COTTON SEED STORAGE

It is time to think about next year's cotton planting seed, says Fred C. Elliott, extension cotton specialist. Cotton planting seed should be stored only in bins which have been cleaned thoroughly and regular checks should be made to see that insect pests don't move in, he adds. Local county agents can supply information on good storage practices and insect control recommendations.

LESS FOR MEAT

Consumers are actually paying less for meat today than in the so-called 'good old days.' In 1920, 7 per cent of the total family income was spent for meat, points out Ed Uvacek, extension livestock marketing specialist. Currently, only 4½ per cent is being spent and consumers are getting better quality meats and have a much wider selection, adds the specialist.

The stirring tale of this great man, a man who conquered fighting barbarian hordes and discovered the uses of gunpowder in war and who loved many exotic women, employs a cast of thousands of Chinese and Caucasians plus hundreds of strange animals and horses to make for a memorable and thrilling drama.

Vet's Forum

Q. Who has top priority for admission to VA hospitals?

A. Veterans needing hospitalization because of injuries or diseases incurred or aggravated in line of duty in active service.

Q. Do wives and children of veterans have any eligibility for VA medical care?

A. Not as such. If the wife is a veteran, she might have her own eligibility, of course. You may be thinking of the special restorative training provided certain children under VA War Orphans education assistance, but this is training rather than part of the VA medical program. Some children eligible for the War Orphans program but unable to pursue an education because of physical or mental disability may receive training such as speech and voice correction, lipreading, Braille reading and writing, and the like.

Q. How much does the VA spend annually on medical care for veterans?

A. Congress has approved an appropriation of \$1,017,892,000 for that purpose for fiscal year 1963.

Garza Democrats urged to vote

County Democratic Chairman N. C. Outlaw today called on all Democrats to go to the polls on election day and help strengthen Garza County's position in Democratic Party affairs.

"A large turnout at the polls will serve a dual purpose," said Mr. Outlaw. "It will help insure an overwhelming victory for the Democratic candidates and at the same time build up our county's strength in the 1964 political conventions."

The chairman declared:

POOL Your Votes For POOL
for CONGRESSMAN AT LARGE

"The voting strength of Garza County in the 1964 State Democratic Convention is at stake in this General Election. The kind of voice we have in determining the affairs of the Democratic Party of Texas depends on the number of votes cast for John Connally."

Mr. Outlaw cited provisions of the Texas Election Code which provide that each county is entitled to one delegate in the State Democratic Convention for each 300 votes cast in the county for the Party's gubernatorial candidate. Each precinct in 1964 will have one delegate to the county convention for every 25 votes cast in the precinct on Nov. 6 for John Connally.

GAME PREPARATION
The mishandling of game after the kill often makes impossible a tasty preparation job in the kitchen, explains Ed Cooper, extension wildlife specialist. He recommends field dressing immediately after the kill, especially if the weather is relatively warm. Keep the game clean and cold storage aging is recommended. He suggests to hunters that they pick up a copy of B-987, "Game Care and Cooking" from the local county extension office.

'Campaignathon' is Connally gimmick

AUSTIN — Planning for John Connally's "campaignathon" — another "first" in the Democratic nominee's race-setting race — was in progress today.

Traveling all over the state in two days by air — making numerous stops in 48 hours — this project was being laid out by the headquarters staff.

The candidate for governor will ride a relay of airplanes in his "over the state in 48" operation.

Other "firsts" in Connally's campaign have included his morning TV "coffee with Connally," his Texas-spanning train trip from Texarkana to El Paso, and his enlistment of Mrs. Connally as a fellow campaigner. She has travelled thousands of miles, following her own itinerary, and is now on the campaign trail.

Back to Stay

I found Post was too fine a town to leave. So I have resigned from Wilson Supply Company after 14 1/2 years with that firm to open my own retail store here—Wilke's Supplies.

My wife, Wanda, who is bookkeeper and receptionist for the Garza Clinic, and my son, Gene, 14, didn't leave when Wilson Supply closed its store here after we had been here three years as manager of the Wilson outlet. They continued to reside at 109 East 75th Street.

Wilke's Supplies has an all-new stock of what I think are some of the finest lines in their respective fields.

I want to invite everyone to visit the store for our Grand Opening Saturday, register for the five fine gifts, eat a bowl full of John's chili and beans, cooked western style, and just look around.

Behind the store we have a 40 by 200 foot parking lot for the use of the general public at any time. Remember it's there for your use and park there whenever it's convenient. It's on this big lot we'll keep our nursery stock.

I'm a bug about plants, trees, and flowers. I think Post needs a good nursery stock. What we don't have we can get for you in a matter of hours. Please feel free to call me at anytime on your nursery or yard problems.

Wilke's Supplies offers you good merchandise, reasonably priced, and the very best in friendly service. Come see us Saturday —and come see us often.

Mahon home to campaign for another term

LUBBOCK — George Mahon has returned to West Texas following the adjournment of Congress and reopened his Lubbock office. Mahon said that he would not remain in his Lubbock office regularly, but would visit about the 20-county Congressional District as much as possible.

In commenting on the recent Congressional session, Mahon said: "The international situation continues to be of major concern."

"The President under our constitution, not Congress, is responsible for the conduct of foreign affairs. Through the defense bill which I handle in the House, Congress has provided for a sharp increase in our military strength. We are in a position of unquestioned military superiority and the President can deal from a position of strength," Mahon said.

The Trade bill which Congress passed was according to Mahon a necessary reaction of the U. S. to the European Common Market and it should be helpful to this heavy cotton exporting area.

Mahon said he had renewed his protest over the proposed 10 per cent cut-back in the cotton allotment for next year. "It is my opinion," said Mahon, "that through legislation or otherwise, a way will be found early next year to prevent all or most of the decrease."

Mahon without going in detail, said that in Congress this year he had continued his opposition to such proposals as federal aid to education, the federal medical care program, the Department of Urban Affairs.

"Major issues in the Congress were hard fought," Mahon said, "attesting to the vitality of the American system of government." He asserted that he had great faith in the strength and future of our country.

THAT'S A WONDERFUL STORY!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday Genesis 37:5-11	Monday Philippians 4:4-9	Tuesday Colossians 1:9-14	Wednesday Hebrews 11:1-7	Thursday Acts 2:14-21	Friday Romans 15:1-6	Saturday Colossians 3:12-17
------------------------------	--------------------------------	---------------------------------	--------------------------------	-----------------------------	----------------------------	-----------------------------------

Yes, that's a wonderful story. Maybe he'll be president some day, or like the man in the storybook. Maybe his picture will one day be shown in an historic sketch—a flashback of the life of someone famous.

It could be you. It could be your own child, or someone you know. The young have dreams, the old have visions. But, from young dreams come realities.

The greatest reality is God. He is waiting... for you. He waits in your church. Relive the dreams of long ago this Sunday... in church we call those dreams, prayers! For prayer is often but a wish, and frequently a silent "thank you" sighed to God. You can face stern realities with stronger faith, if you have that faith renewed—often.

Worth Fat Stock Show Apaloosa horse sale

WORTH — The return of many acclaimed classes and entry of new ones are expected to produce another win-win-win for the 1963 Southwest Exposition and Fat Stock Show, scheduled Jan. 25 through 27 in Fort Worth.

The 47-year-old show's premium list sets entry deadlines for Dec. 20 for cattle, sheep, and horses (representing a sale in the horse entry deadline) and Jan. 15 for poultry, rabbits, guinea pigs, turkeys and and exotic birds.

The 1963 Southwest Exposition introduces the first annual Fort Worth Stock Show Apaloosa Horse Sale, Jan. 27. No horses accepted unless their dams owned by the consignor at the time of foaling. Registration papers show no transfer of ownership since birth. Entry deadline is, however, substitutions permitted until Dec. 20.

The seventh annual Fort Worth Show Quarter Horses Sale, a event in the horse world, takes place Sunday, Feb. 3. A change notes that 1962 foals are eligible.

A Galiceno horse is believed to have originated in Galicia, a Spanish kingdom, and to

have come to Mexico with Cortez. The breed will be making its major show debut at Fort Worth in 1963. The Galiceno was rarely seen outside Mexico until about 1958. Also in the horse show Paints and Pintos will be back for their second year.

Premium money will go up with the addition of a feeder heifer class in all three breeds which compete in the feeder show—Angus, Charolais and Hereford. Crossbred steers or heifers sired by an Angus, Charolais or Hereford may show, with the sire determining the breed.

More prize money has been placed on pens of three Angus bulls, to which two new classes have been added. Pens of five Angus bulls no longer will be shown.

Also in the open show, the swine department will add classes for summer boar and summer sow—ages July 1 and prior to Aug. 1. Get of sire and produce of dam classes are eliminated.

Texans don't want a Puppet Governor!

Connally has always taken orders from Lyndon Johnson!

LOOK AT THE RECORD:

- ▶ In 1937, before Connally graduated from college he was working in Lyndon Johnson's first race for Congress. Following Johnson's election, Connally went to Washington as Congressman Johnson's assistant.
- ▶ In 1948 Connally managed Johnson's Senate campaign, (87 vote landslide) which involved the scandalous vote frauds of Duval County and Box 13 in Jim Wells County. Johnson took Connally back to Washington as administrative assistant (top man) in his Senate office.
- ▶ Late in 1949 Connally joined the law firm of Powell, Wirtz and Rauhaut in Austin. State Senator Wirtz was Under Secretary of the Interior when he resigned his Washington post to return to Texas to run Johnson's first Senatorial campaign in 1941.
- ▶ In 1952 John Connally went to work for Fort Worth oil man, Sid Richardson. Attorney General Will Wilson said, "Sid Richardson did not hire (Connally) for his training or knowledge. Sid Richardson hired him because he was LBJ's campaign manager." Lyndon Johnson had this comment on Mr. Richardson, "Nobody did more to send me to the Senate than the late Sid Richardson." Fort Worth Star Telegram, January 12, 1961.
- ▶ In 1956 Lyndon Johnson tapped Connally to place Johnson's name in nomination for President at the Democratic National Convention.
- ▶ In 1956, 1958, and 1960 Connally was picked to lead the Johnson forces in the county and state conventions.
- ▶ In 1960, Johnson called on Connally to lead the drive to obtain the Presidential nomination for him. Later, Connally was active in Johnson's Texas campaign.
- ▶ As a reward, Connally was tagged for the post of Secretary of the Navy shortly after President Kennedy visited Vice-President-elect Johnson's ranch. The New York Times termed Connally's appointment as "Mr. Johnson's biggest patronage plum." (June 4, 1962)
- ▶ In 1961 Connally, after less than a year on the job he pledged to fill for four years, resigned to run for Governor of Texas. Time magazine said Connally's announcement for Governor "certainly seemed to carry Lyndon Johnson's political fingerprints." (December 22, 1961) After Connally's victory over Yarborough, Time said "His mentor Lyndon Johnson thus tightened his grip on the Texas Democratic organization." (June 8, 1962)
- ▶ All over Texas long-time Lyndon Johnson backers are spearheading Connally's million dollar campaign. Why? Federal pay offs from the Kennedy-Johnson team.

With this background it's an insult to Texans' intelligence to pretend that John Connally is not the hand-picked candidate of Lyndon Johnson. Thinking Texans will reject this brazen attempt to merge State and Federal patronage into one gigantic political machine run out of Washington by L. B. J.

Jack Cox is *independent!* He has no obligation to any one but the people of Texas. He owes no favors to the special interests in Texas or to anyone else. He will not betray the future of the people of Texas to get big name endorsements and big money contributions.

Record vote predicted in Tuesday's election

Seeming lack of interest is seen as 'misleading'

Despite the fact that all outward indications of interest are light, a record Garza County vote for an off-presidential year General Election is expected to be cast here Tuesday, Nov. 6.

The most vigorous Republican move in history to make Texas a two-party state is bringing predictions that not only in most counties, but state-wide, a new record will be set in the number of votes cast in a General Election where the Presidency is not at stake.

But, on the surface one wouldn't know it.

THERE ISN'T much talk about the election, not a whole lot of campaigning, except by the major candidates, and absentee voting has hit a new low here with only three absentee votes cast up to 3 p. m. yesterday and only two requests for absentee mail ballots received at the county clerk's office.

The deadline for absentee voting is midnight Friday.

Both Garza County political chairmen, Democrat N. C. Outlaw and Republican Giles C. McCrary, have statements in today's Dispatch calling upon members of their respective parties to vote in Tuesday's election.

Bob Collier elected to head ex-students

Bob Collier was elected president of the Post Ex-Students' Association at a business meeting Friday morning during one of the most colorful homecomings ever held here.

Collier succeeds A. C. Cash, who served in the office for four years.

Other officers elected were Edsel Cross, vice president; Sally Luttrell, secretary, and Melba Jo Sims, treasurer.

Outgoing officers besides Cash are Darrell Stone, vice president; Charles Luttrell, secretary, and Sybil Cockrum, treasurer.

The business meeting was held at the conclusion of a buffet supper that attracted some 225 ex-students, teachers and guests.

Highlights of the supper included recognition of the Post schools' favorite teacher of all time and crowning of the exes' homecoming queen.

Mrs. May N. Smith, who first taught in the Post schools in 1922 and has taught here continuously since 1942, was honored as the favorite teacher on the basis of votes cast by ex-students attending the supper.

Mrs. Smith started to school here in 1909, attending classes in Post's first school building. She now teaches English in Post High School.

Recognition of Mrs. Smith as favorite teacher was by Charles Luttrell.

Mrs. Mason (Skeeter) Justice was crowned by exes' president Cash as homecoming queen. Other candidates were Mary Lou Stone, June Peel, Betty Yancey and Sue Pennington.

Recognized and receiving a gift as the ex-student coming the greatest distance to attend homecoming was Mrs. F. L. Nicoll of Anaheim, Calif., who attended the supper with Mr. Nicoll. She is the former Miss Bertie Kennedy.

Recognition and a gift also went to Ira Lee Duckworth of the graduating class of 1914 as the ex-student present representing the earliest graduating class.

R. T. Smith, superintendent of schools, made a brief talk at the supper, in which he said that the homecoming event has been growing and improving from year to year and is now one of the best homecoming events held anywhere in the area.

Smith also called attention to the steady growth of the school system, which now has an enrollment of more than 1,400, including 325 in high school. There are 70 teachers and 15 employees, and the school has a budget of more than \$1 million.

Post man is charged with intent to murder

Richard, 45-year-old Negro, is in county jail facing charges.

The big one is assault with intent to murder.

Richard was charged with pulling a knife on Deputy Sheriff Merritt Sunday afternoon when the law enforcement officer broke up a "game" and arrested Richard and five others for playing cards.

Merritt told The Dispatch that Richard whiffed in the street with a knife in his hand and slashed Merritt.

Richard said the knife blade cut the pad of his hand and he was bleeding.

Richard said he drew his gun and shot at Merritt.

Charges against Richard were filed in justice of the court, were gaming, being abusive language, and resisting arrest.

Richard, Lance Ewers, Raymond Latson, and Buddy Taylor were also charged.

Six jury cases set for Nov. 19

District Judge Truitt Smith has set six civil cases for jury trial at 10 a. m., Monday, Nov. 19 here.

Included is one damage suit, a suit on a note, and four compensation cases.

The big damage suit case scheduled is Joyce Kyle Hildebrand vs. the Panhandle and Santa Fe Railroad Co. Suit on the note was brought by Pat N. Walker against H. E. Powell, et al.

Compensation cases include Elwyn Pierce vs. Weschester Fire Insurance Co.; Charles Bailey vs. Travelers Insurance Co.; Windell Wayne Callaway vs. Travelers Insurance Co.; and Clayton A. Norris vs. Texas Employers Insurance Ass'n.

Drive date to be set

The Garza County Community Chest organization will have a public meeting to elect officers for the 1963 year and fall drive at 7:30 p. m. Monday in the Community Room of the First National Bank.

Irby G. Metcalf Jr., Chest president, has called the session which is open to all interested persons.

Officers, including a president, vice president, secretary, treasurer, and drive chairman, will be named Monday night along with a new board of directors.

Chest will elect officers Monday

Vernon Scott, Chest treasurer, will report on the finances of the 1962 drive and current status at the Monday night meeting.

The new president is expected to appoint a budget committee immediately and letters will be gotten out to representatives of all participating agencies to submit 1963 budget requests within a week.

A date for the Garza Chest drive, probably in late November, also will be set Monday night.

Postings

You wouldn't think it would be too hard to get married in a town the size of Post Tuesday afternoon, would you? But it was. In fact, it was impossible. Despite the all-out efforts of Mrs. Elizabeth Duncan in the county clerk's office nobody could be found "to tie the knot."

A Lubbock couple came in and got a marriage license and then asked if there was a JP handy to perform the ceremony. Mrs. Duncan escorted them down the hall to Justice of the Peace D. C. Roberts' office, but Roberts was out of town. They went upstairs to County Judge J. E. Parker's office. The judge was in Austin.

So she started calling local pastors—the couple said any kind would do.

Rev. Bill Hogue was out of town at a Baptist convention, as was Rev. Graddon Howell of the Calvary Baptists. The Presbyterian pastor, Ed Herring, was in Lubbock. Mrs. Duncan could get no answer in her calls to the Assembly of God, First Methodist, Church of Christ, or First Christian parsonages and churches.

"We'll try another town," the hopeful couple told Mrs. Duncan, "but thanks for trying."

Wilke's Supplies grand opening to be Saturday

W. G. (Wilke) Wilkerson has scheduled a grand opening Saturday—complete with free chili and beans and five valuable door prizes—for his new retail firm, Wilke's Supplies.

The firm will feature hardware, appliances, nursery supplies and oil field supplies.

It is located in the former Greenfield hardware building at 212 East Main. Wilke has been busy the last several weeks in painting the building and arranging his all-new stock.

Door prizes Saturday will include an evaporative cooler, set of stainless steel ware, a set of Libby's glassware, a gas heater, and a Pittsburgh paint gift.

His grand opening announcement appears on page 11 of today's Dispatch.

Wilke, who managed the Wilson Supply Co. store here next to the Dispatch for three years before it was closed last year, found Post "too good a town to leave." So he resigned from the oil field supply firm after 14½ years and returned to Post to open his own retail store.

His wife, Wanda, and their son, Gene, 14, never left Post after Wilke was transferred, but continued to reside at 109 East 15th St. Mrs. Wilkerson is bookkeeper and receptionist at the Garza Clinic.

Wilke is a member of the Post Lions Club, the American Legion, and is a Boy Scout committee member here.

He invites everyone to come visit the new store Saturday, eat some chili and beans prepared western style by Chef John Shedd, and take a look at his all-new stock.

Wilke is converting a hobby into his business with the introduction of a complete line of nursery products. He says he is featuring "Wilke's climatized plants" and is ready to talk about trees, plants and shrubs day or night with anybody who wants to call.

The nursery department in part will be located behind the store where Wilke has leased a 40 by 60 ft. lot.

Saturday is 'make-up' day Type II vaccine taken by 2,800

A total of 2,800 Garza countians of all ages received their Type II Sabin oral polio vaccine here Sunday at the Post schools' cafeteria, Phil Crenshaw, steering committee chairman, reported.

A make-up clinic for those who did not get to receive the vaccine Sunday is scheduled for Saturday afternoon, Nov. 3, between 1 and 2 o'clock at Garza Memorial Hospital, Crenshaw said.

The chairman said considering that more than 3,000 persons received the Type I vaccine at clinics here in September, Sunday's figure is somewhat disappointing, since it indicates that more than 200 persons who received the Type I vaccine did not continue their protection against polio by taking the Type II dose Sunday.

"We hope to get most of them out to Saturday afternoon's make-up clinic," Crenshaw said.

The chairman also reported that \$460 in voluntary contributions was received at Sunday's clinic. This leaves a balance of \$717.34 with the Type II vaccine and sugar cubes yet to be paid for.

At the Type I clinic in September, contributions totaled \$627.35. Of this amount, \$370.01 went to pay for vaccine and other supplies, leaving \$257.34. This amount added to Sunday's contributions leaves the current balance of \$717.34.

All funds above expenses are to be used toward a community-wide project to be selected by a special committee appointed for that purpose, the chairman explained.

Dec. 9 has been tentatively set as the date for administering the Type III vaccine. The date is tentative, Crenshaw said, pending more definite plans for proceeding with the Type III vaccine.

FOUR HALLOWEEN BLAZES INCLUDE TWO OUTHOUSES

Firemen, as predicted, had their usual busy time last night and early this morning because of Halloween pranks.

The traditional outhouse burning on West Main brought the firemen out about 9:30 to the 800 block. Thirty minutes later, they were called to the 500 block where another outhouse had been hauled to the center of the street and set on fire.

About 1:30 a. m., the firemen put out a pile of burning tires on a concrete slab south of the primary and elementary school buildings. An hour and a half later, they extinguished a fire at a slush pit near Little League park, also believed to have been set by pranksters.

No serious damage was reported this morning. There were about as many "little people" as ever out on trick or treat excursions, but they halted their rounds earlier than usual this Halloween.

New policeman hired by city

F. M. Reep Jr. has been employed as a member of the city police force, Police Chief Elton Corley announced today.

Reep is the son of a former city marshal here and has himself worked as a part-time peace officer in Post, both with the city and the sheriff's department. For the past few months, he has been employed on highway construction here.

The new policeman is married and has two children, one of school age.

Reep's employment brings the police force back up to three men. The force had been down to two men—Chief Corley and Junior Shepherd—since Policeman Derald Croft left the force a few weeks ago.

By area Baptists

Minister elected to high offices

Baptist bodies of this area have honored the Rev. C. B. (Bill) Hogue, pastor of the First Baptist Church, with two important offices.

Last week, the Lubbock Baptist Association elected Rev. Hogue moderator of the association and the Baptist General Convention of District 9 elected him convention president.

The Lubbock Baptist Association, of which Rev. Hogue is the new moderator, comprises 64 churches with a membership of nearly 40,000.

The Post minister will moderate all meetings, including monthly workers' conference meetings, and will serve as chairman of the executive board and ex-officio member of all committees. The associational program and service will be largely under his direction.

District 9, of which Rev. Hogue is the newly elected president, is See REV. HOGUE, Page 8
