**COMES A TIME WHEN FRIENDS MUST PART**  
Robert Johnson was having some trouble with his dog, Queenie, Monday when he reported to Post Elementary school for his first day at school. The pooch seems to see no reason why she can't take on a little 'readin', 'ritin and 'rithmetic and doesn't approve in the least the way she is being shoved around. Robert had her headed around and was doing some mighty pretty talking to her telling her to "go home", when a Dispatch reporter happened along. The little six-year-old red-head is the son of Mr. and Mrs. Billy Johnson of Pleasant Valley.

way she is being shoved around. Robert had her headed around and was doing some mighty pretty talking to her telling her to "go home", when a Dispatch reporter happened along. The little six-year-old red-head is the son of Mr. and Mrs. Billy Johnson of Pleasant Valley.

## P-TA Opening Meeting To Be Held Tonight

Mrs. John Lott, president of the Post Parents-Teachers Association, Mrs. Victor Hudman, vice-president, and members of the executive board, have everything in readiness for the opening meeting of the 1952-53 year when the association meets tonight in the school cafeteria at 7:45 o'clock. All parents, teachers and interested persons are invited to attend.

"Appreciating Our Teachers" will be the theme of the meeting which gives emphasis to two groups who strive to bring into closer relation the home and school in order that parents and teachers may cooperate intelligently in training of the child. Teachers and their positions in the school system and thumb nail reviews about them will be presented by Mrs. Ellis Mills, wife of the grade school principal.

Mrs. Jess Cornell, program chairman, will discuss the year's programs in brief and will present the yearbook. Programs throughout the year will feature the theme of the P.T.A. Congress: "Strengthening Our Faith In Our Congress Platform of Service". Two book reviews, one by Mrs. Tom Hagood, and one by Miss Maxine Durrett, have been scheduled. Other programs will stress the mental, social, spiritual and physical phases of the development of the child in relation to home, school, church and community.

The Lions club quartet will present several numbers to open the meeting, followed by Mrs. Lott who will bring important business matters before the group. Class awards on attendance will close the formal program after which a watermelon. See P-TA PROGRAM Page 8

## Post School Enrollment Tops Last Year's Mark, 930 Total

Post schools are now in session with an increase over last year's enrollment, D. C. Arthur, superintendent, announced this morning. Enlistments in the local system were still being filed Wednesday noon and registrations totaled 311 in High school the first day, with 49 registering Tuesday and Wednesday. Grade school registration totaled 534. The first day 520 of these registered and 14 late registrants have been added the past two days. The colored school has 36 students and is expecting additional transfers from the Grassburg community within a few days. The city's system is 930, which is 84 more pupils than were enrolled the first week of last year.

Registration for the high school began at 9 o'clock Monday in the gymnasium. Upperclassmen registered in the morning and the remainder of students in the afternoon. Grade school registrants got their start with a general assembly in the auditorium. After the meeting the pupils went to their assigned rooms and continued registering.

In high school the sophomores boast of the largest number of class members, with 84 enrolled up to Wednesday afternoon. The freshmen are next with 70, and eighth graders have 66, juniors, 66, and seniors, 49.

First graders are the largest in number of the grade school classes, with 85 members. Second and seventh grades tie for second in number with 82 each, the fourth grade has 81, the fifth, 75, sixth, 65, and the third, 64.

"All sections of both schools are filled to the breaking point," Arthur stated. Two new courses are being offered in high school this year, Arthur said. Journalism is being taught for the first time, and See ENROLLMENT Page 8

## PMA Asks Assistance In Buying Hay For Cattle

Mike E. Custer, Garza County PMA Committee secretary, advised Wednesday that he has received a memorandum from the State Agricultural Mobilization Committee regarding the distribution of hay under Public Law 875 to drought stricken areas. Custer points out that while Garza County has not been declared a part of the emergency area, the Committee has requested assistance under this law for the operators of the County.

"We hope to be included in the emergency area soon, since several West Texas counties have been declared a disaster area due to the drought. Farmers and ranchers are being forced to liquidate foundation livestock due to the fact that it is becoming uneconomical to maintain this livestock under present food prices," Custer said. A program has been developed which will make hay available at reasonable prices in order to encourage farmers and ranchmen to retain their livestock. State and County Agricultural Mobilization Committees have been delegated the responsibility for over-all policy on this program and State and County PMA Committees will be responsible for operations of the program. The Commodity Credit Corporation will purchase hay in areas where the supply is plentiful and See DISASTER AID Page 8

## NO BOOSTER CLUB MEETING TONIGHT

Announcement was made Wednesday by Bill Edwards, president of the Antelope Booster club, that the organization would not meet tonight as had been planned. In the past the club met each night preceding a game and discussed activities of the club, and usually screened a football movie.

Edwards said that when the membership committee completed its drive for members, and when more interest could be aroused among the members, the meetings would be resumed.

## Delegates Ask Gov. Shivers To Work For Ike

Texas' rebellious Democrats put Adlai Stevenson's name on the general election ballot at the closing session of the State Democratic Convention in Amarillo Tuesday night, but they asked Governor Allan Shivers to get out and work for Dwight Eisenhower, reported Garza County's delegates to the convention.

Never before in history had a Texas Democratic Convention expressed approval of a Republican for President, declared Lewis Price, who with Homer McCrary, attended the convention from here. The delegates roared approval of a resolution repudiating the national convention's platform, making it doubly plain the ballot action was no endorsement of Stevenson, said Price.

In summing up the convention in his own words, Price said: "The Convention opened around 10:45 o'clock Tuesday morning and the keynote address was made by Governor Shivers. The Governor drew a rising ovation at several points for his denunciation of the Truman regime and particularly as to its views on the tidalands question and the F. E. See TO WORK FOR IKE Page 8

## Harvey Herd To Succeed Father On Directorate

J. Harvey Herd of Midland, son of the late John T. Herd of this city, was appointed a director of the First National bank Tuesday when the directorate met in regular monthly session. Mr. Herd will fill the unexpired term of his father.

Officers and directors of the bank expressed happiness over Harvey Herd's acceptance, especially since the bank has had a member of the Herd family on its board since its organization in 1902. Harvey's grandfather, the late H. B. Herd of Ft. Worth, was one of the organizers of the bank and served as president and director for many years, and John T. Herd, after retiring from active duty as vice president of the bank served as a director until his recent death.

## Jury Panel Selected For County Court

Seventeen Garza county men have been summoned to appear at the County Courthouse next Monday morning, September 15, at 10 o'clock to serve as petit jurors.

The list includes: Mason Justice, George Ramage, John L. Moore, W. A. Humble, Francis Shannon, Delmer Cowdrey, Henry Tate, Weldon McGeehee, W. W. Terry, Wayne Stewart, Quannah Maxey, J. B. Roach, Stanley Butler, Harley Wallace, J. A. Propst, D. D. Pennell, and John Hopkins. Reece Carter, another juror has moved from the county.

## Hospital Notes:

Garza Memorial patients this week include Roy Edwin Smith, medical, entered the hospital September 7. H. S. Self, surgical patient, admitted September 3. Frances Buchanan, medical, entered August 31. Mrs. Clara R. Johnson, medical, admitted September 3. Patients who were dismissed last week are Mrs. Amanda Salter of Albuquerque, N. M., Linda Sue Mills, Bettie Walls and Nancy Jane Norman.

## 4-H and F.F.A. Fair To Be Held Saturday, Sept. 13

The Garza county 4-H and F.F.A. Fair will be held in Post, Saturday, September 13, according to Lewis Herron, county agent and Miss Jessie Pearce, county Home Demonstration agent.

## Maxeys Donate Room To Garza Hospital

A double room at the Garza Memorial Hospital was donated by Bryan and Quannah Maxey, Jack Rex, administrator, announced.

The plaque for this room will read "Presented in Memory of J. F. and Belle Maxey by their children."

After this donation there are one single and one double room left for buying, Rex reported. See 4H, F.F.A. FAIR Page 8

This annual fair is held to show the progress of the clubs during the past year and to determine winners to enter the district and state shows. Livestock, orchard, garden products, poultry, and rabbits of the club boys and needwork, garden products, and other handiwork of 4-H club girls and Home Demonstration club women will be among the entries.

Home Demonstration clubs will have educational displays in the Double U building, Miss Pearce announced. This display will be with the regular 4-H entries there.

Miss Pearce said the H.D. educational displays would consist of: Corsages from the Post club; Pleasant Valley, rugs; Barnum Springs, block printing; and Gra-

## Post Fire Department Gets Fine Equipped Fire Truck

A 1952 truck is the latest addition to Post's Volunteer Fire Department, Homer McCrary, fire chief, announced earlier this week. The purchase of one of the most modern pieces of fire fighting equipment in this area was made by the city council. This is the first equipment bought for the department since 1939.

The two-ton Chevrolet truck was purchased from Sands Trailer Company of Phoenix, Arizona, and is complete with the latest attachments. The most modern of these is a pump which needs no hydrant, but sprays 500 gallons of water while the truck is running in gear. This pump will be helpful in grass fires and other Rural area fires. The water for this pump is supplied from a 500 gallon booster tank on the truck. Other new equipment is 600 feet of two and one-half inch hose and 300 feet of one inch high pressure hose.

This truck was brought to Post a number of weeks ago for trial test. This test was to see if it would meet state approval. McCrary reported, on its test run at the Postex Mill, this truck pumped 500 gallons of water per minute. This is a minimum of 30,000 gallons per hour.

County Commissioners court voted recently to pay the city \$1000 per year for use of this truck. This act makes the Fire truck available for fires anywhere in Garza county, stated McCrary.

"SHE'S ALL OURS, HOMER"—are the exact words Mayor T. L. Jones, right is telling Fire Chief Homer McCrary, as he points with pride to the newly painted "Post Fire Department" sign on the door of the new Chevrolet truck. The City Commission tentatively purchased the truck three weeks ago and completed the transaction several days ago after all the inspection tests proved satisfactory.

## Citizens' Traffic Commission Planned Here Monday Night

A group of Post citizens met Monday night in the city hall to hear discussions on the Citizens' Traffic Commission in Lubbock and to make plans to organize a similar group in Post.

Representatives from the Lubbock commission were present. They suggested procedure and reported on problems that had been encountered in their work.

Mayor T. L. Jones introduced Bill DeWalt, who in turn introduced the speakers, C. I. Wall, chairman of the Lubbock Commission, was the first to speak and he gave a summary of the history and purposes of the organization.

"Citizens' traffic commission is a group to aid the city," Wall said. "Not an enforcement organization, but works with city officials to work out problems of traffic, such as parallel parking, one way streets, etc."

Wall continued with suggestions on how Post would be aided by such a group and gave ideas of problems that might need working out.

In conclusion Wall stated "If a town accomplished only the promise of five drivers to drive right, then the program is worthwhile."

Executive secretary of the Lubbock group, Bill Morgan, pointed out in his speech that citizens' traffic commissions were filling a need and solving a problem.

"Traffic safety is composed of three things," Morgan reported. "These are enforcement, engineering, and education. Sometimes known as the three E's of safety."

Enforcement is taken care of by the police officers, engineering is in line of duty for the city officials, but the education must come from the people themselves. Education is the proper purpose of a citizens' traffic commission.

According to Morgan, if drivers were educated to use "common sense," 17,000 citizens could be saving every year.

"For a traffic commission to be a success, the support of the public is necessary," Morgan concluded.

Clay Bednar, district safety officer of the Texas Highway Patrol, told of the role of the enforcement officers in a town. He brought out the fact that officers are only public servants and the people are their bosses.

Every citizen of Post and Garza county is urged to attend. "It is our problem and we must solve it," DeWalt summed up before adjournment.

Officers and directors of the bank expressed happiness over Harvey Herd's acceptance, especially since the bank has had a member of the Herd family on its board since its organization in 1902. Harvey's grandfather, the late H. B. Herd of Ft. Worth, was one of the organizers of the bank and served as president and director for many years, and John T. Herd, after retiring from active duty as vice president of the bank served as a director until his recent death.

After the two-hour session, it was decided, by the group, to meet Monday, September 15, at 8 o'clock in the city hall, to take the first steps in planning the local organization.

Every citizen of Post and Garza county is urged to attend. "It is our problem and we must solve it," DeWalt summed up before adjournment.

## Rotary-Teacher Banquet Date Changed To Sept. 25

Date of the annual Rotary-Teacher banquet, tentatively set for Thursday evening, September 18, has been changed to Thursday, September 25. It was announced Wednesday morning by Monta Moore, president of the Post Rotary club.

The change in date was made so that local Rotarians can attend the annual inter-city meeting in Lubbock next Thursday evening. A number of West Texas clubs are invited to the Hub city each year and the Post club has received the invitation for the past twenty-eight years.

There are several members of the Post club who have attended all of the meetings. There will be no regular Tuesday luncheon next week and club members will be credited with attendance at the Lubbock meeting.

The official invitation, received Wednesday morning by Mr.

Moore, stated that all members of the club are invited to attend and that an interesting speaker has been engaged for the occasion. Frank H. King, general executive of the Associated Press, will be principal speaker and with him will be a fellow speaker from the Associated Press. Mr. King has just returned from Korea and has done work in Japan.

The barbecue will be at the east stands Texas Tech stadium at 6:30 o'clock.

Time and place of the Rotary-Teacher banquet were not announced by Mr. Moore. It will be for teachers and board members and their wives and Rotarians and Rotary Anns.

Efforts were being made this morning to have Congressman George Mahon of Lubbock speak at the gathering.

Getting Out On The Limb

by EDDIE the editor

SUDDEN THOUGHT: Consensus gets a lot of credit that belongs to cold feet.

Breaking in an ambitious, inexperienced reporter isn't going to be half as hard as spending another couple of weeks writing letters, giving the history of Post and making financial statements to young men who think they already have it made.

I have found that hiring an editor ain't easy. The past two weeks of looking for an editor for the Dispatch has kept me humping and convinced me that it is easier to do the job myself than to try to hire an expert.

One of the first letters I received from an ad came from a 33-year-old Army captain. He said he might be interested in the job and pointed himself out as being well qualified and further left the impression that he would be a big boon to our town.

He said he had been recalled to the Army last year and expected to get out this fall, and if he did not find something better he would return to a public relations job, to which he has managed to hold a leave of absence.

The most satisfying thought he left with me in his correspondence and, one that consoled me no little, was the fact that during the past year he has been writing speeches for a couple of generals there at the Army fort.

There have been dozens of other letters, from all parts of the country, from men in their twenties to has-beens in their dotage. The cream of the crop came from one Peter B. Woolley whom I have summed up as being the champion among ad answers.

Mr. Woolley offered a printed resume along with his note demanding a minimum starting salary of \$400 monthly. I conclude that if I could borrow enough money to pay him eight hundred bucks a month he still wouldn't be happy for long.

Besides his printed picture at the top of "Resume on Peter B. Woolley," there was lots of interesting reading, which has about convinced me that he would be excellent Democratic presidential material. His civilian publication experience gained prior to World War II included being associated with the New York Herald Tribune and some kind of a meat butcher's publication.

What About Unions? Labor unions are here to stay, especially in large cities. Where big business exists, we must expect big unions to follow. This means steel strikes, coal strikes and textile strikers will continue. In these large cities where employees are more impersonal reasonable labor unions and collective bargaining are convenient and serve as a protection to both wageworkers and employers.

There, however, is no excuse for labor unions in small cities where all know one another. Labor unions are unnecessary where an employer knows all his wageworkers by name and is acquainted with their hopes and troubles. Moral for manufacturers: Don't allow your plant to get too big. Don't try to be the richest man in the cemetery!

In column three, same page, "Publication Experience Gained Since World War II," the author claims that he has served with one daily, published a weekly, sold features and worked for two weeklies. About the only thing this busy boy doesn't claim to have done is to have had a date

THE AMERICAN WAY

No Wonder Johnny's Puzzled

Our Contemporaries Are Saying:

Truman's Poor Eyesight

President Harry S. Truman spoke without a smile. "There is no mess in Washington," declared the chief executive. His bifocals reflect the fact that he has poor eyesight, and has not been looking for either corruption or a "mess."

It was not long ago he declared that all of "our people" are honest and honorable.

It was not longer ago that the President chided investigators for looking for "red herrings" in his administration. Throughout all of the investigations, which have turned up so much of a mess in Washington, he has kicked over the traces and refused to furnish the investigators any kind of information within his official family.

It is no wonder that the people of America are sick and tired of Truman and his antics in public office and are looking for a change.

Mayor Breaks City Ban

Mayor Stuart Nash thinks The Herald should become a daily newspaper in emergencies, such as the water crisis. He doesn't know how fortunate we feel—just to complete the week's run. But the mayor does have a point. Two days after this popular publication announced that no city water could be used for lawns and shrubbery, the city council decided that watering could be permitted from 7 a. m. until 10 a. m. The ruling was passed around verbally, but of course, the verbal coverage was not complete.

Consider The Hen's Way

Did you ever stop to think that hard times mean nothing to a hen? She must keep digging worms and laying eggs regardless of what the newspapers say about business conditions. If the ground is hard, she scratches harder. If it's dry, she digs deeper. If she strikes a rock, she works around it. But she always digs worms and turns them into hardshelled profits, as well as tender broilers.

A hen doesn't starve to death waiting for the worms to come to the surface, nor cackle because of hard times. She saves her breath for digging and her cackles for results.

It Sez Here

We're not surprised that Gov. Shivers finds Texans favoring Ike 10-1. It's the governor's own pool, and it isn't likely to go counter to the man's personal wishes. We'd like to bet the governor that November returns will find Texas pretty well in the Democratic column, in spite of his every effort to swing it to the GOP. This is the bird, remember, who was going to take his own uninstructed delegation to the national convention and tell the party where to get off. He horsetraded Texas to the foot of the party roll. He is worth about as much around the Democratic party as a paper dollar in Montana. His prestige in the party is two inches below a snake's belly. He no longer re-

with Marilyn Monroe.

How Peter B. Woolley has managed to escape matrimony for thirty seven years is more than I can figure. He is quite photogenic and is really pretty. I wish he hadn't had his picture made with his hat on. I'll always wonder if he is bald. Pass the aspirin, please.

SHOULD BE SEEN, NOT HURT

Hundreds of kids are running, romping, biking, skipping or skating to school. All are glad to be alive. We are glad for them to be alive for nothing cheers the heart like the sight of a happy child. We as individuals can have a part in keeping them happy and healthy by exercising extreme caution in driving our cars. Let us all follow the example of a fine group of fellows, most of whom are directly connected with the car industry. They recognize driving dangers. Last week these service station owners and auto dealers and others pooled their advertising to bring these dangers to the minds of Dispatch readers. They urged us to Drive Slowly, to Stop and Think, to Observe All Traffic Signs, to be Ever Watchful of the little child on a bike or a pair of skates. A child's comic awkwardness and clownish falls cease to be funny when they lose control and glide into the street. Every driver should be alert to such hazards, not only to those on bikes or skates, but also to those who are running like gazelles to catch up with playmates. Let us keep all these little fellows at their desks, not in a hospital bed. Little girls and boys are the most precious possessions of our community and guarding them is our responsibility. Remember the next time you get behind the wheel of your car that CHILDREN SHOULD BE SEEN, NOT HURT.

A SALUTE TO THE P-TA...

We salute parents and teachers of Post and Garza county. The school bell brought boys and girls to attention; but not so parents and teachers. This group is ever at attention whether the bell for "books" has rung or not. A concrete example of this attitude of attention is found in the Summer Recreational Program sponsored by the Post Parents-Teachers Association. It was one of the most successful projects in the school's history despite the fact that there is a deficit hanging over their heads. The P-TA however will roll up their sleeves and defeat the deficit as they have defeated other obstacles in the past. We know that they will promote the welfare of our children every month in the year. We know that they will fight for adequate laws for their care. We know that they will work unceasingly and willingly, with zeal that puts more powerful organizations to shame, in order to develop the highest advantages in physical, mental, social, and spiritual fields for our youth. To the parents and teachers who make up the personnel of the P-TA who have proven through the years that their attitude about our children is distinctly democratic; who are firm and fair in decisions; who see the broader scope of life, yet do not ignore the smaller issues,—to this group of fine men and women in our county, we wish to pay the highest tribute and wish for them unbounded success in their activities during the year.

Texans In WASHINGTON

By TEX EASLEY, Associated Press Washington Service

WASHINGTON, Sept. 10—Reshuffling of House Committee Assignments with the beginning of the new congress next Jan. 3 may cause a rift among the 22 Texas Representatives.

Possible fuel for a clash lies in the expected selection of a Texan to serve on the powerful House Ways and Means committee.

That's the group that not only handles tax, tariff and social security legislation, but names the Democratic members to serve on all other House Committees.

Texas' lone member now on the 25-member group is retiring Congressman J. M. Combs of Beaumont.

The Texan with the most seniority among those most likely to seek the spot is Rep. Wingate Lucas of Fort Worth and Grapevine. Several Texas colleagues have been here longer, but have high position on other important committees and would be unlikely to change. Moving to a new committee, a member goes to the bottom of the list. It's a long, slow climb to the chairmanship.

Seniority is a powerful force around here. But the way a legislator rates with the top congressional leaders also counts heavily.

That's where the hitch may come for Lucas. His voting record shows he has often failed to support the Administration. So, some of the top Democratic leaders may try to block his getting on such an influential committee as Ways and Means.

Also mentioned as possible successors to Combs on the committee are Galveston's Rep. Clark Thompson and Austin's Rep. Homer Thornberry.

Thompson came to Congress ahead of Lucas, but he was out for several years. Consequently, Lucas now ranks him. Thompson now is on the Agriculture Committee, while Thornberry

ROGER W. BABSON WRITES THIS WEEK

Make The Best Of Your Job As Your Next One May Be More Difficult To Procure and Maintain

GLOUCESTER, Mass.—As Labor Day week has just passed, it is fitting to write about "jobs." This year jobs are plentiful for all who are willing to work. This, however, may not be true in 1953.

Jobs and Politics

This year it has been easy to get a job for three reasons: (1) because of the great military expenditures; (2) because there has been almost no curtailment of "peace consumer goods"; and (3) because the present Democratic Administration is spending all the money it can to keep business prosperous until after Election.

As I have explained before, our country is no longer under the Gold Standard, which prevented Washington from making jobs artificially. We now are under a "Paper Standard," which enables Washington to expand the job ball until it bursts. This does not mean necessarily that the "bust" will come next year. But I do feel that, whatever Party is elected on November 4th—in trying to avoid a bust—will stop inflating the balloon and perhaps gradually let the air out. This would be the safe thing to do; but it might make fewer jobs.

Watch Imports

It may be that through increased advertising and better selling methods consumer demands here at home can be built up to offset the natural decline in war orders. If labor leaders will be reasonable, this can be done. Savings have been increasing and wages continue high.

But what about imports? Every store you enter is now offering foreign-made goods of all kinds. These are being made by people who work 10 to 12 hours a day to keep their families from starvation. You say: "Put on more tariffs to keep out these foreign goods." This is possible; but it would surely force

these foreign workers into Communism and lead to World War III.

What Is The Remedy?

The only sane way to prevent such a catastrophe within the next few years would be for our people to work harder and longer hours without now asking for more wage increases. This would reduce the prices of goods made in this country. If costs and prices here can be reduced, then our people will have enough money to buy both the goods made in the U. S. A. and also the foreign goods.

If you now have a job, make the best of it. Be the first to arrive every morning; and the last to leave at night. Subscribe to the Trade Magazine of the industry in which you are employed. Take a correspondence course to become more efficient. Be loyal to and speak well of your employer. He has more troubles than you have. He has the job of selling the goods or services which you are helping to make or render. His job will be especially hard in 1953.

What About Unions?

Labor unions are here to stay, especially in large cities. Where big business exists, we must expect big unions to follow. This means steel strikes, coal strikes and textile strikers will continue. In these large cities where employees are more impersonal reasonable labor unions and collective bargaining are convenient and serve as a protection to both wageworkers and employers.

There, however, is no excuse for labor unions in small cities where all know one another. Labor unions are unnecessary where an employer knows all his wageworkers by name and is acquainted with their hopes and troubles. Moral for manufacturers: Don't allow your plant to get too big. Don't try to be the richest man in the cemetery!

Remembering Yesteryears...

Five Years Ago This Week

After 17 years in the variety store business here, L. C. Carmichael sold out to G. F. Wacker store last week. James Minor flew to San Antonio last weekend to attend the annual reunion of the 36th division. Miss LaNell Dixon and Alton Warren were married Saturday night in Lubbock.

Ten Years Ago This Week

Funeral rites for John H. Babb, 92, were conducted in the First Baptist church this morning. Pvt. Leo Harrison is home on a 15-day furlough. The Methodist church choir was entertained with a barbecue at the home of Mrs. Skeeter Staughter recently.

Fifteen Years Ago This Week

Mrs. Rudolf Chapman and son, Jimmy Dale, of Douglas, Ariz., are visiting in the O. H. Hoover home. County Agent J. W. Potts is attending a meeting at A&M college in Bryan this week. Louis McMahon entered Bethany college in Bethany, Okla., last week.

TIME FOR GOOD LIGHT FOR YOUR CHILDREN'S STUDY HOURS

Yes, the A-B-C's, and all other school work, are much easier when the light is good and eyestrain is gone.

Be sure your children study with a lamp with sloping sides to give them the widest area of usable light. Use a tall lamp, and, when writing is part of the studying, be sure the lamp is opposite the hand being used so that the shadows run away from the light.

Sight is priceless, light a matter of pennies. Don't save pennies and waste your child's eyes.

# Post Teachers Will Be Seeing Double In 1958 Classrooms

In the school term of 1958-59, the confused look on the face of the teacher will be the unusual number in her class. These twins are the six sets born to Garza parents before September 1.

Garza Memorial Hospital, Mr. and Mrs. Windham added more confusion by naming the look alike girls, Mary Sharon and Elizabeth Karon, and calling them Sharon and Karon. These young girls have one brother, Donnie.

Thomas Kenneth and Laura Kay, twin son and daughter of Mr. and Mrs. Lewis Herron, Post, first viewed this huge world

# Council Budget For 1953 Out Program Announced

Scout Council Budget of 1953 has been announced by J. M. Willson, Jr., of the Chairman of the Finance Committee of the South Central Council, Boy Scouts of America. The council-wide campaign for this budget will start on September 20, with a simultaneous effort in every community of the county.

The Council has nearly completed the development of C. W. Post Memorial Scout Camp near here. During the past three years new facilities including a new dining hall, a new health lodge, new bath houses, water lines, 100,000 gallon water storage tank, Ranger's home, equipment storage and trading post building, new rifle range, and new archery range have been completed. The Council has spent nearly \$110,000 on this camp improvement project.

# Library Recovers Quickly From Fire

Less than five weeks after fire razed the Snow here destroying 9,600 books there are now more books for borrowers than before the fire.

Present Council leaders are Dr. F. B. Malone, Lubbock President; J. M. Willson, Sr., Floydada Vice President; K. N. Clapp, Lubbock Council Commissioner; and W. E. Hines, Lubbock-Treasurer, National Council Representative. Dr. Clifford B. Jones, Lubbock; J. Edd McLaughlin, Ralls and Joe T. Salem, Sudan.

# Experiment Increases Weights Of Soldiers

TAIPER, FORMOSA—P—The addition of 100 grams of soybeans per day to the diet of Chinese Nationalist soldiers has increased their weight, says the Mutual Security Agency here, which had a hand in the nutritional experiment.

# Bits Of News From Here and There

Kenneth Hargrave, son of Mr. and Mrs. E. A. Hargrave of Close City, and two former classmates at Wilson, Victor Steinhauser and Clarence Moore, who are in the Navy, met recently in Atsugi, Japan. The three graduated from Wilson high school in 1950. Kenneth and Victor joined the Navy January 8, 1951 and Clarence enlisted soon afterward.

land and formerly of Post, was pictured in the first edition of Levelland's daily publication, The Daily Sun-News, on Aug. 31. A story with the picture told the history of her name. She was named after her uncle, A. F. Reese, Jr., for whom Reese Air Base is named. Reese Ellen is a granddaughter of Mrs. W. J. Shepherd.

Mrs. R. W. Bobb spent Saturday in Lubbock. Mr. and Mrs. D. G. Porterfield have returned to Dallas, where he is a medical student, after spending the summer here. Mr. and Mrs. O. C. Harrison and Mr. and Mrs. Roy Lemond recently went fishing at Possum Kingdom. Miss Wanda Norman has gone to Lubbock where she will attend Texas Tech. She was employed as a telephone operator here during the summer.

Missing the first baby contest at Garza Memorial Hospital, by a few minutes Juanita Gay and Martha Ray Chancellor were the first twins born in the local hospital, August 4, 2 o'clock, is the baby book record reading on Gay and Ray. Proud papa and mama of these girls are Mr. and Mrs. James Chancellor of Post.

Mr. and Mrs. Sims Taylor, Post, were parents of Garza county's fifth twins and third set of girls, being born in Slaton Mercy Hospital on August 8. These young ladies will be known as Terry Lane and Susan Latone.

More than 15,000 soldiers participated in the three-months experiment, and the average gain was 10 pounds per man, the MSA said.

Reese Ellen Shepherd, 16-months old daughter of Mr. and Mrs. Bruce Shepherd, of Levelland and formerly of Post, was pictured in the first edition of Levelland's daily publication, The Daily Sun-News, on Aug. 31. A story with the picture told the history of her name. She was named after her uncle, A. F. Reese, Jr., for whom Reese Air Base is named. Reese Ellen is a granddaughter of Mrs. W. J. Shepherd.

Mr. and Mrs. Lonnie Peel and son, Lonnie Gene, returned home Friday after a vacation in Arizona and California. They visited the Delmo Gossetts in Prescott, Ariz. and the Gossetts accompanied them on a weekend trip to King City, Calif. where the group visited the Bob Thommarson family.

Ray Diekemper of Lubbock was seriously ill in Lubbock Memorial hospital. Mrs. H. E. Butler went to Temple Friday for observation in Scott and White hospital.

Various committee chairmen are: John Lott, Post; Chairman Training Committee; Alton Hall, Plainview, Chairman Advancement Committee; Sam A. Henry, Jr., Lubbock-Chairman Organization & Extension Committee; Dr. C. C. Schmidt, Lubbock-Chairman Committee; Dr. W. I. Lubbock, Chairman Health and Safety Committee.

Sharon and Karon, Cheryl Kay and Darrell Ray, and Gay and Ray hold the honor of having twin names. Terry Lane and Susan Latone are exclusive babies in the fact that they have no brothers or sisters.

STILL ROLLS HIS OWN—Though methods of smoking in the past century have changed—also with newspaper work. A. W. Neville, Paris, Tex., News editor still like to roll his own. He celebrated his 50th year with the paper recently and enjoys the title of "Dean of Texas Newspapermen."

CANT GO ASHORE—Spiridon Zagouris, 31, a Greek seaman who has a Texan wife and a 17-month-old son, has asked a U. S. District Court in New Orleans why federal authorities have refused to let him go ashore in the United States for almost two years. Zagouris told the court that every time the American ship he sails on docks in the United States an immigration official serves a writ of detention on him. Zagouris' wife lives in McAllen, Tex., and has been permitted to visit her husband occasionally when his ship docks at Texas ports.

NAMED LEAGUE'S PITCHER OF THE YEAR—Hal Erickson, right-handed pitching ace of the Dallas Eagles baseball club in the Texas League, has been named the league's Pitcher of the Year. Twenty-four sports editors and sports casters balloted in making the selection. Bill Hunter, Fort Worth shortstop, was selected as Player of the Year.

RATTLER EATS RATTLER DILLON, Mont. (AP)—A man who hunts rattlesnakes for a hobby says the reptiles have turned cannibal. Stewart Schlafke shot a 30-inch rattler one Sunday and cut off its rattles. He hiked on a little further and then came back to the same spot where he killed the snake. This time he saw another rattler puffed up from a big Sunday dinner. He killed that one and inside was the first snake minus the rattles he'd removed.

### BITS-OF-NEWS

Mr. and Mrs. Ira Greenfield attended the Slaton-Petersburg football game in Slaton last Friday night. Mrs. Greenfield's niece, Carolyn True Rosser served as drum major of the Petersburg band and pep squad.

Mr. and Mrs. C. I. Dickinson of New York City, who are visiting relatives here, were honor guests at a dinner given by the James Samsons at the Lubbock Country club Tuesday evening. Several Post couples attended.

Mr. and Mrs. Ira Greenfield spent several days last week in Carlsbad, N. M., with Mrs. Greenfield's sister and husband.

Visitors in the home of Mrs. Ethel Bruton this week included Mr. and Mrs. Aller Bruton of Hobbs, N. M., Mr. and Mrs. J. H. Bruton and son, Randy, of Springfield, Ore., Mr. and Mrs. Dalton Bruton and children, Jo and Betty, of Houston, Mr. and Mrs. Eugene Bruton and sons, Ronnie and Harlon of Wilson, Mr. and Mrs. Jimmy Smith and daughter, Janie, and Mr. and Mrs. Kenneth Falls and sons, Billy and David.

Dr. and Mrs. Harry A. Tubbs will be in San Antonio the first of the next week. Dr. Tubbs will attend the Scientific Assembly of Texas Academy of General Practice Monday and Tuesday.

NEW YORK (AP)—Traffic congestion, deteriorated roads and fear of accident have reduced the annual average mileage in individual use of passenger cars to below the peak prewar rate, reports the American Automobile Association.

An analysis by the U. S. Bureau of Public Roads showed that the average individual annual use of passenger cars for 1951 was 9,020 miles, compared with 9,942 in 1946. The 1950 total was 9,030 miles. Both 1950 and 1951 figures fell below the prewar peak travel of 9,285 miles in 1941.

Forecasts based on the six-month estimates for this year, it was reported, indicate the average may show a further drop before 1952 is ended.

The Delaware River forms a natural boundary for parts of four states in the east—New York, Pennsylvania, New Jersey and Delaware.

An African evangelist's pleas recently have caused hundreds to repent and property lost over a decade has been returned to owners.

Proposals shall be accompanied by proposal guarantee in the form of cash, a satisfactory bid bond, or a check properly and unconditionally certified by a solvent bank, payable to the order of H. M. Snowden County Judge of Garza Co., Post, Texas, for at least 5% of the proposed sum.

No bid shall be withdrawn after the opening of bids for a period of thirty days after the schedule time of opening.

Date, September 8, 1952. Signed, RAY N. SMITH, County Clerk, Garza County, Texas.

### You, Too, Can Have Health

How does chiropractic remove pressure and restore health? The human spine is composed of movable segments, placed one on top of another, the center forming a hollow core or "tunnel" to house the spinal cord or "main trunk line" from the brain—the power house of the body. Extending from the spinal cord is a network of nerves, carrying vital energy or nerve force from the brain to every organ and part of the body. Now, when one of the movable segments of the spine becomes misplaced ever so slightly, this results in pressure on a nerve which, in turn reduces or cuts off the supply of vital energy to that part of the body. Deprived of this life-giving energy, the affected organ naturally suffers; becomes diseased.

Morrison Chiropractic Clinic DR. L. J. MORRISON "YOUR HEALTH FIRST"

### Garnolia Notes

Please Send News Not Later Than Monday to MISS PEARL CRAIG Garnolia Correspondent

Visitors in the home of Mr. and Mrs. Ruel Smith and Mrs. Odom last week were Mr. and Mrs. Earl Odom, Shirley and Barbara of Ropesville, Ray Odom of Slaton, Mr. and Mrs. Roy Fitzgerald and Mr. and Mrs. S. H. Hood of Tahoka.

Mary Weatherby visited from Thursday until Sunday with her sister, Joyce Weatherby, of Lamesa.

Mr. and Mrs. Otis Cash of Levelland were Sunday visitors in the Bert Cash home.

Guests in the R. L. Craig home Sunday were Mrs. W. L. Pendleton and children of Tahoka and Mr. and Mrs. H. J. McKay of Lubbock.

Vandon Thomas, Dean Laws, Robert and Wayland Craig returned home Friday from a trip to Colorado Springs.

Lola Hodo of Meadow visited Mr. and Mrs. T. C. Edwards Sunday morning.

Mrs. Ethel Ballings of Idaho is visiting the Park Leathers family this week.

### Public Notice

Owner: Garza County Precinct No. 2, Post, Texas, Building: Warehouse.

The Commissioners Court of the County of Garza, Post, Texas, will receive sealed proposals until 2:00 P. M. Sept. 29th, 1952, at the court house, for a general contract for the complete work for the construction of a warehouse building, in accordance with drawings and specifications therefor prepared by Tom W. Boucher, at which time all bids will be publicly opened.

Drawings and Specifications for the work are on file in the office of the County Judge of Garza County at Post, Texas; and bidders may obtain copies upon application.

The successful bidder will be required to furnish a satisfactory performance bond for labor and material.

The Commissioners Court of Garza Co., Post, Texas, reserves the right to reject any or all bids and to waive any informalities in building.

Proposals shall be accompanied by proposal guarantee in the form of cash, a satisfactory bid bond, or a check properly and unconditionally certified by a solvent bank, payable to the order of H. M. Snowden County Judge of Garza Co., Post, Texas, for at least 5% of the proposed sum.

No bid shall be withdrawn after the opening of bids for a period of thirty days after the schedule time of opening.

Date, September 8, 1952. Signed, RAY N. SMITH, County Clerk, Garza County, Texas.

Teeming with tension, the sky-high spectacle staged by the reckless, death-defying Strato Stars will thrill thousands daily at the 35th annual Panhandle South Plains Fair in Lubbock, Sept. 29 through Oct. 4. Four of the nation's finest aerial acts will be performed twice daily, free of charge, at the fair.

### 1952 Scholarship Fund Is Complete

The Community Scholarship Fund for 1952 has been completed with the latest donation from Brown Bros. et al of \$100, Mrs. B. E. Young, secretary of the organization, announced Wednesday.

This organization was started to aid Post high school students in obtaining a college education. William Bullard is the first to receive the award, but if it is successful many Post graduates will follow.

## Miss Hagood's Engagement To Edward Moseley Is Announced

Mr. and Mrs. G. N. Hagood are announcing the engagement and approaching marriage of their daughter, Betty, to Edward Moseley of Southland. Parents of the prospective bridegroom are Mr. and Mrs. Edgar Moseley. The couple will be married at 8 o'clock in the evening, November 1, in the First Methodist church.

## METHODIST CHURCH

## Services To Be Held Observing Publication Of Revised Bible

There will be among the 3,000 communities in the United States and Canada which will celebrate the publication of the new Revised Standard Version of the Holy Bible, September 28 through October 5.

The Rev. Gerald N. Blackburn, Presbyterian pastor, is acting as general chairman of the local committee. Services of the observance here, the main event of the week will be an interchurch community singing on Thursday evening, September 30, at the Methodist church. The interdenominational singing featuring an outstanding speaker, a worship service and dedication of the new Bible will be held at 8 o'clock in the evening.

Planning committees for Post-observance will be the Rev. J. Holman, Nazarene pastor, the Rev. Almon Martin, First Presbyterian pastor, promotion, publicity and exhibits committee; the Rev. Joe E. Boyd and the Rev. Blackburn, program and arrangements.

The Revised Standard Version of the Holy Bible is the product of translation efforts of 32 of America's outstanding Bible scholars. They have been at work on the publication since 1930. The Revised New Testament was first published in 1946.

The observance is sponsored by the local ministerial association, the Texas council of churches and the Division of Christian Education of the National Council of the Churches of Christ in the U. S. A., in addition to the major Protestant denominations.

## Club Meets With Mrs. O. H. Hoover

The Graham Thursday club met with Mrs. O. H. Hoover last week. The group emboldered for the week. Following a short business refreshments of cake and cream were served.

Those present were Mrs. Will Davis, Mrs. John Wallace, Mrs. J. A. Propst, Mrs. A. Oden, Mrs. R. W. Babb, Mrs. Charles Propst, Mrs. P. E. Oden, Mrs. Bill McMahon and Mrs. D. R. Adamson of Oklahoma.

The unit will meet next Thursday with Mrs. Oden.

## Graham Club Has Family Party In J. Propst Home

Members of the Graham Thursday club entertained their families Friday evening with a supper in the back yard at the J. A. Propst home.

Games of 42 and Canasta were played following the meal.

Those enjoying the occasion were Mr. and Mrs. P. E. Stevens, Mr. and Mrs. Glen Davis and son, Carol, Mr. and Mrs. Will Wright, Mr. and Mrs. W. A. Oden, Mr. and Mrs. O. H. Hoover.

Mr. and Mrs. Bill McMahon and daughter, Linda, Mr. and Mrs. Elvius Davis and son, Jerry, Mrs. R. W. Babb and Mr. and Mrs. Propst.

R. D. Travis, Jr.
- September 17:**  
Mrs. Lee Byrd  
Preston Mathis

## Church News

The Rev. Gerald N. Blackburn, Presbyterian pastor, is attending a Presbytery in Lamesa today.

The Rev. Bryan Ross, pastor of the Pleasant Valley Baptist church, will preach at the Latin Baptist church here Sunday night, and Emmett Rubio, pastor of the Latin church, will speak at the Pleasant Valley church. Rubio is conducting services at 3 o'clock each Sunday afternoon, at Pleasant Valley for the Latin people. The attendance at the community church has held up well this summer, according to the Rev. Mr. Ross. The average Sunday School attendance for the past five months is 80, and 91 were present last Sunday. The resident membership of the church is 97. Wednesday night is an important night at that church. After prayer services there are the following meetings: the first and third Wednesdays, WMU, RA, GA and Sunbeam meetings; the second Wednesday in each month is devoted to a church social; the fourth Wednesday is set aside for a Singspiration and the fifth Wednesday, a program planning meeting is conducted.

Those attending the Lubbock Baptist Association meeting at Shallowater last Tuesday from Calvary Baptist church were the Rev. and Mrs. F. M. Wiley, Mr. and Mrs. Gordon Flowers, Lyda Odom, Mrs. Bud Odom and Mrs. W. C. Kiker and children, Wayne and Diane.

People of the Verbena community are cordially invited to hear the Rev. Joe E. Boyd speak at the Verbena church Sunday morning at 10 o'clock.

Mrs. Bill Adecock, teacher of the Junior Boys Sunday School class at the Calvary Baptist church, took her group on a picnic to Second Bridge Tuesday evening. Enjoying the supper were Hoyt Adecock, Harrison Hoskins, Herbie and Donnie Hays and Hoyt Cantrell.

This evening at 7 o'clock, representatives of the Nazarene Sunday School and Young People's society will meet at the church to prepare for visitation. The organized calling will continue each Thursday evening.

Audye Wiley, son of the Rev. and Mrs. F. M. Wiley, recently surrendered to preach. He spoke at the Calvary Baptist church Sunday. He will enter school soon to prepare for the ministry.

"Back to Church, Let God Have A Chance, are expressions you see published here and there. Let the people of Post Community become alert in church activities," the Rev. Joe E. Boyd, Methodist pastor, urged this week. He announced that he will speak Sunday morning on the theme "I Will Uphold The Church." His evening subject will be "This Is The Day." "The people of this community who are not in worship services are extended a cordial invitation to be present," the Rev. Mr. Boyd said.

The WMU of the Calvary Baptist church met Monday night with eight members attending. Mrs. F. M. Wiley had charge of the devotional program and Mrs. W. C. Kiker gave a book review on Baptist work in Japan.

The fifth and sixth graders in the junior department of the Methodist church ended a recent contest with a party at Second Bridge on the Tahoka highway, Wednesday evening. Mrs. Red Floyd's class won over Mrs. Ralph Welch's group by five points. Points were accumulated and counted according to the number of Bibles carried to class, visitors, new pupils and best attendance record of members. The two groups, totaling approximately 30, met at the church at 5 o'clock and six cars took them to the picnic scene. Fried chicken, sandwiches, fruit and drinks were served. The losing team furnished the drinks for the supper. The Rev. Mr. Boyd was a guest. Mrs. Boyd was unable to attend because of illness. She recently underwent a serious operation in Seminole.

The Junior GA's of Calvary Baptist church met Tuesday and elected new officers. Joann Odom will head the group as president, Kay Anthony, secretary-treasurer, and Patsy Payne, song leader.

Members of the Nazarene Young People's society will present a skit entitled "I Will Build My Church." Sunday evening at 7 o'clock. The skit was recently

## Burnis Lawrence Honored At Party

Burnis Lawrence, former Dispatch editor who resigned September 1 to accept the Chamber of Commerce manager position in El Campo, was honored with a surprise farewell dinner Wednesday evening, in the banquet room at Levi's Ranch Cafe.

Those present were Mr. and Mrs. Dick Roach, Mr. and Mrs. A. R. Mills, Mr. and Mrs. Guy Gearhart, Mr. and Mrs. Alton Clary, Mr. and Mrs. Charles Benson and Mr. and Mrs. Lawrence.

After dinner, the party spent an enjoyable evening in the home of Mr. and Mrs. Roach.

Lawrence left Friday for El Campo. His family plans to follow at mid-term of this school year.

## Pierce Announces Cafeteria Menus

E. E. Pierce, school cafeteria manager, has announced the following menus for next week:

Monday: Vienna sausage, navy beans, lettuce salad, plum cobbler, bread, milk.

Tuesday: Red beans and pork, mixed greens, potato salad, corn bread muffins, spice cake, milk.

Wednesday: tuna fish salad on chopped lettuce, creamed potatoes, English peas, rolls and butter, plain cake squares, milk.

Thursday: meat loaf, green beans, spaghetti and tomato sauce, peanut butter cookies, bread, milk.

Friday's menu will be printed in next week's paper.

Meal prices this year are grade school children, 30 cents; high school students and all employees, 35 cents; and visitors 50 cents.

Given at a district gathering and it was termed such a success that the local youths have been asked to repeat it here.

A Baptismal service was conducted Sunday night in Calvary Baptist church. Those who were baptized were Mr. and Mrs. Daws Jackson, Jackie Ray Odom and Mrs. Buster Shumard.

## Beta Sigma Phi Sorority Holds Business Meeting

Beta Sigma Phi sorority members met Monday evening in the home of Mrs. Bing Bingham for a business session.

The group made plans for the Ritual of Jewels ceremony, which will be conducted by Theta Pi chapter members of Amarillo, at 3:30 o'clock Saturday afternoon, in the home of Mrs. James Minor.

Mrs. Bingham served refreshments to Mrs. Max Gordon, Mrs. J. C. Strange, Mrs. Minor, Mrs. Vernon Ray, Mrs. C. E. Dougherty and Mrs. Ed Sims.

## Miss Penelope Cartwright And W. G. Craig, jr., Are Married

Miss Penelope Marnalla Cartwright, daughter of Mr. and Mrs. L. D. Cartwright of Los Angeles, Calif., and formerly of Post, became the bride of Willard G. Craig, jr., son of the Willard G. Craigs of Lynwood, Calif., recently.

The double ring ceremony was read in Lynwood First Methodist Episcopal church. The Rev. James Roberts officiated for the vows in the presence of the immediate families of the couple.

Given in marriage by her father, the bride wore a white French imported lace dress, fashioned with three-quarter length jacket, and a fingertip illusion veil. She carried a bouquet of gardenias and orange blossoms.

Mrs. Billie Gunderman, sister of the bride and matron of honor, wore a navy gabardine suit with matching accessories. She carried a bouquet of pink roses and orange blossoms.

Bill Rowland attended the bridegroom as best man.

A reception, attended by 60 guests, was held in the gardens of the South Gate home of Mr. and Mrs. Russell Gates.

After a trip to Big Bear, the couple is at home in Lynwood.

Mrs. Craig, a graduate of Manual Arts high school in Los Angeles, is employed by the Pacific Can Company. Her husband attended Denver schools and served five years with USAAF 82nd Airborne Division. He is employed by the US Spring and Bumper company.

## Naomi Sunday School Class Has Meeting To Plan For New Year

The Naomi Class of the First Baptist Sunday School met in the home of Mrs. Haden Johnson Thursday night, for a regular monthly business social.

Officers were elected and plans were formulated for the forthcoming church year. Mrs. Alton Clary was re-elected president of the unit. Mrs. William Robinson and Mrs. Burnis Lawrence were appointed group captains.

Other officers elected were Mrs. Sol Davis, secretary-treasurer; Mrs. Johnson, membership vice-president; Mrs. Boyd Allison, stewardship vice-president; Mrs. Hans Hudman, fellowship vice-president and Mrs. Richard Vardiman, class ministriss.

The group changed its regular meeting date from the last Thursday in the month to the first Thursday, to avoid conflicts with other meetings.

The unit decided to sponsor a drive to secure school clothing for a nine-year-old colored girl. Anyone interested in helping with this project is asked to contact Mrs. Hudman or Mrs. Lawrence.

Each second Wednesday of the month was adopted as visitation day. Members agreed to meet at the church at 10 o'clock in the morning, carry a covered dish, visit and have lunch together in the kitchen or on the lawn, if the weather permits.

Each member will draw for a month in which she will serve as hostess for the social. The hostess will plan the menu and she will be assisted financially by the group captains.

Mrs. Frances McAfee, Mrs. Everett Windham and Mrs. Temple Lee, who are being promoted into the Leaders class, taught by Mrs. Tom Bouchier, were showered with gifts from the remaining members of the group. The president was presented a potted plant.

Those attending were Mrs. Davis, Mrs. Clary, Mrs. Windham, Mrs. Johnson, Mrs. Henry Tate, teacher, Mrs. Hudman and son, Randy, Mrs. Lee, Mrs. Howard Madrea, Mrs. Robinson, Mrs. Vardiman and Mrs. Boyd Allison.

Visitors were Mrs. Tate's daughter-in-law and her children of San Marcos, who are visiting here.

Mrs. Madrea will become an active member of the class as soon as she has attended three Sundays. This rule was adopted by the class at a recent meeting.

Refreshments of punch, cookies, nuts and mints were served at Thursday's meeting by Mrs. Tate and Mrs. Clary.

The next meeting will be a "Tacky Party" in the home of Mrs. Windham on October 2.

## PRISCILLAS TO MEET

The Priscilla club will meet at 3:30 o'clock tomorrow afternoon, with Mrs. George Sartain.

## IN CALIFORNIA

LOOK WHO'S NEW!

A daughter, Harriett Kathleen, was born to Mr. and Mrs. Harry Lee Mason, September 4, in Slaton Mercy hospital. She weighed six pounds and four ounces. The grandparents are Mr. and Mrs. M. Hester and Mrs. J. F. Mason.

## NEEDLE CLUB TO MEET

The Needlecraft club will meet at 3 o'clock tomorrow afternoon in the home of Mrs. T. R. Greenfield, with Mrs. T. L. Jones as hostess. The meeting time has been changed from 4 until 3 o'clock.

### Mayor Jones Will End "Fiesta"

Mayor T. L. Jones, will end the "Lamesa Fiesta" Monday, September 15th. At that time the city of Lamesa will welcome a group of visiting dignitaries from all over the state of Texas to the observance of this event. The fiesta will be the first of its kind in this area, according to Mayor Jones. The fiesta was organized by Mrs. Davis, manager of the Lamesa Chamber of Commerce. Mexican people are becoming permanent residents, instead of migrant workers, of this area, Mayor Jones stated. In the future all towns in this area of the state will probably have fiestas of this nature. Lamesa's fiesta will represent the 8th year of liberation of the state of Mexico from Spain.

American mines are furnishing more than half the steel production.

**NEW PRESIDENT**—Logan Wilson, academic vice president of the Consolidated University of North Carolina, but with a lot of Texas school work behind him, has been chosen by the Texas University Board of Regents as the new president of the state school. He succeeds Dr. T. S. Painter, who resigned in order to devote his time to teaching and research in zoology.

### County Will Not Get Drouth Aid

Garza county was not among the Texas counties listed in the drouth disaster area, released Saturday in Daily newspapers, of which President Truman declared a \$3,000,000 relief fund for stock feed. This fund is to be given to dairy and livestock farmers to buy feed for their stock. The office of Senator Lyndon Johnson released the names of 58 counties to receive the aid. The South Plains counties were omitted in this fund, because of the fair condition, at present, of the crops in this area. Scurry county is the only area close to Garza county receiving this aid. Other nearby counties are Fisher, Mitchell, and Stonewall.

Drouth disaster relief was set up in six other states for the survival of the livestock. Texas is the seventh state to receive this aid. The difference in the program is that Texas sheep and goat raisers may participate also. Under this program the Department of Agriculture buys hay and feed in other areas and ships it to the disaster area for reduced sale to distressed farmers.

In order to receive this feed the farmers must certify as to need. This feed must not be resold at a profit. The delay in receiving this fund for Texas was contributed to Governor Allan Shivers by Housing and Home Finance Administrator Raymond H. Foley, who recommended the action to the president last week. The acquiring of information from federal and Texas Departments of Agriculture was one reason for the delay.

Irrigation and July rains seem to be the savior of Garza county and other West Texas counties not receiving this aid. Only a few days ago the prediction for Garza was 20,000 bales. The continuing cool nights and moderately cool days have been a helping hand in preservation of the crops.

#### SALES SOAR

NEW YORK—P—Hot weather booms the sales of canned meat. Meat canners and affiliated industries report that summer sales have gained consistently since 1948. Production now, they said, is about five times what it was 15 years ago.

### Deficit Of \$105 Is Dissolved By Local Donations

The \$105 deficit for the Parent-Teachers Association's summer program has been dissolved, Mrs. C. R. Smiley, treasurer, reported earlier this week. This deficit occurred when the recreational program expenses exceeded the estimate first given. Donations were contributed to cover the excessive costs.

Post Chamber of Commerce donated \$50 which was totaled in last week's fund, but their name was erroneously omitted from the list of donors.

Donations for this week came from: Postex Mill \$20, Tom Bouchier \$10, Brown Bros. et al \$50, First National Bank \$20, and Doctor Harry A. Tubbs \$5.

### Directors Of Red Cross Have Meet

The Board of Directors of the Garza County Red Cross Chapter met Thursday night at the Pickett Abstract office. Lee Bowen, chapter chairman, presided over the meeting.

The Home Service Committee, comprised of Leo Acker, chairman, Mrs. Carl Webb and Bill DeWalt, reported on Red Cross services rendered by financial assistance, in getting emergency leaves and extension of leaves for active service men during the past three months.

The budget for the coming fiscal year was discussed and a report was given by the Secretary-Treasurer, Dean Robinson. Miss Jean Fitzsimmons, general field representative, outlined plans for disaster preparedness in the county.

Tentative plans were made for the annual Fund Campaign to be held in March.

Bowen said that a Fund Campaign Chairman would be named in the near future and organization would begin at once. The quota will be higher this year than in previous years, Miss Fitzsimmons stated.

New officers were announced as follows: John Lott, disaster chairman; Mrs. Vernon Ray, nursing services chairman; Mrs. Burnis Lawrence, publicity chairman.

### Man Rides Manhole Cover, Is Injured

LOS ANGELES—P—Warren W. Camplin had a weird ride on a manhole cover recently.

Camplin was standing on the cover while tending to a small weed fire. Police said the flames must have touched off a small pocket of natural gas in the manhole because Camplin was blown about 4 feet into the air. He was treated for burns and injuries.

### Columbia Begins New Veteran Tuition Plan

NEW YORK—P—A special deferred payment plan for veterans of the Korean War and for other veterans entitled to educational benefits under the new G. I. Bill of Rights will be started in September at Columbia University's Teachers College, according to Dr. Milton C. Del Manzo, college provost. They may have up to two-thirds of their tuition deferred.

Under the deferred payment plan, if the year's tuition for a veteran is \$600, he pays \$200 in cash and the balance in installments starting six months after he leaves college.

Charles Burton in 1848 made the first baby carriage, followed by protests from pedestrians because people wheeling the contraptions ran into them. Burton moved to England and opened a factory.

**FRIENDLY FOES**—Alvin H. Lane of Dallas (left) chats with Carlos Watson of Brownsville at the state executive meeting of the Republican Party in San Antonio. During the convention—which ended up by crossfiling the whole slate of state Democratic nominees onto the GOP ticket—Watson stepped down from his candidacy for chairmanship of the state executive committee, leaving Lane unopposed for the job.

**WTCC STAFFER**—Paul Marable, Jr., former manager of the Denison Chamber of Commerce, has joined the staff of the West Texas Chamber of Commerce. Marable will be manager of the Industrial Development and Water Resources departments and also will act as general administrative assistant.

### Overpayment Of Firm Draws Heavy Penalty

NEW YORK—P—Four firms in the New York area that paid their employees too much, were penalized \$11,217 in tax disallowances, reports the regional office of the Wage Stabilization Board. More drastic penalties would have been imposed, said the board official, had not the companies shown willingness to co-operate once their unauthorized wage scheduled had been uncovered by investigators of the Federal Department of Labor.

Elm Farm Ollie, a Guernsey, was the first cow flown in an airplane. The flight was made in 1930, and Ollie was milked during the flight and sealed paper containers of the milk were parachuted over St. Louis, Mo.

### Barnum Springs

Please Send News Not Later Than Monday to BOBBY JOYCE HENDERSON Barnum Springs Correspondent

The Barnum Springs Home Demonstration club will meet in the home of Mrs. J. P. Ray, Sept. 11, for an afternoon meeting. Mr. and Mrs. Avery Moore visited her parents, Mr. and Mrs. Haynes, in Pietown, N. M., last week.

Mr. and Mrs. Tom Henderson and Bobby Joyce recently attended the funeral of their nephew and cousin, Edmund Schwartz, who was killed when his tractor turned over on him, in Nevada, Mo.

Frank Wilson of Big Spring visited Jimmy Avery Moore this week.

Mr. and Mrs. Clyde Haynes and son visited Mr. and Mrs. Edgar Altman and son in Lovington, N. M. recently.

Mr. and Mrs. W. A. Long went fishing at Canyon last weekend.

Mr. and Mrs. Bill Norman visited Mr. and Mrs. Johnny Simmons and children in Dumas over the weekend.

Maudie Faye Ray visited Jeanette Storie in Post Tuesday.

Jerry Pennell of Southland visited in the O. F. Pennell home over the weekend.

Jimmy Avery Moore has a new Oldsmobile.

Mr. and Mrs. Ray of Grassland visited their son and family, Mr. and Mrs. J. P. Ray, and children, Sunday.

Mrs. Rueben Wilkie of Tahoka, visited her parents, Mr. and Mrs. G. L. Perkins, Saturday.

Mr. and Mrs. Avery Moore visited in Seminole Friday.

Mr. and Mrs. O. F. Pennell and family visited in the Ray Hodges home Thursday night.

Mr. and Mrs. J. W. Long and family were weekend guests of his parents, the W. J. Longs, in Thalia.

Mr. and Mrs. Bill Powers and children spent last week in Alto with relatives.

Janene Haynie visited Kay Hedrick in Post Monday.

Mr. and Mrs. Henry Ray of Lubbock visited their daughter and family, Mr. and Mrs. C. E. Scott, Monday.

Jack McKinney visited relatives in Ft. Worth last week.

Mrs. Nadine Morrow observed her birthday Sunday.

### PRUNES TO NORWAY

LONG BEACH, CALIF.—P—Two ships, the Abraham Lincoln and the Bataan, will carry 464,000 boxes of prunes to Norway. The Norwegians financed the prune purchase by selling furs in European countries then turning the proceeds into dollars.

Great Lakes cities like Chicago and Duluth get their water supply by extending pipes 2 to 8 miles offshore to bring in lake water from beyond the range of city-caused pollution.

### Justiceburg News

Please Send News Not Later Than Monday to MRS. GEORGE EVANS Justiceburg Correspondent

School began Monday morning with 27 pupils enrolled. Opening exercises were held. New pupils this year include Bert, Louis, Oscar, Vickie and Maria Molina, Lydia and Jose Marroquin, Sharon Blackwell and Billy Wayne Streety. Mrs. Joe Callis and Mrs. V. A. Lobban are teachers.

Visitors in the home of Mr. and Mrs. Claud Pettigrew Sunday afternoon were their son-in-law and daughter, Mr. and Mrs. Zeke Rhea, and son of Plainview, and their grandchildren, Forestine Crowley and Phillip Morgan of Slaton.

Mr. and Mrs. Bill Barnes and children of Cogsdon Oil camp, visited Mrs. Barnes' grandparents, Mr. and Mrs. W. T. Parchman, Sunday.

Fernie Gene Reed, 13-year-old son of the Lee Reeds, has returned home after spending several weeks in Garza Memorial hospital following an accident in which he broke his hip. He was placed in a cast before being brought home Wednesday. He is improving satisfactorily.

The Rev. and Mrs. D. W. Reed of Garnolia, attended church here

### Parasite Mistletoe Killed By Foresters

ST. ANTHONY, IDAHO—Foresters are trying to give a life of death to a variety of mistletoe in some forests of the Intermountain region.

It isn't the decorative or kindling kind of mistletoe. It's a dwarf which robs a host tree of plant food. The mistletoe slows the growth of trees, distorts their shape and sometimes kills them.

Grant A. Morse, Targhee National Forest supervisor, said selective herbicides (weed killers) are used to destroy the parasite.

Sunday and visited in the Sam Bevers home.

Mrs. Etta Clarkston is visiting her sister, Mrs. Monroe Howard, at Artesia, N. M.

Mr. and Mrs. Roland Sullenger were called to Dermott Sunday night because of the death of Sullenger's grandfather and uncle, L. A. Williams and Claud Wilson.

Mr. and Mrs. Claud Pettigrew were called to Slaton Wednesday because of an accident in which their grandson, Bryan Morgan, was injured. He and a friend, Donnie Crumbley, were riding a motorcycle that was in collision with a truck. Bryan received a broken nose and other injuries, but is improving nicely.

# Movies Of The Week

Drama, Adventure, and Comedy are included in the movies of the week at the Tower. The drama is found in the "PAULA", part-felt story of "PAULA", Loretta Young portrays Paula, a young woman who is a secret she can neither keep nor reveal. Miss Young is applauded for her role in "PAULA" as one of the most dramatic of her careers.

Featured in support of the star is Kent Smith, whose life must be touched with scandal, and Alexander Knox as a doctor and family friend. Important in the family is a youthful newcomer, Jimmy Rettig. You may forgive "PAULA" but you'll never forget it.

**BUY AHEAD**

**HUDMAN**  
FURNITURE CO.

Since this is our choice for the movie of the week, Mr. and Mrs. Albert Stone of the Graham community might also enjoy seeing "PAULA"; if so, they have two tickets at the boxoffice for any performance.

Adventure is revealed in the "THE BIG SKY" showing Sunday and Monday. A story of adventure and wild as the country that is conquered in it, Howard Hawks has teamed Kirk Douglas and Dewey Martin as a pair of young Kentuckians seeking adventure. Elizabeth Threlkoff plays the feminine role in "THE BIG SKY", as daughter of a Blackfoot Indian chief.

Pioneer struggles keynote "THE BIG SKY", as Douglas and Martin portray hunters on a fur-trading party. Hawks presents a striking glimpse of the hardships and perils endured by the early explorers.

The comedy angle is found in two movies, with Judy Canova singing and clowning through "OKLAHOMA ANNIE"; then the trouble is of the Bumsteads in "BLONDIE BRINGS UP BABY." "OKLAHOMA ANNIE" goes her merry way Friday and Saturday at the Tower. "BLONDIE BRINGS UP BABY" is on Tuesday's menu for merriment. Penny Singleton and Arthur Lake again play the parts of Dagwood and Blondie Bumstead. This rib-tickling, merry mix-up is based, like its predecessors, on the sensational comic strip by Chic Young.

## Thief Leaves Good Description On Raid

WISNER, NEB.—P—A burglar who visited the Hansen Cleaners here apparently left a pretty fair description of himself.

From the firm's stock of new clothing, the thief took trousers, size 30 and 31; shirts, size 15, and caps, size 7 1/8.

## Russians Open New Hospital In China

SAN FRANCISCO.—P—The Russians have opened a hospital in Peiping, the Chinese Communist report.

A Peiping broadcast recorded here says the hospital is "directed by Soviet experts, staffed with Soviet doctors and nurses, pharmacists, laboratory and x-ray technical directors."

MRS. TEXAS 1952—Mrs. Mary Metz (center), 40, San Antonio, wife of an Army Sergeant and mother of a 19-year-old son, wears a crown of "Mrs. Texas, 1952" after she was picked to represent the state at the National Mrs. America contest in Albany Park, N. J., Sept. 6. Second was Mrs. Nita Grieder (left) of San Antonio, mother of three boys and Mrs. June Farmer of Dallas (right), was judged third best. The women were rated on beauty and housekeeping ability in the state contest in San Antonio.

TOP MAN—Fort Worth's Bill Hunter has been named as Texas League player of the year, winning by a big margin over Harry Seslet of San Antonio.

## Examination For Cerebral Palsied

A clinic for the examination of cerebral palsied children will be held Monday, September 22, at the Cerebral Palsy Treatment Center, 3502 Avenue N, Lubbock.

Specialists present to examine children will be: Dr. E. T. Driscoll, Midland, Dr. A. Q. Lewis, Lubbock, and Dr. R. E. Donnell, Plainview, orthopedists; Dr. R. K. O'Loughlin, Lubbock, neuropsychiatrist; Dr. J. M. Reynolds, Lubbock, dentist; Dr. E. E. Moss, Lubbock, eye specialist; and Dr. J. D. Donaldson, Lubbock, Pediatrician.

Cerebral palsy, sometimes referred to as spastic paralysis or birth injury, is evidenced by the child's inability to sit or stand alone or walk or hold objects at the age these things are accomplished by the average child. Research has shown that treatment is most effective if started within the first few months of the child's life although children respond to treatment begun at a much later age.

Parents who plan to bring children to the clinic are requested to register the children at the Center before the date of the clinic. Information regarding the clinic may be obtained by writing Dr. Esther Snell, Director or calling Lubbock 5-6541.

## Bighorn Wildcat To Be Drilled In Garza Ranch Area

The oil activities of Garza county perked up considerably the past week with the proposed drilling of a wildcat on the Rex Welch ranch in north-central part of the county. The drilling, to be done by the Bighorn Corp. of Midland, is scheduled to begin on September 12, and is slated to go to 3,500 feet.

This is the first drilling since the dry hole dug by the Continental Oil Co. The wildcat will be located 330 feet north and 1,650 feet east of the Continental's failure.

The tester was abandoned June 28, 1951; it logged the following tops: Strawn 7,545; and Ellenburger, 8,130 feet.

The Bighorn No. 1 Welch is 2,310 feet from the west and 990 feet from south lines of Section 2, Block 4, K, Aycok Survey, 13 miles northeast of Post.

This test is to be made with Rotary tools.

Sigmund Freud is known as the founder of psychoanalysis.

## Raleigh Sow Farrows 19 Pigs In One Litter

RALEIGH, N. C.—P—A prolific sow recently farrowed 19 pigs in one litter on a Tyrrell County farm. All pigs were apparently normal and healthy at birth.

The litter is the fourth farrowed by the half Duroc and half Poland-China sow. She bore 9 pigs in the first litter, 13 in the second and 16 in the third.

## From where I sit... by Joe Marsh

### Narrow Town—Broad Outlook

The wife's cousin Ben, and Belle his bride are back from honeymooning in the Rockies. Took them to dinner last night at the Garden Tavern. Ben told about the trip: "Went through a town in Idaho that was only 100 feet wide. No kidding! Built into a long, narrow canyon. And it shares those 100 feet with a railroad track that runs right through the hotel! "To get gas there we had to park right on the tracks. Suddenly Belle screams—'there's a train coming!' But the gas fellow just laughs and says we were there first. Blamed if the engineer didn't stop the train and wait, too!" From where I sit, it's a good illustration of how people can learn to "think of the other fellow" so that the community benefits. Railroaders and townspeople, Democrats and Republicans, mailed milk fanciers and those who prefer a temperate glass of beer—we all have to share the same space. Let's maintain our neighbor's "right of way."

Joe Marsh

IT'S THE LAW  
in Texas  
A public service feature  
of the State Bar of Texas

Misunderstanding of simple driving rules by numerous motorists is one factor which places Texas right at the top in number of traffic deaths. Possibly the most mystifying of all traffic rules to the average driver are those relating to "Right of Way" at an intersection.

In trying to understand the laws regulating intersectional traffic, it is best to start off with the premise all streets are of equal dignity legally speaking. Traffic signs and signals may vary this rule somewhat, but when in doubt it is to assume that all drivers crossing your path have a claim to the right of way equal to your own.

Obviously, however, in many cases one driver or the other will be legally entitled to the right of way. When it becomes necessary to determine right of way in a particular situation, the driver who reaches the intersection first, or who is going to get there first, is ordinarily favored.

But when two automobiles are an equal distance from the intersection, that one approaching from the other driver's right normally has the right of way.

Some intersections are known as "courtesy corners," having a stop sign or a flashing red signal facing each direction of approach. The first driver reaching the corner and coming to a complete stop will normally have the right of way over other vehicles not already in the intersection. However, don't depend too much on the other fellow's courtesy, and be sure to keep a "proper look-out" and your car under "proper control," as explained in a preceding column.

At intersections involving one through street and another street having a stop sign, a driver approaching the stop sign and coming to a full stop is ordinarily said to have the right of way over vehicles approaching on the through street but not already in the intersection.

However, this last rule must be qualified by saying that you should not proceed, cross or turn into the through street until you can do so without interfering with oncoming traffic. In other words, if an approaching car will arrive within the intersection before you are completely clear, wait just a little longer. The same rules apply to entering a highway from a side road containing a stop sign.

Many drivers violate the rules of right of way covering left-hand turns at intersections. When turning left, you should always be on the inside (or center) lane, displaying the proper hand signal. You must allow all cars coming from the opposite direction, already in the intersection, to pass through before

completing your turn. Even when the intersection is cleared, do not proceed unless other oncoming traffic is far enough away to be able to see your signal and slow down to allow you to turn with safety to all concerned.

Stay in the inside lane until your left-hand turn is entirely completed, and only then move gradually over to the right-hand lane if you wish. When turning right, stay in the right-hand lane at all times. Do not swing wide into the center lane, as to do so is unnecessary, unlawful and dangerous.

Many detailed rules and suggestions for safe driving are included in the official "Texas Driving Handbook" which is available to any person requesting same from the Texas Department of Public Safety, Drivers License Division, Austin, Texas. (This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts.)

# What's the MOST SURPRISING THING about this BUICK?

WE'LL tell you the answer to that one— it's the figures on the price tag.

For some reason, lots of people just can't believe they can buy a Buick at a price so close to "the low-priced three."

Maybe it's because a Buick seems so much better and bigger.

Maybe it's because they think Buick has so much more power and room—which is true.

Maybe it is because so many distinguished people own Buicks—which is also a fact.

But the fact remains—if you can afford a new car, you can own a Buick—so let's see what you get.

You get the thrilling power of a Fireball 8 Engine, that's a gas-saving high-compression valve-in-head—as much power as you can get in cars costing \$300 to \$400 more.

You get as much room as you'll get in cars costing hundreds of dollars more.

You get a ride that cost an honest-to-goodness million dollars to develop.

You get the silken smoothness of Dynaflo Drive.<sup>®</sup>

You get big-car comfort, styling, durability.

Don't take our word for it. Come in and see for yourself why so many folks are stepping up to this great car this year.

Equipment, accessories, trim and models are subject to change without notice. \*Standard on Roadmaster, optional at extra cost on other Series.

SURE IS TRUE FOR '52—

WHEN BETTER AUTOMOBILES ARE BUILT

### Signal Light At School Installed

Parents of Post school students will welcome the news of the installation of one of the signal lights at the schools. Plans have been in motion for these lights since the erection of the Grade school. The light is at the Grade school on Highway 380 and is a manual operated red and green. Except during the traffic hours of the school the light will remain on green. Mayor T. L. Jones, reported.

The Texas Highway department installed this light and will pay for the electricity. The blinker at the High school intersection to be installed by the Chamber of Commerce, Lions Club, Rotary Club, school and city, has not arrived yet. Mr. Jones stated that the city officials expect it soon.

White crosswalks have been painted at both High school and Grade school intersections. These crosswalks and signal lights are for the insurance of life to Post school students.

Approximately 960 pupils will be crossing these streets about four times each day for the next nine months. About 600 of these pupils will be carefree youngsters from grade school. They are depending on Garza county motorists to protect them.

Sheriff Carl Rains said "Our plans are to make the people conscious of the danger around the schools. There are great possibilities of a bad wreck there. We intend to have rigid enforcement of the speed limit", which is 15 miles per hour in school zones, "and obedience of the signal lights."

### Samson Placed On Highway Committee

Representatives of district No. 2 of the West Texas Chamber of Commerce on its Highway Policy committee were announced Tuesday by Virgil P. Patterson, president of the First National Bank of Amarillo, the committee chairman.

This committee will hold its first meeting in Abilene Friday, September 12.

It will receive recommendations of a steering committee that met recently.

District No. 2 members are: Homer D. Grant, Lubbock, WTCC district No. 2 vice president; W. O. Fortenberry, New Deal, WTCC director-at-large; and J. S. Edwards, Slaton; J. O. Gillham, Brownfield; Bob Hester, Levelland; Julian Leneau, Muleshoe; Mace Osborne, Plainview; George Samson, Post; Guy Viotory, Lubbock; Walter Watkins, Ralls; Jim Willson, Jr., Floydada.

### Hospital Now Has Blue Cross Plan

Garza Memorial Hospital has recently qualified for the Blue Cross insurance plan, Jack Rex, administrator, announced this week. In order to meet these qualifications a hospital's prices must conform with what the Blue Cross considers reasonable. The Blue Cross Insurance Organization is not on a competitive basis, so a hospital must meet these standards to receive this affiliation. Garza Memorial is now eligible to receive Blue Cross patients.

Another affiliation received recently by the hospital is membership in the American Hospital Association. To receive membership in this hospital must meet specifications on nurses and doctors. Two new members have been added to the hospital staff, Rex reported. One is Mrs. Mary Standfer, registered nurse, of Plainview. Mrs. Standfer was supervisor of surgery in a Plainview hospital and she will serve as chief nurse here. Helen Louise Ryle, R. N. from Wichita Falls will also join the staff of Garza Memorial. She will be surgery supervisor.

### Garza San Andres Strike Assured

A new discovery has been found in the San Andres well at the R. S. Andrews of Midland No. 1-39 Clyde Miller, two miles southwest of Justiceburg in the southwestern-central part of Garza county.

This discovery is 330 feet from north and west lines of the southeast quarter of Section 39, Block 6, H&GN Survey.

The open hole was washed with 1,500 gallons of regular acid. This hole is from 2,429 to 3,027 feet deep and is now making 20 barrels of oil and 100 barrels of water daily.

Potential will be taken soon, informed sources stated.

### BAYLOR REUNION

A reunion of Baylor ex-students will be held in Mackenzie park in Lubbock, September 13. The group will assemble at the main entrance of the park at 6 p. m. All Baylor exes are invited to attend.

### To Work For Ike

(Continued From Front Page)

Shivers expressed his disappointment at the failure of Gov. Stevenson to assure Texas of a fair hearing on the tideland case, even though Stevenson was already known to oppose Texas' views on the question.

Price said that the rest of the morning the Convention was concerned with the routine business of selecting the permanent chairman, appointing committees, etc.

"At the afternoon session, after an address by Senator-elect Price Daniel, there was a debate on the legal aspects of placing two Democratic slates on the ballot in November," Price said. "One slate would have been labeled National Democrats and would contain the names of Stevenson and Sparkman. The other would present the names of Eisenhower and Nixon, as the choice of the Texas Convention, and would have been labeled Texas Democrats."

The Garza delegates said that on the roll call vote of the delegates, this method of expressing disapproval of the national Democratic convention's action was rejected by a substantial majority of the delegates, and declared to be improper procedure, but the Convention immediately thereafter adopted the resolution requisiting Gov. Shivers and other Texas Democratic leaders to support actively the campaign of the Republican candidates.

### Winners In Contest Announced Friday

C. K. Henderson, Lewis Kuykendall and C. M. Bland were the lucky winners in the Dearborn Farm Equipment contest sponsored locally by Garza Tractor and Implement company. The drawing was held Friday.

Mr. Henderson, first place winner, was awarded a \$100 merchandise certificate, and his name will be entered in a drawing for a new 8N Ford tractor, which will be given away at the State Fair, October 4.

Kuykendall's prize was \$50 in merchandise and Bland was awarded a \$25 merchandise certificate.

There are 39 books in the Old Testament; 27 in the New.

### BITS-OF-NEWS

Mrs. S. D. Lofton was a patient in the West Texas hospital in Lubbock last week.

Weekend visitors in the F. M. Wiley home included Mrs. Wiley's brother-in-law and sister, Mr. and Mrs. R. H. Woods, of Ballinger, Mr. and Mrs. Raymond Wiley and Milton Wiley of Lubbock, the Rev. and Mrs. Vance Zin of Lakeview, and Mr. and Mrs. Audye Wiley and son of Tahoka.

The Bruce Payton family has moved back to the Pleasant Valley community from Arkansas.

Mrs. D. C. Roberts, sr., is spending two weeks in Clovis, N. M.

Mrs. Roy Gilmore left Saturday for a two weeks visit with her husband, M/Sgt. Roy Gilmore in Houston.

Mr. and Mrs. J. M. Robinson visited relatives at Levelland Sunday.

Mrs. S. M. Lewis is spending a few weeks with her daughter, Mrs. Wardlow, in South Texas.

Visitors in the home of Mr. and Mrs. Bill Mathis are their daughters, Mrs. Jessie McDonald and children and Mrs. Gene Fisher and children of Fort Worth.

Robert Smith is enrolling in the Music Department of Howard-Payne college again this year. He served as choir director of the Youth Choir at the First Baptist church during the summer months.

Mr. and Mrs. Harold Davies and four children of Cisco were weekend guests of the Elbert, Curtis and Garland Davies families.

Post friends of Mr. and Mrs. Elmo Corbell of Houston have received invitations to the marriage of their daughter, Gwynne, to Mr. Walter Krenek, jr., on Saturday, September 27, at six o'clock in the evening in Saint Mark's Episcopal church in Houston. The Corbells formerly lived in Post. He was associated with the First National bank for a number of years.

A guest in the Roy Stevens and Curtis Davies homes recently was Mr. Hancock, father of Mrs. Stevens and Mrs. Davies.

Mrs. Edna Dell Pipes and daughters, Sandra and Barbara, of Ralls spent part of last week here with their sister and aunt, Mrs. Genevieve Koonce.

solid geometry for the first time in several years.

Approximately one-third of the school students are eating in the school cafeteria, with 267 meals being served Tuesday, E. E. Pierce, head of the cafeteria, reported Wednesday.

Other schools in the county started this week with the exception of Garnolia and Close City, which started September 1.

The number of enrollments in each of these schools is: Graham, 74; Grassburg, 8; Justiceburg, 27; Garnolia, 26; and Close City, 45. An enrollment list has not been received from Southland, Dean Robinson, county school superintendent, stated.

### DUMB BIRD

BALDUR, CANADA—P—Some birds never learn. A bank swallow that was banded and released in this Central Manitoba town returned to the same place where it was caught, almost exactly one year later.

(Continued From Front Page)

ship it to drought stricken counties, based on orders submitted through the State PMA Committee.

Legume hay will be available at \$36 per ton, mixed hay at \$32, and grass hay at \$28.

"Eligible livestock are all foundation cattle, including dairy cattle with steer calves of older than ten months, and also sheep," explained Custer. "It is anticipated that, in most instances, hay can be delivered directly from railroad cars and the County Committee in all cases, where possible, shall arrange with local feed dealers to supervise the unloading and delivery of hay, with payment for such distribution not being in excess of 50¢ per ton."

Orders shall be limited to approximately a 30-day supply for each producer until all eligible producers in the County have received a supply. A deposit of \$3.00 per ton shall be required with each order.

### 4-H, F.F.A. Fair

(Continued From Front Page) ham, poultry freezing. All building will be in the Double poultry freezing and it is shown in Mason's Furniture company store. 4-H clubs will display on the following: senior club, typical wardrobe; the high school girl, Graham types of seams and how they are used in sewing; Southern picture making and Justus' basket weaving.

Judges for clothing are Mrs. Clara Pratt, Home Demonstration agent from Lubbock, and Miss Edith Hughes, Extension agent from Gail, Judges for canned and baked goods are Nan Dyer, Home Economics teacher at Post high school and Mrs. Victor Hudman.

All entries except baked goods and garden products must be by 12 noon Friday, September 12. Baked goods and garden products must be in by 9 a. m. Saturday, Sept. 13.

The Livestock show will be held across the street from Marshall's, according to Herron. This division boys will show: steers, commercial steers, feeding animals, gilts (Sears Foundation prizes), gilts (open class), sows and litters, boars and fat barrows.

Entries in the orchard and garden products groups are expected to bring: six apples, peaches and pears; 12 plums; six beans and bell peppers; 12 carrots; 6 okra; six tomatoes; one gallon dried beans and dried peas; cashew and sugar pumpkin; watermelon; and two water squashes. Two pullets and two cockerels are to be entered in the pen of the poultry section.

All entries in the above divisions must be in by 11 o'clock Saturday morning.

The judging of livestock will begin at 1:15, Saturday afternoon. Only one of the judges of livestock had been chosen Wednesday afternoon. He is O. C. Fowler, county agent at Slaton.

Winners of the gilt contest the Sears Foundation division will compete in the district show at Texas Tech in Lubbock, Sept. 20. Commercial steer champions will go to the State Fair in Dallas.

### EXTRAS REMOVED

CORDOBA, SPAIN—P—Gis Caballero Zurita, 18, will be better after an operation. He has nine toes on each foot and fingers on each hand. The operation was to relieve him of the surplus. The young chairman never has been able to wear shoes.

# No State Can Compare With Texas Football On The Weekend Of Oct. 4

Other areas can talk about deemphasizing football but the Southwest, Texas in particular, is paying absolutely no attention. This state will have more teams and more games than ever before. No one can point to anything detrimental that has come from all this football and make it stick.

There's a lot of spirit and thrills and entertainment ahead for the ensuing three months. Texas will be the garden spot of national football. There never has been a week-end of football in any other state to compare with what will be unfolded in Texas Oct. 4.

Five inter-sectional games, each of national import, plus a Southwest Conference Game are scheduled that day and night. Look this over:

Texas vs Notre Dame at Austin. Baylor vs Washington State at Waco.

Rice vs Louisiana State at Houston (night).

Texas Christian vs Arkansas at Fort Worth (night).

Southern Methodist vs Georgia Tech at Dallas (night).

Texas A&M vs Kentucky at College Station (night).

It will be possible to see two games without trouble. You can watch Texas-Notre Dame at Austin then drive over to College Station and catch A&M-Kentucky; you can see Baylor-Washington State at Waco and hotfoot it to Dallas or Fort Worth and get in another game that night. The only places you can't double up are Houston and College Station or Dallas and Fort Worth where each has a night game.

The man with the airplane will be better off but an automobile will do.

At Dallas Sept. 26-27-28, a fan can see three games of national note in a period of 48 hours.

Sept. 26 Southern Methodist plays Duke at night in the Cotton Bowl; Sept. 27 Oklahoma A&M and Texas A&M play in the Cotton Bowl at night; Sept. 28 the Dallas Texans and the New York Giants play a profes-

## Small Group Attends Movie At City Hall

America, the birthplace of plenty, was superbly photographed in a 29-minute full length color movie, "American Harvest", which was screened at 8 o'clock Tuesday evening in the city hall auditorium by Conell Chevrolet Company employees as a "good will gesture" in behalf of the Chevrolet dealership.

Across fertile plains to breath-taking mountains, from majestic forests to rich oil fields, camera crews of General Motors traveled over 25 states filming the magnificent scenes of the nation's natural resources.

Scenes were also made in busy factories and viewers of the entertaining film saw earth turn to steel, sand to glass, corn to man-made leather and how gears, paint, tires, windshields and upholstery are made. The picture concluded with millions of cars and trucks rolling off of assembly lines.

Only a small crowd attended the fine picture which was selected from the huge film library of General Motors Corporation.

Use of the adjective "American", instead of "United States", was officially recommended by Secretary of State John Hay in 1904 to U. S. diplomatic and consular officers.

# Crippled Antelopes Will Face Floydada In Season Opener Here Friday Night

With injuries to three tackles facing the toughest opening in years, the Post Antelopes have been preparing to meet the Floydada Whirlwinds. The Antelopes will be hosts to the Whirlwinds Friday night at Antelope field. Game time is slated for 8 o'clock.

Bernie Welch, 159 pound tackle, one of the few players with previous experience, broke his leg in an off-field accident last week only a few hours after he was elected as one of the captains.

Others who will be unable to play are Bobby Cowdrey, experienced tackle, and Larry Waldrip, tackle. Cowdrey has a leg injury, which has given him trouble before, and Waldrip has had case of laryngitis and will be able to suit out in the

Friday game.

During this week the Antelopes have shown considerable improvement over the earlier workouts. The squad is in better shape and has improved in running, passes and especially on defense.

Some of the boys that the opponents had better watch this year are Co-Captain Darrell Stone, pass hurling quarterback; L. W. Evans, another co-captain and a fine backfield man; Fred Long, 210 pound fullback who can't be stopped when he gets moving; and Pete Hays, a defensive man that is in on every tackle and is a big credit in stopping gains. Some promising sophomores are Tommy Malouf, back; Charles Chandler, back; Billy Meeks, end; Darrell Norman, back; Junior Smith, center; and Moody Graham, quarterback.

After two scrimmages with New Deal, the Antelopes are in fair shape to face Floydada and will be in much better shape to face the O'Donnell Eagles, September 19. This is to be one of the toughest schedules in years for the Post footballers. After the losses through graduation, injuries and games, a patched-up team will go on this season with a strong determination to win.

In a scrimmage game at New Deal Thursday night, the Post Antelopes showed promise of a fair season by tying the Lions 30-30. Despite the fact the Antelopes are light weight and inexperienced they showed a strong determination to win.

The scrimmage started with each team carrying the ball for 10 minute intervals. The Antelopes had the ball for the first

period. After a few drives from the line of scrimmage Darrell Stone, quarterback, passed to L. W. Evans, left halfback, placing the ball on about the five yard line. A hand-off to Fullback Charles Chandler, carried the ball over for the first tally.

In New Deal's first period, the Lions drove to the three yard line and the Antelopes held them for five times before they drove over for their first touchdown. Then the ball was returned to the 50 yard line with New Deal still carrying. The Lions gained yardage, but failed to score.

Antelopes carried the ball next with Evans making Post's second touchdown after a driving offense. In the following intervals, the Lions held the Antelopes to a standstill and ran the score up to 30 and 12 in their favor.

At this point Coach Bing Bingham, of the Antelopes and Coach Clarence Tillery of the Lions, wanted to see how their second string boys looked "under fire".

The Antelopes' second team took the field, with Moody Graham taking the quarterback slot, Darrell Norman and Randall Lawrence at halfback positions.

Norman carried the ball for considerable gain in a number of plays, finally going over for another TD. The Lions failed to gain against the replaced "A" team and the ball went back to Post. After a small gain on driving, Stone passed to Evans for the fourth scoring run. The final tally was marked up when Buddy Caylor, right end, caught a pass from Stone and went. This tied the scrimmage 30 to 30.

In Tuesday night's scrimmage with New Deal, the Antelopes held the Lions scoreless until the last few minutes of the game. This match was played about the same as the first, with each team having the ball for ten minutes each. Post racked up a total of six touchdowns to New Deal's one.

Some of the better plays were made by Quarterback Stone, Halfback Evans, and Fullback Long. The hefty fullback chalked up the longest run, a 45 yard gain, before being stopped on the five yard line. Tommy Malouf did some nice playing including long runs and intercepting a pass and making a shifty run after taking it. Another fine pass interception was made by Stone for the third score.

The second team showed great improvement and one of the best plays during their time on the field was a pass from Graham, quarterback, to J. C. Shedd, end. Norman, back, made some fine driving runs and two fine long runs.

Coach Bingham indicated his probable starting line-up for the Antelopes in Friday's game will be: Junior Smith, center; Don Moore and Dan Redman, guards; Billy Meeks and Bowen Stevens, tackles; Nolan Williams and Buddy Caylor, ends; Darrell Stone, quarterback; L. W. Evans, left half; Fred Long, fullback; and Randall Lawrence, right half.

## Junior Conference For District 6-AA Football Is Organized At Slaton Meet

Boys, 15 and under, will get a chance to play district football this year, Head Coach Bing Bingham reported. This playing will be in a Junior Conference organized in Slaton at a meeting of all District 6-AA officials. E. M. Mills, principal of Post grade school, was elected chairman of this conference.

The members of this district will be the same as the High School's, with the exception of Spur and addition of O'Donnell.

This conference, set up for eighth graders or boys who were not 15 years of age before Sept. 1, 1952, will be played on a round-robin elimination system with Home and Home basis. Others rules decided on are: if a team has failed to show up 30 minutes after game time, it will be counted an automatic forfeit, and a tie game will be counted one-half game won and one-half game lost.

These games will be played on Thursday nights. Game time will seven o'clock and there will be a 10 minute limit on the quarters.

Each school agreed to pay \$5 to the conference, this will be used to buy a trophy for the winning team.

Post's season will begin Sept. 18, when the juniors journey to Slaton. Remainder of the schedule is: Sept. 25 at Tahoka, Oct. 2 at O'Donnell; Oct. 9, Slaton will play here, Oct. 16 Tahoka here, and Oct. 28 O'Donnell here.

## Fair Boosters Will Visit Post Sept. 16

Boosters of the Panhandle South Plains Fair will be in Post, Tuesday September 16, from 8:55 until 9:20 a. m. The boosters will be leading businessmen of Lubbock.

The group will make stops in the business section of Post and at the schools. Souvenirs will be given to the school youngsters, as well as tickets for the Fair and copies of the annual Fair newspapers.

In addition to the stop here, the group will visit 38 other towns during their four trips. The tours are scheduled for September 16, 18, 23 and 25.

## KINDERGARTEN HARMFUL WINNIPEG, CANADA—P

School officials here say starting a child in kindergarten too soon can handicap him in the next grade. They say it takes a mental age of 6 1/2 years to handle the reading program in the first grade.

## Marine Recruiting Officers To Be Here

The Lubbock Marine Recruiting office has announced that a recruiting officer will be in Post twice monthly, on the second and fourth Tuesdays.

S/Sgt. J. T. Poland and S/Sgt. D. L. Thomasson will be the officers who will seek recruits here.

### If You Can't See One-Half Mile Ahead You Are Taking Chance Passing A Car

How much clear vision should you have to pass another automobile when it is going 50 miles an hour and you are going 60?

This is one of the problems facing Texas highway planners in their efforts to modernize Texas highways and make them safer. They must make it possible for you to see a half-mile ahead, or you are taking a chance at passing another vehicle traveling at a mile a minute.

With highways built for only two-lane or three-lane traffic, the Highway Department has to depend upon yellow paint to furnish the safety factor. Every year thousands of dollars are spent painting the center stripe and warning line down the highway.

"We are all too prone to ignore these warning stripes when we think we have even a half-chance," says Jack Kultgen, president of the Texas Good Roads Association.

"Sometimes when you are driving along at 60 miles an hour, have your companion clock you. You'll be surprised at the times you are facing death in the matter of just a few seconds," he said.

Such carelessness last year

caused a big percentage of the 206,000 motor vehicle accidents that killed 2,546 persons in Texas.

### Pleasant Valley Small Talk

Please Send News Not Later Than Monday To Pleasant Valley Correspondent

James Pitt and family, the Wesley Scott family and the Sonny Hitts fished near Canyon last Thursday.

Mr. and Mrs. Charlie Scott visited his mother in Abernathy Sunday.

The Elmer Altmans of Littlefield were guests in the Ben Altman home last week.

Mrs. Sam Webb has gone to New Mexico where she is visiting the Hugh Webb family.

A number of local residents attended the Baptist association meeting in Shallowater Tuesday.

Recent visitors in the Bland home were Mr. Bland's aunt, Mrs. Craddock and sister, Mrs. L. White of Meckel, the Cecil Blanks of Verberg, Mr. and Mrs. Darwin Bland of Stanton and the Dub Hodges family of Hamlin. Brenda Hodges remained for a week's visit.

Those attending the District W.M.U. meeting at Idalou last Tuesday were Mrs. E. L. Hitt, Mrs. Lawrence Burkett, Mrs. Wesley Scott, Mrs. Bryan Ross, Mrs. Buddy Hall and Mrs. F. Peyton. Mr. and Mrs. Don Bastrop of Littlefield, were weekend guests of Mrs. Will Barton and Mrs. Buddy Hall and families.

The Home Demonstration club met Thursday with Mrs. Sonny Hitt. Miss Jessie Pearce, agent, gave suggestions for buying stove and refrigerators. The next meeting will be Sept. 18 in the home of Mrs. Billy Johnson, Mrs. Wesley Scott and Mrs. Happy Bevers will give a demonstration on cleaning kitchen equipment.

Nancy Robinson and Patsy Boykin were weekend guests of Mr. and Mrs. D. C. Roberts, Sr. in Post.

The Rev. Mr. Row of Abilene, visited in the home of Mrs. B. D. Robinson Monday.

### Buck Gossett To Be With Tractor Firm

Dowe H. Mayfield, owner-manager of the Dowe H. Mayfield Co., Inc. announced the first of the week that he had secured the part time services of Buck Gossett to serve as tractor and farm implement salesman for the firm.

Mayfield said that Mr. Gossett would continue to serve as county commissioner of precinct 2, and that he planned to give his undivided attention to his commission office and would only be with his firm when his time was not required at the court house.

Gossett was to start work for the firm this morning.

### BITS-OF-NEWS

Jack Lott is attending school in NMMI in Roswell, N. M.

Mr. and Mrs. E. E. Pierce had as their guests Tuesday evening, Mr. and Mrs. Jack Walker and two children of Bakersfield, Calif.

Miss Patty Lott has gone to Dallas, where she enrolled in Lockaday school.

FAMILY GROUP, ALL WITH POLIO—Six members of the Paul Pehl family, of Stonewall, Tex., are in a San Antonio, Tex., hospital with polio. The victims (from front to back) are: Paul Jr., 11; Elaine, 9; Daniel, 15; Dayton, 14; Dorothy, 7; and George, 10. The father and mother and another child escaped the disease. Pehl says he won't return to the family farm until health authorities have had time to inspect the Pehl home for clues about the dread disease.

### Chamber Of Commerce Notes

By Mable Lawrence

Postex Cotton Mills, Inc., managed by O. G. Murphy, is seeing to it that Post progresses.

For their approximate \$125,000 expansion project is very much underway.

The expansion will include the enlargement of the bleaching and finishing departments and an addition to the weave room. Without Postex, what would become of Post? Let's don't forget that!

C. I. Dickinson, who is associated with the Double U Company, has been among us for a while. The ones of us who do not know Mr. Dickinson, should meet him. His idea of the highly discussed POST CITY, POST publication is that more orders should be placed for the book.

FARMERS: Did you know, by planting LEGUMES, you prevent soil erosion, add nitrogen to the soil, help the soil hold water and improve the general condition of the soil? Have a talk with the PMA and SCS men. They can help you.

School started off with a "bang" Monday morning, the 8th. But Ellis Mills, D. C. Arthur and Chant Lee didn't know what they were going to do with some of the children. Seriously, we tax payers should start considering a Junior High School, cause the children of that group are the ones that were wondering if they

would have classes out among "the pines". Eighty some odd students without rooms to call "home". They have more than likely come to some conclusion as to what they will do this year, but what about next year, when there will be even more children? There are from 3 to 4 groups of first graders coming in each year and only one group of seniors going out. That post-war birth period has hit us and will keep coming!

Besides having a famous football player from Garza County, we have a real cowboy. After two more rodeos, we will more than likely have a champion among us, Jimmy Moore is the young man. This is Jimmy's last year as a Junior Cowboy and he is runner-up for Champion with a point 42 against an approximate 20 some odd. However the final run is, he was named ALL-AROUND cowboy over at Ralls this past week.

There will be a Garza County Exhibit at the Panhandle South Plains Fair in Lubbock Sept. 29 through October 4th, according to County Agent Lewis Herron and Home Demonstration Agent, Miss Pearce. Mr. Herron has a check at the Chamber of Commerce office from the members amounting to \$25.00 to help defray expenses.

### Southland News

Please Send News Not Later Than Monday To MRS. EDGAR MOSELEY Southland Correspondent

Mr. and Mrs. Herman Dabbs and family visited Major and Mrs. Jack Martin and daughter in Roswell, N. M., recently.

Airmen Dick Jesson and Don Young of Reese Air Force Base, Lubbock, visited Mr. and Mrs. Earl Lancaster Saturday.

Mr. and Mrs. J. D. Millican and son, James, of O'Donnell, visited Sunday with her sister, Mrs. W. C. Quisenberry, and Mr. Quisenberry.

W. C. Quisenberry and Wren Cross have been marketing watermelons.

### INDUSTRY SPENDING

NEW YORK—P—Despite pipe and material shortages, the natural gas industry spent a record \$1,461,596,969 for new facilities in 1951. This, says the American Gas Association, exceeded the previous peak established in 1950 by 22 per cent. The association said the nation's gas distribution and pipeline industry expects to spend \$5,699,000,000 during the next 4 1/2 year period for construction of new facilities and plant expansion.

### \$367.55 Is Received In Local Polio Drive

The Polio Fund drive at the Tower Theater and Sunset Drive-in of Post, last week amounted to \$367.55, John Hopkins, manager, reported.

This fund goes entirely to the crippled children's institution at Gonzales. Theaters throughout the state sponsored this drive to aid the foundation.

"I wish to express my appreciation for the liberal donations of Garza county patrons for this worthwhile cause," Hopkins said.

### Lebanon Revises Oil Agreements For Profit

BEIRUT, LEBANON—P—Lebanon has quadrupled its income from foreign companies by quietly negotiating new agreements with the Iraq Petroleum Co. and the Trans-Arabian Pipeline.

As presented to Parliament for ratification, the new agreements will increase Lebanon's annual income from oil companies from \$725,143 to \$2,354,571. In case neighboring countries improve their agreements with pipeline companies, Lebanon's revenue will be increased automatically in proportion.

The majority of watermelons are grown in Florida, California, Georgia, Texas, South Carolina, Missouri and Arizona.

### Children's Teeth Need Proper Care

One-half of all children between three and nine have never been to a dentist, according to surveys, and the State Department of Health tags that one reason why there are some 284 million cavities in the teeth of American kids between those ages.

Dr. Geo. W. Cox, State Health Officer, recommends these four rules as a method of getting children into sound dental health habits:

A well-balanced diet with consumption of sweets kept to a minimum. Sugar in excessive quantities produces the destructive mouth acids that cause dental decay.

Proper tooth brushing, beginning at an early age. This means brushing the teeth within ten minutes after eating.

Early detection and care of dental defects. This will prevent larger troubles later. Neglect may produce serious dental problems which will continue throughout life.

Either access to drinking water from a community water system containing the proper amount of fluorides for tooth decay prevention, or application of sodium fluoride to the teeth at periodic intervals. Children who drink fluoridated water from birth have from one-half to two-thirds less tooth decay than those who drink fluoride-free water.

Americans as a whole are highly susceptible to tooth decay by virtue of their diet, the state health officer points out. As a matter of fact, dental authorities say, this nation has often been called "a nation of dental cripples."

They urge all parents to realize that so-called "baby teeth" are vital to good dental health in adulthood.

### BITS-OF-NEWS

E. C. Harragan returned home Sunday after spending two weeks in a hospital in Truth or Consequences, N. M.

Mrs. Everett Webb and Mrs. Ben Price spent Wednesday of last week in Levelland on business.
