WAS THIS THE REASON?—Crowning of Miss Melba Shepherd as Post High School football queen just before the Post-Slaton game Friday night might have had something to do with the 40-20 upset victory turned in by the Antelopes. Miss Shepherd, a senior class member, is the daughter of Mr. and Mrs. Otis G. Shepherd. Runners-up in the queen's race were Misses Woody Stewart and Tommie Williams.—(Staff Photo).

Christmas Lighting Plans Announced

Plans for the annual Christmas home decoration contest and for stringing of Christmas lights across Main Street were made Monday afternoon at a meeting of the Post Chamber of Commerce's board of directors. Mrs. Ira Greenfield, secretary, announces.

Church Census Reaches Most Homes In City

Approximately 1,200 homes were called on Sunday afternoon in a religious census sponsored by the Post Ministerial Alliance, the Rev. Almon G. Martin, president of the organization, reports.

less bulbs and paying for other needed repairs to the lighting equipment. The vari-colored lights will be strung across Main from the railroad to the courthouse.

The home decoration contest will be conducted in the same manner as last year's. There will be two divisions—Class A for homes of five rooms or more, and Class B for homes of four rooms or less.

Contestants will compete for cash prizes in four contests—most beautifully decorated exterior, most beautifully decorated doorway and most beautifully decorated outdoor tree.

First, second and third place prizes will be offered in each contest in the two classes. Amounts of the prizes are to be announced later.

Single Copy Dispatch To Advance In Price

Effective next week, the price of single copies of The Post Dispatch is being advanced from 5 cents to 10 cents.

With production costs, including price of materials, on the upgrade, the management feels that it can no longer continue to sell the papers for a nickel a copy, which is less than it costs to produce them.

No advance is being made, however, in the yearly subscription rates, which are \$2.50 a year in Garza County and \$3.50 a year outside the county.

In advancing the price of single copies to 10 cents, The Dispatch is following the trend of other leading Texas weekly newspapers, many of which have been selling for 10 cents a copy for several years.

By subscribing to the paper at \$2.50 a year, Garza County residents will receive issues at less than 5 cents a copy. It is worth more to a paper and more economical in the long run to build up its circulation at this price than to sell single copies at 5 cents.

81 FORMER STUDENTS REGISTER AT RECEPTION

Ex-Students Organize Here

Eighty-one Post High School graduates of classes ranging from 1913 through 1953, registered at a PHS Homecoming reception in the high school gymnasium Friday evening and assisted in the organization of an Ex-Students' Association.

In a business meeting opened by Chant D. Lee, high school principal, V. L. "Punk" Peel, '43, was elected president; R. E. Josey, '49, vice president; Melvin Garner, '51, treasurer, and Pearl Craig, '53, secretary.

The group voted to set the association dues at \$1 a year. Refreshments were served at the reception, which was held from 5 until 7 p. m. Following the event, most of the exes attended the Post-Slaton football game, braving chilly weather and rain-soaked bleachers to watch their Alma Mater's team score an upset 40-20 victory over a traditional rival.

Two sections of the stands were reserved for the exes, with tickets selling at \$1 each. The earliest high school class representative registering was O. L. (Ollie) Weakley, Post banker, who was graduated in 1913. Other early graduates included Tom W. Bouchier, '15, and Mrs. Bouchier, '21.

Other classes with representatives were: 1953—Maxine Baylis, Judy King Brown, Jackie Morrison, Pete Hays, Rex King, Leona Stone Laurence, Randle Laurence, Bernie Welch, Mrs. Roger Hensley, Elfrieda Buck, Marie Claborn, La Verne Furr, W. O.

School Carnival Decrease Is Shown

In Postal Receipts

Postal receipts for the first nine months of 1953 show a decrease of \$966.68 from receipts for the first nine months of 1952, according to figures released this week by Postmaster Harold Voss.

Through Sept. 30, receipts at the office here totaled \$20,231.64 as compared with receipts of \$21,188.32 for the same period last year.

The decrease came in the first quarter of this year, with receipts amounting to \$6,552.19 as compared with first quarter receipts of \$7,673.36 in 1952. Second and third quarter receipts this year were \$7,116.33 and \$6,563.12, showing increases over 1952 first and second quarter receipts, which were \$6,961.43 and \$6,533.53.

There was a decrease of more than 11 per cent in money orders during the first nine months of this year, the postmaster said. Money orders totaling \$175,542.94 were issued through Sept. 30 as compared with \$209,508.19 for the same period of 1952, the report disclosed.

RATIFY CONSTITUTION
The constitution of the newly-organized Post High School Student Council was ratified recently by the student body. Election of permanent officers is to be held in the near future, according to Chant D. Lee, high school principal.

GAME PLENTIFUL AS SEASON OPENS

Colorado Deer Fall To Garza Hunters

All Post area hunters who could be contacted upon their return from helping open Colorado's deer season report good luck, plenty of game and rough weather.

The season opened Oct. 24, and several Post nimrods were on hand for the first day. Bad weather set in the same weekend, but local hunters missed the worst of it, which was in northern Colorado.

Homer McCrary of Post and Sidney Claborn of Lubbock each got a buck. They were in the vicinity of Saguache, Colo., and McCrary reports they had to move their camp to lower country

at the end of the first day because of deepening snow. McCrary said he believed there was more deer, but not as many hunters, than for the first week last year.

Two other Post hunters, O. C. (Oscar) Garner and Wayne Pennington, report extremely good luck in the vicinity of Durango, in western Colorado. With them was John Jones of Loveland. Garner said they got all the deer they could carry on their truck and saw lots more.

Other hunters from here included Claude Spence and sons, Dale and Ray, at Grand Junction, they See DEER HUNTING, Page 8

County Reports Progress On Right-Of-Way Efforts

Although some progress has been reported in obtaining right-of-way for two road projects, a few easements still are required and Garza County commissioners met in special session Tuesday to discuss the matter.

Meanwhile, the State Highway Commission announced that a farm-to-market road has been designated in Garza County extending from U. S. Highway 84 at Southland, south for a distance of five miles to the Hackberry Gin. The approval is subject to the availability of funds and the condition that the county will furnish all required right-of-way free of cost to the State.

Upon acceptance of these conditions, the State Highway engineer is directed to proceed with construction and to assume the road for maintenance.

Three more easements are required before the county will have obtained all the needed right-of-way for widening of State Highway 380 east from Post for a distance of more than 11 miles. Right-of-way for this project is needed on the north side only.

The Highway Commission has set Dec. 15 as the date for letting bids on the job, which will cost an estimated \$250,000.

A few more right-of-way easements are also needed for Farm-Market Road 651 from northeast of Post to the Crosby County line.

Sixty-one teams of two workers each conducted the census under the direction of the following zone captains: Zone 1, William Robinson; 2, Shelley Camp; 3, E. R. Moreland; 4, Acey Casey; 5, Earl Rogers; 6, Albert Odum; 7, Pete Crispin, and 8, J. L. Ballentine.

The city was divided into eight zones for the survey. Four of these zones were north of Main Street, three were south, and the other zone was the Postex Mill area.

ing bids on the job, which will cost an estimated \$250,000. A few more right-of-way easements are also needed for Farm-Market Road 651 from northeast of Post to the Crosby County line.

Wednesday, Nov. 11 Is Armistice Day

Wednesday, Nov. 11, is Armistice Day, representing the 35th anniversary of the cessation of hostilities in World War I.

James C. Cole, Post 270 of the American Legion will hold its annual Armistice eve supper Tuesday night at the American Legion Hall.

Since Armistice Day is a legal holiday, the bank and post office will be closed. Just how many other business and public places will be closed for the day had not been determined late Wednesday. The holiday is not one of the six on which businessmen agreed to close in a Chamber of Commerce poll taken last year.

County Judge Oscar Graham said Wednesday that it had not been decided whether or not courthouse offices would be closed. Nor was there any definite word from the City Hall, where it was indicated, however, that they "probably will be closed" for the day.

259 POLL TAXES PAID
A total of 259 poll tax receipts had been issued up to noon Tuesday, according to County Tax Assessor-Collector Carl Cederholm. Unless an exemption is claimed, a poll tax is a prerequisite to voting in next year's elections. Deadline for their payment is Feb. 1, 1954.

Junior Class Play Is Scheduled For Dec. 11
Dec. 11 has been set as the date for presentation of the Post High School junior class play, "Ma's New Husband".

Members of the cast, selected in recent tryouts, are: Wynonne Morris, Lonnie Weiborn, Jeanie Peel, Glenda Askins, Don Gates, Don El Dale, Leonard Short, Delta Rogers, Arleta Gary, Christine Blodgett and Kevin Williams.

Tax Breakdown Is Given By Official

The 3 per cent discount for first-month payment of state and county taxes went off Oct. 31, but a 2 per cent discount is allowed in November. Tax Assessor-Collector Carl Cederholm reminds taxpayers.

The total valuations on which the 1954 rolls are based are \$11,066,554.50 county and \$10,195,379.50 state. The state valuation is less than county because of homestead exemptions.

The total amount on the tax rolls are \$42,818.63 state and \$105,139.85 county. Of this amount, \$21,107.27 is earmarked for road districts and \$23,279.23 for common school districts.

Property assessed on the 1954 tax rolls is as follows: Intangibles, \$395,790; railroad rolling stock, \$39,880; personal property, \$1,375,040; city property, \$1,046,198; real property, \$8,101,366.50; telegraph and telephone lines, \$60,310; pipe lines, \$22,970; and bank, \$25,000.

1954 Cotton Allotment Figures Forthcoming

Garza County's 1954 cotton acreage allotment will be announced about the middle of this month, according to Mike E. Custer, county PMA office manager.

Custer said individual allotments would be in the hands of producers by Dec. 1.

AGENTS AT MEETING
Lewis Herron, Garza County agricultural agent, and Miss Jessie Pearce, home demonstration agent, are in College Station this week attending an agents' meeting.

Quiet County Court Term Is Under Way

A regular term of county court is in session this week, but is expected to be completed without the jury panel having to be called.

County Attorney Pat N. Walker said there are "seven or eight" cases on the docket, but that the defendants had indicated they would enter guilty pleas.

Establishment of the program will include selection of conservation practices, setting of a sign-up period, and other details, according to Mike E. Custer, county PMA office manager.

The sign-up for the 1954 program is expected to be completed between Nov. 20 and Dec. 20, Custer said.

Minor Is Appointed Chairman Of USO

James Minor of Post has been named Garza County chairman for the Texas United Defense Fund, the state-wide group which will sponsor USO's campaign for \$775,000 in Texas this year.

Minor's appointment was announced by O. L. Weakley of Post, chairman of District 11, which includes Lynn, Garza, Dawson and Borden counties.

Dudley K. Woodward, Jr., Dallas attorney, is state campaign chairman of the forthcoming fund appeal to carry on the familiar services of the USO to the young men and young women of the nation's armed forces.

A major portion of the Texas goal, as in 1952, will be included in Community Chest campaigns throughout the state this fall.

Maid Of Cotton Contest Blanks Available At Dispatch Office

Entry blanks for the South Plains Maid of Cotton contest are available at The Post Dispatch office and may be obtained there by girls between the ages of 19 and 25 who are interested in competing for the title.

"Bigger and better than ever" is the description being given to the fourth annual contest, which for the first time will be preceded by a South Plains Maid of Cotton Week starting Nov. 16.

All South Plains girls between the ages of 19 and 25 who are at least five feet, five inches tall and single are being urged to enter the contest. To the winner will be given an automatic status as a finalist in the national contest in Memphis, Tenn., on Jan. 5-6, with all expenses paid plus a beautiful cotton wardrobe.

A special program, open to the public, is scheduled for Nov. 23 at Lubbock High School auditorium where contestants will appear on the stage.

Special attention has been given to the selection of three eminently qualified judges, contest officials report. They will include Callan E. McNeely, director of Modeling, Dallas; Mrs. Theodosia Howard, director, Howard Eades School of Modeling, Ft. Worth; Joe Manicappelli, widely-known Lubbock theatrical photographer.

Because the overflow crowd of 1,000 persons was so enthusiastic last year the event has been moved to the larger high school auditorium. As in previous years the winner of the South Plains event will be given a glamorous cotton wardrobe for her trip to Memphis in January.

During the week-long cotton week events starting on Nov. 16 will be special sales on cotton merchandise in all of Lubbock's stores.

The winner of the national contest will fly to New York for a month's stay at the St. Moritz Hotel, where 35 of the nation's leading designers will create a stunning new wardrobe. A complete set of Amelia Earhart luggage will be furnished to carry the wardrobe.

Guest appearances will be arranged on national radio and television networks and tickets will be supplied for hit Broadway plays and musicals.

Next stop for the winner is a trip to Miami, where appearances will be made at fashion shows. Later, in Hollywood, there will be visits to the major film studios for photographing with leading stars.

In Washington there will be a gala Congressional reception.

Tickets have already been reserved for a trip to France in March for a two-week trip. Famous French designers such as Pierre Balmain, Schiaparelli, Hubert de Givenchy and others will create still more original ensembles. Early in May the annual contest will be made to "King Cotton" at the traditional Cotton Carnival in Memphis, where the winner will also receive a 1954 Ford convertible.

Closing the list of events for

the national winner will be a Canadian tour in June to Toronto, Montreal and other major cities.

Entries in the South Plains contest must be received no later than midnight, Nov. 15, at the title.

Band Traces Post Schools' History In Demonstration At Slaton Game

The history of Post's public schools system was cleverly and entertainingly traced in music by the Post High School band Friday night between halves of the Post-Slaton football game.

It was a salute to scores of ex-students observing homecoming, and Director Bob Robbins' band turned in one of its most commendable performances of the year.

Marching onto the field with fanfare and drum cadence, the band swung into "Blue Belts" on a signal from Drum Major

Tommy Mayfield.

The band's first formation was a school house and the music, "School Days."

Forming an "O" they played "Rifle Rangers" as a salute to the city's school system, or, as it was in 1908. Then followed a "T" formation and "Columbian" in tribute to construction of the old red brick school building in 1917.

Construction of the high school building in 1928 was saluted by the band with formation of "28," and the School Song. They then formed a "30" and played "Salutation," to mark construction of the grade school building in 1930.

The band brought its performance up to date by forming a "53" and playing "Victory March" in recognition of passing of the \$275,000 bond issue Oct. 19 for construction of the city's first junior high school building.

TIPS FROM YOUR COUNTY AGENT

By JESSIE PEARCE

We spend quite a lot of time talking about helping women buy their's and the children's clothes so that they will be well dressed and get the most value for their clothing dollar, but we very seldom say anything about buying practices for men's clothes. I am going to reverse procedure and talk about buying men's suits for comfort, serviceability and money value.

A well dressed man is not only impressive but he feels confident and inspires confidence in others. For this reason, the man who shops for suits recognizes the values of being correctly dressed. The amount of wear to be given the suit will determine the number needed and the style. The man who wears a suit for dress only will need fewer and will want a conservative style that will last longer than the man who wears suits for his work every day.

Values are not constant within a price line, so it is well to examine the fabric, tailoring and fit of the suit to determine its value. In all wool suits there are worsteds and woolens. Many of the new fibers are used alone or in blends. Many of these are still in the experimental stage and will not be found in the highest grade suits. Your dry cleaner will need to know the fiber contents of your suit to give the best care.

Look for a good cut. In low grade clothes patterns are skimpy, plaids and stripes are not matched except vertically and allowances for outlets are omitted.

Check for good sewing, shaping and pressing. Seams should be straight and the coat should hold a contour shape when not being worn. Look for these features that are used in the best grade suits: hair canvas in shoulders and fronts to give shape, lined tape to stay front edges and armholes as a protection against stretching and puckering, a bridge stay under the lapel to hold chest ease and keep the coat from buckling out in front. Look for sharp thin edges on a coat and collar and lapels that will flip back into place when turned up or for ward. Also a well fitted crease where the trousers meet.

Watch the lining of the sleeves. The front line of both should cut through the center of the shoulder. Otherwise they will pull down and the sleeve will hang awkwardly. The sleeve seam should be in the shoulder pocketing in a high armhole and this should extend the entire length of the sleeve.

Check the buttons. They should be a good quality of linen or ivory. Buttons that will flip back into place when turned up or for ward. Also a well fitted crease where the trousers meet.

Couple Killed In Car-Truck Crash

Faustina Soto, 68, and his wife, Alejandra, 60, said to be from Post, were killed late Monday in a collision between an automobile and an oil field equipment truck near Gonzales.

Two young women, believed to be the couple's daughters, were critically injured in the accident. They are Alvera Soto, 25, driver of the car, and Petra Soto, 19.

Neither Post funeral home had been contacted late Wednesday in connection with the deaths.

George Soto, well-known Post Latin-American, was contacted Wednesday morning and reported he did not know the Sotos involved in the accident.

News of the accident was received here in an International News Service dispatch.

Sweden Beautifies Railway System

STOCKHOLM (AP)—Swedish railwaymen are often expert gardeners, who fill in time between trains by trimming and watering the plants and lawns in Sweden's 4,000 flower-decked stations.

The Swedish State Railways began planning gardens for its stations as long ago as 1862, when a protective green belt around each wayside stop was considered advisable to protect wooden houses from flying sparks from the locomotives.

Today, nearly the whole system has been electrified, but there are still 4,500 acres of gardens to be looked after. Passengers waiting for trains can sit on park benches beside flower-covered walls and gold-fish ponds, sniffing the fragrance of roses in the summer months.

Post High School Juniors, Seniors Are Invited To Enter Essay Contest

Students in the 11th and 12th grades in Post High School are invited by Harry Benge Crozier, chairman of the Texas Committee for Employment of the Physically Handicapped, and H. P. Hackney, commander, Department of Texas, Disabled American Veterans, to participate in the 6th Annual Essay Contest sponsored by the two organizations.

Crozier said that rules of the contest had been sent to all high school superintendents and principals and those students interested should contact their respective schools.

Commander Hackney stated the essay on the subject "The Physically Handicapped—Competent Dependable Workers," could be a lucrative project for the winners. He pointed out prizes for the state contest will be \$100 first plus a gold medal, \$50 second plus a silver medal, \$20 third plus a golden-bronze medal, \$20 fourth plus a bronze medal, \$10 fifth.

Crozier said the first place essay in the state contest would be submitted as the Texas entry in the national contest. Prizes for the latter contest are \$1,000 first, \$300 second, \$200 third, \$100 fourth, \$50 fifth, plus all national winners receiving an extended trip to Washington.

The D. A. V. in Texas will pay transportation to Austin, for the state winner to attend their state convention in June, 1954. Crozier said for entries in the essay contest to be considered they must be postmarked not later

than midnight Feb. 5, 1954, and addressed to Chairman, Texas Committee for Employment of the Physically Handicapped, c/o Texas Employment Commission, Brown Building, Austin 19, Texas.

Crozier and Hackney said background for the students is available from any one of the Texas Employment Commission local offices; through the Rehabilitation Division, Texas Education Agency; or by writing Disabled American Veterans, Department of Texas, P. O. Box 2961, Capitol Station, Austin, Texas.

Three From Here Attend Meeting Of PMA In Lubbock

J. C. Fumagalli, chairman of the Garza County Production and Marketing Administration committee, Will Wright, regular member, and Mike E. Custer, PMA office manager, were in Lubbock last Thursday to attend a meeting of representatives of the PMA and Extension Service.

The program was opened at 9 a. m. with an address by Cong. George Mahon. In his speech Mahon stressed that agricultural officials and farmers should educate themselves in face of coming cotton controls and should know why allotments have been declared by the Secretary of Agriculture. Due to the controls, farmers should be prepared for the shock of a severe cut in their average next year, he said.

Henry Marshall, state PMA statistician from College Station, explained methods used by the Secretary of Agriculture in basing his decision to declare controls and cut the amount of cotton to be planted in the United States in 1954. Marshall presided an outline of the figures used by Secretary Benson concerning previous crop years and amount of cotton grown in the U. S.

The afternoon session featured a discussion concerning cotton allotment laws and methods used to determine quotas for Texas counties.

Postmaster Reminds Patrons Of Nov. 15 Deadline For Overseas Yuletide Mailing

Postmaster Harold Voss urged this week the observance of the Nov. 15 deadline for overseas mailing to servicemen.

Christmas packages forwarded after that time cannot be promised delivery by Christmas Day, Voss said.

Meanwhile the postmaster is continuing preparations to handle the annual general Christmas mailing rush, due to hit in full force around Dec. 10.

Voss offered the following suggestions for Yuletide mailing: **POSTAGE**—Save time by purchasing stamps in advance of the rush period and fully prepay postage on all mail matter.

ADDRESSING—Address all matter plainly and in ink, giving name, street address, apartment number or box or rural route, and delivery zone, where applicable. Place sender's name and address in upper left hand corner. Address tags should be avoided. If this is necessary, a copy of the address and return card should be placed inside the parcel for identification in case the tag is lost.

WRAPPING—Pack articles carefully in strong durable containers. Wrap and tie securely, but do not seal unless they are endorsed "Contents Merchandise May Be Opened for Postal Inspection," together with the name and address of the sender. Sealed parcels not so labeled must be charged first-class postage.

GREETING CARDS—Send holiday greetings as first class mail for the advantage of better service. Such greetings may be sealed and contain written messages, are dispatched and forwarded first and, if undeliverable, are returned to the sender without cost.

PERISHABLES—Articles such as fruit and meats likely to spoil within the time required for delivery should not be presented for mailing.

ADDITIONS, ENCLOSURES—

Parcels may be marked "Do Not Open Until Christmas" to encourage early mailing. Written greetings such as "Merry Christmas" and "Happy New Year" may be enclosed with third or fourth-class (parcel post) mail. Books may bear dedicatory inscriptions of a non-personal nature. Other written additions are subject to letter-rate postage. Do not enclose letters inside parcels. These should be attached to the outside of parcels with addresses and return-addresses on both.

SEALS—The law prohibiting domestic mail with seals or stickers on the address side, other than lawful postage, is suspended for December. It is advised to place such seals on the non-address side, however.

AIR MAIL PARCEL POST—Air mail parcel post is restricted to not more than two pounds in weight.

Mrs. H. Maddox's Father Is Claimed

Last rites for Herbert Deward Williams on father of Mrs. Herman Maddox of Post, were conducted in Grigg's Pioneer Chapel at 2 p. m. Saturday in Amarillo.

The Rev. Harvey Wolf of Buchanan Street Baptist Church officiated. Burial was in Memorial Park Cemetery.

Mr. Williamson died at 5 p. m. Thursday in the Underwood Clinic. He had been a resident of Amarillo for six years and was employed by Long Bell Lumber Company. He was born April 19, 1900, in Lipan. He was a member of the Baptist Church.

Survivors are his wife; two daughters, Mrs. Maddox, and Mrs. Grace Evelyn Neilson of Odessa; son, Deward Lee Williamson of Slaton; a brother; four sisters; and eight grandchildren.

Tahoka Grade School Choir To Sing Here

The first half of a school assembly exchange program will be presented here at 11 a. m. Tuesday when the 70-voice Tahoka Grade School choir presents a program in the Post Grade School auditorium under the direction of Mrs. Harold Green.

Following the program, the Tahoka group will eat lunch in the Post school lunchroom.

Post's grade school choir, directed by Miss Wanda Rogers, will go to Tahoka to return the program around Thanksgiving.

Last term, the Post choir sang at Tahoka in March, and the Tahoka choristers returned the program in April.

Three Soldiers Are In Basic Training

Three soldiers of the Post area recently began 16 weeks of basic training in the Antiaircraft Artillery Replacement Training Center at Fort Bliss.

They are Pvt. Billy J. Baker, Pvt. Delmar C. Taylor, son of O. B. Taylor, Route 2, and Pvt. William B. Finchum, son of Mrs. L. C. Hicks and husband of Mrs. Ludean Finchum of Post.

All will spend the first eight weeks training on fundamental Army subjects like Infantry drill and machine gun and bazooka marksmanship. This first phase of training is climaxed by a one-week maneuver in the field.

Their second eight weeks will see them firing light and medium antiaircraft artillery weapons at low-flying and high-altitude aerial targets on the million and a half acre Fort Bliss ranges.

They will graduate at a formal parade and retreat ceremony and will then be eligible for assignment in a permanent antiaircraft artillery unit.

The reason we're going so far as to try to call the score is that since we're getting this far out on the limb, we might as well go all the way.
The Ralls Jackrabbits are still looking for a victory. They lost their first conference game to Hale Center Friday night by a score of 21-13. This Friday, Ralls plays Idalou at home, and we're predicting they'll still be looking for a win after it's over.
The O'Donnell Eagles finally won one by downing Whiteface, 34-6, in a conference go.
Sundown's Roughnecks continued to roll Friday night with a 52-13 District 4-A victory over the hapless Morton Indians. The Roughnecks play Whiteface Friday, and the only question is—how many points will they score?
The Crosbyton Chieftains have an open date this weekend after losing a 28-27 thriller to Idalou's Wildcats. The Chiefs return to action at Hale Center on Nov. 13, and will find the going extremely rough against the offensive-minded Owls.
The Rotan Yellowhammers were swamped by Albany, 54-13, Friday night, and are in for another rough evening at Colorado City Friday when they engage the Wolves in a District 6-AA contest.

Post Antelopes Turn In Upset To Beat Slaton Tigers, 40-20

Exploding for 27 points in the fourth quarter to break a 13-13 tie, the Post Antelopes defeated the Slaton Tigers, 40-20, here Friday night in a District 5-AA game before a shivering crowd of 1,200 spectators, many of them wildly cheering ex-students celebrating PHS homecoming.
Coach Bing Bingham's charges got off to an early 13-0 first quarter lead on touchdowns by Darrell "Hobo" Bruton and Nolan Williams, but went scoreless in the second and third quarters while the dangerous Tigers were knocking the count on a short plunge by Jerry Reynolds, and a sensational 62-yard punt return by Joe Sparkman.
Then, in the final stanza, the roof fell in on the visitors, with Williams scoring on a pass from Moody Graham, Tommy Malouf dashing 84 yards, and Charles Chandler and Novis Pennell counting on intercepted passes. In the meantime, Slaton scored again on a brilliant pass play from Reynolds to Chester Fondy that pulled the Tigers up to a 33-20 score.
The Antelopes played their best game of the season in defeating a traditional foe. Conspicuous by their absence were the fumbles and other miscues that slowed the team's offense in previous games this season.
It was the worst defeat the Slaton eleven has suffered all season, with an alert Antelope line and secondary bottling up the speedy Reynolds and hard-running Sparkman when the chips were down. On one occasion in the second quarter, the Post eleven stayed off on the two-yard line a scoring threat

which might have changed the game's complexion.
After Malouf had run the opening kickoff back to the midfield stripe, the Antelopes lost little time in scoring, marching to the goal line on 13 plays, with Bruton smashing over his left tackle from the one-foot line, Darrell Ray Norman's kick for point failed.
After failing to gain on their first series of downs, Slaton kicked out on the Post 44. Malouf picked up 8 yards at one end and Chandler added 18 at the other. Graham bucked the line for 2 as the Tiger forward wall stiffened, but heaved a 29-yard touchdown pass to Williams in the end zone on the next play. Norman's kick for point was good.
The visitors scored late in the second quarter after Norman's punt was blown dead on the Slaton 38. Reynolds heaved a pass to Fondy on the Post 47, and then raced through the middle of the line for 11 yards to the 36.
Operating from a TCU spread formation, the 130-pound Reynolds engineered his team to

the one-foot line on two brilliant runs and a short pass to Sparkman, who got down to the one-foot line before being knocked out of bounds. Reynolds plowed over and Ronald Smith's kick for extra point was good. On the ensuing kickoff, Slaton recovered an on-side kick on the Post 43, but the half ended with a pass completion, Reynolds to Smith, to the Post 28.
The third quarter was nearly over when the Tigers knotted the count. After Bruton had quick-kicked from his 22 to the Slaton 25, the Tigers failed to gain and Bobby Teffertiller's punt rolled dead on the Post 18. The Antelopes made only 7 yards in three tries, and Norman kicked to the Slaton 38, where Sparkman gathered in the ball and lugged it 62 yards for a six-pointer. Smith's kick for point was low.
Williams made a nice return of Slaton's kickoff to the Post 43, and runs by Bruton, Chandler and Malouf carried to the 29. From that point, Graham passed to Williams on the 20 and the fleet Antelope end raced to a touchdown. Norman's kick for point was good, but a second attempt failed after the locals drew a 15-yard penalty.
Reynolds ran the kickoff from the 10 to the Slaton 40, but a 15-yard penalty set the Tigers back to the 25. Reynolds passed to Smith, but Pennell came charging in from his defensive halfback position to snag the ball and streak 23 yards for the TD. Norman's kick was true to give the locals a 26-13 lead.

Bingham's Charges Play Floydada '11' There Friday

The Post Antelopes, with a 1-2 record in District 5-AA play, journey to Floydada Friday to tangle with that school's Whirlwind eleven, which was undefeated and untied until losing to the Spur Bulldogs, 33-13, Friday night.
On the basis of their showing against Slaton, whom they defeated 40 to 20, Coach Bing Bingham's Antelopes are given an even chance to win over Coach Preston Watson's Whirlwind eleven, which defeated Slaton by one point, 19-18, and was badly outplayed by the Tiger team.
The Whirlwinds will, of course, have the advantage of the home field.
Before losing to Spur, Floydada had won over Crosbyton, Tulla,

Lockney, Paduiah, Ralls, Slaton and Abernathy, the latter two conference victories.
The Antelopes will be out to avenge a one-sided defeat pinned on them last season by a Floydada team, which advanced to the 11 regional playoffs before losing to Childress.
This season's Floydada team, which runs from the regular T and double-wing formations, has seven lettermen back. They are Kent Covington, end; Jim Dunn and Stan Vickers, tackles; Gordon Joiner, guard; Don Barber, center; and Ronnie Tipton and Jackie Jarrett, backs.
A large contingent of Antelope fans, plus the band and pep squad, will accompany the squad to Floydada.

Baugh To Compete In Roping Match

ABLENE (SpL) — Sammy Baugh, associate coach of the Hardin Simmons University rodeo team, and Lee Cockrell and Bill Teague, members of last year's national champion H-SU rodeo team, will visit with Doyle Riley, Jack Newton and Jack Stricklin in match roping Saturday afternoon, Nov. 11, at 2 p. m.
The special show will be under the sponsorship of the H-SU Rodeo Club at which Dave Hurling is president. It will be held at the H-SU rodeo arena, 2600 Grape Street.
Riley won the calf roping in the recent Madison Square Garden Show. He is from Walling, while Newton and Stricklin are from Abilene.
Bill Leubetter, who is general sponsor of the H-SU Rodeo Club, also has announced that a jack pot roping will be held.

Reynolds Stretches His Scoring Lead

Scoring one touchdown and one extra point in his fourth 40-20 defeat at Post Friday night, Jerry Reynolds, Slaton Tiger quarterback, increased his season's scoring total to 114 points—18 touchdowns and six extra points.
J. B. Ables is in second place with 69 points and is ahead of Joe Spodenham, Slaton halfback. The race for second place between these two backs has two days and half left to run.
Nolan Williams, Post Antelope end and occasional secret 100-yard runner, in the losing game to Post on his scoring total to 26—1048 for his career.
The winner is...

Morris Assigned To Forces In Austria

Army Warrant Officer Junior Grade Earl D. Morris, son of Mr. and Mrs. M. E. Morris of Route 2, Post, recently arrived in Leghorn, Italy, for assignment with U. S. forces in Austria.
USFA is engaged in a cooperative four-power occupation of the country with Britain, France and Russia. It has units stationed in Vienna, Linz, Salzburg and other Austrian cities, as well as the port of Leghorn, the supply point for USFA.
Morris, whose wife, Ruth, lives on Route 2, Lancaster, Tex., is a veteran of more than 11 years Army service. He was stationed at Fort Sam Houston before his present assignment.

came after Homer Cato had intercepted a pass on his 16 to stop a Tiger goalward march. On the first play, Malouf took a handoff from Graham, bucked through center and into the clear for 84 yards and a TD. Norman's kick again registered as the score mounted to 33-13.
After Slaton had pulled up to 33-20 on Fondy's twisting run with a Reynolds pass, Post failed to move, with Slaton taking the ball deep in their own territory. As time ran out, Sparkman took a pitchout from Reynolds and heaved a pass, which Chandler intercepted on the 20 and returned for the final TD. Norman's kick split the uprights on the game's last play.
With the entire Antelope line turning in an outstanding game, individual stars were hard to pick. Don Moore, J. C. Shedd, Ted Tatum, Fred Long, Bowen Stephens, Larry Waldrip, Royce Josey, Bobby Cowdrey, Billy Meeks, Ernie Popham, Junior Smith and others shone in halting the high-geared Slaton running attack.

'Titanic,' Stirring Human Drama Film, Shows Sunday, Monday At The Tower

One of the most electrifying and profoundly moving news stories of this century has been adapted for the screen by Twentieth Century Fox in a stirring motion picture of human drama and glittering spectacle when "Titanic" opens Sunday at the Tower Theatre with an impressive all-star cast including Clifford Webb, Barbara Stanwyck, Robert Wagner, Audrey Dalton, Thelma Ritter, Brian Aherne and Richard Basehart.

Post Senior 4-H Club Meets, Plans Parties

Post Senior 4-H Club met Thursday and made plans for Thanksgiving and Christmas parties. Miss Jessie Pounce, agent, gave a demonstration on putting a collar on a garment.

A committee was appointed to select a needy person or family for the group to remember at Christmas.

The meeting was attended by 11 members and Mrs. Lester Nichols, sponsor.

Stop Taking Harsh Drugs for Constipation

Avoid 'Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

Get sure but gentle relief when you are temporarily constipated. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, one of the finest natural vegetable laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Both Century Fox in a stirring motion picture of human drama and glittering spectacle when "Titanic" opens Sunday at the Tower Theatre with an impressive all-star cast including Clifford Webb, Barbara Stanwyck, Robert Wagner, Audrey Dalton, Thelma Ritter, Brian Aherne and Richard Basehart.

Heralded as the finest luxury liner ever to be set afloat, this colossus of the seas bustles with constant activity and happy excitement as her 2,229 socially prominent passengers jostle forward in anticipation of a light-hearted maiden voyage slated to set new world records in speed and elegance.

Interest in what really happened and speculation over what could have been have never waned since that clear night in April, 1912, when the Titanic collided with a mountain of ice.

Clifford Webb and Barbara Stanwyck portray a couple about to separate after twenty years of marriage over divergent opinions on what's the basic for a meaningful, rich life. It is around their absorbing story that the stories of other passengers have been interwoven—their children, portrayed by Audrey Dalton and Harper Carter.

Thelma Ritter as the rich widow, Robert Wagner, a holiday-spirited collegian, Richard Basehart as a brooding unhappy man who has turned his back on God, and Allyn Joslyn, re-creating the famous legend of the man who dressed in women's clothes to save his life.

These are the people together with the Astors, the Strussers, the Guggenheims, that confident captain, portrayed by Brian Aherne, guides into the quiet waters of the North Atlantic and destiny.

New DeSoto Automatic Goes On Display Today

The 1954 De Soto Automatic, featuring an entirely new, fully-automatic transmission called PowerFlite, will go on display today (Thursday) at Post Auto Supply, De Soto-Plymouth dealership, at 23 South Adams.

Noah W. Stone, owner and manager of Post Auto Supply, said the new De Soto offers more performance, comfort and beauty than ever in the two great series

of De Soto automobiles—the Fire Dome V-8 and Powermaster six. Horsepower of De Soto's Fire Dome V-8 engine has been stepped up to 170 and the compression ratio has been raised to 7.5 to 1. In styling, the clean, smooth-flowing lines of the 1954 De Soto blend to produce a longer, wider car with a low, road-hugging look.

PowerFlite, the new fully-automatic transmission offered by De Soto, features an unmatched combination of performance and smoothness, Stone said. There is no clutch pedal with the new transmission which consists of a torque converter and two-speed planetary transmission.

"The 1954 De Soto has so many great new features," Stone said, "that it must be seen to be appreciated. We want as many people as possible to come in and see at close range the wonderful new De Soto automatic."

It's a SWAP!

There are two sides to every "swap" . . . giving and getting. Through life, we are "swapping" . . . giving up something and less to get something we want more. That's exactly what happens when you open a bank account and add to it daily. Once the saving habit is established, you'll hardly notice the small deposits you make each payday. Yet they can make your dearest dreams come true: a home of your own, college education for your children, financial independence in your retirement years. This is the kind of "swap" that brings success and happiness in life. And the best time to start "swapping" is NOW!
