Water Service Notice --0-

In a recent meeting, the City Council took action on delinquent water accounts. The original ruling on water collections states that bills are past due on the 10th of the month and if not paid the water will be discontinued with a charge of \$1 for turning water on after payment. The Council voted to give an extra 10 days making the 20th of the month the deadline for payment and then postively the meter will be cut off. The above is effective as of NOW
