DeWitt Weaver To Speak At Annual Football Banquet

The annual Booster Club Banquet in honor of the Post Antelope football team will be held at 8 p. m. Thursday, December 13, in the City Hall, Dave Willis, president, announced.

DeWitt Weaver, Texas Tech mentor and coach of the year in the Border Conference, has been scheduled as the principal speaker for the evening. He led his Red Raiders to a Border Conference championship by not losing a single conference game. They will also play in the Sun Bowl in El Paso.

Bill Holmes, Tech sports public-ity director. Also to be an honored guest at the annual event will be Don Oliver, sports writer for the Avalanche Journal.

Booster members decided at a recent meeting to vote in new officers and initiate the plan of having them hold office from one banquet to another.

Present plans call for the pre- sentation of some kind of gifts to the Post coaching staff and a gift to Coach Weaver. Planners have also announced they will present the film of the Post-Sla-

ton game. John Lott will do the showing.

In explaining the number of persons who would attend the banquet officials pointed out that not too many tickets could be placed on general sale. For with all the football boys and their dates, the coaches and their wives, the guests, school officials and parents of the football play- ers attending the event, the tic- kets will naturally have to be limited.

Antelope Band Growth Since January First Has Been Almost Phenomenal

Witness any parade in West Texas these days and chances are you will see a snappy, quick-stepping band decked out in black and gold trimmed "West Point" style uniforms and proudly carrying the banner of Post High School Antelope Band.

No small band either. A year ago the 29 members might not have made an impression on the parade fan, but today when the 66 members start marching, they are noticed.

at its present peak always. In fact last January, the band picture at Post appeared more dismal than an approaching sand- storm.

Soon after the cafeteria moved into its new building in the spring, the school board and Arthur gave the old cafeteria building to the band. That provided them with a large rehearsal room, director's office, uniform and library room, and lounge and practice room. Later modern lighting and recording equipment was provided. And the officials also scheduled in a full hour band rehearsal in mornings, and purchased five saxo- phones, two tenor saxophones, four french horns, four alto horns, one baritone horn, two

Concert Slated For Grade School

George Werner, concert pianist and formerly with Paul White- man's orchestra, will present an impromptu concert in the Grade school auditorium at 7:30 p. m. today under sponsorship of the four first grade rooms.

La Juan Davis To Present Oboe Solo. Featured soloist of the Post School band concert on December 14 will be La Juan Davis, daughter of Mr. and Mrs. Guy Davis.

Director Lewis says that in- stead of presenting a concert in the major, the band is going to give a varied program, present- ing numbers in various keys, the Minuet in Eb, by Mozart; Con- cert Overture in G Minor; King John Toccata, and one num- ber written by a Texas band- master, Tradition Overture, by Co. Grand Jury Hands Down Six True Bills At Last Session

Lubbock Hunters Kill \$678 Worth Of Birds

Hunters take warning! Two Lubbock hunters have discovered that shooting birds certainly is an expensive sport — or \$678 for one day's shoot to be exact.

Services Held For Mrs. Mary Alice Cannon

Funeral services for Mrs. Mary Alice Cannon were conducted at 2 o'clock yesterday afternoon, in the First Baptist church with the Rev. A. C. Hardin, a former pastor, officiating. He was assisted by the Rev. T. L. Denton, pastor.

Six indictments, including two for murder, one for rape and three for felony theft, were handed down by the Garza County Grand Jury at the last Friday session.

But unfortunately District Game Warden W. J. Riddle, Lubbock, and L. J. Dugger, a federal employee, happened up at the wrong time, for the hunters, that is.

Mrs. Cannon died at her home here Monday night after several months illness. She was born Mary Alice Smith, April 20, 1886.

Franklin Bounds, Wayne Cawley and Jay Pigg were indicted on charges of felony theft in connection with the shooting of Alice Littleton on October 7, 1950.

So charges were filed and after the hunters paid the bill the total ran to \$678, or \$100 and costs on three different charges.

Survivors are her husband; three daughters, Mrs. Thelma Price, of Clovis, N. M., Mrs. Ona Lee Silas, of Amarillo, and Mrs. Beula Mae Martin, of Post; six grandchildren; one great-grandchild;

Seven Antelope band members have been selected candidates for try outs for the All State Band which will be held at Texas Tech Friday and Saturday.

HD Council Plans Big Christmas Party Here

The Annual Christmas Party and Tea sponsored by the Home Demonstration council will be held at 2 p. m. Wednesday, December 12, in the American Legion hall.

Rotarians Plan Christmas Party

Post Rotary club members, approximately 85 strong, will hold their annual Christmas Party at 7 p. m. Tuesday night in the City Hall. President Bill DeWalt has announced.

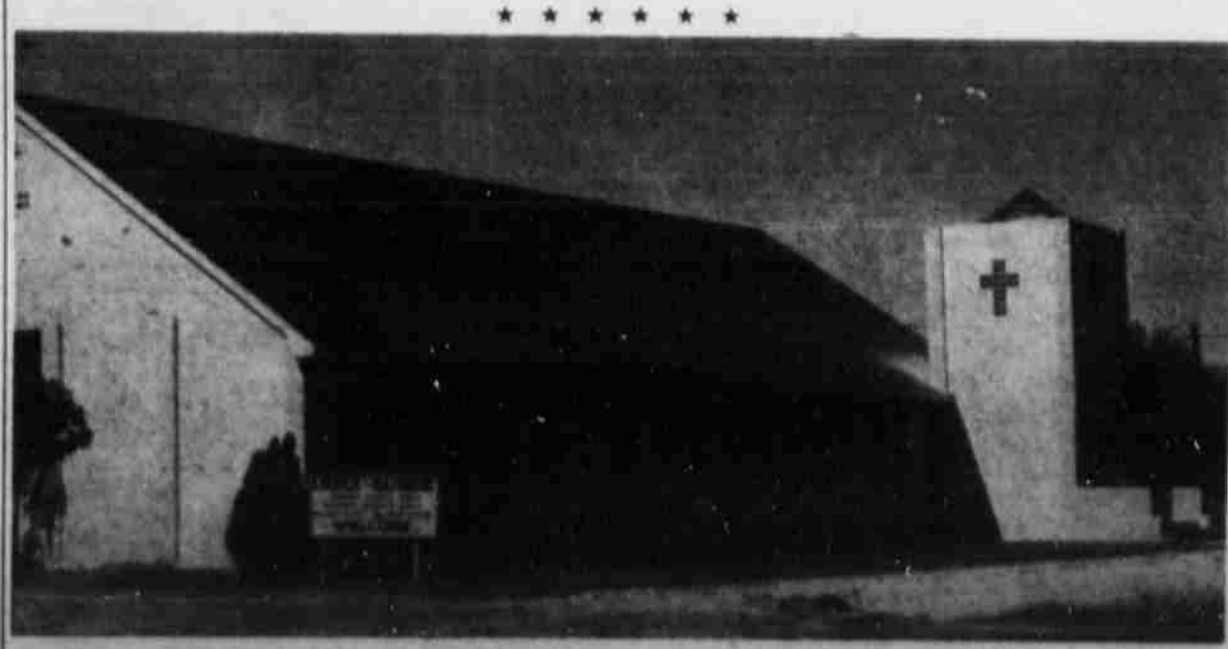

These seven members and five more will also be among the 110 members of West Texas school bands to play in the Regional Clinic band at Tech Friday and Saturday.

Charges of statutory rape were filed this week against Kenneth Finchum, 20. The incident occurred Sunday night. Bond of \$1000 was set by Judge J. D. King.

Entertainment features of the party, which is given annually for Rotarians and Rotary Anns, will be Miss Patty Lott at the organ and a Barber Shop quartet from Lubbock.

They include LaJuan Davis, oboe, daughter of Mr. and Mrs. Guy Davis; Colleen Sharp, bass clarinet, daughter of Mr. and Mrs. W. C. Sharp; Mary Trammell, bassoon, daughter of Mr. and Mrs. Phil Trammell; Eva Collozo, clarinet, daughter of Mr. and Mrs. Jesus Collozo; and Kenneth Rogers, clarinet, son of Mr. and Mrs. Earl Rogers.

Ceremonies dedicating the new \$18,000 Church of the Nazarene building are scheduled for 3 p. m. Sunday with Rev. Orville Jenkins, district superintendent of the Abilene district, Church of the Nazarene, presenting the dedicatory message.

CENTER PARKING . . .

The recent decision of the City Commissioners to re-approve center parking along Main Street was one that everyone in the county should appreciate. And by the way car owners have taken advantage of the decision, it is apparent they do like the idea. Center parking, if handled correctly by car owners, can be of great help to the business places and the town as a whole. Shoppers can now find a parking place within a reasonable distance of the store where they wish to trade. They do not have to park their car at one end of the town and then walk all the way down the street to buy what they came to town for. Of course the privilege can be abused. Center parking was approved to help the people solve their parking problems, but it was also approved to eliminate the over-use of double parking which car owners have been doing in Post. But in approving center parking, the City Commissioners also set up a City Court by which they intend to enforce city ordinances, including the double parking problem. So remember, double parking is a finable offense from now on. City officials ask the cooperation of all vehicle owners in observing the center parking rules. Tandem truck and other large vehicle owners are asked to park on the north side of the block nearest the courthouse. The city must keep the thoroughfares from becoming congested or the Highway Department might decide to route the highway around Post.

CHRISTMAS DECORATIONS...

Once again the City and the Chamber of Commerce are sponsoring a plan by which the City of Post can deck itself out in gala attire for Christmas. Citizens are urged to participate in the lighting and decoration contest being sponsored. When decorating the doorways or windows, the inside tree and the outside, residents do not have to spend a great deal of money. Entries will be judged on taste and originality and not on the amount of money they cost. Several of the merchants have generously donated prizes for parts of the contest and other cash prizes are to be given. Post should, with the cooperation of all citizens, be one of the most decorated towns on the South Plains. Christmas trees and string lights will go to decorate the Main drag and merchants are urged to decorate their individual store fronts so as to add to the beauty of the observance. The courthouse is also to be gaily decorated for the festive season. Strangers coming in from the Clairemont highway will be facing the best decorated main street of any town in Texas. City and Chamber of Commerce officials urge every city resident to join in the contest and help the city in its decoration plan. Prizes will be given in each division of the contest and will be awarded in first, second and third rank. Judges will be named later. The interest and pride which the town officials are taking in the town should be an incentive to all residents to take part and beautify their city for this Yuletide season.

Getting Out On the LIMB . . .

By EDDIE the editor

Oh, Boy! Center parking is back to stay in Post! That seems to be the consensus of the automobile drivers these days as they whiz into the newly lined-off spaces along the center of Main street. And rightly so. The recent approval of re-instating center parking by the City Commission was one of the best moves they have made in some time. And the citizens of the town and visitors have a definite right to be happy about it. For no longer do they have to walk a couple of blocks to be able to buy something in the store of their choice. Now they can find a parking place only a few steps from the doorway where they wish to shop. Heretofore, the center parking has been limited to the block west of Broadway and Main. This has proven an unnecessary hardship on the business places east of the intersection as well as the people who could not find a hitching post for their conveyance. The main reason given concerning the elimination of center parking in the first place was the Texas Highway Department. This Department wants, and justly so, the through traffic of their highways to be able to proceed through any town without being bottled up by an unnecessary congestion of traffic. And in many towns in the state they have by-passed the business part of town because of this point. We do not want that to happen in Post. Through traffic is always an immeasurable help to any town, and when it is taken away the businesses are hurt thereby causing the entire town to be hurt. Post has been fortunate in being able to keep the two highways running through the heart of the town, and we wish for them to always keep their present routes. They are definitely an asset to the economy of the town. But the drivers of the town can abuse their privileges so that the department might decide the roads need to be by-passed the town. This abuse can come from the one simple procedure of double parking, too. But if the plans of the City Commissioners work out, and there is no actual need that they be forced to go to the extreme, drivers will be more than careful about the double parking along Main street. The City Commissioners have set up a City Court which can take care of all city violations. This court has authorized the officers to make arrests and issue tickets to violators. And they insist that each ordinance will be strictly enforced. They have even warned drivers who insist on leaving their cars double parked and run into a business establishment that their car can be impounded. The officers are instructed to tow the car off and the owner may not reclaim it until the towing charge is paid. But really I can see no need why something like that should ever happen. If the residents are appreciative at all about the center parking, then they have no need to double-park their car and run into the store. For there is seldom a time of the day that you can't find a parking place just about any block in town. In explaining the center parking, Henry Tate, superintendent of city works, said that approximately 125 cars can park in the five blocks lined off for center parking. That means every block along Main street has 25 additional parking places. He also said the center spaces are marked so that when a car is parked correctly the driver can open the door without any trouble from the other car. Naturally, like everything else, there are restrictions on the center parking. The spaces are only about 20 feet long. Only one line of cars can be parked along the center. And Tandem trucks and other large vehicles will overlap this distance, thereby narrowing down the thoroughfare considerably at that point. So the officials have designated a spot for these larger and longer vehicles. The north side of the block across from Dove Mayfield's has been set aside for them. They can park parallel along that side of that block. It was a sight to see when the city workers first began lining off the street. They no more lined off one space than it was filled by a car. And by the time the middle of the afternoon arrived the center of Old Main looked like a used car lot in the middle of Los Angeles, or full of cars if you failed to catch on. As I stated before (and if I didn't then I thought about it hard enough) the idea is an excellent one. The center space in the street certainly wasn't doing anyone any good, but I bet every merchant and car owner in town will tell you that it is now. City Commissioners, accept my bouquet.

THE AMERICAN WAY

Getting The Boot

Our Contemporaries Are Saying:

Everyday Vandalism All vandalism is not confined to Halloween. To some of the younger citizens of Littlefield, a program of destruction is a year 'round plan. It is true that none of the vandalism, in itself, amounts to very much, but it would be surprising if the total cost of damage at the end of the year was made known. A survey of restaurant owners in Littlefield indicated that they are among the hardest hit as far as needless destruction of property and petty theft is concerned. Cigarette ashes mixed with sugar, stolen salt and pepper shakers and marred tables do not seem to amount to much individually, but, when multiplied, place an undesired drain on the restaurant owner. Just what is wrong? Why do today's youngsters deliberately destroy that which is offered for their convenience? Is it to show their devil-may-care spirit? It certainly does not require much courage to empty cigarette ashes into a sugar bowl. Is it the result of a "show off" impulse? There is little intelligence required in the theft of a salt cellar. We have entered an era where the very existence of our nation depends on the coming generation. What can we expect from them? Apparently very little. —The Littlefield County Wide News

Time For The Fireworks The case against fireworks within the city limits is a strong one simply because youngsters don't use discretion in setting them off. The present city ordinance forbidding fireworks would never have been passed if they had been used in a manner not jeopardizing the safety of others. Their noise and display can be enjoyed without endangering the lives and limbs of others, but they were not, hence the ordinance. When fireworks are tossed at pedestrians or passing automobiles or set off in the vicinity of hospitals, it's time for a stop to be put to their indiscriminate use, which is just what the city endeavored to do in passing the ordinance. —The Hockley County Herald

New Hospital Seminole will have a new 27-bed hospital in a few days—and one year. Bids totaling \$259,469.62 were awarded three contractors by the Commissioners Court here Tuesday afternoon, with construction to begin within ten days. Completion is called for in 350 calendar days, with the two sub-contractors to complete their work in 10 additional days. Warner Construction Co. of San Angelo was low bidder, with a figure of \$178,670, nearly \$40,000 below that of the high bidder. —The Seminole Sentinel

What To Brag About? What shall we do for bragging purposes in view of the thousands of bales of Floyd county cotton that are being ginned in other counties is a problem that has us stumped. Tough on the Chamber of Commerce-minded citizen, on the statisticians, and also on those who have bounded on a certain number of bales of cotton. Now we'll not get to gin all the crop in our own gins, busy as they are, the county agent will lose his "bound" of a steak dinner with friend and the county newspapers will have to content themselves with complaints about how we got cheated out of our just dues by the unusual circumstances. —The Floyd County Hesperian

Texans In WASHINGTON

By TEX EASLEY, Associated Press Washington Service

WASHINGTON, P — Air-minded Texans rank second only to Californians in the matter of maintaining non-military aircraft in active operating status. A recent report issued by the Civil Aeronautics Administration shows that as of July 1 there were 4,320 such planes active in Texas as of July 1. California led all states with 6,496; Illinois third with 3,168. In all three leading states the number was slightly below the figures for July 1, 1950. In this respect, they followed the national pattern. The total number of active civil aircraft in the United States was 56,915 on July 1, compared with 61,706 a year earlier. The July 1, 1950, figures for the top three states were: California, 6,320; Texas, 4,438; Illinois, 3,489. In addition to the 4,320 civil aircraft active in Texas as of last July 1, there were 2,384 such planes within the state classified as non-active, making the total 6,704. The total a year earlier was 6,913. One or more planes were active in all but 36 of the 254 Texas counties when the survey was taken in mid-1951. Those with no active planes were: Andrews, Austin, Burleson, Camp, Coke, Cottle, Franklin, Glasscock, Goliad, Irion, Jim Hogg, Kennedy, King, Live Oak, Llano, Loving, McMullen, Madison, Mills, Mitchell, Newton,

Rains, Real, Roberts, Rockwall, San Augustine, San Jacinto, Starr, Sterling, Stonewall, Trinity, Tyler, Upshur, Wilson Zapata. Dallas county led the state with 511 active and an additional 337 classified as non-active. Both Dallas and Tarrant (Fort Worth) counties actually showed increases in the number of planes active July 1 as compared with twelve months earlier. On July 1, 1950, Dallas had only 494 active planes and 336 non-active. Tarrant county had 291 active civil aircraft and 156 non-active on July 1, 1951, compared with 288 active and 161 non-active on July 1, 1950. A few counties among those less than 100 active planes also showed increases. Four other Texas counties each had more than 100 civil planes active as of July 1. The four, with the comparative figure for July 1, 1950, shown in parenthesis, are: Harris (Houston), 384(406); Bexar (San Antonio), 282(295); Cameron (Brownsville), 111(122); Nueces Corpus Christi), 107(121). Those counties with between 50 and 100 active civil aircraft within their boundaries as of July 1, with 1950 comparable figures shown in parenthesis are: Hidalgo, 97(89); Wichita, 93(96); Lubbock, 84(64); El Paso, 76(77); Jefferson, 76(79); Travis, 70(71); Potter, 67(67); Hale, 60(59); San Patricio, 52(40); Gregg, 52(57).

ROGER W. BABSON WRITES THIS WEEK

Steady Installment Buying By The American Public Can Prevent Much Unemployment

BABSON PARK, MASS. — Every manufacturer, retailer, and consumer is affected by market movements. This especially applies to a consumer whose family depends upon the employment of its father or other members. Therefore, whether you own a business or a share of stock, or are dependent on a job, you should be much interested in the business cycle,—and what causes business to improve or to decline. The changing indebtedness of families, business concerns and governments at-war is the apparent factor causing the long-term "ups and downs." When people are freely making installment purchases, business improves and more jobs at higher wages follow. When, however, people reduce their installment purchases retail trade declines. Then inventories pile up so that retailers are unable to meet their bank loans. Hence, they reduce their purchases of new goods. This causes manufacturers to lay off help, which further reduces consumers' purchasing power. As a result, the country heads for a depression. During depressions every reader of this column suffers. As voluntary increases in indebtedness stimulate business, so forced reduction of debt hastens a decline. It would be unwise to say that we are now heading for a depression; but it is generally believed that business is now on a plateau and the next move will be downward with much unemployment.

or broadcast or shown on the screen and stage is of little use unless the people are ready to believe what they read, hear and see. It is fairly easy to get publishers, broadcasters, film makers, and theater operators to agree on a propaganda policy; but if the public thinks this is only propaganda, then it is of no use. Only when these material forces arouse the spiritual forces of the people are they effective.

Opportunities For Many Real opportunities exist for those who will make impartial studies of this problem for their respective communities or industries. This will require months of research in public libraries, studying the advertisements and articles of newspapers and magazines, the movies and theatrical reviews, including comments on radio and television broadcasts. (The latter, of course, have been only recently a factor.) This material should be studied in conjunction with past business cycles to learn the correlation between the spiritual and the material. These public libraries have the answer, and the librarians will be very glad to aid Chambers of Commerce and Trade Associations in such research. One of these librarians suggests that the style of women's clothing should also be considered! Such a study could be of great value to everyone. It might solve the employment problem and enable us to make better forecasts of what is ahead. Such studies could certainly help these "vendors" of public entertainment to at least steady business conditions, employment and prices. Changes from employment to unemployment are what cause heartbreaks of manufacturers, retailers, wageworkers and investors.

Importance Of Entertainment Although the superficial factor of the business cycle is debt, yet I ask: "What causes the public's changed attitude as to debt?" Why do people some years do a lot of buying before any change in wages or prices occurs, while in other years follow a reverse policy without apparent reason? There is some basic spiritual, unseen cause for this changed attitude. Here is where the psychologists claim that they have the answer; namely, in the moods or desires of people. But again we ask: What changes these moods and desires? It certainly seems that such changes must be due to what people read, hear or see. My feeling is that the newspapers, magazines, radio, movies, theaters, and television (and perhaps churches) are the factors which change people's psychic or spiritual moods and determine their actions. Yet, we find there are times when, even if all these factors unite to influence public opinion, the people refuse to believe them. Hence, the material published

Question Of Fault Has No Bearing On Application Of New Motor Law

Public Safety Director Homer Garrison, Jr., emphasized in a statement today that the state's new Motor Vehicle Safety Responsibility Law does not give his Department the slightest judicial authority to determine questions of fault before applying the law's full requirements to motorists who are involved in severe traffic accidents.

"The saddest mistake a motorist can make," Director Garrison said, "is to think the state cannot compel him to furnish proof of his ability to meet damage claims and suspend all of his motoring privileges if he fails to do so, because he is quite sure he was not to blame. Those who imagine they can postpone meeting the new law's security requirements until a court decides the issue of fault will find that they are wrong."

"This does not mean that any motorist will be required to pay for damages he did not cause, or that he does not have full recourse to the courts if he feels that any order issued under the new law violates his rights. It does mean, however, that pending a final court decree on a question of liability, the involved owner or operator must satisfy the Texas Department of Public Safety that he is prepared to meet damage claims for which he is apparently responsible."

"Here are the circumstances that will prevail when the new law becomes effective on January 1:

"If you are involved in an accident resulting in death or injury to a person, or property damage exceeding \$100 to any one person, including yourself, you must file a complete report with the Department not later than 10 days after the accident. If the report shows that you were properly insured at the time of the accident, you are not subject to the safety responsibility law because it recognizes insurance as proof of ability to meet damage claims up to \$15,000.

"If you were not insured, the Department will determine the extent of damages for which you may be held liable, ranging from a minimum of \$101 to a maximum of \$15,000. You must then furnish the Department with satisfactory proof that you will be able to respond in the fixed amount, either by depositing collateral or posting a bond. You will not be required to furnish any security, however, if you have all other persons involved in the accident release you from liability, obtain a final court decree of non-liability, or execute a legal agreement providing for installment payment of claims. Neither will security be required if you show that your car was legally parked or being operated without your permission, or that all injuries and damages were

confined solely to yourself. "The law allows you a maximum of 70 days, however, in which to satisfy it in any one of these manners — 10 days to file your safety responsibility report and 60 days thereafter to satisfy the security requirements. If within the stated period you have not satisfied the law, regardless of how innocent you think you may be, the Texas Department of Public Safety has no alternative but to suspend your operator's license and the registration plates for all cars owned by you.

"Should you later meet one of the security requirements, obtain a final court decree of non-liability, or if a year elapses without court action for damages being filed, the suspension will be lifted immediately; or if security was deposited, it will be returned. In the meantime, however, others involved in the accident have their rights protected, too. Thus our new law is fair to everyone."

ACHING BACK

HALIFAX, N. S. — The moving men had a field day when the Halifax Conservatory of Music shifted its quarters. They toted 18 pianos out of the building without a scratch, plus big bass fiddles and enough other instruments for three full orchestras.

CHEVROLET

More people buy Chevrolets than any other car!

Chevrolet's time-proved POWERGLIDE automatic transmission

Finest no-shift driving at lowest cost. Combination of Powerglide Automatic Transmission and 103-h.p. Engine optional on De Luxe models at extra cost.

WE'll put it up to you! There must be plenty of good reasons why more people buy Chevrolets than any other car. Here are some things to think about.

There's the way Chevrolet looks. Nice clean, curved lines—like cars in the high-price field. Chevrolet's Body by Fisher sets the pace among low-priced cars.

There's the way Chevrolet rides and handles. The smoothness and big-car comfort of Uni-tized Knee-Action. Bigger brakes—biggest in the field—for safer, surer stops. Finest no-shift and standard driving at lowest cost with Powerglide or Synchro-Mesh transmission.

There's the way Chevrolet saves. Chevrolet is the lowest-priced line in the field and the savings go on and on with low operating costs.

There are plenty more reasons why Chevrolet is America's favorite. Come in and let us show them to you.

Time Draws Nearer For Santa Claus And His Reindeer To Visit Post

CAMP OF SANTA CLAUS — Pictured above is the camp of Grady Carothers when he goes to Alaska to find the reindeer for his live-reindeer show which will be presented here by the Chamber of Commerce at 2:30 p. m. Saturday, December 22nd. Santa and his reindeer will be the featured attraction of a parade on that afternoon. Everyone in and out of Garza county is invited and urged to be on hand for the gala event.

The old saying about giving your child the moon has almost been reached by a man who furnished his children real live reindeer along with Santa Claus four years ago. And he has been furnishing them for other children each year since.

Boys and girls, and adults, too, of Post and Garza county will get to see the Arctic reindeer here on the afternoon of Saturday, December 22, at 2:30 p. m. when Grady Carothers, Goldthwaite, Texas, ranchman, brings them to Post for a Christmas parade, under the sponsorship of the Chamber of Commerce.

Dancer, Prancer, Donder and Blitzen are all primed for the trip here, their owner declared. They'll prance down the street and pop their ankles in tune with the sleigh bells and Santa Claus

Grassburr News

Please Send News Not Later Than Monday To Grassburr Correspondent MRS. H. J. TAYLOR

Mr. and Mrs. Wash Elliott and son, Gary, of Levelland, were weekend guests of her parents, Mr. and Mrs. J. G. Siewert, and her brother, Arvel, and family. Mr. and Mrs. Monroe Lane were called to Abilene the first of the week to be with his mother who is seriously ill.

The Wren Crosses are redecorating the interior of their home. Sunday guests in the Ozell Williams home were his uncle and aunt, Mr. and Mrs. L. M. Williams, who are moving to Plainview from Pasadena, Calif., his parents, Mr. and Mrs. Bub Williams, his sisters, Nita and Sammie and Mrs. Reese Carter, her husband and daughter, of Post.

Visiting Mr. and Mrs. Basil Puckett Sunday were their son-in-law and daughter, Mr. and Mrs. Bill Harole, of Sweetwater, their son, F. M. Reep, and wife, and her sister, Mrs. Oscar Gray, and Mr. Gray, of Clairmont.

There will be a box supper at Grassburr schoolhouse tomorrow night. Proceeds will be used to improve the school's water system and other facilities. The public is invited to attend.

Mr. and Mrs. Will Quisenberry are driving a new Chevrolet. Dale Cravy went to Waco Tuesday to attend the Masonic Grand Lodge.

Mr. and Mrs. J. G. Siewert visited his brother, John, in a Lubbock hospital Monday. Mr. Siewert is suffering from a broken hip. They also visited her mother, Mrs. J. T. Head, in Plainview.

Weekend visitors of the Cecil Blands over the weekend were her sister, Mrs. Newton Carson, and Mr. Carson, of Corsicana. Francis Shannon, district road maintenance man, is resurfacing the stretch of sandy road west of Grassburr.

Saturday visitors of Mr. and Mrs. Benny Wilks were her mother, Mrs. Gordon Carey, sr., and her sister, Miss Anna Belle Carey, of Post, and her sister-in-law, Mrs. Gordon Carey, jr., and baby of Lubbock.

Sunday guests of the Wilkses were the Rev. D. W. Reed, of Garza, and Mr. and Mrs. Dale Cravy.

Mr. and Mrs. Marshall Tipton and daughter, Marsha, of Close City, visited Mr. and Mrs. Wren Cross Sunday.

Mrs. Irvan Cross spent Monday with her parents, Mr. and Mrs. Bon Longshore, at Close City, and spinning department, is still hiring learners to complete his training program.

er the parade will be held on time. In fact, the colder the weather and the more snow flying pleases Santa and his reindeer. It reminds them the more of the deep snow and raging blizzards in Alaska, their homeland.

Just how the parade will form and where Santa and his reindeer will emerge before they begin their long procession remains a dark secret. Their plans are well mapped out, but the Jolly little Elf likes secrets.

In all probability a police escort will meet the group. They will be guarded from the public eye while Santa Claus catches his breath and re-organizes his entourage.

As the moments wear away, patience grows thin and suspense grows on the crowd. Suddenly, Santa in his sleigh, the bells jingling out "Merry Christmas" will materialize from out of nowhere, and the reindeer will be pulling the sleigh as they prance and shake their huge antlers.

That's Christmas spirit. You can see it in Post when December 22nd rolls around.

Helen Thaxton returned Sunday to Austin after visiting her parents, Mr. and Mrs. Cecil Thaxton, since last Wednesday night.

The Walter Duckworths, the Dee Colemans and the Monroe Lanes spent the weekend in El Paso.

Mr. and Mrs. Cecil Cummins spent Sunday at Justiceburg with the E. M. Woodard family. The group enjoyed a quail supper.

Church News

Scripture
Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. Behold, I shew you a mystery; we shall not all sleep, but we shall be changed, in a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. For this corruptible must put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory. O death, where is thy sting? O grave, where is thy victory? The sting of death is sin; and the strength of sin is the law, but thanks be to God, which giveth us the victory through our Lord Jesus Christ. Therefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord. I Corinthians 15: 50-58

"New Ideas in Observing Christmas" were discussed at the Women's Fellowship meeting at the First Christian church Tuesday afternoon.

The Rev. F. M. Wiley, Calvary Baptist pastor, preached at the colored church Sunday afternoon. He was accompanied to the service by three of his deacons, Gilbert Blodgett, Jim Hays and Dalton Anthony.

Dr. J. E. Shewbert, district superintendent of the Lubbock district, will preach at the Methodist church at 11 o'clock Sunday morning.

First Christian children will meet at the church at 5 o'clock Sunday afternoon for a Christmas party. Each child is asked to bring a gift to be sent to the church's orphans' home.

The WSCS will meet at 3 o'clock in the home of Mrs. N. W. Stone for a Christmas party next Monday. Cohostesses will be Mrs. Arlie Gilmore, Mrs. Ted Hibbs and Mrs. Joe E. Boyd. Mrs. J. R. Durrett will direct the program.

Mrs. B. H. Trammell, vice president of the state convention of Christian churches, of Breckenridge, will be guest speaker for Woman's Day at the local First Christian church Sunday morning. Her scripture reading will be Matthew 25: 31-46 and the subject of her message will be "Christian Faith in Action."

The Methodist men will hold their regular fellowship night with a dinner in the church dining room Monday evening.

The Christian churches in this district recently purchased table settings for the new pre-school children's unit of the Juliette Fowler home in Dallas.

The Board of Education of the Methodist church will meet Tuesday at 7:30 p. m. in the church library.

The Leaders Sunday School class met at the First Baptist church Thursday night for a regular monthly meeting. They invited their families to the meeting and a Thanksgiving dinner. Mrs. Frank Runkles gave the invocation. After the meal Mrs. T. L. Denton gave a brief talk and games were played before the group sang several hymns. Attending were Mr. and Mrs. Tom Bouchier, Mr. and Mrs. Leo Cobb, Mr. and Mrs. Frank Runkles, Mr. and Mrs. Lewis Price, Mr. and Mrs. Lester Nichols, Mr. and Mrs. Norman Lushy, Mr. and Mrs. Bernice Bilberry, Mr. and Mrs. Keith Kemp, Mr. and Mrs. Dove Mayfield, Mr. and Mrs. Wayne Pennington, Mr. and Mrs. Willis Cummins, Mrs. Dan Cockrum, Mrs. Annie Hodges, Mrs. Wilburn Morris, Mrs. Venita McFaddin, Mrs. Troy Denton and Mrs. Henry Bilberry.

Mrs. Norman To Present Piano Recital Dec. 13

Mrs. Glenn Norman will present her piano pupils in a recital, in the educational building of the First Baptist church at 8 o'clock, Thursday evening, Dec. 13.

The following Christmas selections will be included in the program: "Joy To The World" by Jan Thomas; "Hark! The Herald Angels Sing," Patsy Norman; "Away In A Manger," Helen Bowen; "Jesus, Lover Of My Soul," Jimmy Bowen; "The First Noel," Barbara Murphy; "It Came Upon A Midnight Clear," Dottie Harrison; "Oh! Come All Ye Faithful," Nedra Roberts; "Silent Night," Sydna Lee McLaurin; and "O! Little Town Of Bethlehem," Cassandra Cross.

Other numbers are "Magic Carpet Of Dreams," "Sliding On A Rainbow" and "White Christmas" by Jan Thomas; "Air De Ballet," "The Shepherd And His Sheep," and "Swing Low Sweet Chariot," Patsy Norman; "The Pet Shop," "Jingle Bells" and "White Christmas," Helen Bowen; "Whistling Down The Road I Go," Jimmy Bowen; "Swinging Along," "The Wren And The Swan" and "The Donkey Party," Chapoy Murphy; "Riding On A Mule" and "Bells Are Ringing," Barbara Murphy; "Lightning Ranger," "The Streamline Express," "Monkey Business" and "Pretty Polly," Sammy Kaye Caffey; "Old MacDonald Had A Farm" and "Mr. Frog Is Full Of Hops," Leslie Welch; "Barnyard Jamboree" and "Starlight Over Norway," Sydna Lee McLaurin; and "The Waltz King" and "Garden Of The Staffs," Cassandra Cross.

The public is given a special invitation to attend the recital, Mrs. Norman said.

Miss Gay Pierce Is Named Honoree

Miss Gay Pierce, who left Monday for California to make her home, was honored at a farewell party last Wednesday afternoon, in the home of Mrs. W. M. Kirkpatrick. She was presented a shower of gifts.

Those present were Misses Wynona Branson, Jeanette Storie, Rowena Hodges, Barbara Norris, Betty Hagood and Mary Ann Rose and Mrs. Ben Owen, Mrs. Almon Martin and Mrs. K. Stoker.

Mr. and Mrs. Polk Observe Golden Anniversary Sunday

Mr. and Mrs. Oscar Polk were given a dinner and reception in observance of their 50th wedding anniversary Sunday, in the home of their son-in-law and daughter, Mr. and Mrs. Wilson D. Williams.

A special guest of the honored couple was Lige Garrett, of Lamesa, who accompanied them when they were married Dec. 1, 1901, at Wortham.

A turkey dinner was served to family members at noon. More than 50 guests called during open house hours from three until five o'clock. Pictures were made of the celebration.

The serving table was laid with white linen and was centered with a three tiered, gold trimmed cake and a picture of Mr. and Mrs. Polk which was made on their wedding day.

Gifts were displayed in the bedrooms.

Attending the dinner were the couple's three daughters and their families, Mr. and Mrs. L. L. Taylor and son, Floyd, of Morton, Mrs. Ben Howell and daughters, Frankie Sue, Vonda and Iris, of Hobbs, N. M., and Mr. and Mrs. Williams and daughters, Glenda and Gayle Askins;

Scholarships Open To County Students At UT

Garza County school graduates could easily be among the fifty or more 1952 graduates of Texas high schools who will receive Wilbur S. Davidson Freshman Scholarships at the University of Texas for the 1952-53 session.

The committee on loans and scholarship information is sending information about the scholarships to high schools throughout the state. The scholarships range from \$100 to \$200 each, with awards based on financial need, desire for college education, scholastic ability and good character.

Applications should be filed by March 15, 1952 for the 1952-53 session. The committee will announce the winners by June 1, 1952, William D. Blunk, chairman, said. Inquiries should be addressed to the Committee on Loans and Scholarship Information, Box 2114, University Station, Austin 12, Texas.

Veteran Administration Explains Insurance Law For U. S. Veterans

Editor's Note: Many service men from Korea and elsewhere are being discharged now. Their most frequent questions concern their rights to government life insurance. This is the first of a series of four articles prepared by Veterans Administration, that will attempt to answer these questions.

Two new types of low-cost government life insurance are available to eligible veterans of the U. S. Armed Forces who served anywhere in the world since the Korean Campaign started on June 27, 1950.

The first of these two types is a non-convertible five-year level premium term policy that may be renewed every five years

Justiceburg 4-H Club Holds Special Meet

Members of the Justiceburg 4-H girls club met last Wednesday at the schoolhouse to design and make Christmas cards.

The following people were present: Jean Winkler, Janet Chambers, Sydna McLaurin, Sandy Cross, Dorene Brown, Janice Brown, Janyce Lobban, Junior sponsor and Mrs. Sid Cross.

at the premium rate for the then-attained age. The second type is a special form of National Service Life Insurance, on either term or permanent plans, that may be issued to disabled veterans whose disabilities have been found to be service-connected.

In this article, we will discuss only the five-year level premium term plan. The special NSLI provided for disabled veterans will be discussed in the next article.

To qualify for the five-year level premium term policy (under Section 621 of the NSLI Act), veterans must have been ordered to active duty for 31 days or more; they must have served since June 27, 1950, and they must have been released from active service.

These veterans are eligible, without physical examination, for a five-year level premium policy ranging from \$1,000 to \$10,000, less any other Government life insurance in force at the time of application.

They must apply in writing to Veterans Administration, Washington 25, D. C., within 120 days after their release or separation from active service, and pay the required first premium.

The premium rates for most ages under this policy are the lowest of any Government life insurance yet authorized by the Congress.

While this policy may be renewed every five years at the premium rate for the then-attained age, it is not convertible to any other plan of Government life insurance, nor will it earn dividends.

Because it is a term policy running for only five years, it does not have any loan value, cash surrender value, or extended insurance value. It merely provides life insurance coverage while premiums are being paid for the five-year period.

A veteran taking out this type of policy may name any person or persons, firm or corporation, or his estate as the beneficiary or beneficiaries to whom payments shall be made in event of his death while the policy is in force under premium-paying conditions.

Death payments made to the beneficiary or beneficiaries are exempt from taxation, but the exemption does not extend to any property bought with this money. These payments also are or release from active service, but within 120 days after separation or release.

For further information, veterans should contact their nearest VA office immediately after separation or release.

fully exempt from claims of creditors against the insured veteran or his beneficiary or beneficiaries, but this exemption does not apply against the United States.

Veterans who plan to apply for this insurance may do so immediately following separation or release from active service, but they must meet requirements within 120 days after separation or release.

For further information, veterans should contact their nearest VA office immediately after separation or release.

Caution By Hunters Urged During Season

AUSTIN, — The Chief Clerk of the Texas Game and Fish Commission reported that at least five Texans have been killed during the 1951 hunting season.

Persons wounded, he added, total more than one dozen with several accidents apparently unreported as yet.

The data was compiled from game warden's reports.

The Chief Clerk said a partial report on seasonal casualties "may serve as a reminder to hunters to be more careful." He said the fall shoot reaches its peak with the opening of the quail season December 1.

The Chief Clerk said two of the five fatalities were caused by self-inflicted wounds. One was killed while taking his shotgun from a car. The other was leaning on his rifle barrel.

The other fatal shootings involved: A 17-year-old boy mistaking a 30-year-old man for a wild turkey and shooting him through the head.

A 13-year-old boy jumping up in front of another young duck hunter's shotgun.

A rifle being discharged while being taken from an automobile by one man, with the bullet striking another.

Mrs. Burnis Lawrence and Sheila visited friends in Lubbock Sunday afternoon.

Mr. and Mrs. John Veach were visited last week by their children, Mr. and Mrs. Herbert Walls and Mrs. J. C. Hooper and Martha Jo of Borger and Mr. of New Deal.

AMAZING NEW WINTER PROTECTION FOR YOUR CAR'S ENGINE!

GULFPRIDE H.D. HIGH DETERGENCY

- Cuts engine wear up to 80%!**
Yes, in short-trip, low-temperature operation (the kind of winter driving most of us do) this new motor oil reduces engine wear by as much as 80%.
- Developed in 14,000,000 miles of driving!**
800 cars and trucks of various makes were used in this test, each with a different driver. The test included all types of driving terrain.
- Keeps hydraulic valve lifters from fouling and sticking!**
Your Gulf dealer can tell you if your motor has this type of high-precision valve lifter (many cars do) which requires a high detergent oil.
- Prevents plugging and sticking of piston rings and clogging of oil screens!**
That means a reduction of oil consumption. Also eliminates oil starvation of vital engine parts, caused by clogged oil screens.

Get your GULF man's complete "Safety-first" service—protect your car FULLY for winter driving!

Whether your car is old or new, you can get the benefits of this revolutionary new oil NOW. Start using Gulfpride H.D. this fall, when you see your Gulf dealer for complete "Safety-first" car service.

NEW PONTIAC ON DISPLAY AT MAYFIELD'S
—First of the General Motors divisions to announce 1952 models was the Pontiac division. The new Pontiac is now on display at Dowe H. Mayfield.

Mayfield's for your inspection. Shown above is the popular Super Deluxe Catalina. Higher standards of performance and fuel economy are achieved by a new "power train". See the new Pontiac today.

New 1952 Pontiac Now On Display At Showroom Of Dowe H. Mayfield

Dowe H. Mayfield, Co., Inc., local representative of the Pontiac Division of General Motors, this week lifted the curtain on models for 1952 which feature an entirely new power train consisting of a new dual-range Hydra-Matic transmission, higher compression engines and the lowest rear axle gear ratio (30.8 to 1) yet to appear on American passenger cars.

The combination, according to engineers responsible for the development, results in new standards of performance and economy for the 1952 cars, at the same time providing two separate driving ranges, a flexibility in driving that meets extreme conditions of heavy traffic of safe, smooth travel on the open highway.

In addition to the new power train, the 1952 Pontiac models, now on display at Mayfield's, feature a number of important styling changes and refinements. There are new colors available both for interiors and exteriors of all models. Interior colors are provided in a choice of grey, blue or green to match or harmonize with the color selected for the body. These interiors combine solid colors with matching tri-seat upholstery. Window moldings and instrument panels are similarly styled according to body color.

The newest Silver Streak models are offered with six and eight cylinder high compression engines, each series having five standard and five deluxe models, and one super deluxe, the Catalina.

Throughout the entire line a number of innovations have been made in ornamentation which quickly distinguish the 1952 models from their predecessors. There is a revised edition of the characteristic Pontiac Indian head hood ornament, modifications of the radiator grille, and other changes in the belt moulding, trunk handles and interior fittings.

While these and other appearance changes combine to distinguish the new models, the highlight among new Pontiac features is the Dual-Range Hydra-Matic Drive. The owner of the

new 1952 model is provided with two completely optional driving ranges, each having individual characteristics which make it suitable for two different classes of driving conditions.

One of these systems provides the usual first, second, third and fourth gear speed range permitting smooth, economical performance for country and boulevard driving. The second is a new first, second and third gear range particularly adapted for driving in congested traffic or mountainous territory.

When driving in the 1-2-3 traffic or mountain range, the car will normally remain in third gear and cannot shift into fourth except at very high speeds. According to the engineers, this gives greater flexibility in normal city traffic, provides engine braking in mountains or on steep hills, and because of the greater reduction in the gear box allows for a lower ratio rear axle. This permits the car to accelerate more quickly and at the same time assists in braking, a safety factor and a marked contribution to longer brake life.

In the 1-4 range, most forward driving or cruising is done in the fourth gear speed which brings the new 30.8 to 1 rear axle into full economy service. The new axle ratio is a 15 percent lower reduction than the previous 3.64 to 1 which results in corresponding reduction in engine revolutions per mile of travel. The result is quieter operation, improved fuel economy on the highway and driving more nearly approaching the effect of "coasting."

Among other improvements in the new cars are a "flipper" weather door seal on the new Catalina models which prevents water dropping into the driver's compartment when the door is opened, new generator frame and improved armature shaft construction, new "cooler" operating spark plugs with stronger structural features, new fuel pump, and other innovations.

As an extra cost option, in connection with radio installation, Pontiac this year has introduced a motor-driven antenna, which permits raising or lowering the antenna from within the car.

Commissioners Court Goes To Breckenridge

Members of the Garza County Commissioners Court will leave tomorrow morning for Breckenridge where they plan to inspect the new hospital there.

Those making the trip include Judge Snowden, Buck Gossett, Sid Cross, Ozell Williams and Ernest Henderson.

"The purpose of the trip," Judge Snowden explained, "is to try to learn something about what is needed in the way of equipment, organization and general other items which we will have to know to put our new hospital in operation here."

The Breckenridge hospital is about the same size and has practically the same set up which this hospital will have. The Commissioners Court will spend all day at Breckenridge and will be met by a representative of the architect.

clock. Garzans, who failed to see the films when they were shown at Grassland recently, are invited to attend.

Antelope Band—

(Continued From Front Page) not through.

The initial school band concert to be given in Post will be presented by the Antelope band on December 14. And Lewis says the members are eager to present a concert a month for the remainder of the school year.

The band will participate in the Interscholastic League Contest and has been invited to participate in the Fat Stock Show in Fort Worth and the Band Festival in Altus, Oklahoma in March.

Lewis says the band is weak in the reed section and learning to sight read, but insists the members will overcome such obstacles. And in looking at what has been accomplished since he assumed directorship it isn't hard to believe him.

A graduate of Borger High school, Lewis spent three years in Marine Corps Aviation. He graduated from West Texas State college where he studied under the capable instruction of M. J. Newman and Lewis Stoelzing.

Following graduation at WSTC he taught one year at Kress, building the band there from scratch to a 65 piece organization.

"We have definitely made good progress," he admits, "but it has been made possible by the friendliness and cooperation of the officials and students of the school and the responsiveness of the people of Post."

High school band members and their instruments include: FLUTES: Tommy Bird, Naomi Nichols, Patty Lott, Alpha Hall; CLARINETS: Tommy Mayfield, Kenneth Rogers, George Self, Mary Jo Williams, Gaylord Anderson, Carolyn Odum, Eva Collozo, Safrina Guajardo, Mozelle Edwards, Lexa Acker, Drura Ann Hughes and V. A. Dodson.

BASS CLARINETS: Colleen Sharp and Jo Ann Moreman; ALTO SAX: Barbara Norris, Wilma Welch, Carolyn Winkler, Maxine Beall; TENOR SAX: Buena Welch, Dora Foster, Onella Shedd, Gayle Askins; BARITONE SAX: Janie Gossett and Delores Ligon; OBOE: La Juan Davis; PERCUSSION: Jim Boren, John Boren, Charles Bird, Danzil Lawrence, Junelle Ticer and Ronald Ticer.

CORONETS: Tommie Lou Scott, Wanda Bratcher, Margaret Moreland, Wilburn Wheeler, Leonard Short, Ronnie Blacklock, Keith Bird, Barbara Northcutt, Carolyn Hudman and Dee Hodges.

TROMBONES: Nelda Floyd, Donald Wheeler, Jim Ferguson, Louise Ferguson, Freda Kennedy; BARITONES: Haskell Odum, Wanda Allgood and Jimmy Bowen; HORNS: Billie Moreland, Kenneth Mills, David King, Twana Tague, Bobby Dunlap, Elizabeth Sharp; BASSES: James Wornack, Connie Martin and Robert Smith; and BASSOONS: Mary Trammell and Willie Ann Mathis.

Letters To Santa...

Dear Santa Claus:
Please bring me a tractor and two guns and holsters. Also bring me some fruit, nuts, and candy. Please remember my brother who is in Korea.
G. T. Mason, Jr.
Dear Santa:
I'm a little boy five years old. I would like a bicycle with one wheel in front and one in the back. Please don't forget all the other little boys and girls. Bring me some candy, nuts and fruits and a football helmet like the "Antelopes".
I love you, Ray (Butch) Cross
Dear Santa:
Please Santa bring me something! Really I haven't been such a bad little boy. I don't ask questions and tear things up when I'm asleep and that's half my time. In case you think I'm nice enough to bring me some things, I'm three years old, and please I'd like a train, a road grader and a big tractor. I'm Brenda Hodges' little brother. Just put my things under the Christmas tree with hers, it's in the far end of the living room, you can't miss it. Oh, yes, I'll do my best not to peep.
Love, Butch Hodges
Dear Santa Claus:
I'm a fat little girl almost five years old. I live in the same place at Hamlin that I did last year. I've been a fairly good little girl, so Daddy says I deserve a visit from you. Please bring me a big doll house, a doll and a toy piano (because Mommie won't let me bang on hers), and please bring the other little girls and boys something real nice and don't forget my little playmates and my Sunday school teacher.
I love you, Brenda Hodges

Post Cagers Drop Tilt To Cooper 53-28; To Enter Tournney

Evans, Bilberry And Stone Lead Antelope Scoring

By BURNIS LAWRENCE
Post Antelope cage teams, both boys and girls, suffered setbacks at the hands of the Cooper Pirates last Friday night, with the boys team falling 53-28 and the girls taking the small end of a 37-23 score.

The defeat at the hands of Cooper gave the Antelopes their second whipping in the same number of games this year. They lost to Shallowater last week also.

Cooper started the boys game like a house on fire and jumped to a quick 10-2 lead in the first quarter. The Antelopes were never able to head them, although the second string entered the game in the second quarter and pulled to within six points of the Pirates at one time. Cooper led at halftime 27-14.

Although definitely handicapped by their lack of height, the Antelopes played more or less lack-a-daisical game except for occasional spurts when they showed fire.

It was certainly not a "don't care" attitude or method of playing, but one which indicated they went into the game already defeated. As previously stated, the second string played a fine game the first time they went in during the second quarter. Especially outstanding was the playing of Cooper Bilberry and Buddy Caylor. Don Tatum performed some smooth ball handling and floor work.

L. W. Evans and Darrell Stone turned in the best games for the regulars. The Antelopes played without the services of their star guard, Jack Kirkpatrick. He was out of town over the weekend.

Evans wound up the game as high point man for the Antelopes with six points to his credit. Bilberry and Stone were close behind with five points each.

For the victors Dallas Brewer and Don Patterson tied for high point honors with 12 points each. Teammate Johnny Haynes made eight.

In the girls game, which was played after the boys game because the Cooper team had to be at Wilson at 9 p. m. that night for a game. Woodena Stewart turned in the best game of the night by sinking 13 points for Post.

Woodena shoots with a left-hand hook shot that many college players would give their teeth for. Her presence in the entire game might have been the winning margin.

Juanella McClellan also turned in a fine performance on offense.

Post led at halftime 18-16 but in the final half of the game they slumped on hitting the basket and by the time they began making their shots again it was too late.

High point player for Cooper was Phyllis Pate. She made 18 points.

High School Band Cops First Trophy

Post High School Antelope Band presented a fine show in Monahan's Friday and copped the first place trophy of the Christmas Parade and Parade Competition Festival.

Quick stepping to the strains of Salutation March, the band performed a diminsh front, increase front and a quick movement into and out of three columns.

The Grand Falls high school band won second place.

From the parade, the band went to the football field where the bands presented a skit of ten minutes for the crowd. The Antelope band used the Cavalcade of MUSIC which they presented as one of the home football games.

Monahan performed a clever display of The Blue Danube Waltz and Grand Falls displayed a rendition of Show Boat. Band members all agreed they were shown a grand time by people in Monahan.

Barnum Springs To Present Big Show

Lovers of Hill Billy music will have the time of their lives if they attend the big show at the Barnum Springs schoolhouse at 8 p. m. today.

Old High Pockets and his ensemble K. S. E. L. Jamboree show will be on hand to provide the fun and music.

Tickets are 60 cents for adults and 30 cents for children. Proceeds will go toward improvement of the school building and Christmas program for the students.

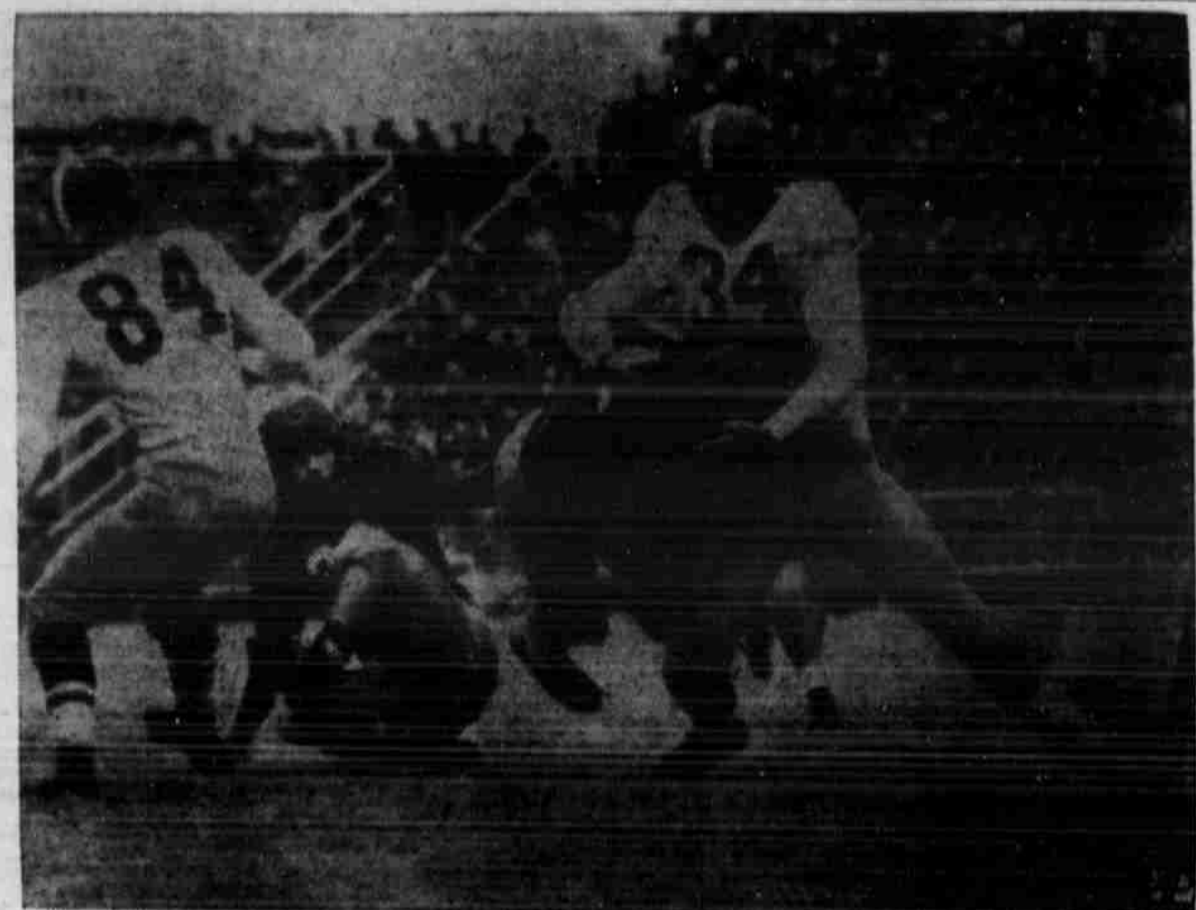

Mrs. Lyda Myrtle Everett and her sister, Bettye Travis, spent Saturday and Sunday in Seminole with the Bud Everetts.

Mrs. Jack Kennedy and children and Mrs. A. R. Hays spent Saturday in Lubbock.

Antelopes Enter Brownfield Tournney

Post Antelope cagers make their third start of the young 1951 season when they enter the Brownfield basketball tournament which starts today.

The tournament runs through Saturday. At the time this story was written, Coach Vernon Ray had not received the schedule bracket. It will be given in some other part of the paper if he received it before printing time.

Mrs. Fred Woods, of Weslaco, is visiting her new grandson, Stanley Howard Rodgers, and his parents, the Clarence Rodgerses. Mrs. Bud Stevens underwent surgery in Lubbock Memorial hospital Friday.

Letters To Santa...

From far! From near! From everywhere come letters to old Santa Claus on this 1951 Christmas!

This week Santa forwarded us some letters that traveled a long way to get here. We will start the string off with them. The one which traveled the farthest was from Talent, Oregon, and the second came from Tulsa, Okla.

Dear Texas Santa Claus:
I am a little girl four years old. I would like a doll and buggy and my big brother would like a 5 1-2 foot glass casting rod. My big sister would like a bracelet. Santa we will be looking for you if it isn't too far.
Margaret Wood, Box 4, Talent, Oregon.

Dear Santa Claus:
I am a little girl seven years old. I have tried to be good so will you please bring me a doll, doll clothes and some fire works. Please remember all my friends at Post, and please Santa, remember ALL the boys and girls in the polio hospitals that won't be home for Christmas. And all my cousins too.
Love, Billye Ruth Hill, 516 N. Frisco Apt. 5, Tulsa, Okla.

Dear Santa:
I am a little girl six years old. Please bring me a pair of cow-girl boots, candy, nuts and fruits. Bring all the other little girls and boys something nice too.
Love, Barbara Ann Craig

Dear Santa:
Would you bring me a bike and a big doll.
Love, Wanda Duncan, P. S. Please bring me a house coat.

Tech Raiders Will Play In Sun Bowl

Texas Tech Red Raiders slipped past Hardin Simmons in Lubbock Saturday 28-21 to win the championship title of the Border Conference.

By virtue of their win the Red Raiders were invited to be host team at the Sun Bowl in El Paso on January 1. Their opponent will be College of the Pacific. This team beat Tech's Saturday foe, Hardin Simmons, in their first game of the year, 27-6.

Tech players, in voting to go to the Sun Bowl, barely approved the idea by a 22-19 vote. The school was guaranteed \$15,000 for the engagement.

Two Tech players will play in other major games on December 29. Jerrell Price, captain and tackle, is to play in the East-West game and Red Phillips, center and alternate captain, is to play in the Blue-Gray tilt.

Dear Santa Claus:
I am a little girl nine years old. I am in the third grade. I have made good grades at school this year. I would like for you to bring me a doll, sewing machine, telephone and broom and anything else you want to bring me. Don't forget mother, daddy and big brother, also don't forget my teacher. Bring her lots of pretty things.
Your friend, Martha Ella Goode

Dear Santa Claus:
I am a little girl four years old. I've been a pretty good little girl so please bring me a doll, a buggy and some dishes.
Thanks, Paula Hedrick

Dear Santa:
I am a little girl nine years old. I have been good. I want a life size doll and a sweetheart bracelet and necklace. I want a doll suitcase. And please bring me a monopoly set, and don't forget the other children and a baton.
Thanks Santa, Charleta Kay Hedrick

Movie of the Week

"Here Comes the Groom" starts that legend of America's stars, Bing Crosby, hits town on Wednesday and Thursday at the TOWER.

The "groom" had experienced hard time arriving in Post, but Manager John... says that if nothing breaks or comes untied, he here next week.

If you listen to all the whoop put out about the picture by all the leading magazines and columnists, then you will be missing the time of your life if you don't see "Here Comes the Groom."

Just listen to these comments: "Delightful and thoroughly entertaining hunk of celluloid," "Citation for the month," "LOU LA PARSONS," "Give 'Here Comes the Groom' a top place on the 'must see' list," JIMMY LER.

Yes, guess who Bing has opposite him? None other than that Academy Award winner, Jane Wyman. "Here Comes the Groom" is a hilarious picture concerning a reporter who has to marry within a certain length of time after returning from overseas, and a would-be bride who has grown tired of waiting for him while he has been overseas and has decided to

Thomas To Conduct Dedication Services

The Reverend Fred Thomas, of Elkhart, Ind., will conduct a series of special evangelistic dedication services beginning Sunday, Dec. 12, in the new Church of the Nazarene, Rev. J. C. Holman, pastor, has announced.

The services will begin December 12 and continue through Sunday, December 23 when it will close with a combined Sunday school and church service with Evangelist Thomas giving his personal Testimony as to his conversion.

Services will be held in the new sanctuary at Eighth and Jefferson each evening at 7:30 p. m. The public is cordially invited.

The Rev. Thomas has been ac-

quainted with a wealthy playboy. And the mix up that this causes, plus the attempted solution by the reporter (none other than the old Groaner himself) provides the movie goer with nearly two hours of the finest entertainment to be found.

You should hear the songs which "Here Comes the Groom" introduces. Such hits as "In the Cool, Cool of the Evening," "Your Own Little House," "Bonnie Noll" (Goodnight), "Misto Cristoforo Colombo," "Here Comes the Groom" also introduces a new singing sensation whose wonderful voice is being hailed throughout the nation. She is Anna Maria Al-Berghetti, a 15-year old Italian soprano.

SEE "HERE COMES THE GROOM" AT THE TOWER WEDNESDAY AND THURSDAY.

Albert McBride has the opportunity to see "Here Comes the Groom" on the house. Two tickets are awaiting him at the boxoffice at the Tower for any showing of the picture.

Other pictures of the week will also attract the attention of the moviegoer. Friday and Saturday Hopkins has scheduled "The Mob" starring another academy award winner, Broderick Crawford. "The Mob" is the story of a tough detective who smashes a water front gang in New York. Provides plenty of excitement, thrills, adventure and drama during the entire 87 minutes it runs.

Sunday and Monday the TOWER gives you "Silver City"; and on Tuesday, "The Lady and the Bandit."

And don't forget the two BIG FREE movies on the 20th and 21st of December. Tickets can be obtained from several of the merchants in town. Find their names and look them up for free tickets to the best entertainment in the world.

Movie Facts
In 1935 judges voted "Mutiny On the Bounty" as the outstanding picture of the year. Victor McLaglen was voted best actor of the year and Bette Davis received the accolades as best actress.

The Glen Davis family, the Lonnie Peel family and Mr. and Mrs. Elmer Cowdrey and granddaughters, Brenda and Glenda Sparlin, of Tucumcari, N. M., visited Clark Cowdrey in Lubbock Memorial hospital Sunday afternoon.

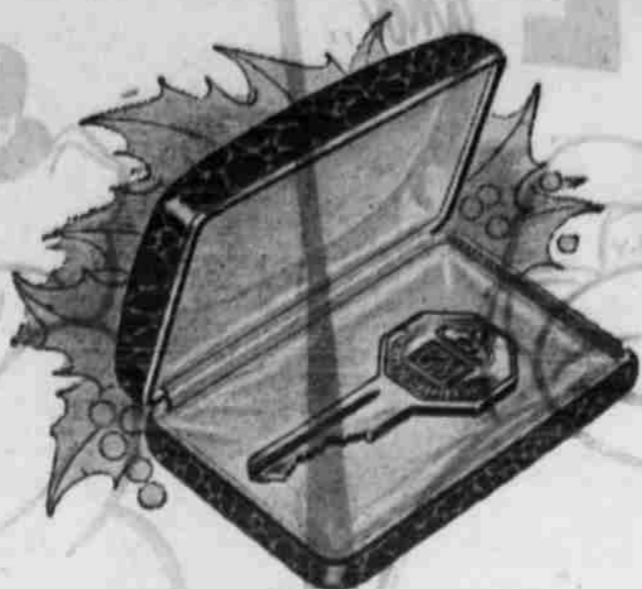

Bill Stevens was a weekend guest of Auvy McBride.

Mr. and Mrs. Glen Davis and son, Carol, were dinner guests of the Lonnie Peels at Close City Sunday.

Sgt. and Mrs. Victor Arnold and daughter, Cecelia Ann, have returned to Albuquerque, N. M., after spending several days with Mrs. Arnold's parents, Mr. and Mrs. Wink Thompson.

Mrs. Ray McClellan, Mrs. Grover Mason and daughter, Joy,

are actively engaged in the ministry for more than 25 years. Prior to entering the field of evangelism, he served as pastor for various churches in Indiana, and has preached at a number of District Assemblies, denominational colleges and camp meetings. Although not a prolific writer, he does make occasional contributions to the Herald of Holiness, official organ of the Church of the Nazarene.

key to someone's Merry, Merry Christmas

This is the key to many things.

It's the key to a Buick, as you may well guess.

It's the key to power that is nimble and mighty and always alert—and to miles that are wondrously smooth and supremely pleasant.

It's the key to a prized possession that will keep this Christmas joyous in memory for months and even years.

And it's the key to sparkling eyes and happy smiles and delighted surprise for that very special Someone who receives it.

Want to know why a Buick's key can work such wonders? Come in and find out firsthand.

This, we promise you, is one bit of

Christmas shopping that you're going to enjoy.

When you touch off that Fireball Engine that's a high-compression valve-in-head eight—when you set that Dynaflo* pointer at "D" for "Drive"—when you lay hands on that graceful wheel, ease into motion and feed the power—you're going to feel like Santa Claus and all his reindeer as they skim through the air with the greatest of ease.

This is a great car, a great performer, and a great buy.

No need to tell you the shopping days

till Christmas are getting fewer and fewer.

There's no time like now for taking steps to make this a Buick Christmas.

NO OTHER CAR PROVIDES ALL THIS:
DYNAFLOW DRIVE* • FIREBALL ENGINE
PUSH-BAR FOREFRONT • WHITE-GLOW INSTRUMENTS • 4-WHEEL COIL SPRINGING
TORQUE-TUBE DRIVE • DUAL VENTILATION
DREAMLINE STYLING • BODY BY FISHER
When better automobiles are built BUICK will build them

prices too!

Yes, Ma'am, Piggly Wiggly stretches all he's got to give you HIGH QUALITY . . . quality you're sure of like Del Monte and Libby's. His next effort . . . WIDE VARIETY. Yes, literally hundreds, of your favorite nationally famous brands. He does his best to be HANDSOME, too. Handsome, with beautiful stores. Super Markets that are pleasant, comfortable, and roomy. Maybe Piggly Wiggly is a little old-fashioned, but he just keeps on "striving to please"—we hope he does, too!
