4-H Program Set For Nov. 24

Garza County's 4-H Achievement Day program will be held Saturday night, Nov. 24, it was announced following a meeting Monday of the county 4-H Council. A place and time for the program, and other details are to be worked out today at a meeting of the Achievement Day committee, which is composed of Jessie Pearce, home demonstration agent; Lewis C. Herron, county agricultural agent; Patricia Wheatley, Clarky Cowdrey, Don Richardson and Karen McGehee.

Other business at Monday's meeting of the 4-H Council included the election of new officers. They are Sharon Jobe and Tommy Young, co-chairmen; Jessie Carolyn Ward and Don Long, vice chairman; Linda Livingston, secretary, and Dean Huddleston, treasurer.

Outgoing officers are Linda Livingston and Don Long, co-chairmen; Sharon Jobe and Carol Davis, vice chairmen; Patricia Wheatley, secretary, and Don Richardson, treasurer.

At the Nov. 24 Achievement Day program, 4-H members, leaders and others will be presented awards for their work. Checks totaling more than \$3,000 will be presented 4-H members whose calves sold at auction at the State Fair of Texas in Dallas. Awards won in the Garza County Fair will also be presented. Other presentations will include year pins, etc.

The general public is invited to attend the Achievement Day program, agents Pearce and Herron said.

Amendment 9 Approved Here By Big Margin

As had been expected, only a light vote—133—was cast in Garza County Tuesday on the proposed welfare amendment to the constitution, with the measure carrying, 122 to 11.

It was a special election granting financial assistance to the state's permanently disabled citizens.

At midnight Tuesday, the Texas Election Bureau in returns from 169 out of 254 counties, including 51 complete, reported the unofficial vote as 106,216 for and 13,352 against.

The special election was scheduled for Tuesday because of a mistake in wording. The error in scheduling the election separately cost the state approximately \$200,000.

The proposal would provide a maximum monthly payment of \$55 to those qualifying, with the state putting up \$20 and the federal government providing the rest. The state limit would be \$1,500,000 per year.

Following is the vote by boxes in Garza County:

North Post—29 for, 1 against.
Southland—18 for, 1 against.
Verbeno—8 for, 1 against.
Justiceburg—14 for, 3 against.
Close City—9 for, 1 against.
Graham—10 for, none against.
Pleasant Valley—5 for, 1 against.
South Post—21 for, 2 against.
Two Draw—8 for, none against.
Absentee—3 for, 1 against.

RIDING IN STYLE—Orabeth Maxey (center) was crowned Friday night as Post High School football queen for 1956. Runners-up, who served as the queen's attendants, are Barbara Wheatley (left) and Linda Davis. Roy Teaff is chauffeuring the new Ford automobile.—(Staff Photo).

Posts \$1,000 Bond On Bootleg Charge

Phillip Gant, 23-year-old Lubbock Negro, was released under \$1,000 bond Monday after being charged in Garza County court with illegal transportation of intoxicants.

Gant was arrested Sunday nine miles northwest of Post by O. L. Head of Abilene, Texas Liquor Control Board inspector. An estimated \$700 worth of beer, wine, vodka, gin and whiskey was confiscated.

Head, formerly stationed in the Lubbock district, said he had been trying to make a case on Gant but had never succeeded. Sunday, Head was driving to Lubbock from Abilene when he saw Gant's car along the highway.

The liquor board inspector turned on his siren and gave chase. When the suspect's car failed to stop, Head said he fired a warning shot into the air and that the car stopped.

Found in the car Gant was driving were 616 bottles and cans of beer in 12, 24 and 30-ounce containers, 174 four-fifths pints of wine, 8 half-pints of vodka, 176 half-pints of gin, 244 half-pints of whiskey and one four-fifths quart of whiskey. The intoxicants were valued at more than \$1,000 on the bootleg market, Head said.

Southland Break-In Is Solved Sunday

The Oct. 30 burglary of the Southland Hardware Co. store, in which a radio and a typewriter were stolen, was solved Sunday following the arrest of two Colorado City youths in Abilene.

The youths, one 19 and the other 20, were arrested in Abilene while committing a break-in. Garza County Sheriff Carl Rains said he questioned them at Abilene Sunday and that one of them admitted the Southland burglary and implicated the other.

The sheriff said he had recovered the radio at Colorado City and that he expected to recover the typewriter within a few days.

The youths, also wanted for break-ins at Slaton, Gail, Lamesa and Big Spring, are being held in Abilene.

Classification Talks Heard By Rotarians

Chant Lee gave classification talks on education and the florist profession at Tuesday's Rotary Club luncheon.

Lee, owner of The Flower Shop, is a former Post High School principal.

Tom W. Bouchier will have the program at next Tuesday's luncheon, according to program chairman Ira L. Duckworth.

Visiting Rotarians at Tuesday's luncheon were Tom J. Parker of Lubbock and Sherrill Boyd of Slaton. Jack Lancaster, Post Elementary School principal, and Georgie M. Willson, high school choral music instructor, were guests.

School Enrollment Falls 2 Short Of 1,000 Mark

Only two less than 1,000 students were enrolled in the Post schools at the end of the first six-weeks period, Supt. R. K. Green reported at a meeting Monday night of the board of trustees.

Of the 998 enrolled, 946 are whites and 52 are Negroes, the superintendent's report disclosed.

The enrollment figure was about the same as for the same period last year, Green said.

The superintendent also made a comprehensive report of subjects being offered this year in the elementary and junior high schools.

The board voted that the Post Insurance Agency and Bryan Williams & Son be instructed to work out a cooperative plan for insurance for buildings and other facilities in the Post Independent School District.

The board also gave permission for use of the high school building for adult night classes in typing, bookkeeping and shorthand. The request for use of the building for this purpose had been made by Mrs. G. E. Fleming, teacher of commercial subjects.

In other action, the board approved a plan for removal of the walkway at the east end of the basketball court in the high school gymnasium and refinishing of the gym floor.

C. Of C. Director Ballots Are Ready

Ballots for election of five directors to the board of the Post Chamber of Commerce will be mailed Friday to approximately 200 member firms of the organization, according to Mrs. Fritz Greenfield, secretary.

Fifteen members have been nominated for the five director posts. Members are asked to vote for five from among the 15 and return their ballots to the Chamber of Commerce office not later than Dec. 15.

The nominees are: E. R. (Buster) Moreland, Bryan J. Williams, Lee Ward, Phil S. Bouchier, Willard Kirkpatrick, Clint Herring, Chant Lee, Howard Maddera, Jess Michael, Ed Warren, Harold Lucas, Noah Stone, Lester Nichols, R. B. Dodson and Marvin Hudman.

Directors whose terms are expiring are Moreland, Williams, Walter Duckworth, Powell Shytle and R. J. Jennings. Holdover members of the board are Harold Voss, John N. Hopkins, Ted R. Hibbs, Lowell Short and Dr. Harry A. Tubbs.

The five new directors will be elected for two-year terms, taking office at the annual membership banquet in January.

Additional Workers Appointed For MOD

Addition of three workers to the March of Dimes organization of the county chapter of National Foundation for Infantile Paralysis has been announced by the Rev. Almon Martin, 1957 drive chairman.

Victor Hudman has been appointed publicity director, Pat N. Walker chairman of coin collectors, and Mrs. Max Gordon, public school health nurse, chairman of a committee to promote Salk vaccine injections in the elementary and junior high schools here and in other schools of the county.

SECOND IN TALENT SHOW

One of Mrs. J. A. Stallings' classes won second place in the group singing division of the Southland Talent Show Tuesday evening. The group gave their prize money back to the show's sponsor, the cemetery association.

Their winning musical selection was "Happiness Street". In the group are Larry Lusby, Billy Don DeArmon, Susie Jo Schmidt, Marilyn Minor, Anita Wilson, Mary Beth Ford and Linda Rogers.

Contract Report Is Set For Directors

Reports on the proposed engineering contract submitted by Freese & Nichols will be heard at a meeting today of the board of directors of the White River Water Control and Improvement District at the city hall in Crosbyton. The meeting is set for 6:30 p. m.

Copies of the contract were given directors at a special meeting last week at the Community House in Calgary. The contract calls for engineering supervision of construction and inspection of construction of the dam, filtration plant, pipe lines and booster station. It calls for a flat fee of 6 per cent on physical property cost, cost of the land not to be included.

Members of the board of directors are Tom W. Bouchier of Post, chairman; R. J. Jennings of Post, M. A. McLaughlin of Ralls, Lynn Buzbee of Spur and Robert Work of Crosbyton.

Dr. Sutton Is To Speak At Banquet

Dr. Willis A. Sutton, former superintendent of schools at Atlanta, Ga., will speak at a teacher recognition banquet at 7:30 o'clock this evening in the school lunchroom.

Teachers in the Post school system are being honored with the banquet in recognition of National Education Week, according to R. K. Green, superintendent of schools. Other guests will be school administrators, members of the school board and other local citizens.

Film On Japan Shown At Meeting Of Lions

Films be made while serving with the U. S. Air Force in Japan were shown by Kay Kirkpatrick at Tuesday night's meeting of the Post Lions Club. Victor Hudman is in charge of the program.

The films showed interesting sidelights on the customs of the Japanese people, with Kirkpatrick providing the commentary.

Lynn W. Duncan of the First National Bank was introduced as a new member of the club.

Jaycee Turkey Shoot To Be Held Saturday

The Post Junior Chamber of Commerce's second annual turkey shoot will be held from 10 a. m. until 9 p. m. Saturday in the vacant building just east of Herring's. Jaycee president Lee Ward has announced.

Dressed turkeys will be given as prizes.

The Jaycee president said there is a possibility of other turkey shoots being sponsored by the organization before Christmas.

Pancake Supper Set For Tuesday By Club

The Post Lions Club's third annual pancake supper for the benefit of its child welfare fund, will be held Tuesday afternoon and evening at the school lunchroom.

A special attraction at this year's pancake supper will be "The Serenaders," widely known radio and television performers, who will play throughout the serving hours—from 4 o'clock until 9 o'clock.

Victor Hudman, chairman of advertising for the event, said since more griddle space is available in the lunchroom kitchen, the Lions expect to serve more people than at either of the two previous pancake suppers.

Members of the Lions Club will cook and serve the pancakes and other items on the menu.

Big Day For Ex-Students

The biggest homecoming in the three-year history of the Post Ex-Students Association was held Friday, with more than 300 ex-students, teachers and guests taking part in the activities. Approximately 280 attended the banquet at 6 p. m. in the junior high school gymnasium, at which Troy Akins of San Angelo, former high school principal here, was the speaker.

Registration began at 4 p. m. in the junior high lobby, and four hours later most of the exes attended the Post-Tahoka football game at Antelope Stadium. A business meeting was held immediately following the banquet.

A large number of exes attending homecoming activities failed to register, according to officers of the ex-students' group.

Percy Parsons was elected as president to succeed R. E. Josey. Edsel Cross was elected vice president to succeed Parsons, Mrs. Ila Fae Mathis was re-elected secretary, and Mrs. Billie Windham was elected treasurer to succeed Mrs. Glenn Norman.

Preceding the kickoff at the football game, Mrs. Rowena Hodges Pierce was crowned ex-students homecoming queen by Josey. Runners-up were Mrs. Vada McCampbell, Mrs. Billie Windham, Mrs. Barbara Babb and Mrs. Tommie Jean Coulter.

Nominated as candidates for 1957 homecoming queen were Maxine Edwards of the class of '39; Melba Jo Sims, '44; Nora Richardson, '46; LaRue Gay, '51, and Elfreda Carpenter, '53.

The following committees were appointed:

Mailing: Maxine Edwards, chairman; Mary Gale Young, Mattie Collier, Harold Lucas, Katherine Johnson.

Entertainment: Bryan J. Williams, chairman; Leon Miller, Louise Simpson.

Decoration: June Peel, chairman; Sybil Cockrum, Tom Power. Registration: Jimmie Pierce.

PHS Seniors Will Have Talent Show

The senior class at Post High School will sponsor a talent show Nov. 23, at 8 p. m. in the grade school auditorium. Prizes will be awarded.

Anyone interested in entering is asked to contact Linda Lusby by telephoning 992-J or inquiring at the high school.

There will be four divisions of winners, grade, junior high, high and adult age groups.

OFFICER IN HOSPITAL

Deputy Sheriff J. W. (Red) Floyd entered Lubbock Methodist Hospital Monday for a physical checkup. He expects to be dismissed this weekend.

POST MINISTERIAL ALLIANCE IS SPONSORING ORGANIZATION

Bible Observance Is Slated

The Post Ministerial Alliance completed plans for its participation in the worldwide Bible reading observance at a meeting at 1 p. m. Friday at the First Methodist Church.

The Bible display being held as a part of the observance will be set up in the vacant building just east of Herring's, and will be ready to open to the public on Nov. 28. The display will remain up until Dec. 18.

Those having unusual or interesting Bibles to add to the display are asked to leave them

with their pastor or with any local minister who is a member of the Alliance.

A film, "Our Bible—How It Came to Us," will be shown at 7:30 p. m. Dec. 6 at the First Methodist Church. According to the Rev. W. L. Porterfield, chairman of the film committee, the picture is an 84-minute presentation released by the American Bible Society.

A series of 15-minute radio programs, also released by the American Bible Society, will be presented at 5 p. m. daily Dec. 2-8

over radio station KRWS. The Rev. A. W. West is chairman of the radio committee for the observance.

Daily Bible reading from Thanksgiving through Christmas is also being urged by the Alliance as a part of the observance.

Two new members have been added to the Ministerial Alliance, it was announced following Friday's meeting. They are the Rev. J. D. Dorrough, pastor of the Grassland Church of the Nazarene, and the Rev. S. M. Bean, pastor of the Grassland Methodist Church.

Antelopes Grind Out 28-0 Homecoming Win Over Tahoka

Antelope offensive line and spattered before finally grinding out a 28-0 win over Tahoka before a big crowd.

Antelope's defensive machine, which clicked off a hand, clicked off two serious injuries to the first quarter. The Antelopes' defense kept the Bulldogs from scoring until early in the first seven points. A 61-yard pass by Jack Morris took quarterback Carl Prohl to a play covering the dependable Charles Morris of four perfect passes was nearing the Antelopes could scoring drive. It was Williams' recovery on the Bulldogs' Post quarterback back over from the touchdown. Antelope's Prohl fell on a Bulldogs' Tahoka 36, and Fenstemaker's to their third game on a perfect Williams to end the game. Williams' defense maneuvered the Antelopes' defense in the second half. Williams passed 17 yards to Howard Jones, who behind a long Bulldog just stood and ball to fall into the hands of the Antelopes. Williams' defense missed the injured backs and Ronnie Fenstemaker's action on injured line-backers and Robert Williams were hurt in the game when starting

quarterback Karl Prohl went out with a foot injury. Only a few plays before he had dazzled the crowd with a 25-yard run on a keeper and was running the Bulldog team with precision. He returned to action late in the fourth quarter, still limping badly, and completed a 28-yard pass to end Jerry Adams, which carried to the Post 18. It was the last play of the game and Tahoka's deepest penetration.

Don Ammons, who has been playing on the defensive unit, and lineman Sammy Martin took over for the injured Norman and Kennedy in the backfield, and between them accounted for most of Post's rushing yardage.

The entire Antelope line played a magnificent game, with White, Andy Schmidt, Leon Davis and Jackie Carpenter the stand-outs.

FIRST QUARTER

Tahoka defends north goal and receives, Karl Prohl returning Noel White's kickoff 13 yards to the Bulldog 28.

TAHOKA—McNeely gets 3 yards at the left side of the line and Renfro goes for 2 more. Prohl keeps and gains 7 for a first down on the 40. Harter cuts back over right tackle for 2, but an apparent mix-up in the Bulldog backfield results in a 2-yard loss. Gary Welch meets Renfro head-on for no gain. Prohl, back to punt, gets a low snap from center and loses a yard in an attempt to run it out. Post takes over on downs on the Tahoka 39.

POST—Jack Morris rams through the right side for 5, and Don Ammons hits the line for 3 more. James Williams keeps for 3 and it's a first down on the 28. Williams loses footing on attempted end run and loses a yard. Ammons bores through center for 8, and Jack Morris bangs the right side for 4 and a first down on the 17. Williams recovers his own fumble, but the Antelopes draw a 5-yard penalty for backfield in motion. Williams' pass across the goal line is too high, and a flat zone pass to Jack Morris is also incomplete. Williams runs left end for 5, Tahoka declining a backfield-in-motion penalty. Williams is stopped for

no gain and the Bulldogs take over on their 17.

TAHOKA—Prohl keeps and rounds his left end for a 25-yard gain and a first down on the 42. Tahoka is penalized 5 for offside, but McNeely gets 3 of it back at the line. Prohl can't find an open receiver, and is run out of bounds after gaining 4. McNeely gets only a yard at the line, and Prohl kicks out of bounds on the Post 31.

POST—Sammy Martin rams the line for 5, and Williams gains 3 at center. Prohl, Bulldog quarterback, is injured on the play and is replaced by Madrid. White drops Williams' jump pass on the Post 48. Williams, on a fourth down quarterback sneak, gains 2 and a first down on the 42. Ammons breaks through the line for 17 yards and a first down on the Tahoka 42. Jack Morris goes for 8, and Williams for 4 more and a first down on the 30. Martin slashes between right guard and tackle for 3 as the first quarter ends.

SECOND QUARTER

POST—Martin blasts over right tackle for 7, and Ammons gains 5 more and a first down on the 15. Williams gains only 1 on a keeper, but completes a jump pass to White for a first down on the 5. Williams passes to Jack Morris at the goal line and the Antelope halfback darts across for the first touchdown. Charles Morris boots the extra point, and it's 7-0.

Madrid returns White's kickoff 4 yards to the Bulldog 19.

TAHOKA—On the first play from scrimmage, Williams pounces on a Tahoka fumble on the 20.

POST—Martin cuts back over right tackle for 3. Williams' pass to White is no good, and Post is penalized 15 for holding. Williams' pass from spread formation is intercepted by Tomlinson on the 15.

TAHOKA—Stice, Bulldog, tackle, recovers teammate's fumble on the 16. Ammons intercepts Harter's pass and gets back to the Tahoka 19.

POST—Ammons loses 2 on an end sweep, and Williams is dropped for a 4-yard loss on a keeper.

Williams' pass over the goal line is too tall for White, Tahoka refusing a 5-yard offside penalty on the play. Morris, on handoff from Williams, is thrown back to the 35 by a rushing Bulldog line-man, and the ball goes over on downs.

TAHOKA—On first play from scrimmage, Arlon Ford recovers fumble on the 35.

POST—Williams circles right end for 11 and a first down on the 24. Martin plows right side of the line for 5. Jack Morris snags pass for apparent touchdown, but play is called back and the Antelopes are penalized 5 for backfield in motion. Williams can't find receiver and runs for 3. Williams' flat zone pass to Morris fails to connect, and another one sails incomplete out of the end zone. The Bulldogs take over on their 21.

TAHOKA—McNeely and Renfro fail to gain in two stabs at the line, but Harter cuts back at right end for 7. Jerry Brown punts out of bounds on the Post 40, but the Bulldogs are penalized 5 for backfield in motion. Jack Morris fields Brown's punt on Post 46 and is stopped on the 44.

POST—Williams gains 3, but the Antelopes are penalized 5 yards for offside. Morris fails to gain at the line, and Williams cuts back between right tackle and end for 10. Martin goes for 9 through right side of the line and it's a first down on the Tahoka 42. White takes Williams' pass for 22-yard gain and a first down on the 20. Williams' pass in the end zone is too high for Howard Jones. White takes jump pass for 7-yard gain to the 13. Williams passes incomplete to Morris and then to Ammons as the first half ends.

THIRD QUARTER

Post receives, Jack Morris taking Brown's kickoff on the 20 and being stopped there.

POST—Martin gets 1 at the right side, and Williams 6 more over left tackle. Williams gains 4 more and a first down on the 31. Martin cracks the line for 4, and Ammons circles right end for 21 yards and a first down on the Tahoka 44. Williams fails to gain at the line, and Ammons gets

only a yard. Williams' pass over-shoots Jones, Tahoka declining an offside penalty. Harry Smith punts out of bounds on the Bulldog 32.

TAHOKA—McNeely gets 3 at the right side and Renfro adds another yard, but Madrid is stopped for no gain. Brown, back to punt, gets a low snap from center and runs the ball to the 39, where it goes to Post on downs.

POST—Williams passes incomplete to Morris on the 30, then runs for 3, but the Antelopes are penalized 5 yards for being offside. Ammons gets a yard at the line, and Williams passes incomplete to Jones on the 20. Renfro takes Jack Carpenter's punt on the 10 and gets back to the 18.

TAHOKA—Williams recovers a Bulldog fumble on the first play from scrimmage, and it's Post's ball on the 19.

POST—Williams goes for 4 on quarterback sneak, but Post elects to take 5-yard offside penalty instead. Morris plows for 4 at the left side of the line, but Martin loses 1 in a try at the other side. Williams sneaks for 4 and a first down on the 8. Ammons gets 4 at the line, and Martin bangs center for 3, but the Antelopes are penalized 5 for backfield in motion. Ammons gets 5 through the right side of the line, then hits left guard for 2 more. Williams sneaks over from the 1, and Charles Morris kicks the extra point—14-0.

Jay Gurley, Tahoka end, fumbles White's onside kick, but finally regains possession of ball on the Bulldog 35.

TAHOKA—Again the Bulldogs fumble on the first play, and Martin recovers for the Antelopes on the 36 as the third quarter comes to a close.

FOURTH QUARTER

POST—Ammons slashes for 5 at the right side, but Williams is trapped for a 4-yard loss. Williams keeps for a 10-yard gain before being shoved out of bounds on the 25. Ronnie Kennedy, in for the first time, goes for 5, but Post is penalized 5 for backfield in motion. White takes Williams' perfect peg in end zone for touchdown, and Charles Morris boots the extra point to make it 21-0.

Renfro makes a nice return of White's kickoff from the 20 to the Bulldog 43.

TAHOKA—Renfro gets a yard over left guard, and Harter passes incomplete to McNeely on the 50. McNeely gets 6 through the left side of the line, and Renfro goes for 3 more and a first down on the Post 47. Renfro gains 5 more,

Services, Pamphlets Will Speed Delivery Of Christmas Mail

Postal patrons this coming Christmas season can speed the processing and assure quicker delivery of their Christmas parcels and cards by availing themselves of various postal services and free postal information pamphlets, Postmaster Harold Voss announced today.

The services mentioned by the postmaster include:

1. This year, for the first time, sealed parcels may be mailed at the third- or fourth-class postage rates without labels, notations, endorsements, or hieroglyphics of any kind authorizing the opening of the parcels for postal inspection. Packages sealed with modern sealing materials or even with just plain Christmas seals should carry better in the mail than un-

sealed ones. Strong cord would also be used.

2. Combination Mail, which was used for the first time during last Christmas season, and which permits a mailer to enclose a letter or message inside a gift parcel and pay the appropriate postage on it plus the postage for the package itself.
3. Certified Mail, also used for the first time in the 1955 season, which permits mailers to have proof of delivery of Christmas letters, cards or parcels having no intrinsic value for a postal fee of 15 cents plus first-class postage.

The free postal pamphlets—available at all post offices—are entitled "Packaging and Wrapping Parcels for Mailing" and "Domestic Postage Rates and Fees".

Malaria fever has been brought well under medicinal control, but there are still about 250 million people in the world who are made invalids each year by this fever.

Ferenc Molnar, the Viennese dramatist of "Liliom" and other hit plays, was always trying to reduce. But, he could never resist the temptation of desserts with sweet whipped cream.

In October 1956 employment in this country was about 67 million. Nation-wide unemployment was slightly less than 3 million.

What puts the Mark of Tomorrow in the new kind of FORD?

Here's what puts the Mark of Tomorrow in the new kind of Ford!

It's the sculptured look. You'll see it the moment you let your eyes wander over this fine car. In a '57 Ford you belong . . . anywhere.

It's the long, lean lines. There's a greyhound grace to the new Ford. No useless "fat," no showy "padding." Ford is as trim as a jet fighter.

It's the hardtop styling. Fairlane sedans have the hardtop look of Victorias! Superthin center pillars are smartly concealed to give hardtop beauty when doors are closed.

It's the freedom of choice. Colors? Fabrics? Accessories? Far more! Ford gives you a choice of two new, bigger sizes . . . longer, lower, roomier!

It's the ride that stays gentle. With a new frame that rides sweeter and lower, new springs, new suspension all around, even the roughest roads can't ruffle the poise of the new Ford.

It's the Thunderbird power. Ford celebrates its Silver Anniversary of V-8 leadership with the biggest selection of V-8's in Ford history.*

In addition to all this Thunderbird GO, there's a new and more powerful Mileage Maker Six.

*Six or V-8, the going is great!

Just looking at this Fairlane Club Sedan is a special kind of fun!

It's the record-breaking performance. On the Salt Flats at Bonneville, Utah, a '57 Ford traveled 50,000 miles in less than 20 days . . . an average speed of 108.16 mph, including all pit stops! Another Ford averaged over 107 mph. Altogether, 458 national and international performance records were smashed as Ford rewrote the record book.

It's the big dollar value that lasts and lasts. Styled for tomorrow, a new Ford keeps its value longer. And wonder of wonders, all this extra strength, extra beauty, extra length is yours at low Ford prices!

*Included in a special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, an ultra-high-performance Thunderbird 312 Super V-8 delivering up to 350 hp.

'57 FORD

See it . . . drive it . . . now!

Garza HD Clubs Conduct Home Improvement Tour On Thursday

The annual fall tour of demonstrators, sponsored by Garza Home Demonstration Clubs, was conducted last Thursday.

Mr. and Mrs. Percy Parsons' home was first on the tour. They have added two bedrooms, extended the kitchen to include a dining area and converted a store room into a sewing room.

Both outside and inside improvements were seen at the Ray McClellan home, a Farm and Home Development project, in the Graham Community. Redecoration of three rooms, addition of a home freezer and sewing machine and yard work make up their improvement projects.

The outdoor living area was the feature at the Jack Brown home on the U Lazy S Ranch.

Miss Shirley Bostick of Close City is the only 4-H Club member whose home the group visited. Improving the grounds around the home was her demonstration.

Asbestos siding on the exterior, sheetrocking, papering and painting on the inside at the Hershel Bevers home in the Pleasant Valley Community was the couple's home improvement work.

Redecoration of the interior of the Spence Bevers' home and the improved yard marked the highlights of the tour stop there.

The last place visited was that of Mr. and Mrs. N. C. Outlaw, where the grounds around the home were inspected.

Miss Jessie Pearce, agent, said "These families are just a few of the ones in the county who are working to improve their homes. It takes a long time to realize the worth of time and money invested. Many of these will tell you that the money investment does not have to be high to get great rewards."

WE ARE IN THE **READY-BUILT HOMES** BUSINESS, TOO!

In some particular cases . . . READY-BUILT HOMES are the most economical investment for local home-buyers. They usually run cheaper than houses that are built from the foundation up.

That is the reason FORREST LUMBER COMPANY has gone into the READY-BUILT HOMES business on a large scale. It is now possible for you to purchase a home, built to your specification, or select one from our large assortment of conservative plans, have it built in Lubbock by our reliable firm and move it to Post to be completed, as are all other ready-built houses.

We are prepared to give you estimates on construction of any type house, without obligation, build it for you and move it to Post and place it on its foundation. We can also assist you in finishing the interior, or will be pleased to contract this work with you.

LONE STAR AGRICULTURE

Preposterous To Think That 'The Day Of The Small Farmer Is Over'

By JOHN C. WHITE
Commissioner of Agriculture

An alarming note has been struck in the hearts of farmers to whom living directly from the land they own has become a way of life.

The word comes from the fogged thinking of armchair economists who say "the day of the small farmer is over."

Such a statement is a direct slap to the principles of democracy.

If the day of the small farmer is over, so is the day of competitive free enterprise, the basis of our economy. If the small farmer is being sucked under by forces of "the times," then times are bad.

These armchair strategists have said that big, corporate farms are the modern, efficient way to keep agricultural economy running right. They say that whether we like it or not, that's what farming should come to.

Such thinking is preposterous, and for a number of reasons.

In the first place, most people who own and operate farms and ranches are there because, however tough and confining the work, that's what they would rather do than anything in the world. They are not there primarily to get rich, although their investment certain-

ly warrants them a decent living. They're there to live and raise their families next to the soil.

They are proud, too, these small farmers. Proud of their independence and proud of the land they hold. That's why the price of land is dear even in the face of farm depression and drought as it exists today. Their land is more than a piece of property and a title; it is a symbol of their freedom to live and work as they choose.

Should this freedom ever be infringed on through monopolistic greed, the food and fibre resources of this nation would be in grave danger. More than that, the millions of small businessmen who owe their survival directly to circulating farm economy would be dashed to ruin.

And when it gets right down to doing the chores and planting and harvesting the crops, there must be a farmer on the spot to do it. Would these high-minded revolutionists reinstate tenant farming to solve a labor problem on large, corporation controlled farms?

The independent farmer who grew up from the nightmare of tenancy through his own honest effort and the processes of a democratic government does not desire to release what he has gained. Nor does he want to become a "hired hand" in a "large farm" system.

Whatever the times are, the small farmer has a vital place in them. So long as America is free, it will be that way.

Bill Postma Resigns As Scout Executive

W. R. (Bill) Postma of Lubbock, field executive for the South Plains Council, Boy Scouts of America, has resigned, effective Dec. 15, it has been announced by Dr. J. Davis Armistead, council president.

Postma, who has headed Boy Scout activities in the 20-county area for the past 10 years, has accepted a similar position at Spokane, Wash.

BITS-OF-NEWS

Cecil Acker of Lubbock was a Post business visitor last Thursday morning.

Orice A. Green of Lubbock was in Post on business last Thursday. Formerly associated with the Lubbock Chamber of Commerce, he has recently gone into public relations work.

There are still some 30 cities in the U. S. where gas is used either for street or room illumination.

Increasing Pressure Being Exerted For Traffic Safety As 1956 Fades

Increasing pressure is being exerted by professional safety men, as 1956 draws to a close, in urging consistent safety habits on the part of the general public.

"One of the primary factors in any safety program is the responsibility of the individual," said Garza County Sheriff Carl Rains. "You must be your brother's keeper." This rule of life goes hand in hand with the natural instinct for self-preservation," the sheriff said. "If a careless act of yours provokes an accident, you are the one responsible for any injury or loss of life that results—to yourself or to another."

He said too many walkers take their obligation lightly, and thereby add to the alarmingly high traffic toll each year.

"Now, while the Texas Safety Association is conducting its pedestrian protection program, it is a good time for each of us to take a critical look at our own traffic behavior," the sheriff said.

He offered the following safe walking rules, approved by the Texas Safety Association, as a guide to sensible pedestrian behavior.

1. Cross street watchfully and at intersections only.
2. Never walk into the street from behind parked cars.
3. Obey traffic signs and signals, cross on GREEN or WALK only.
4. Wait on sidewalk, not in street, for green light or walk signal or for gap in traffic if intersection has no traffic signal.
5. Cross streets in crosswalks, and do not cross intersections diagonally.
6. Look left and right for traffic while crossing. Watch sharply for turning cars. Be especially careful at one-way street crossings to

check the direction of moving traffic.

7. Do not go across front or rear, after leaving the street.
8. Do not rely on a signal on poorly lighted or roadways at night. Flashlight, wear light reflective clothing, or something white or reflective.
9. Face traffic and left while walking in a street.

It happens in offices, in factories, in barracks . . . on ships and trains and airplanes . . . in the quiet of churches, in the thunder of battle; we pause in the turmoil of time to read the Word of Eternity.

And the pages we read bring us close to those at home, or to those away from home.

For the Bible brings us to God, in Whom there are no distances, with Whom love encompasses all.

One of the great Christian enterprises of our time is the American Bible Society. Through the support of Christian churches and individuals it seeks to bring these divine pages before the eyes of men, women and children the world over.

Like the churches of our community it calls men to the Truth on which unity and freedom are founded.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Antelopes Play At Abernathy Friday To Close Out Season

The Post Antelopes ring down the curtain at Abernathy Friday night on their 1956 gridiron campaign, and win, lose or draw they will have enjoyed their most successful season of the last few years.

Coach Leroy Fenstermaker's team will go into the game with a 6-3 season mark and a 3-2 conference record. One of their losses was by one point, the other two by one touchdown each.

Currently, the Antelopes are in second place in District 2-AA standings, but trail Spur, Lockney and Abernathy, all deadlocked for the top rung with 4-1 conference marks.

In Friday night's battle between two Antelope aggregations, Coach Royal James' team is favored to win, but a Post victory would not rate as an upset. Lockney downed the Abernathy eleven 33-12, whereas the best they could do against Post was to squeeze out a 6-0 victory. On the other hand, Abernathy defeated Spur by a score of 23-0 and Spur edged

Post 14-13.

Abernathy came up with 12-6 and 14-0 victories over Floydada and Tahoka, respectively, while Post defeated those two teams by scores of 32-13 and 28-0. Abernathy, however, trounced Slaton 40 to 7, while Post could manage only a 27-14 win over the same team.

In non-conference games, Abernathy lost to Olton, 20-19; defeated Tulia, 27-0, and Sundown, 7-0, and lost to Dimmitt, 13-7.

Since losing to Dimmitt and Lockney on successive weekends, Abernathy has bounced back to score four consecutive conference victories.

Their outstanding back is Billy Gist, runner and passer deluxe, and they boast one of West Texas' best ends in Manny Connell. They have a beefy, veteran line which has held the team's last four foes

to a total of 13 points.

The Post squad, although still riddled by injuries, is expected to be in much better shape for Friday night's game than in several weeks.

Seniors on the Antelope squad who will wind up their high school playing careers in the Abernathy game, or who have already wound it up because of injuries or for other reasons, include backs James Williams, Don Ammons, Ronnie Kennedy, Ray Gary and Jack Morris and linemen Howard Jones, Auvy McBride, Bill Stephens, Andy Schmidt, Jerry Hays, Leon Davis, Noel White, Harry Smith, Robert Carlton, Jackie Carpenter, Jerry McCampbell and Gary Welch.

A large number of fans and the band and pep squad will accompany the team to Abernathy for its final game.

DIVISION OF VITAL STATISTICS SHOWS

Over 800 Births A Day In Texas Recorded During Last Biennium

AUSTIN (Spl.)—Over 800 births a day in Texas were recorded by the Division of Vital Statistics of the Texas State Department of Health during the last biennium, Sept. 1, 1954, to Aug. 31, 1956, an advance look at the department's biennial report shows.

During the same period, 134,945 deaths were recorded. This compares with a total of 624,408 births. Four births for each death coupled with the influx of new-

comers making their homes in Texas has shot the Texas population well over the 8½ million mark.

The Division of Vital Statistics is just one of 22 divisions, under the State Department of Health, charged with the severe responsibility of watching over the health and sanitary level of the citizens and locales of Texas. The report shows that watching over the health of Texans is not enough. The health department incorporates inspection, research, active aid, and education in its program of bettering the health standards of Texas and Texans.

Inspection and research, walk hand in hand to evaluate the effects of local outbreaks of disease throughout the state. Aid is then rendered if at all possible.

Following closely in the footsteps of research, education of the public in the many advances and improvements in public health comes as a matter of course. Sometimes, education is concerned not so much with advances, as with commonplace health procedures, which Texans occasionally seem to neglect.

Every drink of water, every bite of food, and even each breath of air comes under the careful scrutiny of one or more divisions. At night, before counting that last sheep, you might even consider that the mattress on which you sleep—if manufactured or sold in Texas—has been O. K.'d by the Bedding Division.

The complexity of the Bedding Division's duties alone during the past biennium can be shown by a total of 40,412 separate violations to the State bedding law and regulations, most for the omission of revenue stamps.

The Health Department, through the Communicable Disease Division, distributes the Salk vaccine in Texas completely and equitably. Results have been most gratifying.

Of 811 investigated cases of paralytic polio only 25 were vaccinated children under age 20. None who had received all three shots of the vaccine was stricken. This is just one of the many and varied strides made by the Texas State Department of Health during the biennium.

LEON BRADDOCK—Rugged 151-pound freshman tackle gives promise of becoming an outstanding lineman before his high school playing career is over. He has seen action in all "B" team games, and in a few of the varsity contests.

BITS-OF-NEWS

Mrs. Giles Dalby of Lubbock spent several days here in the Garza Hospital last week. She is the daughter of Mr. and Mrs. Guy Floyd.

O. F. Clary received medical treatment in Lubbock Saturday.

Mrs. J. E. Parker accompanied her brother and his wife, Mr. and Mrs. Lex Brock of Lamesa to Austin over the weekend where they visited a sister, Mrs. T. J. McMahan. Also visiting there was another sister, Mrs. W. J. Terry of Fort Worth, and a brother, Ceal Brock of Stephenville. The group spent the weekend at the Bar K Ranch on a fishing trip.

SAMMY MARTIN—Junior line-man-back, who weighs 150 pounds, is expected to be one of the mainstays of next season's Antelope squad. Used mainly in the line until the Tahoka game, he ripped off sizable yardage when called upon to help out the injury-riddled Antelope starting backfield.

BRYAN WILLIAMS—Junior line-man, who weighs 155 pounds, has gained valuable experience in "B" team games this season and, as one of the few returning squadmen, is being counted upon as a valuable member of the 1957 Antelope squad.

**HAVE WE FORGOTTEN?
DO WE REMEMBER?
DO WE REALLY CARE?**

If we care—why do we not say so?
If we remember—let's show that we do.
If we have forgotten—we should be ashamed.

Over our country there are thousands of **VETERANS OF ALL WARS** in hospitals, on crutches or many working under handicaps caused by injuries suffered on some **BATTLE GROUND**. Do we appreciate them?

We **REMEMBER** our **DEAD** on Memorial day and that is well and good that we do, we should honor our **DEAD** who gave all for the cause we all say we love and cherish **BUT** how about the boys who offered themselves to their country and our country who still exist—barely exist?

IT SEEMS TO US that we do not appreciate them as we should or we would be willing to observe the day set aside as **ALL VETERANS DAY** and **SHOW** that we do think of them—at least once each year. **NOVEMBER 11th**.

OUR CUSTOMERS also remember the **SERVICE** men and women and all alike, we should be appreciative enough to lay aside our daily routine and spend that day in memory of our **MEN and WOMEN** who are still living who gave **DAYS - WEEKS - MONTHS - YEARS** that we might pursue our regular vocations.

ARE WE WRONG? LET'S GIVE IT SOME THOUGHT before another year rolls around.

Plenty Of Deer Seen For Season Opening Friday

AUSTIN (Spl.)—Surprising by well-conditioned deer herds will provide prime hunting when the big game season under the general state law opens Friday, according to the executive secretary for the Game and Fish Commission.

He said all field reports agree that deer, reflecting characteristic ability to withstand extreme drought are in the main "getting fat."

Emphasis was made, however, that no such optimism prevails concerning the wild turkey, ordinarily a favorite Texas target.

"There's going to be plenty of prime venison on the hoof," said the executive secretary, "but our wild turkey population is still far below normal. Turkey simply cannot stand the weather extreme like deer."

The taking of antlerless deer has been extended this fall. Approximately 9,000 permits for antlerless deer hunting are being distributed, mainly in the principal deer range in the Hill Country.

One feature of the annual deer season this fall will be the conducted public hunts on three game management areas where altogether 336 deer of both sexes and 50 javelina will be taken as a means of removing the surplus game from the experimental demonstration places.

Hospitality Awards Now Total \$1,000

Merchandise certificates awarded in the Post Chamber of Commerce's weekly Hospitality Days programs reached the \$1,000 mark last Thursday when five persons received \$20 certificates.

The winners and the firms issuing their merchandise certificates were: Mrs. Thelma Leathers, Western Auto Store; Mrs. Mary Nelson, Guy Floyd Humble Station; Mrs. John Veach, Iven Clary Service Station; Mrs. June Ellison, Dunlap's; Miss Patsy Cooper, Dowe H. Mayfield Co., Inc.

Drawings will be held between 4:15 and 4:30 o'clock this afternoon in front of the Chamber of Commerce building.

The completed topographic map of the proposed White River reservoir was submitted by Col. S. W. Freese, engineer, at a special meeting of the board of directors last week at the Community House in Calgary.

The map revealed that the lake will impound 33,160 acre feet of water at an elevation of 2,370 feet. The original plans were for a lake impounding 31,000 acre feet.

The lake will have approximately 25 miles of shoreline and will be "Y" shaped. It is estimated that from seven to ten sections of land will be designated for the lake and adjacent areas.

The directors were told by the engineer that copies of the map will soon be available for display in the member cities of Post, Spur, Crosbyton and Ralls.

The White River Water Control and Improvement District was officially declared created after the board had canvassed the returns of the recent confirmation elections in the four cities.

Col. Freese read to the group the engineering contract proposed by his firm of Freese & Nichols. The contract was assigned to a committee for study and will be acted upon at the board's next meeting.

Ransom Galloway, Lubbock attorney, reported to the board that the bond election could be ready to be called for a February date instead of in March, as provided in the original schedule. Galloway represents bonding companies with whom the directors have contracted for sale of the bonds if they are voted.

Dr. M. F. Brannon of Spur, a former member of the Brazos River Authority, was given a standing vote of thanks by the directors and others present for his efforts in behalf of the White River project.

Directors present at last week's meeting were Tom W. Bouchier and R. J. Jennings of Post, M. A. McLaughlin of Ralls, Lynn Buzbee of Spur and Robert Work of Crosbyton.

Committeemen attending were Dr. A. C. Surman of Post, George Gabriel and E. B. Blumberg of Spur and Perry Bell of Crosbyton.

Mayors present were James Minor of Post, C. H. Lodal of Crosbyton, Reese McNeill of Spur and Bill Smith of Ralls.

Others attending were R. H. Tate and Powell Shytles of Post, Galloway, John Steadham, Freese, Paige Gollihar, Kenneth Walker, D. L. Knight, Grady Lackey, Jack Rector and Dr. Brannon.

The next regular meeting is to be held this Thursday at 6:30 p. m. in the City Hall at Crosbyton.

ARLON FORD—Junior guard is one of the few Antelope squadmen who will be back for the 1957 football campaign. Ford's sterling defensive play has included recovering two opposing team's fumbles at crucial stages, and recovering a teammate's fumble for a touchdown in the Crosbyton game.

Four Area Students Enrolled In H-SU For 1956-57 Term

Four students from the Post vicinity are among the more than 1,575 enrolled for the 1956-57 term at Hardin-Simmons University.

They are: Sara Lou Ray, freshman, daughter of Mr. and Mrs. Ted N. Ray; Lillian Pearl Self, senior, daughter of Mr. and Mrs. Walter H. Self; Gaines Vernon Scott, junior, son of Mr. and Mrs. C. R. Scott, and James Walter Boren Jr., sophomore, son of Mr. and Mrs. Walter Boren.

Miss Self is a member of the YWA. Scott is a member of the a cappella choir and the Baptist Student Union.

The fall semester started at H-SU on Sept. 21 and will end Feb. 2. Students will get two holidays. They include: Thanksgiving from Nov. 21 through Nov. 25 and Christmas from Dec. 19 through Jan. 2.

Hardin-Simmons, a liberal arts university, offers courses leading to both the bachelor's and master's degrees in varied fields. In its 65th year, H-SU was established in 1891 by the Sweetwater Baptist Association.

Andy Schmidt accompanied Burl McCoy to his parents' home in Merkel Friday night after the football game. Andy attended the A&M-SMU football game in Dallas Saturday and accompanied McCoy back to Post Sunday night.

New Task-Force 57 Chevrolet Trucks!

They "flattened" Yukon mountains with the most modern truck V8's of all!

Rated G.V.W. of these payload-carrying heavyweights goes all the way up to 32,000 pounds!

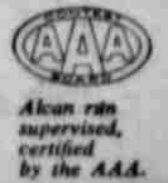

New V8-powered '57 Chevrolet trucks, heavily loaded, made one of the world's toughest roads look easy! In a straight-through test run, they rolled over the famous ALCAN Highway to Alaska—in less than 45 hours (normally a 72-hour run). Here's proof-in-action of power that'll handle your toughest jobs—and keep coming back for more!

Whatever your job, there's an Alcan-proved Chevrolet Task-Force truck ready right now to save you time and money!

Six new Task-Force huskies made the run. And six ultra-modern Chevy engines proved their power and performance—with gas mileage up to 18.17 miles per gallon! Two of the engines were not stopped once, and they humped along at peak efficiency the entire 1,520 miles!

Chevy's big V8's—including the new 283-cu.-in. Super Taskmaster—turned in top performance jobs. They hauled typical loads up and down towering grades and through washouts that sucked wheels into hub-deep mud. They roared on through miles of heavy dust that narrowed visibility to a few hundred feet. And in spite of the varying altitudes and temperatures, not a single truck was forced to drop out or turn back! Stop by and see them soon!

Proved on the Alcan Highway Champs of every weight class!

Two Completions, One Location Are Listed In County

Two completions and one location are listed by the Railroad Commission in last week's filings. The completions are:

Dorward—Humble Oil & Refining Co. No. 1 Birdie R. Alexander, 660 feet from north and 1,980 feet from west lines of Section 112, Block 5, H&GN Survey. Total depth, 2,350 feet; pay topped 2,450 feet, and perforations from 2,450-96 feet; pumped 76.34 barrels of oil per day plus 66 per cent water; gravity, 36.5 degrees; gas-oil ratio, 419-1. Fractured with 10,000 gallons.

PHD—Honolulu and Warren No. 6 Richardson Unit, 2,218 feet from south and 467 feet from west lines of Section 1282, BS&F Survey. Total depth, 3,580 feet; pay topped 3,523 feet, with perforations from 3,423-40 feet. Pumped 86 barrels of oil per day plus 47 per cent water; gravity, 35.5 degrees; gas-oil ratio, 160-1. Acidized with 2,000 gallons.

The new location is: **Justiceburg-Glorieta**—Milton A Dillard et al No. 1 S. S. Bevers, 1,320 feet from north and 330 feet from west lines of Section 106, H&GN Survey, five and one-half miles east of Justiceburg; rotary to 2,800 feet.

During the first year of the U. S. Army Reserve Forces Act of 1955, more than 137,500 men enlisted in reservist programs.

DON AMMONS—Senior halfback, used mainly on defense until the Tahoka game when he piled up a creditable rushing total. His long suit this season has been tackling opposing ball carriers, recovering fumbles and intercepting passes.

Dollar Value Of Farm, Ranch Land In Texas Up Slightly

The dollar value of farm and ranch land in Texas increased 1 per cent in the year ended July 1, 1956. This compared with a 3 per cent increase for the nation.

Figures compiled by the Agriculture Department showed the value of Texas farms and ranches on July 1 was \$9,705,000,000. The U. S. total was \$102,500,000,000.

Several forces operated to increase land values notwithstanding a drop in agricultural income in recent years, and drought conditions.

There has been a strong demand from farm operators over the country for additional land, said the department, and the opinion on the part of present

owners and prospective purchasers that farmland is a safe long-term investment continued to be of importance at mid-year. The Department used the term "farm" to denote both farm and ranch operations.

Regionally, farm values have been sustained or advanced by urban and industrial expansion—demands for part time farms and rural residences. The 1956 national average value per acre was set at \$88.65.

The average acre value of Texas farm and ranch land in mid-1956 was \$63.13, as compared with \$62.63 a year earlier. The value had been fixed at \$54.80 in 1951; it rose to \$63.08 the following year, then dropped to \$60.73 in 1953 and \$60.54 in 1954. Thus, the current record high value is barely over the 1952 total of \$9,185,000,000. The reported dollar values included all buildings on the farm properties. In a commentary, the report noted that "population is increasing, but our farmland is limited," thus, the prospect of a growing population is believed to assure a slow but steady increase in farm prices.

Values in the high plains areas of Texas and Oklahoma were reported to have increased 2 per cent.

"The wheat harvest in this area brought pleasant surprises to many growers as the turnout was generally above earlier expectations," continued the department report.

"In several important wheat districts in Oklahoma, for example, the 1956 wheat crop was two to three times larger than the very short crop of 1955. Production of wheat in Texas was nearly double the short crop of 1955.

"Increasing acreage under irrigation, industrial expansion, and other nonfarm influences also helped to hold values up in portions of these states."

For Texas as a whole the worth of an average farm in mid-1956 was placed at \$31,423, as compared with \$31,174 in mid-1955 and \$20,263 in 1950. The average size of the farm in Texas in 1954—the latest figure available—was 498 acres. The average size in 1950 was 438 acres. The average value of a farm throughout the nation in mid-1956 was \$21,469, and

\$12,983 in 1950. The average size in 1954 was 242 acres, in 1950 it was 215 acres.

Buildings on the average Texas farm had a value of \$3,259 in mid-1956, as compared with \$5,901 for the nation.

Except for New Mexico, where there was no change recorded in farm land values over the year ended July 1, Texas and other neighboring states showed increases. Values were up 9 per cent in Louisiana, 7 per cent in Arkansas and 3 per cent in Oklahoma.

The acre value of farm land in these neighboring states for 1956, 1955 and 1951, respectively: New Mexico—\$21.77; \$21.64 and \$17.77. Louisiana—\$118.85; \$112.23 and \$88.03. Arkansas—\$80.66; \$76.82 and \$70.01. Oklahoma—\$85.44; \$64.09 and \$60.50.

The total value of farms in each of these states in mid-1956: New Mexico, \$1,077,000,000; Louisiana, \$1,360,000,000; Arkansas, \$1,447,000,000, and Oklahoma, \$2,332,000,000.

The report indicated that figures to be compiled a year hence may show even greater increases recorded in Texas. From March to July of this year, there was an average increase of 2 per cent over Texas in dollar value of farm and ranch lands.

In the same period there was a 1 per cent increase for New Mexico, 3 per cent increase for Louisiana, 4 per cent increase for Arkansas, and a 2 per cent increase for Oklahoma.

GWSP Business Office Tells Why Foundation Needs Contributions

Why does the Gonzales Warm Springs Foundation for Crippled Children, a State-chartered non-profit organization, need funds from charitable Texans in addition to those received for patient care from sponsoring agencies, insurance, or individuals?

Information released by the GWSP business office reveal the following reasons as reviewed briefly:

1. As a non-profit organization, the Foundation always sets its per diem rate under the actual treatment cost as determined by a government formula applied by Haskins & Sells, GWSP auditors. Even when the rate is fully paid, there is a cost difference which must be otherwise absorbed.

2. State agencies which sponsor a number of indigent patients are restricted by Texas law in the amount they can pay to the Foundation for this care. These agencies, the Division of Crippled Children's Service of the State Department of Health and the Vocational Rehabilitation Division of the Texas Education Agency, are allowed to pay from a little less to a little more than half of the actual treatment costs at GWSP. The Foundation has to have funds to make up the difference.

3. There are many welfare or part-welfare patients as the Foundation has never refused treatment to any Texas patient under 21 years of age for any reason provided the patient was properly referred to GWSP by a member of the medical profession and

was deemed improvable by the Warm Springs attending staff.

4. Frequently the accounts receivable of the hospital are built up to a high level. This, of course, necessitates a sizable financial reserve as the Foundation cannot run a credit business.

Victims of all types of crippling diseases, conditions, and accidents are treated here.

It is the policy of the Board of Directors of the Foundation, a state-chartered physical medicine center, to endeavor to provide the most complete and most comprehensive rehabilitation program possible. Staffed with the best technicians available, its overall program is under the supervision of leading medical men of the state. It has the highest possible accreditation.

Most common expression heard from visitors to the Foundation is "I am amazed. I did not realize that there was anything like this in Texas."

Visitors are welcome at any time.

Attends Insurance School In Dallas

Floyd West & Co., represented here by Bryan Williams & Son, was one of 80 insurance companies over the state qualifying for the annual school held Nov. 5, 6, and 7 in Dallas.

Bryan J. Williams, accompanied by Mrs. Williams, was in Dallas for the school, which covered all phases of insurance and was conducted by some of the top insurance men in the state.

"Instruction received at this annual school will enable us to serve our insurance clients and prospective clients more efficiently," said the local firm's junior partner upon his return here.

Art Education Pupils Will Display Projects

Eighty-five art education students, among them Mrs. Jean Bingham and Janyce Lobban of Post, will have projects and demonstrations on display during the second annual Elementary School Art Conference at Texas Tech on Saturday.

Demonstrations will include work with crayons, tempera, and silk screen and block printing. Teachers, administrators, parents and any others interested in child art are invited to attend the conference, according to Bill Lockhart, associate professor of applied arts, who is in charge of arrangements.

Mr. and Mrs. Conner Parsons and family of Barnett, Mo., spent the weekend with his mother, Mrs. Alice Parsons, and other relatives.

Smart, Modern Pickup

On the road, you want all the performance, comfort, style and economy of this modern pickup.

Which of these trucks will do the most for you?

Light-duty Four-Wheel-Drive Truck

For the rough, tough off-the-highway hauling job, you want a truck with extra traction, extra power.

You get both with this "double-duty" INTERNATIONAL 4x4!

The INTERNATIONAL light-duty Model S-120 four-wheel-drive, pictured above in both illustrations, is a full-size pickup, with a full-size body, full-size cab. It's no cumbersome midget, or ungainly monster, but a modern pickup with comfort and good looks your wife will approve.

Yet with both axles engaged, it has power-plus and sure-footed traction to pull its 7,000 lbs. GVW effortlessly up

steep grades, through mud. It goes where roads can't go.

There's flexible auxiliary power, too. Power take-off gives extra power for most stationary or portable power jobs.

Why not come in today, and let us show you our wide choice of pickups, stakes, platforms. Convenient terms arranged through our Individualized Truck Payment Plan.

There'll Always Be An "Expert"

Drove out to see how they're getting along with the new super-highway that's going to pass through town.
 While I was there a fussy little guy—a spectator, like me—came up to the foreman on the job and started making all sorts of suggestions: "Shouldn't it go a little farther left there?... Why don't you bank the curves more?... Those ditches are awful close"... and so, on and on.
 The foreman took it as long as he could, then asked politely, "How does she look for length?"

FOR TIMES OF GENERAL EMERGENCY

Texans Told Of Need For More Of Them To Take First Aid Training

AUSTIN (Spl.)—Texans were told today of the need for more of their number to take first aid training.
 William L. McGill, state coordinator of defense and disaster relief, said a minimum of one member of every family should be a graduate in first aid. He also advised that one member of every family be trained in the home care of the sick.

McGill said the standard Red Cross first aid course is of particular importance to business and industry and all governmental agencies concerned with the protection of life and property.
 "In times of general emergency, the doctors and nurses in your community will be too busy to respond to all calls," McGill reminded. "This is when the individual trained in first aid can be of great help to his neighbors or fellow workers. Yet his services can be of inestimable value in the kind of emergency that happens every day—the common accident causing injury that requires attention until medical professionals can take over."
 There are now 4,155 authorized instructors in first aid in Texas and Red Cross records indicate nearly 40,000 Texans received cer-

tificates of graduation in the standard course last year. In the same period the Red Cross also instructed 7,610 persons in the home care of the sick.
 "Because the facilities for this training are widely available and the need so obvious, we are urging all who can to take an active part," McGill said.
 Groups interested in forming classes may contact either their local Red Cross office or the local civil defense director for particulars.

Post Student Receives Texas U. Scholarship

AUSTIN (Spl.)—Margaret Anne Welborn, University of Texas student from Post, has received a \$75 Panhellenic scholarship.
 The scholarship, established by Panhellenic Council, advisory-governing organization for social sororities, is awarded to women students on the basis of scholastic standing and campus interest.
 Miss Welborn, a senior speech student, is coordinator of Valhalla Co-op, women's cooperative living unit. Her parents are Mr. and Mrs. W. L. Welborn.

LEON DAVIS—Senior three-year letterman at tackle, Davis is another of the Antelope squad closing out their high school grid careers at Abernathy Friday. He has helped bolster the Antelope forward wall for the past three seasons.

Mrs. Ruth Wright and children of Roosevelt, Okla., were Sunday guests in the home of her brother and family, the O. E. Montgomerys. They were en route to Long Beach, Calif., where they will make their new home. Other visitors Sunday were Mr. and Mrs. Wesley Collins and children of Snyder.

Checks Mailed Garza County Youths Whose Animals Sold At State Fair

Checks totaling \$6,801.44 are in the mail to Garza County boys and girls who participated in junior livestock sales during the 1956 State Fair of Texas.

In all, the State Fair has mailed checks totaling \$210,140.22 to youngsters whose livestock and poultry sold after being shown at the fair.
 The total was the largest in the history of the junior auctions at the fair.

The total was the largest in the history of the junior auctions at the fair, topping the previous high of \$176,975 in 1955.

The junior show at this year's fair was the largest ever presented in Texas, said Ray W. Wilson, the fair's livestock manager.

A total of 1,146 4-H Club boys and girls and Future Farmers to part, he reported. They came from 196 of 254 counties in the state.

In the junior livestock auction sale, 510 steers were sold for \$174,087.29, 248 lambs for \$8,260.66, and 412 pigs for \$18,334.74, for a total of \$200,682.69.

The turkey auction brought a total of \$5,358.23 for 435 turkeys, and the broiler sale brought \$4,099.50 for 1,680 broilers.

Buyers paid a substantial premium over the market price to offer encouragement and incentive to the boys and girls who had raised their animals and fowl as
