New tax revenues give City of Post margin for growth

EDITOR'S NOTE—In an effort to give Post citizens a more complete understanding of the city's fiscal affairs, The Post is printing the following explanation of the municipal 1960-61 budget and what the increased expenditures are going to buy.

By JIM CORNISH
City of Post in this new budgetary year, which begins Oct. 1, now can afford to

start buying the many things the municipality has long needed, but could ill afford. Making all this possible was the putting on the city's tax rolls for the first time an additional three square miles of territory brought into the city through an annexation vote over a year ago. Included in the new property on the tax rolls are the Postex Mills, dozens of additional oil wells, and many homes and other business properties.

It does not include however the many new liquor stores and taverns on the well-lighted "strip" in the Precinct 3 portion of the city. Since they did not come into being until late April and May, they will go on the tax rolls for the first time next year. **SAME TAX RATE** Although the city will have more money to spend, the tax rate—at \$1.50 per \$100 valuation—will remain the same. The town's property valuation

has jumped from \$2,592,970 to \$5,977,907—and this jump brings the increased ad valorem tax revenue of almost \$42,000. Most of the valuation increase is due to the city's expanded size, but some of it is also due to well over \$1,000,000 in property construction in the city last year (1959) which comes onto the tax rolls for the first time. Last year ad valorem taxes raised \$44,424.46 for the city's operation. This year the same tax rate on the big new valuation will bring in an estimated \$86,978. Last week The Dispatch listed the city's total budget as a record one of \$439,682.15. This is correct, but actually to understand it the reader must realize that this figure includes everything that passes through the city's books, including paving warrants from individual property owners, the balances maintained in many sinking funds, and some actual transfers from one fund to another which swells the total but does not represent actual receipt of money.

IN ROUND FIGURES For practical purposes, the city's actual budget of funds which will be received and spent totals \$296,250 in round figures—which also is a record one. It is broken down generally into \$110,000 in the city's general operating fund, \$157,000 in water receipts, \$25,000 in sanitation department receipts, and \$4,250 in cemetery fund receipts. Now let's look at these four funds, one at a time, and see what increased expenditures are planned. (See **NEW TAX**, page 8)

Rotarians to give teachers' banquet
The Post Rotary Club will play host to all Post teachers, and their wives or husbands at the club's annual Teachers Banquet to be held Tuesday night, Oct. 25, in the remodeled city hall. Wives of Rotarians also will be guests at the banquet. Shelly Camp and Dr. Jim Matthews are the committee in charge of banquet arrangements.

FIREMAN'S HAT JUST FITS
Fire Chief Robert Cato is seeing if one of the fire department's new hats will fit Dick Wood, who retired a few years ago after 37 years as a member of the Post Volunteer Fire Department. The hats and other uniform accessories "came along" after Wood's retirement.—(Staff Photo.)

'Typical Citizen' ratings held by Post's firemen

Post's 25 volunteer firemen come from all walks of life, they rub shoulders daily with their fellow citizens whose lives and property they are dedicated to protecting from fire, and they take a lively interest in the affairs of their community.

The popularity of their organization and the high esteem in which it is held is attested to by the fact that there is now and always has been a sizable waiting list of would-be firemen. Fire Chief Robert Cato, who has been a member of the fire department for 21 years and fire chief since 1956, says applicants for the department are reviewed by a five-man board before they are accepted. The applicants are judged on the basis of eagerness, ability and past experience, Cato said.

FOUR DIVISIONS
The fire department consists of two divisions of firefighters, one division of fire police and one first aid team. The individual fireman's duties, however, are not confined to the division of which he is a member; he is, first of all, a firefighter, the chief explained. The firemen meet for practice every first and third Monday night, with four hours of practice a month required. Every year, the Post fire department is represented at the state fire marshals' and firemen's training school, for which the town receives 5 per cent credit on its fire insurance rates.

The fire chief said the public, particularly the business men, have cooperated almost 100 per cent with the fire department in making it possible for the department to be represented at the state firemen's schools. **PUBLIC COOPERATES** The public also has cooperated in every other way to show its appreciation of the men who guard their lives and property against fire. Every year, for as long as most of the present firemen can remember, the department has held an annual Christmas event. This event includes the awarding of some 20 turkeys, candy for all the children, and bringing Santa Claus to town for a pre-Christmas visit.

"Only through the generous cooperation of the business men have we been able to keep this Christmas event going from year to year," the fire chief said. Some two years ago, business men chipped in some \$1,800 to (See **FIREMEN**, page 8)

Co-directors for Youth Center are signed by board
Mr. and Mrs. Bill Hatler have been employed by the board of the Garza Youth Center as the co-directors of the center for the current school year. Hatler is a freshman pre-law student at Texas Tech in Lubbock and is 21. Both he and his wife come from Tennessee where they had considerable experience in the operation of a youth center in their hometown. Mr. and Mrs. Hatler will take over direction of the center for the Saturday night festivities at the center from 8 to 11 p. m. Local teenagers are urged to turn out and get acquainted. According to Hatler's plans, a teen board to have complete charge of the center's activities and operations will be selected the following week at the center's activities following the Denver City football game Friday night, Oct. 21. A boy and girl from each of the high school classes will be selected by the youngsters to form the board.

The center will be open one night each week here for the high school students and one night monthly for the seventh and eighth grade students of the junior high. The youth center board, meeting Monday night, with Mr. and Mrs. Bob Smith as co-chairmen, voted to employ the Hatlers after receiving a report from the interviewing committee recommending the Hatlers. They will be paid \$15 per (See **YOUTH CENTER**, page 8)

Mrs. James Mason wins washer-dryer
Mrs. James M. Mason has received a "diamond door plate" and been notified that she is the winner of a combination washer and dryer in the recent Dr. Pepper Company's Diamond Jubilee contest. Mrs. Mason, who lives at Southland, is the wife of the builder of Post's new Blue Flame home. The prize notification letter didn't say whether the washer-dryer was an electric-powered one, or one operated on gas.

CHAMBER COOKS IN NEW TOGS
Members of the Chamber serving committee at the Saturday Farmers-Merchants' barbecue were all decked out in their new tall white cook's hats and white aprons, lettered with "Post Chamber of Commerce Grubstakers." Shown above behind the 30-gallon and bean pots are head cook Matt Seltzer and some of his helpers with Scotty Samson, chamber committee chairman who came down in the morning to check on the food. Left to right, Andy Stelzer, Samson, John Shedd, Matt Stelzer, John Turner, and Rusty Dean.—(Staff photo.)

1,500 'fed fast' here at barbecue Saturday

1,500 folks were fed—most within 50 minutes—Saturday night at the Chamber of Commerce's annual Farmers-Merchants' Barbecue at the county building. It was one of the most successful barbecues ever held here from a standpoint. The event saw the Chamber's serving committee and the cooks decked out in new high white hats and white aprons lettered with "Post Chamber of Commerce Grubstakers." Matt Bush, who farms in the

Parker steps out as Rotary head
Ronnie Parker, Church of Christ member who will leave Post with family Oct. 30 for his new position in Copenhagen, Iowa, was presented with a President's Rotary pin Tuesday at the Rotary's weekly luncheon in City Hall. Parker, newly elected president of the club, made the presentation after Parker had handed the club gavel and made his farewell talk. Short gave an interesting talk on keeping as the luncheon speaker. The local hardware man has been keeping bees as a hobby for the last 25 years said he had been bitten at one time by a bee was 42 times on

Bids opened here on motor graders
Garza County commissioners received bids on two motor graders, appointed three election judges and approved the quarterly financial statement at the October session of commissioners' court, which began Monday. One of the new motor graders is to be purchased for Precinct 1 and the other for Precinct 2. There were two bids on each grader. W. D. Livingston was appointed judge and Mrs. L. H. Peel assistant judge for 1960 special and general elections in Voting Precinct 5. Clark Barton was appointed assistant judge for Voting Precinct 7. (See **POSTINGS**, page 4)

Postings

Today, Post merchants and The Dispatch join in converting National Fire Prevention Week into "Appreciation Week" here in Post for the 25 members of the Post Volunteer Fire Department. You'll notice a couple of good fire department features by Editor Charlie Didway on today's front page along with a pix of Ex-Fire Chief Dick Wood, who "saved" the department once when it was disbanded, and present fire chief, Robert Cato. The most interesting feature, however, will be the individual pictures of the firemen and personal data as to their jobs on the department, years of service with it, residence addresses, and their regular jobs in the community. You'll find these in the ads of many appreciative merchants scattered throughout the paper with each fireman's picture and data appearing in one of the ads. All of the 25 firemen that is except one—Dee Hodges. We could never get Dee off his truck and into Casteel's studio to have his picture taken in fireman's hat and coat. Dee is vice president of the fire department and has seen six years' service with it. He lives at 805 West Sixth and is as we mentioned a truck driver. We give you his personal history here so that even if we don't have his picture we want the folks to know a little about Dee's activities with the department. Look through this issue of The Dispatch and see the men who are ready 24 hours around the clock to protect their hometown from fire. Their pay is just about enough to handle their clothes cleaning bill, though it might not even cover that. So you can see they do it because it is a community job needing doing and they're volunteered to be part of it. We (See **POSTINGS**, page 4)

Gas rate increase sought by Pioneer

The Pioneer Natural Gas Company has petitioned the City of Post for a gas rate increase here of approximately 10 per cent. If granted, this would be the first general gas rate increase granted since 1951. In 1957 a small boost in the minimum bill was authorized by the city. The utility company is asking for similar rate hikes all over its West Texas distribution system. The brochure prepared by the gas company and presented to Mayor Powell Shytles explains that during the last several years there has been a continuous increase in the cost of the firm's operations, such as the cost of materials, wages, taxes, and gas purchased for resale. The gas rate boost is sought to begin Dec. 15 and to reflect in the Jan. 1 billings to local customers. Mayor Shytles said the city council would be presented the request for the first time at its Nov. 7 session. The 10 per cent boost would be spread equally through all the rate brackets, according to the gas firm's request. The proposed new rates with the present rates in parenthesis are as follows: 2,000 cubic feet or less monthly \$1.65 (\$1.50), next 2,000 cubic feet of gas monthly 60.5 cents per thousand feet (55c), next 40,000 cubic feet 55c (50c), next 50,000 cubic feet 50c (45c), next 200,000 cubic feet 38c (35c), next 200,000 cubic feet 33c (30c), all over 500,000 cubic feet 28c (25c). The minimum billing under the proposed rate would be \$1.65 as against the present rate of \$1.50. The gas rate request brochure said that the present annual domestic gas bill here is \$65.36. The average bill under the proposed

Johnny Johnson's automobile found

Sheriff Carl Rains said yesterday that the only trace found of Johnny Johnson, who is wanted here on a murder charge, was his automobile, found abandoned last week northwest of Heckville in northeastern Lubbock County. The sheriff said that a farmer living near where the automobile was found abandoned had noticed the car parked there Sept. 29, the day after the murder here, but did not make any report of the abandoned car to officers until several days later. The sheriff said the car was parked well off the road in a patch of tall Johnson grass. Johnson, a Negro, is charged with the pistol slaying of a Negro woman, Stella Mae Young, on Sept. 28.

Ginnings up to 1,563 bales

Garza County's cotton ginnings were up to 1,563 bales through Tuesday, a gain of over 100 per cent over last week's total of 763 bales. The new forecast for Garza County, released by Plains Cotton Growers, Inc., is 26,000 bales, an increase of 1,000 over the Sept. 1 forecast of 25,000 bales. Few local agricultural observers think the county will gin 26,000 bales. The labor shortage was becoming less acute in areas served by the county's six gins, but more could be used. Machine-pulling is already under way in the area served by the Steric Gin, west of Post. The count through Tuesday by gins was as follows: Graham Co-op, 168; Pinters, 128; Storie, 218; Basinger, Southland, 468; Pleasant Valley, 402; Close City Co-op, 185.

CITY AUDITORIUM GETS NEW 50-STAR FLAG
At last week's luncheon of the Post Rotary Club, the club presented the City of Post a new 50-star American flag for use in the City Hall auditorium. Rotary President Ronnie Parker (second from right) presented the flag to City Councilmen Harold Lucas (far right) and C. R. "Si" Thoxton. All three are Rotarians.—(Staff Photo.)

Dispatch Editorials

Thursday, Oct. 13, 1960

An encouraging budget story

The Dispatch this week has another front page story on the city's new hefty budget. We urge every reader to read it closely. Public understanding of the municipality's fiscal affairs and problems is something The Dispatch has been working on for some time to achieve in the public's best interest.

A complicated budget is not the easiest thing in the world to dissect and write about in layman's language. Last week in its top story, The Dispatch gave the budget figures by departments, showing the increases for each department.

The second story this week is to complete the picture by showing what those increased expenditures are going to do for you and me in the way of a better city operation and better city services in many fields.

Read it and study it. The city for many years has been hamstrung with insufficient funds to operate a city of this size and to provide the services the people want and expect.

Coming onto the tax rolls of a great amount of new property through annexation which quadrupled the city's geographical size from a one square mile townsite to four square miles will almost double the tax revenue. Now the city can operate as a city. Now we can throw off the yoke of steady emergency financing on things which are not really emergencies, but which in the past had to be treated as such.

We think you will be encouraged by what you find in this story. We think you will be happy to learn that the city is planning its future expenditures and making some badly needed improvements on a pay-as-you-go basis.

The choice: security or freedom

The Dispatch wants to make its political convictions clear to its readers in the present Presidential campaign—and the reasons behind those convictions.

First, we deplore the fact that Democratic Jack Kennedy's Catholic religion is a campaign issue both here and across the width and breadth of Texas and other states.

It's high time we Americans realize that if it's all right to elect Catholics to all other offices in the land then the presidency alone should not be denied them. If those Protestants who are fearful would put Catholicism into its true historical perspective—noting how it originated and the forces which in that early day brought about its development into its present form—we don't believe they would have much fear left as to who actually would make the decisions should a Catholic occupy the White House.

Probably we won't change many minds on this score. But certainly this is a subject which merits open and frank discussion. So we take our stand.

Second, as we so declared ourselves recently we are of conservative political hue. Our choice between the two personable young candidates is made upon this score. The Dispatch supports Dick Nixon.

If you will trace his political career, you will find it basically of conservative mould. Kennedy's isn't.

For example, the city hall remodeling has been completely financed on a pay-as-you-go basis without any bonded indebtedness incurred. The new fire station will be paid for solely out of tax funds in the current new budget. Improvements need to be made at the city warehouse to provide additional storage. They will be made and the entire cost paid this year.

Elsewhere in other departments, equipment purchases will be made which before couldn't be afforded.

The city police department has moved to a two-man permanent force with enough funds for two salaries and one police car which can be traded in each year.

The fire department must be improved with new hose purchases and the re-equipment of the old 1936 Ford fire truck to become a special service fire truck to fight particular kinds of fires.

Seal coating of paved streets, which used to cause an emergency, now can be handled as a regular budgeted item. The new sanitation truck—the second new one purchased—will be paid for out of operating funds of that self-sufficient department.

All these are plus gains in city financial operation.

There too is a \$4,000 item for a city master plan. Other funds from the federal government will match the city's to make the plan possible and the work will be done through a state agency on a cooperative project.

Post for the first time has the funds it needs to properly operate a city of this size. It is an achievement which merits public understanding and public appreciation.—J.C.

We oppose Jack Kennedy solely on the grounds of his free-wheeling economic beliefs and on the ultra-liberal National Democratic platform upon which he stands.

We did not find it strange that Texas Democrats at their state convention adopted their own conservative platform quite in contrast to that of their national party's for this campaign. But we do think it strange that they did not take unto themselves a candidate more in keeping with their expressed beliefs.

The social programs which Kennedy espouses are not programs we believe will in the end benefit America—and keep it free and strong.

Our future lies in a free America. Such a free America depends upon a free people with the freedoms necessary to shape the course of their own lives.

Security, comfortable as it is, is in opposition basically to freedom. A people who ask more and more security on every hand cannot long remain free.

It is on this basic political philosophy we feel the choice must be made in November.

Every qualified voter has the choice—the choice between freedom and security. We can't vote for both. And to us, freedom by far is the more important.—J.C.

Appreciation week for firemen

This National Fire Prevention Week is a fitting time to change the name to Volunteer Firemen's Appreciation Week. It means one and the same thing. And for us local folks it is more fitting.

Post's Volunteer Fire Department over the span of the last 45 years has performed an outstanding community service—at considerable personal sacrifice.

Being one of the 25 firemen on Post's volunteer force isn't a high paying job in the monetary sense. But in community service it is quite rewarding for every one of us.

The Post Fire Department has an enviable record of service and is so proficient with its

duties that annually it saves Post property owners thousands of dollars in insurance rates.

To the critical eyes of the insurance folks, they have simply made Post fire safe by doing an excellent job.

It is only fitting that the City Dads in recognition of their community contribution have given their solid support with a new fire truck and are now proceeding with plans for a new fire station.

To the 25 volunteer firemen pictured on the pages of The Dispatch this week through the cooperation of local merchants let's say a sincere "thank you."

When you see them say so. Your support, like the city's is all important.—J.C.

Need felt for pistol packin' law

With two pistol slayings here within recent weeks, the law-abiding citizens of Post no doubt will agree with Attorney General Will Wilson that Texas needs a law to regulate the sale of pistols so that irresponsible persons can neither sell nor buy them.

Furthermore, the two slayings are not the only violations occurring here recently involving people packing pistols who didn't have any business with them.

The attorney general told Texas prosecuting

attorneys at a recent meeting in Austin that murders in Texas were up 10 per cent last year. "One way to prevent these killings," he said, "is to keep pistols out of the hands of irresponsible persons."

As the attorney general pointed out, a lot of the money spent on catching and punishing law breakers might be saved if more were spent on prevention of crime. Or, to use an old saw, "An ounce of prevention is worth a pound of cure."—C.D.

What our contemporaries are saying

Feller over at the drug store says the biggest room in his new house is the room for improvement.—James Roberts in The Andrews County News.

Giving your child a pup will teach him responsibility, providing he pays close attention each time you feed, water and bathe the little fellow.—Marvin Yonno in The Rails Banner.

The old pattern is about the same. This nation still has too many men wearing out the seats of their pants as self-appointed critics of the government and its leaders. And too few wearing out the knees of their pants in prayer.—Douglas Meador in Matador Tribune.

Two talkative women were gossiping over the backyard fence. Said one: "Had you heard that the pope's wife is already in Washington looking for living quarters?"

"Why, Mabel, you don't know what you're talking about," came the reply. "They've been divorced for years."—H. M. Baggarty in The Tulsa Herald.

Knowledge may tell you that fire burns, but wisdom is remembering how it burns.—Elton Perry in The Ballinger Ledger.

Speaking of unemployment . . . the human brain has more than 10 billion cells.—James Roberts in The Andrews County News.

THURSDAY to THURSDAY

By CHARLES DIDWAY

THIS IS FIRE Prevention Week and the best time to put out a fire, as any good fireman will tell you, is before it starts. That means, of course, don't let it start!

I've talked to a number of firemen this week in helping work up this special Fire Prevention Week edition, and among the things I've learned about fires is that about 5 per cent of all of them are caused by such natural phenomena as lightning, windstorms, earthquakes, and floods. All other fires are the result of man's activities. These are preventable.

THIS PREVENTABLE type—85 per cent—of fires is what has brought about Fire Prevention Week on a national scale. Each of us can contribute to fire prevention by eliminating any careless things we do that might cause a fire.

My humblest apologies to Supt. R.T. Smith, members of the school board and any others I might have offended by stating in an editorial in last week's Dispatch that no mention is made in the Student Handbook of the new honor awards system at Post High School. The honor awards are prominently mentioned right at the top of page 10. My only excuse is that I was looking at the wrong handbook—last year's. It was just a case of a slow man in a fast world.

SIGN LANGUAGE: These signs with a smile were noted recently by the Reader's Digest—in a record shop: "Used records for sale for sale." In a Tampa, Fla., doughnut shop "Recommended by Dunkin' Hands." At a billboard ad for garden tools: "Take me to your weeder." At the Warren Air Force Base under the picture of a missile launching: "When You Care Enough to Send the Very Best."

POINTED POLITICS: A platform is getting to be something a candidate stands on before election, and falls down on afterward.

Election Year—When the air is filled with speeches and vice versa . . . A politician is a man who, when he comes to a parting of the ways, takes both of them . . . It's a smart politician who can keep a note of envy out of his voice while accusing his opponent of fooling the public.

IN THE EYES of those whose interests they represent — their fellow farmers and ranchers—Garza County's ASC committeemen are bound to be doing a good job. The present committee has been re-elected for another year after having served for the last few years. In most counties, the ASC committee is constantly changing from year to year.

There were a lot of people at the State Fair of Texas on opening day—more, in fact, than I've ever seen in one place. Sunday's Dallas Morning News reported that more than 230,000 went through the turnstiles for Saturday's opening. I'd have guessed more . . . it seemed to me that at least that many were ahead of my group at the Cotton Bowl gate we entered, but I guess not, since only some 76,000 attended the game. The size of crowds can fool you, especially on unseasonably warm days when your "dogs" are aching, when the people in front of you seem rooted to the spot and those behind you keep pushing.

SOME FOLKS ARE old enough to remember when the word "fall-out" was only a barber's expression.

Parting Thought: Rejecting things because they are old-fashioned would rule out the sun and moon.

Lehore, Pakistan, is in trouble —after standing for 2,000 years. Recently, the surrounding area has been irrigated, raising the water level to the place where the soil will no longer support the buildings.

The Atlantic entrance of the Panama Canal is 27 miles west of the Pacific entrance. Thus, one travels east, to get from Atlantic to Pacific.

One Copenhagen restaurant uses 4 feet of menu space to list its 177 sandwiches — including smoked salmon and eel, roast veal, spiced ham, egg, shrimp, tongue, roast beef, salami, liver paste, and roast pork.

The sun rotates on its axis, like the Earth, only in counter-clockwise pattern, and requires 25 days for one complete rotation.

The Senate Select committee on National Water Resources predicts there will be 47 million sports fishermen by 1960.

The Pan-American Highway utilizes a causeway built in Mexico City by the Aztecs, centuries before Columbus crossed the Atlantic.

New York City in 1853 paid \$7,389,727 for the land now occupied by Central Park—3½ miles long, and ½ mile wide.

THE AMERICAN WAY

The Taxpayer—Only Source of Government Money

Remembering yesteryears . . .

Five years ago

Major James Minor said this week that the City Council would like to hear, for a change, the public's viewpoint on the current telephone issue, in which General Telephone Co. of the Southwest is asking for an increase in local rates. "My Do", a filly owned by Earl Hodges won the grand Championship from the Hockley County Quarter Horse Show held in Leveland; members of the Lions Club have been hunting a place for the fair to be held next year; Robert Craig, Jim Bob Porterfield, and Jim Ruth Norman spent Saturday through Tuesday near Lake Buchanan fishing; Mr. and Mrs. Sam Byrd are announcing the marriage of their daughter, Miss Effie Lois Byrd to William Thomas, son of Mr. and Mrs. W. H. Thomas of Calhoun Hills, S. C.

Ten years ago

Funeral services for Wanda Sue Snow, infant daughter of Mr. and Mrs. Lee H. Snow, were conducted at 3:30 Tuesday afternoon in Mason Funeral Home Chapel; Glendon Presson arrived home Wednesday from Fort Sam Houston for his first furlough since May, 1942; Bertie W. Condon arrived home Friday for a 30-day leave; Raymond Gatzki, son of Mr. and Mrs. Gus Gatzki of Grassland, arrived here last weekend to spend at 3:30 Tuesday afternoon in a 30-day leave with his parents; tomorrow has been set as opening date of the Billings Art Studio owned by D. B. Billings; Mrs. J. R. Durrett will be hostess to members of the Needle Club Friday.

accepted today; only six fines were assessed in justice of the peace court this week; Mr. and Mrs. G. W. Dodson of Brownfield were notified by the War Department that their son, Pfc. Darrell A. Dodson, was seriously wounded in action in Korea, Sept. 18; Alice Littleton, a Negro, was killed after a card game, by William Ray Wood; Mrs. Pete Kennedy recently underwent surgery in a Lubbock hospital; Mrs. A. J. Moore returned to her home in Osceola, Mo.

Fifteen years ago

Funeral services for Mrs. Mary Josie Storie, wife of M. M. Storie a former resident of Post, were conducted here Tuesday afternoon at the First Baptist Church; T-Sgt. Glendon Presson arrived home Wednesday from Fort Sam Houston for his first furlough since May, 1942; Bertie W. Condon arrived home Friday for a 30-day leave; Raymond Gatzki, son of Mr. and Mrs. Gus Gatzki of Grassland, arrived here last weekend to spend at 3:30 Tuesday afternoon in a 30-day leave with his parents; tomorrow has been set as opening date of the Billings Art Studio owned by D. B. Billings; Mrs. J. R. Durrett will be hostess to members of the Needle Club Friday.

uled to end in November.
Hill is being trained in the duties
of a Nike-Ajax guided missile
crewman.
He entered the Army last June
and completed basic training at
Fort Ord, Calif.
Hill attended Post High School.

I Give You Texas . .

By **BOYCE HOUSE**
Thomas Wolfe says, in one of his novels, that you can't go back. Literally, of course you can return to the scenes you knew in bygone years but the places have been changed. The buildings are older and more faded—or they are gone.
A recent return to Memphis, Tennessee, where I grew up, brought this forcefully to mind. The old, dim, second-hand book store I used to visit has been replaced by a "bargain" clothing store. The bakery shop where you could get three big sugar-coated cookies for a nickel or a large, flat coffee cake, encrusted with brown sugar and spicy with cinnamon, for a dime, has vanished.
So has the old hotel which was the scene of an exciting occurrence when I was a schoolboy. A man barricaded himself in an upper floor and stood off the police in a battle that lasted an hour or longer. When the chief called for volunteers, almost every officer present stepped forward. A policeman had been wounded and the chief had asked who would volunteer to go with the wounded man to the hospital! (Even tragedy has its humorous side.)
Quebec is the only walled city in North America.

the pigeons and squirrels, although there is a new, bright, white little building instead of the picturesque open air stand that used to be run by Tony, who made a fortune selling apples and peanuts. The grass is now bordered by hedges and there are signs, "Keep off the grass" and so the park no longer, on sunny days, has visitors sitting on the ground and—on summer nights—it is no longer an inn for men without the price of a room.
Across the street from Court Square a new building stands on the site that used to be occupied by a dingy structure with an elevator that was a cage that crept up and down. One of the officers was tenanted by a man who had been a dashing officer in the Confederate Navy but who, in the twilight of his life, sat in a barn-like room, surrounded by old law books and by memories.
The structures and the people of past days are shadows within the brain of the few who still remember. The world is busy with making a living and pursuing pleasure, or so it seems—yet, no doubt, some now young man will pause and say, "On that spot over yonder, away back in 1960 I saw—"

**THE CLASSIC FORD LOOK
FOR '61 BRINGS YOU
THE BEST OF EVERYTHING!**

'61 Ford has the Classic Straight-Line Styling!
See how the new concave grille glitters! See how the massive bumper sweeps back into the classic Ford straight-line styling! Come in and admire the '61 Ford in our showroom!

'61 Ford has the Thunderbird's Roofline!
Today's great profile is Thunderbird's roofline. It's not only the most imitated style there is, it's practical. Plenty of hats-on head room, front and rear.

'61 Ford has Ford's Classic Rear-End Styling!
Smooth and sleek, with the safe and friendly big, round taillights that flow smoothly into the classic sculpturing of the '61 Ford rear end.

and it's the car beautifully built to take care of itself!

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF!
LUBRICATES ITSELF. You'll normally go 50,000 miles without a chassis lubrication.
CLEANS ITS OWN OIL. You'll go 4,000 miles between changes.
ADJUSTS ITS OWN BRAKES. New Truck Size brakes adjust themselves automatically.
GUARDS ITS OWN MUFFLER. Ford mufflers normally last three times as long as ordinary mufflers.
PROTECTS ITS OWN BODY. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.
TAKES CARE OF ITS OWN FINISH. New Diamond Luster Finish never needs wax.

'61 FORD

About Your HEALTH

The thrill of the hunt is exhilarating, and yet at the same time can be soothing. This paradox of emotions probably accounts for the tremendous popularity of the sport.
But there is still another aspect—this one, not so attractive—the ever-present possibility of an accident.
During 1959, there were 139 accidental deaths attributable to firearms. While a large number were children who had pulled a "toy" gun out of Dad's bureau, most were outdoor hunting or allied "cleaning" accidents.
By October 1, 1960—during dove hunting season—there were four deaths from hunting accidents, according to the Sportsmen's Clubs of Texas.
However, death from firearms is not the only way to die during hunting season. A good many hunters slip and fall over precipices while gazing off into the distance instead of watching their steps on unsure ground.
But the greatest danger is still the hunter's weapon. Here are the ten commandments of shooting safety, which if followed seriously may save your own or your partner's life.
1. Treat every gun with the respect due a loaded gun.
2. Watch the muzzle! Carry your gun safely—keep the safety on until ready to shoot.
3. Unload guns when not in use take down or open breech—guns should be carried in cases to shooting area.
4. Be sure barrel is clear of obstructions, and that you have ammunition only of the proper size for the gun you carry.
5. Be sure of the target before you pull the trigger—know identifying features of the game you hunt.
6. Never point a gun at anything you do not intend to shoot—avoid all horseplay.
7. Never climb a tree or fence or jump a ditch with a loaded gun—never pull a gun toward you by the muzzle.
8. Never shoot a bullet at a flat hard surface or water—at target practice be sure your backstop is adequate.
9. Store ammunition and guns separately, beyond reach of children.
10. Avoid alcoholic beverages before or during shooting.

Which Democratic Platform?

Which do you prefer: the socialistic, anti-Texas platform of Kennedy — or the Nixon Platform that more nearly conforms with Texas principles and ideals as expressed in the State Democratic platform?

The Kennedy platform is against nearly everything Texans are for—it is for nearly everything Texans are against.
What will be your choice? It is between a party label and the best interest of Texas and the Nation.
Allan Shivers says:
"I'LL TAKE TEXAS. I accept the Texas Democratic platform and will work for it. I repudiate the other—the Kennedy platform. I will join with my fellow Democrats to work and vote for men of maturity, experience, responsibility, and a fearless dedication to this country's best interests.
"I will vote for Richard M. Nixon and Henry Cabot Lodge."

Card of Thanks

We wish to thank all our friends for their kindness and thoughtfulness shown following the loss of our mother.
 The Hodges family.

I wish to say "thanks" to everyone for their visits, cards, and flowers during my recent stay in the hospital. Also special thanks to the doctors and nurses.
 Lee Fry.

I could never find words to express my thanks to Dr. Payne, Dr. Locke, the Sisters, nurses and staff at St. Mary's Hospital; and the friends who sent flowers, cards, gifts, and those who came by to say "hello" while I was in the hospital. My greatest wish and prayer is for God to bless you with health and happiness.
 Mrs. Buford Jones.

To our dear friends, who helped us in so many ways, we wish to thank each of you. May the Lord bless each and everyone.
 The J. E. Rogers family.

Postings--

(Continued from page 1)
 congratulate these firemen, every one, and urge you to do the same. They deserve this individual recognition — so let's honor them this Fire Prevention Week.

If you wonder why they all are wearing Fireman's Hat No. 13 in the pictures, we wish to explain that that was the hat left at the studio for the picture taking. They don't all go to fires in Hat No. 13 — nope, they're not that superstitious.

When Editor Charlie Didway took Friday and Saturday off—and he had a couple of free days coming for the way he works around here getting the news day and night—to see the Texas-Oklahoma game at Dallas over the weekend, we were caught with our "photographer gone" when the Chamber of Commerce unveiled their new cooks' hats and aprons at the Farmers-Merchants barbecue Saturday. So we grabbed the camera and "shot" the third picture of our journalistic career which spans back to 1938. We got a printable "front page" shot and Charlie enjoyed the ball game.

Over on page 7 of today's Dispatch you'll find the Grand Opening announcement of T. B. and Louise Odum, the new owners of the Western Auto Store. Their announcement is crammed with Grand Opening bargains. So get down to Western Auto, sign up for the many free gifts, say hello to the Odums and take home some Grand Opening savings. You'll find their swell additions to Post, if you haven't already.

The Dispatch is so crowded today that a number of items had to be cut from our correspondence items over the county. We don't want to dishearten either our readers, or our correspondents so we want to explain how it happened. Usually we get everything in—but this time there wasn't quite room. We did the best we could.

Lee Ward flew home (via Lubbock) Friday night from his 29-000 mile air trip to Australia to report he ate six meals on Monday, Oct. 23, and none at all on the first Sunday he was gone.

Legal Notice

CITATION BY PUBLICATION
 THE STATE OF TEXAS vs. LEE ROY CURRY, GREETING:
 You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 21st day of November, A. D. 1960, at or before 10 o'clock A. M. before the Honorable District Court of Garza County, at the Court House in Post, Texas.

Said plaintiff's petition was filed on the 11 day of October, 1960.

The file number of said suit being No. 1597.

The names of the parties in said suit are: Melrose H. Curry, as Plaintiff, and Lee Roy Curry as Defendant.

The nature of said suit being substantially as follows, to-wit: Suit for divorce.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 11th day of October A. D. 1960.

Given under my hand and seal of said Court, at office in Post, Texas, this 11th day of October A. D. 1960.

CARL CEDARHOLM,
 Clerk District Court,
 Garza County, Texas. 4tc (10-13)

The reason of course was he "lost" the Sunday when he crossed the international dateline going out and got two Mondays, Oct. 23, en route home. Lee reports that the cotton sheeting mill he went to give technical advice to for two weeks 120 miles north of Sydney uses lots of West Texas and other American cotton as Australia raises very little cotton itself. Winter was just ending and spring was in the cool air when he arrived, but he said it wasn't until two days before he left that he could get his feet warm. Lee stopped three days in Los Angeles on business coming home and then took a jet flight to Dallas and a regular airline flight on into Lubbock.

He reports that it was his second trip to the South Pacific—the first one was made as a serviceman in World War II—and his first to Australia where he found a country as big as the United States inhabited by only 12,000,000 people, most of them along the coastal areas with 2,500,000 in Sydney alone. He said the roads were "very bad" due he figured to the tax cost for good ones but that Australia although keeping tight immigration controls was hopeful of attracting in new settlers looking for a new life in another land. Some 2,000 were employed at the sheeting mill where he went. It was located in a very fertile valley which was simply "flooded with grazing dairy cattle"—more to the acre than he'd ever heard of before.

One final baseball note as the World Series rings down the close of another American baseball season. Norm Cash, the "pride of Justiceburg" wound up the American league season as Detroit's leading hitter. Norm, in his first full playing season with the Tigers, hit 298 with 101 hits, including 18 home runs, in 253 official appearances at the plate. He scored 64 runs and knocked in 63 in the RBI department. He was the 18th ranking batter in the league—not bad for a youngster just getting a chance to play regularly for the first time. Al Kaline with 20 the second best Detroit average.

RETURN FROM TRIP
 Mr. and Mrs. C. L. Claborn returned this week from a 3-week trip that took them to Post, Marlin Page and family, and Mrs. Alton Bragg and children. From there they went to Charleston, Ark., and visited Daniel Waggoner, and A. Bland, Ark., they visited Mrs. Garza County residents, Mrs. W. C. Norris.

Sheila Smith, Bowen Stephens wed in double ring service

Double ring wedding vows were exchanged by Miss Sheila Smith and Bowen Stephens Friday evening at the First Methodist Church in Lubbock. The Rev. R. H. Metzger officiated at 6 o'clock.

The bride, escorted by her father, wore a gown of pure silk over taffeta, designed with draped Sabrina neckline and sleeves. An extended scalloped bodice complemented the bodice and bouffant skirt, swept to a chapel train. She wore white gardenias with white stephanotis centered on a white Bible.

Matron of honor was Mrs. LeEllison, sister of the bride. W. G. Lattimore Jr. of Lubbock was her other attendant. They wore identical sheath dresses of white cotton satin and carried white rosebuds.

Following the bridegroom as ushers were Junior Smith of Lubbock, Groomsman was Dallas of Lubbock, Lanny Smith of Lubbock, and the bride, was ushered by Cleveland was ringbearer.

Marsha White was pianist who accompanied Mrs. Jesse Hale who sang "Love Is a Many Sheds" and "The Wedding Prayer".

ATTEND WEDDING
Those attending the wedding of Bowen Stephens and Sheila Smith of Plains, last Friday evening in Plains were: Mr. and Mrs. Wesley W. Stephens and Mrs. Jerry Queen, Mrs. Bob Cooley and Donnie, Mrs. Mellie, Mr. and Mrs. M. S. Smith, Mr. and Mrs. Aubrey Ritchie, Margaret, all of Post; Mr. and Mrs. Mansell Richardson and daughters of Lubbock, Mr. and Mrs. Jim Fenley and daughters of Odessa, Bob Lovingsood of Odessa, Mrs. E. A. Ensminger and daughter of Lovington, N. M., Mr. and Mrs. M. S. Smith Jr. and daughters of Dallas. Smith was the best man.

A reception in the Community Room followed the ceremony. Assisting with hostesses were Mrs. Dallas Powell of Lubbock, Mrs. Pete Timmons of Meadow, Mrs. Jackie Hayes of Santa Rosa, N. M., Mrs. Oran Hickerson of Seagraves, Mrs. C. L. Anderson, Mrs. G. W. Cleveland and Mrs. R. K. Field of Plains.

Following a short wedding trip they are at home at 2116 17th Street, Lubbock. The bride is a graduate of Plains High School. She attended Jessie Lee's Hair Design Institute, and was employed at Dunlap's Salon before her marriage. Her husband is a Post High School graduate and graduated from Texas Tech.

Mrs. D. C. Williams to participate in district meeting

Mrs. Alice Wolfe Edwards, representative of the Commission on Ecumenical Mission and Relations of the United Presbyterian Church in the U. S. A., will be the main speaker at three district meetings of the Plains Presbyterian Society of the United Presbyterian Women on Oct. 18-20 at Clarendon, Dalhart and Brownfield. Post is in the Brownfield district.

Mrs. J. T. Nichols of Tulsa, who is president of the Plains Presbyterian Society, has announced plans for Mrs. Edwards' presence at the three meetings to speak to the Presbyterian women.

Mrs. Horace Wilson of Amarillo, a member of the Presbyterian Church's National Commission on Ecumenical Mission and Relations will also be present at the meetings.

Mrs. Edwards is a commission representative for the West Central Area, with headquarters in Kansas City, Mo. She returned in May, 1959, from an around-the-world tour, on which she visited mission stations and spoke to church groups throughout the Far East and in Egypt. During the month of April she was at the University of the Philippines in Los Banos, conducting a course in leadership training school for lay women.

Highlights of UN told at club meet

The Needlecraft Club met in regular session recently at the home of Mrs. H. J. Dietrich. Those present were Mrs. J. R. Durrett, Mrs. Jack Kennedy, Mrs. Smith, Ms. Lillian Heard, Mrs. S. W. McCrary, Mrs. W. R. Graeber, Mrs. Tillman Jones, Mrs. L. G. Thuest Sr., Mrs. Mae Voss, Mrs. Boone Evans, Mrs. Connie Caylor and Mrs. Dietrich. Each member answered roll call with highlights of the United Nations. Refreshments of sandwiches, ice cream and cake were served. The club will meet tomorrow afternoon at 3 o'clock at the home of Mrs. J. R. Durrett.

Model meet held by sorority Monday at Community Room

Texas Mu Alpha chapter of Beta Sigma Phi sorority held the annual model meeting for the benefit of newly pledged members in the Community Room of the First National Bank Monday evening.

Mrs. Royce Josey was hostess, with Mrs. John Edd May, co-hostess.

Mrs. Burton Hill gave the history and traditions of Beta Sigma Phi. Mrs. Bob Smith told of the local activities of the club, and Mrs. George Pierce discussed the membership fees.

Program for the evening was "Your Poise and Charm" discussed by Miss Denise Eubank, with Mrs. Dennis Eubank in charge.

Mrs. Hill gave a report on the West Texas area convention, held in Odessa Oct. 6-8. Six sorority members attended. The area convention will be held in El Paso next year.

Members attending the model meeting were:

Mmes. Rex King, Roy T e a f f, Tom Gamblin, Darrell Eckols, Bob

Smith, Ella Ryder, Dennis Eubank, Jim Durbin, Burton Hill, Jim Boren, Walter Holland, Mike Mitchell, George Pierce, John May, and Royce Josey.

Guests and pledges present were Mrs. Noel Clemmons, Mrs. Warren Stockton, Mrs. Charles Luttrell, and Miss Denise Eubank.

Mrs. Auvy McBride shower honoree

Mrs. Auvy Lee McBride was honored with a layette shower recently at the Community Room of the First National Bank when approximately 20 hostesses entertained.

Guests called from 7 until 9:30 p. m.

A large arrangement of layette gifts was displayed throughout the entertaining rooms.

Punch, cookies, nuts and mints were served, with hostesses alternating at the table. A stork surrounded with miniature cupid dolls formed the centerpiece.

Postscripts

Mrs. T. R. Hibbs spent last weekend in Beaver, Okla., helping her mother, Mrs. J. L. Reeves, celebrate her 81st birthday. Mrs. Reeves returned to Post with her daughter for an extended visit.

Postites attending the Texas-Oklahoma football game at the Cotton Bowl in Dallas this weekend included Mr. and Mrs. David Newby, Mr. and Mrs. Giles McCrary, Mr. and Mrs. Shelley Camp, Mr. and Mrs. Harold Teal, and Mr. and Mrs. Charlie Didway.

The home of Mr. and Mrs. A. C. Cooke, 801 West 6th, was the scene for a weekend gathering of Mrs. Cooke's sisters. Mrs. Cora Lee Barry of Kansas City, Mo., Mrs. Alva Stark of Tulsa, Okla., and Mrs. W. H. Thompson of Dallas. It was the first time in ten years the four sisters had gotten together at one time. En route home they visited in Dumott with Mrs. Cooke's daughter and family, the Bill H. Smiths.

Mr. and Mrs. O. H. Hoover will observe their Golden Wedding anniversary Sunday with an open house at their home on Route 2, Post, from 2 until 5 p. m. Another long-time Garza County resident couple, Mr. and Mrs. H. M. Ford, will be honored on their 50th wedding date in November. On Nov. 27 they will have their anniversary celebration at the Community Room of the First National Bank.

Bowen family reunion held Sunday; 53 are present

The home of Mrs. B. K. Bowen and Mrs. Mell Pearce, 406 West 13th, was the scene Sunday for a Bowen family reunion. Fifty-three relatives and friends attended.

Present were: Mrs. G. W. Ely of Long Beach, Calif., Mr. and Mrs. Noah Reeves and Alvin of Snyder, Aaron Bowen

Vickie Williams honored at party

Vickie Williams, daughter of Mr. and Mrs. Marvin Williams, was honored with a party Sunday afternoon on her eighth birthday when her mother entertained.

The young guests called at 3 o'clock and following games were served birthday cake, punch and ice cream.

Guests included: Charlene and Johnny Nelson, Debbie Hays, Debbie and Steve Cooper, David Williams, Lee Ann and Andy Williams, Barbara and Ginny Gilmore, Cindy White, Karen Sneed, Melba Jo Mathis, Carolyn Sneed, Cynthia White, Danny Williams and the honoree.

Other guests were Mmes. John Nelson, Charlie Cooper, Claude Williams, Melvin Williams, Curtis Williams, Charley Williams, H. C. Thompson, Stanley Mathis, and Miss Nita Williams.

FLORIDA VISITOR

Leon D. Smith of Fort Myers, Fla., is visiting his daughter and son-in-law, Mr. and Mrs. Jimmy Hundley and daughters.

the Dreadful moments of childhood

Grownups forget that a child experiences fear, disappointment and despair even more often than they.

Experience prepares the adult for sudden shocks. A child stumbles upon them unaware.

And each will breed more bitterness in his heart, if he has not found firm foundation for his courage, perseverance and hope.

But when a boy or girl has been given the undergirding of religious faith, the dreadful moments challenge rather than destroy.

Our children pray more often than we realize. They believe more confidently than we suppose. Life teaches them to draw strength from their faith . . . self-confidence from their trust in God.

But you and I must provide them opportunity to acquire faith. And our own example in worship and life must inspire their trust in God.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH.

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

University of Houston

Oct. 9-15, 1960
On the 25th inst., the Steamer Bayou City burst her boiler while nearing the landing at Lynchburg, on her way up from Galveston. Number of killed and wounded unknown.
This is the first accident that has occurred on the Bayou in some time.

SINGING—The young ladies and young gentlemen of Cameron have

organized a singing class, and meet every Sabbath afternoon, at the Academy, to indulge in the pleasant and agreeable exercise of singing sacred melodies. We are glad to note this—it is a step in the right direction, for which the community is indebted to Dr. Martin and his estimable lady. We hope that the class will soon become sufficiently proficient in the art of vocal music to enable them to raise their voices in church.

ANOTHER FATAL ACCIDENT
—On Sunday, a teamster by the name of John Taylor, of Austin county, was killed in a singular manner. He was in the act of cutting a rope from an ox's neck, to put a new one on, when the animal became restive, and jumping forward, pushed the knife into the man's arm, severing one of the main arteries and causing his death in a few hours. The accident occurred about two miles from Crockett on the Alabama Rd.

We have heard some complaint about the rowdy and indiscreet conduct of a portion of the patrol, while attending to the duties of the nightwatch. We are unable to say whether these complaints are well-founded or not, but we hope there is no one on the patrol who can so far forget the best interests of the community, as to engage in any indecorous conduct that will reflect discredit upon those who have tried so assiduously to inaugurate means for the security of life and property. In order to command the respect which should attach to persons acting in that capacity, and be obeyed readily by servants, without disturbing families, the most rigid discipline is required by the patrol, and no levity or boisterous conduct of any kind should be indulged while on duty. If young men wish fun and frolic, they should, at least refrain

Abilene man to head Nixon drive

AUSTIN — John Womble, Abilene businessman and civic leader, has accepted appointment as chairman of the 24th State Senatorial District for the Texas Democrats for Nixon-Lodge campaign. It was announced today.

Womble's appointment was made by former Governor Allan Shivers, state chairman of the Nixon-Lodge campaign among the Democrats.

Womble said today that heavy emphasis would be laid during the campaign in his district on the socialistic aspects of the Kennedy platform as compared with Texans' philosophy of government.

"The Kennedy platform is for nearly everything Texans are against, and against nearly everything Texans are for," he said.

"I agree wholeheartedly with former Governor Shivers that this country cannot afford to wander off with Kennedy and his 'new frontiers' when the world is on fire and needs experience and maturity at the helm."

Womble said he, like thousands of other Texans were convinced that the platform on which the Kennedy-Johnson ticket was basing its campaign would lead to a further concentration of federal government power and a weakening of local and state governments.

"The most sensible approach to until they are off watch. Matagorda Gazette

It appears that Joseph O'Connor was elected Judge of the 14th Judicial District at the late election. It is alleged that he received 300 illegal votes in Nueces county and that his seat upon the bench will be contested. If it is found that this allegation is true, John F. McKinney will be the Judge; he having received the next highest vote.

HOUSTON—The cars on the Rail Road makes two trips each from Galveston to Houston and back. These with the Steam-Boats afford great facilities for freight and passengers. Competition is the life of trade.

our problems today can be found in the State Democratic platform, adopted a few weeks ago in Dallas, which is in direct conflict with and repudiates the Kennedy platform.

"And in accepting this appointment I am happy to be able to say I support the principles and purposes of the State Democratic platform, as directed by our Texas delegates to the State convention."

The 24th district embraces the following counties: Borden, Scurry, Fisher, Jones, Shackelford, Dickens, Garza, Kent, Stonewall, Howard, Mitchell, Nolan and Taylor.

There is a delay of 26 to 32 hours between occurrence of sunspots and their attendant interference with the earth's electro-magnetism.

Venice, Italy, is sinking 1-10 of an inch yearly—millions of wooden pilings driven into the mud and sand to support the buildings are giving away.

Now...your Chevrolet dealer offers
one-stop shopping
for your new '61 car!

Here's a better way to choose your new '61 car. Now your Chevrolet dealer offers a range of models to suit almost any taste or need—in a range of prices to suit any budget. It's the greatest show on worth! A full crew of low, low-priced new Chevy Corvairs, including four wonderful new wagons. New Chevy Biscaynes—offering big-car comfort at small-car prices. Beautiful Bel Airs, elegant Impalas, and the incomparable Corvette. Shown below are just 5 of the 30 different models you can pick from. Come on in and make your '61 car-shopping rounds the easy way—all under one roof!

New '61 Chevrolet IMPALA SPORT SEDAN
You've got five Impalas to pick from—models that put the accent on luxury while offering all of Chevy's new ideas about comfort and convenience—like larger door openings, higher seats, and a low-loading deep-well trunk.

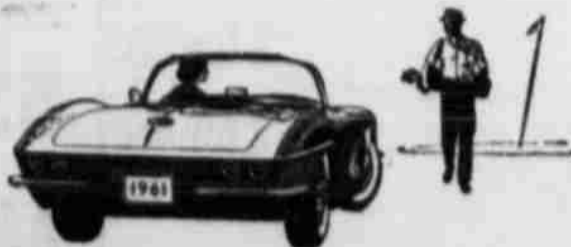

Presenting big-car beauty at small-car prices
NEW '61 CHEVY BISCAYNE 6
(2-Door Sedan, above) All Biscaynes, 6 or V8, give you a full measure of Chevy quality, comfort and proved performance. Yet they're priced right down with many smaller cars that give you a lot less!

New lower priced
'61 CORVAIR 500 4-DOOR SEDAN
Like all Corvaire coupes and sedans, this model costs less for '61. You get more spunk, space and savings—and now Corvaire has wagons, too!

New '61 Chevrolet
BROOKWOOD 9-PASSENGER STATION WAGON
All six Chevrolet wagons feature a cave-size cargo opening that's nearly five feet across!... plus a new concealed compartment (lock is optional at extra cost) for stowing valuables.

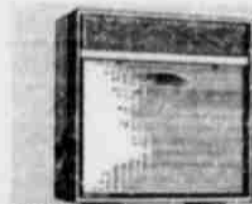

NEW '61 CORVETTE
New form and fitness for America's only true sports car. New '61 Corvette offers more performance and more luxury equipment than any car in its class.

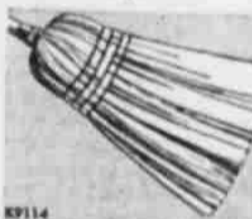

See the greatest show on worth at your Chevrolet dealer's!

New tax revenues--

(Continued from page 1)

ned by the mayor and city council for the community.

Mayor Powell Shylties sums it up this way. "Lots of things are new being done we couldn't afford before."

First, from the city's operating fund there will be an estimated \$110,743.86 to spend for general administration, police department, fire department, and street department.

This \$110,743.86 represents the \$86,978 in property taxes, delinquent taxes paid, utility tax receipts, payment from county of \$3,000 for Garza County fire protection, permits of various kinds issued by city, miscellaneous income, and \$4,500 of warrants which can be sold for payment later for any emergency use. This \$4,500 probably will not be spent but will be put into the budget so the warrants could be issued should some unforeseen emergency make immediate purchase of a new piece of equipment necessary.

Out of this \$110,000 of income in to the general fund, some \$23,000 will be spent for permanent city improvements on a pay-as-we-go basis without any bonds and future interest to pay.

Some of this \$23,000 will go to make final payments on the City Hall remodeling, which was all financed neither by bonds or warrants, but out of current city funds.

The new fire station now planned, and announced last week, will all be paid from this \$110,000. This is estimated to cost around \$9,000.

Other improvements include \$2,500 to build additional storage facilities long-needed at the city warehouse, and \$4,000 to finance the city's share for a city master plan for future expansion. State and federal funds will pay the balance of the city planning project, in a cooperative planning action with the city. This is just getting under way now.

A \$9,000 increased expenditure is planned for the city police department from the general operating fund. The additional money will go to pay the annual salary, \$3,000, for an assistant city marshal—giving the city a two-man force; for the city's share in the operation of the law enforcement radio station in the county sheriff's office in an agreement worked out with the county a few months ago; for additional police equipment, including the replacement of the city's present police car with a new police car.

The fire department's budget calls for \$6,900 in additional funds. Most of the increase is for new equipment, including new hose and the overhauling and renovation of the department's 1936 Ford model fire truck which will be equipped for use against special types of fires.

The street department's budget has been upped \$3,000 primarily because the city's street program now is greatly increased with the additional three square mile area

Dick Wood--

(Continued from page 1)
the City Hall. In the meantime, an ancient Ford automobile had been rigged up to replace the horse carts, with the first fire truck to come a few years later.

EARLY OFFICERS
Wood recalled that George Walker was fire chief when he joined the department in 1917, and that other officers at that time included Jim Hundley and the late John Fumagalli.

The retired fireman remembers the truck accident at the Main and Broadway intersection several years ago as one of the most dangerous fires in the town's history.

A big gasoline transport truck jackknifed and hit the gasoline pumps at the Texaco station on the northeast corner of Main and Broadway.

Flaming gasoline ran down the gutters on the north side of Main Street and the fire blistered the store fronts.

The truck driver, trapped in the cab of his truck, was burned beyond recognition, Wood said.

FIRE AT HOTEL
Another disastrous fire he recalls—happening several years before the truck accident—occurred late one Sunday afternoon at a hotel located behind the present Garza Hotel, which then was a furniture store. Wood said the two-story hotel building had been freshly painted and that the fire caught from linseed oil. One life was lost in that fire.

Wood said when he first joined the department, firemen drew 50 cents for a fire call.

"It later went up to a dollar, but I retired before getting in on the two dollars they're getting now," he chuckled.

He said in the earlier days, firemen often would pool their "fire pay" to buy flowers for sick members and provide help for firemen and their families when it was needed.

Wood said that in his 37 years' active service with the volunteer fire department he could not recall a single instance in which the businessmen or the general public of Post have failed to help out when called upon—for such things as contributions to pay for fire school attendance, firemen's Christmas party contributions, etc.

to cover. This will go for new equipment, additional salaries, more fuel and oil and for additional street lighting costs as more street lights have been added for the increased city residential area.

That takes care of the expenditures from the general operating fund, as far as increases go.

SELF-SUPPORTING

The city sanitation department, which handles the trash and garbage collection, is a self-supporting enterprise. Monthly sanitation charges to property owners are expected to bring in \$25,000 to go with a \$1,712.07 balance as of July 1. An additional \$6,000 in warrants which can be sold also have been set up in this budget but won't be used except in some unforeseen emergency.

Post's old garbage disposal truck broke down this summer. A second one had to be purchased. The entire cost of this purchase will come from this department's operating funds for the fiscal year. That alone cost \$7,500.

All told, the sanitation department budget has been increased some \$5,000 in round figures. Increased expenditures are figured besides purchase of the new truck, for operating expenses as a larger territory is now being serviced. This will require more manpower, fuel, etc.

The sanitation department also handles all city spraying for flies and mosquitoes. More is included in the new departmental budget for this too, as it costs \$100 each time the city is sprayed during the summer, and frequent sprayings are required.

Another expenditure planned in the sanitation department is for a wash rack and washing equipment as the city's two sanitation trucks must be washed daily to keep down the odor. This has been a difficult to handle during the past year.

CEMETERY FUND

Next is the cemetery fund, which also is supposed to be self-supporting—but isn't quite. The city plans to transfer \$1,000 from the general fund into the cemetery fund to help pay the excess in operating costs over the \$4,250 anticipated revenue from cemetery lot payments. The city last year expanded its cemetery caretaking operations and now has them on a pay-as-we-go basis, which means a more beautifully kept cemetery for everyone.

The last individual, self-supporting department is the water department, the city-owned utility which includes water charges to users, tapping fees, sewer charges each month, etc.

First, \$31,697.80 of this income will go into the sinking fund to pay interest and bond indebtedness charges coming due on the city's water debt and to provide replacement when necessary.

WATER DEPARTMENT
That leaves \$125,367.20 for the water department's actual operations. Pumping costs are expected to be \$7,000 more this year due to heavier anticipated sales of water, which produces more water income but costs more to produce.

Some \$28,000 more has been budgeted this year for extension and fill-in work in the water department. The department is changing present four inch size fire plugs to six inch size as desired by state inspectors. Two inch water lines now in operations in some parts of town have become inadequate in size for the number of homes served and must be replaced by larger lines.

Board considers letting Lincoln cagers use gym

The board of trustees of the Post Independent School District tentatively agreed Monday night to let the Lincoln Elementary School basketball teams use the old high school gym.

The final decision will hinge on or not the Lincoln school's home basketball schedule can be so worked out as not to conflict with the other games to be played at the gym.

Supt. R. T. Smith told the board he would check with teachers at the Lincoln School to find out how many home games they will play and on what nights they would want the gym.

The gym use request was on the agenda at Monday night's regular monthly meeting of the board.

In other action, the board approved a tentative test schedule for the Post schools, presented by James West, curriculum coordinator. They also accepted the bid of the local Veterans of Foreign Wars Post for purchase of the temporary class room building, which no longer is being used at the old high school building.

In presenting the test schedule adopted by the board, West said the tests are another step in instituting a guidance program in the local schools.

The first phase of the guidance program, he said, was at the beginning of school when two weekshops—one on guidance—were held for teachers. Recently, he said a reading workshop has been held for teachers in the lower grades.

West said he considered the proposed tests, from grades 1 through 12 to be well adapted for helping put the guidance program into full effect here. A number of the tests, he said, were recommended for the local school from national educational sources.

The board voted to sell the class room building to the VFW post on its bid of \$3,500, which was the only bid submitted. The school constructed the building at a cost of \$5,706, including the foundation, from which it is to be moved. The building was used for two years.

Smith told the trustees that three local automotive firms are participating in the new rotation plan on the pick-up truck for the vocational agriculture department. Storrie Motor Co. is furnishing the truck this year, with Tom Power Ford to furnish it next year, and Caprock Chevrolet Co. the following year.

Youth center--

(Continued from page 1)
evening for the center's operations with the number of trips not to exceed six monthly.

The Hatlers plan to remain in Lubbock for the holidays and will be in charge of the center for any holiday dances.

The board also voted to allow \$5 traveling expenses to the Hatlers for any trips to Post to meet with the board.

The board approved a plan whereby a four-piece western band being organized here will play free for dances at the center when asked in return for use of the center one evening a week for practice.

The center has been recently remodeled.

Don't lose faith in humanity. There are millions of people who never played you a dirty trick.

Firemen--

(Continued from page 1)

equip the fire department with their first sets of uniforms, consisting of bunker coats, helmets, boots and gloves.

The new uniforms haven't been the only note of progress. A new 1960 GMC 750-gallon pumper truck was purchased a few months ago, and has been recognized in state firemen's publications as one of the top-designed trucks of the year.

The new truck is a far cry from the Model T truck pressed into use here in 1925. In 1928, an International pumper was added, with the next purchase, in 1939, a Ford pumper. A Mack crash truck pumper came along in 1942 and a 500-gallon pumper Chevrolet truck in 1952.

The new fire truck is equipped with a two-way radio, brought in along with the county's sign-up for Civil Defense equipment. The fire department is also ready to go along with other city and county-wide Civil Defense plans already in the making.

The new fire station to be built by the city will be another step in the full modernization of the fire department. Other steps coming up include at least one or two full-time paid firemen in the future, and a ladies' volunteer fire department auxiliary.

Fire Marshal Ralph Cockrell has furnished figures to show why Post's fire insurance rating has made a commendable climb from 10 per cent in 1957 to its present rating of 20 per cent for 1959, with a 25 per cent rating anticipated for 1960.

In 1957, fire losses totaled \$12,323.18. In 1958, they dropped to \$6,332.12 and in 1959 to \$3,767.45. "That's bringing them down", said Fire Chief Cato.

Burglar gets two three-year terms

Allen Charles Smith, a Post Negro, was sentenced to prison for three years last Thursday on each of two counts of burglary, the charges to run concurrently.

Smith, who was already under a probated sentence, pleaded guilty to both burglary charges before District Judge Truett Smith.

On one of the charges he was accused of breaking into the home of Ernest Cleveland and on the other of breaking into the M. J. Malouf Dry Goods Store.

Two others charged along with Smith in the Malouf burglary, C. L. Milo and Steve Royal Jr., received four-year probated sentences after pleading guilty.

A hearing for two juveniles being held in connection with the Malouf burglary is set for 2 p. m. Friday before County Judge J. E. Parker.

J. C. Bonzer pleaded guilty to a break-in at Maxine's Gift Shop here and received a three-year probated sentence.

Dwain Regan and Henry Schmoker each received five-year probated sentences after pleading guilty to forgery.

New deep wildcat to be drilled in Garza

John J. Eisner of Abilene will drill an 8,550-foot Ellenburger wildcat, nine miles south of Post. The location will be one and a quarter miles southwest of the North Teas Straw pool and two miles northwest of the Lazy J. Pennsylvanian pool opener.

It will be the No. 1 J. B. Slaughter Estate, 400 feet from north and west lines of section 26, block 1, Jasper Hays survey.

Gas rate--

(Continued from page 1)

proposed rate-increase would be boosted to 63.4 cents. It added that the average Texas domestic rate is 75 cents.

Operating expenses and general taxes per customer has increased from \$21.49 in 1951 to \$31.19 in 1959. The distribution plant and equipment investment per customer has risen from \$88 in 1947 to \$146 in 1959. It was \$110 in 1951.

The brochure also said the field cost of gas per thousand cubic feet has increased from 9 cents in 1952 to 15.2 cents under its present contract.

Southland homecoming to be Saturday night

The annual Southland High homecoming game will be played at Southland Saturday night with the Southland Eagles meeting the Union Wildcats.

Kickoff time is 7:30 p. m. The football sweetheart of Southland high will be crowned at appropriate halftime ceremonies.

FLOWN TO ALBUQUERQUE

Paul Jones is one of the nine Piggly Wiggly branch managers who was flown to Albuquerque, N. M., today in a Baldrige Bakery plane to inspect operations of two of the largest Piggly Wiggly stores in the company. He was scheduled to be flown home again this afternoon.

EARLIER GAME START

Beginning with Friday night's game at Stanton, all conference football games will begin at 7:30 o'clock, instead of 8 o'clock, Supt. R. T. Smith has announced.

3 plead guilty to trespassing

Three Texas Tech students were hooked in Justice of the Peace Court for trespassing Saturday after being caught hunting on the J. E. Birdwell ranch, near Post.

The students, J. M. Young, E. P. Colgan and J. D. Rollo, 18 to 21 their 22 caliber rifles with Justice of the Peace D. C. Roberts in lieu of fines and costs.

Also in JP court, Buren Curb of Post paid fine and costs of \$29.65 after pleading guilty to stealing groceries from K&K Food Mart.

J. N. Nanny and F. H. Allison paid fines and costs of \$24.65 each after pleading guilty to disturbing the peace.

A. E. Redman pleaded innocent to charges of simple assault and destruction of property in connection with an automobile accident and posted bonds of \$125 and \$250 on the charges.

Dennis Rudd pleaded guilty to being drunk and resisting arrest and paid a fine and costs of \$24.65.

Paying fines and costs after pleading guilty to being drunk were Juan Martinez and Ol Romero.

R. A. Teel was booked Saturday for having no operator's license.

Hearing is postponed on new SCS district

The hearing set for Tuesday of this week on formation of the proposed new Garza Soil Conservation District was postponed at the request of the State Soil Conservation Board.

Personnel at the SCS office here said the hearing probably will be held within the next two or three weeks.

New Arrivals

Mr. and Mrs. Billy Jones announced the birth of a daughter, born Oct. 6 in Garza Memorial Hospital. She weighed five pounds 14 ounces and was named Mildred Jane.

Mr. and Mrs. James Sparks announced the birth of a son, born Oct. 10 in Garza Memorial Hospital. He weighed six pounds 10 ounces.

A daughter weighing eleven pounds four ounces was born to Mr. and Mrs. Carl Boland. She was born in Garza Memorial Hospital.

Mr. and Mrs. Clarence Green announced the birth of a daughter, Nita Jo, born Oct. 7 in St. Luke's Hospital. She weighed six pounds six ounces. Mr. and Mrs. Barney Jones are the grandparents and Mrs. Seth Jones of Ozona is the paternal grandmother.

Karen Williams, 2, has birthday party

Mrs. Nolan Williams celebrated with a party last Tuesday afternoon from 3 until 5 o'clock, honoring her daughter, Karen, on her second birthday.

Favors of bubble gum and balloons were given the guests and birthday cake and punch were served.

Guests included: Lee Ann and Andy Williams, Craig Lester, Terry and Alan Lester, Randy, Debra and John Mason, Dennis and Kathy Mason, Mark and Marla Hume, Jan and Marissa Mason and Cindy and Michelle Mason.

Antelopes play at Stanton Friday in loop opener

Still seek win after 12-0 defeat at Tulia

Post Antelopes, who turned in their best defensive effort of the Friday night in holding the Buffs to a 12-0 score, open their 3AA season tomorrow night at the Stanton Buffaloes at 7:30 p. m.

Buff winners of their district last season in Class A, are playing in Class AA circles for the first time. They open conference against Post with a 3-3 tie as compared with the Antelopes' 4-4.

Post opened by losing to Class A powerhouse Merkel, 16-0. They were then thrashed by three victories, trouncing Lake, 44-0; Coahoma, 26-0; and Ozona, 26-0, before losing to Tulia, 27-6.

Post's offense also probably will be hampered by a 25-0 loss to Tulia by two touchdowns and one field goal in their best offensive effort of the season. They completed six passes for about 65 yards and a touchdown on the 12-yard end sweep.

Post's defense held the national small college champions to 106 yards on the ground and 94 in the air. East Texas picked up 240 yards rushing and passed for 112.

East Texas State takes on Sam Houston State Saturday night at Huntsville in their second Lone Star Conference tilt. The Lions will be going after their second loop win and third consecutive victory.

Attending H-SU is Jerry Hitt, son of Elmer L. Hitt of Route 1, Post. He is attending Hardin-Simmons University during the fall semester of 1960-61, according to registration records. A junior student, Hitt is majoring in piano and minor in voice, working toward a degree in music education. He is a graduate of Post High School.

Post Antelopes, who turned in their best defensive effort of the Friday night in holding the Buffs to a 12-0 score, open their 3AA season tomorrow night at the Stanton Buffaloes at 7:30 p. m.

were on the receiving end of passes thrown by quarterbacks Kenneth Williams and Leslie Acker.

Halfback Wendell Duncan continued his fine punting, his first kick getting a good roll to total 60 yards. He maintained his 30-plus punting average for the season.

Against Stanton Friday night, Post will be facing a team that brews its offense from a basic split T formation. They throw a lot and also rely on a grinding ground attack led by speedy halfback Tommy Newman, who has accounted for all of the last 38 points scored by the Buffaloes.

7th grade, 44-0; 8th grade, 24-8

Post wins two from Slaton

Post's 7th and 8th grade football teams made it two in a row over Slaton here Tuesday night, the 8th graders winning 24 to 8 and the 7th graders rolling up a 44 to 0 score.

The Post teams' next games will be with Tahoka here Tuesday night, with the 7th grade game set for 7 o'clock and the 8th grade game to follow.

The Post 8th grade eleven scored four touchdowns in posting their second victory over Slaton, but was unable to add any extra points. The victory was a costly one, with ace halfback Teddy Scott going out early with a wrenched knee.

Fullback Benny Owen scored to put Post ahead in the first quarter and the lead was upped by six points when guard Jackie Beavers covered a Slaton fumble in the end zone. Quarterback Butch Cross scored on a sweep, and the visitors notched a late first half touchdown and made the extra points to leave the score at 18-8 at the intermission.

Cross scored Post's final touchdown in the second half. Post's 7th graders were never in trouble in their one-sided victory over the Slaton team.

Four of the five District 3AA teams—Denver City, Stanton, Slaton and Post—swing into conference action Friday, while the Tahoka Bulldogs have an open date.

The undefeated Denver City Mustangs, ranked high among the top 10 Class AA teams in Texas, entertain the Slaton Tigers. The Post Antelopes, with an 8-4 record, go to Stanton to see if they can hit the victory trail against the Buffaloes.

Denver City kept rolling last Friday with a 31 to 12 win over Dimmitt, but each of the other four 3AA teams went down in defeat.

Stanton lost to Crane, 27-6; Post fell before Tulia, 12-0; Slaton lost to Lockney, 24-4, and Tahoka dropped one to Petersburg, 36-6.

SANTA FE CARLOADINGS

Santa Fe carloadings for week ending Oct. 8 were 26,543 compared with 21,945 for the same week a year ago. Cars received from connections totaled 12,235 compared with 11,663 for the same week a year ago. Total cars moved were 38,778 compared with 33,628 for the same week a year ago. Santa Fe handled a total of 37,126 cars in the preceding week this year.

CALLS FROM LABRADOR

A-3c Anthony Box called his mother, Mrs. J. C. Putman, Monday from Labrador. He is stationed there with the U. S. Air Force.

GUEST SPEAKER

Rev. C. B. Hogue, pastor of the local First Baptist Church, will speak tonight at the Baptist Social meeting in Brady.

WE STICK TO OUR LASTS

There was a time when pharmacists often were called "Doc." Doubtless it was a complimentary gesture. Even in this late day, the pharmacist frequently is asked to diagnose and prescribe by his customers. But like the shoemaker, we pharmacists stick to our own lasts. We neither diagnose nor prescribe. These health team functions fall within the special province of physicians both by law and professional training. As a member of the health team, we are an intermediary, serving both the doctor and the patient. Our job is to compound your prescriptions carefully and promptly.

CALLS FROM LABRADOR

A-3c Anthony Box called his mother, Mrs. J. C. Putman, Monday from Labrador. He is stationed there with the U. S. Air Force.

GUEST SPEAKER

Rev. C. B. Hogue, pastor of the local First Baptist Church, will speak tonight at the Baptist Social meeting in Brady.

WE STICK TO OUR LASTS

There was a time when pharmacists often were called "Doc." Doubtless it was a complimentary gesture. Even in this late day, the pharmacist frequently is asked to diagnose and prescribe by his customers. But like the shoemaker, we pharmacists stick to our own lasts. We neither diagnose nor prescribe. These health team functions fall within the special province of physicians both by law and professional training. As a member of the health team, we are an intermediary, serving both the doctor and the patient. Our job is to compound your prescriptions carefully and promptly.

touchdown and made the extra points to leave the score at 18-8 at the intermission.

Cross scored Post's final touchdown in the second half. Post's 7th graders were never in trouble in their one-sided victory over the Slaton team.

Four of the five District 3AA teams—Denver City, Stanton, Slaton and Post—swing into conference action Friday, while the Tahoka Bulldogs have an open date.

The undefeated Denver City Mustangs, ranked high among the top 10 Class AA teams in Texas, entertain the Slaton Tigers. The Post Antelopes, with an 8-4 record, go to Stanton to see if they can hit the victory trail against the Buffaloes.

Denver City kept rolling last Friday with a 31 to 12 win over Dimmitt, but each of the other four 3AA teams went down in defeat.

Stanton lost to Crane, 27-6; Post fell before Tulia, 12-0; Slaton lost to Lockney, 24-4, and Tahoka dropped one to Petersburg, 36-6.

Roving Reporter

The new fad seems to be wearing big bows on your pony-tail. Yvonne, you had better try to grow one if you're going to wear your gorgeous bow!

Saw some of the 8th graders out by the pig-pen after the barbecue Saturday night. What were you all doing? (As if we didn't know.)

Some of the couples seen around PJHS lately are Carolyn Matisier and Danny Pierce, Teddy Scott and Shirley Isaacs, Dicky Vardman and Cindy Wilson, Donnie Cornell and Bobbie Compton, Lana Haynie and G. T. Mason, Pamela Stewart and Pat Cornell, a freshman, Becky Thompson and Butch Cross, and Dottie Long and James Morris.

In Mrs. Baxter's Language Arts class, our "Fiction Book Reports" were due Wednesday. Everyone thinks (hopes) they made a pretty good grade.

The next day they had a test over the author, main characters, and the plot of the books we read.

In History Mrs. Wristen assigned us "Texas History Book Reports" which are due Oct. 17. I'll bet there has been a wild scramble for the Texas history books.

Donnie Cornell of 7-A was injured Wednesday at noon while playing run-through with a group of his friends. He suffered a broken collarbone and was taken to the hospital to get it set. Now he is doing fine and was back at school Monday.

We are glad to have a new student in the 7th grade. Rachel Ovalle moved to Post from San Antonio and enrolled in school last Tuesday.

Six weeks tests begin Monday. Soon the teachers will find out who listens.

The 7th grade girls had a basketball workout from 5:30 to 7 last Thursday.

The 7th grade football game Tuesday with Frenship was successful. We won with a score of 22-0. However, last Thursday the boys went to Colorado City. The score there was 22-0. Guess who won. (They did!)

Mr. May's health classes are writing five-page themes on diseases.

Coach Watkins is taking a 20 cent fine for each book left in his room. He has collected \$1.60 so far. (Smart boy!)

Thursday, while playing soccer in gym, Teddy Jackson was tripped. His elbow was badly hurt.

The 7th grade geography students are writing two-page reports. Who just has one?

The newspaper staff is proud to announce that we finally got a sponsor. Mrs. Baxter, a local Language Arts teacher volunteered. (She doesn't know what she's letting herself in for). Mrs. Baxter, we all want to say, "Thank you very much."

The 6-C classes of Language Arts was sorry that Mrs. Florence was absent last Wednesday. Mr. Whittenberg was the substitute teacher. He told them their assignments and took them to the library.

The 5-B Geography class is studying about ancient Palestine. It is a very interesting subject.

The P. E. classes have been learning how to play basketball. They have learned patterns four

SC plans money making projects

By Jane Maxey
For money-making activities this school year, the Student Council of Post High School will be in charge of the concession stand at basketball games and also plans to sell plastic covers for the annual.

The council made these plans at a meeting last week and also discussed a number of projects, including one to discourage smoking in our new gym, to buy ash trays for the lobby of the new gym and to plant shrubbery around the new school building.

Making up this year's Student Council are the following officers and representatives:
Jane Maxey, president; Judy Clary, vice president; Linda Kuykendoll, secretary; Denise Eubank, senior class; Clarence Ivie, FFA; Linda Kuykendoll, Library Club; Susie Jo Schmidt, freshman class; Judy Morris, choir; Linda Taylor, junior class; Anne Morris, FHA; Beverley Young, band; Wayne Gamblin, Spanish Club.

Micah Cross is party honoree
By Marcia Newby
Last Thursday Miss Micah Cross was honored by her parents, Mr. and Mrs. Sid Cross, with a birthday party. This was held at "Teen Town" from 7:30 until 9 o'clock.

Guests were Linda Hays, Sherry Gist, Linda Johnson, Marcia Newby, Ronnie Wilson, Sue Nutt, Lois Gill, Patricia Johnson, Doylene Fry, Vivian and Dwayne McWhirt, Judy Keel, Nita Wilson, and Mrs. Victor Hudman.

Refreshments were hot dogs, Cokes and a beautiful white cake. Games played were musical chairs, bean quiz, party punch board, and a flower quiz. Prizes for these games were won by Marcia Newby, Dwayne McWhirt and Linda Hays.

The honoree received billfolds, stuffed animals, a necklace, a pair of pajamas, a bath robe, a glass figurine, a bottle of perfume, and some lipstick.

The guests went home happy, each with a pair of wax teeth as a favor. It was a wonderful party and everyone wants to thank Micah for a wonderful time.

Spanish Club head is Denise Eubank
By Patsy Thompson
This week I would like to tell you a little bit about the president of the Spanish Club, Denise Eubank, and tell you a little bit about the club itself.

Denise was born June 25, 1944. She is 16 years of age and she lives at Canyon Valley, north of Post about 17 miles.

Her favorite color is red and white, her song is "Summer Time", favorite food is all kinds. Her pet peeve is people who don't speak when she speaks.

She is a senior and has been in the Spanish Club for one year. She says she enjoys it very much.

The Spanish Club has meetings ever other week. During the meetings they decide on activities, and have skits. They also have refreshments.

There are approximately 22 members in the club.

Commercial students to present assembly
By Anne Morris
Each month the different departments in the high school are responsible for presenting an assembly program.

The commercial department is to give the next program on Oct. 17. The theme of the program will be "Office Girl After Five". The various scenes will represent the night club acts that our "office girl" will see when she paints the town red.

Only the commercial students will participate in the assembly. We hope all the students of PHS will enjoy the program as much as the commercial students will enjoy giving it.

and six along with some relays. They all like gym very much but are getting very sore from the exercises Coach Hahn has been giving them!

and six along with some relays. They all like gym very much but are getting very sore from the exercises Coach Hahn has been giving them!

Parent and Son night planned
The Post Future Farmers of America Chapter had its second meeting of the year Oct. 4.

Royce Hart was asked to report on the fishing trip planned for Oct. 8. They also discussed a budget for the new year. Their program of work was also discussed and a committee was appointed to work on it.

The Parent and Son night will be held Nov. 10 along with the Greenhand initiation. A barbecue was planned to accompany it.

Most ideal boy
By Frankie Howell and Margie Casteel
Biggest All-Around—Dean Johnston.

Band continues working hard
By Charlotte Bland
The band is really doing good in all of our football games. Every day at 4th period they are all working hard to put on a good show.

Mr. Meisch and the band really are working hard this year to make the town really proud of them, and they really appreciate all the nice things the town people have been saying.

'Onions in the Stew' is Junior Class play
By Judy McCullough
Judy Morris, chairman of the junior class Ways and Means Committee, met with members of the committee to select a class play. They have decided upon "Onions in the Stew". The play books have been ordered and tryouts will start as soon as they arrive.

The tentative date for the play has been set for Nov. 18.

Ambition realized by math teacher

By Martha Goode and Gloria Peoples

Each week we have given you a report on the mathematics students and what they are doing in their classes. However starting this week we've decided to inform you about the teachers and some of their views on mathematics. This week we have chosen Mr. Pollard, who teaches Algebra I and II.

Mr. Pollard's ambition since high school was to teach math in high school. He enjoyed the subject and the teachers influenced him to some extent.

He graduated from Cisco High School and from McMurry College.

This and That

By Judy McCullough
Mrs. Smith wants everyone to know that the first edition of the annual will be ready by Nov. 3.

Senior English classes are studying Macbeth and Shakespeare now.

Junior English classes are just about ready to give book reports. Of course, we have to get six-weeks tests out of the way first.

Freshmen English classes are giving current events found in recent magazines.

Mr. King's sophomore classes are doing memory work.

STUDIES IN POLITICS
By Emmer Jean Halford
Mr. Alexander's fourth period civics class is studying about the qualifications for a president and vice president. They are also studying about the term of office, the duties, and about the salaries the president and vice president receive.

Pat Pennell is building an Early American hutch cabinet, using maple. Gregory Magalanz is building a bedroom suite with twin beds out of Philippine mahogany. Other projects are wall bookcases, coffee tables, cedar chests, and an antique corner shelf.

Homer Carter and Mr. Hopkins have a problem. They are trying to build an icosahedron, having trihedral angles of 100 degrees, 80 degrees and 40 degrees. For the first time in his illustrious career, Mr. Hopkins has actually run up against a problem he can't solve. I'm sure any helpful suggestions will be appreciated.

The hand woodwork (beginning) classes are still making joints. Billy Shumard finally got his boards squared so that he could begin his joints.

ROUSING SEND OFF
By Billie Lou Hill
Something a little unusual in the way of pep rallies was carried out Friday at PHS. Since the boys left for Tulsa at 3:45 Friday, we thought it would be a good idea to have a short pep rally in front of the school for the football boys. We gave a few short yells as the boys were loading in the bus.

Officers installed by FHA chapter

By Judy Savell
The Future Homemakers of America chapter held its first meeting of the year Monday night to install officers.

The girls also chose a mascot for money-making projects and a skit was presented by the chapter. The skit was presented by the chapter.

There was a candlelight ceremony in which each candidate presented one of the purposes of the FHA.

Chapter parents this year are: Senior, Mr. and Mrs. Clayton Morris and Mr. and Mrs. Stone; Junior, Mr. and Mrs. Doney Martin and Mr. and Mrs. Larry Morris; sophomore, Mr. and Mrs. Ben Howell and Mr. and Mrs. R. E. Cox; freshman, Mr. and Mrs. Burnie Bingham and Mr. and Mrs. Ray Hodges.

WORLD HISTORY

By Robbie Nutt
In World History we are Chapter 8. A lot of kids had hard time on the last test on Friday. We did a lot better on oral reports. Elaine Whelan gave a very good report.

VOTE FOR TEXAS

RICHARD M. NIXON, candidate for President, is a Californian, but he thinks the Texas way. Richard Nixon stands for:

- A strong national economy and defense so that America will not have to apologize to Khrushchev for anything;
- A sensible farm program that will attack and solve the present problems.
- Texas retaining its tidelands, and a tax policy favorable to Texas.
- Local control of our schools.

If you will read and compare Nixon's platform to that of his opponent, you will agree that a vote for Nixon is a vote for the best interests of Texas.

Biography students are 'cramming' for tests

By Mary Lois Jones
Students are really cramming for the upcoming six weeks tests. We have been studying the different phylums of animals and their characteristics. Insect collections are being turned in and displayed in the display cases in the hall next to the principal's office. Although the phylum names are rather difficult to learn, the students are doing excellent work.

Kenneth Williams sports highlight

By Danny Jones and Jerry Ligon
This week's football highlight is Kenneth Williams, a Post High School senior and son of Mr. and Mrs. Charley Williams.
Kenneth, who plays quarterback for the Antelopes, was born Oct. 9, 1942, and has lived here 18 years.
Some of Kenneth's favorites are: Sport, football; food, steak; record, any; subject, English, pastime, doing nothing.
After graduation this year Kenneth plans to attend college at Texas Tech at Lubbock.

Program on Nigeria presented students at Lincoln School

By Leonard Hardaway
We certainly enjoyed the lecture and films on life in Nigeria shown to us by Mr. Ferguson, the missionary from Nigeria, on Friday afternoon, Sept. 30, which was the eve of Nigeria's independence. We are sorry we were unable to visit First Baptist Church before Mr. Ferguson left to see the articles he brought from Nigeria. We were happy to have Rev. C. B. Hogue and Mr. Lex Roby visit our school along with Mr. Ferguson.

Lunchroom menus

Following are the Post Schools' lunchroom menus for Monday, Oct. 17, through Friday, Oct. 21.
Monday: Beef and vegetable stew, English pea salad, corn bread muffins, banana pudding, one-half pint milk.
Tuesday: Meat loaf, buttered mashed potatoes, green salad, bread, canned apricots, one-half pint milk.
Wednesday: Baked ham, candied yams, buttered corn, bread, brownies, one-half pint milk.
Thursday: Hamburger, green beans, lettuce, tomato, pickles, onions, cherry cobbler, one-half pint milk.
Friday: Chili and crackers, stuffed celery sticks, peanut butter sandwich, peach half, cookies, one-half pint milk.

SATURDAY IN LUBBOCK
Mr. and Mrs. Joe McCowen, Johnny and Nancy Jo, spent Saturday in Lubbock visiting his parents, Mr. and Mrs. A. V. McCowen.
VISIT IN SWEETWATER
Mrs. Billy Light and Mr. and Mrs. Faben Light visited in Sweetwater Sunday with his sister and family, Mr. and Mrs. Roy Westbrook.

Superintendent is from Hamilton

By Elaine Mitchell
Let's get better acquainted with R. T. Smith, the superintendent of the Post Schools.
He comes from Hamilton County and graduated from Hamilton High School. Mr. Smith received a B. A. Degree at Hardin-Simmons University and a Master's Degree at Texas Christian University.
His wife's name is Doris. They have two children, Marsha, 15, and Cathy, 5.
Mr. Smith's favorites: Food, steak; color, brown; hobby, golf; music, stereophonic recordings.

The six-weeks tests started this morning. The first, third, and fifth periods will be given today during the regular periods. Tomorrow the second, fourth, and sixth periods will have their six-weeks tests.

Executive Committee senior class meets

By Danny Jones
The Senior Executive Committee had a meeting last Thursday night at Mr. and Mrs. Jess Cornell's new home. At the meeting they decided when and how the senior class would initiate the freshmen. Watch out, Fish!
The Executive Committee was chosen by the senior class officers. They will plan the parties and the general activities of the seniors.

Future Farmers visit Experiment Station

By Bonnie Duncan
Benny Stanley, Royce Hart, Gary Howell, and Jimmy Hodges visited with Mr. Koeninger, the agricultural experimental station in Lubbock Thursday.
They observed experiments on cotton, grain, sorghums, soybeans and sumac. They were informed on each of the experiments and told some of the results.

MECHANICAL DRAWING

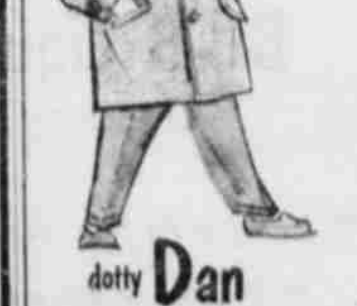

The mechanical drawing classes are working on the basic engineering drawing as it would apply to the engineering career.

STUDENT VISITS

Glenda Whittenberg was home over the weekend visiting with her parents, Mr. and Mrs. Glenn Whittenberg. She is attending North Texas State College in Denton.

VISIT IN LUBBOCK

Mr. and Mrs. Bobby Terry visited her sister and family, the B. N. Chaffins, in Lubbock Monday.

SEE THE NEW VALUE-PACKED COMET 1961 ...THE BETTER COMPACT CAR

ONLY COMPACT CAR WITH FINE-CAR STYLING

PRICED WITH OR BELOW COMPACTS OF OTHER MAKERS

BIG CAR COMFORT BEAUTIFUL INTERIORS

The only compact with fine-car styling. A spirited sense of proportion gives Comet the most successful styling in the compact-car field. New rustproof aluminum grille, exquisite new interior fabrics, new fine-car appointments everywhere.

The first family-size compact Comet's 114" wheelbase (longer than any other compact's) provides spacious comfort other compacts sacrifice. There is room for six groupings and a family-size load of luggage besides.

Big-car ride—small-car handling. The refined suspension (plus the 114" wheelbase) makes Comet's ride steady and smoother than many standard cars. And you'll find that Comet turns, parks and handles almost as easily as a baby carriage.

Priced with or below compacts of other makers. For all its fine-car flair, family size, big-car ride and value features, Comet's priced with or below compacts of other makers.

New Thrift Power 170 engine for '61 Comet now offers two economy engines—the standard Thrift Power Six plus the new optional Thrift Power 170, for 11% faster highway passing, 22% better acceleration on hills.

One-year or 12,000-mile warranty. Your Comet dealer is extending his warranty on 1961 Comets to 12,000 miles or one full year, whichever comes first. See him to obtain full information. He will be glad to show you a copy of his new warranty.

WEEKEND VISITORS
 Weekend visitors in the home of Mr. and Mrs. Garland Davies and Carol were their son, Don Davies, who attends Texas Tech, Lubbock, and Mr. and Mrs. Osby Bengie and family of Oona, Mrs. J. N. Hendon of Dublin, and Mr. and Mrs. Harold Davies and family of Cisco.

GRAHAM COMMUNITY NEWS

Mr. and Mrs. O. H. Hoover are to observe 50th wedding anniversary

By MRS. DILLARD THOMPSON
 Congratulations to Mr. and Mrs. O. H. Hoover, who will observe their golden wedding anniversary Sunday.

Mrs. Elmo Bush entertained her Sunday school class with a bowling party Wednesday evening at the Post Bowling Center. Those enjoying the event and refreshments later at the drive in were Tommy Mason, Jay Nelson, G. T. Mason, Jacky Fluit, Linda McMahon, Margie Harrison, Rickey Bush, and their sponsor, Mrs. Bush.

Henry Lynch spoke at the morning and evening services at the Church of Christ Sunday. He and Mrs. Lynch and children were dinner guests of Mr. and Mrs. Lonnie Peel and Gene.

Mrs. Minnie Stanley of Abilene is a guest of her daughter and family, Mr. and Mrs. James Stone.

Kay Maxey, LCC student, was home for the weekend with her parents, Mr. and Mrs. Bryan Maxey, Simeon and Don.

SUNDAY DINNER GUESTS
 Mr. and Mrs. W. O. Fluit Jr. and Sherita of Post were dinner

guests Sunday of Mr. and Mrs. Elmo Bush, Jerry and Ricky.

Mrs. Harold Childs and children of Colorado City were weekend guests of Mrs. Eva Childs and in the Post home of her parents, Mr. and Mrs. Ray Young.

Shirley Doggett visited in Lubbock over the weekend in the home of her aunt and uncle, Mr. and Mrs. Hugh Blevins. The Blevins brought her home Sunday and visited in the Doggett home.

Mrs. Elmer Dee Jones, Stanley, Darlene, Gary and Sandy, ate dinner Sunday with the Dillard Thompson family.

Congratulations go to Mr. and Mrs. Glenn Barron of Albany, Ga., who are the proud parents of a son, born Oct. 4. He has been named Jeffery Lewis, after his uncle, Lewis Mason. Mr. and Mrs. Grover Mason are the maternal grandparents.

Mr. and Mrs. Luther Bilberry also are due congratulations on the birth of a son, born Sept. 29.

Sunday dinner guests of Mr. and Mrs. Glenn Davis were Mr. and Mrs. Alvin Davis and children of Brownfield and Carol Davis of Levelland.

WRITES PARENTS
 Sp. 4 Darrell M. Roberts (above) writes his parents, Mr. and Mrs. Burnard Roberts, that he is now back at Fort Eustice, Va., after attending Advanced Diesel Electric School at the Electro-Motive Training Center, Chicago. Darrell had been stationed at Fort Eustice 11 months, where he attended Diesel Electric School, before going to Chicago. He has been in the service 22 months.

Murder suspect is being held here

Robert Brandon, who was returned to Post from Pratt, Kan., Oct. 5 to face a charge of murder, was being held in the county jail Tuesday in lieu of \$2,500 bond, Sheriff Carl Rains said.

Brandon, along with Bennie James Porter, was indicted for murder by a grand jury here two weeks ago in connection with the pistol slaying of a Brownfield Negro, Raymond Jefferson, here Aug. 21. Brandon and Porter are also Negroes.

Porter has been released from jail after posting bond of \$2,500, the sheriff said.

Highway office night lock is pried loose

The night lock on a door at the resident highway engineer's office here was pried open sometime Monday night or early Tuesday morning, it was reported Tuesday to the sheriff's office.

Sheriff Carl Rains said a screw driver apparently was used to pry the door open. He said Joe Patton, an employee of the office, reported that nothing had been missed and that they were unable even to tell if the office had been entered after the lock was pried loose.

NEWS FROM JUSTICEBURG

Bever's family reunion is held at party house in Brownfield

By VIVIAN McWHIRT
 The Bevers reunion was held at the party house in Brownfield Sunday, Oct. 2. Those attending included Mr. and Mrs. S. S. Bevers, Mr. and Mrs. Albert Bevers and sons, Mr. and Mrs. Sam Bevers Jr., Glenn and Sonny, Mr. and Mrs. Spencer Bevers and children of Pleasant Valley, Mr. and Mrs. Hershel Bevers and children of Post, Mr. and Mrs. M. C. Dorman and children of Snyder, Mr. and Mrs. Herbert D. Bevers and Sandra of Brownfield.

Mr. and Mrs. Raymond Key were Sunday guests in Post of Mr. and Mrs. Sam Heintz and daughters.

Mr. and Mrs. Spencer Bevers and family were Thursday guests of his parents, Mr. and Mrs. S. S. Bevers.

Mr. and Mrs. H. C. Drake, Mrs. Verdine Drake and Tom Drake of Post visited Sunday in the homes of Mr. and Mrs. Weldon Reed and Tommy, Mr. and Mrs. Lee Reed, and Mr. and Mrs. Fernie Reed and Bruce Gene.

VISIT IN SNYDER

Mrs. Pearl Nance and Mrs. Winnie Tuffing were in Snyder Saturday visiting with Mrs. Nance's mother, Mrs. L. N. Periman.

The Justiceburg Home Demonstration Club met Thursday afternoon at the school cafeteria. Mrs. Leta Smith gave a demonstration on clothing. Mrs. Douglas McWhirt was hostess and served pie a la mode, coffee and Cokes to Mmes. Bud Schiehuber and Denise, Sam Bevers Jr., and Glenn, and Jim Boren, Barbara and Bruce. The next meeting will be Oct. 20 with Mrs. Fernie Reed as hostess.

Mrs. Riley Miller, Ben and Jennifer, spent the weekend at Odessa visiting her parents, Mr. and Mrs. Vaughn Harris, and her sister from Andrews, Mrs. Bob Dillard and family.

Mr. and Mrs. S. S. Bevers and Mr. and Mrs. J. J. Bevers of Kingsville visited Tuesday with their brother, Henry Skipper, in Midland, and spent Wednesday in Denver City with their brothers and families, Mr. and Mrs. H. M. Bevers and Mr. and Mrs. E. V. Bevers.

Mr. and Mrs. R. C. Boner and Julia of Snyder were Sunday visitors in the Bud Schiehuber home.

SOUTHLAND-GORDON AREA NEWS

Vernon Scott home burglarized
while family is away on visit

By MRS. JESSE A. WARD
Burglars seem to be on the
prowl—the home of Mr. and Mrs.
Vernon Scott was burglarized one
night last week while the Scotts
were away from home.

T. E. Postell of Roswell, N. M.,
spent Tuesday of last week with
his grandson and family, the Rev.
and Mrs. Bill Yattes and children.

Joe Frank Sproul, student at
Texas University, Austin, spent the
weekend with his aunt and family,
Mr. and Mrs. Buddy Hall and
Billy Joe, and his grandmother,
Mr. and Mrs. Will Barton.

Mr. and Mrs. Jerry Dixon of
Plainview spent the weekend with
her parents, Mr. and Mrs. J. B.
Robinson, Gary and Delton.

PAST MATRONS MEET
The Southland and Post Past
Matrons Club met Tuesday night
of last week with Mrs. Gloss Da-
vies, Mrs. Alice Martin was co-
hostess. Mmes. Lucille Myers, Doll
Haire and L. G. Thuet Jr. were
in charge of the program. Sixteen
attended.

Mrs. Tom Sims and Linda Davis
spent Tuesday night with Mrs.
Sims' sister, Mrs. Scott Stanfield
in Monahans. Mrs. Jack Myers ac-
companied them to Midland and
spent the night with Jack's sister
and family, Mr. and Mrs. Curtis
Palmer in Garden City.

Mrs. Fern Bourne was hono-
red with a surprise birthday sup-
per at her home last Wednesday
when her daughters, Tommy Wicker
of Slaton and Bobbie Wicker of
Lubbock entertained. Mr. and Mrs.
Glen Smith of Lubbock also attend-
ed the barbecue supper.

Mr. and Mrs. Earl Morris re-
ceived the announcement of the
birth of a new granddaughter, born
in Munich, Germany Sept. 26, to
Warrant Officer and Mrs. Earl
D. Morris. She weighed six pounds
15 ounces and was named Myrica
Sue. Officer Morris has two more
years to serve in Germany and
then he and his family will return
to the U. S.

STUDENT VISITS
Jerry Hitt, Hardin-Simmons Uni-
versity student, and a friend,
Elizabeth McClendon, student at
Hendrix Memorial Hospital in Abi-
lene, spent the weekend with his
parents, Mr. and Mrs. Elmer Hitt.

Gene Draper of Ropesville vis-
ited Mr. and Mrs. Ed Denton Tues-
day afternoon of last week. Satur-
day guests were her sister-in-law,
Mrs. Jesse Williams of Carlsbad,
N. M., and her daughter, Mrs.
Helen Loman and Elaine of El
Paso.

Mrs. J. L. Hall is visiting her
son and daughter-in-law, Mr. and
Mrs. Ross Hall, and her daughter
and son-in-law, Mr. and Mrs. Chris
Sterman, all of Wichita Falls.

Visiting J. I. Bartlett Sunday
were his sons and families, Mr.
and Mrs. L. E. Bartlett of Lub-
bock, Mr. and Mrs. Lee Bartlett of
Brownfield, a daughter, Mrs. Eva
Trimble of Slaton, and Mrs. Ed
Denton.

Sunday was Layman's Day at
the Southland Baptist Church, J.
R. Hobbs of Wichita Falls was
speaker. Dinner was served at the
church at noon honoring Rev. and
Mrs. Fortson on their first anni-
versary at the church. There were

nine members added by Baptism
and 10 by letter, during the past
year. The evening program was
begun by Kenneth Davies with a
talk on "Why I Am a Christian",
and other talks by Jack Myers
and Sam Ellis.

ATTEND UNCLE'S FUNERAL
Mr. and Mrs. J. B. Rackler at-
tended funeral services for his
uncle, Horace Rackler of Bellevue,
last week. Mr. Rackler died Wed-
nesday of last week and was bur-
ied at Blue Grove. He and his
family formerly lived in the South-
land community.

Mrs. Elvira Chilcoat of Salinas,
Calif., is visiting her son and fam-
ily, the Carl Chilcoats.

W. P. Lester was struck and
knocked down by a car being
backed from a curb in Slaton
last Saturday. Fortunately, no se-
rious injuries resulted but he suf-
fered a lot of pain from the acci-
dent.

Mr. and Mrs. Billy Meeks and
daughter of Cone spent Sunday
with his parents, Mr. and Mrs.
Jack Meeks.

Teddy and Mike Scott of Post
spent the weekend with their grand-
parents, Mr. and Mrs. Elmer Hitt,
while their mother, Mrs. Bettye
Scott, accompanied her speech
class to Austin.

Kenneth Callaway, who is a pa-
tient in Slaton Mercy Hospital, is
showing some improvement.

VISITING IN DALLAS
Mrs. W. J. Kuykendall, accom-
panied by her daughter-in-law,
Mrs. Lewis Kuykendall of Little-
field, are in Dallas visiting Mr.
and Mrs. Tom Carroll. Mrs. Car-
roll is ill.

Mrs. J. F. Rackler, her son, J.
B. Rackler and family, attended
church at the Zuni Park Baptist
Church in Lubbock Sunday. Fol-
lowing church services they join-
ed a group of relatives at Mac-
kenzie State Park for a birthday
dinner in honor of G. C. Rackler.
Thirty-eight attended.

Mrs. R. H. Lewis entertained
with a birthday party recently
honoring her son, Troy, and Beverly
Stolle. Following games, refresh-
ments were served to Ronald Sau-
nders, Rodney Calloway, Kelly
Myers, Linda Camden, Sherry Be-
vers, Linda Robinson, Larry
Wilke, Billy Joe Hall, J. W. Bas-
inger, and the honor guests.

son of Ozona are spending their
two-week vacation with his par-
ents, Mr. and Mrs. Nolan Clary,
and her parents, Mr. and Mrs.
Robert Lee Hagler and Jean, and
other relatives.

B. C. Stapleton, minister of the
Church of Christ at Gordon, his
wife and daughters, and Jean Hag-
ler were Sunday dinner guests of
the R. L. Hagler family.

King heads Garza
chapter of TSTA

N. R. (Jiggs) King was elect-
ed president of the Garza County unit
of the Texas State Teachers'
Association at its first meeting of
the 1960-61 school year, held in the
school cafeteria.

King was elected to fill the vac-
ancy left by Jack Alexander, who
has been inducted into the armed
forces.

Darrell Stone was elected vice
president to succeed King, who
had been serving that post.

The following standing commit-
tee chairmen were appointed:
Program, Mrs. Jean Gandy; profes-
sional relations or welfare, Mrs.
Mary Lee Wristen; publicity, Mrs.
Florene King; social, Mrs. Mary
Raphelt; legislative, Mrs. Minnie
Williams; teacher education and
professional standards, Mrs. Sue
Cornell.

A report on the District XIII
Workshop Conference held in Lub-
bock Sept. 21 was made by Mrs.
McBride. Mrs. Wristen explained
the Horace Mann insurance pro-
gram for teachers which is being
studied by the state TSTA.

FILM SCHEDULED
The United Presbyterian Youth
will meet Sunday at 5 p. m. and
will be shown a film entitled,
"Battle on a Small Planet".

John Cabot was the first known
explorer to reach the mainland of
North America, after the Vikings.

AMERICAN PARADOX

Andrew Carnegie is said to have made the remark, "He
who dies rich, dies disgraced."
Why do many people of great wealth feel so ashamed of
wealth, that they want to take it from those whose initiative
and hard work has enabled them to accumulate savings
and to enjoy a larger income, and spread it around to all
with less good fortune, skill, initiative, or willingness to
work?
Why is this Bostonian of the strident voice and urgent ambi-
tion so eager to socialize this country?

Beautifully proportioned to the

CLASSIC FORD LOOK

An honor to be proud of, this is the medal presented by the international fashion authority, Centro per L'Alta Moda Italiana, to the 1961 Ford for functional expression of classic beauty.

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

You are looking at the trend-setting car of our times, the '61 Ford... a car whose clean and classic profile is unmatched by any other in the world. Just one glance at the Big Circle taillights and sculptured rear deck, one look at the crisp, fresh front-end design and you'll know the '61 Ford is the classic style of the Nineteen Sixties.

Here is a Ford that is not only new in looks and ride and comfort, but new in its entire concept. The '61 Ford is actually built to take care of itself! It lubricates its chassis... cleans its own oil... adjusts its own brakes... protects its own body.

Indeed, here is a car that will save you valuable time and money by doing away with many steps for SERVICE.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF... THE FIRST 1961 CAR DEALER WARRANTED FOR 12,000 MILES OR ONE FULL YEAR. Lubricates Itself. You'll normally go 50,000 miles without a chassis lubrication. Cleans Its Own Oil. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter. Guards Its Own Muffler. Ford mufflers are double wrapped and aluminumized—normally will last three times as long as ordinary mufflers. Adjusts Its Own Brakes. New Truck Size "brakes adjust themselves automatically. Protects Its Own Body. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath the doors. Takes Care of Its Own Finish. New Diamond Luster Finish never needs wax. Warranties. The '61 Fords are built to meet three principal goals: finest quality, greatest durability, most reliable operation. Expressing their complete confidence that this has been accomplished, Ford Dealers led the industry in extending their warranty on '61 Fords to 12,000 miles or one full year, whichever comes first. See this warranty at your Ford Dealer's now.

First District Game

— And Still on the Road

Post Antelopes Vs Stanton Buffaloes

At STANTON, TEX.

Friday, Oct. 14 — 8 P.M. Kickoff

On to Stanton—Back the Team

Beginning tomorrow night, it's a new season for the Post Antelopes—the start of district play when the wins and losses really count.

The Stanton Buffaloes, a newcomer to the district, will be the Antelope's first foe Friday night at Stanton. It's the last game of a steady succession of mid-season out-of-town games for the locals.

Post fans won't find a team that tries harder, that stays in tip-top physical shape, that plays every minute of every game the best they know how and to the fullest of their abilities than our Antelopes. All of this doesn't show on the scoreboard.

Getting started on the road UP isn't easy. But the Antelopes are determined to make a run for it and are out to turn in a creditable district record. Help them! Root for them! Follow them!

ACCEPT NO SUBSTITUTES

There's only **ONE** Democratic Party
Only **ONE** Texan in the Race

John Kennedy and Lyndon Johnson are the men who get things done, who believe in strengthening small business, encouraging new ventures and greater industrial growth... and who believe a fair share of the national income is the right of every farmer.

Here is Texas' hope for the future... to put an end to GOP policies that have brought tight money, HIGH INTEREST rates, growing business failures, and the cost price squeeze on the farmer.

Best For Our Nation — Best For Texas
