

Funeral Services Monday For Mrs. J. F. Willingham

Funeral services for Mrs. J. F. Willingham, who passed away Saturday evening at the home of her son, Mr. Elzie Williams, were held at the home Monday afternoon, and burial was made in the cemetery at Thohoka. Rev. L. S. Jenkins, pastor of the First Baptist church here, conducted the rites in presence of throngs of friends and relatives.

Mrs. Willingham had been ill for many months, suffering from cancer, but her going left a vacancy in the family circle which caused grief. Everything that loving hands and medical aid could accomplish for her was done, but for weeks hope had been held for her improvement.

Mrs. Ann Richardson was born November 6, 1850, at Paris, Texas, was married to Martin Lloyd in 1870, and to this union were born children, a son and a daughter, who soon died in babyhood and the latter at the age of twelve. Mr. Lloyd passed away in 1887, and two years later she was married to J. F. Willingham, who also passed away July 15, 1914.

Mrs. Willingham was converted because a member of the Mission Baptist church in her childhood and lived an exemplary life since that time. Her long lifetimes (She put her eighty-second birthday the time of her death) had been in ministering to the needs of stepchildren, who loved her as if she were their mother, and in doing her part for her neighbors and her community.

Surviving are L. B. A. M., F. L., D. A. Willingham, and Mrs. M. Shields, in addition to a number of nieces and nephews. Three children, one niece and one nephew were present for the funeral. A number of friends of the deceased were also present.

B. Y. P. U. Presents Program at Hancock

Members of the B. Y. P. U. of the First Baptist Church presented a most enjoyable and worthwhile program at Hancock Sunday evening. Miss Ruth Marie Howard was leader and the following numbers were rendered: "I Am Thine, O Lord" (devotional), Douglas Ballou's vocal solo, "Living for Jesus", Iva Dimple Hancock; "The Story of Gideon," A. C. Hamilton; "Accept the Task," Frances Scott; "Study the Task," Bill Yandell; "Magnify the Task," Mr. McAfee; "Faithfulness to the Task," Frances Williams; "Cooperation in the Task," Desmond Yandell; "Accomplish the Task," Ruth Marie Howard. A special song, "Our Best," rendered by Misses Mary Hamilton, Frances Scott, and Iva Dimple Hancock, Messrs. A. C. Hamilton, Douglas Ballou, and Bill Yandell closed the program.

About twenty-five young people from O'Donnell attended this service, which was also attended by a large and appreciative crowd from the Hancock community.

Singers To Meet At Sparenberg

We are asked to announce that the Dawson County Singing Convention will meet Sunday at Sparenberg for an all day session, and that visitors are cordially welcomed.

A number of local people are making tentative plans to attend either this meeting or a similar one at Needmore in Terry County.

Well known singers are expected to be at each meeting, so that O'Donnell people as well as outsiders just where to go, but Mr. P. O'Donnell Monday that this town would like to have representatives at both of these meetings.

P. T. A. Elects Officers For Coming Year

Officials for the coming year were elected at the regular business meeting of the Parent-Teachers Association.

Mrs. Perry Howard was elected president; Mrs. A. W. Gibbs, vice-president; Mrs. E. E. Gilbreath, secretary; Mrs. W. A. Tredway, treasurer; Mrs. A. W. Gibbs, vice-president; Mrs. C. H. Westmoreland, third vice-president.

Mrs. Westmoreland retires from the office of president, a place she has filled for the past two years. Under her direction, the school grounds have been better equipped for the recreation hours of the smaller students, the Association has followed a regular and comprehensive course of study, and the indebtedness of the organization has materially decreased. She modestly disclaims any credit for these accomplishments, however, saying that her assistant officers deserve the praise.

Incoming officials are expected to carry on the standards already set, and to add to them. The Index feels that the community is indeed fortunate in being able to secure the services of so efficient and capable officials.

Griat Mills Prove Beneficial Here

That people of this territory believe in utilizing every particle of home production can be proved by looking into the records of the grist mills here.

For the past two or three years home-grown wheat and corn have been ground into flour and meal as well as cereal, for use by families of the territory and operators of the feed stores here have used every particle of their equipment.

The recently installed Meadows Mill at Minor Feed Store is a most interesting piece of machinery, and we can vouch for the fact that the meal is delicious. Mr. Musick's whole wheat cereal has been a familiar breakfast dish for most of the families of this territory for several months, and Mr. Minor's meal bids fair to become as popular.

The new mill, installed in a house built especially for it as driven by Dodge motor, and is very economical to operate, Mr. Minor states. During the three weeks since it was installed, approximately 15,000 pounds of meal and flour have been ground he said Monday afternoon.

Thinking, perhaps, that we looked rather hungry, Mr. Minor generously donated a week's supply of the grist-ground meal—and was it good.

So long as corn and wheat will grow on the South Plains, none of us need be undernourished.

Mr. and Mrs. Riley Spradlin went on Sunday, down in Mr. Walter Turland's hog pasture. Though the pigs succeeded in sending the lady to the top round of the fence, she was not hurt.

Singleton's Niece Dies At San Angelo

W. E. Singleton was called to San Angelo, Friday afternoon by the death of a small niece, the daughter of Mrs. Singleton.

She joins with other friends in expressing sympathy to her and her members of the bereaved family.

Nazarene Revival Closed at Sunday Evening Hour

The annual spring revival at the Church of the Nazarene closed Sunday evening after a series of wonderful services. Rev. A. L. Dennis of Lamesa has been in charge of the preaching services, assisted by Mrs. Pearl Keeton, pastor of the local church, and has delivered searching messages.

Rev. Holder of Sparenberg had charge of the services at eleven o'clock Sunday, conducting a splendid service with wonderful results. Five were converted, and two reclaimed. Much interest was also manifested at the evening service.

The evangelist and the pastor, as well as members of the church, ask that the Index again express their appreciation of the interest and cooperation shown by the people of the town, and to assure them that these courtesies will be repaid in every way.

Local Residences Undergoing Repairs

The residence of Mr. and Mrs. Joe Pugh is undergoing thorough renovation and remodeling, and will soon present an altogether different appearance.

The house, a frame structure, has been one of the hand markers in O'Donnell for a number of years. Mr. Pugh is changing it from a story and a half building to a single story by changing the roof line and floor plan. It has been an airplane type house, but this style roof did not prove satisfactory in this instance, Mr. Pugh said, and the room upstairs will be left off during the remodeling.

The farm home of Mr. and Mrs. E. J. Tredway has received the attention of son Will Ed this week, with a consequent fresh coat of paint. Will Ed admitted that he got about as much paint in his hair and on his clothes as he put on the house, but the house looks as though it appeared the paint more than did the clothes.

Easter Program Planned By S. V. Class

Members of the Social Workers' Class of the Methodist Sunday School will present a special Easter program to the church Sunday evening, according to plans now being perfected.

The program will be opened with a musical prelude played by Mrs. Crey Shook, and Mrs. W. R. Burnett, teacher of the class, will make a brief introduction. Other numbers will be as follows: Hymn, "Christ the Lord Is Risen Today"; psalm, Mrs. Ben Moore; scripture, "Bread of Tears," Mmes. Garner and Westmoreland; reading, "I Know That Jesus Lives," Mrs. W. O. W. Jones; "Thoughts at Easter-time," Rev. W. R. Burnett; song, "In the Cross of Christ I Glory"; benediction.

Everyone has a cordial invitation to come and hear this program, which promises to be interesting and worth while.

April 30 Last Day For Loan Applications

With the final date for filing application for crop production loans rapidly approaching, a decided impetus has been felt in the local office this week. April 30, it will be remembered, is the last date on which applications for this loan may be taken at the Dallas office and those who plan to take advantage of the assistance of the government this year would do well to begin the business of securing descriptions of land, landlords' waivers, etc., as all regulations are being strictly followed, and applications must be filed here by April 25.

A number of checks have been received in this territory already, but as they are mailed directly to the borrower from the office of the county clerk, no estimate could be made through the local office. Personal reports from borrowers in this territory, however, would indicate that approximately twenty have already been received. This estimate, let us remind again, is not official, and is drawn only from reports.

A total of 65 applications have been filed here.

These government loans have been of incalculable worth to this part of the country during the past two years and it is expected that even a greater number of farmers will apply for this temporary boost this year.

May we again publish the location of the office - Henderson-Boone Gin, that A. H. Koening in local manager, and that a legal description of the land is necessary.

Further Developments In Car Theft Cases

Four stolen cars have been located and recovered in this territory since the arrest of J. R. Romines and Kelvin Davis by a local officer, some three weeks ago, and another man, Frank White, has also been implicated in the thefts.

The owner of a 1927 two-door Chevrolet has not yet been identified but it is known that he lives in Ft. Worth. Owners of the other three cars stolen early in the year, had been identified as W. B. Blount of Ft. Worth, Mr. Blount being owner of the Buick Coupe first recovered. The 1928 Chevrolet Coupe was stolen on B. D. LaPallo in Ft. Worth on Jan. 15, and the 1928 Chevrolet roadster was stolen from the office of the Buick Coupe first recovered.

Local and county officials are at work on the case and other charges have been filed in connection with the first, according to a statement Tuesday morning.

Mrs. McGill in Hospital For Minor Operation

Mrs. Guy McGill was taken to a Lubbock sanitarium Tuesday morning for a tonsillectomy, and as no progress reports as to her progress have been received here.

Mrs. McGill has suffered for some time from badly infected tonsils, and has been quite ill on a number of occasions. The Index joins with other friends in extending wishes for a

Rehearsals Begin Monday on Fire Boys' Play

Under the direction of Miss Morone Huff, head of the Speech Arts department, rehearsals began Monday evening on "The Worthy Vagabond," three-act comedy-drama that will be presented by the Volunteer Fire department on the first Friday night in May.

Randall Gibson takes the title role as the vagabond, and opposite him is Miss Novell Radloff. Others taking parts are Mmes. Randall Gibson, Glenn Everett, and George Shumake, Messrs. Carey Shook, E. E. Gilbreath, Vernon Kirkland, and Wilbur Shumake.

This is said to be one of the best productions ever staged here, and the cast of characters has been thoughtfully selected. Staging of the play is being awaited with much interest here.

P. T. A. Plans Call Meeting For April 18

A special meeting of the Parent-Teachers Association together with the Board of Education, the mayor, and the fire chief has been announced by Mrs. C. H. Westmoreland, president of the organization.

This meeting is for the purpose of discussing improvement of the school grounds, and patrons of the school are urged to be present to make suggestions and express their opinions.

Remember the date, Tuesday of next week, and be present to express your feelings on the matter. The meeting will open promptly at 4:00.

Ag. Boys Project Attracts Much Attention

A self-feeder, designed and constructed by members of the Vocational Agricultural class of the high school was placed on exhibition on a business walk Saturday, and was the center of interest during the day.

The feeder was designed according to plans worked out by the boys under the supervision of R. H. Mathis, head of the department, with the object of permitting stock to balance their own ration.

General opinion of those who were inspected was that it was as ingenious and efficient a piece of equipment as they had ever seen.

Margaret Lucille Johnson Receives Injury In Fall

Margaret Lucille Johnson, elder daughter of deputy sheriff and Mrs. John Johnson, received a slight but exceedingly painful injury Thursday when she fell against a chair, the sharp corner cutting through her lip.

She was brought to the office of a local physician for first aid measures, and one stitch was taken in the wound.

She is apparently as well as usual, and still gets as much fun from riding, so it seems safe to say that she has completely recovered.

Mr. and Mrs. John Earles were in

Collision Thursday Night Injures Cars; None Hurt

A collision between the cars driven by Mrs. J. P. Bowlin and Mr. Dick Simpson last Thursday night resulted only in sadly banged-up cars, but fortunately no one was injured.

The accident occurred as Mr. Simpson and Mr. and Mrs. J. M. Farmer were on their way home from the office of a local physician after bringing the small son of the Farmers in for treatment. According to information given us, Mr. and Mrs. Bowlin were returning from a call at the Parker home. Each car had only one light, and on the rather narrow lane a collision was the result.

We were unable to see any of the parties concerned to verify all these facts, but the important part is that no one was harmed.

Hester Show Herd Shipped Saturday

Ten head of prime dairy stock were shipped from the Santa Fe depot here Saturday by E. W. Hester, enroute for the annual Plainview Dairy Show. These animals will be the only representatives from this section on the South Plains, and as such are being watched with much interest.

Buttercup, the famous sire who has brought back blue ribbons from every show in which he has competed led the group. The Index presents apologies to Volunteer, whose honors won last year were through mistake awarded to White Heart in last week's issue. However, White Heart, who is this year making his first appearance at the show, is highly appreciated by the showmen, and such honors won last year were through mistake awarded to White Heart in last week's issue. However, White Heart, who is this year making his first appearance at the show, is highly appreciated by the showmen, and such honors won last year were through mistake awarded to White Heart in last week's issue.

Through the courtesy of Miss Rena Hester, daughter of the breeder and owner of the herd, the editor, accompanied by Mmes. W. L. Palmer and C. H. Westmoreland and Miss Thelma Palmer, had the privilege of a thorough inspection Thursday afternoon. Miss Rena, by the way, had just been given a prissy little heifer calf as a birthday present.

Mr. Hester and his boys were just putting the finishing touches on the show animals, clipping, washing, and brushing them to perfection. He personally pointed out the features of each animal, and as the crowning touch, led Buttercup, a mountain of symmetry out to go through his pieces. To those who have never seen the big bull, respond to the quietest word from the owner, this was indeed a show. A mere "move that foot" from Mr. Hester brings the huge animal to military attention. And this was done not just by the crowing, but by the spectators are convinced that he understands and obeys the spoken commands of his owners.

After seeing the show animals the party was conducted on an inspection of the cattle herd, which numbered thirty head, most of them from the Raleigh line. Mr. Hester and Miss Rena had the pedigree of each animal at the tip of their tongue, and even able to give the exact degree of relationship between each.

One interesting feature noted was that all baby calves are kept separate from the herd and from each other penned up alone. Mr. Hester explained that this is done to prevent the spread of communicable diseases, should there be such. All the calves are hand fed, he stated, none of them even recognizing their mother. However, he said, it is a little bit of a pity that started down across the pasture with a bucket, he'd be mobbed before he got very far, as the babies are quick to learn the source of their meals.

Buttercup winner of the Jersey division and also the senior championship for the 3rd consecutive year. He won over a total of 33 entries in all-age classes to obtain the title after being declared senior winner.

Services This Week at Cumberland Church

Rev. W. H. Chestham of Floydada pastor of the local Cumberland Presbyterian church, filled his regular appointment here Sunday and Sunday evening, with a splendid attendance at both services.

Fortunately the pastor had some extra time, and services were also held on Monday and Tuesday evenings. The church here, though of small membership, is steadily increasing in interest and numbers, and fast becoming an important factor in the church life of the com-

Tips on Taxes
 THE FIVE NEWS SERVICE OF THE
 TEXAS PRESS ASSOCIATION, AUSTIN

Austin—Action of appropriation bills thus far carry out the announcement of the Legislature to trim government expenses by from 25 to 30 per cent. Several of the major items have been finally asked upon by both houses and are in the governor's hands. There is a difference of some \$600,000 between the House and Senate on the eleemosynary appropriations. The Senate amended the House bill to provide for construction of buildings, said to be needed to take care of the increasing number of inmates in various institutions.

This is the only serious difference between the branches of the Legislature with regard to important appropriation bills. For the most part the House schedules have been lower than the Senate, but thus far differences have been compromised without serious difficulty.

The one big question yet to be determined is the amount of support to

be provided for public schools. This situation is more difficult than the other major items of expense, because schools throughout the state are suffering from the double embarrassment of reduced state support as well as reductions in the payments of local taxes.

During the past few years State support of the public schools has steadily increased. State apportionment in 1923 was \$12,965,960. In 1931 this had been increased to \$27,362,912. Special rural aid appropriations in 1923 were \$1,000,000. In 1931 they were \$2,500,000. Local tax support in the same period increased (though by a smaller margin) from \$10,000,000 to \$12,000,000. Increases in support from both local and State sources have far out-run the increases in enrollment, earning power of the people and the wealth of the people. Likewise public school costs have mounted more rapidly than have the costs of other functions of State government. Illustrating this point, total property assessments in 1923 were approximately three and a half billion dollars. In 1932 they had increased to slightly less than four billions, a gain of about 14 per cent. in taxable

wealth, compared with increases in expenditures for public schools of considerably more than 100 per cent from the State and somewhat less than 100 per cent from local sources.

It seems fair to point out that while school enrollment was increasing about 10 per cent and taxable wealth about 14 per cent, public school costs were more than doubled. These percentages are averages for the state. The factors vary in different localities.

That it will be a difficult problem to adjust these differences goes without saying. It is clear, however, that if the existing standards of support of the public schools is maintained new sources of revenue must be found.

An income tax bill has received a favorable report from a House Committee. The rates for individuals scale from one per cent on the first \$1,000 of net income up to seven per cent on amounts in excess of \$11,000. For corporations the rates scale from two per cent on the first \$1,000 to six per cent on incomes in excess of \$6,000.

The sales tax has been killed again in a House committee, but there is

talk of it being brought out on a minority report. Its prospects of passage seem slim, but search for needed revenue may win sufficient support to bring the enactment of a modified sales tax on certain specified articles.

Appropriations for the support of the State board of water engineers and the board of mineral development have been killed by the House. The items are small, the two combined amounting to only about \$36,000. The Senate has not yet received the departmental appropriations bill from the House.

In the cemetery of business failures, the "Credit Monthly" tells us there is a vast forest of tombstones. Many and various are the epitaphs you may read as you pass by—
 He worried too much.
 He lacked ability.
 He wanted only to play.
 He lacked enthusiasm.
 He lacked capital.
 He liked the bright lights.
 He had too much competition.
 He liked his liquor.
 He lacked judgment.

But in the majority of cases the sculptor might have saved himself a lot of trouble by telling the truth and inscribing three simple words.
 He lacked character.

It was midnight. He had been at a very jolly birthday party and had winded not too wisely but well. He found his own front door with wonderful accuracy, navigated the steps with precision, and discovered the key-hole by instinct.

Once in the dimly lighted hall, there was an ominous silence followed by a tremendous crash of breaking glass.

"Why, what has happened, George?" came a voice from above.
 "It's all right, Nell, I'll teach those goldfish to snap at me."

Customer: "Two poached eggs, no dum soft, buttered toast not too hard, coffee, not much cream in it, please."
 Waiter: "And would you like any special design on the dishes?"

The Poles can say, with terrible truthfulness, that they never saw a city that had so much war as Warsaw. Anyway, Spring got around that corner.

18TH DISTRICT AMERICAN LEGION TO MEET AT DALHART, APRIL 29-30

Dalhart, April 13.—Bridges and other entertainment for the ladies, a smoker for the men, a theatre party that night, followed by a dance in the Dreamland Gardens on the Saturday program for delegates and their wives who attend the Eighteenth District American Legion and Auxiliary convention in Dalhart Saturday and Sunday, April 29 and 30...

"We're going to show the men the time of their lives at that smoker," declares Joe Bass, who heads the committee in charge. It will be held in the big new Coon building on the main drag.

Mrs. Burch Gregg is in charge of the women's entertainment while Legionnaire Eugene H. Gibney is the generalissimo of the dance.

WOMAN VOTE HARD TO COUNT

It had been a hard day at the polls. The "woman vote" had been got out on unusual numbers, and the count resolved itself into a sort of jigsaw puzzle. "Well, James, how did the vote go?" asked the wife of one of the tellers, when he returned home late at night after his exacting labors.

SANTA FE AND TAOS PROGRAM WEDNESDAY

In Santa Fe the young men still go courting with a guitar and a bouquet of flowers, and some of them can trace their ancestry back more than 400 years, says Carveth Wells, Continental Oil Company radio entertainer, who plans to devote his regular Wednesday night program on April 19 to Santa Fe and Taos New Mexico, two of the most historic cities in the United States.

One dramatic portion of this program which will be heard over 20 N. B. C. stations is the characterization of Kit Carson, pioneer trapper and Indian fighter, whose old home is now one of the show places of Taos. Two, by the way, says Wells, is a Chinese name as well as an Indian one.

The Conoco program may be heard by local listeners who tune in on station KZTA, KOTB or KTIS Wednesday night at 9:30 o'clock.

JESUS TRANSFIGURED

LESSON TEXT—Mark 9:2-9. DENYING TEXT—The Word was made flesh, and dwelt among us, and we beheld his glory, the glory as of the only begotten of the Father, full of grace and truth. John 1:14.

PRIMARILY TOPIC—Jesus' Son. JUNIOR TOPIC—With Jesus on a Mountain Top. INTERMEDIATE AND SENIOR TOPIC—The Glory of Jesus. YOUNG PEOPLE AND ADULT TOPIC—The Meaning of the Transfiguration.

In II Peter 1:16-18 is given an inspired interpretation of the transfiguration by one who was present and knew all that transpired. When Christ announced his death which was to take place on the cross, the disciples were greatly perplexed as to how victory could be gained over death. Peter, James, and John accompanied Jesus into the mountain. They went there to pray (Luke 9:29).

In order to revive their drooping spirits and restore their confidence he was transfigured before them. Two men were sent from the realms above to talk with Jesus about his approaching death at Jerusalem (Luke 9:31)—the very thing about which the disciples had refused to talk (Mark 8:31-33). The transfiguration is, therefore, a foretelling of the coming Kingdom. It gives the outline of the order and method of the establishment of Messiah's Kingdom.

1. Jesus the King Glorified on the Mountain (vv. 2, 3). He took the disciples "by themselves" and was "transfigured before them." This shows that the purpose of the transfiguration terminated upon the disciples and not upon Christ. Christ's rebuke to Peter for his unwillingness to hear concerning his death was a hint to estrange the disciples from him. His shining raiment was typical of that glory which shall be manifest when Christ comes back to earth. His appearance on the mountain typifies his visible appearance on the Mount of Olives (Zech. 14:4, 9).

2. Peter, James, and John Represented in Connection With the Kingdom (v. 2). Christ is peculiarly the King of Glory. According to Ezekiel 37:21-27, the lamellae are for the central people in Messiah's Kingdom.

3. Moses and Elijah Appeared in Glory With Jesus (v. 4-13). These men in the glorified state are typical of the saints in glory. Moses who was once denied an entrance into Palestine now appears in glory. He represented the redeemed of the Lord who shall pass through death into the Kingdom. Elijah represents the redeemed who shall pass into the Kingdom through translation. Some shall be living upon the earth when the Lord comes, who without dying shall be changed and thus pass into the Kingdom (I Cor. 15:50-53; I Thess. 4:14-18).

4. Peter's proposal (vv. 5, 6). So definitely was the method of the Kingdom unfolded before Peter that he proposed to erect tabernacles, one for Christ, one for Moses, and one for Elijah. It is here that the mischievous of the majestic person of Christ somewhat disconnected Peter, yet he grasped its central meaning and proposed to celebrate the advent of his Kingdom which had been prophesied in this tangible way.

5. The divine voice out of the cloud (vv. 7, 8). God declared Jesus to be his beloved Son in whom he was well pleased. The way to know what is pleasing to God is to study Jesus. 6. Christ's charge (vv. 9-13). He charged them that they should tell no man concerning the things which they had seen until he had risen from the dead.

7. The Purpose of the Establishment of the Kingdom Demonstrated (vv. 14-29). When they descended from the Mount of Transfiguration they witnessed a great multitude in a state of peopled. The immediate cause of this state was the grievous condition of a young man possessed with a demon (v. 18), whose father had appealed to the disciples to cast out the demon, but they were unable to do so. When they brought him unto Jesus, the foul spirit was rebuked and came forth. The young man then cast himself into the fire and into the waters, so the nations even today in their great perplexity are doing the things which will result in their own destruction. The devil will be peculiarly active in the oppression of men and nations in the last days.

8. Confess Christ. There cannot be a secret Christian. Grace is like ointment hid in the hand; it betrays itself. If you truly feel the weakness of the cross of Christ, you will be constrained to confess Christ before men.—Robert McChesne.

9. God's Revelation. Unless we muse much on God's revelation of his word, no fire of zeal for his glory will glow in our souls.—D. O. Shelton in The Bible Today.

WILSON'S CASH SOCIETY

Family Reunion Sunday at Simmons Home

Just one week later than their wedding anniversary, Mr. and Mrs. W. E. Simmons held a family reunion at their home west of town Sunday.

A family dinner at one o'clock was the highlight of the day, with visiting and conversation as diversions for the afternoon.

Mr. and Mrs. Martin Line and sons of Brownfield, and Mr. and Mrs. J. L. Williams and son of San Angelo were here for the occasion. Other guests were Mrs. Williams and her family and Roy Lee DeBusk.

F. M. Page and J. R. Mayo visited friends and relatives in and near Knox City last week, going down on Wednesday and returning Thursday. Mr. Page visited Mr. and Mrs. C. Bohannon, and Mr. Mayo spent the time with his daughter, Mrs. J. E. Frost and family.

Birthday Party Thursday For Wade Yandell

(Intended for last week.) Celebrating his fourth birthday, master Wade Yandell was host Thursday afternoon to a number of little friends when he entertained with a party at the home of his parents, Mr. and Mrs. Selmar Yandell.

After the many appropriate gifts had been duly admired, the small guests enjoyed games and contests. A peanut eating contest, created quite a bit of amusement. Billy Wayne Jenkins was declared winner, and was awarded stick of gum as prize. Speech making contests followed and Samuel Drew Hobby was given a chocolate sucker as winner in this event. Bags of delicious buttered popcorn were served during the games which were played until the refreshment hour.

At this time, cake and lemonade were served to Jo Anne Campbell, Wilma Jean and Doris Mixon, Ruth and Reed Yandell, Billy Jane Johnson, Billy Louise and Bobbie Ruth Spradlin, Billy Tane, Billy Wayne Jenkins, Wayne Carroll, Aubus Lee Shook, Samuel Drew Hobby, Dorothy Clayton, Grace Lemoyne Line, and the host.

Sunshine Shower For Mrs. Sam Singleton

Honoring Mrs. Sam Singleton, Mrs. Glenn Everett and Miss Alice Busby were hostesses Friday afternoon at the home of the latter when they entertained with a surprise sunshine shower.

The honoree, invited to a reception for out-of-town visitors of the hostesses joined with other guests in sympathizing when they failed to arrive on time, and was more than surprised when her own mother, Mrs. Guy Simpson and her aunt, Miss, Williams and Bennett, accidentally came by for a few minutes.

A delightful program of varied numbers was thoroughly enjoyed. Piano selections played by Misses Busby and Claire Ruth Nichols, a reading by little Miss Dorothy Smith a Japanese song in costume, by Yvonne Westmoreland, a vocal solo by Mrs. T. M. Garner, and a musical reading by Mrs. Everett were the numbers, after which Miss Busby announced an Easter Egg hunt, the finder of the golden egg to win a prize. Of course Mrs. Singleton found the egg, and was given an enormous basket, decorated in green and yellow color scheme, and filled with dainty packages. When unwrapped, they were found to contain every dainty and lovely gift appropriate for the occasion, from tiny hand-made dresses and wraps to remembrances for the honoree herself.

The Easter theme, set by bowls of tulips and other cut flowers, was further emphasized in the setting of the attractive table where the hostesses presided. Yellow papers in green holders cast a cheerful glow over the table, centered with a nest of Easter eggs. Refreshments of sandwiches and eucocant chees loaf with punch, further carried out the green and yellow color scheme.

Those present were Misses B. J. Boyd, W. H. Vessey, Carl Westmoreland, Roy Gibson, Pauline Campbell, George Shumake, Jr., Fred Henderson, Guy Simpson, Guy Wilcox and Bennett of Lamesa, the honoree, and Misses Hazel Burk, Claire Ruth Nichols, Thelma Palmer, the hostesses, and Mrs. L. L. Busby, who assisted them in entertaining.

Homer Cummings, the new Attorney General, ought to be a pool man to speak to the homing canners at family reunions. A good share of the world's troubles were started by the fellow who invented cities. The world hasn't heard the worst from the League of nations yet. The man at the head of it sings tomorrow.

Junior Play Presented To Large Audience

The Junior class play, "Fingerprints" was presented to a large and enthusiastic audience at the High School auditorium Friday evening.

Those who enjoyed this production declared that every character had a star role and that the best portrayal could not be selected. Variety numbers presented between acts were also novel and unusually fine, the audience stated, with the added opinion that those performers should be included in the unanimous vote of perfection.

Editorial comment combined with news stories may not be the best principle of journalism, but we beg to depart from accepted paths this one time long enough to say that it is our opinion that either our own capacities for appreciation are growing better, or the plays presented by the high school classes this year have been better. At any rate, they have all been excellent.

Former Resident Dies At Dimmitt Sunday

News was received here Friday night of the death at Dimmitt of Mr. Gus A. Hardwick, former resident and business man of O'Donnell, who passed away about eight o'clock that evening.

J. M. Christopher, in whose employ the deceased worked during his stay in O'Donnell, left Saturday morning for Dimmitt to attend the

Mr. Hardwick made scores of friends during his residence in O'Donnell, and his untimely death is sincerely mourned by all who knew him.

He is survived by his father, a brother in California, and a halfbrother in Amarillo, who accompanied the body back to its final resting place.

Delegates Attend Workers' Council

Rev. L. S. Jenkins and some fifteen members of the First Baptist church attended the regular monthly meeting of the workers council of the Brownfield association which was held at Tahoka Monday.

In addition to other interesting speakers, the council enjoyed an address from Mr. George Mason, State Treasurer of Texas Baptists. A splendid meeting in every respect is the opinion of people who attended from here.

Methodist Meeting Opened Sunday

The annual revival of the local Methodist church opened at the eleven o'clock service Sunday, with a splendid attendance. Other churches of the town dispensed with their own services in the evening so that all members might cooperate in the revival. This courtesy, we are asked to say was much appreciated by the pastor, Rev. W. R. Burnett, and members of the church.

As has been previously stated, the church at Tahoka and that at Draw will work with the local church during this campaign, the three pastors exchanging pulpits at various of the services.

We are further asked to again remind the public of the special Easter service to be held Friday, beginning at noon. This service will be open to every man, woman and child in O'Donnell and the territory, who wish to observe the memorial service.

Mrs. Cheryl of Paducah is the guest this week of her mother, Mrs. J. A. Melton.

Mrs. Hal Singleton, Jr., left this Wednesday for Carlsbad, Texas, where she will remain for rest and treatment for a few weeks. The Index joins with other friends in hoping that she may soon be as strong and well as ever. Her sister, Mrs. Harry Oliver of Odessa will remain here for a short time to look after the children.

Osman's Cash Grocery Moves to Spur Tuesday

Osman's Cash Grocery, which opened here the first of March, moved to Spur this week.

Mr. and Mrs. Foster, managers of the business, stated that the move was made with great reluctance, but that they felt they could do better in a town where they are already known.

The Index joins with the community in regretting their departure and in extending best wishes for their prosperity.

Vacation Party Returns: 1400 Miles With One Flat

Messrs. and Mmes. C. H. Doak and H. L. Hahn returned about three o'clock Tuesday afternoon from an extended vacation trip which took them clear to the Rio Grande and back with the record of only one puncture on the whole trip.

They left O'Donnell about two weeks ago, taking one car and a trailer for their camping outfit. Van Horn was their first stop, with Sierra Blanca next, followed by three nights on the Rio Grande. Mr. Doak reported that they had to leave there, however, because everybody was using their fishing tackle and the O'Donnell party could not obtain any. Ft. Stockton, San Angelo, Christoval, Ft. McCarvitt, Mansard, Eden, Spring Creek, and other resort points were included in the itinerary.

When it was learned he had been elected to the city council during his absence, Mr. Doak promptly started planning another—and more extended—trip.

Mr. and Mrs. Hahn had hurried on through town to their home south of town, so we didn't get to hear Mrs. Hahn's comments on the trip, but the general opinion seems to be that it was a good one.

O'Donnell Merchants Offer Special Easter Bargains

More attention and emphasis is being placed on Easter here this year than for several seasons. Local business men. As proof of their state of mind, we call attention of our readers to the number of special bargains listed in this week's issue of the Index as well as the community which reminds citizens to attend church services Sunday.

C. C. Drygoods Company is making a two day bargain event for the convenience of Easter shoppers and the ad on another page lists a number of these special reductions.

Thornhill Variety again calls attention to the fact that the change of location and Easter bargains are still in effect, at the same time listing other bargains.

While not especially an Easter sale, the B. & O. Store is also listing a number of articles offered this week end at unusually attractive prices.

Wilson's Cash Grocery is also offering splendid values in Easter specialties. See the ad on another page.

And while we're mentioning the fact, may we also ask our readers to sell the proprietors that they saw their ads in the Index?

PERSONALS

Mr. and Mrs. G. T. Childress and children of Odessa spent the week end here with her parents, Mr. and Mrs. E. G. Stokes. They were accompanied by Miss Leona Stokes, who had been visiting them for a few days.

News received this week from Mr. and Mrs. D. E. Stokes of Panna is that they are the proud parents of a fine six pound son, named Donald Robert. He arrived on April 8.

Lester Burdine left Thursday for San Angelo where he will be employed in the future.

Earl Rochelle was in Tahoka on Wednesday morning.

Mr. and Mrs. B. J. Howell of Odessa were here over the week end visiting her parents Mr. and Mrs. W. R. Heathington. Mrs. Howell will be remembered as Miss French Heathington.

Mrs. Harry Oliver of Odessa has been here several days with her sister, Mrs. Hal Singleton, Jr.

Woodrow (Smiles) Barber is in Livingston, N. M. visiting his brother Cusky McMillan.

Mr. and Mrs. Terry Noble of Tahoka were guests Sunday of Mr. and Mrs. J. Mack Noble, Jr.

Mr. and Mrs. Raymond Womack returned Friday from Memphis, where they spent several days with relatives.

Miss Leona Stokes left Monday for a visit with her brother D. E. Stokes and family at Panna.

M. Wilson received the unhappy news here this week that his nephew O. C. Cooper of Rule had been sent home from an Oklahoma hospital after surgeons had pronounced his trouble as incurable.

Mr. and Mrs. Bob Ford and son of Loveland were guests one day last week of Mr. and Mrs. C. E. Ray enroute to their home from Emory.

Claude Tomlinson is proudly reporting 237 additions to his family—the additions being baby chicks. Sounds fine for frying chickens a little later. And by the way, he planted corn several days ago, so roasting ears will soon be in order.

POINTS SHARPENED 25c—Jack's Shop.

Mrs. Pearl Keeton, pastor of the local Church of the Nazarene, received news Saturday that her brother, Mr. Bingham of Knox City, is seriously ill, not expected to live. The Index joins other friends in extending wishes for more favorable news soon.

Mrs. J. T. Rozelle of the Midway community is in a critical condition this week, suffering from pneumonia. It will be remembered that she has just undergone a severe attack of appendicitis, so that her physical condition is serious. The Index joins with other friends in hoping for a more favorable report at an early date.

Mrs. Bert Adams of the Tredway community was a patient in the office of a local physician this week, suffering from a throat infection with glandular complications.

Mrs. Elsie Williams of the Joe Bailey community is suffering from a total collapse following the long illness and death of a relative, Mrs. Willingham. She is reported to be resting somewhat better today.

Mr. and Mrs. C. R. Burleson came by Tuesday afternoon to let us know that they have moved to Lamesa, and to request that we change the Index to that place. Mr. Burleson recently sold his farm south of town to Mr. Ratliff. We sincerely regret the loss of these good people, and hope that they can soon see their way clear to coming back to O'Donnell.

Mr. and Mrs. Joe Schoeder had us guests over the week end her brother, W. A. Walters and Mrs. Walters of Bisbee, Arizona. This was their first visit to the South Plains.

POINTS SHARPENED 25c—Jack's Shop.

Dr. and Mrs. Burt McCorkle and Miss Eula McCorkle of Lubbock were guests Sunday of Dr. and Mrs. J. F. Campbell.

SAYS HUSBAND LOST 16 LBS. IN 4 WEEKS

"I have never found a medicine that 'peps' you up like Kruschen Salts and better still, leaves you 'pepped' up. I take it two or three times a week—not to reduce but merely to feel good and clean. My husband took it to reduce and he lost 16 pounds in four weeks." Mrs. E. A. Ferris, Winton, D. C. (December 28, 1932).

To lose fat and at the same time gain in physical attractiveness and get spirited and youthful take one teaspoonful of Kruschen in a glass of hot water before breakfast every morning.

METHODIST CHURCH NEWS

W. R. Burnett, Pastor

There was good interest in all the services of the Methodist church last Sunday. There were 120 present in the Sunday school and a good attendance at both the morning and evening services. We were pleased to have a number of visitors at both of these services.

The Pre-Easter Self Denial Revival services are being held every evening this week at 8 o'clock. Every one is cordially invited to attend these services.

We want to call special attention to the service Friday at noon. We are planning a great service to begin promptly at noon Friday. In this service we will commemorate the time that Christ hung on the cross for the sins of humanity. We are inviting every one to come and asking you to come promptly at 12 o'clock. This should be the greatest service of the week.

We are making great plans for Easter Sunday. At the Sunday School hour every class room should be overflowing. At the morning worship service we are looking forward to having our auditorium filled with eager worshippers who come to give their adoration and love to the risen Christ.

On next Sunday evening at 8 o'clock there will be a special Easter program. This also is going to be one of the great events of the meeting. The Epworth League will meet next Sunday evening at 7 o'clock.

We invite everyone to come and worship with us.
