors were en route to their home after attending a wedding in Brownfield Saturday. Other guests on Sunday were Bob McDonald, Everett Hull and two classmates from Texas Tech.

Three Locations Staked In Area

Three new locations, two of them in the Dorward Field, have been announced for Garza County.

Operations are scheduled to begin at once on Humble Oil & Refining Co. No. 6-B J. C. Dorward, 2,304.4 feet from west and 467 feet from north lines of the south half of Section 138, Block 5, H&GN Survey, six miles southeast of Justiceburg. Rotary tools are to be used to drill to 2,700 feet.

The other Dorward Field location is Humble Oil & Refining Co. No. 4-C Dorward, 1,320 feet from north and 467 feet from west lines of Section 115, Block 5, H&GN Survey, six miles southeast of Justiceburg. Rotary tools are to be used to drill to 2,700 feet at once.

The third location, in the Buenos Field, is Harper-Turner Oil Co. No. 1 Nash, 330 feet from north and west lines of Section 701, A-346, eight miles northwest of Post. Drilling is to be to 3,600 feet with rotary tools.

Writing Contest Is Open To Students

DENTON (Spl.)—Students of Texas high schools and junior colleges are being invited to enter stories, essays and poems in the annual creative writing contest sponsored by the Texas State College for Women Department of English.

Entries will be judged in connection with the college's annual Writer's Conference Week scheduled this year for May 7-8.

Each student may submit one narrative, one essay or several poems or any combination of these. Entries must reach TSCW by April 10 and mailed to Miss Mamie W. Walker, chairman of creative writing programs, TSCW, Denton.

Per capita beef consumption in the United States rose from 55 pounds in 1951 to an estimated record 75 pounds in 1953.

Annual Ranch Week Planned At TCU

FORT WORTH (Spl.)—Forty-four universities of the Southwest have been invited to send representatives to TCU's annual Ranch Week celebration, March 18-20.

With the campus "Foreman" and "Queen," the visitors will ride herd over the annual event which will include an all-school rodeo, variety show, w-e-i-n-e-r roast, faculty vs. girls softball game, special contests and a dance.

Nominations for "Foreman" and "Queen" are now being made by the student body. Qualifications for nominees include the ability to ride and (for the "Foreman") a suitable beard at the time of nomination.

On March 1, nominations for TCU Sweetheart for the year will begin. Sophomores and juniors who will return to campus next fall are eligible. The winner, and her court of four, will be announced on April 5 and the group will be presented at the spring formal dance on April 9.

Deepening Is Set For Garza Project

Alamo Corporation of Lubbock will deepen its No. 3-B Khykendall, failure in the Garza Field of Garza County, to 4,000 feet as a wildcat.

The project failed to find commercial production in drilling to 3,400 feet. That depth penetrated all the producing zones in the Garza Field.

Location is 330 feet from north and 715.9 feet from west lines of Section 1235, AB&M Survey, and three and one-half miles northwest of Post.

Mrs. Haden Johnson had as her guests over the weekend her sister, Mrs. J. F. Meyers, and children, Jan and Glenn, of Lubbock. Sunday guests were Mr. and Mrs. J. R. Shelton and Mrs. George Baker and children, Lois and Royce, of Wilson.

J. A. Johnson In Constable's Race

J. A. Johnson this week authorized the Post Dispatch to announce his candidacy for the office of Constable, Precinct 1, subject to the action of the Democratic voters in the July primary.

Johnson said he would make a formal statement later to the voters of the precinct.

How Mercury's new power gives you greater ease and control

New 161-Horsepower, overhead valve, V-8 engine is the most efficient power plant yet developed in Mercury's exclusively V-8 history. It delivers 28% more power—and Mercury's famous economy is greater than ever.

Extra power always in reserve. This new Mercury has a 4-barrel carburetor with two barrels vacuum operated. Thus Mercury's extra reserve power cuts in at any speed automatically—the instant you need it.

Smooth riding, better control on curves, thanks to new ball-joint front wheel suspension (only on Mercury in its class). You'll love the ease, the wonderfully secure feeling of safe, sure command it gives you.

TO PRESENT CONCERT HERE—The Abilene Christian College Wildcat Band will present a concert Monday morning at Post High School on the first stop of its annual tour. The 72-member organization is scheduled to appear in eight cities, last of which will be Amarillo on Thursday, March 11. Other perform-

ances will be at Brownfield, Clovis, N. M., and Tucuman, N. M., with tentative stops set for Leveland, Albuquerque, N. M., and Santa Fe, N. M. The band is under the direction of Douglas E. Fry, assistant professor of music at ACC.

Free Lunch Fund Benefits Two Ways From Saturday's Buffalo Barbecue

The Post school cafeteria's free lunch fund benefited two ways from the buffalo barbecue held there Saturday afternoon by John Miller Post 6797 of the Veterans of Foreign Wars.

With windy weather cutting the size of the crowd, huge quantities of the meat and other menu items were left over. These were donated to the lunch room and included in Tuesday's menu.

In addition, the lunch room is to receive funds from the sale of tickets for its free lunch program for underprivileged children. Early reports this week were that approximately 300 tickets had been sold at \$1 each, but a final tabulation of proceeds is not expected until this weekend, VFW members said.

Originally scheduled for Feb. 19, the barbecue was postponed from that date because of the king-size "duster."

In charge of arrangements for the affair was a VFW committee composed of Guy Gearhart, Jess Cornell, Mason Justice, Lloyd Boren and Jack Kuykendall.

Saturday's barbecue menu also included beans, pickles, onions and bread.

Spur Girls Lose In Regional Playoffs

The Spur girls basketball team, winners of District 5-AA, were defeated by Burk Burnett, 35-33, Monday night in a first round game of the regional playoffs at Burk Burnett.

The Spur team was undefeated in District 5-AA, which also included Post, Slaton, Abernathy, Tahoka and Floydada.

Pastor Is Named By Church Board

The Rev. Cecil Stowe of Dalhart will arrive in Post prior to March 21 as new pastor of the Church of the Nazarene, replacing the Rev. A. F. Duke, who left Monday for Hillsboro.

The new pastor, who has been at Dalhart for the past two years, was elected at a recent meeting of the church board with O. W. Jenkins of Lubbock, district superintendent.

Rev. and Mrs. Duke returned to Hillsboro after having served the Post church for the past nine months. They came here from Hillsboro after he and the Rev. J. C. Holman exchanged pastorates. Rev. Holman has resigned to devote full time to evangelistic work.

In addition to his work with the church here, Rev. Duke served as president of the Post Ministerial Alliance.

The new pastor and his wife have two grown daughters. One is teaching in the Dalhart public schools and the other is a student in Bethany-Pensil College, Bethany, Okla. Rev. Stowe held pastorates at Cisco and Abernathy before going to Dalhart.

Contest For Kite Flyers Postponed

The kite-flying contest scheduled for Saturday afternoon, March 13, has been postponed indefinitely. It was announced Tuesday following a meeting of members of the Post Volunteer Fire Department, sponsoring organization.

The contest, open to boys and girls 13 years of age and under, will be held on a new date yet to be set, according to Fire Chief Homer McCrary.

The contest is to be held on the south side of the lake at the city park site.

A kite-flying contest for Cub Scouts of the Comanche Trail District is to be held Sunday afternoon, March 21, in a pasture one mile south of Falls on the Post highway.

First, second and third place prizes will be awarded for the highest flying kite and for the farthest flying kite. First place prizes will be given for the smallest kite, the largest kite, the smallest box kite, the largest box kite and the most stable kite.

Cub Scouts must make their own kites. No store-bought ones will be eligible for prizes. The Cub's dad's may help them in construction of the kites.

Each boy will be allowed to enter only one kite of each type (box and regular).

Driver Is Uninjured In Truck Accident

The driver escaped unhurt when a heavily loaded feed truck went out of control and turned over about 10 o'clock Saturday morning eight miles north of Post on the Lubbock Highway.

Deputy Sheriff J. W. (Red) Floyd, who investigated the accident, said when he arrived at the scene the driver had caught a ride into Lubbock to get another truck.

The six-wheel truck, which overturned in a ditch on the east side of the road, was not badly damaged. Sacks of chicken feed were scattered over a wide area. The truck was being driven towards Post, the officer said.

Sgt. Richard W. Taylor of the U. S. Marine Corps Recruiting Station at Lubbock was in Post Tuesday afternoon. Sgt. Taylor visits here every Tuesday and may be contacted at the post office by young men interested in the Marine service.

Post business district, with three workers yet to report.

Ted R. Hibbs, James Minor and Bob Collier were in charge of the business section drive. Other workers were Robert Cox, Elwood Wright, Lowell Short, John N. Hopkins, S. E. Camp, Bill DeWalt, Arnold Parrish, Harold Lucas and C. R. Wilson.

No reports had been announced late Wednesday from the courthouse drive, which is in charge of Dean A. Robinson, and the Post-Tex Mill, Inc., drive, which is in charge of Mrs. Carl Adams.

Following completion Saturday of these first campaigns, the residential district and community drives will begin Monday, Garner said.

The first of the two basketball games at Graham on Wednesday night is to be between teams of youngsters from the two communities and is to start at 7 o'clock. The second game, immediately following, will be between teams of adults.

Mrs. Lois Childs is drive chairman for the Close community, and Mrs. Glenn Davis for the Graham Community.

Highway Travel Map Available

AUSTIN (Sp.)—Publication of the Official Highway Travel Map for 1954 was announced in Austin today by D. C. Greer, state highway engineer, and it is now available for free distribution.

Incorporating many changes and new features, it is believed that this is one of the best travel maps the Highway Department has published. Greer stated. For the first time this year type has been used for all names and symbols appearing on the map, instead of the land lettering previously used. This greatly improves legibility of all names.

A different size and type face was selected for the various categories of names that appear on the map; counties appear in one type, cities of similar population density will have the same size type; mountains will have their own lettering style, while rivers will appear in still another size and type face. Greer stated. In all, 33 different styles and sizes of type were ordered for the new map.

Amateur Contest Is Slated At Theatre

Details on an amateur show to be held soon at the Tower Theatre are available from Manager John N. Hopkins or any of the employees, it was announced this week.

Anyone who can sing, dance or play any kind of a musical instrument is invited to enter the contest.

**Garza's Cotton
Acreage Is Up**

Garza County will get 2,044 additional cotton acres under the new increase provision now being tabulated, according to Mike E. Custer, county office manager for the Agricultural Stabilization and Conservation Service.

Individual farmers, the office manager said, would not know how much they were to receive in addition to their December allotment until the last of this week or a week later. The office has not completed their tabulations and listings, he explained.

Garza County's December allotment was 43,340 acres. Under the increase provision, it is 45,384 acres.

The increase acreage allotments were tabulated by the state ASC committee on the 65-40-47 formula basis. This formula provides that a farmer may receive 65 per cent of the average of the last three-year acreage, or 40 per cent of the highest of the last three years, but neither of which shall exceed 47 per cent of the total cropland.

**Refuse Disposal
Is Health Problem
In Most Places**

AUSTIN (Sp.)—At this time of the year Dr. George W. Cox, State Health Officer asks, "What will you have—flies, rats, diseased hogs, stench, smoke, unsightly messes dotting the landscape, polluted streams; or fewer flies and rats, cleaner air, less disease, unblemished landscape, cleaner streams and reclaimed land? You can take your choice and the best will prove to be the most economical."

Safe, sanitary and economical disposal of refuse is a serious public health problem in most communities in Texas. Poor methods of refuse disposal increases the potential spread of diseases by flies and rats that thrive in such insanitary conditions. Indiscriminate dumping of refuse along highways and streams is a filthy habit, mars much of the State's beauty and pollutes streams.

Foul smoke from burning open dumps is unpleasant to everyone. The sanitary landfill method of refuse disposal is practical and within financial reach of most communities, even those in rural areas. A regular collecting system, designating dumping areas obtained by the city or county court with small landfill equipment moved about by trucks in coordination with the collecting system can solve this serious health problem.

The Texas State Department of Health will be glad to consult with any community regarding this basic sanitation problem. When all refuse is properly collected and disposed of, Texas will have better health and a more enjoyable environment in which to work and play.

**1954 Texas Heart Fund Campaign
Being Continued Through March 15**

The 1954 Texas Heart Fund campaign to raise funds to help combat the nation's foremost killer—heart disease—will be continued through March 15. It has been announced by Dr. W. R. White, Baylor University president and Heart Fund chairman.

"Extension of this year's campaign into March is necessary," Dr. White said, "because so many new local Heart Association chapters were formed in Texas in late January and early February and were unable to complete their organization work in time to participate fully in the Heart Fund during February."

Continuing the 1954 Heart Fund until March 15 will give every Texan an opportunity to participate in the triple program of the Heart Association—research, education and community heart work," the state Heart Fund chairman urged out.

Dr. White pointed that newly-formed local Heart groups "redouble their efforts to raise funds to support medical research teams that are seeking the causes and eventual cures of heart and blood vessel diseases."

He emphasized that medical science still does not know what causes the three most prevalent forms of heart disease: coronary heart disease, high blood pressure and rheumatic heart disease.

Mr. and Mrs. Louis Sinclair and children of Abilene and Mr. and Mrs. Herbert Bishop and grandson of Lubbock.

Mrs. Billy Jack Boren of Post spent Wednesday with the W. C. Bushes. Sunday guests in the Bush home were Mr. and Mrs. Mike Custer and Sherry of Post.

Mr. and Mrs. Gean Nunn of Abilene spent Thursday with Mr. and Mrs. Earl Gregg. The Rev. and Mrs. W. M. Dorrough and Linda of Amarillo were Friday guests of the Greggs.

Eva Lou Key was a weekend visitor in the Bud Mason home. Other Sunday visitors were the Grover Mason family and Mr. and Mrs. Billy Lester and son of Gordon.

Mrs. Mary Lee Wristen and Mrs. Lucille McBride and James and Annette were Sunday visitors of their parents and grandparents, the Alex Kittrells, at Lorenzo.

Mr. and Mrs. Bernard Roberts and sons of Close City and Mr. and Mrs. Delbert Banks and daughter spent Sunday with the Alfred Odens.

Relatives of the O. H. Hoovers have been visiting here from Colorado.

Mr. and Mrs. Delmo Gossett and Layne, Lana, Jana and Johnny of Lubbock, Mr. and Mrs. Delmer Cowdrey and Bobby and Clarky, Sharon, Karon and Donnie Windham of Post, Mr. and Mrs. Lonnie Peel and Gene of Close City and Mr. and Mrs. Elvius Davis and Jerry and Stephanie were Sunday dinner guests of the Elmer Cowdreys. Afternoon visitors included the Glenn Davises.

Visiting Thursday with the Ray McClellan family were his niece, Mrs. Boyd Clark and baby of Hawthorne, Calif., and Mr. and Mrs. Walter McClellan of Post.

Jimmy Napier of Lubbock visited in the Jess Prospet home Sunday. Miss Ida Montgomery, who had been staying in the Prospet home for several days, accompanied Napier to Slaton.

Mr. and Mrs. Cletus Graves and daughter of Lubbock and Mr. and Mrs. Billy Ramage and daughters spent Sunday in the Roy Ethridge home.

Mr. and Mrs. Glenn Davis were in Lubbock Monday, where he had a medical checkup.

Kenneth and Patsy Thompson were Sunday visitors of the D. C. Morris at Close City. Sheila Morris was honored with a birthday dinner. Other guests were Judy and Ann Morris.

Mr. McDonald of Lubbock spoke at the Church of Christ Sunday morning and evening.

Mr. and Mrs. H. N. Crisp of Pleasant Valley visited the Earl Greggs Sunday.
