

Approval near on school remodeling

The board of trustees of the Post Independent School District discussed plans with the architect for completion of the junior high school remodeling project and rejected teachers at Monday night's regular monthly meeting.

The board also accepted the resignation of one teacher, hired a replacement, adopted a tentative school calendar for 1961-62, and opened bids on sale of a school bus and the sale of the Garnolia school site.

Final approval on the plans of architects Atcheson, Atkinson & Cartwright for remodeling of the junior high school building (the old high school) was postponed for a few days in order for the trustees to visit the building and see what is to be done.

The trustee tour of the building was set for noon today. They will meet with the architect again at noon Wednesday, March 22, at which time plans and specifications are expected to be approved by the board.

Atmar Atkinson, who represent-

ing over their respective teacher re-elections. All four principals praised their teaching staffs highly and their reports indicated that their system of evaluation is a thorough one.

The resignation of Mrs. Elizabeth Shannon, second grade teacher, was accepted by the board. Mrs. Shannon gave notice of her immediate resignation in a letter to Board President E. R. (Buster) Moreland on March 2.

Upon the recommendation of Supt. R. T. Smith, the trustees hired Mrs. Bob Vitatoe to replace Mrs. Shannon. The new teacher's husband is manager of Dunlap's Store here. She taught music in the Post schools a few years ago, going from here to Andrews, and is now teaching in Lubbock.

Mrs. Shannon had taught in the schools here for nine years.

Not coming up for re-election was Mrs. Lucy Callis, who has reached the retirement age set by the board.

Mrs. Callis not retiring, however from active teaching, will be available next year for substitute teaching.

The board rejected as "too low" a bid of \$137 received for a 1955 school bus the school district has offered for sale. They accepted the bid of Lester Josey for the 4.6 acres comprising the old Garnolia school site at \$106.57 an acre. Two other bids were received, one offering \$101 an acre and the other, \$99 an acre.

The 1961-62 school calendar tentatively adopted by the board calls for 179 total days of school. A bill to increase the number of teaching days to 180 is in the legislative hopper at Austin and, if passed, it will be necessary to add a school day to the calendar here.

The trustees also approved the textbook selections of the textbook committee, upon the recommendation of the superintendent.

Plans for a four-night extension course to be held here under the direction of the University of Texas Extension Service were made at a meeting of the Post Retail Merchants Association Friday night in the office of the manager and secretary, E. E. Pierce.

The extension course will deal with selling and credit matters and procedures in aiding retail merchants. Each night's session will last approximately two hours. The cost will be \$3.50 per person, with the enrollment minimum set at 12. All interested merchants and their employees are urged to attend.

Also at Friday night's meeting, it was announced that the association has received its charter and is now affiliated with the state organization. The local organization's by-laws were adopted Dec. 2, 1960.

Manager Pierce reported on activities at the state meeting and school, which he attended in Austin Feb. 19-24.

Robert Cox was appointed chairman of a membership committee. Serving with him will be Tom Power, Ed Sawyers and Tom Harmon.

Officers for 1961 are Claud Collier Jr., president; Arnold Parrish, vice president; Maxine Durrett, treasurer, and E. E. Pierce.

(See EXTENSION, page 8)

MORE BEASTS THAN BEAUTIES

These are three of the taxidermy models to be seen at 8 o'clock tonight in "Spicy Spectacular," sponsored by the Post Parent-Teacher Association. The style show will be held on the stage of the grade school auditorium as the annual fund-raising project of the P-TA. The above models, left to right, are J. E. Birdwell, Elvus Davis and Doug Hill.—(Staff Photo.)

5 of 6 prison terms probated

One five-year prison sentence and five probated sentences were handed out by Judge Truett Smith last Thursday following guilty pleas in district court.

In other court proceedings, the case of Johnny Johnson, charged with murder, was continued, and bond forfeitures for non-appearance were ordered in two theft cases.

The case of Bennie James Portor and Robert Brandon, charged with murder, was on the docket, but was not called.

Sammie Lee Gross, Negro, was sentenced to five years in prison after pleading guilty to burglary and theft of the Caprock Liquor Store here Jan. 28. Eleven cases of whisky were stolen after a front window glass was broken out at the store.

18 cases due in county court

County Judge J. E. Parker has called a session of county court for 10 a. m. Monday with the following cases listed on the court docket:

L. C. Frazier, liquor law violation; Herman Maddox, check law violation; Gerald Gonzales, liquor law violation; Billy G. Askins, carrying pistol; Ruben L. Williams, liquor law violation; Eugene Shepherd, liquor law violation; Refugio Natividad Fuentes, two cases of liquor law violations; Leslie Lewis, liquor law violation;

Three Lubbock men, Benito Hernandez Balli, Abelardo Garza and Richard Ybarra Gomez, received four-year probated sentences on pleas of guilty to stealing clothing, an adding machine and tires from a Southland store on Dec. 15.

Barbara Taylor was sentenced to four years, probated, after pleading guilty to a charge of forgery.

Wright Edwards, charged with theft in connection with the stealing of \$544 from a cash register at Caprock Liquor Store last September, received a three-year probated sentence. Edwards testified that he was outside in an automobile at the time of the theft, in which four other men were involved.

The two bonds ordered forfeited were against two of those charged with the liquor store cash register theft. They are Albert Taylor and George Curry.

Garza scholastic figure is 1.743

Garza County's scholastic population is 1,743, according to figures from the 1961 school census in the Post, Southland, Justiceburg and Close City districts.

The figure in the Post Independent School District is 1,434, a drop of 21 from the 1960 census total of 1,455.

In the Southland district, a total of 203 were enumerated—about the same as last year, according to Supt. F. W. Callaway.

Sixty-six were counted in the Close City district, a decrease of seven from last year's 73. The Justiceburg district shows a gain of from 26 last year to 40 this year.

Grass drill available to farmers, ranchers

The Post High School vocational agriculture department has a grass drill for lease to farmers and ranchers of the area desiring to seed grass at any time.

The rental fee on the seeder is 50 cents per acre or \$5 per day, whichever is the larger amount.

The grass drill may be leased by contacting D. H. Koeninger at the high school.

Rocket Motel is being enlarged

A city building permit was issued March 8 to L. O. Wilson for construction of five additional units at the Rocket Motel, 215 North Broadway.

The new units, which are almost completed, are being constructed at an approximate cost of \$12,000. They bring the number of units at the motel to 18 and extend the south wing of the motel to the sidewalk.

H. L. Gordon was issued a permit for painting and papering three rooms of his residence at 113 South Avenue N at a cost of \$400.

A permit for adding an upstairs porch to a present structure at 122 North Avenue I went to Jim Keel. The estimated cost is \$200.

These three permits bring the year's construction total to date to \$132,535.35.

Rotarians hear about Australia

Post Rotarians were told at their weekly luncheon Tuesday that Australia has a mighty good climate with the average summer temperature 72 degrees in Sydney, the largest city, and the average winter temperature 56 degrees.

The speaker was Don Webster of Burlington Industries who is from Sydney, but spending six weeks in Post studying operations here at the Postex Cotton Mills, another Burlington mill. He has been in this country the last 18 months.

With a comparable land area of the size of the United States, minus Alaska, Australia has only 10,500,000 people. Webster explained with 1,500,000 immigrants in the last decade and a colony of some

(See ROTARY, page 8)

Extension course slated by retail merchants' group

Plans for a four-night extension course to be held here under the direction of the University of Texas Extension Service were made at a meeting of the Post Retail Merchants Association Friday night in the office of the manager and secretary, E. E. Pierce.

The extension course will deal with selling and credit matters and procedures in aiding retail merchants. Each night's session will last approximately two hours. The cost will be \$3.50 per person, with the enrollment minimum set at 12. All interested merchants and their employees are urged to attend.

Also at Friday night's meeting, it was announced that the association has received its charter and is now affiliated with the state organization. The local organization's by-laws were adopted Dec. 2, 1960.

Manager Pierce reported on activities at the state meeting and school, which he attended in Austin Feb. 19-24.

Robert Cox was appointed chairman of a membership committee. Serving with him will be Tom Power, Ed Sawyers and Tom Harmon.

Officers for 1961 are Claud Collier Jr., president; Arnold Parrish, vice president; Maxine Durrett, treasurer, and E. E. Pierce.

(See EXTENSION, page 8)

Five charged in liquor raid

Felipe Valdez was charged this week with both selling and possession of beer in a dry area following a Sunday afternoon raid here on the Bud Valdez place.

Bond was set at \$500 on each count by County Judge J. E. Parker.

Four persons found at the place were booked by officers on charges of being drunk in a public place.

Making the raid was a state liquor control board officer, Sheriff Fay Claborn, Deputy Eldon Corley, Deputy Oscar Gray, and Constable J. A. Johnson.

Joint Scout meeting called on summer camps

Post's two Boy Scout Troops, No. 316 and 319, will have a joint meeting with parents of all members of both troops at 7 p. m. in the Fellowship Hall of the Methodist Church on summer camp promotion.

A salad supper is planned. Bill McGlaun of Ralls, district Scout field executive, will be in charge of the session in which 1961 summer camps for the Scouts will be explained.

Movies of last year's campore and film slides taken by Scoutmaster Bob West of Troop 316 of last year's summer camps will be shown.

County Spelling Bee scheduled March 24

The annual Garza County Spelling Bee will be held at 1:30 p. m. Friday, March 24, in the district courtroom, County Supt. Dean A. Robinson, Bee chairman, has announced.

The contest is open to students up to and including the 8th grade, with the winner to represent the county in the Lubbock Avalanche-Journal's regional Spelling Bee.

Each school is allowed two contestants in the county event, and spellers are expected from the Post, Southland and Close City Schools.

Last year's winner was Teddy Scott, at the time a Southland 7th grader, but now attending the Post school.

Robinson said Mrs. T. L. Jones will be pronouncer for the county Bee and Mrs. Pauline Hagood, alternate pronouncer. Judges will be Mrs. Ruth Lee, the Rev. Ed Herrington and Mrs. Faye Cockrell.

First, second and third place awards of \$15, \$10 and \$5 will be made by the Post Chamber of Commerce, with Manager John N. Hopkins presenting the winners their prize checks.

St. Patrick's Day Dance for 8th graders

A Saint Patrick's Day dance for area eighth graders will be held at Teen Town Friday night from 7:30 to 10:30 p. m.

This is the monthly dance for this age group.

Admission will be 25 cents per youngster. It will be a record hop.

Mrs. Byron Haynie is in charge of arranging for adult sponsors.

Junior Rodeo may be decided Friday night

Whether or not the Post Junior Rodeo Association will hold a rodeo this year is expected to be decided at a stockholders' meeting Friday night in the district courtroom.

The meeting will also be for the purpose of electing officers and directors for the junior division of the rodeo association. All members are urged to attend.

NEVER TOO YOUNG FOR SCIENCE

This intriguing first grade display was one of the first place winners in the Science Fair held Thursday and Friday at Post High School. The youngsters' well-arranged display of shells, etc., proves that they're wisely starting them young in the field of science in the schools here. At the left is Jimmy Minor, president of the PHS Science Club, and at the right is science teacher Kerwin Baxter.—(Staff Photo.)

Postings

By JIM CORNISH

Bernie Bingham is not going to have to worry about weeds or grass in the backyard of his new brick home at 803 West 7th Street. He had the whole backyard—some 70 square yards—blacktopped this week. It's a novel way of cutting down the work. Besides, he told us, the kids can put up a basketball or volleyball court now if they want. As far as we know this is the first such approach to the backyard problem in Post although several homes in Lubbock have blacktopped back yards. In fact that was where Bernie got the idea.

Municipal politics continue to gain some steam here this week prior to the April 4 election to name a mayor and two councilmen. One of the novel new ideas which will be inaugurated this Saturday afternoon is a tea for the ladies to meet the candidates, at the Community Room of the First National Bank on behalf of Pat Walker, George Boeher, Giles McCrary, candidates for mayor and aldermen posts, and Warren Yancey, Spencer Kuyken, Bill and Jack Lott for school trustee posts. The tea for the ladies plan, at which the women voters have a chance to meet and get acquainted with the candidates and ask them questions, was successfully used by President John F. Kennedy in his campaign last November on a nationwide scale. Now it has come to Post.

Last week, Pat N. Walker in a column advertisement, entitled "Where I Stand", gave local voters a very candid report of his views on municipal affairs. This week Mayor Powell Shytles and the five city aldermen in a half page advertisement on page 13 of today's Dispatch explain their views to the voters under the title "Our Position." Voters thus are given the opportunity to size up the views from both sides and decide for themselves whom they favor on the issues.

We find it refreshing that the candidates are getting on the line with their views. It gives voters the opportunity to support the man they feel best qualified for the job and the one they wish to support as to viewpoint on what's best for Post.

One comment we think needs—(See POSTINGS, page 8)

Blue Rockets for Teen Town dance

The Blue Rockets, Jerry Rainwater's four-piece combo from Snyder, will play for the dancing at Teen Town Saturday night when the center stages its Spring Dance for area high school youth.

The Rockets, which include a sax, two guitars, and drums in the way of instrumentation, have just completed a four weekend engagement at Snyder's Teen Town where they proved highly popular.

They are scheduled to cut their record at Abilene in the near future.

Admission will be 50 cents per youngster. Dancing will be from 8 p. m. to midnight.

Mr. and Mrs. James Minor will be adult chaperones for the dance, along with the center's co-directors, Bill and Melinda Hatler of Texas Tech.

SNAKE SEASON HERE AGAIN

Not all the rattlesnakes were killed at the Sweetwater Rattlesnake Roundup last week. These two big 'uns were slain south of town on the Justiceburg Highway by James Gatlin, Postex Mills employe. Shown displaying the reptiles are James L. Seals (left) and Charles Ray Seals. One of the snakes was five feet long with nine rattles; the other four feet, ten inches, with eight rattles.—(Staff Photo.)

The meeting will also be for the purpose of electing officers and directors for the junior division of the rodeo association. All members are urged to attend.

Dispatch Editorials

Thursday, March 16, 1961

To those who need it . . .

County medical associations in Texas are being urged by the American Medical Association and the Texas Medical Association to inform their state legislators of their support of the Kerr-Mills bill, a medical assistance measure which the AMA helped formulate and later endorsed.

The AMA's interest in the Kerr-Mills bill recognizes the need for some type of state or federal medical aid for the indigents over 65 years of age. The AMA further recognized that this small group of people was being used as a political football to support the claim by the liberals that ALL citizens over 65 years of age should have medical benefits, which would be paid for by an increase in the Social Security payments.

Since indigence in old age by no means involves all old people, many question the good sense of firing a broadside at the whole aged population. The Kerr-Mills law now on the books attempts to confine the treatment to those who need it and to leave the administration of old age medical care to the states, which are entitled to federal grants if they adopt acceptable programs.

If the Texas Legislature votes in favor of the

Kerr-Mills plan by amending the state constitution, the Federal government will pay \$3 for every \$1 paid by the state. Moreover, the state will decide the standards of eligibility, the administrative mechanism, the scope of benefits, etc.

There are several significant differences between the Kerr-Mills bill and Forand-type legislation, of which the general public has heard much lately. The more important of these differences include (1) The Kerr-Mills law is designed for persons older than 65 who really need help to pay for health care. Under Forand-type legislation, care would be provided regardless of need to all covered under Social Security; (2) The Kerr-Mills bill is voluntary, not compulsory, and will be administered locally, the underlying theory being that each state knows its own particular problems better than the federal government; (3) the Kerr-Mills approach is more economical. Assistance would be provided only to those who really need help.

This newspaper joins county medical societies in endorsing the Kerr-Mills bill, and urges those of our readers who do so to write their state representative and state senator urging them to vote in favor of the plan.—JC.

Big week for Girl Scouts

The more than 75 members of Post's Girl Scout and Brownie troops and their adult leaders are celebrating Girl Scout Week, which began Sunday and is to continue through Saturday.

Local Girl Scouts are joining some 2,500,000 other girls and adults across the country in observing the 49th anniversary of the founding of Girl Scouts of the U. S. A. March 12 marked the formation of the first Girl Scout troop, in Savannah, Ga., by Juliette Low in 1912.

Theme of the birthday celebration is "Honor the Past—Serve the Future."

The Girl Scout program is primarily concerned with developing responsible, resourceful, happy women. As a girl progresses through the Brownie and Intermediate programs and achieves Senior Scout rank, the Girl Scout program recognizes her maturity by offering her a choice of

specialized aide programs.

The Post program, now a part of the Caprock Girl Scout Council, has 78 girls enrolled in one Senior Scout, two Intermediate Scout and three Brownie troops. Post adult leaders are proud of the fact that Post has the only Senior Scout troop in District 8 of the Caprock Girls Scout Council.

As is the case with many similar youth programs, the big need is for more adult leaders so that more girls can be enrolled. One adult Scout leader said this week that there are approximately 100 local girls waiting in the Girl Scout program, but can't be taken in because of a shortage of leaders. The field is wide open for volunteers, not only this week during the observance of the Girl Scout program's 49th birthday, but every week of the year.—CD.

Find safe place to fly kite

Managers of utilities companies throughout Texas are cautioning children against flying kites near electric wires now that warm temperatures and steady breezes signal the beginning of the spring kite-flying season.

The utility company officials suggest an open field, away from electric wires and busy streets, as the ideal place for kite-flying.

It is dangerous to fly kites in the streets or anywhere near poles and wires, partly because of

traffic hazards and partly because kites may come in contact with electric lines, they explain.

It is also suggested that kite-flying enthusiasts use only dry string. Wet string, wire or twine with metal in it are good conductors of electricity from electric wires or from atmospheric conditions. Metal shouldn't be used in the construction of kites either.—CD.

What our contemporaries are saying

Some curbstone philosophers once observed that the optimist sees the doughnut while the pessimist sees the hole. This comparison, if taken seriously, might leave the conviction that the pessimist is a very dirty kind of a so-and-so, but let us look at the proposition a little closer; perhaps everything is not as hunkadory as it might be. To me, perhaps a minority of one, as a part-time peeper through doughnut holes, I find that styles in men's clothing have taken

turns for the worse and I hope that some action will be taken before we sink back to lace collars and velvet pants.—A. M. Jackson in The Slaton Slatonite.

For many of us, the definition of a reckless driver is a fellow who passes you in spite of all you can do.—James Roberts in The Andrews County News.

THURSDAY to THURSDAY

By CHARLES DIDWAY

IF NAMES MAKE news—and that is something they teach you early in the newspaper game—then the April 4 election here will be a newsworthy event indeed. Besides the names of the 71 aspirants for the U. S. Senate, there'll be three names on the city ballot for mayor and seven for councilman—making a total of 81 names on the ballots handed to city voters on election day.

There is another special election, and a mighty important one to Garza County, set for April 4. In it, landowners of the county will vote for or against the formation of a Garza County Soil Conservation District.

RONNIE PARKER, former Church of Christ minister here, now engaged in evangelistic work in Denmark, has requested The Dispatch to change his address to Pargo lane 17, Virum, Denmark. Ronnie and his family moved to Denmark several months ago.

Another Parker—County Judge J. E.—was in College Station a while back to attend the annual conference of County Judges, Commissioners and Tax Assessors-Collectors. They held a "back-to-school" ed from suggestions by county officials. His primary purpose was to give those participating a better understanding of the many problems which county officials must handle in the discharging of their responsibilities.

REMEMBER THE HIT western song of the late 1930's and early 1940's, "Makes No Difference Now"? Well, maybe some of you longtime residents of Post know that a former Post man, Floyd Tillman, wrote it, but I didn't—until reading George Dolan's "This Is West Texas" column in a recent issue of the Fort Worth Star-Telegram. Here is what George wrote:

Through the years, many an amateur song-writer has asked Bertie Howell, Lubbock musician, to put a tune down on paper.

Howell particularly remembers one of them, an old boy from Post who had a song in his head but couldn't score it.

"How much will you charge?" he asked Howell.

Howell named a price in the neighborhood of \$7.50 or \$10.

"I don't have the money," "How would-be tunesmith said, "How 'bout doing it for a percentage of the song?"

Howell snorted. He wasn't about to waste his time on any million-to-one shot.

"No cash," he said, "no deal."

The old boy from Post walked out. But he returned in a couple of hours with the cash. So Howell scored his song. Then Howell gave the would-be song writer the names of some music publishers. He shook his head sadly as the old boy from Post walked out.

Howell's still shaking his head sadly whenever he thinks of it.

That old boy was Floyd Tillman. The song was a western hit, "Makes No Difference Now."

If Howell had been just a little sterner business man, he still would be collecting a percentage of the royalties from it . . .

According to Frank Hill, editor and publisher of the Lynn County News at Tahoka, Mrs. L. B. (Rose) Moczygemba of Wilson says one reason she married was so that she would have a name easier to spell and pronounce. Before her marriage to L. B. she was Rose Dworaczyk.

IF YOU WOULD be a popular conversationalist, have a care to the punctuation in your talk. Keep out the colons, which mean sub-tonics to what you are saying; and avoid semicolons, which indicate afterthought; but put in plenty of periods, which show you're stopping. And especially use question marks, which invite the other person to start talking.

The man up the street says try to see yourself as others see you, but try not to get mad about it.

PARTING THOUGHT: Gentle was a lovely word until they began using it on TV to describe the action of laxatives.

The nuclear-powered USS Enterprise, christened Sept. 24, 1960, has eight nuclear reactors producing horsepower rated at over 200,000. The reactors are expected to operate for five years on their first charge of fuel.

To speed up mercy, British trained first-aid men now can give morphine to quarymen injured in accidents.

Disease hit hard at 1960 cotton

COLLEGE STATION — Diseases took an estimated \$156 million bite out of the 1960 Texas cotton crop, according to reports from 15 cotton specialists located throughout the state.

An estimated 1,116,000 bales never got to market because of diseases, said Harlan Smith, extension plant pathologist, who compiled the report for the Cotton Disease Council.

In addition to the loss to producers, businesses related to the cotton industry also suffered. Diseases were also a major factor in grade reduction and lower yields, Smith said. In many instances, the weather, soil, planting seed or ginner got the blame for the low production and poor quality when the

real culprit was plant diseases, explained Smith.

The major diseases and the estimated losses caused by each were: bacterial blight, 5.64 per cent; root rot, 5.22 per cent; seedling disease, 2.68 per cent; Pseudomonas wilt, 2.11 per cent; root knot, 2.04 per cent; Verticillium wilt, 2.03 per cent; and boll rots, .63 per cent. Other diseases, listed by Smith, as causing losses were Fusarium wilt and Ascochyta blight. Texas ranked second among cotton producing states in percentage loss, over 21 per cent, Smith said.

Average figures don't give the true picture, the pathologist said, because in the areas where diseases struck the heaviest losses ran into ruinous figures. Root rot, for example, caused an estimated 30 per cent loss in the Central Blacklands and increased in many areas over the 1959 losses. Bacterial blight continues to be the most important disease though it does not kill plants, Smith said.

The pathologist advised cotton growers to carefully check their fields in 1961 for disease damage. He said it is necessary to know the diseases present in order to plan a preventive program for future years.

Tahoka rodeo is set for April

TAHOKA—April 27, 28, and 29 have been set as the dates of the rodeo to be sponsored here by the Tahoka Rodeo Association.

Roping and riding stock will be furnished by the HK Ranches of Snyder and Rotan.

The arena and pens for the rodeo will be completed soon. The rodeo association has purchased the arena lights from Grassland.

The Lynn County Sheriff's posse is in charge of plans for an opening day parade and election of a rodeo queen.

The rodeo here will be supervised by the Amateur Rodeo Cowboy Association and the Girls Barrel Racing Association of Texas and New Mexico.

WEEKEND GUESTS

Weekend guests in the home of Mr. and Mrs. Roy Williams and children were her parents, Mr. and Mrs. H. M. McMeans of San Angelo.

PARENTS VISIT HERE

Mr. and Mrs. Charlie Cooper and family had as their weekend guests her parents, Mr. and Mrs. James Fitzgerald, Marilyn and Ronnie of Fort Worth.

Depressed community assistance offered

WASHINGTON—The Chamber of Commerce of the United States has offered to help any depressed

community in the country start its own program to attract new industries, create new jobs, and improve blighted areas.

According to the National Chamber, its members report that industries looking for new plant sites are most interested in communities that are hard at work trying to improve themselves.

"The plight of people living in depressed areas must not be overlooked," the National Chamber says, "but the depressed areas must take the initiative."

The National Chamber's community self-help program is operating in Erie, Pa., and starting in four other cities. The Chamber is making its staff available to help other communities start this program.

The federal government is cooperating with states in technical programs like vocational retraining.

"Most people in depressed areas are the unfortunate victims of progress, but they must adjust," the Chamber says, "because progress means that the old must give way to the new. We must all accept the fact that while change means that many people benefit, change also means that some people get hurt. The coming of the automobile opened up a vast number of new opportunities and jobs, but it was hard on the workers and investors in livery stables and harness businesses.

"Change is one of the prices of growth and progress. The way to grow is to push ahead. When we stop to subsidize the obsolete, we are deliberately obstructing our own growth. We are holding down economic expansion and canceling out job opportunities demanded by a rapidly growing labor force.

"Growth is not just more of the same—it is new ideas, new products, new services.

Post High School Chapter

Beth Kemp, FFA chapter sweetheart, has been selected by the chapter to represent it in the annual princess contest to be held in connection with the Panhandle South Plains Junior Livestock Show in Lubbock.

The Post FFA chapter again expresses its thanks to J. W. McMahon and the Graham Coop Gin for their assistance in sponsoring the Garza County Livestock Show. Also to Johnny Hopkins, manager, and Wilf Scarborough, president, of the Post Chamber of Commerce for their continued cooperation in this annual project.

The VA III class heard a talk by Mrs. Hartel last Thursday on the Agriculture Conservation Program for Garza County. The class was recently taught by J. B. Potts, of the First National Bank, with the lesson on farm credit. The VA I boys were taught on Thursday by Bobby Jack Gray, work unit conservationist of the Post Work Unit of the Duck Creek Soil Conservation District, and by Mr. Richardson, soil scientist from Spur.

Post seaman serves on aircraft carrier

WESTERN PACIFIC — Don R. McDonnell, seaman, USN, son of Mr. and Mrs. Charles D. McDonnell, of 109 Avenue S, Post, Tex., is serving aboard the attack aircraft carrier USS Midway operating with the Seventh Fleet in the Western Pacific.

During the seven-month cruise, the Midway is scheduled to visit Guam, Hong Kong, Japan, Okinawa, the Philippines and Pearl Harbor.

This is the carrier's third Western Pacific cruise since being recommissioned in 1957.

WEEKEND IN LUBBOCK

Mr. and Mrs. Charley Williams and Mrs. H. N. Thompson spent the weekend in Lubbock visiting Mr. and Mrs. L. W. Evans and Michael.

West Germany is showing signs of a shift from a seller's to a buyer's market.

It's True!

This big, roomy 4-door
1961 FORD FAIRLANE SIX
will cost you less to buy...less to run than some
"new-name" compacts!

White sidewalls shown optional at extra cost.

1961 Ford Fairlane—costs least* when equipped the way most people want, saves most of any big car on the American Road.

Here's the BIG car that saves like the small ones. Actually saves more... up to \$84 more* on purchase price alone... than some of the "new-name" compacts. Come in. Let your Ford Dealer explain why you get terrific mileage on "regular" gas. Let us show you how you save on a '61 Ford Fairlane all the while you own it, because it's so beautifully built to take care of itself!

Beginning with its low initial cost, the '61 Ford Fairlane can save you plenty.

For instance, the Fairlane has the only modern "over square" 6-cylinder engine in its field. Ford's new Mileage Maker Six—with its short-stroke, low friction design—squeezes amazing mileage out of each gallon of fuel.

The 1961 Ford Fairlane, like every '61 Ford, can cut your operating and service costs nearly

\$100 a year. It is built to take care of itself—see features listed in square at left.

And here's the most amazing fact of all: On top of the greatest money-saving combination in the nation, this Fairlane gives you more value than any other car in its field! All the big and little "extras" that Ford knows how to build into a car. Add up the facts for yourself. Then hurry to your Ford Dealer.

FORD DIVISION, Ford Motor Company.

*Based on comparison of manufacturers' suggested retail delivered prices including radio, heater, automatic transmission.

Drive the car that's beautifully built to take care of itself. See us today!

Brownie Troop 386 met Wednesday to work on their Easter project, which is making tray mats for Twin Cedars Rest Home.

The 11 members attending were: Jan Adams, Carol Bowen, Kathy Blacklock, Debbie Gray, Janet Ray, Janie Smith, Cindy King, Jody Cash, Sandy Dixon, Karen and Carol Wilson.

Cindy King and Sandy Dixon served refreshments.

Mrs. Clint Herring, senior Girl Scout troop leader, was a guest.

Senior Girl Scouts devote time to community service

Nine Senior Girl Scouts are taking part in the observance of National Girl Scout Week in Post this week, under the leadership of Mrs. Clint Herring. She is assisted by Mrs. Ronnie Bouchier.

Members of Troop 352 are Judy Clary, Chris Cornish, Jan Herring, Glenda Hutto, Pam McCrary, Kayam and Marsha Smith. Most of the nine girls are sophomores in

high school and have been together since the second grade, when Mrs. Herring became their leader.

The troop is the second one in Post to ever attain the senior rating and at this time is the only senior group in the Caprock Scout District.

Mrs. Herring told this reporter, "The girls have been an inspiration to me and their work in the community has been very rewarding."

They progressed from Brownies and through Tenderfoot, 2nd Class, 1st Class, and Curved Bar ranks. They have the Five Point Badges which is the springboard to senior scouting and are now working on their Senior Aid bars.

As one of their several projects this year, Troop 352 "adopted" Lisa Lou Cowdrey, the first baby to be born in Post in 1961. She was presented a scroll making her an honorary Scout. The girls are charting her growth and development and are available to be of assistance to her parents, Mr. and Mrs. Bobby Cowdrey, at any time needed.

Another community service of the troop is frequent visits to the Twin Cedars Rest Home where they are given credit on their work in Occupational Therapy Aids. They will receive aid bars after 30 hours of service.

Committee members for the group are Mrs. I. N. McCrary, chairman; Clint Herring, G. C. McCrary, and Mrs. Vada Clary.

WEEKEND GUESTS

Weekend guests in the home of Mr. and Mrs. E. E. Pierce were her brother and sister-in-law, Mr. and Mrs. J. T. Walker of San Saba.

Approximately 125 second grade students took part in Monday night's miniature formal wedding. The Tom Thumb Wedding, presented at the grade school auditorium. Members of the wedding party are shown in the above picture. Members of the cast were: Diane Luttrell, bride; Larry Car-

penyer, bridegroom; Steve Yancey, best man; Karen Sneed, maid of honor, and Larry Bilberry, pastor. Tomma West was train bearer and bridesmaids were: Judy Norman, Syan Thomas, Karen Potts; Becky Brewer, Linda Ramage, Caron Koeninger, Crystal Walton, Quay Williams, Cynthia White, and

Stephanie Davis. Groomsmen were: Dee Justice, Johnny Gray, Bobby North Tommy Cole, Randel Crenshaw, Lee Maddox, Mike Williams, Larry Scrivener, Junior Hughes, and W. D. Sims. Andra Hampton, Barbara Johnson, Ritalynn Butler, and Tonja

Hill were flower girls. Portraying parents of the bride were Lyndy Ottmers and Randy Hogue, and parents of the bridegroom, Donna Ledbetter and John Gist. Wedding music was a solo by Chip Ray Polk, who sang "I Love You Truly," and a pantomime of Perry Como's "Because," by Tony

Williams. Other members of the second grade classes dressed formally for the grand march. The wedding was first presented Feb. 28 in an afternoon assembly. It was under the direction of teachers, Mrs. Jessie Lancaster, Mrs. Joe Callis, Mrs. Nowell, Mrs. F. E. Shannon, Mrs. Sandlin.

Guild has salad supper Tuesday

Mrs. Nita Burriss was hostess to a salad supper when the CWF Guild of the First Christian Church met last Tuesday evening at the church annex.

Opening prayer was by the president, Mrs. Sally Luttrell.

Following the meal, Mrs. Burriss gave the worship taken from the second chapter of St. James. The lesson was presented by Mrs. Rowena Pierce, using the 1st through 8th chapters of Luke.

Ten members and two guests were present for the gathering. Mrs. Sue Cornell will be hostess for the April 4 meeting, to be held at her home, 1808 West 11th.

Mrs. Bess Thompson CWF program leader

The Christian Women's Fellowship of the First Christian Church met in the church sanctuary last Monday afternoon for a program by Mrs. Bess Thompson. She spoke on "Lest We Fail Not Man Or Thee".

Mrs. Estelle Davis, president, was worship leader, and Mrs. K. Stoker gave the opening prayer.

Mrs. Thompson's program was a round-table discussion and taking part in it were Mrs. Byron Haynie and Mrs. Charlie Luttrell. Nine members attended.

'60 Gold Star Girl writes on meaning of 4-H club work

(Editor's note — National 4-H Club Week was observed here last week and the following article was written by Miss Linda Payton, who was Gold Star Girl for the Garza County 4-H clubs last year and is alternate delegate to the State Council for this district. Linda is the daughter of Mr. and Mrs. Carl Payton, Route 2, and belongs to the Pleasant Valley club.)

During my eight years in 4-H Club work, I have encountered many tasks, both happy and difficult, and have carried many projects. These have included frozen food, food preparation, food preservation, clothing, bedroom improvement, beef animal, electric and junior leadership.

The electric demonstration has given me much knowledge in how

electricity helps us in everyday life and also in how to use colored lights in decorating. I have gone to district four times and state twice with my electric team demonstration.

Frozen foods has been my main project since I started 4-H work. I have learned the proper method of packaging and freezing vegetables, fruits, meats and prepared dishes. In food preparation I learned how to cook all kinds of dishes, and to prepare complete nutritious meals.

I have entered the county dress revue each of my eight years in 4-H. I also planned and purchased, or made most of my wardrobe for 1961.

In my bedroom improvement I added new furniture, improved the springs and mattress and added bedspread, curtains, and linens, and rearranged my closet. I also helped paint my room and other rooms in the house.

This year, my mother and I have a group of four girls in food preparation. I am the junior leader. The girls are Kay Altman, Peggy Bevers, Theresa Sims, and Judy Hitt. Junior leadership is interesting and challenging to me.

Four-H has meant many things to me. At first I was mainly interested in learning to do things myself. Then I got a chance to show younger members how to do things through being a junior leader. It has helped me to be a better family member by taking responsibility and learning to do household tasks, and 4-H has helped me to learn how to get along with people and to make new friends. It has also given me the goal of "To make the best better", the 4-H motto.

I hope that you will look into the possibility of becoming a 4-H Club member and if you are not in the age group of 9-12 years, there is a need for adult leaders. Contact the county home demonstration agent.

Onieta Williams honored at party

The home of Mr. and Mrs. John Nelson was the scene Sunday afternoon at 2 o'clock for a surprise birthday party in honor of Onieta Williams.

Cards, "42" and other games were played during the afternoon. Cakes, coffee, cold drinks and punch were served.

Guests included: Mr. and Mrs. Claude Williams, Clifford Williams, Wilbur Williams, Mr. and Mrs. Marvin Williams and children, Mr. and Mrs. Charles Williams Jr., Mr. and Mrs. Curtis Williams and family, Mr. and Mrs. Melvin Williams and David; Mr. and Mrs. Charley Williams, Mr. and Mrs. L. W. Evans and Michael of Lubbock, Mr. and Mrs. Nelson and family, and the guest of honor, who was presented an array of birthday gifts.

Lance Mathis and Renee Roby have birthday party

Lance Mathis and Renee Roby celebrated their third birthdays last Saturday when their mothers, Mrs. Elton Mathis and Mrs. Les Roby, entertained with a party at the Community Room of the First National Bank.

Twenty-seven guests were present for the 4 o'clock event. "Pin the Nose on the Clown" was played and a comedy film strip was shown before the small guests of honor opened their array of birthday gifts.

Refreshments of punch and cake were served. The double birthday cake was decorated in green on one side for Lance, and pink on the opposite side for Renee. Clowns and balloons were given as favors.

CALIFORNIA VISITORS

Now visiting in the home of Mr. and Mrs. W. W. Guthrie are their son-in-law and daughter, Mr. and Mrs. Raymond Wedell of Pasadena, Calif.

Munich will hold its 3rd Biennial Exhibition of Gastronomy and Tourism in April, 1961.

—Postscripts—

Almost 100 young girls in the primary and elementary grades of school are anxious to join the Brownie Girl Scouts. Ordinarily that would be fine. But not here today . . . where there aren't enough interested women to become leaders of the youngsters. This is National Girl Scout Week, and Mrs. Lois Herring, leader of Senior Girl Scout Troop 352, is trying once again to locate leaders in an effort to organize troops for the young girls.

Anyone interested, who likes to work with children, and not necessarily just mothers either, would be rewarded with appreciation from the youngsters by devoting only a few hours monthly to the project. Training is provided by the Caprock Scout Council and all that is lacking is the women. Mrs. Herring may be reached by dialing 2744 or 2306.

Guests of Mr. and Mrs. Tom Bouchier last week were Emaline and J. E. Amado Jr. of Panama City, Panama, who were en route to visit their maternal grandparents in Denver, Colo. Emaline and J. E. who also visited in the Ronnie Bouchier home, are children of Mr. and Mrs. J. E. Amado and their mother is the former Yolanda Ramirez, who made her home with the Bouchiers and attended Post High School. The children are on their summer school vacation, as in Panama school dismisses in January and resumes in May.

Mrs. Joan Tubbs will leave by train Sunday night for Denver, Colo., where she will attend a week's postgraduate course in medical technology at the University of Colorado Medical Center. Mrs. Tubbs is laboratory technician at the office of Dr. Harry A. Tubbs.

Guest of honor at the Woman's Culture Club luncheon and style show Wednesday at Levi's was Mrs. A. E. Boyd of Plainview, Caprock District President of Texas Federation of Women's Clubs. Several Post High School girls and members of the local clubs modeled their fashions made for the Vogue Sewing Contest.

Texas Mu Alpha chapter of Beta Sigma Phi will hold their "beatnik" party Saturday, March 25, at the American Legion Hall. The event will begin at 7:30 p. m., and Xi Delta Rho members are invited.

The Post Parent-Teacher Association this week in observance of National Teachers Appreciation Week, is placing cakes each day in teachers' lounges in each of the Post schools. Mrs. George Miller is in charge of the project.

Mary Ellen Circle has mission study

The Mary Ellen Circle of the Women's Missionary Union of the Canterbury Baptist Church met in the home of Mrs. C. R. Jones last Monday morning for a mission study. Miss Wilma Johnston was program chairman. Mrs. Mabel Martin gave the introduction of the Anne Armstrong Home Mission of Iraq, and Miss Johnston presented the devotional and outline of the mission parts. She read a prayer list of the missionaries. Mrs. Jones and Mrs. Will Teaff also were on the program. Attending were: Mrs. Mabel Martin, Miss Wilma Johnston, Mrs. John Miller, Mrs. Jones, Mrs. Lola Knowles, Mrs. Teaff, and a visitor, Mrs. Ruby Lee.

Sara Sprayberry elected president of VFW Auxiliary

Mrs. Sara Sprayberry was elected president of the Ladies Auxiliary of Veterans of Foreign Wars Post 6797 when they met last Thursday at the new VFW Hall.

Elected as senior vice president was Gloria Cockrell. Other officers for 1961 are: Jewel Bronson, junior vice president; Fern Sutter, treasurer; Henrietta Warren, chaplain; Nora Blacklock, conductress; Glyndena Cooper, guard, and Johnnie Rogers, Betty Priddy and Margaret Hill, trustees.

Mrs. Johnnie Rogers, outgoing president, presided. Nannie Young, president of the 7th Auxiliary District, Sue Crider, department chief of staff, and Janie Nichols of Lubbock were guests.

Five new members were initiated. They were Fern Sutter, Jewel Bronson, Betty Priddy, Mae Goodman, and Sarah Shedd. Wanda Davis was accepted by transfer from Greenville, Miss.

Post delegates to attend WCSC meet

The Rev. Eugene Matthews, pastor of the First Methodist Church, has announced that Mrs. R. T. Smith is delegate to the Woman's Society of Christian Service annual northwest conference meeting, March 21-22 at Vernon. Mrs. Darrel Eckols is alternate delegate. The theme for the conference is "Thy Purpose for Thy World We Share." Miss Ruth M. Harris, secretary of student work for the woman's division of the Board of Missions, will be one of the principal speakers.

Miss Peggy Campbell will also be a featured speaker. A graduate of Lamesa High School and McMurry College, Abilene, she has spent three years in Elisabethville, Belgian Congo.

On Wednesday afternoon, visitors and delegates will hear Bishop Paul V. Galloway of San Antonio. His address and a Communion service will close the conference.

Texas oil and gas provide 29 per cent of fuel energy produced in U. S.

Clubs * Personalities * Churches

Please Send or Telephone News to RUBY WILLIAMS, Women's Editor, Telephone 495-2816, Not Later Than Wednesday Morning

Entertaining? Call us, 2816.

We want more social items

Giving a party, shower, entertaining a club you belong to, or that most important event, getting married? Why not turn your social items in at The Dispatch office?

We'd like to have more social news and you can help. If your club doesn't have a reporter, appoint one so you can have printings of your meetings.

Birthday parties, bridge clubs, showers, special events, we want them all. Dial 2816 as early as possible after the event and not later than Wednesday noon. For instance, if you entertain on Thursday, call Friday morning.

We'd like to place an emphasis on the Wednesday deadline. Working on a tight schedule it isn't always possible to assure publication of any items after Wednesday noon and, too, we want the news while it's still "news."

Amity Study Club has program on 'Africa' at Tuesday meet

"Africa—Continent of Contrast" was the program topic for Tuesday night's meeting of the Amity Study Club. Mrs. Leo Cobb introduced Rev. C. B. Hogue, pastor of the First Baptist Church, who spoke on "Missionaries in the Congo."

Mrs. Thurman Francis had the second part of the program, with her topic "Struggle for Recognition."

Arts and Crafts work done by Brownie Troop

The second grade troop of Brownies was organized last Nov. 17 and during the winter months Mrs. Garland Davies and Mrs. Charlie Cooper are leaders of the troop.

The troop meets on Friday afternoons at 2:30 o'clock in the Girl Scout House.

Members are: Sue Strofer, Syan Thomas, Debbie Cooper, Carol Davies, Sherry Bird, Toni Hill, Diane Luttrell, Marsha Duncan, Rhonda Case, Quay Williams and Terry Taylor.

Jodie Kolb honored on 11th birthday

Jodie Kolb celebrated her 11th birthday Saturday when her mother, Mrs. Howard Kolb, entertained with a backyard wiener roast. Guests for the afternoon event were:

Mr. and Mrs. Keith Adams, Jan and Melinda, Mrs. Charles King, Cindy, Ricky and Rodney, Mrs. Glen Bratcher, Jerry and Ronnie, Patti Peel, Kim and Kay Hundley, Ricky McMillian, Kathleen, Donna and Curtis Kolb.

Miss Maxine Page, Frank Gill marry Sunday in Fort Worth

Miss Maxine Page of Fort Worth and Frank Gill of Post were united in marriage Sunday in the home of her parents, Mr. and

Priscilla Club meets with Mrs. Satterwhite

Twelve members and three visitors were present at Friday afternoon's meeting of the Priscilla Club, held at the home of Mrs. Inez Satterwhite.

Guests for the meeting were Mrs. J. E. McPearson, Mrs. Earl Thaxton, and Mrs. O. V. McMahon.

Members attending were: Mrs. James Black, Mrs. William Robinson, Mrs. Keith Kemp, Mrs. Jake Heiskill, Mrs. Ted Hibbs, Mrs. Sam Etter, Mrs. N. C. Outlaw, Mrs. Marvin Hudson, Mrs. Morris Neff, Mrs. Vada McCampbell, Mrs. Ida Collier, Mrs. Richard Dudley and the hostess.

Mrs. Satterwhite served refreshments of open-face sandwiches, cake squares and coffee.

Nominating committee reports at Texas Mu Alpha meeting

A nominating committee for 1961-62 officers reported when Texas Mu Alpha chapter of Beta Sigma Phi met in the home of Mrs. Dennis Eubank Monday night, with Mrs. Mike Mitchell as co-hostess.

Officers for the sorority will be elected at the March 27 meeting, to be held at the home of Mrs. Boren, 504 West 12th Street, with

Mrs. Jim Boren and Mrs. Gerald Loyd hostesses.

Monday night's program was entitled "The Art of Thinking" and was presented by Mrs. Jim Durbin.

Greetings were read from a former sorority member, Mrs. James Simms now living in Dallas, who, after three sons now has a baby girl.

Prize winners of Saturday afternoon's benefit were announced. Mrs. Mason Justice won high score and Mrs. K. Stoker took the low prize. Mrs. Vernard Alexander was winner of the door prize. The benefit was termed successful and funds will go to sorority projects.

Attending Monday meeting were Mrs. Jimmy Moore, Charles Luttrell, Mike Mitchell, Rex King, Jim Durbin, Walter Holland, Tom Gambin, George Pierce, Dennis Eubank, Darrell Eckols, Roy Teaff, Gerald Loyd, and Royce Josey.

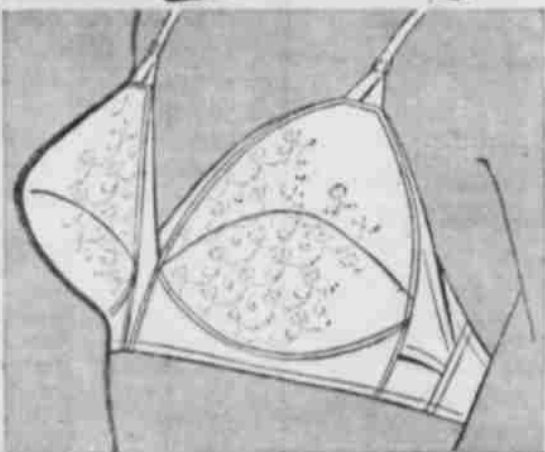

SUNDAY DINNER GUESTS

Guests in the home of Mr. and Mrs. E. R. Morsland for Sunday dinner were their daughters and sons-in-law, Mr. and Mrs. Andy Andrews and Joey of Lubbock and Mr. and Mrs. Larry Waldrup, Mike and Bruce.

It's the Law
in
TEXAS

CONFIDENCES PROTECTED
Under the law what you as a client tell your lawyer in confidence he may tell no one else without your consent.

Nor can a judge order him or his professional employees (like secretaries) to reveal such communications in court.

Why have such a privilege? Chiefly, to do justice; it encourages clients to tell their lawyers what they have to know to help and to advise them fully: things about their family, business, and private affairs, their hopes, fears, and ambitions.

For a client may well have to give his lawyer details which, if revealed, might harm those he most wanted to protect.

Yet, in some very rare cases, to help carry out the client's desires after death, a lawyer may have to reveal a confidence, under certain safeguards, to uphold his client's purposes.

What are confidential communications?

Anything a client tells his lawyer when he seeks advice about his personal, business, or legal affairs—talks and letters, photographs, chartas, and other documents and records.

Confidential communications protect you as the client, not your lawyer. If you break the confidence a lawyer may also have to talk, for the communication is no longer confidential. You may break a confidence by testifying about it, or by having unauthorized persons hear or see what was communicated.

No lawyer may keep quiet about a crime or fraud a client has told him he plans to commit. But, afterwards, an accused person may talk freely to his lawyer. Even if, guilty, he has a right to have his side of the story presented to the court as it may affect his punishment. A person in trouble needs to talk to someone without fear that what he says will become public. In some states certain other professional people, such as physicians and clergymen, may receive privileged communications. However, Texas law makes no provision for privileged communications with physicians and clergymen.

RETURNS FROM PAMPA
Mrs. L. A. Barrow returned to Post Thursday after spending two weeks in Pampa in the home of her daughter and family, the H. B. Taylor Jr. Mrs. Taylor, Leonard and Kathy, accompanied her for a weekend visit. Mrs. Barrow's daughter from Snyder, Mrs. Earl Pearser, Gary and Earlyn joined them here, and Mr. and Mrs. Monroe Lane also visited in her mother's home.

RETURNS HOME
Mr. and Mrs. Walter Holland and children were in Mineral Wells recently. They took his mother, Mrs. Holland, home after a visit here.

CLOCK WATCHERS

Are men becoming smaller than the clocks they watch? As we rush from plane to plane, city to city, appointment to appointment, are we shrinking rather than growing?

For centuries men have gone forth from their homes to work, either by foot, ship, horseback or in a jet that can cross a continent between lunch and dinner. Whether in the end it was "worth it" has always depended on whether a man found time as the years went by for those things even more important than success—his family, his home, and his church.

If the demands of your job—the pace of your life—have chained you to a clock that is getting bigger than you are, pause to remember: in any human life there are only so many hours, none of which may be reclaimed once they've ticked by. Pause to realize, too, that it takes only a minute to pray, only an hour to go to church on Sunday—yet the benefits reaped from even such brief dedication to God can be eternal.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

PAT E. LAWRENCE

Vet's Forum

Q—Is there any chance for a woman to get into a VA hospital as a patient? I'm a World War II veteran but was never stationed outside the States.

A—Yes. Women veterans are eligible for VA hospitalization on the same basis as are men. For further information, get in touch with the nearest VA regional office or apply directly to a VA hospital.

Q—Has Congress passed any of the proposed legislation which would furnish special benefits for peacetime veterans?

A—There are several benefits already established for peacetime veterans. Any VA office can give you full particulars. However, the proposed legislation you mean concerning education, home loans, etc., has not yet been passed by Congress.

Q—If I am admitted to a VA domiciliary, what kind of care am I entitled to?

A—Complete care, including medical treatment. Of course, if hospitalization is required, a domiciliary member is eligible for transfer to a hospital.

Q—Should I write Washington, D. C. concerning my GI insurance? My home is in Brunswick, Me., and I pay my premiums to Philadelphia.

A—The VA District Office, 5000 Wissahickon Avenue, Philadelphia 1, Penna., handles your insurance account and not Washington.

RETURN FROM ODESSA

Mrs. Jack Burress has returned home after spending three days in Odessa with relatives. Also visiting in Odessa were Mr. and Mrs. Hub Halre and Johnny and Mrs. Winnie Tuffing.

Americans smoke 489 billion cigarettes a year. The total is expected to be 545 billion by 1965.

LCC Career Day is set for March 25

LUBBOCK—Lubbock Christian College's Second Annual Career Day will feature programs of vocational guidance, college orientation, and entertainment especially for the benefit of all area high school students Saturday, March 25, according to Jack Carter, Career Day director.

The 60-voice LCC A Cappella Chorus, under the direction of B. Wayne Hinds, will present a concert Friday evening, March 24, at 8 o'clock in the LCC Auditorium with the high school students as special guests. Students are invited to spend the night in the campus dormitories, without charge, and to attend the Career Day activities the next day. High school visitors will eat in the LCC dining hall as guests of the college.

Career Day will begin with a concert by the LCC "Royal Blue" band under the direction of E. Joe Lee. Following a devotional and

welcome from LCC president F. W. Mattox, a panel consisting of two professional men and two college students will discuss the role of the college in career planning.

Panel members will include Dr. S. M. Kenedy, Dean of Arts and Sciences at Texas Tech; Dr. Lowell Johnson, Lubbock physician; Miss Kay McCorkle, LCC sophomore; and Ward Lane, LCC freshman.

Immediately following the panel, the students will assemble in small groups to counsel with men and women who have been successful in the vocational field in which the various students are interested.

Counselors have been chosen from the following fields: agriculture, art, Bible, business, civic service, economics, education, engineering, English, history, home economics, journalism, languages, law, library science, mathematics, medicine, music education, pharmacy, physical education, psychology, science, speech and terminal education.

Students will hear brief talks on qualifications and training necessary to each vocational area and will have an opportunity to ask questions during the counseling sessions.

SPENDING LEAVE HERE

Melvin Britton, son of Mr. and Mrs. Ellis Britton, who finished basic training at Fort Hood last week, is spending a two-week leave with his parents. He will report to Fort Sill, Okla., the 17th of this month.

Tuesday fire blamed on over-done cake

A cake in the oven at the A. L. North home got a little too well done about 10:40 a. m. Tuesday and both fire trucks answered the alarm.

The stove was ruined, but other damage was minor, caused mainly by smoke.

The North home is in the 700 block of West 12th Street. VFW TO ELECT Officers will be elected at a regular meeting of the Veterans of Foreign Wars Post at 8 o'clock tonight. All members are urged to attend.

Large advertisement for K&K Food Mart featuring 'Green Grow the Bargains' slogan and various food items like pies, Jell-O, and meats.

Antelopes entered in Crosbyton meet

The Post Antelope track team, with two members still crippled, will compete Saturday in the annual Crosbyton Relays—entering every event except the pole vault.

Harold Wayne Mason and Clarence Ivie, who have missed the Antelopes' first two meets because of leg injuries, will see only limited action—if that much—in the Crosbyton meet, Coach Harold Teal said.

Coach Teal said Mason probably will be entered in the shot put at Crosbyton. The team's only point in the Whirlwind Relays at Lubbock Saturday came on Nuel Landreth's sixth place finish in the low hurdles. Teal said, however, that he was pleased with the boys' improvement in times in the track events and distances in the field events.

Landreth will be in both hurdle events at Crosbyton in addition to running the anchor leg on the 440-relay team. Others on the sprint relay team will be Ronnie Henderson, Leslie Acker and Wendell Duncan.

Duncan will also run the 220 and 440 yard dashes and will high jump. On the mile relay team will be Tommy Bouchier, Bobby Hudman, Acker and Neal Francis.

Bouchier will also run the 880, along with Billy Jackson. Henderson will compete in the 100-yard dash and broad jump and Acker will join Duncan in the 220.

Dewayne Capps is slated for the 440-yard dash, high jump and low hurdles, and Jimmy Minor is entered in the discus and broad jump.

Richard Scott, Larry Johnson, Dennis Ivie, Donnie Windham and Mike Miller.

Coach Charles Clark's 7th grade track team scored 56 points last Friday to finish second to Plains in Brownfield's invitational meet.

The Post trackmen finished head of Seminole, Brownfield, Littlefield and Leveland, all Class AAA schools, and Denver City, a Class AA school.

The Post team won a total of seven ribbons in the meet. The 440-yard relay team of Louise Ayala, Manuel Mindieta, Bobby Snead and Ruben Solis finished first with a time of 53.6 seconds.

Ronnie Pierce won the high jump with a jump of 4 feet 8 inches. Ayala was second in the high hurdles and third in the broad jump, and Bobby Snead placed second in the 75-yard dash.

Other boys entered for Post were Mindieta, Donnie Cornell, Lamar Jones, Jackie Huff and John Smith, the shot put, and Cornell, Birch Coban and Jones in the discus.

Week before last, the 7th grade team finished second to Colorado City in the Snyder meet and ahead of the Lamar and Travis schools in Snyder. In that meet, Snead placed first in both the 75 and 100-yard dashes. Ayala was second in the broad jump and fourth in the high hurdles. Solis placed third in the 100, and the 440-yard relay team came in second.

Other 7th grade boys who have competed in one or both of these last two track meets are Ronnie Berry, Roy Long, Rickey Welch, Ernest Cole, Samuel Sims.

Fish licenses cost in Texas lowest in U. S.

AUSTIN—Thirty states charge more than Texas for resident fishing licenses and every state charges more for non-resident licenses, according to a breakdown of hunting and fishing license costs for 1961.

The average cost of non-resident fishing licenses in 49 states is \$3. In Texas residents and non-residents pay \$12.15 for an annual license. The average price for resident fishing licenses in 49 states is \$2.70.

Iowa and Kansas have the lowest non-resident licenses, other than Texas. They are \$3 each. Indiana charges \$3.50 and Illinois and Indiana charge \$4.

There are 45 states with temporary fishing licenses, average \$3.05 each.

California, Colorado, Florida, Maryland, Montana, Nevada, South Carolina, West Virginia, and Wyoming charge non-residents \$10. Washington and Arizona charge \$10.

A number of the states have a stamp which costs extra. On hunting licenses, the average resident cost is \$4.33. The Texas license is \$3.15. The non-resident average for 49 states is \$25.26. The Texas non-resident is \$25. The license in Idaho is \$75. Several other states have lower basic licenses than Texas, but charge additional fees for permits.

The largest American basewood saw on record is in Whittington Park, Hot Springs National Park, Ark.

PS in... SPORTS

We're so often wrong in picking a winner that we like to crow about it when we do. Early last winter, we predicted in this column that the Sundown girls basketball team might go "all the way" in the state Class A playoffs—and they did just that. Our prediction was made the week before the Sundown girls played Coach Don Watkins' Post Doe team in the Post gym.

Local basketball fans who saw the Post-Sundown game will remember that the Doe sextet stayed just about even with the Roughettes until late in the third quarter. Which points up the fact that our girls' team was a much better aggregation than their record indicates.

Norm Cash is off to a good start with the Detroit Tigers in spring training. He collected two triples and a single Sunday to lead the Bengals to an exhibition game win over the St. Paul-Minneapolis team.

Congratulations to Nuel Landreth on scoring the Post Antelopes' first point in two track meets this season. Nuel came in sixth in the low hurdles in the Whirlwind Relays at Lubbock Saturday. If it hadn't been for that sixth place finish, the Antelopes would have been shut out in their second consecutive meet. Injuries and stiff competition in the two meets they've entered have contributed to the team's poor showing.

The only other bright spot for the Antelopes in the Whirlwind Relays was the fact that ex-Antelope Curtis Didway's Class AA broad jump record was one of the few records that stood up through Saturday's assault.

Along with the school trustees, who met Monday night, we missed the radio broadcast of Floyd Patterson's sixth round knockout win over Ingemar Johansson in their heavyweight championship fight. The four school principals were luckier. They were there to meet with the board on teacher recommendations, but didn't sit through the entire meeting and thus were able to listen to the fight on a radio in T. C. Clark's office. Each of the principals kept us and the trustees up to date on how the fight was going as they came in and out of the board meeting room.

POST MAN MAKES BIG CATCH
E. A. Franklin is shown at Acapulco, Mexico, with a sailfish and a shark he caught while there recently on a fishing trip. The sailfish was 9 feet and 2 inches long and weighed 102 pounds. Length and weight of the shark was not given, but it was described as a "ferocious" creature.

Eagle thin clads going to Sonora

Coach Duane Locke and his Southland Eagle track team will compete Friday in the annual Sonora Relays.

It will be the first regular meet of the year for the Eagles. They limbered up last week in a quadrangular practice meet with Roosevelt, Cooper and Shallowater.

The Eagles have a well-balanced squad this season and are expected to be contenders, along with Lorenzo, for the District 6-B championship.

Tulia grid team gets new coach

The Tulia Hornet football team, which will play the Post Antelopes here next season, has a new head coach in Jimmy Royce Keeling. Keeling, who is 26, has coached at Dublin the past two years. His last year's football team there won the District 8-AA title.

Keeling, a graduate of Howard Payne College, has also coached at Hamilton, Evant and Hico. At Tulia, he replaces Bill Henry, who resigned to accept a coaching post at Alvin.

Bowling tourney for women this weekend

The number of entries point to a successful women's tournament Saturday and Sunday at the Post Bowling Center.

Jane Terry, secretary of the Caprock Ladies Handicap League and tournament director, announced yesterday that nine teams and 28 doubles are entered in the two-day tournament. Figures were not immediately available on the number of singles entered.

Team play in the tournament will be Saturday, with singles and doubles scheduled for Sunday.

Deer kill in Dimmit County heavy in '60

AUSTIN—Dimmit County, along the Texas-Mexico border, produced some of the top deer hunting of the past season, according to the annual report of Herbert Ward, supervisor of game wardens and a resident of the county.

This was the fourth year of hunting under regulatory authority. There were 316,461 acres of land opened to hunters, who bagged 1,794 bucks and 142 does for a total kill of 1,936 deer. They also got 67 turkeys.

There were 2,425 hunters, representing a 17 per cent increase in hunting pressure. There was a 32 per cent increase in hunter success. This surpassed all other previous records for the county.

It is estimated the landowners receive \$68,735.50 in lease money from the deer crop.

Hospital Notes

Those admitted to Garza Memorial Hospital since last Tuesday were:

Mrs. Jyles Hill, obstetrical
Glenn Polk, medical
Mrs. Buster Hart, obstetrical
Adela Menchace, surgical
Mrs. Sue Dunn, medical
Rickey Nelson, surgical
Freda Halford, surgical
M. F. Smith, medical
Mrs. Isabel Torres, medical
Mrs. D. C. Hill, medical
Mrs. Mike Custer, surgical
Mrs. S. E. Bilbo, medical

Collier, Woods win in special bowling

"King and Queen of the Week" action at the Post Bowling Center was fast and furious last week, with Claud Collier Jr. and Georgia Woods defeating O. C. (Oscar) Garner and Rhea Hays.

Williams stars in ETSC squad game

James Williams of Post guided the Blue team to a 30-8 victory over the White squad last week as East Texas State footballers completed their first full week of spring drills.

It was the Blues' second win over the Whites, the first intra-squad game resulting in a 20-14 victory.

This is Williams' second season as ETSC quarterback.

challengers are needed to make the Wednesday night King and Queen action as exciting as possible.

The handicap in the men's division for the three-game series is determined on a 50 per cent basis from 200 scratch, while in the women's division the handicap is figured at 70 per cent from 180 scratch scores.

League bowlers may use their league series scores as entries in the competition, provided they sign up at the desk prior to bowling the three-game league set.

Championship fight film now showing

Coketales . . .

Have You Heard??

Congratulations go to Jane Francis. She and Lonnie Gene Peel, an "ex" of Post High School, are now engaged.

The Juniors are beginning work on the Junior-Senior banquet. The Seniors are sure curious as to what the theme is.

Margie Harrison sure did have fun at Brownfield Saturday. She saw BIFF!

Bobby Ward, who is Harvey?

Janith Short, what is wrong with your foot? Did Harold Wayne Ma-

son step on it by any chance?

We hear Donnie Hays has great plans for the banquet. Wonder who his lucky date will be?

To Bobby Beard and Larry Williams, we have two words—Yea, Matador!

Congratulations to all the Science Fair winners—we're very proud of you.

Sammy Martin, an "ex" of Post High School, is now home on leave. Both Kemp has been seen with him.

Play on names makes an interesting story

By Jane Maxey

We have many different names in PHS and when several are combined, the story comes out like this:

After receiving his MASTERS degree a YOUNG BUTLER of CORNELL U. had a vision of a new business made of CASTEEL and MARTIN (more tin). As a BREWER required no TALENT and very LITTLE dough in the BANKS, this NUTT started over foot's HILL to MOORE work and the HALL of fame. He had heard that MOREMAN would POLK fun at a MINOR, but this GUY was determined to get MORELAND. The LONG and SHORT of it was that the land should be a BARRON GORDON without even an IVIE covered BUSH.

After a few blocks, he was met by a REDMAN who demanded his CAPPS and NICHOLS. He told the man there was no JUSTICE in it and if it weren't for breaking a window PAYNE he would throw a STONE at him.

His HART was broken so he returned to his FOSTER home to shave his BEARD. He then had to

COOK and eat HERRING and GOODE CHERRI cobbler for supper and went to bed to read "The LITTLE SHEPHERD of Kingdom Come" and the STORIE of ISAACS, while a GAYLE blew outside and the wind did HOWELL. He vowed if there was not a RAY of sunshine nor a BYRD to sing, he would take up GAMBLIN and end up in his GRAVES.

Lunch 'hour' is much too short

By Marcia Newby

I asked some students of the 6th grade what their opinions are on our lunch hour. Here are their replies:

Sherry Woods—I think it should be longer so we will have longer to play!

Cherry Pennell—I think it should be longer. We hardly have enough time to eat.

Jackie Wilson—It's sort of dull!

Belinda Lee—I think it should be much longer!

Jan Miller—At least it's a relief from homework and classes.

Johnny Jones—I think it should be from 12:00 to 3:45.

Gregg Jones—It isn't long enough.

J. O. Smith—I think it should be at least one hour.

Dick Kennedy—It should be an hour and a half.

Sherri Perdue—It stinks!

Billy Jack Hodges—It should be longer.

Georgie Willson Teacher of Week

By Beverly Avatt

Georgie M. Willson, vocal music instructor, is our teacher of the week. He was born in Frederick, Okla., and attended the University of Oklahoma.

Mr. and Mrs. Willson have one child. His name is Cy Cecil Willson and he is four years old.

Before Mr. Willson moved to Post, he lived in Oklahoma City, Dallas and Fort Worth.

Mr. Willson belongs to the Club of Professional Music.

His favorites are: Actress, Doris Day; actor, Charlton Heston; food, Metrecal; TV show, "Bonanza"; movie, "Ben Hur"; and hobby, music.

PROJECTS DUE SOON

By Robbie Nutt

In World History we are on Chapter 31. We are studying about "The British Empire in the Nineteenth Century". We are now getting current magazines that are called "Our Time". They keep us up on current events that are happening around the world. All World History projects will be due April 28.

SATURDAY VISITORS

Visitors Saturday night in the home of Mr. and Mrs. Ronnie Morris and Ronnie were Mr. and Mrs. Donald Ammons and Donna.

At TIL contest in Brownfield

Girls choir is rated superior

By Carolyn Moore

Post High School's 32-member girls' choir received a superior rating in concert singing and an excellent rating in sight-reading Saturday at the Texas Interscholastic League contest in Brownfield.

The girls brought home a plaque for their splendid showing in concert singing.

The mixed choir, which has 56 members, received an excellent rating in both concert and sight-reading.

The girls' sextet of Meredith Newby, Dee Ann Walker, Karen Haley, Gayla Johnson, Gayle Title and Carolyn Matsler was rated superior, with each of the girls receiving a medal.

Most students convinced they aren't a zyme

By Sharia Pierce

Are you a "zyme"? What do you think it is? Students of Junior High were asked these questions. Here are the answers:

Marilyn Jones—Yes, a purple-eyed monster!

Danny McFadin—Yep, sure am. Don't know what it is, but if it's something bad, I am one.

Pat Landreth—No, I'm not a zyme. I'm Pat Landreth. I think a zyme is a crazy dog that acts like Danny McFadin or Birch Loban when they see a cute school girl.

An excellent rating and individual certificates were received by the girls' sextet composed of Linda Pennell, Linda McMahon, Argan Robinson, Susie Jo Schmidt, Margie Harrison and Nancy Bingham.

The boys' quartet of Teddy Scott, Robert Johnson, Clarence Ivie and Jimmy Wells was rated excellent and each of the boys was presented a certificate.

Steve McDonald—I don't know.

Cherry Cummings—Yes, a late bird.

Kenneth Pennell—No, D e n n i e Cornell.

Donna Bowen—I hope not. It sounds like a monkey.

Lamar Jones—No! I don't know.

Claudia Crenshaw—Maybe! I have no idea what it is.

Jackie Baldree—No, but Kenneth Pennell is.

Patricia Johnson—No. It's a place where you play.

Johnny Kuykendoll—No. An animal.

Dixie Lucas—No. An African hat.

Ikey Haire—Yes. It's an animal.

Pam Owen—No. It's an odd person.

Donnie Cornell—No. It's a Kenneth Pennell.

Judy McCampbell—It's a pygmy.

Birch Lobban—No. Lamar Jones.

Mary Barnes—No. A chemical.

Wesley Williams—No. It's a rock.

Dovie Nichols—No. A disease.

Ruben Solis—No. But D a v i d Perez is!

Bill Doggett—No. It sounds like a man with a lot of wives.

Mrs. Walker—Yes, a g o o n e y bird!

Pat Martin—I hope not! A monster like Deiores Strofer.

Arleta Robinson—No! Another name for Pat Martin.

Joyce Corley—No. I think a zyme is another name for Pat Landreth.

(A zyme is a contagious disease.)

SENIOR DUES DEADLINE

The deadline date for the Senior dues has been set up to April 10. All Seniors planning to go on the after-school trip must have paid by then. So please turn in your money.

PHS has interesting visitor

Panama students wear uniforms

By Gloria Peoples

Last Thursday PHS had a very interesting visitor. Vulo Amado, who is a teen-ager from Panama, was visiting with the Phil Bouchiers and came to school with Tommy Bouchier. We enjoyed having him visit some of the classes and we hope we made a good impression.

Vulo is a typical teen-ager from Panama. We asked him some questions about his country and it seems that the teen-agers there are somewhat like the teen-agers here in their interests and manner of dress. He told us although the students in Panama dress in much the same way as we do here in the U. S., after school hours they have to wear uniforms to school. The students drive cars to school just as the students do at PHS. In fact, Vulo has a car of his own. Their sports include basketball, softball, and golf; his favorite sport being golf. He stated that they have a lot of school spirit.

Their interests are about the same as our interests, but the schools are quite different. As I mentioned before, the students wear uniforms to school and Vulo thinks that school in Panama is much harder and more strict than our school. Instead of the students changing classes after each period, the teachers change and the students stay in the same class.

Several languages are taught in school in Panama. They include: French, English, and Latin. Science is a very important subject, also.

Vulo likes our weather here in Texas very much. He thinks the country is pretty and he likes the cool weather we have. Of course, in Panama it gets pretty hot and stays that way year round. He also thinks we have a very nice school.

Vulo visited here in Post until Sunday and then went to Denver, Colo., to visit his grandparents. We hope he enjoyed his visit here and that he can come again sometime.

High school news you oughta know!

Saturday, March 18, the Post High School Band will go to Lamesa. There will be a track meet at Crusbyton.

March 20 the Science Department has the assembly. It will be at 11:40 in the Grade School Auditorium.

WOODWORK COURSE

All adults interested in a course in woodworking contact Mr. Hopkins. If you are interested call Mr. Hopkins at 495-3076 or contact him at the high school. The fees for entrance will be \$10 lab fee and a \$15 instructor's fee. The date for entrance has been extended until Friday, March 17.

Norridgewock, Maine, was established on the site of an old Indian village, also named Norridgewock.

"Single Seats Will Be All-right — We Can Divide The Popcorn!"

Career Week is under way here

By Linda Kuykendoll

Post High School's Career Week, which is sponsored by the Student Council, got under way Monday morning when E. R. Higgins, director of admissions of Lubbock Christian College, spoke to a group of students on orientation.

He gave some helpful hints on getting ready for college, and also gave some pointers on choosing colleges. At the end of his talk the students were allowed to ask questions. Everyone who attended was certainly benefited.

Other Career Week programs scheduled are teaching, beauty operator, art, mechanics, agriculture, salesmanship, sports, science and religion.

Junior High School

Gossip Box

Cheryl Pennell unloaded Donna Mathis' purse in fifth period Science class. Boy, was there ever a pile of junk!

Richard Scott really gets around with the girls. Now he likes Marcia Newby, but whom will he like next?

Marcia, do you and Linda really have a place called Las Vegas?

Belinda Lee really is proud of their new home at 120 North Ave. O. They hope to get moved in soon.

Sixth grade couples seen around PHS are: Marcia Newby and Richard Scott, Sherry Woods and Jerry Sullivan, Belinda Lee and Donny Windham, Deanna Adams and Gregg Jones, Linda Hays and Larry Johnson, Roger North and Mary Eubank, Beverly Avatt and Davis Heaton, Pat Robinson and Charles Wallace, Walter Johnson and Sherry Gist, La Gaylah Young and Bo Hutchins, Jaymie Josey and Paul Walker, Cheryl Pennell and Ronnie Wilson, Jackie Wilson and Roy Long, Linda Davis and Melvin Allen, Judy Lewis and Ronnie Pierce.

Neta McGlaun looked real cute with her hair fixed Thursday.

Mrs. Wristen's 7-A Science class has been working on projects for the Science Fair. Those working on projects are Mary Barnes, Sharia Pierce, Terry Power, Ronnie Mayberry, Steve McDonald, Dwayne McWhirt, Richard Salinas, David Perez, Bobby Dean, Wesley Williams, Donnie Cornell and Kenneth Pennell. Mrs. Wristen thinks they are doing real well and might win a prize.

Did Pat Robinson really fall down in gym and break her heel?

Why did all but five or six students in Math make a failing grade? Was it because you did it wrong, students?

Do the girls in 8th grade gym class really like volleyball or are they just pretending to like it?

In Mrs. Florence's 6th grade Language Arts, we had a play, "Ship's Boy to the Indies".

Name Science Fair winners

Winners have been named in the Science Fair held Thursday and Friday in the new high school building.

Nearly every student taking any kind of science prepared exhibits for the fair, which was very educational and enjoyed by everyone.

The exhibits, which were placed by grades 1 through 12, included: study of leaves, life in an ant colony, oscilloscope, clay-constructed alimentary canal, soil analysis, telescopes, arrowheads, insects, grasses of the South Plains, space geometrics, simple seismograph, aquarium with tropical fish, life in a drop of water, separation of rare earths, the water cycle, cars of today and yesterday, prairie dog mound, telegraph, rockets, a crystal garden, evaporation of water, animal homes, proof that air has weight, magnets, and signs of spring.

In Physical Science exhibits, sponsored by Mr. Baxter, Jimmy Minor won first place with his electret. Second place went to Wendell Duncan and Tommy Bouchier for their exhibit on separation of rare earths, and third place to Mike Cornell for his hydrolysis of ethyl acetate.

First place in Biological Science exhibits, sponsored by Mr. May, went to Sammie Kay Caffey for her exhibit on the study of blood. Norma Julian and Marv Lois Jones won second with their collection of leaves and prints, and Ray Crispin third place for his life in a drop of water.

In the freshman division, sponsored by Mr. St. John, Wayne Masters was awarded first place for his transistor radio construction. Marilyn Minor and Susie Jo Schmidt won second with their exhibit on the production of copper.

and third place went to Shirley Bostick and Carol Smith on density and buoyancy.

First place in the junior high division, sponsored by Mr. Malard, went to Elisabeth Tubbs for her exhibit on space geometrics. Karen Haley won second on leaf characteristics and Daniel O'Neal and Sue Doggett third with their soil analysis.

In the primary grades division, the first grade won first place with its exhibit of shells, with "Signs of Spring" winning second and an exhibit of water, animal homes and air taking third place. Mrs. Leonard is teacher of the pupils winning first, Mrs. McBride of those winning second and Mrs. Ivan Jones of those winning third.

West Texas Band presents concert

By Linda Hays

March 7, students of Post High School, junior high school and the 5th grade heard the West Texas State College Band play.

We sat in the junior high gym, where we received programs covering the band's 1961 concert tour.

The band was conducted by Dr. Ted J. Crager. The following numbers were played: "Our United States March"; "Porgy and Bess"; "Blue Bells of Scotland"; "Tango for Band"; "The Flight of the Bumblebee" (solo by Rowie Durden); "Drumbeat Jamboree"; and "Coats of Arms March," which was under the direction of Post's band director, Mr. Meisch.

Pleasant Valley gin patrons go fishing

By MRS. VERNON SCOTT

The patrons of the Pleasant Valley Gin left this week on a fishing trip on the Rio Grande.

Sunday dinner guests of Mrs. Thelma Burkett were Mr. and Mrs. Jack Burkett, Jan and Jacky, Mr. and Mrs. Bryan Landers and Mr. and Mrs. Willis Landers, Debbie and Duddy, of Lubbock.

Mr. and Mrs. Lewis Kuykendall and children of Littlefield and Mr. and Mrs. Leonard Morris of Slaton visited Mr. and Mrs. J. W. Kuykendall Sunday.

J. O. Roberts spent several days last week in the hospital with an eye infection. He is reported doing fine.

Rev. Elton Brian was a dinner guest of Mr. and Mrs. Carl Chilcoat and Joann Sunday.

Mr. and Mrs. C. R. Scott visited their daughter and family Mr. and Mrs. Bill Pool and Dana of Big Spring last week.

BOWLING PARTY

The young peoples Sunday School Class enjoyed a bowling party last Thursday night. They bowled at the Fiesta Bowling Alley in Lubbock. Those attending were Shirley Lee, Edwin Lewis, W. W. Payton, Robert Lee Mock, Travis Lancaster, Linda Payton, Joann Chilcoat, and Mr. and Mrs.

Robert Mock.

Mr. and Mrs. Wesley Scott, Ted, and Mike were supper guests of Mr. and Mrs. Buddy Hall and Joe Saturday night.

The Pleasant Valley Home Demonstration Club met recently in the home of Mrs. C. C. Lee with Mrs. Vernon Scott as hostess. The program was on ideas for a kitchen gift. The roll call was answered with "What I can do to improve my kitchen." Those present were: Virginia Mock, Helen Thomas, Ann Chaffin, John and Kelly, Oreta Bevers, Sue and Joe, Lucille Richardson, Faye Payton and one new member, Imie Bevers and Mark. Refreshments were cookies, congealed strawberry salad, and tea.

Mrs. B. D. Robinson, Myrtle Johnson, and Mrs. D. C. Roberts were in Levelland Sunday visiting Mr. and Mrs. Zerl Robinson and Mr. and Mrs. Carl Woodrow.

Sharla Taylor, Patsy McGehee, Lou Alice Edwards and Donna Henderson spent the night Monday with Linda Robinson.

Mrs. Charles Scott and children of Lubbock visited her mother, Mrs. Henry Edwards, last week.

Mr. and Mrs. Billy Meeks and Holly of Floydada visited Mr. and Mrs. Jack Meeks over the weekend.

BEAUTY AND THE BEAST(S)

Ballerina Margaret Nunka at end of dance in cage full of tigers, in scene from "Hippodrome," a film drama in color, distributed in the U. S. through Continental Distributing, Inc., an affiliate of the Walter Reade Group.

VA land judges win third place

The Post High School vocational agriculture department's land judging team placed third Saturday in the Mesa District land judging contest in Brownfield.

Members of the team are Curtis Hudman, Richard Hart and Wayne Masters. Also attending the contest, as alternates, were John Bland and Steve Casteel.

The team will enter a land judging contest in Sweetwater Saturday, March 25, for practice and then enter the official Area II contest at Abilene Christian College on March 27. Also entering the contest at ACC will be the department's dairy cattle team.

Two enlist for Army training

Alex R. Magallanez, son of Mr. and Mrs. Pedro Magallanez of Luling, and Ramon Raul Gonzales, son of Mrs. Sabina A. Hernandez of Post, were enlisted in the Regular Army recently.

They were enlisted at the Amarillo main station out of the Lubbock Army Recruiting Station and will receive their basic training at Fort Hood, Tex.

Upon completion of basic training, Magallanez will be assigned to field artillery weapons for further training and assignment to U. S. Army, Europe.

Gonzales, upon completion of advanced individual training, will also be assigned to U. S. Army, Europe, according to Sgt. George Moore, local Army recruiter.

RELATIVES VISIT

Visitors over the weekend in the home of Mr. and Mrs. H. G. Moore and Jacquelyn were Mrs. Moore's mother and nephew, Mrs. F. B. DeMent and Clinton Wayne Bullard of Amarillo and Miss Dollie Shelton of Ruidoso, N. M. Sunday guests were Mr. and Mrs. H. L. Moore and Maxine and Mr. and Mrs. Harold Moore, all of Slaton, and Mr. and Mrs. Tom Lovell and Mrs. James Dye and Donna.

12 Post High School students take Merit Scholarship tests

Twelve students at Post High School took the National Merit Scholarship qualifying test March 7, Principal T. C. Clark has announced. The test was for students wishing to be considered for Merit Scholarships to be awarded in 1962.

Those taking the test were Leslie Acker, Tommy Bouchier, Roger Camp, Homer Carter, Wayne Gamblin, Bobby Hudman, Billy Jackson, Nuel Landreth, David Lee, Danella Bateman, Judy Clary and Judy McCullough.

The qualifying test is a three-hour examination of educational development, the first step in the seventh annual competition for four-year Merit Scholarships provided by the National Merit Scholarship Corporation and by sponsoring corporations, foundations, associations, and individuals.

The number of scholarships awarded in any year depends upon the extent of sponsor participation. In 1960, 831 scholarships were awarded; 514 were provided by 115 sponsors and 317 by the Merit Corporation. There are 3,132 Merit scholars attending 391 colleges in the current academic year.

Some 10,000 semifinalists, the highest scorers in each state, will be named early next fall. Names of semifinalists are published in a booklet which is distributed to all colleges and to other sources of financial aid for undergraduates. Further, their names and test scores are sent on cards to the colleges they express an interest in attending as their first or second choices.

Each semifinalist will be asked to take a second examination. Those who repeat their high performance will become finalists in the Merit Program. Winners of Merit Scholarships will be selected from the finalist group on the basis of school records and recommendations, test scores, extracurricular activities, leadership ability, and accomplishments outside the classroom. Each finalist is awarded a Certificate of Merit attesting his outstanding performance.

The scholarship stipends are based upon financial need. The minimum award is \$100 and the maximum is \$1,500. The average stipend awarded to freshmen Merit Scholars in 1960 was \$827. Each scholarship constitutes a form of "educational insurance," since the stipend may be increased at any time if the student's financial situation changes during the four-year term of the scholarship. Supplementary grants are usually

made to the colleges which the scholars attend.

An additional 25,000 students, selected on a national basis, receive Letters of Commendation for their high performance on the qualifying test. These students are considered for special awards made through the Merit Corporation, and their names and test scores are also sent to their first and second choice colleges.

Ag boys can use lumber and wire

Anyone having old buildings, sheds or pens they would like to have removed is asked to contact any member of the Post High School vocational agriculture department or Ag Teacher D. H. Koeninger.

The ag boys will remove the buildings or pens and clean up the premises if the lumber or wire is usable.

They want the materials for building more and larger feed pens for their projects.

Auto inspections are going slow in Garza County

With April 15 the deadline for obtaining inspection stickers, only 1,390 of the 3,716 vehicles in Garza County have been inspected, according to Capt. Alan Johnson, Motor Vehicle Inspection supervisor of the Texas Department of Public Safety.

"Motorists who wish to avoid the long lines to obtain annual motor vehicle inspection stickers should take advantage of empty stalls at inspection stations," Johnson said.

"Any drivers operating vehicles registered in Texas on public roads after April 15 without the 1961 inspection sticker will be subject to arrest and a fine of up to \$200, plus court cost," Johnson added.

The captain explained that trailers with a gross weight exceeding 4,000 pounds also must be inspected.

The safety inspection sticker which must be on all registered vehicles by midnight, April 15, may be obtained at any of the seven approved vehicle inspection stations in this county.

A daughter was born March 8 in Garza Memorial Hospital to Mr. and Mrs. Buster Hart. Audrey Sue weighed 10 pounds one and three-fourth ounces.

State Capital NEWS
By Vern Stanford

AUSTIN—After hours of fiercely critical debate, the House voted by a surprising 149-10 to attack the state's fiscal problems by working first to retire the deficit as an emergency matter.
This is the approach advocated Speaker of the House James Turman. Several who spoke against the deficit-retiring resolution voted for it.
Agreeing to retire the deficit, however, is not the same as agreeing on how to do it. Some new measures, big and broad, have been introduced.
Rep. Ben Hinson of Mineola has submitted an omnibus tax measure which he says will bring in \$293,000,000 over a two-year period. It is backed by Governor Daniel.
Hinson's bill includes levies on natural gas pipelines, power-driven objects and parts, utilities, stock transfers, jewelry and watches, construction materials, soft drinks, beer, wine, liquor, restaurant meals.
According to the governor's office, the bill would provide revenue for an \$800 a year teacher pay raise and other spending but is not aimed at wiping out the deficit.
Reps. John Allen of Longview and Forrest A. Harding of San Angelo are proposing an even bigger one. It is a 2 per cent general sales tax to raise an estimated \$317,000,000.
Rep. Ben Atwell of Dallas has introduced, as promised, his "Texas broad-based excise tax."
It is not called a sales tax, but, in the language of the bill, imposes "upon each separate sale at retail of tangible personal property within this state an excise tax of 2 per cent." It has a long list of exemptions, including some already-taxed items.
CO-OP BILL KILLED
REA electric co-op hopes for more city privileges were fumbled by a 77-to-64 House vote.
Several years ago the Legislature passed a law authorizing co-ops to continue to serve the same customers when a co-op area is annexed by a city. This year the co-ops sought permission to add new customers to existing lines in annexed areas.
Opponents charged that this would put a government-subsidized operation in competition with private enterprise. Spokesmen for private utilities declared they have to pay 27.4 per cent of their income in taxes compared to 1.6 per cent for co-ops.
Co-op leaders say that, after taking electricity in areas the private companies wouldn't serve, they are in a life-or-death struggle.
ANNEXING CURB PASSED
No longer would Texas cities be limited to "annexing" all "out of doors" under a bill passed 137-to-5 by the House.
It provides that cities would be authorized by a zone in which they would have control of building and sanitation codes, but would not have taxing powers. A portion of this zone could be annexed each year.
Also cities would be required to set city utilities to an annexed area within three years.
LOAN LAW SOUGHT
House Bankers Committee is engaged in one of the spinnings' trickiest and most difficult tasks—hammering out new regulations for the small loan industry.
A constitutional amendment voided by the courts last November removed the blanket prohibition against interest of more than 10 per cent and gave the Legislature authority to set interest rates and regulate the loan industry.
Five bills are under study. In general, they provide for a maximum charge of 3 per cent per month on loans under \$100, less for larger loans. Whether credit insurance should be included in maximum charges allowed is one of the questions at issue.
INSURANCE RATE BILL
As a new approach to auto insurance rates, Sen. Grady Hazlewood of Amarillo has introduced a bill to require legislative approval of State Board of Insurance orders.
Hazlewood said his first approach, a bill directing the board to make certain changes in the present auto rate plan, had been "bottled up."
On the other side of the Capitol, the House Insurance Committee voted out favorably a "flexible rating" bill that would take away from the Insurance Board the authority to set auto rates.
A few days earlier, Atty. Gen. Will Wilson issued an opinion that, under present law, only the State Board, not the companies, can set these rates.
Prior to his resignation as chairman of the State Insurance Board, letting individual companies set up their own merit rating plans on an optional basis.
MOUTHFUL
Texas A&M College exes, famed for their fierce defense of the school's traditions, have a problem.
Sen. W. T. Moore and Rep. B. H. Dewey, both of Bryan, are sponsoring bills to change A&M's name. There's more prestige to being called a "university" than a "college," they say.
Proposed measure would change name to Texas State University and Agricultural and Mechanical College, with a view eventually to making it just Texas State University.
LAST-MINUTE FLOOD
Passage of the 60-day midpoint in this session ended the period when bills may be introduced without special consent. A flood of new bills came in under the wire. Among them are measures that would allow voters to put an "X" by the name of the person they wish to vote for instead of scratching all others on the ballot; provide for a 10 per cent merit pay raise for teachers to be awarded by local districts and financed 50-50 by state and districts; provide penalties for law enforcement officers who come out of "ambush" to arrest motorists; require children entering the first grade in public schools to have polio shots; increase workmen's compensation insurance benefits to a maximum of \$50 per week.

Headlighting of game draws fire

AUSTIN—Game wardens took 105 Texans into court during the month of January for headlighting game, according to the monthly arrest report of Capt. E. M. Sprott, director of law enforcement of the Game & Fish Commission.

Also during the month there were 85 arrests for failure to have hunting and fishing licenses. The wardens made a total of 418 arrests for the month. Courts assessed fines and costs at \$18,518-20.

Nine persons served time in jail for failure to pay fines. There were 16 persons arrested for killing deer in closed season; 23 for having untagged deer; 30 for shooting from automobiles and two for "telephoning" fish.

Night hunting has been the bane of wardens. They are called upon nightly by persons who hear shooting on known deer range. The wardens then must get the violators with evidence that will stand up in court. Usually they are able to bring in the carcass of the dead animals.

Some night shooters just pot the game from the road side and drive on leaving the animal for vultures.

HOPE AND FULFILLMENT
A devotee of golf, comedian Bob Hope prefers to ride around the course instead of tramping several miles in average 18-hole match. It also allows him to fit quick game into his busy schedule.

Barnum Springs news

Mrs. Ryan is hostess on Friday to HD club

By MRS. BILL LONG
The Barnum Springs Home Demonstration Club met Friday afternoon in the home of Mrs. W. C. Ryan. "Gifts From Your Kitchen" was the program. Attending were Mrs. Mmes. Jo Williams, Jim Doggett, Bill Long, Ted Ray, Arda Long, W. H. Barton, Charles Morrow and David and the hostess. Mrs. Jo Williams will be hostess for the March 24 meeting.

Mr. and Mrs. Charles Morrow and David spent the weekend in McCamey visiting her sister and family, the Norman Hursts.

Mr. and Mrs. Tommy Young of Tahoka spent Thursday night with her parents, Mr. and Mrs. Bill Long.

Thursday night, Mr. and Mrs. Charles Morrow and David visited in the Graham community in the Morris Huff home.

Mrs. Ted Ray and Mrs. Avery Moore visited Mrs. Tom Henderson at the hospital last Wednesday.

AIR BASE VISITORS
Dr. and Mrs. S. D. Berkowitz and son, who live at Reese Air Force Base at Lubbock, visited recently in the Ray Hodges home.

Rea Fern Jones of Close City was a weekend guest of Carol Dee Hodges.

Sunday dinner guests of Mr. and Mrs. Charles Williams Jr. were Mr. and Mrs. Marvin Williams, Vicky and Danny of Post.

Mr. and Mrs. Charles Morrow and David were in Floydada recently to visit her parents, Mr. and Mrs. John Pike, and to help Mrs. Pike celebrate her birthday.

Mrs. W. H. Barton and Mrs. Bill Long visited Mrs. Tom Henderson while she was a hospital patient.

Les Duffer of Forsan was a Tuesday afternoon guest in the Charles Morrow home.

Mrs. Cecil Bland and Cecilia went to Brownfield Saturday with the Post High School choir.

Mr. and Mrs. Arda Long of Post visited Mr. and Mrs. Don Long and Lance of Lubbock Saturday night in the Bill Long home. The Don Longs spent the weekend here.

Mr. and Mrs. Jimmy Avery Moore and children visited Sunday night in the home of Mr. and Mrs. Pug Walden and family in the Canyon Valley community.

Mrs. Nathan Little of Post visited Mrs. Jimmy Moore Monday morning.

GUESTS OF RAYS
Guests in the Johnny Ray home last week were Mrs. Don Rose

Candidates for county board are unopposed

George Ramage and A. I. Cline are unopposed as candidates for re-election to the Garza County Board of Education in the April election.

Ramage is a member of the board from Precinct 2 and Cline from Precinct 3.

Other members of the board are Sam Ellis, Precinct 1; Mrs. Pearl Nance, Precinct 4; and L. G. Thuet Jr., trustee-at-large.

GUESTS OF HOWELLS

Visiting in the home of Rev. and Mrs. Graydon Howell are her mother and brother, Mrs. G. E. McLaughlin and Melvin of Knoxville.

\$50 million more available

Additional funds for farm housing

An additional \$50 million has been made available to the Farmers Home Administration for farm housing loans, Milton F. Wilfong, the agency's county supervisor announced today.
He said that the new loan funds assure an adequate supply of this type of credit for eligible farm families during the balance of the fiscal year. Loans made so far this year plus those being processed had practically exhausted the funds previously available.
Farm housing loans are made throughout the rural areas of the United States. The loans provide farm families with an opportunity to acquire an adequate house and efficient service buildings.
Application for farm housing loans may be made at the local office of the Farmers Home Administration, Wilfong said. The loans bear 4 per cent interest and are repayable over periods up to 32 years.
Improvements financed with the

loans include the installation of central heating, and pressure water supply systems, the addition of bathrooms and the modernization of kitchens.
To be eligible a farmer must own a farm that will annually produce for sale or home use at least \$400 worth of commodities based on 1944 prices and be of sufficient value to adequately secure the loan. In addition, he must lack the resources needed to obtain credit elsewhere and have sufficient income to pay farm operating and family living expenses and meet payments when due on his debts.
WEEKEND GUESTS
Weekend guests in the home of Mr. and Mrs. J. W. Rogers and Joan were his mother, Mrs. Oscar Rogers of Lovington, N. M., and their daughter and family, Mr. and Mrs. Dolan Dempsey of Seagraves. Mrs. Rogers remained for a week's visit with relatives here.

THE POST DISPATCH

Mission program held by auxiliary

By JULIA CHILDS and RITA FERN JONES

Mr. and Mrs. Olene Rhoderick from Portales, N. M. visited with Mr. and Mrs. A. A. Ritchie and Margaret recently. They are former residents of this community and they will soon be moving to Oklahoma City.

Mr. and Mrs. Bill Ledbetter visited with Mr. and Mrs. Clarence Gunn last Tuesday night.

The Mary Small Girls Auxiliary of the Friendship Baptist Church met in the home of Julia and Nedra Childs last Thursday evening for a mission program. Mrs. W. E. Childs reviewed the book "Sawgrass Missionary". Those present were: Barbara Beth Bartlett, Martha Jean Tipton, Linda Justice, Diana and Anita Pruitt, Diana Hillberry, Teresta and Donna Maddox, Elaine Pate, Miriam Smith, Mrs. Barnie Jones, counselor of the G. A., Mrs. Thurman Maddox and Nancy and the hostess.

Mrs. W. H. Childs and Mrs. B. E. Childs were in Lubbock Wednesday.

Mr. and Mrs. Bob France and children from Spur visited with Mr. and Mrs. Clarence Gunn and daughters Friday.

Mr. and Mrs. L. R. Mason recently visited in Altus, Okla. They also visited in Plainview and Earth with their daughters.

ents, Mr. and Mrs. Bon Longshore. **SUNDAY IN SAN ANGELO**

Mr. and Mrs. Alvin Young and Mr. and Mrs. Tommy Young of Tahoka went to San Angelo Sunday to see Donald Young. Donald is a student at San Angelo Junior College.

Nedra Childs spent Saturday with Teresa Maddox in Post.

Mr. and Mrs. Irvin Cross and children ate dinner with Mr. and Mrs. Robert Craig Sunday.

Barnie and Darrell Jones were in Sweetwater Sunday for the rattlesnake roundup.

Mr. and Mrs. Jim Barron visited with Mr. and Mrs. A. M. Smith and daughters Sunday evening.

Mr. and Mrs. H. F. Wheatley, Mrs. W. H. Childs and daughters visited in the home of Mrs. B. C. Childs Sunday.

Mr. and Mrs. Lonnie Peel and Gene were dinner guests of the Elmer Cowdreys Sunday.

VISIT IN GOULDBUSK

Mrs. Will Teaff and Mrs. Cockrell visited in Gouldbusk with the O. J. Watson family Tuesday.

Mr. and Mrs. Lonnie Peel accompanied Mr. and Mrs. Ray Young to Idalou Saturday morning to the band contest.

Mrs. Lonnie Peel attended a cosmetic party Monday afternoon in the home of Mrs. Carl Fluit.

Weekend visitors of Mr. and Mrs. Will Teaff were Mr. and Mrs. Delbert Cockrell and Freddy of Lamesa.

Mrs. Marshall Boyd of Snyder and Mrs. Lowell Martin of Ira visited their father, R. E. Bratton Wednesday.

Mrs. Will Teaff, Mrs. Roy Teaff and Rodney and Mrs. Delbert Cockrell and Freddy visited in Brownfield Monday with the Milton Bayer family.

Mr. and Mrs. Will Teaff visited in the home of Mr. and Mrs. A. O. Rosenbaum Sunday. Mr. and Mrs. Tom Williams visited Friday.

Mr. and Mrs. Irvin Cross and children were Sunday dinner guests of Mr. and Mrs. Robert Craig and sons.

Lubbock meeting set by Blakley

U. S. Sen. William A. Blakley will launch an intensive pre-election drive in the Panhandle-Plains area this week, opening in Shamrock Thursday where he will be principal speaker at a pre-St. Patrick's Day dinner.

Blakley will meet voters at a series of "Coffee Breaks With Bill Blakley" in Amarillo Friday and in Plainview and Lubbock Saturday.

One of the highlights of the "Coffee Breaks With Bill Blakley" will be at Lubbock Saturday from 3 to 5 p. m. at 1019 Broadway, the Senator's Lubbock campaign headquarters.

People from throughout the Lubbock area are invited to attend the coffee and visit with the Texas senator.

Graham Community news

Attendance good at fellowship meeting

By MRS. NOEL WHITE

Mr. and Mrs. Roy Pennington of San Angelo, former residents of the Graham community, Mrs. Ester Bird of Post and Mrs. Ester Hobbs, also of San Angelo, were Sunday visitors at the Graham Church of Christ and were dinner guests of Mr. and Mrs. Elmer Cowdrey. Other dinner guests were Mr. and Mrs. Glenn Davis and Carol, Mr. and Mrs. Delmer Cowdrey, Mr. and Mrs. Lonnie Peel and Gene.

Congratulations to Mr. and Mrs. George Ramage on the arrival of a new grandson. He was born Saturday to Mr. and Mrs. Arlie Ramage of the Close City community.

Mrs. Mack Ledbetter and Debbie and Mrs. Bryan Maxey and Simeon were in Lubbock Tuesday and visited with Kay Maxey at Lubbock Christian College.

Mr. and Mrs. C. R. Baldwin Jr. left Wednesday for their ranch at Graham, where they will spend several days.

Weekend guests of Mr. and Mrs. E. E. Peel and Beth were Mr. and Mrs. Glenn Huntley, Kay Hedrick and Suue Morrow, all of Lubbock. Grover Mason and G. T. and H. L. Mason and Tommy were in Dallas last week, where G. T. went for a checkup. They visited with Mr. and Mrs. Perry Garrah in Lipan.

Mr. and Mrs. Elmer Dee Jones and family were in Seminole over the weekend visiting with Mr. and Mrs. Truman Goss and children.

Mr. and Mrs. Bryan Maxey, Simeon and Don, visited in Clovis, N. M., with their son and daughter-in-law, Mr. and Mrs. Roy Holland. Mrs. Holland underwent surgery last week and is improving very well.

Henry Lynch, Lubbock, spoke at the morning and evening services at the Church of Christ Sunday. He was a dinner guest of the E. E. Peels.

Mr. and Mrs. Louis Sinclair and children of Abernathy were Sunday afternoon visitors of Mr. and Mrs. Quannah Maxey and family. Mrs. Maxey visited Monday in their home in Abernathy.

Mrs. Ray McClellan and Mrs. Bill Stone were in Lawton, Okla., Thursday to see Mr. and Mrs. Raymond Thane. Thane left for Germany, where he will be stationed for 15 months and Mrs. Thane returned home with her mother and sister for a visit, until she can make arrangements to go to Germany, to join her husband.

Mr. and Mrs. Junior Gray and Jack Morris were Sunday afternoon visitors of Mr. and Mrs. Noel White and Steve.

Mr. and Mrs. Carter White and daughters were Sunday dinner guests of Mr. and Mrs. Thurman Maddox and daughters in Post.

Mr. and Mrs. Robert Craig were Tuesday dinner guests of Mr. and Mrs. Carter White and daughters.

Weekend visitors of Mr. and Mrs. Fred Gossett were their son and daughter-in-law, Rev. and Mrs. Douglas Gossett and children of Abilene. Fred Gossett has been on the sick list this week but is improved.

A very good attendance was reported at the First Methodist Youth Fellowship meeting Sunday night at the Methodist Church. Mr. and Mrs. Curtis Williams are sponsors.

Mr. and Mrs. S. D. Lofton were in Pecos over the weekend to visit with their son and his family. Mr. and Mrs. K. T. Lofton and children.

Mrs. Carl Fluit was hostess for a cosmetic party Monday afternoon at her home. She served refreshments to several who attended Mrs. James Stone was demonstrator.

Mr. and Mrs. A. O. Parrish and family had as their guests recently, his nephew and his family of New Deal, Mr. and Mrs. E. C. Parrish.

HEAR EVANGELIST

Several were in Lubbock Sunday night to listen to the Church of Christ Evangelist, Marshall Keibel speak at the auditorium of the Tech Coliseum. Among those attending were Mr. and Mrs. Elmer Cowdrey and Mr. and Mrs. E. E. Peel and Beth, and Mr. and Mrs. Melvin Stewart and family.

Mrs. Bud Mason has been real sick this week.

Sunday dinner guests in the home of Mr. and Mrs. Ray McClellan and family were Mr. and Mrs. Grover Mason and family, Wayne Hair, and Mrs. Raymond Thane.

SUNDAY GUESTS

Sunday guests in the home of Mr. and Mrs. Howard Kolb and family were his parents, Mr. and Mrs. Virgil Kolb, and his grandmother, Mrs. Henry T. Ward, all of Aspermont.

Our Position

The present City Administration stands firm in its belief that a steady growth for the community is a healthy growth, but growth with mere enthusiasm without planning and without precision engineering could lead to disaster. The present administration is firm in its policy that all activity of the City should be directed to the benefit of all rather than to any small group or minority.

MEETINGS OF THE CITY COUNCIL

The present administration does not recall at any time the press and radio was ever barred from their regular or special meetings. In fact, on several occasions after council meetings had adjourned, a discussion was held for the benefit of the press and radio to give them any information on any item they so desired. With the press and radio in attendance at council meetings, any ordinance which was discussed or presented to the council, and in most cases, an ordinance was proposed by some group or organization which felt the need of such an ordinance for the betterment or safety of the community. The press and the radio would then present such an ordinance to the general public through either medium they so desired as a community service. After these news articles had been presented to the public there was a time lapse before the council would officially pass any respective ordinances. In the interim, the public would be well aware that an ordinance was in the making, and any time they so desired, the public had and was given every right to voice his or her opinion as to the merits of the proposed ordinance.

WATER AND SEWER EXPANSION

There is no question as to the present administration's stand in regard to the White River project. We have felt that a great number of other projects revolved around the procurement of an abundance of water. If the community and the area is to grow population-wise and industry-wise, procurement of this water is a must—not to mention the fact that present industry within our community could not and would not expand without additional water.

The present administration is well aware of the need of expansion of our water and sewer systems, but to EXTEND without EXPANSION of the over-all system is very dangerous . . . unless planning is made. We have been planning, and are still planning to expand so that we may extend to certain areas that heretofore have not been serviced. Preliminary work for the expansion of water and sewer service is a prerequisite of installing any water and sewer mains, because if water and sewer mains are extended in one direction, the system would eventually become overloaded to the extent that a correction of that situation would be most expensive to the taxpayer and water users. To extend water and sewer to new developments of private enterprise without cost would take money the city now needs to service sections of town that have been without this service for a great number of years.

Now what has been done since the original bond issue to purchase the present water and sewer system? After the purchase of the system had been made, money from the remaining bonds, in part, was used to loop the water and sewer system within the original town section. That is, certain loops in the system had to be made to create what is known as a full circulating system. This was to increase fire protection and the volume of water, and to maintain as near as possible accurate pressure to any area in the town plus extending the sewer system into the areas that could be handled on a gravity flow basis. Any area that is now not being served is because of the abnormal amount of expense it would take to extend sewer service to those areas. Areas which are outside the gravity flow system would take expensive lift stations. Since the annexation to the original town site, engineering work has been done for the planning of rendering service to the greatest area, but at the least expense. This planning takes time. Surveying and mapping had to be done. The capital it would take to follow the plan was also being studied so as to be sure every area would benefit the most for the least amount of cost necessary to the taxpayers.

PARK PROGRAM

The City, as I recall, was the other participant of the park program. Since that time, the city has been most active in the procurement of additional land to expand the recreational facilities. Since the Park came into being, different supporters of various baseball leagues have approached the city asking for city help and aid. The City has been most receptive to all programs except capital improvements. The City, as well as the County, cannot disburse funds to any capital improvements unless it is the property of the City or County. As mentioned above, the City, along with various members of the baseball leagues, proposed to purchase a certain tract of land which

the City now has only on a year-to-year lease contract. The principal owners of this land did not desire to sell, but suggested the baseball committee check other sites which these principals also owned. Members of the baseball program know that the City has made every effort for the procurement of a tract of land which would be suitable for their use so that the City would be in a position to help make capital improvements.

STREET PAVING

The policy of the present City Council in regard to street paving is one of individual desire on the part of the property owners. We have not made a habit of force paving where the individual property owner, for personal reasons of their own, indicated to us that they did not desire paving. For those areas which approached the City for help in having certain streets paved, the City has always been willing to aid any individual property owner financially as to long-term loans for their share of the costs. The present policy of the City Council is to continue to aid any property owners to continue street paving where it is feasible for all concerned.

LAW ENFORCEMENT

The present administration, we recall, along with the Commissioners Court, were the first to propose cooperation between the City, County and Sheriff's Department, as to around-the-clock patrolling of the city, radio contact, together with a centralized office for emergencies, including fire protection. We still extend our hand in that direction, but cooperation has more than one side. We wish to continue to increase cooperation so as to eliminate the duplication of expenditures, of WHICH THE CITY IS NOW PAYING ITS FULL SHARE, which duplication is certainly unnecessary in cities and counties of this size. In complete cooperation, the City and County both profit by added law enforcement with a minimum of cost and good efficiency.

ZONING AND PLANNING

This is not a new item by any means. Several years ago the City was asked to act on a petition for a zoning ordinance for a certain part of town . . . it all came about to protect the area around the hospital. The City Council, at that time, recognized the merit of the petition and set forth an ordinance which was agreeable to all concerned, and passed. Since that time, each administration has worked to extend the zoning area . . . planning was added later.

In the past several months, a board appointed by the City Council has been meeting with certain zoning and planning engineers and with representatives of the State Health Department, who act as an agent for the Federal Government in procuring certain grants for towns of this size, and in the very near future the board will enter into a contract with a firm to set into motion operation of the zoning and planning. The City has budgeted \$4,000.00 for this item, which will be matched by the Federal Government aid to complete the program. The Post School District will be invited to take part in this venture if they so desire. The future expansion of the school system would be advised as to the projected growth direction for future possible purchase of land necessary to the system.

The local Housing Authority of the City of Post will soon have a representative of the Public Housing Administration call on them for the selection of certain sites for the project. After the sites have been selected, as to the contract, the local Housing Authority will then, in the form of a letter, notify the City Council of these sites. It is then that the detail of water and sewer service shall be dealt with to the benefit of all concerned.

GROWTH OF THE COMMUNITY

The present administration and members of the City Council, along with past members, have not been idle in their thinking through the years; the thinking has been one of progress—progress on a sound basis. The operation of the city government is one which should not enter into any SPECIAL DEALS to help just a few, but to spend wisely all money for the good of the community. To think in terms of street lighting, sanitation (such as garbage pick-up, etc.), street paving, fire protection, police department, expansion of water and sewer department, park program, drainage, and a host of other things which are necessary to the general welfare of the community.

We are deeply concerned with all of these items, plus a great deal more. We must do the base work before action can be taken. We have been making progress with a great number of the above-mentioned, and will continue to do so.

The present administration is leading out and will grow with the community.

The mail bunny, tried and true
Is set to deliver cards to you.

Roll the eggs straight and true
The goal is easy if you do.

Brother will lead the big parade
In hat so novel that he made.

The fairy queen blows a horn
To wake us up on Easter morn.

The Easter bunny is like a glove,
And makes a toy the children love.

Bunny, Bunny have a big lunch
But mind your manners when you munch.

The lamb tries on her Easter bonnet
With a lovely flower upon it.

Fly with us in a magic book
To Easterland to sneak a look

The watchful bird chirps a call:
"Easter eggs for one and all."

Southland couples hear talk on Cuba, Congo

By MRS. JESSE WARD
Mr. and Mrs. D. J. Dunn and Mrs. Ronnie Dunn attend services at the First Methodist church in Slaton Sunday, where Betty Campbell of Lamesa was guest speaker. Miss Campbell spoke on mission work in Cuba and the Congo.

Mrs. L. L. Lightfoot of Fort Worth is visiting her daughter and son-in-law, Mr. and Mrs. Paul Morrow and children.

Mr. and Mrs. W. A. Pritchard, Bert and Sue, spent the weekend in Santa Anna, where they visited their son and family, the Pritchards. While there they were guests of Mrs. D. Pritchard's parents, Mr. and Mrs. Vanderford, who observed their 60th wedding anniversary.

BLAND VISITORS
Mr. and Mrs. Billy D. Ramsey and family of Midland spent the weekend with her parents, Mr. and Mrs. G. N. Smallwood, Mr. and Mrs. Arthur Smallwood and children were other Sunday guests.

Mrs. Susie Bradshaw returned Wednesday from Coahoma, Miss. She has been sick since her return.

Mrs. Ed Milliken's cousin, Mrs. Edna Riggs of Wichita Falls, left Sunday after visiting here. She came to visit in Lubbock on her way home.

ALL-DAY LUNCHEON
Mr. and Mrs. Jim Baldrice entertained Wednesday with an all-day luncheon. A covered dish dinner was served and "42" was played that afternoon. Those attending were: Dorothy Sparlin, Mrs. Moreman, Dollie McCrary, Mrs. Foster, Jake Baldrice, and host and hostess.

VISITS IN LUBBOCK
Mrs. Louise Herring left Monday night to spend several days in the home of her daughter and her family, Mr. and Mrs. Noel Wilson, in Lubbock.

Tractors prove the greatest single factor in mechanization of farms

COLLEGE STATION — Tractors operate than gasoline tractors when used year-round.

have proven to be the greatest single factor in the mechanization of the American farm. Through the use of these machines, farmers have been able to greatly increase their production while reducing operating costs.

Realizing the opportunities offered by these machines, the American farmer is constantly increasing his tractor inventory. During the fourteen-year period from 1945 to 1959, the number of tractors on American farms increased by 2.7 million. The largest percentage increase was in small tractors with less than 9-horsepower and drawbar capacity for one 12-inch plow.

Texas farmers, like those of the rest of the United States, are also increasing their tractor inventory. W. L. Ulich, extension agricultural engineer, says that 1959 census figures showed 277,975 tractors on Texas farms. He says this survey also indicated that about 34 per cent of the Texas tractors used LPG, 9 per cent diesel and 57 per cent gasoline for fuel.

The current trend in Texas tractors, says Ulich, is toward diesel. About one-third of all tractors now being sold to Texans are diesel, and Ulich says this trend will probably continue so long as the price differentiation of fuels remains as it is today. One of the reasons for this trend is simple economics—diesels are cheaper to op-

Easter party is being planned at Justiceburg

By VIVIAN McWHIRT

The Justiceburg Womens Club met Friday afternoon in the school cafeteria. Minutes were read and approved and plans were made for the school Easter party. Refreshments will be furnished by the Women's Club and each child is to bring a dozen eggs for the hunt. The date has not yet been set but everyone will be notified. Mrs. Bud Schlehuber served cake and coffee to Mes. Sam Bevers Jr. and Glenna, Billy Blacklock, Elton Nance, Bandy Cash, Riley Miller and Jennifer, Bud Schlehuber and Denise, Fernie Reed and Bruce, Douglas McWhirt, Robert and Danny, and Weldon Reed and Tommy. There will not be a second meeting this month.

Mr. and Mrs. Weldon Reed and Tommy visited Sunday in Post with Mr. and Mrs. O. F. Pennell and family.

Mr. and Mrs. Cecil Smith visited Sunday afternoon in the home of Mr. and Mrs. Warren Elliott of Union.
