Road Bond Vote Is Slated For Feb. 11

The Garza County commissioners' court has set Feb. 11 as the date of an election in Commissioner's Precinct 4 on a \$50,000 road bond issue.

The commissioners' court called the election Monday following a hearing on a petition signed by the required number of taxpayers in the precinct.

The proposed \$50,000 bond issue would be used for purchase of right-of-way for conversion of U. S. Highway 84 into a divided four-lane road through the precinct to the Scurry County line and for construction of a farm-to-market road. Both projects have been approved by the State Highway Department contingent upon the county furnishing right-of-way.

Levying of ad valorem taxes to pay interest on and provide a sinking fund for the bond issue will be voted on at the same time.

The election will be held at the schoolhouse in Justiceburg. Election officials will be W. F. McWhirt, presiding judge; Mrs. Pearl Nance, judge, and Mrs.

Crotser Revue Is Booked By Rotary

Theatre goers of Post have an unusual treat in store for them on Jan. 27 when the Crotser Revue comes to the high school auditorium.

Crotser's personal representative this week made a special trip to Post and personally made all arrangements with the Rotary Club, local sponsors of the Crotser Revue.

There will be two presentations—matinee and evening. The one-hour matinee will be for students, with an admission price of 25 cents being charged.

The evening show, beginning at 8 o'clock, will be two hours long, with admission prices being \$1 for adults and 50 cents for children.

Carl Cederholm, president of the Rotary Club, said, "Our club is more than delighted to have the opportunity to bring this stellar attraction to Post. This would not have been possible but that the Crotser Company is an transcontinental tour and fortunately a date was open so Post could be included on the itinerary."

FILLING IN SPOTS
County equipment and labor is being used this week to help the City haul caliche for filling in badly washed out places on streets in the south part of town.

Memorial Fund Set Up

Establishment of a Polly O'Neal Memorial Fund and appointment of chairmen in four communities highlighted this week's March of Dimes activities.

Mrs. J. L. Ballentine, women's chairman for the March of Dimes, said the memorial fund is being set up in memory of Polly O'Neal, daughter of Mr. and Mrs. Oscar O'Neal of Post.

Polly was stricken with polio Aug. 8, 1951, when she was three years old. At the time of her death in June, 1955, she had sufficiently recovered from the disease to have been able to complete her first two years of school here.

She had twice been a patient in Gonzales Warm Springs Foundation, once while in the post-acute stage of the disease and again after undergoing hip surgery in a Temple hospital. In 1954, she went to Hollywood to make a movie short with actress Greer Garson for use in the Foundation's motion picture theater fund campaign.

Mrs. Ballentine said that contributions to the Polly O'Neal fund will be turned over to the "Mothers' March on Polio," which is headed again this year by Mrs. L. H. Ingram.

Coin containers for the special fund will be in the First National Bank and Bob Collier Drug Store, Mrs. Ballentine said Tuesday. Contributions may also be mailed to Mrs. Ballentine, Box 1206, or Mrs. Ingram.

Appointed as community chairmen were Mrs. H. V. Wheeler, Southland; Mrs. Sid Cross, Justiceburg; Mrs. Bob Lusk, Graham, and Mrs. A. T. Nixon, Close City.

The March of Dimes, which began Jan. 3, is to continue through Jan. 31.

C. Of C. Sets Banquet Date For February

Tuesday, Feb. 7, was set as the date of the Post Chamber of Commerce's annual membership banquet at a meeting Tuesday of the organization's board of directors.

The banquet will be held at 7 p. m. in the school lunchroom. Powell Shytle, C. of C. president, appointed a program committee of R. J. Jennings, Bryan U. Williams and George Samson, and a ticket committee of Tom Power and John N. Hopkins. Reports from both committees will be heard at the directors' next meeting Jan. 24.

The program committee has been assigned the task of obtaining a speaker and arranging other entertainment for the annual affair. The ticket committee will be in charge of sale of tickets for members, their wives and other guests. Price of the tickets has been set at \$1.50.

New officers will take over at the banquet. They will have been elected earlier by the board of directors. Under way this week is mail balloting for four new directors, with Jan. 15 as the voting deadline. Mrs. Fritz Greenfield, secretary, said Wednesday that 40 of the 92 ballots mailed members already had been marked and returned.

City Abandoning Williams Lease

The City Council decided Monday night to abandon the five-section Bryan J. Williams lease for which \$12,000 was paid early last year in the City's search for an adequate water supply.

Mayor James Minor said several thousand dollars was spent in exploration and drilling on the lease and that while water was found in some of the holes the City did not deem it wise to depend further on it as a future water supply area.

The mayor said that after lengthy discussion the Council decided that the only thing to do at this time in connection with the threatened water shortage is to continue trying to find it near the present supply area.

As far as a long range plan is concerned, the mayor said that the City looks upon purchase of water from the Canadian River Authority beginning in 1960 as the most logical plan.

"However," he said, "we are not abandoning our plans for a possible private supply from construction of a dam southeast of Post. But at this time, the City is unable to finance such a project."

Meeting with the Council were four members of an ex-officio water board—Tom Boucher, George Samson, Dr. A. C. Surman and Irby G. Metcalf Jr.

The group heard a report of a recent meeting at which members of the municipal sales committee of the Canadian River Authority told the Council how Post could become a non-member water customer upon the project's completion.

Director Of Girlstown Addresses Rotarians

The accent's on youth this week and next at Post Rotary Club luncheons.

At Tuesday's luncheon, the Rotarians heard about Girlstown, U. S. A., from Miss Amelia Anthony, its founder and director. At next Tuesday's luncheon, they'll hear about Boy's Ranch from its founder and director, Cal Farley.

Shedd Baby's Rites Conducted Tuesday

Last rites for Delvin Clyde Shedd, infant son of Mr. and Mrs. Emmett Shedd, were conducted Tuesday afternoon at Mason Funeral Home chapel and at the graveside in Terrace Cemetery. The Rev. Shelby D. Bishop, pastor of the Calvary Baptist Church, officiated.

The baby was born at 3:05 p. m. Saturday in Garza Memorial Hospital and died at 11:45 p. m. Sunday.

Survivors besides the parents are a sister, Terry Carol, and the grandparents, Mr. and Mrs. John Shedd and Mr. and Mrs. W. B. Partlow.

Library Plans Being Revived By Council

The City of Post will ask the assistance of women's clubs in establishing a small city library in the present school tax office. Mayor James Minor said this week.

Establishment of the library is expected to begin soon after the tax office is moved to the high school building from its present location just east of the city offices.

Bank Elects Three New Board Members

GILES C. McCRARY

L. G. THUETT JR.

CLARENCE BASINGER

Election of Giles C. McCrary, L. G. Thuet Jr. and Clarence Basinger to the board of directors of the First National Bank has been announced by Irby G. Metcalf Jr., bank president.

Election of the new directors came at the bank's annual stockholders' meeting.

All three of the new directors are longtime residents of Garza County. Metcalf said, "We are proud to add these three young men to the bank's board of directors and feel that they will prove valuable additions to the organization."

McCrary, who is engaged in farming and ranching, is 38 years old and has been a resident of the county for a number of years. He and his wife are active in church and community work, and he is a member of the board of supervisors of the Duck Creek Soil Conservation District. The McCrarys, who live at 122 North Avenue Q, have three children—two daughters and a son.

Basinger, 35 years old, is owner and operator of Basinger Drilling Company at Southland, and engages in farming and ranching. He was born and reared in Garza County. The Basingers have two sons, six and nine years old.

Thuet, who is 38 years old, has extensive farming interests in Garza and other South Plains counties. A resident of the county since he was four years old, he and his father operate their agricultural enterprises from the L. G. Thuet Farms, a few miles west of Post. The L. G. Thuetts Jr. have two sons, six and 11 years old.

Holdover members of the bank's board of directors are Metcalf, Ira Lee Duckworth, O. L. Weakley, Harvey Herd, E. W. Williams Jr., Roy Riddell and Monta J. Moore.

Metcalf said the bank had enjoyed a good year, considering weather and crop conditions, and that it is looking forward to another good one in 1956. He said a remodeling program completed at the bank late in 1955 made them feel that they had really accomplished something.

Trustees Discuss Coaching Vacancy

Discussion of the proposed building program with a bonding company representative, and the high school coaching situation took up practically all the time Monday night at a lengthy meeting of the board of trustees of Post Independent School District.

The board also took time to set a 600-mile limit on this year's senior class trip. Also in effect, according to Supt. R. K. Green, will be the trip time limit of three school days imposed last year.

After discussing filling the coaching vacancy created by the resignation of V. F. (Bing) Bingham, the board decided to continue the discussion at a special meeting in the near future.

Bingham has resigned effective Jan. 15. He also teaches driver's education and a class in American history. The superintendent said present plans are to hire a teacher to replace Bingham in these two posts for the remainder of the school year. There isn't as much hurry about hiring a coaching replacement as there is in filling the teaching vacancies created by Bingham's resignation, the superintendent explained.

The bonding company representative was Don Otis of Rauscher, Pierce & Co. He informed the board on matters pertaining to the proposed high school expansion program.

Three Candidates Seeking Same Job

Candidate announcements, like poll tax sales, are moving at a snail's pace in Garza County, but are expected to pick up within the next few weeks.

Two candidates announced this week for Precinct 1 county commissioner, making a total of three in that race. The two new candidates are L. P. Kennedy Jr. and Racy Robinson. Announcing for the office last week was Truett Fry.

The only other candidate to announce is Ozell Williams, who is seeking re-election as Precinct 3 county commissioner.

A total of 666 poll tax receipts had been issued up to 2 p. m. Tuesday, indicating that there will be busy times at the tax office between now and Feb. 1, if the usual number of election year poll taxes are sold. The 1954 total was 1,343.

Grand Jury Brings No Indictments

No indictments were returned Monday by a district court grand jury which was in session for several hours.

The grand jury called about 15 witnesses in connection with four cases submitted by County Attorney Carleton P. Webb.

Members of the grand jury were: J. C. Fumagalli, foreman; Lowell Short, Curtis Davies, J. M. Lane, Russell Wilks Jr., J. H. Haire, C. E. Basinger, Ted Shultz, L. G. Thuet Jr., Mrs. Ryla T. Lott, C. R. Thaxton and J. L. Ballentine.

A civil case, K. E. Hollon vs. Texas Employers Insurance Association, took up most of the court's time Monday and Tuesday. Scheduled for trial Thursday morning was the case of Evans, Coleman and Brown vs. Garza County.

Lions Hear Talk By Garza County Judge

Garza County closed 1955 with a \$2,000 surplus, County Judge Pat N. Walker told members of the Post Lions Club at their meeting Tuesday evening.

Judge Walker's talk included other information on county affairs.

Al Norris was introduced as a new member. The Rev. Cecil Stowe was a visitor.

It was announced that the Lions will meet jointly with the Post Chamber of Commerce at that organization's annual banquet Tuesday evening, Feb. 7.

Municipal Operation Terrace Cemetery Is Voted Here Monday

Ninety-seven stockholders of Terrace Cemetery Co. voted unanimously Monday night to turn over to the City of Post operation and maintenance of the cemetery.

The vote came at a called meeting of stockholders held in the City Hall auditorium. Most of the votes were by proxy, although a fair-sized crowd attended the meeting.

Mayor James Minor, who spoke briefly at the meeting, said Wednesday that the City is ready to take over the cemetery as soon as the necessary legal transfers are made by the Double U Company, which owns the cemetery site. Carleton P. Webb, who has handled legal matters in the group's proposal to turn over the cemetery to the City, also spoke at the meeting.

The Double U Company earlier had agreed to transfer the trust fund to the City and to sell it 10 adjoining acres for future expansion.

MEET THE TEACHERS

Conditions Improve At High School Library

Only one lost book this school year and a new budget of \$150 per student have made Mrs. Lillie McRee one of the happiest high school librarians in West Texas.

"And that's not all," said Mrs. McRee. "Current building plans at the high school include additional library improvements."

Mrs. McRee, who has been full-time librarian at Post High School for the last four years, said increase of the budget to \$150 per student has helped the library probably more than anything else. "It has enabled us to set up a much better system," she said.

The librarian is also enthused over the student body's growing interest in reading and research. She reports that 108 books were checked out the first day the students returned from their Christmas holidays vacation.

The average circulation, Mrs. McRee said, is from 50 to 55 books a day, which does not include those the students use only briefly on trips to the library.

The high school library has approximately 4,000 volumes on its shelves, according to Mrs. McRee. Most of the books, however, are old and are gradually being replaced by new volumes.

Recently acquired new books include a set of the 1955 Encyclopedia Americana and a 1956 World Atlas, which most of the students are finding helpful in meeting assignments.

Another recent addition of which Mrs. McRee and her library staff are particularly proud is a 15-drawer catalogue file, which is large enough to serve the purposes of libraries much larger than the one at the school here.

The library student staff is composed of 10 girls. The school's Library Club is affiliated with the state organization, making local members eligible to attend regional and state library meetings.

WITH ONLY TWO candidates announcing, it can't be said that hats fell thick and fast in the Garza County political ring during the first week of January. Office seekers have until sometime in May to announce, however, and there may be a full field by then. After all, President Eisenhower isn't the only one with the privilege of taking his time to make up his mind.

TENNESSEE ERNIE makes this timely comment: "Life doesn't begin at 40 for those who went like 60 when they were 20."

NEWS THAT POSTAL receipts set a new record here in 1955 again brings up the question of when will Post get city mail delivery. We checked the other day with Postmaster Harold Voss to see how he and the Chamber of Commerce were coming along on their city mail delivery project. He told us that the Postal Department will send questionnaires to patrons here to determine if they want city mail delivery. As Harold explained it, there are many who'd rather get their mail early by calling for it than by waiting for the postman to make his rounds.

WE DIDN'T SAY so in our conversation with the postmaster, but we'll bet if the town's dogs could be polled they'd be in favor of city mail delivery. In towns where they've got it, the dogs await the postmen almost as eagerly as they do meal time.

THE JANUARY ISSUE of Cheer Magazine gives the following requirements for "Contented Living":

1. Health enough to make work a pleasure.
2. Wealth enough to support our needs.
3. Strength enough to battle with difficulties and overcome them.
4. Patience enough to toil until some good is accomplished.
5. Grace enough to confess your sins and forsake them.
6. Charity enough to see some good in your neighbor.
7. Love enough to move you to be useful to others.
8. Faith enough to make real the things of God.
9. Hope enough to remove anxious fears for the future.

WE'VE KNOWN John Dick Moorhead of Sundown for a long time and when he asked us at Friday night's basketball games, which he helped officiate, to send him a "souvenir copy" of The Post Dispatch, we figured we owed it to an old friend to work in something more than a mere mention that he was one of the officials.

JOHN DICK, who grew up in Meadow and later lived in Brownfield and Levelland, is a sports enthusiast and a competent high school football and basketball official. As a member of the South Plains Coaches and Officials Association, he has helped "call" many football and basketball games here and elsewhere throughout the area, and we've never heard a word of criticism directed at his officiating.

AND HERE, John Dick, is your souvenir.

Roger W. Babson Writes This Week:

Adlai Stevenson Would Have Good Chance Of Election If Ike Should Not Run Again

WASHINGTON, D. C.—The most important comment in my last week's Forecast for 1956 was this statement of mine: "If no unforeseen event happens, President Eisenhower will be re-nominated and re-elected in 1956."

Republican Statistics Don't Lie

I am no politician, but I do try to be an honest statistician. Hence, first let me dispose of the question of age. The President will be 66 in 1956. This would make him 70 by the close of his second term. His rivals, in both the Republican and Democratic parties, say he is "too old to run again." Yet, Warren of California is 64.

Let us discuss first the possible Republican candidates. My first choice would be Vice President Nixon, who is an ideal man, at an ideal age of 42. Secretary of the Treasury George Humphrey, my second personal choice, is 65, but because of his success as a constructive businessman, I doubt if he could be elected. Next in order I would select Thomas E. Dewey, former governor of New York. He probably is the ideal age, namely 53; but the party would be loath to nominate one who had been defeated twice, even though he is an excellent administrator. My fourth choice would be Secretary of State Dulles; but he is two years older than Mr. Eisenhower! The other active Republican aspirants are Senator William Knowland of California, 47, Presidential Assistant Harold Stassen of Pennsylvania, who is 48, and Governor Christian Herter of Massachusetts, who is 60.

What About Democratic Statistics?

Now let us apply statistics to the possible Democratic rivals. If the nominating convention were to be held this month, I am sure that ex-governor Stevenson of Illinois (55 years old), candidate four years ago, would get the Democratic nomination, if Eisenhower should not run again, Stevenson would have a good chance of election; but not against Eisenhower as a candidate. This is in my humble opinion. As for Governor Harriman of New York, he surely could be featured as a "male-factor of great wealth" more than could Mr. Humphrey. Harriman probably never "earned a dollar in his life." He inherited his

IT TAKES A POLL TAX!

You can pick your candidate, but the right to vote is yours only if you pay your poll tax on or before Jan. 31.

Poll tax sales have been lagging at the county tax assessor-collector's office and prospects are that there will be long lines at the tax windows between now and the midnight Jan. 31 deadline. Those who wish to vote will be doing themselves, as well as the tax officials, a big favor by paying their poll tax as soon as possible.

Since this is a full-fledged election year every citizen required to do so should pay a poll tax in order to guarantee himself a vote. Take away our voting privileges and we'd holler to high heaven, yet many of us deny ourselves the right to vote by not paying a poll tax.

This would be a good year for Garza County to set a new record in the number of poll tax receipts, but the present trend of payments will have to be "whipped up" if we are going to do so. The present record was set in the 1952 presidential election year when 1,449 poll tax receipts were issued. We ought to hit at least the 1,500 mark this year.

Crawford Greenwalt, president of the duPont company, told a congressional hearing that Uncle Sam took 91 per cent of his \$569,000 pay last year. He expressed the fear—citing this example—that high taxes will make it increasingly difficult for young men to enter industry, with a resulting loss in industrial efficiency and consequently, a decline in the nation's economy. There are, of course, relatively few men who turn 91 per cent of their take over to the federal treasury alone. But the economic issue involved cannot be dismissed lightly.—Bellingham, Wash., Herald.

If union membership is made a condition of employment, it is terrifying to think of the power the unions would wield over the worker himself. If he refused to vote or act in a manner prescribed by the union, it would be a simple matter to lift his union card and thus make it impossible for the offending member to obtain work anywhere.—Hollywood, Fla., Herald.

If copy of The Post Dispatch. We hope we made it good enough for your scrapbook.

YOU CAN GET real bargains on two purchases at the county tax collector's office, except that one of them isn't on sale yet. During the rest of January, right up to Feb. 1, you can get a poll tax for \$1.75, which will entitle you to vote in all elections this year—which can be considered a big one on account of it being a presidential election year.

THE OTHER BARGAIN, a bigger automobile license tag than Texas has ever issued before, you can get on and after Feb. 1.

THIS IS ALSO the month to join the March of Dimes and help fight polio.

MEMBERS OF THE Post Lions Club recently honored their secretary, Weaver Moreman, with a \$50 appreciation gift. As a charter member of both the old and reorganized clubs, Weaver has served as secretary nine out of ten years. "His reports are always on time," read a citation accompanying the gift. And that's a good recommendation for any secretary.

Getting Out On The Limb

By EDDIE the editor

THE WOMEN, GOD LOVE 'EM! Anytime a man opens the door and helps his wife into the car, you can bet that he has just acquired one or the other.

MY MEMORIES OF the telephone picketing here will be filed alongside the toy dial telephone which some unidentified "friend" gave me for Christmas 1954. In my opinion, the picketing was about as effective as the toy telephone would have been if I'd tried to dial a number with it.

Only those fortunate souls with time to read everything in the daily papers knew a strike was on until along about Wednesday when the first pickets put in an appearance in front of the telephone office here. I had occasion to drive past the office a short time later and took a look at the picket line, which was composed of two of the striking telephone operators marching up and down in front of the building. They wore cardboard signs reading, "CWA on Strike."

The picketing continued here and elsewhere throughout the company's territory until the strike was settled Saturday night. I don't suppose the picketing hurt anything, but as far as being effective toward bringing on an agreement between the company and the union, I'm of the opinion that it was worth about as much as my toy telephone would be in getting me a number.

Tomorrow will be the most wonderful day in history. That's the day we are all going to begin doing better.

THE FRONT PAGES, it seems, must have their romance, and the more royalty they can get mixed up in it the better. They no sooner get Princess Margaret and her jilted lover off the front pages than they come on with Grace Kelly and the Prince of Monaco.

THE REDUCTION OF Texas traffic deaths over the New Year's weekend compared with the Christmas weekend has been praised by the National Safety Council.

Here in Garza County we were extremely fortunate throughout the entire holiday period in not having a serious accident, although homes here were touched by tragic accidents in other places.

MONEY: The stuff that talked in the '30's, whispered in the '40's and now just sneaks off quietly when you're not looking.

In an essay on "Things I Am Thankful For" a little boy listed "my glasses." He explained — "They keep the boys from fighting me and the girls from kissing me."

PATRIOTIC SOCIETIES and the law have combined to erase the Texas flags from the Dodge automobile company's new "Texas" model cars.

The Texan is a model which Dodge has been selling in Texas only. It comes in either a two-door hardtop or a four-door sedan. In addition to the flag insignia on the right front hood, it has the name "Texan" displayed in chrome script on a map of Texas on the rear fender.

I thought the idea was a pretty good one, but evidently the Daughters of the Republic of

Texas, who put the kibosh on the deal, thought otherwise.

A PADUCAH, KY., attorney advised young lawyers how to pick juries at a recent meeting of the Kentucky Bar Association.

His five main points, more or less flexible, but generally tailored to meet most situations, are:

1. Never take a juror who wears a cap or, "what's worse, one who wears squeaky shoes."
2. Try not to take on close friends. "They get afraid to do what's right because they think it won't look right."
3. Don't pay any attention to what the books say about selecting juries. "Early in life I bought some books on the subject. The books are all wrong."
4. "I've had more luck all my life with men than women on juries—and otherwise."
5. Everything being equal, "I'd rather not have a majority of enemies on the jury."

We see some Republicans want to hold the Eisenhower name by nominating his brother. If that backfires, maybe they can find someone by the name of Lincoln.

Putting Post On The Map Will Help Bring Industry In, Student Writes

(EDITOR'S NOTE: Following is the fourth and last in a series of essays by Post High School seniors on the subject "What Can My Town Do to Improve Its Industry." The essays were entered in the local phase of a contest sponsored by the West Texas Chamber of Commerce.)

"What Can My Town Do to Improve Its Industry?"

By JANICE BARROW

Are we ready for industry? This is a question that everyone should ask himself about his town. We, in the City of Post, have a good and well-equipped hospital, three good schools, eight Protestant churches, one Catholic church, and we have a good oil industry and cotton mill. But if the opportunity should knock for industry and advancement would our town be ready?

We cannot expect to just sit back, relax and let opportunity come to us. We have to really want it and strive to obtain it. You have to look for it, it cannot look for you.

The next question then, is what can I do to be ready for industry?

The first thing you need to have is an efficient city government. Everyone needs to be interested and have the ability to work together for the same purpose—the cooperation of the city and the chamber of commerce, the cooperation of the schools and the churches.

It has been rumored that several plants are moving to smaller towns because of air raids, but rather slowly, to smaller towns. If this is true we need to get ready for them now and if we wait until it's too late the opportunity is gone.

We need to build a warehouse. Now wait a minute—don't start in saying that we wouldn't have anything to put in it. If we have one ready then we would have no fear if a plant, factory or any other industry should want to move in unexpectedly. This is almost a necessity.

Another thing we need is a surface, lake. Post has good drainage when it rains, but we need some place to store and save the water. Many small towns have these, so why can't we?

It seems as though we have forgotten that agriculture is the backbone of our industry. When we have a good crop in the fall then we have a good year in most every other way.

The next thing I think we need to do is to put Post on the map. Many people have never heard of our little town. How do we expect anyone to ever bring an industry here when they don't know anything about it?

A question I want to ask along this line is, why did they change the name from Post City to Post? What's wrong with Post City? People have said that boys in the service told the other guys that they were from Post and they thought it was an army post. It's a little name for a little unknown town. Why not be somebody?

To start the ball rolling why not have city mail delivery? Of course it's kind of funny for a

had one at one time and now we have the spirit to try again. That is the way we get our start. Try something new and if it doesn't work, then try something else.

Let us try never to be satisfied with what you are and have; try to do better. The founder of our city, C. W. Post, was just this way. He was never satisfied with his work because he thought he could do just a little better, and so can we—if we try. Just stop to think of all we can do if each one would do his part in making our town greater material for greater industry. "The sky is the limit!"

Tax Reports For Farm And Operators Are Due Feb. 15

County farm and ranch operators should be happy to file their income tax reports until Feb. 15, previous deadline for reports was Jan. 31. This was made in 1955 but announced in time to many taxpayers, says County Agent Lewis C. Herron.

The population of the United States has increased more than 13 1/2 million since the 1950 census to total 164 1/2 million.

returns on time in order to avoid the penalty which may be charged for late filing.

For the first time this year self-employed farmers who net \$400 or gross \$800 or more annually are subject to reporting for social security benefits. The Act was amended by Congress in 1954 and applies to farm and ranch income for 1955.

Because of the possibility of retirement benefits and insurance features of the plan, farm and ranch operators should study the procedure for reporting. Each person will need a social security number before making report for benefits and paying the tax.

Information on various phases of tax reporting, says Herron, may be obtained either at his office or the Social Security and Internal Revenue offices. Even if copies are available only for study, persons interested will find the reference covers the self-employment phases in some detail. A helpful booklet, "Farmers' Tax Guide for 1955," is available in limited quantity from the county extension service office.

NOTICE OF ROAD BOND ELECTION
THE STATE OF TEXAS
COUNTY OF GARZA
TO THE RESIDENT QUALIFIED ELECTORS OF COMMISSIONERS' PRECINCT NUMBER 4, OF GARZA COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID PRECINCT AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held on the 11th day of February, 1956, within COMMISSIONERS' PRECINCT NUMBER 4 OF GARZA COUNTY, TEXAS, in pursuance of an order for road bond election made and entered by the Commissioners' Court of Garza County, Texas, on the 9th day of January, 1956, at which election the following proposition shall be submitted:

"WHETHER OR NOT the bonds of COMMISSIONERS' PRECINCT NUMBER 4, GARZA COUNTY, TEXAS, shall be issued in the total principal sum of \$50,000, for the purpose of constructing, maintaining and operating macadamized, graveled or paved roads and turnpikes, or in aid thereof, and which bonds are to bear interest at a rate not exceeding 3% per annum, and are to be payable at such time as may be deemed most expedient by the Commissioners' Court, but not to exceed Twelve (12) years from the date thereof; and whether or not ad valorem taxes shall be levied on all taxable property within the said precinct for the purpose of paying the interest on the said bonds and providing a sinking fund for the

redemption or payment thereof at maturity."
THAT the proposed improvements will be for the benefit of all taxable property situated in said Commissioners' Precinct Number 4 of Garza County, Texas.
THAT SAID ELECTION shall be held under the provisions of the laws of the State of Texas, particularly Chapter 16, of the General Laws of the State of Texas, passed by the Thirtieth Legislature at its First called Session in 1926, as amended.
THAT THE BALLOTS for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.S. Election Code, adopted by the Fifty-second Legislature in 1951, and that printed on such ballots shall appear the following: "FOR THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."
"AGAINST THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."
AS TO the foregoing proposition, each voter may mark out with black ink or pencil one of such expressions, thus leaving the other as indicating his vote on the proposition; or, in the alternative, each voter may vote on the proposition by placing an "X" in the square appearing on the ballot beside the expression of his choice.
THAT said election shall be held in Precinct No. 4 at the Schoolhouse in Justiceburg, Texas, and the officers of said election shall be as follows:
W. F. McWhirt, Presiding Judge; Mrs. Pearl Nance, Judge; Mrs. Cameron Justice, Clerk; Mrs. J. D. Justice, Clerk.
THAT THE MANNER of holding such election and canvassing and making returns thereof, shall be governed by the General Laws of this State, when not in conflict with the provisions of Chapter 16, of the General Laws passed by the Thirtieth Legislature, at its First called Session in 1926, as amended; and only qualified electors who own taxable property in said Commissioners' Precinct Number 4 of Garza County, Texas, and who have duly rendered the same for taxation, shall be qualified to vote.
THIS NOTICE is given pursuant to the orders and directions of the Commissioners' Court of Garza County, Texas, passed and adopted January 9, 1956, and in compliance with the requirements of law.
WITNESS MY HAND and the seal of the Commissioners' Court of Garza County, Texas, affixed, this 9th day of January, 1956.
CARL CEDEBOLM,
County Clerk and Ex-officio Clerk of the Commissioners' Court of Garza County, Texas.

Church News

Christian Women's Fellowship met at the church Monday afternoon with 12 attending. Mrs. Porter Roberts gave the devotional and Mrs. Mason Justice was program leader. She and Mrs. Ott Nance discussed "Making Holidays Into Holy Days." Those present were Mrs. Lee Davis, Mrs. Almon Martin, Mrs. Roberts, Mrs. Ben Owen, Mrs. Justice, Mrs. Nance, Mrs. Eva Batley, Mrs. Ella West, Mrs. W. M. Kirkpatrick, Mrs. W. E. Dent, Mrs. K. Stoker and Mrs. Victor Hudman.

The Mattie Williams Memorial Circle had a meeting Thursday in the Presbyterian Church annex with Mrs. Burney Francis in charge of the program. The lesson was on the formation of Christianity and the history of religion. The group was scheduled to meet again this morning with the Presbyterian Women's Organization, at the home of Mrs. Walter Boren.

W.S.C.S. meeting was held Monday afternoon at Mrs. R. H. Collier's. Mrs. Jess Rogers was cohostess. Mrs. Jim Powers and Mrs. Jessie Voss assisted in serving following the regular session, presided over by Mrs. J. E. Parker. Others present were Mrs. J. E. Stephens, Mrs. Noah Stone, Mrs. Ted Hibbs, Mrs. Carl Clark, Mrs. L. A. Presson, Mrs. R. K. Green, Mrs. J. E. Tanner, Mrs. J. R. Durrett, Mrs. T. L. Jones, Mrs. Ellis Mills, Mrs. R. J. Jennings and Mrs. J. L. Ballentine.

Sunday marks the beginning of the fourth year of service of Roy Shaban as pastor of the First Baptist Church. He said "These years have been filled with joy in serving this good church and the people of Post. There have also been some sorrows mixed with these joys. We consider it a privilege to share in the sorrows that others have as well as their joys. We look in two directions at this time. We make a review of the past and give God the praise and glory for every accomplishment. We now look to the future and trust that we may have many experiences of victories together in the months ahead. We appreciate every word of encouragement, every deed of kindness and gifts bestowed on us in the past. We pledge our best for the future and are looking forward to a real good attendance Sunday."

Miss Jackie Faye Williams To Wed Horace L. Bowden Feb. 24

Mr. and Mrs. Tom Williams are announcing the engagement of their daughter, Jackie Faye, to Horace Leonard Bowden, son of Mr. and Mrs. Thomas Bowden of Big Spring. The couple will exchange vows in the Williams home at 7 o'clock in the evening, Feb. 24. The Rev. Roy Shaban, First Baptist pastor, will officiate.

Miss Roach Weds Durwood Jones In Brownfield Ceremony Jan. 6

Miss Amaryllis Roach and Durwood Jones were married at 6:30 p. m., Jan. 6, in the Brownfield home of the bride's brother and sister-in-law, Mr. and Mrs. Jarvis Roach.

Mr. and Mrs. J. A. Roach of Brownfield and Mr. and Mrs. Clyde Jones of Grassland are parents of the couple.

John McCoy of the Crescent Hill Church of Christ read the double ring ceremony. White gladioli, greenery and candelabra decorated the home.

Holland Boring sang the pre-nuptial solos, "Because" and "O Promise Me."

The bride wore a Chantilly lace, waist length dress, shoulder length veil attached to a lace half-hat, and she carried a heart shaped cascade arrangement of white roses.

Mrs. Don Jenkins and Miss Nancy Gastron, matron of honor and candlelighter, respectively, wore orchid taffeta dresses and carried matching heart-

shaped bouquets. Jack Reed attended the bridegroom as best man. After a trip to Corpus Christi, Mr. and Mrs. Jones are at home in Seminole, where he is employed by Humble Oil Co. The bride traveled in an aqua tunic suit of embossed faille and white accessories.

Difference in Grades

A student in a Hamilton High School class (who shall be nameless herein) pored long and hard over an examination paper. Finally, unable to answer the questions, he wrote across the paper, "Only God knows the answer to these questions." The teacher returned the paper to the young genius with this notation, "God gets 100, you get an F."—"Twilight Zone" in The Hamilton Herald-News.

Ability Admired

It makes us sore when we see Amarillo merchants convince people from Dimmitt, Dumas and Dalhart that they have shoes for sale which are super-

ior to those to be had in Dimmitt, Dumas and Dalhart. We don't like it when Amarillo auto dealers convince persons from Canyon, Claude and Clarendon that they can give them better deals than can be had in their hometowns.

Yet, we somehow admire a person's ability even though we don't particularly appreciate his success.—"Town Topics" in The Tulla Herald.

Something In A Name

By the time we're almost convinced that there's nothing in a name, something happens that works in reverse. Recently when the mercury was flirting with the low twenties, a friend with

FHA Great Plains Loan Program Is Revised, County Office Informed

Revised loan regulations sent to the Garza County office of the Farmers Home Administration emphasize that the ability of farmers and ranchers to repay the loans they receive is the

major factor to consider in determining the soundness of a loan, according to Walter T. McKay, the agency's state director.

The loan policies of the Great Plains credit program, which began last August, were reviewed recently by agency officials at meetings in Denver and Amarillo. Special loans made in 145 counties in six Great Plains states enable farmers and ranchers to pay the cost of developing and carrying on the type of farming that provides for proper land uses in the area; in addition, credit is available for annual operating needs.

Soil resources, past production records of the farm, the applicant's ability and experience, farm plans and similar factors are used to determine the repayment ability of the applicant. A land capability map will be prepared by the Soil Conservation Service for the farm or ranch to be operated with the proceeds of the loan.

Each loan applicant is expected to carry out farming practices that will make proper use of his land and to take part in all programs designed to develop a sound agricultural economy. However, whether or not such a loan is made depends upon whether it finances the type of farming that will enable the farmer to repay the funds advanced.

When needed adjustment in farming practices are to be made a detailed farm and home plan will be prepared and management guidance will be provided by the county supervisors of the FHA to the extent needed. When credit is required only to finance annual operating expenses only a minimum of planning is required and farm management guidance will not accompany the loan.

The credit provided by the FHA will be used only to supplement credit available from private and cooperative lenders.

Loans are made for the purchase of livestock, farm equipment, seed, fertilizer, feed, insecticides, farm supplies, and other farm and home operating needs. Loans are also made to finance soil conservation measures, development of domestic and irrigation water systems, repair of existing farm buildings, and when necessary the purchase of additional land needed to provide an economic unit. In cases where it is necessary to enable the farmer or rancher to continue his operations, a loan

may include funds to refinance certain chattel indebtedness.

A loan may be made to farm owner or farm operator if the applicant (1) is an established operator and is primarily engaged in farming or livestock operations; (2) is unable to obtain the necessary credit elsewhere; (3) will have reasonable prospects of success with the assistance of the loan, and (4) will own or have available under satisfactory tenure arrangements a farm suitable for carrying on successful farming operations.

Applications for loans are made at the county offices of the FHA. The Garza County FHA Committee determines the eligibility of applicants for these loans. The county FHA office is located at the ASC office in Post.

Poll Tax Complaint

The Martin County tax collector's office is registering the complaint that up to date there have been only 300 poll taxes paid out of a possible 1,300 for the county. Election year is coming up this new year 1956, and indications point that it will be one that will disclose the setting off of considerable fireworks.—"Snooper Knows" in The Stanton Reporter.

Name Your Brand!

A group of Eastern people were sightseeing in the Ozark hills. They had heard about the famous "corn likker" brewed in that region. They stopped in front of an old shack and spoke to the elderly native who sat on the porch.

"I beg your pardon, sir," said one of the city dudes. "Have you any home-made liquor?" "Shore have, sonny," said the ridge-runner. "What will ye have, courtin' likker or fightin' likker?" — "Popvalve" in The Hamlin Herald.

"A GOOD DEAL DEPENDS ON YOUR DEALER"

THESE ARE IMPORTANT PEOPLE IN YOUR LIFE

Dear Friends

The people in the picture in this advertisement are Humble researchers on their way to work in Humble's Houston Research Center.

They are important people in your life, because their studies and their constant experimentation have only one purpose: to supply your increasing needs for oil and natural gas.

At the Houston Research Center, they pool their efforts to make the finding and production of oil and natural gas more efficient. And since they are top people in their different fields, their work has met with notable success.

It has helped to make the Humble Company not only the largest but also one of the most efficient producing companies in the country.

The new ideas, new methods and new practices developed by Humble researchers have resulted in the discovery of new reservoirs of a valuable natural resource; in making these reservoirs more productive; and in prolonging their life for your future benefit.

Sincerely
HUMBLE OIL & REFINING CO.

PATTERNS IN THE SNOW

They make pretty patterns on the snow, these fences. But they were not built "for looks." They were erected for protection. They stand as bulwarks against the physical elements.

There are other kinds of bulwarks most of us need in our daily lives—spiritual bulwarks. For even the strongest of us cannot stand alone. Sometimes we think we can... but the moment comes when we realize how much we need help.

It is then that we turn toward the Church. And, no matter how remiss we may have been, the Church stands there with doors open wide, ready to receive us.

But should we wait until we really need a spiritual bulwark? How much better to establish ourselves in the Church now and be assured of its strength and comfort through all our days.

HOLY BIBLE

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

PLAY TAHOKA HERE FRIDAY—The Post Antelopes' starting line-up in their game here tomorrow night against the Tahoka Bulldogs will be chosen from among these 12 squadmen. Left to right, front row, are: Noel White, Jerry Hays, Andy Schmidt, Jimmy Redman, James Williams and Bill Stephens. Left to right, back row: Tommy Murray, Novis Pennell, Gene Young, Damon Ethridge, Homer Cato and Travis Polk.—(Staff Photo.)

Tahoka, Post Play Here Friday

Junior Pitts will be the boy to watch Friday night when the Tahoka Bulldogs play the Post Antelopes here in a District 5-AA game.

The rangy Tahoka center is one of the area's leading scorers and has made the all-tournament team in every tourney in which his team has played this season. He was all-district during the 1954-55 season.

There will be three games tomorrow night, with the Post and Tahoka "B" teams getting action under way at about 6:30. The girls' game will follow, with the varsity contest concluding the evening's bill.

It will be the first district games at home for the Antelope cagers.

Post 9th And 10th Graders Win Three

Post freshman and sophomore teams won three games from Tahoka Monday evening in the high school gym here.

Coach Olin Reddell's undefeated freshman boys won by a score of 37 to 22. Charles Morris and Jimmy Short each scored 10 points for Post, with Sidney Hart chipping in with nine. Eddie Hammonds had 10 to lead the Tahoka scorers.

The Post sophomores won their game, 33-26. Ronnie Polk, with 12, was high point man for Post, while Karl Prohl led Tahoka scorers with 11.

Post's freshman girls won easily, 43 to 18. Leading the Post scoring attack was Janet Stephens, with 11 points. Estelle Byrd and Shirley McBride each scored nine for Post, while McNeeley tossed in eight points for the losers.

Ralls Jackrabbits Stage Rally Late In Game To Defeat Post, 48 To 43

The Ralls Jackrabbits came from behind in the fourth quarter here Friday night to earn a 48-43 decision over the Post Antelopes—their second victory of the season over Coach Vernon Ray's cagers.

The Antelopes led 13-6 at the end of the first quarter, and 23-19 at halftime, but the visitors gave an inkling of what was to come by tying the score with two minutes of the third quarter gone. Post went back into a short lead, but couldn't hold on, scoring only seven points to the Jackrabbits' 14 in the final quarter.

Tommy Murray of Post was high point man with 19. Larry Moses paced the Ralls' attack with 12 points.

Post Girls Defeat Ralls Team, 49-39

The Post Antelope girls' team scored a 49-39 victory over Ralls Friday night in the high school gym. Frances Craig leading the attack with 29 points.

Marie Howard scored 14 points for Post, with Sara Ray getting three, Louise Gerner, two, and Janet Stephens, one.

Starting guards for the Post team were Darlyne Hulsey, Joyce Josey and Bettie Sue Norman.

It was the Post girls' second win of the season over the Ralls team.

Post Antelopes Are Defeated By Spur In District 5-AA Game

The Post Antelope boys' and girls' teams lost their first District 5-AA games at Spur Tuesday, but the Antelope reserves scored a 46-36 victory to keep it from being a complete wash-out for the locals.

The varsity boys lost, 59-53, and the girls, 39-23.

After trailing by 20 points—19-39—at halftime, the Antelopes began to find the range in the second half and outscored Spur, 34-20.

The Post cagers hit 21 of 46 shots from the field for a 43 per cent average, while the Bulldogs canned 25 of 57 for a 44 per cent average. The Antelopes hit only 41 per cent of their shots from the foul line.

Following are the Post scoring summaries for the "A" and "B" games.

Post Man's Father Is Buried Sunday

Funeral and burial services were conducted in Roby Sunday for T. H. Mayfield, 89, father of Dowe H. Mayfield of Post.

Those from here attending the funeral were the Dowe H. Mayfield family, Mr. and Mrs. Dowe H. Mayfield Jr., Mr. and Mrs. Ted R. Hibbs, the Rev. Roy Shahan, Ray N. Smith, Mr. and Mrs. Ira Farmer, Mr. and Mrs. Robert Cox and Mrs. Winnie Henderson.

Mr. Mayfield died Friday at his home in Roby after a brief illness. He had visited his son here on a number of occasions, his most recent visit being just before Christmas.

Mr. Mayfield was born in Tennessee and six years later came with his parents to settle in Lamar County. He moved to Roby in 1887 to open a blacksmith shop and later went into the general mercantile business for 30 years.

In the 1930s Mr. Mayfield patented several inventions for use in farm work. Later he supervised manufacture and sale of these implements and was active in this field until two years ago.

Besides the son of Post, he is survived by his wife; four other sons, Tom Jr. of Sweetwater, Frank of Denton, Herman of Eoby and Pat of Fort Stockton; three daughters, Mrs. Jewel Mailey of San Diego, Calif., Mrs. Marshall Powell and Mrs. Jack Wilhelm of San Angelo, and a number of grandchildren and great-grandchildren.

Mrs. Mutt Dodson and Cherry recently visited with the J. D. Moon family in Livingston, N. M.

Speaks softly and packs a powerful wallop!

Whether idling at curbside or cruising, this new Chevrolet talks in a well-mannered whisper. You scarcely ever hear more than a soft undertone of power from its deep-chested V8. (One reason is the hydraulic-hushed valve lifters now in all Chevrolet engines—V8 or 6.)

Soft-spoken, yes—but this handsome traveler packs a wallop that ranges up to 205 h.p.! It's charged with sheer action!

Action that can save you precious seconds for safer passing on the highway! Action that lets you take steep hills in stride!

Action that helps you zoom out of trouble spots almost as quickly as they develop!

And action isn't all. Chevy holds the road like part of the pavement! You feel added assurance in the way it clings to curves.

Of course, Chevrolet brings you the security of safety door latches in all models. Instrument panel padding and seat belts, with or without shoulder harness, are offered at extra cost.

Come in and drive a new Chevrolet. We've got one ready and waiting for you.

Invest in Dependability... get a Bonus in Go!

You can buy it on its name alone—this big, high-powered '56 Pontiac—and be safe in the knowledge that you couldn't have made a better investment in years of dependable, carefree motoring.

The good things you've been hearing about Pontiac for years assure you that.

But "go" is the word for '56! Performance so new and dramatic it must be experienced to be believed!

A short spell behind the wheel will nail that statement down as a fact. Come along for a drive and see.

Waiting for the light to change, you can't hear the engine. But touch your toe to the accelerator and in a split second there's a torrent of power, sparked by the most advanced engine of them all—the blazing 227-h.p. Strato-Streak V-8.

Team this terrific power plant with Pontiac's all-new Strato-Flight Hydra-Matic* and you've got the smoothest take-off that ever brightened a highway.

And remember—this easy handling dream is actually among the biggest, huskiest cars built!

Now for the final test—head for the open road and some landmarks you can challenge. Wipe out a hill, straighten a curve. Smooth out a stretch of rough road that's bothered you for years.

Now see why they're calling this the greatest "go" on wheels?

More than that—it's the greatest buy on wheels! And that too, is easy to prove.

Then take a look at the price tag—a check on our deal.

Nothing will stop this powerful beauty from being yours!

*An extra-cost option.

You can actually have a big, glamorous Pontiac 860 for less than you would pay for 44 models of the low-priced three!
