Number 4

Chairman Urges Interest In Demo Precinct Conventions

"Precinct conventions of the Democratic party will be an important part of the party machinery this year," said T. R. Greenfield, Garza County Democratic chairman, in a statement addressed to precinct chairmen and all others who may be interested.

Citing the election law, Greenfield pointed out that precinct conventions should be held simultaneously on election day at the polling places, with 2 p. m. as the usual hour. The principal business of the precinct meetings is to elect delegates to the county Democratic convention which meets one week later. They may express their views on important issues by means of resolutions.

A permanent chairman and secretary should be elected at these precinct conventions, Greenfield said, and two copies of the proceedings made, one of which is to be in the hands of the county chairman within three days.

"I wish that every voting box would hold these precinct conventions, if only two are present," Greenfield said.

In choosing delegates to the county convention, Greenfield pointed out that only qualified voters can be legally chosen to act. These must be selected from the list of qualified voters submitted by the proper authorities to the election judge of the precinct.

SCHOOL WALLS GOING UP—Temporarily delayed last spring because of non-arrival of materials, brick work is now proceeding at a rapid pace on the new junior high school building. Workmen are shown here at work on the gymnasium wall.

The classroom walls also have been started, but are not as far along as the others, W. Spencer, foreman of the bricklaying crew, said this week that his part of the work is expected to be completed by around Sept. 1.—(Staff Photo).

CONDITION IMPROVES IN GALVESTON HOSPITAL

Burn Victim Said To Be Past Crisis

The condition of four-year-old Paul Geffers, Jr., who was critically burned June 24 in a gas-line explosion at his home here, is reported improved this week at John Sealy Hospital in Galveston, with the crisis in the youngster's condition evidently past.

It was reported Tuesday that they have finished giving the youngster blood transfusions and have taken him off glucose, which had been his only form of nourishment for several days.

It will be necessary for the child to remain at the hospital for an indefinite period of time if he is reported.

Meanwhile, a fund for the benefit of the Geffers family is being continued here. The parents are at their son's bedside and their two daughters, Vicki, 2, and Melody, 3, are in Post at the home of their grandparents, Mr. and Mrs. C. O. Bailey.

Mrs. E. L. Elkins and Mrs. Arnold Parrish are in charge of the fund being raised for the family. Mrs. Elkins reported Tuesday that she had deposited a total of \$415.96 prior to Sunday. Money, clothing and other contributions may be left at Parrish Grocery and Market.

Mrs. Elkins said money contributed to the fund is being deposited at the First National Bank and is being mailed to the Geffers as needed. Several boxes of clothing have been contributed.

Each voting precinct is entitled to one delegate to the county convention for each 25 votes or major fraction thereof cast on the Democratic ticket for governor in the 1952 general election. On this basis, the number to which each voting precinct is entitled is as follows:

No. 1, North Post	19
No. 2, Southland	2
No. 3, Verbena	1
No. 4, Justiceburg	3
No. 5, Close City	3
No. 6, Graham	3
No. 7, Pleasant Valley	3
No. 8, South Post	3
No. 9, Two Draw	3

The county convention is allowed one delegate to the state convention for each 300 votes or major fraction thereof cast on the Democratic ticket for governor in the last general election. Since 1,175 Democratic votes were cast for governor in 1952, Garza County Democrats are entitled to four delegates to the state convention.

One Wreck Mars Holiday In Area

Four persons were injured, two of them seriously, about 9:15 p. m. Sunday in a freakish traffic accident two miles north of Justiceburg on U. S. Highway 84.

The accident occurred when a Buick automobile driven by H. H. Blalock, 48, of Abernathy, struck a loaded cattle truck and was slammed into an empty butane truck coming from the opposite direction.

Blalock's wife, Loraine, 40, suffered a fractured shoulder, bruises and abrasions. Another occupant of the car, C. W. Davis, 65, of Oklahoma City, received a broken right arm. The Blalocks' son, James, 13, suffered minor cuts, while Blalock escaped uninjured.

Mrs. Blalock and Davis were released from Garza Memorial Hospital early this week. James was treated and released the night of the accident.

Sheriff Carl Rains, who investigated the accident, said Blalock was treated and released the night of the accident.

77 Cases Beer Taken Tuesday

Seventy-seven cases of beer, a quart of whiskey and a quart of wine, were confiscated by city and county law enforcement officers shortly before noon Tuesday in the arrest of Chris Norris of Tahoka.

Norris' arrest was made by Sheriff Carl Rains, Deputy J. W. (Red) Floyd and City Marshal F. M. Reep, Sr., at the east end of Main Street. Norris, hauling the beer in a horse trailer attached to his automobile, was stopped by the officers as he drove in from the south on the mill road.

Norris was released under \$1,000 bond Tuesday afternoon after being charged in county court with unlawful transportation of alcoholic beverages.

City Records Show No Fireworks Law

City officials discovered this week that no fireworks ordinance exists here, but they plan to do something about it—one way or another—at the City Commission's next meeting.

Discovery that there is no fireworks ordinance followed a hectic July Fourth weekend for City Marshal F. M. Reep, Sr., who had been instructed by Mayor T. L. Jones to put a halt to setting off of fireworks within the city limits.

The marshal reported Tuesday that he was kept busy for the better part of three days and nights in making every effort to carry out the mayor's instructions.

The mix-up appears to have been brought about through a newspaper article a few years back asking that fireworks not be set off within the city limits.

A search Tuesday through the city ordinance records disclosed that no measure has been adopted here governing their use.

The fireworks issue is expected to be No. 1 on the agenda at the City Commission's next meeting.

TAG DAY FOR BUTCH—Butch, well known up and down Post's Main Street, waits patiently at the feet of his master, Jim Hundley, while City Secretary Gertrude Weidner issues a license and tag. Butch is one of the first canine to wear one of the new tags, which arrived last week. The city secretary reported Wednesday that ten licenses and tags had been issued.—(Staff Photo).

Wheat Quotas Set For Vote Here July 23

Garza County wheat growers will join other wheat growers throughout the nation July 23 to determine whether or not the wheat marketing quota program will continue in operation for the 1955 crop.

"This, in effect, is the decision which wheat growers will make in the coming wheat referendum," says Mike E. Custer, of fee manager of the county Agricultural Stabilization and Conservation Committee.

Custer said Wednesday that it had not yet been determined just who would conduct the referendum in Garza County nor where the voting places will be. He said this information will be ready for release in next week's issue of the Post Dispatch.

Figures on the county's 1955 wheat allotment have been received by Custer, but are not yet ready for release, he said Wednesday.

The 1955 marketing quota program will be in effect if it is approved by at least two-thirds of the wheat growers voting in the July 23 referendum.

5 Fair Superintendents Appointed By Sponsors

Five general superintendents were named this week for the annual Garza County Fair to be held Sept. 17 and 18 under the sponsorship of the Post Lions Club.

The superintendents are: Carl Davis, 4-H boys' exhibit; Sue Stephens, 4-H girls' exhibits; Arvy McBride, Future Farmers of America exhibits; Mrs. L. H. Best, women's exhibits; and George (Daddy) Samson, agricultural exhibits.

Yet to be named is a general superintendent for Future Home makers of America exhibits.

General chairmen already appointed are: Mrs. Julius Fumagalli, women's exhibits; Dan Long, 4-H; Delwyn Hodges, FFA; Glen Davis and Lawrence Epley, livestock; Clairy Goodrey and Donald Adams, poultry; and Dean Huddleston and Ruben Jimenez, rabbits.

In the women's department and youth divisions the general superintendent will be assisted by Mrs. Fumagalli, adult exhibits chairman; Mrs. Hardie Smith, youth exhibits chairman; Victor Hudman, John Perry, E. F. Schmidt, Lewis C. Bertram, Jr., and Miss Jessie Peare.

Judges in these divisions will include Mrs. N. N. Collins and Mrs. Eleanor Woodson, food; Mrs. Jess Probst, ceramics; and Mrs. T. L. Jones, antiques and relics.

Others assisting in the fair will include: Mrs. Avery Moore, Needlework; Mrs. Bobbie Woods, chairman; Mrs. Ralph Cockrell, Bugs and Quills; Mrs. D. C. Arthur, chairman; Mrs. Elmer Hill; Miscellaneous; Mrs. Billy Johnson, chairman; Mrs. Stanley Sims, Mrs. Glen Davis; Ceramics; Mrs. N. C. Outlaw, chairman; Mrs. Carl Fultz; Leather; Mrs. Carl Fultz, chairman; Canning; Mrs. O. H. Hoover, chairman; Mrs. Albert McBride, Frozen Foods; Mrs. W. H. Childs, chairman; Culinary; Mrs. James Stone, chairman; Homemade Soap; Mrs. Charlie Kikes, chairman; Candies; Mrs. Kiker, chairman; Bread; Mrs. Earl G. H. Borton, chairman; Mrs. W. H. Borton; Relics and Antiques; Mrs. J. F. Storie, chairman.

Following are chairmen in the youth division:

Art and handicrafts: Mrs. Flox Richardson.

See FAIR OFFICIALS, Page 8

Strickland Is To Teach At Navasota High

A. C. Strickland has submitted his resignation as science teacher at Post High School, D. C. Arthur, superintendent of schools, has announced.

Strickland, who has taught here for the past five years, has accepted a similar teaching post in the Navasota High School.

The science teacher's resignation leaves two faculty vacancies to be filled, the superintendent said. The other is that of vocal music director for high school and grade school. Last year, Miss Wanda Rogers filled the position in the grade school and John Christopher in the high school. One teacher is to be employed for both jobs for the 1954-55 school year, Arthur said.

The vacancy created by the resignation of Bobby Robbins as band director was filled a few weeks ago with the employment of Bill Parks of Glen Rose.

Mrs. Mary Lee Whisten, who has taught at Graham for the past six years, is a new addition to the grade school faculty.

Hopper Threat Is Easing Up

Junco grasshoppers still are causing damage to some cotton crops in the county, but the infestation apparently is not as bad as it was a week or two ago, County Agent Lewis C. Herron, Jr., said Tuesday.

Extensive poisoning operations by farmers whose fields have been invaded by the hoppers apparently has lessened the threat, the agent said.

He explained the fact that the infestation has been "spotty" by saying that practically all the crops affected are those adjoining pastures, where the grasshoppers hatch in low, damp spots.

Except for the grasshopper threat, the county's cotton is looking good, the agent said. Early feed is needing rain badly, and range grass is beginning to burn. Generally speaking, stock water still is plentiful, Herron said.

Warn Motorists On Hindering Firemen

City and county law enforcement officers warned this week that they are going to begin giving tickets to motorists who interfere with firemen during fires.

"Such practices as running over fire hose, driving automobiles too near the scene of a fire, following fire engines too closely, and other practices which might hamper firemen, have got to stop," the officers said.

Fire Chief Homer McCrary said he is heartily in favor of the officers cracking down on motorists who throw caution to the winds when they hear the fire siren.

"It seems to be getting worse instead of better," the fire chief said.

Lions Committee Chairmen Named

Three new committee chairmen were appointed by Jess Rogers, Post Lions Club president, at Tuesday night's meeting in the school cafeteria.

The new chairmen, who will serve during the 1954-55 club year, are J. N. Power, program; Paul Duren, Jr., attendance; and Phil Trammell, membership.

Following the meal, the Lions assembled and heard the catalogues for the Garza County Fair Sept. 17-18. The club is sponsoring the fair.

POST OFFICE DEPARTMENT ALLEGES LOTTERY

Trades Program Under Fire

The Post Office Department said June 30 it has filed a complaint against the National Trades Day Association, operated by Mayor James C. Wright, Jr., of Weatherford, Tex., and his father, alleging it has used the mails to conduct lotteries.

Since last Sept. 19, the Post Chamber of Commerce has subscribed to the National Trades Day Association's "Appreciation Day" program and has held drawings here each Saturday.

A hearing into the complaint will be held in Washington July 22.

The department alleges the association mailed advertising

and literature to merchants for promotion of so-called "appreciation day" sales in which customers received coupons with purchases. Drawings were held later for award of prizes to coupon holders, the department said, and the trades day association received royalties or fees for its role in helping promote the plan.

Ralph Kirkpatrick, chairman of the Chamber of Commerce's Appreciation Days committee, said Wednesday that the Chamber entered into the program in good faith and had continued to operate it that way as a trade stimulant for Post merchants.

Kirkpatrick said Chamber of

Commerce directors were told by representatives of the National Trades Day Association that their appreciation days program did not violate the lottery laws.

The matter will be brought up at Tuesday afternoon's meeting of the Chamber of Commerce's board of directors, Kirkpatrick said.

The Post Dispatch has refrained from publicizing the appreciation days program because of the possibility that it does violate the lottery law. If such were the case, it would be unlawful for copies of the Dispatch carrying news of the program to be mailed.

Producer Finaled In Huntley Field

The second producer and a one location east extension for the Huntley-Glorieta field of northwest Garza County has been finaled.

It is Seaboard Oil of Delaware No. 1 Huntley, which was completed for a 24-hour flowing potential of 136.94 barrels of 37.1 gravity oil. The flow was through a 12.644-inch choke. Production is from perforations in casing of 4,050-4,250 feet. The oil ratio was 399.1.

The No. 1 Huntley is 980 feet from north and 330 feet from west lines of Section 1214-TTTL, A-647, about five miles northwest of Post.

COLLEGE STATION (Spl.) — "More accidental deaths occur, for each 100,000 workers, in agriculture than in any other major industry of the nation, Texas, with its widespread farming and ranching operations, is in a position to help reduce this accident toll," said Gov. Allan Shivers in the proclamation he signed on June 8 designating the week of July 25-31 Farm Safety Week. Continuing the Governor said, "A disabling injury strikes some farm person in America on the average of every 26 seconds. The U. S. Department of Agriculture and the National Safety Council are cooperating in a campaign designed to reduce the huge number of avoidable farm accidents and I urge all Texans engaged in farming activities to exercise all possible caution in their work."

'Gypsy Colt' To Show Friday And Saturday

Hollywood's newest star, "Gypsy," a handsome colt with a heartful of courage, will be featured in M-G-M's "Gypsy Colt" Friday and Saturday at the Tower Theatre. "The most amazing animal star even seen on the screen" is the way Gypsy is described in advance publicity on the Tower attraction. Sunday and Monday's Tower feature will be "The Naked Jungle," with color by Technicolor. "Champ for a Day" starring Alex Nicol and Audrey Totter, will show Tuesday. Tuesday night is Jackpot Night.

Postite To Attend Methodist Meet

B. H. Powers of Route 1, Post, is a member of his Methodist Conference delegation, which, with other groups, will make up the more than 2,000 persons expected to attend the National Conference of Methodist Men at Purdue University, Lafayette, Ind., Friday through Sunday. Powers is president of the local Methodist Men's organization.

WAR SURPLUS

RICHMOND, Va.—N. E. Wariner is using a World War II surplus mine detector in his weekend hobby—finding Civil War relics on battlefields in the Richmond area. With it he has collected 100 items. The latest find was a 100-pound, rust-coated, unexploded naval shell. He believes the shell was fired on Fort Harrison from a gun-boat on the James River, two miles away.

GOLDEN GATE WHALE

SAN FRANCISCO—A big whale cavorted under the famed Golden Gate bridge for half an hour, spouting and flipping its tail. Spectators on the bridge thought the whale, more than 200 feet below them in the greenish water, was about 30 feet long.

VA Questions And Answers

Q. I have a Korean GI term insurance policy—the kind that doesn't pay dividends. Would it be possible for me to convert it to a permanent form of insurance?
A. No. Under the law non-participating term insurance policies issued to Korean veterans may not be converted to permanent plans.
Q. I am a disabled World War II veteran, and I'd like to take vocational rehabilitation training under Public Law 16. If I'm eligible to train, would I be allowed to take a four-year law course?
A. No. The law would allow you to take only a course that you could complete by July 25, 1956, the date the Public Law 16 training program comes to an end. You would have to enroll for a course that you could finish in two years or less.
Q. I am a World War II veteran taking GI Bill training at night. I have a job that normally doesn't require me to travel, but I found out that I'm going to have to take a three-week business trip, and therefore interrupt my training. Will I be permitted to resume my GI Bill training when I get back? Or is this the kind of interruption that's not allowable?
A. You will be permitted to resume your GI Bill training when you return from your trip. VA considers such a temporary interruption as one caused by a "valid reason," so long as it does not last for more than four months. If it did last longer, you would be required to show VA that you couldn't possibly have resumed your training earlier.
Q. Does the Aug. 20, 1954, deadline for starting Korean GI Bill training apply to all Korean veterans?
A. The Aug. 20 cut-off date applies only to veterans separated from service before Aug. 20, 1952. Veterans separated after that date have two years from separation to begin Korean GI Bill training.

BITS-OF-NEWS

Mr. and Mrs. Roy James accompanied Mr. and Mrs. Harry Berry on a fishing trip near Marshall during the holidays.
Mr. and Mrs. Levi Williams are visiting their son and daughter and their families, the Albert Boswells and Bill Owens, in Kansas.
Mrs. Dan Mitchell and Josephine and Earl returned home Friday from Sterling, Colo., where they visited their husband and father who was hospitalized there. He is a driller for B. F. Allison Co.
Mrs. L. Baker and Cora spent the weekend in the Slaton home of Mr. and Mrs. Carl Sartain.
Tom Miller of Carlsbad, N. M., visited his mother, Mrs. J. O. Miller, and the J. T. Curbs during the weekend.
Mr. and Mrs. Otis Goode and family are guests of relatives at McKinney this week.
Mr. and Mrs. Cloud Miller of Lubbock were Sunday visitors of Mrs. J. O. Miller and the J. A. Meeks.
Mrs. Robert Miller and son of Lubbock were visitors in the C. P. Jones and Mrs. J. O. Miller homes Sunday and Monday.

MORE MONEY FOR ROADS

During Allan Shivers' Administration more money has been spent for roads than in any other comparable period in Texas history. For that money Texas added 14,926.10 miles of smooth roads to the state highway system and maintained all roads to keep them safe and sound for you. Allan Shivers knows the importance of good roads to you. Whether trade-routes that speed goods to market or modern super-highways that make your driving a pleasure, good roads save you time and money.

IN GARZA COUNTY

\$988,583.23 has been spent on roads for you during Allan Shivers' Administration. You have 33.37 more miles of roads today than when he became your governor. This means better Farm-to-Market roads, so important to farmers and citizens of small towns. It means modern, safe highways that make your trips enjoyable and inexpensive. Texas comes first with Allan Shivers.

Club Meets With Mrs. J. Wallace

Mrs. John Wallace was hostess for a meeting of the Graham Thursday Club last week. After an afternoon of visiting and sewing, refreshments of sandwiches, cold drinks, ice cream and cake were served.

Church News

The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein. For he hath founded it upon the seas, and established it upon the floods. Who shall ascend into the hill of the Lord? or who shall stand in his holy place? He that hath clean hands and a pure heart; who hath not lifted up his soul into vanity nor sworn deceitfully. He shall receive the blessing from the Lord, and righteousness from the God of his salvation. This is the generation of them that seek him, that seek thy face, O Jacob. Selah. Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The Lord strong and mighty, the Lord mighty in battle. Lift up your heads, O ye gates; even lift them up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The Lord of hosts, he is the King of glory. Selah.—Psalm 24.

Miss Catherine Royalty and Miss Lovie Beavers of Lubbock were guests of the Ed Warrens July 4th.

Visiting in the Travis and Roy Gilmore homes are Mr. and Mrs. Troy Gilmore and son of Carlsbad, N. M.

Five-Year Program Results In 33.27 Miles Of New Roads For Garza County

AUSTIN (SpL) — During the last five years, 33.27 miles of roads have been built in Garza County. It was Texas' greatest period of road construction history, Highway Department files show.

The breakdown by counties, as well as state totals prepared by the department, showed that \$988,383.23 was spent in the county for maintenance of present roads and for the gigantic construction program.

Meanwhile, in Austin Gov. Allan Shivers cited the impression figures "as evidence that the state's construction program is giving Texas motorists the best roads that engineering can provide."

The report showed that 14,926.10 miles of roads added to the state highway system over the period covered cost \$575,138,572.32, more money spent for construction than in any other comparable period.

Figures also showed that farm-to-market roads came in for a lion's share of the total. The roads were named a priority because they give farmers needed routes to markets and access to towns surrounding rural areas, a highway official said.

Shivers, who said he was very proud of the excellent way Texas roads have improved in the last half decade, listed dollars and time saved as two prime benefits to Texas motorists.

"State drivers have been able to save countless hours and

money through good roads that provide the ultimate in safety and design," he remarked.

He also pledged that he "would do everything in my power" to continue the present rapid pace of road-building and maintenance.

"A road system worthy of its name must provide its motorists with swift, safe routes," he said.

New Hybrid Fowl Makes Its Bow At Piggly Wiggly

A new hybrid fowl, that is a cross between pheasant and chicken, is making its bow in Post. Called the "Barrel Breasted Northwest," the hybrid is the creation of James H. Knowles, Centralia, Wash., breeder-geneticist, who worked 16 years to perfect this species cross. Distribution will be handled by Piggly Wiggly.

The hybrid is said to have a richer, more succulent flavor than ordinary chicken. Consumers say it has a pheasant tang, which is understandable in view of its 1/16th pheasant ancestry. In addition it has inherited the small bone structure of its pheasant forebears, which means the housewife will find more meat and less bone on this new type of fowl.

Crossing the species has produced another distinctive advantage. The bird is about 85 per cent light meat. Even the drumsticks of the new fowl have a broad strip of white meat. The breast is thick and broad.

Producing this new fowl involves nine consecutive matings of pheasants and chickens. Five of these involve crosses between strains of pheasants or chickens, and one is the difficult species cross that is accomplished by artificial insemination.

Since the end result, the Northwest, is incapable of commercial reproduction, this involved mating process must be repeated every year. However, Breeder Knowles has his production problems well under control, and more than fifty million will be marketed next year.

Barnum Springs Please Send News Not Later Than Monday to RUTH ANN LONG

Enjoying a July 4th picnic at the Ray Hodges home were Mr. and Mrs. Tom Henderson, Mr. and Mrs. Gaylor Young and daughter of Ralls, Mr. and Mrs. Byron Haynie and family Mr. and Mrs. Arda Long, Mr. and Mrs. Nathan Little, Mr. and Mrs. Temple Lee and family, Marion Reep of Post, Mr. and Mrs. Bill Long and family and the Hodges family.

House Votes \$5 Million Boost To Funds For Vocational Education

WASHINGTON, D. C. (Sp1.)—The House of Representatives has voted almost unanimously to increase the appropriation for vocational education from \$18,673,261 to \$23,673,261, according to Lewis B. Taylor, executive secretary of the Vocational Agriculture Teachers Association of Texas. He stated that this is an increase of \$5,000,000.

It was brought out on the floor of the House during the debate that Russia is expanding its vocational education program at an increasing rate, and that the security of this nation is dependent to a large degree on the skill and productive capacity of our people.

BITS-OF-NEWS

July 4th visitors of Mr. and Mrs. Buck Gossett and family were her sister and family, Mr. and Mrs. John Berkley of Station and their son, Gene, who is in the Navy and stationed in Tennessee, and Miss Arleta Gary of Brownwood.

Vocational workers everywhere are pleased with the confidence expressed in them by the overwhelming vote of the House of Representatives for a 20% increase in federal funds for this activity according to Taylor.

Auto Accident—

(Continued From Front Page) reported he was blinded by the lights of two approaching trucks and did not see the cattle truck until it was too late to avert a collision.

Burn Victim—

(Continued From Front Page) joining the bath room, also were burned, but were not hospitalized. The other daughter was playing in the yard at the time.

Fair Officials—

(Continued From Front Page) Clothing: Mrs. Clarence Carpenter and Mrs. Roy Williams. Needlework: Mrs. Sid Cross.

Officers Report At Rotary Meet

The Post Rotary Club's activities during the 1953-54 year were summarized by Chant D. Lee, president, and Powell Shyites, secretary, at Tuesday's luncheon. Installation of new officers, originally set for Tuesday, was postponed until the July 20 meeting due to the absence of R. J. Jennings, president-elect, who is on his vacation. R. H. Tate is to take office as new secretary.

Following the reports by the president and secretary, Rotarians attending Tuesday's luncheon were given an opportunity by the president to express their views on the past year's work and to make suggestions for the ensuing year's program.

RECIPE OF THE WEEK
By Mary Lee Taylor
Ice Cream Fudge Squares
1/4 cup nuts 1/2 cup per
1/2 cup sifted cocoa 1/2 teaspoon salt
2 1/2 tablespoons sugar 1 quart vanilla
2 Tablespoons corn syrup ice cream
Mix sugar and cocoa in a small, heavy saucepan. Stir in water and syrup. Cook and stir over medium heat until mixture boils. Boil and stir over medium heat 5 minutes, or until sauce is smooth and starts to thicken. Remove from heat. Stir in milk and vanilla. Chill. Pack in cream into a quart ice cube tray. Sprinkle 1/2 cup of the cold chocolate sauce over top. Freeze in automatic refrigerator until sauce is firm. Keep frozen until ready to cut into squares and serve. Makes 4 servings.
Note: Store rest of chocolate sauce in a covered jar in refrigerator. It is delicious when served warm or cold, on pie cake, puddings or other desserts.

Picture Of A Woman Who Found The Best FOOD BUYS By Reading The POST DISPATCH

"Market Guide for Garza County"

Yes, sir she's a thrifty woman—one who is interested, from the standpoint of the family pocketbook, and of providing her family with the best in menus, in getting the best in food values. And she turns to the pages of the Post Dispatch as her best and most reliable market guide! She knows that the leading stores offer their outstanding values, and establish their best attractions in the Post Dispatch. She's a smart woman—for she knows that the Post Dispatch ads can save her time and money, and that they're right there before her when she wants to consult them, to check them, to read them again, to be sure of description and price. This all means savings to her, for the Dispatch costs only \$2.50 a year mailed in Garza County or 10c a copy on the newsstand.

Women Readers
Look To
the
POST DISPATCH
For Values!

And she benefits from the Post Dispatch in other ways, too—in the informative dry goods and clothing advertising as well as keeping posted on theatre schedules, club news and happenings around the town. She is accustomed to finding information that interests her, and helps her, in the news and advertising columns of the Post Dispatch. Those are some of the reasons why this smart and thrifty woman uses the Post Dispatch as her weekly companion and shopping guide!
