Thirtieth Year

Thursday, February 28, 1957, Post, Texas

Number 37

Post To Join In Observance Of Texas Public School Week March 4 Through 8

Citizens of Post are urged to go back to school—if only for a day—next week during the local observance of Public Schools Week in Texas.

The observance here will include open house at all three schools on Monday, Tuesday, Wednesday and Thursday, and a program, "Say It With Music," to be presented by the vocal music department of the schools at 7:30 p. m. Tuesday in the grade school auditorium.

There will also be exhibits of students' work on display in the various departments and classrooms of the three schools during the week, according to Supt. R. K. Green.

Since there will be no school on Friday, March 8, because of the district teachers' meeting in Lubbock, the local observance of Public Schools Week in Texas is being cut one day short, the superintendent said.

"The training place for democracy is in our public schools," Green said. "Take a look at the technique used by our teachers during the week designated by the Governor as Public Schools Week.

Plan to visit one or all of the schools, meet the teachers, the football coach and the principal. The doors are always open and you are certain to receive a hearty welcome."

George M. Wilson, head of the vocal music department, has announced that 335 students will take part in Tuesday night's "Say It With Music" program. The first portion of the program will be presented by 110 fourth grade students and the second portion by 175 students from grades five through eight. In addition, there will be numbers by the high school chorus of 50 voices.

The fourth grade students will sing "Clapping Game," "Spring Garden," "Rowing," "The Little Train That Said 'Ah! Choo!'" "The Little Engine That Could," "Once a Lady Loved a Swine" and "God Bless America."

Songs by the fifth, sixth, seventh and eighth grade students will be "Music of the River," "Chestnuts," "Skater's Waltz," "Road to Willowmoly," "Home on the Range," "Giant," "It's Me, O Lord," "The Battle Hymn of the Republic" and "The Star Spangled Banner."

Songs by the high school chorus will be "Adoramus Te Christe," "Wash My Sins Away," "Falling in Love With Love," "Rollin' Down to Jordan" and "Drums in My Heart."

The slogan for this year's observance is "Texas Public Schools—Democracy in Action."

Abstracts Obtained From Owners Of Land Needed For White River Dam

No final trade has been made on land required for construction of the proposed White River dam, but abstracts have been obtained from all landowners and are being examined by the water district's attorney, M. A. McLaughlin of the land committee reported last Thursday at a regular meeting of the board of directors of the White River Municipal Water District, held at Spur.

McLaughlin said that as soon as examination of the abstracts is completed the committee will make an effort to get releases from lease holders, mineral holders and any others who might be involved in some type of ownership.

The directors approved a change in the tenure of office of board members as required under the new law creating the water district under the state legislature. The following directors were nominated for a term expiring Dec. 31, 1957: Dr. A. C. Surman, Post; Jim Cox and Jack Robertson, Ralls; Dr. Dale Rhoades, Crosbyton, and E. B. Blumberg and George Gabriel, Spur.

Nominated for a term expiring Dec. 31, 1958, were Tom W. Boucher and R. J. Jennings, Post; Lynn Burbee, Spur; Robert Work and Perry Bell, Crosbyton, and M. A. McLaughlin, Ralls.

S. W. Freese of Fort Worth reported that final plans and specifications on the engineering contract would be ready for approval within the next two or three weeks. Jennings reported on the committee's trip to Austin to file with the legislature bills to validate the water district.

The secretary was instructed to

write letters of appreciation to Representatives Patterson of Snyder and Kelly of Afton and Senators Ratliff of Stamford and Smith of Lubbock for their efforts in getting the water district's bill presented to the legislature.

Those other than directors attending the Spur meeting were Ransom Galloway, Powell Shyettes, D. L. Knight, Cap McNeill, Reese McNeill, Freese and James Minor. The next meeting will be held March 21 at Crosbyton.

MEMBERSHIP DRIVE SET FOR MARCH

Jaycees Planning Teen-Age Road-ee

Members of the Post Junior Chamber of Commerce heard a talk on civic betterment, mapped a March membership campaign and made preliminary plans to hold a Teen-Age Road-ee at a meeting Monday night in Antelope Hall, formerly known as the Garza County Youth Center.

March 9 Date Set For Project Show

The annual project show for Garza County 4-H Club members and Future Farmers of America members will be held Saturday afternoon, March 2, at pens south of the high school gymnasium.

Steers, fat barrows and lambs are to be exhibited, with many of the animals due to show in the South Plains Stock Show opening March 18 in Lubbock.

Clement Montgomery of Big Spring, Area II Vocational Agriculture supervisor, will be invited to judge the animals, according to County Agent Lewis C. Herron and E. F. Schmiedt, FFA chapter advisor.

The principal speaker was Gerald Sanders of Lubbock, a state Jaycee president and sales manager of radio station KDAY. Sanders who is also national Jaycee Americanism chairman, told what Jayceesism means and how its objectives can be applied to civic betterment.

Two teams, with Edsel Cross and V. F. (Bing) Bingham as captains, were organized for the March membership campaign. Awards are to be presented to the winning team and the individual Jaycee who obtains the most members during the month.

Committees were appointed by Jaycee president Lee Ward to contact county, school and business people for the Teen-Age Road-ee, which is a supervised contest of teen-agers' driving skills, judged on a point system.

Each contestant is judged by several judges, after which the driver's points are totaled. The winner in the local contest will be eligible to compete in the regional event, which can lead to competition in the state and national contests.

Guests at Monday night's meeting were John Davis, Dick Tanner and Lewis C. Herron.

Junior High Quartet Is Winner Of First Place

The Post Junior High School boys quartet of Leslie Acker, Lee Williams, Joe Edwin Cook and Dwayne Capps won first place Friday night in the amateur contest sponsored by the Brownfield Lions Club. Their prize was \$15.

Second place prize of \$10 went to the Post High School boys quartet of Herman Tanner, Jimmy Short, Clarky Cowdry and Don Clary.

Blue And Gold Cub Banquet Set For Today

Cub Scout Pack 16's annual Blue and Gold banquet will be held at 8:45 p. m. today in the school cafeteria.

Victor Hudman will be master of ceremonies for a program which will include recognition of Cubmaster Edsel Cross, the den mothers and den chiefs.

The banquet is being held in celebration of the 47th anniversary of the Boy Scout program.

Following invocation, a dinner will be served consisting of ham, potato salad, beans, relish plates, butter, rolls and cherry pie a la mode.

Den mothers and chiefs who will be recognized are the following: Den 1—Mrs. James Kennedy, Mrs. Edward Neff and Kenneth Smith.

Den 2—Mrs. Victor Hudman, Mrs. Donald Windham and Gary Simpson.

Den 3—Mrs. Lewis C. Herron, Mrs. E. F. Schmiedt and Joe Bob Trammell.

Also to be recognized will be former den mothers Mrs. Max Gordon and Mrs. Ralph Dean and assistant Cubmaster James Kennedy.

Table decorations, made by the Cub Scouts, will be of natural vegetation and carry out the organization's blue and gold colors.

Approximately 125 are expected at the banquet.

No Absentee Votes In School Election

The absentee voting period for Friday's election on consolidation of the Post, Graham and Garnolia school districts ended at midnight Tuesday without a single vote being cast, County Clerk Carl Cederholm said Wednesday.

The clerk said he received two requests for absentee ballots but that both came after the deadline had passed.

Polls for Friday's election will open at 8 a. m. and close at 7 p. m. in the Post High School auditorium and at the Graham and Garnolia schoolhouses. Election judges will be Bobby Pierce, Post; J. W. (Bill) McMahon, Graham, and B. W. Francis, Garnolia.

In order to carry, the consolidation issue will have to be approved independently in each of the three districts, according to County Judge Pat N. Walker.

SOMETHING TO SMILE ABOUT—The recent rains have given this Pleasant Valley farmer and his son something to smile about, and not just because it happens to be National Smile Week, either. C. R. Scott and his son, Vernon, who is a junior business administration major at Hardin

Simmons University, are shown at the rain gauge on the courthouse lawn. This particular rain gauge has measured 3.10 inches for the year, but Scott has received more than that on his Pleasant Valley farm.—(Staff Photo).

TAAF Cage Tournament Entering Final Rounds

The 12-team District 2 TAAF Tournament is continuing at the high school gymnasium here, with Primm Drug of Brownfield, Petersburg, Plainview and the Three Way Sandhill Cranes still in championship contention. The other eight teams either have been eliminated or are playing in the consolation bracket.

Two games are scheduled for tonight. K&K Food Mart of Post plays the Crosbyton Independents at 8 o'clock, and at 9 o'clock it'll be either Muleshoe or Anton against either Klondike or Seagraves, depending on the outcome of last night's games.

Championship play resumes at

8 o'clock Friday night with a game between Petersburg Independents and Primm Drug. Plainview and Three Way meet in the second game. The winners of these two games will meet at 9 o'clock Saturday night in the championship finals. The consolation championship will be decided in a game beginning at 8 o'clock.

Buddy Hays, tournament director, said first and second consolation trophies will be awarded. The winning team will also receive \$200 to defray its expenses to the state TAAF tournament.

The district meet is being sponsored by VFW Post No. 6797.

Meeting Scheduled On Conservation

The Great Plains Conservation Program will be explained at a meeting at 1 o'clock next Thursday afternoon at the Soil Conservation Service office, it was announced today by Alex Ringhoffer, acting work unit conservationist for the Post Work Unit of the Duck Creek Soil Conservation District.

Ringhoffer said invitations are being mailed representatives of agricultural agencies, farm groups, bankers, and others interested in the program. He explained, however, that an invitation to attend is not required. Anyone interested in the program will be welcome, he said.

Similar meetings will be held during the week in Spur and Jayton.

COMMISSIONERS TO INVESTIGATE FEASIBILITY OF PROPOSAL

Group Favors Employment Of County Juvenile Officer

The Garza County commissioners' court agreed Friday morning to investigate the feasibility of employing a county juvenile officer after sitting in on a 90-minute free-wheeling discussion of the need for one.

Three of the more important facts brought out at the meeting were:

1. Child behavior is basically a home problem.

2. Ninety-seven per cent of the juveniles in Garza County are behaving themselves.

3. Thirty juveniles are now under some form of court supervision, but before the year ends others not yet in trouble will find themselves in juvenile court for some infraction.

A motion that the commissioners' court look into the feasibility of hiring a juvenile officer was made by Mrs. J. E. Parker, president of the Woman's Society of Christian Service of the First Methodist Church and was seconded by the Rev. W. L. Porterfield, pastor of the church. The WSCS, which has recently completed a study of juvenile delinquency, had requested County Judge Pat N. Walker to call Friday morning's meeting.

The motion carried unanimously.

Mrs. Parker, who presided, introduced Ellis M. Mills, junior high school principal, who told the group that the juvenile problem "is very close to us." As the opening speaker, he was the first to bring out that child behavior is basically a home problem.

"We sometimes know about the children's problems before they are called to the attention of parents or law enforcement officers," he said.

parents is needed to keep this number from growing larger.

"As I see it, the main reason for the nationwide wave of juvenile delinquency is the fact that many parents are not capable of raising children, Judge Walker said.

He pointed out that since 97 per cent of the county's juveniles do not constitute a problem, such measures as imposing a curfew would penalize a vast majority because of the misdeeds of a few.

Judge Walker estimated that the cost of a juvenile officer would approximate \$6,000 a year, then told the group that there is a good chance of getting Lynn County to cooperate with Garza County in employing an officer to serve both counties.

"It should be understood," he said, "that the problem is not entirely the county's, but also the city's and the community's and they would be expected to do their part in the setting up and maintenance of such an office."

The county judge said that the present system of dealing with juvenile delinquents is only partially effective and that in his opinion employment of a juvenile officer would put it on a more efficient basis.

Mayor James Minor said that the city council had discussed the juvenile problem at a number of its meetings. "Like most everyone else," he said, "we've come to the conclusion that it's more a problem of handling the parents than it is the children."

County Attorney Carleton P. Webb said that we have plenty of laws to curb juvenile delinquency but that we are failing in their application.

"The proper kind of supervision will help, but if we should happen to come up with a solution of the problem we'd be the banner county in the United States," Webb said.

"As far as filing charges against the parents for the misdeeds of their children, we can go ahead and do that, but we can't instill in them the character they need for the proper rearing of their offspring," the county attorney said.

to cooperate with Garza County in employing an officer to serve both counties.

"As far as filing charges against the parents for the misdeeds of their children, we can go ahead and do that, but we can't instill in them the character they need for the proper rearing of their offspring," the county attorney said.

The Rev. Roy Shahan, pastor of the First Baptist Church, said the big need in overcoming the problem is fathers and mothers who do what they know they ought to do instead of going to the ministers, teachers and law enforcement officers with their children's troubles.

"The individual who is not living for the future generation is See GROUP FAVORS, Page 6

BOX AFTER BOX—This new 150-foot conveyor at Postex Mills, Inc., replaces a 10-foot one and carries boxed Garza sheets and pillowcases to the warehouse for shipment. With the old conveyor it was necessary to truck the boxes to the warehouse. Harold Britton (left) and Doyle Nelson are shown at the conveyor, which is one of the many new pieces of equipment installed in the mill's recent expansion program. Before hitting the conveyor, the box-tops are automatically glued by another new item of equipment.—(Staff Photo).

NORTHWEST OF CLOSE CITY

Glorieta Pumper Opens New Pay

J. Paul Karcher, Midland independent operator, has completed as a Glorieta discovery his No. 1 S. C. Storie in west-central Garza County.

Producing from perforations between 4,160 and 4,255 feet, the project made 60.63 barrels of oil plus 62 per cent water on pump during a 24-hour potential test. Gravity tested 28 degrees and gas-oil ratio was 363-1. Treatment was with 750 gallons of regular acid.

Top of the Glorieta was called at 4,160 feet, with hole bottomed at 4,250 feet. Plugged back depth is 4,252 feet. The hole was drilled

tight and no tests reported prior to completion.

Well site situates one and one-half miles southwest of San Andres production in the PHD field and two and one-half miles southeast of Glorieta production in that area. It is one and one-half miles northwest of Close City. Suggested field name is the Storie (first choice) or the Close City-Glorieta.

Exact location is 990 feet from south and east lines of the northeast quarter of Section 1303, Block 1, EL&RR Survey. It spots on a 168-acre lease.

Thursday To Thursday

By CHARLES DIDWAY

WE'VE HAD MORE mud on our shoes and tracked more into the house the last ten days than in the previous ten years put together, but who's complaining?

FRIDAY IS THE first day of March, and the month gets off to an eventful start with the Post-Graham-Garnolia school consolidation election. Saturday is Texas Independence Day, a banking holiday, but not a post office day.

OTHER LOCAL EVENTS during the month will include the annual Garza County Spelling Bee, and there'll be all sorts of deadlines—candidate filing, auto tag purchasing, soil banking, etc. St. Patrick's Day is the 17th and the first day of Spring, the 21st.

THE FIRST DAY of Spring holds more than the usual amount of interest locally, because that's the day when Noah Stone and one or two others carry on the old Indian legend of determining which way the wind blows at sunrise so as to know what kind of crop year we'll have.

THERE ARE SOME who don't place any faith in the wind-at-sunrise legend, but those who do say that it has been a lot more dependable than most of the government's crop forecasts.

ANOTHER MARCH EVENT, one of interest to rodeo fans, is next Monday night's meeting of Post Stampede Rodeo directors. Next to the rodeo itself, it's the group's most important event, since it's always the one at which the dates of the annual show are set.

FORGETTING, FOR THE moment, the future, we were more than slightly nonplussed at not getting a bona fide invitation to last Friday night's football-pep squad banquet. We did get an invitation, but it came by telephone less than three hours before banquet time, and by then didn't carry as much appeal as it would have had we received it in the mail as did the other guests.

FROM THE STANDPOINT of being overlooked personally, we didn't mind a bit, but we hated to see the only newspaper in the world that gives a hoot about Post High School, its football team and its pep squad "stood up" on a banquet date.

IT WAS EXPLAINED to us that neither we nor the newspaper was intentionally overlooked when the invitations were made out, and we are sure that we weren't. But it's much more complimentary, we've always heard, to be forgotten intentionally than it is to be forgotten accidentally.

IF SUCH SLIP-UPS are to recur in the schools' avowed plans for a better public relations program, then we're in favor of leaving the public relations program as it was. Under the old set-up, we at least got invited to the football banquets in time to get ready to go.

INCIDENTALLY, IF you want to read an account of the banquet, we suggest you check

Roger W. Babson Writes This Week:

Modern-Day Insurance Business In U. S. Is Clear Illustration Of Applied Christianity

BABSON PARK, Mass.—I have recently been quoted as follows: "I believe if Jesus were here today, instead of being a carpenter, he would be an insurance agent." My explanation of this is that I believe the insurance business is a clear illustration of applied Christianity. If someone's home burns, the company does not usually use its capital to pay the unfortunate person. The insurance is paid from premiums contributed by the rest of us whose houses have not burned. If one of us dies and the wife receives insurance for \$20,000, the rest of us, through our premiums, pay the wife these much-needed funds. Let me now give you some ideas as to my thoughts on insurance in general.

Different Kinds Of Insurance The simplest insurance is life insurance. On these life company stocks I was very bullish a few years ago when they were cheap; but since then they have increased threefold in price and, hence, are not so attractive. The health, accident, and automobile company stocks have never appealed to me; but some are OK. The surety and bonding companies I know nothing about. The fire insurance companies I have studied for years and have invested considerable money therein.

Many Disagree With Me The investment trusts have been doing considerable selling of insurance stocks, especially those of the fire insurance companies. They feel that the present "agency system" is becoming obsolete. There may be radical changes in the selling organizations of the fire insurance stock companies; but their executives do not now admit it.

Many investors also fear the mutual stock fire companies. Of course, there are no stockholders in the mutual life companies; but certain stock fire insurance companies use a mutual system for premiums. They offer to save the buyer of insurance a good part of the commission now going to the agent. My own feeling is there will always be a field for both classes, each one keeping the other on its toes.

Diversification And Management The sensible investor will classify fire insurance companies with the best investment trusts. By buying such fire insurance stocks an

OFFICE OR COUNSELLOR?

The fact that Post's juvenile problem has grown big enough that something should be done about it—something more than is being done now—was brought out Friday at a meeting of the Garza County commissioners court with a group interested in the possibilities of employing a county juvenile officer.

We use the term "juvenile officer," because that is just what his position should be if one is employed. Some of those at Friday's meeting expressed the opinion that the term "officer" should not be used, preferring the milder term of "juvenile counsellor." We don't go along with that opinion. Every county in the state which has someone in charge of the problem has hired him as a "juvenile officer." There is no objection to the term, that we can see, and even if there were, it's no time to soft pedal the issue when the problem has grown big enough for a mass meeting to be held to do something about it.

So, if the commissioners' court hires someone for the job, let's hope they hire him as a "juvenile officer" and give him the authority he will need to help bring about a solution. All of us are, in a manner of speaking, "juvenile counsellors." What we need is a "juvenile officer."

The most encouraging note brought out at the meeting was that 97 per cent of the county's youngsters are NOT juvenile delinquents. But it also was brought out that before the year ends there will be juveniles hailed into court who have never been there before. That's where the old adage of an ounce of prevention being worth a pound of cure again proves its worth. Employment of a juvenile officer might be the solution to reforming the 3 per cent who are community problems and to preventing the emergence of first-time wrongdoers.

There's been a postponement of the meeting of the central committee of the Soviet Communist Party. An obvious reason: too many Communists talking on a party line.—Indianapolis, Ind., Leader.

last Saturday morning's Lubbock paper, which carried eight or nine lines on it. What you've just finished reading is all you'll see about it in The Post Dispatch.

GETTING BACK to the future, we've just learned that the letters IGY stand for International Geophysical Year, which will have its formal beginning July 1. During the ensuing year, scientists the world over will cooperate with each other in an effort to solve many of the scientific mysteries on our earth.

JUST AS A STARTER for the IGY year, we wonder if the scientists could be prevailed upon to settle right off the bat that age-old question of which came first, the chicken or the egg?

A FULL EVENING of basketball—four games—opened the District 2 TAAP tournament Saturday night at the high school gym. We were happy to see a former Post Antelope, Darrel Norman, score the night's first field goal, and from then on it was one bucket right after another as four teams won and four lost.

THE TOURNAMENT continues through Saturday night, and if you're reading this on Thursday, there are three action-packed evenings left. Don't miss 'em, if you like basketball.

Getting Out On The Limb

By EDDIE the editor

SUDDEN THOUGHT: Revenge is often like biting a dog because the dog bit you.

Indignant woman to luscious-looking librarian: "Funny you haven't that book. My husband said you had everything."

ERNEST JOINER, editor of the Ralls Banner, gives Post a good plug for our City-School Library in his "It Sez Here" column. Now anytime anyone, any place or any thing gets a good plug from Ernest, it's because he's doing it in order to deflate something else. In this case, it's the proposed creation of a Crosby County library at Crosbyton.

Among other reasons, Ernest says he's against the proposed county library "so long as we maintain the ill-equipped and practically useless school libraries that exist in the Ralls, Crosbyton and Lorenzo schools."

"Over at Post," he writes, "they have a City-School Library. It is located in the school where it belongs. Students have the benefit of a good library, supervised by a professional librarian. Citizens of the town with a thirst for knowledge check books out of the city-school library. Why should there be a ridiculous duplication of buildings, books, library workers and taxes to support two libraries?"

Conditions that are making people tense will become aggravated as time goes on," says a sociologist. Perhaps you should begin at once to lay aside enough money to pay for a nervous breakdown.

Now and then when we can find time we spend a few minutes not caring how much TV quiz champion Charles Van Doren knows.

THINK YOU'RE important? You're just one of 170,000,000 in the United States!

Or, to be more exact, you were a few days ago. Since then the population has increased by several thousand.

But the Census Bureau, in Washington, made a special announcement of the fact that the 170,000,000 mark had been reached and noted these additional facts:

The population has increased 19,000,000 since the 1950 census.

In 1956 there were 4,200,000 births, 1,600,000 deaths, and about 300,000 immigrants—for a net gain of 2,900,000.

The farm population is the only division showing a decline. Farm residents totaled 22,257,000 in 1956. That was 11.2 per cent fewer than the total in 1950.

The bureau made one prediction: The population will reach 200,000,000 in not more than 10 years.

People who like to worry have a greater and more varied number of things to choose from than ever before.

THE WOMEN, bless 'em: Many a secret dictator is hidden by a bridal veil.

BOY SCOUT WEEK ended earlier this month, but it's not too late for a rousing tribute to the scoutmasters, cubmasters, den mothers and other individuals who are devoted to this world-wide program at a point where it counts most—working directly and influentially with the boys themselves.

A salute is due, also, to the men who have accepted places of leadership in the Boy Scout movement. Many of them are men without sons or grandsons.

Local Scout leaders say the need here is not for more Cub Scouts and Boy Scouts, since there are plenty of boys who would like to be in the program, but for adult leaders to help form and take care of new troops.

Math department explanation: A circle has no corners. An oval has no corners. But not nearly so no corners as a circle has.

A cold is both affirmative and negative. Sometimes the eyes have it and sometimes the nose.

With literary standards what they are in some circles today it's difficult to know whether to wash Johnny's mouth out with soap when he picks up bad words, or to buy him a typewriter.

RECENT VISITORS to The Dispatch office were approximately 100 second grade youngsters, piloted by their teachers, Mrs. Almon Martin, Mrs. Jessie Lancaster, Mrs. Joe Callis and Miss Bonnie McMahon.

While a little young to learn much of the newspaper business on their brief visit, the youngsters showed a great deal of interest in the printing process, and we ran some sheets through the big press for their benefit.

The teachers explained that the pupils were on a "Tour of Community Helpers," and their visits took in the post office, a church, the bakery and the floral shop.

How About Aid for Us TAXPAYERS?

Our Contemporaries Are Saying - - -

Non-Stickable Economy

We'll be glad when the post office's 300 million unglued three-cent stamps have been gone bid-ey-bye. For weeks we've been unable to get stamps to stick to our letters, all because the bureaucratic brass decided, for reason of economy, to reduce the amount of glue on the back of each stamp. This is a commendable procedure, even though it failed. What makes it commendable is that such an economizing feature should invade any department of government, especially at a time when those fat war contracts are still being let on a "cost plus 10 per cent" basis. The usual procedure is to take a bomber that reasonably should cost \$2 million, and letting the contractor run it up to \$3 million through laziness, inefficiency and graft. He should mind, so long as he gets 10 per cent on every dollar he can spend. The post office says it took a \$45,000 loss on those 300 million unglued stamps, which is pretty small peanuts compared with the \$3 million we toss away on a B-52. We thank the department for trying, but we still will be glad when the stamps come fully equipped with glue.—"It Sez Here" in The Ralls Banner.

Mark Of A Man

The banking teller said it: "He may have a greasy hat and his trousers may be shiny, but if his children have their noses flattened against the windowpane a half-hour before he is home for supper you can trust him with anything you yoy have."—"Drifting Sands" in The Andrews County News.

Neck And Neck

A good but expensive race is now in progress on the Washington track. It looks like a photo finish as to whether the farmer or the government helping the farmer will reach bankruptcy first.—"Trail Dust" in Matador Tribune.

What A Shame

They tell me that Pat Boone is replacing Elvis Presley in popularity on the juke boxes. What a shame! Just when I was beginning to appreciate that boy.—"Rattlesnake Riley" in The Seminole Sentinel.

Vicious And Un-American

Vote buying is quite an institution in Texas, as has been illustrated in recent articles appearing in this paper.

There are two popular methods of purchasing votes, both of which are related to the economics of the individual.

In the first case, votes are purchased by paying the voter a fee to cast his ballot a particular way.

In the second case, votes are purchased by threatening a merchant or an employee with economic reprisal unless he votes a particular way.

One is as vicious and un-American as the other.

A Tullian tells us that his stock reply to those who threaten economic boycott is this, "I'm going to vote just like you—like I dern please."—"Town Topics" in The Tulsa Herald.

THE POST DISPATCH Published Every Thursday at Dispatch Publishing Building in Post, Garza County, Texas. CHARLES DIDWAY, E. A. WARREN. Entered at the Post Office at Post, Texas, for mailing the mails as second class matter, according to an order of March 3, 1879.

MUMPS FAIL TO HALT TEAM'S BID

Freshmen Cagers Win Championship Trophy In Tournament At Lorenzo

Coach Frank Krhut's freshman team won its second first place trophy by drubbing Abernathy, 50 to 37, in the finals of the Lorenzo Tournament.

Although starter Clinton Smith missed all three tournament games on account of a case of mumps and starter Scotty Pierce missed the last two games for the same reason, the Post team experienced trouble only in their semi-finals clash with Petersburg, eking out a 19-18 win. They had won over Ralls, 39-17, in a first round game.

The championship trophy received following Saturday night's finals will join the first place trophy won in the Floydada Tournament and a second-place trophy won at Slaton in the freshmen's contributions to the high school trophy case.

Following are the Post boxes for the Abernathy and Petersburg

games:

ABERNATHY GAME

Lamesa, Plainview Independents Win

Lamesa Hardware downed Hearne's Independents of Seagraves and the Plainview Independents outshot the Muleshoe Independents in two opening round games of the District 2 TAAF basketball tournament here Saturday night.

The score in the Lamesa-Seagraves game was 64 to 59. Seagraves putting on a second half comeback which almost overtook the Lamesas, who held a 33-18 halftime lead. In the second half, Seagraves outscored Lamesa, 41-31.

Emil Prather scored 22 points to pace the winners, while Kenneth Hart of Seagraves scored 21.

The score in the Plainview-Muleshoe game was 57-42, with Plainview leading all the way. Their first quarter margin was 21-10; halftime, 33-21, and third quarter, 40-29.

Max Newman and Duff Bryant each scored 14 points for the winners. Glenn Harlan scored 12 points to pace the Muleshoe cagers.

Lt. and Mrs. Dowe Mayfield, Jr., and son, Robert, of Fort Bliss were visitors in the home of his parents, Mr. and Mrs. Dowe Mayfield, Sr., over the weekend. Sunday a family dinner was held in honor of Robert's first birthday and the elder Mayfields' anniversary.

SPORTS

THREE WAY SANDHILL CRANES REFUSE TO GIVE UP

Brown Bros. Win, K&K Food Mart Loses In First Tournament Tilts

One of Post's two independent teams won, but the other one lost Saturday night in opening round play of the District 2 TAAF basketball tournament at the Post High School gym.

Brown Bros. defeated Crosbyton, 43 to 32, while K&K Food Mart was upset, 54-52, by the Three Way Sandhill Cranes, who rallied in the final quarter to score the victory.

In the Brown Bros-Crosbyton game, the Post team held a 12-8 first quarter lead and were ahead, 22-18, at halftime. They upped their margin to 35-22 in the third quarter, then held off a Crosbyton fourth period surge to cinch the victory.

The K&K team, playing minus the services of some of its regulars, started out as if it was going to win anyway. They were ahead by only one point, 14-13, at the end of the first quarter, but scored 19 points in the second period to 9 for the Cranes and held a 33-22 lead at halftime. In the third period, the never-say-die Cranes began cutting into the K&K margin and trailed by only 39-35 at the end of the period. The Cranes continued their surge in the final period, outscoring the Post team, 19-13, to take the win.

Jack Kirkpatrick's 23 points in a losing cause for the K&K team was high for the night. Jim Eddins hit 11 for the losers, while Randy Hill, with 15, and Bill

Woods, with 11, paced the Cranes.

The box scores follow:

Three Way (54)				
	fg	ft	pf	tp
Woods	4	3	4	11
Sowder	3	1	1	7
Mann	4	0	0	8
Hill	7	1	1	15

SHERIFF SAYS: 'DON'T DRIVE INTO TRAINS'

Motorists Urged To Use Caution In Approaching Grade Crossings

"Motorists sometimes do strange things," Sheriff Carl Rains commented today, "but the most unexplainable is the way they drive into trains."

Speaking in support of the "Signs of Life" program now being conducted in Texas by the Texas Safety Association and the National Safety Council, the sheriff said that in about one-third of the grade crossing accidents, the auto hits the locomotive or another part of the train.

Noting the number of deaths and injuries in railroad grade crossing accidents each year, despite the fact that more than 96 per cent of all highway-rail crossings in the United States are marked by some warning sign or signal, the sheriff urged motorists to use extra caution in approaching grade crossings.

He said railroads and traffic officials are jointly responsible for protecting grade crossings. Railroads require their trains to give audible warning of their approach. In addition to the round railroad approach signs and the white crossbuck, heavily used grade crossings are protected by gates, flashing lights, bells, wig-wag signals or watchmen.

"Yet, in spite of these," the sheriff continued, "motorists either fail to notice these warnings or deliberately ignore them and almost always wind up second best in an encounter with a train."

"The driver must understand the importance of obeying these laws and warnings," he said.

He urged motorists to join in the "Back the Attack on Traffic Accidents" program by observing the following rules in crossing railroad tracks:

1. Be extra cautious when approaching a grade crossing.
2. If there are no lights or bells, listen for the train whistle and the

Bits Of News From Here And There

Mr. and Mrs. Curtis Davies complimented Mrs. Roy Stevens with a birthday dinner in their home Sunday. Guests were: the honoree, Mr. Stevens; Mr. and Mrs. Charles Gay of Brownfield, Mr. and Mrs. Walter Duckworth, Miss El Wanda Davies and Wayne Culvahouse of Snyder.

Mr. and Mrs. Lovis Acker of Dallas were weekend guests in the home of his brother and family, Mr. and Mrs. Leo Acker.

Mr. and Mrs. Buster Moreland left last Thursday afternoon for a visit with relatives and friends in Corpus Christi. Mrs. Roy Shanahan accompanied them to San Antonio where she visited her sister and family, Mr. and Mrs. Frank Roe. The group returned to Post Sunday.

Weekend guests in the home of Mr. and Mrs. Curtis Davies were their daughter, El Wanda, and Wayne Culvahouse of Snyder.

Tommy Mayfield, son of Mr. and Mrs. Dowe Mayfield, Sr., is in Methodist Hospital in Lubbock under observation. He was taken ill in the family home Sunday afternoon.

Mrs. Winnie Henderson, accompanied by her houseguest, Miss Wynell Garrett and Mrs. Andrews Otis of Flagstaff, Ariz., spent Sunday in Lamesa with Mrs. Henderson's father. Friends from Flagstaff joined them there and all the Arizona group planned to go through the Carlsbad Caverns in New Mexico before returning to their home.

Mrs. Walter Boren, who has been in Temple at Scott and White Hospital for two weeks returned home Friday. Her husband and Mr. and Mrs. Tom Wood of Lamesa were with her during major surgery and Mr. Boren remained during her convalescence.

FORD IS AMERICA'S WINNINGEST CAR!

For 1957, Ford's off to a flying start on the NASCAR Short Track, Convertible and Grand National Race Circuit—with more points than all other cars combined!

And now—just in from Daytona—seven more Ford firsts!

- A 300-hp 1957 Ford V-8 out-accelerated all other low-priced cars in the standing mile competition.
- A 1957 Ford Sunliner outclassed all other low-priced cars in the 160-mile National Convertible Championship Race.
- A modified Ford Thunderbird, running in the Experimental Class, out-accelerated every other car in NASCAR history.
- A modified Thunderbird topped every American Sports Car, finished first in its class and placed second to Europe's fastest sports car at the National Amateur Sports Car Race.
- A standard production Thunderbird took first place in the flying mile—outperforming all sports cars made in America.
- A modified Thunderbird won the flying mile in the fastest time made by any car at Daytona this year.
- And a Ford Thunderbird topped the field in acceleration from a standing start in Modified Sports Car Class B.

It was Ford Thunderbird power that set a new stock car record at Indianapolis, too... and powered the '57 Ford to 458 world endurance records at Bonneville, Utah.

Plant Disease Laboratory Offers New Service For State's Farmer

After a year of trial operation, the Plant Disease Diagnostic Laboratory at College Station is now operating on a permanent basis. Director G. G. Gibson of the Texas Agricultural Extension Service, in announcing the new status for the lab, said it offers a new service to the people of Texas.

Dr. Harlan E. Smith, extension pathologist, is in charge of the laboratory but will receive assistance from members of the Department of Plant Physiology and Pathology and other of the A&M College System.

During the trial year, Gibson said 1,205 plant disease specimens were handled by the lab. Most specimens were submitted by the State's county agents.

Primary function of the lab, explained Director Gibson, is to lend assistance to county extension agents in their local programs which involve plants, either in the field, in the garden or about the home.

Here are suggestions from Dr. Smith on how this free service may be utilized by Texans. First he says, the local county extension agent should be contacted concerning the plant disease problem. If the desired assistance is not available locally, the agent may send or suggest that a specimen be sent to the lab.

Before collecting shipping plant material, secure a copy of local extension agent's suggestions. The suggestions will be returned along with disease recommendations for the interested person.

Ordinarily, Smith says seven days are required for the results of the test. In some cases, a longer time lapse may be required upon the type of plant disease to the lab and the number of specimens.

Heavy receipts for year came during April, May and June on specimens worth much as four to five dollars.

Bits Of News From Here And There

Mrs. Lathan Johnson who has been visiting her parents in Tulsa, Okla., visited Tuesday and Wednesday in the home of Mr. and Mrs. Tom Johnson of Carlsbad, N. M., en route home.

Mrs. Irene Dixon who is conducting a Training Union Revival at Calvary Baptist Church is visiting in the home of Mrs. Lola Hays this week.

Weekend guests in the home of Mr. and Mrs. Vester Smith were her sister and family, Mr. and Mrs. G. E. Calhall and two sons of Albuquerque, N. M., and Mr. and Mrs. Cecil Smith of San Angelo.

Mrs. J. T. Paddy underwent surgery in Plains Hospital in Lubbock Wednesday.

Sunday visitors in the home of Mr. and Mrs. Wiley Hill were Mr. and Mrs. Dennis Herman and two children of Lubbock.

A Monday night guest of Billye Ruth Hill was Wanda Williams.

Mrs. Nellie K. Babb was in Slaton Monday night to attend the annual banquet of the Slaton Chamber of Commerce, at which her son, Truett Babb, was installed as president. Others from Post attending the banquet were Ted R. Hibbs and Chant Lee.

Church News

Several members of the local Baptist churches will hear two national leaders of the Southern Baptist Convention, three from the Baptist General Convention of Texas and one out-of-town pastor speak before the representatives of 212 North Texas churches and missions today at the First Baptist Church in Plainview. The occasion will be the annual meeting of District 9, BGCT. Pastors and laymen from virtually every town and city in the area will be present. "The Southern Baptist Forward Program of Church Finance" will be explained in detail, as part of an overall effort for whereby Texas Baptist give to increase their annual giving. Similar meetings are also being held in 16 other districts over the state. District 9 extends from Canyon on the north to Brownfield on the south and from Matador on the east to the west border of the state. The national and out-of-town speakers who will address the Plainview meeting are Dr. R. Paul Caudill, pastor of the First Baptist Church in Memphis, Tenn., and a member of the Executive Committee for the Baptist World Alliance; Dr. Robert J. Hastings of Nashville, Tenn., assistant director of promotion for the Southern Baptist Convention, and Dr. Wilfred Parker, pastor of the Worth Heights Baptist Church in Fort Worth. Speakers from the Baptist General Convention of Texas offices in Dallas will include Dr. Forrest C. Fezzer, BGCT executive secretary; Dr. J. Woodrow Fuller, associate executive secretary, and Dr. L. B. Cobb, stewardship director.

TO WED JUNE 8—The engagement of Miss Janice Orpha Barrow to Curtis Doyle Lee, son of Mr. and Mrs. David W. Lee Jr. of Fort Worth, has been announced by her parents, Mrs. C. K. Pierce of Post and T. L. Barrow of Fort Worth. The couple will be married at 8 p. m. June 8 in Handley Methodist Church. The bride-elect is a graduate of Post High School and is now an X-ray technician trainee. Her fiancé is a graduate of Handley High School and is a student at Texas Wesleyan College. He has also attended Arlington State College.

Look Who's New

Mr. and Mrs. G. O. Hester announce the birth of a daughter, Kim Danette, born Feb. 24, at 11:04 p. m. She weighed six pounds, 13 ounces.

A daughter, Norma, Ann, was born to Mr. and Mrs. Felipe Gutierrez Feb. 23 at 4:20 a. m. She weighed six pounds, six and one-half ounces.

GRAHAM MEETING SET
Miss Jessie Pearce, home demonstration agent, wishes to invite all women in the Graham and adjoining communities who are interested in having home demonstration work in the community to meet at the Graham luncheon at 2 p. m., Wednesday, March 6, to discuss the subject and organize a club if there are enough interested women.

The Rev. Roy Shahan of the First Baptist Church states, "The sermon topics for next Lord's Day are as follows: Morning, 'The Value of a Soul,' Mark 8:36-37. Evening, 'Pure Religion,' James 1:27. You are urged to attend Bible Study, Christian Training and Worship services each Lord's Day. All of our services are planned for your spiritual welfare."

The Rev. J. R. Brincefield of the Assembly of God Church wishes to invite everyone to attend the Bible studies which are being conducted every Wednesday evening in the church on The Book of Revelations.

The World Day of Prayer Service, which will be held Friday, March 8, at 3 p. m. in the First Christian Church, will use as its theme, "Who shall separate us? Romans 8:35." The following prayer which came from behind the iron curtain will be used in this service: "O Lord, our Father, we thank thee for the great gift of faith which we keep in earthen vessels. Thou alone knowest the many temptations and sins which assault our faith so that it remains weak and powerless. Lord, forgive us, we pray, that our thoughts seek thee so seldom, that matters of this world loom so large in our minds and hearts and fill them with fear, that our courage fails to follow in thy steps. Lord, we beseech thee, increase our faith that our lives may grow in power and usefulness, renew our first love of thee, let not our trust in thee be shaken by adversity or suffering, let not our obedience fail. We humbly beseech thee grant us steadfastness in waiting for thy promises, give us the patience of hope which is set on thee alone. Show us thy mercy that we may anew glorify thy name. Amen."

The World Day of Prayer Service is an annual inter-denominational affair and everyone is invited to attend.

Founder's Day Silver Tea Marks P-TA Group's 60th Anniversary

The Post Parent-Teacher Association observed the 60th anniversary of the organization with a Founder's Day Silver Tea at 3:30 p. m. Thursday in the school cafeteria. A business meeting, presided over by Mrs. S. E. Camp, was held preceding the tea. A committee of Mrs. Sid Cross, chairman; Mrs. Pat Walker, Mrs. Leo Acker, Mrs. Almon Martin, Miss Jane Galbraith and O. A. Madison had been appointed at a previous meeting to present a suggestion for spending the money earned by the P-TA during the past year on a worthwhile school project. Mrs. Cross presented the suggestion to the group that the money be spent on a large movie projection

screen for the grade school auditorium. This was approved by the members. A committee of Mrs. Herman Raphael, Mrs. Acker, Mrs. Walker, Mrs. Tom Power and Jack Lancaster was appointed to nominate officers for the coming year. During the tea hour, at which time two lifetime members, Mrs. Nola Brister and Miss Bonnie McMahon, alternated at the tea table, Betty Porterfield and Frances Dietrich presented piano selections. Jack Lancaster, grade school principal, sang, accompanied by Mrs. Raphael at the piano. Mrs. Bettye Scott, high school speech instructor presented a group of students, who later this month will compete in a speech tournament at Texas Tech. Those speaking were Andy Schmidt, Ray Gary, Ronnie Morris, Betty Porterfield, Linda Livingston and Lexa Acker.

Theme, Program Topic Adopted By Parents, Teachers

"Opportunity With Responsibility for Every Youth" was selected as the theme of the 1956-57 administration of the Texas Congress of Parents and Teachers by the state board of managers at its recent midwinter meeting in Austin.

"New Ventures in Partnership" was adopted as the 1957-58 program topic, in keeping with the administration theme.

Plans for the state convention to be held in Galveston in November were discussed.

A workshop on youth development was tentatively set for June in Austin. The board voted to add a second story to the state office building, the details to be worked out later.

A Texas Congress life membership was presented Mrs. John Ben Shepperd, wife the former state attorney-general.

Social affairs included a buffet supper at the home of the John Ben Sheppers, and an open house at the home of Mrs. F. C. McConnell of Austin, a state vice president, honoring Mrs. W. D. deGrassi of Amarillo, state president, Mr. deGrassi, and the state board of managers.

Unit'd Nations Topic At Circle Meeting

The Mattie Williams Memorial Circle of the First Presbyterian Church met in the church last Thursday at 9:30 a. m.

Following a business session presided over by Mrs. E. H. McCampbell, Mrs. Clinton Edwards presented a program on "The Shape of Our World." This subject pertained to the United Nations, the circle's special study for this year.

At the end of the regular meeting, Mrs. R. L. Simpson was honored with a layette shower.

Attending members were Mrs. McCampbell, Mrs. Simpson, Mrs. Edwards, Mrs. Douglas Hill, Mrs. Burney Francis and a guest, Mrs. Mitchell Malouf.

Bridge Club Meets With Mrs. Brown

Mrs. Jack Brown was hostess to the Lucky 13 Bridge Club Wednesday, Feb. 20.

To carry out the George Washington theme, Mrs. Brown centered the three quartet tables with miniature cherry trees and the theme was also used in the tallies.

Members present were: Mmes. Wallace Simpson, Leo Acker, Bill Edwards, Malcolm Bull, Bob Collier, Guy Nutt, V. L. Peel, Ralph Kirkpatrick, L. C. Herron and Jack Henderson.

Guests attending were Mrs. Douglas Hill and Mrs. Carlton Willingham.

High scorer was Mrs. Wallace Simpson.

Mrs. Brewer Hostess At 55 Club Meeting
The 55 Club met in the home of Mrs. Ben Brewer Thursday evening at 7:30.

Dixie Lee Davis is Named By Club As Senior Of The Year

Dixie Lee Davis, daughter of Mr. and Mrs. Leroy Davis, was named Outstanding Senior of the Year by the Women's Culture Club at the Wednesday afternoon meeting in the home of Mrs. J. P. Manly. Mrs. Dove Mayfield, president, presented Miss Davis as a special guest along with the honoree's mother.

Miss Davis was recommended for this honor by a club committee. She was chosen on scholarship, talent, honesty, leadership, personality and courage. She will compete in a Youth of the Year contest sponsored by the Texas Federated Women's Clubs and will be presented at the district convention in Amarillo in April and, if a winner, will be presented at the state convention in May.

Miss Davis, a personable and popular young lady, was born June 3, 1940. She is vice president of the Student Council of Post High School, a member of the pep squad, a member of the girls' trio and is an accomplished pianist who plays for school as well as civic groups. Miss Davis is a member of the Grassland Methodist Church in which she takes an active part. Last year she was selected Homemaker of the Year in Post High School and represented the school in several homemaking conferences.

A Texas Day program was presented at this meeting with Mrs. W. L. Davis as leader. She gave facts and incidents about a Texas poet, Grace Noel Crowell, and her poems. Mrs. Don Butler presented a talk on a Texas author and editor, Margaret Cousins. Roll call was answered with Texas Legends.

Mrs. E. S. Stewart was co-hostess for the beautifully appointed party.

Members attending were Mmes. Don Butler, Lee W. Davis, W. L. Davis, J. R. Durrett, R. K. Green, J. H. Haire, Herman Raphael, Victor Hudman, Tillman Jones, Howard Maddera, J. P. Manly, Dove H. Mayfield, W. L. Porterfield, Roy Shahan, E. S. Stewart, K. Stoker, J. F. Storie, Bess Thompson and E. A. Warren.

WSCS Hears Report On Juvenile Meet

The Methodist Woman's Society of Christian Service met Monday at 3:30 p. m. in the home of Mrs. Jack Ballentine.

At a previous meeting a committee of Mrs. J. E. Parker, Mrs. T. L. Jones and Mrs. Ballentine had been appointed to meet with county officials and other church leaders to discuss the juvenile problem in Post. Mrs. Jones made a report of this meeting to the other members at this session.

Mrs. W. L. Porterfield presented the devotional.

Mrs. R. K. Green, program leader, assisted by Mrs. J. E. Tanner, spoke on "Status of Women Communion in the United States."

Present at this meeting were: Mmes. Green, Tanner, Jones, Parker, Porterfield, Ellis Mills, R. J. Jennings, R. A. Moore, J. R. Durrett, Pat Walker and T. R. Hibbs.

The next meeting will be in Mrs. Jennings' home with Mrs. Ballentine co-hostess.

Post Girls To Attend Texas YWA Gathering

Two members of the Post Baptist Y.W.A. will attend the Texas Y.W.A. houseparty at Hardin-Simmons University in Abilene this weekend. They are Jerry Rains, daughter of Mr. and Mrs. Carl Rains and Leslie Nichols, daughter of Mr. and Mrs. Lester Nichols.

The programs for the weekend will pertain to missionary work. The girls will leave Post Friday and return Sunday.

Mrs. Connie Caylor Is Needlecraft Hostess

The Needlecraft Club met in regular session Friday afternoon at 3 o'clock in the home of Mrs. Connie Caylor.

After a period of sewing and visiting a business session was held.

Refreshments of cherry pie with whipped cream and coffee were served.

Members present were: Mmes. Mitchell Malouf, B. F. Evans, Ida Robinson, J. R. Durrett, Pat Walker, Oscar Smith, S. C. Storie, Lonnie Welborn, Guy Madison, F. A. Gilley and one visitor, Laura Lynn Madison.

MYSTIC SEWING CLUB

The Mystic Sewing Club will meet in the home of Mrs. Everett Windham Friday, March 8.

Mr. and Mrs. Charlie Brown of Carlsbad, N. M., are visiting his mother, Mrs. Susie Brown.

WITH THE THEME—"My Fair Lady"—Mrs. Jack Brown in a suit of black linen, the cape lined with black and white checks, and Linda Davis wearing a dress of red brocade.—(Staff Photo).

Fair Lady' Theme Of Fashion Show For Antelope Band Benefit

The show, whose theme was "My Fair Lady," was superbly narrated by Mrs. Jack Kirkpatrick. Preceding the show, Bob Meisch, school band director, conducted the school band in several musical numbers.

Engagement Of El Wanda Davies Culvahouse Announced

Mrs. Curtis Davies announce the engagement and marriage of their daughter, Miss El Wanda Davies, to Wayne Culvahouse, son of Mr. and Mrs. J. S. Culvahouse.

International Relations Week Observed At B&PW Club Meeting

speaker, presented a program on "International Relations." A prospective new member, Mrs. Stella Jo Cook, was presented to the group.

Members present were: Miss Pearce, Mrs. Chant Lee, Mrs. Katharine Trammel, Mrs. Everett Webb, Mrs. Winnie Tuffing, Mrs. George Willoughby, Miss Agnes Windham, Mrs. Ira Greenfield, Miss Maxine Durrett, Miss Wilma Pirtle, Miss Nora Stevens, Mrs. B. E. Young and Mrs. Ernest Sparks.

Tacky Party Is Held By Library Club Members

The Girl Scout Little House was the scene of a tacky party held by the Library Club Thursday night.

The Library Club consists of the student librarians of the high school and the Girl Scouts of Troop 1.

Two Complimented At Dinner On Birthdays

Charles Benson and Jack Burress were complimented with a birthday dinner by their wives Wednesday night in the Benson home.

Both men have birthdays on Feb. 27 and for several years the dinner has been an annual affair.

Coming from San Angelo Tuesday for the occasion were the Allen Cashes, former Post residents.

Upholstery Workshop To Begin On Friday

Home demonstration agent, Miss Jessie Pearce, has announced that the upholstery workshop will start on Friday, March 1.

Leaders from the home demonstration clubs will attend this workshop and will teach the members of their clubs who are interested in upholstering.

HAMILTON DRUG

... and HELENA RUBINSTEIN

Are teamed up to give you the best in cosmetic consultation.

This famous cosmetician styles her products for individual person and requires that those who sell it know its many fine features. In this way her customers are assured of the best results.

TYPICAL OUTPOST—Wilderness radar station in the Canadian north is typical of the far-flung outposts which are the "eyes" of the North American warning net. At the other end of the "line,"

civil defense volunteers would alert the public to danger through sirens, loudspeakers and Conelrad radio, so people could evacuate or take cover depending on amount of warning time.

Post Piano Student Plays In Ensemble

Don Davies, senior pupil of Mrs. H. J. Dietrich and son of Mr. and Mrs. Garland Davies, was one of more than 200 children who took part in the annual "Piano Ensemble Program," held at Monterey High School in Lubbock Tuesday night by the South Plains Music Teachers Association.

Don auditioned before Richard LaMar, piano instructor at Texas Tech, earlier this month.

LaMar conducted Tuesday night's program, which consisted of 18 pianos played by the more than 200 children during the course of the program in the various

ensembles. Miss Maxine Durrett and Miss Nora Stevens left last Saturday for Dallas to attend a gift and jewelry show. They returned Wednesday night.

Mrs. Dietrich is a member of the South Plains Music Teachers Association and always has one or more students in the event.

County Bond Sales In January \$8,713

Bond sales in Texas during January increased 5.4 per cent over the same month in 1956.

This announcement was made today by Nathan Adams, chairman, and Ed Gossett, state co-chairman, of the Savings Bonds Committee for Texas. Total sales for the month were \$17,607,189, which is 9.1 per cent of the state 1957 goal of \$193,100,000.

T. R. Greenfield, Garza County chairman, reported that sales in

The Rev. Dick O'Connell minister of Big Spring Tuesday night at banquet of the Chamber of Commerce. Newly installed included Lester Merly of Post, as treasurer. Hudman, another resident, is a member of organization's board of directors.

this county amounted during January.

"By purchasing U.S. Bonds the people of Garza County not only help the national government but also help in the fight against inflation," Greenfield said.

LONE STAR AGRICULTURE

Agriculture Continues To Maintain Prominent Place In A Growing State

By JOHN C. WHITE
 Commissioner of Agriculture
 Texas agriculture, like that of the nation, stands at a crossroads. And there is little doubt as to which path it will take. The inevitable trend of progress has had a greater effect on Texas farming than any single phase of our economy, and this trend is continuing. Although the past quarter-century has been a period of mar-

ked industrial development in our state, agriculture has kept its prominent place in a growing Texas. During that time the farm labor force has been halved in size and more than doubled in efficiency. Whereas in 1930 more than 38 per cent of all Texas employment was in agriculture, it was little more than 16 per cent in 1954. Yet, production has increased steadily through mechanization and new techniques and farming has grown by nearly 25 million acres since 1930.

The next quarter-century promises to be just as progressive as the last one, but it must be a progress of a different kind.

The swallowing-up of small farms into larger, corporate-type farm operations is not an inevitable part of this progress. This is a trend which must be stopped.

Farming is unique among all occupations in the responsibility involved. He who farms must stay with the land, understand and supply its needs and keep it intact. This can not be done by someone indifferent to the land itself.

The small farmer must stay put to see that proper conservation measures are followed, to supply specialized products which are coming into increased demand and to help care for the population growth Texas can expect.

Texas farming brought \$2.1 billion into our economy in 1955. It is expected to increase to \$2.9 billion by 1975. Increased efficiency—efficiency with a heart—will help us to exceed these expectations.

With the right kind of progress, natural disasters excepted, agriculture will keep its position as a principal factor in a bigger and better Texas.

VA Questions And Answers

Q. I am a World War II veteran and I live in a home I bought with a GI loan. If through no fault of my own, I am forced to dispose of the home for some compelling reason after July 25, 1958, the World War II GI loan deadline, would I still be able to get my GI loan entitlement restored?

A. Yes, under certain conditions. Your reasons for selling must be acceptable under the law, and VA must be relieved of its guarantee liability. If your loan rights are restored, you will have until Feb. 1, 1965, to obtain another GI loan, despite the fact that the World War II deadline will have passed.

Q. Under the War Orphans Education Program, is it possible for a student to take a number of unrelated subjects in school?

A. No. There must be a definite goal and an educational program leading to that goal. Unrelated subjects, not leading to a goal, could not be approved under the law.

Q. I want to take flight training under the Korean GI Bill. What will be the rate of my monthly GI allowance?

A. VA will pay you a rate equal to 75 per cent of your school's established charge for non-veterans taking the same flight course.

Soldier In Germany Gains Promotion

Milo S. Smith Jr., whose wife, Norma, lives on Route 2, Post, recently was promoted to private first class in Germany where he is a member of the 287th Field Artillery Battalion. Smith, a fire direction center computer with the battalion's headquarters, entered the Army in March 1956 and received basic training at Fort Chaffee, Ark. He arrived in Europe in December 1956. The 20-year-old soldier was graduated from Post High School in 1955. His parents, Mr. and Mrs. Milo S. Smith, live in Post.

March 15 Final Day For Applications For Pre-Measurement Cotton Acreage

Applications for the service of pre-measurement of 1957 cotton acreage will be accepted in Garza County through March 15, according to Emmarhe I. Hartel, county office manager for the Agricultural Stabilization and Conservation Service. Operators who plan to request this service should file an application in the county ASC office before the closing date. A fee of \$7 per farm plus \$5 assigned duty with Marine Corps aviation upon completion of recruit training.

per plot for each plot over one plot must be deposited at the time the application is filed. The operator should know where he plans to plant his cotton acreage when the application is filed. No changes can be made in pre-measured plots after they are measured, the office manager said. If additional plots of cotton are planted outside the pre-measured acreage or if the cotton is not planted as staked, the acreage will not be guaranteed and will be re-measured when cotton is measured.

Marine Recruiter Will Be In Post On Tuesday

Marine Corps Recruiting Sgt. Don K. Slagle of Lubbock will visit Post on Tuesday, March 5, for the purpose of interviewing young men and women who are interested in enlisting in the Marine Corps. He will also answer any question for anyone on matters concerning the Marines. While in Post, the recruiting sergeant will be in the lobby of the post office between 9:30 a. m. and 3 p. m. He has announced that the Marine Corps is now offering periods of enlistment for two, three or four years. Also, a man may enlist for aviation duty only, which means that the enlistee will be

Mrs. S. W. Clark, Bill and Gerry of Slaton visited here recently with Mr. Clark's mother, Mrs. Carl Clark, and Mrs. Clark's sister, Mrs. W. L. Porterfield, and family.

SPRING
 MAKES THE DIFFERENCE

As you gaze at this scene of snow, ice, and leafless trees, your mind may skip ahead and picture green grass, abundant foliage, and a rippling stream. The very thought brings happiness. Spring makes the difference.

As grass, trees, and streams are fettered by winter, so some lives are bound by doubt, unbelief, lack of faith, and false ideas. When they come in contact with the Church, the love of God sets them free. They see new beauty in everything about them, and others see new beauty in their lives. As spring brings all nature to new life, so God's love makes human beings happier, gives them life more abundant.

No matter how strong the fetters which bind you, freedom can be yours through the Church and the message it brings to all. Why not accept that freedom today?

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Group Favors—

(Continued From Front Page) not doing much for the present one," said the pastor. Chant Lee, former high school principal here, injected a new note into the discussion when he said that "we are shifting our responsibilities when we talk about hiring someone to solve our juvenile problem."

Lee, also a former Cubmaster, said the Scouting program might well be the answer to the problem if we could get "ten more men and ten more women in the community to volunteer as adult Scout leaders."

He said a youngster is less likely to go wrong if he is a member of a group in which he knows others of his own age are going to censure him for wrong-doing.

Not enough recreation, such as youth clubs and similar organizations, was given by Mrs. William Bennett as one of the reasons for the juvenile problem.

"We need to get parents stirred up to the point where they'll see the need for more recreational opportunities for their children," she said.

Mrs. Graydon Howell, wife of the Calvary Baptist Church pastor, said that the children most in need of help are those whose parents won't encourage them to attend church or participate in Scouting or other wholesome activities.

Stating that misdeeds come only from a sinful heart, the Rev. J. R. Brincefield, pastor of the Assembly of God Church, said such measures as employing a juvenile officer would help the problem, but that the most logical solution is "a return to God."

High School Chorus To Snyder Festival

The Post High School chorus, directed by Georgie M. Willson, will attend the West Texas Music Festival to be held Saturday in Snyder.

Each choir attending the festival will sing three selections. The numbers to be sung by the Post choir are "Rollin' Down to Jordan," "Adoramus Te Christe" by Palestrina, and "In Thee, Lord, I Put My Trust."

The choir will also enter the sight reading division of the contest and will sight read one number with accompaniment and one without accompaniment.

From 2 until 3 o'clock in the afternoon there will be a massed choir clinic for all the high school choirs in the First Methodist Church. Judges will be Don Craig and Dr. Travis Shelton.

Fifty vocal students will represent Post at the festival.

Three One-Act Plays Will Be Presented

There will be three one-act plays presented by the Speech Club, March 7, 7:30 p. m. in the Grade School auditorium.

Admission will be 50 cents for adults and 20 cents for students.

The plays to be presented are: "No Greater Love" with a cast of Oneita Jones, Ray Gary, Andy Schmidt, Linda Lusby, and Betty Porterfield; "Quiet, Please," with Bill Stephens, Dan Rankin, Linda Livingston, Allan Brown, Sara Mills, Don Clary and Alice Joy Nichols; "Antic Spring" with Herman Tanner, Charlene Baker, Lexa Acker, Barbara Wheatley, Ambrose Gray and Pat Wheatley.

Student directors are B. A. Ford, Ronnie Morris, Arlene Barron, Carol Davis and Darrell Davis. The public is invited to attend these plays.

Kim McClellan Honor Guest On Birthday

Mrs. Ray McClellan honored her daughter, Kim, on her fifth birthday, Tuesday, Feb. 19.

Refreshments of cake, ice cream and punch were served to the following guests: James and Jay Scott Stone; Gary Lynn Lester; Debra, Steve and Randy Mason; Ricki Bush; Beth Peel; Sandy Jones; Cindy and Ricky King; Karen and Danny Lee; Mrs. Grover Mason and Mrs. Lynn Barron. Mothers attending were Mmes. Bill Stone, Billy Lester, Gene Mason, Elmo Bush, Elvie Peel, Charles King and Charlie Lee.

Stage Band Competes In Brownwood Event

"The Modernaires", Post High School stage band, competed Friday in the annual Stage Band Festival at Brownwood, which attracted more than 35 band combinations from throughout Texas.

Bob Meisch, Post band director, said his group of 13 musicians received a good grade in Class AA competition, considering that ten

Main Street—

(Continued From Front Page) shipment of Nelly Dons and Hobbies of Dallas, two new lines. Read all about the other Spring Housecleaning values you will find in PARSONS' DRESS SHOP. Sale starts at 9 a. m. Friday.

Hank and Ed at TV-APPLIANCE CENTER say... "Thanks a million for your splendid response to our First Anniversary Sale." These fellows are continuing the sale for the weekend since many of you did not get a chance to talk prices, trade-ins, etc. You will find some grand buys throughout the store. Check through TV-APPLIANCE CENTER ad on page 14.

"We're loaded with Used Cars," so say the folks at CAPROCK CHEVROLET. Due to the swift trade-ins for the last few weeks our Used Car Lot is loaded with OK Used Cars. We are selling these cars for below market value. If you are looking for REAL HOT BUYS check the car values in CAPROCK CHEVROLET CO. INC. ad in this issue of the POST DISPATCH then rush right down and let Harold Lucas, Boone Evans and the others at CAPROCK CHEVROLET help you with your buys.

"We made a mistake because we have some hardware we have not sold yet," says Lowell Short of SHORT HARDWARE. "If you are wondering what we have to sell, just come on down or call us."

WHOOPS!!! A gremlin got into the newspaper forms in the back shop and got mixed up on Noah Stone's and Dowe Mayfield's ads. DeSoto's new car ad is signed for DOWE H. MAYFIELD CO. In another section of the paper you will find that the editor has changed the "sigs." Sorry, fellows!

The much talked-about "ANASTASIA," the film starring Ingrid Bergman, Helen Hayes and Yul Brynner, is coming to Johnny and Jean's TOWER THEATRE on Sunday and Monday, March 3-4. See you there, betcha!

TWO for the PRICE of ONE is the special offer you will get on Nelly Dons and Hobbies dresses at STEVENS STYLE SHOP. Gladys is closing out these lines and you who know the quality and style of these dresses will certainly want to visit STEVENS' STYLE SHOP during this event.

Space is running out but be sure and go ad-venturing through DUNLAP'S DOLLAR DAY values listed in their ad; check the fine features of the Good Housekeeper machines in HUDMAN'S ad; see what R. J.'S FURNITURE CO. ad has in the way of NORGE news; place an order for your baby chicks with POST FEED AND SEED STORE right away; go by GREENFIELD HARDWARE and pick up your garden gear; and check into all the ads in the POST DISPATCH... they are filled with fine buys.

of the 13 members are playing their first year in the band. This was "The Modernaires" second year to attend the Brownwood festival.

Five Directors Are Named By Rotary

Election of five new directors of the Post-Rotary Club was announced following Tuesday's luncheon.

The new directors, who will elect new officers within the next few weeks, are Tom Power, Jess Michael, L. E. (Buck) Gossett, Dr. B. E. Young and Glenn Whittenberg. They succeed Bill Edwards, Harold Voss, Lowell Short, Harold Lucas and Carl Cederholm.

Present officers of the club are Dr. Harry A. Tubbs, president; Carl Cederholm, vice president, and Irby G. Metcalf Jr., secretary-treasurer.

The program at Tuesday's meeting was presented by Whittenberg on "The Rotarian," the official club magazine. Whittenberg is chairman of the organization's magazine committee.

The program at next Tuesday's luncheon will be presented by Girl Scouts under the direction of Mrs. James Dietrich.

YOUTH RALLY SLATED

The members of the Pentecostal Church, at the corner of 5th street and Avenue H, invites everyone to attend their Youth Rally which will be held March 8 at 7:30 p. m.

Mrs. Storie Is Hostess To Merrymakers Club

The Merrymakers Club met Tuesday afternoon in the home of Mrs. S. C. Storie, Sr. with ten members present.

The afternoon was spent in doing fancy work and visiting. After the business meeting refreshments of party sandwiches, strawberries topped with whipped cream, cake, nuts and hot spiced tea were served to Mmes. Homer Gordon, Lacy Richardson, L. W. Dalby, H. F. Wheatley, J. F. Storie, Floy Richardson, Arthur Floyd, Bonnie Adamson and Lonnie Peel.

The next meeting will be with Mrs. Dalby, March 12.

Lubbock Man Paralyzed Following Auto Crash

J. B. Fowler of Lubbock, who was injured in an automobile accident here Feb. 17, is completely paralyzed, his father, Chalmers Fowler of Post, said this week.

Fowler suffered a broken neck and other injuries when his automobile collided with one driven by Dicky Beggs. Fowler's wife received three broken ribs.

The Lubbock man has been in Lubbock Methodist Hospital since the accident.

Beggs was driving on U. S. Highway 380 and the Fowlers, who had been to Garza Memorial Hospital to visit her father, were driving on a north-south street intersecting the highway when the collision occurred.

POSTEX MILLS

By A. LEE WARD

Well, the sheet hemmers did it again last week. They topped the previous week's production by 260 dozen sheets. In fact we hemmed so many that we had to wrap all day last Saturday to catch up in our wrapping and packing department.

Mrs. Irene Dixon is a guest of Mrs. Lola Hays while she is teaching at the B.T.U. Training course at the Calvary Baptist Church.

Mrs. Harold Childs and children of Ringling, Okla., visiting her parents, Mr. and Mrs. Ray Young.

Mrs. Bud Bagley of San Bernardino, Calif., is visiting her parents, Mr. and Mrs. Ed Ainsworth. Jake Bleeker of Plainview visited in the V. L. Copple home Monday night.

Mrs. Ray Young and Mrs. Harold Childs and children visited Mr. and Mrs. W. J. Huddleston in Grassland Sunday afternoon.

Raymond Martin of Lubbock visited in the T. A. Buchanan home Saturday and Sunday.

Mrs. C. C. Crider, Mrs. Will Eiter and Cole Smith of Yuma, Ariz., Mrs. D. Y. Ausborn of Prescott, Ariz., and Mr. and Mrs. D. J. Phillips of Plainview have been visiting Mrs. N. L. Waldrip and Opal.

Mr. and Mrs. C. H. Palmer of Brownfield, Mrs. Ed Ainsworth, and Mrs. Bud Bagley visited Mrs. Billy Jo Lofton in Midland Saturday. Mrs. Lofton was injured in a car accident Friday night.

Mr. and Mrs. L. A. Enloe of Slaton were host and hostess to a birthday dinner for Mrs. Enloe's father, C. L. Cooper last Sunday. Those attending were Mr. and Mrs. C. L. Cooper and Pat, Mr. and Mrs. Ray Rinker and children, Mrs. Ernest Bostick and Leroy, of Post, Mr. and Mrs. Calvin Cooper and children of Slaton, Mr. and Mrs. Bill Cooper and children of Seminole, and Mr. and Mrs. V. V. Laws of Grassland.

Sgt. and Mrs. Billy Jack Sullivan and Jackie of Yuma, Ariz., Mrs. J. W. Jones of Hico, and Mr. and Mrs. Marcel Coleman of Midland were weekend guests in the Ross Sullivan home.

Mr. and Mrs. A. A. Ritchie have returned from Temple where Mr. Ritchie has been going through the clinic.

Mr. and Mrs. Jack Dale and Don spent Sunday with the Bobbie Greene family.

Zora Jones spent Sunday in the Bobbie Greene home.

The Robert Miller family was in Post Sunday.

Vickie and Jerrie Ann Odom visited Sunday with the Ray Hodges.

Mr. and Mrs. Johnnie Johnson and son Roger Dale spent Saturday night with Mr. and Mrs. Wiley Johnson.

Mr. and Mrs. Wiley Johnson and Mr. and Mrs. Johnnie Johnson and son spent Sunday in Haskell with Mr. and Mrs. Charles Kirkland and children.

Visitors of Mr. and Mrs. Bill Norman Sunday were: Mr. and Mrs. Raymond Craig and sons, Tommy and David of Denton, and Mr. and Mrs. Lloyd Parrish and David of New Deal.

We are beginning to get more and more cloth each week and the prospects for hemming looks like we are going to have to continue to operate on a 9-hour basis each day. This past week, we had three ladies from the spinning department to help us on our wrapping. The spinning has been running good, consequently they did not need them, but we sure did in our wrapping department.

NEW LOOK IN BAND UNIFORMS—Members of the Antelope Band Boosters Club are getting a look at a model of the new uniforms to be purchased for the band. Richard Tanner is modeling the uniform and members looking on are: left to right, front row: Mrs. Iven Clary, Mrs. Stanley Butler, Mrs. W. C. Carradine, Mrs. Katharine Trammell; second row, Mrs. Lee Sullenger, Mrs. Martin Nichols, Mrs. W. B. Holland, Mrs. Robert Cox; third row, Dr. B. E. Young, Martin Nichols, Mrs. L. E. Gossett, Mrs. R. B. Dodson, Mrs. Barney Martin, the Rev. Almon Martin.—(Bob Madison Photo).

Funeral services for Mrs. Camma Victoria Walker, 83, sister of Mrs. R. H. Collier of Post, were conducted at 10 a. m. Tuesday in Panhandle, followed by a graveside service at 4 p. m. in Tahoka Cemetery.

Walker Rites Held Tuesday In Tahoka

Mrs. Walker, a former resident of Tahoka, died in an Amarillo hospital about 3:30 p. m. Sunday following a long illness. She had been a resident of Panhandle since 1950.

Mrs. Walker moved to Tahoka in 1934. Her husband, the late A. A. Walker, was a Lynn County farmer.

Besides the sister of Post, she is survived by four sons, A. C. Walker of Panhandle, A. O. Walker of Lubbock, A. L. Walker of Hobbs, N. M., and Otho Walker of Amarillo; two daughters, Mrs. Rerta Redfern of Amarillo and Mrs. Ornie Cutter of Panhandle, and two brothers, A. I. Thomas of Tahoka and Dr. A. L. Thomas of Ennis.

Mrs. R. H. Collier and Lucille attended the services at Panhandle and Tahoka. Others from here attending the Tahoka services were Mr. and Mrs. Bob Collier, Mrs. T. L. Jones, Mrs. J. R. Durrett and Mrs. J. L. Stewart.

FIERY BEGINNING

OLYMPIA, Wash. — Firemen rushed to the executive mansion at 4 a. m. of the first night of occupancy by the new governor, Albert Rosellini. The fire was in the dust bag of the vacuum cleaner, apparently from a lighted cigarette butt.

28 STILL IS PRETTY HEAVY TOLL

Texas' Hunting Fatality Toll Is Down Seven From Preceding Year

AUSTIN (Sp.)—Final incomplete returns from the last major Texas hunting season added 10 previously unreported deaths, raising the total to 28, but falling short of the 35 fatalities listed for the previous season.

The executive secretary of the Game and Fish Commission said it was the first year on record that the seasonal aggregate fell below that of the preceding year.

"Twenty-eight Texans still is a pretty heavy toll to take during one hunting season," he added, "but if we did gain seven human lives as compared to the year before maybe our gun safety efforts are being rewarded at least in a modest way."

The executive secretary noted that an increasing number of sportsmen's groups are fostering actual training periods for youngsters, and that Commission field personnel are helping out where time permits in most of these programs.

"Our principal safety work certainly rests with the youngsters," said the executive secretary. "For example, seven of the last ten fatalities were youngsters, mostly in the 10-14 year age bracket."

"Kids need some help in mastering their guns and to help them coordinate their developing minds and muscle. They also need to be guided in restraining their fire since late reports show that one 16-year-old Ozona boy was shot and wounded by another lad who said he mistook his companion for a javelina."

Earlier casualty totals reported the wounding of a Port Arthur boy by another youngster who explained he thought the target was a wolf.

Eighteen of the 28 deaths reported for last season involved teenagers either as the victims or as the perpetrators.

"This is pretty well in keeping with the modern trend," said the executive secretary. "And it points up the opportunity for a substantial field in safety work. Times have changed. The kids of former years grew up with guns. Now they sometimes try to handle weapons without proper schooling, and oftentimes without realizing the lethal loads which their guns

pack."

"It all outlines the way toward permitting the boy of today to share the same routine of the field that his forefathers enjoyed. When boys want guns, they deserve them, certainly at a reasonable age. But adults must provide the follow through and help them master handling of the firearms."

The executive secretary said standing orders have been issued for all field personnel to give as much time as possible to gun safety. He emphasized that some wardens have sponsored local safety courses.

"We cannot lay down a mandatory assignment for field personnel to allot time for special gun-handling curricula," he said. "Our small field force is not adequate for that, in view of the countless other tasks to be handled. But we definitely are committed to provide advisory assistance as a general rule. We would like nothing better than to further check hunting casualties of all kinds."

Proposed Bill Would Shrink 19th District

Rep. George Mahon of the 19th District would lose seven counties under a revised congressional redistricting bill that would shake up the home grounds of almost every Texas congressman.

The bill got its primary approval Monday when a subcommittee of the House congressional and legislative districts committee approved a plan to create a new 22nd congressional district and change 16 of the present 21 districts.

"Our plan is fair to every congressman and has no political implications whatever," said Representatives Green of Fort Worth and Baker of Houston, co-signers of the proposal.

Under the Green-Baker plan, Representative Mahon would lose from his district the counties of Haskell, Stonewall, King, Dickens, Kent, Mitchell and Scurry.

Congress granted a federal charter to the Boy Scouts of America in 1916.

Area Farmer Sold On Sesame After Grossing \$120 An Acre

TAHOKA (Spl.)—Weldon Bailey grew 40 acres of the "prettiest crop I ever saw" last year. It was Sesame. And when he had harvested it, he liked it even better, for it grossed him about \$120 an acre.

Bailey says this kind of statistics looks pretty good to him and other farmers on the Plains who must find a substitute for milo which is no longer a consistent money-maker. Another thing about Sesame that appeals to this Lynn

County farmer is the fact that his Sesame was threshed and out of the way before his cotton harvest began.

A good conservation farmer, Bailey never tries to put cotton on the same ground two years running, and he makes a practice of planting all the soil-building crops he can work into his rotation cycle. He grew Sesbania as a soil-building crop in 1956. He says the rotation of Sesame with cotton looks very promising. They are farmed very much alike and the land is worked clean. Vegetation doesn't grow up in Sesame like it does in grain sorghum.

He plans to plant about the same acreage this year, but looks forward to a heavier stand and will plant 1 1/4 pounds of seed to the acre.

"The Texas Sesame Seed Growers organization is certainly right about the three points they emphasize in telling us out here on the High Plains how to grow the best Sesame," Bailey said. "Thick stand, high fertility and plenty of water make the difference when your combine begins to roll. Last year I averaged 1,200 pounds per acre, and I know that's considered pretty good, but I feel sure a heavier stand on my entire field would have brought my yield even higher."

Bits Of News From Here And There

Visiting in the M. S. Smith home over the weekend were their children, Leonard and family of Abilene, Leroy and family of Lubbock, and Evelyn and family of Lubbock; also their granddaughter and husband, Mr. and Mrs. Don Graham of Dallas, and Norma and Terri Lee of Post.

Sunday visitors in the V. L. Peel home were Mr. and Mrs. Jack Taylor; Mrs. Alice Taylor, Ben Taylor and Mr. and Mrs. Harry Taylor of Spur; and Mrs. Pat Taylor and Tommy of Southland.

"Dinner guests in the home of Mr. and Mrs. J. A. Johnson were Mr. and Mrs. Wagoner Johnson, Johnny and Mrs. Tol Thomas.

DEFENSIVE MISSILE—Anti-aircraft missile, the Navy's "Terrier," is one of a family of defensive missiles, including the Army's "Nikes," which could be put into action if the nation's warning system indicated the approach of attacking planes. Primary purpose of these missiles at such a time would be to protect the nation's 92 critical civil defense targets from as many attackers as possible. The "Terrier" is shown silhouetted against the booster blast of another missile during firing practice aboard the USS Mississippi.

STATE HEALTH COMMISSIONER WARNS

Rainfall And Warm Weather Means Early Onset Of Flies, Mosquitoes

AUSTIN (Spl.)—Increased rains, no more freezes and early spring are welcome news to farmers and

the rest of Texans.

However, Dr. Henry A. Holle, commissioner of health, warns that the abundance of rainfall and warm weather means an early attack of the yearly onslaught of flies and mosquitoes on the Texas scene.

Much sickness can be caused by these winged creatures, in addition to bringing a bothersome nuisance and unsightly conditions if the proper safeguards are not taken early enough to offset the heavy numbers expected with the coming of warmer weather.

One disease, which has taken on new significance in Texas is encephalitis, sometimes called "sleeping sickness." There are others.

Several outbreaks have been reported in Texas during the past few years, and scientists have shown that the main culprits are two types of mosquitoes common to Texas, the culex tarsalis and culex quinquefasciatus.

Flies, too, wreck havoc with the health of human beings, often causing dysentery and other gastrointestinal disorders.

The Texas State Department of Health recommends that steps be taken now to head off the attack of warm weather insects.

Check your garbage cans for leaks and corrosion, replacing them if they are worn or damaged. Garbage cans and containers should be washed weekly to keep them clean and dry.

Always replace the lid when depositing refuse. If the lid doesn't fit, fix it or get a new one. Also, the cans should be on a concrete slab four inches high.

If a concrete slab is impractical, build a wooden stand 18 inches

Poultry Show And Conference Is Set For This Weekend

This area's first big poultry show and conference will unfold at Lubbock this weekend as the Southwest Poultry Show and Conference begins Friday at the Fair Park Coliseum.

Jack Creel, show chairman, said the three-day poultry show planning and final arrangements are almost complete. Exhibitors will move birds into the coliseum Thursday and judging begins at 8 a. m. Friday.

The first session begins at 2 p. m. Friday. The conference, featuring some of the top men in the poultry industry in the nation will extend through Saturday night.

Exhibits will remain in the coliseum Sunday for visitors and no formal program will be held that day, Creel said.

"Entries have already been received from throughout the Southwest and we are confident we are going to have a successful and wonderful show," Creel said.

"We are extending a special invitation to the public to attend this giant show and see the tremendous progress that has been made in poultry producing the past few years.

"Purpose of the show is not only to bring new and better information to those already in the poultry business, but also to tell the general public what a large and vital industry that business is," Creel continued.

Elma Bureson, Shallowater, is superintendent of the poultry department and Bernard L. Fleming, Enid, Okla., will judge the show.

A rabbit show also will be held in connection with the poultry conference and show and is under direction of the South Plains Rabbit Breeders Assn. Mrs. Grace Carter, Rt. 8, Lubbock, is in charge of rabbit show catalogs and entry blanks.

UT Releases Three New Publications On Cotton Topics

AUSTIN (Spl.)—Three new publications of interest to cotton men have been issued by University of Texas Cotton Economic Research, Research Scientist Joel F. Hembree has announced.

"Fiber Fineness and Associated Merchandising Problems" is a study of the influence of environmental and varietal factors on fiber. Charts revealing the relationship between rainfall and fiber fineness should enable cotton merchants to make more reliable predictions for crops.

"Fiber Properties and Related Marketing Data for Selected World Cottons" includes guides to the fiber properties of the more important cottons of the world and related information that can be used in judging the market value and importance of each. Also included are facts expected to help in smoothing certain problems inherent in the expanding use of mechanical classification of cotton.

"Cottonseed and Cottonseed Products Data for United States, Seasons 1944-55" points to cottonseed as a product which can be made the backbone of a profitable cattle-feeding or dairying operation. Cottonseed, now probably the least utilized resource in Texas, could help to alleviate the shortage of protein supplies, especially in drought areas, the report says.

Copies of the reports are available on request. Address Cotton Economic Research, University of Texas, Austin 12.

es high. This will protect against corrosion and marauders. A fly or mosquito will starve to death if it can't eat.

Inspect the house and grounds carefully for stagnant water catchers. Vases and flower pots inside the house are frequent offenders as are old tires, wood piles, tin cans and empty jars in the yard.

Use a good residual-type spray on all outbuildings, walls, ponds, shrubbery (use a water base spray) and septic tanks. Also clean out the weeds and close shrubbery around any ponds.

Repair worn screens and use a space spray or aerosol bomb to rid the house of flying pests, being careful to cover exposed food and eating ware.

Bailey started his Sesame crop by cutting the stalks remaining from his 1955 milo crop. Next he chiseled, and then he smoothed the land with tandem disc and listed it into 40-inch rows. His application of pre-planting irrigation water was heavy, for he feels this is his most important irrigation.

After watering, he knifed the beds so the soil would retain its moisture for planting.

Using rubber press wheels in the seed trench, he planted from 1 1/4 pounds to 1 3/4 pounds of seed per acre. His single regret later was that he did not plant the whole field at the higher rate. The smaller stalks of the thicker stands were easier to combine and produced more seed.

PONTIAC IS GRAND NATIONAL CHAMP!

Wins NASCAR Grand National Championship Race Against All Cars Regardless of Size, Power or Price—Setting New Track Record in Biggest Stock Car Event of Year Following Clean Sweep of Its Class in Flying Mile and Acceleration Runs.

NOW IT'S OFFICIAL

Pontiac is America's Number 1 Road Car!

NUMBER 1 IN PERFORMANCE!
NUMBER 1 IN ROADABILITY!
NUMBER 1 IN HANDLING!
NUMBER 1 IN SAFETY!

Here's why it's important to you! You can buy the same model Pontiac right here in town with the same ruggedness, safety and precision-handling that outclassed all the others at Daytona! Remember, this was a strictly production model Chieftain Pontiac powered by the spectacular 317 h.p. Strato-Streak engine—and introducing Pontiac's revolutionary Tri-Power Carburetion, a great new advance, optional at extra cost on any Pontiac model. This amazing carburetion system literally gives you 2 engines for the price of 1... tame or terrific at a touch of your toe! For normal driving the engine operates on a standard two-jet carburetor (the same type that won the economy tests last year). A little extra pressure automatically cuts in four more carburetor jets for instant response when you need more power. Come on in and drive America's Number One Road Car. You can easily afford it—prices actually start below 30 models of the low-price three!

Primm Drug Beats Lamesa, 76 To 51

Primm Drug of Brownfield, pre-tournament favorites, defeated Lamesa Hardware, 76 to 51, Monday night to advance to the second round in the District 2 TAAF tournament under way here.

Until they got "cold" from the field in the third quarter, Lamesa was leading the druggists and had held first quarter and halftime leads of 20-15 and 37-34.

The winners racked up 23 points in the third period to only nine for Lamesa to take a 57-46 lead at the end of the quarter and were in complete command from there on in.

Joey Johnston, former Centenary College cager, paced the Primm Drug attack with 23 points, followed by D. W. Harkins, with 18. Emil Prather, with 16 points, and Bobby Hawkins, with 15, led the Lamesa scoring. Hawkins failed to score in the second half.

Primm Drug had drawn a first round bye and Lamesa had advanced with a 64-59 victory over Hearne's Independents of Seagraves.

K&K Defeats Lamesa, 77-66; Brown Bros. Lose, 49 To 36

K&K Food Mart defeated Lamesa Hardware, 77 to 66, and Brown Bros. lost to the Crosbyton Independents, 49 to 36, Tuesday night in District 2 TAAF games in the high school gymnasium.

The loss by Brown Bros. eliminated them from the tournament, while K&K continues in the consolation bracket at 8 o'clock tonight against Crosbyton. In tonight's second tournament game, Hearne's Independents of Seagraves will play either the Muleshoe Independents or Anton Acrobats, depending on the outcome of a Wednesday night game.

In the K&K-Lamesa game, the Post team spurred to a 22-16 first quarter lead and were ahead, 47-26, at halftime. At the third quarter buzzer, they were out in front, 62 to 45.

Burl McCoy's 25 points was high for K&K, while Leroy Fenstermaker wound up with 18 and Jim Eddins with 17. Bobby Hawkins had 16 points and Dwight Smith, 14, for the losers.

The game between Brown Bros. and Crosbyton was the second of the tournament for the two teams, Brown Bros. having won a first round game.

In Tuesday night's game, Crosbyton got off to a 12-9 first quarter lead, but scored only one field goal in the second half to trail, 17-14, at halftime. At the end of the third quarter, Brown Bros. was leading, 28-26, but a 23-point fourth quarter provided the Crosbyton team with all they needed for the victory.

McDuff and Spurgin hit 14 points each to lead the winners, while the seven points scored by W. O. Fluit Jr. was high for the Post team.

The box scores:

Redbine 58 Developed As New Grain Sorghum; Early-Maturing Type

Redbine 58, a new early maturing grain sorghum variety, has been developed by the Texas Agricultural Experiment Station in cooperation with the Midwest Research Institute and Corn Products Refining Co.

Redbine 58 is earlier in maturity than most presently grown combine varieties of grain sorghum. It blooms in 58 days at Lubbock and 3 to 4 days earlier than Martin and about two weeks earlier than Redbine 66. It usually performs better and is a surer crop under dryland planting in areas of low rainfall or in dry years. It is also adapted to higher altitudes and latitudes where early maturity is important.

The bright reddish-yellow grain of the new variety is hard like Martin, germinates well, does not weather badly in the field and threshes well. It is highly superior to Combine 7075 in these respects and is a more attractive grain than its Martin parent. Head bearing stems of the variety are long and the heads dry early as the grain matures.

In tests, Redbine 58 has produced as much or more grain per acre as other early maturing varieties and coupled with its good combining characteristics, makes it a desirable variety.

Adequate supplies of planting seed for farm use should be available for 1957 plantings since seed were released last spring to certified seed growers.

8th Grade Team In Southland Finals

The Post 8th grade boys' basketball team will play either Rails or Southland at 9 o'clock Friday night for the championship of the annual Southland Tournament.

Coach Raphael's team advanced to the finals by defeating New Home, 40 to 25, Tuesday night in a semi-finals contest. The Post scorers were Hair, 15; Howell, 6; Hays, 5; Minor, 4; Cornell, 4; Hart, 2; Ligon, 2, and Williams, 2.

The Post team won its first round game from Wilson by a score of 46 to 24. Post pointmakers were Hair, 14; Minor, 8; Holly, Hays and Ligon, 6 each, and Cornell, Davis and Hart, 2 each.

The 8th graders took second place last Saturday night in the Lorenzo Tournament, losing to Abertathy, 23-15, in the finals. Post's scores were made by Howell, 7; Williams, 4, and Hair and Ray, 2 each.

Post had advanced to the finals with victories over Ropesville and New Deal.

Mr. and Mrs. Dennis Herman and family of Lubbock visited in the R. L. Craig home Sunday.

HOPES HIGH THAT BIRDS WILL 'TAKE HOLD'

Third Shipment Game Partridges Recently Released In Panhandle

A third shipment of Spanish red-legged partridges has been released in the Panhandle, according to the director of wildlife restoration for the Game and Fish Commission.

The consignment, comprising ninety-six birds, was turned loose near Childress in Cottle County and near Canadian in Lipscomb County, where two previous batches were planted in 1955 and 1956.

The director said favorable reports have been received from ranchers about the previous releases and added that "hopes are high" that the comparatively large partridges will take hold.

Red-legged partridges are about twice the size of ordinary quail, are fleet on the wing and are considered prime game birds in their native Spain. All three consignments of the red-legs were flown to Texas.

Still another step in the global effect of the Game and Fish Commission to augment Texas wildlife species will be taken shortly when the second shipment of see-see partridge arrive from Pakistan. This bird is just slightly smaller than bobwhite quail and, like the redlegs, is accustomed to semi-arid climate.

The see-sees will be released near Palo Duro Canyon southeast of Amarillo, in the same general area where a foundation stock of aoudad sheep was established recently in an effort to introduce this prize game animal to Texas.

The first shipment of sixty-seven see-sees was placed in the Canyon country last summer. Several reports have been received about ranchers observing some of the newly transplanted game birds.

Concerning the larger redlegs which approximate in size species of partridge which occur in northern states, wildlife biologist Richard DeArment said it has been established the native Spanish birds are fond of "green stuff."

DeArment said activities of these exotic species from two previous releases had been noted by one Cottle County rancher who has been irrigating a field and thus providing a vegetation which was found to be a part of the birds' diet.

Mrs. Jess Propst visited Monday afternoon with Mrs. E. M. Norman.

EASTER SEAL CHAIRMAN NAMED—Euclid Hudson of Port Arthur has been named as 1957 Easter Seal chairman for the state of Texas. Hudson is shown here with 12-year-old Robert Beam, who is a resident student of the Hughen School for Crippled Children in Port Arthur, one of the state's 30 Easter Seal centers.

Mr. and Mrs. Lawrence Epley of Abilene, formerly of Post, were visiting friends and transacting business here the first of the week.

Weekend guests of Mr. and Mrs. Carl Rains were their daughter, Mrs. Jim Hoskins, and family from Los Alamos, N. M.

Plainview Team In Victory Over Anton

The Plainview Independents scored their second victory in the District 2 TAAF tournament Monday night by outlasting the Anton Acrobats in a game that was close for two and a half quarters.

The Plainview team had advanced to the second round with a 57 to 42 victory over Muleshoe, and Anton had drawn a first round bye.

Only five Anton players made the tournament trip and the Acrobats played the final three minutes with only four men after Lindsay Barnes fouled out.

Plainview was ahead, 15-9, at the end of the first quarter, but Anton held a 32-30 halftime lead. The winners pulled steadily away in the third period, leading by 48-39 at the buzzer.

Ed Billings, former Wayland College star, hit 25 points for Plainview, followed by Max Newman's 20. DuWayne Blackshear, a former member of the Texas Tech Red Raider team, led the losers with 19 points.

Anton 9 23 7 14-53
Plainview 15 15 18 19-67

TIGHT SQUEEZE

MIAMI, Okla.—Ottawa County Sheriff Ben Stanley never thought he'd be topped on the scales but he had a hard squeeze getting into a car with his prisoner, Stanley, who weighs 240 pounds, took into custody a suspect weighing 405 pounds.

Guests of Mrs. W. L. Davis Wednesday were her daughter-in-law, Mrs. Bill J. Davis, and grandchildren, Karen Lynn and Donna Katherine, of Lubbock. The younger Mrs. Davis was a guest of the Woman's Culture Club at the home of Mrs. J. P. Manly during the club hour.

Teacher-Appreciation Week Set For March 4-9 By Daniel Proclamation

March 4-9 has been set aside as Teacher-Appreciation Week by proclamation of Gov. Price Daniel for the Texas Congress of Parents and Teachers. The week was first observed in October 1955, but for the past two years the dates have been set to coincide with Texas Public Schools Week.

The complete text of the official designation follows: "Three great institutions of American life—the church, the home, and the public school—exert powerful influences upon our youth in preparing them for useful citizenship."

"The public school teachers of Texas have great responsibility that cannot be valued merely by statistics or by dollars and cents. In doing their job well, our teachers must work long hours, keep constantly abreast of new develop-

ments, and continue their own studies in their chosen fields.

"Many problems face our teachers, not the least of which is the present shortage of teaching personnel which has placed an added burden upon those in the profession. All citizens should do their part in helping the public school teachers fulfill their responsibilities, which grow so much greater with every passing year.

"Therefore, I, as Governor of Texas, do hereby designate March 4-9, 1957, as Teacher-Appreciation Week in Texas and urge all Texans to demonstrate their gratitude to our public school teachers in every appropriate manner."

Don Tatum of West Texas State College in Canyon spent the weekend with his parents, Mr. and Mrs. Ira Farmer.

First Anniversary Is Celebrated By Store

Their first anniversary as operators of the OK Food Store, 312 North Broadway, was celebrated Friday and Saturday by E. E. and Estelle Pierce.

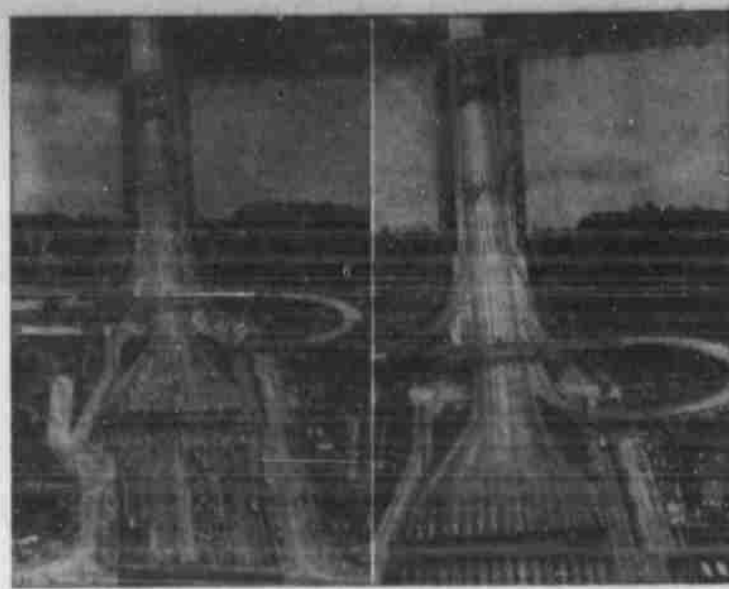

Baskets of groceries awarded Friday and Saturday went to the Rev. Roy Shahan and Mrs. Garland Davies.

Coffee and doughnuts were served to those visiting the store during the anniversary celebration, and favors of balloons and Easter eggs were given the children.

The Pierces' granddaughter, Jo Carol Pierce of Lubbock, came to visit them Saturday and help stage the first birthday celebration. The Pierces took her back to Lubbock Sunday and visited with Mrs. Joe Pierce and their other granddaughters.

The Pierces purchased the grocery a year ago from O. K. Bowen.

Churches of all denominations sponsor nearly half of America's 111,000 Scout units.

TOOK COVER QUICKLY—Attack warning effects are graphically illustrated in the two aerial views of New York's George Washington Bridge above. The left picture shows normal mid-afternoon traffic, while the right photo shows the same scene a few minutes later on July 20, 1956, after civil defense sirens had blown to test New York's ability to take cover quickly. In general, a large city populace would be told to take cover from impending attack only when there was too little warning time to evacuate.

SKYWATCHERS—The close relationship of civil defense and Ground Observer Corps is illustrated by this historic land office at Wintersville, Ohio, which serves today as Jefferson County Civil Defense headquarters and as a site for skywatchers in the Canton, Ohio, filter center area. Civil defense and the GOC cooperate very closely, and data supplied by the more than 17,000 GOC posts in the nation is used in alerting civil defense local and national units to action.

LOSS PUTS POST TEAM IN CONSOLATION BRACKET

Field Goal In Fading Seconds Gives Petersburg Victory Over Brown Bros.

Jimmy Fullingim's field goal with five seconds showing on the scoreboard clock gave the Petersburg Independents a 50-48 victory over the Brown Bros. team here Monday night and eliminated the Post cagers from championship contention in the District 2 TAAF tournament.

Joe Gallion of the Post team was fouled by Gus Brown just before the buzzer, but missed the first of a one-and-one shot to give Petersburg the two-point victory.

The first quarter was a nip-and-tuck affair, with Petersburg coming out on top, 14-13. They scored 19 points in the second period to seven for Brown Bros. and left the court with a 33-20 lead at halftime.

The Post cagers bounced back in the third quarter to outscore their opponents, 14-5, and trailed by only 38-34 at the end of the quarter. With the exception of Fullingim's clutch shot, both teams matched points in the final period.

Fullingim, with 16, was the game's high scorer, followed by Jackie Williams of Petersburg, who had 15. Gallion, with 11 points, and James Dye and Darrel Norman, with 10 each, paced the Post scoring.

The box score follows:

Petersburg (50)	fg	ft	pf	tp
Williams	6	3	3	15
Parr	0	0	3	0
Bearden	0	0	2	0
Bruington	4	2	1	10
Brown	2	0	5	4
Fullingim	7	2	0	16
Martin	1	3	3	5
	20	10	17	50

Brown Bros. (48)	fg	ft	pf	tp
Redman	1	2	3	4
Gallion	3	5	1	11
Dye	4	2	5	10
Waldrip	3	2	1	8
Norman	4	2	2	10
Fumagalli	0	1	1	1
Polk	0	0	1	0
P. Stephens	0	0	0	0
	16	16	16	48

Free Throws Missed: Petersburg - 14, 19, 5, 12-50; Brown Bros. 13, 7, 14, 14-48.

15-Williams 5, Parr 3, Brown 3, Fullingim 3, Martin 1, Brown Bros. 13-Gallion 4, Waldrip 3, Fumagalli 1, Dye 2, Norman 2, Meeks 1.

UPS AND DOWNS

MARIETTA, Ohio — Clyde E. Smith had his ups and downs last year—133,610 to be exact. He is an elevator operator in the First National Bank here, and his hobby is keeping a record of every complete up and down trip his elevator makes.

DUTY CALLS

CATLETTSBURG, Ky. — Volunteer fireman Ross Kirk missed the fire truck as it whizzed away to answer an alarm. Nonplussed, Kirk caught a ride on a city bus, but he needn't have bothered. It was a false alarm.

More than 100,000 Scout units took part in last Fall's Get-Out-the-Vote Campaign.

Buy of the year

Mercury moves up in size, performance, weight, length, beauty—holds down the price!

Only Mercury gives you all these Dream-Car features

Now that all the '57 cars are out — one fact is clear! The new Mercury is America's most changed car — the one truly new car from road to roof.

FAR BIGGER NEW SIZE. Now more than 17½ feet long, over 6½ feet wide, with far more leg room, elbow room and headroom than before. No other car has grown so much this year!

NEW HIGHER POWER. Up to 290 horsepower in the new Turnpike Cruiser V-8 engine, with Mercury's exclusive Thermo-Matic Carburetor adding extra efficiency summer and winter.

EXCLUSIVE FLOATING RIDE smoothes every kind of road shock. It's a unique combination of road-smoothing features.

EXCLUSIVE DREAM-CAR DESIGN is a distinctive look that Mercury shares with no other car! From double-protecting Jet-Flo bumpers to V-angle tail-lights, Mercury gives you the sleekest styling of the year!

YEAR'S BIGGEST VALUE INCREASE. Greatest news about The Big M for '57 is the price! It's hard to believe, but a new Mercury Monterey 2-door sedan costs only a few dollars more than models in the lowest price field. Come in and we'll show you the buy of the year!

near Levelland.

Mr. and Mrs. Clyde Haire visited the Johnny Potts in Lubbock last Sunday.

Sunday dinner guests in the Aubrey McNeely home were their pastor and family, the Rev. and Mrs. Ted Gaze and baby, Mr. and Mrs. Hack Lassiter and Mr. and Mrs. T. E. McClanahan of Slaton.

Mr. and Mrs. Roy Williams spent last Monday visiting in Ardmore, Okla.

Mr. and Mrs. Dan Siewert and Danny visited her parents, the J. W. Corleys, in Lubbock Sunday afternoon.

Mr. and Mrs. W. E. Wright of Spearman are visiting Mrs. S. M. Lewis and Mr. and Mrs. K. H. Lewis.

Mr. and Mrs. Jesse Ward and Carolyn were in Levelland Sunday visiting their daughter and family, the Randall Cooks.

Mr. and Mrs. Win Hallman and children of Lubbock visited his parents, the H. D. Hallmans, Sunday afternoon.

Mr. and Mrs. J. B. Rackler and children visited his cousin, the Carl Racklers, in Lubbock last Friday.

Mrs. Ward Thomas of Lubbock was a guest Thursday in the home of her parents, the R. W. Lewises.

Mr. and Mrs. Tom Sims went to Lubbock Sunday afternoon to visit his brother, V. B. Sims, who is in West Texas Hospital. They also visited G. W. Basinger in the same hospital and report that both men are improving.

Marilyn and Pam Maeker of Lubbock spent the weekend with their grandparents, the Earl Morrises, while their mother, Mrs. C. A. Maeker, attended the women's insurance convention in Houston.

Formal Opening To Be Celebrated By Station

Formal opening of the new Shamrock Service Station at North Broadway and 15th Street will be held this Friday and Saturday, according to Don Jones, operator.

During the formal opening event, five pounds of sugar will be given with the purchase of 10 gallons or more of gasoline. There will also be free lollipops for the children and plastic aprons for the women.

The new station has been open since Jan. 21.

Jones formerly was employed at Guy Floyd's Humble Station here.

MRS. R. J. KEY WRITES

Group From Post Attends Singing Program At Justiceburg Sunday

Seventeen attended Sunday School here last Sunday.

The following from Post attended our singing Sunday afternoon: Mr. and Mrs. Dick Wood, Mrs. Irene Dixon, Mrs. Roland Sullenger and sons, Rodger and Lee Wayne, Mr. and Mrs. Reece Hodges and son, Bobby, June Kiker and Diana, the Rev. and Mrs. Graydon Howell and Sandra, and Mr. and Mrs. Forrest White of Lubbock.

Mr. and Mrs. Cecil Smith visited in Crosbyton Sunday with his sister, Mrs. Ella Murphy.

Mr. and Mrs. Bruce Chilton and Connie of Lamesa spent Sunday with her parents, Mr. and Mrs. Chris Cornett.

Mr. and Mrs. T. L. Jones and daughter of Close City attended church services here Sunday.

Mr. and Mrs. C. W. Dennison, teachers at the Justiceburg school, were called to Phoenix, Ariz., Friday by the serious illness of her brother, who had suffered a heart attack.

Mr. and Mrs. Bill Mize and daughter recently visited her father, Mr. Timmons, who is in a Big Spring hospital.

Mrs. Ott Nance and Mrs. Bandy Cash are teaching in place of the C. W. Dennisons while they are away.

The Rev. and Mrs. A. T. Nixon

Short Is Awarded Noyes Scholarship

Leonard Short, son of Mr. and Mrs. Lowell Short of Post, is one of eight Texas Tech students who have been awarded \$30 LaVerne Noyes scholarships for the spring semester, according to Dr. S. M. Kennedy, chairman of the Tech committee on scholarships and awards.

Students who are descendants of World War I veterans are eligible for the scholarships, which are financed by the estate of Noyes, Chicago industrialist.

Other recipients of the scholarships are: Patrick Bennett of Paducah, James Robert Bogle of Close City were Sunday evening guests of Mr. and Mrs. Floyd Hodges and children.

Bits of News From Here and There

Mr. and Mrs. Phil Bouchier and Tommy spent Sunday in Snyder visiting with Mrs. Bouchier's niece, Mrs. Jim Adkins, and her husband who were visiting during the weekend in the Joe Strayhorn home. Mrs. Adkins is the former Betty Templeton, daughter of Mr. and Mrs. J. W. Templeton of Houston. Mrs. Templeton will be remembered here as Miss Leona Strayhorn, former homemaking teacher in Post High School. Adkins, who is in the Army, was recently transferred from a base in North Carolina to Fort Sill, Okla.

Plainview, Sara Sheveland of Fort Worth, Tom Clagett Siddens of Seymour, Fairy George Smith of Gordon, Ronald Wetherington, and Peggy Nadene Wheeler of Lubbock.

A representative from the Lubbock Social Security office will be here at 1 o'clock Friday afternoon in the district courtroom. Those with questions or problems concerning social security are invited to see him.

Mr. and Mrs. Jimmy Hundley and daughters, Kay, Kim, Karen and Deborah, have returned from Florida, where they had spent several weeks visiting Mrs. Hundley's relatives. Jimmy played in the Fort Myers pro-amateur golf tournament on Feb. 13 and tied for low amateur score.

Sunday evening guests in the home of Mr. and Mrs. J. A. Johnson were Mr. and Mrs. Ray Hodges, Lois and Carol; and their grandchildren, Vicki and Terrie Odum.
