**JAYCEE OFFICERS, SPEAKERS**—Shown above are officers of the Post Junior Chamber of Commerce and some of the guests who attended Friday night's charter presentation program. From left to right are: Bill Mays, president of Ralls Jaycees; Jerry Sanders of Levelland, who was principal speaker; Carol Bowen, Post Jaycee secretary; Mayor T. L. Jones, who made the welcome address; Ralph Krebs, president of Lubbock Jaycees, who was master of ceremonies, presented the charter and installed officers; Jack Rex, president of Post Jaycees; Percy Parsons, treasurer, and L. J. Richardson, Jr., vice-president. In the picture at left, Krebs is shown presenting the charter to Rex. Seated is Sanders.—(Post Dispatch Photo).

## Post Jaycees Chartered At Banquet Program Friday

"If you'll stay busy you'll always have a growing Jaycee club," Jerry Sanders of Levelland told members of the Post Junior Chamber of Commerce at their Charter Night banquet Friday

night in the school lunch room. Sanders, who is serving his third year as state Jaycee extension chairman on Americanism, told the newly organized Post Jaycees that they have an opportunity to do their community a world of good. Working for the welfare of the community's youth, he said, is one of the many ways in which they can prove their organization's value to the city.

The speaker also urged members of the local club to make frequent visits to other Jaycee units in order to keep abreast of what they are doing.

Following invocation by the Rev. Almon G. Martin, who represented the Lions Club at the banquet, Mayor T. L. Jones made the address of welcome.

Bill Mays, president of the Ralls Jaycees, who sponsored organization of the Post unit, introduced Ralph Krebs, president of the Lubbock Junior Chamber of Commerce, who in turn introduced the speaker.

Following Sanders' address, Krebs presented the charter to Jack Rex, Post Jaycee president, and installed the following of officers and directors:

Rex, L. J. Richardson, Jr., vice. See **POST JAYCEES**, Page 8

## Court Session To Open On Tuesday

The May term of county court will be resumed Tuesday, with ten criminal cases on the docket, it was announced this week at the office of County Attorney Pat N. Walker.

The following docket has been set for the session:

Tuesday, June 23: Raymond Letson, possession; Cecil Foster, possession.

Wednesday, June 24: Edith Cole Fields, possession (two charges).

Thursday, June 25: Cecil Foster, transportation; Fannie Daugherty, sale of beer.

Monday, June 29—R. M. Denton, driving while intoxicated, W. E. Walker, racing; W. E. Walker, operating motor vehicle while license suspended; Ernest Stephens, transportation.

The jury panel for this term of court is composed of the following:

Leo Acker, Jimmie Bird, Walter Bowen, Glenn Bratcher, Ira O. Farmer, W. C. Caffey, C. E. Basinger, M. L. Dunlap, R. S. Boyd, Kenneth Barnard, Dale Cravy, Francis Shannon, Ira L. Duckworth, Robert Cox, H. C. Dunn, Mike Custer, Elton Nance, L. E. Coulton, W. S. Bevers, A. B. Carey, Eulas Brown, Guy Davis, D. D. Pennell and Henry Key.

## Water Conservation Is Urged Until New Pump Is Installed

Post residents are being called upon this week to refrain from watering lawns between the hours of 5 p. m. and 9 p. m. in order to relieve the low water pressure during those hours in the north and northwest sections of the city.

Members of the Post City Commission, meeting in a special session Tuesday night, decided that continued cooperation on the part of water users will stave off any emergency and avert more drastic action on the part of the city to conserve water.

The city officials point out that there is not a shortage of water, but that increased consumption has rendered inadequate the pumping system which carries the water from the wells to the city reservoir. This condition, they explain, probably will continue until the new booster pump, now long overdue, is installed.

R. H. Tate, city utilities superintendent, said Wednesday afternoon that he had contacted Grove & Cowan of Amarillo, through whom the new pump was ordered, and had been assured that everything possible is being done to expedite delivery of the equipment.

The new pump, a specialty built one for the local water-works system, was ordered last Jan. 21. Delivery first was promised for April 21, then May 15,

and now has been set for June 25.

"As soon as the new pump arrives, we will go on a double shift to get it installed and in operation as quickly as possible," Tate said.

A new water consumption record of 1,034,000 gallons was set June 8, and a week later, on Monday June 15, another 1,013,000 gallons went through the city water pipes. The daily average is about 900,000 gallons, considerably more than the present

pumping system is equipped to handle, it was explained.

During the late evening hours, pressure is so low that there is virtually no water at all for residents of the north and northwest sections of the city, Tate said. The pressure also is low in other parts of the city during those hours, but not as low as in the sections specifically mentioned by the city officials.

In addition to asking water users to refrain from watering See **WATER USE**, Page 8

## Faculty Changes Made At Four Schools In County

Several faculty changes in Garza County rural schools for the 1953-54 year were announced this week at the office of Dean A. Robinson, county superintendent of schools.

Mr. and Mrs. A. T. Nixon, who

have been principal and teacher at the Close City school for the past two years, will teach next year at Garnolia, replacing Mrs. J. L. House and Mrs. McDonald.

Garnolia was the first school at which Nixon taught after beginning his teaching career several years ago.

The Nixons have been replaced at Close City by Mr. and Mrs. R. A. Wright, who have been teaching at a school near Stanton.

S. E. Brightwell, who has been at the Middlewell school, near Channing, is new principal at Graham, replacing Joe Evans, who had been there one year. Returning to the Graham school See **NEW TEACHERS**, Page 8

## Hammett Rites Held Saturday In Chapel Here

Funeral services for Mrs. Alie Amanda Hammett, 85, who died here Friday at the home of a daughter Mrs. J. D. King, were held at 4 o'clock Saturday afternoon in the Hudman Funeral Home chapel.

The Rev. Charles R. Gates, First Methodist Church pastor, officiated, assisted by the Rev. D. W. Reed, retired Baptist minister. After lying in state at the funeral home until Sunday morning, the body was taken to Portales, N. M., for burial.

Pallbearers, grandsons of Mrs. Hammett, were: Foster, George, Boyd and David Mays, James King and David King.

At the services here, the church choir sang "Just Over in the See **HAMMETT RITES**, Page 8

## Post Horses Place In Abilene Event

Two Post Quarterhorses placed last Saturday in the Abilene show, which attracted some of the Southwest's outstanding animals.

Earl Hodges' "My Do" placed fourth in the 1952 filly class, and young Roger Camp's "Mindy McCue" placed fifth in the 1951 filly class.

Others from here attending the show were Roger's parents, Mr. and Mrs. S. E. Camp, George Samson and Bill Long.

### MOBILE UNIT COMING TO POST AUG. 8

## Chest X-Ray Survey Planned

The State Health Department's mobile x-ray unit will be in Post Aug. 8 to conduct the first mass chest x-ray survey in Garza County's history. It was announced Tuesday afternoon at a meeting in the City Hall.

The preliminary organization meeting was called by Dr. D. C. Williams of the Garza County Medical Society, which had requested the Department to place the county on its mobile x-ray unit's itinerary.

Mrs. Fritz Greenfield, Post Chamber of Commerce secretary,

presided as temporary chairman, and appointed a committee of Dean A. Robinson, Monta Moore and Giles McCrary to select a general chairman for the program.

The nominating committee is to report at another meeting at 8 o'clock Friday night in the City Hall. At that time, the general chairman will be assisted by a steering committee to appoint other committees and make additional plans for the survey.

The program, which is part of the State Health Department's long range campaign to eliminate tuberculosis, was outlined by Philip W. Gauss, representative of the department.

"Since 1947," Gauss said, "the Department has been conducting the program for the purpose of getting as many chest x-rays as possible in all counties."

Immediately following the survey here, cards and films on each individual will be sent to Austin for reading by Department x-ray technicians. If the film shows negative, the individual will be notified in the case of reports other than negative, the individual's family physician will be notified, Gauss said.

The x-ray unit, capable of x-raying 1,500 persons in one day,

will arrive in Post on Aug. 7 and be set up for operation the following day between the hours of 8:30 a. m. and 5:30 p. m. The unit will be centrally located in a downtown building.

Other points stressed by Gauss in connection with the program were that physicians urge 100 per cent participation, all reports are confidential, it is not necessary to undress for the x-ray, and that the program is only for those over 15 years of age.

Gauss also stressed that healthy people should be x-rayed once a year. He said the program benefits more from x-raying of healthy people since they are the ones less likely to suspect that anything is wrong with them. "People who are not healthy," he said, "usually go to a doctor to find out what is wrong."

"We are always glad to detect an early case of tuberculosis, since they are much easier to cure," Gauss said.

Gauss said the six committees essential to the organization promoting the mass chest x-ray survey are: location, clerical assistance, hostess, publicity, minimum and maximum.

See **CHEST X-RAY**, Page 8

## Soil Winner To Be Heard Over KGNC

Floyd H. Hodges, state soil conservation award winner and farmer in the Crossroads community, will be a guest at 1:30 p. m. Saturday on Southwestern Farm and Ranch Roundup via Radio Station KGNC (710) in Amarillo.

Hodges will describe the soil conservation practices he used on his farm to win the most outstanding conservation farmer award in the contest, "Save the Soil and Save Texas." He is a cooperator in the Duck Creek Soil Conservation District.

J. Garland (Cotton John) Smith, KGNC farm editor, interviewed Hodges at the regional soil conservation awards banquet held recently at Memphis. Smith will play back the interview by tape recording as part of his half-hour program Saturday.

### \$529.35 BALANCE IS SHOWN

## Report Made On Rodeo Finances

The final chapter to the 1953 Post Stampede Rodeo was written Monday night at a meeting of directors at which a financial report was made on this year's show.

The report showed total receipts of \$10,446.64 and total expenses of \$9,917.29, leaving the association with a balance of \$529.35.

Receipts were as follows: Admission, \$5,877.90; entrance fees, \$3,073; dances, \$1,066; concessions, \$429.74.

The report on expenses showed the following Rodeo stock, \$1,710; hauling, \$700; labor, \$355;

miscellaneous labor, \$113; advertising and material, \$318.95; trophies, \$92.64; prizes for rodeo, \$2,596; prizes for parade, \$50; clown, \$200; announcer, \$200;

Lights, \$353.90; specialty act, \$400; water, \$229.62; clean-up, \$12; tickets, \$12.38; radio advertising, \$75; judges and expenses, \$227.35; miscellaneous expenses, \$161.75; gravel, \$21; tax, \$94.9; dance band, \$400; feed for stock, \$737.70; returned checks, \$42.

Concession sales were as follows: Rainbow Girls, \$183.25; Cub Scouts, \$109.64; Boy Scouts, \$136.85.

### BUILDS UP GOOD BUSINESS IN 'FLATS'

## George Just Likes To Sell 'em

One of the busiest of the Post Dispatch's bevy of newsboys is 10-year-old George Mindecta, Jr., always one of the first on hand Thursday afternoons for his papers.

George, the son of Mr. and Mrs. George Mindecta, Sr., sells his copies of the Dispatch in the "flats" section, but says he occasionally braves his bicycle to a halt to sell a copy to a purchaser before reaching the flats.

A Dispatch salesman for about three months, he numbers Negroes as well as Mexicans among his steady customers. "They like to read the Post Dispatch," George said.

What does he do with the money he makes? George said he gives it to his father for the family expense fund, but that part of it is returned to him for spending money. George has three sisters and two brothers—three of them younger than himself.

The alert Mexican youngster has developed into one of the Dispatch's most reliable newsboys. After picking up his papers, he's rarely gone more than three hours before returning to check in his money and receive his commission.

The only time George has ever shown a sign of faltering in his duties was a few weeks ago during the severe sandstorms. George dropped in at the Dispatch office one dusty Wednesday afternoon on his way home from school and casually announced, "I can't sell papers tomorrow if it's as dark as it is today."

By the next afternoon, the dust still was blowing, but George See **NEWSBOY**, Page 8

**POST DISPATCH NEWSBOY**—George Mindecta, Jr., is shown stocking up with copies of the Post Dispatch before heading out for the "flats" section, where he has built up a group of steady customers.—(Post Dispatch Photo).

Thursday to Thursday...

By CHARLES DIDWAY  
Water, which is more or less taken for granted—like the air we breathe—made news here last week and still holds a place on this week's front page. In last week's Post Dispatch were news stories on the city's state-approved water facilities, the new record set for daily consumption, something about swimming pool plans, and a short item on reduced cotton acreage because of a lack of moisture.

It was Rowland Howard who wrote, "You never miss the water till the well runs dry," but out in this part of the country that well-worn saying doesn't ring true. We start missing it at about the same time every year—just as the well is going dry. As far as water from the skies is concerned, the well couldn't be much drier here, and in the case of a swimming pool, if there's no place to put it, that kind of water wouldn't do any good anyway.

City Utilities Superintendent Henry Tate and other city officials are to be commended on the state approval of water facilities, and also deserve a pat on the back for trying to work out the low-pressure problem brought on by inadequate pumping facilities and increased consumption. It isn't anything that arrival of the long-delayed booster pump won't work out, they explain.

Something also is being done in the case of a swimming pool, although plans are in the very early stages. The prolonged drought, however, is a horse of a different color. Any improvement will be welcomed—even though it comes too late to do any good as far as crops are concerned.

Whoever set the third Sunday in June as Father's Day knew what he was doing. It's about halfway between last Christmas and next Christmas.

One of the newest up-and-coming clubs in Garza County is the Four C's Club of Close City, formed with an eye to heftiness from the rather long name of Close City Community Club. This organization, which meets every first Monday night, is going all out to try to win a prize for the Close City community in the Farmer-Stockman magazine community improvement contest. L. G. Thuet, Jr., is president of the new club, to which the Post Dispatch wishes the best of luck in its community betterment program.

Incidentally, after learning a few days ago how Garnolia got its name, we'd like for someone to inform us on the origin of that of Close City. Garnolia, someone told us, is a combination of the community names of Garlynn and Magnolia, which existed as such several years ago. Garlynn itself was a combination of the names of Garza and Lynn because of its proximity to the county lines of those two counties.

With the exception of Southland and Verbena, origin of names of other Garza County communities are fairly easy to figure out—Graham and Justiceburg apparently having been derived from names of families, and those of Pleasant Valley and Grassburg from location and vegetation, respectively. So, perhaps whoever tells us how Close City got its name can also inform us as to the origin of Southland and Verbena as place names.

Roger W. Babson Writes This Week

No Profession Is More Important To Nation Than The Newspaper Industry

BABSON PARK, Mass.—The future of the Free Nations of the world depends upon four foundation stones: (1) We Parents; (2) Our Churches; (3) Our Schools and Colleges; and (4) Our Newspapers. My appeal today is for greater support of all newspapers of the Free World. I would like to include a fifth group—namely, the scientists and inventors, but they now appear to devote their time largely to the destruction of this Globe.

Publishers And Writers

In view of the above, the Babsons have distributed their surplus savings for awaking the churches, through the great Open Church Movement; speeding college education through Babson Institute, Webber College and Utopia College, and now dedicating this World's Greatest Revolving Globe to the newspapers of the Free World. I feel that newspaper publishers have not been appreciated when they are entitled to far greater respect and consideration. They certainly are more important to the future of America than are the bankers, the manufacturers, and the shopkeepers. Newspapers not only have the opportunity of guiding their nation's leaders, but they are a great factor in electing the right leaders. The advertising columns of these papers determine the employment conditions of the country; while the editorial writers determine largely what the preachers and teachers say.

When I mention newspapers I include everyone connected with them, including the woodsmen who cut the trees; the mill workers who turn the logs into pulp, and make the paper and ink; the publishers and their reporters, writers and printers; and, in fact, all employees, including the boys and girls who deliver the papers. Yes, and I must not forget the advertisers, without whom our whole industrial system might collapse. To all these I am dedicating this—"The World's Largest Globe."

The Great Globe Described

This "Great Revolving Globe" is being located on the 300-acre campus of the Babson Institute at Wellesley, Massachusetts. It

IT ALL DEPENDS...

Action is usually the keynote of any new organization, but the recently organized Garza Town Hall and Concert Association is an exception.

The small group which formed the organization at a recent meeting here won't have much to do until autumn except "talk it up," with the idea in mind of stirring up as much enthusiasm as possible for the October membership campaign, upon which will depend the success of the venture.

Since only a half dozen or so turned out for the meeting, they were reluctant to take further action until assured by a representative of Southern Town Hall Association that they formed the nucleus for such an organization and that it would be in order for them to form a temporary town hall and concert association.

Each of those attending the meeting seemed to be "sold" on the community value of such a concert program as the one proposed here. Their job now is to sell others on the idea. One selling point is that Post long has lacked this form of entertainment, which a number of other towns of similar size have been enjoying for several years through the medium of a town hall and/or concert association.

A successful membership drive next October would assure the city of as many as five outstanding programs during the 1953-54 season—October through April. The type of entertainment would be decided by officers of the association, and the Dallas concern offers a varied and imposing list of artists from which to choose.

With another crop failure facing the county, most of us will agree that this is an inopportune time to be promoting such a project, but all that was taken into consideration at last week's meeting, where even the most enthusiastic readily conceded that the membership campaign might not go over. If it doesn't, they were told by the Southern Town Hall Association representative, membership money paid in for season tickets will be refunded and everyone can at least be happy in the knowledge that they tried.

Meanwhile, about all we can do is wait and see. There is no doubt about a town hall and concert association being a good thing for the community, but then neither is there any doubt about the uncertainty of economic conditions at the present time. We all hope that the outlook is brighter by October. If it is, then the Garza Town Hall and Concert Association stands a good chance of being shifted from a temporary to a permanent basis.

Defense and Disaster Relief Headquarters announce that even though the largest atomic blast in history within the continental limits of the United States has just been set off in Nevada, Texans don't have to worry about radiation. Well, that's good news! It leaves us more time to worry about the worries we already have.

Power tends to corrupt; absolute power corrupts absolutely.—Lord Acton.

Not that we're writing a book on it, but it would make good material for this column, which is hard to fill from Thursday to Thursday.

Sunday is the first day of summer, but most of us will agree that it got here a few weeks late this year.

.....

shafts thirty-seven tons. The countries and cities are located on a scale of twenty-four miles to the inch, and the Globe will designate the home of the newspapers of 400 cities from which 95% of the population of the United States, Canada, Latin America, Great Britain, France, Italy, West Germany, and the other Free Nations are reading. Copies of these and others, including the Post Dispatch, are being deposited in a concrete vault under the cornerstone, upon which will be bolted a bronze plaque with the following inscription:

"This plaque is dedicated to the Newspaper Publishers of the Globe and all persons in their employ. May their work be appreciated, their freedom be protected and their great responsibilities be realized. Only they can bring the nations of this Globe into One United World.

Roger W. Babson  
Dedication Exercises

The Dedication was on Memorial Day. President Edward R. Hinckley of Babson Institute introduced U. S. Senator Saltonstall and Speaker of the House Martin, who made the leading addresses. They were followed by a welcome from Herbert R. Gleason, Chairman of the Wellesley Board of Selectmen, and by Major General George A. Horkan, one of the Institute's most distinguished graduates. The ground was broken by Roger Babson Webber, my grandson. The Chairman of the Committee selecting and gathering the newspapers is Lewis W. Mustard, III.

I announced that surrounding the Globe will be seats for over a hundred persons and that a Monthly Vesper Service will be held with the Globe as a background for the minister. This is so that every student will remember all the different nations and races of the Globe. I want them to realize that the entire world is their responsibility and that America is safe only as the entire Globe is safe. I am depending on my newspaper friends to get other colleges to install their students with this same (Globe) point of view.

Getting Out On The Limb

by EDDIE the editor

I'm getting just like my car. The older I become the more knocking I do.

Nothing is given away so liberally as advice.

Nowadays you'd think some fellows were trying to pay their accounts twice, the way their checks come in and then bounce right back again.

As one of the 400 newspapers having Roger W. Babson's weekly column, The Post Dispatch is to be honored by having a copy deposited within the cornerstone of the new auditorium to be constructed on the 400-acre campus of Babson Institute of Business Administration in Wellesley, Mass.

The cornerstone within which is to be deposited the 400 newspapers and other items is to be opened up 100 years hence. Few very few, of us here now will be around to read an account of the reactions of those present for the cornerstone opening, but it'll probably be very interesting.

Having seen a few copies of newspapers printed 100 years ago, I am sure the typographical and other changes in newspapers a century hence will be just as startling—if that is the word. But the differences in type faces, make-up, advertising, etc., probably won't be near as interesting as the difference in the news. We can go right on week after week and year after year using the same type faces, make-up, etc., but we have no control whatever over what is going to happen to make news tomorrow, next week, next year or a hundred years from now.

My weight varies. The most I ever weighed was 163 pounds; the least, six pounds, nine ounces.

THE WOMEN. God Love 'Em—Many a decided blonde is a decided blonde because she decided she didn't want to remain a brunette.

A drawing of the late Mrs. Easter Rose, grandmother of Mrs. Marvin and Clovis Hudson of this city who died Tuesday of last week at the age of 98 at her home north of Whitney, and her husband, Tom E. Rose, who is 100, appeared in Ripley's Believe It or Not panel in the daily newspapers Saturday.

The Roses, who observed their 80th wedding anniversary last January witnessed the golden wedding anniversary of their son, H. E. Rose of Whitney, last October.

The Believe It or Not panels are drawn several days before publication, resulting in appearance of the drawing of Mrs. Rose after her death.

If you want to annoy your wife try grinning in your sleep.

He was a good man, as husbands go, and as husbands go he went.

Someone—and it might as well be me—ought to make a persuasive pitch for a return to good, old-fashioned manners. By manners, I mean such outworn conventions as gallantry on the part of gentlemen and overt admiration for the opposite sex on the part of the ladies. If all of us, adult and adolescent, could pretend that people are nicer than they really are, I suspect that we would have a happier time.

It's easy enough to kiss off manners and etiquette as an anachronistic, time-wasting and utter silly convention. But I'm old fashioned enough to like to see a guy meticulously switch to the outside of the sidewalk when he walks down the street with a lady, even though I know there's no chance in the world that a runaway horse will come along from which he will have to protect the delicate little one.

And I like to see a gent remove his hat when a gal steps in an elevator. And the guy who fusses about carrying packages, getting doors open ahead of the ladies, lighting cigarettes and helping them into their coats, still gets my fond approval. I believe that earnest sisters of another generation—the ones who won the present day femmes the right to vote and took the stigma out of being a working girl—are to blame for the decline and fall of manners.

The gals in their serious battle to win a chance in the great outside world, tried just a little too hard to be considered the equals of men; they've done a little too much chest-pounding about how they think just as fast, work just as well, understand just as much.

Men are pretty sensible animals and they show pretty good sense in attempting to treat women as their peers on the street, in elevators and in the living room. Women scream loudly that they are in every way as good as men. Why on earth should they be deferred to or protected?

The very lady a man automatically prepared to defend from a runaway horse today may well

THE AMERICAN WAY

Scared Pig!

Our Contemporaries Are Saying:

Profound Analysis Coming  
While I'm bumbling my way through this thing, my favorite brunette is cozily ensconced in my favorite chair with her nose in a little volume entitled, "The Predicament of Modern Man." Doubtless a profound analysis will be forthcoming shortly. One of the several predicaments of this modern man is that if his favorite brunette doesn't stop diving into our meagerly-stocked refrigerator for "a little something" to give all of the stray cats and dogs who have passed the word along that our house is an easy touch, I'll have to employ a similar method of seeking my daily groceries.—The Slanton Slatonite.

Number One Project  
Our congratulations to that group of young Ralls men in the Jaycees for putting over an ambitious swimming pool project when everyone said it couldn't be done. The Jaycees probably will still have need for the aspirin bottle for some time to come, but the pool is being built and that is the important thing. As past history will indicate, it has never been deemed fitting for either Ralls or Crosbyton to have something the other town doesn't have. And as a swimming pool project has been the number one project wanted by members of the Chamber of Commerce for the past few years, you can look for some kind of swimming pool campaign for Crosbyton in the near future. We imagine, however, that any would-be promoters will wait until another crop is made.—The Crosbyton Review.

Should Make You Proud  
At Bonham recently, a city of more than 10,000 persons in a county of nearly 50,000 residents, a total of 71 pints of blood were donated during a recent visit of the Bloodmobile. The turnout was considered fair. The story has been about the same throughout this area. That our county turned out to give 180 pints, 30 over the generally set quota of 150, is a tribute to your unselfish realization that our buddies in Korea need our help.—Morton Tribune.

While Taxpayers Sweat  
Some time ago we mentioned that one of the government employees in this county has a private swimming pool on his property, and wondered if they knew about that in Senator McCarthy's office. Well, as yet, nothing has come of that except that this government employee continues to live in the lap of luxury while

show up at the office tomorrow as his boss.

Manners, however, aren't just a one-way street. There's too much bad manners shown today by the ladies about their gentlemen. A little flattery goes a long way, and there's not a guy in the world who doesn't expand, beat his chest and strive for greater heights when someone—particularly someone dear to him—shows a little admiration and respect for him.

A woman who trots out the pipe and slippers for her husband is guilty of flattery. A man who rises eagerly when a woman walks into a room is doing the same thing. Both subjects like it, and both blossom out like flowers under such treatment.

Women, in their eagerness to show the world they're as good as anybody—meaning men—are discouraging the cavalier instincts in the boys these days. And none of us likes it.

we taxpayers sweat.—The County Wide News.

The \$64 Question  
Many Americans, like me, can not get very enthused over the proposed armistice in Korea. It looks to me like a lot of American boys have given their lives for almost nothing. Granted, we did show the Russians that we would not tolerate aggression. But we did so in a more or less half-hearted manner. As has been said by some of our smartest military leaders, you can't fight a war unless you fight it to win. We haven't been doing that in Korea. One is inclined to wonder just where Russia will strike next.—Stamford American.

Tahoka Swim Pool Opens  
Tahoka's new swimming pool opened at 6:30 p. m. Friday in the new City Park, six blocks south and two west of the square. Injecting a little fun into the affair, Mayor E. R. Edwards made the first dive from the 10-foot board, wearing a yellow and green bathing suit of about 1899 vintage. There was a gold fish race, a diving exhibition and free ice cream for the kiddies.—The Lynn County News.

CHARLES DIDWAY  
E. A. WARREN

Entered at the Post Office at Post, Texas, for transmission through the mails as second class matter, according to act of Congress, March 3, 1879.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the manager.

Remembering Yesteryears...

Five Years Ago This Week

A son Charles Edward, was born to Mr. and Mrs. James Stallings in St. Mary's Hospital in Lubbock June 9. The Stallings have another son, Jimmy. The Rev. Huron A. Polnac has accepted the pastorate of Monday First Baptist Church. Mrs. John Cearley, who with her family is moving to Fabens soon, was honored at a meeting of the Priscilla Club Friday afternoon.

Ten Years Ago This Week

David (Buddy) Williams, who is stationed in Grand Rapids, Mich., is visiting his parents, Dr. and Mrs. D. C. Williams. Mrs. James Minor has accepted a position in the advertising department of radio station KFYO in Lubbock. LaVonne and Jimmy Ferguson left Friday for Amarillo to visit their uncle and aunt, the Carl Cederholms. Mr. and Mrs. L. C. Carmichael were called to Ft. Worth Saturday because of the death of brother.

Fifteen Years Ago This Week

Harley Sadler will be in Post next week to speak in the interest of his kinsman, Jerry Sadler, who is a candidate for railroad commissioner. W. C. Graves of Cross Roads brought in the first cotton blooms for the year this morning. He planted the cotton early in April. Mrs. Jimmy Potts, who is moving to College Station next week, attended funeral services for her brother-in-law, Mr. Harrell Rea, Tuesday for Columbus, Texas, to attend the National Y. M. C. A. conference. Joyce and Jo Rae Williams are guests in the home of their brother-in-law, Mr. and Mrs. Clint

THEY'RE HOME FROM 13 MONTHS IN GERMANY

**News-Conscious Girl's Query  
Results In Write-up, Picture**

When nine-year-old Cheryl Ann Billings inquired of her aunt, Mrs. O. D. Cardwell, why the Post Dispatch didn't have an item about herself, her mother and three sisters being here on a visit, she set off a chain of reactions which ended in the following story and accompanying picture.

Since Mrs. Billings and her four attractive young daughters have just returned from 13 months in Germany with their husband and father, T/Sgt. D. B. Billings, Cheryl Ann deemed it worthy of mention—and rightly so.

"When we visited our grand-mother in Vermont a few weeks ago, the paper there had something about it; why didn't the Post paper?" asked Cheryl Ann of her aunt.

The Dispatch editorial staff heard of Cheryl Ann's inquiry through her uncle O. D. Cardwell. To make amends for such an unforgivable oversight, they invited Mr. Cardwell to bring Cheryl Ann and her three sisters to the Dispatch office for a news

**LOOKING FOR THEIR NAMES**—The four Billings sisters are shown here looking in a copy of last week's Post Dispatch to see if the paper had anything about their return from Germany and their visit here with their great-uncle and great-aunt, Mr. and Mrs. O. D. Cardwell. The girls are, left to right, Cheryl Ann, Michelle, Janice Melle and Carol.—(Post Dispatch Photo).

**or Hearty Appetites...**

We're somewhat old fashioned about the size of our portions. So come hungry . . . you won't leave that way!

There's nothing like a steak. No . . . nothing! Especially our luscious man-sized cuts.

**AMERICAN CAFE**  
ALBERT DARBY

story and a picture.

Looking cool as cucumbers in aqua dresses of similar design, the four sisters posed for the picture like professional models, after which Cheryl Ann brought the Dispatch reporter up to date on their comings and goings of the past several months.

The three younger sisters are Carol, 7; Michelle, 3½; and Janice Melle, 2½.

"We liked it in Germany with our daddy, but we're glad to be back," said Cheryl Ann. "Anyway," she added, "Daddy will be home most anytime now."

Since Cheryl Ann and Carol attended a school for children of American soldiers at the Birkenfeld Air Force Base, they had few opportunities to observe the customs of the German people. But they saw enough of them to note the oddity of their dress.

"Nearly all the German girls wear an apron of some sort," Cheryl Ann said. "Some of the aprons are the kind that just tie around the waist, and some are

the kind that have shoulder straps. But nearly every time you see a German girl, she has on some sort of an apron."

"And they dress funny in other ways," Cheryl Ann recalled. "When the weather is hot, they'll have on ski pants, and when it's cold, they'll wear sun dresses."

Cheryl Ann and her sister rode an Army bus a distance of 15 miles to school every day. "And all the children's mothers had to ride one the same distance to get to the commissary," she said.

Cheryl Ann had the reporter fooled for a moment when she said the school she attended had three recesses a day. She explained, however, that one of the recesses was nothing more than 20 or 30 minutes between finishing lunch and returning to classes for the afternoon session.

Birkenfeld was only a small place, but Westphalen was much larger, and Cheryl Ann and Carol visited there one day in the home of a sister of the Billings' maid. "We enjoyed the German meals and had a real good time," Cheryl Ann recalled.

When Mrs. Billings and her four daughters went overseas 13 months ago, they made the trip by plane, and returned the same way a few weeks ago. Cheryl Ann said her only disappointment on the return was in not getting to see enough of Paris. "We flew over it, but we couldn't tell much about it," she said.

After landing at Westover, Mass., Mrs. Billings and her daughters proceeded to Vermont to visit Sgt. Billings' mother and other relatives.

The Billings family's home is in Albuquerque, N. M.

**Charles McCrary, son of Mr. and Mrs. E. A. McCrary, of Upland, Calif., and grandson of Mrs. S. W. McCrary, is one of 650 seniors who graduated from Chaffey High School in Ontario June 12. "Chuck" holds a scholastic rating of "A" for his four years in high school and served as treasurer of the student body during the senior year. He is a three-year football letterman and was a member of the play cast that won honors at the Pasadena Play House. He will enter the University of California in September where he plans to major in International Economics. "Chuck" also served as editor of the Methodist Youth Paper in Upland this year.**

**Three Garza County 4-H Club Girls  
To Compete In State Dairy Contest**

Three Garza County 4-H Club girls are to compete in dairy foods demonstration contests at Texas A. & M. College, Station, on June 25. They are Wynonne Morris and Jennie Leo Redman, team; and Janice Lobian, individual. All three are members of the Post Senior Girls 4-H Club.

Appropriately, the state 4-H dairy contests are being held during June, which has been designated as Dairy Month. Purpose of the contest is to help club members develop appreciation for the values of dairy products in relation to health; to acquire an understanding of ways to use dairy foods and to develop skill in preparing them; to demonstrate good methods of dairy food preparation, and to gain experience in public speaking, teamwork and sportsmanship.

Each 4-H Club member is judged by record on June 24 prior to the individual or team demonstration presented the next day. Specialists say the judges for the state contest are county home demonstration agents: Alta Marie Plache, Guadalupe County; Mrs. Ruth Moza, Travis; Lorene Stevens, Navarrodchee; Frankie Mae Shields, Angelina; Rozelle Winston, Eastland, and Ruth Causey, Lampasas.

Individual contest will be held in the foods and nutrition laboratory at the college, and the team demonstrations will be presented in the Animal Husbandry Building, beginning at 8 o'clock Thursday morning.

The contestants against whom the Garza County girls will compete are:

District 1—Ada Carol Thomas, individual; Rita Haggerman and Glenda Richardson, team from Collingsworth County.

District 3—E. M. L. Griffith,

**Doctors Plentiful  
In New England**

MONTPELIER, Vt. (AP)—Maybe New Englanders aren't just born rugged.

According to a recent survey by Schenley Laboratories, Inc., Vermont has 434 practicing physicians to care for the state's medical needs. That's one physician for every 870 persons. This ratio places the Green Mountain state in the nation's top 10 states in number of active M. D.s per resident.

New York is number one with one physician for every 626 persons.

Other high-rating states include Massachusetts, Connecticut, Colorado, California, Illinois, New Jersey, New Hampshire and Pennsylvania.

Rhode Island ranks 12th and places five of the six New England states in the top 12.

**Thatcher Services  
Conducted Friday**

Funeral services for Walter E. Thatcher, Lubbock printing shop owner, who died of a heart attack Wednesday of last week, were held Friday in First Presbyterian Church at Lubbock.

Thatcher's survivors include a daughter, Mrs. Gordon Suits of Amarillo, daughter in law of Mr. and Mrs. A. A. Suits of Post.

Thatcher is also survived by his wife, two other daughters, two step-daughters, his father and a sister.

**Stop Taking  
Harsh Drugs for  
Constipation**

**Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!**

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

Get sure but gentle relief when you are temporarily constipated. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, one of the finest natural vegetable laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's 80¢ size today. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

**Just A Drop In The Bucket...**

Just a drop in the bucket. But, drop by drop, the bucket's full before you know it. Just a dollar, stashed away in the bank! But, dollar by dollar, your savings soon grow into real money with which to go places, do things, make dreams come true! Persistent, consistent, every-pay-day saving does the trick. Open an account today. Save systematically—save safely—save here!

**First National Bank**

**What is the most valuable thing  
General Electric ever built?**

Is it the jet engine? In 1942, General Electric gave America's air arm its first jet muscles. Would you say that is our most valuable product?

Or would you elect the fluorescent lamp? We placed the first ones on sale in 1938. With the growth of fluorescent lighting Americans are using 3½ times more light than even 10 years ago.

Maybe you would say our star performer is the steam turbine. All you do is flip a switch, and a turbine somewhere instantly responds to provide the power to pump for you, or push or lift.

How about x-ray? Your doctor holds a negative up to the light and peers at bones he says are really yours. Who can say how many lives the x-ray tube has saved?

Important as these products are, more valuable to us—and to you—is something these products have helped to build. Something born quietly in 1878, when electricity was still a curious toy. And something that has grown steadily through the years.

The most valuable thing we ever built is your good will. For your year-after-year confidence in the things we make has given us the means to serve you better. Better engineering, research, manufacturing—all have come from your belief in us. It returns to you in a constantly improving and expanding way of life.

You can put your confidence in—

**Pay more? What for?**

*Fifty Years Forward on the American Road*

You don't have to pay costly-car prices for costly-car comforts. Ford brings you everything [and we mean everything] you've ever wanted in a car, at a price that's well within your reach! And according to recent surveys, a Ford returns more of its original cost when sold than any other car at any price!

- Here are a few of the "Worth More" advantages you'll find in the '53 Ford:**
- 1. A V-8 engine—powerful and smooth!**  
Ford's famous high-compression V-8 is a leader in quiet, flexible, economical performance. Ford, remember, has built more V-8's than all other makers combined—over 13 million!
  - 2. America's most economical Six engine!**  
If it's a Six you want, Ford offers you the high-compression, low-friction Mileage Maker . . . the engine which, with optional Overdrive, won over all other cars in this year's Mobilgas Economy Run!
  - 3. America's finest and most versatile automatic drive!**  
Fordomatic Drive is the "auto-
  - 4. Automatic gas savings!**  
Ford's Automatic Power Pilot (on Six and V-8) meters just the right amount of gas, times ignition precisely, burns fuel evenly and completely.
  - 5. America's newest and finest power steering!**  
Ford's Master Guide power steering gives you new ease, stability and safety in guiding your car on smooth roads or rough. Steering is up to 75% easier.
  - 6. Largest choice of models in the low-price field!**  
Ford alone gives you a choice of 18 different models . . . a SIX or V-8 . . . Fordomatic, Conventional or Overdrive . . . the widest variety of body, color and upholstery combinations.
  - 7. A body that's the style-setter!**  
Only Ford in its field gives you the advantages of a full-right Crestmark Body . . . the trend-maker in design and beauty. Ford's body is the longest and Ford's trunk, the largest.
  - 8. New driving conveniences!**  
Ford's first in its field with "Worth More" features like . . . easier-acting, suspended pedals that eliminate floor holes . . . foam rubber cushions on front and rear seats in all models . . . and convenient Center-Fill Fueling.
  - 9. An automatically controlled ride!**  
The wide front tread (widest in the low-price field) takes tilt out of turns . . . gives you a more level ride. With new "balanced suspension," new spring and shock absorber action and new rubber compression bumpers, road shock in the front end alone is reduced up to 80%.
  - 10. It's worth more when you sell it!**  
An impartial survey of used car prices proved that Fords return a greater proportion of their original cost than any other cars in America.  
But don't take our word for it. Stop in and Test Drive this Ford for yourself. We predict you'll be sold before you're in second! It was true last year; and it's even truer this year; you can pay more, but you can't buy better than Ford.

WORTH MORE WHEN YOU BUY IT  
WORTH MORE WHEN YOU SELL IT . . .

### Mesquite Spraying Weather 'Casualty'

Because of adverse weather conditions there will be no mesquite spraying in Garza County this year under the 1953 Agricultural Conservation Program, according to Mike Custer, county Production and Marketing Administration officer.

Mesquite spraying was one of the practices approved for this county's 1953 program, but the PMA committee recently decided not to carry it out because of the dry weather.

Funds set up for mesquite spraying can be transferred to other established practices, Custer said.

### Post Votes To Send Delegates To Meet

John Miller Post No. 6797 of the Veterans of Foreign Wars will send four delegates to the state VFW convention in San Antonio June 26 July 1. It was decided at Thursday night's regular meeting of the post.

Names of the delegates had not been announced late Wednesday.

In other business at Thursday night's meeting, the post authorized payment to the South Plains Council, Boy Scouts of America, for Sidney Hart's attendance at the National Boy Scout Jamboree in California in July.

The post is sponsoring the local scout's attendance at the Jamboree.

### ● Public Notice

**NOTICE TO BIDDERS**  
 Sealed proposals, addressed to the Mayor and City Commission of the City of Post, Texas, will be received at the office of the City Clerk, City Hall, Post, Texas, until 3:00 P. M. CST June 30, 1953 for furnishing all necessary materials, machinery, equipment, superintendent, and labor for constructing certain water distribution system improvements in the City of Post, Texas.

The work will consist of approximately the following quantities of cast iron or asbestos-cement, class 150, water piping furnished and installed complete with appurtenances:

- 6" - 40 L. F. (fire hydrant leads)
- 8" - 1,780 L. F.
- 12" - 4,666 L. F.

Bidders must submit Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Bidder's Bond from a reliable Surety Company, payable without recourse to the order of T. L. Jones, Mayor, in an amount not less than five (5%) percent of the largest possible bid submitted as a guaranty that Bidder will enter into a contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without required check or proposal Bond will not be considered.

The successful Bidder must furnish performance bond on the attached form in the amount of 100 percent of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the OWNER.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable or "unbalanced" unit prices will authorize the OWNER to reject any bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Attention is called to the fact that there must be paid on this project not less than the general prevailing rates of wages which have been established by the OWNER as the following:

In the first column below is indicated the type of laborer, e. g., Mechanic, Workman, etc.; in the second column shows the General Prevailing per diem wage based on 8 hour working day, while in the third column the General Prevailing Hourly wage.

Skilled	\$16.00	\$2.00
Semi-Skilled	12.00	1.50
Unskilled	8.00	1.00

(Detailed Labor Classifications and Corresponding Wage Rates are set out in the Specifications.)

The bidder's attention is also called to the special provisions concerning minimum wage rates and hours of employment included in the specifications and that compliance must be insured with House Bill No. 54 of the 43rd Legislature and House Bill No. 115 of the 44th Legislature of the State of Texas, and also all Federal Wages and Hours Legislation applicable.

Instructions to bidders, proposal forms, specifications, and plans are on file at the office of the City Secretary at Post, Texas.

Copies may be secured from H. N. Roberts & Associates, 1310 Avenue Q Lubbock, Texas, upon deposit of \$25.00 each, which deposit will be returned to the Bidder on submission of a bona fide bid on the work with such Plans and Specifications or upon returning the Plans and Specifications immediately after examination of same and advising the ENGINEER that bid will not be submitted; otherwise, the deposit shall be forfeited. No obligation is assumed to return deposits under other conditions.

City of Post, Texas  
 (OWNER)  
 By: T. L. Jones  
 (Mayor) 2tc.

## Percy Parsons at Shower In Walker Home

Pat Walker home was a surprise party honoring Percy Parsons Thursday evening. Hostesses were Mrs. Hayden Johnson, Mrs. L. L. Wright, Mrs. Lesley and Mrs. Walker.

Johnson read an appreciation before a shower of gifts was presented to the guest.

Serving table was laid with brown linen cloth and decorated with an arrangement of blue and pink daisies. Appointments were used. Five guests registered.

## Miss Mary Eula Trammell Will Marry Allyn D. Kemp July 21

Mr. and Mrs. Phil Trammell are announcing the engagement and approaching marriage of their daughter, Mary Eula, to Allyn D. Kemp, son of Mrs. Glen Shelton.

The Rev. J. E. Stephens will perform the ceremony at 9 o'clock in the morning, July 21, in the First Methodist Church. No invitations are being mailed but friends of the couple are being invited through the press.

The couple, who attended Post High School, will be at home in Tatum, N. M., where he is employed by an oil company.

### MYSTIC SEWING CLUB

Members of the Mystic Sewing Club will meet tomorrow afternoon in the home of Mrs. R. W. Babb.

Mr. and Mrs. Allen Cash and Mr. and Mrs. Ralph Kirkpatrick are enjoying a 10 day fishing trip in Colorado.

## Thomas Is Honored At Surprise Party Tuesday Evening

Friends and neighbors of J. E. Thomas, long-time resident of the Garnolia community, honored him Tuesday night with a surprise party at his home.

The party followed announcement by Mr. Thomas that he is retiring as a member of the board of trustees of the Garnolia School District after nearly 20 years of service, and was in appreciation of his good work on the school board.

During the time he has been a member of the board, Mr. Thomas has had eight children attending the Garnolia school.

On behalf of the school board, Burney Francis, who is secretary, presented Mr. Thomas with a merchandise certificate for a \$15 Stetson hat.

Home-made ice cream and cake were served, and the guests played dominoes and "42".

Those attending were school board members Burney Francis and wife and son, Thurman Francis and wife, Amos Gerner and wife and daughter, Clarence Carpenter and wife, Carl Jones and wife and daughter, and Bryan J. Williams, Jr., and wife and son.

Others were Dean A. Robinson, county school superintendent; Mr. and Mrs. Monroe Turner, Mr. and Mrs. Charles Didway, and Mr. and Mrs. A. T. Nixon, new teachers at the Garnolia school. Also present were the honoree's wife and son.

News from First Baptist Church as reported by the Rev. Ray Shahan, pastor: "Sunday is Father's Day. The first commandment of the Lord with a promise is 'Honor thy father and thy mother that thy days may be long upon the earth which the Lord thy God giveth thee.'"

"If one expects or is worthy of honor, he must prove himself honorable. A good way to observe Father's Day is for the father to take the lead and bring the entire family to the church services. Joshua, a wise father, who made a bold declaration and set a wise example said, 'as for me and my house we will serve the Lord.'"

"The pastor speaks at the morning service on the subject, 'Being A Father.' (1 Kings 2:1-4)"

### Grassburr Club Meets In Tom Gilmore Home

The Grassburr Home Demonstration Club met June 12 with Mrs. Tom Gilmore for a demonstration on preparing salads. Several members participated in the food demonstration.

Salad, wafers, cake and punch were served to eight members and three visitors.

Mrs. Irvin Cross will be hostess for the next meeting, June 26.

### BITS-OF-NEWS

Mrs. Bill Strain and Becky of Amarillo are visiting in the home of her sister, Mrs. A. C. Cash.

Mrs. Floyd Verner and Ronnie of Lubbock visited Mr. and Mrs. J. D. Tipton last week.

Miss Helen Byle, Geza Memorial nurse, is visiting in St. Jo.

Mr. and Mrs. Lewis Kuykendoll and family and Mr. and Mrs. R. V. Burnes spent Sunday afternoon at Buffalo Lakes.

The new Methodist pastor, Charles Gates, and wife will leave Monday for Philadelphia, Pa., to attend the World Methodist Convocation June 26-28. It is commemorating the 250th anniversary of John Wesley's birth. The Rev. and Mrs. Gates are delegates from the Northwest Texas Conference, Lubbock District and Post Methodist Church. They will accompany the Rev. and Mrs. H. M. Secord. He is pastor of the Lorenzo Methodist Church. Others going from this area are the Rev. J. L. Mayhew of Slaton and the Rev. J. E. Shewbert, district superintendent.

Mrs. Gerald N. Blackburn will represent First Presbyterian Church at a church worker's institute at Buffalo Gap next week.

Alane Norris, Sharon Jobe, Marca Dean Holland and Sara Mills represented the local church at the annual Methodist Camp for junior boys and girls at Ceta Canyon last week.

Methodist Vacation Church School began Monday morning for a two weeks session with 50 children registering. Mrs. Luther Bilberry, leader. Mrs. W. H. Childs and Lina Livingston are teaching the kindergarten course, "My Home And Family"; Mrs. Edsel Cross, leader. Misses Jenny Redman, Mickey Morrow and Wilma Welch are primary workers presenting "Jesus The Friend"; and Mrs. C. R. Smiley, leader. Mrs. E. F. Schmidt, Mrs. H. H. Bledsoe and Mrs. Charles Gates are teaching the junior course, "Learning To Know The Bible." Mrs. Pat Walker is director of the school and the Rev. Charles Gates is the Methodist pastor.

The Rev. Roy Shahan reports: "Good attendance and interest were manifest in the Vacation Bible School. Enrollment reached 182. Commencement exercises were held Wednesday evening with good attendance. The pastor desires to express his appreciation to all the faculty and committees for making the school a success. The First Baptist Church will sponsor a school for the colored children and will also assist in a school for the Mexican children soon."

Mrs. W. A. Oden was hostess for a meeting of the Graham Club in her home Monday afternoon.

Following a period of sewing and visiting, a short business meeting was conducted. Refreshments of sandwiches, cookies, mints and punch were served.

Those present were Mrs. Glenn Davis, Mrs. Will Wright, Mrs. Bill McMahon, Mrs. Charles Propst, Mrs. P. E. Stevens, Mrs. Jess Propst, Mrs. O. H. Hoover, Mrs. R. W. Babb and Mrs. Oden.

The group will meet June 25 with Mrs. Babb.

Merrymaker Club members met Tuesday afternoon with Mrs. H. F. Wheatley and spent the afternoon piecing a quilt. Refreshments of cake, ice cream and lemonade were served.

The next meeting will be June 30 instead of regular meeting date and will be held in the home of Mrs. Lacy Richardson. Everyone is asked to bring their thimbles to resume work on the quilt. June 30 will also be gift day.

## Miss Judy King, Bride-Elect Of Howard Brown Is Complimented

Miss Judy King, bride-elect of Howard Brown, is being honored at a series of parties. The couple will be married at 8 o'clock Saturday evening in the First Baptist Church with the Rev. Herbert Aduddell officiating.

Mrs. Roy Brown, Jr., and Mrs. W. C. Kiker were hostesses for a miscellaneous shower honoring Miss King. In the Brown home Saturday evening. Mrs. Kiker registered the 20 guests and Mrs. Charlie Brown assisted Mrs. Brown in serving.

The Tom Williams home was scene of a tea shower for the bride-elect last Thursday afternoon from 4 until 6 o'clock. Miss Tommie Williams greeted guests and presented them to the honoree; her mother, Mrs. J. D. King; and Mrs. Charlie Brown, mother of the prospective bridegroom. Miss King's dress was of white linen with matching accessories and corsage of white carnations.

Recorded musical selections were played throughout the calling hours. Miss Lorry Lou Livingston presided at the registry table, where 40 guests signed the bride's book.

A yellow and green color scheme was emphasized in decorations throughout the entertaining area of the Williams home. The refreshment table was laid with green lace over yellow and was centered with a yellow and green floral arrangement. Punch and cake were served by Misses Natalie Tracy and Glenda Askins.

The hostess list included Mrs. Williams and Tommie, Mrs. George Tracy and Natalie, Mrs. L. H. Welch and Buena, Mrs. Douglas Livingston and Lorry Lou, Mrs. Jack Ballentine and Jane, Misses Glenda and Gayle Askins, Mrs. Kelly Simms and Mrs. Morris Neff.

TO WED—Pictured above is Miss Eloise McNabb, daughter of Mr. and Mrs. Ray McNabb of Harlingen and formerly of the Close City Community, who will become the bride of James L. Wimbish, son of Mr. and Mrs. L. W. Wimbish of Irving, August 14. The ceremony will be read in the Harlingen Church of Christ. The couple received Bachelor of Science Degrees from Abilene Christian College in May.

## Mrs. D. Mayfield And Mills Preside For OES Meeting

Mrs. Dove Mayfield, worthy matron, and Ellis Mills, worthy patron, presided for a regular meeting of the Order of the Eastern Star in the Masonic Hall Tuesday evening.

Mrs. O. H. Hoover, past matron, gave a report on last year's work and Mrs. Tom Hagood, and Mrs. Noah Stone, secretary and treasurer, respectively, gave their reports.

It was announced that Rainbow Assembly members will be guests of the order for a social following the close of chapter at the July meeting.

Refreshments were served to 30 by Mrs. Nettie Barrow, Mrs. Bob Collier and Mrs. Dan Cokrum.

## Mrs. Trammell Is Needlecraft Host

Mrs. Phil Trammell entertained members of the Needlecraft Club in her home Friday afternoon. Guests spent the afternoon sewing and visiting. Refreshments of ice cream, cake, mints and nuts were served. Plate favors were miniature wedding bells, tied with pink ribbon, announcing the hostess' daughter, Mary Eula's forthcoming marriage to Allyn D. Kemp, July 21.

Those present were Mrs. E. F. Schmidt, Mrs. H. H. Bledsoe and Ronnie, Mrs. W. B. Sanders, Mrs. R. M. Hendricks, Mrs. M. J. Malouf, Mrs. J. E. Stephens, Mrs. Connie Caylor, Mrs. Charles Gates, Mrs. T. L. Jones, Mrs. Joe Cullis, Mrs. G. E. Shelton, Mrs. Myrtle Smith of Aspermont, Becky Foster of Houston and Mrs. L. J. Morrison.

Father will always be happy with the perfect BISHOP All-Rubber Foam filled.

**Funeral Services For T. A. McBride Are Held Thursday**

Last rites were conducted Thursday afternoon in the First Baptist Church for Thomas Albert McBride, 38. The Revs. Roy Shanan, G. A. Graydon and D. A. Ross of Lubbock officiated. Elmer Butler directed a choir which sang "Near The Cross" and "Safe In The Arms Of Jesus." Miss ElWanda Davies sang "Whispering Hope." Mrs. D. D. Shaw was pianist. Mason Funeral Home directed burial in Terrace Cemetery.

Mr. McBride, a farmer in the Graham Community, died Tuesday in the West Texas Hospital in Lubbock where he had been a patient for two days. He had been in ill health for several months. A resident of Garza County for 23 years, he was married to Miss Lucille Kittrell on July 25, 1942.

He is survived by his wife; two children, Annette and James Albert; his mother, Mrs. Luella McBride; two sisters, Misses Vearl and Vada McBride; and two brothers, Theibert of Post and Arvel of Alvarado.

Pallbearers were Grover Mason, Albert Stone, L. H. Peel, James Stone, Elmer Cowdrey, Ray McClellan, Delmer Cowdrey and E. E. Peel.

Honorary pallbearers were

**Farm Bureau Officials Commended By John White On Warehouse Law**

AUSTIN—The Texas grain farmer now for the first time has adequate protection for his crops held in storage, according to Commissioner of Agriculture John C. White.

Because of the Public Grain Warehouse Bill, passed during the recent 53rd legislative session, a depositor of grain in a public warehouse has his commodities insured against fire, theft, misappropriation, damage due to careless handling, or acts of God, White stated.

Also, for the first time, the farmer may use his stored grain receipts from state bonded warehouses as negotiable security.

In commenting on the bill, White said, "This was a long-needed piece of legislation I am particularly grateful to J. Walter Hammond, president of the Texas Farm Bureau Federation; C. H. DeVaney, vice-president; Loys Barbour, Farm Bureau direc-

tor, and many others for their assistance in helping make this law a reality."

The state farm organization, representing more than 180 organized counties, maintained a legislative office in the state capital this year for the first time.

The new warehouse law, introduced by Rep. W. R. Chamber of May and Senator Andy Rogers of Childress, requires that all public warehousemen, not previously licensed by the federal government, secure a license from the Texas Department of Agriculture. Insurance to fully cover all grain in storage also is required.

The warehousemen further protect their customers by obtaining a bond not less than \$5,000 nor more than \$50,000; the amount being at the discretion of the Commissioner of Agriculture.

From where I sit... by Joe Marshall

**Heard About the Electric Weather Predictor?**

Squint Smith built up quite a reputation last month by predicting the weather. What he said usually came true.

It got so that folks would sit around his little Antique Shop just to get his opinion.

Last Monday, though, he said he didn't know what the weather was going to be like next day. That surprised us and when we asked what happened, Squint said, "I slipped up on my electric bill and was turned off. I'll get to my radio again tomorrow though." Squint had been getting

the weather over the radio—like anyone else!

From where I sit, that's the way it goes with some "experts." They often don't have any more information than you can get for yourself. Like those who "predict" a day's work. Far as I'm concerned, I'll take a temperate glass of beer. But—I won't try to "predict" your choice for you.

Joe Marshall

**Jimmy Bird Wins Yearling Tie-Down At Breckenridge; Sam Baugh Beats Wright**

Jimmy Bird of Post won first place in yearling tie-down at the 10th Annual Stephens County Rodeo in Breckenridge Saturday night with a time of 30.9 seconds. He beat out James R. Hill of Snyder, Howard Lyles of Petrolia, and Fred Dalby of Aspermont, who finished second, third and fourth.

Other first place winners in events completed by 10 p. m.

**Oklahoma City Man Jack Of 39 Trades**

OKLAHOMA CITY (AP)—Alpha Omega Waits is unemployed but he isn't worrying about getting another job. The 37 year old former Tinker Air Force Base worker explained he had worked at 75 different trades in 39 years, working at least 30 days at each.

"No doubt it's hurt me, moving around a job," he said. "I've made mistakes but I didn't purposely try to make a record. I just never have been particular about what I did to make a living."

**PARKING METER DATUM**  
COLORADO SPRINGS, Colo. (AP)—Most motorists in Colorado Springs use parking meters for less than 24 minutes at a time. Walter Koenig, head of the city's traffic and planning department, said he found this out in a survey.

**HAPPY BIRTHDAY**  
Please Call Or Mail Your Family's Birthday Dates To The Post Dispatch.

Ex-footballer Sammy Baugh, now a Fisher County rancher, beat Nig Wright of Breckenridge in the matched roping contest. In four nights of calf roping with each contestant roping three times per night, Baugh won with a low score of 216.5 seconds on 12 calves. Wright roped 12 calves in 275.9 seconds.

Both Baugh and Wright were contestants in this year's Post Stampede Rodeo.

**Deep Oil Well In Sunshine State**

BAKERSFIELD, Calif. (AP)—The deepest oil well in California is down 18,781 feet, or more than 3 1/2 miles. An Ohio-Oil Company spokesman said the depth broke the previous state record set by Superior Oil's Limoneta No. 1 in Ventura County, which bottomed at 18,734 feet before it was abandoned in 1949.

He did not say how much deeper the record breaker would be sunk. Only two wells have gone deeper than the Ohio Company well, he said.

Superior's Pacific Creek well in Sublette County, Wyoming, set the world mark in 1950 at 20,523 feet. It later was abandoned as a dry hole.

The second deepest well, he said, was a 20,450 foot "duster" drilled several years ago in Mississippi.

*There's only one answer..*

**Chevrolet trucks must be the best buy!**

Fleet operators, farmers, independent truckers—truck users everywhere—buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.

As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: Again in 1953, for the twelfth straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks.

If you're a truck user, this fact is mighty important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical that since Chevrolet trucks outsell all others, they must do a better job at lower cost? That's why it will pay you to stop in and see us before you buy your next truck.

MEN'S HEARTS ARE FAILING THEM

Retirement Doesn't Slow Good Work Of Pioneer Garza Pastor

The Rev. D. W. Reed, 69-year-old retired Baptist pastor of the Garnolia community, can't recall the names of the hundreds of couples he has married since 1916, but he knows them when he sees them.

"And I see some of them every-where I go out here on the South Plains," said Rev. Reed.

Rev. Reed retired last year as pastor of the Barnum Springs and Grassland churches, but that doesn't mean he became inactive in the ministry. He is called upon nearly every week to officiate at a funeral, marry a couple or visit the sick.

Rev. Reed farms eight irrigated acres of the 70-acre place on which he and Mrs. Reed live in the Garnolia community. "I keep the place watered and cut the weeds; my son, David, who lives at Posey, does the plowing and planting," said Rev. Reed.

Born Aug. 23, 1883, in Mountain Home, Ark., Reed came to Texas with his parents when he was eight years old, settling in Hill County. He moved to Garza County in 1915 and became pastor of the Grassland church the following year.

In the ministry since 1906, Rev. Reed attended Baylor University at Waco for three years, but gave up his schooling because of ill health.

His move to the South Plains apparently improved his health, with the result that he spent more than 45 years pastoring churches in Garza and Lynn counties.

After serving as pastor at Grassland from 1916 to 1920, he was at Magnolia, Hackberry, Garlynn, South Side Church in O'Donnell and Justiceburg before becoming pastor of the Barnum Springs church.

He organized the Hackberry church and during the 18 months he was its minister saw its membership grow from seven to 70, and a new church building constructed.

Roy Reed, one of the pastor's three children, has followed him in the ministry. "But he took his

WIDELY-KNOWN MINISTER—Shown here in their farm home in the Garnolia Community are the Rev. D. W. Reed, retired Baptist minister, and Mrs. Reed. Before retiring from the active ministry last year, Rev. Reed pastored churches for 46 years in this immediate area.—(Post Dispatch Photo).

time about doing it," said Rev. Reed. Roy became a pastor two years ago at the age of 40 and is now pastor of a small church at Farmington, near Fayetteville, Ark.

"I preached in Roy's church while visiting him last Christmas," said Rev. Reed proudly.

The retired pastor's other children are David, and a daughter, Mrs. Loyd Edwards of Post.

Rev. Reed chuckles as he recalls some of the weddings at which he has officiated on the South Plains. "I've married them at all hours of the day and night, and have already started marrying children at whose parents' weddings I officiated," he said.

"And I tell them," he went on, "that I might be around to marry some of those of the next generation."

Rev. Reed said he had been summoned down off a windmill, interrupted while unloading feed and awakened in the middle of the night to tie the nuptial knots.

He recalled the time he and Mrs. Reed spent several hours "fixing up" their living room for a wedding he was to perform, only to have the principals de-

The most beautiful refrigerator in America...New 7 Climate refrigerator by INTERNATIONAL HARVESTER

You'll be the proudest woman in the neighborhood with this big, handsome refrigerator with its beautiful Spring-fresh green interior.

And it gives you the 7 separate "climates" all foods need to stay in prime condition. From 6° to 55°—all working at once—to help you feed your family better, get more out of your grocery money, too.

Come see it now!

10 models... 10 prices (including new "Decorator" models) from \$229.95

All These Features, Too

- Push-button automatic defrosting
- Big, full-width freezers
- Pantry-Dor shelves for extra space
- Famous "Tight-Wad" compressor unit with 5-year warranty

Dowe H. Mayfield Co., Inc.

Air Conditioning on wheels\* comes of age!

Now you can have a car that's as comfortable on hot days as your air-conditioned home, office or favorite theater.

Now you can ride in draft-free coolness at the temperature level you choose—even when the outside reading is 110° and more.

Now you can take a full complement of passengers through the thick of traffic on a sweltering day—and each one of you will keep looking and feeling fresh as a daisy at dewtime.

Grilles in Buick's exclusive dual roof ducts insure draft-free distribution of conditioned air—and also provide individual control of air direction as desired.

Return air grilles on package shelf help maintain continuous circulation of conditioned, pollen-free air.

What's more, these exclusive roof ducts have individually controlled air directors above the side windows. So each window-seat passenger can guide a gentle breeze of conditioned air exactly where he wants it.

Of course, the Buick AIRCONDITIONER is automatic.

You switch it on, choose the temperature setting you want—and that level of coolness is maintained constantly. It thoroughly conditions the air around you—automatically. It carries off heat, stale air, tobacco smoke—automatically. It continuously introduces outside air into the system—automatically.

It's fast-acting, too. Even after an hour or more locked up under summer's hottest sun, the car interior can be brought to a delightfully cool comfort in a matter of minutes.

And it's really compact. The cooling unit itself fits neatly on a narrow shelf in the big trunk compartment—leaves plenty of room for luggage and the like.

Why not drop in on us and try a demonstration?

You'll find that the Buick AIRCONDITIONER with its exclusive dual roof ducts is the ultimate comfort in hot-climate driving.

\*Buick Airconditioner available in 1953 Roadmaster and Super Riviera and Sedan models at extra cost.

## Stampede Cowboys To Meet Tonight

The Post Stampede Cowboys will discuss the proposed trip to the Possum Kingdom Roundup at Graham June 24 when they meet at 8 o'clock tonight at the City Hall.

Tom Power, secretary, asks those planning to go to Graham to attend tonight's meeting, or to send word by a neighbor whether they can go or not.

Invitations to other area events also will be discussed and voted upon at tonight's meeting.

## Hammett Rites ---

(Continued From Front Page) Glory Land," and "Beautiful Isle of Somewhere," and there was a vocal solo, "Lead Me Gently Home, Father."

Born in Louisiana Nov. 21, 1867, she was married to Johnnie Reagan Hammett in 1885. Mr. Hammett preceded his wife in death 18 years ago. A daughter, Grace, died at the age of ten years.

Mrs. Hammett had made her home with her daughter here since 1936.

Other survivors are five sons, Terrell, who lives in Tennessee, Howell of Portales, Prentice of Austin, Mont of Barstow, Calif., and Cecil of Kingman, Ariz.; three daughters, Mrs. Ollie Mayo of Lubbock, Mrs. Trixie Andrews of Electra, and Mrs. Susie Simons of Los Angeles, Calif., 28 grandchildren and 30 great grandchildren.

## L. J. Richardson, Jr. At Brownfield Bank

L. J. Richardson, Jr. left last week for Brownfield to assume his new duties as cashier of the First National Bank there. He had been an employee of the First National Bank here since 1941 with the exception of three years in the service during World War II.

Mrs. S. S. Beavers, Jr., a former employee, returned to work at the bank here several days ago after having been with her husband at a training camp in Arkansas. Pvt. Beavers has been sent to Korea.

## JAYCEES TO MEET

The first meeting of the Post Junior Chamber of Commerce since receiving their charter last Friday night will be held at 7:30 o'clock tonight in the school lunch room. All members are urged to attend.

## Chest X-Ray ---

(Continued From Front Page) sterical alliance and loading and unloading. Other committees may be appointed, however, to help assure the success of the program, he said.

Those attending Tuesday's organizational meeting were named as members of the steering committee, which will help the general chairman make plans for the survey. They were: Robinson, Moore, McCrary, Dr. Williams, Mrs. Greenfield, Joe S. Moss, Charles Didway, T. L. Jones, E. S. "Buddy" Stewart, O. G. Hamilton and Vernon Ray.

## Youth Program Is In Second Week

The Summer Youth Recreation program entered its second week Monday with approximately 90 youngsters enrolled—a gain of about 25 over the opening day enrollment.

On this afternoon's program is a skating party at Tahoka. It will be the first skating of this summer's program, and is to be a Thursday afternoon feature throughout the remainder of the six week session.

The group went swimming Tuesday afternoon at the Craig Pool, west of Post. Several adults provided transportation.

Baseball practice is continuing, with Herbert Aduddell assisting "Bing" Bingham, one of the program directors. Vernon Ray, the other director, is directing calisthenics and other activities for girls and the younger children in the high school gym.

## Water Use ---

(Continued From Front Page) during the 5 p. m. to 9 p. m. period, city officials also ask them to water their lawns and shrubbery as lightly as possible during the morning hours when pressure is built up.

The utilities superintendent said the city reservoir dropped about one foot Monday. He added that conservation steps will have to be taken if it drops as much as three feet lower than it has been in recent days.

"We hope by July 10 to have the situation worked out to where normal watering of lawns and shrubbery can be resumed," Tate said. "Until that time, we are asking the citizens to cooperate with us by observing the Commission's request in regard to late afternoon and early evening watering."

Also at Tuesday night's meeting the Commission added six blocks to their current waterworks improvement project in a step to safeguard against future situations similar to the present one.

The additional work calls for six blocks of water mains, probably eight inch, in the north and northwest sections where the pressure is exceedingly low.

The original waterworks improvement project, for which contracts will be let June 30, provides for several blocks of 12-inch mains leading from the master meter, west of town, and tying in with the new line laid in 1951. It will also include approximately six blocks of new mains in the southwest section of the city, where pressure also is low at this time of year.

The project also includes installation of a number of fire hydrants.

Mr. and Mrs. Tom Hall of Atadens, Calif., are visiting here this week after spending several days in Lubbock.

## Regional Meeting Of AA Is Held In Post

Approximately 55 persons, including a number of visitors, attended a regional meeting of Alcoholics Anonymous, held Sunday afternoon in the First Presbyterian Church annex here.

Speakers at Sunday's meeting were from Austin and Lamesa.

Midland was chosen as the site of the next regional meeting.

## Newsboy ---

(Continued From Front Page) had changed his mind about not bucking it. He showed up after school for his copies of the paper.

George's big trouble at the outset was keeping a number of other Mexican youngsters from competing with him in his paper-selling territory. They were his friends, they walked home with him from school every afternoon, but they also wanted a job selling papers after their friend George landed one.

George usually was around on the afternoons his friends dropped in looking for a paper-selling job. He never butted in, but one could read in his dark eyes that he was anxious to protect the business he had built up in the flats.

And, the Dispatch's salesman has done such a good job out there that his position now is secure for as long as he wants to. "I just like to sell papers," responded George when asked what he liked most about his job. And, since liking the job is the secret of success in most any field of endeavor, George Mindecta, Jr., seems to have the right answer.

## New Teachers ---

(Continued From Front Page) faculty for another year are Mrs. Bob Lusk and Mrs. Mary Lee Wristen.

Another change is at the one-teacher Grassburg school, where Mrs. Bessie Taylor has resigned after teaching three years. She has accepted a post as first grade teacher at Petersburg for the 1953-54 school year. The vacancy created by Mrs. Taylor's resignation has not yet been filled.

The only rural school at which there are no faculty changes is Justiceburg, where Mrs. V. A. Lobban, Sr., and Mrs. Joe Callis are returning as principal and teacher for another term.

Maritta, Linda and Cheryl Pennell of Barnum Springs are visiting their grandparents, the Jim L. Williams, this week and are attending Vacation Bible School at the First Baptist Church.

## Grand Jury Is To Convene June 26

A 106th District Court grand jury will convene here Friday, June 26, after reporting to Judge Louis B. Reed at 10 a. m.

Three charges of cattle theft and two of forgery are among the complaints to be presented to the grand jury.

Members of the grand jury are: Walter S. Duckworth, George Carpenter, Roland Sullenger, S. E. Camp, Charley Bowen, Clint Herring, Floyd H. Hodges, L. A. Nance, D. H. Mayfield, Victor Hudman, Harold Lucas and Truett Fry.

## Main Street ---

(Continued From Front Page) hardware and fishing supplies; if he can't find it, he can get it for you. And while we are stressing the subject of father this week, we want to say that he is one of the finest fathers we know.

"Father's neck is our business," so says Jimmy Hundley of Hundley's Men's Wear store. That is why you will find a perfect fit in the 73 sizes in famous Arrow shirts. You will find almost any collar size and sleeve length, all tailored with the Mitoga trademark that means they are tapered for smooth, neat fit. In fact, Hundley's hands are skilled in knowing about the proper size you fellows wear and need in suits, slacks, shirts, shorts, etc. Check this firm's ad for gift suggestions for Father's Day.

Guy Floyd Auto Supply store not only has everything you need for your car but they have a number of car accessories that would please papa such as cool car cushions, C. S. Carey, manager, says "if we don't have it, we will get it." Check Guy Floyd Auto Supply ad for auto accessories that will add to safer summer driving.

While we are calling your attention to the ads in the Dispatch, don't overlook Parson's Dress Shop sale to begin Saturday, June 19, and continue through June 27. You will find nylon hose two pair for a dollar; nylon gloves for one dollar; dresses at unbelievably low prices, some half price and others at ten per cent discount. Check Parson's ad for other information.

"Coolest place to shop in town" is what shoppers are saying about Hudman Furniture Company. Besides being air conditioned for your comfort, this firm has installed an automatic water

## Oil Well Film Is Seen At Luncheon

"Birth of an Oil Well," a film furnished by Shell Oil Co., was shown at the Post Rotary Club's Tuesday luncheon.

Carl Prater, independent oil operator of Post, was program chairman.

A guest at the luncheon was Dr. E. E. Young, projectionist for the film, which depicted the various steps in drilling of an oil well from start to finish.

## Post Jaycees ---

(Continued From Front Page) president; Carroll Bowen, secretary; Percy Parsons, treasurer, and A. B. Haws, Jr., and Walter Johnson, directors. Not present for the installation were James King, state director, and Malcolm T. Bull and J. D. Barrow, club directors.

Benediction was pronounced by the Rev. Roy Shahan, who represented the Post Ministerial Alliance.

Other guests present included Mrs. Martin, Mrs. Jones and Mrs. Shahan, and a number of Lubbock, Falls and Plainview Jaycees and Jaycee-ettes.

cooler so that you may feel free to drop in for a cool thirst-quenching drink at any time. You guys and gals will be glad to know that Marvin Hudman, who suffered a heart attack several days ago, is showing some improvement. He is still in Garza Memorial Hospital.

The perfect present for papa is something for his car. At Max Gordon's place, the Garza Tire Company, you will find a sale on famous first quality Good Year tires at a SUPER price. You pay as little as \$1.25 a week for four tires. Be sure and look into this tire business.

## Bits Of News From Here and There

Capt. and Mrs. H. G. Tyson of Pueblo, Colo., were in Post Saturday visiting the Jim L. Williams, W. D. Williams and O. F. Pennell families. Capt. Tyson will be stationed in Utah soon, then expects to be sent overseas.

Mrs. J. R. Mathis is undergoing treatment at the West Texas hospital in Lubbock this week.

Mr. and Mrs. C. M. ... as their recent guests ... B. Nelson of Roanoke ... Charles Nelson, who is an instructor at North Texas College in Denton. Other visitors included Mr. and Mrs. Charlie Parr and Laura ... Parr was en route to ... where he will be stationed ... the armed forces.

If you've been putting off necessary HOME REPAIRS and MODERNIZING WORK that really ought to be taken care of, give some thought to HAVING IT DONE NOW—while the weather is favorable.

There's no need for further delay as we can give you CONVENIENT MONTHLY TERMS . . . 36 months for payment . . . NOTHING DOWN.

We can arrange for a first class carpenter to do the work, too.

## West Of Pecos Rodeo Boosters Make Stop In Post To Advertise Event

where the first rodeo to have been held in a bus-load of 44 boosters of the South Plains area to advertise the annual of the Pecos Rodeo to be held July 2-5.

Local law enforcement cars forming an escort, went east on Main after in on U. S. Highway 80

from the south. The bus then turned on East Main and came to a stop just east of the Main and Harrison intersection to present a program boosting their rodeo.

Mayor Glenn Stafford of Pecos was master of ceremonies. There were numbers by a string band, songs by a girls' quartet and solos.

Stafford told the crowd that this year's show, which will feature the stock of Beutler Brothers' of Elk City, Okla., will be held at the Pecos Rodeo and Fair Grounds. Purse for the show totals \$5,000 plus entry fees.

The rodeo performances will begin at 8 o'clock each night, Stafford said.

### ADDRESS CLUB

M. Kennedy, Jr., acting chairman of the Texas Technological will speak Tuesday at a regular luncheon of the Post Rotary Club. Members of the club have an

## Red River County Reunion Date Set

Plans for the annual Red River County Reunion to be held at Mackenzie State Park in Lubbock on July 5 were made at a committee meeting at Hotel Lubbock Saturday afternoon. County Judge John Berryberry of Plains, publicity chairman, announced after the meeting.

Featured speaker at the reunion will be Andrew B. Riddle of Ardmore, Okla., millionaire attorney and well known to many former Red River County residents in this area.

District Judge Louis B. Reed of Lamesa is president of the reunion association; W. D. Storey of Littlefield is first vice president, and Mrs. Vivian Watson of Lorenzo is secretary.

In 1950 Canada had 37,996.6 miles of railway track.

# The Post Dispatch

THURSDAY, JUNE 18, 1953

## Lynn County Names New H. D. Agent

Garza County's neighbor to the west, Lynn County, has a new home demonstration agent. She is Miss Wanda Jo Roach of Colorado City, who was appointed to the position by the Lynn County Commissioners' Court.

Miss Roach, who will begin work July 1, succeeds Miss Graham Hard, who left Lynn County last September to do graduate work in textiles at Texas State College for Women.

## Horse Show To Be Staged At Roswell

ROSWELL, N. M.—A cutting horse contest with a purse of \$500 will be featured at the Seventh Annual Charity Horse Show to be staged June 26-28 by the Pecos Valley Horsemen in the Sheriff's Posse Arena, Fair Park, Roswell.

The event heads a list of western classes including tiny tots, open reining and working stock horses. The show will also feature a breeding division which will include Quarter, American Saddle, Palomino, Appaloosa, Arabian, Thoroughbred and Shetland breeds. A champion will be selected from each breed, and a grand parade of champions will highlight the Sunday afternoon show.

Anyone desiring information on the show may write to the Horse Show Secretary, Box 631, Roswell.

## Dress Revue Program Is Approved For '53

Garza County 4-H Club girls will be interested in the announcement that the National 4-H Dress Revue award program has been approved for 1953 by the State Extension Service.

In this program, which is open to all girls participating in the 4-H Clothing program, members learn to dress appropriately in keeping with a well-planned family budget, and to develop poise, proper posture and habits of good grooming. The popularity of this program is reflected in the enrollment of girls last year, which totaled 669,259. Simplicity Pattern Co. provides awards of honor medals to county blue award winners and an all-expense trip to the National 4-H Club Congress in Chicago next November to the state winner. Each state winner participating in the national presentation at the Club Congress will receive a leather-cased scissors set.

County Extension agents will furnish complete information concerning these programs.

THE MAJOR LEAGUERS?—Here are 22 of the boys who will play for baseball practice in the Summer Youth Recreation program being directed by Coaches "Bing" Bingham and Vern-roy. Front row, left to right, are: Johnny Kemp, Kenny Seatty Pierce, Mickey Robinson, Maxwell Carey, Curtis

Didway, Roy Charles Garner, Kenneth Martin, George Graham and Troy Cartmill. Back row, l. to r., Jess Stephens, Jackie Odum, Butch Ticer, Sammy Martin, Howard Jones, Lynn Robinson, Mike Ray, Billy Long, Leslie Welch, Billy Jones, Bill Stephens and Jerry Hays.—(Post Dispatch Photo).

## Box Rent Up July 1

Patrons are reminded that this week of the increase in box rent rates which go into effect at the local post office July 1.

Rates here will range from 10 to 25 cents per quarter, according to Postmaster Howland. A small post office will be increased to 90 cents per quarter. Other rate increases will follow: 75 cents to \$1.10; \$1.20 and \$1.50 to \$2.25.

## Group Returns From State 4-H Roundup

Garza County's representatives to the annual Texas 4-H Roundup at College Station returned home Friday. They were Barbara Wheatley and Noel White, 4-H Club members; Miss Jessie Pearce, county home demonstration agent, and Mrs. Wesley Stephens, county adult leader.

The roundup, which had as its theme, "From Here—Where?" was held Wednesday and Thursday on the Texas A. & M. College campus.

## Applications Being Accepted For State Highway Patrol Positions

Young men in this area who would like to become Texas Highway Patrolmen are requested to contact Capt. F. J. Posey, commander of the Lubbock District, at the Highway Patrol office in Lubbock.

About 50 vacancies now exist in the patrol division of the Texas Department of Public Safety, Posey said. Examinations to fill these vacancies will be given during July. Deadline for filing application blanks is midnight June 30.

In order to be eligible for the positions, a person must be a male between the ages of 21 and 35 years, not less than five feet eight inches in height, and weighing not less than two pounds or more than three and a half pounds per inch of height. He must have a high school education or its equivalent, and must be a citizen of the United States and a resident of Texas for at least a year prior to application. Applicants must also pass a character and mental examination.

Patrolmen salaries are \$95 per month with \$10 per month extra for each five years of service up to 15 years. An annual two-weeks paid vacation is afforded, and uniforms and equipment are provided.

Successful applicants will begin a two months training school in Austin in September before receiving assignments to posts in the state.

## Texas Tech Summer Enrollment 1,944

Summer enrollment at Texas Tech Tuesday—the last day of registration—had reached 1,944 with more to enroll for numerous workshops and conferences later in the first term.

The figure is 13 less than the total enrollment for the first term of 1952. Men outnumber women about two to one with 1,229 men and 724 women registered.

The Graduate Division leads all other academic divisions in enrollment with 620 students; Arts and Sciences is second with 338; and Engineering is third with 275. Agriculture has 126; Business Administration has 265; and Home Economics has 100.

Veterans at Tech for the first summer term numbered 457, including 136 Korean veterans.

## Hostess Is Chosen For Spur Jubilee

SPUR—Mrs. Nadine Head of Spur has been elected the girl sponsor and hostess for the Spur Cowboy Jubilee to be held in Spur July 29, 30 and 31, and Aug. 1.

She is the daughter of Mr. and Mrs. Bob Westerman of Spur, who have been in the ranching business for the past 30 years in Dickens County.

Johnny Koonman of Dickens has been elected parade marshal.

J. E. Swanson is president of the Jubilee; W. T. Andrews is treasurer and Cecil Meadows secretary. Directors are Andrews, Swanson, Koonman, Tom Johnston, W. R. Weaver, John Matthews, M. L. Ricketts, R. J. McAtter and Dick Sampson.

## Course Coming Up In Retail Sales

A general meeting of all store owners, managers and employees wishing to participate in a retail sales training course are invited to attend a meeting at 7:30 p. m. Monday, June 29, at the City Hall.

The training course, which is being sponsored by the Post Chamber of Commerce, is to be held the week of July 29-July 31. S. H. Womack, retail training specialist of the University of Texas, Division of Extension, will be the instructor.

Additional information on the course may be obtained from Mrs. Fritz Greenfield, Chamber of Commerce secretary.

## Stampede Cowboys Parade Leaders

The Post Stampede Cowboys led the 13 other riding groups in the Brownfield Jaycee Rodeo parade last Thursday afternoon, but failed to finish "in the money" in the judging.

First place was won by the Hockley County Sheriff's Posse, and second place went to the Gaines County Sheriff's Posse. Other riding groups were the Slaton Rangers, the Abernathy Riders, the Idalou Roping Club and sheriff's posses representing Crosby, Lamb, Cochran, Dawson, Terry, Lynn, Fisher and Ector counties.

The Terry County group was host early Thursday night at a barbecue dinner for the members of the other posses and riding groups present.

An ice cream supper and television party were enjoyed in the J. B. Tipton home recently by Mr. and Mrs. Roy Stevens, Mr. and Mrs. Curtis Davies and El Wanda, Mrs. A. A. Hancock, Mr. and Mrs. Allen Cash and Mr. and Mrs. A. C. Cash and Jodi

## Make a Double-Date with a "Rocket 8"!

**DRIVE IT YOURSELF!**

You want a car you'll both be happy with—one that performs for a man, handles easily for a woman. We believe Oldsmobile's the answer. That's why we're launching this special "Double-Date" campaign—inviting you to come in and drive the Super "88" or Classic Ninety-Eight together. See for yourself how the "Rocket" Engine rules the straightaway, how Hydra-Matic's Super Range levels the hills, how the Power-Ride Chassis seems to iron out the roughest roads. Then...

**LET HER DRIVE IT TOO!**

You'll learn that Oldsmobile has a double appeal—to men and women alike. She's probably told you already how she loves Oldsmobile's long, sweeping lines and luxurious Custom-Lounge interiors. But at the wheel she'll discover that this big, powerful car is as obedient to her light touch as to yours—with Power Steering\* and Power Brakes\* taking the work out of driving. Come in soon. Discover the double appeal of Oldsmobile... together!

\*These Power Features and new Automatic-Eye are optional at extra cost.

verly Norman at Grassland Monday night.

Ernie and Dennis Popham have returned home after a visit with their father in Abilene.

Kay, Gay, Fern and Sue Roberts of Lockney visited Monday night and Tuesday with the Will Teaffs.

## Ranch House Ramblings

by **United Salt Corporation's Range Reporter**

Drought-stricken Texas stockmen watched the skies as mid-June rolled around while markets dragged. The Rio Grande ran bone dry, and the Federal Land Bank in Houston counted the second largest volume of loan requests for refinancing outstanding indebtedness in the bank's 37 year history. Laredoans, meanwhile, literally prayed for rain at a mass meeting in the city plaza.

Sporadic heavy rains of cattle, reflecting drought, were reported at Fort Worth and other central markets and prices continued to slump.

V. N. Johnson, vice president and treasurer of the Federal Land Bank Houston, told Ranch House Ramblings that while the bank's 126 agency offices are turning in a near record volume of loan applications to refinance outstanding indebtedness, there is no jump in land sales. Demand for land of a year ago has diminished, he said.

### Fabulous Adventure Picture At Tower

The sensational attraction, "The Snows of Kilimanjaro" will be presented at the Tower Theater Sunday and Monday at regular prices, according to John Hopkins, theatre manager.

Based on Ernest Hemingway's story, "The Snows of Kilimanjaro" is presented in Technicolor, and has Gregory Peck, Susan Hayward and Ava Gardner in the leading roles.

It is a tale of fabulous adventure in Dark Africa, according to advance billing.

### Graham News

### Southland News

Please Send News Not Later Than Monday to  
**MRS. EDGAR MOSELEY**  
Southland Correspondent

Mrs. Loree Bradshaw of New Mexico is visiting her father, C. J. Anderson, who is ill.

Jack Hargrove has returned from Dallas where he visited relatives.

The Rev. Bruce Oliver transacted business in Fort Worth last Thursday.

Major Jack Martin and family have returned to Roswell, N. M., after visiting his parents, Mr. and Mrs. Sam Martin.

James and Buddy Copeland of Mesquite and Mr. and Mrs. Claude Cooper of Cooper were guests of the Jack Hargrove family Sunday.

Mr. and Mrs. Johnnie Smithson of Sherman spent Sunday with Mr. and Mrs. Arthur Bloxom.

Mr. and Mrs. G. N. Smallwood have returned from Midland where they spent several days with Glen Ramsey, who is ill.

Mr. and Mrs. Will Moore of Merkel, Mr. and Mrs. Barron Bryant and son of Abilene and Roy Herod of Brownfield were recent guests of Mr. and Mrs. Sam Martin.

Herman Dabbs and Mrs. H. D. Hollman are in Hico attending funeral services for Mrs. Charlie Dabbs' mother. Her father is in critical condition in a Stephenville hospital following an automobile accident in which his wife was killed.

Major and Mrs. Jack Martin and Sondra Jaq of Roswell, N. M., spent the weekend with the S. D. Martin, Harley Martin and Herman Dabbs families.

Darla, Charlotte and Suzanne Hollman of Lubbock spent the weekend with their grandparents, Mr. and Mrs. Handell Hollman. They have a baby brother.

Jerry Dabbs and Helen Richards are visiting in California. Jettie Juane Crawford and Mrs. J. F. Moore are visiting relatives at Celeste.

Dee Randall and Janet Hambricht of Midland are guests of their grandparents, Mr. and Mrs. L. B. Hambricht this week.

Leroy Voigt and Dillard Dunn, scoutmaster and assistant leader are with Troop 71 at camp near Post this week.

L. A. Dunn has returned from Alabama after a visit with relatives and friends.

Earthworms are both male and female, but self fertilization never takes place, and in mating, both individuals are fertilized.

## Two Completions, Six Locations Are Reported

Two completions and six locations highlighted oil activity in Garza County last week, according to the Lubbock Avalanche-Journal.

The completions were:  
**Tobe-Strawn — Tobe Foster 1**

### PMA Needs Wheat Acreage Reports

Wheat acreage reports for the past three years are needed immediately by the Garza County Production and Marketing Administration office for use later this summer when 1954 acreage controls are expected to be announced.

Mike Custer, head of the county PMA office, said these reports are needed from all growers. Reports on wheat for pasturage is required, as well as for acreage for regular crop use.

Custer explained that all PMA offices have been instructed to compile figures on the crops of 1951, 1952 and 1953, which will be averaged for the index for individual allotments.

Without reports on these crops, any farmer next year will have to apply for a quota as a "new grower." Even these "new grower" applications must be made through county offices before June 30.

The actual announcement of wheat controls has not been made, but all PMA agencies have been instructed to compile information for such use. Secretary of Agriculture Ezra T. Benson will announce the decision July 15. If he should announce renewed controls—as expected—farmers will vote July 25 on allotments.

State and county allotments would be based on a 10-year average. But for individual farmers, county PMA officials will use the average for the years 1951, 1952 and 1953.

Alice Williams, 660 feet from south and east lines of Section 19, Block 6, H&GN Survey, flowed 421.04 barrels of 42 gravity oil and no water daily. Open hole from 7,425-7,449 feet was not treated.

**Garzo**—Alamo Corporation No. 2 Keeton, 330 feet from south and 1,263 feet from west lines of Section 1237, I&GN Survey, pumped 76.9 barrels of 37.3 gravity oil plus 3 per cent water daily. Open hole from 3,147-3,196 feet was acidized with 10,000 gallons.

The new locations are:  
**Dorward**—C. T. McLaughlin 2-C Dorward, 1,320 feet from east and 330 feet from south lines of the northeast quarter of Section 137, Block 5, H&GN Survey, five miles southeast of Justiceburg, cable to 2,700 feet, at once.

**Wildcat**—Union Oil Co. of California 1-E Post Estate, 1,980 feet from north and 330 feet from east lines of Section 31, Block 4, K. Aycock Survey, four and one-half miles northeast of Post, rotary to 3,700 feet, at once.

**Wildcat**—Duncan Drilling Co. 1 Robertson, 330 feet from west and south lines of the northwest quarter of Section 1, Block 24, H&WT Survey, three miles northwest of Southland, rotary to 4,000 feet, at once.

**P. H. D.**—Rocket Petroleum Co., Inc. 1 Hagler, 330 feet from south and east lines of the northwest quarter of Section 1421, TTRR Survey, A-347, five and one-half miles south of Southland, rotary to 3,750 feet, at once.

**Garzo**—Brown Brothers et al 1-32 City of Post, 362 feet from north and 235 feet from east lines of Section 1227, Block 138, EL&RR Survey, inside the Post city limits, combination to 3,250 feet, at once.

**Wildcat**—O'Neal Drilling Co. 1 Mrs. B. Young, 2,853 feet from south and 1,425.85 feet from east lines of Section 951, Block 97, H&T Survey, 12 miles southeast of Post, rotary to 3,000 feet, at once.

### Barnum Springs

Please Send News Not Later Than Monday to  
**MISS MARITTA JANE PENNELL**  
Barnum Springs Correspondent

Mrs. Arda Long is en route to California for a visit with her daughter and family, the Benny Huffs.

Bill Norman is ill at his home this week.

Visitors in the G. F. Pennell home Sunday were Roger Hendry of Draw, Mr. and Mrs. Tom Henderson and Bobbie Mr and Mrs. Avery Moore and Arda Long.

Mrs. Bill Long recently transacted business in Oklahoma. Mr. and Mrs. J. F. Brandon, Jr., and daughter of Tahoka recently visited the Ray Hodges. Other visitors included Mr. and Mrs. Dee Hodges, Mr. and Mrs. Bonnie Hodges and Mr. and Mrs. Dee Caffey of Post.

Ray Hodges and Barney Jones were in San Angelo Sunday.

### Test Rescheduled In Western Garza

A shallow wildcat has been rescheduled in west-central Garza County by a Dallas operator after losing the first hole.

George J. Greer, Trustee, will drill the No. 1 L. G. Thuet to a proposed depth of 4,500 feet. Rotary operations will begin at once. The first hole was lost soon after drilling started. It was 2,310 feet from north and west lines of the section.

The new site is 2,260 feet from north and 2,310 feet from west lines of Section 1314, A-704, H&OB Survey, five miles west of Post.

Mr. and Mrs. W. M. Mathis of Tahoka and their niece, Gail Brown, of Brownfield and Mr. and Mrs. E. J. Mathis and sons, Larry and Mike, visited in the J. E. Mathis home Sunday.

Mrs. A. C. Cash and Jodi visited their mother and grandmother and other relatives in Amarillo the first of the week.
