## COUNTY COMMITTEE TO BE ELECTED—

### PMA Convention Is Friday

A Garza County Production and Marketing Administration committee will be elected Friday morning at the annual county PMA convention at the PMA office here.

Delegates and alternate delegates to the convention were elected Saturday in community PMA elections. Also elected were community committees for the new year.

A total of 240 votes were cast in Saturday's election most of the ballots coming in by mail throughout the week, it was reported at the PMA office.

The present county PMA com-

mittee is composed of Claude E. Spence, chairman; Julius C. Fumagalli, vice chairman, and Glenn M. Davis, regular member.

Delegates and alternate delegates named in the election are: Community "A"—Henry J. Edwards, delegate; Carlton R. Lancaster, alternate.

Community "B"—George Carpenter, delegate; Quanaah R. Maxey, alternate.

Community "C"—Bruce A. Tyler, delegate; Novis N. Rogers, alternate.

In the community committee elections Saturday, Weldon R.

McGehee was elected chairman in Community "A", comprising the Southland and Pleasant Valley areas. He has been serving as a member of the committee. Clark Barton was elected vice chairman, and Hansel D. Hallman, member. Barton is a new member of the committee, replacing Horace B. Wheeler, who had served as chairman. Hallman has been vice chairman. Herman R. Dabbs was chosen first alternate member, and Otto Klaus, second alternate member.

In Community "B" (Close City) See PMA MEETING, Page 8

### Series Trades Days To Begin Here Sept. 19

Plans for the Appreciation Days program to be held in Post were completed Friday night at a meeting of representatives of 16 of the 36 firms who have subscribed to the program. The meeting, called by the Post Chamber of Commerce, was held at the City Hall.

The group voted to hold the first Appreciation Day at 3 p. m. Saturday, Sept. 19, and to hold one of the programs at the same time each Saturday thereafter for the duration of the program.

The Appreciation Day event, being held to stimulate trading at home, will be held on the city's Main Street, at a different site each Saturday.

At Friday night's meeting, Ralph Kirkpatrick was elected chairman of the program, and Homer McCrary was named assistant chairman. A steering committee composed of three members will take charge of each month's program—four in all. A new steering committee will be elected for each month.

The Chamber of Commerce agreed to sponsor the program following a meeting here a few weeks ago with a representative of the National Trades Day Association. Thirty-six subscribers, all except 13 of them member firms of the Chamber of Commerce, were signed up following the first meeting.

### Garza County's Schools Set For Opening Of New Term

D. C. ARTHUR

CHANT D. LEE

School doors will swing wide Monday in Garza County's seven school districts for the first day of the 1953-54 term.

Pre-registration for high school students will be held in Post today and tomorrow, with classwork scheduled to begin Monday.

At Southland, the county's only other high school, pre-registration will be held Monday, with classes beginning the following day.

Grade school pupils in Post will register on the first day of school.

This week's registration schedule for Post High School students is as follows:

Seniors and juniors, 10 a. m. until noon, Thursday; sophomores, 1 p. m. until 3 p. m. Thursday; freshmen, 9 a. m. until noon Friday, and eighth graders, 1 p. m. until 3 p. m. Friday.

A high school faculty meeting was held here at 8 o'clock this morning in preparation for the registration of students.

Everything is in readiness at all schools for opening of the new term, it was reported Tuesday at the office of Dean A. Robinson, county superintendent of schools.

Facilities are complete for all schools. The Post faculty list appeared in last week's Dispatch, and the Southland teacher list may be found elsewhere in this issue. Teachers at the other schools will be as follows:

Garnolia—Mr. and Mrs. A. T. Nixon.

Graham—S. E. Brightwell, Mrs. Mary Lee Wristen, Mrs. Bob Lusk.

Justiceburg—Mrs. V. A. Lob-

See COUNTY SCHOOLS, Page 8

### Meter Deposit Checks Due In October Mails

Post and other Garza County customers of the West Texas Gas Co. will begin receiving meter deposit checks in October, it was announced this week by C. I. Wall of Lubbock, company president.

The company has already begun distribution of approximately \$1 million to residents of the Panhandle-Plains area. Wall said. All meter deposits are being returned to the company's 85,000 customers.

Mailing of checks, started the early part of August, was being completed this week in the northern tier of counties served by the company.

The company has been paying six per cent interest on the deposits. It can now borrow money at lower interest rates than it is paying on the deposits. The average check to be mailed to each customer will approximate \$10.40, including interest through August.

Customers of the company in See METER DEPOSITS, Page 8

### Water Pipe Laying Job Is Under Way

R. B. Hodgson & Co., Lubbock contractors, this week began laying new water pipe just southeast of the business district as part of a 13-block project for which they were recently awarded the contract by the Post City commission.

The new pipe, tying in with an eight-inch line, will go east of the railroad and highway, passing the Postex Mill, and then turn south to tie back into a six-inch line now serving the mill.

Following completion of these five blocks, the contractors will begin laying eight blocks of new pipe from the master meter west of town to a point south of the City Hall.

The Lubbock contractor was awarded the job on a bid of \$33,738.40.

### Jail Sentence Meted Out On Pistol Carrying Charge

Clyde McCain, Post Negro, was sentenced to one year in jail Tuesday after being found guilty of a pistol carrying charge by a Garza County court jury.

In other cases this week, an instructed verdict in favor of the defendant was returned in the case of L. C. Frazier on a liquor law violation charge, and Jack Long was fined \$100 after being found guilty of unlawful transportation of alcoholic beverages.

County Attorney Pat N. Walker said a charge of aggravated assault against McCain probab-

ly would be dismissed. The assault charge and the pistol carrying charge were filed against McCain Aug. 16 following his arrest in the "flats" early that morning.

In the assault charge, he is accused of shooting Gonzales Odom, another Negro, in the leg.

The instructed verdict in the Frazier case came during Monday's opening session of court, with Judge Oscar Graham on the bench. Long's hearing was held Tuesday morning.

Court was recessed Wednesday, but was resumed this morning. Cases remaining on the docket are those of Fannie Daugherty and M. C. West, both charged with liquor law violations.

Juries in the three cases already heard were:

Frazier—Lewis E. Pierce, Barney Jones, Floy Richardson, I. L. Chandler, L. P. Kennedy, Jr. and Ted Hibbs.

Long—Truett Fry, Jones, Thurman Maddox, Richardson, Chandler and Price.

McCain—M. T. Nash, Price, Wesley Northcutt, Fry, Jones and Richardson.

### Post Skeet Club Is Organized In City

Organization of a Post Skeet Club was completed this week with nearly forty members enrolled, and plans were announced for incorporation as a non-profit sharing organization within the near future.

Officers of the club are: Oscar Garner, president; Julius Stelzer, secretary; Bill Edwards, supply man, and B. E. Wood and Andy Stelzer, maintenance men.

The club has purchased a 23-acre site two miles north of town on the Rails road for a skeet range. One target building has already been constructed, and equipment for the range was ordered Wednesday.

### Jaycees Expecting New Tape Supply

Members of the Post Junior Chamber of Commerce discussed their safety reflector tape and lawn reflector projects at a meeting last Thursday night.

Percy Parsons, treasurer, announced that the Jaycees hope to have a supply of the auto reflector tape on hand for sale during the Garza County Fair on Sept. 11 and 12.

The Jaycees sold out of the small amount of tape they had on hand during the chest X-ray survey here Aug. 7.

The lawn reflector-type sign project is waiting on completion of the city's current re-mapping project. Jack Lancaster is chairman of the Jaycees' sign program.

### Car Leaves Road; Rams Into Fence

A Floydada couple escaped serious injury Friday morning when they were thrown from their automobile after it had left the road and crashed through a fence four and one-half miles south of Post on the Snyder highway.

The couple, Mr. and Mrs. Gene Johnson, spent the night in Post after being treated for minor injuries at Garza Memorial Hospital.

Johnson lost control of the automobile while trying to close a door which had swung open. The car plowed through the fence after going off a steep embankment. They were driving toward Post at the time of the accident.

### Southland Schools To Open Tuesday

Pre-registration for Southland school students will be held Monday, Aug. 31, with classes getting under way the following day. Supt. F. W. Calloway has announced. School lunches will not be served until Tuesday.

Calloway, who is beginning his fourth year as head of the Southland schools, has announced the following faculty list for the new term:

C. H. Spears, high school principal and coach; J. L. Swindle, high school mathematics and commercial subjects; Mrs. June Karl Cayton of Lamesa and the case is now in his hands, Pat N. Walker, Garza County attorney, said Wednesday.

### District Attorney Gets Assault Case

The charges were filed after the youths, 17 and 19 years old, admitted to Walker in a signed statement that they criminally assaulted a 29-year-old Post woman at the rodeo grounds the night of Aug. 15.

The two have been released under \$1,000 bonds pending action by a 106th District Court grand jury, which convenes here Sept. 21.

The youths implicated three others in their statements, but no other arrests had been made up to the time the case was turned over to the district attorney, Walker said.

### Post Rotarians To Hear Talk On TV

Jim Black, program director of station KCBQ-TV in Lubbock, will be principal speaker Tuesday, Sept. 1, at the Post Rotary Club's regular weekly luncheon.

Black will tell local Rotarians the story of television. With him will be Frank Lee, chief engineer at the station, who will answer technical questions about TV asked by the Rotarians.

Black, an Air Force veteran of World War II, recently returned to Lubbock after having seen duty in Korea as a correspondent, and at the Pentagon in Washington. He was recalled to duty as a member of the Air Corps Reserve.

Following his discharge after World War II, Black was employed by radio station KCBQ until being recalled to active duty. He was in Korea during the early part of the conflict there.

Ted Hibbs and Ira L. Duckworth are Rotary Club program chairmen.

## 'FRAID HOLES' MAY BE A-BOMB SHELTERS—

### They're Always A Place To Go

A-BOMB SHELTER—Mrs. W. T. Bullock is shown at the door of the storm cellar at her home here. The Federal Civil Defense Association says such cellars may be effective shelters in case of atomic bomb attacks.—(Staff Photo.)

If you're thinking about tearing down that old storm cellar, you'd better stop and think again... it's an A-bomb shelter now.

The Federal Civil Defense Association says that old storm cellar out at the back of the house is one of the safest types of atomic bombing shelters. It's away from falling debris and flying glass and usually is protected from atomic radiation by three feet of earth.

Post has plenty of storm cellar, and they weren't all built back in the old days. Typical of those built in recent years is the one at the rear of the home of Mr. and Mrs. W. T. Bullock, who live at 5 East 11th Street, just east of the Lubbock Highway.

Mrs. Bullock didn't seem too impressed when told what the Federal Civil Defense Association thought about storm cellars as bomb shelters. "I don't know about that, but we put our cellar to good use every time a bad cloud comes up," she said.

See STORM CELLAR, Page 8

### Slate Get-Together For Grid Parents

An informal get-together of parents of members of this season's Post Antelope football squad will be held at 7:30 p. m. Monday, Aug. 31, at the school lunch room.

V. F. "Bing" Bingham, high school coach, said he wishes to extend a personal invitation to all football players' parents to attend the affair.

Practice for this season's squad is slated to get under way on Tuesday, with physical checkups for each player to be held before opening of the fall drills.

The Antelopes open their season Sept. 11 at Falls. The first home game is Sept. 18 with the O'Donnell Eagles.

## J. D. KING FINDS HIMSELF WITH NEW DUTIES—

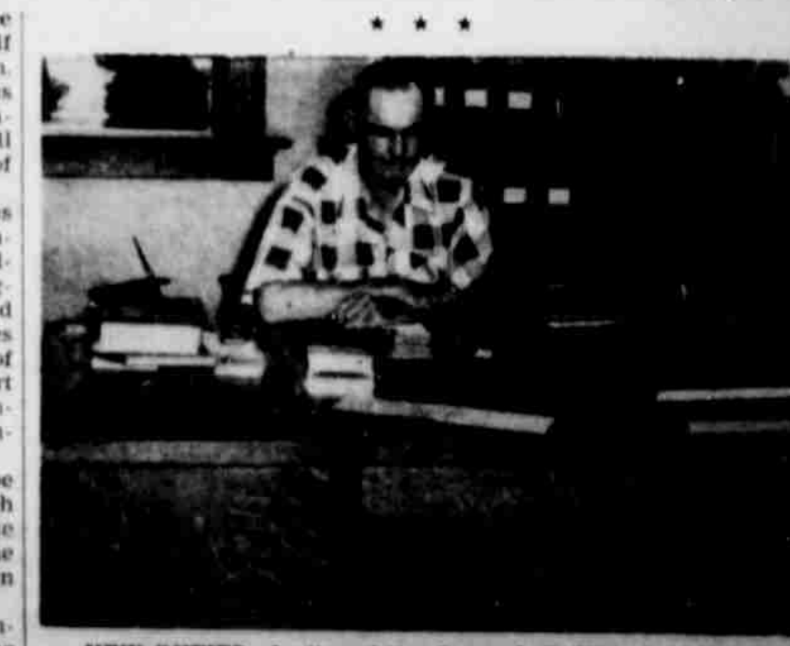

### Small Claims Court Set Up

J. D. King, justice of the peace here since 1947, finds himself this week with new jurisdiction. It is over the new "small claims court," which goes into operation as a result of House Bill 495, passed at the last session of the Legislature.

The object of the small claims court is to provide an inexpensive recourse at law for the collection of small debts and wages. Small debts, money owed claimant up to \$50, and wages up to \$100 will be taken care of by the court. The new court will be resorted to by commercial loan or collection agencies.

Action in the court will be brought in the precinct in which the defendant resides, unless the defendant is hired to do some job in a particular county. Then the action takes place there.

Action is started by the claimant, the one trying to collect the money, when he files a statement of his claim under oath with the judge. Then the judge

NEW DUTIES—Justice of the Peace J. D. King has jurisdiction over the new "small claims court," which became effective this week for collection of small debts and wages up to \$100. The court was established by an act of the State Legislature.—(Staff Photo.)

### Thursday to Thursday

By CHARLES DIDWAY

With the exception of pre-registration Thursday and Friday and opening of the 1953-54 school term Monday, August will make its exit rather quietly after having been one of the busiest—as well as the "wettest"—months of the year.

None can deny that the month was a momentous one for Post and Garza County when he thinks back over the past few weeks, which brought the mass chest X-Ray survey, the sixth annual Southwestern Championship Junior Rodeo, the fifth annual Garza County Quarter Horse Show, and the special county elections—just to mention the more important events.

September, the first day of which is Tuesday, will see school activities, including opening of the football season, holding the spotlight. The month's biggest event will be the Lions Club-sponsored Garza County Fair on Sept. 11 and 12.

September will also bring us one month nearer the October membership drive for the Garza Town Hall Concert Association, for which the groundwork was laid at a meeting several weeks ago. Only a temporary organization was formed at the meeting, but the project is expected to become a full-fledged one just before the membership drive begins.

The nearness of the new school term brings the following poem from a reader who says she didn't write it, but would like to see it published:

#### MY BABY HAS STARTED TO SCHOOL

I stand at the door on a September day  
And watch as she goes through the gate.  
I answer the wave of the little brown hand  
That clutches the tablet and slate.  
A primer is pressed to the fast beating heart  
With a pencil, eraser and rule.  
I am only a mother, so pardon my tear,  
My baby has started to school.

So often I've stood by the cradle at dawn  
And again in the darkness of night;  
So often I've prayed to the Father of all  
For strength to train her aright;  
And now as she marches along with the rest,  
To learn by example and rule,  
I go to my work with an ache in my heart,  
My baby has started to school.

No, I would not stop one moment of time;  
The tried ways of nature are best.  
My baby must lose all her innocent ways  
And become worldly wise like the rest;  
Must prepare for the time when her mother  
is gone,  
And into the throng she is hurled;  
But, I'm only a mother, so pardon my tears,  
My baby has gone out into the world.

—Eunice Elmore Heizer

Mr. and Mrs. A. M. Jackson of Slaton, former publishers of the Slaton Slatonite, called at the Dispatch office Friday morning, and were mighty welcome visitors. It was the first time "Jack" had been down to Post since being able to get around following a serious illness. He sold his newspaper last May to Francis and Richard Perry, but still lives in Slaton. "Jack" owns a farm near Southland.

We've just talked to a fellow who spent

#### Roger W. Babson Writes This Week

### Amount Of Life Insurance Taken Out Should Depend Partly Upon Trend In Dollar's Value

GLoucester, Mass.—I believe in life insurance at all times, the same as I believe in fire insurance at all times. As, however, the amount of fire insurance taken out should depend partly on the cost of replacement, so the amount of life insurance which you take out should depend partly upon the trend in the value of the dollar.

#### Value Of Dollar Been Declining

Ordinarily, when experts agree that the dollar will decline in value for the next 20 years, you would not buy so much 20 Payment Life Insurance as if they agreed it would increase in value during the next 20 years. In the first case, you are paying out good dollars as premiums, while your wife may get poor dollars when you die—although she then would be much better off than if she got no dollars! In the second case, you are paying out poor dollars as premiums with the hope your wife will get good dollars when you die. To illustrate how much of a factor this change is, the value of our dollar was 100 cents in 1939; it declined to 52 cents in 1952 and then started climbing back again. Considering that the people of the United States hold life insurance policies totalling over \$275 billions, this decline in the value of our dollar has cost Americans many billions of dollars.

#### Reasons For Declining Dollar

There are various reasons why the dollar declined in value during the past twenty years. The primary one was that owing to war and preparation for war we did not balance our national budget but issued billions of paper money to make up the deficit. Any banker will accept your note at par if you have all your bills paid, a good job, and money in the bank. If, however, you can't pay your bills and are constantly giving out more notes, then these notes are accepted only at a discount, and the more notes you issue, the bigger the discount you must give in order to have them accepted.

Another reason for a declining dollar is when anyone accepts wages, interest, or pro-

### DEMOCRACY IN ACTION...

Monday marks the opening of another school year, and several hundred Garza County students and teachers will be trekking back to the classrooms to further perpetuate one of the nation's most solid institutions—the public school.

During the ensuing nine months, the rest of us will have an opportunity of seeing democracy in action by following the progress of our schools. We can make the nine-month term a more enjoyable and more beneficial one for both student and teacher by taking a first-hand interest in what's going on. At the same time, we'll be broadening our own lives.

From the time the football season opens on Sept. 11 until commencement exercises are held in May, there will be any number of school activities meriting our attention. By showing an interest in them and attending those open to the general public, we'll be contributing to the over-all success of the 1953-54 school term.

One of the best ways to show the students, the teachers and ourselves that we are interested in what goes on at school is to become a member of and take an active part in the Parent-Teacher Association. This organization has grown into one of the largest and most active in the nation. It enables the teacher and the parent to meet on a common ground for the student's benefit. Wherever there's a school, there's a P. T. A. Some are large, some small—their size depends upon the interest the citizens take in their schools.

### END OF AN ERA

The action of the Senate Finance Committee in refusing, by a vote of 11 to 4, to approve raising the federal debt limit, in spite of urgent requests by the President and other top Administration officials, indicates the present temper of national thinking.

Without going into the pros and cons involved in this specific question, it is obvious that the American people want and demand vigorous economy in government, and Congress, naturally, has begun to reflect that attitude. The era when the taxpayers would accept unbridled spending with hardly a complaint has come to an end.

his vacation in Arizona and attended one of the Navajo rodeos. He says that a Navajo rodeo really turns out the population. A wagon encampment moves to each as the families make it a celebration that eventually includes a night-long squaw dance and other activities.

At least one community plans a rodeo each weekend. Often as many as three will stage them at once. When a contestant fails to throw his calf, a light-hearted spectator will usually leap into the arena and toss the critter. The rodeos have all the regular events, but sidelights peculiar to the Indian shows set the crowds to whooping. Such an event is the wild mule saddling, in which three men teams try to manage six mules captured from the range.

Lots of white people turn up at the Navajo rodeos, where they're always welcome. The language barrier isn't great. In fact, one word—"Ya ta heh"—will make an outsider one of the crowd. It means "hello" and "how are you?" It also means "great show." And it means a good time, according to our informant.

### Getting Out On The Limb

by EDDIE the editor

**THE WOMEN, GOD LOVE 'EM**  
—When a woman buys a coat she says, "Wrap it up, I'll take it home." When she buys a car she says, "I'll take it home and wrap it up."

Playmate to obviously mischievous small boy: "What are you going to be, Dennis, if the neighbors let you grow up?"

It isn't what young girls know that bothers parents. It's how they found out.

"Twon't be long now until the football season will be here and practically every college in the land will make the headlines, regardless of their academic standing. Even the most mediocre school will get columns of publicity if it can manage to schedule one of the better-known institutions of higher learning and get trampled on the grid iron.

One of the more fascinating aspects of following the fortunes of the football fanatics is that of pondering over the nicknames of some of the teams. Without going out of the state of Texas, we find Longhorns, Bears, Owls, Horned Frogs, Mustangs, Cowboys, Red Raiders, Buffaloes, and what not!

Speaking of Indians—that's the nickname of the McMurry College football team—I received this week a news release from Preston Clark at McMurry on the Indian tradition. It's a cleverly done piece; so clever, in fact, that I am passing it on to my readers, to-wit:

McMurry College, the four-year liberal arts Methodist institution established in Abilene back in 1923, is a school of Indian tradition.

The McMurry campus is widely known as the "Reservation," to which a new generation of "Indians" come and go every four years. The "Wah Wah-tay-see" (fiery) hostess and service club for women students was organized at McMurry in 1926.

In Texas Conference athletic circles, McMurry teams are better known as "Redskins," "Braves," or "The Tribe." "Smoke signals" from the "Indian Camp" take the form of "The War Whoop," student weekly newspaper; the "Totem," student yearbook, and the "Galleon," bi-annual magazine.

Each fall finds many old "warriors," "squaws," and "papposes"—exes, alumni, and their kiddos—returning to the "Reservation" for the annual "Council Fire"—homecoming. In November, an "Indian village" will be constructed on the McMurry campus, with a large center "wigwam" encircled by the "teepees" of the various college clubs and organizations. A "Chief McMurry" and a "Reservation Princess," chosen by popular vote of their classmates, will reign over the autumnal festivities. The "Council Fire" never goes out, and the "tom-tom" will throb without ceasing until the opening kickoff in the football battle between the McMurry Indians and Howard Payne College on Nov. 15.

And the "war cry" from the "braves" and "maidens" in the stands will be—"Scalp those Yellowjackets!"

If we can believe the papers—the guy who marries Marilyn Monroe will be the only fellow in the world who can walk into the bathroom without finding underwear hanging up to dry.

This is supposed to be a true story. Can any of the old-timers tell us just where it occurred?

During the early 1900's, a troupe of Shakespearean actors wandered into a small West Texas town and gave a regular performance of "Julius Caesar." At its conclusion the audience lustily roared for the author. Unable to convince the crowd that the author was not with them, the manager of the troupe hastily donned a fake beard, walked to the center of the stage to take a bow.

The audience, standing as a body, filled him with lead. (Was it at Slaton or at Tahoka?)

One good turn usually takes off all the covers.

They're keeping track of us in Washington. In the Commerce Department lobby is a huge speedometer-like device that records the steady climb of the nation's population.

The figure 160,000,000 appeared on the contraction the other day. It is figured that the U. S. will have 190 million people by 1975 and 200 million by the year 2,000—barring unforeseen disasters.

In the light of those estimates, the question of conserving the nation's natural resources to get the greatest possible benefit draws considerable attention.

One of the most thought-provoking statements made on the subject is that of Rep. Lloyd M. Bentsen, Jr., of McAllen, Tex., who said: "We must recognize

### THE AMERICAN WAY

But, Economy Begins at Home!

### Our Contemporaries Are Saying:

#### Swings Into Action

Joe Bradshaw went into fast action recently when his dog ate poisoned meat thrown into their yard at their residence in the Vineyard Addition. He called an animal hospital in Lubbock for advice, followed it and saved his daughter's pet. See Joe for details on what to do if your dog is poisoned. About seven dogs in that general area of town have been poisoned in the past few weeks. —Abernathy Weekly Review.

#### Finally Caught One

Seems that Marshall Tabor down at Olton Farm Supply has given up on one of his and Don Spain's favorite games, Marshall and Don have always kidded with each other by snapping at flies. Last week Marshall caught one.—The Olton Enterprise.

#### Just Can't Be Beat

Have had my fingers crossed all season hoping that someone—just anyone—would beat out the Yankees and the Dodgers this year. Looks like I might as well relax and concentrate on football season though. Them boys just can't be beat.—The Slaton Slatonite.

#### For For Argument

Our neighborhood has gone to pieces. You can't imagine how many back-fence arguments have started since our neighbor brought home a Cadillac one day last week.—The County Wide News.

#### Worthwhile Project

One of the most worthwhile projects that got under way here last week is the Christian Rural Overseas Program which supplies both food and clothing to hungry people overseas. The group met at a breakfast session and selected a chairman of the drive. The group will be working for a total of 30 head of cattle or enough money to purchase this many cattle.—The Canyon News.

#### Rodeo Loses Money

Olney's sixth annual rodeo in July was staged at a financial loss, directors of the rodeo association were told in a called meeting Friday night. Treasurer Raymond Lunn told directors the deficit for the 1953 show was \$700. He said the ticket sales were off \$2,000 from the 1952 total. Though the opening night's performance was a sell-out, the crowds the next two nights were light due to rain and threatening skies. —The Olney Enterprise.

#### Lady Bugs Join Fight

Fred Vasek and Loll Young of the New Hope community are reported to be trying lady bugs in their fight against cotton boll worms. They got a quart or so from Lubbock and turned them loose in their fields. Worms are said to be bad in many localities and farmers are having to "hump" to keep ahead of them. The lady bugs eat the eggs but after the worms are hatched are of little help against the pests. —The Stamford American.

#### Where's The Speaker

Imagine the Chamber of Commerce losing its loudspeaker! Well, that's exactly what has

the problems which will confront us tomorrow if we are to be ready for the future. Every night when this Nation sets down to dinner about 7,200 more people need to be served than on the night before. No one wants smaller portions." If you'll pardon the pun, that's food for thought!

CHARLES DIDWAY  
E. A. WARREN

Entered at the Post Office at Post, Texas, for transmission through the mails as second class matter, according to Act of Congress, March 3, 1879.

Any erroneous reflection upon the character of any firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the manager.

### Remembering Yesteryears

#### Five Years Ago This Week

Jimmy Hundley has gone to Miami, Fla., where he accepted a position with National Airlines.  
S. E. Camp was elected commander of James C. Cole American Legion Post at a meeting Friday night at the Legion Hall.  
Mr. and Mrs. Lee Mason and Mr. and Mrs. Ben Brewer are vacationing in Colorado.

#### Ten Years Ago This Week

Cpls. Milburn and Wilburn Cash, who are in the Air Corps and stationed at Blythe, Calif., are visiting here.  
Mrs. Roxie Anna Brock, mother of Mrs. J. E. Parker, died at her daughter's home yesterday. The funeral will be this afternoon in the First Methodist Church.

#### Fifteen Years Ago This Week

Miss Frances Lee Duckworth was honored on her 18th birthday Wednesday with a breakfast at the Duckworth home.  
There will be a donkey ball game here Sat. 6 between members of the school faculty and a picked all-star team.  
A son, Keith Monroe, was born to Mr. and Mrs. Charlie Bird on Aug. 18. He weighed seven and one-half pounds.

# ans 'Friendliest People Anywhere,' st Woman Learns On Vacation Trip

WM. ROBINSON  
... are blessed with  
... Texas is blessed with  
... Texas people in the Uni-  
... sounds like Texas  
... but believe me—  
... my family and I,  
... foot aluminum tra-  
... eight days on an out-  
... seeing the sights  
... and Colorado. We  
... three days of our  
... in Glorietta, N. M., at  
... Assembly. After that  
... time seeing his  
... such as "Billy the  
... near Fort Sumner,  
... Park (also Car-  
... in Taos, the Indian  
... Taos, and many old  
... shrines. All this  
... but something was  
... we had left  
... apparently, we had  
... Texas. All the friend-  
... knew back home cer-  
... not in New Mexico,  
... stopped at a service  
... William gave his order  
... attendant in as  
... as possible, and as  
... censored ourselves to  
... a word we were only  
... cold glance. But Bro-  
... were bold enough to

raised in greeting. He wore moc-  
casins, levis, a blue shirt, and  
a strip of blue checked outing  
material around his hips, apron  
fashion. His glistening black  
hair, which was immaculately  
clean, was parted in the middle  
and braided. The Indian wore  
a towel around his neck.  
Soon other Indians came across  
the park. Several women were  
in the group. They all had tow-  
els around their necks to be used  
at the bath house for Indians  
which was located in the park.  
By the time the last Indian filed  
through the park, saluting us  
with a hearty greeting, I felt  
quite elated. As far as I am  
concerned the redskins and I are  
great pals now.  
Santa Fe was very interesting  
and beautiful with fascinating  
Spanish-styled homes. We enjoy-  
ed seeing the museum in the  
old Governor's Mansion. But I  
made the mistake of speaking to  
a lady I had never seen before.  
The way she drew away from me  
you would think I was a rattler  
ready to strike. Somewhat of-  
fended, I sought a mirror and  
found I looked much as the aver-  
age women there.  
We were almost completely  
through the museum, in a room  
full of old Indian relics when  
we stopped to view a petrified  
Indian baby. As we stood con-  
versing among ourselves and ex-  
plaining about the baby to our  
children I noticed a man stand-  
ing near us. His posture and never  
changing expression made me  
wonder if the man were petrif-  
ied, but suddenly he came alive  
and offered to explain the origin  
of the baby. This time it was  
I who withdrew because of shock  
at such friendliness.  
Alamosa, Colo., looks a great  
deal like Lubbock or Amarillo,  
but the people were unfriendly.  
Once or twice I mentioned the  
fact that I was from Texas and  
each time the person to whom  
I made the remark would flut-  
ter her eyelashes, purse her  
mouth and say, "Yes, I know." I  
knew my Texas brogue would  
give me away, but I didn't know  
Texas was sticking out all over  
me! You know, I got the idea  
they don't like Texans.  
However, we found the people  
in Salida, Colo., very friendly.  
In fact, as we walked down the  
street people were quick to in-  
quire about the drought in Tex-  
as. They had seen pictures of it  
on television.  
Monte Vista and Buena Vista  
were friendly small towns, but  
still I longed for sight of some-  
one from home.  
One morning William and I  
were cooking breakfast beside the  
Arkansas River near Buena Vis-  
ta when a car slid to an abrupt  
halt, engulfing us in a cloud of  
dust. A big blonde man, a wo-  
man, and a teen-age girl fell  
out of the car. "What part of  
Texas are you from?" The wo-  
man asked. I told her we were  
from Post and she said they were  
from San Antonio. "Boy, are we  
glad to see you!" she said. "We-  
've been dying to talk to some-  
body from Texas. These people  
up here don't make much con-  
versation." I suppose she could  
tell I was mighty anxious to  
talk to a Texan.  
They admired our trailer that  
William had built and exclaimed  
that we were really saving  
money traveling that way. They  
had been paying \$12 per day  
for a motel cabin in Buena Vis-  
ta. They found another cabin  
later in Salida for \$9. The Arkan-  
sas River, flowed by their back  
door.  
"We thought we were living  
the life of Riley, sitting on the  
back step fishing," said the man  
from Texas. "After we caught  
several fish the owner of the  
motel came out and informed us  
the fish would cost us ten  
cents an inch! We had \$4.10  
worth of fish for supper."  
The dishes were soon washed  
and packed away and we were  
off for a swim in the Hot Springs  
pool which is located on a ranch  
near Buena Vista. The water in  
the pool comes from out of a  
mountain already heated to a  
nice warm temperature. After  
a most enjoyable swim William  
and the girls were getting in the  
car, but I was detained when the  
manager of Hot Springs stopped  
me and told me a man from Tex-  
as was there and wanting to get  
a glimpse of a fellow Texan. I  
was talking to him when Wil-  
liam appeared with a grim look  
on his face, and pulled me out-  
side. "What are you waiting for?  
We are hot in that car!" he said.  
"But there's a man from Abi-  
lene in there!" I pleaded des-  
perately as William, like a cave-  
man, continued to drag me to  
the car.  
Denver greeted us with an  
overflow of traffic. People were  
going home from work, driving  
as if they had one minute left  
to go. Traffic always did make  
me nervous so when William  
asked, "What was it you wanted  
to see here?" I quickly answered,  
"Not a thing! Let's get out of  
here." On our way out we saw  
the State Capitol building and  
the Greek Theatre.

## Post Boy Attends First RA Congress

Bobby Dunlap of Post was  
among the 16 boys from District  
9 of the Baptist General Con-  
vention of Texas who were in  
Atlanta, Ga., last week for the  
first world-wide Royal Amba-  
sador Congress, held Tuesday,  
Wednesday and Thursday.

The District 9 delegation was  
accompanied by the Rev. John  
Rankin, pastor of the First Baptist  
Church at Amherst and dis-  
trict RA leader, and the Rev.  
Fred McPherson, pastor of the  
Southside Baptist Church in Lub-  
bock.

The group left Lubbock Sun-  
day afternoon, Aug. 16, on a bus  
they had rented from the Boy  
Scout troop of the Highland  
Baptist Church of Lubbock. They  
returned Sunday afternoon, Aug.  
23.

More than 5,000 boys regis-  
tered for the RA Congress, it was  
reported.

Royal Ambassadors is a mis-  
sionary organization for Southern  
Baptist boys 9 to 17 years of age.

Others in the District 9 group  
were: Karl Craig and Curtis  
Brasher, both of Plainview; Jim-  
my Strickland of Ropesville, Car-  
roll Whiteside of Hereford, Pal-

lion toothpicks stood on end,  
bunched together.  
We had not seen running wa-  
ter in such a long time that just  
to look at the silvery water, rush-  
ing swift and cold, was refresh-  
ing.

With hungry souls we drank in  
the beauty and the spirit of the  
mountains—the masterpiece of  
our Maker. If I were given the  
choice, I would take the Rocky  
Mountains in preference to our  
pitifully parched state, but I  
would choose the people of Tex-  
as every time.

## 'Pill Bag' Is Given Pioneer Physician

CENTERVILLE, Tex. (AP)—Dr.  
E. P. Powell of Centerville is 74  
years old, but he never refuses  
to answer a call, regardless of  
where or when it is, or how  
bad the weather is.

To show their appreciation,  
the people of Centerville presen-  
ted the doctor with a new "pill  
bag" recently when the chamber  
of commerce held its annual bar-  
becue.

"I've had some mighty nice  
bags in my life, but this surely  
is a nice one, too," Dr. Powell  
said. "The first one I ever had  
I hung on the horn of my sad-  
dle."

Dr. Powell has been making  
calls at Centerville for 46 years.  
In the crowd that gathered to  
pay tribute to him were grand-  
sons of the babies he has deliv-  
ered. In all, he has delivered  
more than double the 1950 cen-  
sus of 961 in the town of Cen-  
terville—more than 2,000.

"I just wanted to help the  
other fellow is about as good  
an explanation as to why I  
wanted to be a doctor," he said.

## HOODLUMS TRAP SAILORS

MANILA (AP)—Police recently  
rounded up seven dressed as wo-  
men in Luneta park in the heart  
of Manila. American sailors had  
complained they were robbed by  
these "seductive sirens" who of-  
ten turn out to be tough hood-  
lums.

Mer McGow of Itfield, Clay  
D. Wright, Connie Mack Clark  
and David Christian, all of Lev-  
elland; Wayne Wise of Brown-  
field, Jimmy Baltas of Good-  
land, Neilan Smith of Plainview,  
Lloyd Leasing, Dale Hood and  
David Fletcher, all of Lubbock,  
and Reed Harris of Wayland Col-  
lege, Plainview.

## THE FIRST STEP.....

baby takes his first step, parents watch, breath-  
less suspense. "First steps" are SO important, all  
a life. The first step toward financial indepen-  
dence, for instance. This generally means opening a  
savings account and setting up a regular program of de-  
positing money. Keeping ever-lastingly at it is equi-  
valent, of course. But, first you must START.  
Why not take that "first step" today?

## First National Bank

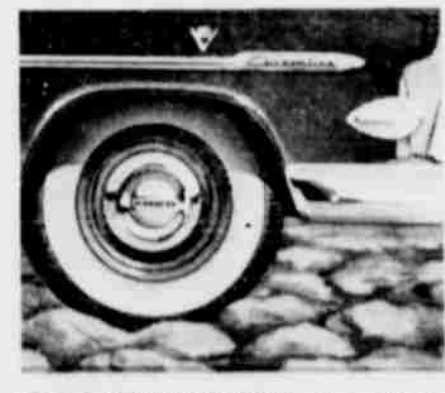

# Look what your FORD dollar buys!

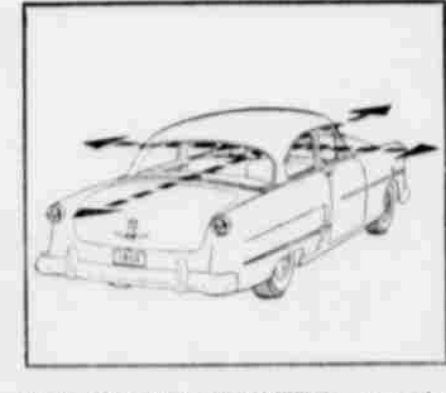

Check the features below against any car in the low-price field and you'll see why Ford's worth more when you buy it...worth more when you sell it.

**V-8 POWER** is yours in Ford—but not in other low-priced cars. It's the product of Ford's experience in building over 13,000,000 V-8's! Ford's high-compression, low-friction Mileage Maker Six with Overdrive, is the Economy Sweepstakes winner.

**ROAD-LEVELING RIDE** reduces front end road shock alone up to 80%. Wide front tread, diagonally-mounted shock absorbers take tilt out of turns. You'll discover in the '53 Ford that a car need not be excessively heavy to ride smooth as silk.

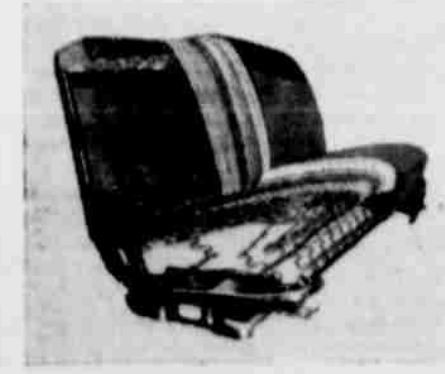

**FULL-CIRCLE VISIBILITY** is yours in Ford. With huge, curved, one-piece windshield, car-wide rear window and "picture Windows" all-around, Ford has more "look out" area than any car in the low-price field. I-REST tinted glass also available.

**ROOMY TRUNK** is one suitcase bigger... bigger than any other luggage compartment in Ford's field... bigger than you'll find in many of the expensive cars. With Ford's Center-Fill Fueling, there's no long gas-fill pipe to eat up your trunk space.

**SUSPENDED PEDALS** make braking and clutching easier... allow more clear floor space... eliminate dusty, drafty floor holes. This feature, exclusive to Ford in its field, permits dash-mounting of brake master cylinder for easy accessibility.

**FOAM-RUBBER CUSHIONS** over non-sag springs in Ford's sofa-wide seats make even long trips a treat. And you'll find that only Ford in the low-price field offers this fine-car feature as standard equipment on both front and rear seats in all models.

**FORDOMATIC DRIVE**—an optional extra—is really two automatic drives in one. It has a fluid torque converter for smooth, steady power flow. It has automatic gears for greater "get-up-and-go." Ford also offers you Overdrive and Conventional Drive.

**MASTER-GUIDE POWER STEERING**—an optional extra on V-8 models—gives you the natural "feel" of steering on the straight-away yet takes the work out of turning. Absorbs road shocks before they reach the steering wheel—adds to safety.

If you're interested in used cars, be sure to see our selections.

**Area Jaycees Hold Work Conference**

Jack Rex, president of the Post Junior Chamber of Commerce, was among the Jaycees from 11 West Texas towns who met in Lubbock last Thursday for a work conference of Regions 1 and 2 of the Texas Junior Chamber of Commerce.

Heading the out-of-town visitors were Walter Shaller, national director from Amarillo; R. G. Vaughn, vice president, Region 1, from Tulla, and Ray Andrews, vice president, Region 3, Big Spring.

During the three-hour afternoon session in the Caprock Hotel, the group discussed various projects and problems of the clubs in the area.

State Rep. Waggoner Carr spoke briefly, outlining the advantages of membership in the Jaycees and told of the business and leadership training that members receive.

Thursday night the members and their wives attended a dance at the Officers Club at Reese Air Force Base.

Towns represented at the meeting were Lubbock, Littlefield, Levelland, Morton, Post, Ralls, Borger, Amarillo, Tulla, Big Spring and Plainview.

Raymond Redman and Conoco station managers attended a Conoco meeting in Lubbock Tuesday night.

**First Meeting Is Set For School Singers**

A meeting of Post High School students interested in the a cappella choir, "The Choral-ettes," will be held during pre-registration for the new school term, according to John Christopher, high school music teacher and director of the choir.

Christopher said he would meet with the students in the high school auditorium after they had registered.

The choir made many appearances during the 1952-53 school term, including presentation of programs at a number of schools on the South Plains. It won a Division I rating at the regional choral contests in Plainview.

**Garza School Board To Meet Saturday**

A meeting of the Garza County School Board will be held Saturday morning in the office of Dean A. Robinson, county superintendent of schools.

The board is composed of H. F. Wheatley, chairman; Sam Ellis, E. E. Peel, Mrs. Doyle Justice and J. C. Farnagalli.

Dean A. Robinson, county school superintendent, and F. W. Calloway, superintendent of the Southland schools, were in Austin on business last week.

**New Application Should Be Made Each Time Drouth Feed Is Needed**

There is now a sufficient supply of cottonseed pellets and meal on hand to fulfill each farmer's and rancher's needs, according to Mike E. Custer, office manager of the Garza County Production and Marketing Administration.

"It is most important," Custer said, "that the farmer or rancher receiving this feed make a new application each time he receives a supply."

Custer said most of the applicants for drouth relief feed are under the impression that the PMA office will notify them when the feed is on hand and ready to be issued. The committee can do this only when an application has been made out for another supply of feed. It was explained.

**Rotary Club Hears Of Football Prospects**

Post High School's athletic program in general and the coming football season in particular were discussed by Coach V. F. "Bing" Bingham at Tuesday's Rotary Club luncheon.

Bingham discussed the football squad's prospects for the 1953 season, which opens Sept. 11.

O. D. Cardwell, membership chairman, briefly discussed the club's current attendance project.

Chant D. Lee presided for the first time as president of the club. Since installation of new officers early in July, D. C. Arthur had been serving as president in place of Lee, who was attending summer school at Hardin-Simmons University.

Popham, Kay McKinley of Lubbock, Mrs. Jewel Austin of Stamford and Mrs. Will Teaff.

need of feed at this time and have not received notice are asked to come by the PMA office and make application in order that they may receive the feed.

**Fairgrounds Site Is Visited By Lions**

Instead of a program at Tuesday night's meeting, members of the Post Lions Club went to the site where the Garza County Fair will be held Sept. 11-12 and made plans for cleaning the grounds and making a place for the concession stands.

The fair will be held at the City Warehouse, west of the Santa Fe railroad tracks. Club girls and women's exhibits will be housed in the warehouse, and the livestock, carnival and concessions will be on the grounds.

Members of the club are to meet at 6 o'clock this afternoon to work on the grounds.

**Rodeo Boosters Of Ralls Visit Post**

Post residents heard all about the 2nd Annual Ralls Jaycee Rodeo early Tuesday afternoon when a group from the Crosby County town "whooped it up" here for the event, which gets underway with a parade at 4 o'clock this afternoon.

The annual West Texas Old Settlers Reunion will be held on the first day of the rodeo.

A total of \$1,500 in prizes is being offered as two go-rounds and average money. Saddles will be given to the champion tie-down calf roper, team tying champion and bronc riding champion. Other events will include barrel race, wild mare

## Miss Goodall Weds Herby Shahan At Memphis First Baptist Church

Betty Ann Goodall, daughter of Mr. and Mrs. O. R. Goodall, Memphis, and Herbert Shahan, son of the Rev. Roy Shahan, were married Saturday evening in Memphis at the First Baptist Church.

The bride is a junior at the University and the bridegroom is a senior ministerial student. The Roy Shahans were accompanied to Memphis by Miss Davies and her mother, Mrs. Curtis Davies.

The Rev. Elridge Anders of Fort Worth and formerly of Post was guest speaker at Calvary Baptist Church Sunday evening.

## Miss Virgie Ammons To Marry Raymond Jenkins Here Friday

Mrs. Bettie Justice is announcing the engagement and approaching marriage of her daughter, Miss Virgie Ammons, to Raymond Jenkins, son of Mr. and Mrs. Howard Jenkins, of Tahoka.

The wedding will take place at 8 p. m. Friday, Aug. 28, in the Post Church of the Nazarene. Relatives and friends of the couple are being invited through the press.

## Taylor Reunion Is Held In Midland

Mrs. Dave Sims, Mrs. Wren Cross and O. B. Taylor and their four brothers, sisters and their families met in Cole Park in Midland Sunday for a reunion. Plans were made for a similar celebration next year.

Sixty-four relatives were present. Those attending from Post were Mr. and Mrs. O. B. Taylor and family, Mr. and Mrs. Alton Clary and Judy, Mr. and Mrs. Wren Cross, Mrs. Dave Sims, Mr. and Mrs. Marshall Tipton, Mr. and Mrs. Irvin Cross and Terry, Mr. and Mrs. Stanley Sims and children, Mr. and Mrs. Byron Taylor and daughters of Lubbock and Pearl Craig and Billy Murray of Garnolia, guests.

## Coffee Given For Sanders Family

Mr. and Mrs. W. B. Sanders and Madlyn, who are moving to Plainview, were honored with a farewell coffee in the M. J. Malouf home from 9 until 11 o'clock Wednesday morning.

Cohostesses were Mrs. R. M. Hendricks, Mrs. H. H. Bledsoe, and Mrs. H. J. Dietrich.

The family was presented a set of china as a farewell gift from their friends.

The serving table was covered with a Madeira cloth and was decorated with a large arrangement of roses, bachelor buttons and fern in a silver bowl, a smaller bouquet of red and white rosebuds in a silver bowl and pink, blue and yellow tapers in a three-pronged candelabrum of silver.

Mrs. Hendricks presided at the silver coffee service. Twenty-eight guests called.

## Church News

The Rev. Elridge Anders of Fort Worth and formerly of Post was guest speaker at Calvary Baptist Church Sunday evening.

The Rev. and Mrs. Charles Gates and sons, Don and Mark, returned home last Wednesday from a 10 day vacation in Colorado and New Mexico.

Albert and Lyda Odum, Pete Crispin and the Rev. Shelby Bishop attended the district brotherhood encampment at Plains Baptist Assembly grounds Monday.

A regular official board meeting was held at the First Methodist Church Wednesday evening.

Nine members were received by transfer of letter at First Baptist Church Sunday. They are Mr. and Mrs. W. C. Payne and Douglas, Jimmie and Glenda from Colorado City, Mr. and Mrs. Mike Lynch of Tatum, N. M., and Mrs. Mary E. Horton and Floye of Slaton.

Jennie Lou Redman Jane Ballentine, Don Gates and Don Dale are attending a "Know Your Job" Methodist camp at Ceta Canyon this week.

Roy Shahan, First Baptist pastor, will begin a revival at Roscoe Baptist Church tonight. Guest speaker for Sunday services will be the Rev. J. F. Nix. He was pastor of Clovis, N. M., First Baptist Church for several years.

"A Wise Forgetfulness" will be the Sunday morning subject at the Church of the Nazarene, pastor A. F. Duke has announced. His text will be taken from the following scripture: "Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling. It is God which worketh in you both to will and to do of his good pleasure." (Philippians 3: 12-13). The evening subject will be "Jeremiah Buys The Field Of Hanameel" from the following scripture: "And I bought the field of Hanameel my uncle's son, that was in Anathoth, and weighed him the money, even seventeen shekels of silver. And I subscribed the evidence and sealed it, and took witnesses, and weighed him the money in the balances." (Jeremiah 32:9-10).

Methodist Church School workers met Tuesday night at the church and heard an address by Mrs. Euel Crosby of Lubbock.

The following WSCS officers met at the Ted Hibbs home Wednesday morning and filed quarterly reports for the society. Coffee and ginger bread were served to Mesdames T. L. Jones, J. R. Durrett, J. A. Rogers, Charles Gates, H. H. Bledsoe, E. M. Mills, Noah Stone and T. R. Greenfield.

## Graham HD Club To Meet At Luncheon

The Graham Home Demonstration Club will meet Sept. 8 at the school luncheon with Mrs. James Stone acting as hostess.

All members are urged to attend and visitors are welcome.

## Needlecraft Club Meets Friday In Cockrell Home

Nineteen members and one visitor were present for a meeting of the Needlecraft Club in the home of Mrs. Vera Cockrell Friday afternoon. The group spent the afternoon embroidering.

Cake, ice cream and lemonade were served to Mrs. Bill Sanders, Mrs. J. R. Durrett, Mrs. Connie Caylor, Mrs. H. J. Dietrich, Mrs. T. R. Greenfield, Mrs. R. M. Hendricks, Mrs. T. L. Jones and Mrs. M. J. Malouf.

Also Mrs. H. H. Bledsoe, Mrs. Carl Clark, Mrs. Ida Robinson, Mrs. F. A. Gilley, Mrs. E. F. Schmedt, Mrs. Noah Stone, Mrs. Pat Walker, Mrs. George Samson, the hostess and a guest, Mrs. Hardie Smith, daughter of Mrs. Cockrell.

## Cafeteria Menus Listed For Week

The school lunch room will be open Monday, the first day of the 1953-54 term, Mrs. E. E. Pierce, supervisor, has announced.

Following are the first week's daily menus:

**Monday**—Pork and beans with crisp bacon, tomato and lettuce salad, whole grain corn, bread, milk, sliced peaches and cookies.

**Tuesday**—Vienna sausage, cubed cheese, potato salad, black-eyed peas, bread, milk, ice cream cups.

**Wednesday**—Salmon salad on lettuce, creamed potatoes, English peas, cantaloupe slices, milk, rolls and butter, lemon ice box pies.

**Thursday**—Lima bean casserole and wieners, cabbage slaw, glazed carrots, bread, milk, spice cake with butter frosting.

"We are sincerely hoping that

### Two Completions And Three Locations Highlight Garza County Oil Activity

Two completions and three locations highlight recent oil activity in Garza County, according to the Lubbock Avalanche-Journal.

One of the completions is Brown Brothers and others No. 1 City of Post, Unit 33, 195 feet from west and 362 feet from north lines of Section 1227, EL&RR Survey. It pumped 40.50 barrels of 36-gravity oil plus 20 per cent water daily. Gas-oil ratio was 250-1. Perforations from 3,061-3,081 feet were acidized with 6,000 gallons.

The other completion, a wildcat, was the Clifton Thomas and others No. 1 Honolulu-Sims, 2,460 feet from north and 2,309 feet from east lines of Section 1282, BS&F Survey. It pumped 144 barrels of 36-gravity oil plus 50 per cent water daily. Gas-oil ratio was nil. Perforations from 3,482-3,491.5 feet were acidized with 1,000 gallons.

The new locations were as follows:

Garza Alamo Corp. No. 6 W. A.

Gray, 330 feet from west and 2,196 feet from south lines of Section 1215, TTRR Survey, four miles northwest of Post, combination to 3,400 feet at once.

Wildcat—E. F. Cesinger No. 1 Mrs. I. N. McCrary, 330 feet from south lines of Section 79, Block 5, GH&HR Survey, 10 miles east of Post, rotary to 3,000 feet, at once.

### Physical Check-Up Said Essential For School Beginners

COLLEGE STATION, (Spl.)—Most parents are already thinking about school clothes for their children and getting supplies and equipment selected. Equally essential, is the physical check-up and emotional preparedness that mother and father can provide the young people.

According to Mrs. Eloise Johnson, family life education specialist for the Texas Agricultural Extension Service, the ready and anxious feeling children have about starting to school is good insurance for happy and successful school years. Children need complete physical examination by the family doctor if this has not been done within the past six months. Especially those children beginning school need dental examination and thorough eye, ear, nose and throat check as well as inspection of heart and lungs. Dental defects should be corrected even though they occur in the baby or milk teeth. An early examination may detect other ailments that require medical attention before school opens. In addition, children attending school for the first time must have small pox vaccination and diphtheria immunization.

Going to school is a big step in growing up and there will be many more happy first days if parents spend time in family preparation for this event. Wise parents help children understand what school is and what children do at school. A visit to the building before school starts, meeting a teacher, touring the school with its different rooms and the yard with its safe play area, and pointing out safe play habits can reassure the parents as well as the children.

Mrs. Johnson says more opportunities children have for making choices in selection of foods, clothes, and play, and assuming responsibility for health and safety habits, help build good foundations for this first big adventure in independence.

### Former Resident Of County Is Claimed

Funeral services for Mrs. Jessie L. Boyd, 71, former Garza County resident, who died at 11 a. m. Saturday in a Crosbyton hospital after an illness of about three weeks, were held at 4 p. m. Sunday in the Southland Methodist Church.

The Rev. Ennis Hill, a Baptist minister from Goldsmith, officiated. Burial was in the Southland Cemetery.

Mrs. Boyd was born in Forestburg and moved to Garza County in 1919. She and her husband moved to Crosby County in 1937.

Surviving are her husband, J. L. Boyd, of Crosbyton; a son, E. O. Boyd, of Crosbyton; two sisters, Mrs. Mary Ragland of Forest, Iowa, and Mrs. Joey Culver of Forestburg; and two grandchildren.

### Soldier Breaks Leg While Playing Ball

Staff Sgt. Clovis Tucker of Fairchild Air Force Base, Spokane, Wash., broke his right leg in two places between the knee and ankle recently while playing baseball, relatives here have been informed.

Sgt. Tucker is a former resident of Post. His wife is the daughter of Mr. and Mrs. John L. Wallace.

this will be our biggest turn-out of the year," said Phil Bouchier, president of the Post riding group.

### Bits Of News From Here and There

Mr. and Mrs. Alton Carr and daughter of Kermit, spent the weekend here with the B. E. Youngs and other friends. Beverly Young accompanied the visitors home.

Mrs. Gertrude Ward and Linda arrived home Thursday after a vacation in California. They were accompanied by Mr. and Mrs. W. S. Lawson and Sandra of Oakland.

Dr. and Mrs. W. A. Peddy of Lubbock were Sunday guests of the B. E. Young family.

Miss Charline Didway left Saturday for a visit with friends in Levelland.

Mr. and Mrs. Victor Hudman, "Sonny" Curtis and Joe spent the week in the Red River, N. M. area.

Enjoying the camping and fishing facilities at Christoval over the weekend were Mr. and Mrs. Glenn Norman and children and Mr. and Mrs. Carrol Bowen and little daughter.

Tommy and Anita Patty returned home last weekend after spending several days with their grandparents. Mr. and Mrs. H. L. Patty, and in Lubbock with the Billy Pattys and June Caffey. Mr. and Mrs. Billy Patty accompanied them to their Carlsbad, N. M. home.

Mr. and Mrs. John L. Wallace, Mr. and Mrs. Robert Lusk and son, Vernon, and Harley Wallace and family enjoyed a watermelon supper Friday night at the John L. Wallace home.

Mrs. John L. Wallace attended the Gossett and Crownover reunion in Amarillo recently, and visited a few days in Claude and Panhandle with relatives.

Recent guests of Mrs. Parsons were her son, and his family of Missouri. Parsons spent two weeks with her son earlier in the summer.

## Far more miles per gallon on the trips YOU take!

On long trips, short trips, all trips, you get far greater gas mileage out of a '53 Chevrolet. It offers important savings in everyday driving over everyday roads!

Out to the golf course. Off for a week-end of fishing. Half across the country on a full-scale vacation. Wherever you go—however you drive—you're going to get there on a lot less gasoline in a fine new Chevrolet.

The truth is, this year's Chevrolet owners are enjoying the most important gain in economy in Chevrolet history. Plus more power. Faster acceleration. More "steam" for the steep hills.

That's the beauty of Chevrolet's two great high-compression engines—the new 115-h.p. "Blue-Flame" engine in Powerglide\* models, and the advanced 108-h.p. "Thrifty-King" engine in gearshift models. They squeeze much more out of regular gasoline—more miles, more pleasure.

Along with this greater gas mileage, you get lower over-all upkeep costs. And Chevrolet is the lowest-priced line in its field. Drop in and let us show you how you'll be better off in every way with a 1953 Chevrolet!

\*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

**Rites Are Conducted For Southland Farmer**

Funeral services for Henry Theodore Breudigam, pioneer farmer, who died Wednesday at his home near Southland, were held at 3 p. m. Saturday at the Evangelical Lutheran Church in Slaton, with the Rev. H. F. Trep-tow officiating. Burial was in Englewood Cemetery.

Surviving are his wife; four daughters, Mmes. Henry Jones of Lubbock, Billy Clack of Slaton, Jerry Melcher of Brownfield, and Melton Bruster of Meadow; three sisters, a brother, and 12 grandchildren.

**Grain Crop To Grow In '54 If Cotton Allotments Made**

If cotton acres are rationed next year, Garza County farmers, as well as other on the Plains, will be asking themselves, "What do I plant in place of cotton?" Several answers are given by farm leaders in the article, "If Not Cotton, What?" in the September issue of The Progressive Farmer magazine. Grain sorghums are already No. 2 crop on the South Plains. They will be favored substitute and will be grown both for grain and roughage. Pastures will also be considered in the program. Perennial grasses without high water requirements can give land protection and improve the soil. Also, irrigated pastures, legume or mixed grass, offer good possibilities. Individual farming conditions will differ but each farmer needs enough irrigated pasture to support dairy cattle for family consumption. Sudan grass is recommended as offering a lot of grazing for irrigation required. And alfalfa is favored by some as it will fix nitrogen in the soil and improve soil texture as well as provide good grazing. Possibilities for irrigated pastures for beef cattle were illustrated by a five-year test at the Texas Tech farm. They wished to find how much beef irrigated pasture could produce per acre when grazed without supplementation. With a six month grazing period, the average gain per acre was 438 pounds. Too, the pasture makes the land produce better cotton later. One farmer got a bale and a half per acre last year on land following alfalfa with two waterings. On cotton following cotton, with three waterings, he got a bale. Dairy men are also making money by using irrigated pastures. Milk production is still short in the area and milk is being shipped in from other dairying sections. Turning to dairying may be the answer for some farmers.

**New Seed Testing Fee System Goes Into Effect On Sept. 1, White Says**

AUSTIN, (Sp.)—A new seed testing fee system will be put into effect Sept. 1, by the two seed laboratories operated by the Texas Department of Agriculture in Lubbock and Austin, Commissioner John C. White has announced.

A complete test of all seed will be made for \$2.50 with the exception of chaffy grasses, native grasses, mixtures and trashy seed. This fee can be broken down to \$1 for germination tests or \$1.50 for purity analysis, only. A fee of \$5 will be levied for purity and/or germination tests of the four exceptions—chaffy, native, mixtures and trashy seed. During a rush season, however, trashy seed may be rejected for testing purposes, White added. Noxious weed seed will be examined for \$1 per sample. Analysis of seed by an accredited laboratory is required before Texas Tested Seed Tags can be issued, White explained. No seed can be legally offered for sale without the tag from the Dept. of Agriculture.

Charge for a seed tag has been increased from 1 to 2 cents. The Texas Seed Law requires that one tag be attached to each container or bag of seed sold or exposed for sale in the amount of 100 pounds or a fraction thereof.

Money for the tests must accompany the samples. Checks or money orders should be made to the Texas Seed Act Fund. Charges will be effective on all samples which reach either of the two laboratories after Sept. 1, regardless of the postmark date, White said.

This will be the first year the Texas Department of Agriculture has charged for seed tests. The fees are the result of a new plan to make the department more nearly self-supporting and less dependent on the taxpayer's money. Commissioner White said he had not asked the Legislature to appropriate tax money for this project for the next two years. The fee system was initiated so that the expense would be borne by those who benefit from the service.

**Stop Taking Harsh Drugs for Constipation**

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed. Get sure but gentle relief when you are temporarily constipated. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, one of the finest natural vegetable laxatives known to medicine. Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings. Buy Dr. Caldwell's 30¢ size today. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

**WAVE Enlistments Offer Opportunities**

WAVES can now serve aboard Navy hospital ships and certain naval transports, according to E. H. Linebroker, recruiter in charge of the Lubbock Navy Recruiting Station. This is a wonderful opportunity, Linebroker said, for young women who desire to travel. While seeing the world, WAVES also have the opportunity to gain two and one-half years college credits. They receive a good salary plus uniforms, medical and dental care, 30 days vacation a year with pay, excellent food and pleasant living quarters.

Young women between the ages of 18 to 28, who are high school graduates and unmarried, may see Chief Linebroker for complete details in Room 206, Post Office Building, Lubbock.

Recruitment was by Dr. H. I. Robinson, pastor of the First Methodist Church.

WORLD'S ONLY VERTICAL VALVE V8

You can tell in an instant it's a **Very great 8**

**A**t idling speed, the engine of this 1953 Buick is deceptively docile. All you hear is a silken whisper, a kitten purr, a smooth flow of air channeling quietly through metal passageways. Then—you want to go. You nudge the pedal. You go. That's when you discover that you're sitting behind an engine of electrifying response. That's when you begin to know how the power of the first Fireball V8 can handle getaway, cruising, hill-climbing. That's when you learn what Buick's biggest-compression engine in fifty great years can mean in spirited and soul-satisfying road command. It's an experience too wonderful to miss—the bossing of this brilliant new V8

Engine that powers every 1953 Buick SUPER and ROADMASTER. So we cordially invite you to come in and try it. We cordially invite you to hold rein on this truly advanced V8—the world's first V8 with vertical valves, with "T" type intake manifold, with zero-power-loss muffler—and the first standard-production American passenger-car engine to reach 8.5 to 1 compression ratio. Why not come in for a sampling? That way you can also try the other Buick gems—like Twin-Turbine Dynaflo\*—and the Million Dollar Ride—and the room and visibility and handling ease of the greatest Buicks yet. Can you make it this week?

- WORLD'S ONLY CAR WITH ALL THESE FEATURES:**
- V8 Vertical-Valve Fireball Engine (Roadmaster and Super)
  - Dynamic Flow Muffler
  - Twin-Turbine Dynaflo\*
  - Power Steering\*\* • Power Brakes\*\*
  - Balanced Million Dollar Ride
  - Completely New Sweeppear Styling
  - Tilt-Away Slide-Away Front Seats (2-door models)
  - Custom Rich Interiors
  - Panoramic One-Piece Windows Front and Rear
  - Double-Rail Front Bumper • Aircleaner†
- \*\*Available at additional cost on Roadmaster and Super models only. †Optional at extra cost on Super and Roadmaster Sedan and Riviera models.

### Bollworms Are In County's Cotton

Scattered bollworm infestation of the Garza County cotton crop was reported this week by County Agent Lewis Herron. Farmers are advised to take measures to prevent further spread of the damage caused by the insects.

Leafworm infestation is very light, the agent reported. Dr. F. M. Fuller, entomologist of the Texas A. & M. College Extension Service, was in the county recently and he and the agent checked five cotton patches for insects.

Instructions on the most effective insecticides and their application may be obtained at the agent's office on the second floor of the county courthouse.

### County Schools

(Continued From Front Page) ban, Mrs. Joe Callis.

Grassburr—Mr. Carrie Belle Scoggin.

Close City—Mr. and Mrs. R. A. Wright.

Mrs. Scoggin, the teacher at Grassburr, is formerly of Claremont. Her election to the teaching post a few weeks ago completed the faculties for county schools.

Other new teachers are Mr. Brightwell, principal at Graham, Mr. and Mrs. Wright at Close City, and Mr. and Mrs. Nixon at Garnolia. The Nixons were at Close City last year.

The Graham school teaches through the eighth grade, the Garnolia, Justiceburg and Close City schools through the seventh grade, and the Grassburr school through the sixth grade.

St. Augustine, Fla., is the oldest city in the U. S.

### NOTICE

I will enroll music pupils for the 1953-54 season in my home Aug. 28-29th. Classes will start Monday, Aug. 31st.

Regular piano and ensemble playing will be taught. Those enrolling in ensemble playing will be entitled to play in the massed Piano Ensemble Concert at Lubbock in the spring.

Mrs. H. J. Dietrich

### Main Street

(Continued From Front Page) people we have seen this week is Mrs. Lillie McRee, school librarian. She was trying to get in a bit of personal shopping up and down Main along with all her book checking duties at the Post High School. Seeing her reminds us of a story that Katharine Stryker, another popular teacher, told about a student in a sixth grade spelling class.

After several synonyms had been given for the word "jubilant," one boy spoke up and said, "Oh, I know what you mean now . . . it's like jubilant delinquency." . . . A lot of folks are still oh-ing and ah-ing over the gorgeous dahlias that banker Ira Lee Duckworth had grown and arranged for the First Baptist Church last Sunday . . . We know of quite a few of our Main Street merchants who have a green thumb . . . Another busy person we saw this week was Faye Ruth Hamilton, who was picking up a few cosmetics and such at Hamilton Drug. Faye Ruth left today for her first job, that of teaching the fourth grade in one of Abilene's new schools.

Clerks at Collier's are getting all set for the rush buying which will take place as school gets under way. In this issue of the Post Dispatch, school students will find an unusual offer on fountain pens. The pen has a lifetime guarantee and the certificate in the paper is worth money to you in its purchase. Check Collier's ad for detailed information.

Robert Cox of R. E. Cox Lumber Company, says it is fun to paint with a Cook's Koter, the roller applicator that makes painting so easy. At Cox's, you will find everything you need in the way of paint and paint supplies. Robert will assist you in making selections for that job you plan to do yourself.

**Boys' Paintings Are Displayed In Boston**

BOSTON (AP)—Most unusual of this year's exhibition at the big Boston Museum of Fine Arts was a set of 200 paintings and drawings done in the past three years by members of boys' clubs in different sections of the city.

Many of the paintings were sold and the museum, itself, bought several. Fifty of the boys' works of art were selected for a traveling show to tour the United States.

### Advertising Of Fair To Get Under Way

Window cards advertising the Garza County Fair Sept. 11 and 12 were printed this week by the Post Dispatch and will be distributed within the next few days, according to E. E. Pierce, chairman of the advertising committee of the Post Lions Club, sponsors of the event.

Livestock and agricultural exhibits will be at the City Warehouse, southeast of the business section. The Lone Star Amusement Co. carnival will be on the midway.

The fair will feature exhibits entered by 4-H Club and FFA members, and home demonstration club women.

### Claims Court

(Continued From Front Page) issues a process and sets a date for the hearing. All hearings in the court are to be of an informal nature. At the hearing, each side may present its case and produce witnesses if they so desire.

The duty of the judge is to arrive at the facts in the case and render a decision. Cases in the court can also be tried with a jury if either party wants one. The fee for a non-jury case is \$2, while the fee for a jury case is \$3.

If the claimant is suing for a sum in excess of \$20 and is dissatisfied with the decision rendered in the small claims court, he can take it to the county court. Judgment in county court will be final. In cases involving less than \$20, the decision of the small claims court is final.

It'll be just another service rendered in the justice of the peace court, which is a much more important branch of county government than some think. The justice of the peace conducts examining trials in felony cases, tries misdemeanors, acts as coroner in conducting inquests, marries couples, keeps records of vital statistics, and performs many other duties.

King had been a resident of Garza County for 25 years before succeeding Mrs. Esma Cash in the office. Mrs. Cash, believed to have been the only woman justice of the peace in the county's history, had succeeded her father, M. L. Morris.

King, a World War I veteran, was engaged in farming before moving to town in 1944. All seven of his children were born in this immediate area. They are Mrs. Jessie Mae Nicholson and Mrs. Almata Reed of Plainview, James King, David King and Mrs.

### Storm Cellar

(Continued From Front Page) The Bullocks, who have no children, built their storm cellar about three years ago. They hired someone to dig it, but Bullock added the finishing touches, including the top. The cellar is six feet deep, eight feet wide and ten feet long.

The cellar, also used for storage of home-canned foods, is well ventilated and, when in use, is illuminated by a kerosene lamp. "We didn't see any use of putting in electric lights, since electricity usually goes off anyway in a bad storm," said Mrs. Bullock.

There is room in the cellar for several people, and a cot and chairs insure a measure of comfort.

"We never have to go to the cellar alone," said Mrs. Bullock. "Some of the neighbors always come over and go with us when a storm blows up."

The Bullocks have lived in Post eight years and in the Grassland Community for about 25 years before moving here. He is employed at the Postex Mill. Mrs. Bullock said neither she nor her husband ever had been in a "real bad" storm and that as long as they had the cellar they didn't intend to be—at least, not without shelter.

The Bullocks' cellar seems substantial enough to withstand an atomic bombing—barring, of course, a direct hit. The cellar is sealed with ship-lap, over which there is tin and then a thick well-packed layer of dirt.

Back in the old days, the settlers called their storm cellars "raid holes," and weren't ashamed of it. Neither are today's cellar-builders. After all, one can hardly be blamed for taking precautions, when he doesn't know what's coming next.

### BITS-OF-NEWS

Miss Mae Morris, sister of Mrs. Almon Martin, en route to her home in Carlsbad, N. M., from Dallas, was a visitor here Sunday night.

Mrs. Lee Bowen and children, Susie and "Butch" spent the weekend in Hobbs, N. M., with the John Sutton family. The Bowens plan to leave soon after the first of September for Santa Ana, Calif., where Mr. Bowen is employed with an abstract firm.

Judith Brown, all of Post; J. W. King, who is in the Air Force, and Gene King, who is serving in the Army.

### Railroad Crossings Get Signal Lights

New signal lights are being installed at two railroad crossings here by a Panhandle & Santa Fe Railway Co. extra crew.

One of the lights is being erected in the north part of the city at the crossing of the cutoff road from the Ralls highway to the Lubbock highway. The other light is going up south of the business district where the road to the Postex Mill crosses the railroad tracks.

The only light of this type in Post is at the Main Street crossing, according to J. A. Stallings, Santa Fe agent here.

### Southland School

(Continued From Front Page) Edgar Moseley, Mrs. Lucille Myers, Wilbur Fields and Mrs. Alva Hambricht. Lunch room workers will be Mrs. Calloway, Mrs. Jack Hargrove and Mrs. Myers. Supt. Calloway said an enrollment of approximately 190 is expected for this term.

Improvements at the school during the summer have included re-waxing of floors and sodding of the lawn in front of the school building.

### Animals Are Getting Minerals In Diet

HELENA, Mont. (AP)—Montana's big game animals are getting plenty of minerals in their diet this year.

Robert F. Cooney, director of wildlife restoration for the Montana Fish and Game Department, said about 80 tons of specially mineralized block salt were placed on big game ranges throughout the state.

### PMA Meeting

(Continued From Front Page) and Graham), L. G. Thuett, Jr., was elected chairman to succeed Ray McClellan. Talmage H. Tipton, Sr., was re-elected vice chairman, and Virgil M. Stone was re-elected member. Named as first and second alternate members were W. C. Bush and Fred Babb.

Russell Wilks, Jr., was re-elected chairman of the Community "C" committee. Bandy S. Cash was named vice chairman and Avery Moore, Jr., regular member. Outgoing members of the committee are Walter Boren and Irvin Cross. Elected first and second alternate members were Jimmie Bird and Floyd H. Hodges.

### Meter Deposits

(Continued From Front Page) Post will receive approximately \$11,000, including interest, when checks are mailed to them in October, the date scheduled for mailing of checks here.

Mr. and Mrs. W. C. Orr and James visited Monday with Mr. and Mrs. Russell Orr, who recently moved to Hobbs, N. M.

**Security Field Representative  
At Post Office Here Thursday**

L. Schantz, field representative from the Lubbock office, will be at the post office at 11 a. m. today to assist in all matters pertaining to social security. Self-employed individuals should bring their copies of 1951 and 1952 self-employment returns when discussing their cases so that more accurate information can be furnished to each individual case. There are many self-employed who are between the ages of 65 and who should file an application for social security benefits immediately because net earnings for 1953 have dropped far below their earnings for 1951 and 1952, according to John G. Hutton, manager of the Lubbock Social Security office.

Even though these people are continuing to operate their businesses and will make over \$1,800 in self-employment in 1953, it is still important that an application be filed to establish a retirement benefit based on high net earnings in 1951 and 1952.

**WISH BOY DIES**

BUCKHANNON, W. Va. (AP)—A little blind boy who once said, "I want a new head for Christmas," is dead. Ralph Reed, 11, was a victim of pneumonia. Ralph made his wish back in 1945, while being treated for a brain disease that eventually caused his blindness.

Galileo invented the pendulum.

All persons who are past 75 should file an application whether they are working for wages or are self-employed, since these people may draw their social security no matter what their earnings from wages or self-employment income.

**The Post Dispatch**

THURSDAY, AUGUST 27, 1953

SECTION TWO

**District 6-AA Football Teams  
To Begin Practice On Tuesday**

**Floydada Whirlwind '11' Opens Season  
Sept. 11 Against Crosbyton Chieftains**

FLOYDADA — The Floydada Whirlwinds, last season's district and bi-district champions, will operate this year in District 6-AA, along with Post, Slaton, Spur, Tahoka and Abernathy.

Coach Preston Watson's eleven will open its 1953 season against the Crosbyton Chieftains Sept. 11 on the Crosbyton grid. The following weekend, they play the Tulla Hornets here, and on Sept. 25 take on the Lockney Longhorns at Lockney in a tilt for the unofficial football championship of Floyd County.

On Oct. 2, the Whirlwinds play the Paducah Dragons here, and the following weekend travel to Ralls for a game with the Jackrabbits.

Floydada entertains the Slaton Tigers here on Oct. 16 in their first conference game, then travel to Abernathy to take on the Antelopes the following weekend in another loop encounter. They play host to the Spur Bulldogs on Oct. 30.

**Spur Letterman Is Slowed By Injury**

SPUR — George McAteer, letterman quarterback for the Spur Bulldogs, is not expected to see action until late in the season because of an eye injury suffered in the annual rodeo here a few weeks ago. McAteer lost his left eye in the accident.

Coach Sam Hawkes expects 11 lettermen to be among the approximately 40 candidates reporting for practice on Sept. 1.

The Bulldogs open their season at Matador on Sept. 11, and play their first home game on Sept. 18 against the Ralls Jackrabbits.

and the Post Antelopes on Nov. 6 in conference games, and close out the regular season at Tahoka on Nov. 13 in a conference game with the Bulldogs.

Although Floydada has seven returning lettermen, only one of them played regularly on last season's Whirlwind eleven, which rolled up one of the best schoolboy football records in the state.

**Abernathy Moves Up To Class AA**

ABERNATHY — Coach Royal James' Abernathy Antelopes, moving up a notch this season to operate in Class AA, open their 1953 football season here Sept. 11 against the Olton Mustangs.

The Antelopes, who won their district championship last season, have eight returning lettermen, four of whom played regularly in the 1952 starting eleven.

The Antelopes' first road game is against the Sundown Roughnecks. On Oct. 2, they entertain the Stanton Buffaloes here. The Tulla Hornets come here for a game on Oct. 9, and the following weekend, the Abernathy eleven travels to Post for their first district contest.

The Floydada Whirlwinds are to play here Oct. 23, and the Tahoka Bulldogs on Oct. 30. Both are district contests. The Antelopes close out their season away from home on Nov. 6 and 13—the first game against the Spur Bulldogs and the finale against the Slaton Tigers.

**Steel Going Up At Tahoka Stadium**

TAHOKA—Steel for the Kelley Field stadium addition is being put in place. The addition will be to the east stands, which will be doubled in both length and height. Plans call for the construction of rest rooms, and moving of the press box to the east side. This year, the east stands will become the home section, with the west reserved for visitors.

The Bulldogs will play six home games this season, meeting Denver City, Seminole, Tulla, Post, Slaton and Floydada here, one of the best home schedules Tahoka has ever had. Away from home, Tahoka will play O'Donnell, Seagraves, Abernathy and Spur.

Coach Bill Harrison will start football workouts on Tuesday, Sept. 11, and will have 18 days in which to get the squad ready for the first game.

**Tigers At Slaton Have New Coach**

SLATON — The Slaton Tigers, with a new coach and ten lettermen from the 1952 squad, are expected to be a more formidable foe for their ten 1953 opponents than was last season's edition of the Tiger eleven, which won three games while losing seven.

Coach Homer Tompkins' team will open at home Friday night, Sept. 11, against Coahoma. The following weekend they play the Seagraves Eagles.

On Sept. 25, the Tigers play Ralls, and on Oct. 2 take on the O'Donnell Eagles. They play Anherst Oct. 9 before opening their District 6-AA season on Oct. 16 against Floydada. On following weekends, they play Spur, Post, Tahoka and Abernathy, in that order, all conference games.

**Workouts Begin For Red Raiders Sept. 1**

LUBBOCK—Texas Tech launches its 29th football season when workouts begin Tuesday, Sept. 1.

Coach DeWitt Weaver expects about 100 candidates, 32 of them returning lettermen. They'll face some rugged session, since the Red Raiders meet a traditional rival in neighboring West Texas State here Sept. 19.

Weaver's Raiders, seeking their second Border Conference championship in his three seasons here, once more will run from the explosive split-T formation. Tech is hoping to rebound from a disappointing 3-7-1 mark of last season, in which they still managed to finish second in conference standings.

**BITS-OF-NEWS**

Mr. and Mrs. J. M. Bright of Carrizo Springs have been visiting in the home of their son-in-law and daughter, Mr. and Mrs. Douglas Tipton.

Mr. and Mrs. A. C. Cash and Jodi are in Amarillo this week visiting her mother.

The Allen Cashes spent the weekend in Hobbs, N. M., with his nephew and family. They have recently returned from the Cash reunion in Terre Haute, Ind.

Mrs. Florence Forcher and daughter, Mary Jo, visited briefly last Thursday with the Douglas Tiptons. They were en route to Harper and Mrs. Tipton accompanied them.

Mrs. Ella Johnston and Wilma spent the weekend in Memphis and Quanaah visiting in the home of Mr. and Mrs. Dink Williams and son, Winfred Dean.

### First Area Bale Is Ginned In Dawson

LAMESA — The first bale of 1953 cotton reported on the South Plains was brought here Monday by F. R. Barkowsky, who lives in southeast Dawson County near the Martin County line.

The bale, weighing 410 pounds, was ginned at Sparenberg and placed on the square here at 7 p. m.

Pulling of the cotton started at 11 a. m. Monday, with relatives and 20 additional hands working over 60 drouth-plagued acres. The stunted plants were from six inches to one foot high.

The Lamesa Chamber of Com-

### BITS-OF-NEWS

Mr. and Mrs. L. A. Presson will spend the weekend with relatives in Sulphur, Okla.

The Rev. and Mrs. Shelby Bishop are visiting her parents, Mr. and Mrs. J. H. Steelman, at Bovina.

Mr. and Mrs. J. N. Power and Jo Nancy, Jim and Jill spent last week at Buffalo Lakes, Palo Duro Canyon and Possum Kingdom.

merce is to pay Barkowsky a premium of \$50 for the bale. Other premium awards are expected.

The farmer indicated that he possibly will put the bale up for auction later in the week.

### 189 Receive Degrees At H-SU Exercises

ABILENE—"Today is the day you live, and the part you play in today's world is your responsibility," Hardin-Simmons University president, Evan A. Reiff, told the 189 H-SU summer graduates at the commencement exercises Monday night in Parramore Stadium.

"Today's men of sterling worth bear the burden of life without complaint. Sensitive souls are beaten to earth by tyranny, oppression, and barbaric cruelty, yet will not grovel," he said.

Dr. Reiff, who assumed the duties of the presidency July 1, conferred 106 masters and 84 bachelor's degrees.

Two Post grade school teachers were among those receiving

### Graham News

By MRS. DILLARD THOMPSON  
Please Send News Not Later Than Monday To  
Graham Correspondent

Mr. and Mrs. H. L. Mason and family and Blanton Mason of Levelland were Friday dinner guests of Mr. and Mrs. Ray McClellan.
