FANS TO GET PREVIEW OF 1953 '11'

Antelopes Play 'Exes' Tonight In Spring Practice Grid Game

Post football fans will get a preview of the 1953 Antelope edition here at 8 o'clock tonight when the charges of Coaches Bing Bingham and Vernon Ray meet a team of ex-Antelope grid-

Candidates for next season's squad, with more than two weeks of spring training behind them, are reported by Coach Bingham as "ready" for tonight's practice game.

The only spring training casualty thus far occurred Tuesday of last week when Junior Smith, 155-pound sophomore, received a broken arm in a scrimmage session. Smith, who played first string center the past two seasons, had been running at quarterback in the spring drills.

Young Smith received the broken arm when he fell after being blocked on a play. The break was not a bad one, it is reported, and the gridder is wearing a cast on only one side of his arm.

The coach announced Monday the following tentative starting line-up for the Antelopes in tonight's game:

Ends, Nolan Williams and J. C. Shedd; tackles, Bobby Cowdrey and Billy Meeks; guards, Royce Josey and Bowen Stephens; center, Larry Waldrip; quarterback, Moody Graham; left halfback, Darrell Ray Norman or Charles Chandler; right halfback, Tommy Malouf; fullback, Darrell Bruton.

The "exes" probably will start the following: Wayne Carpenter and Don Brown, ends; Cletus Graves and Buddy Davis, tackles; Jack Smith and Billy Taylor, guards; Darrell Stone, quarterback; L. W. Evans, left halfback; Randell Lawrence, right halfback, and Rex King, fullback.

A starting center for the exes had not been decided on Monday afternoon, but will be selected from a number of former high school players who have been working out for the game against the Antelope squadmen.

Full 12-minute quarters will be played, Coach Bingham said. The coach also announced that the four-week spring training session will be concluded next weekend with an intra-squad game.

Tuesday Is Last Day For School Trustee Filings

With Tuesday, March 24, the filing deadline, slates of candidates were being lined up in most districts this week for the April 4 school trustee elections. In the Post Independent School District, names of three candidates have been filed for two trustee positions. They are Paul Jones, for re-election; Leo Acker and J. W. "Pat" Henderson.

Up to noon Wednesday, only one name had been filed with County Judge Oscar Graham for two trustee positions on the Garza County Board of Education. The lone candidate is E. E. Peck, seeking re-election as Precinct 2 trustee. The other term expiring is that of Julius Pumagalli, Precinct 3 trustee.

Names of six candidates have been filed for the two trustee positions in the Garnolia Common School District. They are those of Bryan J. Williams and J. E. Thomas, incumbents; and Bishop Mathis, Horace Daniels, Allie White and Glen Mathis.

Seven candidates are in the running in Close City Independent School District, where three trustee places are to be filled. They are D. C. Morris, Jim Barron and Ted Schults, whose names have been filed for re-election, and Durwood Bartlett, R. H. Sappington, C. L. Morris and Barmie Jones.

In the Graham Common School District, where two trustees are to be elected, candidates are A. O. Parrish, for re-election; Wilburn Morris, Dillard Thompson, Theibert McBride and Harry Lee Mason.

Up to noon Wednesday, no candidates had filed for trustee places in Southland Independent School District and Justiceburg and Grassburg Common School Districts.

Terms expiring are: Southland, D. I. Dunn and C. C. Lee; Justiceburg, Lee Reed, Raymond Key and Henry Key, and Grassburg, Russell Wilks, Jr.

Candidates for trustee positions at Post are to file with Robert Cox, school board secretary. All others, including candidates for positions on the county school board, are to file with Judge Graham.

Motor Safety Law Attacked In Suit Here

A suit attacking the constitutionality of the Texas Motor Vehicle Safety Responsibility Act, which was passed June 15, 1951, and went into effect Jan. 1, 1952 has been filed in Garza County court by Nolan Miller, Post oil field employee, through his attorney, Joe S. Moss.

According to information in Miller's petition, he has been ordered by the State Department of Public Safety to deposit \$219.37 as the result of a traffic accident last December in which Miller's automobile was involved in a collision with another car. Miller has been ordered by the safety department to deposit the sum in order to keep from losing his driver's license and automobile registration.

The plaintiff's petition contains LAW ATTACKED, page 8

Parents Of Local Woman Are Killed

Dr. and Mrs. Harry Tubbs and son, Charles, left Tuesday for Arlington, Va., after receiving word that Mrs. Tubbs' parents, Mr. and Mrs. Don Carlos Ellis, had been killed in an automobile accident near Fishertown, Pa.

The fatal accident occurred Sunday while the Ellises were en route home from a visit in Akron, Ohio, with their daughter, Mrs. J. O. Gibson, and family.

Other survivors include a son, Charles Ellis, of Cayuga Falls, Ohio.

Funeral services for the Ellises were held Wednesday in Washington, D. C.

Dr. and Mrs. Tubbs and son are expected to return to Post Monday.

Choir And Quartet To Sing In Post

The program to be presented here at 8 o'clock Friday night by the Lubbock High School Westerner A Cappella Choir will also include songs by a Reese Air Force Base quartet, the "Four Shaving Muggers," John Christopher, director of the Post Choraleans, announced Wednesday.

The program is to be held in the high school auditorium under the auspices of the Post chorus. Those attending will be asked to pay whatever they choose at the door. Proceeds will go into the local singers' fund, Christopher said.

The visiting groups will eat their evening meal at the school cafeteria here.

NEW C. OF C. MEMBER Bryan J. Williams, Jr., Garnolia community farmer, is a new member of the Post Chapter of Commerce. Mrs. Mable Lawrence, secretary, announced Tuesday.

Urges Full Count In '53 School Census

The importance of including all school-age children in the scholastic census now under way was pointed out this week by D. C. Arthur, superintendent of the Post schools.

The superintendent explains that the Post school district receives no state money other than the per capita apportionment of

Youth Center Group Slates Talent Show

A home talent show, sponsored by members of Post's Teentown Association, will be staged Tuesday night, March 24, at the Tower Theatre, with part of the proceeds going to the group's recreation center, Bobby Cowdrey, Teentown president, announced Wednesday.

The talent show, which is to begin at about 8:30 o'clock, will be in addition to the regular screen program, according to John Hopkins, theatre manager. The feature film is to be "Yes Sir, Mr. Bones," a blackface minstrel.

The Teentown president said Wednesday that a few amateur talent acts already have been lined up for the talent show, but that others are needed. He asks anyone wishing to enter to contact him. Entries will be accepted up to Friday night, and the first rehearsal is set for 10 o'clock Saturday morning at the theatre.

The teen-agers forming the Teentown group recently acquired a building at the corner of Main and Washington for a meeting place. Remodeling and redecoration of the building has been under way for the past few weeks, with the teen-agers doing the work.

Other officers of the youth organization are: Velta Carpenter, vice president, and Mrs. Anne Leake, secretary. The board of adult advisors is composed of Mr. and Mrs. John Lott, Mrs. Jess Cornell, Victor Hudman and Bob Robbins.

Young Withdraws From City Race

Withdrawal Tuesday of Raymond Young as a candidate for city commissioner reduced to three the number of candidates for the two city commission posts to be filled in the city election April 7.

Left in the running are E. S. Stewart and R. J. Baker, who are seeking re-election, and H. G. Flowers.

The only other city office to be voted on in the April 7 election is that of Mayor, in which T. L. Jones is unopposed in his candidacy for a second term.

\$68, based on the number of scholastics. "The rest of the money used in operating the schools comes from local taxes," he said.

The fact that the state pays \$68 to the school district for each scholastic makes it extremely important that they all be enumerated, Supt. Arthur said. "We lose \$68 for each one we miss counting in the census," he said.

Children being enumerated are those who will be at least six years old and not more than 18 years old on Sept. 1, 1953.

Census blanks were given students Wednesday to be taken home for parents to fill out. The superintendent said parents of children who have reached the age of six years since last Sept. 1 or will attain that age before next Sept. 1, are urged to contact his office for the necessary census blanks. "Many of these parents," he said, "do not have children in school and thus will not receive one of the census blanks." See SCHOOL CENSUS, page 8

FRIENDS TO SHOW APPRECIATION

Barbecue To Honor Pioneer Physicians

Two pioneer Post physicians, Dr. A. C. Surman and Dr. D. C. Williams, and their wives, will be honored May 19 at a barbecue at the Boy Scout mess hall at Camp Post.

Plans for the honor celebration have been in the making for the past several days by a number of friends of the two doctors, who have practiced in Post and Garza County for the past 40 years.

The barbecue and program, which will feature humorist Jeff Williams of Chickasha, Okla., as guest speaker, will begin at 5:30 p. m. The barbecue will be served by Jetton's, Fort Worth catering service, which is equipped with a number of chuck wagons and will be able to handle any size crowd which might attend. See BARBECUE SET, page 8

There will be an advance ticket sale to determine the size of the crowd turning out to honor the doctors. Sponsors of the affair emphasize that it will be for residents of the entire area—for anyone, in fact, who wishes, by his attendance, to express appreciation of the services rendered by the doctors during their long residence and practice here.

Practically every community in the county was represented at a recent meeting of more than thirty friends of the two doctors, at which time additional plans for the celebration were discussed. Tickets to defray the expense of the barbecue will be available in all communities, residents of which are assisting townspeople in plans for the affair. Tickets may also be purchased. See BARBECUE SET, page 8

GARZA COUNTY WINNER TO BE CHOSEN

Spelling Bee Date March 26

Although no school winners have yet been certified to his office, County Supt. Dean A. Robinson said Monday that he hopes each grade school in the county will have two contestants present at the Garza County Spelling Bee on Thursday, March 26.

The event is to be held in the Post Grade School auditorium, beginning at 2 p. m. The Garza County champion will be eligible to enter the regional Spelling Bee at Lubbock on April 18.

The Post Chamber of Commerce has made \$30 prize money available for the top four contestants in the county Spelling Bee. First place winner will receive \$15; second place, \$7.50; third place, \$5; and fourth place, \$2.50.

The Lubbock Avalanche-Journal is sponsoring the regional Spelling Bee, and the winner there will qualify for the National Spelling Bee in Washington, D. C. Other prizes for the regional winner will include a 24-volume set of the Encyclopedia Britannica and one year's possession of a plaque.

Regional contest cash prizes will be awarded to the second, third, fourth and fifth place winners by the Lubbock paper. One winner from each of the South Plains counties will be entered in the regional finals and each will be presented a trophy.

Other counties in the Lubbock region are Bailey, Cochran, Crosby, Dawson, Dickens, Gaines, Hockley, King, Lamb, Lynn, Terry and Yoakum.

Robinson said names of the pronouncers and judges for the Garza County Spelling Bee would be announced later.

CRASH SCENES—These are pictures of the badly wrecked four-passenger private plane which crashed just northeast of the city limits shortly after 12 o'clock noon last Friday, fatally injuring Dr. S. F. Robinson of Crane, and seriously injuring his 18-year-old son, Bob Robinson. The top picture shows the left wing almost intact, and the badly damaged cockpit and fuselage. The middle picture shows the front of the plane, which flipped onto its top after crashing. In the bottom picture, which shows the cockpit interior, may be seen the safety straps by which the two men were hanging head down when rescuers arrived at the scene.—(Post Dispatch Photos).

Thespians Going To District Meet

Post High School's one-act play team with a cast of eight, will compete at Lovelland Friday night in the District 4-A one-act play contest.

Five or six plays are expected to be presented, with the winning team qualifying for the regional meet.

The cast, directed by Herbert F. Muddell, high school speech instructor, is composed of: Gaylord Anderson, Jimmy Ferguson, L. W. Evans, Lorna Livingston, Mary Shultz, Buena Welch, Vernon Reed and Natalie Tracy.

High School Student Suffers Facial Cut

Miss Tommie Williams, junior student at Post High School, received a severe facial cut when she ran into a protruding board in the gymnasium Tuesday morning while changing classes.

The cut, which required from six to eight stitches to close, was inflicted by a nail in the board. The cut extended from Miss Williams' forehead, around her left eye and to the left cheekbone.

She received treatment at Garza County Memorial Hospital.

Final Rites Are Held For Victim Of Plane Crash

Last rites for Dr. Simon Frank Robinson, 48-year-old Crane physician, who was fatally injured when his four-passenger private plane crashed near the Post airport shortly after noon Friday, were held at 3:30 p. m. Sunday in Paducah at the home of his parents, Mr. and Mrs. J. C. Robinson.

Indian Crop Forecast To Be Made Sundry

Once again, come Sundry, the old Indian method of crop forecasting will be followed to determine what sort of crop yield is in store for Garza County.

N. W. Stone, who has been conducting the tests for the past several years, has announced that he will make the test Sunday morning, west of town.

The method used is that handed down through an old Indian legend and was begun in Garza County in 1906 by J. I. Wilborn. In the intervening 46 years, there have been only three forecast "flips."

A smoke fire and a plumb bob on a string is used to determine the direction of the wind at sunrise on March 22. If it is from the east or northeast, it means a bumper crop; from the west or southwest a parched crop; from the north or northwest an average crop, and from the southeast a poor crop.

The Rev. R. O. Tomlinson, pastor of the Crane First Methodist Church, officiated, assisted by the Rev. James E. Tidwell. Burial was in Garden of Memories Cemetery at Paducah, under the direction of the Hudman Funeral Home of Post.

Services for Dr. Robinson had been held at 3:30 p. m. Saturday at the Crane First Methodist Church, with the Rev. Tomlinson officiating.

The condition of Dr. Robinson's 18-year-old son, Bob, the only other occupant of the plane, was reported improved Wednesday at the hospital here. Suffering from a brain concussion, severe scalp laceration and leg injuries, he has not fully gained consciousness since the accident.

Dr. Robinson died in the hospital here at 3 p. m. Friday, less than three hours after the plane in which he and his son were returning to Crane from a visit with relatives in Paducah, crashed in A. B. Casey's cotton field, 150 yards across the road from the airport, on which they were attempting to land during a dense fog.

S. C. (Clovis) Hudman, who lives 150 feet south of the crash scene, saw the plane go down. He said he was sitting at home reading when he heard the plane overhead and then suddenly heard its motor stop. He said he rushed outside in time to see the plane banking to come into the airport. Thursday to Thursday
By CHARLES DIDWAY

Introducing this week our new "Thursday to Thursday" column with an apology for having missed the boat last week on our Friday the 13th story by not being sufficiently erudite to know the meaning of the word "triskaidekaphobia" after having met it face to face while helping read proof on the "Up and Down Main Street" column. We've since learned that triskaidekaphobia means a fear of Friday the 13th, and when we think of the splash we could have made with the word, we feel like kicking ourselves for being so ignorant. Anyone with half a brain should know at first sight what triskaidekaphobia means.

Post women whose first name is Lura are eligible to join the Lura Friendship League, according to an Associated Press squib reaching our desk. The organization consists of about 800 women throughout the world who share the same first name. Mrs. Lura A. Rine of Villa Grove, Ill., says she has been a member of the Lura Friendship League for 20 years. Founded in 1905 by Mrs. Lura P. Hunt of Westfield, Mass., members support missionaries named Lura in China, India and Alaska.

By voting against a proposal to make Hawaii the 49th state, two Texas members of the House Interior Committee may be adding fuel to the fire which inspired one Bernard Dorrity to write the article, "Let's Secede From Texas." In the current issue of Esquire magazine, Reps. Ken Regan of Midland and Walter Rogers of Pampa voted against the proposal for Hawaii's admission to statehood. It's doubtful, however, that they did so because of a feeling that Texas' status as the largest state in the union may be questioned in some quarters if Hawaii is admitted.

Testimony before the House committee disclosed that if you count the water surface that lies between the islands as comprising the Hawaiian group, and assume the state boundaries to encompass the entire area, then Hawaii would be larger than Texas. The total square mileage of the land, however, is far less than that of the Lone Star state. In that regard, it might be pointed out that the congressional support for granting Alaska statehood is not nearly so strong as for Hawaii. Alaska's land mass definitely would put Texas in second place.

The next time you hear the fire siren, it'll be a fire, but those three or four outbursts several days ago didn't count. Fire Chief Homer McCrary was trying out the new siren, which replaces one that had been in use for at least a quarter of a century.

The writer's family was over from Leveland recently for their first visit to Post. What impressed them most was we drove about town with the width of West Main. Since they sometimes get the idea that we are a second Shakespeare, especially when they see an opportunity of an extra dollar or two being made, they suggested that West Main might provide material for a feature story as one of the widest residential streets in America. As always, we shrugged it off with the excuse that the story probably already had been written.

Only a day or two after E. E. Pierce, school cafeteria manager, had told us that the lunch room was showing gains for the first

ALWAYS A BRIGHT NOTE...

Unless you're one of those who scan the sports pages, you're probably unaware that the baseball season is near enough at hand for the major league clubs to be well under way with spring training. In less than two weeks, the Pacific Coast League will pry the lid off the 1953 season, with other circuits, including the majors, following suit anywhere from mid-April to the first of May.

It's always a bright note to watch the baseball season unfold on the American scene and for some five months hold sway as one of the best examples of what life is like in a free country. The fact that the administration switched hands last Jan. 20 seemingly hasn't had any effect on plans for the coming baseball season; neither has the shake-up in Russia, nor the shake-down in Timbuktoo. When conditions anywhere in the world get in such a state that they cast a pall over opening of the baseball season, then is the time to look to our own guns.

Among other things, we are anxious to see what kind of a wind-up and delivery President Ike will use in throwing out the first ball—after having followed lefty Harry Truman's inaugural pitches for the past four or five seasons. The fact that Ike once played professional baseball for a team in Kansas probably gives him an edge on any of the other chief executives, beginning with William Howard Taft, who inaugurated the practice of tossing out the first ball to open the baseball season.

It looks like another big season and we're anxiously awaiting the familiar command to "Play Ball!"

We are more than a little disappointed at the announcement of military officials that dispatch of 25 Sabre jet fighter planes to Germany has no connection with the recent shooting down of an American F-84 fighter bomber by Russian-made MIG-15s from Czechoslovakia. We were hoping the Sabre jets were being sent across with the express purpose of blasting the hell out of any MIG-15 that had anything to do with the incident.

Time because of an increase in surplus foodstuffs furnished by the U. S. Department of Agriculture, we came across an Associated Press story which contained the information that school children may have to get by on sandwiches.

The USDA will not send any more surplus foodstuffs to Texas, Governor Shivers said, unless the Legislature sets up an agency to deal formally with the federal government for their shipment. A bill now before the Legislature would set up a commodity distributing division in the State Department of Public Welfare to deal with the Department of Agriculture. Let's hope this measure, or some sort of bill, is passed to keep the surplus foodstuffs coming to our school lunch rooms.

It gives one an added inspiration to launch a column when he knows it is going to be widely read—whether or not it's worth a hoot. Few things about our new job have impressed us as much as the circulation of the Post Dispatch. We'd heard about weekly newspapers that sold like the proverbial hotcakes, but this is the first one of that kind we've had the pleasure of working on—if you'll pardon us for ending a sentence and a column with a preposition.

Roger W. Babson Writes This Week...

Red Leaders Will Outwardly Acknowledge Malenkov, But Inner Conflict Is Plain To See

BABSON PARK, Fla., Mar. 19—I personally did not know Mr. Stalin but I knew the Tolstoy family who were very well acquainted with him. They have many times told me that he had very little to say and that he felt there was no one in Russia who could fill his shoes. All of this means that there will be considerable of an inner conflict amongst the leaders, even though they outwardly acknowledge Malenkov as the new Dictator. At the present writing it is impossible to say how long Malenkov will be able to hang on to his job. I, however, am assured that there is no danger of the people starting a revolution. If one comes, it will be a "palace revolution," started by the Government or Army heads.

Effect On The Satellites

Of course, there have been many signs of internal strife behind the Iron Curtain. Violence, a characteristic of Russian politics in evidence long before the rise of Communism, has marked the struggle for personal power. The purges in the satellite countries, the elimination of the Moscow doctors, have given strong evidence that Stalin's illness was well known by the ruling groups in the Soviet Union. Now, despite Moscow's desperate efforts to tighten the manacles upon the satellite countries and the entire Soviet Bloc, factions favoring Titoism may be encouraged. Freedom lovers in Czechoslovakia and Poland must already be filled with new courage and hope.

Meanwhile, uncertainty will rule until some man of proven power emerges in Moscow. Until the new dictator shows that he can hold on to his job, there is no sense in speculating on what the new policies and their effects upon the rest of the world will be. I do say this, however: While Stalin is being eulogized publicly, one of the coldest and cruellest struggles for power in the history of the world will be going on behind the scenes. The new dictator will find himself in a vacuum into which will rush all the elements of violence that Stalin has managed to hold in abeyance. The temptation to unify his people and take their minds off their woes by provoking war

will be tremendous. World capitals will be filled with uneasiness. Malenkov is a less moderate man than was Stalin. However, he will not "show his hand" until he is sure of his power, or until he is forced to take action in order to unite the masses behind him.

Defense Preparations Will Continue

President Eisenhower is admirably equipped to make propitious decisions during the stormy days ahead. He knows how easily war could stem from the situation which we will be witnessing over the period immediately ahead. England has, of course, been more conciliatory toward Russia than we have, but this attitude may help ease the friction between Russia and the United States during the difficult times which lie ahead. Restraint and extreme caution must be used if we are to avoid extension of the war. The Soviet Union, under its precarious new leadership, might decide suddenly to resort to full-scale war to unite its people. Hence, it may be wise to lie low along the international fronts until the situation becomes definitely clearer.

As I analyze the probabilities of the near term, I would say that there is a 60-40 chance of our being able to develop a workable diplomatic program which will enable us to get by without spreading the war. Above all, it would be extremely unwise for our people to be misled by early rumors. Don't rush to take radical action. Watch the situation calmly, and look for the underlying trends rather than the day-to-day switches in the international weather vane. Those owning businesses should keep a firm rein over their inventories and costs, but should not be stampeded into foolish or rash moves which they may later regret.

Outlook For The Stock Market

All of the above indicates that there will be a cooling off period and, on the whole, the near-term prospects for peace look better. If the American people agree with me, the price of the war stocks may fall off, which would mean a decline in the Industrial Average. Later, the situation will have to be reviewed in the light of Malenkov's actions.

I am indebted to the National Fertilizer Association, Inc. for its current issue of National Fertilizer Review. Its contents can add to this column. The magazine's No. 1 story is "Ease the Squeeze with Fertilizer," by John F. Gale.

An old timer is one who can remember when a baby-sitter was called mother.

ALL OF WHICH reminds me of something I read the other day in the National Chamber of Commerce's Washington Report. It seems that the businessmen up in Olympia, Wash., were disturbed over the fact that mothers could not get to their stores to shop because of their small children at home. The city's chamber of commerce boys came up with a plan. It works this way:

The businessmen distribute small courtesy cards to customers which entitle them to special rates from a babysitting service. If the mother spends three hours shopping, she pays the baby-sitter only 30 cents. The regular rate would be 75 cents. The businessmen who issue the courtesy cards pay the difference.

It could work well for any town, reminds the National Chamber.

You've probably heard about the girl who is so bow-legged that when she sits around the house she sits around the house.

The motorist approached the CORONER at 60 miles per hour.

A little classroom yarn which the Roving Reporter had in her column, "Up and Down Main" on page one of the Dispatch several weeks ago has really been making the rounds.

The story of the Post grade school pupil who answered "Timber-r-r!" when his teacher, Mrs. Johnnie Hamilton, asked him what he would have said if he, like George Washington, had chopped down a cherry tree, was picked up by the Associated Press and used on front pages of many of the nation's leading dailies. The yarn was also used by the Army publication "Stars and Stripes" and was printed in both the Pacific and European editions.

Besides being used by newspapers, the story found its way to Arthur Godfrey, who told it on his radio-TV show last week.

Since the story's appearance in the newspapers, we here at the Dispatch and Mrs. Hamilton, have received letters from far and wide from former Postites calling our attention to the clipping which usually is attached to the letter. There have also been a number of Post people who have received letters from relatives and friends. The latest clipping brought to us was from Mrs. Woody Billings, who with her Army sergeant husband, is stationed in Weisbaden, Germany.

Mrs. Hamilton received a clipping several days ago from Pvt. Howard D. Isaacks, Levelland soldier stationed at Pusan, Korea. He wrote that he once lived in Post. Mrs. Hamilton also got a letter from a friend who lives in California who had seen the story in a Los Angeles newspaper.

Mrs. Jack Ballentine called me the other day and said that her sister in Tallahassee, Ala., had read the yarn in an Alabama publication and had sent her the clipping.

Mrs. B. H. Ullman, a former Postite, whose husband is operating five drilling rigs near Williston, North Dakota, sent me a copy of the Williston Daily Herald which had the story on its front page. A day or two ago I received a letter from Mrs. Felicia Mason, who resides in Cincinnati, Ohio, which contained the clipping from a Cincinnati newspaper. Mrs. Mason said she also heard Godfrey's radio program.

There have been many more letters received by the Dispatch, and more than likely a number of other Garza Counties have had letters from distant places which have not been brought to me.

Point is, little did Forrest Claiborn know that his pert reply to his teacher's question would be publicized over the nation and in foreign lands.

A Great Privilege

With the death of Joe Stalin in Russia last week, Americans once more were reminded of the great privilege that is theirs in a free press. Radio Moscow "advised" editors throughout the Soviet Union how the death of Premier Joseph Stalin was to be printed. Material was to be published on page one. The page was to be bordered in black, with a portrait of Stalin in military uniform taking up three columns on the right, the broadcast said.—Stamford American.

Any time we talk about local products that grow "big," someone comes along with something just a little bigger. This week Mrs. H. H. Warren is displaying a hen egg to top all hen eggs. The huge egg would make three ordinary hen's eggs.—The Crosbytown Review.

No Frontier Day

There will be no Frontier Day celebration in Slaton this year. That was the decision voted Tuesday night at a meeting of the directors of the Board of City Development and Chamber of Commerce. Two main factors influenced the decision. One is finances. The B. C. D. doesn't have that kind of money to spend this year because of its sponsorship of the swimming pool project. The other is floats. Several local organizations which entered floats in last year's Frontier Day parade have expressed doubts that they would enter floats this year.—The Slaton Slatonite.

The Way You Look At It

It all depends upon how you look at things. In the old-fashioned well, two buckets were fastened to the same rope, one at either end. Said one bucket, "I always dread it when I make a trip to the bottom. I always go down empty." "I don't," said the other. I always come up full." And the preacher and the deacon who went up on a high mountain saw it differently, too. The preacher said, "I've never been so close to Heaven." Said the deacon, "Well, I've never been so far from hell." And when you look at your gasoline gauge, do you say it's half empty or half full. Your answer, say the philosophers, is an index to your

"I Like ELECTRIC COOKING BECAUSE IT IS FAST, Clean and Dependable!"
And I especially like the convenience of automatic cooking, made possible by my oven timer, Mrs. Watkins adds.
A prize winner in the McCall's Magazine Kitchen Planning Contest, Mrs. Watkins is already teaching her young daughter to follow in her footsteps. She knows, as do many mothers, there is no safer range than an electric range on which to teach young future homemakers.
Fast, clean, dependable, accurate and safe cooking can be yours, too, on the matchless, modern range. Of course, it's electric.

TO SING HERE—The Lubbock Western A Cappella Choir will sing in the Post High School auditorium at 8 o'clock Friday night, March 20, under the auspices of the Post High School A Cappella Choir, Director John Christopher announces. The Western choir, which numbers 48 voices on its current tour, is directed by Richard Richards. Post will be the first stop on the Lubbock group's tour, and they will present a program of sacred and secular songs. Preceding the concert, the visiting singers will be served supper in the grade school cafeteria. The only admission charge to the concert, Christopher said, will be what each one wishes to pay at the door. Proceeds will go into the Post choir's fund.

Future Homemaker Of Post Models In Style Show At Midland FHA Meeting

Mrs. Nan L. Dyer, Post High School homemaker teacher, and four members of the Future Homemakers of America chapter attended the Area II FHA convention in Midland recently. The meeting was held in the high school auditorium there, with "Training Tomorrow's Leaders" the program theme. Representing the Post FHA chapter were Naomi Nichols, who participated in the style show as a District 4 representative; Doris Ritchie, Mary Lee Weatherby and Melba Shepherd. Mrs. Nichols accompanied the group.

In the style show, FHA members from each of the four districts modeled as follows: District 1, evening wear; District 2, sports wear; District 3, bedtime wear; District 4, school wear, and District 5, social wear.

Registration was from 8:30 to 9:30 a. m., with the morning session beginning at 9:30 and continuing through 11:30. Delbert Downing, manager of the Midland Chamber of Commerce, was principal speaker, on the subject "Training for Tomorrow."

Following lunch, the afternoon session began at 1 p. m. It included a sing-song, the style show, report of House of Delegates, introduction of state nominees, model charter meeting, a message from Mary Lou Sneed of Crane, area president, conferring of honorary memberships.

NEW STUDENTS ENROLL

New students enrolling recently in Post grade school include Peggy Autrey from Coleman, Barbara McWilliams from Lake Providence, La., Baker Bledsoe from Odessa, and Darrel York, who attended school at Grass-burr last year.

Mr. and Mrs. Bob Turney of Midland were recent guests of her parents, Mr. and Mrs. Ed Dye.

THE STATE OF TEXAS

TO: GRANITE OIL SECURITIES, INC. and GRANITE OIL TRUST NO. 2 (sometimes called Granite Oil Trust Company No. 2)

GREETING:
You and each of you are hereby commanded to be and appear in and before the District Court of Garza County, Texas for the 10th Judicial District of Texas, at 10:00 o'clock A. M. of Monday, at the Court House of said County in Post, Texas, at or before the 20th day of April, 1953, being the first Monday after the expiration of forty-two (42) days from the date of issuance of this citation, to then and there appear and answer the third amended original petition of the plaintiff, The Western Company, in Cause No. 1116, styled, The Western Company vs Guy R. Rogers, et al, in which The Western Company is plaintiff, and you and each of you, together with Guy R. Rogers and Jimmie Rogers, individually and doing business as Rogers Bros., John H. Cochran, individually and doing business as the Cochran Insurance Company, and Arthur F. Graf, Jr., individually and as trustee, are defendants, which said third amended original petition was filed in said Court on the 5th day of March, 1953, and the nature of which said suit is as follows:

Plaintiff, The Western Company, is suing the defendants Guy R. Rogers and Jimmie Rogers, individually and doing business as Rogers Bros., John H. Cochran, individually and doing business as the Cochran Insurance Company, Granite Oil Securities, Inc., Granite Oil Trust No. 2 (sometimes known as Granite Oil Trust Company No. 2), and Arthur F. Graf, Jr., individually and as trustee, for judgment, jointly and severally, for its debt of \$17,166.28, plus interest at the rate of 6 percent per annum, plus attorneys' fee of \$3,500.00, and costs of Court, claiming and alleging that each and all of the defendants were and are general partners, or in the alternative, joint venturers, or, in the further alternative, members of an oil and gas mining partnership; that plaintiff, at the instance and request of defendants, and in the regular course of business, furnished goods and services to defendants, of which a systematic record has been kept, and that such goods and services were of a reasonable value of the sum of \$17,166.28, and that though demand for payment has been made, defendants, and each and all of them, have failed and refused to pay all or any part of same; and that plaintiff has employed attorneys and agreed to pay said attorneys the sum of \$3,500.00 claimed to be the reasonable value of such services, and praying for issuance of attachment against the property of defendants Granite Oil Securities, Inc. and Granite Oil Trust No. 2, located in Garza County, Texas, and for judgment for its debt and such writs as necessary and proper.

Notice hereof shall be given and the Sheriff or any Constable of Garza County, Texas, shall serve this citation by having the same published once each week for four consecutive weeks, the first publication to be at least twenty-eight (28) days before the return date of this citation.

Should this citation not be served within ninety (90) days after date of its issuance, it shall be returned unexecuted.

Herein fail not, but have before said Court on said day this writ, together with the return of Sheriff or Constable thereon showing the same has been executed.

WITNESS Ray N. Smith, Clerk of the District Court of Garza County, Texas.

GIVEN UNDER MY HAND AND SEAL OF SAID COURT at Post, in Garza County, Texas, this 5th day of March, 1953.

Girl Scout Project Making Progress

A 16 by 24-foot frame building, given by an anonymous donor, has been moved to a 40 by 80-foot site west of the high school and is to be remodeled into a Girl Scout house.

The site itself was given to the Girl Scouts several weeks ago by Brown Bros., oil operators, through their local representative, Buster Moreland.

The Girl Scouts do not have a regular meeting place and completion of the building project will fill a long-felt need, according to adult Girl Scout leaders.

The Girl Scout Committee, which is directing work on the project, is composed of Giles McCrary, chairman; Mrs. Mable Lawrence, secretary; Clint Herring, treasurer; Mrs. Tom Power, reporter, and Mrs. Pat Henderson, Alton Clary, James Dietrich and Paul Jones, members.

Listing Cemetery Lot Ownerships

Lot ownership records are being transferred from the old ledger to the new, following recent organization of the Terrace Cemetery Company, Mrs. Mable Lawrence, secretary, said this week.

Upon completion of this ownership listing, another meeting of the cemetery company's board of directors will be held, Mrs. Lawrence said.

The secretary said some of those who have made down payments on cemetery lots are coming by her office to complete their payments. Others will be given a reasonable period of time in which to pay, but if they have not done so at the expiration of that time, the lots will be re-sold, she said.

Other members of the board are: Buck Gossett, chairman; Mrs. Irene Rogers, treasurer; Phil Bouchier, Pete Gerner and Mrs. A. C. Surman. C. B. Everett is handling lot sales.

• Card of Thanks

CARD OF THANKS
I would like to take this means of thanking all my friends and relatives for the lovely flowers, gifts, cards and visits I received during my recent stay in the hospital. I appreciate them all very much.

Most sincerely,
Mrs. Floy Richardson

CARD OF THANKS
We want to thank everyone for the kindness shown Jack while he was in the hospital and since he came home. Your books, flowers and cards make him happy and help to keep him busy. It makes us realize how lucky we are to live in a community of people who are so kind.

Thanks again for everything
The Rains Family

CARDS OF THANKS
We wish to thank each and every one for your kindness given in the death of our beloved wife and mother. For the nice food brought to the house and the beautiful floral offering we are grateful. We especially want to thank Dr. Surman and James Minor for their kind services. May God bless each of you is our prayer.

The Swanger Family

CARDS OF THANKS
We wish to thank the friends for so many thoughtful ways they have helped us: financially, flowers, visits and cards. Also Hudman ambulance service and Dr. Williams for his kind attention. May God bless each one. We hope to be a help to our friends everywhere.

TIPS FROM YOUR COUNTY AGENT

By JESSIE PEARCE

With spring literally "bustin' out all over" most homemakers must turn magicians and perform miracles with wardrobes and with meals. And what's more the magic probably can't cost much. Let's skip the clothing problems and talk about a way to give lift to the menus.

Serving hot breads that are just a little different does wonderful things to meals. If you have ever tried it and if you will think back, you'll know I am right. If you haven't tried it, please use some of the suggestions I give you today. Don't get the idea that it will be a time consuming job. It will not. Some of the breads you can buy from baker and then use a little ingenuity.

First, let's consider plain white enriched bread. You always have this kind on hand. It only takes a minute to work a miracle on bread to serve with a fruit plate. Spread the bread with softened butter or margarine. Sprinkle with brown sugar and cinnamon. Cut each slice into three "fingers" and toast under the broiler. The hot crisp toast sticks will disappear like magic. And your family will need the nourishment they get from bread, since fruit itself is not satisfying for very long.

Another trick with white bread is to spread each slice with a meat or cheese spread. Trim the crusts and roll-up and fasten with a toothpick. You'll need thin slices and very fresh bread. Put the little rolled-up slices of bread under the broiler, brush with melted butter or margarine and brown lightly. Try serving these with soup or a green salad. That makes mighty good eating to perk up the family's appetites.

There are easy tricks to try with biscuit dough. It doesn't matter whether you mix your own or buy a packaged mix. You can dress them up just alike. Add some sharp grated cheese to the mixture just before you add the milk. The cheese adds a wonderful flavor and makes a delightful crust when the cheese begins to melt during baking.

When the meal is a meatless one, get a little meat flavor into the menu via the biscuits. Add a small bit of cooked sausage meat, some crisp, crumbled bacon or thinly sliced frankfurters to the biscuit dough. This type of biscuit is wonderful split open and topped with creamed vegetables or eggs.

You might roll the biscuit dough out very thin and spread half with your favorite jam or fruit butter. Top the dough spread with the jam with the plain dough, cut into squares and bake immediately. Serve piping hot with butter or margarine. These biscuits could headline a breakfast of fruit, scrambled eggs and sausage. Wonderful for that special family occasion or the overnight guest.

Red Cross Campaign Is Continuing Here

Garza County's campaign for \$2,251 in 1953 American Red Cross funds was continuing this week, with approximately \$1,150 reported. Powell Shytles, drive chairman, said Wednesday.

More Rain - More Snow

By S. D. LOFTON
Director for GARZA COUNTY, WEST TEXAS WEATHER IMPROVEMENT DISTRICT

The potency of seeded clouds, to produce more rainfall is now an established fact.

This Earth was made by intelligent will; it was designed and made for man.

Then man was made, "A little lower than the Angels and set over the works of Gods hands" (Hebrew 2:6-7)

And was told to, "Subdue the Earth," (Gen.1:28) "Many shall run to and fro in the Earth, and knowledge shall be increased." (Dan. 12:4)

God made rivers, men dam them up and supplement rainfall.

God put water under the soil, men dig deep and bring it up and irrigate with it, and Earth sustains millions more people from these two cooperations, with natural laws to supply more moisture.

God puts moisture in the air, and science has developed a process to cause clouds to precipitate more moisture.

Generators were invented to release silver iodide crystals into the warm, moist air from ocean or Gulf that is blowing toward the oncoming cold front; the warm air is forced upward and over the cold air and a turbulent condition mixes billions of the iodide crystals of microscopic size in the vast expanse of cloud.

Flying in every altitude of this seeded cloud, a telescopic view shows rain being generated in the altitudes of the cloud that before seeding would not produce rain.

So here is a scientific established fact that a seeded cloud produces extra amount of rainfall!

And by improvement in this new field of scientific research, freedom from fear of destructive drouth may be removed, and vast areas of this Earth will become abundantly productive, and will sustain teeming millions more people.

On the Eastern slope of Washington on a 100,000 acre area, in 1950 through 1952, rainfall has been increased 430% in the growing season, and wheat yields have been raised from 7 to 8, to 20 to 27 bushels per acre.

In this weather improvement district of which the West half of Garza County is a part, had more rain last year than counties North and South, and East and West from it.

Our contract with meteorologist, Dr. Krick, expires April 1, 1953.

Your Directors wish to renew this contract for this crop year, and urgently solicit your cooperation.

The cost is 1 1/2¢ per acre for grassland, and 4 1/2¢ per acre for farm land.

Mail your checks promptly to: West Texas Weather Improvement District, Inc., c/o First National Bank, Post, Texas.

The Rev. Jack Hamilton To Speak At Church Of The Nazarene Revival

The Rev. Jack Hamilton of Hayes, Kans., will conduct a revival at the Church of the Nazarene March 26 through April 5. Residents of Post will remember that the Rev. Mr. Hamilton was evangelist for a meeting here more than two years ago.

"He is an excellent speaker, plays the trombone expertly and is a beautiful singer," the Rev. J. C. Holman, pastor, said. The evangelist is described as a dramatic Bible preacher, noted for his power of description. An "Old Fashioned Hymn Contest" usually accompanies his campaigns. He will also give illustrative messages to the Sunday School departments.

"Members of the local church are expecting the greatest revival in the history of the church

and invite everyone to attend the services at 7:30 o'clock each evening," the pastor said.

HALL-WAY SCENE—The antelope above the ticket booth and the biology class' small aquarium, inside the booth, are familiar sights to students of Post High School, but were new to some of the patrons visiting the school during Public Schools Week. School officials said the Antelope head had been there for "no telling how long," but that the aquarium is a fairly recent addition. (Post Dispatch Photo).

Plane Crash ---

(Continued From Society Page) the airstrip, and then suddenly half-spin to the ground.

Hudman said the plane hit first on its right wing, bounced over on the other wing, hit on the nose and then flipped over on its back.

Hudman reached the plane just a few steps behind Charles Ray Casey, a neighbor. The two men were hanging by their safety belts, head down, and were cut loose by Hudman and Casey.

While Dr. Robinson and his son were being removed from the plane, Mrs. Charles Ray Casey called a Hudman Funeral Home ambulance, which carried the injured men to the hospital.

The plane was badly wrecked, but did not catch fire. Leaking gasoline from the plane's damaged tank presented a hazard, however, and sheriff's officers remained near the wreckage throughout the afternoon.

There were unconfirmed reports that Dr. Robinson earlier had landed his plane on a farm in the Pleasant Valley community, a few miles northwest of Post, but had taken off again trying to reach the Post airstrip. Visibility was said to be 20 yards at the time.

Dr. Robinson's wife and his associates at the Crane County Hospital, of which he was chief of staff, were notified of the accident and arrived in Post about 5 p. m.

Dr. Robinson had been a resident and physician in Crane for 20 years. A graduate of Southern Methodist University, Dallas and Baylor Medical School, he interned at Marine Hospital in New York City. He had learned to fly during World War II in order to be able to cover a larger territory during the critical doctor shortage.

He was Crane's only doctor for many years, and in 1938 built his own hospital there. His son, Bob, is a drum major at Crane High School and an Eagle Scout.

Survivors are his wife and son and his parents of Paducah. He was a cousin of Dr. D. C. Williams of Post. Dr. and Mrs. A. C. Surman attended the funeral services in Paducah.

School Census ---

(Continued From Society Page) blanks being taken home by the students. But they can be assured that their child will be enumerated if they will contact us here at the school.

Supt. Arthur said school officials also wish to stress that school-age children who are not attending school also are eligible to be counted in the census. They are considered scholastics, even if they are not enrolled in school, he explained. He requests patrons knowing of such scholastics who might not be counted to contact his office.

The school census also is under way in other districts of the county, according to County Supt. Dean E. Robinson. Last year's count showed 1,520 scholastics in the county, approximately 875 of them in the Post district. Supt. Arthur said indications are that there will be a slight increase this year in the Post district.

The census is to be completed by April 1 in order that final tabulations may be sent to Austin early next month.

Brownie Troop Four will stage a bake sale in downtown Post at 1 o'clock Saturday to raise funds for the troop. Mrs. Alton Clary and Mrs. J. L. Ballentine will supervise the sale, which will be held in the front of the Double U Company building.

March 4, Brownie Troop Three met in the home of Mrs. Billy Blackstock and discussed projects for Mother's Day. Game day was observed and Beverly Bird served refreshments.

Those present were Judy Altman, Pinkie Taylor, Mickey Vargas, Olive Henderson, Pat Smart, Clara Frances Smiley, Linda Carol Johnson and Jerilyn Davies.

Girl Scout Troop Two met March 4 in the Presbyterian Educational Building. The group joined in singing "A Girl Scout Hello" to three prospective members, Billy Lou Hill, Shirley DeMint and Lois Josey. After brief patrol meetings the girls made "buddy burners" to complete a requirement toward their backyard camper badges.

Attending besides the new members were Dolores Dye, Annetta Henderson, Kay Gene Jones, Maritta Pennell, Barbara Shyles, Sara Mills, Kay Gordon, Kay Martin, Patsy Gibson and a visitor, Ruthell Martin. Mrs. Jones was in charge of the meeting.

Brownie Troop Three met last Wednesday in the home of Mrs. Pat Henderson. The group voted to give their dues for the day to the Juliette Low World Friendship Fund. Games were enjoyed and Patty Smart served refreshments to the following:

Judy Altman, Mickey Vargas, Linda Johnson, Olive Henderson, Clara Frances Smiley, Jerilyn Davies, Susie Bowen, Beverly Bird and Pinkie Taylor.

Troop One of Girl Scouts had as their guests Wednesday, their mothers. They met in the school cafeteria and celebrated the third birthday of the troop and the 41st birthday of Girl Scouting in America.

The American flag was presented by a color guard consisting of Linda Lott, Barbara Haragan and Mary Bowen, followed by the Pledge of Allegiance by the troop. Mrs. T. L. Jones, pianist, accompanied the group as they sang two scout songs.

Mrs. James Dietrich presided for the court of awards and presented good grooming badges to Mary Bowen, Sharon Brooks, Patricia Crowley, Frances Dietrich, Barbara Haragan, Linda Lott, Lucy Trammell, Patricia Ross and Leslie Nichols.

Backyard camper badges were awarded to Sharon Brooks, Barbara Haragan and Patricia Ross; cook badges to Sharon Brooks and Patricia Ross; journalist badge to Frances Dietrich; rabbit raise badge to Lucy Trammell; cat and dog badge to Frances Dietrich, Linda Lott and Lucy Trammell; aviation badge to Linda Lott and second class badges to Patricia Crowley and Barbara Haragan.

Fab-Spray, a fabric spray, puts new color back into fabrics and with the minimum of effort. Just press your thumb on the button on top of the Fab-Spray can and in a flash the self-dispenser sprays color from the can onto the item you want to paint. It is one of the most amazing new products on the market today. Paul Jones of Piggly Wiggly store gave the roving reporter a demonstration of this easy to apply paint and we were completely sold immediately. Fab-Spray is not a tint. It is a plastic resin base mineral pigment that actually bathes fabrics. It does not clog pores or blot out fabric patterns and tons . . . it creates fresh new color and beauty without changing the natural fabric texture. It can be applied on furniture, rugs, draperies, awnings, match-stick drapes, auto interiors, convertible tops, rubber mats, suede purses and shoes, patio tile, metal yard furniture, etc. Comes in fourteen colors. Miller's petition further states that to compel him to deposit the sum under such circumstances would deprive him of his property without due process of law and in violation of both the national and state constitutions.

Moss said Miller had instructed him to "fight the case all the way to the Supreme Court, if necessary."

County Judge Oscar Graham has issued an order that no penalties be imposed on Miller by the safety department until a final hearing of the case.

The local attorney said he does not know of any other specific case of this type having been filed in this area of the state.

Fred McPherson, pastor of South Side Church in Lubbock, brought the charge to the church and the Rev. Mr. Howell, Antioch pastor of Lubbock, brought the charge to the deacons. The Rev. Roy Shahan, First Baptist pastor, delivered the message and the Rev. D. D. Shaw led in prayer.

The Rev. Joe E. Boyd will speak at Verhena Church at 10 o'clock Sunday morning.

Monday night is Fellowship Night at First Methodist Church. Mrs. B. E. Young's Sunday School Class will have charge of the program.

Good attendance is the report from the Methodist revival now in progress. The meeting will continue through Sunday night. Everyone is invited to the services at 7 a. m. and 7:30 p. m. daily.

School Cafeteria Is Showing Gains

The February report of E. E. Pierce, school cafeteria manager, discloses that a gain of \$223.86 was realized from the sale of 4,583 lunches during the month, making a balance of \$535.71 at the beginning of March.

Lunches were served on 20 school days during February, with an average daily participation of 229, according to the report.

Program income for the month totaled \$1,760.54, including a \$224.69 claim against the federal food grant, \$1,377.50 payments for lunches by pupils, and \$158.35, all other cash income. Expenditures were \$1,527.68, including \$913.02 for food, \$532.50 for labor, and \$32.60, other expenses.

With the cafeteria showing gains for the first time, due to an increase in the federal food grant, it will be possible to purchase needed cafeteria equipment, Pierce said.

Federal food grants this school year have seen sizable increases in practically every commodity over those of the 1951-52 school year, according to the cafeteria manager.

Hudmans Host Post Lions

Mr. and Mrs. Verna Hudman were hosts in their home day night to a regular meeting of the Post Lions Club. The menu consisted of a delicious meal served cake and coffee for the price each Lion member pays for the meal was \$1.00.

The club's piano fund was increased by \$10.00. Games of "42" and "Go" were played, with George and Les Short emerging as winners.

The program included selections by Charles T. Chesser at the colored organ. "Nobody Knows the Trouble I've Had," boogie wogie, and selections from Chopin, Liszt and Koussevitzky.

The Lions Club quarterly dinner was held at the home of Mrs. W. A. Colvin of Spring Hill, N. M., and Pat Henderson, sang a number of songs in observance of St. Patrick's Day, and closed with "Texas."

Post Girls Take Consolation Runner-up Cup At Tourney

Post High School girls' basketball team returned Sunday from the state-McClellan League Tournament at Levelland with a consolation runner-up trophy, awarded them after they defeated Levelett's Chapel Saturday morning in the consolation finals.

East Chambers girls, who were eliminated from the Class AA championship bracket Wednesday, won a 32-14 victory over N. R. King's team in the consolation game. Levelett's Chapel was defeated by a forfeit over the Post girls.

The Post girls' team, coached by Coach King, had a record of 14 wins and 10 losses. They were defeated by Levelett's Chapel 17-16 in the first round. In the consolation game, they won 32-14.

Coach King said Monday that the entire squad of 16, including points and Pearl Craig accounted for four more.

In the consolation finals, the Post team led throughout the first half and were ahead, 17-16, at the intermission period. They fell behind, however, in the third period, with Levelett's Chapel going on to win by nine points. Williams scored 16 points and Craig nine for Post. Taylor had a total of 32 points for the winners.

The squad traveled to Waco in private automobiles, leaving Post Tuesday morning and arriving in Waco at 6 p. m. In addition to Coach King, the players were accompanied by Mrs. George Carpenter and Mrs. Wilburn Morris. The group stayed at the Raleigh Hotel while in Waco.

They returned to Post early Sunday afternoon, staging a noisy demonstration on East Main and proudly displaying their consolation trophy.

Coach King said Monday that the entire squad of 16, including

Grade Chorus Sings Tahoka, Wilson

Following the Tahoka program, members of the chorus and adults who accompanied them ate lunch in the grade school cafeteria there as guests of the Tahoka grade school chorus. The Wilson program was presented in the afternoon.

In addition to songs by the chorus, Sandra Martin, a fifth grader, sang "Mother Machree," and a sextet sang "When Irish Eyes Are Smiling." Members of the sextet were Sara Mills, Carolyn Jones, Alice Joyce Nichols, Patricia Wheatley, Kay Martin and Jerrie Joan Williams.

The chorus traveled in a school bus and in four automobiles. The adults accompanying the group included their director, F. F. Keeton, driver of the bus, and Mrs. Keeton; Rev. Almon Martin, Ellis M. Mills, grade school principal; Mrs. L. G. Duckworth and Mrs. J. P. Ray, who took automobiles.

The Tahoka grade school chorus is to present a program of Easter songs at the grade school here at 11 a. m. April 2. The Wilson grade school also will present a program later in the year.

Girls Drilling Volleyball Play

A successful basketball team behind them, members of the girls' volleyball practice team will compete in the 4-A, in which they finished second to the Levelland girls' team.

POWER that Pur-r-r-s when the going gets tough!

NEW FORD TRACTOR

The reserve of power you want when the going suddenly gets tougher is here in this new Ford Tractor. Just take a look at its new Ford "Red Tiger" engine and you'll see why.

You'll see a new overhead valve engine, with big bore and short stroke that cuts the travel of each piston approximately 5 miles in a working day, reducing friction and helping to make possible greater power with new economy of gas and oil. You'll see an engine with big, rotating exhaust valves, new lightning-fast governor and dozens of other examples of advanced engineering. Ignition is completely weatherproofed. All oil is normally filtered every time around. The whole engine is extra strong, extra rigid as well as extra powerful.

The more you know about tractor engines, the bigger kick you'll get out of looking over the one in the new Ford Tractor. The more you know about tractors, the better you'll realize that here is the most modern tractor on today's market. Come in today... look it over!

14 Antelopes Earn Basketball Letters

Fourteen members of the 1952-53 Post Antelope basketball squad have earned letters, Coach Vernon Ray announced Monday.

Four of the letter-winners are seniors, Ray said, and will be lost to the squad through graduation this spring. They are Darrell Stone, who made the All-District 6-AA team; Pete Hays, All-District honorable mention; L. W. Evans and David Pennington.

Other lettermen are: Bobby Cowdrey, Moody Graham, Tommy Murray, Homer Cato, Billy Meeks, Larry Waldrip, Novis Pennington, Tommy Bird, Darrell Ray Nerman and Tommy Malouf.

The Antelopes finished third, behind Spur and Tahoka, this season in district play. Next season, they will be in a newly formed Class AA District with Floydada, Spur, Tahoka, Slaton and Abernathy.

Raiders' Round-up Game Is March 20

Jack Kirkpatrick, Texas Tech quarterback and a former Post Antelope star, is slated to see considerable service Friday night, March 20, when the Red Raiders play their round-up football game at Jones Stadium in Lubbock.

Other West Texas boys expected to see plenty of service in the round-up game are ends, Paul Erwin of Odessa and Dean White of Lubbock; tackles Jimmy Williams of Phillips, Arlen Wesley of Littlefield, Minor Nelson of Winters, and Jerry Walker of Pampa; halfbacks Norman Jones of Lubbock, Don Lewis of Quitaque, John Thompson of Brownfield, and Par Green of Paducah; quarterback Jerry Johnson of Hale Center, and fullbacks James Sides of Lubbock, Rick Spinks of Kermit, and Billy Burke of Hobbs, N. M.

Track And Baseball Drills Are Nearing

Track and baseball drills at Post High School will get under way immediately following the close of spring football practice next weekend, Coach Bing Bingham said Monday.

The coach said tentative plans for the schools' track program called for its extension into the sixth, and possibly into the fifth grade.

The high school team, he said, probably will complete in meets with thinclads from nearby schools prior to the district meet.

The high school district in which Post operates is not sponsoring baseball competition this season, but matched games will be played with area teams and there is a possibility of some sort of a league being formed, Bingham said.

Coach Vernon Ray will assist Bingham in the baseball coaching chores.

Post Boy Scout To Attend Jamboree

Boy Scout officials are in the process of selecting a scout from Troop 15 to receive a Veterans of Foreign Wars post award of a trip to the National Boy Scout Jamboree in California in July.

The elimination process has reduced the number of Boy Scouts being considered for the award to four. Scoutmaster Jesse Ward said recently. The selection is to be based on scout work, interest, attendance, etc.

John F. Lott, troop chairman for the South Plains Council, Boy Scouts of America, will be one of the Garza County adult scout leaders attending the jamboree.

The local scout's trip to the jamboree will be an award of John Miller Post 6797, VFW.

Taxable Property May Be Rendered

Property owners are reminded this week by W. B. Haynie, deputy county tax assessor-collector, of the importance of coming by the tax office and rendering their property for the 1953 tax rolls, which are to be completed by May 1.

The deputy said he would be out in the county after April 1 making calls for property renditions, but that only one call would be made at each place.

Property owners who are not sure of being at home when the tax official calls and others wishing to render their property at this time are asked to do so at the tax office.

Soloists Certified For Regional Meet

All nine Post High School band soloists were certified for the Region I Texas Interscholastic League Music Meet in Class AA tryouts held Saturday at Levelland, Director Bob Robbins reports.

Post soloists competing were: Lajuan Davis, oboe; Tommy Mayfield and Lexa Acker, clarinets; Carolyn Winkler, alto saxophone; Gene Young, cornet; Kenneth Mills and Bobby Dunlap, French horns; Jerry Bowen, baritone horn, and Freda Kennedy, twirling.

Four of the band members, Mayfield and Young and Misses Davis and Kennedy, competed as soloists in last year's regional meet.

The Post band director reported that approximately 200 students were at Levelland for the Class AA and Class B tryouts, which were held throughout most of the day.

The visiting band directors conducted the tryouts, with Robbins being in charge of a group of cornetists.

Two Post Girls, One Boy Selected On All-District 5-AA Basketball Teams

Two members of the Post High School girls' basketball team and one member of the boys' team were named to the All-District 5-AA team at a meeting of coaches in Floydada.

Post girls named all-district were Pearl Craig, forward, and Mary Jo Williams, guard.

Darrell Stone was the member of the Antelope five named to the all-district team.

Other members of the all-district girls' team are Deanie Edwards, Tahoka, and Frances Wilson, Spur, forwards, and Nancy Pritchett and Wanda Cunningham, both of Spur, guards.

Besides Stone, members of the all-district boys' team are Morgan Howie of Tahoka, R. H. Thompson of Slaton and Joe Bell and Curtis Blair, both of Spur.

Honorable mention for the girls' team went to Tommie Williams of Post, Barbara Sharp of Spur, Jane Shepherd of Tahoka, Sue Corley and Duffy Austin of Spur.

Receiving honorable mention for the boys' team were Pete Hays of Post, Darrell Wiley of Slaton, Richard Havens of Tahoka and Cook of Spur.

Rites Conducted For Sister Of Post Man

Funeral services for Mrs. Pauline E. Stracener, 46, who died at her home in the Harmony community, near O'Donnell, Monday, following a long illness, were held at 3 p. m. Tuesday at the First Baptist Church in O'Donnell.

Mrs. Stracener was a sister of Olin Harper of Post.

Other survivors are her husband, a daughter, her parents, Mr. and Mrs. Claude Harper of Tahoka; three sisters, and two other brothers.

Mr. and Mrs. Olin Harper and Mrs. Harper's father, Loyd Edwards, all of Post, were among those attending the funeral services.

Burial was in Lamesa Memorial Park.

Car Registrations Short Of Halfway

Although only 11 office days remain until the April 1 deadline, less than one-third of Garza County's automobiles had been registered for 1953 up to Wednesday, it was reported at the office of Carl Cederholm, county tax assessor-collector.

Records at the office showed that only about 700 of the county's approximately 2,200 passenger cars had been registered.

Owners of motor vehicles are urged not to wait until the last minute to register their automobiles or trucks. Long lines of late purchasers double the work at the tax office and make it more inconvenient for the tag purchasers, it was pointed out.

Owners of motor vehicles are warned that law enforcement agencies will start picking up offenders April 2. Offenders are those driving with old plates after the deadline.

Those applying for vehicle registration are asked to bring along their certificate of title and 1952 registration receipt.

Mailing Instructions To Business Firms On Dealing With Check Law Offenders

Letters outlining procedures for merchants to take in dealing with bad check offenders, from

both the prosecution and collection angles, are being mailed this week from the office of County Attorney Pat N. Walker.

Walker said one of the letters would be mailed every business and professional firm in Post. The letter contains instructions which if followed, will enable bad check victims to deal effectively with offenders in collection of funds given for "hot" or "cold" checks, or in prosecution of the offender, Walker said.

The letter also calls attention to a ruling which makes it a misdemeanor for the complaining witness in a bad check case to suggest that charges be dropped after filing of complaint.

The county attorney adds that neither he nor any other county official is empowered to act as collecting agencies for firms victimized by check law offenders. "In fact," he said, "the law specifically prohibits it."

Samuel Adams planned the Boston Tea Party.

Buying Maintainer For Precinct Two

Purchase of a road maintainer for commissioner precinct 2 was authorized recently at a regular meeting of the Garza County commissioners' court. The equipment is to be purchased from Morton Equipment Co. of Abilene, with the precinct's old maintainer being traded in as part payment for the new one.

The commissioner's court is receiving bids until 10 a. m. March 21 for the purchase of a new tandem drive, diesel-powered motor grader, with complete equipment. One used motor grader is to be traded in as part payment.

Routine business took up most of the commissioner's court's time at last week's meeting. County Judge Oscar Graham reported.

My wife and I have been back in our home town in business for five years this month. We are very happy and very proud to be accepted in this community and wish to express our sincere thanks to our friends for making our business what it has been, a success from the start. We still can't hold our head up compared to those "big old drug stores in Tahoka and Lubbock", but we want you to know that we will honestly endeavor in the future to give you the best if not the biggest drug store service in the state of Texas.

Respectfully yours,

Stop Light Runners Are Issued Warning

Complaints of motorists driving through the traffic light in front of the grade school building while the signal is on red continue to pile up at the office of County Attorney Pat Walker, he reported Tuesday.

Walker said the custom has been to warn offending drivers with "letters of courtesy," but that it will become necessary to adopt sterner measures if the violations continue.

The traffic light signal is controlled by a push button on a pole in front of the school and is green for go, except when pupils are crossing the street, at which time members of the school's junior safety patrol push the button to flash the red signal for motorists to stop.

The county attorney said members of the patrol copy license numbers of automobiles driven through the stop signal and report them to his office.

"If these complaints continue to be called to my attention," said Walker, "it is going to become necessary, for the sake of safety, to do something about it besides write courteous letters to the offenders."

Garza Memorial Baby Receives Ring, Shoes

Lucky are the babies born in Garza Memorial Hospital these days. Each youngster born in the hospital receives a gold baby ring from Dodson's Jewelry and a pair of baby shoes from Haws Friendly Shoes. And the baby's mother receives a lovely corsage from Bill DeWalt-Flowers.

Hospital authorities announced this week that these gifts are available to each baby born in the county hospital.

42 Attend Safety Meeting Monday

Ed Love, safety director of Southern Division, Southwestern Public Service Company, Lubbock, spoke on accident prevention Monday afternoon at a safety meeting for employees of local oil companies at the City Hall.

Forty-two men attended the meeting, which was held from 3 until 4 p. m. A safe driving film was shown following Love's talk.

T. E. Hibbs, manager of the Southwestern Public Service Company here, introduced the speaker. Doughnuts and cold drinks were served by the company.

The next meeting will be held April 20, with the Lenonie Oil Company in charge of the program.

THE GREATEST BUICK

68 GREAT YEARS

You can boss a Buick for less than you think

LES SHORT BUICK CO.

605 N. BROADWAY TELEPHONE 224

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM.

MAYBE you didn't know just how easy it is to own a new Buick. So in the showroom we display our prices—and proudly. Proudly—because the price of any new Buick buys a lot more automobile, a lot more comfort, a lot more room and power and thrill than the same money buys elsewhere. Nothing will prove this more emphatically, of course, than your own comparisons. So we invite you to start comparing. Compare power and performance. In these Golden Anniversary beauties, you'll find more lift and soaring thrill—from the highest horsepowers and compression ratios.

Series for Series, in all Buick history—and from the infinite smoothness and dazzling getaway of the new Twin-Turbine Dynaflow Drive.* Compare room, comfort, handling ease. Every 1953 Buick has room to spare. Every one has the Million Dollar Ride with still softer all-coil-spring cushioning. Every one has easier steering and better balance. Compare any other feature—style, smartness, luxurious finish—plus what you get for what you pay—and we honestly believe you'll soon be bossing a Buick, for keeps. Come in and try one of these great cars—out on the road, where the story is told best—and let the thrills and values speak for themselves. *Standard on Roadmaster, optional at extra cost on other Series.
