BOOTHS TO BE IN STADIUM, CORONATION IN GRADE AUDITORIUM

School Carnival Is Saturday

Antelope Stadium and the Post Grade School auditorium will be the scenes of activity Saturday evening during the annual school Halloween carnival sponsored by the Post High-Elementary Parent-Teacher Association. The carnival, which will include all sorts of booths sponsored by the various grades, will get under way at 6 p. m. in the stadium. Coronation of the grade school and high school kings and queens will be held at 7:30 o'clock in the grade school auditorium.

The "Modernaires," Post High School orchestra, directed by W. B. (Bill) Parks, will play as added entertainment during the evening's program, according to Mrs. Nola Brister, publicity chairman for the annual affair. Proceeds from the carnival will be used by the P.T.A. in carrying out its school improvement projects.

This year's high school king and queen are seniors Leonard Short and Donna Kay Kennedy, and the grade school king and queen are Ray Crispin and Sherry Custer. Crown bearers will be Curtis Hudman for the high school and Bickey Little for the grade school. Train bearers will be Polly O'Neal, Yvonne Moreland, Brenda Bilberry and Lynn Edwards.

EX-Students Association will be the high school gymnasium, with Lloyd Croslin, Lubbock attorney and a former Post school teacher, as principal speaker. Preceding the banquet, a business meeting was held in the gym, with V. L. (Punk) Peel re-elected as president and R. E. Josey as vice-president. Joy Martin Fluitt was elected secretary to succeed Pearl Craig, and Edsel Cross was elected treasurer to succeed Melvin Garner.

184 Ex-Students Register

A total of 134 ex-students registered Friday afternoon for second annual Homecoming Day at Post High School. In addition to these 134, a large number of former teachers and husbands or wives of ex-students registered. A highlight of Homecoming was a banquet held at 6 p. m. in

Appointment of Bob Poole to head the 1955 March of Dimes in January was announced today by Walter Crider, chairman of the Garza County chapter of the National Foundation for Infantile Paralysis. "Poole is assuming leadership of the polio campaign at a critical time in the fight against the disease," said AdJ. Gen. K. L. Berry, state March of Dimes chairman for Texas.

Poole served as chairman for the Emergency March of Dimes held here in August. "The people of Garza County contributed \$2,309.82 to the March of Dimes in 1954, and we know that we must set a high target for the 1955 appeal, to make certain that there is no let-down in the polio program at the crucial point."

Other organizations expected to name representatives to the board before next Wednesday's meeting are the Post Rotary Club, Garnolia Mother's Club, Grassland Parents Club and Graham Home Demonstration Club.

The banquet program included numbers by the "Modernaires," high school orchestra. The meal, prepared by Tom Williams, was served by Mrs. Nan Dyer's homemaking students. The 1954 graduating class led in attendance, with 14 registering. There were 13 from the 1953 class, and 11 from the 1943 class. O. L. (Ollie) Weakley represented the earliest graduating class—1913. Others were Tom

Boucher, 1915, and Walter Boren, 1918. Coming the longest distance for Homecoming were Mr. and Mrs. Ben Howell, classes of 1935 and 1937, and Mrs. Lela Hammons Waugaman, class of 1925, all from Hobbs, N. M. Those who signed the register, listed by classes, were as follows:

Election Interest Centers On 11 Proposed Amendments

With no contests in county races and very few in state races, interest here in Tuesday's general election centers around the 11 proposed constitutional amendments to be voted on. An indication of the lack of interest in the election is shown here by the small absentee vote. Up to Tuesday afternoon, only four absentee votes had been cast at the office of County Clerk Ray N. Smith, and only two mail applications for absentee ballots had been made.

Absentee voting, which began Oct. 15, is to close Friday. Although four parties—Democratic, Republican, Constitution and Independent—are listed on the general election ballot, only the first three have candidates. There is a fifth column for write-in votes.

Races in which there are more than one candidate are as follows: For Governor—Allan Shivers, Democratic, and Tod R. Adams, Republican.

For U. S. Senator—Lyndon B. Johnson, Democratic; Carlos G. Watson, Republican, and Fred T. Spangler, Constitution.

For Congressman-at-large — Martin Dies, Democratic, and Tom Nolan, Republican.

For Commissioner of Agriculture—John C. White, Democratic; Harry W. Linderman, Republican, and E. E. Wells, Constitution.

The proposed constitutional amendments to be voted on are: Authorizing the Legislature to increase state spending for old-age assistance, aid to the blind, and aid to dependent children by \$7,000,000 a year.

Permitting a person who has served some time as a teacher and accumulated credits under

the Teacher's Retirement System, and also some time as state employee, with credit under the State Employees' Retirement System, to count his accumulated credits under both systems in determining his retirement pay.

Providing that proprietary employees of the state's subdivisions may be covered by federal old age and survivors insurance.

Creating a State Building Commission with broad authority, subject to Legislative direction, to erect buildings for state purposes.

Increasing compensation of members of the Legislature to \$25 per day for the first 120 days of any session.

Prohibiting use of the credit of the state or any grant of public money for construction, maintenance or operation of toll roads and turnpikes.

Requiring women to serve on juries.

Meeting Is Set For Organizing Chest Board

Organization of the board of the Garza County Community Chest will be perfected at a meeting at 7 o'clock Wednesday night in the City Hall auditorium, it was announced today by Mrs. Ira Greenfield, secretary of the Post Chamber of Commerce. Purpose of the meeting will be to elect officers from among the board members, set a date for the Community Chest fund drive, discuss a constitution and by-laws and appoint committees. With one or two exceptions, all organizations contacted have named representatives to the Chest board, it was announced Tuesday afternoon at a meeting of directors of the Chamber of Commerce.

The list of board members to date and the organization they represent is as follows: Bobby Pierce, American Legion; Clifton Clark, Lions Club; Mrs. S. E. Camp, Parent-Teacher Association; Miss Jane Stephenson, Beta Sigma Phi; Percy Parsons, Post Volunteer Fire Department; the Rev. Charles R. Gates, Post Ministerial Alliance; Mrs. C. D. Lee, Post Home Demonstration Club; Robert Russell, Veterans of Foreign Wars; Mrs. Pat N. Walker, Amity Study Club; Mrs. Harry A. Tubbs, Woman's Culture Club; L. G. Baker Child Is In Serious Condition

Charles Lyn Baker, three-year-old son of Mr. and Mrs. Robert J. Baker of the Close City community, was reported in serious condition Wednesday in the Plainview Polio Clinic and Foundation, with both feet and legs paralyzed and one shoulder weak. He is suffering from lumbar polio.

Mrs. L. P. Baker, the child's grandmother, received word of his condition in a telephone conversation with Charles Lyn's father.

Charles Lyn was admitted to the Plainview polio center on Oct. 15, the day following admission of his 17-month-old brother, Joe Duane Baker, who died of the disease on Wednesday of last week.

Water Wells 'Blow' On Gossett Farm

Three water wells "blew wild" last weekend on the L. E. (Buck) Gossett farm, five miles southwest of town, and it had been determined this week that pressure from a dry hole drilled some time ago in search of oil had caused the phenomena. The dry hole, which is about 250 yards from the water wells, was re-entered this week with 750 sacks. The blowing at the water wells subsided Saturday after workmen forced the plug out of the dry hole and let it blow.

This week, the oil company workmen are repairing the water wells, which still are blowing air, but no water or mud. One of the wells started blowing water and mud late Wednesday and by Friday the same disturbances were occurring at the other two wells. All three wells were badly cratered by the blowing water and mud, according to the owner. Water from the wells, which are located in a cotton field, was being pumped for use at C. W. Post Boy Scout Camp.

Girl's Hollywood Trip Postponed Few Days

Pauline (Polly) O'Neal, her trip to Hollywood to make a movie short postponed for a few days, is eagerly looking forward this week to Saturday night's school Halloween carnival in which she will be a train bearer at the coronation program in the grade school auditorium.

Polly and her mother, Mrs. O'Neal, were scheduled to have left Lubbock by plane Wednesday en route to Hollywood where the girl is to make a movie short with Greer Garson. The short is to be used in the state-wide theater fund drive by the Gonzales Warm Springs Foundation for Crippled Children.

The Hollywood trip has been postponed until the first week in November, with a definite time for the departure of Polly and her mother to be set within the next few days, they were informed by the Gonzales Foundation. Shooting of the picture has been postponed because of an appendectomy undergone by Miss Garson.

In preparation for the trip, Evelyn's Beauty Shop has given Mrs. O'Neal a permanent and she has received a "Shirley Lee" dress from Maxine's Shop through the courtesy of Maurie Tenser, salesman for the dress line. From Dunlap's, Polly has received three "Kate Greenway" dresses through the courtesy of the manufacturers.

4-H Youths Win Herdsman Award

Garza County 4-H Club boys exhibiting steers last week at the State Fair of Texas in Dallas won third place in the junior herdsman award contest, it was reported here by County Agent Lewis C. Herron.

First place in the contest was won by Wise County and second place by Howard County. Don Richardson's 945-pound steer placed fourth in its class in the Aberdeen-Angus division of the junior steer show. At the sale which followed, the steer brought Don 36 cents a pound.

Dean Huddleston's 1,000-pound Aberdeen-Angus Steer was graded prime in the market steer show and sold for 35 cents a pound. Carol Davis' choice Angus, weighing 875 pounds, sold for 28 cents a pound. A 1,035-pound choice Angus shown by Larry Welch sold for 25 1/2 cents a pound.

A choice Hereford steer showed by Tommy and David Young sold for 25 1/2 cents a pound. It weighed 1,035 pounds. John T. Brown's choice Hereford, weighing 865 pounds, brought 26 cents; Charles Morris' 1,060-pound choice Hereford, 25 1/2 cents; Ronnie Morris' 1,015-pound good Hereford, 25 1/2 cents; and Lonnie Gene Peel's 940-pound good Hereford, 25 1/2 cents.

Extensive Uranium Deposits Reported

There are indications of extensive uranium deposits in northeast Garza County, according to reports which could not be confirmed late Wednesday. Uranium "scouts" are said to have thoroughly scouted areas just east of Verbena and to have reported that Geiger counters on airplanes used in the surveys indicated uranium deposits. Land mentioned here this week in connection with the uranium deposit reports include the Everett and Swenson ranches and land owned by J. C. Fumagalli.

Thursday to Thursday

By CHARLES DIDWAY

WE COULD ALMOST MAKE this a column of reminders this week, with Friday the last day for absentee voting for the Nov. 2 election, the "Modernaires" public program scheduled for tonight, and the deadline nearing for getting in changes of address for the Lions Club's new city directory.

THE MODERNAIRES' PROGRAM tonight in the school lunchroom is for the benefit of those who have not yet heard the high school orchestra. We heard them for the first time Friday evening just before the Ex-Students' Association banquet and learned that everything that is being said about them is true. They're good and getting better!

THE REASON THE LIONS are wanting those address changes for the new city directory is because they want to make the volume as complete and as accurate as possible. If you've moved since the Lions compiled the directory listings a few weeks ago, the thing to do is get in touch with Victor Hudman, secretary chairman, and inform him of your new address.

WE SAW LOUIS MILLS last week for the first time since he broke his leg early last summer in a baseball game at Snyder. Louis suffered two breaks in the lower part of his leg and healing has been slow. He's still on crutches and said he was going to Lubbock the first of this week to have X-rays made to determine the progress of the healing. Said he didn't think it would be long before he could return to his job at the post office.

THERE'LL BE BIG DOINGS here Saturday evening and night with the Parent-Teacher Association's annual school Halloween Carnival under way at Antelope Stadium. An hour and a half after the carnival gates open, coronation of the high school and grade school carnival kings and queens will be staged in the grade school auditorium. Proceeds are to be used by the P. T. A. on school projects.

Roger W. Babson Writes This Week:

Cool Weather, Extensive Store Advertising Bring Pickup In September's Retail Sales

BAHSON PARK, Mass.—An analysis of retail sales shows some very interesting figures. From Jan. 1 through September, 1954, sales declined about 2% from the same period last year. There, however, was a modest pickup during September. This was due largely to the cool weather and to this year's extensive store advertising.

More Money Than Ever
The decline in 1954 has been in the face of more money available for spending than ever. Individuals' savings are at the highest level in history. Wages also are higher than ever before. Most prices are reasonable and storekeepers are trying hard to please their customers.

There should be more customers than ever, as a result of our net gain in population of 235,000 each month. Births are increasing and sickness is decreasing. More children are going to school and are dressing better at school. The only "out" is that parents do not have so much overtime money as they did in 1953.

Reasons For Declining Sales
This means that certain parents have had more time to do needed work at home. The "do-it-yourself" industries have boomed! People have been buying tools, paints, wallpaper, plywood, etc., instead of spending the money on movies and entertainment. Families are "cooking-it-themselves" more, and going out to restaurants less.

Some cities which have many parking meters have trained parents to visit the shopping centers together in couples, but always leaving one person in the car to listen to the radio, or read a picture magazine, or eat a nickel candy bar. This growing new habit has increased sales by drawing more people into the shopping district and eliminating their fear of getting parking tickets. Both persons can take their turns shopping, and also at watching the parking meter and dropping in another nickel at the right time. Other stores have boys or girls with supplies of nickels to

TEMPTATION TO SPEEDERS

Post's West Main Street not only is one of the widest streets in the United States, it is also one of the most tempting to local speed-demons, who apparently give no thought to their own safety nor to that of anyone else.

Speeding always has been the predominant traffic hazard on that wide stretch of West Main which begins just west of the county courthouse, but here of late it has outstripped itself. Numerous complaints are being made of automobiles "burning up" the road, evidently for no other reason than just to satisfy their drivers' insane desires to see how fast the old crate will travel over an inviting stretch of roadway.

Regardless of the width of the street, there is the utmost danger connected with this break-neck speeding, just as there is with speeding anywhere. Most of the offenders appear to be teen-agers, and since this age group seems to catch most of the blame for everything that's done, we'd like for this editorial to be accepted more in the vein of a warning than one of condemnation. More mature drivers who are guilty of such senseless speeding are the ones condemnation should be reserved for; not the teen-agers, unless they continue to make a practice of it.

During the past few weeks, local law enforcement officers, by their own statements, have been confronted with an almost unparalleled outbreak of minor accidents. Who can tell when this rash of mishaps will result in a heavy toll of life, limb and property? We're of the opinion that curbing speeding on West Main Street will prove one of the most effective safeguards against any such outbreak, although it isn't the only curb that should be taken.

High-powered automobiles and a smooth, wide, straight-as-a-string stretch of roadway offer a mighty temptation to the average teenage driver, but any desire to "open 'er up" on West Main Street should be tempered with thoughts of what breaking the law might lead to, and the ever-present danger of appalling accidents.

watch their customers' cars.

Poor Sales Due To Poor Parking
An analysis of sales shows that they varied in accordance with parking facilities. Stores in which customers can trade without any parking problems show increases. The other stores have shown decreases. Since current high factory employment is impossible to maintain without high retail sales, it will be seen that unemployment figures of the entire country may be considerably affected by the availability of adequate parking facilities.

The truly "self-service" stores have shown the greatest increases. In these, the customers need not wait for change or wrapping. They can shop quickly and pay at the check-out door. Hence, "self-service" is also helping the employment situation for the entire nation, as well as the well-being of each city. Local governments should remember that the retail merchants—not the factories—are the lifeblood of every city and every nation.

What About Parking Meters?
Parking meters are useful in preventing "all day parkers" from hogging the streets; but otherwise they have hurt retail business. A woman leaves home with a large list of things she wants to buy. She finds a vacant parking space and drops five cents in the slot. Then she starts to get her supplies; but she is continually worrying about her car. The time goes too quickly. She is thinking of the car instead of her purchases. She goes home with half of her shopping list bought.

Every merchant should fight for free parking lots, or else lots that provide two-hour parking for five cents. In other words, cities must not only provide parking, but must also eliminate the worry and hurry of shoppers. The present idea of the customer to get back home as soon as possible is absolutely wrong. The setup and aim of the stores should be to keep her in the shopping district as long as possible.

Getting Out On The Limb

by EDDIE the editor

SUDDEN THOUGHT: One of the worst tragedies to befall a man is to have ulcers and still not to be a success.

The trouble with telling a good story is that it reminds the other guy of a dull one.

Many a girl who elopes with a man wishes later that she had just let her imagination run away with her.

WITH POSTS BOY Scout fund drive to be included this year in the Community Chest program, the usual money-raising campaign won't be held, but the following story fits in well, just the same. Think of it when you are asked to make your Community Chest contribution.

A very prominent citizen called on the Boy Scout executive of one of our large cities some time ago. An experience the night before had shaken him, and he wanted to do something about it.

It seems that this busy attorney had had a very hard day. On the way home he had said to himself that night he wasn't going out—wouldn't even answer the phone.

So he put on his lounging clothes after dinner and settled down with his pipe and evening paper.

His son, just turned 11, was sprawled out on the floor, reading a book.

The attorney was no sooner settled than the phone rang. Remembering what he had said to himself earlier, he told his son to answer the phone; and if anyone was calling for him, to tell them he wasn't home that evening.

The phone continued to ring. Without looking up from his paper, he again told his son to answer the phone. When it still rang, he looked up in annoyance, ready to tell his son to obey orders, and noticed that the boy was looking at him with troubled eyes.

"I can't do that, Dad," he said. "I've just joined the Scouts and the law says I've got to be trustworthy and I can't tell them you're not here when you are."

The attorney realized his mistake immediately, went to the phone. When he came back he apologized to his son, and then asked to hear more about the Scout program.

He told the Scout executive that he hadn't slept that night, thinking about the fact that while he was so busy trying to be a success and a leader in his community, he was not only neglecting his son but worse.

"I was trying to make a first class bar out of my boy while your movement was trying to make a first class Scout and a good citizen out of him. I've learned a lesson and I want to help. Do you have a job for me in Scouting?"

Just another of the many examples of the fact that the Scout oath and law are good guides for men as well as for boys. And that every man who guides boys has a tremendous responsibility.

It's nice to see people get along, and the sooner some of them get along, the better.

A MODERN BUSINESS firm had just hired a psychologist as personnel manager. The psychologist began by hiring a new secretary for the head of the firm, and the boss was looking on while the expert gave a psychological quiz to three feminine applicants.

"Two and two," said the psychologist.

"Four," replied the girl promptly.

To the same key words, the second girl said, "It might be 22."

The third girl answered, "It might be four and it might be 22."

After the last girl had left, the psychologist turned to the boss. "There," he said, "you have the perfect example of the efficient psychological way of hiring people. The first girl said the obvious thing. The second was suspicious. The third was cagey and wasn't going to get caught. Which do you prefer?"

The boss did not hesitate. "I'll take the blonde with the blue eyes."

HUMBLE BITS

Folks: If you are with insomnia, sleep on the edge of the bed. We're sure you'll be all right.

Another remedy is to drink wine at regular intervals. This won't cure the insomnia, but you won't mind being awake.

If you are curious to know how you look when you're standing in front of a mirror with your eyes closed.

If you can't sleep, look at the wine when it is busy and drink it.

"Don't Hide Traffic Safety Behind Mask On Hallowe'en," Texans Urged

"Don't hide traffic safety behind a mask on Hallowe'en!" R. B. Rooper of Houston, president of the Texas Safety Association, and chief safety engineer for the Humble Oil and Refining Company, today gave this warning to Texans who are preparing to observe the special night with traditional celebrations.

"I mean this advice both literally and figuratively," he said. "Of course, safety always should be of primary concern to both motorists and pedestrians, and never should be out of view."

"But Hallowe'en brings an even more immediate, practical application to this advice," Rooper pointed out, "because at this time so many people, especially children, will be wearing fancy dress costumes and masks."

"These masks can cause a lot of trouble if they cut down the wearer's vision," he said. "The masks usually are worn after dark, which is the most dangerous time of day, traffic-wise, when both drivers and walkers sometimes have trouble trying to see adequately and keep safe. Masks can make the situation even more dangerous."

"Also," he said, "costumes worn by pedestrian Hallowe'eners sometimes are dark in color and difficult for motorists to see. Parents should see to it that their children wear white or light-colored costumes, or that some reflectorized material is used at least for the trimmings," Rooper said. "This precaution, in addition to making sure that masks fit properly and allow normal vision, will do a lot to keep children safe in traffic on Hallowe'en."

"The same safeguards should be observed by adults, too, of course," he added.

"And everyone should be made aware of the extra caution required in traffic at a holiday time," he said.

"The best safety plan for Hallowe'en night," Mr. Rooper said, "is to have home or community parties for children—and for adults."

He called attention to the night traffic hazards program being sponsored in Texas this month by the Texas Safety Association, the Texas Department of Public Safety and the National Safety Council.

"Every day of the month, every month of the year, darkness means danger in traffic," he said. "And Hallowe'en night, when celebrations are apt to step up the pace for both drivers and walkers, the slogan of this traffic safety program is particularly applicable."

"Cut Your Speed after Dark!"

Rites Held Monday For Holder Infant

Funeral services for Lester Charles Holder, infant son of Mr. and Mrs. John Holder, were conducted Monday afternoon in the Pleasant Home Baptist Church here, with the Rev. Lindsey of Clovis, N. M., officiating. Burial was in Terrace Cemetery under direction of Hudman Funeral Home.

The baby died Sunday, five hours after it was born. The father is stationed overseas with the Army.

LIONS SUPPORT GIRL SCOUTS—Lions Clubs are the sponsors of more than 650 Girl Scout troops in the United States. The Boys and Girls Committees of the Lions Clubs last year completed more than 24,000 individual community projects to help the youth of their respective communities. Of these activities a large percentage was in direct support of Scouting programs. The Lions now sponsor more Girl Scout troops than any other men's organization in the world.

VA Questions And Answers

Q. I am a Korean veteran studying dentistry under the Korean GI Bill. Would it be possible for me to take my internship in dentistry, also under the Korean GI Bill?

A. It would be possible, provided the internship does not exceed one year, and provided it is an integral part of an approved course fulfilling the educational requirements for certification by a Dental Specialty Board.

Q. I have been granted a waiver of premiums on my term National Service Life Insurance policy because of total disability. Could I convert my term insurance to a permanent plan while the waiver is in effect?

A. Yes. However, you would not be permitted to convert to an endowment plan while you are totally disabled.

Q. I am a Korean veteran with a service-connected disability rated at zero percent. Am I eligible for the permanent GI insurance available to disabled Korean veterans. Or must I have a disability rated at 10 per cent or more?

A. You may be eligible for the permanent Korean GI insurance, even though your service-connected disability is rated at zero per cent.

Q. I am planning to go to school under the Korean GI Bill, and I want to list my mother and father as dependents for GI allowance purposes. Their only income is a disability compensation check my father, a World War I veteran, receives each month. Other than that, I have been supporting them. Would those compensation payments bar me from declaring them as dependents?

A. No. VA compensation payments may be disregarded in determining dependency of your mother and father. So long as they do not have any other income sufficient to provide reasonable maintenance, you would be permitted to count them as your dependents.

Motor Trend magazine shows Mercury is

LOWEST COST CAR IN ITS CLASS TO OWN

13-car test by leading automotive magazine covers all costs of owning and operating a car—shows Mercury has lowest cost per mile in its class!

What does it really cost to own and operate various 1954 cars? Motor Trend magazine decided to find out—in probably the most detailed study of the car cost ever made. All the costs that go into car ownership were covered, including depreciation. Thirteen cars in all price classes were compared on a 10,000-mile basis. It was a survey

that duplicated "an average experience of a car owner in the first year's operation and ownership of a car." The results: Mercury beat all cars tested in its class for low ownership cost per mile—beat all cars in the test in every class except for one in the so-called "low-price" field. And, remember, for all its economy, Mercury has a new 161-hp V-8 engine. You enjoy the easy handling of the only ball-joint suspension in its field. And you get a car that holds the "class championship" for resale value. Best of all, you couldn't pick a better time to buy a Mercury. We are now offering special year-end deals that top any we have ever made. Come in and see!

Savings Bond Goal Short By \$42,500

T. R. Greenfield, Garza County Savings Bonds chairman, attended a 10-county district meeting at Lubbock last Saturday at which plans for local community activities were made to step-up purchases of U. S. Savings Bonds the remainder of the year to reach Garza County's quota. Additional purchases of \$42,500 in the county are needed to make the 1954 goal of \$147,000.
County Savings Bonds chairman, civic and agricultural leaders, bank officials, newspaper editors and others from the 10-counties took part in the meeting which was arranged by D. M. Wiggins, vice-president of the Citizens National Bank of Lubbock, the District Savings Bonds chairman.
"Buying Savings Bonds is important to every person and each community," County Chairman Greenfield said. "This is one of the best and easiest ways to save and to build personal, business and community reserves. The bonds serve as a wonderful 'cushion' for persons holding them and also for the economic good of our community. Good business as well as patriotism calls for our full support of the program."
"In Savings Bonds your money is absolutely safe and always readily available in case of emergency or for some planned project. New features of both the Series E and H Bonds, such as the increased interest rate of three per cent compounded semi-annually, make them more attractive than ever."
"We trust that Garza County citizens will cooperate and buy more bonds during the remainder of this year to help reach the county goal," he emphasized.

Pancake Supper Workers Named

Committees for a pancake supper to be held here Nov. 23 for the benefit of the Post Lions Club's child welfare program were appointed at Tuesday night's meeting of the club.
Named to the foods committee were L. A. Presson, E. E. Pierce, Charles R. Gates and Paul Jones; advertising, Joe J. DeArmon and Victor Hudman; cooking, Will Scarborough; kitchen, Ralph Welch; tickets and proceeds, Noah Stone; tables and griddles, John Perry and Oscar O'Neal; city schools visitation, DeArmon and Hudman, and rural schools visitation, Dean A. Robinson.
Lions have announced that their child welfare program is for children in the rural schools as well as the city schools, and that both groups will be called upon to assist in ticket sales for the pancake supper.
The supper, which is to be held in the school cafeteria, will feature Aunt Jemima in person.
Walter Johnson was in charge of Tuesday night's program, which featured Mrs. J. A. Stallings and three of her voice pupils, Jimmy Short, Glenda Askins and Sherry Custer.
H. W. Schmidt, vice-president, presided in the absence of President Jess Rogers, who, with Secretary Weaver Moreman, was attending a Lions zone meeting at Slaton.

State Fair Of Texas Sets New Records

The State Fair of Texas closed its amazing 1954 exposition by setting a new national record for annual fairs. Attendance for the 16 days totaled 2,506,463, which was 223,751 more than last year. The total shattered the previous national record of 2,387,140 which the fair established in 1952.
The record was set despite two rainy days near the end of the fair. The exposition closed, however, under clear skies with 190,396 on hand for the last day, biggest closing day of the fair's history. An estimated 20,000 people attended the Cotton Bowl Religious Festival on the final Sunday.

'Phone Rate Boost Issue Is Up Again

Further discussions of General Telephone Company's rate increase request is on the agenda for a regular meeting of the City Commission tonight.
It will be the first hearing since Sept. 2 when the discussion ended after representatives of the telephone company declined to give certain information until such a time as the company's attorney could be present.
The telephone company has set the following as the required rates:
Business — One-party, \$11.50; two-party, \$16; extension, \$1.50.
Residence — One-party, \$3.75; two-party, \$4.75; extension, 75 cents.
The present rates are:
Business — One-party, \$7.75; two-party, \$6.25; extension, \$1.50.
Residence — One-party, \$4.50; two-party, \$3.75; extension, 75 cents.

School Will Soon Participate In New Milk Program

The Post School, through its non-profit program, will begin participating soon in a special milk program now being established under provisions of the Agricultural Act of 1954, to increase the consumption of milk by children of high school age and under.

The Post lunchroom now serves a half-pint of milk free with each lunch, under the terms of the National School Lunch Program. The new program is separate but will be based on cash reimbursements in the cost of additional milk served in the school and will be administered similarly to the National Program.

As planned for the Post Schools, a student eating in the lunchroom will continue to receive his first half-pint of milk free, then he may drink as many additional half-pints as he wishes at two cents each, with no limit on quantity. Tentative plans are that all students will have a time open to visit the lunchroom in the morning and evening to buy milk.

The school will be reimbursed at four cents for each half-pint of milk by the Texas Education Agency, which is administering the program for Commodity Credit Corporation. The act provides funds not to exceed \$50 million annually.

Milk for the local schools is purchased from the Bell Co. in Lubbock, through Caprock Dairy of Post. A new refrigerated unit, secured at no cost to the school, is conveniently located in the dining room to store the milk. The school administration and lunchroom officials urge the support of parents in encouraging their children to drink more milk. They also wish to thank the children, teachers and parents for the past support that has resulted in a large increase in the lunchroom program. This increase has provided improved menus and better equipment.

The Rev. Roy Shahan, First Baptist pastor, reports: "We wish to express our appreciation for the cooperation of workers in the religious census. Also for those in the homes who were so cooperative in giving the desired information. We are trying to minister to the people of Post and surrounding communities in a spiritual way and your cooperation is encouraging. The pastor will speak Sunday morning on 'A Dying Christian's Testimony' (Heb. 9:27; 2 Tim. 4:6-8) and at the evening service the theme will be 'A Character Study of Caleb' (Joshua 14:12). Sunday will also be young people's night in the service."

Members of the junior department at Calvary Baptist Church enjoyed a Halloween party Tuesday night at the church. Mrs. Pat Henderson and Mrs. Albert Caylor were hostesses. After a series of games and dunking for apples, refreshments of sandwiches and punch were served to 23.

The Rev. Charles Gates attended a ministers meeting at Idalou Tuesday afternoon. Pastors from the Lubbock District were present. Plans were made for a program on Nov. 14. At that time all Methodist Churches in the United States will be asked to take an offering for Korea to help rebuild 17 churches that were destroyed in the war.

Week of Prayer will be observed at the First Methodist Church tomorrow. The program will begin at 10:30 a. m. with covered dish luncheon at noon and will be closed with communion served by the pastor, Rev. Gates. Mrs. J. E. Parker is program leader and she will be assisted by Mrs. Warren Yancey, Mrs. Carl Webb, Miss Maxine Durrett, Mrs. Minnie Graeber, Mrs. Pat Walker, Mrs. J. R. Durrett, Mrs. Bill Edwards and Mrs. Ellis Mills.

The unit will meet Nov. 8 in the home of Mrs. Wagoner Johnson.

Brownie Troop 5 Makes Favors For Hospital Trays

At yesterday afternoon's meeting of Brownie Troop Five, members made black and orange baskets and filled them with homemade candy for Halloween favors to be used on Garza Memorial Hospital food trays.

The group presented Mrs. S. T. Bright, their adopted grandmother, with a corsage on her birthday, Tuesday.

At a recent meeting Glenda Hutto was elected president; Ann Pennington, secretary; Mary Williams, treasurer, and Pam McCrary, song leader. Mrs. I. N. McCrary, newly elected organization chairman of the Post Girl Scouts, presented the program. She spoke on "Being a Good Girl Scout and Getting Along with Others." She emphasized the importance of observing Girl Scout Ethics every day as well as on meeting days.

Pam McCrary served as hostess for the meeting. Other members present were Janie Carradine, Alyn Cox, Jan Herring, Gwen Humble, Glenda Hutto, Marianne Jones, Janice Moreman, Ann Pennington, Janith Short, Charlene Smiley, Linda Ward, Mary Williams and the leaders, Mrs. Clint Herring and Mrs. Robert Cox.

Mr. And Mrs. G. E. McPherson To Observe 50th Anniversary

Mr. and Mrs. George E. McPherson, Box 191, Canutillo, Tex., parents of Mrs. Earle Thaxton, will observe their golden wedding anniversary Nov. 4. The couple was married at Hamilton, Nov. 4, 1904, at the home of the bride's sister, Mrs. McPherson is the former Miss Alice Tucker.

Their first home was on McPherson's father's ranch, where the townsite of Gomez now stands. The McPhersons moved from the ranch into Brownfield, where he served as a deputy sheriff for several years before going into road construction work. They came to Post to live in 1924, later moving to Quitaque, Floydada, Lubbock and other West Texas towns where he worked with the Texas Highway Department, of which he has been an employee more than 30 years. They returned to Post and resided here until 10 years ago when they moved to their present home in El Paso County.

Mrs. Thaxton is the McPherson's only child. She and Mr. Thaxton plan to go to Canutillo for the 50th anniversary.

Girl Scout Troop One Meets Monday At Hut

Girl Scout Troop One met Monday evening at the scout hut and their study for the evening was business. How to deposit money and the proper ways to write and cash checks were discussed. Miss Wilma Pirtle, teller at the First National Bank, spoke to the group.

Cold drinks and cookies were served to the guest, troop members and leaders by Mrs. James Dietrich.

'All New' 1955 Pontiacs Go On Display Friday At Dowe H. Mayfield Co., Inc.

Two models, one of the Star Chief series and one of the Chieftain series, of the "all new" 1955 Pontiac will be on display here Friday and Saturday at Dowe H. Mayfield Co., Inc., 205 West Main.

These two series, the luxurious Star Chief and the sleek, economical Chieftain, feature all new bodies and the new Strato-Streak 180-horsepower V-8 engine for 1955.

Lower in overall height by almost three inches, the Star Chief and Chieftain have a low-road-hugging appearance. The rakish silhouette of the 1955 Pontiac results from the lower center of gravity designed into the car to safely utilize the full power of the new Strato-Streak V-8 engine.

The new panoramic windshield gives the driver almost a 180 degree sweep of uninterrupted vision. A 3.7 inch lower hood line is another safety feature immediately apparent in the design of 1955 Pontiac bodies.

The "Vogue" color lines available on the two-toned Star Chief and Chieftain models add to the fleet look of the 1955 Pontiacs. The upper color extends below the windows, breaking at the middle of lower body panel and sweeps back across the doors and fenders to the rear deck.

The new contours of the 1955 Pontiacs meet the eye from every angle. In front, the massive bumper arrangement comprises three parts; a wrap-around impact bar to protect each front fender and a lower bumper between them to protect the grille. The radiator grille has the modern appearance of an air scoop. Modern air crescents are located above the headlights.

Starting where the hood meets the radiator grille and sweeping back to the windshield are Pontiac's famous twin silver streaks. The twin streaks, inspired by the advanced styling of the Pontiac experimental cars, the Parisienne and the Bonneville Special, are separated by a futuristic flying wing hood ornament.

With the panoramic windshield and larger glass area of windows, the passenger compartment is surrounded by 26% more

glass. The new wrap-around windshield alone contains 14% more forward vision for the driver.

A new ventilating system, with air intake across the cowl and at the base of the windshield, insures a constant supply of fume and dust free air to the passengers.

New chrome moldings and door-handle styling add to the streamlined look of the body. A dip in the body line at the rear window increases the glass area and augments the "sports car" look of the two and four-door sedans, the convertible and Catalina coupe.

At the rear of the new models the trunk lid is an unbroken line with the twin streaks on the top and back surface of each rear fender fin, adding smartness to the back of the car. Massive jet-like tail lamps terminate the rear fender line.

Sleek, high deck contours are refined by a rich but simple wing-and-circle deck emblem.

The rear bumper has three pieces; two massive impact bars that protect each rear fender and tail light and a center bar that protects the rear deck and holds the license plate.

The Star Chief series, Pontiac's bid for luxury minded customers, is 210.2 inches in overall length on a 124 inch wheelbase. The Custom Star Chief model is available in four-door sedan and Catalina. The Deluxe Star Chief is produced in four-door sedan and convertible.

The Chieftain series, with 122 inch wheelbase and 203.2 inches overall length, is available in 870 and 860 models. The Chieftain 870 body styles include the Catalina Coupe, two and four-door sedans, and four-door station wagons. The Chieftain 860 comes in two and four-door sedans and two and four-door station wagons.

A complete new line of modern colors with color keyed interiors bring new glamour and distinction to the 1955 Pontiac. Firegold, White Mist and Turquoise are available on the Custom models. In the complete line 28 color combinations are available.

Inside the 1955 Pontiacs additional hip and shoulder room have been provided in all models and rear seat head-room is increased in the sedan models. More rear seat leg-room is provided in the convertible and the three-seat station wagon. The front seats of all 1955 models are a full three inches wider.

An outstanding feature of the beautiful Pontiac interiors is the safety-styled instrument panel. Scientific lighting, strategic placement and aircraft design of the instruments and control knobs, add to driving safety.

Upholstery of nylon, leather, wool and Morrokide complete the sumptuous interiors of the 1955 Pontiacs.

Tower Sets Midnight Hallowe'en Show

A Hallowe'en midnight show is to be held Saturday at the Tower Theater, John N. Hopkins, manager, announces.

"Make plans now to attend our Hallowe'en show and bring your party to our party," Hopkins said.

There will be hats, balloons and noise makers for all who attend.

The screen attraction will be "Bela Lugosi Meets the Brooklyn Gorilla."

Mrs. Dwight D. Eisenhower is the 2,180th member of The Daughters of the American Revolution.

STAR CHIEF CUSTOM CATALINA—"Vogue" two-toning and new panoramic body styling enhance the long sleek look of the all new 1955 Pontiac Star Chief Custom Catalina. Powered with Pontiac's new 180-h. p. Strato-Streak V-8 overhead valve engine, the very popular Catalina is offered in Star Chief Custom and Chieftain 870 models.

Post Dispatch One Of Co-Sponsors Of South Plains Maid Of Cotton Contest

The Post Dispatch will be one of the co-sponsors of this year's South Plains Maid of Cotton Contest to be held in Lubbock on Nov. 22, it was announced today.

Any girl from Post or Garza County who is between the ages of 19 and 25 inclusive, at least 5 feet inches tall, born in a cotton producing state and who rises with it a chance to compete for the coveted title which carries with it a chance to complete in the national finals in Memphis, Tenn., early next year. The South Plains Maid will also receive an all-cotton wardrobe and have all expenses paid for her and a chaperone of her choice to the Memphis pageant.

This is not a "beauty contest" in the ordinary sense of the word since judging is based on intelligence, personality and poise, as well as appearance.

The South Plains Maid will be the official ambassador of the area's cotton industry and will have the opportunity to tell the story of South Plains cotton to persons from throughout the nation who will be on hand for the Memphis finals.

The winner of the national contest will receive a six-month's world tour, many beautiful cloths, a new convertible and hundreds of other prizes. She will visit 30 cities in the United States, major centers of Europe and several cities in Canada before her tour ends next July.

But the first step toward this fabulous goal is to contact the

Dispatch where entry blanks and further information about the South Plains contest are available.

This year's pageant will be held before several thousand persons in Lubbock's new Fair Park Coliseum. Last year's program attracted 21 contestants who appeared before an audience of more than 1,600. Contest officials are expecting this year's program to attract even more contestants and a much larger crowd.

All entries must be received by Nov. 15.

So come in the Dispatch office today and pick up an entry blank. This might well be the first step toward an exciting world-wide tour.

Southland Student Attending McMurry

ABILENE (Sp.)—Ross Dunn, son of Mr. and Mrs. D. I. Dunn, has enrolled in McMurry College for the fall semester, according to Jerome Vannoy, registrar.

Dunn is a 1954 graduate of Southland High School. He was on the annual staff and took part in football, basketball, and the senior play. He was also salutatorian, class secretary, and a class favorite. At McMurry he plays tennis and sings in Chanters.

The McMurry registrar reported that more than 615 students registered for the fall semester, representing a sizeable increase over last year's enrollment. Forty-two students are studying toward the master's degree, Vannoy said.

- arly outstanding:
1. First automobiles in the low-price field to reflect the "dream car" influence of the General Motors Motoramas.
 2. First V-8 engine offered on a Chevrolet in 35 years.
 3. Higher horsepower ratings and new quietness and smoothness in two "Blue Flame" six-cylinders.
 4. Integrated body and frame design.
 5. Front and rear suspensions revamped.
 6. Increased safety through greater visibility.
 7. Optional overdrive.
 8. More electrical power.
 9. "Dry Air" ventilation.
 10. Tubeless tires for increased safety.
 11. Smoother power application.
 12. Easier steering.

Most distinguished mark of the new Chevrolet bodies is their low-slung silhouette and vertical windshield pillars. Broad, flat hood and trunk lids are approximately three and one-half inches longer than last year, while the high, straight crown of the fenders enhances an impression of fleetness and agility. The design gives the cars the appearance of much greater length although wheelbases remain unchanged.

Even more appealing colors than the brilliant array of 1954 are available. Of 14 solid color options, ten are new. All 21 of the two-tone paint combinations are new except one.

A result of years of research and hundreds of thousands of miles of severe testing, the value-in-head V-8 carries a compression ratio of 8 to 1 and a displacement of 265 cubic inches. The engine is exceedingly compact with a bore of 3.75 and a stroke of three inches.

An intriguing "first" for drivers seeking high performance is a "power package" which can be purchased on V-8 models. This includes a four-barrel carburetor and dual exhaust systems for a consequential horsepower rating of 180.

Election Called To Fill Sadler's Post

AUSTIN—A special election is planned by Gov. Allan Shivers early in December to fill the 24th State Senatorial District vacancy created by the death of Harley Sadler of Abilene.

Shivers said he would set the exact date later. He said that under the election code he could not call a special election prior to the general election.

The vacancy will actually not exist until after the general election. Shivers must give 30 days notice of the special election date. Such elections are sudden death affairs with no run-off. The top man wins.

The 24th District includes Garza, Borden, Dickens, Fisher, Howard, Jones, Kent, Mitchell, Nolan, Scurry, Shackelford, Stonewall and Taylor counties.

The first Oxford and Cambridge boatrace was held at Henley in 1829.

V-8 POWER, RE-STYLING MARK CHEVROLETS—A styling advance from any point of view is claimed by the company for 1955 Chevrolets. The latest lineup of 14 models has been completely re-styled and in addition incorporates the widest array of chassis improvements ever offered by Chevrolets on a new model.

Lower, fleetier lines are accompanied by new frames, new suspensions, new operating devices and new power. With the optional Powerglide or overdrive and new V-8 engine plus two six-cylinder engines, a customer has a choice of six "power packages." The Bel Air 4-door sedan is pictured above.

'Rogue Cop' To Show At Tower

Robert Taylor, Janet Leigh, George Raft, Steve Forrest and Anne Francis head the stellar cast of "Rogue Cop," showing Sunday and Monday at the Tower Theater as an excitement-pitched drama of the underworld and of a police detective who tries to play both sides of the fence and becomes the butt of a crime syndicate.

For Taylor, the new M-G-M offering marks a departure from such of his recent costume pictures as "Knights of the Round Table" and "Ivanhoe," and a return to the tough-guy type of characterization of "Johnny Eager," one of his greatest hits. He plays the detective who finds that easy money means anything but an easy life.

Janet Leigh also returns to a modern role, after costume appearances in "Prince Valiant" and "The Black Shield of Falworth." She is cast as a night club singer trying to hide the unsavory reputation of her past.

You can choose from two new sixes, too!

Chevrolet also offers the last word in six-cylinder performance and economy! There's a new "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with either standard transmission or Overdrive.

Can't you tell just by looking that Chevrolet and General Motors have come up with a completely new idea about the low-priced car? The idea is this: to build a car that offers the very newest thing in styling, the most modern features, the finest kind of performance and the highest quality of manufacture—all at a modest price. It's something that took a lot of doing and that only the world's leading car builders could do. Everything's new in this Motoramic Chevrolet from its lower top right down to its tubeless tires. Post Man Elected College Trustee

James Minor of Post was elected a trustee of Howard Payne College in Brownwood during the annual meeting of the Baptist General Convention of Texas held last week in Fort Worth.

Dr. J. Ralph Grant, pastor of Lubbock's First Baptist Church, was elected president of the convention at its closing session Thursday. The Baptists also named Dr. Robert E. Naylor, pastor of the Travis Avenue Baptist church, Fort Worth, as first vice-president and Rev. Carroll Ray, pastor of the Central Baptist Church Pampa, as second vice-president.

The convention picked Dr. W. Herschel Ford of El Paso to preach the annual sermon at next year's convention, to be held in Houston Oct. 25-27. The alternate is W. L. Shuttlesworth, pastor of the Calvary Baptist Church, Tyler. Joe Trussell of Houston will be music director. Corpus Christi was chosen as the 1956 convention city.

An average of 7,800 Baptists each day heard their elected officials report on the year's work and plans for the future. Tuesday's session emphasized the work of the seven Baptist hospitals in the state; Wednesday was devoted to Baptist educational activities, and Thursday's closing sessions spotlighted children's homes and world missions.

Directory Workers To Meet Monday

Revisions and additions to listings for the Post Lions Club's new city directory will be made at a meeting at the home of Victor Hudman, directory chairman, at 7 o'clock Monday night.

Residents whose home addresses have been changed since the first listings were made several weeks ago are urged to notify the chairman or other members of the Lions Club prior to or during Monday night's meeting.

Newcomers to the city who were not here when the first listings were compiled will be included in the new directory if they will turn in the necessary information.

QUARTERBACK CLUB
About 18 members attended Monday night's Quarterback Club meeting. Charles R. Gates, president, said. Pictures of last year's Southwest Conference football games were shown.

Taking Applications For Office Manager

Applications for the position of office manager will be accepted by the Garza County Agricultural Stabilization and Conservation Service through Friday, Nov. 5, the committee announced today.

The position is to become vacant with the resignation Oct. 31 of Mike E. Custer.

Mrs. Inez Hartel, chief clerk at the ASC office, will serve as temporary and acting office manager until Custer's replacement is named.

Apple Crumb Pie

Mix in a 2 quart bowl the sugar, starch, salt and cinnamon. Stir in a mixture of milk and lemon juice. Fold in apples. Pour into a 9-inch pie pan lined with unbaked pastry made with pie crust mix. Bake on center rack of 375 oven (high moderate) for 30 minutes. While pie bakes, put brown sugar, flour and butter into a small bowl. Blend with fork or pastry blender until mixture has the appearance of fine crumbs. At end of 30-minute baking period, sprinkle brown sugar mixture on top of pie. Bake pie 20 minutes longer, or until crumb topping is brown.

Antelopes Go To Slaton for Match With Old Rivals

Beat Tahoka Penetrations

Antelopes over Tahoka by a 4-2 margin in a 13-13 tie game here Friday night. The Antelopes' journey to Slaton for their second game of the season was a real test. The kick-off is scheduled for 8 o'clock. Post eleven will be met by the Slaton team, who are upset to see the Antelopes in a coming game. In addition to the local fans, many school boys and pep girls will attend the game. The Antelopes are early favorites to win the 5-AA championship. They have lived up to expectations, and have been steadily improving for several weeks. They defeated Amberst, 20-13, and Cosahoma, 14-13. Two wins followed, one to Slaton, 18-13, and the other to Tahoka, 19-13. The following weekend, the Tigers surprised the "experts" by downing the Antelopes, 12-6. Last Friday night, the Antelopes won the margin of first downs, 13-10, being even.

Quarterback Ronald Smith and Halfback Waymon Muse carry most of the offensive load for the Tigers, who have 13 lettersmen—ten of them regulars—back from the 1953 season. The Antelopes upset the Slaton team by outplaying the Tahoka eleven before a Homecoming crowd. A play-by-play account of the game follows:

First Quarter

Post kicks. Williams taking the ball on his 10 and getting back to the 27, where Mack Terry makes the tackle.

TAHOKA—Franklin gets 2 yards at the line, Ronnie Kennedy making the stop. Smith carries for 10 yards and a first down on the Tahoka 39. Don Gates tackling. Novis Pennell and Ted Tatum stop line play after 3-yard gain, and Junior Smith hauls in Williams after he gets loose to the Post 30 for

a first down. Melton takes hand-off and hurtles through the line for 20 yards. Pennell making the tackle. Kennedy stops Franklin after a 4-yard gain, and Dickey Beggs hauls in Williams on the 3. Darrel Norman and Homer Cato bring down Melton on the 1. But on the next play he goes over for a touchdown. Melton's kick is blocked and the Bulldogs lead, 6-0.

Post receives, Tommy Murray taking the kick on his 5 and getting back to the 30.

POST—Melton bats down a Murray-to-Gates pass and the Antelopes draw a 1-yard penalty. Norman picks up 2, and a pass is incomplete. Gates gets only a yard at the line, and Murray's short kick goes to the Post 47. Tatum and Terry stopping receiver after one-yard return.

TAHOKA—The center of the Antelope line stops plunge after 2 yards picked up. Smith is thrown for a 2-yard loss, and Melton gets 4 at the right side, but the play is nullified, with the Bulldogs drawing a 5-yard penalty. Smith fakes handoff and runs back to pass, but slips and falls on his 42 for a 7-yard loss. The ensuing punt is taken by Norman on his 20 and he returns 17 to the 37.

POST—Gates breaks through the line for 8 yards, and Murray adds 9 on a keeper for a first down on the Bulldog 46. Murray

recovers for the Antelopes on the Tahoka 36.

POST—Norman loses 2 yards after taking handoff, but on next play breaks loose to 20, laterally to Kennedy, who is stopped on 18. Murray loses one on a keeper, and Gates spins through for 9 yards. Gates carries again for 2 yards and a first down on the 7. Raymond Gary gets 2 yards at the right side of the line, then dashes through the other side for a touchdown. Norman's kick is wide of the uprights and the score is 13-13.

Post kicks off and Gates makes nice tackle to stop receiver on Tahoka 15. TAHOKA—Melton gets 3 yards and Williams 3 more. Tatum tackling. Beggs and Smith stop runner after another 3-yard pickup, but Tahoka draws 15-yard penalty for illegal use of hands. Beggs and Bowen Stephens stack line play after 3-yard gain, and Gates returns punt from his 45 to the Tahoka 42.

POST—Murray gets 5 on a quarterback sneak and Gates goes for 2 more. In two line smashes, Kennedy makes 5 yards and a first down on the Tahoka 30. Gates gets 2 yards and Murray laterals to Norman for a 15-gain to the Tahoka 13. Gates recovers Murray's fumble on the 14 as the quarter ends.

Fourth Quarter POST—Murray gets 3 on a keeper, and Kennedy adds another yard. With Moody Graham holding, Murray attempts a field goal, but his try is blocked, and Tahoka takes the ball on the 15. TAHOKA—Three line smashes gain 9 yards and a right end run makes it a first down on the 27. Another end runs goes for 15 yards and a first down on the 42. Gates tackling. Tatum throws runner for 2-yard loss, and on next play Davis recovers Tahoka fumble on their 39.

POST—Murray fumbles, recovering for one-yard loss. Gates fumbles on end run, retrieving ball on bounce for one-yard pickup. Antelopes are penalized 5 for delay of game. Murray races back to pass and is thrown on Post 44 for 11-yard loss. Murray's punt is partially blocked and is covered by Bulldogs on Post 46.

TAHOKA—Smith gets runner after 2-yard gain, but Tahoka quarterback Smith goes around end for 19, tackled by Tatum. Meeks stacks line play after yard gain, and Smith, badly rushed, passes incomplete. Smith fumbles, Cato recovering for Post on their 29.

POST—Norman gets one at the line, and Murray recovers own fumble for no gain. Murray carries for 15 on keeper to Post 45 as officials signal four minutes to go. Kennedy gets 2 at the line, and Murray picks up only one on quarterback sneak, but Tahoka is penalized 5 for being offside. Kennedy drives for 3 to the 45, where it's a first down. Norman breaks through for 6, but Kennedy loses 2 at the line. Norman gains them back, but Gary fails to gain and Tahoka takes ball on downs on their 39.

TAHOKA—A pass is too long, but another is completed for a 7-yard gain. Cato tackling. Two passes are no good, and ball goes to Post on downs on Tahoka 46.

POST—Norman gains a yard at the line as the game ends.

The palace of King Minos in ancient Crete was as large as Buckingham Palace in London.

fumbles, Ware recovering for Tahoka on their 45.

TAHOKA—Andy Schmidt stops Williams after 2-yard pickup, and Melton gets 3 at the line. Pennell making the stop. Smith fakes a handoff, breaks through the right side of the Antelope line and goes 50 yards for a touchdown. Melton's kick is good and Tahoka holds a 13-0 lead.

Terry takes short kickoff on his 35 and gets back 9 yards to the 44.

POST—Norman picks up 2 yards, and Murray goes for 4 more on a keeper. Murray goes to the Tahoka 47 on a keeper and it's inches short of a first down. Murray keeps again, adding 3 yards and a first down on the Tahoka 44. Norman makes 12 yards with a handoff, but the play is called back and Post draws a 5-yard offside penalty. Norman makes 5 yards as the quarter ends.

Second Quarter POST—Murray fumbles, but Billy Meeks recovers for the Antelopes on the Tahoka 39. Murray fakes a handoff and plows to the 32 for a first down. Murray recovers his own fumble for no gain, and does the same thing on the next play, this time for a 2-yard loss. The play is nullified, with Post drawing a 5-yard penalty. Gates takes Murray's perfect pass on the Tahoka 9 and goes for touchdown. Norman's kick splits the uprights and the score is 13-7, Tahoka.

Norman's kickoff goes to the Tahoka 10 after receiver fumbles, but the play is called back and Post is penalized 5. This time, Norman's short kick is taken by Bell on the 30 and he returns 14 yards to the 44.

TAHOKA—Bulldogs draw 5-yard penalty for delay of game. A line play gains one, but Tahoka is penalized 15 yards for illegal use of hands. An end run following a lateral gains only a yard. Blair gets 4 at the line, but the Bulldogs are penalized 5 on the play. Bell takes Smith's pass on the Tahoka 35, Cato stopping the runner. A pitchout is fumbled and Leon Davis recovers for Antelopes on the Tahoka 34.

POST—Norman makes 3, but Murray's jump pass to Tatum is incomplete. Gates gains 9 yards to the Bulldog 22 for a first down. Murray adds 2 on a keeper, but Post is penalized 15 yards for illegal use of hands. Kennedy loses 2 on a handoff, and Norman gets only a yard. Murray's pass to Norman is no good and the Post quarterback kicks out of bounds on the Tahoka 7.

TAHOKA—Junior Smith stops Melton after 3-yard gain, and then breaks through to throw Smith for a 6-yard loss on an attempted pitchout. Gates takes punt on the Tahoka 45 and comes back 5 yards to the 40.

POST—Murray gets 4 yards on an end run, then 5 more on another keeper. Kennedy gets a yard and a first down on the 30. Norman gets 4 and Kennedy 4 more in two running plays. Murray quarterback sneaks for a first down on the 19. Gates gets a yard at center, but Murray's pass fails to connect. Two more passes are no good as the half ends.

Third Quarter Post receives, Norman being tackled on 25 after he and Murray can't seem to decide who should take it.

POST—Murray gets 2 yards at line, but Norman fails to gain on handoff. Gates fails to add yardage and Murray's booming punt is returned 3 yards by Franklin to the Tahoka 33.

TAHOKA—Smith stops carrier after 2-yard pickup, and Davis downs Melton after a 4-yard gain. Smith fumbles and Davis

Thanks A Million!

Having resigned as Office Manager of the Agricultural Stabilization and Conservation Service in Garza County, I wish to take this means to thank all who have assisted me in any way in carrying out the duties of the office.

I wish to thank all the farmers and ranchers, as well as the businessmen and all other citizens, since the ASC office is for the benefit of the entire county.

I also wish to thank those with whom I've worked during the time I have served as PMA and ASC office manager and during the years prior to that when I was connected with it in other capacities.

Single Tax Form Replacing 1040A

Wage earners getting less than \$5,000 a year may use a simple 15-line tax form for 1954—a possible step toward doing away with their filling of returns altogether.

T. Coleman Andrews, Internal Revenue Commissioner, in announcing the new card form, estimated that 35 million of the 60 million-plus United States tax payers will be eligible to use it. But he said many will choose the longer Form 1040 instead.

The 15-line form is a streamlined version of the old 1040A, and Andrews said it could be a preliminary to offering a no-return alternative for the under \$5,000 group. In that event, the revenue service would bill the tax payer on the basis of information supplied by his employer.

Andrews said the four other main types of individual returns have been redesigned to make them more attractive and easier to understand.

The forms will be mailed out starting Dec. 26. The new deadline for 1954 returns is next April 15, a month later than in previous years.

Oil Activity in County Includes Four Locations

Three completions and four locations have highlighted oil activity in Garza County during the past few days.

The completions are as follows:
Huntley-3400—Edwin L. Cox No. 4-S Huntley, 330 feet from south and 380 from east lines of H. G. Brandon Survey No. 4, flowed 71.82 barrels of 37.6-gravity oil plus 4.5 per cent water daily through 20/64-inch choke. Gas-oil ratio was 115-1. Perforations from 3,570-3,578 feet were acidized with 2,000 gallons.

P. H. D.—Lenonie Oil Co. No. 1 Altman, 330 feet from south and west lines of Section 1255, TTRB Survey, pumped 135 barrels of 37-gravity oil plus 10 per cent water daily. Gas-oil ratio was too small to measure. Open hole from 3,563-3,577 feet was acidized with 3,000 gallons.

Huntley-Glorieta — Continental Oil Co. No. 2 G. A. Shultz, 330 feet from north and 1,081 feet from west lines of Section 4, SF-1441, H. Brandon Survey, flowed 363 barrels of 35.9-gravity oil plus 0.8 per cent water daily through 48/64-inch choke. Gas-oil ratio was 255-1. Perforations from 3,926-4,027 feet were acidized with 500 gallons.

New And Used Furniture
209 East Broadway

Danger lurks in hidden places, all, maybe caught unawares, unless
use our God-given senses to avoid it. Customers may lose hard-earned
money if they are not careful in selecting their dealer. Speaking of danger
things to mind an incident in the life of our brother. One cold night he was
working the grave-yard shift southeast of Big Spring. A slow drizzle was fall-
ing and freezing as it fell. While he was righting a pulley, seventy feet up,
his foot slipped and while falling he caught on one of the cross-members sev-
eral feet down from the platform. From that day on we have remembered
some of the dangers in oil-field work.

May we invite you to visit us where danger has been eliminated as
much as possible. We will inform you of the defects as well as the merits of
our merchandise. Be sure we want you to be pleased, for if we please, we know
that you will come back to buy more another day.

We have some specials this week in a bedroom suite (New) \$87.50;
Period dining suite \$132.50; and many other items that will please you in
price
