### Football Tickets Sale Monday

ickets for the Post An-  
five home football games  
placed on sale at 9 a.m.  
at the high school, Supt.  
Green said today.  
ickets, which will sell for  
entitles the purchaser to  
in one of three reserved  
in the west stands.  
throwing this year's tick-  
wide open, with no pre-  
being shown those who  
based season tickets last  
Green said.

### FFA Chapter Is Have Fair Booth

High School's Future Farm-  
America chapter has accept-  
invitation to sponsor an  
exhibit at the Pan-  
South Plains Fair in Lub-  
23-24, E. F. Schmedt,  
adviser, said today.  
Agent Lewis C. Herron  
announced that Garza  
will sponsor an agriculture  
to be fair for the last few  
at the Lubbock fair.  
will serve as an assistant  
exhibit department at the

### Thirty-First Year

FIRST ONE IN! — Irby G. Metcalf Jr., First National Bank president, was the first one dunked in the water tank at the first session of Golden Jubilee kangaroo court Saturday morning. Metcalf was unceremoniously thrown into the water by Jubilee policemen after Judge O. C. Garner ruled that his chin whiskers were not long enough to "qualify." Also dunked were Metcalf's "counsel," Floy Richardson, and druggist Bob Collier, who "contempted" the court by intruding with a motion picture camera.—(Staff Photo).

### Rotary Club Paid Visit By Governor

Morris Higley of Childress, gov-  
ernor of the 573rd District of Ro-  
tary International, paid his official  
visit to the Post Rotary club Mon-  
day evening and Tuesday.  
The newspaper publisher address-  
ed the club at its Tuesday lunch-  
eon after presiding over a two-  
hour club assembly at the home  
of Glenn Whittenberg, club presi-  
dent, Monday night.  
The assembly followed a buffet  
dinner in the Whittenberg home  
honoring Governor and Mrs. Hig-  
ley. Twenty-one Rotarian officers,  
directors, and committee chairmen  
attended the assembly at which  
all phases of the club's operations  
were reviewed and suggestions  
made.

In his talk at the Tuesday lunch-

### Also Anniversary

### At Hospital

Personnel at Garza Memorial  
Hospital are having an anniversary  
observance of their own this  
week—the hospital's fifth.  
Melba Cowger, head nurse and  
acting administrator, said today  
that "some of the girls" wore  
Jubilee Belle costumes Tuesday  
and will don them again Satur-  
day.  
"It's in observance, of course,  
of Post's 50th anniversary, but  
we're also tying it in with our  
own fifth anniversary," said Miss  
Cowger.  
The hospital was opened on  
Aug. 4, 1952, and dedicated on the  
last Sunday of the month.  
"We had many visitors at our  
opening five years ago, and  
they're welcome to come back  
to see us again this week during  
our fifth anniversary," Miss Cow-  
ger said.

### Entirely Local Housing Development

### New Addition Is Shaping Up Here

Construction is scheduled to get  
under way this week on the first  
home in the new, restricted West-  
gate Addition, being sponsored by  
Bryan Williams and Son.  
The home is being built for Mr.  
and Mrs. Warren Yancey.  
Westgate Addition, located be-  
tween 10th and 11th on North Ave-  
nue S, has 15 large-sized lot loca-  
tions.  
Bryan J. Williams said today  
that lots of interest is being shown  
in the new addition and that he  
expects to have it filled within  
18 months "and be hunting for  
another location for a second ad-  
dition."  
Westgate is the first property  
ever taken into the mile-square

### Pre-Registration Dates Are Set For High School

Pre-registration for Post High  
School students will begin Monday  
morning, Aug. 26, and continue  
through Thursday afternoon, Aug.  
29, Principal Glenn Whittenberg  
announced today.  
At the same time, Supt. R. K.  
Green announced that elementary  
and junior high school students

### Lions' Secretary Honored Tuesday

Weaver Moreman, secretary of  
the Post Lions Club for nearly  
15 years, was presented a \$40 mer-  
chandise certificate Tuesday night  
in appreciation by the club of his  
"outstanding service as secre-  
tary."  
Moreman became secretary of  
the club in 1943 and with the ex-  
ception of one year has since serv-  
ed continuously in the office. In  
addition to having a perfect at-  
tendance record, he has never  
been late in making a club report  
to Lions International.  
The gift certificate was present-  
ed Moreman by Homer McCrary  
on behalf of the club.  
Also at Tuesday night's meeting,  
members finished putting the  
county fair catalogs together and  
the books are now available at the  
county agents' office on the second  
floor of the courthouse. The fair,  
which is sponsored by the club,  
is scheduled for Sept. 13-14.  
President Al Norris made a re-  
port on dedication of the new in-  
firmatory at the Texas Lions Clubs'  
Camp for Crippled Children at  
Kerrville. Norris and Matt Stelzer  
attended the dedication.  
Guests at the meeting were Al  
Parsons, a guest of Frank Krhut,  
and Ross Welch of San Antonio,  
a guest of Ralph Welch.

### DeWitt Rites Held In Post Tuesday

Funeral services for Mrs. Idora  
DeWitt, 80, of Fort Worth, sister  
of A. O. Rosenbaum of the Close  
City community, were conducted  
at 3 p.m. Tuesday in the First  
Baptist Church here.  
Mrs. DeWitt, a resident of Fort  
Worth for 33 years, died there at  
6 a.m. Sunday after a lengthy ill-  
ness. She was born May 25, 1877,  
in Arkansas, and had been a mem-  
ber of the Baptist Church since  
childhood.  
The Revs. A. T. Nixon and R. E.  
Bratton officiated at the services.  
Burial, under direction of Mason  
Funeral Home, was in Terrace  
Cemetery. Pallbearers were Ike  
Brown, Terrell Brown, Orin  
Clary, H. A. Caywood, L. C. White  
and Carter White.  
Besides the brother of Close  
City, Mrs. DeWitt is survived by  
another brother, F. B. Rosenbaum  
of Hamlin, and a sister, Mrs. W.D.  
Duke of Grant's Pass, Ore.

### Vote Set Saturday On Tax Rate, Assumption

The polls will be open at Post  
High School Saturday for an elec-  
tion on setting of a new tax rate  
and assumption of bonded indebt-  
edness—made necessary by annex-  
ation of the Grassburr Common  
School District by the Post district.  
R. K. Green, superintendent of  
the Post schools, explains that the  
outcome of the election will not af-  
fect the school district's present tax  
rate. Neither will it increase the  
bonded indebtedness, since there  
is none charged to the Grassburr  
district.

# Water Bonds Approved; Project 'Push' Launched

## Board Sets Next Steps

The White River Municipal  
project is being pushed on several  
fronts this week following Satur-  
day's smashing 1,017 to 147 victory  
for the \$4,000,000 water bonds in  
Post, Crosbyton, Spur and Ralls.  
The White River district direc-  
tors, meeting Tuesday night at  
Ralls, heard a report from Ran-  
som Galloway of Lubbock, repre-  
sentative of the bonding syndicate  
that the bond firms will meet in  
Dallas, probably Friday, to plan  
their next moves.  
Galloway also announced that it  
will require approximately six  
weeks for engineers and attorneys  
to draw up the water contracts  
for the four towns and that an-  
other 30 days would be required  
for the election notices.  
Each town will be required to  
hold a water contract election and  
vote approval for water contracts  
with the district. Each town will  
pay the same water rate for deliv-  
ery to the city limits.  
Tom Bouchier, chairman of the  
water board, appointed a five-  
member committee to "go after  
federal government money" for  
the project and to "handle the  
job as they see fit."  
Named to the committee were  
Marvin McLaughlin of Ralls, R.J.  
(Rube) Jennings and Mayor James  
Minor of Post, Reece McNeil of  
Spur and C. H. Lodal of Crosby-  
ton.  
Bouchier told the committee that  
"every reasonable source for funds  
needs to be explored."  
The committee held a brief or-  
ganization session following the  
directors meeting and named Mc-  
Laughlin chairman and Jennings  
as vice-chairman. The committee  
set its first session for Tuesday  
night at Ralls.  
Galloway, obviously elated at  
the bond election results, promised  
the directors that the bond group  
"won't let any grass grow under  
our feet."  
Jennings expressed dissatisfac-  
tion with the six weeks period  
Galloway said it would be neces-  
sary to draw up the water con-  
tracts. He wanted this pushed at  
a faster pace.  
Galloway also told the directors  
that the consulting engineering  
firm is already busy on nego-  
tiations for water contracts with  
oil companies in this area—a fac-  
tor which must be worked out to  
make the project feasible. He said  
See WATER BONDS, Page 8

## Free Barbecue Set For Third Day Of Jubilee

Mrs. Marjorie M. Post of Wash-  
ington, D. C., daughter of the  
town's founder, will sponsor a free  
barbecue Monday, Sept. 16, as one  
of the highlights of the city's Golden  
Jubilee celebration.  
Arrangements for the barbecue  
were worked out in a telephone  
conversation between Mrs. Post  
and Monta Moore, general man-  
ager of the Post-Montgomery inter-  
ests in West Texas.  
The barbecue was arranged for  
Monday so that Mrs. Post, who  
will arrive Sunday evening, Sept.  
15, could be on hand personally  
to meet many of her old friends.  
Other Golden Jubilee develop-  
ments of the last few days have  
included:  
1. A meeting of John Schell of  
the public relations department of  
General Foods Corp. with Jubilee  
directors.  
2. Setting of the parade route  
by Tom Power, parade chairman  
and his committee.  
3. Holding of the first in a se-  
ries of kangaroo court sessions and

appearance of many women in  
Jubilee Belle attire.  
4. Preliminary plans for decora-  
tion of store windows in a pioneer  
theme.  
5. Opening of the Jubilee Queen  
contest campaign.  
6. Beginning of rehearsals for  
"Caprock Cavalcade."  
Schell, the General Foods public  
relations man, met with directors  
in a 90-minute session Monday  
morning at the First National  
Bank to inquire as to what Gen-  
eral Foods could do to help the  
celebration.  
The directors made a number of  
suggestions which Schell said he  
would relay to General Foods,  
pointing out that time was short  
to move such projects through a  
big corporation which operates on  
budgets prepared a quarter of a  
year in advance.  
Schell, who was here with Monta  
Moore, said his firm is very in-  
terested in the Golden Jubilee, as  
Mrs. Post is on the board of di-  
rectors of General Foods, one of

the major divisions of which is  
that of Post Cereals.  
Schell said that George Laim-  
beer, corporate vice president of  
General Foods, will be in Post for  
the Jubilee. Laimbeer formerly  
was managing director of Alfred  
Bird & Son, English subsidiary of  
General Foods at Birmingham,  
England.  
A two-mile parade route was out-  
lined Wednesday by parade chair-  
man Power.  
The parade will form at the ex-  
treme west end of Main Street,  
proceed east to the railroad tracks  
then west to the Lubbock Highway,  
then northwest to Post Stampede  
Rodeo Arena.  
Power said the riding groups'  
horses will be unloaded at the  
rodeo arena after arriving in Post,  
and will go from there to the  
starting point by way of the oil  
field road through northwest Post.  
Members of the parade chair-  
man's committees and their duties  
are: Shelley Camp, riding groups;  
Robert Meisch, bands; Leo M. Ac-  
ker, oil field equipment; James L.  
Minor, out-of-town mayors and  
other officials; Pat N. Walker, law  
enforcement agencies; Keith  
Kemp, antique automobiles; Lynn  
W. Duncan, local floats; Bryan J.  
Williams, out-of-town floats, and  
George "Scotty" Samson, float  
materials.  
Chant Lee, chairman of the his-  
torical window displays committee,  
asks that anyone having relics,  
heirlooms, etc., for display in store  
windows during the Jubilee furnish  
him a list.  
He said owners are asked not  
to bring in these items, but mere-  
ly to provide a list from which  
merchants may select articles for  
their window displays.  
The first kangaroo court session  
was held last Saturday, with "Jug-  
ge" O. C. (Oscar) Garner officiat-  
ing. The water tank just east of  
the Main Street and Avenue I in-  
tersection received a "rousing"  
workout following the first court  
session, with a repeat performance  
following on Tuesday. Kangaroo  
court sessions will be held every  
Saturday and Tuesday.  
Jubilee Belle costumes put in an  
appearance Tuesday and will be  
worn each Tuesday and Saturday  
from now until the Jubilee.  
Rehearsals are well under way  
See POST JUBILEE, Page 8

### Being Constructed On Courthouse Lawn

## Memorial Circle Nears Completion For Statue

Workmen this week are complet-  
ing construction on the courthouse  
square of a memorial circle which  
eventually will enclose a bronze  
life-size statue of C. W. Post, the  
town's founder.  
The memorial circle and pedes-  
tal for the statue are to be dedi-  
cated by Mrs. Marjorie M. Post  
of Washington, D. C., on Sept. 16  
during the city's Golden Jubilee  
celebration.  
Mrs. Post has received permis-  
sion to have the life-size statue  
of her father in Battle Creek,  
Mich., taken down long enough for  
a mold to be made. From this  
mold a replica of the statue will be  
made for erection here, possibly  
within the next year.  
The memorial circle is being  
constructed on the east side  
of the courthouse lawn. It is 10  
feet in diameter, and concrete

walks, six feet wide, are being  
built to the front of it from the  
present walk on the east side of  
the courthouse. Shrubbery has  
been removed from the immediate  
vicinity of the circle and is to be  
replaced with grass.  
The statue will be placed on a  
marble pedestal which will have a  
concrete foundation. An ornamen-  
tal bronze fence, two feet high,  
will enclose the statue and an ap-  
propriately inscribed bronze tablet.  
Illumination of the tablet and  
statue will be provided by a flood-  
light inside the ornamental fence.  
Roberts, Merriman & Bowden of  
Lubbock were consulting engineers  
for the project, on which construc-  
tion began after the plans were  
approved by Mayor James L. Min-  
or and County Judge Pat N. Wal-  
ker. The concrete work is being  
done by George "Scotty" Samson.

A LOOK AT THE PLANS — Plans for the C. W. Post Memorial  
are being studied by County Judge Pat N. Walker (left), George  
"Scotty" Samson (center) and Mayor James L. Minor. A life-size  
statue of Post, the town's founder, will occupy the 10-foot circle  
construction crew. — (Staff Photo).

## A Big Step Down A Long Road

All the doubts faded away Saturday night when the returns were in from the \$4,000,000 White River bond election. The people by whopping majorities had voted to pay the price for a permanent and plentiful water supply.

The residents of Ralls, Spur, Crosbyton and Post took a realistic look at the future and voted to stand together for a surface water supply.

The 18 months of planning, the long educational campaign to explain a complicated project to the voters, the campaign drives to prevent side issues from ruining all chances for success—all of these combined for the successful polls result.

This vote does not necessarily mean that the White River dam will ever be built. It simply means that it can be built if all factors are feasible.

The approval of the voters, as has been said before, is only the first big step down what may be a long road. Ahead lie the hurdles of obtaining a government loan of \$1,500,000, of selling the remaining \$2,500,000 in bonds to the investing public, and of each city voting the water contracts.

Before the bonds can be sold, the oil company contracts for surplus water must be worked out and firm commitments received from drilling firms in this area. For the next 20 or 30 years these firms would have enough water at a price they could afford to conduct extensive water flooding operations in oil fields in this area. Water flooding is used to obtain a much higher

percentage of oil recovery than by pumping methods. It is expensive, but not as expensive as the original drilling and well worth the price. The water will give oil activity here a boost, all to the benefit of Post.

If oil firms will agree to buy the surplus water and thus pay a good part of the district's operating cost, the government and the investing public probably will step in and buy the \$4,000,000 bond issue.

Each of the four cities must vote again on the water contracts—in other words each must agree to purchase the water from the White River water district. The margin in favor of the bonds Saturday indicates that this should be no problem if the other five were satisfactorily resolved.

The second election on the water contracts will give each town a chance to reexamine the project, be sure it is working out satisfactorily, before voters stamp final approval to the water contract. This factor was important in convincing voters in Spur to approve the bonds Saturday. The doubtful voters thus get a chance for re-appraisal and a second decision.

The margin of victory for the bonds was big enough, however, that there should be no problem to the water contract elections if the district directors can negotiate water contracts with the oil companies and loans with the government and private investors.

The White River project isn't a certainty—but it is very much alive. The long range future of Post as well as the other three towns was given a real boost Saturday.—JC

## THURSDAY to THURSDAY

By CHARLES DIDWAY

"WITH SO MUCH beauty and brains, how can we miss?" asked one observer Friday night as he looked over the 26 Jubilee Queen candidates during their briefing period at Antelope Alley youth center.

He was so right! Not only is there beauty and brains in abundance among the queen candidates, but they are typical Post girls. We mean by that that among the group are "Miss Post" winners and near-winners, rodeo queen winners and near-winners, girls who were high school or junior high school valedictorians and salutatorians and honor students, ex-high school basketball and volleyball players, 4-H Gold Star girls, former cheer leaders, band majorettes and pep squad members, etc., etc.

IN FACT, IF someone had hand-picked the queen candidates he couldn't have come up with a more typical bunch of Post girls. It's safe to say that the queen contest will be one of the top highlights of the city's 50th birthday celebration.

Two ghosts walked into a bar and asked the bartender, "Do you serve spirits?"

SOME FELLOW with little else to do (he isn't one of those working on Jubilee plans) has just finished a survey on worrying, and comes up with the most popular subjects worriers worry about:

1. Worry about disasters which, as later events proved, never happened—40 per cent.
2. Worry about decisions in the past that cannot be recalled or remedied—30 per cent.
3. Worry about possible sickness that never came—12 per cent.
4. Worries about children and friends—10 per cent.
5. Worries that have a real foundation—8 per cent.

Early to bed and early to rise—you'll miss some atrocious movies on TV late shows, but bump smack into some silly early morning show.

AT THE SCHOOL board meeting the other night, the trustees were discussing the hiring of school bus drivers for the coming term. The talk got around to how much noise and confusion the bus driver has to put up with. Board member Quannah Maxey, who used to drive a school bus, was asked how he ever managed to survive it. "Well, after the first mile, you can't hear anything anyway, so what difference does the noise make?" was Quannah's comeback.

"The average person has one leg shorter than the other," says an anatomist. That probably explains why some of us go around in circles much of the time.

IN THE RUSH of things, such as covering rodeos, Golden Jubilee plans, preparations for school opening, etc., we've plumb forgot to find out when the city swimming pool will close for the season. So, when a fellow called and asked us the other day, we had to confess we didn't know. We'll find out, though, before all this week's last-run news is in, and chances are you'll find the closing date elsewhere in this issue.

A Post housewife observes that you used to have to wait for the bread to cool before you could eat it; now you have to wait for it to thaw before you cook it.

WE'VE BEEN sitting here listening to a couple of women discuss what sort of costume they are going to wear as their pioneer garb for the pre-Jubilee hi-jinks. Their discussion has been no different from the one carried on by women about any sort of wearing apparel, ancient or modern. Such discussions are meaningless to menfolk, but then they probably make as much sense as the conversations the men carry on about their Jubilee beards.

The zoologist may be mistaken in saying there is no such thing as a whiffenpoof. That's what the farmer said about the giraffe the first time he saw one.

ANOTHER POST boy who has entered the newspaper field is Gaylord Anderson, son of Mr. and Mrs. Vachel Anderson. Mrs. Anderson was in Thursday to subscribe to The Dispatch for Gaylord and told us he was employed as a journeyman printer on the Corpus Christi Times. Gaylord, who attended Texas Tech for three years, plans to finish his college education at the University of Corpus Christi. With Gaylord at Corpus are his wife and 14-month-old daughter, Holly Suzanne.

Soap was first used strictly as a covering for wounds. But, in 150 A.D. a Greek physician, Claudius Galen, discovered soap went well as a cleanser in the bath.

The costs of all accidents in the United States in 1956 were enough to provide three shoes of Salk vaccine for every person in the world.

Mexico and Guatemala sources of most of the supply of chicle, a milky is the basis of chewing

## 'Phone Rate Case Still 'Hanging On'

The Post city council indicated at its last regular meeting that a compromise rate increase schedule would be drawn up for presentation in the current rate case between the city and General Telephone Company of the Southwest. We're of the opinion that many people would be glad to see such a move made by the city if it would expedite an agreement in the case. Things have been at a stalemate long enough between the city government and the telephone company.

The telephone company's first request for a rate increase was made more than four years ago. Developments since that time have been one flat turn-down of the request, made several months after it was submitted, and the submission several months ago of a new request in which the company promised dial telephone service and improved rural service in return for rate increases. Since the city council has indicated that they believe the telephone company is entitled to some sort of rate increase, we think they either should go along with the one asked by the company or submit one of their own for the company's approval or disapproval. It just isn't good business to keep stalling on such a matter, and we can think of no better word to describe the city's attitude toward the rate increase request.

On the other hand, if the city council is of the opinion that the telephone company is not entitled to a raise in rates, then it should flatly reject the current request. To the city's credit in trying to arrive at a solution, it can be said that they have made an attempt to feel out the public on the question of a rate increase, but have met with little response. Several months ago, the mayor requested citizens to make known their views, in person or by letter, on the company's request, but not more than three or four responded.

The telephone company cannot be blamed for wanting a raise in rates if, as they contend, they are not receiving a fair return on their investment here. It is now a matter of record that the company has provided the city council with every item of information the council has requested in its consideration of the rate boost request. There is nothing else to wait on. The company's request should be granted or turned down, or a compromise rate boost schedule offered by the city. In view of the crying need of better telephone service in the city and in the rural areas, no one stands to gain by a stalling action.

The company's representatives have said again and again since making their second request for a boost in rates that they are anxious to convert the Post exchange to a dial system, since it is the only one in the district not equipped or being equipped with such a system. If the Post subscribers do not want a dial telephone service and if the city council is confident that a majority of the subscribers do not want it, then they would be justified in counting it out of the company's promises in its rate increase request. The same thing goes for improved rural service.

There is also the argument that the telephone company should improve its service before expecting any increase in rates. This argument definitely has its points, but the company has told the council that it can hardly be expected to improve service when it is not getting a fair return on the type of service now being offered. That's another one of the many things bringing on the stalemate. In every case like this, there are all sorts of "bugs," but they can't be eradicated by stalling. As things now stand, it's either "do" or "don't" or "how about doing it this way." Submission by the city council of a compromise rate increase offer might well be the means of ending this four-year-old rate case of which we're all good and tired.—CD

## Floats Help 'Make' Any Parade

Congratulations to the Chamber of Commerce for being one of the first to announce its intentions of sponsoring a float in the Golden Jubilee parade on Sept. 14. We hope many other such announcements are forthcoming.

A parade replete with bands, floats and riding groups will do much to assure the over-all success of the Jubilee celebration. In an anniversary celebration, rodeo, etc., the opening

parade serves the same purpose as the starter's gun in a foot-race.

A parade sets the stage for what is to follow, hence one that doesn't measure up to the stature of the program proper serves to detract from the over-all picture. We can assure ourselves that this doesn't happen in our Golden Jubilee parade if enough clubs and other organizations and business firms will sponsor floats.—CD

## Small Towns Places Of Progress

The small town of America, like Post, is where the progress of our country is made. It is in the small towns that community projects and self-improvement reach their fullest expression. Community pride and good citizenship are often more apparent in the small towns of the United States than in larger cities.

It is in the small towns that community projects and self-improvement reach their fullest expression. Community pride and good citizenship are often more apparent in the small towns of the United States than in larger cities.

In addition, life is more wholesome and probably healthier. The product of the small town—the average U. S. citizen—is usually a more likeable citizen, and a better balanced one, according to the psychologists. This does not mean that those from the metropolitan areas are abnormal

or unattractive citizens, but it merely means that the edge goes to those from the small towns, the typical U. S. community.

Business is realizing the advantages available in small towns and many of the large corporations are moving their huge plants to the smaller towns of the nation. More and more, the country's top executives and the wealthiest citizens are moving to small towns, where they can enjoy a slower pace of life, a more normal and a more wholesome life.

While the great metropolitan areas are wonderful to visit, containing amazing examples of engineering genius and business and industrial activity, it is the small town and the rural community which is the backbone of America and where the real progress—the real Americanism from the grassroots—is to be found.

## Clipped Quips From Other Newspapers

Walter Reuther says: "When you find a crooked labor leader who took a bribe from a crooked employer, put them both in jail for about fifteen years and give them plenty of time to talk it over among themselves." Secretary of Labor Mitchell says: "There are two types of labor hoodlums—the corrupted apostle of labor's cause and the committed criminal who, after a life of crime, attaches himself to the labor movement. The second invariably depends upon the

first to gain access to the movement."

A Texas cattlemen's association unanimously opposes a proposal to substantially increase truck load limits on Texas roads, on the grounds that the roads were designed primarily for use by private citizens and for bringing the products of farms and ranches to market. Heavy trucks, it adds, have done great damage to some highways.

### OKLAHOMA, NEW MEXICO WELL REPRESENTED

## 185 Contestants Come From Far And Wide For Post Junior Rodeo

A total of 185 contestants from far and wide took part in the 10th annual Southwestern Championship Junior Rodeo here Aug. 7-10.

The entry lists showed the following contestants:

**Jerry Charles Andis, Coleman;** Joe Anthony, Lubbock; Jay Thoran Avent, Tulia; Earl Acton, Toyah; Sonny Adams, Olton; D. H. Bolch, Tahoka; Dale Burnett, Ropesville; Dick Byrns, Lubbock; Leroy Bolinger, Dimmitt; Billy Gene Baumbach, Old Glory;

**Jerry Bailey, Beaumont;** Powell Berry, Snyder; Keith Bird, Lubbock; Robert Don Brooks, Tulia; Jerry D. Brown, Albuquerque, N.M.; Buddy Wayne Blue, Palo Pinto; Deloid Burr, Checotah, Okla.; Sheila Rhea Barnett, Sweetwater; Jimmy Garland Burrows, Lubbock; C. E. Boyd III, Sweetwater; Charles (Dusty) Bogard, Bula;

**Kay Boyd, Sweetwater;** John T. Brown, Post; Alvin Bradshaw, O'Donnell; Edwin Bice, Vigo Park; Jake Coleman, Big Spring; Eddie Lee Childs, Floydada; John Collins, Lorenzo; Weldon Carraker, Clairemont; Jimmy Cloud, Snyder; Hugh Club, Beaumont; Ted Carson, Big Lake; Denny Calhoun, Las Cruces, N.M.;

**Alton Boyd Carter, Tuscola;** Fred Clement, Lamesa; Ned Clement, Lamesa; Connie Connell, Dermott; Charles W. Cobb, Claude; Norman E. Davis, Floydada; Pat Daugherty, Alamogordo, N.M.; Gary Byron Daniel, Lubbock; Bill Mac Davidson, Hermleigh; Dwain Dotson, Idalou; Ronnie Flenniken, Floydada; Sue Flenniken, Floydada; Don Essary, Skellytown; Clyde A. Fort, Lovington, N.M.; Tommy Flenniken, Floydada;

**Jane Ford, Abilene;** Judy Ford, Abilene; Bill Evans, Matador; Phillip Neilsen Estep, Lorenzo; Alton Gail Estep, Lorenzo; Keith Follmer, Beaumont; Allen Lee Ehresman, Glenrio, N.M.; John Ed Fry, Abilene; Betty Lee Fry, Abilene; Bill Flowers, Aspermont; Jim Fullingim, Petersburg; Borden Gray Jr., Gail; Dee Groff, Estancia, N.M.;

**Raymond Dennis Grimes,** Seagraves; Freddie L. Greer, Dallas; Galand Poe, Dallas; Marvin Lawrence Gilreath, Mesquite; Gene Elwyn Griffin, Snyder; Leonard Groves, Snyder; Jerry Hellums, Oil Center, N.M.; Billy Hataway, Snyder; Wendell Eugene Jones, Enochs; Roger Jones, Enochs; James Holcomb, Rule; Delbert Hataway, Snyder;

**Jay Ray Howe, Panhandle;** Sonny Harrell, Snyder; Kay Jensen, Albuquerque, N.M.; Jerry Harlan, Slaton; Lee Wayne Hayes, Alpine; Richard Wayne Hart, Post; Sonny Hart, Post; Ronnie Hart, Post; Kenneth Hart, Post; Sidney C. Hart, Post; Johnny Ed Howe, Panhandle; Jarvis Herbst, Idalou; Donald Hurt, Guthrie; Jack Hammonds Jr., Tuscola;

**Willard Lee Johnson, Abilene;** Jerry Holton Jones, Lamesa; Dee Jensen, Albuquerque, N.M.; Peggy Sue Jackson, Colorado City; Clovis Bailey Lawson, Old Glory; Jim Kelly, Caddo; Jerry Long, Roswell, N.M.; John B. Koonsman,

**Snyder; Mack Long, Fort Worth;** Ronnie Kennedy, Post; Tom Koger, Lamesa; Larry G. Keith, Paducah; Bobby Leonard, Idalou;

**Jimmy Don Leath, Rhome;** Rex Loftis, Springlake; Albert Milton Lamb, Ralls; Billy Lyle, Ralls; Jimmy Manning, Dimmitt; Truman Mauldin, Sylvester; Pat McDaniel, Abilene; Jack Mitchell, Aspermont; Richard Miller, Snyder; Jerry Don McCampbell, Post; Craig L. McAdams, Weatherford; Rigor Mardis, Muleshoe; Tessie McCrary, Warner, Okla.; Harry Miller, Littlefield; Howard Glenn McDonald, Tularosa, N.M.; Gene McCauley, Ralls; Fred Myers, Southland; Mike McAfee, Aspermont; Joe Price Maddox, Colorado City; Donald McClure, Graford; Sis Miller, Pecos;

**Doug Miller, Pecos;** Joe Arlan Noland, Lockney; Sherrill Overturn, Odessa; Patrick Keith Neff, Colorado City; Steve Nail, Dunn; Berle Overman, Clairemont; Bobby Newsom, Lubbock; Bobby Pruitt, Penwell; George Powell, Colorado City; Wesley Odorizzi, Lubbock; Daniel Pantoja, Post;

**Joe Duane Pattie, Muleshoe;** Jacques Phillips, Vega; Gilbert D. Prather, Abilene; Wayne Qualls, Haskell; Billy Roberson, Snyder; Maxine Rogers, Colorado City; Mike Reid, Tulia; Sue Reid, Tulia; Cecil Richardson, Abilene; Darrell Rhoads, Abilene; Almeida Ratliff, Lubbock; Elson C. Rose, Field-ton;

**Robby Robinson, Snyder;** Jack Roemisch, Hermleigh; Don Sealy, O'Donnell; Leon Swift, Amarillo; Charles Smith, Hermleigh; John Stoke, Evant; Glenn Sandusky, Merkel; Bobby Smallwood, Matador; Becky Sumerlin, Roby; Sandra Sue Smallwood, Cisco; Dale Scarbrough, Cresson;

**Eddie Singleton, Seagraves;** Curtis Ray Steel, Post; Jerry Springer, Snyder; Dean Stator, Snyder; Butch Scott, Sylvester; Bubba Swann, Colorado City; Billy Settles, Meadow; Booger Townsend, Snyder; Edward L. Templin, Dallas; Pete Timmons, Meadow; Linda Ward, Lorenzo;

**Nig Wyatt, Jayton;** Ronald Welch, Silverton; John Ward, Snyder; Pete Wilburn, Abilene; Geraldine Wilcox, El Paso; Dick Wellborn, Socorro, N.M.; James Williams, Post; Noel White, Post; Stanley Wilson, Muleshoe; Bugs Wright, Big Spring; Arlie Weatherman, Idalou; Brenda Whiteaker, Abilene.

### Items From Over The Area

## West Texas In Review

**RODEO DATES SET**  
COLORADO CITY—Bob Estes of Baird will produce Colorado City's 21st Annual Frontier Round-Up Rodeo Aug. 29, 30 and 31. The Colorado City Junior Chamber of Commerce is sponsoring the three-day rodeo with Estes producing it.

**INSECT STUDY**  
FLUVANNA—Between 35 and 40 farmers, most of them from the Fluvanna area, turned out for a meeting on insect identification problems and control methods. Talking to the group and working with the farmers on a field trip was Oscar Fowler, Scurry County agent.

**JOIN HIGHWAY MOVE**  
RALLS—Some 25 directors and guests attended the Lubbock-to-Fort Worth Multi-lane Highway Assn. meeting in an effort to further promote a four-lane highway through Ralls, Crosbyton, Dickens, Seymour, Olney, Jacksboro on into Fort Worth.

**CHURCH LETS CONTRACT**  
SEMINOLE—The first Methodist Church of Seminole has awarded a \$102,132 contract for construction of a new church sanctuary. Completion is expected in eight months.

**RODEO RECEIPTS**  
MORTON—Gate receipts at the seventh annual Texas' Last Frontier Rodeo were estimated in excess of \$2,900, the largest in Morton's rodeo history. The two-night gate was over \$2,200 and more than \$700 in advance tickets were sold.

**LATCH STRING OUT**  
LITTLEFIELD—"Latch String Week" was inaugurated in Littlefield, with businessmen visiting farm homes throughout the territory and getting acquainted with farmers and their families. Problems of the farm and problems of the merchant are being discussed on each visit and ideas on each are being exchanged.

**SHORTS PROTEST**  
PECOS—Members of the Pecos city council, meeting in regular session at city hall, were requested by a delegation of women from

### Fair Booster Visit Is Slated For Sept. 11

LUBBOCK — Lubbock boosters will be in Post on Wednesday, Sept. 11, to tell of plans for the 40th annual Panhandle-South Plains fair which will be held at the Lubbock Fairgrounds Sept. 23-28, inclusive.

The Lubbock Lions Club will sponsor this Good Neighbor trip, which will be made in air conditioned buses. The boosters will distribute souvenirs, free tickets to Kid's Day at the fair and literature. They plan special entertainment while in Post and will call upon as many residents of that city as possible.

Here's the complete itinerary for the Sept. 11 trip: Ropesville, Meadow, Brownfield, Wilson, Tahoka, O'Donnell, Lamesa, Gail, Snyder

### FAMILY INTERVIEW

DES MOINES—One of the interviewers in a Des Moines traffic survey caused a mild sensation recently. He left his post, walked over to a car being driven by a pretty girl, leaned in, and gave her a kiss. Turned out that she was his wife.

### FROM DALLAS

Recent guests in the home of Mrs. Carl Clark were Mrs. Nina Kincannon and daughter, Alma, of Dallas. They are former Post residents.

The schedule of arrival and departure times and other details of arrangements will be completed within a few days.

Phone 250.

## 10 State Patrolmen Being Assigned To 33-Mile Toll Road

A contingent of ten Texas Highway Patrolmen has been assigned to the new 33-mile toll road, linking Fort Worth and Dallas, to be opened to the public in the near future.

Jack Sutherland, currently captain of the Fort Worth patrol district, has accepted the lower rank of sergeant in order that he may be assigned to the command spot of the crew that will patrol the modern thoroughfare.

Other patrolmen assigned to the toll road are: E. J. Wimberly now stationed at Weatherford; L. E. Wickham, Fort Worth; J. O. McMains, Fort Worth; C. M. Lewis, Fort Worth; R. L. Taylor, Arlington; J. B. Claybrook, San Antonio; D. K. Stevens, Ballinger; J. W. Wilson, Tyler, and Leroy C. Swope, presently stationed at Brownsville.

The patrolmen will use the latest and most efficient equipment in their toll road assignment. Their patrol cars will be new models fully equipped with police, high powered, interceptor engines for maximum acceleration and high speed. The patrol units also will have red dome lights, and two sets of radios connecting them with the Texas Department of Public Safety and the Toll Roads Authority.

## Meet these happy POST people!

What pleases me so, is the wonderfully high TRADE-IN ALLOWANCE we got from TOM POWER

Buying a car didn't cost nearly what we thought it would!

Me? I didn't think I was ready to buy . . . until I found out about the EASY TERMS at TOM POWER

And the way they roll out the red carpet for you at TOM POWER it's terrific!

Come in and try what we honestly believe will be the happiest driving you've ever experienced—the '57 Ford.

It's easy driving every mile of the way—with big reserves of cream-smooth Ford power ready and waiting for your command. Have yours in the world's most modern "six"—Ford's new Mileage Maker Six—or any one of Ford's fine V-8's.

As for comfort, there's not another car

in Ford's field that rides you in such soft, quiet, living-room luxury. The "cabin" is spacious, more liberally insulated than any other in the low-price field. And beneath it is a totally new "Inner Ford"—the last word in heavier, heftier construction.

See us today! You'll find plenty to please you . . . the car itself—the extremely high trade-in on your present car—and the satisfying terms we'll be happy to arrange.

BE HAPPY! BUY A F-O-O-R-D NOW FROM

**RATED HIGH IN HELPING TEEN-AGERS**

**4-H Leadership And Achievement Programs Make For Good Citizens**

The 4-H Leadership and Achievement programs are rated high in helping teen-age boys and girls become solid citizens of the future. National recognition awaits 14 members who have done a superior job in carrying out objectives of the programs. The 1957 champions will be announced next December during the national 4-H Club Congress in Chicago.  
 Besides high honors, the national winners will each receive \$400 college scholarships; 12 in achievement and two in leadership. In addition the two top achievement winners will be presented with a beautiful gift of silverware from the President of the United States. The two national leadership winners will receive silver trophies from Edward Foss Wilson, formerly of Chicago and now Assistant Secretary, U. S. Department of Health, Education and Welfare.  
 Early this fall, awards also will be made to county and state winners. Both programs are arranged by the National Committee on Boys and Girls Club Work and conducted by the Extension Service.  
 Ford Motor Company supports the achievement program, providing the national, state and county awards, and some gold-filled medals will be given to four outstanding 4-H members in each county, while the state winner will receive an expense-paid trip to the Chicago Congress. The program encourages club members to set high goals for themselves and to "make the best better" in whatever they undertake.  
 Mr. Wilson has supported the leadership program for 20 consecutive years. In addition to the national awards, he provides gold-filled medals of honor for the outstanding boy and girl in each county; pen and pencil sets for the two who are selected as state winner. Expense-paid trips to the Chicago Club Congress will be given to four boys and four girls representing the four Extension sections.

**'Siamese' Cantaloupes, 'Cob' Muskmelon Found**

"Siamese twin" cantaloupes and a "cob" muskmelon were brought to The Dispatch office Tuesday by Glenn Davis, who farms in the Graham community.  
 Davis said a cob muskmelon is one in which the seeds are in the form of a cob, and that they are also known as "billy" muskmelons.  
 The twin cantaloupes are perfectly formed and of average size but joined from the top to the bottom.

**RETURN FROM CROWELL**

Mr. and Mrs. W. A. Long returned from Crowell Sunday after visiting with his mother, Mrs. W. J. Long, who is seriously ill. Ray Long came home with them for an extended visit.

**FISHING AT SAN SABA**

Mr. and Mrs. Wade Terry, Judy McCampbell, L. G. Thuet, Sr., Mr. and Mrs. Earl Terry and daughter, Judy, of Tahoka spent the week fishing at San Saba.

**VISITS BROTHERS**

Mr. and Mrs. Lewis Kiker and their four children of Grandview are visiting with his brothers, J.R. and Charlie Kiker.

**WEEKEND IN CARLSBAD**

Mr. and Mrs. Roy Brown, Jr., Richard and Paul, accompanied by Alice Fay Kiker, spent the weekend in Carlsbad, N.M., visiting his parents, Mr. and Mrs. Roy Brown, and Mr. and Mrs. Howard Brown.

**THANKS**

**For Your Vote Of Confidence**

The overwhelming majority given the White River Municipal Water district bonds in Saturday's election makes us feel that our efforts and your efforts to secure an adequate water supply are bearing fruit.

We wish to express our sincere and heartfelt thanks to every voter who cast a vote in Saturday's election. We gratefully feel that it was "a vote of confidence" in our efforts to assure the city an adequate water supply in the years to come.

By voting the White River bonds, you have made it possible for us to continue on a project which has been deemed the feasible solution for our water problem. You have cast a vote for your city's future.

In addition to the individual voters casting ballots in Saturday's bond election, we wish to thank all civic and service and other type organizations which have assisted us in our educational campaign and in getting out the vote. These include the Post Lions club whose members provided transportation to and from the polls for those who needed rides.

We also wish to thank the Post Independent School District, the Chamber of Commerce, and the Garza County Commissioners' Court for going on record as in favor of the project.

An unfavorable vote Saturday would have undone some 18 months of efforts by Post and three neighboring cities to find an ample surface water supply. We have taken a long step in the right direction with the approval of the bonds. Much of course remains to be done before our goal is reached but we are confident that it will be reached in due time and the White River dam will become reality.

Post, today, is nearer a solution of its water shortage problems than it ever has been. Our efforts have been no greater than your own. Without your help, a solution might never have presented itself, because YOU ARE the city. We are only your elected officials, acting in your behalf.

Again we say "Thank You" to every individual and to every organization which has helped us come this far.

**WHITE RIVER DISTRICT DIRECTORS:**  
 Tom Bouchier, Chairman, Dr. A. C. Surman, R. J. (Rube) Jennings

## Member Honored By Merry-makers Club

The Merry-makers Club met last Thursday afternoon in the home of Mrs. J. F. Storie.

After a business session, the meeting became a birthday party honoring Mrs. L. W. Dalby on her 80th birthday. She was presented with gifts and a birthday cake.

Special guests for the occasion were: Mrs. R. L. Kirkendoll, Mrs. H. B. Conners of Graham, and Mrs. E. E. Gradine and daughter, Jo, of Shreveport, La.

Members present were: Mmes. Dave Sims, Bonnie Adamson, H.N. Crisp, Alice Parsons, A. E. Floyd, Lonnie Peel, Floy Richardson, L. W. Dalby, Wren Cross, S. C. Storie, Sr., and the hostess.

Refreshments of punch, ice cream, cake and mints were served.

The next meeting will be in the home of Mrs. Bonnie Adamson on Aug. 27.

## B&PW Has Luncheon In Fellowship Hall

Post Business and Professional Women met in Fellowship Hall of the First Methodist Church Aug. 15 for a luncheon and business meeting.

Mrs. Eleanor Webb, vice president, presided in the absence of Miss Jessie Pearce who was ill.

Miss Agnes Windham had charge of the program which was on the White River bond election held Aug. 17.

Plans were made for the year book for the coming club year.

Present were: Mrs. Ruth Lee, Miss Agnes Windham, Mrs. Ruth Young, Mrs. Winnie Tuffing, Mrs. Fritz Greenfield, Mrs. Helen Taylor, Mrs. Helen Welch, Mrs. Eleanor Webb, Mrs. Katharine Trammell, Miss Wilma Pirtle, Miss Nora Stevens, Mrs. Vada McCampbell, Miss Maxine Durrett and Mrs. Estlea Nichols.

## Dinner, Bridge Fete Rotary Governor, Wife Monday Night

Mr. and Mrs. Glenn Whittenberg were hosts at a dinner Monday evening in their home honoring the governor of the 573rd District of Rotary International, Morris Higley of Childress, who is making his annual official visit to each of the 43 clubs in West Texas. Whittenbergs is president of the local Rotary Club.

Present were club directors and committee chairmen who held a club assembly following the dinner. Directors are: Tom Power, Dr. Harry Tubbs, Jess Michael, Dr. B. E. Young and Giles McCrary. Committee chairmen present were: R. K. Green, Dean Robinson, Leo Acker, Earl Rogers, T. R. Greenfield, J. A. Stallings, Harold Lucas, Tom Bouchier, T. L. Jones, Shelley Camp, C. H. Hartel, R. J. Jennings, Harold Voss, Powell Shytles, and Jim Cornish.

Also present were Mrs. Higley, Mrs. Power, Mrs. Green and Glenda Whittenberg.

## Treasure Hunt Begins Shipwreck Party Which Is Held In Herring Home Saturday

Invitations written on torn brown paper invited guests to a shipwreck party at Ball-"who" Island Saturday night. The island was the home of Mr. and Mrs. Clint Herring, at 815 W. Main, and the hostess was Jan Herring.

As the guests entered the door, in tattered and torn attire, they were started on a treasure hunt with clues written in the form of jingles. Treasures were throughout the house and yard.

Several appropriate games were played and after a session of dancing on the backyard terrace two kings and two queens of "bop" were crowned with flower leis. The kings and queens were Chris Cornish, Lee Williams, Barbara Mills and Leslie Acker.

Refreshments of tostados, bean dip, sandwiches, cakes and cookies were served from a table on the terrace decorated with hurricane lamps. Hurricane lamps also decorated the entire backyard. Other decorations were made of fish nets, seaweed, shells and driftwood which the Herrings had collected in their travels.

Guests present were: Jeanette Hutto, Barbara Mills, Vonda Howell, Chris Cornish, Ann Pennington, Glenda Hutto, Pam McCrary, Janice Moreman, Alyn Cox, Don Shubarth, Roger Camp, Billy Hamilton, Buddy Moreland, Ken Rankin, Ronny Driver, Leslie Acker and Lee Williams.

## Postscripts

Pam McCrary was honored by her grandmother, Mrs. I. N. McCrary, with a pre-school swimming party Friday afternoon. Following swimming, the group had refreshments at Colliers' Drug and attended an early evening movie. Invited guests were: Jan Herring, Glenda Hutto, Chris Cornish, Alyn Cox, Barbara Mills, Vonda Howell, Frankie Sue Howell, Ann Pennington, Marianne Jones, Stanna Butler and Janith Short.

Guests in the home of Mr. and Mrs. Leo Cobb last Thursday were her cousin and wife, the Rev. and Mrs. W. O. Harper of Nigeria, Africa, where he is a Southern Baptist Missionary and Mrs. Harper teaches the native language to other missionaries and their children. Mr. Harper is also the nephew of Mrs. B. K. Bowen.

Mrs. T. L. Jones returned recently from an extended vacation in New Mexico where she visited friends with whom she attended college. Her lengthiest stay was at the Hi-Mile ranch in the northwestern part of the state. She also was at Clayton, Raton Pass, Eagle Nest Lake, Ute Park, and Red River. She visited the art museums of Taos and the historical museums of Santa Fe.

Members of the entertainment committees of Amity Study Club and the Woman's Culture Club met Monday in the home of Mrs. C. R. Thaxton to make final plans for the clubs' breakfasts which will usher in the new club year. The Amity Study Club's breakfast will be held Sept. 7 and the Culture Club's will be Sept. 11, both at the Methodist Church's Fellowship Hall. Representing the organizations were: Mmes. Powell Shytles, Jack Burress, Hub Haire, Lee Davis, Walter Boren and Ed Warren.

Mrs. Dessie Hardwick and son, Stanley, of Clovis, N. M., who have been house guests of Mr. and Mrs. Wallace Simpson this week have returned home. While here Mrs. Hardwick was extended the courtesy of several bridge parties in the Simpson home and they also attended the rodeo.

## Kathy Stone's Parents Honor Her With Party

Mr. and Mrs. James Stone entertained Friday night from 8 to 11 p.m. with a party honoring their daughter, Kathy, on her 14th birthday.

Church in Denver, Colo. A basket picnic lunch will be served at the noon hour. The afternoon service will begin at 2 p.m. with a song and praise service directed by Elmer Butler. The speaker for the afternoon program will be the present pastor, Roy S h a h a n. The speaker for the evening hour will be another former pastor, the Rev. Joe F. Grizzle, pastor of the Post Church from 1921 to 1924. Grizzle is now retired and living at San Benito. The people of Post and surrounding communities are extended an invitation to these services.

## Mrs. Higley Honored

Mrs. Morris Higley, wife of the governor of the 573rd District of Rotary International, was guest of honor at a bridge party in the home of Mrs. Tom Power Monday evening at 8:30.

Other guests were: Mmes. Giles McCrary, Irby Metcalf, Powell Shytles, James Minor, Jess Michael, Glenn Whittenberg, R. K. Green and Shelley Camp.

## Guild Members To Attend Conference

Mrs. Boo Olson opened Tuesday night's meeting of the Wesleyan Service Guild with piano prelude followed by the call to worship by Mrs. Lonnie Welborn. Miss Maxine Durrett sang a hymn.

Mrs. B. E. Young had charge of the program on "Methodist Missions On The Islands in the Caribbean."

The business session was presided over by Miss Jessie Pearce. Miss Pearce and Mrs. Welborn have a report of their recent trip to the Guild Weekend at Ceta Canyon. The group voted to serve the Woman's Culture Club at their opening breakfast in Fellowship Hall Sept. 11, as a money raising project.

Arrangements were made for several members, as yet unnamed, to attend the Methodist Coaching Conference for officers in the Pioneer Methodist Church in Lubbock on Aug. 25.

Miss Thelma Clark served refreshments to: Miss Durrett, Miss Pearce, Mrs. Welborn, Mrs. Young, Mrs. Tol Thomas, Mrs. L. C. Herron, Mrs. Malcolm Bull, Mrs. Bob Collier, Mrs. C. R. Smiley, Mrs. Thurman Francis, Mrs. Olson and a guest, Mrs. Myrtle Boler of Laurel, Miss., who is Mrs. Welborn's sister-in-law.

Adults present were Mr. and Mrs. Elvius Davis, Mr. and Mrs. Jerrel Stone, Mrs. Walter Jones and Mr. and Mrs. James Jones.

## Walter Duckworth Home Is Scene Of Tea-Shower For Carolyn Boren Tuesday

Miss Carolyn Boren, bride-elect of Harry Don Adams, was honored with a tea-shower given in the home of Mrs. Walter Duckworth Tuesday from 7:30 to 9:30 p.m.

In the receiving line were Mrs. Duckworth, Miss Boren, Mrs. Walter Boren, mother of the bride to be; and her grandmother, Mrs. John Coleman.

The bride-elect's cousin, Miss Jane Francis presided at the guest register.

Members of the house party wore corsages of red and white carnations.

Covering the tea table was an imported white linen cloth decorated with a centerpiece of red and white flowers in a silver bowl. Other table accessories were red tapers and a miniature bride and groom. Appointments of silver and crystal were used. Further carrying out Miss Boren's chosen colors of red and white were floral arrangements throughout the house.

Miss Boren wore a white polished cotton sheath dress and a red carnation corsage.

Among the out-of-town guests were Mrs. Tom Wood of Lamesa, Mrs. Charles Prather of Austin, Mrs. W. H. Evans and daughter, Jettie, Mrs. Ruh Brown and Bonnie, Mrs. Harvey Austin, Mrs. H. L. Johnston, Mrs. O. G. Michelson and Mrs. Dorrance Guy all of Lubbock.

## Lucy Ann Howell's Engagement Announced

The Rev. and Mrs. Graydon Howell announce the engagement of their daughter, Lucy Ann, to Jerry White, son of Mr. and Mrs. Forrest White of Lubbock.

No date has been set for the wedding.

## Mrs. Pippin Is Wed To Homer McCrary

Mrs. Eleanor Pippin and Homer McCrary were married in Roswell, N.M., Aug. 15 at 4:30 p.m. and spent the remainder of the week in Cloudcroft, N.M.

Mrs. McCrary is employed by Mrs. Surman and Williams in the Medical and Professional Building and McCrary is the owner of McCrary Appliance Company.

L. T. Askins is the father of the bride and McCrary's mother is Mrs. S. W. McCrary.

DRESS REVUE — These are five of the girls, all in the senior division, who competed in the annual Garza County 4-H Dress Revue in the City Hall auditorium. From left to right: Jessie Carolyn Ward, Sharon McGehee, Patricia Wheatley, Beatrice Kiesel and Ruth Ann Long, who scored the most points in the senior division.—(Staff Photo).

## Long To Represent Garza County 4-H In Lubbock Revue

The overall high point winner of the revue was Linda Camden, junior.

Judging the event were Miss Wanda Roach of Tahoka, Miss Connie Crow of Gail and acting in the absence, due to illness, of the Garza County home demonstration agent, Miss Jessie Pearce, was Mrs. Robert Mock.

Those receiving special recognition were:

Senior blue ribbon winners: Ruth Ann Long, Beatrice Kiesel and Pat Wheatley.

Senior red ribbon winners: Jessie Carolyn Ward and Sharon McGehee.

Intermediate blue ribbon winners: Shirley Bostick, Linda Pennell and Marilyn Minor. In this group Judy Clary and Danella Bateman had their dress construction judged but did not model and could not be classed in the group.

Junior blue ribbon winners: Linda Camden, Juanita Wilson, Diana Berron, Judy Poole, Barbara Mock and Sherry Beavers.

Junior red ribbon winners: Diane Kiker and Janet Peden.

High point intermediate was Cynthia Altman.

## Miss Eades Leads Program For WMU

Mrs. George Shirley opened the Monday morning's meeting of the Baptist WMU meeting with a prayer, followed by the devotional by Mrs. Henry Bilberry.

Miss Louella Eades was in charge of the program on "Giving the Water of Life in Europe," and was assisted by Mrs. J. P. Manly, Mrs. Manue Samples, Mrs. R. H. Tate, Mrs. Roy Shahan, and Mrs. Shirley.

Mrs. Tate led the closing prayer of this Royal Service Program.

Next Monday's meeting will complete the group's stewardship study.

## Calvary Sunbeams Are Entertained At Social

Mrs. Graydon Howell honored the Sunbeams of the Calvary Baptist Church last week with a social in her home.

These members of the church's primary department prepared exhibits on four of the topics they had been studying; they were Mexico, Alaska, Japan and the American Indian.

Refreshments were served to: Sandra and Timmy Howell, David Pierce, John Allen McVay, Linda Hays, Edith Johnson, Lois Gill and Richard Brown.

**Anthropologist Makes Folk Medicine Study**

AUSTIN (Sp.) — Folk medicine among Mexican-Americans in Texas is being studied by a University of Texas anthropologist under a grant of approximately \$14,000 from the University's Hogg Foundation for Mental Health.

The research should help define the problem of mental health among the Mexican-Americans and aid in developing a more effective public health program for an important segment of the state's population. Dr. William Madsen, who is making the study in the Lower Rio Grande Valley, said.

The two-year project began this summer. It is expected to yield new information on Mexican-American culture in Texas and to provide data for formulating and testing the anthropological principle of transfer of cultural elements from one social group to another.

The Hidalgo County Health Unit and other groups in the Valley are cooperating with Dr. Madsen in the project.

**VISITS IN LORENZO**

Lyn Alyn Cox, daughter of Mr. and Mrs. Robert Cox, spent a few days in Lorenzo recently visiting Linda Ward, daughter of Mr. and Mrs. Howard Hopkins.

Let Me Make Your RUBBER STAMPS 24-Hour Service JOHN DAVIS 120 N. Ave. N Phone 439W

**VA Questions And Answers**

Q. In connection with my disability compensation, I requested the added amount allowed for dependents, and VA asked me to submit evidence of the birth of my child. What kind of evidence would VA want?

A. VA would prefer a certified copy or abstract of the public record of birth, or a certified copy of the church record of baptism.

Q. Since I have been totally and permanently disabled for six months, I applied to VA for waiver of premiums of my GI insurance policy. May I stop paying premiums now?

A. No. You should continue to pay premiums regularly, until you receive notice from VA that your application for waiver has been granted. All premiums paid after the effective date of the waiver will be refunded to you.

Q. I am the widow of a World War II veteran who died of a service-connected condition. I understand I am eligible for a GI loan. I live in an area where direct VA loans have been authorized. Could I get a direct loan, or are they limited only to veterans, and not to widows of veterans?

A. You would be eligible for a direct VA loan, so long as you live in an area where direct loans have been authorized.

Q. I want to sell my GI house. Do I need VA's consent to sell, if the GI loan is not being paid off?

A. You do not need VA's consent to sell your property. However, if you wish to be released from liability, you must apply to VA.

**HUGE PLANT** — Car in lower right emphasizes massiveness of Southwestern Public Service Company's generating plant, located 12 miles west of Hobbs, N. M. The plant, named after president J. E. Cunningham, veteran of 30 years' service with the company, is capable of producing over 107,000 horsepower.

**Post Woman's Mother Buried At Ropesville**

Funeral services for Mrs. Fannie Proctor, 89, Yoakum County pioneer, were conducted Friday in a Lubbock funeral home chapel, with burial at Ropesville. She was the mother of Mrs. Delphine Kaufman of Post.

Mrs. Proctor died Wednesday in a convalescent home in Lubbock. Besides the daughter of Post, she is survived by five other daughters and four sons.

**FROM LUBBOCK**

Mr. and Mrs. Bud Short of Lubbock spent Sunday night with his parents, Mr. and Mrs. Lowell Short.

Among others, Harvard teaches the Icelandic and Slovene languages.

Benjamin Franklin made the first chart of the Gulf Stream in 1752.

The Malaspina glacier in Alaska is larger than the state of Rhode Island.

**HIGHWAY WIDENING**

**MULESHOE**—Prospects for widening Highway 70 and 84 from the old city limit west to the new city limit and beyond seem bright this week as practically all property owners have signed agreements to pay for curbing.

**TO TRANSFER COURSE**

**SEAGRAVES**—The commissioners' court plans to turn over the Gaines County golf course to a county association of citizens under a lease agreement Jan. 1, County Judge Charles E. Lawrence has announced.

**VISITS CUMMINGS**

Sharon Brooks of Big Spring visited here recently with her uncle and aunt, Mr. and Mrs. Odene Cummings, and attended the junior rodeo.

**Post Youth Graduates At Sul Ross College**

Jimmy Rogers Smith of Post received his bachelor of science degree at 8 o'clock last night at commencement exercises at Sul Ross State College, Alpine.

The Post student was one of 129 summer graduates of the college. Sixty bachelor's and 69 master's degrees were awarded by President Bryan Willenthal.

John Ben Sheppard of Odessa, former attorney general of Texas, delivered the commencement address.

**FROM DALLAS**

Jimmy Stallings, son of Mr. and Mrs. James Stallings of Dallas, is visiting his grandparents, Mr. and Mrs. J. A. Stallings.

# County Will Need 315 Tractors, TEC Figures

County will need to import 315 tractors to help harvest the cotton crop, it has been estimated by the Texas Extension Commission.

Seasonal employment of the TEC were at a meeting of Earl Rogers, G. Metcalf Jr., both of Lubbock, and B. T. O'Connell, manager of the TEC office at Lubbock.

The only member of the county three-man farm committee able to attend the meeting agreed to represent the TEC office and in the county court-house.

The committee was presented with a report of the TEC that will be short 1,947 tractors during the peak harvest.

The committee will function under Law 78, obtaining facts on the supply of domestic tractors existing in Garza county and the shortage of work-tractors, which must be met by Mexican Nationals to harvest the cotton crop.

Under Public Law 78 the TEC must supply this information to the Secretary of Labor who must limit the number of Mexican Nationals to be used in this county by granting a "ceiling." The committee consults with the TEC office manager to assist him in estimating the number of workers who will be needed, based on current local conditions affecting the cotton crop.

Ceilings granted by the Secretary of Labor limiting the importation of Mexican Nationals into this area will be posted in the post office, in the county agent's office and in the county court-house.

# Needed One For Front Seat, Too

HOUSTON—Traffic Judge Wallace P. Kelly asked George Willis whether he had a driver's license, after Willis was charged with driving without one.

"Yes, sir," Willis said. "Right here."

Taking the worn paper, Judge Kelly read: "This is to certify that the person herein named has passed all tests for nervousness and has been licensed to operate a motor vehicle of the car. Back seat drivers must carry this license on person or otherwise must keep quiet while vehicle is in motion."

Willis, who can't read, said he got his license in a barber shop. Judge Kelly fined him \$65.

# Grassland Co-Op Gin Meeting Is Thursday

The annual fall meeting for patrons and friends of the Grassland Cooperative Gin is to be held this evening, with guests invited to come anytime between 7 and 9 o'clock.

Refreshments of watermelons, ice cream and soda pop will be served.

L. S. "Hi" Turner is co-op president and Thurman Francis is secretary.

# SCHOOL SPEEDUP

FT. CARSON, Colo.—Pfc. J. R. Weatherly of Ft. Carson's 9th Infantry Division wasted no time completing his high school education. He finished five years of schooling in one month. Weatherly had only a seventh grade education when he joined the Army. By passing tests, he achieved the equivalent of a high school diploma.

# Bud Everett Manager New Furniture Store

Bud Everett, former Post resident, has been named manager of the new Pittman's furniture store at Colorado City.

The store, formerly Walker-Hammond Furniture Co., was purchased by Pittman's, whose headquarters are in Sweetwater. Remodeling and re-stocking of the

Colorado City store is under way, with the formal opening scheduled for September.

Everett, a Post High School graduate, was employed by Mason & Co. until moving to Ballinger about two years ago. He is a grandson of Mrs. C. D. Everett and a nephew of Mrs. Dick Wood.

# MY FRIEND

Folks used to wonder what Grandpa Brown and I had in common. He must have been close to eighty when I was just a kid. But I remember him as one of the best friends I ever had.

He was a wonderful old man, with a simple, native wisdom. We used to go fishing together, and he would talk to me about God and Faith and Love. I remember he used to say, people shouldn't wait until they're in trouble before going to Church. "When you're happy," he told me, "take time out to offer a prayer of thanks for your good fortune."

The Church, he used to say, had acted as a balance wheel for him during good times, and a bulwark during bad times. Down through the centuries the Church has made great Christians out of unassuming people, who in turn have transmitted the blessings of the Church to the oncoming generations. I hope I can impress Grandpa Brown's Faith and Wisdom upon others as I was impressed by him.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# Asiatic Flu-Hit Postite Arrives Home Safely

Miss Carolyn Boren arrived in Post Tuesday feeling a little weak but otherwise fully recovered from her recent bout with the Asiatic flu.

She was confined to her cabin of the liner Arosa Sky with the infection, one day before it docked in New York on Aug. 14, with a fever of 104 degrees, chills, and a feeling of general misery. She escaped the sore throat which usually accompanies this flu. One passenger on the ship, a Greek exchange student, died of the disease. Miss Boren said the only treatment she received was aspirin and bedrest.

## Water Bonds—

(Continued From Front Page) that the engineering firm has received oral commitments indicating that all of the surplus water can be sold.

The question of federal aid—not just a federal loan—was raised by several directors since San Angelo recently secured \$15,000,000 in federal aid for a \$40,000,000 water project.

The committee was instructed to thoroughly look into the possibility of an outright federal grant.

Galloway told directors: "It's a different story from tonight on—now the bonds have been voted." He indicated that a federal grant might be possible.

A resolution, which some termed "minority rule", was withdrawn by Lynn Buzbee of Spur after considerable discussion at the directors session.

Buzbee proposed that all actions of the White River water board be taken by a two-thirds vote of the board and that the majority must include at least one member from each of the four towns.

It was pointed out by some directors in the discussion that this would really be "minority rule" as one town could block any action of the board by all three of its directors opposing it.

Galloway said he didn't think the resolution would be "worth the paper it's written on" because the two-thirds majority vote is not set forth in the state law creating the district.

The directors next meeting will be held in Post Sept. 19. The Saturday water bond election produced a 96 per cent endorsement of the 253 Post voters who went to the polls. Three hundred and forty-nine approved the water bonds with only six in opposition.

The bonds carried at Crosbyton by an even higher margin as 280 approved the bonds with only three opposing.

At both Rails and Spur, as expected, the margin was closer but in both towns the bonds carried by margins of 2½ to 1 and 3 to 1. The total at Rails was 146 yes and 43 no. At Spur 242 favored the bonds with 95 opposed. The toughest fight, as predicted, came at Spur.

White River directors canvassed the election returns at their Tuesday night session and unanimously passed a resolution setting forth the bond election's results.

The European tour with the Dr. Alan Strout group of Texas Tech. from which she has just returned, included visits to England, Scotland, the Netherlands, Switzerland, Austria, Germany, Italy and France. Miss Boren was most favorably impressed by Paris and the friendliness of the Dutch and Austrian people.

In spite of her unfortunate experience with the flu, her wedding plans to Harry Don Adams are going as scheduled. After the wedding which will be Saturday, Aug. 24, more traveling is in store for this already well-traveled lady as she will embark upon a wedding trip to New Mexico and from there will go to New Orleans, La., where she and her husband will sail for their new home in Santa Barbara, Venezuela. Adams is a petroleum engineer for the Sinclair Oil Company.

## Rotary Club—

(Continued From Front Page) con. Higley told of many personal experiences he had attending the Rotary governors conference at Lake Placid, N.Y., and the Rotary International convention at Lucerne, Switzerland.

He explained that 6,000 Rotarians were expected for the convention and 8,700 Rotarians showed up for the event.

## Post Jubilee—

(Continued From Front Page) on "Caprock Cavalcade," with the practice sessions being held in the high school gym. Anyone wishing a place in the cast is asked to notify Buster Moreland, Robert Meisch or Jubilee headquarters.

Two withdrawals Wednesday left a field of 23 candidates in the Jubilee Queen contest, originally announced as having 25 queen hopefuls. Pictures of the candidates appear in the second section of this issue of The Dispatch.

### FROM PLAINVIEW

Mr. and Mrs. Spencer Kuykendall and children of Plainview visited this weekend with his mother, Mrs. Thelma Kuykendall, and his sister, Mrs. D. H. Bartlett, and family.

### FROM OKLAHOMA

Visiting from Blanchard, Okla., in the home of Mrs. Thelma Kuykendall and Mrs. D. H. Bartlett were Mr. and Mrs. J. H. Wallace and children. Mrs. Wallace is Mrs. Kuykendall's sister and Mrs. Bartlett's aunt.

### WEEKEND VISITORS

Weekend visitors of the R. E. Brattons were: Mr. and Mrs. J. H. Bratton of Bakersfield, Calif.; Mr. and Mrs. Coy Wilson and children of Lubbock; Mr. and Mrs. E. J. Bratton of Comanche; Mr. and Mrs. Jack Bratton of Fort Worth; and Mr. and Mrs. R. A. Bratton of Monahans.

Thomas A. Edison was once sent home from school because his teacher considered him "too backward."

## New Oil Made At Slaughter Test

New oil has been flowed and swabbed from Pennsylvania perforations at Humble Oil & Refining Co. No. 2 Slaughter, plugged back Ellenburger failure in southwestern Garza County.

Tubing was pulled and re-run after previous perforations in the Mississippian from 8,863-69 feet were squeezed. New openings were made opposite lower Penn from 8,770-801 feet and the exposed interval was washed with 250 gallons of mud acid. After setting packer at 8,773 feet, the openings were treated with 4,000 gallons of regular.

The well was opened to flow back load plus 100 barrels of new oil in 11 hours. After flow died, swab was run to recover 73 barrels of new oil in seven hours. Shakeout was 15 per cent basic sediment and water. Swab operations continued.

The project spots 13 miles southwest of Post, being 1,040 feet from north and 862 feet from east lines of Section 4, Block 30, T-7-N, TW-NG Survey.

## Southland Schools To Open Sept. 2

The Southland schools will open Monday, Sept. 2, for the 1957-58 term. Supt. F. W. Callaway announced.

Registration in all grades and a brief ceremony will be held opening day, with buses expected to make return runs by or before noon. Classroom work will begin on Tuesday.

The Southland schools' only new teacher this year is Mrs. Claudia Monk, who will teach the third and fourth grades. Mrs. Monk taught in Post last year.

Supt. Callaway said six-man football drills will begin Monday under the supervision of Coach H. E. Lewis.

## Watch For Hazards In Harvest Time

Harvest time is payday on the farm, but it can easily become a hazard time. When harvesting machines with their highspeed mechanisms are operated in the "rush of harvest," the chances for accidents mount rapidly, warns County Agent Lewis C. Herron.

But farmers can greatly reduce the number of accidents by following a few basic safety rules during harvest, says Herron. Safe machine operation necessitates good judgment and a knowledge of the machine. Shut off power before cleaning, adjusting or lubricating. Keep hands away from moving parts and never leave a running machine unattended.

When moving machinery on public roads, obey traffic laws, continues the agent. Warn motorists of the slow moving vehicle with flags by day and lights and reflective material by night. Do not allow riders on the machinery unless a seat or standing platform is provided.

Do not allow small children in work areas unless an adult is there to watch them—with his full attention—for they are often the victims of harvest accidents.

Experience is still the best teacher. Beginners need careful instruction and supervision. Do not turn them loose on a job unless they can handle it safely, adds Herron.

## Public Speaking And Community Relations Important 4-H Features

Many 4-H Club members in the state are being encouraged in two activities which inspire confidence and poise. This individual training is made possible through participation in the national 4-H Public Speaking and Community Relations programs arranged by the National Committee on Boys and Girls Club Work and conducted by the State Extension Service.

The public speaking program was launched six years ago by the and has been steadily gaining in importance ever since. County Extension agents and local 4-H leaders not only work with the teenagers on presenting an effective talk, but also teach them to prepare their own speeches.

Incentive awards are offered for outstanding performance. To the top boy and girl in each county, medal. The 1957 state award for the boy is a 19-jewel wrist watch, and for the girl a beautiful set of silverware. On the national level, two college scholarships worth \$400 will be presented to the highest ranking boy and girl during the national 4-H Club Congress in Chicago next December.

The community relations activity provides ways and means for 4-H'ers to effectively take part in local civic and school events, and to prepare for appearances on radio and television, as well. The Wm. Wrigley, Jr. Company is donor of awards.

Wilmington, Del., was named Willington in 1731; later the name was changed to honor the Earl of Wilmington.

## COUNTY SHERIFF TELLS MOTORISTS

### Your Highway Actions Determine Your Reception In Other States

Do your highway actions make you a welcome guest in other states?

Before you answer that question it would be a good idea to check your vacation driving habits pretty carefully.

Garza County Sheriff Carl Rains says that drivers are often inclined to see the mote in the other fellow's driving while ignoring the beam in their own. He says the current vacation driving program, which the Texas Safety Assn. is conducting, is intended to get drivers to turn a critical eye on their own highway performance and correct any bad habits they find.

The vacation driving program is part of the nation-wide Back the Attack on Traffic Accidents campaign, which this summer is advising motorists to Slow Down and Live.

"Heeding this advice will add to your popularity wherever you drive," the sheriff said, "because by driving at a sensible pace you show a decent respect for your own life and for the lives and rights of others."

He explained that by "sensible" pace he meant speeds that are safe for the condition of the road, the weather, the traffic, and the

condition of the driver and his car—not slow-poke speeds that tie up traffic and invite accidents.

"Another way to boost your stock," he said, "is to obey all the traffic laws, signs, and markings of the areas through which you travel."

The sheriff also mentioned a few things that will have the opposite effect.

"Driving when you're tired, ill or after you've been drinking will pull the welcome mat right out from under you," he said. "In any one of these conditions you're a menace to yourself and anyone you meet."

### TO ATTEND RETREAT

Mrs. Iven Clary and son, Ricky, have left for Glorieta, N. M., where Mrs. Clary will attend a student retreat at the Baptist Assembly. They will also visit in Santa Fe and Red River, N. M., and Colorado Springs, Colo. They will be joined by friends en route to Glorieta.

### TO CONDUCT REVIVAL

The Rev. Graydon Howell will conduct an eight-day revival at the Robertson Baptist Church beginning Aug. 25.

## Gold Star Girl To Be Selected

Garza County's 4-H Gold Star Girl of 1957 will be chosen Monday following judging of two club girls selected as candidates for the honor, Miss Jessie Pearce, county home demonstration agent, announced.

A team of judges will name the winner between Ruth Ann Long and Linda Payton, who were selected as candidates after a check of records by Misses Wanda Roach and Connie Crow, home demonstration agents of Lynn and Borden counties, respectively.

The judges will visit each girl in her home Monday afternoon, after which their decision will be made as to which is the winner. The girl named for the honor will receive the Gold Star pin at the 4-H Achievement program in November and will be eligible to attend the annual state 4-H Round-up.

Miss Pearce explains that the Gold Star award is the highest offered in the county in girls' 4-H.

### VISIT IN LUBBOCK

Mr. and Mrs. Glenn Wheatley and Elaine visited Mr. and Mrs. Bud Penix of Lubbock Friday night. Mr. and Mrs. Penix are formerly of Post.

Club work. To be eligible, a member must be at least 13 years of age, completed at least three years of club work and not have received the Gold Star award in a previous year. Garza County's Gold Star Girl was Linda Long.

Britton; Maxey; Snider and baby; McAfee; Fields; Ann Rose; Pearce.

## Tests Will Aid In Building Up Soil

Crops trying to grow on mineral deficient soils are like people on a strict diet—they get hungry.

Now, it may be practical for an overweight person to go on a diet to reduce, but no one wants to reduce his crop production. Yet, that is exactly what happens to crops that are grown on soil that is lacking in minerals, warns W. F. Bennett, extension agricultural chemist.

But the crops are not the only things that suffer from this condition, says the chemist. These sick crops cause mineral hunger in livestock. This produces poor livestock, giving poor gains and poor stock products — it even tends to promote livestock disease.

Mineral hungry crops and livestock produce food that may cause a deficiency in our own body, says Bennett.

The average man has about three pounds of calcium (lime-stone) in his body. Children need lime for strong bones and good teeth. These strength-providing minerals are important to the human body.

So, the chemist advises fertilizing for more and better crops that will produce more and better livestock. Liming, in some areas, is especially needed now to offset the leaching that resulted from the hard rains of April and May. A soil test should be made to determine the exact needs.

Soil that is well supplied with minerals—especially calcium and phosphorus—is essential for maximum productivity of top quality crops, concludes Bennett.

### SATURDAY GUESTS

Saturday guests in the home of Mr. and Mrs. Leo Cobb and family were his cousin and wife, Mr. and Mrs. Hart Nance, of Waco.

### FROM ARANSAS PASS

Visiting in the home of Dr. and Mrs. D. C. Williams for two weeks have been their daughter-in-law, Mrs. David Williams, and grandchildren of Aransas Pass. David Williams came to Post this weekend and he and his wife spent the weekend in Roswell, N.M., and returned to Post the first of the week to get their children and returned to their home.

### PRISCILLA CLUB

The Priscilla Club will meet Friday at 3 p.m. in the home of Mrs. Inez Satterwhite.

A strawberry shortcake that weighs over 5,000 pounds is served annually at the Strawberry Festival in Lebanon, Ore.

Thursday, August 22, 1957

DIRECTOR OF INLAND FISHERIES SAYS

## Farm Ponds In Texas This Year Will Produce Wonderful Fishes

AUSTIN—Farm ponds in Texas this year will produce some wonderful fishes, according to a report just issued by the director of Inland Fisheries of the Game and Fish Commission.

For instance, a fry bass planted in an unstocked pond during May, 1957, under proper conditions, may reach nine inches in length by November, 1957. By the time it is a year old it will weigh one and a half pounds, according to the director.

Not all the planted fish will do this, he points out, but such growth is possible where conditions are right.

There has been a great deal of farm pond study on the part of the Commission biologists. Thousands of small impoundments have been created by putting dams across small dry stream beds within the state during the last several years.

Invariably the Game and Fish Commission is called upon to stock these ponds through its hatchery program. Some 13 million fry have been produced by the Texas hatcheries for this year. Most of them have been bass.

Another favorite fish for restocking is the channel cat, according to the director. Fingerling cats will grow at the rate of one inch per month, again under favorable conditions.

"The history of the average farm pond is good growth from the initial stocking, with a decreased growth rate of subsequent spawns," he says. "When sunfish are stocked in a pond they usually

will dominate the population composition of fishes present by the third year, presenting a stunted aspect and cause fishing to become poor."

The director pointed out that hatchery restocking will not help such conditions because the survival of the restocked fish will be practically nil. They either will be eaten by other fish, or they will starve.

He warns that no matter how many fish are restocked by a hatchery they can only begin to approximate the number that will be produced by natural spawn. A pair of good brood bass will produce some 24,000 baby bass, many more than might be stocked from a hatchery in any given pond.

Catfish, however, do not spawn so well unless special conditions have been provided. For that reason the Commission advises the restocking of catfish ponds after several years. This depends, however, upon a survey of the pond fish population.

He recommends remedial measures when fishing becomes bad in farm ponds. This can be achieved either in drainage, selective pond treatment or by fertilization.

Additional information is contained in Bulletin No. 24, issued by the Commission in Austin. This booklet, on "Utilizing Farm Ponds for Fish", may be had without cost by any one interested. Information concerning the use of fish toxicants for selective pond treatment will be sent to pond owners on special request.

### FROM NEW ORLEANS

Visitors last week in the home of Mr. and Mrs. Reese Carter and Melinda were his brother, O. R. Carter, and family of New Orleans and his mother, Mrs. Sidney Carter, of Wichita Falls.

NEW LIGHTS GO UP—Two men of a Southwestern Public Service Co. crew are shown taking down an old light (left) and putting up a new one in the City of Post's new street lighting program. The pole on which the men are working is at the southwest corner of 12th and Broadway. The old 2,500-lumen light is being replaced by one of 10,000 lumens. Twenty-six of these new lights are going up on Broadway.—(Staff Photos).

Look Who's New

Mr. and Mrs. Wagoner Johnson are parents of a son, Jerry Lee, born Aug. 17 at 12:45 a.m. in Methodist Hospital in Lubbock. He weighed 7 pounds, 13 ounces. The grandparents are Mr. and Mrs. J. A. Johnson and Mrs. Tol Thomas.

Mr. and Mrs. Irvin Cross are parents of a son, Ricky Kyle Cross, who was born Sunday, Aug. 18, at 4 a.m. in the Crosbyton Hospital. He weighed seven pounds, eleven ounces.

Mr. and Mrs. Howard L. Brown of Carsbad, N.M., formerly of Post are announcing the arrival of a baby boy born Aug. 6, weighing seven pounds, five ounces. The baby's name is Bobby Joe. The maternal grandparents are Mrs. Lucy King and Mr. and Mrs. Charlie H. Brown. Mrs. Susie Brown is the great grandmother.

Mr. and Mrs. Jimmy R. Smith of Alpine and formerly of Post are parents of a son born Aug. 7 at 1:45 p.m. He weighed seven pounds, twelve ounces and has been named Roger Dan. Maternal grandparents are Mrs. R. C. Toner of Ontario, Calif., and J. T. Shepherd of Post. Paternal grandparents are the M. S. Smiths of Post.

Mr. and Mrs. Neal Clary are parents of a son born at 9:32 a.m. Wednesday, Aug. 21 in Methodist Hospital in Lubbock. His name is

### Postites Wear Casts After Breaking Arms

Two Post people, Mrs. Chester Keeton and six-year-old Wayne Schmedt, are wearing casts this week as the result of broken arms.

Mrs. Keeton broke her left arm just above the wrist in a fall while on a fishing trip on the Pecos River, near Sheffield. She fell after slipping on a wet spot on the edge of the river bank.

The Schmidt youngster broke his left arm, also just above the wrist, while in Liberty with his mother

### VISIT LAST WEEK

Visitors last week in the home of the Rev. Bratton were Mr. and Mrs. Bud Warden of Fort Worth and Mr. and Mrs. J. D. Bratton and family of Texarkana.

and older brother visiting relatives. He slipped and fell on a lawn while arising to his feet from a sitting position. Mrs. Schmedt and her sons were visiting in Liberty while Mr. Schmidt was in Houston attending the state convention of vocational agriculture teachers.

Area Lake Scene Of Ski Tourney

Entries are expected from all parts of the South Plains, the Texas Panhandle and Eastern New Mexico in an open water ski tournament sponsored by the Lubbock Water Ski Club at Buffalo Lakes, southeast of Lubbock, Saturday and Sunday.

Joe Privitt, the club president, said entries already have been received from cities as distant as Amarillo and Carlsbad and Clovis, N. M.

Contest events will include ski jumping, slalom races and tricks. Contest divisions will include junior boys, junior girls, women, men 17 to 35 years of age and veteran men over 35.

Competition will be in progress from 9 a. m. until 3:30 p. m. both Saturday and Sunday.

Activities will include numerous exhibitions. Instructions will be available to those wishing to learn to water ski, according to Alex Weber, manager of the boat house at the lakes.

There will be no extra charge for admission to the lakes for the tournament, but contestants will be required to post an entry fee of \$3.

AGENT HOME

Miss Jessie Pearce, home demonstration agent, is now home following her release Monday from Garza Memorial Hospital where she was confined with pneumonia.

COLORADO VACATION

Mr. and Mrs. Ralph Kirkpatrick returned Thursday from a two weeks' vacation, in Glenwood Springs, Colo.

NATIONAL WARNING System, or NAWAS, of the Federal Civil Defense Administration is activated at the control center in the Continental Air Defense Command headquarters at Colorado Springs as Gen. Earle E. Parridge (above), CONAD commander, uses the new 28,000-mile net for the first time on May 1. From this control center, or one of two similar centers on the East and West Coasts, information on an impending attack can be voiced directly to 200 warning points throughout the nation. From these points, local warning nets would take over. By a simple switching process, State civil defense directors can also use the net locally to transmit detailed warning and survival data to CD forces in the field. (U. S. Air Force Photo)

Hoover Family Visiting Here After Three Years In Japan

Mr. and Mrs. S. D. Lofton and Mr. and Mrs. Mack Ledbetter and children visited Saturday in Sweetwater in the home of Mr. and Mrs. K. T. Lofton.

Mr. and Mrs. John Rogers attended a family reunion for the Rogers families at MacKenzie Park in Lubbock Sunday.

Mr. and Mrs. Carl Fluitt and Jacky and Mrs. L. W. Gandy spent the weekend at San Angelo with Mr. and Mrs. Dale Gandy and baby.

Weldon Carriker was a guest Saturday night of Clarky Cowdrey. Weekend guests of Mr. and Mrs. James Stone and daughters were their son and family, Mr. and Mrs. Jerrell Stone and daughter.

Jimmie Naplis visited one day last week in the home of Mr. and Mrs. Jess Propst. Sunday visitors were Mr. and Mrs. Tommy Markham, Danny and Debye of Antonio.

Orabeth Maxey, Leslie Nichols and Noel White attended the Ralls rodeo this past weekend.

The Jack Hoover family are visiting their parents, Mr. and Mrs. O. H. Hoover for two weeks after three years in Japan. They will make their home near San Francisco. Visiting Tuesday of last week in the Hoover home were Billy Bob Hoover and baby of Lubbock, Mrs. Morris Huff and Traci, and Mr. and Mrs. Jerry Hoover and boys of Lubbock.

Sunday the Hoovers had a family reunion. Present were: Mr. and Mrs. Houston Hoover, two sons, and daughter of Littlefield; Mr. and Mrs. Herber Hoover and two sons of Crosby; Mr. and Mrs. Jerry Hoover and two sons; Mr. and Mrs. Billy Bob Hoover and daughter of Lubbock; Mr. and Mrs. Radford Chapman and two daughters of Plainview; Mr. and Mrs. Jack Hoover and family and the hosts, Mr. and Mrs. O. H. Hoover.

Mr. and Mrs. Quannah Maxey, Jane, Orabeth and Noel White visited in Roaring Springs Sunday with her parents, Mr. and Mrs. J. D. Green.

Several members of the local Church of Christ attended services Sunday night at Gordon after an early service at Graham.

Mrs. Myrtle Mathis of Grassland was a recent visitor in the home of Mrs. Maud Thomas.

Dinner guests recently of Mrs. Abi Rogers in Post were Mr. and Mrs. John Rogers, Mrs. Bennie Lou Pollard and two children of Odessa and Mr. and Mrs. Weldon Rogers and family of Odessa.

Jacky Fluitt is a guest this week of his grandparents, Mr. and Mrs. L. W. Gandy of Tahoka.

Mrs. Jess Propst and Mrs. Morris Huff and Traci visited one afternoon with Mrs. Virgie Bilbo and children.

Spending several days fishing this past week at Possum Kingdom and Cisco were Mr. and Mrs. Elmo Bush, Jerry and Ricki, and Mr. and Mrs. J. M. Bush.

Visiting several days with Mr. and Mrs. W. C. Bush and Mrs. John Coleman were their great granddaughter and niece, Mary Carolyn Boren of New Mexico.

Mr. and Mrs. Billy Stone and sons, James and Jay Scott, and Mason McClellan spent several days visiting at Marble Falls in the home of their cousin, Mr. and Mrs. Jake Becker, and in Houston with Stone's brother, A. J. Stone.

Mrs. Maud Thomas visited Saturday in the homes of Mrs. Era Aten, Mrs. Voy Norman, and with Mrs. A. Stone.

Kathleen, Buddy and Meryle Ann Downs of Slaton spent several days with their grandparents, Mr. and Mrs. W. C. W. Morris while their parents and sister, Mr. and Mrs. Junior Banks and Patsy, visited in Killene with his mother, Mrs. Ballard, and fished at Buchanan Dams. Buddy spent some time with his cousins, Wesley Gene and James Morris.

Diane Maxey accompanied her uncle and aunt, Mr. and Mrs. Richard Overton, home last week for several days visit at Thrup Springs.

Mrs. W. A. Oden spent the weekend visiting at Sudan in the home

USDA Names 31 Wheat varieties For Discount Under '58 Support Program

Because of their inferior milling or baking qualities, 31 wheat varieties have been listed by the U.S. Department of Agriculture as undesirable. They will be discounted 30 cents a bushel in price support rates on the 1958 wheat crop.

According to Extension Agronomist R. J. Hodges, several varieties of hard red winter wheats, the type most commonly grown in Texas, are on the list. They are Blue Jacket, Chiefkan, Early Blackhull, Kanking, Redchief and Red Jacket. Others listed are soft red winter, hard red spring, durum and white wheat varieties. Local county agents, adds Hodges, have a complete list of the undesirable varieties.

The designated varieties were found to be undesirable for commercial flour use. The discount was support operation to discourage the planting of undesirable wheat varieties and lessen the possibilities of U. S. wheat of inferior quality getting into domestic and export channels. Representatives of crop improvement associations have strongly urged the action to help improve the quality of the nation's wheat crop.

The price-support regulations will provide for producer certification regarding the undesirable varieties. Because these varieties are difficult to determine from threshed samples of wheat, it will

VISIT MOTHER HERE

Visiting Mrs. Minnie Shepherd this week are her children: Mr. and Mrs. J. B. Shepherd and family of Los Angeles, Calif.; Mr. and Mrs. Otis Shepherd and family of Post; Mr. and Mrs. Fred Babb and family of the Graham community; Mr. and Mrs. Bruce Shepherd and family of Levelland; Mr. and Mrs. Mack Shepherd and family of Post; Mr. and Mrs. Irvin Chandler and family of Post; Mr. and Mrs. Glen Day and family of Plainview; Mr. and Mrs. Wilton Payne and family of Tahoka, and Mr. and Mrs. Howard Hopkins and family of Lorenzo. family, Mr. and Mrs. Mack Shepherd and Mary Nell.

Mr. and Mrs. C. R. Baldwin have been spending several days on their ranch at Graham.

Sandra Stewart is visiting in California with relatives.

Rainfall in our community this past weekend ranged from one to two inches.

Red Cross Spends \$55,227 Total In Silverton Storm

ST. LOUIS—The American National Red Cross has spent a total of \$55,227 in Briscoe County, Texas, in relieving distress and suffering and in assisting families to resume a normal way of life. This figure was released today by Palmer Simpson, director of Disaster Services, Midwestern Area Office, American National Red Cross.

The largest portion of the money, according to the final breakdown released by Simpson, went for medical and nursing costs—\$24,053. Other needs met by the organization and accounting for large sums include home furnishings, \$10,192; building and repair of structures hit by the tornado, \$8,540; occupational supplies and equipment where needed to provide sole income of affected families, \$3,819; food, clothing and maintenance, \$1,482; emergency mass care, \$900; and other needs which accounted for the balance of the total.

It is not unusual in a disaster of this type for the medical expense to be high. Because of death and serious injuries resulting, often times it necessitates Red Cross expenditures over a prolonged period of time, Simpson said. Although the public often thinks of Red Cross as providing emergency care, which is true, rebuilding and other operations termed "rehabilitation" usually account for about 80 per cent of total costs to the organization.

It was pointed out that the assistance given by Red Cross at Silverton was an outright gift from the American people who have contributed to the organization across the country. "None of the money given to the Silverton Relief Fund was turned over to the Red Cross," Simpson stated.

The final Red Cross report shows that 46 persons were injured at Silverton, in addition to the 20 killed, 30 homes were destroyed, and 42 homes were damaged.

3 TEXAS CONSTITUTIONAL AMENDMENTS To Be Voted Upon Nov. 5, 1957

NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1957.

HOUSE JOINT RESOLUTION NO. 27 proposing an amendment to Subsection (a) of Section 43-a of Article III of the Constitution of Texas, relating to the establishment of a retirement fund for officers and employees of the State.

Section 1. That Subsection (a) of Section 43-a of Article III of the Constitution of the State of Texas be amended so as to read hereafter as follows:

Section 43-a. (a) The Legislature shall provide a State Retirement Disability and Death Compensation Fund for the officers and employees of the State, and may include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in this Subsection, and persons participating in a retirement system created pursuant to Section 43-a of Article III of this Constitution shall not be eligible to participate in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per cent (5%) of the compensation paid to each such person by the State.

Section 2. That Section 43-a of Article III of the Constitution of the State of Texas be amended so as to read hereafter as follows:

Section 43-a. (a) The Legislature shall provide a State Retirement Disability and Death Compensation Fund for the officers and employees of the State, and may include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in this Subsection, and persons participating in a retirement system created pursuant to Section 43-a of Article III of this Constitution shall not be eligible to participate in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per cent (5%) of the compensation paid to each such person by the State.

Section 3. That Section 43-a of Article III of the Constitution of the State of Texas be amended so as to read hereafter as follows:

Section 43-a. (a) The Legislature shall provide a State Retirement Disability and Death Compensation Fund for the officers and employees of the State, and may include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in this Subsection, and persons participating in a retirement system created pursuant to Section 43-a of Article III of this Constitution shall not be eligible to participate in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per cent (5%) of the compensation paid to each such person by the State.

Section 4. That Section 43-a of Article III of the Constitution of the State of Texas be amended so as to read hereafter as follows:

Section 43-a. (a) The Legislature shall provide a State Retirement Disability and Death Compensation Fund for the officers and employees of the State, and may include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in this Subsection, and persons participating in a retirement system created pursuant to Section 43-a of Article III of this Constitution shall not be eligible to participate in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per cent (5%) of the compensation paid to each such person by the State.

Section 5. That Section 43-a of Article III of the Constitution of the State of Texas be amended so as to read hereafter as follows:

Section 43-a. (a) The Legislature shall provide a State Retirement Disability and Death Compensation Fund for the officers and employees of the State, and may include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in this Subsection, and persons participating in a retirement system created pursuant to Section 43-a of Article III of this Constitution shall not be eligible to participate in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per cent (5%) of the compensation paid to each such person by the State.

Section 6. That Section 43-a of Article III of the Constitution of the State of Texas be amended so as to read hereafter as follows:

Section 43-a. (a) The Legislature shall provide a State Retirement Disability and Death Compensation Fund for the officers and employees of the State, and may include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in this Subsection, and persons participating in a retirement system created pursuant to Section 43-a of Article III of this Constitution shall not be eligible to participate in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per cent (5%) of the compensation paid to each such person by the State.

Section 7. That Section 43-a of Article III of the Constitution of the State of Texas be amended so as to read hereafter as follows:

Section 43-a. (a) The Legislature shall provide a State Retirement Disability and Death Compensation Fund for the officers and employees of the State, and may include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in this Subsection, and persons participating in a retirement system created pursuant to Section 43-a of Article III of this Constitution shall not be eligible to participate in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per cent (5%) of the compensation paid to each such person by the State.

Section 8. That Section 43-a of Article III of the Constitution of the State of Texas be amended so as to read hereafter as follows:

Section 43-a. (a) The Legislature shall provide a State Retirement Disability and Death Compensation Fund for the officers and employees of the State, and may include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in this Subsection, and persons participating in a retirement system created pursuant to Section 43-a of Article III of this Constitution shall not be eligible to participate in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per cent (5%) of the compensation paid to each such person by the State.

Section 9. That Section 43-a of Article III of the Constitution of the State of Texas be amended so as to read hereafter as follows:

Section 43-a. (a) The Legislature shall provide a State Retirement Disability and Death Compensation Fund for the officers and employees of the State, and may include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in this Subsection, and persons participating in a retirement system created pursuant to Section 43-a of Article III of this Constitution shall not be eligible to participate in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per cent (5%) of the compensation paid to each such person by the State.

Section 10. That Section 43-a of Article III of the Constitution of the State of Texas be amended so as to read hereafter as follows:

Section 43-a. (a) The Legislature shall provide a State Retirement Disability and Death Compensation Fund for the officers and employees of the State, and may include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in this Subsection, and persons participating in a retirement system created pursuant to Section 43-a of Article III of this Constitution shall not be eligible to participate in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per cent (5%) of the compensation paid to each such person by the State.

Section 11. That Section 43-a of Article III of the Constitution of the State of Texas be amended so as to read hereafter as follows:

Section 43-a. (a) The Legislature shall provide a State Retirement Disability and Death Compensation Fund for the officers and employees of the State, and may include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in this Subsection, and persons participating in a retirement system created pursuant to Section 43-a of Article III of this Constitution shall not be eligible to participate in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per cent (5%) of the compensation paid to each such person by the State.

Section 12. That Section 43-a of Article III of the Constitution of the State of Texas be amended so as to read hereafter as follows:

Section 43-a. (a) The Legislature shall provide a State Retirement Disability and Death Compensation Fund for the officers and employees of the State, and may include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in this Subsection, and persons participating in a retirement system created pursuant to Section 43-a of Article III of this Constitution shall not be eligible to participate in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per cent (5%) of the compensation paid to each such person by the State.

**Pampa Minister Is Preaching At Southland Church Summer Revival**

The summer revival began at the Baptist Church Sunday with the Rev. Fullingem of Pampa doing the preaching and O. J. Pierson of Lubbock, song leader.  
 Members of the Shining Cross sub-district met in Fellowship Hall of the Methodist Church at 2:30 Sunday afternoon with 45 present. After a program period they enjoyed a recreation period, then a worship period after which punch

and cookies were served by the home group.  
 E. L. Huffard is conducting a gospel meeting at the Gordon Church of Christ with J. O. Reed, Jr. leading song service.  
 The Baptist people held a cottage prayer meeting in the home of L. J. Myers last Thursday night. Sunday visitors in the Jack Halliburton home were the Greer family from Coleman who had come up to enroll their son in Texas Tech. The Greers attended the Baptist Church in Coleman where Jimmy Halliburton is pastor.  
 Mr. and Mrs. O. D. Orr and children of Tahoka attended church at Gordon Sunday.  
 Mrs. Lusby Kirk and sons returned Saturday from Abilene where they had visited Mr. and Mrs. K. F. Kirk, parents of the Rev. Lusby Kirk.  
 Last week Miss Ora Mining had as guests one of her childhood friends and her family, Mr. and Mrs. Verlyn Huntsman and two children from Angleton. Mrs. Huntsman is the former Artie Kyle and lived here over 30 years ago.  
 Mr. and Mrs. George White of Borger spent the weekend with her brother and his wife, Mr. and Mrs. Spencer Brewer.  
 Ronnie Dunn returned last week from Mount Sequoyah, Ark., where he had spent ten days with the M. Y. F. Their purpose was to get more young people interested in the work of the church. Ronnie says it's a beautiful country and he enjoyed the trip very much.  
 Altran Ned Myers has finished his instructors course at Amarillo and he and Mrs. Myers spent the weekend with his parents, the Jack Myers. Other visitors in the home were Mrs. Myers' parents, the Grady Hunts of Post, Jack Haize and Billy Williams.  
 Mr. and Mrs. Elton Truelock and children of Lubbock were Sunday guests of his parents, the S. W. Truelocks.  
 The Carl Wartes family spent a few days last week visiting at Possum Kingdom. They also visited

**WHAT'LL IT MAKE?** — Irvin Chandler (left) is waiting for bankers Irby G. Metcalf Jr. (center) and John B. Potts to tell him how many pounds to an acre they think this field of Texas 610 hybrid grain sorghum will make. Others have guessed as high as 3,100 pounds to the acre. Chandler, one of a number of Garza County farmers planting hybrids this year after the successful tests of 1956, also has a field of Texas 590 which looks just as good. — (Staff Photo).

**Chandler's Feed Crop Proof Of Value Of Grain Hybrids**

Last year's field demonstrations of grain sorghum hybrids are paying off in 1957 for a number of Garza County farmers, among them Irvin Chandler, who farms a few miles west of Post.  
 Chandler is one of the farmers who saw the possibilities of the hybrids in the 1956 demonstrations, production of 10 to 25 per cent more grain per acre than pure varieties. Today, he has 55 acres of the grain sorghum hybrids up to a good stand, with the harvest only two or three weeks away.  
 Chandler's biggest block is Texas 590, which is a cross of kaffir and Redbine 60. His smaller acreage is a son and family at Graham.  
 Mr. and Mrs. Claud Fields who live in Louisiana were here last week visiting his brother and family, the Wilburn Fields.  
 Misses Donetta Ellis and Karen Gale Pennell, and Larry Alford and Kenneth Callaway visited in Lubbock Sunday.  
 The Jack Myers family attended the rodeo at Ralls last Saturday.  
 Mrs. Don Pennell visited her sister, Mrs. Carl Coderholm in Post Sunday afternoon.  
 G. D. Ellis and his brother spent last week enjoying cool Colorado.  
 Mr. and Mrs. Lewis Manly came up from Abilene to spend a few days on their farm at Gordon.  
 Mr. and Mrs. Jesse Ward and Carolyn spent Monday with a daughter and family, the Randall Cooks in Levelland.  
 Mr. and Mrs. C. A. Maeker, Marilyn and Pamela, of Lubbock were Sunday guests of her parents, the Earl Morrises.  
 Mrs. Jack Hargrove and Joe spent the weekend in Dallas visiting relatives.  
 age is Texas 610, a cross of kaffir

and 7078.  
 The hybrids were planted May 22 after watering of the seedbeds. The only watering since then came four weeks ago when water was applied to about 45 acres of the crop.  
 Chandler says it's anybody's guess as to the amount of the yield, but that J. L. Jones, Post grain dealer, has told him "it'll probably yield more than anybody would guess." County Agent Lewis C. Herron believes the yield may run as high as 3,100 pounds per acre.  
 In last year's demonstrations, the farmer demonstrators cooperated with the Texas Agricultural Extension Service and Texas Agricultural Experiment Station to obtain information on the performance of grain sorghum hybrids under a wide range of growing conditions and how the grain combines.  
 State-wide, 25,000 pounds of seed were furnished for the demonstrations by certified seed growers from their crossing blocks of 1955.  
 Two types of demonstrations were conducted. The "package type" included packets of seed of several different hybrids and pure varieties which the county agricultural agent distributed to farmers. Both hybrids and pure varieties were grown under the same conditions and harvested by hand to compare yields.  
 The second type, field demonstrations, was conducted on larger acreages under farmers' growing conditions and the grain was combined.  
 In one of the Garza County demonstrations—by C. L. Williams on his farm in the Graham community—the hybrid Texas 601 pro-

duced 3,133 pounds an acre compared with 2,833 pounds for the pure variety Combine 7078.  
 As agricultural officials predicted, the speed of the change-over to hybrids increased rapidly following the 1956 harvest, with greater quantities of seed becoming available.  
 Agronomists say these new grain sorghums are comparable in production efficiency with the corn hybrids of 25 years ago. Early estimates were that their replacement of standard varieties would take place at a rate of about 10 per cent of the total sorghum acreage each year.  
 However, production records set by the new hybrids in tests were so favorable—20 to 30 per cent better yields than those of standard varieties—that a much faster rate of grower acceptance resulted.  
 Meanwhile, the Garza County agent says that tests are continuing in the county despite the high rate of grower acceptance. Seven types of the hybrids are up on a

# POSTEX MILLS

By A. LEE WARD

The Postex Sewing Room will work until noon Saturday. Jewel Taylor really looked nice in her Jubilee dress. Eula Daniels thought she would square dance with her the first morning she wore the dress.

Recent visitors in the Aubrey Ritchie home were Mr. and Mrs. Earl Ritchie of Ontario, Calif.

Mrs. Lynch Henderson of Alpine has been spending the past 10 days visiting her sister, Mrs. Carl Clark and other relatives.

Sunday visitors in the home of Mrs. Carl Clark were: Mr. and Mrs. Cliff Hotaling of Lubbock, Mr. and Mrs. Surman Clark and family, and Mr. and Mrs. Chris O'Keefe of Girard.

Mr. and Mrs. L. P. Kennedy and Neva Jo Mears spent the weekend visiting in San Angelo with their daughter and family. Mr. and Mrs. Gaylon Young and family.

Dink Taylor returned home Friday after receiving his discharge from the Navy Aug. 13.

Miss Raynora Young is visiting this week in Lubbock with Glenda Sanders.

Miss La Gayluah Young is visiting in Colorado City with her sister and family, Mr. and Mrs. Harold Childs.

Mrs. C. P. Jones spent the weekend in Lubbock visiting Mr. and Mrs. Robert Miller and family.

Mr. and Mrs. Clarence Maddox and boys went fishing at Lake Thomas Sunday. Reported a good catch—108 channel cat.

Mrs. Louise Wells and Jimmy, Mr. and Mrs. Noel Wilson and baby of Slaton visited W. D. Doyal in Abilene Sunday.

Mr. and Mrs. Alton Graham and Gary of Bay City visited Thursday and Friday with Mr. and Mrs. J.H. Peede and Jimmy.

Vicki Odom spent Sunday with Carol Hodges.

Mrs. Hallie Brannon and Barbara Bush visited recently with

her son and family, the Ben Howells.

Mr. and Mrs. Jerry White and baby of Vernon spent the weekend visiting Mrs. White's parents, Mr. and Mrs. Sidney Pierce.

Novaline Gordon shopped in Lubbock Saturday.

Mr. and Mrs. G. C. Bruster and Mrs. J. V. Huddleston visited Mr. and Mrs. Joe Faulkner of Big Spring over the weekend.

Mr. and Mrs. Henry Brown and Henry, Jr. of Lovington, N. M., were weekend guests of Mr. and Mrs. J. M. Gordon and Novaline.

Mr. and Mrs. C. D. Nowell and children left Saturday morning for Texarkana, Ark., to visit Z. A. Nowell. They returned home Monday night.

Mr. and Mrs. Charles Long and daughter of Lubbock spent the weekend visiting Mr. and Mrs. Lee Long and other relatives.

Mr. and Mrs. Marvin Hutto and Charles from Eastland were guests of Mr. and Mrs. Barney Martin Saturday night. Other visitors were: Mr. and Mrs. S. I. Martin.

Mr. and Mrs. Hugh Martin and Kay, Mr. and Mrs. Gene Martin, Cheryl and Vicki, and Mrs. W. O. Fluit, Jr. and Sharita.

Mr. and Mrs. Clyde Martin from Pampa were Sunday guests of Mr. and Mrs. S. I. Martin.

Mr. and Mrs. Oscar Polk and Quay Williams visited relatives in Whiteface last week.

Iris Gayle Howell spent Saturday night with Quay Williams.

Weekend guests of the Bill Normans were Mr. and Mrs. J. B. Sharp and Mrs. Travis Cockerham, Tervi and Sherri of Waurika, Okla., Mrs. George Watson of Duncan, Okla., David Cole of Olney, and Mr. and Mrs. W. C. Sharp, Butch, Billy and Bobby of Lubbock.

Mr. and Mrs. Gene Martin and family, and Mr. and Mrs. Howard Sprayberry and Jane were Sunday night supper guests of Mr. and Mrs. L. F. Welch and Ricky.

## 5 Well Completions Mark Oil Activities

Five completions and three new locations are listed for Garza County in recent Railroad Commission filings.

One of the completions is a wildcat venture, two are in the Post field and one each in the East Huntley-San Andres and Dorward fields.

One of the new locations is a wildcat, one is in the Northwest Justiceburg field and one in the Garza field.

The Post field completions are Pair Oil Co.'s No. 7 George W. Beggs and No. 7 V. N. and C. Davis.

The Beggs well pumped 66 barrels of oil per day from a total depth of 2,798 feet, with pay topped at 2,738 feet. Five and one-half-inch casing was set at 2,798 feet and perforations made from 2,738 to 2,796 feet. Gravity tested 38 per cent and gas-oil ratio was 190-1. The well was acidized with 500 gallons. Location is 990 feet from north and 2,310 feet from west lines of Section 41, Block 2, T&NO Survey.

The same company's Davis well pumped 71 barrels of oil per day plus 32 per cent water. Gravity test showed 40.2 and gas-oil ratio was 190-1. Total depth is 2,790 feet. Top of the pay was reached at 2,690 feet and 5/8-inch casing set at 2,780. Perforations were made from 2,690-786 feet. The wellsite spots 3,630 feet from north and 990 feet from west lines of Section 56, Block 2, T&NO Survey.

In the East Huntley-San Andres field, Continental Oil Co.'s No. 3-B Blake pumped 223.2 barrels of oil per day plus 10 per cent water, with 37 gravity and 109-1 gas-oil ratio. Total depth was 3,428 feet after pay was topped at 3,128. Casing of 5/8-inch was set at 3,414 feet and perforations made from 3,196-294 and 3,254-70. The well is 990 feet from north and 2,310 feet west lines of Section 1200, I&GM Survey.

Humble Oil & Refining Co.'s No. 1 Dorward Oil Unit 5 in the Dorward field pumped 152.44 barrels of oil per day plus 26 per cent water after completion at 2,692 feet. Pay was topped at 2,594 feet and perforations made from that point to 2,618 feet. Gravity tested 35.5 and gas-oil ratio was 132-1. Ten thousand gallons of acid were used. The well is 990 feet from south and west lines of Section 111, Block 5, H&GN Survey.

The wildcat, W. Ridley Wheeler's No. 1-L.S. H. V. Wheeler, pumped 157.32 barrels of oil per day plus 10 per cent water, with gravity testing 37.3 and gas-oil ratio, 251-1. Total depth is 4,760 feet, with the pay zone being topped at 3,856. Five and one-half-inch casing was set at 4,306 feet and perforations made from 3,858 to 4,907. Exact location is 990 feet from south and west lines of Section 1249, AB&M Survey. Nine thousand gallons of acid were used.

The new wildcat venture is Pure Oil Co.'s No. 1 Rex Welch, 660 feet from south and east lines of Section 2, Block 4, K. Aycock Survey. It is on a 640-acre lease 10 miles northeast of Post. Rotary tools will be used to drill to a projected depth of 7,900 feet.

In the Northwest Justiceburg field, Slatle Oil & Gas, Inc., has spotted location for the No. 4 Mrs. L. N. McCrary, to be drilled to 2,800 feet with rotary tools. Location is 1,650 feet from south and 660 feet from west lines of Section 130, Block 5, H&GN Survey, on a 320-acre lease six miles northeast of Justiceburg.

Cosden Petroleum Corp. has spotted location for its No. 2-D Post Estate on a 470-acre lease three miles southwest of Post. Rotary tools will be used to drill to 3,100 feet. Exact location is 1,263 feet from north and 876 feet from west lines of Section 4, Block 5, K. Aycock Survey.

ABOUT YOUR HEALTH

### Twin Menaces, Cancer, Heart Disease, Hang Up Grim New Record in Deaths

Those twin menaces—cancer and heart disease—hung up a grim new record for the number of Texans killed last year, a final tabulation of death statistics shows.

Of a grand total of 69,671 deaths from all causes during 1956, almost half were due either to heart disease or to cancer. Heart disease killed 22,888 while cancer claimed 10,168.

While the number of cancer deaths has increased perceptibly in the past three years, the increase has little real significance. The rate of deaths from cancer in Texas is still well below the rate for the United States as a whole. This state registered 112 deaths from cancer for each 100,000 population, while the rate for the rest of the nation was 146 deaths per 100,000 population.

The disparity between the Texas-U.S. cancer death rate is probably due to the fact that Texas has a younger population. Cancer is a disease that usually strikes people past 50 years of age. Of the 10,000 cancer deaths last year, 8,213 of them were among persons past the half-century mark.

Increases in the number of persons dying of heart disease is becoming significant. For instance, almost 1,900 more persons died of this cause during 1956 than died in 1955.

Most of the increase is in the age group 55 and over. And therein lies the irony: normal life span has been lengthened to an age where heart disease has a field day.

The same reason—longer life spans—is obviously behind the remarkable gain in the United States death rate from heart afflictions. Almost 15,000 more Americans died of a heart disease last year than died in 1955.

As life expectancy continues to increase, more and more people

are going to fall victim to heart disease. And although this fate cannot be avoided, it can be delayed. Here is a simple four-point regimen for staving it off as long as possible.

1. Reduce tensions of "modern living," and get moderate exercise. A non-strenuous hobby is beneficial.
2. Eliminate excessive weight that taxes your heart. Do not over-eat.
3. If you must smoke, cut your consumption of cigarettes to less than a pack daily. Smoking constricts the flow of blood and places an extra load on the heart.
4. Above all, see your family physician at least once annually for a thorough physical examination.

### Band Director At State Convention

Robert Meisch, band instructor in the Post schools, is in San Antonio this week attending the annual state bandmasters' convention. He and Mrs. Meisch and their two children will also visit relatives before returning to Post this weekend.

O. A. Madison is managing the city swimming pool while Meisch is away. Madison and his family recently returned from a two weeks' visit in Oregon, Mo., with Mrs. Madison's parents, Mr. and Mrs. T. E. Wilson.

### RUIDOSO TRIP

Mr. and Mrs. Harold Voss, daughter, Voda Beth, and his mother, Mrs. Jessie Voss, have returned home from a week's vacation in Ruidoso.

### SISTER VISITS

Mrs. H. R. Cobb of Wichita Falls is a guest in the home of her sister, Mrs. Al Norris, and family.

### Light Cotton Crop Is Board Forecast

The Crop Reporting Board has forecast a 1957 cotton crop of 11,497,000 bales—11 per cent less than last year's crop of 13,310,000 bales and compares with the 1946-55 average of 13,669,000. An average loan rate of 28.81 cents a pound, basis Middling  $\frac{3}{8}$  inch, was also announced.

Handicapped by unfavorable early season weather, crops made an exceptionally good response to favorable late June and July weather. However, lateness of crop in northern areas of Central Belt, Oklahoma and Northwest Texas, which was only partially overcome, remains the limiting factor.

The expected yield per acre for the U. S. of 416 pounds per acre is only one pound less than the 1955 record high and compares with the 1946-55 average of 300 pounds. Record-high yields are expected in Georgia, Texas, Arizona and California with better than average yields in other states.

The average loan rate of 28.81 cents for middling upland cotton is an increase of 0.66 cents above the advance "minimum" rate announced last winter. This final rate reflects 78 per cent parity price of 35.93 cents a pound for upland cotton as of Aug. 1, 1957.

### ROGER BABSON'S AUTHENTIC STATEMENT

### Less Than 10 Pct. Of People Use Comprehensive Insurance Policies

BADSON PARK, Mass.—A friend of mine has a small retail store with two or three clerks. He has worked hard and accumulated a working capital of \$15,000. Recently a customer suffered a peculiar accident in the store. A jury awarded the customer \$20,000 damages. This not only wiped out the savings of a lifetime, but it put the owner into debt which may result in bankruptcy.

#### Insurance Agents

We are solicited continually by life insurance agents. And if we have a mortgage on our store, or we owe the bank anything, we must show in our statement how much fire insurance we carry. In fact, both life insurance and fire insurance are recognized by every retailer and home owner as "musts." The only question seems to be as to the friend to whom we will give the business and the amount which we are to carry.

I especially recommend what is known as the "comprehensive" policy! This includes most casualty risks other than life insurance. Unfortunately, less than 10 per cent of the people use these comprehensive policies. My appeal today, therefore, is for every retailer to take out a liability policy and to make it large enough.

#### Stores vs. Wives

Not only should retailers take out liability insurance for their stores, but also for their wives and children. A woman neighbor of mine had a hat with a protruding feather which put out the eye of another woman during a crowded retail sale. The jury awarded the woman \$25,000, and tried to involve the retailer. In another case, a parent was awarded \$10,000 because his boy got hurt by running into a person while sliding down a hill in winter.

A milkman who stepped on a broken board collected \$5,000. I could give scores of similar illustrations!

The point I especially want to make is that you will probably have to ask for such insurance. Telephone your agent today for prices and a sample policy. Read this policy carefully, especially the fine print! If the price seems too high, ask another agent to submit

his price and a sample. Life insurance premiums are very competitive and vary little; fire insurance premiums are fixed by State Commissions at very low rates; but liability rates vary considerably.

#### As Investments

Stocks of life insurance companies are the most popular and have had a great rise in price during the past few years. Stocks of most fire insurance companies are selling below their book values. Owing to the tendency of State Commissions to hold down rates (perhaps unfairly sometimes) they are not making the money they should. However, they have excellent managements and ample reserves and I believe will some day be treated fairly. For this reason I am now buying fire insurance stocks while they are cheap. I have never filed accident insurance stocks.

#### Juries And Gravity

Probably the most money might be made (or lost) from the stocks of casualty companies. Their gross business will continue to grow. While thus far we have hated to sue our friends or neighbors, it is fast becoming the thing to do! Most lawyers will take such suits on a retainer basis, perhaps for a two-hundred-dollar fee but with the understanding they are to receive 25 per cent if they win the case. Juries are becoming constantly more generous in their awards, due to the rise in the cost of living, increased wages, and the depreciation of the dollar.

There is little argument about life insurance awards; a person is either dead or not dead. Damage from fire can also be fairly well ascertained. Moreover, "wonder drugs," new hospitals, and better doctors are constantly working to help life insurance profits; and sprinkler companies, fire-alarm companies such as Gameswell, and others are working to prevent fire losses. Furthermore, the Gravity Research Foundation, in N. H., is working to prevent accidents, 80 per cent of which come from falls. Occupational accidents are generally covered by compulsory insurance with fixed standard rates and compensations.

WITH A BUILDING LOAN FROM FORREST LUMBER CO. We Offer A Loan For Every Building Purpose

TAKE ADVANTAGE OF FORREST'S FINANCE PLAN We can, without delay, arrange a suitable loan for any kind of building project. We have a special loan to cover all purchases made from Forrest Lumber Company or affiliated stores. Its a loan plan to cover cost of all types of repairs, alterations or improvements to your existing residence. We also have the same type loan to cover multi-family dwellings, buildings and commercial structures, and farm structures.

IF YOU WANT TO BUILD A NEW HOME... We can fix you up with a GI or FHA loan to include purchase of real estate and completely build the structure. Complete cost for a two-bedroom home will range from \$7,000 to \$10,000. Low monthly payments, including taxes and insurance, will retire the loan over a period of years. Come in and talk it over with us.

IF YOU WANT TO IMPROVE YOUR PRESENT HOME We have a loan designed to enable you to add an extra room or two, build a new garage or make any kind of extensive addition and improvement. You can borrow from \$2,000 to \$5,000 on payout periods of five to fifteen years.

OTHER LOANS IN FORREST'S FINANCE PLAN We have a loan designed so you can finance any purchases made from this Forrest yard from \$65 up to \$5,000. You can re-pay this loan in from six to sixty months. Payments may be made on monthly, quarterly, semi-annually, or annual basis. This type loan will enable you to purchase new bath fixtures, floor coverings, home furnaces, paints, new fences, or any other materials. It's an ideal loan for a Do-It-Yourself homeowner.

There's another loan, designed to enable a home-owner to repair, make alterations and improvements, to his existing home. It will cover all costs of labor and materials up to \$2,500 and may be re-paid in from six to 36 months.

SMALL BUSINESS BUILDING LOANS—If you're interested in building a new business building we can arrange a small building loan of up to \$3,000, exclusive of financing charges. Repayment extends from six months to three years.

FARM BUILDINGS—This loan is designed to enable farmers and ranchers to build structures for agricultural purposes, exclusive of residential purposes. The maximum loan is \$3,000, repayable in six months to seven years.

**TOP NINE** — Shown here are nine of the young women who were presented Friday night at the Jubilee Queen contest. From left are: Joyce Josey, Ann Porter, Gwen Copple, Sandra Ray, Marie Howard, Doris Ramsey, Gloria Cockrell, Juanita Samples and Ruth Rains.

**NINE MORE HOPEFULS** — Still they come! Pictured here is another group of Jubilee Queen candidates attending the briefing session. These are, from left: Patsy Fumagalli, Melba Jo Sims, Barbara Babb, Barbara Wheatley, Charlene Baker, Linda Bilberry, Leslie Nichols, Linda Livingston and Ruth Ann Long.

**EIGHT MORE** — The eight Jubilee Queen candidates shown here are, from left: Mary Lou Stone, Nita Terry, Jane Terry, Frances Dietrich, Loveta Josey, Deborah McDonald and Hazel Small. They learned all about the contest at a Friday night meeting.

**RIGHT WRONG HERE?** — In order to work in the last three Jubilee Queen hopefuls, it was necessary to have members of the contest committee and Jubilee officials to fill out this picture. From left are: Mayor James L. Minor, Mrs. Madge Webb, Rheba Hays, Mozelle Edwards, Hazel Small, Ryla T. Lott (contest chairman), and Bryan J. Williams. The candidates, at the time, were: Mary Lou Stone, Nita Terry, Jane Terry, Frances Dietrich, Loveta Josey, Deborah McDonald and Hazel Small. — (Staff Photos).

## Jubilee Queen Contest 25 Candidates Are In

Withdrawals have reduced the number of candidates for Post Jubilee Queen since Friday night's meeting at Antelope Alley, but there still are 25 hopefuls in the race, Mrs. Ryla T. Lott, contest chairman, announces.

The candidates are: Deborah McDonald, Jane Terry, Marie Howard, Rheba Hays, Gwen Copple, Barbara Wheatley, Leslie Nichols, Ann Porterfield, Jeffry Rains, Patsy Fumagalli, Gloria Cockrell, Joyce Josey, Doris Jean Ramsey, Linda Lane Livingston, Mozelle Edwards, Lucy Trammell, Frances Dietrich, Linda Bilberry, Sandra Ray, Nita Terry, Mary Lou Stone, Elfreda Carpenter, Barbara Babb, Loveta Josey.

"We can't have any kind of a big blow-out without having a queen," Mayor James L. Minor told the candidates Friday night at a meeting at Antelope Alley, where they were brought up-to-date on rules and regulations of the contest as worked out by the committee headed by Mrs. Lott.

In welcoming the field of candidates, the mayor said he was happy to see such good response and that it bodes well for the overall success of the celebration Sept. 14-17 of the city's 50th anniversary.

Following the mayor's talk, Mrs. Lott introduced Paul Haagen, John B. Rogers Producing Co. representative, who explained the contest to the candidates.

Books of 11 tickets to the "Carnock Cavalcade" to be presented on three nights of the celebration were issued each candidate. The 11 tickets have a cash value of \$11, but the committee asks that only \$10 be returned for each book sold, which gives each candidate a \$1 commission plus the number of votes she receives from the ticket sales.

Each book of tickets is worth 16,000 votes to the candidate. Bonuses for early returns will increase the number of votes, as explained in the official rules.

The winning candidate will be crowned as "Miss Golden Jubilee".

## Wayne Smith Heads WTCC Committee

**BIG SPRING**—Wayne B. Smith, president of the Big Spring Chamber of Commerce, has been selected to head the community service committee of the West Texas Chamber of Commerce, according to an announcement by B. E. Godfrey, president of the organization.

In his first official action as chairman of the committee, Smith announced selection of a program committee for the WTCC's sixth annual Short Course for Chamber executives, with Charlie R. Young, manager of the Plainview Chamber of Commerce, as chairman.

The Short Course, scheduled for Big Spring Sept. 13-14, is one of the two primary objectives of the community service committee, Godfrey said. The committee also has charge of the WTCC and local chamber-sponsored community clinics, where the program of work for the local chamber is written by townspeople in a series of meetings.

and the runner-up will be crowned as "Miss Garza County," with the title of duchess. The duchess and duchess and their court of six girls will have important roles in the historical-spectacle "Carnock Cavalcade," Haagen told the candidates.

All eight of the top girls will be presented to the audience at the official coronation ceremony during the first performance on Sept. 14, and each evening thereafter in the province of the pageant. The eight girls will have prominent positions in the opening parade.

The queens will greet all dignitaries as they arrive and will be the official hostesses of the Jubilee. They will wear full-length, regal gowns of elaborate design for public appearance at the historical spectacle.

Miss Golden Jubilee and a companion of her own choosing will represent the City of Fort on an all-expense paid trip to Hollywood and the West Coast. The duchess and the girls attaining the next six highest standings will be awarded merchandise prizes.

## Closing Dates Are Near On State Fair Entries

Closing dates are just around the corner for entering livestock and poultry in shows at the 1957 State Fair of Texas, Oct. 5-20.

Sept. 1 is the deadline for entries in the junior egg production contest, junior market broiler and junior market turkey shows.

Entries will close Sept. 9 in the beef and dairy cattle, swine, sheep and goat divisions of the Pan-American Livestock Exposition, and for steers, lambs and pigs in the Junior Livestock Show.

The deadline for entering Quarter horses, Palominos and Shetland ponies is Sept. 16. Breeder turkeys, breeding chickens and egg laying contest entries will close Sept. 23.

Total premiums of \$80,123 have been posted by the State Fair, with \$68,533 for the Pan-American exposition, \$17,562 for the Junior show and \$4,028 for the Poultry shows.

Dates of the Pan-American are Oct. 5 through 13. The Junior show follows during the second week of the Fair, Oct. 14-19. There will be horse shows all three weekends of the Fair.

**FROM SPRINGFIELD**  
Mr. and Mrs. Lynn W. Duncan's weekend guests were her parents and sister. Mr. and Mrs. L. E. Thomas and Donna, of Springfield, Mo.

## Grid Drills To Begin Monday

### First Game With Ralls Sept. 6

(Sonny) Hudman. The rest of this season's squad will be made up of boys who didn't go out for football last year, and some from the junior high team. Krhut said only nine freshmen reported for physicals Tuesday morning, but that others are expected at the opening practice session.

In addition to being one of the most inexperienced elevens ever fielded here, this year's team will also be one of the lightest.

"As it looks now, there'll be only five or six boys weighing more than 160 pounds on the entire squad," Krhut said.

Lettermen lost by graduation from last year's team, which won six games and lost four, were: Noel White, Leon Davis, Andy Schmidt, Jackie Carpenter, Gary Welch, Jerry Hays, James Williams, Ronnie Kennedy, Ray Gary, Robert Carlton, Auvy McBride, Bill Stephens, Howard Jones, Don

Ammons, Jack Morris and Harry Smith.

Krhut said he expected District 2-AA, as a whole, to be stronger this season than it was in 1956.

"It looks like a wide open race among about five of the seven district teams," he said, admitting that his own Antelopes can hardly be considered as championship contenders.

Krhut said he figured Lockney and Slaton would be the most likely contenders, but that he can't see Lockney winning the state AA crown, as predicted by many area coaches at the annual coaching school in Dallas.

Without a doubt, the Post eleven will be the greenest and lightest in the conference, but the local coaches are hoping that enough spirit and enthusiasm can be engendered among the boys to offset the lack of experience and heft. The complete schedule follows: Sept. 6—At Ralls

Sept. 13—Crosbyton  
Sept. 20—At Denver City  
Sept. 27—O'Donnell  
Oct. 4—At Slaton  
Oct. 11—Open  
Oct. 18—Lockney  
Oct. 25—At Spur  
Nov. 1—Floydada  
Nov. 8—At Tahoka  
Nov. 15—Abernathy.

District games are those with Slaton, Lockney, Spur, Floydada, Tahoka and Abernathy.

#### GO TO CANYON

Mr. and Mrs. Lester Nichols took their daughter, Leslie, to Canyon Sunday to enroll and make other plans to enter West Texas State College this Fall. Accompanying them was Jerry Rains, daughter of M. and Mrs. Carl Rains.

Hippocrates, the famed physician among the early Greeks, blamed many eye ailments upon changes in the weather.

## Team Of McBride, H. Jones, G. Jones And Hays Wins Sunday's Am-Am

A team of Auvy McBride, Gene Jones, Howard Jones and Jackie Hays won the Caprock Golf Course's am-am tournament Sunday afternoon with a score of 57. Finishing second with a 58 was a team of Lonnie Welborn, Punk Peel, Sid Pierce and Dr. Harry A. Tubbs.

Tying for third with 60's were two teams. One was composed of a "drawn". A player's score, J.D. McCampbell, Paul Jones and Fred Cockrell. The other was made up of A. E. Floyd, Hub Haire, Jim Cornish and L. K. Anderson.

Scoring a 61 was a team with "drawn" A and B players, Sexton Huntley and Marlin Bumpass. Other teams and their scores were: Jim Hundley, Walter B. Holland, Ralph Cockrell and Sam Ellis—62; O. C. Garner, Hank Huntley, W. H. Childs and Jess Compton—63; Spencer Kuykendall, Julius Stel-

zer, Roger Camp and Gus—66.

Jimmy Handley also score with a 60. Lonnie Welborn stroke behind with a 61.

**SUNDAY GUESTS**  
Sunday guests in the home of Mr. and Mrs. Walter Simpson's sister, Mrs. and Mrs. Olin P. Lynn and Katherine of parents, Mr. and Mrs. J. M. Lubbock, a family, Mr. and Mrs. James and John Fort Worth, his brother-in-law, Mr. and Mrs. son, of Stockton, Calif.

**WEEKEND GUESTS**  
Mr. and Mrs. Lee Prater and Linda of Odessa end guests in the home of Proctor's parents, Mr. E. R. (Buster) Manning.

AT PHILLIPS QUICK SERVICE STATION On North Broadway

Only five lettermen from the 1956 Post Antelope squad will be among the approximately 50 grid candidates reporting to Coaches Frank Krhut and Albert Parsons Monday morning for opening football drills.

This year's turnout will be one of the most inexperienced in the history of Post High School football, with 17 lettermen lost by graduation from last year's squad.

Thirty-nine candidates for this year's team took their physical examinations Tuesday morning, and a number of others will take their physical tests before reporting for practice Monday, Krhut said.

The grid hopefuls will report at 7:30 o'clock Monday morning and check out pads for light workouts, the coach said. Drills will get under way on a full-scale basis Monday afternoon and be held twice daily weekdays until the opening of school.

With the opening game at Ralls scheduled for Sept. 6, Coaches Krhut and Parsons will be faced with the task of getting the light, inexperienced squad in shape in ten practice days.

The first home game is scheduled for Sept. 13 against Crosbyton. Krhut said tentative plans are to operate this season's offense from a modified split-T formation.

The five returning lettermen are Sammy Martin and Arlon Ford, who played in the line last season, and backs Charles Morris, Noel Don Norman and Jerry Windham. The coach said there is also a possibility that there will be a sixth letterman, back Lewis Holly out for this year's team.

The only other 1956 squad members expected to report are Bryan Williams III, Kenny Poole, Scotty Pierce, Larry Welch, Bill Williams, John T. Brown and Victor
